

GONE WITH THE WIND was the garage at the Frank Struve farm Saturday after a storm here. Struve sits in his truck in what was formerly his garage and ponders the mystery of boxes and a bicycle in the rear

of the garage that were not moved by the storm. In set above is the garage roof which was thrown over a fence at the rear of the home.

Rain, Hail, Winds Damage Crops Here

Damage Heaviest On Farms To North

"I just saw my crop flowing down the road."

That was the comment of one area farmer Saturday after strong winds, heavy hail and rain hit the Olton area late in the afternoon.

Many residents took to their cellars while others kept a wary eye on the boiling black cloud, which dumped up to five and a half inches of rain in spots.

The hail damage centered along a strip two miles wide and 10 miles long, running east to west, about five miles north of town.

Farms hit particularly hard included those of Marcus Breland, Fred Long, Wilton Bodkin, J.L. Carson Jr., Wayne Carson, Hugh Alexander and Lacy Armstrong.

What was believed to have been a small twister swirled down at the Willie Gene Green farm, six miles north and one east of town.

Green's barn was destroyed, some new aluminum pipe bent, and some cotton trailers damaged.

A storm door was blown out in the kitchen of their home and splinters of glass dotted paneling on the opposite wall of the room.

"The funny thing about it," Mrs. Green said, "my husband had some equipment out there covered up with some tarps and it didn't even move those tarps." The Greens were not at home at the time of the storm.

At the nearby Harlan Carson home, east and south windows in the home were blown out, screens were torn off and the roof was damaged. The well house was blown over.

Mrs. Carson reported five and a half inches of rain, and "100 percent loss to our crops."

A small sheet iron barn three miles north of Olton, owned by

E.E. Curry, was blown down.

The Frank Struves, west of Olton, returned home Saturday night to find they were minus a garage.

The two sides of the building were laid neatly down and the roof blown about 50 feet. Boxes and a bicycle inside the garage were unmovable.

Mrs. Struve said their cotton, in one place, looked "funny", as though it had been twisted in one direction.

At the H.A. Hysinger farm, northeast of town, wind damage was reported along with a small amount of hail.

He said the hail the last part of July hurt his cotton, that it would be late and the grade would not be as high as it might have been. He said his feed yield would be cut from 25 to 50 percent because of wind.

Three and a half miles northeast, E.S. Huckabee reported "a lot of hail" but said he still had some bolls left on stalks.

In some areas, roads were covered solid with cotton bolls. Guy Vaughn, seven and a half miles northwest, reported about one inch of rain and no hail. He said the wind blew but "didn't do too much damage."

"My crop looks real good... the best in several years," he added.

He expected to start cutting feed this week.

Drexel Lawson, five miles west, reported one and a half inches of rain and no hail. He also said his crops "looked good."

Another good crop was reported by E.D. Harper, three and a half miles east. He reported no hail, no wind and "a little rain."

Forrest Latimer, one and a half miles west of United Elevators, said he lost about 500 pounds of grain per acre from hail damage Saturday. He reported one and three-fourths inches of rain.

Paul McFadden, two miles east and three and a half south, reported no hail or wind damage.

"We had a slow rain of about one inch," he said, "and the crops look real good."

He said he plans to start harvesting feed as soon as the fields dry.

Electricity in town was off for a short time Saturday afternoon.

Ralph Glover, Southwestern Public Service, said he thought it was due to lightning striking meter equipment at Olton Co-Op Gin.

CASTLEBERRY IN HOSPITAL

H.J. Castleberry, Olton night watchman, was reported in good condition Wednesday at Medical Arts Hospital, Littlefield, where he was taken Tuesday morning by an ambulance from Parsons Funeral Home.

Castleberry is reported to be suffering from carbon monoxide poisoning.

NO POLIO FOR DENISE--Little Denise Moss, 6-month-old daughter of Mr. and Mrs. Gerald Moss, was among almost 3,000 persons who received Sabin Oral Vaccine here last Saturday and Sunday. Administering the dose is Dr. Lynn Fite.

3,000 Turn Out At Polio Clinic

Despite bad weather and controversial national publicity, approximately 3,000 persons turned out here last weekend for the first round of the Sabin polio immunization program.

A make-up clinic for those who did not take the oral vaccine this past weekend will be held Sunday from 1 to 3 p.m. in the school cafeteria.

Vaccine being given in this first clinic, sponsored by the Olton Chamber of Commerce and Agriculture, is Type I.

Stepping up to take the first dose Saturday afternoon was Mrs. M.R. Cavitt.

Clinics were held here both Saturday and Sunday afternoons. Contributions totaled approximately \$900 for the 3,000 doses given.

Workers at the clinics included Drs. Basil Johns and Lynn Fite, CC-A Manager Melvin McReynolds, Ray Culwell, Mr. and Mrs. Ira Foster, Gene Trotter, Luis Hair, Marilyn Ballard, Theo Hackler, Leta Bell, Edzie Hackler, Mrs. Fred Long, Mrs. George Caddell, Mrs. Don Spain, Mr. and Mrs. Ed Thompson, Mr. and Mrs. G.H. Bley, Mr. and Mrs. Fred Thompson, Mrs. C.J. Dorris, Mrs. Maxine Struve, J.W. Huggins, Mary Ann Salvador, Amelia Valverde, Margareta Mendoza and Mrs. Ralph Salvador.

Donation signs for the clinic were painted by Paul Hernandez. Sugar cubes were donated by Sherman Food, Cashway Food, Gray Grocery and Botkin Food. Paper cups were donated by Cloverlake Dairy and Smokey Gilbert, route man.

Printing was contributed by Wayne's Hi-Plains Printing. Local Boy Scouts helped with the program.

Cowart Buys Olton Meat Co.

Olton Meat Co. has been purchased by Richard Cowart of Plainview, it was announced this week.

Cowart, owner of Cowart Meat Co. in Plainview, has operated his business there the past three years. The Cowarts, who have three children, moved to Plainview from Killeen, where he was in business seven years.

J.D. LANCASTER above, has been named minister of the Main Street Church of Christ. He and his wife and children have recently moved here from Bryan. Lancaster is a former school teacher. He attended East Texas State College at Commerce.

Crowd Tops 2,500 At HPRF Meet

More than 2,500 persons turned out last Friday for the annual High Plains Research Field Day at Halfway.

Dr. Earl Buntz, dean of agriculture at Purdue University, spoke Friday night, following a barbecue dinner.

Tours started at 1:30 p.m. Foundation staff members and volunteer aides were posted at various points to explain phases of the crops exhibited.

Service organizations and firms provided guides.

Four irrigation methods were presented at the cotton watering stops. The machinery exhibit was the largest ever to be set up for one of the field days.

Soybean and sesame breeding and demonstration of grain sorghum hybrids were shown at the second stop.

Results of flame cultivation were shown.

The recharge well designed to recover water from a surface lake and store it underground for irrigation was exhibited.

Cotton varieties and general growing procedures were on display.

Dr. Buntz, speaking after the barbecue, emphasized the importance of agriculture to American strength.

He noted that it only takes eight percent of our working force to feed 188 million Americans, with a surplus left over.

It takes 45 percent of Russia's manpower to feed that country.

Speaking on the cost of food, he said:

"Food is a bargain. We are fed and clothed better and much cheaper than ever before, in terms of how long we have to work to get it. The same kinds and amounts of food that were purchased 20 years ago for 23 percent of disposable income would now take only 16 percent."

"No other people in the world get so much for so little," he added.

"We must strive to maintain proper relation between industry and government."

"The system is worth preserving," he noted.

Springlake Sets Pancake Supper

Springlake Lions Club will stage a pancake supper at the school cafeteria prior to the Olton-Springlake football game there Friday night.

Olton and Springlake fans alike are invited to the supper, which will be served from 5:30 to 8 p.m.

Admission will be 75 cents for adults and 50 cents for students.

Olton Seeks First Win Against Springlake 11

Olton and Springlake--a pair of football teams looking for better times--go after each other in a non-conference game at Springlake Friday night.

Both will be looking for a big victory when the two clash at 8 p.m. in Wolverineland. The season started slowly for Coach Walter Bryan's Mustangs, who lost a pair of games they might have won.

Coach Jodie Mahan's team hasn't been a house afire, either, but they've been hampered by injuries to key personnel.

Springlake goes into the ball game with a 1-1 record, including an 18-14 loss to Bovina and a 19-0 win over Hart.

Quarterback Jerry Been has been in the big gun for the Wolverines. Against Bovina, he passed for one touchdown and scored another on a 10-yard scamper.

Last week against Hart, he put on the same sort of performance, passing for one score and running for another.

Olton pushed Abernathy all over the field and then lost, 8-7. Last week, the Mustangs

led a good Floydada team, 12-7, after three quarters, then fell victim to the Whirlwinds' home run plays. The final was 28-12.

Springlake has its troubles too. The Wolverines lost their game with Bovina in the

final seconds on a fake field goal play.

Two of Springlake's starters, both of whom have seen little action this year, are slated to be back in the line-up Friday night. Tackle Steve Holt and Guard Dale Dent should be ready,

Two Youths Set Fire At Church Of Christ

Damages were estimated at \$8,500 to the Main Street Church of Christ here after a fire which two 7-year old boys have admitted setting late last Thursday afternoon.

David Maxey, city fire marshal, said the boys told him they had pulled boxes out and poured gasoline from a can used for the church's lawn mower onto the floor.

One boy lit a piece of paper at a pilot light and threw the paper onto the gasoline.

