Single Copy Price 20¢

It Can Rain! In Saturday's Demo Primary

It can rain and it did rain Tuesday bringing much-needed moisture to the entire area.

Precipitation recorded at the Plant Materials Center northwest of Knox City was 1.11 as of Wednesday morning, although other gauges in Knox City reported from 1.3 to 1.5 Tuesday night with a light drizzle continuing Wednesday morning.

The area escaped any severe weather and just the gentle rain which fell in intermittent showers was soaked up by the dry earth.

The damp, cold weather seemed much colder than it actually was with temperatures in the low 40s Wednesday morning.

Roberson Issues Statement

Bobby Roberson of Benjamin, who is seeking re-election as Knox County Commissioner of Precinct 2, issued the following statement to voters:

"I want to thank the citizens of Precinct Two for their friendliness, support, and encouragement in my campaign for re-election. I have enjoyed my personal contact with each of you.

"In my tenure in office as Commissioner, Precinct Two, I have enjoyed the fine cooperation of citizens and the Commissioners Court of Knox County in providing good government for the County. This background of experience as a Commissioner is one of the assets I can contribute to the office when re-elected.

"Although I have tried to meet and see each of the voters personally, I realize that I have not been able to contact everyone. I hope that the friends I have not been able to see personally will continue to support me and will vote for me on Saturday, May 6, 1978."

Santa Rosa Church Jamaica Is Sunday

The Santa Rosa Catholic Church will be sponsoring its ninth annual Jamaica, Sunday, May 7, from 11:30 a.m. until 7:00 p.m.

A Mexican dinner will be served in St. Isabel Hall from 11:30 a.m. until 2:00 p.m. and the reasonable price for the meal will be noted in the church ad in this week's News.

Games, a concession stand, arts, crafts, and plants will all be part of this year's Jamaica and donations for a Color TV to be given away will also be accepted, according to a spokesman.

Senior Carnival Reset For May 9

Jim Dillon, senior class sponsor, asked the News to advise its readers that the Senior Class Carnival originally scheduled for Tuesday, May 2, has been re-scheduled for Tuesday, May 9.

The seniors are hopeful that readers will take note of this change and plan to be at the Ag Barn next Tuesday night for lots of fun and good eating, as will be noted by the class ad in this week's News.

Junior Class To Hold Work Day

Members of the Junior Class are sponsoring a Work Day Saturday, May 6, from 8:00 a.m. until 5:00 p.m.

Class members will be mowing lawns, hauling trash, washing cars, and doing other odd jobs.

For persons wishing to contact a Junior, they may do so by calling 658-3596 or 658-3395.

Good Turnout Is Expected

Officials are expecting a good turnout here Saturday, May 6, for the Democratic Primary with much interest in the one contested county race and in the race for the 17th District's congressional seat being vacated by retiring Congr. Omar Burleson.

Precinct One voters will vote in Box 7S at the Community Center where election judge will be Abe Watson, Precinct One chairman.

Lee Smith, Precinct Two chairman, will be election judge at the City Hall for Box 7N where voters will cast their ballots.

Polls will be open at both places from 7:00 a.m. to 7:00 p.m.

In a check with County Clerk's office Tuesday afternoon, Deputy Clerk Gloria West reported that 36 persons have voted absentee, with still four of the absentee ballots requested by mail not returned. Mail in ballots have until Saturday, May 6, at 1:00 p.m. to be received at the office, Mrs. West said.

Tax-Assessor John A. Smith told the News office Tuesday that a total of 2,915 voters have registered for the upcoming election.

Incumbent Bobby Roberson of Benjamin is opposed in his re-election bid by Boyd Meers of Munday for the post of County Commissioner, Precinct 2, the only contested race in the county this year.

However, as this race affects voters in Vera, Benjamin, southwest Munday, and north and northwest Knox City, it is expected to draw a good number of voters to the polls.

Seven Democrats and one Republican have announced their candidacy for U.S. Congressman, 17th District. Listed in the order in which their names appear on the Knox

County ballot are Democrats Fike Godfrey, Jim Snowden, Crews McCulloch, A.L. (Dusty) Rhodes, James B. (Jim) Sharp, Jr., Jim Baum, and Charles Stenholm.

Bill Fisher of Abilene is the lone Republican in the race.

Democrats seeking the office of Governor will appear on the ballot in this order: John Hill, Preston Smith, Donald R. Beagle, Ray Allen Mayo, and incumbent Dolph Briscoe.

Lieutenant Governor candidates appear as follows: incumbent Bill Hobby, John Hill Westbrook, Troy Skates, and James L. (Jim) McNeese Jr.

Attorney General aspirants include Price Daniel Jr. and Mark White.

For a complete listing, the News is including a sample ballot in this week's issue in order that voters may study each race. The sample ballot has been arranged in the News to include both voting boxes in Knox City, 7S for Precinct One and 7N for Precinct Two.

County offices unopposed in this year's election include H.T. Melton, County Judge; Gloria L. West, District and County Clerk; J.T. Cypert, County Treasurer; Guy Bradley, Justice of the Peace, Precinct One; B.B. Benson, Justice of the Peace, Precinct Two; and Sam Leaverton, County Chairman.

KC Woman Installed As District President

Mrs. J.C. McGee was installed as president of Mesquite District in the Texas Federation of Club Women in Austin on Friday, April 28.

The Federation of Women's Clubs met for the 81st annual convention April 26-28 at the Sheraton-Crest Inn. The meeting was opened in the TFWC Clubhouse with the theme, "Out of Our Dreams We Join Hands in Action."

Friday evening, the officers of the state as well as districts were installed by Mrs. Carroll E. Miller of Missoula, Montana, past president of General Federation of Women's Clubs. Mrs. H.B. Branton of Waco was installed as state president with 14 district presidents who were all present.

Music was presented by a gospel group, Heritage Singers, from Howard Payne University in Brownwood. Dr. C. David Keith was director of the choral activities.

Outgoing district president, Mrs. Charles Boyd of Anson, presented the president-elect with her pin.

Theme for the next two years administration will be "Diversity: By Voice, Minds, Heart, and Hand."

The executive committee of the Mesquite District includes Mrs. J.C. McGee, Knox City, president; Mrs. L.H. McBride, Hamlin, first

Sunday Singing Set At Foursquare

The monthly First Sunday Singing will be held this Sunday, May 7, in the Foursquare Church. This event is scheduled for two until four o'clock in the afternoon.

According to a spokesman for the group, everyone is invited to join with them in this time of Christian fellowship.

Sidewalk Sale Set Saturday

Saturday is the day for the Chamber of Commerce sponsored Spring Sidewalk Sale in downtown Knox City.

This event, which is enjoyed by everyone, guarantees bargains galore throughout the day as noted by an announcement ad elsewhere in this week's News.

All citizens as well as merchants are urged to participate and make this a successful day. Mrs. Crownover urged.

Arts, Crafts Show Set For June 10

The News office was notified this week that the annual Arts and Crafts Show has been set for Saturday, June 10, in the Kindergarten building on the Munday highway.

According to Mrs. Doris Crownover, secretary-manager of the Knox City Chamber of Commerce, which sponsors the yearly event, everyone is reminded to begin making their plans now.

More details will appear later.

First Truscott Jamboree Saturday

The first "Country Town Saturday Night" of the season will be this Saturday, May 6, at 7:30 p.m. on the street in Truscott.

This first musical will benefit the Truscott Cemetery Association, according to a spokesman for the group. Everyone is invited to come and "catch up on it all" as noted by their ad elsewhere in this week's News.

QUALIFYING FOR THE STATE TRACK Meet May 12-13 in Austin are David Walling, who will participate in high jump, and Tommy Mangis, in the 330 intermediate hurdles. Walling is a junior student while Mangis is a senior.

Hounds Qualify For State Meet

Two Knox City Greyhound tracksters qualified for the State track and field meet to be held May 12 and 13 in Austin. Competing in the elite meet are KC junior David Walling and senior Tommy Mangis.

Knox City's team effort brought about 27 points for sixth place.

Walling brought home the only first place in regional competition and also set a new record at the Odessa

meet last weekend. His jump of 6'6 1/2" qualified him for state contest.

KC's other state qualifier, Mangis, placed second in the 330 intermediate hurdles and also advances to Austin.

Additional places won by KC teammates were the 440 relay composed of Mike Howell, Tim Roberson, Ricky Gonzales, and Phillip Rhodes, fifth; 100 yard dash, Gonzales, sixth; 220 dash, Gonzales, fifth; and mile relay, Brett Boone, Mark Clonts, David Anderson and Rhodes, sixth. Also competing but not placing were Anderson in the long jump and Domingo Garcia in the pole vault.

Coach for the Greyhounds is Jimmy Rogers.

Black Has 30 Years With Exxon

Thurston H. Black has observed his 30 year service anniversary with Exxon Company, U.S.A. He is assigned a field superintendent, Bateman Ranch and Rasberry Field, Midland District, Midcontinent Production Division.

In 1948, he joined the Company in Magnolia, Arkansas. Assignments followed in southern states and in areas of New Mexico. In 1974, he transferred from Drilling Operations, Midland, where he was drilling superintendent, to Bateman Ranch area as production field superintendent. His hometown is McNeil, Arkansas.

He and his wife, the former Dorothy Bactus, make their home in Knox City and are the parents of two children.

At a luncheon held in Midland on April 19, he was presented service awards by District Operations Superintendent, Joseph L. Barthel, Jr.

Boyd Meers Issues Statement

Boyd Meers, candidate for Knox County Commissioner, Precinct 2, issued the following statement this week in behalf of his candidacy:

"I would like to take this opportunity to thank the citizens for their support and encouragement in my bid for the Commissioner's seat in Precinct 2.

"I have been a lifelong resident and farmer of the area and am familiar with its problems. I have been active in community affairs and involved in church work.

"I believe my knowledge of the county and precinct, having lived in the rural area for so many years, gives me a better insight of the needs to qualify me for this office.

"My main purpose in seeking this office is to give me an opportunity to serve the people of this area. This I shall do if you, the voters, see fit to elect me to this important office."

"If I have failed to contact any voter, please accept this as a solicitation of your support and vote."

Navratil Rites Held In Gilliland

Funeral services for Knox County farmer Emil Navratil of Gilliland were held Wednesday, April 26, in the Gilliland Baptist Church with the Rev. Dale Jackson, pastor, officiating. Burial followed in the Gilliland Cemetery.

Mr. Navratil, 62, died, Monday, April 24, in the Knox County Hospital.

Born January 1, 1916, in Gilliland, he was a lifetime resident of the community. Mr. Navratil was a director of the Wichita-Brazos Soil and Water Conservation District and was a director of the Knox County Farm Bureau and Gilliland Co-op.

He was a member of the Gilliland Baptist Church and was a veteran of World War II.

Survivors include his wife, June; a son, David of Arlington; a daughter, Mrs. Lynda Hamilton of Fort Worth; a brother, Arnold of Gilliland; a sister, Mrs. Viola Meers of Vernon; and one grandchild.

Foursquare Men To Host Breakfast

The men of the Foursquare Church will be hosts for this month's Men's Breakfast scheduled for this Saturday morning beginning at seven o'clock.

All men and boys of the community are invited to attend this event.

Chaplaincy Program Available Locally

A chaplaincy program, designed to provide a daily ministry to all patients in the Knox County Hospital is now underway.

Purpose of the chaplaincy program is to complement the healing process by serving as a member of the healing team, giving assurance to patients of divine presence in all healing.

Staffing the program are ministers of the following churches: First Baptist Church, First United Methodist Church, Foursquare Church, and First Christian Church, all of Knox City; Gillespie Baptist Church; First Baptist Church of O'Brien; and First Baptist Church of Christ, both of Benjamin.

