Report Given On Washington Trip

By BETTY ALBUS

On January 17, Texas farmers and ranchers joined with others from across the nation in one of the largest drives on Washington, D.C., since the nation was founded more than 200 years ago. The purpose of the drive, being to restore prosperity, not only to rural America, but the nation as a whole. Estimates of as many as 100,000 farmers and ranchers swarmed into the hallowed halls of Congress telling of the inequities that exist in the prices farmers are receiving for their products.

It would be impossible to bring an agenda or diary of all that the farmers did while in Washington. There were many meetings and appointments scheduled, many at conflicting times, therefore we went in different directions, each person going to as many meetings or scheduling as many appointments with Congressmen as could be worked into the busy schedules. We were busy from early morning until late at night, talking with Senators, representatives and their aides. When we weren't talking to Congressmen, we were having meetings and discussions with the leaders and representatives of groups such as the Cotton Council, Ways and Means Committee, Farm Bureau, the head of Beef Imports Division, USDA, and many more. Most of these meetings were quite heated and informative, as the various leaders struggled to answer the questions put to them by the farmers and ranchers. They were often at a loss for words and very surprised at the knowledge the farmers had about actions of the various offices and organizations, and how the farmers had been "used" and misrepresented by them.

The discussion of beef imports was especially heated as farmers hurled questions at the man in charge, regarding the unsanitary conditions in the slaughtering and packing plants in foreign countries. These plants are not inspected on a regular basis, as are the facilities in America, and yet the meat coming into this country from these unsanitary plants is stamped USDA approved and sold to the unaware consumer as top quality American beef. The consumer is unaware that the meat is foreign beef, and that it hung for as long as four days in an open-air, dirt-floor facility, where flies are swarming!

On Wednesday morning, January 18, at 8:30, we were welcomed to Washington by Representative George Mahon of Lubbock. He praised the farmers for coming, as he

vowed that he was in 100% support of the farmers and their valid pursuits. He welcomed everyone to come by his office for assistance in setting up various appointments with Congressmen. Mahon further agreed to go immediately to his office and phone Secretary of Agriculture Bob Bergland to try to arrange a meeting between Bergland and the farmers.

On the afternoon of January 18, the Texas delegation of Senators and Representatives who had returned to Washington met with Texas farmers and ranchers in the Caucus room of the Cannon House of Representatives building. The room was filled to overflowing, with people sitting on the floor, or standing wherever they could find a spot to squeeze into, as hundreds more farmers listened outside in the halls.

Representative George Mahon opened the meeting, telling those present, "The farmers' mission to Washington is a valid one, and something good is going to result from their trip to Washington. There has been some impatience on the part of the farmers, but is a time for impatience when people are confronted with total and complete disaster in their occupation!"

The rest of the Texas delegation each took their turn at the microphone, as each and everyone of them voiced their approval and support for the farmers and their demands. Some of the statements from the Congressmen were:

Omar Burleson, 17th District—"We have a long range problem and a short range problem, but it is imperative that we take action immediately on the short

Boutique To Observe 2nd Anniversary

"Time does get by in a hurry," mused Estelle Hawkins in talking about The Boutique having its second anniversary.

She also stated that it had been a wonderful two years and that she had enjoyed serving the people of Knox City and surrounding towns with the best in brands including Levi's, Donovan Galvani, Act III, Jerrell, Queen Casual and many other well known brands.

Mrs. Hawkins extends an invitation to all of her customers to stop by, browse, and look over the "Specials" she has for everyone during her Second Anniversary Sale.

range goals, to give the farmers some relief and assistance, and then work on the long range goals, or we will no longer have agriculture as we know it today".

Representative John Young (Corpus Christi) had this to say, "When you mess around with the food and fiber problems, you are messing with the future of this country. If the family farmer is driven off and Corporate farming takes over, we'll be looking at lots more than 100% parity!"

Rep. Ray Roberts spoke in support of the farmers and their demands, pledging to do all he could to aid the farmers. "We're proud that you are here, you should have been up here sooner,—but now that you finally ARE here, get through to Congress and we'll see some action".

Rep. Poage, 11th District stated that he supported the farmers and continued, "If we can get Congress to understand, and I think that you are already doing a great job of getting through to them,—then I think we can achieve the goals of the American Agriculture Movement. We need to convince the urban people that when the farmer can't make a profit, they too, will be in a bad shape".

Rep. Jake Pickle received thunderous applause as he stated, "The American Agriculture Movement is not just a gentle breeze blowing across our land,—it's a raging tornado. State leaders in Texas will help to try to find solutions because whatever will help the farmers, will help the Nation".

Rep. Eligio de la Garcia from the Harlingen area said, "The time has come to do something and we're GOING to do it!". He also said, "The figures I have seen from the farmers made me realize, as anyone would, that no business could survive with such losses."

Another representative from South Texas had this to say, "Rural America is the backbone of this country. We must have an answer to the farmers' problems and the answer must come SOON. If we don't protect the rural people and family farms, America will disappear as a #1 Country!"

Rep. Sam Hall commended the farmers for coming to Washington at their personal expense to lobby for their needs, (he emphasized that most lobbyists were well paid to do what the farmers were doing on their own BORROWED money). He went on to say, "Farmers

Local FFA Wins At Fort Worth

Knox City-O'Brien Future Farmers of America Chapter members, along with vocational ag teachers Leon Burkham and Jim Dillon, are making a tremendous showing at the Fort Worth Fat Stock Show which will continue through this weekend.

