Bobby Tankersley Killed Thursday Night

Accident Claims Knox City Farmer

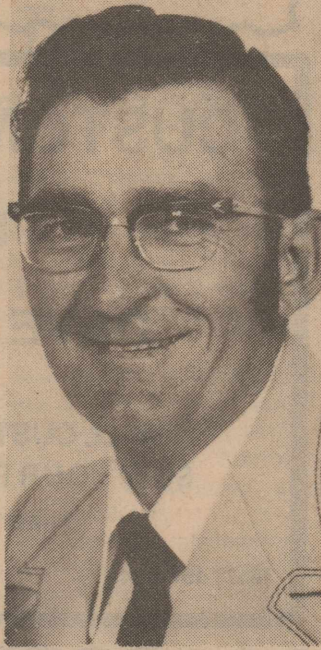

A two-car accident in Jacksboro Thursday night of last week claimed the life of a Knox City farmer and injured two other men.

Bobby Arron Tankersley, 39, driver of one of the vehicles, was dead on arrival at the Jack County Hospital in Jacksboro. His father, E.H. Tankersley, 58, of O'Brien, who was taken to Jack County Hospital with a fractured cheekbone and shoulder, was transferred to Hendrick Memorial Hospital in Abilene Friday morning where his condition was listed as good.

Driver of the other car, Danny Sanchez Martinez, 22, of Houston received a fractured ankle and facial lacerations. He was listed in fair condition in Jack County Hospital following the accident, according to DPS trooper Terry Light of Mineral Wells.

Another passenger in the Tankersley vehicle was Danny Stewart of Weinert, who was uninjured in the incident.

The accident occurred at approximately 7:20 p.m., February 2, on Highway 380.

BOBBY TANKERSLEY

Tankersley's car was westbound when it collided with the eastbound vehicle of Martinez in the westbound lane, according to a DPS report.

Investigating the accident were J.S. Hensley of the Jacksboro Police Department

and DPS Trooper James Rhoten of Jacksboro.

Funeral services for Bobby were held Sunday afternoon at two o'clock in the sanctuary of the First Baptist Church in Knox City. Officiating was the Rev. John Gillispie, church pastor, who was assisted by the Rev. Bob Cameron, pastor of the O'Brien Baptist Church. Interment was in the Knox City Cemetery with Smith Funeral Home in charge of arrangements.

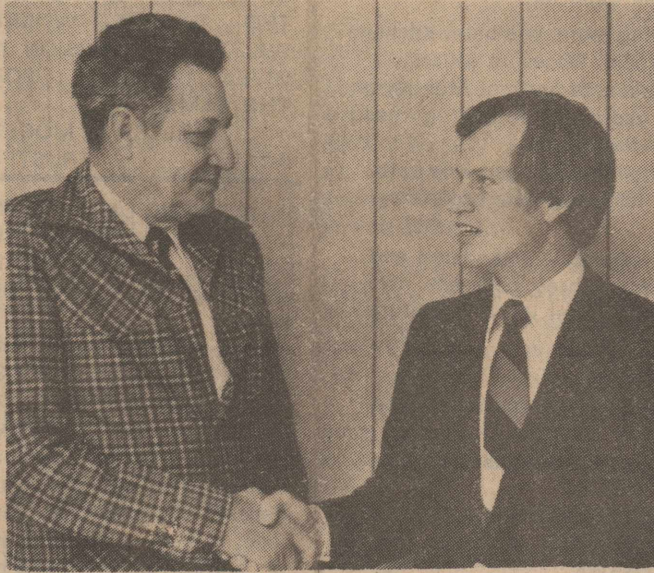

Tankersley, who was very active in the American Agriculture Movement, had been to a rally in Irving and was returning home with his father and Stewart when the accident occurred. Bobby, along with his parents, had been part of the Knox City delegation who travelled to Washington, D.C. January 17-25 to join farmers in protest of low farm prices.

Born July 11, 1938, in Knox County, he graduated from Knox City High School in 1957. Bobby attended Hardin-Simmons University in Abilene for two years where he was a member of the Cowboy Band. He married the former Judy Ann Carrington on February 25, 1967, in Montague County and was a member of the First Baptist Church.

Survivors include his wife, Judy of Knox City; a son, Payton of Knox City; two daughters, Shannon E. and Jodie Lee, both of the home; his parents, E.H. and Martell Tankersley of O'Brien; a brother, Jimmy of Knox City; a sister, Mrs. Ken (Lanell) Williams of Anson; his maternal grandmother, Mrs. Floy McCurley of Haskell; and two grandchildren, Brian and Chrystal Tankersley of Knox City.

Pallbearers were Cliff Swain, Ted Kyle, Charles Long, Herbert Bellinghausen, Raymond Hollabaugh, and Wayne Rowan.

Honorary pallbearers were Kenny Spitzer, Larry Flow, James Hallford, Bill McIlwain, Fred Dalby, Jerry Peek, and Larry Guy.

ACCEPTING HIS APPOINTMENT as area coordinator for the Stenholm for Congress Campaign in Baylor, Haskell, Kent, Knox, Stonewall, and Throckmorton Counties is Bruce Campbell Jr. of Knox City, at left, as he shakes hands with Charles Stenholm, candidate for Congress from the 17th Congressional District.

Banker Is Stenholm's Regional Coordinator

Charles Stenholm, candidate for Congress from the 17th Congressional District, has appointed Bruce B. Campbell Jr., of Knox City as Regional Coordinator for the

Stenholm for Congress Campaign.

Campbell, a banker, has lived in the Knox City area for 25 years and has taken an active part in local Democratic Party activities.

Campbell will be organizing activities for the Stenholm campaign in Baylor, Haskell, Kent, Knox, Stonewall, and Throckmorton Counties. He will work closely with county coordinators in each of these counties.

Farm Week Proclaimed Here Feb. 13-17

American Agriculture To Meet Here Monday

Local representatives of the American Agriculture Movement have scheduled a meeting here next Monday night at 7:30 o'clock in the Knox City school cafeteria.

Every farmer, every rancher, every landlord, every businessman, and every other person interested in seeing agriculture survive should attend this meeting, according to the spokesman. Refreshments will be served and Bob Price of Guthrie, Oklahoma, will speak.

