

BEHIND LOCK AND KEY ...

OLTON CITY COUNCILMEN have decided to see if the city's two police officers can get along with one patrol car. For the next 30 days, this auto, older of two models, will sit at the city yard, unused. The car situation has been discussed previously, and the council gave the go-ahead this month for a trial period without a second vehicle.

Homecoming Plans All Set

Homecoming activities, which get underway here Thursday night, will include the annual bonfire, snake dance, a student parade through town and the crowning of the queen just before the Olton-Dimmitt football game Friday night.

The bonfire is set Thursday night, weather permitting, at the ballpark. In case of bad weather, a pep rally will be held in the gym.

A snake dance will follow the bonfire or pep rally.

Students will gather in the gym Friday afternoon at 3:30 for a pep rally.

Olton High School band, followed by the student body, will then parade through downtown streets.

All schools will be dismissed at the usual times Friday. The annual PTA ham supper will be served in the school cafeteria from 5 to 7 p.m.

Tickets are \$1 and 75 cents. The homecoming queen will be crowned between 7:15 Friday night just before the game starts at 7:30.

Candidates are Tanya Bryant, daughter of Mr. and Mrs. Leo Ross Bryant; Phyllis Hair, daughter of Mr. and Mrs. Laus Hair; Tommy Witten, daughter of Mr. and Mrs. Tom Witten; Billie Ann Beasley, daughter of Mr. and Mrs. Ralph Beasley; and Cheryl Poteet, daughter of Mr. and Mrs. Clovis Poteet.

Candidates are chosen by members of the Olton football team.

Half-time activities at the game will feature a show combining the Olton Mustang marching band and the cadet band.

The two bands will play "King-Size" and "Bells Across the Gridiron" in a block formation.

Soaking Rains Halt Farming Operations

Area Grain Crop Almost Harvested

Soaking two-inch rains brought the fast-closing grain harvest and onrushing cotton gathering to a stand still throughout the area Wednesday. The weather threatened to hurt quality of the area's fine cotton crop, but farmers apparently retained their optimism.

"It hasn't hurt much, and if it clears up, everybody will be in a good humor again," said one.

Olton itself recorded an even two inches of rain through Wednesday about 6 p.m., according

to James Gallagher of Pioneer Natural Gas.

In the Circle area, the same amount was reported, but totals to the north and south were slightly higher.

Olton area gins were idle after Tuesday night, and the six in this vicinity reported 1,741 bales ginned to date.

That compared with a total of 2,507 bales at the same time a year ago.

"We've had just about all the hand-pulling we'll have for this year," said one ginner. "Almost all the rest of it will be stripped."

All the harvest needs to set the gins in 24-hour motion is a light frost. That would kill off greenery and set things right for strippers to roll.

The grain harvest was estimated Wednesday as 95 per cent complete.

Yields were estimated as "off slightly" from a year ago, generally speaking, but one grain man called the harvest a "good, fast one."

The grain harvest has rolled for only about 30 days, probably the fastest wrap-up in history for this area.

"It was one of the driest crops as it came in that we've had and it was in the best shape of any crop I've seen in recent years," said an elevator operator.

Concern was expressed for the area's on-the-ground corn crop, with wet weather damage feared for some of it.

The cotton harvest had picked up steam Tuesday as some farmers with hauled-on cotton north of town began stripping of cotton they had defoliated.

Among farmers who had stripped some cotton north of town were John Smoot, Leck Carson and Raymond Carson.

One field of the hauled-on cotton reportedly stripped two-thirds of a bale to the acre, despite heavy damage from a late-summer hail-storm.

Reports from around the area included:

Archie Sorley, three south and three west of town, 2.2 inches of moisture.

Clary Phillips, seven miles northwest, 2.15 inches.

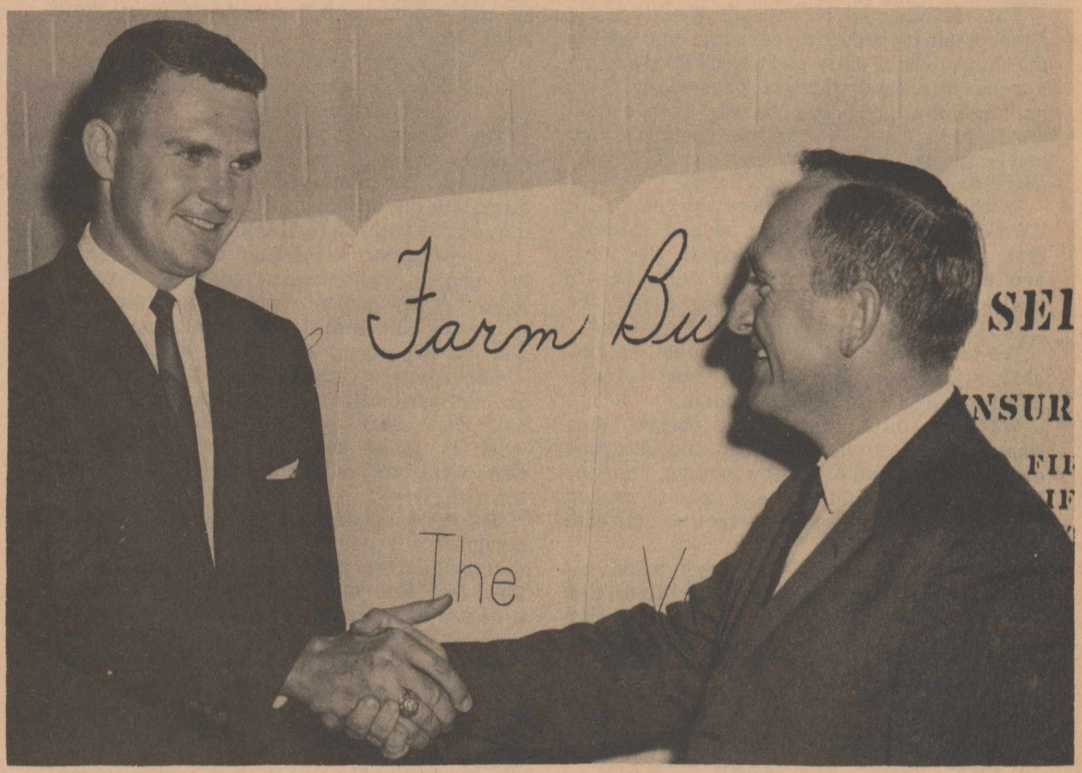

Willie Gene Green, northeast of town, 2.3 inches of rain on hauled-on cotton that he plans to start stripping "as soon as it's dry."

James Cowart, five north of town, 2.25 inches. Unlike most farmers, Cowart has yet to start his maize harvest. His milo is leaning from a wind and hail storm of only a few weeks ago.

At Hart Camp, 2.3 inches of moisture was reported Wednesday evening by Elma Burleson.

"If it hadn't rained we would have had more hand-pulling," Burleson said. "We have a lot of open cotton here." Burleson said he feared the rains might lower grades, but he added that sunny weather would brighten up the crop lot.

Other rain reports: Halfway community, two inches gauged as of Wednesday morning; Jack Allcorn, three south and three east, 2.1 inches; Raymond Carson, six north and one east, 2.5 inches; Wilton Bodkin, five north and one west, two inches; Merrill Brigrance, south of town, two inches.

SHAKE HANDS AND COME OUT. . . .--The 91st district's two candidates for state representative, Frank Ford of Hereford, left, and Billy Clayton of Springlake, were on friendly terms here Tuesday night when they met at the Lamb County Farm Bureau convention. Both are Farm Bureau members. They square off in a battle for votes Nov. 6.

Scrappy Ponies Battle Dimmitt

What can Olton's Mustangs do with one of the South Plains' best defensive teams?

That will be a major question when the Ponies play host to the Dimmitt Bobcats here Friday at 7:30 p.m. in a homecoming game that is also the District 3-AA opener for both teams.

Dimmitt is generally believed to be one of the Plains' top units on defense, despite the fact the Bobcats have lost five of their six games this year.

Although Olton has split its six games, the Mustangs enter the game with only an even chance to win. The encounter is rated a toss-up.

"It'll be a fine ball game," the Tulia head coach commented last Friday night when asked to compare the Olton-Dimmitt ball clubs. "Dimmitt is probably the better team on defense."

The comment sounded strangely ironic, however, for it was defense that won the Mustangs a 21-20 decision over the previously unbeaten Tulia team.

Olton converted a Tulia fumble, the result of defensive pressure applied by the Mustangs, into one TD and turned a pass interception into another score against the Hornets.

However, the Hornets gained better yardage against the Ponies than they did in the Bobcat game, which Tulia won, 14-6.

Last week, Dimmitt dropped a 13-6 decision against Floydada, a team which topped the Mustangs 28-12. Earlier, the Bobcats fell to Lockney, 7-6. Olton dropped its Lockney clash by 22-6.

In earlier games, Dimmitt edged Class AAA Hereford,

16-12, and lost to tough Dalhart, 21-6, and Canyon, 13-0.