KC Students Plan Mexican Dinner

The Pan American Student Forum, a Knox City High School organization, will sponsor its annual Mexican Dinner Sunday, February 5, in St. Isabel Hall.

Serving hours will be from 11:00 a.m. until 1:00 p.m. and the menu will consist of tamales, enchiladas, beans, rice, salad, coffee or tea, and dessert.

Mrs. Ray Escobar is the sponsor and Mrs. Celso Gonzales if co-sponsor of the group.

The reasonable prices are listed in a display ad elsewhere in this week's News.

ing to Burkham, the animal dressed 75.6 percent, with a live weight of 1130 pounds. The judge highly complimented David's steer, remarking that the confirmation and condition of the animal was exceptional. The Knox City junior, son of Mr. and Mrs. David Counts, is participating in his third year of calves.

Knox City FFA took the swine herdsman award for the 16th consecutive year. The honor is based on the chapter's exhibitors and their cooperation and participation with show officials, as well as the condition and appearance of the animals exhibited, their placings, and their appearance with their exhibitors.

The local chapter literally dominated a large portion of the breeding swine show with Johnathan Godsey's grand champion Yorkshire boar. Greg Oliver showed reserve, while Daniel Godsey had the reserve champion Yorkshire gilt.

RETURNS HOME

Mr. and Mrs. Henry White and Adam were in San Antonio last weekend to return his mother, Mrs. Myrtle White, home.

She had been visiting her daughter and family, Mr. and Mrs. Jim Clay the past two weeks.

In the spot breeding swine competition, Kyle White showed the champion boar while Kristi showed the reserve gilt.

Kevin White took reserve champion honors in the Berkshire breeding swine judging.

Other results included Joseph Godsey, second place, July Yorkshire gilt; Rodney Warren, fifth, August gilt; Kevin Reed, fourth, July spot gilt; Greg Oliver, fourth, July Yorkshire gilt; Jay Emerson, fifth, Yorkshire gilt; Kyle White, third, spot gilt; and Kristi White, second and third, spot gilt and fourth, Duroc gilt.

Elshiemer To Be At Foursquare

The Philip L. Elshiemer Family will be guests at the Foursquare Church all day Sunday, February 5, according to the Rev. Charles Moran, church pastor.

Elshiemer will be ministering in song and the public is invited to come and hear this vocalist, as noted by the ad elsewhere in this week's News.

Mrs. Hershell Tankersley advised the News office that Elshiemer will also be singing during the monthly First Sunday Singing between the hours of 2:00 and 4:00 o'clock Sunday afternoon.

Joint Elections Set April 1

The City of Knox City, the Knox City-O'Brien Consolidated Independent School District, and the Knox County Hospital District will again hold their respective elections together this year and have set the joint election for Saturday, April 1, in the Community Center. Polls will be open from 7:00 a.m. until 7:00 p.m.

In the city election, the terms of councilmen Celso Gonzales, L.V. Worley, and Charles Auburg will expire.

Grapevine Trip Rescheduled

For Sat., Feb. 25

With flu on the rampage most everywhere, the Grapevine Opry trip has been postponed until Saturday, February 25.

Deadline for getting in reservations is Friday, February 10, and reservations must be accompanied by the \$20.00 fee per person. The fee includes the bus fare alone with choice seats for the Opry.

Plans call for the bus to leave The Knox County News office at 1:00 p.m. with arrival in Grapevine about 5:00 p.m. The group will have time for a meal before the Opry opens at 6:00. The show begins at 6:30 with a short intermission after about an hour and a half. The show concludes at 9:00 and the group should be back in Knox City between 12:30 and 1:00 a.m.

