Beat Munday - Go Hounds!

To Meet Rival Munday Saturday

'Hounds Keep Streak Alive; Drop Hornets

The Knox City Greyhounds were a little flat following their October 6 victory over Haskell; however, the squad did provide enough steam to keep its undefeated streak going by overcoming the Aspermont Hornets, 23-6, at Greyhound Stadium.

The Hounds' defense was exceptionally good against the rush allowing the Hornets only three yards' total for the game.

After receiving the opening kickoff, Aspermont could not move the ball. It looked like the same Hound offense that advanced the ball steadily down the field to the Hornet six yard line but a fumbled pitchout was recovered by the Hornets.

On the next play, Terry Watson recovered a fumble for the Hounds. The Hounds would not be denied this time as they moved down and Jimmy Rushing scored on a two yard run. The kick attempt was not good.

The next possession for the Hounds led to a safety. A pass into the end zone was intercepted by Aspermont but the attempt to run it back was not successful as the intended receiver Ricky Gonzales tackled the Hornet player behind the goal.

The defense rose to the occasion and pinned Aspermont deep in its end of the field. Joe Alsides blitzed to catch the quarterback behind the goal for still another safety.

Asperment had some success just before intermission on three consecutive pass completions, the last coming as time ran out in the first half. A 29 yard touchdown scoreless. The attempt for two points was stopped short and the half ended 10-6.

The second half opened with the Hounds moving briskly down the field until a tipped pass in the end zone was intercepted by the Hor-

Tim Roberson recovered a fumbled punt reception early in the fourth quarter. After several good gains on the ground Dwayne Johnson found Ricky Gonzales alone for a 26 yard scoring pass with the two point attempt failing.

The final score was set up when David Counts intercepted a pass. The drive ended when Jimmy Rushing scored on a seven yard run behind good blocking. Domingo Garcia kicked the extra point.

Joe Gutierrez's outstanding running helped the Hounds amass 278 yards rushing for the night. Joe had over 100 yards for his ef-

Saturday night, the Hounds will invade Munday for its homecoming. A good crowd is expected for a great game is in store between these two county schools. The Moguls have a good defense and some offense. Knox City will be ready and with the continued good support from the KC fans, a major obstacle to this year's fortunes will be crossed successfully.

According to reports, it is going to be a Super Game.

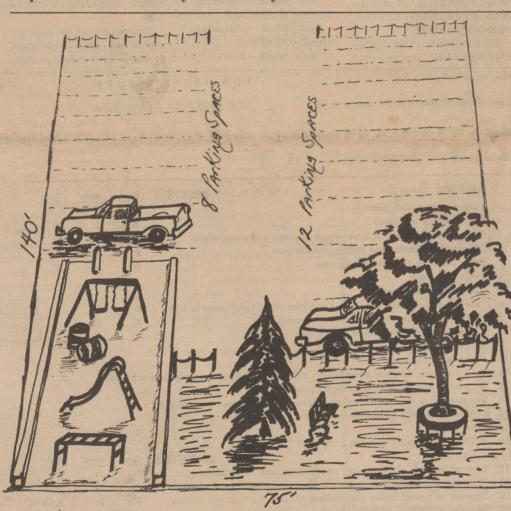

Last week's statistics for the Hounds and the Hornets respectively were first downs, 23, 12; yards rushing, 278, 3; yards passing, 49, 137; passes completed, 4 of 17, 11 of 25; passes intercepted, 1, 2; fumbles lost, 1, 2; punts, 3/29, 5/28; and penalties, 13/95, 8/71.

Did You Know...

that Sgt. and Mrs. Jay Eaton, Box 2384, Co.A, 501st CAB. APO New York 09326 subscribe to The Knox County News?

ACTION IN THE closing moments of Friday night's game against the Asperment Hornets shows Ricky Gonzales (28) adding to the 278 rushing yardage for the Greyhounds as compared to the visiting Hornets' three yards. Providing good blocking for Gonzales is Jimmy Rushing (35). Other Hounds behind Gonzales are Jay Rutherford (81), Kyle White (partially hidden from camera), and Andy Barnard (73). This win kept the Hounds' winning streak going as they moved to a 6-0 season record by winning over Aspermont, 23-6. (Photo by Glen Rumley)

THIS SKETCH by Marti Tackitt shows the proposed plans for Knox City's downtown parking area on which progress is being noted. David Counts, project chairman, along with the help of Knox City Jaycees and other individuals have moved the tons of debris and are now in the process of furthering plans for the parking spaces and mini-park.