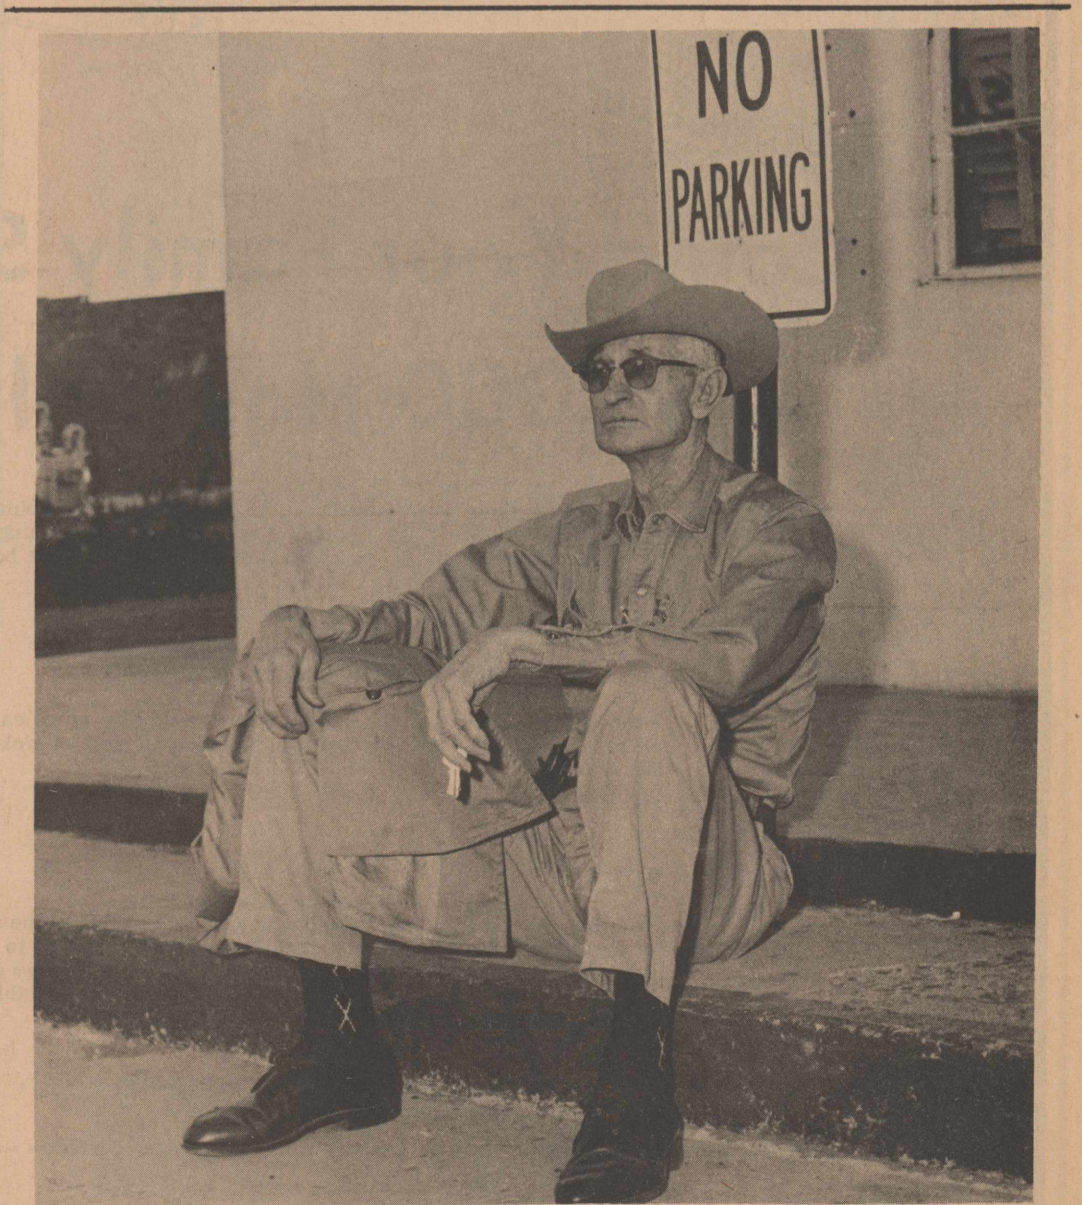

Dimmitt's offensive standouts are Quarterback Jim Ratcliff, who has passed for half of the Bobcat TD's this year, and James Cowell, halfback.

One of Ratcliff's favorite targets is End Mike Calvert.

The Bobcats will be seeking revenge for a 15-12 loss pinned on them in 1960 by Olton in bi-district play. Until this year, the teams had been in different districts.

Olton probably will go with the same line-up which started the Tulia game. Fullback Johnny Moses, out last week with a back injury, probably will suit out, but may not see action.

His replacement, Joe Costello, showed well last week, gaining 71 yards in 23 carries, including a 41-yard touchdown run.

...THE SIGN SAYS NO PARKING

NIGHT OFFICER Harvey Castleberry parks beside a no parking sign in front of the city hall as he awaits the arrival of Police Chief Emmett Burrows. Following the city council's decision to use one police car during the next 30 days, Burrows and Castleberry will ride together at times when both are working. The economy move by the council will allow only the single car for patrol of the community during the trial period.

Girl Scout Fund Drive Will Open

Olton Girl Scout workers will kick off their annual fund raising drive here next week with a goal of \$1,250.

This is Olton's share of the Caprock Council budget. This is based on the number of Girl Scouts in each community.

Olton has 125 active Girl Scouts.

The drive is sponsored by the Olton Study Club with Mrs. Paul Burrus in charge.

A table will be set up in Olton State Bank Monday to receive donations.

A house-to-house canvass is also planned.

Local Scout leaders are Mrs. E.C. Jones and Mrs. Lee Langford, seniors; Mrs. Leo Ross Bryant, seniors; Mrs. Paul Burrus and Mrs. D.M. Granbery, eighth and ninth grades; Mrs. George E. Brown and Mrs. M.G. Brown, seventh grade; Mrs. Wayne Carson, sixth grade; Mrs. K.Y. Givens, Mrs. Parley Myers, fifth grade; Mrs. J.S. Nicholas and Mrs. B. Coleman, fourth and fifth grades; Mrs. C.W. Leathers and Mrs. J.W. Johnson Jr., third grades; and Mrs. Billy Griffith, Mrs. Leroy Bodkin and Mrs. Dan Williams, second grade.

Members of Olton Study Club working on the drive include Mmes. Roye Aikman, Jack Allcorn, Brent Burrow, Paul Burrus, H.B. Carson, Raiford Daniel, Jim Fuller, D.M. Granbery, Bailey Hair, I.B. Holt, Carl Hooper, Basil Sherman, G.T. Sides, C.S. Silcott, Glen Singletary, Ray Slatten, Marshall Stone, Jack Straw, Jim Williams and Bill Yates.

County Farm Bureau Raps Administration

About 350 persons who turned out for Lamb County Farm Bureau's county convention here Tuesday night approved resolutions slamming the Kennedy administration on both foreign policy issues and the home front.

Among the pokes taken at the administration were these:

1. "Be it resolved that Farm Bureau demand the immediate resignation of Sec. Freeman and promptly thereafter investigate the entire Dept. of Agriculture."

2. "...that Farm Bureau oppose the present administration's method of handling foreign affairs, specifically pertaining to defense of this Hemisphere in regard to the rapid encroachment of Communism."

Along with those resolutions, the FB members also took stands against Medicare and Federal Aid to Education.

The crowd pushed all these resolutions through with near-unanimous approval.

It took an issue on transfer of cotton allotments and elimination of skip-row planting to divide the voters. Dryland

Absentee Voting Is Under Way

Absentee voting in the Nov. 6 general election began Wednesday in Littlefield at the office of County Clerk Charles Jones.

Last day to cast absentee ballots is Nov. 2 at 5 p.m. "We have 5,300 ballots on hand, but of course we aren't expecting that many votes in Lamb County," Jones said. "We may have 3,500 to 4,000 votes,"

James Hall Takes Top Spot In Enterprise Grid Contest

farmers lined up against the resolution, which favored elimination of skip-row planting and other practices which "tend to defeat the purposes of allotments."

A hodge-podge of discussion led to amendments which nullified the original resolution.

Other highlights of the convention were talks by Homer Garrison of Plainview on the Sugar Beet situation and by Joe Edd Sullivan, Terry County Farm Bureau general agent, and the election of officers and directors.

Elmer McGill of Olton was re-elected president of the organization.

Garrison told the group the

CONTINUED ON PAGE 2

James Hall Takes Top Spot In Enterprise Grid Contest

James Hall won the first place prize money in The Enterprise football contest this week by missing only on the surprising Olton-Tulia game.

Hall was correct on all of the games but the tiebreaker. He chose Tulia to defeat Olton by a score of 34-6. Even though he was far off on this game, he was the only entrant to miss one out of 15.

Clyde Galloway, Mustang footballer, came the closest to Hall in picking Olton to upset Tulia 18-16 but Galloway missed out on two other games.