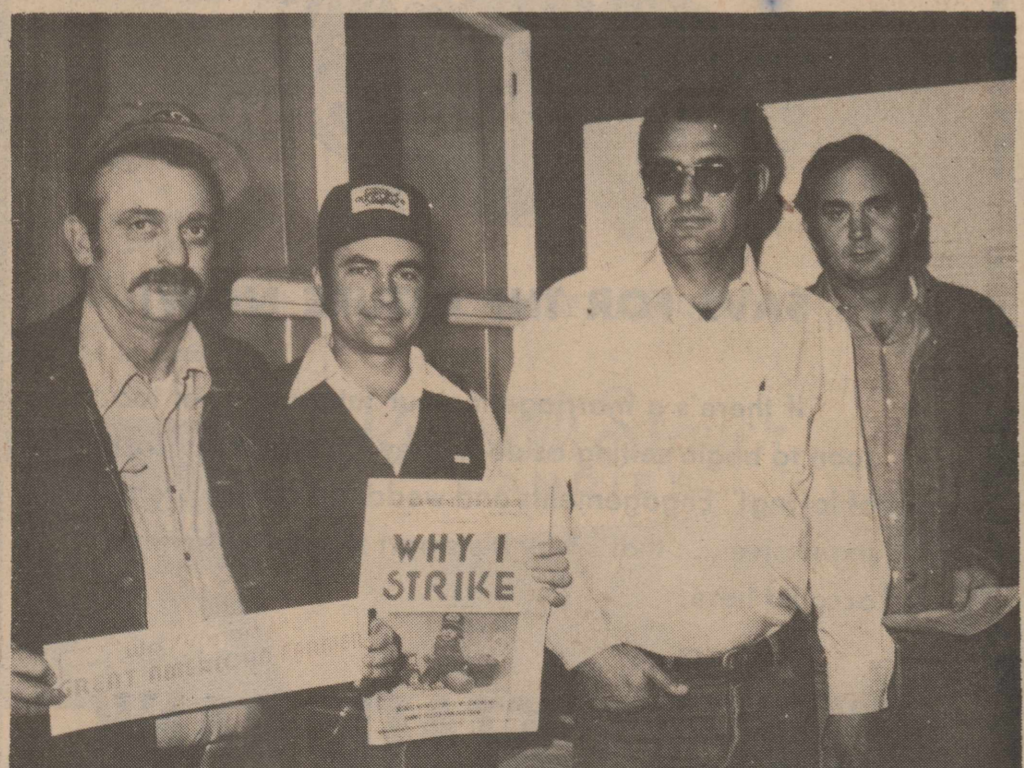

The fast moving show is clean, family-type entertainment with a variety of acts, including country-western and gospel.

If readers would like to join in, they are asked to let the News office know no later than February 10.

MANNING THE KNOX CITY OFFICE of the American Agriculture Movement, are from left, Herbert Bellinghausen, David Albus, Donald Johnson, and Jim Anderson. The office opened this week in the office of the Knox County Fertilizer, and Herbert Bellinghausen, owner, invites all interested persons to come by where they can listen to tapes and find answers to other agricultural problems.

Strike Office Opens

The Knox City chapter of the American Agricultural Movement opened a strike office here Tuesday of this week in an attempt to better coordinate the farmers' protest of low farm prices.

The office is located at Knox County Fertilizer, owned by Herbert Bellinghausen and the strike office number is 658-3623. Bellinghausen said the office will be open "all day" for Knox City and area residents.

"The purpose of the office is to have a headquarters for this (AAM) organization so people can keep in touch with what is going on in Washington and all over the United States," Bellinghausen said.

Anyone interested in learning more about the strike movement, can come by the office and listen to some very informative and interesting tapes, Bellinghausen continued.

Men's and women's official strike caps and emblems, as well as bumper stickers, are

also available at the office.

A spokesman for the AAM invited everyone, farmers as well as businessmen, to come by the office for a cup of coffee and find out what each person can do, to help save our family farms and rural America.

The spokesman further stressed that the time has come for every concerned individual to take part in this movement and that we cannot expect others to do it all as the interest and support of everyone is necessary.

The News office was advised by David Albus Wednesday morning that after reporting the opening of the Knox City strike office was the 998 office to open in the nation.

PUBLIC NOTICE

PUBLIC HEARING NOTICE

A Hearing Commission of the Texas Department of Water Resources will conduct a public hearing beginning at 1:30 p.m., February 28, 1978, County Courtroom, Lamar County Courthouse, Paris, Texas; and 1:30 p.m., March 1, 1978, Room 216, Amarillo Building, 301 S. Polk, Amarillo, Texas, in order to receive testimony concerning Volume I, Basic Data Report, of the Water Quality Management Plan for the Red Basin. This document is the first of two volumes which, upon completion of Volume II, will form the Water Quality Management Plan for the Red Basin. Volume I, Basic Data Report, includes information on existing wastewater treatment facilities; existing water quality; existing land use patterns; existing population; and projections of economic growth, population, and probable land use patterns. Volume II, Plan Summary Report, will present the recommended plans for water quality management and the legal, financial, and institutional requirements of each plan. Also included in Volume II will be descriptions of Feasible alternatives, an environmental assessment, and a summary of the public participation activities conducted during the development of the plan. The Water Quality Management Plan for the Red Basin is being developed to satisfy the requirements of Section 208 of the Federal Water Pollution Control Act Amendments of 1972, and pursuant to Title 40 Code of Federal Regulations Parts 130 and 131 and the State of Texas Continuing Planning Process. The public hearing shall be conducted in compliance with Section 26.037 (formerly Section 21.089), Texas Water Code. The study area for this plan includes most of the Red River Basin. This plan will not address the planning required in the Texarkana Designated Areawide Planning Area; detailed planning within that area will be provided through the development of the Texarkana Areawide Waste Treatment Management Plan and will not be considered at this hearing.

Copies of the Basic Data Report will be made available for public inspection at the following locations: Texas Department of Water Resources Offices, Stephen F. Austin Building, 1700 North Congress Avenue, Austin, Texas; Texas Department of Water Resources District 1 Office, 301 S. Polk, Room 306, Amarillo, Texas 79106; Texas Department of Water Resources District 2 Office, 4819 Avenue Q, Lubbock, Texas 79412; Texas Department of Water Resources 4 Office, 203 James Collins Blvd., Duncanville, Texas 75116; Texas Department of Water Resources District 5 Office, 3801 Highway 42 North, Kilgore, Texas 75662; and the Red River Authority of Texas, 302 Hamilton Building, Wichita Falls, Texas 76301. Copies of Volume II, Plan Summary Report, will be made available at these same locations when completed in June, 1978. However, the hearing cited in this notice will consider only Volume I, Basic Data Report, of the Water Quality Management Plan for the Red Basin.

Requests for copies of the Basic Data Report and questions about it should be addressed to Mr. Tommy Slaughter, Texas Department of Water Resources, P.O. Box 13087, Capitol Station, Austin, Texas 78711, or call (512) 475-3454. When requesting a copy or sending a query by mail, please include your complete return address and telephone number.