Each chaplain serves voluntarily for one week, beginning on Monday and serving through the following Sunday.

The daily schedule begins at approximately 2:00 o'clock each afternoon.

The chaplain will visit each patient on Monday and then new admissions and request visits during the other days of the week.

The nurse in charge will arrange for special visitation appointments other than regular visiting hours if needed, according to the ministers.

The chaplain will also be on 24 hour call each day.

The chaplain will also minister to the needs of the families of patients and will be available for counsel and assistance in emergency situations.

Mrs. Doris Richeson of Graham, co-owner with her husband, Bob, of the local Dairy Queen, has been elected to a three-year term as a director of the Texas Dairy Queen Trade Association, the nation's largest group of its kind.

Mrs. Richeson made history last fall when she became the

first woman ever named by TDQA as a director. She was appointed then to fill the balance of a term left vacant when a Board member resigned.

Now, she has been elected to a full three-year term by members of the Association.

Mrs. Richeson and her husband are among the top 10 largest operators of Dairy Queen restaurants in the state. Their company, Richeson Restaurants, Inc., owns 20 DQs in 19 Texas cities, and the Richesons were honored at the convention as the operators who had the greatest expansion in the state during 1977.

Local Dairy Queen Executive Elected

Mrs. Doris Richeson of Graham, co-owner with her husband, Bob, of the local Dairy Queen, has been elected to a three-year term as a director of the Texas Dairy Queen Trade Association, the nation's largest group of its kind.

Mrs. Richeson made history last fall when she became the

Tankersley Home From Fishing Trip

E.H. Tankersley accompanied by his son-in-law, Ken Williams of Anson, Ross Tippitt of Abilene, and Don Hampton of Sweetwater on a fishing trip to Toledo Eend last week.

Williams and Tippitt, who are mechanical engineers, along with Hampton, an architect, picked up Tankersley at the Knox City Municipal Airport last Thursday.

The men were guests of Williams' parents, Mr. and Mrs. Clyde Williams at San Augustine.

Tankersley returned home Sunday with a "big fish story", reporting a catch of 100 plus pounds of filets.

Fall board meeting for the chapter has been set for October 21 in Moran.

Jesse Hitchcock Home After Surgery

Jesse Hitchcock returned to his home Thursday of last week following recent surgery in the Knox County Hospital.

According to his wife, Odell, he is doing well and expressed the highest praise for the doctors and nurses here.

Jesse said he was so thankful that the surgery could be done in the local hospital.

The Hitchcocks' daughters, Mrs. Robert Gaines of Abilene and Mrs. Harley Reeves of Odessa have both returned home after spending some time here with their parents while he was in the hospital.

LEGAL NOTICE

NOTICE OF FILING OF SOLID WASTE APPLICATION

The City of Knox City, Texas has filed Application No. 1215 with the Texas Department of Health for a permit to operate a proposed Type II municipal solid waste disposal site to be located 2 miles south of Benjamin and 0.75 mile west of State Highway 283 (Highway 6) in Knox County, Texas.

The application covers approximately 10 acres of land and seeks a permit to receive solid wastes under the regulatory jurisdiction of the Texas Department of Health for disposal or otherwise processing in accordance with the said Department's Municipal Solid Waste Management Regulations. A preliminary study of the application will be made by the Department and supplementary material may be required of the applicant.

Before the issuance or denial of a permit, a public hearing on the application will be held pursuant to the Texas Solid Waste Disposal Act (Article 4477-7, Vernon's Texas Civil Statutes) and the Administrative Procedure and Texas Register Act (Article 6252-13a, V.T.C.S.). Notice of such hearing will be published in a newspaper of general circulation in the area where the site is located at least twenty (20) days prior to the date of such hearing. Additional information concerning this application should be requested from the above named applicant for from the Solid Waste Management Division, Texas Department of Health, Austin, Texas, Phone: Area Code 512, 458-7271.

Issued this 25th day of April, 1978.

O'Brien Happenings

By CHARLENE BROTHERS

You know this might be a wonderful world to live in if there were not gripy people like me around. I'm not really gripy about the weather, but between the wind, heat and then this morning, Tuesday, the damp weather, my sinuses are about to run me crazy. I'm not the only one, maybe it will continue to rain around and come a very good one and get rid of some of the stuff in the air that is causing all of this trouble, at least for a little while. I know there are more people having trouble with sinus this year that I every heard of before. Dr. Pugh told me several years ago that if anyone stayed in West Texas long enough, and he said it would not take many years, they were going to have hay fever and sinus troubles.

It seems that the high school track boys just decided to really go after the track honors this time. I do not know for sure just how many are going to state, but there are several, and there will be a writeup about them elsewhere in the paper. Boys, we are really proud of you all.

If you see several long faces around the area it is people that have not adjusted to the time change, yet. The loss of one hour should not make that much difference, but it does for some of us. I could say a lot on this subject,

but some people like it so will leave it alone.

HERE AND THERE
Visiting in the home of Mr. and Mrs. Sam Johnston during the weekend were their son and family, Mr. and Mrs. Don Johnston, Kerrie, Kenda, and Lance of Lubbock.

S.M. Manning and Mrs. Pearce Manning, Cody and Christie spent the weekend at Lake Proctor near Comanche. They were met there by Mr. and Mrs. Derwin Lancaster and Carla of Springtown. They all enjoyed some good fishing.

Mr. and Mrs. Johnny Reid and Angella were in Rule Sunday afternoon attending the wedding of Veeta's nephew.

Letter To The Editor

O'Brien, Texas

As we all know Saturday, May 6, is the day for the primary elections. On the ballot will be a place to either vote for or against parimutuel betting. When you just read over this, it may not mean a lot to you, but when you sit down and really think about it, it can mean to difference between having organized gambling or not having it in the state of Texas. I have wanted to write something about this for several weeks now, but did not know just where to start. What I'm about to say is not to criticize anyone in any way, but is how I feel about the situation and there might be someone else having problems about this, so maybe it will help in some way. (Please do not take up your time to call and tell me you think I am wrong. Everyone cannot feel the same on everything, and I have the right to feel this about the cause as you have to feel it is right.) I am against parimutuel gambling because I feel like it is just another way for an organization to get

money from some of the people who cannot afford it and also it can have great affects on our children and can cause family problems, and you know we have enough of these already. Some say, "Well if they are going to bet any way, why not have it in our state and get some of the money it brings in?" In the first place I do not believe that the state will see much of the money that is taken in. Then someone said they are going to gamble anyway so why not go ahead and make it legal. Well, that may be true, but then again, there are some people that will not go to the other states, but if it was here in Texas they would spend their last dime on it. I just cannot think that God intended for there to be legalized gambling in any place. So when Saturday rolls around, go to the polls and vote. I would like for you to vote against this, but if you cannot, may you not regret it if this should carry. This is something to really think and pray about before voting. Just be sure and vote!

SCS Programs Set For Public Interest

Public meetings will be held at Stephenville and San Antonio to let interested persons give their views on present soil and water conservation programs and to propose needed changes or additions to present approaches.

The Stephenville meeting will be held May 16 in the Humanities and Business Building on the campus of Tarleton State University. The San Antonio meeting will be in the Fiesta Room of the Convention Center on May 18. Both meetings will start at 9:00 a.m. with registration starting at 8:30 a.m.

George C. Marks, State conservationist for the USDA Soil Conservation Service and Carl Spencer, executive director of the Texas State Soil and Water Conservation Board, will co-chair the meetings.

"The meetings are being held as a result of the Resources Conservation Act of 1977, which was signed into law by President Carter last November," Marks said. "The Act recognizes the need for public participation to insure that conservation programs are effective and responsive to public needs."

"Soil and water conservation programs—from their beginning—have sought public participation, and the RCA Act further insures that conservation programs will continue to be responsive to public needs," Spencer said. The Act re-affirms the need for public leadership and we hope to receive public input so that a meaningful appraisal of grass roots conservation programs will provide the means for their improvement.

"However, the right to private ownership and management of land is one of the most cherished privileges of American citizenship," Spencer stressed. "As the general public becomes more involved with the growing shortage of soil and water resources we see more proposals in legislative form concerning what landowners ought to do in the way of

erosion control, flood prevention, protection of wildlife habitat and providing public access to private property.

"Any approach to soil and water conservation problems or issues must first consider that a high percentage of farm and ranch land is privately owned and that the interests and the welfare of the owners must be served. Programs must be acceptable to them.

"Laws pertaining to the organization and functioning of soil and water conservation districts provide that their programs and plans of work be developed by local interests and be a voluntary program. No program is more acceptable to a landowner than a voluntary type and one in which he had a part in developing," Spencer said.

Individuals or groups with an interest in conservation should attend one of the statewide meetings or a meeting in a local soil and water conservation district. Interested persons are being encouraged to bring written or oral statements reflecting the direction they think conservation programs should take in the future. Such statements will be accepted, made a part of the record and considered fully.

The date for the Resources Conservation Act meeting in Knox County has not been set, Arche Lieb, district conservationist for SCS, said.

From information and suggestions received at public meetings as well as data collected from surveys and inventories, "A calls for determining:

- quality and quantity of soil, water and related resources,
- ability of these to meet current and future demands,
- changes in resource condition resulting from past uses,
- costs and benefits of alternative soil and water conservation practices and,
- alternative irrigation techniques and their effects on conservation and the environment.

Based on inventories, survey data and public input, the Soil Conservation Service will work together with soil conservation districts, state soil and water conservation agencies, local governments and individual landusers to enhance present conservation programs and set multi-year objectives. Accomplishments will be monitored at least annually.

The appraisal and program provided for by the newly enacted law will be presented to Congress by the end of 1979. This will be followed by the first evaluation report on existing services of the Soil Conservation Service which is to go to Congress by the end of the fiscal year 1982.

KC Native Dies Apr. 22

Funeral services for Knox City native Deborah Ann Eubank O'Neal were held Monday, April 24, at St. Theresa's Catholic Church in Panhandle with Msgr. M.J. Mathiesen and Rev. Ivan Potts, officiating. Burial was in Panhandle Cemetery under the direction of Smith Funeral Home of Panhandle.

Mrs. O'Neal, 27, died Saturday, April 22, in High Plains Baptist Hospital in Amarillo.

Born November 24, 1950, in Knox City, she was a 1968 graduate of Post High School and a 1973 graduate of West Texas State University in Canyon where she was a member of Delta Zeta Sorority. She also was a member of

St. Theresa's Catholic Church and a founding member and first President of the Anti-gone Club of Panhandle. She married Shawn O'Neal of Panhandle on January 13, 1973, in Slaton.

Survivors are her husband of the home; one son, Chad Weatherly, age three; her parents, Mr. and Mrs. Dennis W. Eubank of Post; and three sisters, Denise Marusack of Ranger, Mary Margaret Eubank of Shallowater, and Sandra Sue Gray of Panhandle.

Mrs. O'Neal was the granddaughter of the late Mr. and Mrs. Cully Eubank of Truscott, and Mr. O'Neal's granddaughter is the former Peggy Chowning O'Neal.

Lions Club News

By Z.I. Smith

A little Lion roaring was going on Wednesday when Lion Bill Baker sold raffle tickets for a TV set to be given away on May 6 at the District convention in Wichita Falls. Money raised from the raffle will go toward the campaign for Lion Ebb Grindstaff who will be nominated in 1979 for the position of third vice-president of Lions International. We will hear lots more of this campaign later.

Herbert Bellinghausen was a guest of Lion Bill Baker.

The president brought before the club the reminder that this coming October 19 would be the 40th birthday of the Knox City Lions Club. After some discussion, the club voted to have an anniversary celebration in October at which time it is customary for Lions International to furnish an international officer for the speaker. This will be a gala occasion.