In recent meetings, it has been brought to the attention of those present that the American Agriculture Movement is not an organization. It has no officers or paid employees although there is leadership. The movement asks that farm products be priced at 100 per cent parity—which is not a guaranteed income—or subsidy—but a fair price for their products.

Each Texas farmer grows enough to feed himself and 52 others. While consumers often complain about higher grocery costs, only \$12.50 out of every \$100 is spent on food compared to \$23 spent in the U.S. in the 1950's.

At the same time, the

PROCLAMATION

WHEREAS farming is one of mankind's oldest and most important activities, and

WHEREAS farming is vital to the economy of our great nation, and

WHEREAS every business within the City of Knox City benefits directly from farming,

NOW THEREFORE, I, R. Kenneth Crownover, do hereby proclaim the week of February 13, 1978 through February 17, 1978, as AMERICAN AGRICULTURE WEEK in the City of Knox City, Texas.

In official recognition whereof, I hereby affix my signature this ninth day of February, 1978.

/s/ R. Kenneth Crownover, Mayor
City of Knox City, Texas

farmer's share of the market basket dollar accounts for only 39 per cent of the total while others along the food chain receive the other 61 per cent.

Also in recent meetings, farmers and ranchers have been urged, "1. Don't buy anything unless it is absolutely necessary, 2. Don't sell anything—hold on to your products unless you receive 100 per cent parity, 3. Plant only 50 per cent—you can make a profit on this but not

100 per cent unless demands are met."

Members of the AAM were recently elated by the release of a Harris Poll showing that the majority of Americans is in sympathy with farmers. The poll showed 80 per cent of the persons polled as expressing sympathy while 13 per cent were not sympathetic.

Also, by five to one, the public supports the basic demand of the farmers, which is to raise the prices of the crops they sell so that they would be based on 100 per cent parity.

Area farmers are in Washington this week where several are testifying before House and Senate committees. Others from here and the surrounding area are planning a trip to Washington on February 20.

The AAM is also urging every farmer, every farmer's wife, and every member of a farm family to write letters to congressmen and representatives expressing their stand on the farm situation. Persons are reminded of the impact that all the letters and messages had last fall concerning the rural hospitals' plight.

Farmers' wives including JoAnn Oliver, Patsy Anderson, Beth Farmer, Phyllis James, Janice Albus, and Betty Albus called on most of the local merchants Monday of this week asking their support for the agricultural strike. Reports Tuesday morning were that they were received "beautifully" by everyone and stickers were displayed in every business which was called on.

O'Brien Men Receive 'Outstanding' Awards

Jerry Johnston, instructor in the Haskell-Knox Consortium for the past six years, and former O'Brien resident Jerry Rowan of Henrietta, who is director of the Clay-Jack Co-Op Comprehensive Education Service, recently received awards, respectively, as 'Outstanding Teacher' and 'Outstanding Administrator', during the ninth annual Mid-Winter Conference for Exceptional Children.

The awards were presented during a luncheon at Moody Center, Midwestern State University, in Wichita Falls, January 28.

Johnston a Knox City High School graduate, received the BA degree in biology with a minor in chemistry from Hardin-Simmons University at San Marcos in the summers of 1973-74 and was guest instructor there in the summers of 1975-76 where he taught other teacher trainees.

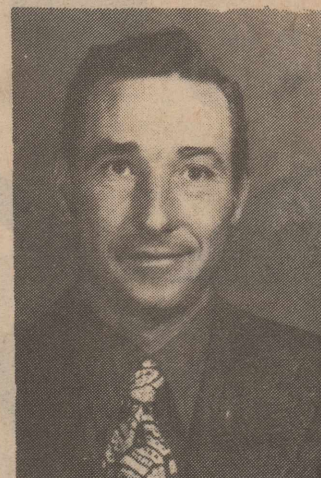

Johnston taught science and coached grade school at Old Glory for five years before moving to O'Brien where he was high school principal, coach, and science teacher for five years before he joined the Haskell-Knox Consortium in 1972. Jerry now teaches handicapped students, ages 14-21, who attend from Haskell, Weinert, Rule, Rochester, O'Brien, and Knox City.

He received a black walnut plaque in the shape of Texas with the raised letters, CEC, and also his name and the year engraved on a gold plate.

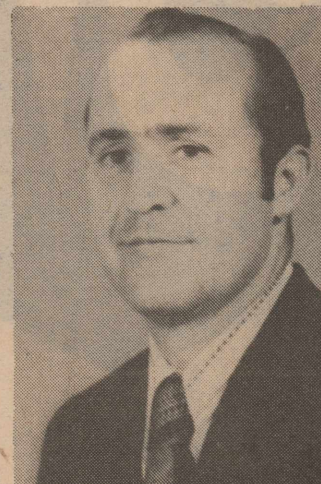

The recipient remarked that he would like to give credit to his teacher's aide, Johnny Rocha, who made it possible for him to receive the honor.

Son of Mr. and Mrs. F.A. (Ted) Johnston, Jerry is married to the former Janice Taylor of Byers. They have three children, Shane, a junior student; Kerrie, an 8th grader; and Sundee, a third grader.

Rowan, whose parents are Mrs. Bernice Rowan and the late Milton Rowan of O'Brien, received his award from the National Chapter of Council for Exceptional Children for

Region IX. He received the award for leadership and work in the area of providing service for students with special needs.

A graduate of Carney Schools in O'Brien, Rowan received his bachelor's degree from McMurry College in 1965, later receiving his master's from East Texas State University in Commerce.

He taught business courses at Bonham and O'Donnell before moving to Henrietta where he is in his fifth year with the consortium.

Rowan's wife, who is the former Margaret Mauldin, was an anesthetist at Baylor Hospital in Dallas when they married.

The Rowans have a six-month-old daughter, Angela Marie.

KC Students Win Honors At Show

Knox City 4-H'ers and FFA'ers made good showings at the Fort Worth Fat Stock Show last week, working with their swine during the year grooming and feeding them for the "big show" at Fort Worth.