He picked Seagraves over Haskell and Farwell over Plains.

Third place winner was Jolene Chitwood, who picked Tulia over Olton 21-14 and missed in her choice of Sudan over Friendship.

Several other entries came close to picking up a prize. Kenneth Ray of Olton, who missed on two games, picked Olton over Tulia 17-14.

Others missing only two games included Doug Nickerson, J.E. Fuller, T.J. Robertson, Jerry Dennis and Jewel Long, all of Olton, and Bob Clouse of Brownfield.

Newspapers Preserve Liberty

This is National Newspaper Week and the Enterprise is proud to be numbered among the thousands of daily and weekly newspapers across this land who are preserving their heritage of a free press operated by free men.

At least once a year we ought to stop and examine ourselves and see if we are doing the job we ought to be doing.

In the Declaration of Independence it said: "We hold these truths to be self evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the Pursuit of Happiness."

We believe that people have these unalienable rights and that a free press is necessary in a land to preserve them.

We even think that, human nature being what it is, selfish, covetous and desirous of power over other fellow beings, that the United States would not have lasted long had there not been newspapers free to criticize and expose.

If our American newspapers were not now free, but government controlled, like TV and radio are now, in five years our country, state and federal governments would all rule in a totalitarian manner, more tyrannical than England imposed on the American colonies.

True, there are fearless commentators on radio and on TV, but the federal government holds a powerful whip over these electronic media through the government licensing of both. A radio station that gets out of line can find lift mighty hard and unprofitable.

When radio first, and then TV began news broadcasts, many people predicted that the circulation of newspapers would sharply decline, if not finally be completely replaced by radio and TV listeners. Such has not been the case.

Since the advent of TV, the new subscribers to daily and weekly newspapers has been more than all the TV sets sold. What's the reason? There are many.

First, the TV newscasts are skimpy, just whetting the viewer and listener's curiosity for more details -- the only place where

he can get these full details is from their newspaper.

A newspaper that is serving its community properly has an active editorial voice, with opinions expressed freely.

That is not to say that the newspaper's readers must agree with the newspaper's opinions, but any active newspaper must stimulate the thinking of its readers whether they agree with the editor or not.

A newspaper is indeed the guardian of the people with respect to their right to know. A newspaper reporter must be nosy in prying into the affairs of public officials and in reporting what these officials do.

The average citizen has neither the time or inclination to visit the courthouse, city hall and other public institutions to see what is going on. He depends upon his newspaper and other news media to do this for him.

There is no doubt that a newspaper which occupies any position of respect in its community has the power to mold public opinion. And this means that a newspaper has a heavy responsibility to stick to the truth.

Some people always disagree with what the truth of any particular issue may be, because all we humans see things through our own eyes and our version of events may not be as others see them. But generally speaking, facts are facts, and if the newspaper will report the facts, the opinions can vary as they may.

The Enterprise is not what people would call a crusading newspaper, neither is it a timid one. It has an editorial voice, voices editorial opinions, strives to cover the news events as they happen and tries to keep its readers informed.

The Enterprise, like any newspaper, will always stop short of perfection, but we intend to keep trying and serving this community in the years to come.

Subscribers and advertisers of the Enterprise have been good to us over the years and have made this one of the better known newspapers in the West Texas area. We appreciate this support and pledge our continued efforts to serve in the best way that we can.

 Judy Pinson of Hardin-Simmons in Abilene visited her parents, Mr. and Mrs. D.W. Pinson, recently.

VISITS PARENTS
 Alice Ross Bryant, attending Southwestern University in Georgetown, visited her parents, Mr. and Mrs. Leo Ross Bryant, over the weekend.

VISIT LAFRANCES
 Mrs. Doris White of Lubbock visited Monday in the O.B. LaFrance home.

Could Your Family Stand A \$5,000 Hospital Bill?

If you are like most people, a \$5,000 hospital bill could mean financial ruin for years to come. It is something that could happen to you and your family and must not be taken lightly.

Now, Great American of Dallas offers a policy which can help you rid yourself of financial worries in time of sickness.

Besides the outstanding benefits of Great American's hospitalization plan -- which includes coverage for up to a full year in the hospital -- you receive the advantage of having a local agent who can provide services not possible from companies represented by transient agents.

If you are in need of hospitalization coverage, contact --

New Cotton Insurance Announced

Federal Crop Insurance protection on irrigated cotton crop investments in Lamb County will be up to 39 percent higher for the 1963 crop, Texas FCIC State Director Ben A. Jordan, Jr. announced yesterday.

Nearly 400 Lamb County farmers carry approximately \$1,000,000 F.C.I.C. protection to cover their production costs.

While protection will be the average increase of premium costs to growers will be slightly increased. This increase in the amount of protection guaranteed by the Federal Crop Insurance Corporation is based on recent high yields in the county.

Farm Bureau

area "can still get beets if we will tell our story effectively and continue to wage a fight for them."

The Plainview area was one of 18 units seeking acreage for sugar beets recently at hearings held in Washington.

Sullivan told the group that Farm Bureau needs to push for a better job of informing the general public of the true picture of agriculture for better public relations.

The group was welcomed to Olton by OC-CA Manager Melvin McReynolds. Invocation was by Herman Neuschwander, Jack Wattenbarger, Lamb County general agent, gave a financial report.

Among guests introduced at the meeting were Bill Clayton and Frank Ford, candidates for state representative; and Ray Keeling, candidate for county judge.

VISIT BROTHERS

Visiting in the J.I. Brothers home Sunday were Mr. and Mrs. Charles Brothers from Clovis, N.M., and Jerry Brothers of Friona.

News Of Interest To Women

MISS PENNY ROGERS

Miss Rogers Will Marry Jim Moss

Mr. and Mrs. J.W. "Hap" Rogers of Tullia announce the engagement and approaching marriage of their daughter, Penny, to Jimmy Moss, son of Mr. and Mrs. Kenneth Moss of Olton.

The wedding will take place Dec. 23 in the central Church of Christ in Tullia.

Miss Rogers is a graduate of Tullia High School and is presently taking a beauty course at Lubbock.

Moss is a graduate of Olton High School and is now a junior at Texas Tech.

ATTEND WORKSHOP

Attending a PTA workshop in Crosbyton Tuesday were Mrs. Owen Jones, Mrs. Carl Hooper, Mrs. Johnny Clark, Jr., and Mrs. Melvin Hines. The workshop took place in the morning.

VISIT HALLS

Mr. and Mrs. Hubert Rector of Tullia visited in the home of Mr. and Mrs. Howard Hall Friday night.

Mrs. Taylor To Be Honored

Mrs. Don Taylor will be honored with a "Pink and Blue" shower Oct. 24 at 2 p.m. in the home of Mrs. Bobby R. Hodges. Everyone is invited.

Bob Harbers Are Honored

Mr. and Mrs. Bob Harber were honored Sunday afternoon with a get-acquainted coffee in the home of Mr. and Mrs. C. D. Kirkpatrick. Era Mae Wathall registered approximately 24 guests. Refreshments of punch, tea, coffee and cake were served to those present. Harber is the new Production Credit manager in Olton.

Olton Girl Is Named As Princess

Nancy Critchfield of Olton will be one of the princesses for the annual Texas Tech Horticulture Festival Saturday and Sunday, Oct. 20 and 21.

The event, which is open to public participation, is sponsored by Tech's Horticulture and Park Management Department and the Horticulture Club.

This year's flower show, "Splendor of the Seasons," will be in the Plant Science Building at Tech.

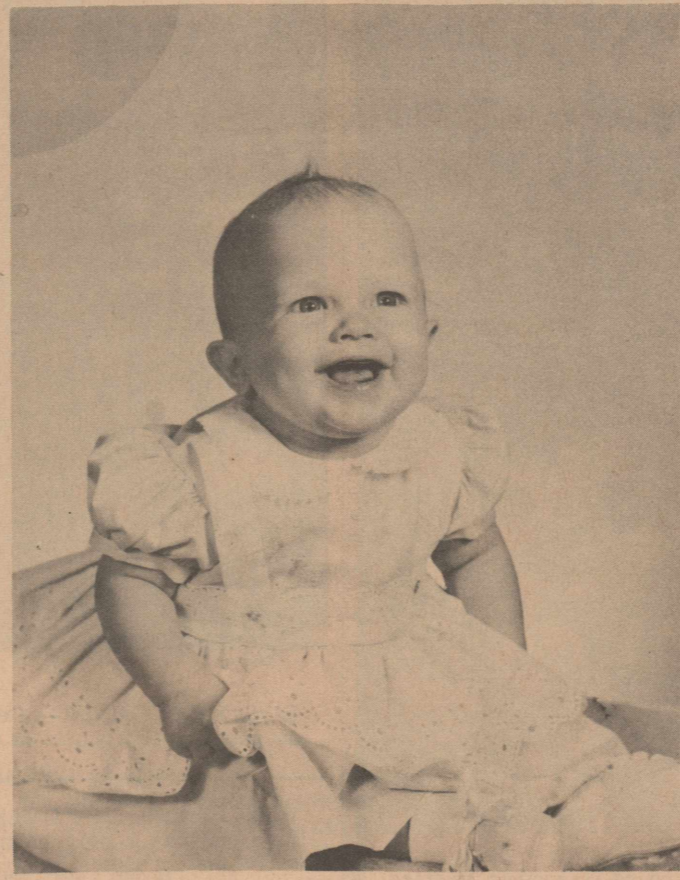

Area gardeners wishing to enter flowers in the show may bring them by the plant science building between 8 and 11 a.m., Saturday Oct. 20. Judging will begin at 12:30 p.m.

