## Horticulture Sale To Be Saturday

The Knox City-O'Brien Horticulture Class will hold its fifth annual bedding plant sale this Saturday, April 15, from 9:00 a.m. until 4:00 p.m.

Many varieties of tomato and pepper plants will be offered for sale, according to Jim Dillon, horticulture instructor. Also petunias, marigolds, moss, periwinkles, snapdragons, geraniums, and coleus will be available, Dillon said, along with a limited number of hanging baskets.

The class also has large geraniums, fern, and a few assorted specimen plants in six-inch pots.

Class members this year, who include Brenda Albus, Jimmy Albus, Terry Curd, Tommy Mangis, Doug Ray, Troy Walker, Rodney Warren, and Jan Burt, have worked very hard preparing for this sale, starting the majority of plants from seed, Dillon explained.

The greenhouse is located on the northeast corner of the Knox City campus just east of the high school gym.

Students will be on hand at the greenhouse Saturday to help persons select plants, Dillon said.

## Glen Rumley Is 'Artist of Month'

'Artist of the Month' at Citizens State Bank is Glen Rumley.

Rumley, who classifies himself as an 'enthusiastic shutterbug', has a number of prints and photographs on display in the bank's foyer.

He said he began getting serious about photography in 1950, when he was stationed in Japan and Korea where he had many subjects. At that time his only interests were landscapes or other scenery and he explained that the landscapes in those two countries would have to be 'the dream of anyone taking pictures'.

He later went into portrait work, processing his own film and prints, but eventually had to give it up due to lack of supplies.

Rumley said that during the years he has tried all sorts of cameras and equipment and has just recently started all over again.

He explained that he does not take photographs that anyone would want to decorate their homes with, nor does he sell any of his photos. He takes pictures of people, places, and things that are, or have been, a part of everyday life. He does use some special effects equipment from time to time and comes up with some really novel prints.

Rumley moved to Knox City in 1969 from Wheeler at which time he accepted the position as hospital administrator.

His wife, Dell, who is a registered nurse, is associated with Tri-County Health Systems.

They are the parents of a son, Steve, and two daughters, Shelly and Sharon.

## June's Beauty Shop Will Open Today

Knox City's newest business, June's Beauty Shop, will open for business Thursday (today) and is located in the building formerly occupied by the Boutique at 119 Central.

According to the owner, Mrs. Gene (June) Hamilton, the building has been completely remodeled and those wishing for an appointment may call her at 658-3595.

Mrs. Hamilton is currently featuring Zoto Permanents for \$10.00, as noted by her opening ad elsewhere in this week's News.

Wednesday At Jayton

## Hounds To Compete In District Track

Wednesday, April 19, the Knox City Greyhounds along with the junior varsity squad, and the junior high team, the O'Brien Bulldogs, will travel to Jayton for the District 7-A track meet.

The three division meet will get underway with preliminaries beginning in the morning hours with field events scheduled to begin around noon. Finals in the meet will be held in the afternoon. According to Coach Jimmy Rogers, no specific times were available for publication due to the fact coaches will not meet until Monday of next week.

Predicted top contenders in the varsity division will be Munday, Hamlin, Haskell, and Knox City followed by Paducah, Aspermont, Rotan, and Crowell in the last place slots.

In Saturday's contest at Spur, the Hounds placed third in Division II, which was composed of both Class AA and A. Competition in this division was tough as a strong Class AA Slaton team sparked some 108 points to second place victor Frenship who totaled 70 points in their team effort.

Knox City's only first place of the day was awarded to David Walling in the high jump contest with a jump of 6'6". Walling also placed third in the long jump.

Other placings for the Hounds were Tommy Mangis who took second place in the 330 intermediate hurdles, 440 relay team composed of Mike Howell, Tim Robinson, Ricky Gonzales, and Phillip Rhodes, placed fourth; David Anderson, sixth, 880 dash; Tommy Mangis, fourth, and Dwayne Johnson, fifth, 120 high hurdles; Ricky Gonzales, sixth, 100 dash; mile relay, Brett Boone, Mark Clonts, Jimmy Rushing, and Tommy Mangis, fourth; David Anderson, fourth, high jump; and Domingo Garcia, third, pole vault.

In Division I, composed of Class B schools, Rule took top honors in the overall meet with an even 100 points. Neighboring Rochester placed fourth in the meet with 49 points. Second place winner in Division I was Blackwell with 95 and one-half points and Roby took third with 71.

## Did You Know...

that W.A. Roussel Jr., 4638 Sunken Court, Port Arthur, Texas 77640 subscribes to The Knox County News?

KNOX CITY-O'BRIEN FFA Grass Judging Team came away from the Oilbelt District FFA contest with fourth place after previously winning third in the Soil Conservation contest. Team members from left are Jay Rutherford, Brenda Albus, and Kelley Boone. The other member, Peggy Gutierrez, was not present when photo was made. Brenda Albus and Louis Timmons from Throckmorton posted perfect scores of 320 points in individual judging. [School Photo]

WINNING THIRD PLACE IN SPUR Saturday in the long jump was Knox City-O'Brien junior David Walling. Walling brought home KC's only first place in the high jump with 6'6". [Photo courtesy of Shelby Bishop]

## Emergency Loans Now Available From FmHA

Emergency loans for farmers, ranchers, or aquaculture operators are available through county offices of the Farmers Home Administration (FmHA), Joe T. Boone, FmHA County Supervisor, said Monday.

Boone asked that those who need farm credit as a result of drought from July 1, 1977, through February 27, 1978, make their needs known at the Farmers Home Administration office at 1101 East Main Street in Knox City.

Applications for assistance in the disaster stricken counties will be accepted by Farmers Home until September 28, 1978, for physical losses and April 3, 1979, for production losses.

FmHA loans covering actual physical and production losses may be used to replace installations, equipment, or buildings, (including homes) lost through this disaster. Funds may be used to buy feed, seed, fertilizer, livestock, or meet interest and depreciation payments on

current real estate and chattel debts. Other loans, beyond actual losses, can be made for annual operating expenses or to make major adjustments in a farming (or ranching or aquaculture) operation.

"Funds can be used for essential operating and living costs," Boone said.

Loans covering actual losses are made at an interest rate of three and five percent and are scheduled for repayment as rapidly as feasible consistent with the applicant's reasonable ability to pay. Loans beyond actual losses have various maturities, depending upon the purposes of the loan.

The interest rate for short-term loans for farm operating purposes is eight percent. Long-term loans are being made at an interest rate of three percent.

To be eligible for an emergency loan, an applicant must have suffered losses from the disaster and be unable to get credit from other sources.

Emergency loans can be used to help the farmer restore damaged farm operations and additional loans based upon the emergency designation can be used to reorganize the farm for greater efficiency and better production.

## Gillispie Baptist Revival Continues

The Gillispie Baptist Church is continuing its revival services which began Sunday, April 9, with services scheduled through Sunday, April 16.

Services are held each evening at 7:30 o'clock. The evangelist for the revival is the Rev. Jim Mosley, pastor of the First Baptist Church of Ira.

According to the Rev. Clevey Kirby, church pastor, a nursery will be provided as noted by the church's ad elsewhere in this week's News.

## Bassmasters All Set For Fish Fry

The Knox City Bassmasters held its Area Ambulance Fund Benefit Bass Tournament last Saturday and Sunday, April 8 and 9, at the Anchor Marina at Lake Stamford.

## District Golf Meet Next Week

The District 7-A golf meet will be held Monday and Tuesday of next week and according to golf coach W.R. Baker, the first 18 holes will be played in Hamlin on the initial day, with the final 18 holes being played on the Knox City course.

Baker further commented that since the Knox City Country Club golf course had been under maintenance that it had presented a problem to the KC team's practice time. The golf team has been entered in two tournaments this year placing fourth in both events. The team shot a 341 in the Childress tourney and a 335 at Paducah.

Members of this year's golf team are Mike Howell, Junior Gonzales, Mark Clonts, David Anderson, Cyle Clayton, Greg Oliver, Richard Ashcraft, Kelley Boone, Jeff Quintana, Andy Barnard and Chuck Hutchinson.

Proceeds from entry fees will be donated by the Bassmasters to help pay for the recently purchased ambulance.

Although the weather was not very cooperative, many fishermen showed up and were reported to have caught some very good stringers of fish.

First place went to Paul Clayton for the big stringer of 28.1 pounds. Brian Williams took second with a stringer of 25.9 pounds. Williams also caught the big fish of the tournament at 5.8 pounds.

Others placing were third place, Joe Huff, 20.9 pounds; fourth place, Carl Brock, 20.4 pounds; fifth place, Marvin Jones, 19.9 pounds; and sixth place, J.B. Tabor, 12.3 pounds.

Fish caught in this tournament will be used in the fish fry Friday, April 14, at the City Park. For a donation of \$3.00 per person, the public is invited to eat with the Bassmasters. There will be no charge for children of preschool age when accompanied by a parent. Tickets, which are limited to 150, are on sale at the citizens State Bank or West Texas Utilities.