The public is encouraged to attend the hearing and to present evidence or opinions as to the accuracy of the existing and projected data compiled in the Basic Data Report. Written testimony which is submitted prior to or during the public hearing will be included in the record. The Hearing Commission would appreciate receiving a copy of all testimony at least five (5) days before the hearing. The testimony and questions concerning the public hearing should be addressed to Gordon W. Houser, Texas Department of Water Resources, P.O. Box 13087, Capitol Station, Austin, Texas 78711 or call (512) 475-5516.

The date selected for this hearing is intended to comply with deadlines set by statute and regulation. Any publication or receipt of this notice less than thirty calendar days prior to the hearing date is due to the necessity of scheduling the hearing on the date selected.

This public hearing may be continued in order to fully develop the evidence.

Issued this the 23rd day of January, 1978.

Letters TO THE EDITOR

Rt. 2
Munday, Texas 76371

Dear Editor:
I think most of us are beginning to realize that we are in this cost-price squeeze together in these small agriculture towns.

History shows that the only time that America has a good economy is when we are in a war or when farm prices are high. We in American Ag. are doing something about farm prices. If you as farmers and businessmen are concerned about the future of Agriculture and care about your fellow farmers, we strongly urge to join the American Ag. movement for 100% parity for all farm products.

If we can get more for our products we can afford to pay more for the things we buy which will create more jobs and more taxes, and will help our small towns as well as large cities. In 1977 at least 25% of the farmers in the United States lost money and a like number just barely broke even. This hurts our nation in that those 50% of farmers pay very little income taxes, and also when agriculture prices are low we don't balance our trade with foreign nations which happened in 1977 when our country lost 27 billion dollars in our trade.

Many of our bankers and farm leaders feel that if we have one more year of farm prices as they now are, our nation will suffer another depression as we had in the early thirties.

Many people do not seem to realize the plight of the farmer, but we in the American Ag. movement have taken it upon ourselves to try to educate the consumer to the perils of the family farmer going out of business. We believe that corporate farming will take over and will get a price that will guarantee them a profit in farming, and they can't grow food as cheap as family farmers. If this happens our young farmers will have to move to the cities to compete for jobs and cause more problems for our cities and also our small towns will suffer from their loss.

The American Ag. Movement believes that we have enough farmers (about 45%) behind the movement to get 100% parity. It will take longer if we don't grow any crops and buy anything to convince the President and Congress that we mean business, but if we had all the farmers in the nation in the Am. Ag. movement we could get what we ask for in one day and no one would go hungry, we could go ahead buying and selling and growing crops. But, unfortunately some do not see fit or care enough to

try to better themselves or their fellow Americans.

Most of us know that our President who promised the farmer a fair price when he was campaigning for office, is told what to do by Unionized Labor which is receiving 160% of parity now, threatened to veto a farm bill this past Fall that would have guaranteed satisfactory prices to the farmer. We feel that he has let the farmer down and that our only recourse is to strike.

We know, as we have been told by a man in Washington that if we fail in this movement, there is no use for the farmer to ever try to get 100% parity again, because they will know that is true that farmers can't "stick" together on anything as some now believe.

We've heard it said all our lives that when the farm population gets down to just a few, that we will get together and organize. That time is now! This movement has got to succeed and I believe that it will, for the good of America and because our young farmers believe in it and are willing to work for it.

May God help us and this great land of ours.

Sincerely,
Edward J. Smith

To the editor:

Just wanted to express my regrets to the people of Foard and Knox counties for having to miss activities planned there Jan. 18 in my honor because of bad weather.

The ice and sleet prevented me from attending all scheduled stops that day except for a Rotary luncheon in Childress and an afternoon reception in Quanah.

I'll hope to see you during my next trip to North Central Texas.

Yours Sincerely,
/s/ Bob Krueger

REPORT FROM WASHINGTON TRIP (From Page One)

have come to Washington to get a commitment from the Texas delegation, and I think you've gotten it. We are being killed by imports,—our exports have to be increased—we are going to have to label products that come into this country, so that the consumer is aware of what he or she is buying." He ended by saying, "Every member of the Texas delegation in Washington, D.C. stands 100% behind you and will do everything in our power to get help and relief for farmers in this session."

The Representative from Dallas stated, "We have a \$30 billion deficit in petroleum imports. Agriculture can provide the difference in that deficit, if we will raise the price of raw Agriculture products used in foreign exchange, as well as for our own consumption".

Rep. Jim Wright of Fort Worth had this to say, "If it weren't for agriculture, Fort Worth wouldn't even exist, and to keep a healthy agriculture is vital to all of us." He also emphasized, "Unless farmers are enabled to stay on their family farms and produce, the ENTIRE NATION will suffer like it has never suffered before."

Senator Lloyd Bentsen praised the farmers for coming to Washington, and then went on to say that he had recently returned from a trip to Venezuela. "Venezuela used to be a great agricultural nation. Now that nation is importing beef and food to survive, because their nation didn't act to keep the farmers in business. Now Venezuela farmers are living off the government,—they are costing the government. It is time for farmers in America to say, "This is what I'll take,—NOT what will you give me for my products?"

George Mahon summed up the meeting by saying, "For 43 years I have been attending important meetings in this Caucus room but today's meeting has been the most DYNAMIC & THRILLING meeting I've ever attended here." His closing words to the farmers were, "Damn the torpedoes,—full speed ahead."