In the Junior show David Counts placed first with his lightweight spot barrow and fourth place on his medium weight cross. Others placing in the Junior show were Daniel Godsey, tenth on heavy weight Yorkshire; Cyle Clayton, eighth on lightweight Yorkshire; Peggy Gutierrez, tenth on lightweight Spot; Mike Oliver, sixth on mediumweight Yorkshire; Rodney Warren, second on lightweight Chesterwhite; Kyle White, third on heavy-weight Spot; Gaylynn Burkham, third on lightweight Spot and Kristi White, fourth on heavyweight Spot.

Placing in the Open Show were Gaylynn Burkham, sixth on heavyweight Chesterwhite; Kevin White, fourth on mediumweight Berkshire; Kyle White, fifth on medium-weight Spot; Rodney Warren, tenth on light weight Cross; Shelton Rhodes, third on medium weight Spot; Greg Oliver, fifth and 11th places on his lightweight Yorkshire;

Joseph Godsey, fifth place on heavyweight Yorkshire and Chuck Hutchinson, sixth on mediumweight Duroc.

Other exhibitors were Branda Albus, Russel Hacker, Simone Cobb, and Jay Rutherford.

Among those attending the show were Messrs. Clifford Mmes. David Albus, Clifford Wayne Hacker, Jimmy Albus, Jimmy White, D.I. White, J.M. Emerson, Demp Emerson, David Counts, Mrs. Leon Burkham, and Mrs. Bill Holcomb.

Plans are being made for some of the members to show their barrows at the Fat Stock Show in Houston the first week in March.

Students Receive Top Ratings

Four Knox City-O'Brien High School students received Division I (superior) ratings Saturday, February 4, as they competed in the UIL Solo-Ensemble Contest at Midwestern State University in Wichita Falls.

Planning Meeting Set For Monday

A Stock Show planning meeting will be held at 7:00 p.m., Monday, February 13, in the Knox City Vocational Ag. Dept.

The purpose of this meeting will be to review this year's shows and make any necessary changes for 1979 shows.

According to a spokesman, all interested persons are invited to attend.

Did You Know...

that Jay Eaton, 7316 20th Ave. S.E. Apt. 2A, Lacey, Washington, 98501 subscribes to The Knox County News?

Freshman student Amber Ashcraft performed "Se Tu M'Ami, Se Sospiri" in Italian by Pergolisi, while her brother, Stephen, sang a number entitled "Linden Lea", written by R. Vaughan Williams. Stephen is a senior and their parents are Mr. and Mrs. Ray Ashcraft.

Performing "Pleading" by Edward Elgar was D'Linda Jan Burt, a junior and the daughter of Mr. and Mrs. Melvin A. Lowrey.

Shane Johnston also sang "Linden Lea" in the competition and is a junior student. His parents are Mr. and Mrs. Jerry Johnston.

According to Mrs. Melvin A. Lowrey, who accompanied the students at the piano, songs were chosen from the Prescribed Music List. All were Class I solos and the division I rating the students received meant a superior performance for the event and the class of participants being judged as well as being worthy of the distinction of being recognized as a first place winner.

The judge's critique complimented the soloists on their excellent preparation, teamwork, and lovely voices. Soloists expressed their appreciation to Mrs. Charlotte Griffith, Mrs. Carolyn Sloan, and especially Alan Steckler for their pointers and aid in polishing their numbers.

4-H'ers Win At Fat Stock Show

Tommy Antilley, County Agent, accompanied 4-H members to Fort Worth Stock Show on Friday, February 3, and has released the names of winners.

Taking honors were Louis Baty, second place on his Berkshire; Charlotte Albus took first place on her Yorkshire and also had reserve champion; Billy Carl Benson, 12th place on Crossbred; Rhonda Albus, ninth place on Spotted Poland China and Michael Albus, third place on Crossbred.

Grapevine Trip Almost A 'Sellout'

Only a few seats remain unsold for the chartered bus trip to the Grapevine Opry on Saturday, February 25.

For those who have called the office for reservations, may we remind you that the \$20.00 per person fee must be turned in to the News office by tomorrow (Friday) noon in order that we can secure the bus and choice seats at the Opry.

Knox City Woman Injured In Fall

A Knox City woman, Mrs. Ethyl Lovelace, suffered a broken hip in a fall at her home last Saturday afternoon.

Mrs. Lovelace is a sister of Mrs. Annie Morgan and Harvey Freeman.

BULLETIN

Services for Mrs. Ida King, who died early Wednesday, will be at 2:00 p.m. today (Thursday) at First Baptist Church.

New Truck Needed By Fire Department

The News office was notified Tuesday of this week that a fire protection project is being considered by the Knox City Fire Department, the City of Knox City, as well as residents of the town.

The City Council was approached Monday night of this week by local fireman Randy Coale with the idea of purchasing a new fire truck for the city to replace the 1952 Chevrolet which, according to Coale, is no longer dependable.

Discussion resulted in the idea of raising the minimum water bill \$1.00 per month. After a period of ten years, the truck would be paid for with enough to make a down payment on another model or use the monies for maintenance of other vehicles as well as building a new fire hall. All comments concerning the matter should be directed to the City Hall, Coale said.

Coale commented about the volunteer work the firemen do as well as their other jobs around town. He further stated that some of the members had been with the department for 25 years and younger volunteers are needed.

O'Brien, Benjamin Win Tournament

The O'Brien sixth grade boys took top honors in the O'Brien fifth and sixth grade tournament held last week. First place winners in the girls' division went to Benjamin.

Second place trophies were awarded to the Rule boys with the O'Brien #1 girls' team winning its division. Consolation honors went to the O'Brien fifth grade team with Goree's lasses winning their final contest.

Jim Dillon, sponsor of the senior class which sponsored the event, again thanked the O'Brien Co-Op Gin, Tri-State Chemicals, O'Brien Food Store, and Penman Butane who contributed money for the trophies and also to Steve McIlhenny and Charles Reed for their assistance during the tournament.

Streams In Desert Places

By Ozelle Stephens

"Friendship with God is reserved for those who reverence him, with them he shares the secrets of his promises." (Ps. 25:14).