The flower show will be open to the public from 3:30 till 10 p.m. Saturday Oct. 20 and 10 a.m. till 8 p.m. Sunday Oct. 21.

Bible Class Meet Held

The Ladies Bible Class of the Main Street Church of Christ held a meeting Tuesday with J.D. Lancaster, minister, teaching.

Those present included Lancaster and Mmes. Ed Hestand, T. Combest, R.A. Lewis, M.R. Cavett, W.B. Rose, W.L. Thomas, J.D. Lancaster, C.T. Hulsey, G.W. Locke, J.C. Scroggs, Elmo Bryant, R.L. Chitwood and D.Y. Ray.

LITTLE CHRISTIE DIANN CARSON, daughter of Mr. and Mrs. James Carson, formerly of Olton, recently won second prize in a photo contest which included 1,000 entries at Stillwater, Okla. Christie is 6-months-old in the picture. Grandparents are Mr. and Mrs. Raymon Carson and Mr. and Mrs. Tom Stansell, all of Olton.

HD Meeting Held Tuesday

The Home Demonstration Club met at the Harry Thomas home Tuesday afternoon. The meeting was opened with a song and the roll call was a household hint.

Mrs. Lady Clare Phillips gave a demonstration on fall fashions.

The white elephant was guessed by Mrs. Paul McFadden. Cocoa, coffee, brownies and candy were served to those in attendance.

Members present included Mmes. Z.D. Miller, Fred Shaw, Charles Lewis, Jack Edwards, Don Adair, Nell Crawford, Tom Smith, Clare Phillips, Paul McFadden and Ann Warren.

Next meeting will be held Nov. 6 in the home of Mrs. Dan Adair.

VISITS MRS. BROWN

Mrs. Neddie Brown of Wichita Falls is visiting here this week with her sister-in-law, Mrs. Bonnie Brown.

VISIT CARLISLE

Visiting in the Tom Carlisle home Sunday were Mrs. Carlisle's sister, Mrs. T.M. Campbell of Odessa, her niece, Mrs. Jerry Wadzeski and children of Goldsmith, and a nephew and his wife, Mr. and Mrs. Don Campbell of Claude.

VISITS TOLLETT

James C. Tollett returned home Wednesday after a four month boot camp at the Marine Base in San Diego, Calif. He will return to Camp Pendleton the last of this month. He is the son of Mr. and Mrs. Thurston Tollett.

VISIT CARSONS

J.T. Perry, Johnny and Glenn of Anton will be dinner guests in the Raymon Carson home this weekend.

BIRTHDAY PARTY

Mr. and Mrs. Wally Stewart gave Lorene Stewart a surprise birthday party Sunday. Those attending were Mr. and Mrs. Jack Hysinger, Mrs. Maude Cure and Mrs. Danny Cure.

VISIT SLUDERS

Mrs. Lyman Hul and new baby daughter are spending the week with Mrs. Hull's parents, Mr. and Mrs. Tom Sluder.

IN NEW YORK

Mr. and Mrs. A.D. Melton left Wednesday for a two or three week visit with their daughters and families, Mr. and Mrs. Richard Perry in New York and Mr. and Mrs. Robert Perry in Detroit. The Meltons flew first to New York.

WMU MEET

The First Baptist Church of Olton will be hosts to the Staked Plains Association W.M.U. meeting Thursday Oct. 18 at 10 a.m. A covered dish luncheon will be served.

Circle Meeting Held Thursday

The Young Married Women's Circle of the W.M.U., First Baptist Church, met Thursday Oct. 11 in the home of Mrs. Don Franks.

Mrs. Larry Witten was in charge of the program. She presented a lesson entitled "Laborers Together With God".

Mrs. John Hayes brought the prayer calendar and Mrs. Clyde Vaughn portrayed a lady of 1888 in dress and told how the W.M.U. was started.

Officers for the coming year were elected. They are Mrs. W.C. Gunter, circle co-chairman; Mrs. Elmo Hasha, publicity chairman; Mrs. A.C. Light Jr. and Mrs. Gary DeBerry, social chairmen; Mrs. John Hayes, prayer chairman; Mrs. Don Franks, stewardship chairman; Mrs. Bobby Hodges, mission chairman; Mrs. W.D. Holly and Mrs. Clyde Vaughn, program chairmen; and Mrs. R.V. Allcorn, mission study chairman.

Refreshments were served to Mmes. Don Huguley, Dwayne Dodson, Clyde Vaughn, Bobby Hodges, John Hayes, A.C. Light, Jr., Elmo Hasha, Gerald Allcorn, W.D. Holley, R.V. Allcorn, Gary DeBerry, Larry Witten, and the hostess, Mrs. Don Franks.

The group decided to meet the first and third Thursdays of each month at 3 p.m. The next meeting will be Oct. 25 at 2:30 p.m. in the home of Mrs. A.C. Light, Jr. Mrs. R.V. Allcorn in charge of the mission study.

OLTON PRESENTS Rynda McReynolds, one-year-old daughter of Mr. and Mrs. Melvin McReynolds. Grandparents are Mr. and Mrs. George W. Seelye Jr. of Waco and Mr. and Mrs. W.H. McReynolds of Deer Park.

MILES CITY, MONT., DAILY STAR: "The use of the taxpayers' money... for such things as a 'Packet for the Bride', now being distributed by the Secretary of Agriculture, was related to the House by Rep. Byrnes (R-Wis.). 'It is an attractive brochure,' Rep. Byrnes said, 'with a picture of a demure bride in pink on the cover, and containing 10 agricultural publications and a letter of congratulations from the Secretary of Agriculture. . . If we are going to package things, I would suggest a different kind, something like 'Saving for Taxpayers.'"

EXTER ELECTED

Glen Exter of Olton was elected vice-president of the student association of Dimmitt High School last Friday night at their homecoming.

ATTEND CONVENTION

Two Olton principals, Joe Turner and E.J. McKnight, attended a state-wide principal's convention of secondary schools at Houston this past Sunday, Monday, and Tuesday. While there they attended the Rice-Oregon University football game Saturday night.

Democrats Plan Rally

An effort to strike a blow for unity among Democrats of the 30th senatorial district was announced today by Glen Batson of Littlefield, state Democratic executive committeeman for the 30th district.

A \$5 per plate fund raising dinner will be held in the high school cafeteria at Tulia Tuesday Oct 23 at 7 p.m. The entire Democratic state ticket will be present. John Connally, gubernatorial candidate of the party, indicated he would make some major changes in his itinerary to be present at this meeting.

Waggoner Carr of Lubbock, attorney general nominee, accepted his invitation and said that the 30th district could well be a pivotal vote in West Texas.

Preston Smith, also of Lubbock and the democratic nom-

inee for lieutenant-governor, and Joe Pool of Dallas, the party's choice for congressman-at-large, both accepted.

The 30th Senatorial district embraces portions of both Congressman George Mahon's and Walter Rogers' congressional districts. Rogers has committed himself to be there and Mahon indicated he would make every effort to attend.

Following the fund raising dinner, the candidates will move to the Tulia High School auditorium for a short round of speeches and this meeting will be open to the general public. There will be no charge for this meeting. This portion of the program is expected to get underway at 8:15 P.M.

Batson stated that there are ticket chairmen in every county in the district and that a large crowd is expected.

FARM BUREAU CONVENTION--Listening intently as speaker Joe Edd Sullivan of Brownfield speaks at the Lamb County Farm Bureau convention here Friday night is Eimer McGill of Olton. McGill was re-elected president of the county organization.

THE SKETCH SHOWS the relief map of the Panhandle which will be the principal decoration of the theatre entrance. It will show the principal historic spots in the area and the brands of some of the large, early cattle

domains. The committee will welcome suggestions for items of historical significance which should be included on this tablet.

Lamb County Residents Like To Be Own Boss

How strong is the "be your own boss" urge in Lamb County? How many local residents are self-employed? How much do they earn, on the average?

Answers to these questions are provided, courtesy of the Department of Commerce, on the basis of data collected during the 1960 census.

They show that no less than 3,279 county residents are self-employed, their incomes coming from their own business, profession, trade or farm.

This compares with a total of 5,677 working for wages or salaries in enterprises owned by others. Included in this figure are all who had gainful employment during any part of the year.

Thus, it is shown, 36.6 percent of Lamb County's working population are self-employed.

The proportion is somewhat greater than in most parts of the United States, where 14.4 percent of the workers are in business for themselves. In the West South Central States the ratio is 17.8 percent.