Maxey said this caused an explosion from fumes built up

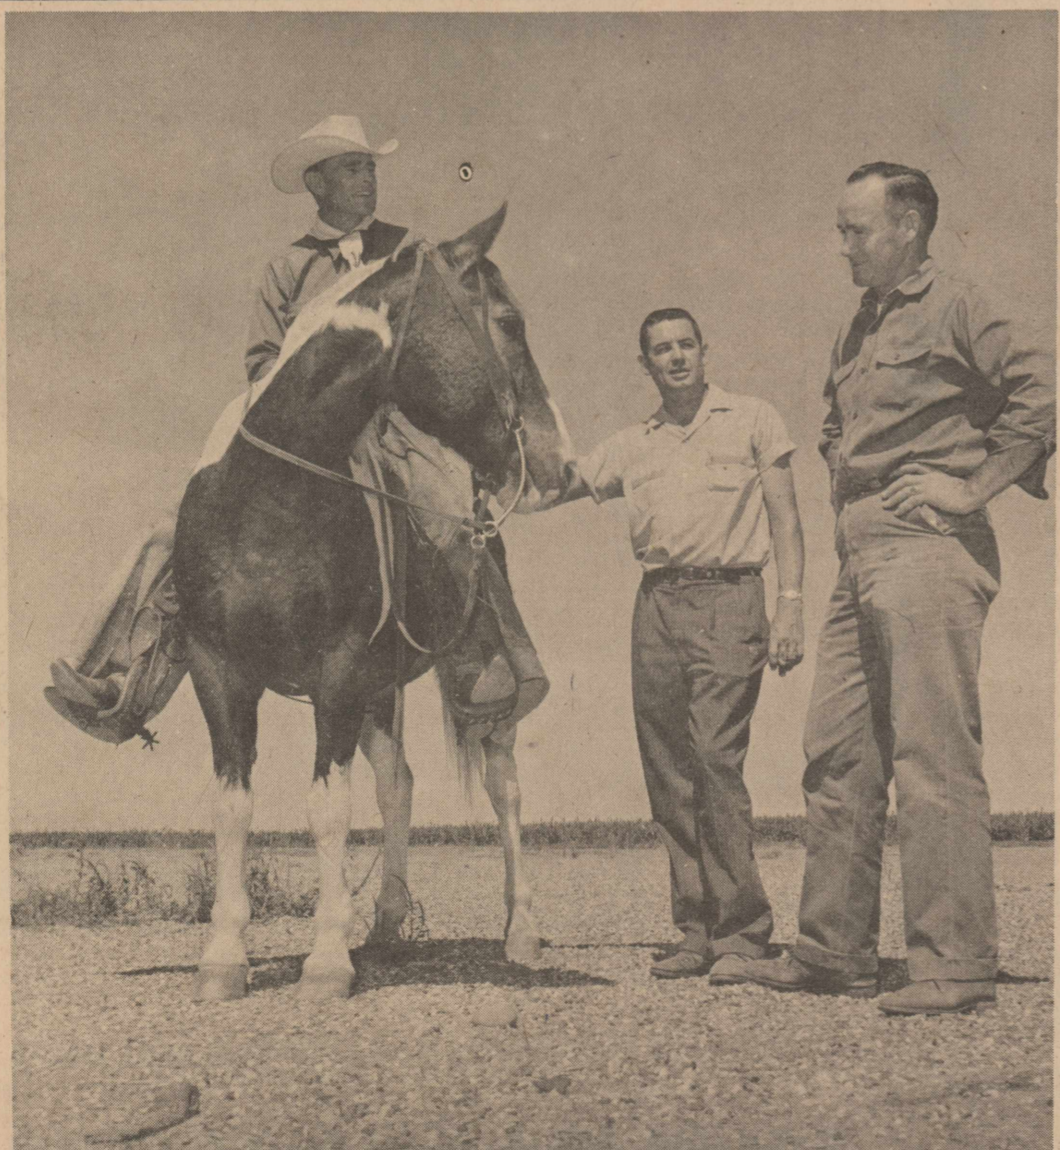

in the room.

The two boys were seen running from the church by a Latin-American youth.

Several church ladies, in the south part of the building, left when the electricity went off. They did not know, at that time, that the building was on fire.

Actual fire damage was mostly in the northeast part of the building.

Both the heating and the air conditioning plants were destroyed. The auditorium was badly damaged by smoke.

SCOUT ON HORSEBACK--Glenn O'Neil, Boy Scout representative for this area, was greeted here by M.T. James Jr., center, Lions Club institutional representative, and Kenneth Campbell, local scoutmaster, last Friday. O'Neil has toured the entire area on horseback, promoting Boy Scouting on the South Plains. He covered more than 300 miles on horseback during the tour.

Earth Man Is County Golf Champ

Russell Haberer of Earth walked off with the championship flight trophy at the county golf tournament at Olton Recreation Center last weekend.

Haberer shot a 212, 4 under par, in the 54-hole medal play tourney.

He was followed by Alvin Webb, Littlefield, with a 230 and Fluff Myers, Earth, with a 231.

Nick Nichols, Littlefield, came in with 232; Luis Hair, 234; T.J. Roberson, 236; Don Eagan, Littlefield, 236; and Volie Stokes, Littlefield, 244.

First flight went to George Clark with a 36, Carroll Cox came in second with 239 and J.S. Brown, Littlefield, placed third with a 240.

Bobby Copeland shot 241; Archie Sorley, 242; Sterl Harman, Littlefield, 245; H.B. Carson, 255; and Dale Weaver, 257.

Second flight winner was Ull Gunter with a 243, Frank Cornelius placed second with a 246 and third place was a tie at 250 between Owen Norfleet and Johnny Talburt, Littlefield.

Bob Duncan shot 254; Wayne Hair, 256; Adrian Martin, Littlefield, 262; C.S. Silcott, 266; and Jack Estes, 266.

James Hall took third flight with a 245. Leroy Hackler came in second with a 251 and third place was a tie at 257 between Eldon Franks and Kenneth Ray.

Harlan Carson shot 260; Ray Copeland, 267; Deryl Machen, 267; Dr. Dillen, Littlefield, 275; and George Redinger, 279.

Fourth flight went to Bob Gullett with a 252. G.H. Buchenau took second place with a 260 and Houston Hamby placed third with a 274.

Durwood Copeland shot 275; Jerrel Haberer, Littlefield, 275; Carroll MacDonald, Earth, 279; Jerry Kelly, Earth, 286; and E.U. Schaefer, 299.

Winners in the tourney were awarded trophies. Prizes in golf merchandise were given to the runners-up in each flight.

Women Taking Over In Football Contest

The women are taking over, no doubt about it now. A couple of them took top honors last week in the Enterprise's weekly football contest.

Mrs. E.J. McKnight, wife of the junior high principal, won the top prize, edging Mrs. B.R. Weaver.

E.J. McKnight herself was third, indicating that maybe he could take some pointers from the Mrs. when it comes to football guessing.

Mrs. McKnight guessed right on 13 of the 15 games, missing only the Petersburg win over Abernathy and the Sudan victory over Friona.

Mrs. Weaver also picked 13 of 15, missing the Petersburg-Abernathy and Littlefield-Brownfield contests.

As it turned out, Mrs. McKnight was only eight points off on the tiebreaker, while Mrs. Weaver was 12 off.

McKnight and two others, Charles Polk and A.A. Smith, missed on three contests, with McKnight winning because he was closest on the tiebreaker.

Checks for \$10, \$6, and \$4 will be mailed to the top three winners.

If you haven't entered the contest for this week, there's still time. All you need to do is pick up a copy of the Sept. 13 Enterprise, pick your winners and turn in your entry to one of the sponsoring merchants.

Deadline for entering the contest for this week is Friday at 4 p.m.

Floydada's Late Scores Edge Battling Mustangs

For three quarters last Friday night, Olton's Mustangs had the heavily favored Floydada Whirlwinds reeling in a non-conference battle at Floydada. But the Whirlwinds came out of it, cashed in on a couple of big gainers and edged the Mustangs, 28-12, in a game that was closer than the score indicated.

The key play was a 66-yard run early in the fourth period by Butch Gilliland. It was a reverse that caught Olton defenders with their guard down. Gilliland sailed into the clear at the line of scrimmage and outraced a couple of Mustangs hot in pursuit.

As it turned out, the play reversed the trend of the ball game and gave Floydada a lead it never relinquished, 14-12. The last two Whirlwind TD's came in the final three minutes of play, with one set up by a

36-yard run and the other the result of an interception of a desperation Olton pass.

In the first half, The Mustangs rolled up a 12-7 lead. The third quarter was scoreless, and the Mustangs had a 28-yard touchdown run by fullback Johnny Moses called back early in the fourth period. That would have given the Ponies a two-touchdown lead and might have been a victory clincher.

The Mustangs outgained Floydada in every department, the same as they had against Abernathy the week before.

First downs were 12-10, Olton, and net yards were 228 to 218, Olton.

Olton opened the scoring in the first quarter on some fine passing by freshman quarterback Joe Priest and catching by sophomore end Clyde Galloway. Priest connected with Galloway on a 37-yarder to the

Floydada 31. A few moments later, Halfback George Jones broke loose on a 14-yard scamper to the 14-yard line.

Two plays later, Galloway turned in a fine catch in the end zone for Olton's first TD. The pass play from Priest covered nine yards.

As the second quarter opened, Jones intercepted a Floydada pass and the Mustangs drove out to their 36. Jones' fourth down kick was blocked, with Floydada's Mac Willson recovering at the Olton three.

Fullback Jimmy Stewart plunged over from there and Keith Teague kicked the extra point to put Floydada in the lead, 7-6, with nine minutes left in the half.

Olton took the ensuing kickoff and drove 67 yards for the lead touchdown.

A 15-yard penalty against Floydada started the march and

FLOYDADA QUARTERBACK Vernie Moore is downed by Olton's Joe Priest in this play of the Olton-Floydada football game last Friday night at Floydada. Other Mustangs in hot pursuit are Jimmy Bennett (65), Dennis Givens (63) and George Jones (11). Moore gained five yards on the play.

after Joe Costello gained two yards to midfield, Priest hit Jones with an 18-yard pass to the Whirlwind 32.

Costello gained five more and Jones got off on another fine 14-yard jaunt to the Floydada 13.

Three running tries netted only four yards, but Floydada was offside on the fourth down play and Olton had a first down at the Floydada 4.

Priest sneaked down to the one, then pulled the same play again for the touchdown. His run for the extra points was stopped and Olton led, 12-7, with 3:29 left in the half.

Floydada came roaring back to the Olton 33, but there three passes were broken up, two by Priest, and the fourth was intercepted by Charlie Burrus.

The third quarter saw both teams stalled around midfield until Floydada reached the Olton 35 about halfway through the period.

There Tackle Jimmy Bennett pounced on a Whirlwind fumble to stop any Floydada scoring notions for the moment.

Olton couldn't gain, so Jones got off a fine 38-yard punt to the Floydada 12.

A few plays later, the Mustangs drove the Whirlwinds back to their own two, as Costello

and Tackle Daniel Rey ran down ballcarrier Vernie Moore after a bad snap from center.

Floydada punted out and Olton took over at the Whirlwind 28 as the third quarter ended.

On the first play of the fourth period, Moses broke loose for the 28 yards and an apparent touchdown. However a penalty rubbed it out.

Moses ran three more plays, but the Mustangs made it only to the Wind 23, and Floydada took over.