When you are overwhelmed in deep distress, sorrow and unbearable troubles; all you have to do is to renew your friendship with God. His Word invites you to come to Him, to love and reverence him and He will lift you out of all your troubles. He is the best friend you can ever have. No one else can do as much for you.

Don't keep ignoring him and turning away from him until you are destroyed or trapped in great troubles. His Word says, "I am the Lord your God, and there is nothing too hard for me."

Don't wait too long, turn your heart to God, call upon Him, for he loves you and will rescue you from all your troubles. Remember He is your friend and will share his secret promises with you daily; also his wisdom. He will fill your troubled soul with peace and joy because he loves you.

O'Brien Happenings

By CHARLENE BROTHERS

You might call this a believe it or not column or you will probably call it something else. Anyway, do you know where the coldest place in Texas was Saturday? It was the Dallas-Fort Worth area, and I was there with only a lightweight coat and not the warmest clothes you can find. Never again will I believe the weather report from the WBAP Radio station. They were telling all day Friday that the temperature would be in the 50's by Saturday afternoon with the sun shining. Well, as you know it was not. They said it got up to 41 degrees, but I'm not so sure I believe them. I nearly froze to death, it seemed like. We went to the Stock Show that afternoon and going in and out the buildings, hitting the wind was really cold. Most of the animals were already gone, so it was kinda dreary. If I ever go back I'm taking the warmest clothes I have plus my boots. (How I found out where the coldest place was, when we heard the news Saturday night on the TV, they said that that area had the lowest temperature in Texas.) I believe that!

HERE AND THERE

There were several people attending the Stock Show in Fort Worth during the week including Mr. and Mrs. F.D. Emerson, Mike Oliver and Daniel Godsey; Keith Rowan and Craig Brothers, and Mr. and Mrs. J.M. Emerson, J. and Justin. If there were others I did not find out about them. I understand that the Knox City-O'Brien students carried away several of the top honors.

Mr. and Mrs. Ivan Rowan were in Lubbock last week helping their daughter, Gail, move into a new place.

Visiting in the home of Bernice Rowan during the weekend were Mr. and Mrs. Lowell Rowan, Paul and David of Denton, Mr. and Mrs. Jerry Rowan and baby

daughter of Henrietta and Mr. and Mrs. Trey Burson and Traci of Haskell. They all attended the funeral services for Bobby Tankersley.

Mrs. Patsy Covey and daughters of Snyder visited with Mr. and Mrs. Coy Hewitt and Toni and Mr. and Mrs. C.W. Covey during the week.

Mr. and Mrs. James Manning, Cody and Christie and Marvin Manning are visiting a few days in Silsbee and around the Houston area.

Mr. and Mrs. J.O. Brothers visited during the weekend with Mr. and Mrs. Jerry Brothers, Jeremy and Tommy in Azle. They also visited in Springtown with the Derwin Lancaster family and the Larry Gibson family.

Mr. and Mrs. Jimmy John-

ston, Wendy and Jamie of Lubbock visited with his parents, Mr. and Mrs. Sam Johnston during the weekend.

Mr. and Mrs. Lynn Duncan of Wichita Falls visited with his parents, Mr. and Mrs. Clifton Duncan, during the weekend.

Mr. and Mrs. R.M. Johnston visited in Lubbock during the weekend with Mr. and Mrs. Alton Hester Sr.

Mr. and Mrs. Sam Johnston visited in Burkburnett with Mr. and Mrs. Dick Johnston Monday night.

Mr. and Mrs. Orval Manning visited in Lorenzo several days last week with C.L. Pharr.

On Monday, they visited in Abilene with Mr. and Mrs. Royce Manning and Brad and Mr. and Mrs. Cash Powers.

Producers Say Farm Legislation Inadequate

WASHINGTON, D.C.—Representatives of the national Grain Sorghum Producers Association told the House Committee on Agriculture today that the new farm legislation is not adequate, especially in the way it is being administered. The organization, which represents the nation's thousands of grain sorghum farmers, stated that Congress enforce a program which will control production, create demand and allow prices to rise.

Aboldt outlined three points which would accomplish the stated goals: (1) raise government support levels—keeping in mind that parity is a reasonable price for farmers to seek and expect; (2) require each producer in the U.S. to restrict his plantings proportionately so that the total U.S. production will not exceed the amount that the

market will readily consume; and (3) expand foreign sales of U.S. agricultural products through trade negotiations, expanded market development programs, and liberalized credit programs to potential customers.

Aboldt emphasized that only a nationwide cutback in plantings will be effective in reducing stocks and surpluses thereby allowing prices to naturally increase. He countered the argument that if farm prices reach parity levels that "we will price ourselves out of the market" by saying "if we do not receive profitable prices, we farmers will be priced right out of business."

The House hearings are being held at the request of farm state congressmen who want to get the views of all interested parties as to what action might be taken to help the financially distressed American farmer.

Randy Pack Enters School Of Pharmacy

Randy Pack has enrolled for the spring semester at the Southwestern State University School of Pharmacy in Weatherford, Oklahoma.

A 1974 honor graduate of Knox City High School, Randy has attended Texas Tech University in Lubbock, the University of Texas at Austin, and Southwest Texas State University in San Marcos.

Randy is the son of Mr. and Mrs. W.E. Pack of Knox City.

District To Sponsor Essay Contest

The Board of Directors of the Wichita-Brazos Soil and Water Conservation District is sponsoring a Conservation Essay contest for all students in grades nine through twelve in the Soil Conservation District.

Schools eligible to participate are Goree, Benjamin, Munday, and Knox City-O'Brien. The directors' sponsorship of this activity is

hoped to stimulate a greater interest and appreciation in the conservation of our natural resources.

Directors have arranged to give some appropriate awards to the winners of the first three places in each school and the overall winner in the district.

The title of the essay this year will be "Conservation Today For The Future Of Tomorrow" and may contain p to 300 words.

The winning essay from each school should be turned in to the Soil Conservation Service Office in Knox City by February 17.

Rules pertaining to the contest have been distributed to the schools in the district and the district directors wish to encourage each school to participate.