All proceeds from the fish fry will also be donated to the Ambulance Fund.

Parade Friday At 5

## Junior Rodeo Begins Friday

The annual Knox City Junior Rodeo will get underway Friday night, April 14, at 7:30 o'clock in the Knox City arena on the O'Brien highway.

For rodeo fans it's a chance to see some top young competitors from a wide area of the Big Country. Runt Sloan's tough stock will provide lots of thrills and spills, officials say.

A downtown parade at 5:00 p.m. Friday will kick off the rodeo activities. Trophies will be given in several categories to entrants in the parade, which will assemble at the Knox City school grounds.

Saturday's show will also start at 7:30 p.m. All slack will be run Friday night.

Contestants will be divided into four age groups. Events open to youngsters eight and under are barrels, flags, and poles. An all-around trophy and runner-up all-around trophy will go to the top competitors in this age group.

An all-around belt buckle will go to the top contestant in the other three age groups. A contestant must enter three events and place in two in order to qualify as a contender for the buckle.

Cowboys and cowgirls in the 9-12 age group will compete in barrels, flags, poles and breakaway roping.

Events in both the 13-15 and the 16-19 age groups are barrels, flags, poles, bareback broncs, bulls, tie down roping, ribbon roping, and

breakaway roping.

There will also be chute dogging and team roping open to all age groups.

The concession stand will be run by the Knox County 4-H Clubs.

Rodeo committee members this year are Bud Carver, Tommy Antilley, Joe Boone, Leon Burkham, and Charles Lankford. Rodeo secretary is Mary Ann Boone.

## Rob Harrisons Are New KC Residents

New Knox City residents include Mr. and Mrs. Rob Harrison who moved here last week from Kermit, Texas.

A graduate of Knox City High School and the Dallas Institute of Mortuary Science, Rob is returning to Knox City to be associated with his father, Bob Harrison in West-Coupon Clearing House.

Rob and his wife, Belinda, are now at home at 1108 South Third.

## Mrs. Edna Large Undergoes Surgery

Mrs. Edna Large returned home Sunday of last week from Wichita General Hospital in Wichita Falls where she underwent surgery March 27.

Mrs. Large is reported to be doing well but will have to 'take it easy for awhile'.

## Stenholm Volunteers To Visit KC Friday

Approximately 40 volunteers promoting Charles Stenholm for Congress will visit Knox City Friday, April 14. Stenholm is a Democratic candidate for the 17th Congressional District.

The visit was arranged by Stacy Angle of Knox City and Charles Baker of Munday, Stenholm's Knox County campaign coordinators. Other Knox County towns being visited that same day include: Benjamin, Truscott, Vera, Rhineland, Munday and Goree.

The group of Stenholm volunteers will be in town to meet the citizens, answer questions concerning Stenholm and distribute campaign literature. The general public is invited to visit with the volunteers.

A farmer and a Stamford native, Stenholm's campaign platform is based upon five major issues and concerns facing the American citizen today: inflation, energy, agriculture, senior citizens and government regulations.

Speaking on these issues, Stenholm stated, "We must eliminate waste and balance the budget. We must deregulate oil and gas and increase domestic production."

## Microwave Program Set For Tonight

Interested persons are reminded of a microwave cooking program Thursday, April 13, at 7:00 p.m. in the Knox City Community Center. The program will be presented by Becky Ponder, Electric Living Consultant with West Texas Utilities, and is sponsored by the Texas Agricultural Extension Service. If you have any questions contact Carolyn Schur, Assistant County Extension Agent at Box 22, Benjamin or call 454-2651.

## Students Win District

Ten Knox City-O'Brien students placed in the recent Wichita-Brazos Soil and Water Conservation District poster contest and three from Benjamin also received honors.

Among the first place winners from Knox City listed with their respective teacher and grade are Lawri Tankersley, Mrs. Underwood, second grade; Ray Hernandez, Mrs. Lankford, third grade; and Bonnie Stewart, Mr. Arnett, eighth grade.

Second place Knox City winners in the same order are Beth Cameron, Mrs. Underwood, second grade; George Rocha, Mrs. Lankford, fourth grade; Mark E. Delgado,

Mrs. Wootan, fifth grade; and Kristi White, Mr. Arnett, eighth grade.

Third place KC winners are Bob Burkham, Mrs. Kemletz, first grade; Michael Albus, Mrs. Lankford; and Melanie Morris, Mrs. Wootan.

Benjamin winners included Amy Griffith, first place winner in the fourth grade division under the direction of Mr. Roberts; Lori Griffith, third place winner in the sixth grade contest with Mrs. Roberts as supervisor; and Joel Bolonas, third place winner in the third grade division with Mrs. Woolley.

According to Pete Elliston of the SCS service, the quality of posters was excellent and the number of students participating was at an all time high. Posters were prepared under the supervision of the teachers in grades one through eight. Schools participating were Knox City-O'Brien Benjamin, Munday and Goree.

Posters were first placed on the local level and awards presented with the first three places in each grade competing for district awards.

The district contest was judged by Mrs. Ila Moody, retired teacher of Weinert; Mrs. Hazel Long, retired teacher from Knox City; and Curley Hays, public relations director of West Texas Utilities Company in Abilene.

## Streams In Desert Places

By Ozelle Stephens

"Show me the path where I should go, O Lord; point out the right road for me to walk. Lead me, teach me, for You are the God who gives me salvation. I have no hope except in you. (Psalms 25:4-5)

Many times we lose our way by not reading and obeying God's Word and letting the Spirit lead us in the right path. There is a way unto man that seemeth right but the end thou of is death, says the Word. If you will ask the Lord to look at you through eyes of mercy and forgiveness; and through His eyes of everlasting love and kindness. He will show you the right path where you should go; He will point out to you the right road to walk. He will teach you His truths and give you Salvation: in Him only can you have hope.

Turn to Him daily for His presence, His leading and His great love and you will never lose your way again. His Great Holy Spirit is there all the time waiting for your call; just waiting for you to trust Him for you to let Him have His way with you and all of your life. He will fill you with His Joy and Peace.

## TWO GREAT DANGERS TO YOUR EYES

There are many causes of blindness, from congenital defects to accidents. But, two different degenerative and progressive diseases are a great danger to persons over 40. Senile cataracts cause about 13% and Glaucoma about 14% of all blindness.

But cataracts can be safely removed and glaucoma can be controlled, providing the diagnosis of either is made and treatment begun in its early stages. The only sure way to guard against these two dangers is to have your eyes examined by a Doctor every two years after the age of 40. It takes an expert to diagnose them.

## Brown Rites Held Friday

Funeral services for Mrs. Dawson (Lorene) Brown, sister-in-law of Mrs. Bonnie Corley of Knox City, who resided at 601 Amarillo Street in Abilene, were held Friday afternoon at three o'clock in the Church of Christ at Rochester. Dale Scott, Church of Christ minister from Albany, officiated. Burial followed in the Rochester Cemetery with Smith Funeral Home in charge of arrangements.

Mrs. Brown, 67, died at 12:45 p.m., Wednesday, April 5, in the West Texas Medical Center in Abilene, following a brief illness.

Born September 10, 1910, at Jud in Haskell County, she married Joseph Dawson Brown on May 1, 1932, in Spur. They moved to Rochester in 1932 and then to Abilene in 1950. Mr. Brown preceded his wife in death on November 1977, in Fort Worth. She was a member of the Church of Christ.

Survivors include two sons, Jessie Doran Brown of Fort Worth and Foy Ingle Brown of Henderson; four daughters, Mrs. Gene (Merlene) Williams of Albany, Mrs. Hugh (Melba) Hartley of Olathe, Kansas, Mrs. Tom (Linda) Welker of Ahoskie, North Carolina, and Mrs. Al (Janice) Young of Stamford; a sister, Mrs. Susie Green of Rochester and ten grandchildren.

Pallbearers were Tony McWhorter, Kenneth McWhorter, Ray McWhorter, James Hudgens, R.A. Shaver Jr., and Knott Ballard.

## Allen Show To Benefit Rehab Center

Residents in the Snyder area will have an opportunity to see one of America's fastest rising recording artists when Rex Allen Jr., stages a special benefit concert for the West Texas Rehabilitation Center Friday, April 14, in Scurry County coliseum.

Billboard Magazine says, Rex defines a song with feeling and depth many veterans lack. "Those who've seen his stage show say he is one of the best entertainers they've seen in years. In the realm of contemporary music it is not enough to be just a singer, one must be an entertainer -- and Rex Allen Jr., is an entertainer. And why shouldn't he be? After all, he comes from excellent stock.

His father, Rex Sr., is thought of as one of the premier singers of our time, and an entertainer's entertainer, with a score of motion pictures, hit records, National

## Johnston Named To Elite Cast

Shane Johnston, a junior at Knox City High School and son of Mr. and Mrs. Jerry Johnston, was named to the All-Star Cast at the District 7-A One-Act Play Contest held at Vernon Regional Junior College last Wednesday.