The Whirlwinds picked up a first down at the 34, with Olton's Jones getting hurt as he and Costello stopped the play there.

On the next play, Gilliland came through with his 66-yard run and Floydada had a 14-12 lead, with 9:27 left in the game.

Olton never was able to mount the attack after that.

With three minutes left in the game, Floydada's Tommy Watts ran 36 yards to the Olton 7, then scored two plays later from

the three. Watts also ran the extra points and Floydada led, 22-12, with 2:35 left.

A minute later, Priest's pass was intercepted by Moore at the Mustang 10 and the Floydada quarterback ran it back for the fourth Whirlwind score.

As the clock ran out, the Mustangs were gaining, with Priest connecting on a seven-yard pass to Darrel Glover.

Olton had several standouts on defense through the first three periods, with Burrus, Jones, Billy Carson, Leon Kendall, Costello, George Phillips, Ronnie Parsons, Dennis Givens, Priest and Moses all getting in some good work.

On the offensive, Moses led the Olton ground gainers with 62 yards in 18 carries, while Jones picked 44 in eight trips. Costello had 24 in 10 runs and Priest 22 in 13. Priest also connected on four of eight passes for 71 yards and a touchdown.

Gilliland led the Floydada ballcarriers with 66 yards in his only carry of the night, the

one that put Olton behind and reversed the trend of the game.

Watts had 52 yards in nine carries and Moore picked up 52 in 11 trips.

SCORING SUMMARY

Olton—Clyde Galloway, 9-yard pass from Joe Priest; Priest, one-yard plunge.

Floydada—Jimmy Stewart, three-yard run; extra point kicked by Keith Teague; Butch Gilliland, 66-yard run, extra point kicked by Teague; Tommy Watts, three-yard run; also ran for extra points; Vernie Moore, 10-yard return of intercepted pass.

STATISTICS	O	F
First Downs	12	10
Yds. Rushing	157	195
Yds. Passing	71	23
Total Net Yds.	228	218
Pass Attempts	8	10
Pass Completions	4	2
Intercepted By	2	1
Fumbles Lost	1	1
Punts, Avg.	4-28	4-26
Penalties, Yds.	7-55	5-38

FULLBACK JOHNNY MOSES is stopped for no gain on this play in the fourth quarter. Other Mustangs in the picture are Glyde Galloway (85) and Charlie Burrus(30).

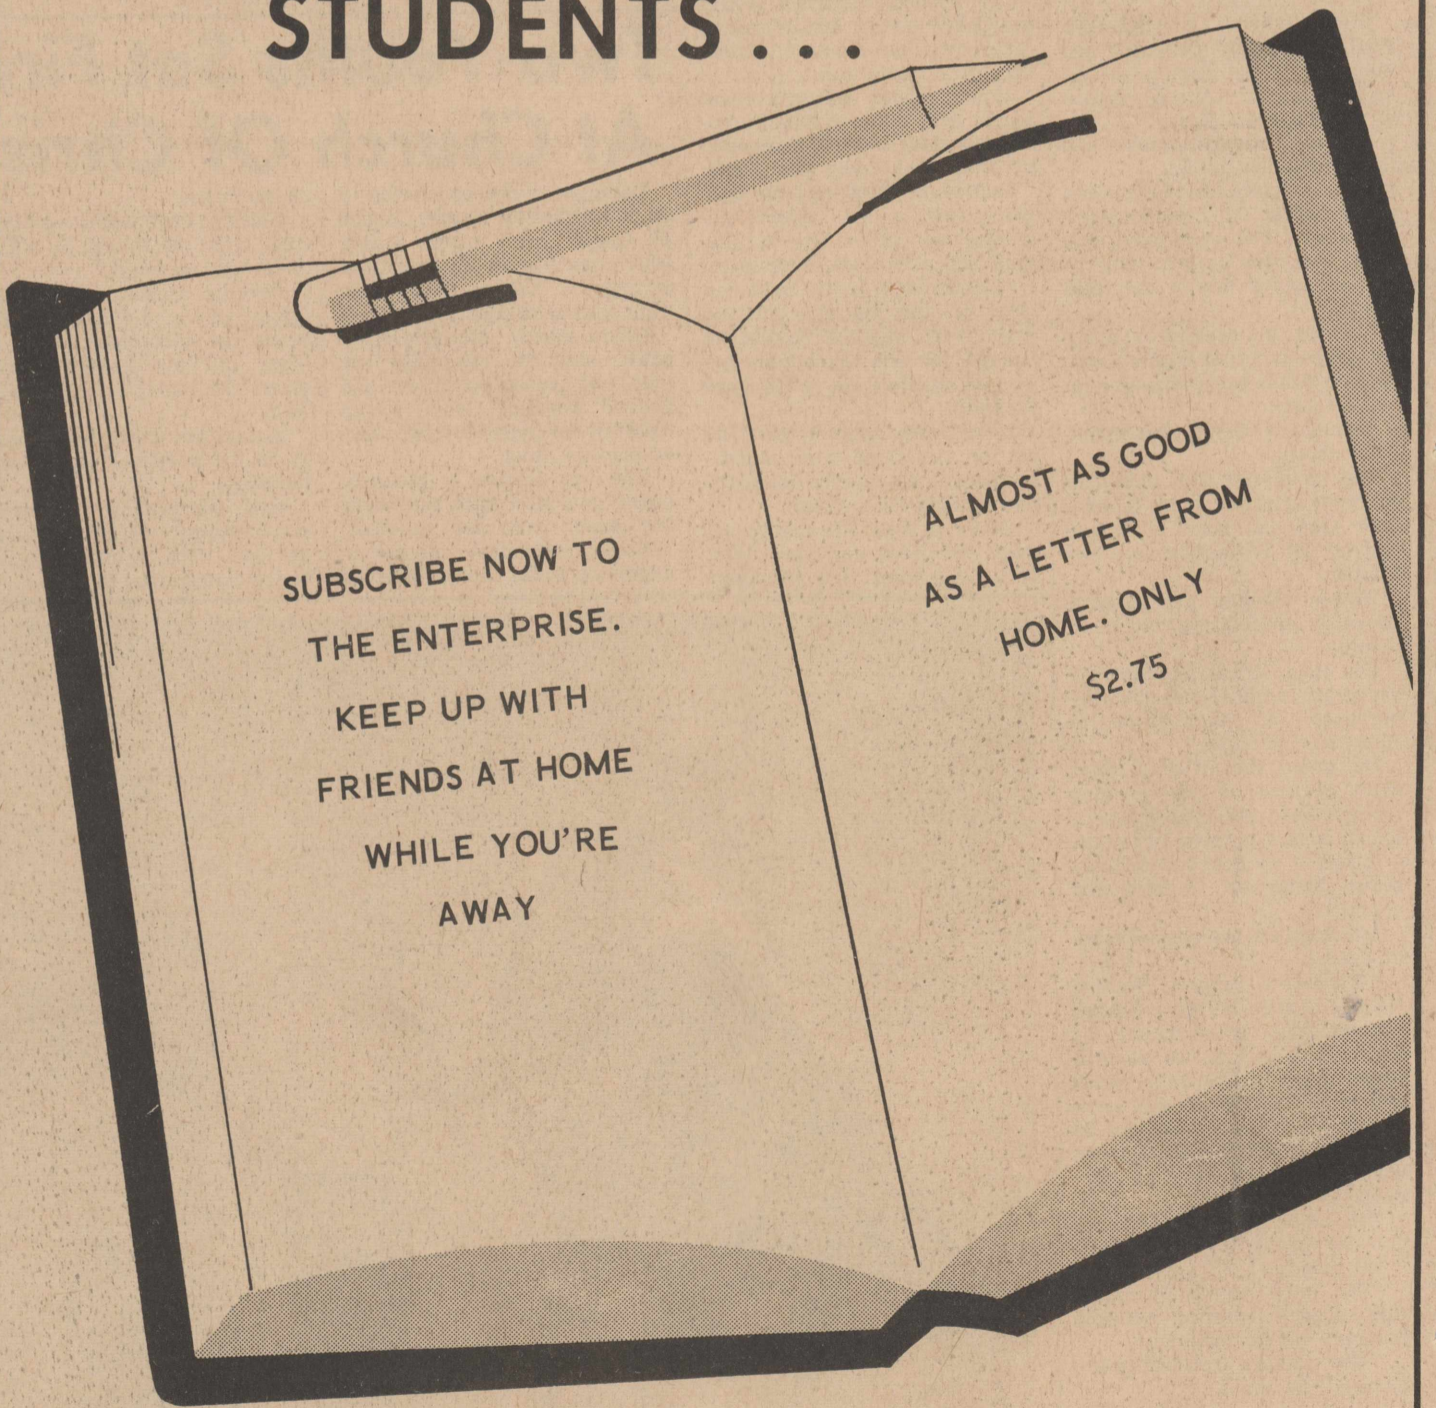

The Ponies, after leading through three quarters, were unable to mount the offensive during the fourth quarter.

BEAT FLOYDADA---And the Mustangs almost did! Olton led Floydada, 12-7, after three quarters, but fell victim to three final period scores by the Whirlwinds. The

Ponies outgained the Whirlwinds in almost every department, as they had done against Abernathy the week before.

Sparkling Shooting Star—serve with mayonnaise for salad or with whipped cream for dessert.

SOUPS SALADS

SHOOTING STAR SALAD
1 package lemon-flavored gelatin
1 cup boiling water
1 cinnamon stick
1 cup apple juice
2 bananas

Dissolve gelatin in boiling water; break cinnamon stick into 3 or 4 pieces. Drop

into gelatin. Add apple juice. Let cool. When cooled to room temperature, remove cinnamon. Refrigerate until gelatin becomes slightly thickened (about consistency of uncooked egg whites). Pour into 1-pint mold. Slice bananas. Form design with banana slices in mold. Chill until firm. Unmold onto serving plate.

PTA Coffees Start Here

PTA coffees for mothers and teachers got underway here this week with more coffees scheduled next week. First grade mothers and teachers met Monday morning at 9 a.m. All coffees will be held at that hour.

Second grade met Tuesday, third grade Wednesday and fourth this morning. The fifth grade group will meet tomorrow morning.

The sixth grade meeting, originally scheduled Monday morning, has been postponed to Tuesday due to the opening of the fair in Lubbock.

Seventh grade will meet next Wednesday, eighth next Thursday, ninth and tenth next Friday and eleventh and twelfth Monday Oct. 1.