Project Chairman Bill Baker assigned some of the duties for the coming mop and broom sale, to be held on May 18. More about that later.

All Lions are urged to attend the district convention in Wichita Falls on May 6.

Program Chairman Joe Clonts brought a film showing some research done by the Deafness Foundation of America. Lions thought it was quite interesting.

IF YOU SMELL NATURAL GAS, FOLLOW THESE 3 STEPS TO SAFETY.

The natural gas industry has an excellent safety record.

The fact that you can smell natural gas is because we add a harmless chemical to it as an extra safety feature. Otherwise, it would be completely odorless. If you detect faint whiffs of what you think may be gas, investigate. It may be something that is as easily and safely corrected as a pilot light that has gone out, or a burner valve that's partially open.

If your equipment seems to be working properly and the odor intensifies and seems to be everywhere, please follow these precautions:

- 1.** Do not switch anything electrical on or off. Do not use the telephone in your own home. Do not strike a match. Do not do anything that might cause a spark.
- 2.** Have everyone leave the house immediately, leaving doors open to help ventilate.
- 3.** Go to a nearby telephone and call Lone Star Gas Company. Wait until we have found the source of the odor to determine whether it's safe for you to return to the house.

You may never have a natural gas leak, but we want you to be informed in case one does occur. Please make sure your family is aware of these precautionary steps. And we suggest that you keep this message for future reference.

SI PERCIBE OLOR A GAS NATURAL OBEDEZCA ESTAS 3 NORMAS DE SEGURIDAD.

La industria del gas natural tiene un récord de seguridad excelente.

El hecho de que Usted pueda percibir el olor a gas natural se debe a que se le ha añadido un producto químico extra, que no es nocivo. De lo contrario, el gas no olería. Si detecta ciertas ráfagas de olor que cree son producidas por escape de gas, investigue. Es posible que se pueda corregir fácilmente y sin peligro, por tratarse de que una llama-piloto se ha apagado, o que una válvula de algún aparato está parcialmente abierta.

Cuando suceda que a pesar de que su equipo aparentemente funciona bien, pero el olor a gas se intensifica y se siente en todas partes, entonces siga estas precauciones:

- 1.** No conecte ni desconecte ningún aparato eléctrico. No use el teléfono de su casa. No prenda fósforos. No haga nada que pueda producir chispas.
- 2.** Haga que todos salgan de la casa inmediatamente, dejando las puertas abiertas para que se ventile.
- 3.** Vaya a un teléfono cercano y llame informando a la Compañía Lone Star Gas Co., y espere hasta que los encargados de la Compañía investiguen las causas y determinen si se puede o no retornar a casa.

Es muy posible que Usted nunca tenga que enfrentarse con escapes de gas, pero queremos informarle por si acaso le sucede alguna vez. Asegúrese que toda su familia conozca estas normas de seguridad. Le aconsejamos también que guarde este aviso como referencia para el futuro. Gracias.

BENJAMIN NEWS

By GLADENE GREEN

CLEANUP NEWS

By Buddy Hale
April was cleanup month for Benjamin. It seemed it was a short month and a lot of us didn't get completely through with what we started. So don't get discouraged and quit just because you didn't get through with your cleanup. See what you have done and what still needs to be done in the way of cleanup around your place. Cleanup is not a job that can be done in one month but is a year around project that benefits the individual. I hope that the April cleanup month gave the people of Benjamin an incentive to help improve the appearance of our community and continue to improve it.

FFA NEWS

By Lynda Brooke Hudson
The Benjamin FFA worked cattle on the Beavers Ranch last week. We sprayed the cattle with coral. We also branded, vaccinated, dehorned and castrated the calves.

The VAIL class is learning to weld and cut with the arc welders and oxy-acetylene rig.

The VAIL class is tearing down two old barns and keeping the "useable" wood and metal to build a barn at the ag farm.

The VAI class is working on their wood projects getting ready to stain and varnish them.

Elvin Carraway, the State FFA president, came to Benjamin, Wednesday, May 3 at 9:00 a.m. We were excited about his coming and bringing his presentation.

HD NEWS

The Benjamin Home Demonstration Club met last Wednesday in the home of Mrs. Lee Snailum. The program was "Hair-To know it is to love it". Janet Conner gave the demonstration. She cut and styled Louise Hall's hair. Refreshments were served to the following Leola Isbell, Oleta Welch, Oma Parker, Laura Benson, Louise Hall, Louella Tolson, Gladys Cartwright, Audrey Nolan, Effie Hatfield, Christine Patterson, Mrs. Conner and Mrs. Snailum.

ATTEND STATE FHA MEET

Betty Clower represented Benjamin at the State FHA meeting in Dallas recently. Betty is a junior student and the daughter of Mr. and Mrs. Leroy West. She is an officer in the local chapter.

SUFFERS FALL

Mrs. Cora Gillentine suffered a broken hip in a fall at her home late Thursday. Mrs. Gillentine was taken to the Crosbyton Hospital and transferred to Methodist Hospital in Lubbock Thursday night. She underwent surgery Saturday morning and will very likely be in Lubbock two more weeks. Send her a card to cheer her up. The days pass slow in a hospital. Her address is Cora Gillentine, Methodist Hospital, 3615 19th Street, Room 386, Lubbock.

PTO NEWS

The Benjamin PTO spring meeting was held Thursday night. The officers for the new year were installed. The new president is Janice Tolson; vice-president, Darlene Benson; secretary, Mary Welch; and treasurer, Jimmie Kay Ryder. Room count was won by the fifth and sixth in grade school, seventh grade in junior high, and eleventh grade in high school. The Halloween carnival was set for October 28 at 6:00 p.m., Christmas program, December 13 at 7:00 p.m. and spring meeting, April 26, 1979 at 8:00 p.m.

SR. CITIZENS MUSICAL

"The Westernaires" of Wichita Falls presented a musical in the club house Saturday night. A good crowd was on hand to enjoy the music. Refreshments were served during intermission by the Senior Citizens. A good time was had by all.

HERE 'N THERE

Henry Rogers returned home Friday after a ten-day stay in the Veteran's Hospital in Big Spring. He said he feels good and if he continues to feel as well as he does now, he will not have to go back for another checkup until July.

P.H. Pierce was in the Big Spring VA hospital last Monday for tests. He returned home the same day. Bill Ryder returned home Thursday after several days stay in the Bethania Hospital in Wichita Falls. He is a bit uncomfortable but hopes to be out of that cast before long.

Mae Tucker, former Benjamin resident, underwent surgery last Friday in San Antonio. Her brother, J.D. Brown, was in contact with the Tuckers, Friday night and reported Mae to be doing fine following surgery.

Adrian Strange of Oklahoma City, visited his cousin, J.D. Brown and Mrs. Brown, Friday.

A. Golden observed his 82nd birthday last Tuesday.

Grace Snailum and Audrey

April 25, at his home. Joining he and Mrs. Golden for "birthday" cake and ice cream were their grandchildren, Linda, Michael, and Beaulah Faye of Benjamin, children of Lois Golden, and the late J.C. Golden.

Recent guests of Bessie Russell were Mr. and Mrs. F.D. Smith of Carlsbad, New Mexico, Cheryl Meinzer of Fort Worth, and Oretta Kilgore of Abilene. Mrs. Kilgore also visited Mrs. Leola Isbell.

Mr. and Mrs. Ricky Stamps and Becky visited the Jerry Stamps in Wichita Falls Sunday and Jerry and Debbie have a brand new baby boy, born late Saturday or early Sunday, so they visited Debbie and Gregory Wayne in the Wichita General Hospital.

Tami Carver entered the Quanah rodeo over the weekend. She won third place and we congratulate her.

Mrs. Lona Feemster of Vera spent Saturday night with her daughter, Philomae and Bobby Roberson and attended the Sr. Citizens Musical Saturday night at the club house. Kathi and Tres Pierce also visited the Robersons.

Mr. and Mrs. Van Green visited Jackie and Diane Daniel in Aspermont Sunday p.m.

A.W. Golden and Paula of Springtown visited his parents, the A. Golden, last Thursday night. Hazel Nesbitt of Weatherford visited her aunts, Edith West, Lora Hall and Thelma Nunley, and attended to some business of her mother, Mrs. Stelle Kendrick. Stelle has been admitted to a care home in Weatherford for a few weeks.

Don Hall and family of Lubbock spent Saturday night and Sunday with his parents, the Hes Halls. They were enroute home from a vacation trip to Arkansas.

Mr. and Mrs. Tommy Bufkin and daughter of Silvertown visited his mother, Lillie Bufkin and other relatives and friends during the weekend.

Lois Golden returned home Sunday night after being in Lubbock since Thursday with her mother, Mrs. Cora Gillentine.

Mr. and Mrs. Larry Hertel of Lubbock visited the Don Hertels and Larry's grandmother, Nora Hertel, during the weekend. Scotty Hertel of MU in Wichita Falls also visited his parents and brothers, Don, Louise, Craig and Kent.

Grace Snailum and Audrey

Nolan visited in Lubbock last Wednesday. Mr. and Mrs. Hes Hall were in Abilene Monday.

Briscoe Issues Statement

Governor Dolph Briscoe has issued the following statement with respect to the development of nuclear waste disposal facilities in Texas.

"The Department of Energy is responsible for supervising the disposal of waste from all commercial nuclear projects such as nuclear power plants.

"Recently the Department of Energy contracted with the Nuclear Division of the Office of Waste Isolation of Union Carbide Corporation to develop plans for building new waste disposal facilities.

"Some preliminary geological studies are now underway in a number of states, including Texas, to locate possible sites.

"My position is and always has been that I must start out as being opposed to locating any such facility in Texas.

"My office has been closely monitoring the progress of these preliminary studies and will continue to do so.

"We have been instrumental in making experts available to local and regional governmental entities who are reviewing those studies.

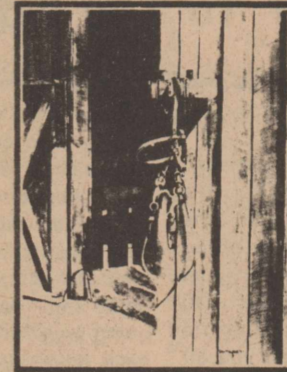

"As Governor, I will not allow any facility to be constructed in this State which may endanger the health and well being of our people."

A State Income Tax. A Hangman's Noose For Texas.

If you think taxes are choking you now, consider the possibility of a State income tax. It would be a noose around your neck. Around the neck of every Texan. And around the future of Texas.

A vote for John Hill is a vote for:

- bigger government.
- more government spending.
- more inflation.

AND FOR A STATE INCOME TAX.

A vote for Dolph Briscoe is a vote for:

- fiscal responsibility
- less - not more - government.
- continued economic growth.

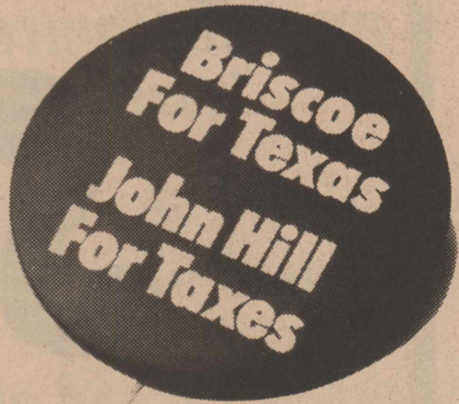

AND FOR NO NEW TAXES.

- We don't need New York-style government in Texas.
 - We don't need Washington-style bureaucracy in Texas.
 - And we don't need a big spending liberal activist as Governor of Texas.
- LET'S KEEP DOLPH BRISCOE AS OUR GOVERNOR.