Shane portrayed Rudolph, Johann Strauss' valet in the play, "The Tale That Wagged The Dog" by Tim Kelly.

Gerri Watson, who portrayed Trudi, Rudolph's wife, and Angelia Reid, who played Charity, were given honorable mention honors. Gerri is a sophomore and the daughter of Mr. and Mrs. Wayne Watson and Angelia, also a sophomore, is the daughter of the Johnny Reids.

Other cast members included Dana Byrd as Arabella and Sonia Carter as Prudence. Crew members were Junior Gonzales and Mark Clonts. Alternates were Stacy Eaton and Tammie Helton.

## Will our kids live under the domination of an Enemy Power? Only a strong national defense can prevent it.

And strong national defense takes men of strength and courage, men like Dusty Rhodes.

At the end of World War II, the United States was the greatest military power in the history of civilization. Our military force was the greatest deterrent to war, the greatest power for peace this world has ever known.

**What's happened to it?** Today, the Soviet Union has a larger army, stronger force of strategic weapons, more submarines, more tanks, more weapons than the United States.

**Is the answer an arms race?** No. The answer lies in a better use of our defense funds, in elimination of duplication in the armed services, in constant research to keep us militarily powerful. The scrapping of the B-1 bomber at a time when Russia is expanding its air power is just one instance of the dangers of an unrealistic military policy in our government.

Dusty Rhodes believes that the only way we can preserve

our freedom and the freedom of our children is through a strong national defense. He is a member of the Military Affairs Committee of the Abilene Chamber of Commerce.

"I served during one war, as a Navy man for four years during the Korean conflict. I don't want my kids or my grandkids to fight another one. I am convinced that only a powerful national defense can deter the threat of global conflict in which there can be no winners," says Dusty.

And he'll fight to make sure our country has the military might to discourage unfriendly nations. As a lawyer who's used to having the cards stacked against him -- and still win -- as a man in whom the indomitable frontier spirit is still alive -- Dusty is the kind of fighter we need in Congress.

**DUSTY RHODES TO CONGRESS**

Political Advertising paid for by the Rhodes to Congress Committee, John Allen Chalk, Treasurer, Abilene, Texas.

TV commercials and the voice of many Walt Disney feature films to his credit.

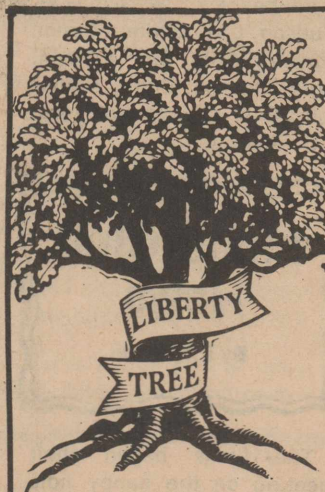

Rex Allen Jr., was surrounded by the show business experience from the age of six, at fairs, rodeos, and on the movie sets of Hollywood. One of the highlights of his career came at the Pike's Peak or Bust Rodeo in Colorado, where, with the Sons of the Pioneers, they set All-Time attendance records.

In the last three years Rex has had eleven National chart records with "Goodbye" and "Can You Hear Those Pioneers" -- his best sellers to date. This talented young musical trend-setter currently has out "No, No, No," a single that has all the earmarks of being another chart buster.

"The Country Travelers," comprised of Denny DeMarco, Bill McCullough, and Joe Holcomb, will back Rex. The Angle Sisters will also be featured.

All performers in the April 14 benefit concert have appeared on the Rehab telecasts for the West Texas Rehabilitation Center, with Rex, Jr., having appeared on all eight shows.

Tickets for the show are priced at \$3.00 for adults and \$1.00 for children 12 and under. Tickets will be available at the door.

MRS. W.H. HODGES  
...85 years young

## KC Woman Honored On 85th Birthday

Mrs. W.H. "Nanie" Hodges was honored recently with a surprise birthday party on the occasion of her 85th birthday.

The party was held Sunday, March 26, at the Community Center, and was hosted by her children, grandchildren, and great-grandchildren.

Children attending included Mrs. Ida Pack and Mrs. Dollie Feemster, both of Haskell, and Mrs. Cornie Covey and George Hodges, both of Knox City. A son, J.P. Hodges of Pasadena, Texas, was unable to attend.

Grandchildren present were Larry Don and Dorothy Jean Lain, Mrs. Sue Marion, Skeeter Feemster, and Earl Proctor, along with great-grandchildren Mrs. Patti Lewis, and Cyndy Feemster.

Relatives and friends registered from Goree, Seymour, Haskell, O'Brien, and Knox City.

# You can do just about anything.

It's spring. Almost everything living is renewed. And it's time to rejoice and reflect on those men and women, our customers, who teach us so much about the important things of life.

You can do just about anything. You weather the weather. You sacrifice. And you endure -- even in the face of impossible odds and broken promises. Because we do care for you and because we truly understand your circumstances, we want to do our part and more.

At Olney Savings, we do what we say we'll do. You can depend on us -- no matter what. And when you need help -- we'll be there.

When you need us to say yes, we will. And when we think it's in your best interest to say no -- we'll say no.

Whatever the answer -- you'll know you can always rest easy with Olney Savings. When we say you'll earn the highest interest rate on savings allowed by law -- you can count on it.

And when you want to investigate a new financial program -- you'll know we'll work together until every question is answered.

Come see us soon or call and we'll come see you. We know you can do just about anything. And we'll help when you need it. 'Cause it's the Olney way to save!

## OLNEY SAVINGS

Olney, Seymour, Jacksboro, Bridgeport, Nocona and now Weatherford and Azle.

To us, people are worth a lot more than money.

# BENJAMIN NEWS

By GLADENE GREEN

"Well, sure was a short summer wasn't it?" That's the remark made by nearly everyone this Monday morning. However, guess we would have thought this was a "warm" day back in February. But changing from 80 and 90 degrees weather to 40 and 50 degrees, seems like it's much colder. By Thursday, (when you get this paper) it'll probably be another warm day.

### ONE-ACT PLAY

The Benjamin students presented their one-act play in Vernon at VRJC Friday. They placed third in competition. The name of the play was "Summer People" (I do not know the author) and was under the direction of Belle Grill.

The cast included Betty Clower, Debbie Lindsey, Tracy Cartwright, Lynda Brooke Hudson, Craig Hertel, John Mark Kinnebrugh, and Jessie Estrada.

Betty Clower and Debbie Lindsey were named to the All-Star Cast and Tracy Cartwright was given honorable mention.

Rhonda Heard, Pedro Estrada and Lisa Carlile were stage attendants.

Students are again in Vernon today for the UIL literary events.

### SR. CITIZENS 42 PARTY

The Senior Citizens of Benjamin had a 42 Party and just "plain ole get-together" Saturday night in the club house in Benjamin. They visited, had refreshments and just had a good time in general. Those present were Grace Snailum, Pearl and Bill Ryder, Lou Ella and Buster Tolson, Lynn and Walter Trainham, Annie and J.D. Brown, Goldie and P.H. Pierce, Louise and Hes Hall, Christine and LaMoine Patterson, and Ruth and Theodore Ressel.

They invite all to come to their get-together.

### HERE N THERE

Sue Daniel of Abilene was a weekend guest of Mr. and Mrs. Rex Patterson.

Mr. and Mrs. Floyd Green of Denton visited their son and family the Van Greens over the weekend.

Jackie and Diane Daniel of Aspermont spent Saturday night with Debbie, Ricky and Becky Stamps.

Corrine Parrish of Franklin and Lona Feemster of Vera visited in the Bobby Roberson home Wednesday.

Kathi and Tres Pierce of Lubbock spent the weekend here with her parents, the Bobby Robersons. Tres remained for a longer visit with the Robersons and the Jimmy Pierce, Sr. family.

Pam Conner and Stephanie accompanied Pam's mother, Mrs. Jack Coker of Rule to Abilene Friday.

Mr. and Mrs. Kenneth Roberts, Mrs. Elizabeth Roberts and Rebekah Duke visited relatives in Dallas during the weekend.

Mrs. Betty Mancille and Jimmy were Wichita Falls visitors Saturday. They also visited in Aspermont on Sunday.

Mr. and Mrs. Weldon Gideon and children visited relatives in Poolville over the weekend and attended the wedding of his niece on Saturday night.

Word was received here Sunday that Stelle Kendrick, who received a broken hip in a fall on Easter Sunday is doing well and was to return to her daughter's home in Weatherford Monday. We are glad to get such a favorable report.

Mr. and Mrs. Bill Powers of Midland spent the weekend with her parents, Mr. and Mrs. C.B. Clower and with other relatives.

Billy Crenshaw of Bell visited the Slick Bensons and other friends here recently. Billy is a former Benjamin resident.