Senator Tower was not yet back in Washington when this meeting was held, but upon his return to D.C., he was very active in working with the farmers and vowed to fully support the farmers in their demands. If necessary he is going to introduce a new bill that will aid the farmers. He expressed hope that the President and the Department of Agriculture would take immediate action, without having to do the Legislative is the Administration did not act.

We were fortunate that while we were in Washington, the Consumer Federation of America was having its annual convention there. Many of the farm wives as well as some of the farmers attended the Convention, and also talked with all across the nation. It became obvious that consumers from the urban areas did not realize the situation of the 'price squeeze' now forced upon the farmer. The people we talked with were very much concerned about the extremely high prices consumers might have to pay for food if family farmers cannot remain in business and corporations take over farming. In his speech to the Convention, Representative Tom Harkin of Iowa explained the desperate situation that the farmers are in at present. He told the groups that the time has come for consumers and farmers to work together in heading off the inflationary food prices caused by the middlemen.

Before the convention ended, the Consumer Federation of America unanimously passed a resolution calling for legislation to "enhance production and insure a reasonable profit to family farmers". The Consumer Federation of America represents 225 state, local, and national organizations, including Consumer groups, rural electric coops, labor unions, and senior citizen groups,—all totaling about 30 million people. Having their support and endorsement is a major accomplishment for the American Agriculture Movement.

On Friday, January 20, a few of the farmers from this area were among the fortunate 150 to attend the meeting wherein 37 AAM delegates met with Agriculture Secretary Bergland. The farmers chosen as delegates had facts, figures and reports to back up their statements, as each one, in turn, told Bergland about their personal financial losses this past year, and about the losses of thousands of the other farmers who had been forced to sell their farms and seek employment in the cities, because they were so far in debt they could not be refinanced by their banks or PCA. The reports were so touching, that even the policemen in the room had tears in their eyes. Bergland promised nothing except that he would report back to President Carter what he had heard.

Many, many more meetings were held, and many eyes were opened in Washington by the grassroots farmers in America. It is the unanimous opinion of those making the trip to Washington that much was accomplished and that the American Agriculture Movement will be successful. The present aim of the AAM is to keep farmers in Washington until its goals are met.

SENIOR CLASS NEWS

by Peggy Gutierrez
Last week Mr. Holcomb asked the Seniors to write down their full names so that he would know what to put on our diplomas! Also last week we had a meeting to discuss the fifth and sixth grade tournament. Mr. Dillon assigned us things to bring to the concession stand and a work schedule for everyone. We also made a decision on where to go on our Senior trip. We voted to go to Galveston. We can hardly wait!

This week in basketball we play Crowell and Aspermont, both here. Come and help support the Seniors at the fifth and sixth grade tournament at O'Brien, Monday, Thursday, and Saturday!

SOPHMORE CLASS NEWS

by Gerri Watson
This week all the classes in high school, including the sophomores, are writing es-

says for the Soil Conservation Contest in our English classes.

The subject is "Conservation Today For The Future Of Tomorrow." The essay should be written up to 300 words in ink or typed. First, second, and third place trophies will be given. The first place winner's paper goes to District for judging in the District contest. The Soil Conservation Service supplied us with brochures to help us use facts. Our papers are due today. We are all waiting to see who wins.

Last weekend Kyle White, Joseph Godsey, and Greg Oliver went to Fort Worth Livestock Show and won several awards with breeding stock. This last Wednesday Russel Hacker, Robert Espinosa, Cyle Clayton, Kyle White, Shelton Rhodes, Joseph Godsey, and Greg Oliver are leaving for Fort Worth. Today, Gaylynn Burkham and Simone Cobb left for Fort Worth. Congratulations to those who won and good luck to those who went this weekend.

The Sophomore girls are still learning different types of fabric. Also this week they will finish up their shirts and then start on their new projects. The Home Projects are due next week too.

Streams In Desert Places

By Ozelle Stephens

"You, dear friends, must build up your lives evermore strongly upon the foundation of our holy faith, learning to pray in the power and strength of the Holy Spirit." (Jude 20)

You must stay always in the boundaries where God's love can reach you. Wait patiently for the eternal life that our Lord Jesus Christ in his mercy is going to give you. Try to help those who argue against you. Be merciful to those who doubt. Save some by snatching them as from the very flames of hell itself. And as for others, help them to find the Lord Jesus Christ by being kind to them.

And now—all glory to him who alone is God, who saves us through Jesus Christ our Lord. He is able to keep you from slipping and falling away, and to bring you, sinless and perfect, into his glorious presence with mighty shouts of everlasting joy. (Jude 21-25)

ATTEND SERVICES

Mr. and Mrs. A.P. Denton accompanied by their daughter, Lou Denton of Fort Worth, were in Aspermont Saturday to attend the funeral services for Mr. Denton's brother, Emmett Boyd Turner, who died Thursday of last week. His wife, the former Birdie Denton Allen, is a sister to Mr. Denton.

Others from Knox City attending the funeral services at Aspermont were Mr. and Mrs. Morris Denton, Bill Denton, and Mrs. Jobie Denton.

According to Mrs. Denton, all of Mrs. Turner's children and some of her grandchildren attended the funeral, except for one son, Edd Allen and family, of Australia.