"We are already footing the bill for run-away government in Washington. As Texans we should not have to foot the bill for run-away government in Austin.

"I don't think Texas should spend itself into a state income tax. That is exactly what will happen if Mr. Hill fulfills only some of his political promises."

Governor Dolph Briscoe

Stenholm, Friends Visit KC Supporters

Charles Stenholm, Democratic candidate for the 17th Congressional District, visited Knox City Monday along with a group of friends, neighbors and supporters from his hometown of Stamford. The group was joined by local Stenholm supporters here.

"There most definitely is a difference in the candidates in this race," Stenholm told people as he visited with them. "It is always easier to agree with all groups, to be all things to all people; but we simply cannot continue to promise more and more of everything to everybody."

Stenholm was referring to three issues which "must be brought into focus; issues on which I want people to understand clearly how I stand," he said.

"I believe strongly in quality education, but more federal money is not the answer," he continued.

Seven questions were asked all the candidates on the Texas State Teachers Association evaluation published in the April issue of TEXAS OUTLOOK magazine. Stenholm disagreed with the other candidates on two of the issues.

Number One - More federal aid to education. Stenholm's answer was, "No." Explaining his reasoning, he said, "We do not need an arbitrary level of minimum federal participation in our local schools. I think we need less federal involvement in all areas of our daily lives. If we are to have federal funds, they should flow as directly as possible to the local school district with a minimum of federal control."

Number Two - Separate Department of Education. Stenholm again answered, "No." He explained, "We cannot afford another federal bureaucracy. The need for funds at the local level for all purposes is too great to permit any additional loss of tax revenue at the Washington level. Due to the rural nature of the 17th District, we would have difficulty meeting the criteria of an urban dominated Department of Education."

Number Three - Inflation. Stenholm advocates balancing the budget and reducing bureaucracy as the best way to fight inflation. He proposes a "Sunset Law" similar to the one Texas now has. Under such a law, each federal agency, such as OSHA and EPA, would be required to periodically justify its existence. He suggested a review every five years.

Commenting further on balancing the federal budget and reducing bureaucracy, Stenholm stated that he had not promised to open an office anywhere, as one candidate had. "In my opinion, this would violate the spirit of the law which forbids offering any enticement to any individual in return for their support. I have promised to bring the office of the Congressman to all the District in the most economical way feasible. We

do not need additional Congressional staff people working directly in cultivating and locating industries," he explained.

"I can visualize real problems with staff people getting involved when several towns in the District are in direct competition for a new industry. Congress can do most by creating an environment favorable to business, and leave the industrial prospecting to regional and individual chambers of commerce and industrial foundations. Once a project is underway, the Congressman can expedite the decisions to be made by governmental departments and regulatory agencies," Stenholm said.

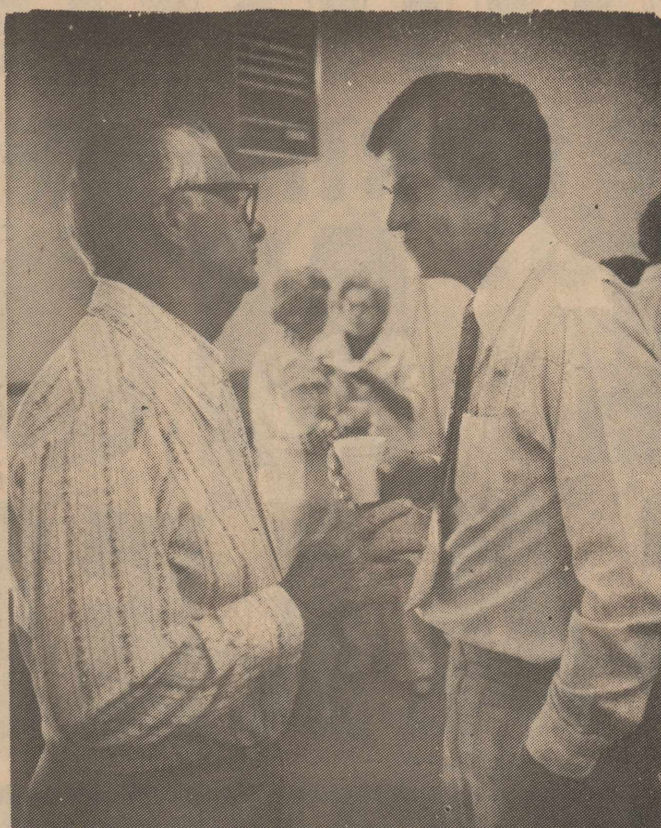

"We must establish clear priorities," he continued. Stenholm noted the growing concern about our posture in world affairs. "After all, our domestic internal problems become insignificant if we do not command respect among world powers and remain number one in military strength. The fiasco over the Panama Canal has brought this sharply into focus," Stenholm stated.

"We must be strong and stand up for American interests world-wide. I support a strong Air Force, Navy and Army, second to none. If the neutron bomb is in anyone's arsenal, I want it to be ours," he added.

"There are many good arguments for many good programs. The question is whether we can afford all these things. All programs must be studied carefully and many eliminated," Stenholm continued, "if we are to control inflation."

The 39-year-old Stamford resident was born and reared on a farm in Jones County in the 17th District, a farm on which he is the third generation Stenholm to work. In addition he has had experience as a teacher, businessman, church and civic leader as well as political experience which has led him to state and national involvement.

Stenholm tells everyone he meets that he is "asking that the people of the 17th District give me a two year contract to serve you in Washington. If at the end of two years, I have not fulfilled your expectations, I would expect you to work as hard for my defeat as I am asking you to help me today."

DISCUSSING AREA NEEDS with 17th Congressional District candidate Charles Stenholm of Stamford, right, is Knox City farmer and rancher Lee Smith. Stenholm and his campaign supporters are on a final swing through the district before Saturday, May 6, and visited with Knox City friends Monday morning at The Knox County News. Pictured in background are Lena McGee and Mabel Pyatt.

Texas Office of Traffic Safety

Farmers Union Calls For Renewed Efforts

WACO - Officers of Texas Farmers Union from counties all across the state have officially gathered to renew the fight for parity goals in farm legislation and pledged continued support of "all farmers and groups of farmers who are fighting for this cause."

The TFU Board of Directors stated in a unanimous resolution "to build stronger coalitions and efforts of ALL farmers for new work toward the goal of parity in government programs for the survival of family agriculture."

IN TANKERSLEY HOME

Major George Kobernus and his wife, Captain Carol Kobernus, returned home last Thursday after a week's visit in the home of her parents, Mr. and Mrs. Jack Tankersley.

The couple lives in Fairfax, Virginia, as he works nearby in the Pentagon and Carol is head therapeutic dietitian at Andrews Air Force Base in Maryland.

Other guests here were the Tankersleys' sons and their families, Mr. and Mrs. Don Tankersley and children of Seminole and Mr. and Mrs. Sam Tankersley of Stamford. Also a guest was Mrs. Sam Tankersley's mother, Mrs. Hazel Eastland, also of Stamford.

IN WHEELER HOME

Chuck Wheeler of Dallas, Jo Mae Pack and daughter Paula of Blanchard, Oklahoma, visited Mr. and Mrs. E.H. Wheeler last week.

Pointing toward the shared goals of Farmers Union with the American Agriculture Movement, the local farm leaders indicated a need to more closely associate all factions who are willing to work actively for reform.

Said one representative spokesman, "Farmers have learned many things in the past few months. Among them has been an awareness of which individuals and groups are fighting for them and which are fighting against them. Farmers are learning how to take care of their own business, and item number one is to support your friends and quit feeding your enemies. Family agriculture will be saved only when those who are willing to get out and work start working together. I think the farmers on our side of the fence are in the majority, but we're going to have to put it all together and push and push until there's no one left on the sidelines. We must stop beating ourselves and start building a bloc of supporters of 100% of parity."

An official of Texas Farmers Union called the spirit of farmers across Texas "good despite their frustrations." New work to build the organization to greater numbers and efforts seeking compromise legislation were discussed at the meeting with positive momentum.

IN CHILDRESS

Mr. and Mrs. Lee Smith were in Childress Sunday visiting with his sister-in-law, Mrs. Roy Smith, and their niece, Mrs. Arville Coyle.

News Notes from the Brazos Valley Care Home

By MRS. EDNA EUBANK

Church of Christ of Knox City held services at the home last week. Thirty-six people from the church helped in the service. It was inspiring to see how the shut-ins enjoyed it all. The singing was superb. Please do it again folks--show the older ones we really do care about them. Thanks. Mrs. Williamson enjoyed

having Clifford, Mr. and Mrs. Finley, Arnell Denton, Bessie King and Jessie Teague. Elaine Clough called on Mrs. Hill.

Zeola Corley is back with us after being in the hospital several days.

Ocie Clough has been taken to the hospital.

Ruth Henderson was happy to see her daughter Mrs. Morrow of Munday.

Mr. Waldrip enjoyed much company. Some who came were Jessie Teague, Lloyd and Ford Waldrip, Mr. and Mrs. Don Welch and two children of Crowell, Carl Charin, E.W. Harrell of Munday, and Georgia Bingham.

Georgia Keck accompanied her sister Fay Lunday to Seymour.

Mr. and Mrs. Virgil Tate of Oklahoma visited various ones in the home last week.

Lucille Carter of Crowell came over to see her dad, Mr. Box.

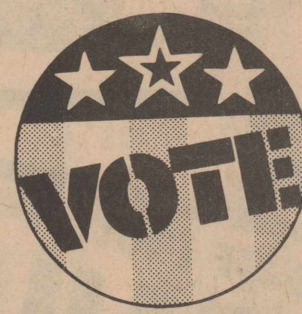

Mr. Benson enjoyed having his wife of Benjamin to see him.

Joe Strickland of Munday visited Cliff Elliott one day. She's a sister.

All the bingo players had a field day on Thursday. Louie Sikes came up and conducted Bingo for them. That game highlighted the whole month.

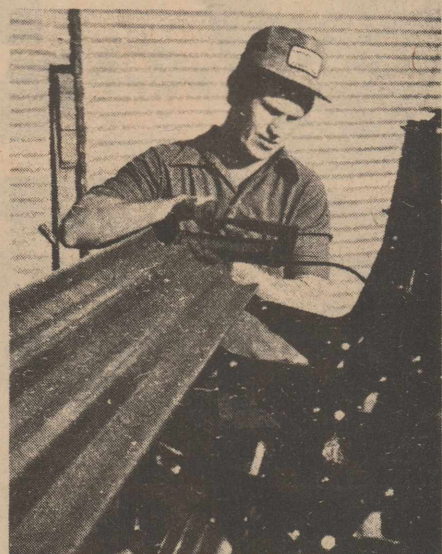

Eda Fay entertained her aunt and uncle the Davers, Davidsons of Rochester.

Pat Elston was a visitor into the home one day.

SEND A FARMER TO CONGRESS

That's right, you can play a vital role in sending a farmer to the U.S. Congress. It's important that another farmer go to Congress since there are less than a dozen in the Congress at this time. Congressman Poage, Bureson and Mahon, three strong supporters of agriculture are retiring this year. So now, more than ever before, it is important that you send to Washington someone dedicated to agriculture.

Charles Stenholm is a farmer. He wants to go to Congress to represent your interests.

Stenholm knows farming is our basic industry.

He realizes that you, the farmers, are the backbone of our nation. You have the responsibility of supplying our nation and the world with food and fiber. He knows the farmers are paying for the oil we are importing. He wants to make sure you can continue to play this vital role in our nation's economy by making it economically profitable for you to farm.

Stenholm wants to protect farming for the future.