Progress Continues On Downtown Parking

been taken toward the completion of the downtown parking area.

The Knox City Jaycees led by Steve Pepper, president, worked two Sunday afternoons hauling off debris' left the demolished buildings.

Locals Participate In 'Octuba Day'

Roy Faulk and Chuck Bishop, Knox City High School students, were among 300 tuba players who assembled Saturday, October 24, for "Octuba Day" at the University of Texas at Austin to participate in festivities when the Longhorns met North Texas State University in football

The event which coincided with National Tuba Day began at 7:00 p.m.

Roy is the son of Mr. and Mrs. E.L. Faulk and Mr. and Mrs. Shelby Bishop are Chuck's parents.

Accompanying the boys on the two-day trip were Mr. and Mrs. Faulk, Mrs. Bishop, and her sons, Jeff and outline the parking lot boundaries has been donated.

The project was instigated by David Counts, the year he served as Chamber of Commerce president and Counts has been instrumental in furthering the project. He expressed his appreciation to

everyone who has helped in

Plans for the completion of the parking area are moving along very well with the exception of a shortage of finances. In the three years since this project was started prices have increased and the original funds have been exhausted. Anyone desiring to help with the financing, please contact the Knox City Chamber of Commerce or David Counts.

MEETING SET

A meeting has been scheduled for Friday at 1:00 p.m. at Counts Insurance to complete plans.

Sales Tax **Total Nets** KC \$1,701.87

AUSTIN - State Comptroller Bob Bullock said Friday, October 13, that his office has sent checks totaling \$23.3 million to Texas cities as their October share of the local option one percent sales tax. Knox City received the top amount in the county netting \$1,701.87 while Munday's total was \$1,338.92. Knox City's yearly total to date is \$29,893.46, reflecting an 11 percent increase over the same period last year

Other area towns and their totals were Anson, \$951.78; Crowell, \$1,058.24; Haskell, \$3,608.05; Seymour, \$3,645.36; and Stamford, \$4,290.68.

The October rebates raise the cities' total for the year to \$329.9 million, \$41.5 million over the same period

Houston was sent a check for \$5.2 million, raising the city's total for the year to \$69.3 million. This is a 19 percent increase over last

The city of Dallas will get \$2.6 million, bringing its total for the year to \$38.6 million, up 9 percent.

San Antonio will get \$1.2 million, making its year to date total \$19 million, up 9

Fort Worth's check for the month totaled \$866,501, raising its total to \$13.7 million, and Austin will get \$794,592 for a total of \$11.1 million for the year

Corpus Christi will receive a check for \$478,845, raising its total for the year to \$6.6 million. This is a 13 percent increase over last year.

The sales tax is collected by merchants and other sales tax permit holders along the the state sales tax and is rebated monthly to cities in which it is collected by the Comptroller's Office.

Pep Rally Friday At Football Field

School officials notified the News office Tuesday of this week that the pep rally preceding Saturday night's game against the Munday Moguls will be Friday afternoon at the regular time of 3:30 p.m. (weather permitting) at Greyhound Stadium, instead of at the school gym.

Booster club officials stressed the importance of this week's game and hope that many of the fans will be present at the rally to show their support for our local

Sidewalk Sale Set Saturday Downtown

With a feeling of autumn in the air, it's time once again for Knox City merchants to bring out their merchandise on the sidewalks for the annual Sidewalk Sale, sponsored by the Knox City Chamber of Commerce.

Teacher In-Service Set October 23

School officials have notified the News office concerning the upcoming Teacher In-Service day. The In-Service was originally scheduled for Monday, October 30; however, the date has been changed to next Monday, October 23.