PTA Membership Drive Continues

PTA membership chairman, Mrs. Archie Sorley, reported this week that the Olton PTA now has a membership of approximately 250. Goal is set at 300 members. The drive will continue through September.

Garden Club Meet Held

The Olton Garden Club met Thursday Sept. 13 for a work-shop day conducted by Mrs. Roy Formway of Plainview.

A salad luncheon was served at noon. Mrs. Lindsay Dennis and Mrs. C.M. Owen served as hostesses. Mrs. Formway gave a demonstration on flower arrangements and preparations of flow-

ers for a flower show. Schedules were passed out to all members present for the fall flower show which is scheduled Sept. 18.

Those who were not present may pick schedules at House of Flowers. Present were Mmes. C.W. Phillips, Jake Mitchell, Preston Sampler, Bill Dickenson, Ann Blythe, John Lambright, L. E. Silcott, I.D. Grimsley, Idell Lewis, Athol Light, A.D. Melton, D.W. Pinson, C.E. Eley, Roy Hooper and hostesses, Mrs. H.L. Dennis and Mrs. C.M. Owen.

Mrs. Lyman Hull To Be Honored

Mrs. Lyman Hull will be honored with a pink and blue coffee Friday morning in the home of Mrs. Leroy Bodkin. Calling hours will be from 9:30 to 11:30 a.m.

Mrs. Jordan Hosts Club

The Olton Home Demonstration Club met in the home of Mrs. Harold Jordan Tuesday afternoon.

Roll call was answered with useful household hints.

Mrs. Harry Thomas read thank you notes from Mrs. Dan Adair and Mrs. Lee Simmons, who have been on the sick list.

Mrs. Nell Crawford read the qualifications.

Mrs. Raymond Cooper guessed the white elephant. Plans were made to ask a local lady to give instructions on hat making at the next meeting which will be Oct. 2 in the home of Mrs. Tom Smith. Each member is asked to be present.

Refreshments of coffee, punch, and cookies were served to Mmes. V.D. Miller, Harry Thomas, Ira Limbocker, Tom Smith, Harold Jordan and a visitor, Mrs. Raymond Cooper.

New Century Meets In Burgess Home

"We must remember that parents are always teachers. The moment they become parents, they start educating their children," Mrs. Johnny Clark said Wednesday at a meeting of the New Century Study Club. She added that parents are now building their lives around their children, whereas, in the past, the custom was for children to build their lives around the parents.

Mrs. Gilbert Roberson, leader of the program on education, conducted a discussion of local school problems.

The club met in the home of Mrs. Bob Burgess with Mrs. M.C. Church as co-hostess. Devotional was given by Mrs. Ed Thompson. Roll call was "miscellaneous."

Sandwiches, potato chips, olives, cookies, candy, cokes and coffee were served.

Members present were mmes. Wilton Bodkin, J.C. Brown, Bob Burgess, George Caddell, Johnny Clark, M. C. Church, Ray Culwell, C.J. Dorris, Delmer Givens, E.C. Jones, Gilbert Roberson, Archie Sorley, A.J. Spain, Don Spain, Frank Struve, Ed Thompson, Fred Thompson and Bill Turner.

Next meeting will be Oct. 3 in the home of Mrs. Bill Turner.

Film On Communism Scheduled

Bykota Study Club will sponsor a film, "What Is Communism?" Tuesday Sept. 25 at 8 p.m. in the school auditorium. The public is invited.

VISIT BENNETTS

Visiting in the Bill Bennett home over the weekend were Starlene and Debbie Pike of Lake Charles, La., and Mr. and Mrs. L.C. Bennett of Amarillo.

VISIT BALLS

Mr. and Mrs. J. Paul Waggoner of Sunnyside visited in the Bob Ball home Sunday.

Bykota Club Tours Homes

The Bykota Study Club was taken on a tour of new homes in Plainview last Wednesday afternoon by Mrs. Betty Cartwright, Plainview interior decorator.

Those attending were Mmes. R.V. Allcorn, Larry Witten, Deryl Machen, J.P. Nafzger, Joe Hall, Billy Smith, Jr., Landon Smith, and two guests, Mmes. Kenneth Hapner and Clyde Vaughn.

Tough new '63 Chevrolet Trucks are here!

...THE ONES THAT WHIPPED THE BAJA RUN...TOUGHEST UNDER THE SUN... TO SHOW THE WORTH OF NEW ENGINES, FRAMES AND SUSPENSIONS!

Round trip from Detroit to the end of the Baja Peninsula is over 8,000 miles.

Millions of years ago nature fashioned a proving ground for trucks that man can never duplicate. Today it is known as the Baja (bah' hah) California Peninsula, Mexico.

These pictures give you only a bare idea of the place. The road is fine for 140 miles below the U.S. border. Then the beating begins. Rocks and hard-baked ruts bang, jab and jerk the trucks from stem to stern. Loose sand makes them struggle and strain. Dust chokes them. Heat roasts them. Rivers drench them.

The Baja Run took this Chevrolet truck caravan 17 days to go the 1,066 miles.

All the trucks performed magnificently. Not one was forced to drop out because of mechanical difficulty.

Trucks that can take this kind of beating can take on your toughest truck jobs. Come in now and see tough quality-built '63 Chevrolet trucks with all their new improvements.

Sometimes the caravan crept along for hours in low gear. It took 17 days to go 1,066 miles! This is the road near Loreto.

See the "New Reliables" now at your Chevrolet dealer's!

LET'S GO MUSTANGS-BEAT SPRINGLAKE!

THIS WEEK WE SALUTE . . .

FOOTBALL

WEEKLY PRIZES!

CONTEST RULES

Winners selected in each ad must be circled in ink or pencil. Tie-breaker winners must be circled and scores printed in the spaces made available for them.

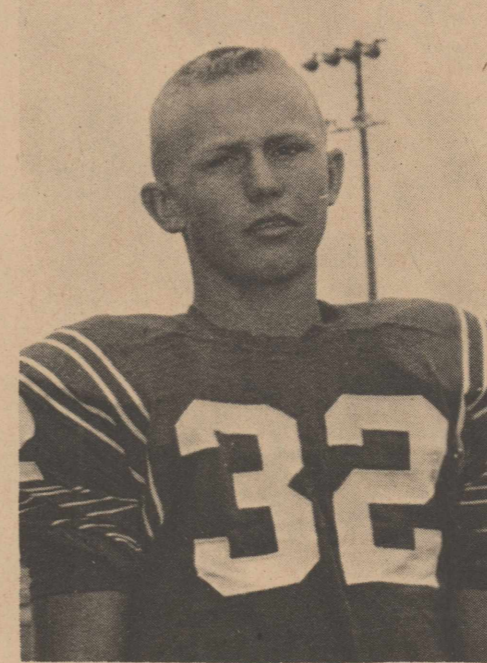

Each week's entry must be turned in to one of the merchants sponsoring the contest. Contestants are given a week to prepare and turn in their entries. When they receive their paper on Friday, they have until the next Friday at

4 p. m. to turn in their entries.

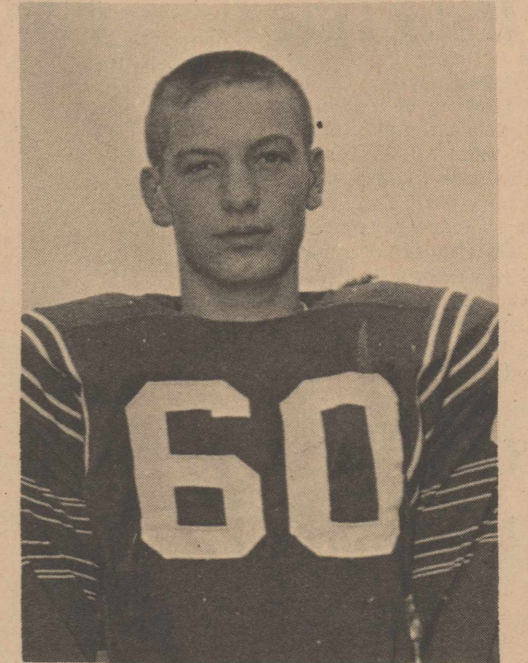

Sponsoring merchants may accept mailed entries, but none mailed directly to the Enterprise will be accepted. All late entries will be discarded.

In case of ties, a coin will be flipped to determine the winners.

Anyone may enter except employes of the Enterprise or their families.

Hart Camp Happenings

Mrs. Jim Taylor, Marty and Johnnie Mac of Goldsmith visited in the home of her parents, Mr. and Mrs. M.W. Wheeler last week. Mrs. Taylor and Johnny Mac returned to Goldsmith Monday, but Marty remained here for a longer stay with his grandparents.

Mrs. Leona Holden and Lee Edward are in Oklahoma this week visiting relatives.

Visitors in the Paul Teal home several days last week were their grandchildren, children of Mr. and Mrs. Bill Whittenburg of Los Cruces, N.M. The Teals carried the children home over the weekend.

Rev. and Mrs. Jack Moore and girls were in Seymour Saturday where they attended a family reunion of the Moore families. There were 59 present at the reunion.

Mr. and Mrs. Floyd Oliver are in Amarillo visiting for a few days.

Mrs. Dan Puckett visited last week in Phoenix and Tucson, Ariz., with her sister and other relatives.

Mr. and Mrs. Bobbie Sanders and their three boys of Ralls were visitors at the Sunday services of the Baptist Church. They also visited in the home of Rev. and Mrs. Jack Moore and family Sunday night.

Dan Puckett accompanied a group of Fieldton men to Falcon Lake last week where they did some fishing.

The laides of the Women's Missionary Union met Monday afternoon for a stewardship program. Mrs. L.W. Sullivan had charge of the program. Ladies attending were Mimes, Jack Moore, Blanton Martin, L.W. Sullivan and R.S. Moore.

Mrs. L.A. Smith attended a workshop Tuesday in Amarillo in connection with her school work. Mrs. Blanton Martin was substitute teacher in her place while she was away.

Mrs. Dewey Parkey, Ricky Dan and La Von are in Floydada this week visiting her parents, Mr. and Mrs. C.L. Jarrett. Mrs. Jarrett is ill.

H.J. Loman, W.J. Loman and Gene Loman left Monday for the Rio Grande River where they will spend a few days fishing.

Fred Ball of Pampa is visiting his brother, L.E. Ball and family this week.

Mr. and Mrs. Paul Hukill returned home Saturday from Ruidosa, N.M., and O'Brien, where they have been vacationing. Mrs. Hukill's sister and husband, Mr. and Mrs. Abb Johnston of O'Brien, accompanied them to Ruidosa.