Members of the Board of Directors of the conservation district are L.D. Offutt, Munday; Emil Naveratil, Gilliland; Charles Griffith, Benjamin; Billy Kinnibrough, Vera; and Clifford Cornett, Knox City.

NOTICE

For those of you who asked for eight-track tapes of our new album, "A Little Bit Country...", they are now available at The Knox County News office. Also available at the News office as well as at Bob's Super Save and The Art Stall in the Mini Mall are albums of the latest release. The two previous albums along with tapes are also still on sale and all albums as well as the tapes are \$5.00, plus .25 tax.

Planned Conservation Completed

Several Knox County farmers have completed their planned conservation work under the Great Plains Conservation Program. Arche Lieb of the U.S. Soil Conservation Service reports that James Reid and P.F. Homer of Munday and Tommy Richardson of Knox City completed their GP contracts in 1977.

Cost share assistance through the GPCP covers all phases of conservation work

on the farm or ranch. Cost sharing ranges from 50 % to 80% depending on the type of practices needed. Lieb said a contract can be prepared to complete the needed conservation work in from three to ten years depending on the type of operation and the desires of the producer.

Some of the contracts completed in 1977 took as long as six years to complete, Lieb continued. These completed contracts make a total of 159

over 120,000 acres to be completed in Knox County since the program started in the 1950's. These completed GPCP contracts represent many acres of grassed waterways, farm ponds, miles of parallel terraces, diversion terraces, brush management, grass plantings and conservation cropping systems. The completed conservation work is having a great impact on pollution abatement by controlling wind and water erosion.

Applications for cost sharing under the GPCP can be made at the SCS office in Knox City. According to Lieb, Producers recently applying for assistance under the program are White Hudson and W.E. Barnes of Knox City and Ralph Caram and John Kinnibrough of Gilliland.

All programs and services of the U.S. Department of Agriculture are available to everyone without regard to race, creed, color, sex, or national origin.

Students Preparing Conservation Posters

Students in the Wichita-Brazos Soil and Water Conservation District are preparing conservation posters as a part of their instructional program.

Grades one through eight in Benjamin, Goree, Munday and Knox City-O'Brien will compete for awards.

Awards will be given to winners in each of the grades in each school with winners from each school competing for awards on the district level. Posters are being prepared under the supervision of the classroom teachers.

The Board of Directors of the conservation district is sponsoring the contest and providing awards.

Born February 15, 1888, in Patrick, Texas, she married James A. Greer on September 8, 1909, in Stamford. They moved to Rochester in 1927 and owned and operated the Rochester Reporter until 1953. Her husband preceded her in death on May 26, 1961, in Irving. She was a member of the United Methodist Church.

Survivors include three sons, Luther of Irving, Frank of Garland, and Thomas of Edinburg; two daughters, Mrs. Ina Ruth Wolcott of Fort Worth and Mrs. Sarah Knouse of Irving; a brother, Jack Shaw of Terrell; two sisters, Mrs. Jessie Ellis and Mrs. Hillard Macy, both of Fort Worth; seven grandchildren and five great-grandchildren.

The Land Bank ...money to keep the farm in the family

The Bank of Generations

One of agriculture's toughest challenges is keeping the farm in the family. It takes long-term planning and, often, long-term credit. For more than three generations, the Land Bank has helped farm families pass along what they have worked so hard to build. We may be able to help you, too.

SENIOR CLASS NEWS

by Peggy Gutierrez
Last Monday, Tuesday, and Wednesday, the whole high school had to write in 300 words or less a soil conservation essay.

Also last Monday, Thursday, and Saturday the Senior Class sponsored the Fifth and Sixth grade tournament. We would like to thank our parents, Mr. Dillon, Coach Reed and also everyone for helping out the Seniors by coming to the tournament.

Thursday, we had an instructor from Vernon Junior College to talk to us about the campus and he also answered several questions asked.

We also had to write our autobiographies for Seniors of the Week for the newspaper.

SOPHOMORE CLASS NEWS

by Gerri Watson
The Sophomore Class boys and girls did very well at the livestock show last week in

Fort Worth. Gaylynn Burkham won third in Spotted Poland China and sixth in Chester White. Simone Cobb showed in the Duroc division. Shelton Rhodes won third in Spotted Barrow, Cyle Clayton won eighth in Yorkshire barrow, Greg Oliver won fifth, sixth, and eleventh in Yorkshire barrow, Kyle White won third and fourth in Spotted barrow, Joseph Godsey won seventh in Yorkshire barrow, and Russel Hacker showed in Hampshire barrow. Congratulations to all!

GREENHAND NEWS

by Simone Cobb
Last Sunday several of the Greenhands left for the Fort Worth Fat Stock show. They all did very well in showing their livestock.

We also are studying the types of cattle and the kinds of beef.

PASF NEWS

by Terri Harris
Last Sunday, the PASF Club had their annual Mexican Dinner. The dinner turned out successful. Thanks to everybody that came!

The next thing comin' up for PASF members is the convention that will be held March 2 and 3 in San Antonio. Fifteen members and the sponsors will be able to attend.

Coaches' Comments

by Jerry Lowrey

After winning their opening second round game with Munday, Greyhounds have dropped three straight games, to Paducah 62-51, Crowell 74-64, and Aspermont 68-56. In both the Paducah and Crowell games, the Greyhounds played extremely well leading Paducah most of the game and battling the powerful Crowell Wildcats on almost even terms. After losing those two key games, the Greyhounds were mentally down for the Aspermont game and had one of our poorest games of the season. Now we are, of course, out of the picture as far as the district race is concerned but do have an opportunity to finish with our best season record in three years. Currently we stand 14-9 on the season and winning the three remaining games would finish 17-9 on the season which would improve on our 1976-77 record of 12-14. All three of these remaining games against Hamlin, Haskell, and Rotan are all on the road and the Greyhounds must play well to win any or all of the games. Hamlin is currently tied in the second half with Crowell both with 4-0 records and the Pipers look to be coming on strong. Haskell's leading scorer who has been out with an injury is back now and this makes them much stronger.

Ag loans, services increase

A recent survey of agricultural credit conditions in Texas shows that money lenders are serving more farmers and ranchers and that the average loan amount has increased.