Students as well as parents are asked to make this notation and remember no school on October 23 and classes as usual October 30.

day affair and is set for Saturday, October 21, down-

Previous sidewalk sales have been highly successful with shoppers as well as merchants looking forward to the event each year. The sale not only enables the merchants to mark down a slow selling item, but shoppers have fun picking out the 'goodies" from a vast array of bargains.

Mrs. Doris Crownover, Chamber of Commerce secretary, said that church and school organizations have been invited to participate in the annual event with bake sales or any other promotion they would like.

Area residents as well as Knox City shoppers are invited to join in the fun, Mrs.

should mark the date on their calendars and remember to be in Knox City, downtown, Saturday, for loads of

bargains and fun!

The Knox City Garden Club will hold a plant and seed sale Saturday, October 21, in front of the building formerly occupied by Model Cleaners. The sale is in connection with the downtown sidewalk sale sponsored by the Chamber of Commerce, as noted by their ad in the classified section in this

week's News. According to officials, they invite everyone to come by and see their beautiful plants

KC News Observing Its Seventh Birthday

The Knox County News is celebrating another birthday this week, the seventh one to

The county's 'oldest' newspaper was established on October 14, 1971, one day before the Munday Courier followed suit.

Both towns, as well as Rochester in Haskell County, were left without newspapers when former publisher T.P. Herring declared voluntary bankruptcy intentions October 13, 1971, for the three weeklies.

Knox City merchants were saddened by the close of the Knox County Herald but were determined to have a paper. A town meeting was called by the Chamber of Commerce businessmen and women pledged advertising in definite amounts for the time required to set up a new weekly.

The newly-formed Women's Action League took the responsibility of selling subscriptions and Mrs. Myrtle White gave her building rent-free for three months. With the assistance and cooperation of many, the News began with one typewriter, a borrowed typewriter, and lots of faith. Copy was prepared here and carried to publisher Roy Craig at the Stamford American where composition was done until the News office came up with its own set of justowriters and a

headliner. The News just recently acquired a new direct input photo-typesetter that offers four type styles in eight sizes from six point to 48 point, thus eliminating the need for the headliner. The operator, Marti Tackitt, has a choice of changing font styles or sizes with a single keystroke. An indicator light shows what size the machine is set-

An ad may be composed now without changing fonts

PROUD OF THE new equipment in the News office are Marti Tackitt, operator, seated, and assistant editor Stacy Angle, who serves as back-up operator when needed. The new machine was installed last month and although its appearance is much like the last typesetting machine, its capabilities are much

Woman Collapses Friday

A Wichita Falls woman collapsed in Justice of the Peace Guy Bradley's office in City Hall last Friday afternoon during a hearing between her husband, Charles Martin and Joyce Hernandez of Knox City.

According to Bradley, during the hearing concerning an automobile accident last month, Mrs. Martin made a faint cry and collapsed, and the ambulance was

summoned Although she was not admitted she was held for observation at The Knox County Hospital before being allowed to return to Wichita Falls where she was to see her doctor.

EHE Members To Meet Monday

The EHE Young Homemakers will meet Monday, October 23, in the Community Center.

Sharon Book, assistant county extension agent, will present the program entitled, "Kitchen Update'

Refreshments will be served by Sharon Newton and Sherry Hacker.

You know last week was a

peaceful week for me, as I

did not have to tax my brain

to come up with something to

put in this column, not that

there is all that much all the

time. Of course with the city

meeting last Tuesday night,

everything was in an uproar

all week. I did not get back

until about 11:00 Monday

night, so it was a good thing I

did not try to get anything

together. The meeting was a

success and as most of you

know by now the people

voted to enter into this Im-

provement Program. And

believe you me, O'Brien can

use some improvement. We

may have the best looking

city in the state of Texas

before we are through,

You just have three more

weeks to decide who you are

going to vote for in the

November election. If

everyone is like me, you will

probably wait until the last

minute to decide. But whoever you decide to vote for, just be sure and go vote.

Mrs. Ernie Bryant retur-

ned home after enjoying an

O'Brien Residents To Begin **Community Improvement**

By CHARLENE BROTHERS

The residents of O'Brien met Tuesday night to decide whether or not the city would enter into the Texas Community .Improvement Program and enjoyed a good BBQ supper. There were approximately 150 persons attending the meeting.