Mr. and Mrs. Lewis Ball took her parents, Mr. and Mrs. H.I. Ball, to Clovis, N.M., Monday where they caught a train to their home in Tulare, Calif. Mr. and Mrs. Ball have been visiting here and in parts of Oklahoma for a couple of weeks.

Mr. and Mrs. Blanton Martin and Suzanne visited in Lubbock Sunday afternoon with Miss Eulalie Davies, who is a sister of Mrs. Martin. A.F. Davies, Mrs. Martin's father, who has been visiting here, accompanied them to Lubbock, where he makes his home.

Dee Ann Hill, niece of Mrs. Lewis Ball from Sentinel, Okla., visited Sunday School Sunday morning at the Baptist Church. Dee Ann is on her seventh year of perfect attendance in Sunday School.

Mr. and Mrs. V.T. Lynch of Gilom Springs, Ark. are visiting this week with their son and daughter-in-law, Mr. and Mrs. H.V. Lynch.

Elma Burleson, J.W. Johnson Sr. and J.W. Johnson Jr. left Thursday morning to hunt deer in the southwestern part of Colorado. Ray Johnson who is visiting in Pagosa Springs, Colo., will join them on their hunting trip.

Mr. and Mrs. Nolan Hukill and boys, Mr. and Mrs. Homer Hukill and Mr. and Mrs. Paul Hukill attended funeral services Wednesday at the Fieldton Baptist Church for their aunt, Mrs. Annie Byrd Hukill, 83, who died Monday night in the Littlefield Hospital and Clinic. Mr. and Mrs. Paul Hukill also attended graveside rites at Gainesville Thursday where she was buried.

Visitors this week in the L.E. Ball home included Mrs. Ball's brother and his wife, Mr. and Mrs. Rubin Hall of Sentinel, Okla., and a niece,

Mrs. Alice Hill and Dee Ann, also of Sentinel. Other visitors include a daughter and granddaughters, Mrs. Richard Atterbury, Dianne and Winn of Ralls.

A week long Revival Meeting will begin Sunday at the Baptist Church. Rev. Ed Williams of Fort Worth will be doing the preaching. Morning services will begin at 8:30 a.m. and evening services will begin at 8 p.m. Everyone is invited to these services.

Beginner children starting to school for the first time this year are Danny Leonard, son of Mr. and Mrs. Doe Leonard; Gregory Lynn Burleson, son of Mr. and Mrs. Elma Burleson; Donna Muller, daughter of Mr. and Mrs. Don Muller; and Jerry Hendrick, son of Mr. and Mrs. Roy Hendrick.

4-H Club Meet Held

Olton 4-H Club met Thursday Sept. 13 with several new members present.

New members are Tommy Lewis, Jimmy Ivens and Susan Nicholas.

Miss Nancee Greer, Melbourne, Australia, was introduced by W.B. Dickerson Jr. She showed slides and spoke on Australia.

She is a sister to Mrs. L.G. Grizzle of Littlefield.

Meetings are held the second Thursday of each month at 7:30 p.m. in the American Legion hut.

VACATION TRIP

Kent Wozencraft, James Ray Hyatt, James Spill of Winters and Tom Strickland of Denver City returned recently from a two week tour of Wyoming, California, Canada, Nevada and Arizona. They visited Mr. and Mrs. Fred Burgess at Jackson, Wyo., Max Wozencraft at Riverside, Calif., and several friends.

IN DETROIT

A.D. Adams of Adams Tractor Company was among the 4,500 representatives of United States dealers of Ford farm and industrial tractors and equipment attending a nationwide meeting held by Ford Motor Company's Tractor and Implement Operations in Detroit, Mich., Sept. 18-19.

BE SURE TO INSURE

AGAINST AUTO ACCIDENTS

'Safety First' is not always the last word when it comes to driving. There is always 'the other fellow', the sudden blow-out, the freak accident. The only safe driver is a thoroughly insured one. Are you?

HOWARD HALL INSURANCE CO.

the COMPTON QUIZ

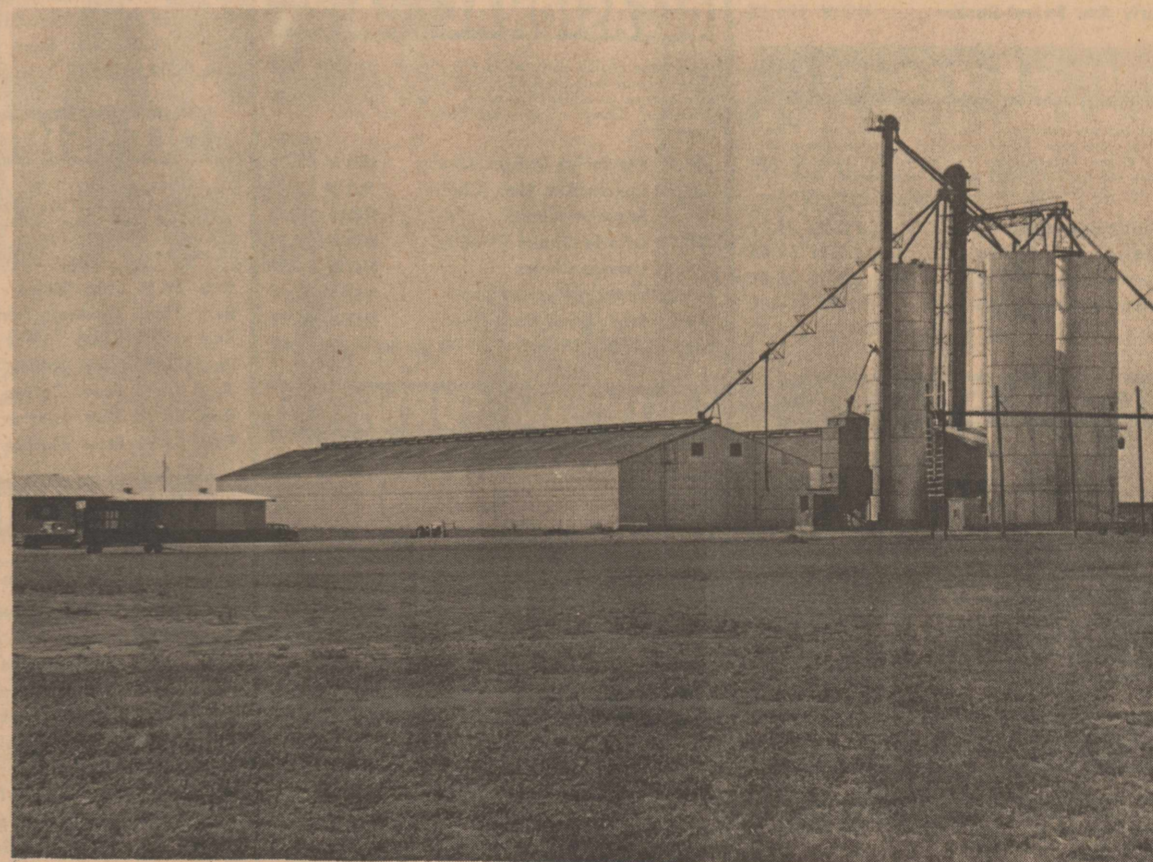

Test your knowledge with these questions and answers from the pages of Compton's Pictured Encyclopedia.

1. What is the coldest temperature ever recorded on earth?
2. What animal has neither parent nor children?
3. Who was the original "doubting Thomas"?
4. How did a fly swatter change the history of Algeria?
5. What was the first successful automobile in America?
6. Of what wood are baseball bats made?
7. Which bird has the greatest wingspread?
8. Where can you dip fresh water from the Atlantic Ocean?
9. What insects keep slaves?
10. Which animals live the longest?

1. 125.3 degrees below zero at the South Pole in 1958.
2. The amoeba, lowest form of animal life, reproduces by simple pinching in two in the middle, called fission.
3. One of the 12 apostles, Thomas came to be called "doubting Thomas" because he would not believe in the resurrection until he could see and touch the Master.
4. The French seized Algeria after a dispute in 1827 when the Dey, native Algerian ruler, struck the French consul with a fly swatter.
5. Car built by the Duryea Brothers in 1893.
6. Baseball bats are made of ash.
7. The wandering Albatross has wings often measuring more than 11 feet from tip to tip.
8. Fresh water can be dipped more than 100 miles beyond the mouth of the Amazon River off the coast of Brazil.
9. Amazon ants make slaves of other species.
10. Giant tortoises live as long as 150 years.

Springlake News

The WMU Week of Prayer ended Friday morning with a large attendance of members and visitors present Monday, Tuesday, Thursday and Friday. This was a program each morning for State Missions. Mrs. Moena Miller had charge of the program each day as prayer chairman. Wednesday night the WUM Prayer Retreat was extended to the entire church. Special music was furnished by Mary Lee Clayton as she sang, "Teach Me to Pray" while all the lights were turned off and revolving colored lights were shone on a large painting of the "Praying Hands." A Japanese student, Yoshika Shiga, adopted by the local W MU from Wayland gave her testimony, showed slides of her homeland and other countries and sang "How Great Thou Art."

Mr. and Mrs. Charles Hedrick and Brent of Sunnyside visited with Mr. and Mrs. Bud Matlock and Debbie Sunday.

Mr. and Mrs. Darrell Kenner, Ricky and Debbie of Muleshoe visited Tuesday night with her parents, Mr. and Mrs. Lowell Walden and Delvin. The children stayed with their grandparents for several days longer.

Mrs. Thelma McClanahan and Mrs. Moena Miller went to Plainview Wednesday afternoon to bring Yoshika Shiga back to the Baptist Church to speak.

Rev. and Mrs. M.B. Baldwin visited with Mr. and Mrs. Jim Baldwin of Lubbock Tuesday.

Mrs. Betty Watson, Donna, Debbie and Buster of Plainview visited Tuesday night with Mr. and Mrs. Arnold Washington and the James Washingtons.

Mr. and Mrs. Wayne Davis, Del and Tammy and Andrew Davis returned home last Monday night after a week's visit in Antlers, Okla., with Mr. and Mrs. Tut Davis and Kenneth. They all toured "Six Flags Over Texas" during the weekend.

Mrs. Myrtle Clayton left last Monday with Mr. and Mrs. Roscoe Thomas of Olton on a vacation in New Mexico.

Mrs. Dimples Sanders came home Friday after being a patient most of the week in the Littlefield Hospital.

Mr. and Mrs. Lowell Walden, Ricky and Debbie Kennemer took Yoshika Shiga back to Wayland College at Plainview Wednesday night.