Dr. Richard Trimble, economist in management for the Texas Agricultural Extension Service who conducted the survey, noted that one quarter of the 145 lenders responding were serving more clients and 61 percent were serving the same number of customers. Sixty-nine percent of the lenders also indicated that their average loan size was higher than 1976.

"Interest rates for farm loans are apparently leveling off after four straight semi-annual periods of decline," said the economist. Interest rates for feeder cattle loans are down from 8.26 percent to 8.05 percent and farm and ranch operating loans are down from 8.45 percent to 8.44 percent from last May. But, the rate on real estate loans increased from 7.87 percent to 8 percent during the period.

"The majority of lenders surveyed also expect interest rates to be higher in the next six months," said Trimble.

Forty-four percent of the lenders indicated a higher demand for short term loans. More than half of the lenders reported a higher demand for operating loans while a third noted a greater demand for crop storage loans. On the other hand, the demand for the dairy cattle, feeder cattle and machinery loans was about the same as 1976.

"A decrease in forward contracts made by crop farmers may indicate that they have not been able to contract their crop at an advantageous price," points out the economist. "Fifty-eight percent of the contracts were made on an acreage basis in contrast to 42 percent of the contracts made on a quantity basis.

"Predictions among lenders indicate that both farm and ranch earnings will be lower through 1978. Fifty-eight percent of the lenders expect farm earnings to be lower during the

next year than in the past six months. Ranch earnings are expected to be the same or lower, according to three-quarters of the lenders surveyed. But all agreed that spending by both farmers and ranchers for operating inputs will go up during 1978," added Trimble.

More farm loans are being refinanced by 43 percent of the lenders, and 52 percent indicated that they expect the demand for refinancing farm loans to be greater in the next six months. The majority of lenders indicated that the demand for refinancing ranch loans was about the same as the previous year, and they expect this demand to remain stable over the next six months.

Although only 20 percent of the money lenders have used the Small Business Administration Agricultural Loan Program, 33 percent indicated they would be using this guarantee program in the future.

Of the banks responding to the credit survey, 65 percent indicated they were pursuing new farm and ranch loans. A small percentage indicated they are presently reducing the number of loans due to fund shortages.

"Reasons for lenders not serving loans included lack of equity, inadequate cash flow for debt service, and high risks of certain enterprises," noted Trimble. "Lenders also stressed the need for good farm records, with 62 percent now receiving projected cash flow statements or operating budgets from their borrowers."

GRAIN DUST--

Grain dust explosions can be prevented by reducing or controlling the dust and by eliminating sources of ignition points out a safety engineer with the Texas Agricultural Extension Service.

Also, explosion venting can release explosive pressure, and there are devices that can detect an explosion in its beginning stage and suppress or extinguish it.

Truscott-Gilliland News

By MILDRED GLASSCOCK

We had a beautiful snow on Jan. 31st, and it was wet. It snowed most all morning. School dismissed early. Jack Turner, with Potashnick Co., said that was the second day they had missed work since he started here, on November 6, which is a very good record.

There's a couple of new vehicles around town this week. Jackie Brown has a new pickup and Dud Ellis has a new car.

I owe an apology to Mr. and Mrs. Donnie Packard, and not Parker, as I recently reported. They are new residents here, and we are happy to have them.

Sybil Simmons picked me up on Sunday afternoon and we went to Crowell to see Aunt Annie Eubank and Edna. Curtis Casey also visited with them.

Bill Owens spent Wednesday to Friday in Knox County Hospital, where he was given several pints of blood. He was in such a hurry to get home that he wouldn't even stay for lunch Friday. Tilma and Mac McRoberts, of Cisco, came up on Thursday for a few days visit with Bill and Clara.

Mr. and Mrs. H.R. Green of Plains, Kansas came on Friday. They spent the night with Vivian Brown.

Visiting Mr. and Mrs. Caram this past weekend were Mr. and Mrs. Freddie Caram and girls of Munday, Lydia and Donna Acosta and Leta Ezell of Haltom City.

Tommy Westbrook of Henrietta visited in town on Friday.

Virginia Casey, Margaret Todd and Sybil Simmons attended a meeting of Delta Kappa Gamma in Haskell Saturday Afternoon.

J.L. and Iva Ruth McBeath visited their mothers, Mrs. McBeath and Mrs. Butler, in Vernon on Sunday; also visited her brother, Mr. and Mrs. Hershell Butler who had as their guests, Mr. and Mrs. Arlie Cato of Fort Worth. Mr. Cato worked in the Crowell Bank years ago and is a former resident of Thalia.

Waylon and Wanda Hardin and family of Vera, came to visit Geneva and Arnold Naveratil Sunday afternoon, just in time to catch Geneva with a touch of "something" - hope it wasn't serious Geneva.

Mildred Cook took her mother, Lillie Black, to Abilene Friday for an eye check up. She will go back this week for eye surgery.

Vivian Brown, Idoma Chowning, Bernice Jones and Kay Cumley attended a meeting of the Columbian Club in the home of Mrs. Homer Black in Crowell last Tuesday afternoon.

Bill and Eva Shiflett, and son Matt, of Graham came Saturday to spend the night with Mrs. Bertha Shaw and the Elmo Shaw family.

Lottie Whitaker drove to Knox City Saturday afternoon to visit Mr. and Mrs. Abe Watson.

Winnie Mae and Weldon Bailey of Sweeney, Texas arrived Wednesday to spend some time with her parents, Mr. and Mrs. O.W. Welch. Mrs. Welch was admitted to the Knox County Hospital late Wednesday suffering with arthritis. She was much

better by Sunday.

Arnold and Geneva Naveratil visited last Thursday and Friday with their daughter, Doris and Ronnie Wilson and family in Rising Star. They also visited their sister-in-law, Lillian Naveratil in Breckenridge.

Sue Winstead, of Lubbock, spent Wednesday night with her folks, Mr. and Mrs. W.T. Cook. Sue had spent 2 days in Wichita Falls attending and FBI Seminar in connection with her new job with the DPS.

Ila Mae Bullion took her mother, Mrs. Summers, and her aunt Hattie McEwen, to San Angelo on Tuesday to visit their sister and other relatives. Ila Mae visited her sisters, Nadine and Lou Ann.