In general, throughout the United States, the number of individuals who are self-employed is growing small and

smaller. The chief decline is in the number of small farm operators.

However, there are still many venturesome people who take the plunge each year and start up businesses of their own.

Although they know that the mortality rate is high for new enterprises, they are willing to invest their time and their money in the hope of success. Many survive the difficult early period and become firmly established. Others do not make it the first time but may do so on a second attempt.

How much do the self-employed people in Lamb County earn? Their median net income, after paying all operating costs, and, in the case of farmers, after allowances for food and housing in addition, came to \$4,899 per person.

This compares with an income of \$1,983 per capita for those who were not self-employed.

VISIT KENNEDYS

Weekend visitors in the T. C. Kennedy home were Mr. and Mrs. Joe Prossise and children of Fort Stockton.

Wilks Hurt In Accident

Burl Wilks suffered back injuries in an accident Wednesday morning about 8 a.m. on Farm Road 1842 five miles north and one and a half west of Olton.

The accident occurred at the Wilks home when a 1956 Ford pickup, driven by Wilks, pulled out of his driveway onto the highway. A 1957 Chevrolet pickup driven by Gerald Elkins was headed east on the highway.

The two trucks collided in the middle of the east bound lane and Wilks was thrown from his truck, according to Highway Patrolman Bill Angel.

Damages were estimated at \$300 to the Elkins truck and at \$400 to the Wilks truck.

WHEAT PROGRAM

Secretary of Agriculture Orville L. Freeman has announced that winter wheat farmers may sign up for the special voluntary wheat reduction program for 1963 from Oct. 15 to Dec. 14. The new program was authorized by the recently passed 1962 Food and Agriculture Act. Detailed information on the program is available from county Agricultural Stabilization and Conservation Service offices.

IN NEW MEXICO

Mr. and Mrs. Herman Meyer and Johnny went to ENMU at Portales, N.M., last Sunday to see Jerry Meyer.

MOUND, MINN., MINNETONKA PILOT: "Well the President now tells us no immediate tax cut is needed to stimulate the economy. It seems as though the boys down in Washington never consider a tax cut unless they feel something is needed to stimulate the economy. . . Tax cut to stimulate the economy? . . . Tax cut to head off a recession? . . . Tax cut to get out of a recession? Nuts! How about a tax cut just because government has gotten into the habit of spending too doggone much money?"

STORM RESISTANT
In performance trials under Texas storm conditions, promising strains of storm resistant cottons have retained their lint in the burs in a relatively undamaged condition. The Texas Agricultural Experiment Station and the USDA have cooperated in developing the promising strains which are being tested further.

FREE LURE TO STREAM TEST--Kenny Magoon of the Buckeye Bait Corp. has shipped the Texas Press Association 300 of his popular Bug-N-Bass baits. This is a new surface lure that pops when you snap the line, dives a couple of feet under water, then floats back to the top.

Looks like a black bass about to gobble up an insect. Mighty realistic!
Magoon designed the lure himself. Now, after four years of experimenting, he wants you to try it. So, mail a postcard requesting a sample. They will forward you a lure complimentary. . . providing you're among the first 300 to write in. Just say in what newspaper you read of this offer, then let them know what luck you have with the bait. For your free lure, write **OUTDOORS IN TEXAS**, c/o Texas Press Association, 1716 San Antonio Street, Austin 1, Texas.

Springlake News

Mr. and Mrs. Ralph Cook and son of Olton spent Sunday afternoon with his parents, Mr. and Mrs. Foy Cook. During the afternoon they had a telephone visit with Leslie Cook, who was stationed in San Deigo, Calif., but is leaving this week for overseas duty.

Mrs. Louise Bridge and Mark and Mrs. Betty Matlock took Mark to the doctor at Littlefield Thursday morning.

Mrs. Dot Matlock, Mrs. Evelyn Bridges, and Mrs. Velma Baker met with Mrs. Doris Winder in her home Wednesday afternoon to nominate officers for the Homemakers Sunday School Class for the new year.

Mrs. Thelma McClanahan visited Saturday afternoon with Mr. and Mrs. Doug Avery and girls of near Muleshoe.

None Hurt In Auto Accident

No injuries were reported after an auto accident Saturday about 6 p.m. at the intersection of 15th Street and Highway 168. Damages of \$450 were estimated to a 1961 Chevrolet, driven by Frederick H. Schaffer of Lubbock, and \$300 was the estimated damage to a 1958 Dodge, driven by Robert Gonzales of San Antonio.

The Gonzales car was traveling south on the highway and the Schaffer auto was going north. The accident occurred when the Gonzales car attempted a left turn in front of the other vehicle.

CONFERENCE SET
Theme for the first Texas Insect and Plant Disease Conference is "Pesticides in Agricultural Progress." The conference will be held at College Station on November 19-20 in the Memorial Student Center of the Texas A&M College campus.

Rural Accidents Are Reported

The Highway Patrol investigated nine rural accidents in Lamb County during the month according to Sergeant D.S. Lawson, Patrol Supervisor of this area.

These wrecks accounted for three persons injured and an estimated property damage of \$4,840.00.

The rural accident summary for Lamb County from January through September of 1962 shows a total of 112 crashes. As a result of these crashes there were four persons killed and 70 persons injured. The estimated property damage amounted to \$85,380.00.

Fire Call Answered

The Olton Fire Department answered a call Wednesday morning at 11:10 at the home of Mr. and Mrs. Elbert Hooper, located three-fourths of a mile south of Olton.

The fire was thought to be caused by a minor leak in the floor furnace but up to press time a definite cause had not been established.

Mrs. Hooper reported that she had been reading in her bedroom when she smelled smoke. She immediately called the fire department and gas company.

Charles Giles In Germany

FORT RILEY, KAN. (AHTNC) --Army Pvt. Charles L. Giles of Olton departed from Fort Riley, Kan., Sept. 30, with other members of the 1st Infantry Division for a six-month tour of duty in Germany under Exercise LONG THRUST V.

Mustangs Score Stunning Upset Over Highly Rated Tulia, 21-20

"It was a supreme effort," That's the way Coach Walter Bryan described his Olton Mustangs' victory over Tulia's tough Hornets here Friday night.

An underdog by as much as three to four touchdowns, the Mustangs rose up to slap the Hornets from the unbeaten ranks, 21-20.

As he spoke during the Mustangs' victory celebration in the dressing rooms, Coach Bryan solemnly warned the Ponies they face another uphill battle here Friday night, when they meet Dimmitt in their District 3-AA opener.

"This Dimmitt team can be beaten, but it's going to take another effort like you had tonight," the coach warned.

Across the way, Tulia's surprised gridders were still numb from the upset loss.

"We just weren't ready for it and Olton was," the Tulia coach lamented.

There were few individual stars for the Mustangs as they played like David and slew the Tulia giant. It was a team effort that fans will remember for years to come.

About 2,000 fans yelled themselves hoarse as Olton jumped into a 14-0 lead in the first half, then mounted a 21-6 margin early in the fourth quarter.

But the fans were limp at the finish as Tulia came roaring back with two touchdowns and threatened to score a third until the Mustangs' Joe Priest snared a Hornet pass with 1:18 left to play.

Tulia won on paper, rolling up 15 first downs to the Mustangs five and 269 yards to the Ponies' 76.

The Mustangs had what it took in the clutch however, and they parlayed some terrific defensive play into breaks that made touchdowns instead of first downs.

After the opening kick-off, the teams exchanged punts and then Tulia began a 58-yard drive that carried to the Olton 26. The big gainer was a 24-yard pass from Jim Arnold to John Howell, a fourth down venture that set the Hornets in business at the Olton 26.

Quarterback Ricky Sharp fumbled on first down, however, and the Mustangs' alert Leon Kendall pounced on the ball at the 35-yard-line.

Olton couldn't gain and George Jones punted. A clipping penalty was called against the Hornets on the runback and Tulia had a first and 10 at the Hornet 10.

Once again, the Mustangs applied the pressure and Sharp fumbled. Olton's Richard Hall, a standout on defense the whole night, landed on the ball at the Tulia 3.

Joe Costello ran twice, getting the ball down to the one, and then Jones sneaked across for a six-pointer, Charlie T. Burrus kicked the point and it was Olton in the lead, 7-0, with the clock showing three seconds left in the first period. Only a minute and 24 seconds later, the Mustangs scored again.

This time the Mustangs got the ball at the Tulia 41 after Hornet Punter Hap Rogers juggled a snapback and was nailed before he could run for a first down.

On first down, Priest handed off to Costello, playing fullback for the injured Johnny Moses, and Joe hit right guard. He found a big hole and was past the Tulia secondary like a shot, romping the full distance for the touchdown.

After Costello's fine run, Burrus kicked point and it was 14-0 with 10:39 left in the half.

Tulia came right back, taking the kick-off and rolling 57 yards in seven plays to the Olton six. Arnold chalked a 27-yard gainer to put the Hornets in that position.