Mr. and Mrs. Lee Snailum were in Plainview last week to be with their daughter, Bonita Pyatt who underwent surgery on Wednesday. They returned home on Friday and report Bonita to be doing real well.

Mrs. Audrey Nolan is in Lubbock for a few days visit with her daughter and family, the T.B. Browns.

Mrs. Carmen Young returned home Saturday after an extended visit with her daughter and family, the Bill Cummings in Henderson.

Sue McCarthy of Iowa Park visited her mother, Clodell Duke and her father Henry Duke, who is a patient in the Knox County Hospital following a heart attack, over the weekend.

Mr. and Mrs. Doyle Yancey and grandson, Cory Yancey of Wichita Falls, visited her mother, Thelma Nunley and her sister and family, the Slick Bensons Saturday night.

Mr. and Mrs. Dutch Young spent the weekend with her brother and family, the Jack Nunleys in Grafard.

## Duke Rites Held Wed.

Funeral services were held at 10:00 a.m. Wednesday at Benjamin in the First Baptist church for Earl W. (Henry) Duke, 62, of K-Courts, Knox City, who died at 4:00 p.m. Monday in the Knox County Hospital after a brief illness. The Rev. Jim Ray, pastor, and the Rev. James Patterson, pastor of the United Methodist Church, officiated.

Burial was in the Benjamin Cemetery with Smith Funeral Home in charge of arrangements.

Mr. Duke was born August 2, 1915 in Parker County. He had resided in Knox County since 1938 and was employed by Knox County Commissioners Court as a maintenance man. He was a member of the First Baptist Church and a veteran of World War II.

Survivors include a son, William Duke of Sweetwater; four daughters, Mrs. Derrell Sawyers of Old Glory, Mrs. Jan Pollack of Benjamin, Mrs. Ken Roberts of Buffalo, N.Y. and Mrs. Denny McCarthy of Iowa Park; five brothers, Harvey Duke of Benjamin, Bonnie Duke, and Earnest Duke and Clyde Duke, all of Fort Worth, and Lester Duke of Oklahoma City, Oklahoma; three sisters, Mrs. Florence Ray of Munday, Mrs. Charlie Huston and Mrs. Fran Smith, both of Fort Worth; and six grandchildren.

Pallbearers were G.H. Hudson, Leon Bivins, Vernon Benson, Billy Ben Benson, Dutch Benson, Bobby Roberson, Billy G. Johnson, and L.D. Abbott.

## Carolyn's Chatter

By CAROLYN SCHUR

### LIQUID CHLORINE BLEACH

Use liquid chlorine bleach to whiten clothes, remove stains and disinfect and deodorize the wash and household surfaces—but, follow package recommendations and read garment labels for best results.

Use liquid chlorine bleach on white and most colorfast fabrics plus all man-made fibers, except spandex.

Never use bleach on wool, mohair or silk.

For best results in the washer, dilute chlorine bleach with water before the laundry.

Or, combine it with at least one quart of water and add after the machine has started agitating and fabrics are thoroughly wet.

Do not pour bleach directly on clothing—this can cause fabric damage.

A solution of one-half to three-fourths cup liquid chlorine bleach to a gallon of water will clean such household surfaces as sinks, bathtubs, showers, basins, tile, plastic, woodwork, and glass.

Never combine bleach with any other household product such as ammonia, toilet bowl cleaner, rust remover or oven cleaner.

Such chemical mixtures may release irritating gases.

### ENERGY-MINDED CLOTHING CARE CAN CUT UTILITY BILLS

Energy-efficient clothing-care habits can lower utility bills as well as save energy.

Selecting garments from fabrics that require less heat and washing or drying time is an energy-efficient first step.

The rest depends on energy-minded care habits, which include washing and drying full-machine loads when possible on appropriate machine cycles in cool-as-possible temperatures.

### FULL LOADS, PROPER CYCLE

When machine washing, wash full loads when possible, especially if using hot water.

If the washer is not full,

adjust the water level accordingly, but remember that cycle will still take the same amount of energy except for the reduction in water-heating energy.

Use the short machine cycle when appropriate—such as when items are not very soiled or when they will readily give up soil.

### COOL-AS-POSSIBLE WASHING

When possible, wash with warm or cold water—but no colder than 80 degrees F.

While research shows that cleanability and disinfecting power increases with higher water temperature, unfortunately so does energy usage. Luckily, however, hot water is inappropriate for some fabrics.

When washing in cold water, use liquid detergent or powdered detergent designed for use in cold water to achieve the best results.

Also, always use cold water rinse. Warm water offers no advantage, and it wastes energy.

### PRETREATING KEEPS WASHING COOLER

If we must sacrifice clean, bright and white clothes in favor of energy conservation, we can still usually produce comparable results with bleaching, pretreating and soaking.

If greying and dinginess do occur, and occasional hot-water wash may help. Also, chlorine bleach will help disinfect some items as needed.

### COOL-AS-POSSIBLE DRYING

When drying clothes, hang

them outside or indoors when possible.

If machine drying, dry full—but not packed—loads.

Dry them at the lowest possible heat setting to produce desired results in the shortest possible time.

Do not over-dry clothing—this causes wrinkles and static electricity and it wastes energy.

If clothes come out wrinkled, more energy is needed to iron or redo them.

Also, keep the dryer vent or air duct and lint-filter screen clean for maximum energy efficiency.

## Donna, Jim Lea Honored By Scouts

Donna Lea, daughter-in-law of the Ulric Leas, was honored recently in their hometown of Fredericksburg at the annual Girl Scouts Awards Banquet.

Donna received the Adult Appreciation Pin, and her husband, Jim, the 'Hubby Award', in recognition of his patience and overall work with the program.

Presentation was made by Allison Nichols, Girl Scout field executive.

Donna is leader of Brownie Troop 325 and serves as neighborhood chairman.

## News Notes from the Brazos Valley Care Home

By MRS. EDNA EUBANK

First Methodist Church held services at the Care Home last week. All enjoy these services. We thank you folks for making life a little more tolerable for our elders.

Mrs. Lowery is hospitalized. Get well soon Mrs. Lowery. We miss you.

Mrs. Williamson welcomed Jessie Teague, Louise Finley and Clifford.

Mr. Waldrip enjoyed visits from Aleene Waldrip, Christine Clark, Nora Jackson, Lloyd Waldrip, Ozelle Stephens, Ford and Flossie Waldrip, Jessie Teague and Mrs.

and Mr. Earnest Nesbitt of Graham. Mrs. Nesbitt nee Agnes Branch was a telephone operator at one time.

Eda Fay Pounds made her first of the month trip to Rochester.

Betty Williams called on Mrs. Pray.

Mr. Roberts ate lunch at Margaret's where he ate apricot cobbler. He even brought some back with him.

Omogene Hollingsworth and Ruth Johnson visited with Mrs. Oxford.

Mrs. Posey is a new patient in the home. Welcome, Mrs. Posey.

Mr. Newbrough of Munday entered the home as a new resident. We're glad to have you, Mr. Newbrough.

Mr. and Mrs. James Dutton stopped by on their way to the lake to fish. Her dad Mr. Waldrip was glad to see them.

Mr. Box is back with us after being hospitalized.

Mr. Marion paid Mr. and Mrs. Lieb a visit.

Mr. and Mrs. Harold Partridge of Sunset were here to see Mrs. Partridge.

Georgia Keck's sister, Faye, was a welcome visitor. Mr. Snelson's daughters came to see him.

Mr. and Mrs. Dabney and Jim Burleson made a trip to Stamford to see their brother Rufus Burleson and wife. They were driven by their niece Wysanda of Rochester.

Bill Aldridge greeted his wife Betty Jo and a granddaughter Joana Jones.

Mrs. Dearing was very pleased to see her daughter and husband, Mr. and Mrs. Wilburn Dennis of Littlefield.

### FROM CISCO

Visiting recently in the home of her parents, Mr. and Mrs. Doug Meinzer and Tyke, were Mrs. Judy Skiles and children, Scotty, Kristi, and Timmy of Cisco.

They also visited her grandmother, Mrs. Lewis Floyd.

## Do Not Send Cash To Pay Taxes Due

Taxpayers should send either a personal check or money order, but not cash, when remitting Federal Income tax, the Internal Revenue Service said today.

Using a check or money order is not only safer, the IRS explained, but the taxpayer has the added advantage of having a record to prove that he or she made the payment.

The IRS also stressed the importance of entering a correct social security number on the check or money order directly below the signature. If the payment should be separated from the tax return, it is very simple to readily locate the taxpayer's return through the use of the social security number.

Taxpayers should also bear in mind that whether a check is certified or non-certified, the tax is not paid until the check is honored by the bank on which it is drawn. All checks or money orders should be made payable to "Internal Revenue Service."

### FROM FORT WORTH

Weekend guests in the home of Mr. and Mrs. Z.I. Smith and Ben were her mother, Mrs. Nomah Francisco and her friend, Helen Pierce, both of Fort Worth.