He wants to improve agriculture economic conditions now so that more young farmers will be able to enter and remain in farming as a profession. The

family farm, part of our American heritage, is in danger because our children may not be able to make ends meet and remain in farming with the ever-rising costs of production.

Stenholm is concerned with high farm costs.

As a farmer, he shares this problem. He, too, faces high production costs and is concerned with low market prices. Therefore, Stenholm feels much needs to be done to produce a balanced supply with demand. He also believes that you, the farmer, should control any reasonable level of reserves in a system isolated from the market.

Stenholm wants farmers to have more say in government policies.

He believes farmers should have more direct control over farm programs. He supports the Agricultural Stabilization & Conservation Services (ASCS) concept,

which places farm program administration in the hands of community and county

committees you, as farmers elect, rather than dictate from Washington.

For too long the farmers' words have not been heeded in matters of agriculture legislation. If you do not have a farmer in Congress from your area, then let Charles Stenholm work for you. It's time for someone in Congress to place your needs first. It's time for Stenholm.

Stenholm wants to do his part in Congress to help all farmers, not just those in the 17th District of Texas. He needs your money. He wants you to invest in the future of farming.

SEND A FARMER TO CONGRESS! Send Stenholm to Washington.

(¿Esta usted a favor de la Proposición de que la próxima sesión de la legislatura de Texas establezca una ley que permita apuestas (Para-Mutuel) en carreras de caballo como Opción Local del Condado?)
- AGAINST (En Contra De)

MICROWAVE MENUS

An All-Time Favorite Dessert

Some recipes stand the test of time. Many down-home favorites were prepared by your mother and your mother's mother and seem to pass down from generation to generation. These foods bring you back to basic nutritious eating. Stews, meat loaf and roast chicken are prime main dish examples. Fruit cobblers, layer cakes and Apple Brown Betty head the list of all-time favorite desserts.

Today's busier life styles demand hurry-up versions of these traditional nutritious foods. Modern appliances like microwave ovens make that possible. This updated recipe of Apple Brown Betty was developed by the test kitchens of Blue Bonnet Margarine and is made in minutes. It features a crisp topping of wheat germ, bread crumbs and melted margarine. Blue Bonnet has been used by cooks for years to add old-fashioned buttery taste at economy prices.

Since food microwaves from the outside-in, food needs to be stirred or turned

in order to be cooked evenly. If stirring is impossible, as in this dessert recipe, the cooking dish should be rotated one-fourth turn halfway through the cooking time. After the Brown Betty is removed from the microwave cooking continues for a short time so allow it to stand a few minutes before serving.

DOWN-HOME DINNER

- Meat Loaf
- Scalloped Potatoes
- Raisin-Cabbage Slaw
- Apple Brown Betty
- Milk

APPLE BROWN BETTY

- 1/3 cup Blue Bonnet Margarine
- 3/4 cup bread crumbs
- 3/4 cup wheat germ
- 6 cups sliced pared apples
- 2 tablespoons lemon juice
- 1/2 cup firmly packed light brown sugar
- 1 teaspoon cinnamon

For Microwave Oven Preparation: High Power Level Place Blue Bonnet Mar-

MRS. CHARLES MELVIN REED
...the former Sheryll Denise Guinn

Guinn-Reed Vows Are Read In Candlelight Ceremony Sat.

Sheryll Denise Guinn and Charles Melvin Reed began their new life together Saturday evening as they exchanged marriage vows in First Baptist Church. Performing the seven o'clock ceremony before a candlelit altar and archway was the Rev. Bob Cameron, pastor of the First Baptist Church in O'Brien.

Two bouquets of spring flowers, the prie deau, and the eternity candle which the couple lighted, completed the setting for the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Jerry Guinn and Mr. and Mrs. Charles Reed are parents of the bridegroom.

Providing traditional wedding music at the organ was the bridegroom's aunt, Mrs. Melvin A. Lowrey. Vocalists were Karen Finley of Tulsa, Oklahoma, cousin of the bridegroom, who sang "Evergreen" and the bride's cousin, Merri Roberts of Tulsa, who sang "You Light Up My Life". Misses Finley and Roberts also sang "The Lord's Prayer" as a duet.

Given in marriage by her father, the bride wore a formal length princess style white organza featuring an Elizabethan collar accented with delicate white lace flowers. The long sheer sleeves of the gown formed a ruffled cuff and her chapel length train was held by a Dior bow. Lace flower appliques were repeated on the sleeves as well as the outline of the train. Her mantilla length veil was edged with lace with scattered flower appliques. She carried a bridal bouquet of spring flowers.

The bride's sister, Jan Quintanilla, attended her as matron of honor. Bridesmaids were Mrs. Mark Daniel of Abilene, cousin of both the bride and bridegroom, and Judy Ray. The feminine attendants were attired in Qiana knit gowns in the respective colors of apricot, sky blue, and foam green. Print coversups fell to walking length and matching flowers with streamers were worn in their hair. Each carried lighted candles with streamers.

Tom Davis of Snyder served as best man and groomsmen were Craig Randoff, also of Snyder, and Leck Browning of Jayton.

Dell Guinn, brother of the bride, Randy Stephens of Weatherford, Oklahoma, cousin of the bride, and Rodney Stephens of Farmington, New Mexico, also a cousin of the bride, seated guests.

Candlelighters were Missy and Patrick Guinn of Wichita Falls. They are also the bride's cousins.

Mrs. Guinn chose for her daughter's wedding a pink formal gown with a capelet collar. Her corsage was of pink gladioli.

The bridegroom's mother wore a peasant style gown in blue and white with a white gladioli corsage. Kevin Reed, the bridegroom's brother, ushered their mother to her seat.

Registering wedding guests in the foyer of the church was the bride's cousin, Mrs. Frank Westfall of Tulsa.

The bride's parents hosted the reception in the Fellowship Hall of the church. A white cloth with a white satin and lace skirt covered the refreshment table. Fresh flowers accented the three-tiered wedding cake and the bridal bouquet was also used on the table. Appointments were of crystal and silver. Assistants were Jami Clonts of Round Rock, Jan Burt, cousin of the bridegroom, and Tammy Greenwood. Members of the houseparty were Mmes. John L. Grindstaff Jr., Clifford Cornett, Don Railsback, and C.L. Hacker Jr.

Mrs. Kenneth Myers provided piano selections during the reception.

A 1977 graduate of Knox City High, the new Mrs. Reed attended Vernon Regional Junior College and is employed by Knox County Hospital.

The bridegroom, a graduate of O'Brien High School and Western Texas College in Snyder, is employed by Pumps Supply and Equipment.

Following a wedding trip to

Austin, the newlyweds will make their home in Knox City.

The bridegroom's parents hosted the rehearsal dinner Friday night at the Benjamin Memorial Building in Benjamin.

Streams In Desert Places By Ozelle Stephens

"For God, who said, 'Let there be light in the darkness', has made us understand that it is the brightness of his glory that is seen in the face of Jesus Christ. (II Corinthians 4:6).

When Jesus Christ comes within you to live--He is the precious treasure--this light and power that now shines within us--is held in a perishable container, that is in our weak bodies. Everyone can see that the glorious power within must be from God and is not our own. We are lost eternally, helpless and miserable without Christ. We can do nothing with in ourselves. But with Him we can do all things by his power.

Obeys Christ's command to be filled with the Holy Spirit, so that He can pour the Power of Christ in your dark heart which gives you the Light of wisdom, and understanding in this life of heartaches and troubles. He gives peace and victory to all who obey his command and believe. He will never fail, to "Let there be Light in all darkness".

One for the people.

As Chairman of the State Insurance Board, Joe Christie slashed proposed insurance rate increases by more than \$500 million and he shocked the politicians by asking the Legislature to reduce the Board's budget.

His opponent, who has only lived in Texas 11 months out of the last 19 years, is the hand-picked candidate of Big Oil, and he votes their way every time no matter what effect it has on Texans' utility bills or the skyrocketing rate of inflation.

For the people
... for the taxpayer.

And nobody owns him.

Joe Christie
for United States Senator

No. 100 authorized by The Christie Committee 815 Brazos, Suite 700, Austin, Texas 78701. Open 1000-10000

Retired Teachers Hear Mrs. Boyd

The Knox County Retired Teachers met Tuesday, April 25, at 2:30 p.m. in the Knox City Community Center with Mrs. Ila Boyd as speaker for the meeting who presented a book report.

Sixteen members were present including Mrs. Boyd, Vivian Brown, Sammie Carpenter, Virginia Casey, Sudia Cash, Idoma Chowning, Ina Cowan, Louise Finley, Thelma Jamison, Delia Kay, Lillian Logan, Mabel Pyeatt, Bessie Shannon, Maurryse Scott, Lois Smith, and Bettye Taylor.

Hostesses Vivian Brown and Thelma Jamison served refreshments of homemade cookies, barbecued pecans, mints, fruit punch and coffee. The refreshment table featured spring flowers and a hand embroidered, lace trimmed cloth.

Program chairman Lois Smith introduced Ila Boyd who presented an interesting review of the lives and accomplishments of some well known women of yesterday and women of today.

She began her discussion with the well known athiest

Hutcheson Reunion Held April 14

The children of the late Frank and Virginia Hutcheson gathered at Possum Kingdom Lake Friday, April 14, for a weekend family reunion with this being the first "get-together" in some twelve years.

According to reports, many fond memories were recalled together with picture taking, delicious food, and just relaxing together under the large oak trees enjoying the cool breeze from the lake.

Attending were Bill and Jessie Henderson, Olton; Mrs. Bernice Coleman, Dallas; Richard and Mary Ruth Henderson and family, Richardson; Mrs. Grace Hutcheson and Mrs. Eddie Stanley, Longview; Charles and Freddie Long, Couer d'Alene, Idaho; Douglas and Ora Hutcheson, Kerrville; L.C. and Amerolis Guinn, Bill, Genie, and Daveine Holcomb, and Simone Cobb, all of Knox City; and Mrs. Sue Cure and Courtney, Garland.

Madalyn Murray O'Hair who said: "If you Christians had been on the ball, I would never have been able to get prayer taken out of the public school". She contrasted Mrs. O'Hair's work with the work of such Bible teachers as Dale Evans Rogers, Cynthia Clark Wedel, Teresa Hoover, Jessie Pack, Sister Mary Luke Tobin, and Marie Mathis. She gave credit to two Prime Ministers: Israel's Golda Meir, and Mrs. Gandhi who ruled India's 550,000,000 people, Queen Margarita of Denmark, and Queen Elizabeth of England.

Some "women in America" were: Jane Addams, Clara Barton, and Carrie Nation.

In comparing Bible women with women of today, Ila referred to Mary and Mary and Martha and noted that the Bible women stayed with Jesus in his last hours and his resurrection. She closed with the quotation: "Tis no small thing to be a woman."

Virginia Casey included a very good list of "Don'ts" for club women in her discussion on Parliamentary Procedure.

President Lillian Logan announced the One Day Drive-In Workshop sponsored by the National Retired Teachers and the Texas Retired Teachers which was held Tuesday, May 2, in Wichita Falls, and encouraged Knox County unit members to attend.

Treasurer Delia Kay, asked that all members pay dues by the last meeting--May 23, so they may be sent in on time.

Sudia Cash read Mrs. Jo Wilson's invitation to Knox County Retired Teachers to join Wichita Falls Retired members on summer tours coming up May 20, July 18, and October 15.

Virginia Casey announced the Truscott Historical Preservation Association is planning to reprint Knox County History.

Virginia also stated the organization is planning to give one-third of their net profit to the County for a museum. For further information contact Virginia Casey or Vivian Brown in Truscott.