Mrs. Ilo Sanders spent Friday and Saturday with Mr. and Mrs. Jimmy Coleman and boys of Dimmitt.

Prestridge Heads Band

Mr. and Mrs. Leslie Watson left Monday morning for a deer hunting trip in Colorado.

Mr. and Mrs. James Washington, Mr. and Mrs. Ed Jones and Mr. and Mrs. Barney Glasscock left Monday afternoon for a few days vacation in the mountains.

Mrs. Doris Winder was in Lubbock for a medical check-up Thursday.

Mr. and Mrs. Royce Bearden and Mr. and Mrs. Donnie Clayton returned home Monday night from a trip to the mountains.

Miss Glyndell Morrison of Lubbock is staying in the James Washington home with Alicia and Jamie Washington while their parents are on vacation. The Washingtons went after her Sunday.

Mrs. Charlene Riley and Shaunessy and Mrs. Price Hamilton visited in Lubbock Thursday with Mr. and Mrs. Jim Baldwin.

Mr. and Mrs. David Hucks of Lubbock visited Sunday with Mr. and Mrs. W.B. Hucks and family.

Mrs. Elma Criswell has been visiting in Fort Worth with her daughter and family.

Mr. and Mrs. Mac McGowan visited Friday and Saturday in Portales, N.M. with their son, A.M. McGowan.

Mrs. Pauline Hucks and Mrs. J.B. Rowan took Lonnie back to school in Lubbock Monday.

Mr. and Mrs. Jim Baldwin spent Saturday and Sunday with their parents, Mr. and Mrs. Price Hamilton and Rev. and Mrs. M.B. Baldwin.

Mrs. Mattie Boone returned home Sunday from Dennison after spending a week with her nephew and family, Mr. and Mrs. Buck Dunham. She also visited with two sisters from Oklahoma City and Floydada while there. He nephew took her to her homeplace at Mansfield in Johnson County where she saw a school mate whom she had not seen in 61 years. She also visited with several other friends.

Mr. and Mrs. Ernest Baker were honored with a housewarming Thursday night at 8 p.m. in their three bedroom brick home, south of town, Coffee, cokes, Dr. Peppers and cookies were served to a group of friends and relatives.

Hostesses for the occasion were Mmes. Myrtle Clayton, Alpha Dee Whitford, Rosa Loftis, Doris Winder, Thelma McClanahan, Ann Kelley, Louise Alair, Marvel Carruthers, Billie Walden, Mildred Goforth, Gayle Jones, Bobbie Banks, Jean Byers, Lola Sanders, Mary Lee Clayton, Delma Clayton and Pauline Hucks. The occasion was also Mrs. Baker's birthday.

CARD OF THANKS

We want to thank everyone who had a part in helping us clean up after our barn blew away.

We could never repay you and in our feeble way, we say many thanks.

The Willie Greens

Strips Stems Bare. Delivers Cleaner Cotton!

McCormick No. 21 2-row stripper teams flip-stripping and continuous cleaning to "fine comb" 15 to 25 acres a day!

This clean-sweep harvest of storm-proof cotton by the New McCormick 2-row cotton stripper puts cleaner cotton in your wagon.

Exclusive IH ribbed stripper rolls flip bolls from the stems instead of pulling or tearing them off the plant. This greatly reduces trash intake. Then augers carry the bolls to the elevator over slotted conveyors for efficient trash removal. Slotted elevator bottoms, and a powerful air blast complete the job or providing continuous cleaning, all the way from plant lifters to delivery chute! This high-speed conveying and cleaning system also speeds stripping.

Spanish Club Elects Officers

Newly-elected Spanish Club officers for the year '62-63 are Stephen Smith, president; Elaine Lewis, vice-president; Tomie Covington, treasurer; Dana Speer, secretary; Coye McGill, reporter; Frankie Adams, historian; and Topper Maxey, program chairman.

Club dues are a \$1 and state dues are 50 cents. Both are to be paid by Oct. 5. Plans were made to attend the state convention in San Antonio in the spring.

Junior FHA Meet Held

Miss Gayle Scott, sponsor, explained to the Jr. FHA the point system for the year and the necessity for working on Junior, Chapter, and State Degrees, at a meeting this week.

Refreshments of ice cream were served to Gayle Gunter, Belva Howard, Debra Sherry, Judy Miller, Rhonda Mitchell, Brenda Hyatt, Iva Tanner, Sharon Busby, Kathy Kidd, Sherry Caddel, Laura Akin, Rita Harper, Carolyn Carlisle, Deana Scruggs, Linda Collins, Shirley Leonard, Mary Aigaki, Donna Carlisle, Susan Norfleet, Nancee Buchenau and Francine Struve.

J.D. Lancaster Is New Minister Of Local Church

J.D. Lancaster has been named new minister of the Main Street Church of Christ.

Lancaster and his wife, Nannie Mae, and three children, Janice, 15, Mack, 9, and Bruce, 7, moved here recently from Bryan, where he had been serving as a minister.

They have two other children, David, with Shell Oil at Midland, and Mrs. Linda Browning, Gwinn, Mich.

Lancaster taught school 16 years and was formerly a pastor at Hallsville. He attended East Texas State College at Commerce.

Watch Your Step
 Accidents cause more physical impairments among Americans than any disease, a Public Health Service official reports. They are also the fourth leading cause of death.

Calling All Cats
 A virus that causes many kinds of cancers in laboratory mice is also widespread among house and field mice, three government scientists have found. The source of the infection seems to be contaminated grain bins.

Tight Beam
 A new radiation instrument called a laser produces a beam of red light so narrow and so intense that it's been used for surgery at the back of the eye. Its light has also been bounced off the moon.

Campbell FTA Meeting Held

The first meeting of the Campbell FTA was held in room 17 at the high school Sept. 12 at 4 p.m. Thirty-three members were present. Bobbye Tollett gave a talk explaining symbols, dues and purposes of FTA. Betty Harrod gave a history of FTA. Tanya Bryant, president, gave the pledge and announced coming events in the organization. The club plans to vote on tow amendments to its constitution at the next meeting, Sept. 26. The president appointed a program committee and a social committee.

MILES CITY, MONT., DAILY STAR: "As long as people live, there will undoubtedly be those who will shirk from accepting freedom as their own responsibility. They will want their government to provide their security, guarantee them minimum wages, guarantee them full employment, guarantee them good prices for their products, guarantee them good housing, guarantee the solvency of their loans, guarantee them medical care, and many other things. Such people are thereby choosing slavery rather than freedom...."

IN SEYMOUR Mr. and Mrs. Joe Hood returned home Saturday from visiting Mrs. Hood's brother and family, Mr. and Mrs. Gordon Cole at Seymour.

COUNTY TOURNAMENT---Awaiting their turn to tee off for the county golf tournament held at Olton Recreation Center last weekend are these two Olton golfers, T. J. Roberson and George Redinger. Russell Haberer of Earth won the championship of the tournament with a 212 for 54 holes, four under par.

Preventive Dentistry Is Major Item For Children

AUSTIN -- "Pedodontics" is a big word with a simple meaning: the care and treatment of children's teeth. A major part of pedodontics is preventive dentistry, and preventive dentistry for the very young is the one great hope for a realistic solution to our dental woes. If a child's teeth are properly cared for up to about age 15, a strong foundation is laid for minimizing dental troubles in later years. At about six months of age, the four front teeth--two upper and two lower--begin to peek through the gums. These are the incisors, the cutting teeth. By age seven to 11 months, four more teeth, upper and lower, start coming through. These are the lateral incisors, positioned on either side of the central teeth. Then Mother Nature wisely skips a few spaces so as to properly shape the jaw. In 12 to 16 months, the back teeth or molars, come in. Then the cuspids show through to fill in the spaces between. At about 24 months, the second molars come in. Up to this point all teeth which have erupted are primary teeth. Although temporary, they are vital. They help shape the face, help the youngster learn to speak distinctly, and help him nutritionally. While all this has been going on, the permanent teeth are slowly developing in the jaw bone so they can come forth at the proper time. The first permanent teeth to erupt are molars--sometimes called "six year" molars simply because they emerge at about age six. Because they do not replace the first teeth, but come in just behind them, these molars tend to confuse parents who think they are also temporary. This error can lead to unfortunate consequences. Since the "six year" molars are permanent teeth, they will not be replaced if lost. Because of their importance, these first teeth are often referred to as the "keystone of the dental arch." Family dentists strongly emphasize the importance of watching for the six year molars. They are important to the structure of the mouth. The manner in which they interlock with their opposite teeth will determine the eventual shape of the jaw, facial contour and regularity of alignment of other teeth.

Green Thumb Tips

Cut the weeds to cut the pests. The weeds growing back of your garage or along the fence lines of your back yard are, unfortunately, first rate breeding spots for numerous insect pests. Eggs are laid on the weeds, pass the winter on them, and then in spring the insects hatch to feed on your flowers and vegetables. Cut the weeds this

burn any plants that have visible insect eggs on them. Celery that has been grown in a trench may be blanched by filling the trench with soil. If it has, instead, been grown at ground level, set a board along each side of the row so that one edge is half an inch deep in the ground, the other hidden under the celery leaves. In about ten days the hearts of each celery clump will be blanched.

Chinese forget-me-not, is one annual that will reproduce itself in every corner of the garden if seeds are not removed. If you do not wish to weed it out next spring, cut back the bloom stalks before the seeds ripen. Remember that the plant you may call impatiens, sultana or impatiens is not hardy. It must be potted and taken indoors before frost if it is to survive the winter. It makes just as good a house plant as it does a garden plant, but needs sun indoors if it is to bloom.

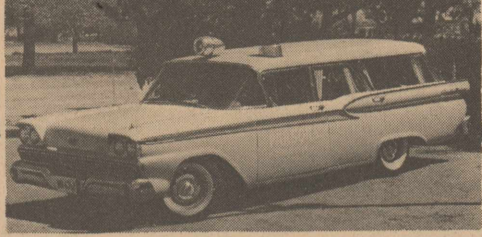

Hang them by these stems to a line stretched across a room that is cool and airy. Should mold appear on them, wipe them with a cloth wrung out of household disinfectant. In about three weeks they will be dry. To bring out their color, wax them with paste wax or coat them with white shellac or colorless lacquer.

Science Briefs

Undersea Genius
The porpoise, or bottle-nosed dolphin, has a more complex brain than human beings do. Navy researchers have found. Furthermore, it has a language of its own. One scientist is trying to teach several of them English.