## Lions Club News

By Z.I. Smith

The Lions began their meeting on the happy note when Lion Hob Smith proposed for new membership Jerry Hopkins and Larry Stagg. Another Smith seconded the nomination since most Smith's hold together. The Lions roared them into the den in traditional fashion. Jerry Hopkins is one of a partnership that recently bought Smith Liquid Gas. Larry Stagg is the pharmacist with the new Larson Pharmacy near the hospital. Doctor Jack Wilson was a visitor with Lion L.W. Graham.

The president announced that no officers and directors meeting was held that morning since the City Cafe was closed for remodeling. A short called meeting was held immediately after lunch. Monthly program chairman Joe Clonts introduced Coach Jimmy Rogers and he discussed the Knox City track and field records thus far this season. Except for last year, the Knox City track teams had won four straight District records. This year there are 50 students involved in the track events and they have won four meets. The District track meet will be April 19 in Jayton and the KC teams are expected to make a good showing. Coach Rogers quoted the time his teams are running each event. As the Metric System moves into each phase of our lives, it will require changing the markings and record quotations for track and field.

### 17TH DISTRICT DEMOCRAT

Washington Experience

Fike Godfrey was working for the people of the 17th District, long before he ever decided to run for Congress. During those years he testified before governmental agencies and committees on issues as they affected the people of the 17th District. During this time he has established a working relationship with most of the Texas delegation and others in Washington, with both those who share his conservative philosophy and others who disagree with it.

Fike Godfrey has the experience and knowledge to go to work for you the day he arrives in Washington. There will be no need for "on-the-job" training.

For more information about Fike Godfrey Write:

Fike Godfrey for OUR Congressman Committee  
Box 3434  
Abilene, Texas 79604

## Seniors of the Week

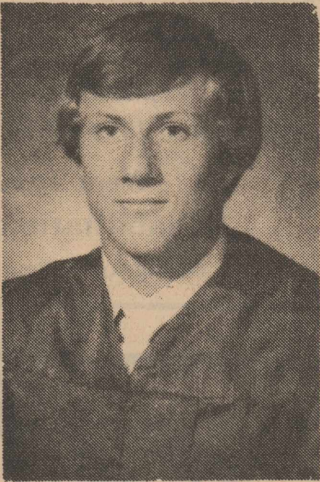

**CHARLES DURHAM**

Charles Durham, son of Christine Durham, was born in the Knox County Hospital on April 22, 1960. He was preceded by an older sister, Marcella.

Charles was born and raised in Knox City and went to school there all twelve years.

In high school, Charles has been involved in many school activities. He has participated in FFA, Beta Club, Band, FTA, and Annual Staff. He has also participated in such sports as football, basketball, track, and tennis. He has also been active in many church activities and is a member of the First Baptist Church in Knox City.

Charles likes to play tennis and listen to tapes during his spare time. His favorite group is Tavares. After graduation Charles plans to go to college.

**DAVID ANDERSON**

David Anderson, son of Mr. and Mrs. B.R. Anderson, was born on July tenth in the year nineteen sixty. He was greeted home by a brother, Mark (13 years old), a sister, Mary (six years old).

At the age of four he and his family made a trip to Los Angeles, California, where he and his sister took in the world famous Disneyland. Being still young he doesn't remember much about it, but it surely was a highlight of his younger years.

At the age of eleven, David entered the sixth grade. The sixth grade was an important year to David because it was his first year of competing in a competitive sport with kids his own age from other schools. His sixth grade basketball team went undefeated and it was evident that sports, especially basketball, would play a major role in David's school years ahead.

Junior High saw David spread his field of competition. He participated in football, track, and tennis, as well as basketball. David was also co-salutatorian of his graduating eighth grade class.

David's sophomore year in High School saw him pick a fifth competitive sport, golf. While in High School, David has lettered two years on the varsity football team, three years on the varsity basketball team; one year on the varsity track team, four years on the tennis team, and two years on the golf team. His junior year, David was named to both the football and basketball second team all-district teams. Also his junior year David was named best all-around athlete. David has participated in UIL Literary events, Number Sense and Science for three years, advancing to regional in Number Sense his freshman and sophomore years. He has also been a member of the National Beta Club for two years.

In the future, David plans to attend college; although, he is not yet sure of his major. David's favorite rock group is Boston.

girls district track meet in Jayton.

The Juniors and their mothers have been working very hard on the Junior-Senior banquet. It will be Saturday night.

### FROM MISSISSIPPI

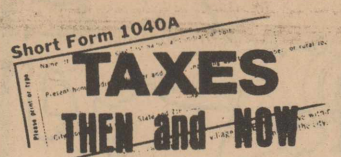

Visiting several days last week in the home of Mr. and Mrs. Neal Logan was her cousin, Wade Park, of Sardis, Mississippi.

**PROUDLY DISPLAYING RIBBONS** won at the District SCS poster contest are these O'Brien Mid-School students from left, Bonnie Stewart, first place, seventh grade; Kristi White, second place, eighth grade; and fifth graders Melanie Morris, third place, and Mark E. Delgado, second place. [SCS Photo]

**CONSERVATION POSTER WINNERS** in the District Soil Conservation Contest are these Knox City-O'Brien Elementary student. Front row, from left, Lawri Tankersley, first place, second grade; Bob Burkham, third place, first grade; and Beth Cameron, second place, second grade. Back row, from left, are fourth graders George Rocha, second place; Ray Hernandez, first place; and Michael Albus, third place. [SCS Photo]

**THEN.** Americans first coped with a tax on income, when on Jan. 1, 1862, the government imposed a three percent tax on incomes exceeding \$800. This extremely unpopular law was discontinued in 1872.

**NOW.** Americans today may face higher taxes than ever as communities struggle to cope with high fuel costs. Fortunately, our oil companies are trying to develop alternative energy sources, increasing competition in those fields and, it is hoped, helping to hold down energy prices.

**BENJAMIN POSTER WINNERS** in the District SCS Contest are from left, Joel Bolonas, third place, second grade; and Amy Griffith, first place, fourth grade. Not pictured is Lori Griffith, third place, sixth grade. [SCS Photo]

## Angelia Reid To Attend Meet

Angelia Reid, daughter of Mr. and Mrs. Johnny D. Reid of O'Brien, who was recently elected to the office of Area IV President of Future Homemakers of America, will attend and participate in the program at the FHA state meeting, April 20 and 21, at

the Dallas Convention Center. Each of the ten areas composing the Texas Association, Future Homemakers of America recently elected officers for 1978-79. After state officers are installed at the annual meeting, the new area presidents

will join them to form the state FHA Executive Council, which plans the activities of the association for the coming year.

Area presidents for 1978-79 are: Area I, Lisa Ann Scott, Cooper High School, Lubbock; Area II, Glenda Province, Clint; Area III, Danita Sablatura, Louise; Area IV, Angelia Reid, Knox City; Area V, Lori Damskov, Lewisville; Area VI, Liz Stewart, Big Sandy; Area VII, Pam Walker, Junction; Area VIII, Sabrina Moss, Hearne; Area IX, Nydia Thomas, Cleveland; and Area X, Cindy Cooper, Jourdanton.

FHA is an organization for homemaking students in junior and senior high school. The 2,230 chapters in Texas, with 73,000 members, function under the guidance of Homemaking Education, Texas Education Agency, Austin, with homemaking teachers serving as chapter advisors.

## Brown Urges That Imported Agricultural Goods Be Labeled

AUSTIN--Support for national legislation requiring identification of all imported agricultural products was pledged recently by Agriculture Commissioner Reagan V. Brown during a meeting with representatives of the American Agriculture Movement.

patiently while the mills of Congress grind slowly.

"I have supported the need for identification, particularly of imported meats, long before the current problems," received national publicity," he said.

Brown said agricultural producers need visible, realistic, immediate legislative support in finding solutions to their financial

A wide range of topics were discussed during the meeting, including freight rates, tariffs, and inspection of imported produce for pesticide residue.

"These representatives of the various American Agriculture Movement interests across the state stressed that they have been backed to the wall," Brown said. "They are not in a position to be able to wait

# Your Social Security

## DISABILITY INSURANCE

Perhaps the least known protection provided by the Social Security Act is disability coverage especially for young workers and their dependents according to James Harper, branch manager at the Vernon Social Security Administration.

Social Security is often thought of as providing benefits primarily to persons of retirement age and the present protection our Social Security taxes provide against loss of income due to the wage earner's inability to work due to his or her physical or mental condition is forgotten. This is a very important part of the Social Security Program.

In order to be eligible to receive disability benefits the wage earner has to be insured, i.e. have a certain number of quarters of coverage depending on the wage earner's age. A wage earner receives a quarter of coverage for any calendar quarter in which he earns at least \$50 in wages. A self-employed person receives four quarters of coverage for any year in which his net earnings are at least \$400. The number of quarters of coverage required depends on the wage earner's age. If a

worker becomes disabled before age 24: one and one-half years to work in the three year period ending when the disability begins is required.