But Sharp seemed to be snake-bit. The Tulia signal-caller fumbled on first down and Olton's Robert Struve was on top of the ball when they unpiled.

Again the Mustangs couldn't

THE MUSTANGS CAME in loud and clear during their victory celebration after the 21-20 victory over Tulia. Here the Mustangs let go with a yell as Coach Walter Bryan declared, "Let's get Dimmitt."

go and Jones had trouble on a punt, the ball going only eight yards to the Olton 35.

After Tulia moved to a first down at the 23, the Hornets came up with a neat double reverse that found Arnold streaking around right end all the way. His score came with 5:01 left in the half and after a run for the extra points failed the score stood at 14-6, Olton.

The teams traded offensive turns until the clock showed less than 30 seconds left in the half.

Tulia's top-flight quarterback, Frank Hooper, tried for the long gainer, but his pass was intercepted by Burrus at the Tulia 45. Burrus streaked down to the Hornet 28.

The Mustangs got off one more play, a pass complete from Priest to Burrus to the Tulia 20 as the clock ran out.

Even with the Ponies in the lead by 14-6, they were behind with the statisticians at the half, Tulia having rolled up eight first downs to the Mustangs' two. In total yards Tulia had 127 to Olton's 66.

The Mustangs came back strong in the third period, which turned out to be a defensive duel.

Olton was able to move to the Hornet 28, but the Mustangs lost back to the 38 and a

Priest pass was intercepted at the Tulia 5 by Arnold.

Tulia couldn't go as Burrus, Jones, Hall and Billy Carson stood out on defense and Rogers kicked to the Tulia 34.

It appeared that Olton might go for the TD as Jones gained five and Costello 13 to the Tulia 16.

But there the Mustangs ran into a stiffening Hornet defense and were pushed back to the 26, where Jones attempted a field goal. It was blocked.

The fourth quarter opened with Tulia owning the ball at the Hornet 31. On first down, Hooper attempted to pass to Arnold.

Mustang Captain Burrus stepped in and intercepted, taking the ball at the 40 and going all the way for the score. He kicked the extra point and Olton enjoyed a 21-6 lead with 11:49 left in the game.

From there on Tulia dealt the Mustangs misery.

Sharp opened up the Hornet passing attack, heaving to Arnold for 16 and later to Howell for 29 to the Olton three.

Fullback Troy Brasher drove in from there for a touchdown with 9:29 left in the game. He also ran the extra points and it was 21-14.

After the kick-off, the Mustangs' Costello fumbled and

Tulia took over at the Olton 34.

But the Mustangs rose up and pushed the Hornets back to the 41, where a fourth down pass try failed.

Olton gained some crucial yardage at that point, with Priest passing to Burrus for a 12-yard gainer to the Tulia 44. It gave the Mustangs a first down and a chance to eat up the clock.

With 4:32 left, Jones fumbled and Tulia recovered at the Hornet 47. Arnold then passed to Rogers at the Olton 38 and Sharp later connected with Arnold on a play to the Mustang 18.

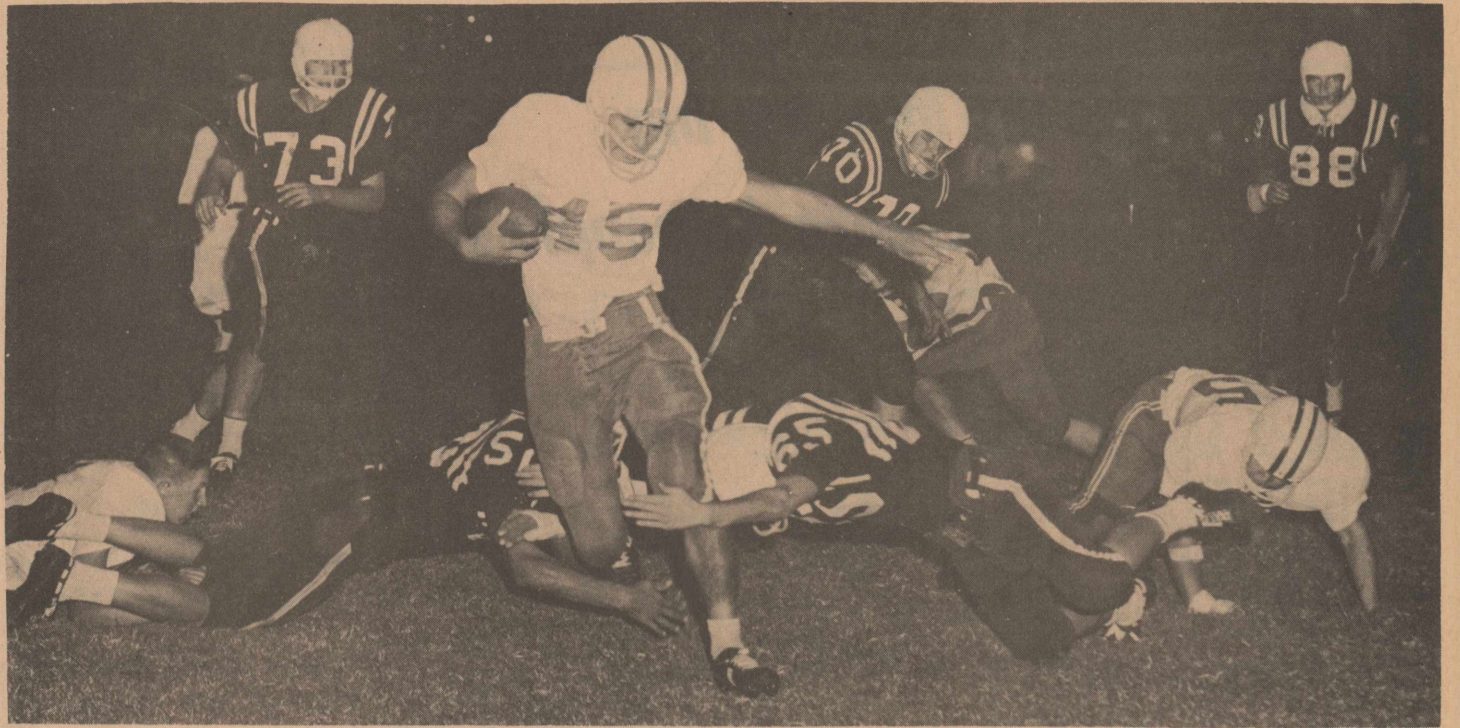

From there, Tulia's Howell raced in for the Hornets' third touchdown. That made it 21-20 with 2:42 left.

The entire Mustang forward wall fought off Brasher's run for the extra points, stopping the beefy Tulian just inches shy of paydirt.

After the kick-off, Olton ran three plays and punted, with Tulia taking over at the Olton 48.

Sharp tuned up for the aerial game again, spotting a Hornet loose at the Olton 42. But Priest raced in at the last moment and intercepted.

The Olton defender barely kept his footing as he intercepted, but he hung on and ran

THIRTEEN-YARD RUN----Fullback Joe Costello shook these tacklers and picked up 13 yards to the Tulia 16 in

the third period here Friday night. Costello scored once on a 41-yard run.

GAME AT A GLANCE

Scoring Summary----

OLTON---Jones, one-yard run; Costello, 41-yard run; Burrus, 40-yard return of interception; Burrus, three extra points (kick).

TULIA---Arnold, 23-yard run; Brasher, three-yard run; Howell, 18-yard run; Brasher, two extra points (run).

OLTON	7	7	0	7	---21
TULIA	0	6	0	14	---20

STATISTICS	O	T
First Downs	5	15
Yards Rushing	56	149
Yards Passing	20	120
Pass Attempts	3	18

Penalties, Yds.	7-45	3-45

down to the Tulia 15.

The Mustangs ate up more than a minute of playing time, finally relinquishing the ball at the Tulia 19 with time for one play left.

Sharp connected on a 21-yard gainer as the game ended, with the receiver, Arnold, downed at the Tulia 40.

Defensively, Olton standouts were Hall, Jones, Costello, Burrus, Carson, Dennis Givens, Kendall, Struve and Jimmy Bennett.

Mr. and Mrs. Raymon Carson have returned from Oklahoma City, Okla. where he performed a marriage ceremony

RATS LOVE IT... TO DEATH!

The acid test for any rat killer is in the eating. Since it was first introduced, Purina Rat-Kill has killed millions of rats on farms and ranches across the country. They prefer to eat Rat-Kill even when lots of grain and other feed is around.

Rats carry pieces of this chunk-size bait back to the nest and feed it to the whole family until they all die—in an average of 5 days. And rats go for delicious, deadly Rat-Kill without bait shyness.

See your local Purina Dealer for Rat-Kill. It comes in one-pound and economy size five-pound packages. Or ask him to bring you some Rat-Kill on his next Chows delivery. You'll find that rats love it to death!