Seasonal Dip
Lung cancer is found least often during the four summer months, a Czechoslovakian scientist reports from a study of hospital records. The same seasonal pattern has been noted in pneumonia and other respiratory infections.

We saved trash to prove a point*

Plastic bag over rear trash outlets collected this amount in two rows.

***JOHN DEERE COTTON STRIPPERS put cleaner cotton in the trailer**

The John Deere 77 Stripper is shown working in Texas near Lubbock.

Why save trash? The John Deere 77 Stripper saves time instead. Saves cotton instead. That's the way to make money—with a fast, clean harvest. Clean rows, clean cotton.

The 77 Stripper drops trash through large grated areas. Puts it on the ground, not in the trailer, so it doesn't cost you extra to gin out.

Brand-new "tall-cotton" strip rolls help you wade through heavy yields to get your harvest wrapped

up before bad weather strikes again. Positive roller-chain drive keeps the rolls turning. Big paddles and augers hurry the cotton through wide conveyors. The "give" of spring-loaded strip bars takes large and small stalks in stride to avoid plugging.

See your John Deere dealer for complete information. Trade up now on the convenient Credit Plan that lets you pay as you profit.

SABIN POLIO CLINIC--Above are scenes from the polio vaccine clinics held in the school lunchroom here last Saturday and Sunday afternoons. The clinics were sponsored by the Olton Chamber of Commerce and Agriculture. Approximately 3,000 persons turned out for the clinics.

WHEN YOU THINK OF DEFOLIATION

.... THINK OF The Plainsmen FARM & RANCH

Wish I'd SAID THAT

The Weekly Press Looks At Uncle Sam

"There's nothing wrong with our national economy—it's our national extravagance."—Louis Nelson Bowman, King City (Mo.) Tri-County News.

"It develops that the oldest war for which our government is still giving pensions is that of 1812. Hurrah! The Revolution is paid for."—J. W. Richards, Pageland (S.C.) Journal.

"One local gent suggests that we legalize bingo. He sees it as a solution to the problem of the corn surplus."—Alvin E. Ericson, Bonduel (Wis.) Times.

"Someone has figured out that we have put 35 million laws on the books trying to enforce the Ten Commandments."—Bert Masterson, Hartsdale (N.Y.) Masterson Press.

"If the Pilgrims had placed inordinate value on old age, pensions and unemployment insurance, none of them would have made the trip on the Mayflower."—Dean M. Worden, Brookfield (N.Y.) Courier.

"One of the mysteries of the times in the U.S. is why such a large percentage of butchers, bakers and candlestick makers, figuratively speaking, turn socialistic when elected to public office."—Robert W. Graves, Roccoa (Ga.) Record.

"The Kennedy administration plans to feed 1,500,000 hungry people in all parts of the world. A most worthy undertaking if only the hungry nations would stop pointing their guns at us while eating our food."—T. R. White, Pittsburg (Tex.) Gazette.

"What business needs, particularly now, is more orders from customers and fewer from the government."—E. M. Remsburg, Vista (Calif.) Press.

"Here's where some of our tax money goes: A government bureau has just spent \$1,400 and 300 man hours to determine that the 'average man's posterior covers 179.4 square inches and exerts an average pressure of .92 pounds per square inch.' Enlightening information."—Frank P. Hill, Tahoka (Tex.) Lynn County News.

"Maybe money talks, but the 1962 dollar should be ashamed to."—Kenny Bennett, Greencastle (Ind.) Putnam County Graphic.

"Most of the world thinks Uncle Sam is the loan ranger."—Frieda J. Monger, Duluth (Minn.) Publicity.

"The federal government now spends more than 90 times as much as it did when the income tax law first went into effect. Question: Are the people 90 times as well governed as they were then?"—W. H. Plourd, Fullerton (Neb.) Nance County Journal.

"There is a national lack of precision tools, including a Federal economy knife."—Gerald K. Young, Blakesburg (Ia.) Excelsior.

"Government should be like your stomach. If it's working right, you don't know you have it."—Frieda J. Monger, Duluth (Minn.) Publicity.

Gohlke Elected Soil Scientist

Dr. Arthur F. Gohlke was elected to the position of soil scientist at the High Plains Research Foundation, by the

board of trustees, upon the recommendation of Dr. Earl H. Collister, director, at the semi-annual meeting of the board Sept. 14. Dr. Gohlke will conduct research on specific soil and plant projects and also supervise the research at the Foundation with soil and water

Local Residents Are Living Longer

For the average person living in Lamb County today, the span of life is measurably greater than it was 10 years ago.

A child born to local parents at the present time has the likelihood of living 2.0 years longer than he would have, were he born then. His life expectancy now is 70.2 years.

A person just emerging from his teens, who had the prospect, formerly, of reaching age 71.3, can now look forward to living to 72.8, or 1.5 years extra.

One who is 45 years of age now, will live to age 74.7, having picked up a full year on his counterpart of ten years ago.

The figures, which are based on a report of the Public Health Service and on current life tables, are average ones, covering both sexes. Actually, it is noted, women are living six years longer than men.

The bonus years have been made possible by the achievements of medical science, by improvements in sanitation and by better living standards generally.

The gains have been greater

research. He will join the staff at Halfway permanently when he completes some basic research projects in radio active phosphorus and soil and water relationships in the Department of Biochemistry at Michigan State University, Lansing, Michigan.

Dr. Gohlke is a native of the High Plains of Texas. He farmed with his father and brothers near Littlefield. He received his bachelor of Science degree at Texas Technological College in 1953. He was employed by Agricultural Chemicals Inc., Greenville, Mississippi. He was employed by the Plainsman Supply Co., Plainview in 1956 and 1957.

In the spring of 1957, he commenced his graduate program at Texas Technological College receiving his Masters degree in Agronomy in August, 1958. He was accepted for graduate work at Purdue University, Lafayette, Indiana, in September 1958, securing his Doctor of Philosophy degree in Soil Chemistry in 1961. He is at present conducting post doctorate research in bio-chemistry at Michigan State University, Lansing, Michigan.

in some areas than in others. They depend upon local medical facilities, health conditions and other environmental factors.

Age is also a factor. In Lamb County, according to the latest survey, the median age of the population is 25.9 years, compared with 29.5 years for the nation as a whole.

At the local median age, the average extension of life in the last ten years is 1.4 years per person.

This average gain, applied across the board to all local residents, amounts to 30,654 years, which is the added life-time expectancy to which the present population may look forward.

Americans of all ages and in all parts of the country are living longer than people did formerly. Last year, for the first time, the number who reached the 85-year mark passed one million. This is now the fastest growing age group in the nation.

Medical research gives promise of a still further lengthening of the life span during the next few decades. A breakthrough in the control of diseases of the blood vessels would make a big difference.

Cotton Exchange President Gives Local Appeal

Experiment Station tests show that cotton should be at least 60 per cent open under dryland conditions and 80 per cent open in irrigated fields before desiccants are applied. It has been suggested that before producers use desiccants that they ask themselves if "they are ready for a killing freeze tomorrow."

With the growing importance of cotton character and fiber fineness to the spinners and users of raw cotton, Adolph Hanslik, president of the Lubbock Cotton Exchange, has issued an appeal to producers of cotton in this South Plains area. Hanslik is asking producers to exercise caution in the use of defoliant and desiccants prior to harvest this fall. He explained that most of the Central Texas crop has suffered from lack of moisture and is therefore poor char-

acter cotton. Due to this, the cotton textile mills probably will be in need of cotton of good character and he urges producers in this area to use caution in the use of chemicals that might affect cotton quality.

Community Committeemen Named By ASC

Results of ballots tabulated Monday by the County Committee were announced this week.

They are: "A" V.O. Busby, chairman; Kenneth Sawyer, vice-chairman; Ernest Green, member; "B" C.B. Fancher, chairman; Gerald Allcorn, vice-chairman; W.B. Dickerson, Jr., member; "C" Sherman Rushing, chairman; E.P. Oliver, vice-chairman; Marvin Qualls, member; "D" Winston Cummings, chairman; Bennie Harmon, vice-chairman; Robert Dysart, member; "E" Dexter Baker, chairman; Leroy Fisher, vice-chairman; Dewey Haragan, member; "F" W. C. Burns, chairman; Henry Ared, vice-chairman; Dean Elms, member; "G" Cephus Glover, chairman; J.D. Smith, vice-chairman; Walter Gray, member; "H" J. A. Stubblefield, chairman; N.E. Hall, vice-chairman; Perry Coffee, member.