Age 24 through 30: the worker needs credit for having worked half the time between age 21 and the time he becomes disabled.

Age 31 or older: All workers disabled age 31 or later except the blind need credit for at least five years of work out of the 10 years ending when they became disabled. Some workers need additional credit depending on the age at which their disability begins. The requirement for blind workers is somewhat more liberal.

The amount of benefit depends on the worker's average earnings and number of dependents. If he has a wife and children under 18 at home then his wife and children also receive benefits. The children may continue to be eligible until age 22 if they are full-time students and they do not marry. However, the wife's benefits would end when the youngest child attains age 18.

As an example: a worker whose earnings average \$7000 per year would receive \$408.40 per month Social Security Disability benefits. If he has a wife and one child under age 13 they would receive \$159.70 each for a total family benefit of \$727.80.

"Payments begin after the fifth month of disability and continue as long as the disability lasts," Harper said. Another important provision of disability entitlement is that after the wage earner has received disability benefits for 24 months eligibility for Medicare begins.

"Back payments can be made for up to 12 months," Harper continues. "So disabled workers should not delay their application even if they are not sure they will qualify for payments. About one out of every 12 workers receiving a Social Security disability payment loses some payment because the applied too late."

Further information regarding disability benefits as well as other type of Social Security payments may be obtained at your nearest Social Security Office.

## QUESTIONS AND ANSWERS

**Q. I don't understand why social security must know everything about my personal life just so I can draw Supplemental Security Income Benefits. Are all these personal questions necessary?**

**A. Yes.** Supplemental Security Income payments are based on the amount of your income and the value of your resources. It is necessary for Social Security to develop all sources of income and all countable resources by asking you questions about your past work, prior marriages, property, automobiles, money in the bank and your present living arrangement. In most cases the claimant for Supplemental Security Income benefits is our only source of information in these

areas, so it is necessary to interview these individuals in great detail.

**Q. Why do some people get more Supplemental Security Income than others?**

**A. Supplemental Security Income payments are based on the amount of income a person has and his living arrangement. There are standard payment amounts for persons with no income, living in their own household, in another person's household or in a nursing home. However, any income, whether earned or unearned must be counted against an SSI recipient and will reduce his check accordingly.**

**Q. I have a disabled child with large medical bills. My husband is working but his earnings are not enough to pay all our bills and the medical bills too. Is there any help available for our family?**

**A. Your daughter may be eligible for a Supplemental Security Income check. A certain portion of your husband's earnings must be deemed to your daughter, and she must be found to be medically disabled by Social Security. If she is found to be eligible, she would receive a monthly Supplemental Security Income check and would be eligible for Medicaid which would cover a large portion of her medical expenses.**

**Q. I was hurt at work about three months ago and recently received a lump sum award Workmen's Compensation. In about three months, my social security check will start. Will my Workmen's Compensation affect the amount of my Social Security?**

**A. Yes.** Your Workmen's Compensation settlement will offset your Social Security. This is because the combination of your disability benefits and your Workmen's Compensation settlement, after it is prorated, cannot exceed 80 percent of your average monthly earning before you become disabled.

**Q. Will I have to go to court to appeal the decision if my Social Security disability claim is denied?**

**A. No.** The first step in the appeals process is a reconsideration. Under this procedure, your claim is sent back to the state agency that made the original medical decision. You have the opportunity to present new medical sources or evidence when you file your reconsideration. Your case will be reviewed by a different group of people and an independent decision will be made. If the reconsideration is also disallowed, there are still several appeal avenues open to you.

**Q. I thought that disabled people were entitled to Medicare. I have been getting a disability check since early this year, but have not received any information about Medicare. Am I eligible?**

**A. A disabled person is entitled to Medicare only after he has drawn disability benefits for 24 consecutive months. Until you have received benefits for this length of time, you will not be eligible for Medicare.**

# A Truckload of Speelunkers And 5,000 Gallons Of Paint

ARLINGTON - What could be as exciting as a day at Six Flags Over Texas filled with the sights and sounds of rides, shows, and happy people?

Would you believe...a day in mid-winter at Six Flags as hundreds of craftsmen prepare for another season?

A different kind of excitement—maybe—but watching truckloads of fiberglass Indians, stuffed wolves and riverboats being hauled past the Southern Palace Theater isn't exactly dull.

Many people assume that each November, when Six Flags closes its gates for the year, it becomes as still and quiet as a West Texas ghost town. But the 300 employees who work year-round to keep the entertainment center in shape, will testify that it remains a hub of activity between December and mid-March.

Starting in December, employees begin dismantling major parts of the park, piece by piece, to begin a massive renovation.

Logs are removed from the Flume ride to be repainted, repaired and re-fiberglassed as needed. Merchandise is taken out of all gift and souvenir shops so that each building may be thoroughly cleaned and painted, then the shelves are restocked. And, all flower beds are cleared, then replanted.

One of the biggest jobs in the yearly face-life procedure is to give the park a fresh coat of paint. Approximately 5,000 gallons of paint are used to get the theme park in shape every year.

All rides, ride queue houses and other structures throughout the park are painted.

Replacing lightbulbs is another big job tackled during the winter. More than 5,000 lights must be replaced before season begins.

Park landscapers work year-round to maintain the lovely scenery for which the park has become well-known. As each season ends, the staff of 30 gardeners cleans out flower beds, trims shrubs, prunes trees and plants flowers. When the park reopens, more than 50,000 pansies, daffodils and tulips fill the park with springtime colors and scents.

Hundreds of animated figures are scattered throughout the park, but few people realize that most of them are constructed and decorated in a specialized department within Six Flags. At the end of each season, every "dancing tamale" seen from the Train ride, every "Indian," "trader" and "wolf" seen from LaSalle's Riverboat ride

and every "Speelunker" from the Cave Ride is completely overhauled by park craftsmen.

Nearly 300 "characters" are mechanically repaired, or rebuilt and repainted. The craftsmen sometimes even build the figures from scratch.

Once the animated characters have been refurbished, they must be fitted in new spring wardrobes. The task of dressing the figures is accomplished by two women who sew everything from loincloths to fuzzy, glow-in-the-dark Speelunker hair.

In addition to designing and sewing all costumes for the animated characters, the women also upholster every cushioned ride in the park. Park guests rely heavily on the thousands of signs scattered throughout the entertainment center. Whether looking for rides, show schedules, restrooms or restaurants, visitors can find more than 10,000 signs for information. Before each new season starts, almost half of those signs are replaced.

Safe ride operation is a primary concern during the off-season. During that time, every ride undergoes thorough and scientific examinations by park technicians. Resulting adjustments in the systems may be as minor as replacing a fuse, or as involved as replacing a complete computer safety system.

Guests who become hungry during their visit can choose from more than 40 restaurants and snack stands spread throughout the park. So that those locations will have an adequate supply and variety of food, the Food Service department spends a great deal of the winter ordering food for the coming season.

Just to be prepared for opening weekend, Food Service must order 12,000 hot dogs and 6,000 pounds of hamburger meat. And to quench the thirst of park guests, the concession areas also has

more than 5,000 tanks of cold drink mix on hand.

Keeping those drinks cold, as well as chilling the water at all fountains, is part of the job of workers in the ice house. They spend the off-season preparing the facility to produce 15 million pounds of ice used during the operating season.

Most guests who come to the park like to take home a memento of their fun day, so personnel in the Gifts and Souvenirs department order more than 8,000 different pieces of popular merchandise to fill the 33 shops and stands.

Obviously, much more goes into making Six Flags Over Texas one of the most popular theme parks in the nation than meets the eye. The hustle and bustle of park preparation goes on until the last minute. When the first guest enters the front gate, the last painter will be walking out the back gate.

### SERVICES OF THE CHURCH OF GOD IN CHRIST

On Thursday and Friday nights of last week a part of the members attended services at the Munday Church.

Missionary Vanderbilt of Rule was the speaker at the Munday Church.

Thurs. night she brought a message from I Samuel 17 and Friday night from Matthew 1:21.

Purity Class was held on Wednesday evening and Sunshine Band on Saturday evening.

Sunday School had a good attendance with Supt. Smith in charge.

In the morning service Pastor Bennett preached from St. John 8:28,31, St. John 15:7, Colosians 3:16, I John 3:8,9, St. Luke 8:5 down and Jeremiah 4:3.

On Sunday evening we attended service at the Haskell Mission, Supt. Bennett preached over there from Daniel 1:1, to about the 16 verse, "My Heart is Fixed and My Mind is Made Up." YPWW was the last service of the day here.

**Who goes out of this world for you?**

We do... General Telephone.

This is one of our earth stations. It beams 18,000 phone calls at a clip to a satellite hovering more than 20,000 miles above the equator. It gathers in the same number of calls, and sends them out over our regular telephone network.