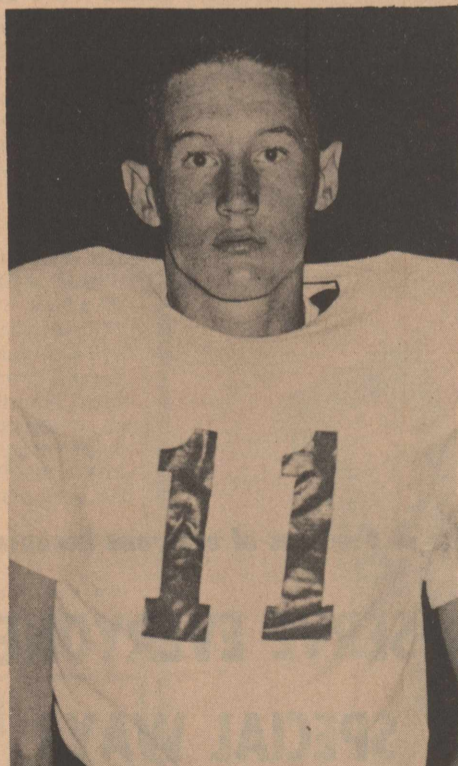

WE'RE FOR THE MUSTANGS!

Newspapers make a big difference in people's lives . . .

People who lead vital, dynamic lives mesh their thinking and activities into the whirring gears of today's social, economic and political machinery.

To stay in gear, they need all the help and information they can get. Most of it they get from newspapers . . . the only news medium which puts information in their hands in a retainable form to be read and digested when they need it and have time for it.

To be of genuine importance to people, newspapers must be free. No peoples are free where the press is gagged. So, it makes a big difference in people's lives whether or not their newspapers are free.

IT MAKES A BIG DIFFERENCE to home owners whether taxes go up or down, whether fire and police protection is adequate . . . newspapers keep them informed.

IT MAKES A BIG DIFFERENCE to investors whether prices of securities go up or down, whether business is good, employment up or down . . . newspapers provide this news regularly.

IT MAKES A BIG DIFFERENCE to housewives whether or not they get the most for their money when they shop for food, furniture or fashions . . . newspapers help them to shop intelligently.

IT MAKES A BIG DIFFERENCE to sports fans whether their favorite teams win or lose, where and when fishing's best. They find out in their newspapers.

IT MAKES A BIG DIFFERENCE to merchants whether or not customers are attracted to their stores . . . they use newspaper advertising to make this happen.

LEGAL NOTICE

Notice is hereby given that the Commissioners' Court of Lamb County, Texas, will receive bids until 10:00 a.m. on Wednesday, the 31st day of October, A.D. 1962, at which time all bids will be opened and read aloud. Said bids being for construction of a barn in accordance with the following specifications upon lots owned by Lamb County in Olton, Texas.

One rigid frame steel building approximately 40' by 60' with 12' walls with applied color; minimum roof pitch 2-12; roof and walls to be minimum 26 gauge with suitable fasteners; roof to be equipped with six sky-lights measuring approximately 3' by 9', and suitable gutters;

Said barn to be constructed with two double split steel doors (one aperture at end and one on side) with each of such apertures not less than 11' high by 14' wide, two walk-in steel doors, approximately 3' by 6' and five windows approximately 4' by 4'. Said barn to be set upon reinforced concrete foundation with four inch reinforced concrete floor (five sack) and with two 5' by 18' concrete approach pads.

Further details of construction specifications are available upon contacting Commissioner A.J. Spain, Olton, Texas. Payment for the above building will be made in cash. All bids to be sealed when presented and filed and will be opened at the above shown time.

Lamb County Commissioners' Court reserves the right to waive formalities and reserves the right to reject any and all bids.

Dated this 8th day of October A.D. 1962.
 Pat Boone Jr.
 County Judge, Lamb County, Texas

Wayland Plans Dinner

PLAINVIEW, Special — Proud Heirs Dinner at Wayland Baptist College, Plainview, will give special recognition to 82 students from families which have made attendance at Wayland something of a family tradition. The group, which has increased by 27 over last year's membership, will meet at 6 p.m. Thursday Oct. 18 in the Heritage Room of VanHoweling Memorial Library for a dinner in their honor.

Among those who have brothers, sisters or parents who have attended Wayland is Joe Price, son of Mr. and Mrs. Duward Price, Olton.

VISITS PARENTS
Joanna Lewis, daughter of the Rev. and Mrs. John Lewis, returned home from Baylor in Waco to visit her family.

SURVEYING THE EVIDENCE—Walter Struve, owner of Walter's Dept. Store, looks at the method and materials used to gain entry to his store Friday night when burglars made off with more than \$500 in merchandise.

THE INTRUDERS who broke in Walter's Dept. Store here Friday night left the shoe department in a mess. They apparently took their time going through the shoes, finding the right sizes. For details, see story on page one.

Fertilizer Short Course Is Planned

Basic information on soil fertility and fertilizers will be the subjects treated in a series of three intensive night meetings scheduled for November. County Agent W.R. Kimbrough has invited fertilizer dealers, agency personnel and county program building committee members to attend by registering thru his office.

Meeting places and dates are as follows: Lubbock Monday, Nov. 5, 12, 26 in Room 224 Agricultural Building, Texas Tech College; Plainview Tuesday, Nov. 6, 13, 27 in the Reddy Room of the Southwest Public Service Co., 300 W. 6th; Dimmitt Wednesday, Nov. 7, 14, 28 in the First State Bank; Lamesa Thursday, Nov. 8, 15, 29 in the Forest Park Community Center, South Houston Avenue.

Sponsored by the Agricultural Extension Service and the Texas Plant Food Educational Society, outstanding authorities from the fertilizer industry and Colleges will speak.

Kimbrough states these will differ from soil fertility meetings previously sponsored by the Extension Service in that the subject matter will be handled in more detail. Nitrogen will be the subject of the first meeting. Its function in plant growth, behavior in the soil, history of use, manufacturing processes, and characteristics of different forms will be discussed as well as time and method of application.

The second meeting will treat phosphorus and potassium in a similar manner. The final program will include a dinner and presentations on soil testing and fertilizer use in soil management. Diplomas will be issued to those completing the course.

Each County Agricultural Agent in the area has registration blanks and suggests you attend the meeting nearest your place of business. A charge of \$5 will be made for registration and the deadline for registering is Nov. 2.

Olton Band Expected For ENMU Parade

The Olton High School Band will participate in the homecoming parade at the Eastern New Mexico University Saturday, Oct. 20, when more than 1500 band students are expected for the parade and game. In addition to the host greyhound marching band, the parade will include units representing 17 high schools and six junior high schools of Eastern New Mexico and West Texas.

The bands will compete for awards to be judged by Everett Maxwell, band director from Abernathy. A twirling contest will be judged by Kaye Kelley, Eastern majorette. Thirty-two are entered.

The parade will begin at 10 a.m., and will start on Main Street near Fourth Street. From there, the procession will move north on Main, west on First, south on Avenue A, and west on Second to the Eastern campus.

Many floats have been entered in the parade, always the largest of the year at Eastern. Theme of the parade will be "50 Years of New Mexico Statehood."

The traditional free barbecue will begin immediately after the parade and will be served on the north terrace of the Liberal

Arts Building. The new Liberal Arts Building will be dedicated at 12:15 p.m., with Ralph Drake, alumni association president, as the speaker.

Afternoon Homecoming activities will include pre-game activities in Greyhound Stadium beginning at 1:15 and the football game between Eastern and Colorado Western at 2 p.m.

On the evening schedule are an informal buffet dinner for alumni and faculty at 6 p.m. in the Conestoga Room of the Plains Motor Hotel and the Homecoming Ball in the University Gymnasium at 9 p.m. Buddy Morrow, RCA Victor recording star, and his "Night Train" Orchestra will play for the dance.

IT'S Homecoming!

EXCITING! GO '63 CHEVY II

Nora 4-Door Station Wagon

SPUNKY NEW WAGONS THAT LEAD LONGER, HAPPIER LIVES

What a new kick you'll get out of going places in this one! And what a solvent feeling you'll get as the savings on upkeep mount! There's a full line of models, including three wagons. Basically, we've kept Chevy II's liveliness and roominess and easy loading ways. Kept its crisp looks, too (with a bit of freshening here and there). The changes we've made weren't for change's sake, you see—but for yours. Just for a sample: the brakes are self-adjusting. The new Delcotron generator gives you more electrical reserve power and helps your battery reach a vigorous old age. The Body by Fisher

beauty lasts longer, too; air pushes rain and wash water down through the rocker panels (where most rust begins!) in a clever new flush-and-dry system. The ride is smoother and quieter because of a large number of small improvements we've made. And things are a lot plusher inside. Now you've read this far, haven't you? Isn't that good evidence that Chevy II is made for you? The clincher will come when you take the wheel at your Chevrolet dealer's.

the make more people depend on

See four entirely different kinds of cars at your Chevrolet dealer's... Chevrolet, Chevy II, Corvair & Corvette.

WELCOME EXES

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

TEXAS PRESS ASSOCIATION AUSTIN, Tex.—Texas doctors are about to open a campaign for legislative approval of a constitutional amendment bringing Texas under the Kerr-Mills program.