Ray's sister, Hazel Randolph, of Earth, wrote last week that their mother, Mae Glasscock, who is in a rest home in Muleshoe, had celebrated her 89th birthday with a cake and ice cream party. About 15 relatives including her daughter and her husband, Laverne and Price Stephenson of Clyde, helped her celebrate. Mom is doing better than she has in a long time.

Joyce and Q.D. Williams of Floydada spent Friday night with her parents, Mr. and Mrs. E.J. Jones. They were en route to Fort Worth to visit his brother, Odell Williams, who had surgery last week.

Tommy Tapp was in Seymour on business last Friday. Allen and Rita Tapp of Canyon visited with him on the weekend.

Mr. and Mrs. Louis Baty and sons were in Crowell Saturday to help with the 50th Anniversary celebration for her parents, Mr. and Mrs. Ruel Scott.

June Naveratil, Kathy Carroll, and Geneva Naveratil attended the THDA Training Meeting in Anson last Monday.

A nice crowd turned out for our Friday night get together at the Community Center. We enjoyed playing "42" and "Spite" and we also enjoyed the snacks and coffee. If you missed it last week, be sure and come next week. You Gilliland folks come up and join us, we'd love to have you.

Thank you to everyone who has paid on the street lights for January thru April. Donors, so far, are Vivian Brown, Kay Cumley, Bernice Jones, Simpson Hill and Phil Lutz, of Corp. of Engineers, Idoma Chowning and I.

Jimmy Daniel was home from VRJC at Vernon, with the flu bug, over the weekend. Mr. and Mrs. Owen New visited the Jimmy New family in Jean on Sunday.

Idoma Chowning attended church in Benjamin Sunday morning then went to Knox City for the Bobby Tankersley funeral.

Mr. and Mrs. Curtis Casey were in Abilene on Monday and met Mr. and Mrs. Price Stephenson of Clyde for lunch.

A note to folks who have been concerned about Mrs. Jones—her knee is better, especially when she stays off of it, but you know Mrs. Jones, always going, and doing for others.

HELP

Somebody, I want to go some where any where I sure would enjoy going to town just to see what going on. This is one thing I can't hardly handle, but you no I will ride this out if it kill me (laugh) I wonder what about the ground hog or is it dog? Anyway this is what I want to no. Did he or didn't he see his shadow? Say everybody did you no that Easter is the 4th Sunday in March (how about that) I hope I can see the bunny don't you think that I can, don't you?

I didn't get to Sunday School and church service Sunday, but it were reported to me as being very good Sunday large attendance and a very spiritual morning service. Because of the weather the church let the pastor go home. No night service.

When some one stop by to see us Beatrice and me it's sure make me feel good. There were other thing that made me feel good, and that were when Billye Bess call me. Things like that is friendship. I can't get over how nice people have been to me. I feel I am so bless to have friends and when you are a shut in that when a true friend will come through.

SERVICES OF THE CHURCH OF GOD IN CHRIST

The fifth Sunday Mission Joint Meeting was held at the Goree Church in January.

Elder George Blue, pastor of the Munday Church conducted a revival at the Knox City Church five nights of last week.

Monday night he preached from Numbers 20:17 and Isaiah 35:8, "Stay On The Highway." Tuesday night Joshua 3, "We Haven't Been This Way Here Before." Wednesday night, "The Right Spirit" from Psalms 51:10, Isaiah 11 and Isaiah 61:1, on Thursday night Matthew 12:38, 43, "A Greater Than Solomon," and on Friday night Proverbs 24:10, "Don't Faint."

The Purity Class had choir practice and Sunshine Band was held on Saturday evening. Sunday School had a fair attendance with Supt. Smith in charge.

Sister Manuel taught the lesson in the morning service.

The Y.P.W.W. Joint Meeting was held at the Knox City Church Sunday evening. Elder George Blue preached from Mark 4 "Let Us Go To The Other Side."

The Abilene District Convocation will convene February 13 at the Bethel Church in Abilene, Lord's Willing.

We share the grief with the families that have lost loved ones. You have our prayers.

News Notes from the Brazos Valley Care Home

By MRS. EDNA EUBANK

The Baptist Church of Benjamin held services last Sunday. The senior citizens look forward to having church at the home since it is impossible for them to attend church.

Thanks so much, folks, for your thoughtfulness.

Mrs. Williamson enjoyed having Clifford, Mr. and Mrs. Horace Finley, Ozelle Stephens and Lou Sikes.

The Baptist Church of Knox City conducts Sunday School each Sunday. Those who attend look forward to being there.

By Z.I. Smith

There were no visitors and attendance was down at Wednesday's meeting. President Patterson announced a new member drive for the month of January, February and March. Those bringing in one new member will receive a lapel pin from International and those bringing in two or more new members will receive a desk set. The president saw this fine pen set when he attended Mid-Winter Conference at Graham last Saturday. The Boss Lion also reminded all Lions to begin making plans to attend the District Convention in Wichita Falls on May 5 and 6.

The annual Lions Donut Sale will be held on Friday, February 24, if all plans can be made. Lions David Lorenz and Randy Coale will pick up the donuts and bring to Knox City in time for the sale to begin early.

The president announced that nearly \$3,000 in swimming pool bonds are still outstanding.

There were other announcements made and the club dismissed with the Pledge of Allegiance.

McClatchy Appointed To Advisory Council

Oney Savings' President and Chief and Executive Officer D.D. McClatchy has been appointed to serve as a member of the Federal Savings and Loan Advisory Council, the advisory body to the Federal Home Loan Bank Board, Washington, D.C., Robert H. McKinney, chairman of the Federal Home Loan Bank Board in Washington, recently announced.

The Federal Savings and Loan Advisory Council consists of twenty-four members, one from each of the twelve Bank Districts, and twelve appointed public interest members. The Advisory Council meets three times a year in Washington to formulate policy and regulatory recommendations which are presented to the Federal Home Loan Bank Board for consideration.