It's part of the incredibly complex system that's just about the world's most efficient communications system.

And it has reliability built in, whether you're in touch with your world.

We spend hundreds of millions of dollars every year, making sure that when you pick up your phone... it works.

**We keep you talking.**

### FROM ABILENE

Mrs. Mark Daniel and daughter Jamie spent Monday of this week here with her parents, Mr. and Mrs. Samuel Tankersley.

## Ted Beck Hired As New Olney Employee

Ted Beck, a native of Wichita Falls, has been employed by Olney Savings, effective March 27, in the Savings Department as a Management Trainee for Marketing and Business Development. Other duties will be to direct retirement programs and to coordinate savings programs in the branch offices.

Ted's work experience since graduation from college in 1976 has been with Albert Van and Storage, Wichita Falls, as a Certified Moving Consultant. While in college, Ted worked three years for Roadway Express as a rate clerk and assistant dispatcher. Effectively dealing with people has made Beck the recipient of numerous honors and awards in high school, college, and in his business experience. He was recognized as a leader in both high school and college, and was honored by his employer just last year with the Distinguished Salesman Award.

D.D. McClatchy, President and Chief Executive Officer of Olney Savings, in making the announcement, said, "Ted Beck brings a new dimension to Olney Savings Association. Ted has been a natural leader all of his life and has a very fine background in marketing and an obvious natural talent in this area since he received the Outstanding Marketing Student Award in 1976 at Midwestern State University. Olney Savings is delighted to have a young man of this capability and talent to join forces with the Savings Department at Olney Savings, and we know our present and future customers will be equally delighted with Ted Beck."

**Thursday:** Pigs in Blanket, Whole Kernel Corn, Radishes, Chilled Fruit, Peanut Butter Cake, Milk  
**Friday:** Burritos, Taco Sauce, Spanish Rice, Green Beans, Fruit Clusters, Milk

### Locals Attend UMW Conference

Six persons attended the Northwest Texas Conference of United Methodist Women of the United Methodist Church in Lubbock recently. The event was held at the First United Methodist Church.

Among those attending were the Rev. James Patterson, Helen Patterson, Charlotte Griffith, Lillian Logan, Ruby Robinson, and Lois Cypert.

The group heard Jo Carr, minister of St. John's UMC in Lubbock, and Mrs. C. Jarrett Gray, president of the women's division.

According to reports, the highlight of the day was the pledge service when the women of the Northwest Texas Conference pledged \$105,818.15 to missions around the world. The local Seymour district pledged \$10,500.

The group also learned about the work of women of the church and learned that they were an important part of the United Methodist Church.

### Bill Could Prevent Bunching Of Income

WASHINGTON, D. C.—Congressman Omar Burleson announced that on March 1 the Committee on Ways and Means of the U.S. House of Representatives, approved a bill, H.R. 11055, concerning the tax treatment of certain Federal farm payments.

The tremendous backlog of administrative paperwork caused by the drought of 1976-1977 has delayed the mailing of many 1977 disaster and deficiency payments until 1978. Payments which ordinarily would be received as income in 1977 are arriving in 1978 and are being included for tax purposes with the income of that year. This bill is designed to prevent the unavoidable bunching of income for tax purposes.

Although no date has been set for consideration by the House of Representatives, Congressman Burleson is hopeful that action can be taken prior to the April 15 income tax filing deadline.

## Former Resident Featured

The News office was notified Tuesday of this week that a former Knox City resident Carol King Skinner, the daughter of Mr. and Mrs. Erwin King Jr., had been featured in the first issue of "Red Dust". The purpose of the magazine is to help keep persons informed about what is happening and to push Wichita Falls and the wealth of talent this particular city has.

Featured on two pages in the new magazine, the title of the article is "Artistic Interpretations In Three Dimensions".

The News office takes pleasure in publishing the information in its entirety.

"The high cost of canvas and framing supplies led me to make use of available materials," explained Carol King Skinner as she spoke about her work with three dimensional art.

Carol's father, who is an artist and carpenter, taught her to draw and use simple woodworking tools long before she could ride a bicycle.

During her art education at Midwestern State University, Carol discovered the three dimensional media with which she's most comfortable. Using scrap lumber and small power tools provided by her father, Carol constructs her own painting surface from shapes cut from wood, glued to a wooden background, within a wooden frame. The construction is then treated and painted with a acrylics. The result is a three dimensional painting.

Describing her painting technique, Carol said, "I usually prefer 'Painterly' brush strokes for a soft, unified effect."

CAROL SKINNER  
...artist

At present, Carol is painting whenever possible, teaching art at Sheppard Burk Elementary School, and teaching a private art class for accelerated students through the Burk Burnett Community Education program.

Carol has just completed an illustrated book for children entitled "We Understand Each Other". It deals with a handicapped child and her interactions with her family and peers.

"I believe that people are misinformed about handicapped individuals," expressed Carol. "We can begin to correct these attitudes by teaching our children on their level through books like 'We Understand Each Other', and through careful explanation."

Carol King Skinner grew up living in an isolated country home outside a small Texas town. Parents who were anti-television and had a deep appreciation for nature, life, and individuality provided early stimuli for creativity.

"Art is a vital part of me, like a living, breathing com-

panion, a real friend," Carol emphasized. "Art is something I respect, co-exist with, and need. I have come to appreciate even those art forms vastly different from my own. I find fulfillment and beauty in every day through my constant companion, Art."

### questions and answers

**Q. I'll retire in January and am worried about getting my social security checks because of recent thefts where I live. What can I do?**

**A. You can have your social security checks deposited directly into your savings or checking account at a bank or similar financial organization. Ask your financial organization for more information about direct deposit of social security checks.**

## Miss Guinn Honored In Cornett Home

A bridal shower honoring Sheryl Guinn, bride-elect of Mel Reed, was held Saturday, April 8, from three until four o'clock in the afternoon in the home of Mrs. C.H. Cornett.

Mrs. Cornett greeted the guests and presented them to the honoree; her mother, Mrs. Jerry Guinn; the prospective bridegroom's mother, Mrs. Charles Reed; and the couple's grandmothers, Mrs. Ozelle Stephens and Mrs. M.S. Lowrey. The special guests wore feathered carnation corsages of apricot,

blue, and green, the bride-elect's chosen colors, which were carried out in the motif.

The honoree's sister, Jan Quintanilla, presided at the registry table.

Serving refreshments of finger sandwiches, cookies, cheese rolls, and punch were Judy Ray and Tammy Greenwood. A cutwork cloth over apricot covered the serving table and an arrangement of apricot, blue and green carnations centered the table. Appointments were of crystal and silver.

Hostesses were Mmes. Jan Lankford, Frances Kent, Faye Railsback, Ann White, Jo Hacker, Kay Johnson, Georgia Lynn, Frankie Baker, Peggy Grindstaff, Katrine Hudson, Ervalene Beason, Doris Swain, Susie Ray, Martha Sue Clayton, Peggy Jones, Mary Jo Lankford, Dorothy Jean Lain, Sequoyah Reynolds, Charlotte Jackson, and Jo Nell Cornett.

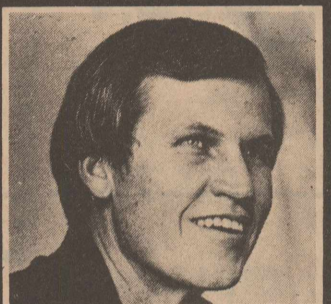

### KC Study Club To Meet April 20

The Knox City Study Club will meet Thursday, April 20, at the Community Center beginning at 2:30 p.m.

Mrs. Z.I. Smith will review the book, "Daddy Longlegs." Hostesses for the monthly meeting will be Mmes. Myrtle White, Alton Fitzgerald, and L.W. Graham.

### I'm concerned about

- Energy
- Agriculture
- Senior Citizens
- Inflation
- Government Regulations
- Free Enterprise

## Truscott-Gilliland News

Ray and I drove to Quannah Sunday afternoon to visit with Aunt Mattiree (Mrs. B.L.) Bates. She says she's doing pretty good, for an 84 year old. She sent everyone here her best regards.

I really didn't mean to be writing the news this week, but everything is going better, so I'll write it as long as I can. Everyone was so nice to help out last week. We have the most helpful folks in the world!

We kept hoping we'd get rain today (Sunday), but only a few sprinkles.

Tommy and Sandy Shaw of Smithfield spent the weekend with the Elmo Shaws. Tommy Played at Rhineland Saturday night.

Mrs. Bea Baty is back home from a visit with her son, Mr. and Mrs. L.B. Baty, in San Angelo.

There was an elevator meeting last Thursday night in Truscott. Those present were Valoise McGuire, manager; and director Arnold Naveratill, Paul Bullion, Lewis Baty, Jackie Brown, and R.C. Daniel.

Steve McPeck of Plainview was a visitor in the Elmo Shaw home Saturday afternoon.