Inflation-Fighting IDEAS

How To Use Your Fireplace To Save Money

Everyone likes to save money. If you own a fireplace and know how to use it effectively, you may be able to save 14 percent or more on winter fuel bills this year.

The following hints on getting the most from your fireplace as a supplemental heating source are taken from "The Fireplace Efficiency Report," published by Duraflame, Inc., the leading firelog manufacturer.

- Make sure your fireplace draws well. Prune back overhanging limbs or large trees close to the chimney. They can create a downdraft, causing the fireplace to smoke on windy days.

- Check the height of your chimney. It should be at least two feet higher than any point within a ten foot radius on a sloped roof,

The Houndettes won two games last week to raise their district record to 2-0 for the second half. Over all the Houndettes are 6-3 for district and 18-7 for the year. In both games the Houndettes were behind at halftime but each time the girls have come on in the second half to pull out the wins.

These victories are good examples of the way the girls have played most of the year. We have played all the games with good hustle and a desire to win. The girls have never given up no matter how tough the games have been.

Our guards have done a good job all year defensively and have continued to improve each week on bringing the ball to the forwards. Judy Ray, Rosa Rocha, and Brenda Albus have started most of our games with Kay Howell, Gerri Watson and Sonia Carter doing a good job coming in when we really need them. They have held twenty-five opponents to 1094 points for a game average of 44 points per game.

Our forwards, Peggy Gutierrez, Gayle Ware, and Rhonda Skiles have scored 1268 points for a game average of 51 points per game. They also have done a good job all year with the forward press. They do an excellent job of hitting the open girl who has the best shot.

If we continue to keep playing good ball we still have a chance to be a district contender. We should know by the end of the week if we are still in the running. No matter what, our girls have done a fine job all season and I'm Very proud of them.

LEADERSHIP

Bob Krueger is a candidate for the United States Senate, and he is no newcomer when it comes to meeting the challenge of an important task.

Deeply rooted family ties in his home town of New Braunfels instilled in him a strong sense of integrity, a respect for hard work, the unique strength of our free enterprise system and a concern for helping others develop their full potential.

After successful careers in higher education, ranching and business, Krueger entered his

first political race in 1974 for U.S. Congressman of the vast 21st District. The politicians gave him no chance. The people elected him. And re-elected him by one of the widest margins in Texas political history. Once in Washington he quickly emerged as a new national leader and was voted the Most Effective Freshman Congressman.

Bob Krueger, since 1973, has called himself an "Independent Democrat," independent of power politics and narrow partisanship. He listens to every viewpoint. Then he votes, not just for what is politically popular but for what is best for the people of our state and nation.

Whether advocating a strong national defense, better health care, less governmental interference in our daily lives, more fiscal responsibility, a strong agriculture or a sound and productive energy program—when Bob Krueger takes a stand he is a tough, intelligent fighter for his beliefs.

The people of Texas need more than just a vote in the U.S. Senate—we need a strong, independent voice of leadership. With your help Bob Krueger can be that leader for Texas.

Mr. and Mrs. Van Green moved back to Benjamin last weekend after living here just a few months. He is employed with Red River Authority.

Mrs. Elsie Cook of Munday was here Monday morning for a visit and to attend to business.

Dennis and Charlotte Welch were in Fort Worth on the weekend to attend the Fat Stock Show.

Mr. and Mrs. Neal Logan of Knox City delivered a filing cabinet to our Community Center Monday morning. It was acquired thru the COA. We appreciate the Logans delivering it. The cabinet will really come in handy to keep important papers in. Maybe our secretary, Ila Mae, will have more space in her cabinets now.

Virgil Johnson of Crowell visited in town Monday morning.

For those who have not

completed high school there is a golden opportunity for them at the Foard County Neighborhood Center in Crowell, where classes in Basic Adult Education courses are being taught from 7:00 to 9:00 p.m. each Monday and Thursday evenings. These courses prepare the student for the GED equivalent to the high school diploma.

Since a high school education is required for many positions, and certainly so if the person wishes to advance in his work, this training is most valuable.

In addition to that, the training is free and lots of fun, says Mrs. Irene New who is the teacher.

TRUSCOTT HOME DEMONSTRATION CLUB MEETS

The Home Demonstration Club met Thursday afternoon in the home of Mrs. Kay Cumley with Irene New as acting president.

Carolyn Schur, Assistant County Home Demonstration Agent from Benjamin, gave a demonstration of new kitchen appliances.

Refreshments of dainty sandwiches, cake, coffee and tea were served to Mmes. Aurelia McElroy, Vivian Brown, Margaret Todd, Bernice Jones, June Looney, Idoma Chowning, New and Cumley.

The Columbian Club of Crowell was host to the County Federation Meeting in the new Bank Community Room on Monday afternoon. Those from here attending were Mmes. Vivian Brown, Bernice Jones and Idoma Chowning.

WTU Vice President W.P. (Bill) Sayles, who made the announcement, said Baxter will function as marketing coordinator for the company, and will expand the company's efforts in promoting better energy management by electric users and helping develop a more stable economic base throughout WTU territory.

Sayles said the Customer Technical Service staff under Baxter's direction will work toward a more balanced electric load growth, to allow WTU to continue delivering reliable service at the lowest possible cost.

"Our purpose is to improve customer understanding and the wise, efficient and safe use of electricity and electrical equipment," Sayles said.

Another major function of Baxter's staff will be to work with area towns for economic growth and development in order to "improve job opportunities for the young, the underemployed and the unemployed," Sayles added.