The club's next meeting will be a picnic at Copper Breaks State Park on May 23 with coordinators Sudia Cash, Virginia Casey, and Lois Smith.

KC Garden Club To Have Luncheon

The Knox City Garden Club will have a covered dish luncheon Tuesday, May 9, at twelve noon at the Community Center.

Mrs. Travis Boyd and Mrs. Ottis Cash will be hostesses.

All members are asked to bring a small table arrangement, a covered dish, and a friend, according to Ruby Robinson, club reporter.

Local Initiated In Alpha Kappa Delta

Midwestern State University was recently granted a charter, the Pi Chapter of Texas, for Alpha Kappa Delta, a national honorary society for undergraduate sociology majors and minors and Knox City resident Sarah Bellinghausen has been initiated into the chapter. The chapter's first initiation was Saturday, April 30, in Rooms 106-107 of MSU's Clark Student Center.

Members of MSU's faculty initiated were Dr. Philip S. Colee, assistant professor of anthropology, and Dr. Frank A. Southard, instructor of Sociology.

Students from Wichita Falls initiated were Martin David Barrick, Nickie J. Becker, Phyllis Irene Behrens, Hazel Jean Bell, Mary A. Boone, Delia Castillo, Vikki Ann Gibson and Elizabeth Grauerholz.

Continuing the list are Georgia Nell Green, Linda Lavina Hawley, Karen Sue Kovarik, Clinton E. McAdams, Harry A. Moore, Jr., Robyn R. Parrish, Brenda Sanford, Carmen M. Smith, Jo-Denise Testa, Jake Vasquez, Booth E. Wallace and Joseph C. Young.

Candace L. Augustine, Graham; Kathleen P. Isbell and Janice S. Hunt-Swanson, Vernon; Gregory T. Kenny, Colorado Springs, Co; Robert Douglas Lee, Fort Worth; and William Blake McCurdy, Rhome, also were initiated.

Guest speaker for the ceremony was Dr. Lawrence Clinton of the Sociology Department at East Texas State University.

Locals Report On Florida Trip

The Nocona Fun Tours Group, consisting of 48 people including Thelma Grinstead and Ermine Mullino of Rochester and Bea Ressel and Gladys Reed from Knox City have just returned from a week's trip to Florida.

Places of interest visited were Disney World, Sea World, Cypress Gardens, Space Center, Orange Groves and the beach.

They reported a very enjoyable trip at this time of year as the oranges were being picked and Azeleas and other flowers were at their best.

LET'S RETURN JUSTICE

CHADICK

TEXAS SUPREME COURT
INTEGRITY * MATURITY * IMPARTIALITY

Decisive Choice Of Fellow Lawyers Across Texas

Incumbent Justice T. C. Chadick is the overwhelming choice of fellow lawyers throughout Texas; has been endorsed by the Houston Chronicle, Waco Tribune Herald, San Antonio Light, Fort Worth Star-Telegram, Dallas Morning News, Dallas Times Herald and many other newspapers throughout the state; by the Dean of the Texas Senate, A. M. Aikin; by Baylor University President Abner McCall; by 10 former Supreme Court Justices; and literally hundreds of informed people throughout the State.

In Texas, we've learned the bitter lesson of voting for a well known name, rather than a well respected and qualified candidate for this highest court position. Let's don't make the same mistake twice.

**On Saturday, May 6th,
let's return Justice T. C. Chadick to
the Texas Supreme Court, Place Four.**

Pol. adv. Justice Chadick Campaign Committee, Jack Chadick, Treasurer, 1011 Congress Ave., Suite 401, Austin, Texas 78701

MAY 1978

Know About Hypertension!

High blood pressure is still an important problem. Please review these facts that everyone should know.

1. High blood pressure is very common--15% to 20% of the adult American population, or about 23 million people, have the disease.
2. High blood pressure is dangerous--it is a leading cause of stroke, heart disease, and kidney disease.
3. Treatment reduces the danger--in most people, high blood pressure can be lowered and kept under control with continuing treatment. This greatly reduces the risk of serious complications.
4. High blood pressure usually doesn't cause symptoms--the only way to know whether your blood pressure is high is to go to your doctor and have it read. The fact that you feel fine is no assurance your blood pressure is okay.

With these points in mind, the importance of regular checkups to find out if you have high blood pressure--and of following your doctor's instructions if you do--cannot be denied. So have physicals and tell your friends about the dangers of high blood pressure.

Think I'll turn on the electricity and watch T.V.

Sounds strange, doesn't it? No one ever thinks about the role electricity plays in making most of our activities possible. But without it, our lives would come to a virtual standstill.

At West Texas Utilities Company, we don't expect you to think of electricity directly each time you turn on the T.V. or cook dinner or wash clothes. But maybe, every once in a while, you'll think of what it takes to make your life so comfortable.

We've aimed our sights in but one direction, year after year -- to meet your needs. You may not always think of us, but we're always thinking of you. Because electricity is such a versatile energy source, it will play an increasingly important role in all our lives.

So, when you think about the comforts and necessities of your life, think about WTU. We're dedicated to providing you with a reliable supply of electricity. We hope you'll use it wisely.

Remember, Reddy supplies the energy, but only you can use it wisely!

Highlights Of PCA Annual Meeting Told

Folling Plains Production Credit Association held its 44th Annual Stockholders Meeting in Childress, Friday, April 28, and in Stamford, Saturday, April 29, with over 700 stockholders and guests attending.

Highlighting the meeting was the election of two directors. Stockholders elected Bill H. DeBusk, Anson, for a three-year term to replace Mack T. Claburn, retiring Board Chairman. W.J. Boykin, Northfield, was re-elected for a three-year term. In later action, J.P. Perrin, Haskell, was elected chairman of the board and W.J. Boykin, vice-chairman. Present association officers were reappointed. Lloyd M. Blackwell, Stamford, was promoted to vice-president and Randy Arnold, Spur, assistant vice-president. Arnold will remain as manager of the Spur Office.

R.C. Cobb, president, reported association loaned over 70 million dollars in

1977. In his review of the Statement of Condition, he told stockholders that the association has capital and surplus of nearly eight million dollars.

W.J. Boykin, director from Northfield, gave a report from the Board. He said, "...even though farm operators are declining in number each year, the Association membership continues to increase..."

Stockholders adopted a Resolution in recognition of Mack T. Claburn, retiring director, for his 23 years of service on the Board.

John Tower's Assistant, Chris Steed, speaking at the Childress section presented three major issues confronting congress and the administration since the first of the year. First, the problems of the agriculture industry; second, consideration of the Panama Canal Treaties; and third, continuing work on the Administration's Energy Bill.

Congressman Bob Krueger, speaking at the Stamford section supported the American Farmer. It is his opinion that additional credit may keep farmers in business on a short-term basis, but only increased prices can solve the long-range problems farmers face. He feels, "We need comprehensive planning measures incorporating not just flexible parity, which will provide higher prices, and additional credit, which will provide needed cash on hand, but also definite proposals to achieve overseas sales and equitable inspection standards for farmers who compete with foreign producers. Expansion of world trade is of paramount importance to American agriculture."

Elected to serve on the 1979 nominating committee were M.C. (Salty) Jones, Quitaque; Billie J. Holley, Paducah; Walter Heller, Leuders; John Ben Glover, Rochester; and Norman E. Hardy, McAdoo.

A barbecue lunch was served to stockholders and guests.

Your Social Security

SSI FILING DATE

As many people are now aware, the Social Security Administration is in charge of two cash payment programs: Social Security benefits and Supplemental Security Income (SSI). "SSI is the more recent program, having been instituted in January 1974 to make payments to aged, blind, and disabled persons with limited income and resources," explains James Harper, Social Security Branch Manager in Vernon. Social Security is the retirement, survivor, and disability insurance program where eligibility is determined by a person's having worked under Social Security covered employment for a certain length of time.

Due to the fact that both programs have similar names and are both administered by the Social Security Administration, many persons are confused about the difference between Social Security and SSI, and assume that the eligibility requirements and application procedures are the same. "One of the most misunderstood aspects," states Harper, "is the idea that SSI payments can be retroactive up to twelve months. This is not correct. SSI payments can be made only as far back as the month in which the application was filed. For example, if a person who has been disabled for

a year files an application for SSI today even though he has been eligible for a whole year, he will only receive benefits for the present month and the months after."

Harper continued that some SSI claims, such as disability cases, could take two or three months to be processed since medical records must be secured and evaluated. In such cases, a person may receive a lump sum payment for several months, but this check will still be retroactive only back to the month in which the application was filed.

Since entitlement begins no earlier than the month of filing, Harper encourages anyone who thinks that they may be eligible for SSI payment to contact the Vernon Social Security office at 1701 Cumberland in Vernon immediately or call 817-552-9346. Delay of such action could result in a loss of some benefits.

REPORTING RESPONSIBILITIES

Do you receive Supplemental Security Income? Then don't forget how important it is to keep Social Security informed about all changes in your life. A change in your life could mean that Social Security is not paying you enough money or you could be getting too

much. Large overpayments accumulate—which are difficult to repay—when Social Security is not kept informed.

What changes should be reported to Social Security? Let us know immediately if you move—whether or not you change your address. Let us know if you get married, divorced, separated, start living together again, or any changes in your marital status or living arrangements.

If you go to the hospital or nursing home—have someone call us, if you can't. If your income goes up or down, tell us. If you see or buy any kind of property, or get any kind of money from any source, tell us.

If you are disabled and get better, tell us. Let us know if you go to work. You should report if someone you know, who gets SSI, becomes mentally incapable of taking care of their funds or dies.

If you are in doubt about whether a change in your life should be reported to Social Security—resolve that doubt by reporting. Let's keep your record straight and correct payments coming to you each month.

CHECKS—TITLE II & XVI

"The 1977 amendments to the Social Security Act provide that when the payment delivery date for social security or supplemental security income checks falls on a Saturday, Sunday, or legal holiday, the checks will be delivered on the first workday preceding the normal delivery day," James Harper, Social Security Branch Manager in Vernon, said today.

"This will be done even if delivery would be made before the end of the month for which the checks are issued. "A check which is subject to early payment under this amendment, and which is later determined to be incorrect, will not have to be repaid as long as the event which caused the benefit to be incorrect occurred after the payment was made.

"Checks for the Wilberger, Foad, Cottle, Hardeman, Knox, and Childress County Social Security Beneficiaries will be dated other than the 3rd in 1978 as follows: June 2, September 1, and December 1. The Supplemental Security Income Recipients will get their checks on the 1st of the month except the April 1 check will come on March 31, the July 1 check on June 30, and the October 1 check on September 29," Mr. Harper explained.

If you have any questions, please contact the Vernon Social Security Office at 1701 Cumberland or call 817-552-9346.

KC Colored News-Events

St. Paul ladies held their fifth Sunday program. Starting last Thursday night the Church of God in Christ were the guest. Elder L.W. Ward were the speaker and preach from Luke 10:30-34. Sermon were "Charge It To My Account." Martha Corthers sponsor.

On Friday night were sponsor by Alestine Flye. Guest churches were Solomon Temple of Stamford, Weeping Mary of Anson and Rochester. Rev. Slaughter were the speaker and preach from John 11:1-10 sermon "Follow Jesus".

Sunday School had a small attendance. Supt. in charge. The lesson were taught by the teacher and reviewed by the Supt.

On Sunday evening at 3 p.m. were the closing of the program. Sis. Vera Clay were the speaker and she preach from Matthew 6:19-20. Sermon were "Saving For Eternity". A short lesson were given by the mission teacher Mrs. Martha Corthers.

SERVICES OF THE CHURCH OF GOD IN CHRIST

The weekly services were held. Sunshine Band was held on Saturday evening.

YPWW was the last service of the day.