After hearing the program explained, the residents and property owners voted to enter into the program, understanding it would involve a lot of work and cooperation from the people. Tim Shauntz, from Texas A&M University, was the guest speaker for the evening. A group from Rochester provided music during the meal.

After explaining how the program works, the group nominated a steering committee, including C.. Underwood, chairman: Rayland

Accident Control

Tractor accidents are the number one cause of farm machinery deaths. Take time to instruct family members and employees on safe tractor use and enforce the "operator only - no riders" rule, advises the Texas Agricultural Extension Service.

Hayes, Coy Hewitt, J.O. Brothers, Juan Garcia, Johnny Reid, A.A. Cox. Janie Wilkinson, Carlos Casillas, L.A. Covey, and Felix Valdez.

This program includes the entire state of Texas and is sponsored by the utility companies, including West Texas Utilities in Abilene and also the Texas Agricultural Service of the Texas A&M University System. They award prizes each year totaling up to \$6400 on a point system.

The City Council expressed thanks to everyone who helped in any way with the food, organizing, or any other way. (I would like to say a special thanks to Loretta and Cov Hewitt for

all the extra work they did to help, especially in helping with the jobs I had, since I was gone part of the time. Thanks to you both.)

The steering committee met Monday night, October 16, and elected A.A. Cox as general chairman. The different committees are being formed and will be announced after the chairman of each committee has accepted to serve. Everyone is again remin-

ded that anything you do to improve your place, please take a picture before and after, or contact C.H. underwood or Charlene Brothers, and one of us will get a picture for you. It is important that we keep good records of everything done.

Hill backs tax relief on ballot November 7

"We've got a great opportunity Nov. 7 to take a significant first step toward tax relief in Texas. I'm urging everyone to vote for the proposed constitutional amend-

ment to give tax relief to our farmers and ranchers, homeowners, and elderly. After this amendment is adopted, I'll be ready to take the lead in the 1979 legislature to follow through on this first

GOVERNOR

SPECIAL **ANNOUNCEMENT**

In conjunction with our 60th Anniversary Celebration, we would like to find the following persons:

(1) the person who has traded at our store the greatest number of years.

(2) our youngest customer.

(3) our oldest customer.

If you think you may be one of these individuals, please leave your name and the specific information with one of our clerks at the pharmacy.

(4) all former employees -- if possible, please send us a picture, giving your present address and the years you worked at Jones Pharmacy.

SENIOR CLASS NEWS

By Terry Curd This week the seniors decorated the halls Tuesday night. (They looked pretty good!) Also this Saturday night is the last time the seniors get to play Munday in football!

Also Thursday we had to hand in our themes. They had to be 10-50 typed pages. (What a relief)!

JUNIOR CLASS NEWS By Gerri Watson

Last Monday morning the juniors received their things to sell as a class selling project. They will be selling; note pads which contain a pen called "Purty Pad". They will also be selling pens that write in perfume. There will be two different pens and one writes in Chanel No.5 and the other writes in Arpege. Everyone has a set

amount to sell and every junior is encouraged to start selling as soon as possible. The juniors have started

thinking about subjects for their themes. They will start on them next quarter.

the band played "Chicago Underground" and "Smoke On The Water" for the twirlers. The band is playing more new songs each week.

Friday night the band marched against Aspermont. They did a great job. They introduced themselves by playing a fanfare and then marched across the field to "Cotton King". After that, the lights were turned out and the twirlers were featured to "Solid Rock". They used batons in which the ends glowed in the dark. The band then formed their "KC" and marched off the

field to the "Fight Song". Everyone in the band is reminded to collect Libby's labels. It will help us to make some money to go different

BENJAMIN NEWS

BY GLADENE GREEN

NEIGHBORS HELP FRIEND

Saturday, October 14, several local men and their equipment gathered at Sam Leaverton's farm to sow his wheat and work his cattle. Sam has not been well, having spent a few days in the hospital recently and his hand, Henry Rogers, is also in the hospital at Big Spring. So the local men thought it would be a good deed if they got Sam's grain in while the weather was pretty. They worked all day and I understand made a good showing. Mrs. Leaverton served a delicious meal to the group at noon. She was assisted by Pat Benson, Pat Barton and Philomae Roberson

Because I'm afraid I'll leave someone out I'll not attempt to name all those who helped but it was a good deed and I know the Leavertons appreciate it.