IN CLAUDE

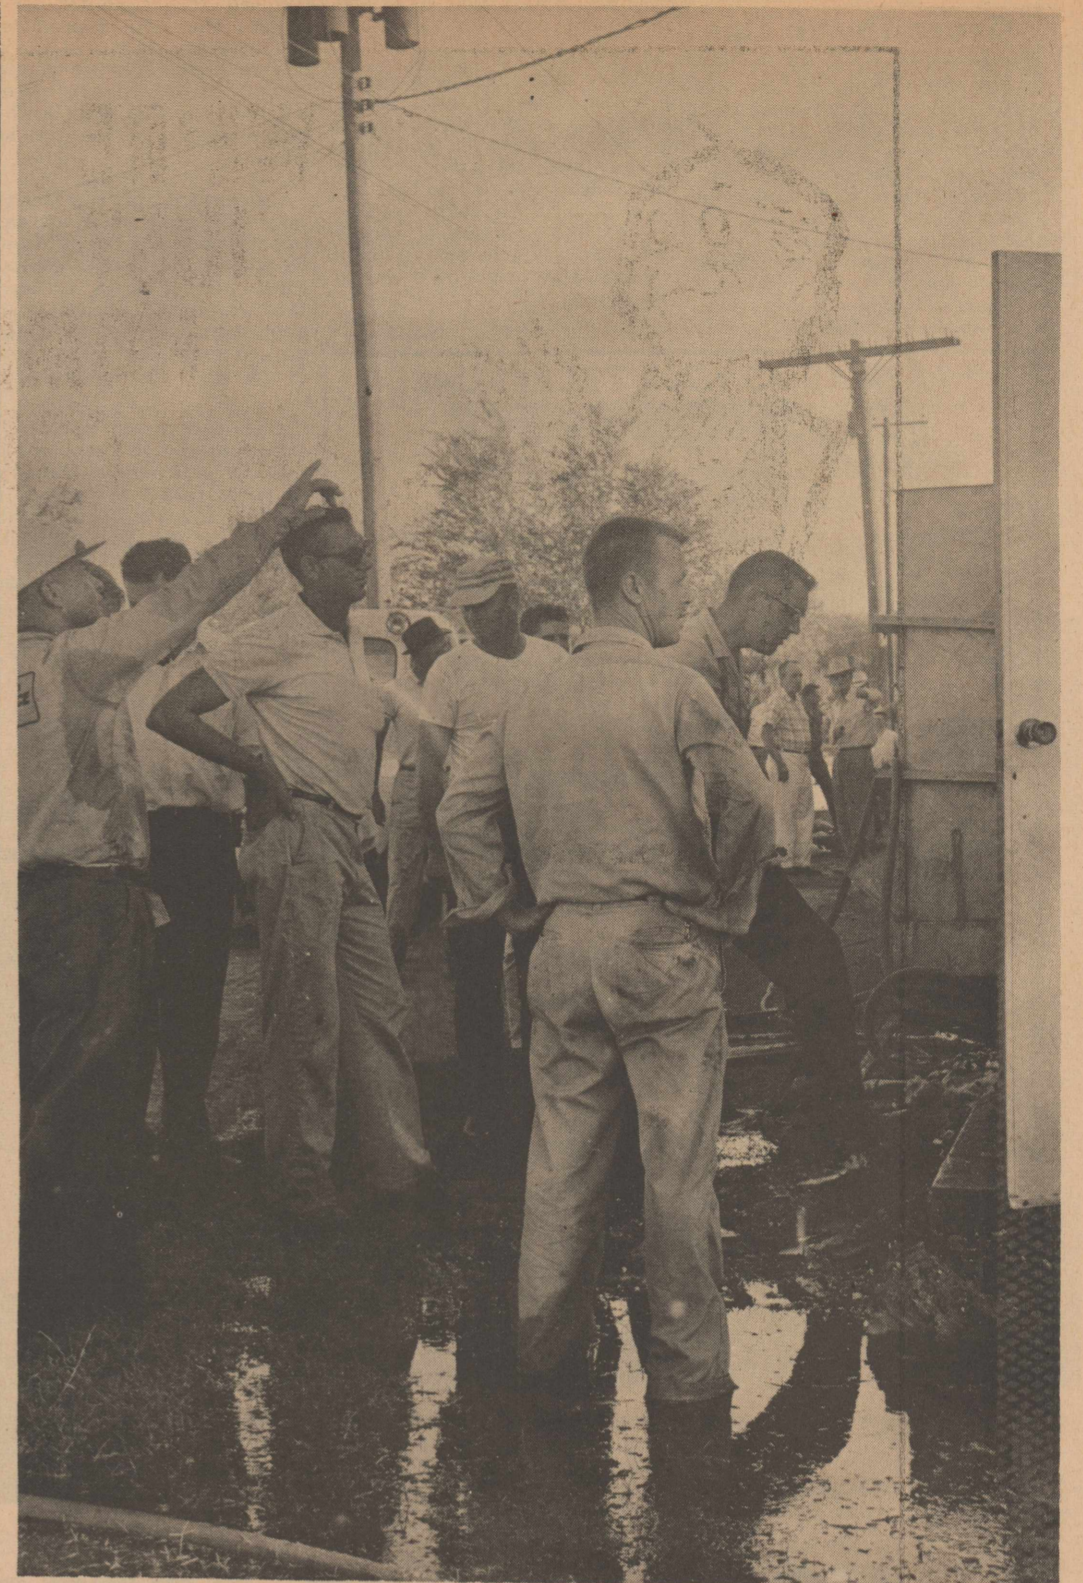

Mr. and Mrs. C.C. Curry and Mr. and Mrs. Clifford Lee Curry and children visited Friday evening in the home of Mr. and Mrs. Archie Curry near Claude.

IN KNOX CITY

Mr. and Mrs. Albert Jeffrey attended a family get together for the Jeffrey family at Knox City Sunday.

IN LUBBOCK

Mr. and Mrs. Bob Williams and children visited in Lubbock Saturday night and Sunday with Mrs. Williams' parents, Mr. and Mrs. L.K. Perkins.

FIRE AT CHURCH—Olton firemen survey the damage after extinguishing a fire at the Main Street Church of Christ here last week. The blaze was started by a pair of 7-year-old boys. Damages to the church were estimated at \$8,500. Repair work was under way this week and services are scheduled at the church this Sunday. Last Sunday, services were held in the high school auditorium.

AFTER THE STORM--The door of the storm cellar stands open at the Willie Gene Green farm, a silent reminder of a storm that hit this area

last Saturday afternoon. In the background are fires burning what was left of the Green's barn, part of which was destroyed by the storm.

WHAT WAS LEFT--Shown above is what remained of a barn at the Willie Gene Green farm north of Olton after a rain, hail and wind storm last Saturday. Remains of the barn were torn down and burned early this week. Damage was also reported at the Green home. They were not at home at the time of the storm.

FOUR GENERATIONS--Mrs. Cora Wozencraft is shown at right with her son, granddaughter and great-grandchildren. Next to her is her granddaughter, Mrs. James Martin. Her son, Melvin Wozencraft of Melrose, N.M., is shown at left. Great-grandchildren, Rhonda and Keith Martin, are standing in front.

**Rural Accidents
Are Investigated**

The Highway Patrol investigated 15 rural accidents in Lamb County during the month of August, according to Sergeant D. S. Lawson, patrol supervisor of this area.

These wrecks accounted for one person killed, four persons injured and an estimated property damage of \$10,530.00.

The rural traffic accident summary for Lamb County from January through August of 1962 shows a total of 103 crashes. As a result of these crashes there were 4 persons killed and 67 persons injured. The estimated property damage amounted to \$80,540.00.

The veteran patrol supervisor stated, "With fall and winter approaching, now is the time to have vehicles checked in preparation for the cold-winter ahead."

OBERLIN KAN. HERALD: "Recent polls reveal that three out of four Americans polled do not want to see a tax cut if it means not balancing the budget. This is a good omen. The only way Americans will get responsible legislation is to act like responsible citizens. If the politicians find that we are fed up with so-called something-for-nothing schemes, we're on our way to better things. The road may be a little harder to travel, but it will be far better than getting into the trough now and letting our children and grandchildren worry about trying to pay for our gluttony."

Robert Garza, son of Mr. and Mrs. Julio Medina of Olton, born in the Community Hospital, Sept. 19. The baby weighed seven pounds and eight ounces. The Garzas have two other children.

Sylvia, a baby girl born in the Community Hospital Sept. 16, weighing five pounds and four ounces. Her parents are Mr. and Mrs. Frank Perez of Dimmitt.

Oscar Jr., son of Mr. and Mrs. Oscar Rodriguez of Olton, was born Sept. 18 in the Community Hospital. He weighed seven pounds and eight ounces. There are two other children in the family.

Infant son of Mr. and Mrs. Ramon Lopez of Halfway, was born Sept. 18 in the Community Hospital, weighing seven pounds and 14 ounces at birth.

A boy, Margarito, born in the Community Hospital, Sept. 17 to Mr. and Mrs. Joe Ramirez of Springlake. The baby weighed seven pounds and three ounces. The Ramirezes have two other children.

Church Programs Are Announced

A special group of four programs on the subject, "Should Religion Heal?" will be broadcast over station KFYO 790 Kc. and KGNC 710 Kc., beginning Sunday at 9:15 a.m. and 9:30 a.m., as part of the new Christian Science radio series, "The Bible Speaks to You."

Scout Meeting Held Sept. 13

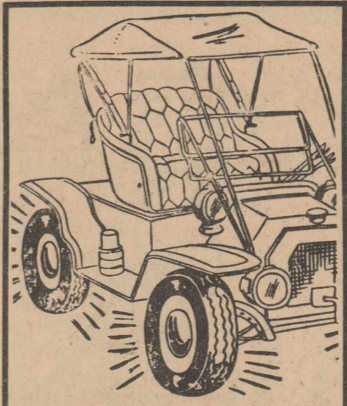

Scout Troop 273 met Thursday Sept. 13 at the scout house for the election of new officers.

Elected were Gay Fisher, president; Myrle Givens, vice-president; Becca Roberson, secretary; Sandy Wells, song leader; Carmen Robertson, treasurer; Karen Lewis, parliamentarian; and Lana Myers, reporter.

They will meet twice each month.

Leaders are Mmes. K.Y. Givens, Raymond Lewis and Parley Myers.

Next meeting will be Sept. 27.

Something Old-Something New No one blue.

Even the old ones can have that "new look". Whether it's tires or a wash job you can count on us to do the job well. Drive in and be served.

Byrd & Roper Oil Co.
 "Where Customers Send Their Friends"
 First & Ave. G 285-2602

A number of recent Protestant church reports on divine healing will be quoted on the programs. Each 15-minute broadcast takes up different questions, such as: How do these healings take place? Are they a proper part of religion? How do they fit into the larger, deeper purposes of Christianity? How much can this kind of healing be relied upon? Exactly how does it differ from other kinds of treatment? What is its real significance in the world today?

The programs will be broadcast over KFYO 790 Kc & KGNC 710 Kc. on four successive Sundays, beginning Sept. 23 and ending Oct. 14. They are produced by The First Church of Christ, Scientist, in Boston, Massachusetts.

IN NEW MEXICO
 Mr. and Mrs. Roscoe Thomas and Mrs. Myrtle Clayton of Springlake vacationed last week in parts of New Mexico, touring Santa Fe, Albuquerque, and places of interest.

VISIT MRS. KIRKPATRICK
 Mr. and Mrs. Henry Hatchcoat of Dallas visited with Mrs. Hatchcoat's mother, Mrs. E.L. Kirkpatrick, and other relatives in Olton last week.

VISIT NICHOLAS
 Mr. and Mrs. Don Hardy of New Orleans, La., are visiting her parents, Mr. and Mrs. N.B. Nicholas and other relatives in Olton, and also his parents, Mr. and Mrs. Pat Hardy in Dimmitt.

GENERAL SYSTEM America's Largest Independent Telephone System

Man against the sky

The telephone lineman is another active symbol of service at General Telephone.

He climbs a pole with spur-like "climbers" strapped to feet and legs, and is silhouetted against the sky held firmly by his safety belt.

With the tools hanging from his belt he installs new wires and cables, and repairs lines when storms, wind and ice damage them.

He is one of many folks at General Telephone who suggest the convenience of another telephone in your home, now that the busy Fall season is here. They save steps, are available in many colors, cost pennies a day. Call the Business Office now.