The YPWW Youth Congress is in session this week at the Southside Church in Abilene.

The 44th Anniversary of the Knox City Church will be held at the Church May 11, 12, and 14th, Lords Willing.

Baum Confident Voters Will Go To Polls May 6

Jim Baum, Big Spring candidate for United States Congressman, 17th District, today voiced confidence in the voters of the district that they will exercise their right to vote in the Democratic Primary May 6 and overcome the feeling of apathy that has been so apparent in past elections.

Baum stated, "Not only do I have confidence in the district's voters, I strongly believe our citizens will make a congressional choice with great care and concern, a belief I have developed after traveling some 31,000 miles into 86 towns and cities throughout the district."

"I would hope to be that choice," added Baum, whose efforts have been called a "peoples' campaign." "I think voters realize I am one of the majority...those of us who are tired of picking up the tab for big government spending programs while we struggle just to make ends meet. A major part of my campaign has been directed toward fighting voter apathy. Voters believe they can't change our big, wasteful government. But we can...by realizing that we will have government of the people when people get involved. And that's why I am running for Congress...to prove we can turn this thing around."

Baum pointed out he has run a relatively inexpensive campaign. "Despite the fact I have been outspent 10 to 1, I firmly believe I am going to be in the run-off. That tells me that people have related to my campaign because they know I truly want to represent the majority of our citizens," Baum stated.

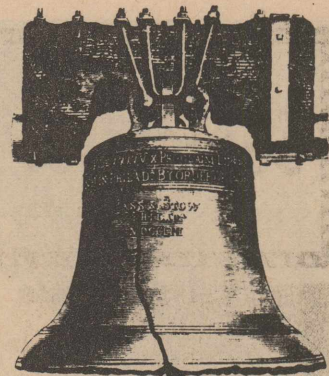

Baum's campaign has been geared toward the middle income families...whether they be farmers, ranchers, small businessmen, teachers or homemakers. He says, "We're the groups of unrepresented people. It's time we started having a say in our affairs."

Since early January, Baum has been conducting a door-to-door canvass of the large 17th district. He credits this method of campaigning for his ranking of one of the top contenders to replace the retiring Omar Burleson.

Thursday, May 4, Baum will accept collect calls from anyone in the district at his Big Spring headquarters (area code 915 263-1313). "If there is one person who wanted to talk to me during my door-to-door campaign but I missed that person, then

I want that person to know I'm available by telephone now...and will continue to be available if elected to Congress." Baum stated.

Baum concluded, "I have taken my campaign to the people. I'm convinced voters will respond Saturday by voting for the candidate who will remember to whom he is responsible...the men and women of the 17th district who go to work just as I do... who try to pay their bills and try to provide for their families. That candidate is Jim Baum."

Poerner Receives Endorsements

Railroad Commissioner John Poerner has received widespread support in newspaper endorsements throughout Texas.

The San Antonio Express-News recommended Poerner to its readers Sunday and the San Antonio Light endorsed the commissioner last week. The Beaumont Enterprise and the El Paso Herald Post are additional recent endorsements reported to the Poerner campaign headquarters.

Previously announced endorsements include the Abilene Reporter-News, the Hondo Anvil Herald, the candidate's hometown newspaper, the Houston Chronicle, the El Paso Times, the Fort Stockton Pioneer, the Dallas Times Herald, the Andrews County News, the Lubbock Avalanche Journal, the Fort Worth Star-Telegram, the Wichita Falls Times-Record-News, and the Fort Stockton Pioneer.

Last week the Austin American-Statesman endorsed John Poerner, as did the Gainesville Daily Register, and the Dallas Morning News.

Poerner, in East Texas on a campaign tour last week, said he was gratified to receive such widespread support in all parts of Texas.

FACTS & FIGURES

Experts estimate that fully 50 percent of all blindness can be prevented, and that 90 percent of eye injuries are avoidable.

Wearing effective safety eye wear in school and on the job has saved the sight of over 63,000 people.

You can get a free booklet about preventing blindness from your state Prevention of Blindness Society or the National Society for the Prevention of Blindness, 79 Madison Avenue, N.Y., N.Y. 10016.

This is the Society's 70th year of saving sight.

Seniors of the Week

The Kennel

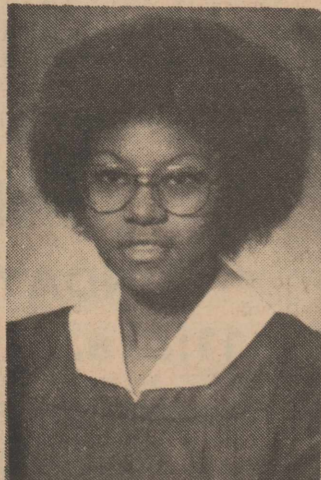

PHILLIP RHODES

Phillip Kevin Rhodes, son of Mrs. Florence Rhodes, was born October 23, 1959. He was born in the Knox County Hospital at 8:00 a.m. He has lived in Knox City for eighteen years.

In those eighteen years he has played football, basketball, and ran track from junior high throughout high school. He has excelled the most in track.

As a sophomore, he ran on the district champion team. He ran the 220 and mile relay. As a junior, he qualified for the regional track meet in the 100 yard dash.

Outside of track, he also loves to listen to tapes and records. His favorite group is the Average White Band. After graduation his plans are to run track in college.

GAYLE WARE

Merretta Gayle Ware was born July 24, 1959, in Knox County Hospital. Gayle's mother is Mrs. Leola Eddington. Gayle is the oldest member made up of two brothers and four sisters. She has lived with her grandmother since birth who is Mrs. Cleola Ware.

Gayle has gone to Knox City schools all her school years. Her freshman year she was in FHA, Pep Club, basketball, and ran track. She also did these things her sophomore year. During her junior year she was an active member in volleyball, and basketball half of the year. She is also involved in these sports her senior year.

She doesn't have any definite plans for the future, she is just going to take life as it comes.

Her favorite singing group is the Commodores. They have been her favorite singing group for about three years and will always be.

Knowing Medical Terms Can Simplify Questions

What do oncology, neoplasms and chemotherapy have in common?

While they may sound more like names from a Russian novel, they are actually medical terms commonly used in cancer treatment and research.

A few of the most commonly asked about words concerning cancer are defined below. While this list is far from complete, it can serve as a useful reference to clip and save.

ONCOLOGY — The study of cancer which has become a specialty branch of modern medicine.

CANCER — A large group of over 100 diseases characterized by uncontrolled growth and spread of abnormal cells.

NEOPLASM — Any new abnormal growth of cells or tissues that may be benign or malignant but is usually used to describe a cancerous tumor.

BENIGN TUMOR — An abnormal swelling or growth that is not a cancer but causes a reaction by its pressure on adjacent tissues or organs.

MALIGNANT TUMOR — A tumor made up of cancer cells. These tumors continue to grow and invade surrounding tissues, with the ability to break away and grow elsewhere.

METASTASIS — (Mah-TAS-tah-sis) The process by which cancer cells break away from their primary point of origin and spread to other parts of the body through the lymph and blood systems and start new cancerous tumors.

BIOPSY — The surgical removal of a piece of tissue from a patient for microscope examination to determine whether cancer cells are present.

CHEMOTHERAPY — Treatment of cancer by admin-

istering chemicals and drugs to destroy the cancerous cells with minimal effects to normal, healthy cells.

RADIOTHERAPY — Treatment of cancer with radiant energy to destroy cancerous cells. Cobalt-60 is a commonly used radioactive element in radiotherapy.

IMMUNOTHERAPY — Treatment of cancer by stimulating the body's own immune system against the disease.

SARCOMA — A form of cancer that arises in the connective tissue and muscles, such as bone and cartilage.

CARCINOMA — A form of cancer that arises in the tissues that cover or line such organs of the body as skin, intestines, uterus, lung and breast.

John Hill Opposes State Income Tax

When he announced for Governor, Attorney General John Hill said that he would oppose — and would veto — a state income tax or any other new tax bill. He has repeated that pledge many times since. Anyone who says that Hill would support a state income tax is just trying to mislead the public.

As Attorney General, John Hill cleaned up political corruption in Duval County, sued the phone company to stop an increase in rates and worked for a national energy policy that would be fair to Texas.

As Governor, John Hill will use the state's budget surplus to reduce property taxes and to help pay more of the cost of our public schools. There will be no state income tax and no other new taxes if Hill is elected Governor.

JOHN HILL
GOVERNOR

SENIOR CLASS NEWS

by Peggy Gutierrez
Last Tuesday, the Church of Christ had the annual Senior Supper. It was very good. Thank you all.

Wednesday, Dusty Rhodes came to talk and answer several questions.

Thursday, we had several Senior men going to Regional in track: Mark Clonts, Brett Boone, Tommy Mangis, Mike Howell, David Anderson, and Phillip Rhodes. We are very proud of them and especially Tommy Mangis. He has made it to state in the hurdles. Congratulations and good luck at State!

JUNIOR CLASS NEWS

by Rhonda Skiles and David Benson
Thursday night, (tonight) the Juniors are to serve the Tri-State Chemical Company. Everyone is reminded not to forget what their responsibilities are.

Saturday, we will also have a Work Day. We will do yard work and also wash cars. If you have anything you would like to be done, or want your car washed please contact Mrs. Newton or one of the Juniors.

David Walling placed first in the high jump at the Regional Track Meet in Odessa. He gets to go to the State Track Meet on the 12th and 13th of May. Congratulations David!!

SOPHOMORE CLASS NEWS

by Gerri Watson
This weekend only one Sophomore boy advanced to the Regional Contest in Odessa. This boy was Dwayne Johnson.

Last Thursday our Sophomore Class had to turn in English Class Projects. These projects are homemade articles that represent a story or poem from our textbook. Mrs. Watson was pleased with their results.

Last week we pre-registered for our next year class. Some of the courses we will be taking next year will be English (of course!), Algebra II, World History, Shorthand, Bookkeeping, and Typing II.

GREENHAND NEWS

by Simone Cobb
The Ag I class is still working on their gunracks. When we have finished, they will be judged. The first place will be put in the lobby of the bank.

EDITORIAL

by Junior Figueroa
Teachers often tell students in their freshmen and sophomore years that they should be already thinking about a career goal. And if you have a certain field in mind you should take all courses related to your goal.

Do you take this advice into consideration? You should. Many times we just want the "easy way out." We'll take only the required courses and that's it. Why take Physics or Trig if you don't have to? It will be of no use to you in the future!

If you are interested in engineering for instance, you should take all the math courses offered. It will make it much easier for you in college.

Most students will change their career goals a few times

before they go to college, and some still will not be sure what they want to do when they graduate from college. You should take all related courses offered because the experience you gain from courses like typing, trig, physics, or bookkeeping can be very rewarding in college.

FHA NEWS

by Tammie Helton
The 1977-78 state FHA meeting was held in Dallas, on April 20-21. There were over 7000 members and advisors from across the state present. Betty Clower attended from the Benjamin FHA organization. The girls attending from Knox City were Angie Bateman, Kay Howell, Angelia Reid, Rhonda Skiles, Sonia Carter, Gaylynn Burkham, and Tammie Helton. Mrs. Veeta Reid and Mrs. Vera Newton were the sponsors.

The FHA group began their journey Thursday morning around 8:30. We arrived in Dallas about 1:30. We stayed at the beautiful Adolphus Hotel, one of the oldest and most historic hotels in the city. After checking in, we were ready to see the sights. That afternoon we went shopping. The only bad thing was they parked our cars and we didn't see them until Saturday morning before we left! We walked everywhere! We did get to take a taxi two times. Thursday night was the first session of the meetings. It started at 7:30. This session was a business and talent meeting. Gaylynn Burkham and Angie Bateman served as voting delegates.