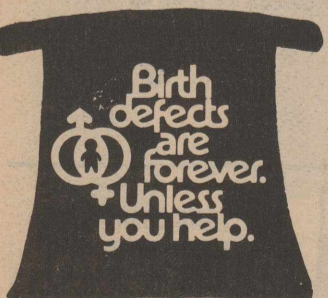

Baxter holds a degree in electrical engineering from the University of Arkansas and is an Air Force veteran with service in Korea.

UFW Meets Monday Eve

A good time was had by the twenty-one women attending the United Foursquare Women's monthly meeting Monday evening. Games, prizes and a sing-a-long trip down "memory lane" provided the entertainment.

Rev. Katherine Byrd, Foursquare pastor from Weirter, ministered on the UFW's 1978 theme "Involved and Fulfilling in Women's Ministries." The devotional message was very inspiring.

The next planned activity for the UFW is a Valentine party, February 14, with husbands invited. Further information will be forthcoming.

RTA Discusses Grapevine Opry

The Knox County Retired Teachers Association met Tuesday, January 24, in the Community Center in Knox City. One of the subjects discussed during the meeting was of the upcoming trip to the grapevine Opry, which has been re-scheduled for Saturday February 25. Association president Lillian Logan passed along information concerning the trip and noted that the bus will leave Knox City at 1:00 p.m., arrive in Grapevine around 5:00 p.m. for a meal before the 6:30 show begins, and then return home by 12:30 or 1:00 a.m.

Mrs. Logan also directed the business meeting and minutes were read and approved.

Nutrition and mental health was the program subject with Ina Cowan as the leader. Mrs. Cowan conducted a "Questionnaire on Legislation" and the NRTA and the AARP 1979 session of legislation will consider the questions in the same questionnaire.

Former Resident On Honor Roll

Anna Duckworth, daughter of Mr. and Mrs. Oldrick Fojtik of Knox City, was named to the Northeastern Oklahoma State University of Tahlequah President's Honor Roll for the fall semester.

The president's list names undergraduate students who have completed 12 or more semester hours and received no grade below an A for the semester.

Mrs. Earl W. Riley of McLean.

Miss Gillispie is a graduate of West Texas State University in Canyon and is employed as a teacher by McLean High School.

Riley is a senior student at West Texas State University in Canyon.

The couple plans a May 27 wedding at the First Baptist Church in McLean.

IN LUBBOCK

Mr. and Mrs. Neal Logan visited Sunday in the home of their son and his family, Mr. and Mrs. Lanny Logan, Ethan and Christian, in Lubbock.

Bradfords Celebrate 68th Anniversary

Knox City residents, Mr. and Mrs. Ben Bradford, celebrated their 68th wedding anniversary Thursday, January 26.

Married in the year 1910, the couple exchanged vows in a buggy in the small community of Margaret, six miles northeast of Crowell, with the late Charley Powell performing the ceremony.

Special anniversary wishes were extended to the Bradfords Thursday morning on the Paul Harvey show as a niece and nephew called in the report.

The Bradfords are the parents of four girls, Nola Claxton of Abilene, Atheleen Owens of Knox City, Bennie Lee Holten of Carlsbad, New Mexico, and Evelyn Balis of Sonora, and two sons, John Winston Bradford of Menasha, Wisconsin, and Kenneth Bradford of Knox City.

One grandson, James Hopkins of Fort Worth, lived here for awhile with his grandparents and finished high school here.

A year after their marriage, the couple moved to eastern Oklahoma and after three years moved back to Margaret where they remained until 1953. Mr. Bradford then worked for Abilene High School for five years in the athletic department and on June 5, 1958, the couple bought their home and moved to Knox City.

Mrs. Bradford, the former Esther Miller, is a native of Delta, Alabama, and will be 88 years old on her next birthday which will be April 15. She was the daughter of the late R.A. and Idona Miller.

Her husband, who will be 89 this May 4, was born in Huntington, Tennessee, to the late John and Sudie Bradford.

The couple met when they were six years old in Gatesville, Texas, where they received their first schooling. In 1898, Mrs. Bradford's family moved to Crowell where they lived on the Clark Ranch connecting the four corner counties of King, Cottle, Knox and Stonewall.

In 1905, Mr. Bradford's family moved to a farm east of Crowell and the couple later began going together.

The Bradfords owned 120 acres of land north of Crowell and 80 acres north of Thalia until illness necessitated the sale of the farms.

The Bradfords, noting that all of their children, grandchildren, and great-grandchildren are living, say, "We are very fortunate."

Members of the Baptist church, the couple commented that they had no hobbies and had worked hard throughout the years. They enjoy gardening and canning. A delayed celebration for the couple is being planned by family members.

News Notes from the Brazos Valley Care Home

By MRS. EDNA EUBANK

Our people at the home were truly disappointed at having no church services on Sunday. They appeared and waited but no one came! Should we neglect these souls?

Mrs. Williamson was happy to see all who visited her. They were Mrs. Hollis, Louise Finley and Clifford.

Mr. and Mrs. Oliver King and Misti of Plainview were down to see Mrs. King. Later in the week Joe King of Nazareth visited with her.

Mr. Snelson was glad to see and visit with his wife.

Mrs. Chandler entertained her daughter, Mrs. Hollis.

Mr. and Mrs. Dave Davidson were callers on Eda Fay

Pounds and her mother, Florence Burleson.