Owen and Irene New went to Stratford last weekend. They met Peggy and Dewayne Plunk in Amarillo, where Dewayne was to see a heart specialist.

It's been nice to have our school kids and teachers around last week, while they were on spring break. Don't know if the teachers had much fun; Margaret Daniel spent several days cleaning, at home, and at the church annex; Edith Cash spent several days in Knox County Hospital; and Clara Brown was on the road taking Lupe Palacios and Mary Barrizete out to help her mother, Mrs. E.J. Jones.

Margaret Corder, Margaret Todd and Billie Shaw attended the H.D. Council meeting in Benjamin last Monday afternoon.

We all say Thank You belatedly, to the Dale Grimes of Crowell for giving a number of Readers Digest Condensed Books to our library. They are greatly appreciated.

Paul and Ila Mae Bullion left Friday afternoon for Dallas, where they met their son Murry, and Shelly, of Houston, at the home of her parents, the Doug Browns. The younger Bullions will be making a move to Dallas, after school's out, and were there to hunt for a house. Murray will be employed by Espy-Huston.

Shelly has taught in the Houston Schools the past 2 years.

Idoma Chowning, Vivian Brown and Margaret Corder attended the HD Tri-County Rally Day in Munday last Tuesday afternoon.

Our planters on main street got a beauty treatment last week when Brenda Greening and Tracy Shaw put out some petunia plants. Vivian Brown and Margaret Corder watered them on Friday. Then on Saturday morning Vivian and Margaret came back to town to put a coat of paint on the benches. It takes a lot of work to get everything ready for our "Judging" on April 17th.

Bill Owens was dismissed from Knox County Hospital Thursday morning. He was feeling better on the weekend. Pat has been here a week and flew from Lubbock Municipal Airport on Sunday returning home to Madison Heights, Michigan.

James Corder, of Arlington came in for a short visit with his mom, Margaret Corder Thursday and Friday. He went to Knox City to get Kristen and brought her over for the weekend.

Mr. and Mrs. J.D. Horne of Oklahoma City were here to visit awhile with his mother, Venta Horne, on Friday.

Teddy and Shirley Bryant and children of Hobart, Oklahoma spent the weekend with her folks, Charles and Bulah Burton.

Vivian Brown and Helen Harwell of Vernon were in Wichita Falls last Wednesday and drove on to Jermyn, about 50 miles south of Wichita Falls, where they lived as teenagers.

Valoise was the model for her daughter, Elise Swanner, of Arlington. They went to Austin for Elise to take her State Board test to be a beauty operator. They also visited with the Lewis McGuire family in Waco.

Mr. and Mrs. Weldon Welch, Garden City, Kansas and Merle Hart Welch, Quannah, were in Gilliland last week to visit with Mrs. Bert Welch. They came by to visit with the Elmo Shaws and Tracy last Monday afternoon.

We enjoyed a cookout with Clyde and Mattie Bullion last Monday afternoon. Lottie Whitaker was also a guest.

Dolph Martin recently celebrated his 89th birthday with a surprise party in the home of Homer and Ruby Martin. Other guests were Mr. and Mrs. W.K. Dowdle and Leann and Mr. and Mrs. Wendell Dowdle, Arlington; Mr. and Mrs. Carlon Ribble, Crowell and Gladys Meek, Gilliland.

Sue Winstead of Lubbock had dinner with her folks, Wiley and Otis Cook Sunday. James, Jerry and Lisa Welch of Gilliland were supper guests of Billie, Elmo and Tracy Shaw last Monday night.

I took Ray to Knox City for his check up last Thursday and the doctor said everything checked out fine. We also visited J.T. Cook in the hospital.

Geneva and June Naveratill were in Wichita Falls to visit their sister in law, Viola Naveratill Meers, of Vernon, who is in Bethania Hospital and recently had surgery to replace a hip joint. Otis Cook accompanied them to Wichita and visited Mr. and Mrs. Son Propps in Bethania Hospital. The news from Son is very good as he says he feels more like himself every day, but will be in the hospital for some time yet.

James C. Cumley has been out of town on business for several days.

Visitors of Mr. and Mrs. Ralph Caram over the weekend were Albert Caram, Greg and Albert Jr. of Arlington; Mr. and Mrs. Freddie Caram and Karen, Munday; Ralph Caram Jr. and Lewis of Wichita Falls; also Gilbert Arrendondo and Sammy Lopez of Wichita Falls.

Shorty Reyna and Cecilia of Crowell visited the Carams on Wednesday.

Andrew Gray of Vernon spent a couple of days last week with grandparents, June and Newell Looney.

Mr. and Mrs. Virgil Green of Levelland visited with her sister, June and Emil Naveratill this week.

Hewitt and Sybil Simmons spent the weekend with Bobbie and Sylvan Kinnebrugh in Floydada. While there they helped Edith Dillard celebrate her "Happy Birthday".

Bro. Raymond Wall and his wife of Vernon were dinner guests of the E.D. Welch's on Sunday.

Visiting with Homer and Ruby Martin recently were his aunt, Mrs. Cecil Sutton, and friend, Minnie Bell Watts; another aunt, Mrs. Ellis Martin and Tresea Faye and Mozelle Goble all of Lubbock. They also visited their brother, Dolph Martin.

## Weevil Populations Now At Low Level

Boll Weevil populations in the Rolling Plains are at low levels now. About 95 percent of the population which went into overwintering habitat has been unable to survive the hard winter. The weevils that did survive will soon begin to emerge from below broad-leaf litter in search of cotton. By using a uniform planting date of May 20 or later, as suggested by the Crops and Fertility Subcommittee in Knox County, producers can greatly reduce the number of weevils that infest their fields.

Research has shown that boll weevils live 8 to 22 days after emerging from overwintering habitat. When cotton is planted on May 20 or later it will be the first to second week in July before one-third grown squares are present. Since boll weevils cannot deposit eggs that will produce adult weevils until the squares are one-third grown most of the female weevils do not survive to deposit their eggs. Recent research conducted by James White and Dr. Don Rummel of the Research and Extension Center at Lubbock, indicates that only five to ten percent of the overwintered weevils are able to survive and infest cotton that is squaring the first week in July.

### Boone Girls Attend Clinic

Kristi and Leah Boone attended the Youree Barrel Racing Clinic School in Wichita Falls last weekend.

Florence and Dale Youree, a husband and wife team of trainers and competitors, conducted the clinic. The Yourees have trained and shown many top barrel horses, including Moon County, last year's winner of the American Quarter Horse National Championship Finals Junior Barrel Horse. The Yourees maintain a training stable at Addington, Oklahoma.

Kristi won a trophy buckle when she placed second in the jackpot barrel race in which some fifty students participated. First place was a Youree-designed saddle which was won by Judy Cox.

Kristi and Leah are the daughters of Mr. and Mrs. Joe Boone.

When all of the producers in an area use the same general planting date the amount of weevil damage will be reduced during most of the growing season. Once cotton produces one-third grown squares until the second generation weevil adult begins to emerge in mid August, there is little movement of weevils from field to field. Therefore, weevil populations will remain low in fields that were not infested with overwintered weevils or where early season control was carried out until weevil migration begins in mid August.

In fields that are infested with overwintered weevils during late June and early July, producers will need to control the weevils with an early season application just before the first squares are one-third grown.

In most cases, only one application will be needed. However, in early May planted fields several applications may be needed to control overwintered weevils.

## Who Can Afford Arthritis?

"The burden of arthritis in pain and crippling, as well as the tremendous economic toll, is one that nobody can afford," reports Robert J. Burbridge, Chapter Representative of the West Texas Chapter of the Arthritis Foundation.

How expensive is arthritis? Burbridge said medical care

costs of \$4.2 billion, including hospitalization, physicians office visits and drugs are annual expenditures for our nation's 20 million victims, including 125,000 right here in the West Texas area.

"These and other expenditures related to arthritis add up to a \$13 billion annual impact on the U.S. economy," Burbridge said. "And no

price tag can be put on the enormous human suffering, disability, lost potential, and family problems that often accompany the disease."

To help reduce the toll, the Arthritis Foundation is offering a free booklet "Arthritis--The Basic Facts" to anyone who writes to their West Texas Chapter at P.O. Box 3334, Lubbock, Texas 79410

## 'D' Day

### For DEMOCRATS

I have no opponent in the primary for reelection as Representative for the 101st Legislative District. For that I am deeply grateful. I am sure my good fortune in this respect is explained by the fact that my constituents let prospective opponents understand they are satisfied with my service.

Even though I have no opponent in the Democratic Primary, Saturday, May 6, I urge my friends to go to the polls and mark an "X" in the little square opposite my name on the official ballot. I will appreciate your vote and will try to justify your confidence in me as your Representative for the next two years.

I sincerely hope the people of this Representative District will turn out in large numbers. The size of the vote is an indication of popular interest in public affairs. A good turnout will increase the effectiveness of your elected officials in meeting their public responsibilities.

Thank you in advance!