Through it the Federal and State governments would jointly pay hospital and medical bills of all retired persons receiving less than \$1,800 a year and unable to qualify for old age assistance. Uncle Sam would pay 75 per cent; the State, 25 per cent.

Doctors believe there are 350,000 Texans over 65 who would be eligible.

Idea developed at a meeting between State Welfare Director John Winters, Texas Medical Association committees, insurance agents and insurance company representatives.

Plan would be to handle the proposition through an insurance company, as the medicare program for old age assistance now is done.

This would amount to an insurance premium of \$3,000,000 a month, based on the \$8.68 now paid Blue Cross for each of the 222,000 on old age assistance.

HIGHER EDUCATION—Texas Commission on Higher Education heard presidents or other spokesmen for 20 State colleges and universities voice objections to proposed cuts in their budget requests for 1964-65.

As a result, the Commission will reconsider its recommendations at a meeting on October 23.

Three doctoral programs in teacher education were approved for the University of

Houston, which will become a senior college next year.

Four graduate programs were approved for East Texas State College.

Rex Baker, Commission secretary, opposed this latter action on grounds that it went against policy of concentrating such programs in the University of Texas and A&M College. Dispersal of such programs, Baker said, would lead to general mediocrity.

Commission member Elizabeth Koch's reply was that they were necessary to attract teachers of eminence.

WATER POLLUTION—Because oil and gas companies were in a quandary over whom to turn to for waste disposal permits, the State Water Pollution Board decided to take care of them with a special application form.

This form will apply only to oilfield wastes. It will include all of a company's holdings and will incorporate, by reference, information on disposal submitted to other State agencies.

Pollution board has asked the Attorney General for an opinion to settle jurisdiction on this question between the Board, the Railroad Commission and the Water Commission. But no reply has been received.

SCHOOL LAND LEASES --- Latest leasing of State school lands boosted the permanent school fund beyond the half-billion mark, Land Commissioner Jerry Sadler reported.

In exact figures, it is now \$500,639,012.

During the past 21 months, \$38,500,000 has been placed in the public school available fund. State university and college lands in the same period produced \$32,684,992. Permanent fund now stands at \$385,995,002.

HIGHWAY SAFETY---Official commendation and appreciation of the State were expressed by Gov. Price Daniel to Col. Homer Garrison Jr., director of the State Department of Public Safety and chief of the Texas Rangers.

Tribute was paid Garrison for winning the Paul G. Hoffman Award for distinguished professional service in highway safety.

Governor Daniel said the award, presented only five times before to nationally-recognized experts in traffic safety, was a "crowning achievement in a lifetime career of outstanding police administration and public service" by Colonel Garrison.

The governor said he felt Texas could trace much of its

progress in traffic safety to the sound foundations laid by the public safety director.

BUILDING DEDICATION---A ceremony dedicating the new State Board of Insurance building on the southeast corner of the Texas Capitol campus will be held on October 19.

Rufus D. Hayes, Louisiana insurance commissioner, will be a principal speaker.

The four-story building, housing the Industrial Accident Board besides the insurance department, was completed at a cost of \$2,117,500.

APPOINTMENTS --- New appointments announced by Governor Daniel include:

J.H. West of Bishop, president of the Texas Farm Bureau, as a member of the board of directors of Texas A&I College at Kingsville, succeeding the late Robert C. Eckhardt of Kingsville.

Jerry Deering of Arlington, manager and assistant treasurer of the Fort Worth Teachers Credit Union, as a member of the Credit Union Advisory Commission, succeeding Ben G. Levisee of Fort Worth, resigned.

McCall Sanders of Weimar as a member of the Egg Marketing Advisory Board, replacing Victor Jumped of Paris, resigned.

D.O. Belew of Fort Worth, to succeed Fred O. Detweiler of Dallas, on the joint Board of Park Commissioners of Dallas and Tarrant counties.

FOUNDERS DAY---Alumni of St. Edward's University in Austin met in 10 Texas cities to mark the 77th year of the founding of the church-related school. Founders day corporate communion breakfasts were held in Beaumont, Corpus Christi, Dallas, El Paso, Fort Worth, Galveston, Houston, Laredo and San Antonio, besides Austin.

HONORARY TEXAN --- Texas has a new goodwill ambassador in Venezuela.

Governor Daniel has named Miss Lolita Ines Devarado of Maracaibo an honorary Texan.

The 18 year old student of law visited the Capitol and the City of Austin for a month before returning to Venezuela.

ANOTHER HOLIDAY -- State offices closed and employees took the day off last Friday. There was no evidence around the Capitol as to why.

Those who sought to do business with the State found doors locked and halls deserted. Not even the elevators were running. This, much to the dismay of visitors to the tall granite edifice.

Fact that parking space was plentiful was some consolation.

Reason was -- Columbus Day. It came without warning and left without ceremony.

It was just one among the many days the Capitol closes shop while businesses throughout the state remain open.

CREDIT LIFE INSURANCE--Land Commissioner Jerry Sadler says buyers in the state's \$200,000,000 Veterans' Land Board.

The Board, of which Sadler is chairman, secured terms of \$5.76 per thousand dollars of outstanding principal.

Same terms and conditions to age 65 apply to future purchasers, as well as the 28,000 who already have acquired tracts.

STATE TO SUE FOR PADRE--In an attempt to gain title to disputed Padre Island areas, the State of Texas will file a number of suits.

Assistant Attorney Generals Ben Harrison and Arthur Sandlin Jr. reported to the House Land Study Committee that suits will be filed after additional information is collected.

SPECIAL EVENTS LISTED--A total of 407 events of general public interest are listed in a new 16 page booklet just released by the Texas Highway Department.

Texas Calendar of Events is the title of the booklet.

More than half of the activities recorded are in the fine arts field. Included are concerts, ballets, operas and stage productions.

Also mentioned, however, are such gala festivals as El Paso's Southwestern Sun Carnival, Tyler's Rose Festival, Edinburg's Pan American Bronco Days, Mission's Citrus Fiesta, and Brownsville's Charro Days.

EARLY BALLOTING--With absentee voting at hand (Oct. 17) comes the realization that the Nov. 6th General Election is almost here. Little enthusiasm has been stirred by either the Democratic or Republican candidates.

Capitol observers predict a light vote. That, they feel, would be to the advantage of the Republican candidates since it is conceded that the anti-administration voters will go to the polls en masse.

NOSE COUNTING--Population in fast-growing Texas will increase 2,150,000 by 1970.

Texas Research League predicts 11,800,000 people for Texas by the end of the present decade. The 1960 census showed the state's population as 9,650,000.

By 1985 Texas' population will have soared by 16,000,000. Most explosive trend, says the League, will be the rise in the college-age group -- expected to rise 53.4 per cent.

SALES TAX INCOME LOW--Texas' limited retail sales tax law, passed by the 57th Legislature, accounted for only 10.31 per cent of the state's revenue during the fiscal year ended Aug. 31. So reports Robert S. Calvert, State Comptroller.

During this first-year period it produced a total of \$14,660,600.57, to rank fourth in the major income sources of the State.

HONORS UPCOMING--Former Governor Allan Shivers of Austin; U.S. Supreme Court Justice Tom C. Clark of Washington, D.C.; Judge J.A. Elkins of Houston; and Gus S. Worthman of Houston, will be honored here Friday (Oct. 19) by the UT Ex-Students Association.

NEW JUDGE--Now serving as a Judge on the Corporation Court bench is Tom I. McFarling. He is a former assistant and attorney general.

STORMS ABREWING?-- That same quietness that precedes a storm seems to hang over the State Capitol. It's a physical as well as a spiritual calmness.

Capitol observers have sensed it now for several weeks.

Could be due to the upcoming elections and the resulting change in the Administration. Or the coming session of the Legislature. Or to an outbreak of news from an unexpected source.

Time will tell!

THREE POLIO CASES--State Health Department advises that three new cases of polio were reported during the first week of October.

A total of 223 cases, 169 paralytic and 54 non-paralytic, have been recorded so far this year.

SLANT WELL SUITS--Assistant Attorney General Linward Shivers reports that between 30 and 150 penalty suits for slant well drilling will be filed in the near future.

Shivers, who has headed the investigation, says he will file separate suits on each violation, where an illegally slanted well is found.

Law provides penalties up to \$1,000 a day for each day of violation.

SHORT SNORTS
Texas Supreme Court has refused to issue a court order requiring a district judge to cancel an October 30 election contest in Starr County.

General revenue fund deficit is \$41,250,349 -- up \$19,300,000 from the last call -- according to State Treasurer Jesse James.

State Textbook Committee has declined to recommend adoption of any new economics textbooks for use in Texas high schools.

Eight applications for permits to sell \$2,766,590 in securities in Texas were filed with the State Banking Commission the past week.

Auto Accident Is Reported

Very little damage was reported after an auto accident last Thursday about 8 p.m. at North Main and Eleventh Street.

The accident occurred when a GMC semi-truck loaded with wood, driven by Fred Schaefer, hit a parked car.

Schaefer told officers he was blinded by oncoming lights, according to Emmett Burrows, police chief.