Mrs. McGaughey came to see her mother, Mrs. Milligan.

Mrs. Cyr liked having her son Tom Thomas as her guest.

Mrs. Berryhill was pleased to see Jean Thomas.

Mr. Waldrip had as his guests, Lloyd Waldrip, Z.Y. Ranger, M. Strickland, Elder Harrison, Mr. Kirkpatrick, Ulrie Lea, and Ford Waldrip.

We lost one of our dearest citizens to death recently. Mrs. Pool was known and loved by all who knew her. We miss her.

Ruth Henderson welcomed her daughter, Mrs. Morrow of Munday.

Betty Jo Aldridge is back from the hospital and called on Bill this week.

Vicie Pearl Emerson's sister, Mrs. Mattie, accompanied by her husband Floyd called on Vicie Friday. They are from Muleshoe.

Velma Tillinghast's daughter, Jan Spann and her father of Houston, came to see her.

Our birthday's for February include: Mamie Benton, 4; Bill Aldridge, 14; Wayne Harden, 24; and Frances Milligan 27.

ATTENDING THE 4-H Sewing Workshop in Brownwood last weekend were these leaders, from left, Sammie Ashcraft, Assistant County Extension Agent Carolyn Schur, and Marg Hardin.

4-H Leaders Attend Workshop

Two Knox County 4-H clothing leaders, Sammie Ashcraft and Marg Hardin, along with assistant county Extension agent, Carolyn Schur, attended a clothing construction leader workshop at the Texas 4-H Center in Brownwood last weekend.

The training included fashion trends for spring and summer 1978, fabric and notion trends, fashion and fabric coordination, sewing machine adjustments for today's fabrics, and contemporary sewing techniques.

Becky Culp, area clothing specialist of Amarillo; Janice

Gilbreth, sewing instructor from Alton's Sewing Machine Company in Abilene; Christi Robertson, assistant manager of Day Dreams by the Yard of Abilene; and Teri Debolt, manager of Bernina Sewing Studio in Abilene, conducted the weekend event.

Knox County leaders were among 92 other 4-H leaders across the state attending the workshop.

The 4-H clothing project is open to any youth age 9-19. Anyone interested in being in a 4-H clothing project group as well as entering the county dress revue, is asked to contact Carolyn Schur, county Extension agent, Box 22, Benjamin, or call (817) 454-2651.

O'Brien Happenings

CHARLENE BROTHERS

How do you like the kind of weather we have been having? It would be so much nicer if it would only rain more or a good snow would help heaps. Of course we should appreciate any amount of either that we get. It is soon going to be looking bad for the farmers, they need to get started doing something in the fields, even if it is the wrong thing. The way things are now you do not know just what to do, that is what to plan to plant or how much. I do think if everyone would cut their acreage about 20 to 25 percent we would have better prices this fall when the harvest time comes. Think about this before planting.

The school tax assessors-collectors everywhere in the state are working, or have finished, on a report that we have to turn in each year and if you think reports are fairly easy to make and get them half way right, you should help Oscar and me with this one next year. I have about decided what makes this one so tedious is that the way the instructions are worded no one really knows for sure what to put down. There will be a number of ways you can interpret the wording of different things. Anyway, I think we got ours done for another year, hope so.

Speaking of taxes, all you people that are over 65 please do not forget to come by the offices and sign your exemption for another year. You remember this has to be done each year. Also anyone that get a veterans exemption has to bring your papers in each year and also sign the exemption we have, do not forget.

ington later in the month when the bill reaches the Senate floor, according to Kenneth Carlton, one of the leaders.

Carlton said that a bill backing 100 percent parity for farmers has been introduced in the House of Representatives.

Carlton also said the farm group is concerned about a United Nations treaty which would authorize government seizure of private land. He said President Carter has signed the treaty but it has not yet been approved by the Senate.

Rhodes To Discuss Issue

Representatives of various elements of the energy industry within the 17th Congressional District, will be in Abilene Wednesday, February 8, to attend a reception for and talk with A.L. (Dusty) Rhodes, candidate on the Democratic ticket for the seat of retiring U.S. Representative Omar Burleson. The reception is being sponsored by Independent Oil Operators and Producers of West Texas, and will be attended primarily by persons in oil and oil-related businesses. Abilene oilman, John Chalmers, will host the event, which is slated to take place from 4:00 to 5:30 p.m. at the Sheraton-Abilene.

Rhodes is concerned about, and has a deep commitment toward helping to solve the problems facing the energy production of Texas and the nation. At the reception, Rhodes is expected to discuss the strangleholds that are continually being placed on the oil and gas industries in the form of Federal regulations. Likewise, the candidate will outline his basic ideas on how he plans to combat the problems plaguing the energy industries on the Federal level.

The Abilene business man and attorney earlier this month blamed a "lack of leadership" for the problems now facing the oil and gas industries, and for the high prices that the consumer ultimately has to pay for a gallon of gasoline. Stated Rhodes, "I want the Federal government out of the setting of price controls and the economic standards of our communities, and that's what they're doing when they establish ceiling prices and regulate production."

Rhodes was the first of five candidates to announce on the Democratic ticket for the 17th Congressional District's Representative seat. One Republican has also announced for that race.

O'Brien Teams Win Haskell Trophies

By Steve McIlhane

The O'Brien basketball teams traveled to Haskell last week and brought home three trophies for their efforts.