The changing of the FHA emblem was voted on and accepted. The house rules, minutes, treasurer's report, and report of constitution committee were all read. The talent numbers were presented by Area I-V. The FHA State Choir also sang at every meeting. The meeting was over around 10:00. We had reservations to eat at the new Hyatt Regency Building. The restaurant was on top of a tower overlooking Dallas. The outer portion revolved slowly as we enjoyed our meal. This was a very good and expensive meal. Afterwards, back to the Hotel for a good night's rest, we had a big day ahead.

Friday morning, April 21, came a little too soon for some of us. The meetings Friday, began at 9:00. Registration began at 7:30 and special music was presented by the Lewisville High School Band at 8:30. We had the presentation of the colors brought by the North Mesquite High School ROTC. This was the best meeting to many because we had a NFL Football player to speak. This was Bert Jones, quarter for the Baltimore Colts. He

stressed being successful is being the best that you can possibly be at whatever you are.

At 12:00 noon, we were released for lunch. The meetings began at 1:00. This session was workshops. Several we attended were Youth and Leadership, Child Abuse, and Communications. These workshops were over around 2:30. Then everyone except Mrs. Newton and Angelia Reid went back to the Hotel and more shopping. Angelia, being Area IV President presided over the Area officers business session and attended the state executive council dinner Friday night.

Friday nights session began at 8:00 with special music by the Trinity High School stage band. Then the connection team and better breakfast reports were given. Slides were shown to us of parents and children. This was entitled "Photographs and Memories" and "Parents—A Child's Best Friend". The speaker for this session was Lewis Timberlake. His speech was "The Anatomy of a Leader." He stressed that we are all "born to win, conditioned to lose." Then, he was followed by the installation of State Officers for 1978-79 and the closing ceremony.

We all went back to the Hotel and tried to get our things together the best as possible for packing the next morning. We left Dallas around 10:00 and arrived home about 3:00.

We would like to thank Mrs. Newton and Mrs. Reid for taking us on the trip. We all had a really fun time and are ready for next year's area and state meetings. These two ladies had a big job and we appreciate them very much! Thanks again!

Bullock says

John Hill's promises could bankrupt state

AUSTIN — State Comptroller Bob Bullock warned taxpayers today that the spending promises made by John Hill in his political race for governor would exceed available revenues by about \$1 billion and pave the way for a state income tax.

"As Comptroller, it is my duty to certify to the Legislature the amount of money available for spending," said Bullock. "I also feel it is my duty to tell the taxpayers when their pocketbooks are about to be cleaned out."

Bullock said that Texas has been blessed with a sound economy in the past few years and as a result the Legislature will have \$2.75 billion more available for the next two years without a tax increase.

"However, said the Comptroller, "candidate Hill has already promised \$2.28 billion in teacher pay raises, higher teacher retirement benefits and greater state aid

and control of local school districts."

In addition, said Bullock, Hill has promised sales tax and inheritance tax relief, changing the structure of the natural gas tax, spending more on law enforcement, more state aid to city and county governments, state purchase of wetlands, creation of a state commission on human rights and state funded teaching hospitals.

"They may be good programs," said Bullock, "but they add another \$1.35 billion to the price tag on Hill's promises. He either plans to waltz on those promises or bring on a state income tax to pay for them."

The Comptroller noted that nationwide studies have shown that Texas has the Number One business climate in the United States—largely because Texas is one of only a handful of states without a personal or corporate income tax.

"We have had no state tax increase in six years under Governor Dolph Briscoe, while 39 other states were suffering 101 increases in major taxes," Bullock said. "We have had state budget surpluses while other states scraped the bottom of the barrel."

The Comptroller said Texas voters should consider whether they want to "throw away their sound economy and Number One ranking for a bunch of rash promises and the likelihood of a state income tax."

Your Social Security

There are many people who have never worked who may be eligible for financial assistance from the Federal government.

Supplemental Security Income, commonly known as SSI, is a program based on financial need. It is available to those who are over age 65 and also to those of any age who are blind or disabled and can meet the income, resource and residency requirements.

The SSI program is especially helpful to disabled children. Although the income and resources of a child's parents must be considered when making the decision of eligibility, the income levels are much more lenient now than at the inception of the program in 1974. Parents who have a disabled or blind child are urged to contact their local social security office.

When a disabled or blind child reaches the age of 18 and providing he or she is not in school, Social Security Administration then considers that individual an adult and the income of the parents is no longer considered.

SSI is also helpful to those who are applying for social security disability and have a six-month waiting period to serve before the regular social security benefits would begin. SSI has no waiting period and could provide temporary or even additional financial assistance, depending on the amount of the individual's regular social security benefit.

There are numerous factors considered before anyone becomes eligible for SSI. All other income, living arrangements, resources and, of course, a determination of blindness and/or disability are all considered. The maximum benefit payable to an individual is \$177.80 and to a couple, \$266.70.

If you are blind, disabled or over age 65 or if you have a friend or relative in the above categories, contact your nearest social security office.

BENEFIT COMPUTATION METHOD IS CHANGED

Legislation, recently enacted into law, made an important change in the way monthly social security benefits will be calculated for persons who reach 62, are disabled, or die in 1979 and later, a social security representative said recently.

The change will not affect anyone now receiving monthly checks.

The effect of the change will be to stabilize the percentage of pre-retirement earnings workers receive when their benefits begin. If left unchanged, the old law, would under current economic assumptions, have resulted in future benefits increasing much faster than pre-retirement wages. This was an important factor in the projected deficit for the social security trust funds under the old law.

The representative emphasized that people getting social security retirement, disability, and survivor checks will continue to get cost of living increases in the future—that part of the law was not changed.

Under the present method, monthly benefits are based on a worker's average earnings over his or her working lifetime using actual dollar amounts.

Under the new method, the representative continued, a worker's lifetime earnings up to two years before age 62 will be adjusted to take account of increases in average wage levels over the years. Then, these adjusted earnings will be averaged to gether with actual earnings just before retirement.

The new method is designed to replace about the same part of a worker's actual pre-retirement earnings as the present method does for people now retiring.

The new law has a guarantee for workers reaching 62

after 1978 and before 1984. The guarantee is that workers will receive no less under the new law than they would have received under the old law's rate schedule in effect as of January 1979. Benefits for this group will be figured under both the old and new methods and the worker will get the higher of the two rates.

Survivor and disability benefits will be figured by the new method immediately.

The new law also made other important changes that affect benefit amounts. These are:

1. Delayed retirement credit—This credit is now one percent for each year a person does not receive benefits between age 65 and 72 because of his or her work. The credit is increased to three percent for each year effective for workers reaching age 62 after 1978. The first retirement benefits increased under this provision will be paid in 1983. People who received reduced benefits can now receive these credits if they have deductions months after age 65.

The present credit will also apply to widows' and widowers' benefits beginning with June 1978. Under the old law, the credit only applies to retired workers' benefits.

2. Special minimum benefit—There is a special benefit based on "years of coverage" for people who worked many years under social security who had relatively low earnings. They get a benefit figured by multiplying the number of "years of coverage" over 10 and up to 30 by \$9. The maximum under the old law was \$180 a month. Under the new law, the multiplier is \$11.50 and the maximum possible benefit is \$230. Also, the special minimum will be subject to cost of living increases. This change will be effective in 1979.

QUARTERS OF COVERAGE MEASURE IS CHANGED

Legislation, recently enacted into law, made a very important change in how quarters of coverage, used to decide eligibility for all social security benefits, are earned, a social security spokesperson said.

Before any benefits can be paid to a worker for his or her dependents or survivors, the worker must have enough credit for work covered by social security. "Quarters of

coverage" is the measure used by social security to determine the amount of covered work a person needs.

Under the old law, most employees earned a quarter of coverage for each calendar quarter in which they were paid \$50 or more in wages covered by social security. Agricultural workers earned one quarter of coverage for each \$100 of covered annual earnings up to four quarters of coverage if they had \$400 or more in net earnings from self-employment for the year. Beginning with 1978, all workers and self-employed people will earn one quarter of coverage for each \$250 in covered annual earnings up to a total of four quarters for the year based on annual earnings of \$1,000 or more.

In addition, the representative went on, the \$250 measure will be increased each year to take account of increases in average wage levels. No changes were made in the rules governing how many quarters of coverage are needed for people to be eligible for benefits.

Other important changes were made in the rules concerning social security coverage. They are:

Tips—The Federal minimum wage law allows an employer to pay an employee up to 50 percent less than the Federal minimum wage if the employee receives tips that make up the difference between actual pay and the minimum wage. Under the new law, employers share of the social security tax on tips which have been counted as wages for purposes of the minimum wage law. The change is effective beginning with 1978.

Members of the clergy—under the old law, services of a member of the clergy were covered as self-employment unless the person filed an irrevocable waiver of coverage. The new law gives members of the clergy who filed such a waiver a one-time opportunity to revoke it for present and future years.

These changes, along with the many other made in social security by the new law, are more fully described in a leaflet. Free copies can be obtained from the Vernon Social Security Office at 1701 Cumberland in Vernon or you may call at 817-552-9346.

Texas Doesn't Need a Governor Who Says "No New Taxes"...
Texas Needs a Governor Who Will Reduce Taxes!
Texas Needs Preston Smith.

Texans have paid too much in taxes!
For the last six years Texas has been operating with a tax surplus that has sky-rocketed to more than 2 Billion dollars.
It's easy for other candidates to say "no new taxes" when they have been taking more money out of your pocket than is needed to run your state government.
You've been overcharged!
Preston Smith will reduce taxes.

- Preston Smith will improve Texas schools!
- Preston Smith will implement a state energy program!
- Preston Smith will strengthen agriculture in Texas!
- Preston Smith will fight the rising crime rate!

Preston Smith will return pride in state government!

Texas Needs Preston Smith
(Paid for by the Committee to Elect Preston Smith Governor, Preston Smith-Treasurer, Suite 301, Stephen F. Austin Hotel, 701 Congress, Austin, Texas 78701)

Uncle Murph Ennis misses his chance to get a kiss from the Widow Ludie Jones in return for making her a new pair of shoes, in this comical scene from "The Lone Star," the outdoor musical playing nightly except Monday at 8:30 in the amphitheatre in Galveston Island State Park.

Lone Star drama starts second year

GALVESTON—Sam Houston and Santa Anna have reorganized their armies, refilled their guns and cannons and watered their horses as they return to the stage of Galveston's amphitheatre to fight the Battle of San Jacinto in the outdoor musical, "The Lone Star."

With new scenes, new costumes and a vivacious cast, the Paul Green drama recently launched its second season in the Mary Moody Northern Amphitheatre in Galveston Island State Park. Davy Crockett, Jim Bowie and Stephen F. Austin unite against Mexico to fight for freedom in this exciting story of the founding of the Republic of Texas.

The 1,800-seat amphitheatre is one of the newest outdoor theatres in the country and is now equipped with an extravagant 315-unit lighting system programmed to create spectacular visual effects.

"The Lone Star," the 53rd outdoor drama in the coun-

try and the second one to hold a six-month season, will run every night except Monday through October 15.

Approximately 100 actors, singers, dancers, musicians and technicians from all over the U.S. came to Galveston to join the cast. Having an extended season provides aspiring performers the opportunity to gain theatrical experience for a longer period of time, compared to the many productions that have a six-week to three-month run.

The Land Bank ...money to keep the farm in the family
The Bank of Generations

One of agriculture's toughest challenges is keeping the farm in the family. It takes long-term planning and, often, long-term credit. For more than three generations, the Land Bank has helped farm families pass along what they have worked so hard to build. We may be able to help you, too.