McClatchy, in accepting the appointment, told Chairman McKinney, "The Federal Savings and Loan Advisory Council serves a unique capacity for the savings and loan industry, and for housing in America. I look forward to serving on this Council with a great amount of enthusiasm."

The first meeting will be held in early spring in Washington, D.C.

Haskell Woman Artist Of Month

Each month a member of the Brazos West Art Club is chosen as "Artist of the Month" and her art is exhibited for the public to see. Artist of the Month for February is Mrs. R.W. Merchant of Haskell. The Brazos West Art Club is comprised of four counties, which includes Knox.

Due to the generosity of the Citizens State Bank, and to encourage the Brazos West Art Club, the work of the Artist of the Month is put on display in the beautiful foyer of the bank.

The public is extended a cordial invitation to go by the bank and see the art on display by Mrs. Merchant.

DINNER GUESTS

Sunday dinner guests in the home of Mr. and Mrs. John McCown were their son, Jerry of Western Texas College in Snyder, Paula Sandusky, and Jerry King and son Kurt of Stamford.

January Weather Summary

January, 1978 was much cooler and drier than normal. Temperatures for the month averaged 33.60 degrees F which is 7.1 degrees below the 12 year average (1966-1977) but only 0.64 degrees cooler than last year's January average of 34.24 degrees. The warmest temperature re-

corded was 77 degrees on the fifth and the lowest was 12 degrees on the tenth. There were six days during the month in which the daytime temperature was not higher than 32 degrees.

Moisture for the month totaled only .48 inches which is .49 inches below the 12 year average of .97 inches. 1.29 inches was received in January of 1977. Only 4.81 inches of precipitation has been received since June 1, 1977.

Use your Refrigerator Wisely...

- ★ Open and close the refrigerator and freezer doors only when necessary. Several items can be removed at once to reduce loss of cold air.
- ★ Freezers and refrigerators operate most efficiently when filled to the correct capacity. Foods should be placed slightly apart on refrigerator shelves for correct circulation.
- ★ Cover all liquids stored in the refrigerator (especially frost-free models). Moisture is drawn into the air from uncovered liquids making the refrigerator work harder.
- ★ Be sure your appliance is standing level so that the door seals properly. By setting a glass of water on the top, you can see if it is level.

GED Tests Set Saturday

The General Education Development (GED) Tests will be given at the Haskell Junior High School Official Testing Center in Haskell on Saturday, February 11, beginning at 9:00 a.m. The fee for the battery of five tests is \$20.00.

The GED Program provides a means for determining the educational level of adults who have not completed a formal high school education. A certificate of high school equivalency may be issued to adults who successfully complete the GED examination, verifying that the holder has demonstrated a level of competence on the examination which is equivalent to that of a high school senior.

The test has five parts; Correctness and Effectiveness of Expression, Interpretation of Reading Materials in the Social Studies, Interpretation of Reading Materials in the Natural Sciences, Interpretation of Literary Materials, and General Mathematics Ability. The test questions are multiple choice. There is no time limitation but most examinees take approximately eight hours to complete the test battery.

Persons eligible for testing must:

- be a resident of Texas or a member of the Armed Forces stationed in Texas;
- be at least 17 years of age and officially withdrawn from school for one calendar year. (Applicants who have attained their 17th birthday and will enter the Armed Forces may test immediately after withdrawing from school;
- be 18 years of age and officially withdrawn from school.

To receive a certificate of high school equivalency, the examinee must:

- complete the examination with a minimum standard score of 40 on each of the five tests OR an average standard score of 45 on all five tests;
- have attained at least their 17th birthday prior to date of testing and be out of school for one calendar year;
- have attained their 18th birthday and be officially withdrawn from school.

Applicants must wait six months before retesting. If the applicant is tutored by a certified teacher or participates in an adult education program, retesting may occur when the instructor determines the applicant is prepared.

Applicants are advised to bring their Social Security number and their driver's license as proper identification.

ETHNIC HOME FURNISHINGS ARE NEWEST TREND-SETTERS

The Orient, Egypt, and the South Seas are influencing home furnishings trends as never before. Today, the new decors are going ethnic with bold patterns, rattan and bamboo furniture, accessories running the gamut from lacquered campaign chests to straw baskets, and color schemes slipping into the natural earth shades.

Watch for upholstery fabrics, draperies, even towels and tablecloths to reflect this direction in patterns that feature batik florals, basket weave prints, animal motifs, repetitive small and large scale geometrics, and marble-type designs that seem to have rubbed off some ancient Egyptian temple floor.

Colors go neutral, gray, brick red and burnt orange to be complemented by soft shades of the same hues. Blues are turning to teal and jade as clear crisp yellow, navy, and salmon also get attention.

Blending your current decorating scheme with these trends may be easier than you think. The new upholstery fabrics are eclectic enough to accent most decors, as are the new pillows, wall hangings, and bamboo, wicker or rattan screens.

Basket Accessories
Another important accessory is baskets, in assorted shapes and sizes, stacked on the floor or hung on the wall to add texture and color.

To emphasize the natural weave, furniture is going toward the wicker, rattan, and bamboo or turning to the ever popular chrome and glass which serves as a man-

made complement.

Table settings can benefit from the ethnic influence with napkins and cloths sporting these patterns and colors. Additionally new spark can touch the arrangement with baskets of flowers, bamboo-patterned glasses in straw caps, and silverware with wooden handles.

This season let your imagination travel to another time and place, drawing from cultures that speak of a richness, that is so natural it fits almost everyone's taste.

Telephone Excise Tax Drops Again

A one percent reduction doesn't sound like much of a savings, but when Uncle Sam lowered the excise tax on telephone bills another one percent during 1977, that amounted to a savings of over \$2,893,000 for General Telephone Company of the Southwest customers.

The excise tax is levied on local and long distance services with the telephone company simply collecting the tax for the government.

General Telephone collected almost \$14,500,000 in excise taxes from its customers during 1977 at the five percent tax levy. The tax was six percent during 1976 and during 1978 has been reduced to four percent.

The 1978 reduction is the sixth in a 10-year elimination of the tax. The tax will continue to drop one percent each year until it expires Jan. 1, 1982 unless Congress adopts a recent proposal to accelerate elimination of the tax.