HERE 'N THERE

Sharon Mowery and children Doug, Todd and Charlotte of Piedmont, Oklahoma, visited friends here Friday and Saturday. The Mowerys are former residents of Benjamin. Her husband, the late Phil Mowery, was coach here for several years.

Gas, Electric Bills **May Include Taxes**

AUSTIN - State Comptroller Bob Bullock said that Texas homeowners and renters should not be alarmed if their October gas and electricity bills continue to carry

the state and local sales tax. "Under the law, the utility companies will continue adding the tax on their October bills if their billing cycle begins before October 1, Bullock said.

The Texas Legislature voted in special session earlier this year to repeal the four percent state sales tax on residential gas and electric bills effective Oc-

In addition, some 125 Texas cities have also eliminated the local-option, one percent city sales tax on those bills effective the same

Under the law, the repeal of the sales tax actually is effective with the start of the utility companies' billing period on or after October 1.

This means, Bullock explained, that a customer whose billing period is October 3 through November 3 will get the advantage of the tax break as of October 3.

A customer whose billing cycle is September 25 through October 25 will continue to pay the sales tax through October 25, he said.

Bullock said that homeowners and renters needn't jump on their utility companies about the sales tax on the October bills.

'They are only following the law," Bullock said.

He said elimination of the state sales tax on gas and electric bills will save homeowners and renters \$150 million a year.

Burleson Announces Extension

WASHINGTON D.C. Congressman Burleson advises that the Business Ad-Small ministration has extended its previously announced deadline for applying for disaster assistance due to drought and hail. The previously announced deadline of October 11, 1978, has been extended until November 13, 1978 for physical damage and January 11, 1979, for economic injury.

The counties affected, due to disaster by drought, were Baylor, Callahan, Coleman, Comanche, Eastland, Erath, Jack, Knox, Montague, Palo Pinto, Parker, Shackelford, Stephens, Stonewall, Throckmorton, and Wise Counties, while Crosby and Floyd counties were affected

Speak Out About TV Ads Aimed At Kids

By Sharon Book **Assistant County Extension**

It's time for concerned parents to speak out about television advertisements aimed at children. The Federal Trade Commission has recently proposed a regulation which would:

1. Ban TV advertising directed at children too young to understand its selling purpose

2. Ban TV advertising of sugared food products most likely to cause tooth decay that is directed to, or seen by, audiences that include a significant proportion of older children, and

3. Require nutrition or health disclosures that will balance TV advertising of

-TV advertising for sugared products is deceptive under the FTC Act because it fails to reveal material facts regarding the health hazards of sugar consumption

Also, it violates wellestablished legal policies

Lions Club News BY Z.I. SMITH

On Wednesday, President Baker and Vice-President Lorenz discussed coming carnival on October 28 and the arrangements to be made. A listing of the Lions assigned to various booths was passed out. The Boss Lion also reminded everyone to wear their Lion vests and caps at the carnival and all public functions. Next, the coming 40th anniversary

celebration was discussed. Lion Sterling Lewis proposed that our Lions have ! a project of gathering used light bulbs and send them to A&M for the dark room. (Aggies would have ridden him out of town on a rail if they could have lifted him.)

Coach: Jimmy Rogers introduced Coaches Jerry Lowrey, who plans football game defense, and Tommy Sloan, who plans game offense, and then showed a film of the last three minutes of the latest game. Coach Rogers expressed his thanks to the Lions and all of Knox City for the great support given to the school team.

Treatment Can Lessen Disfiguring of Acne

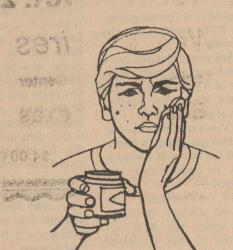

Acne is a common skin condition that afflicts most people during the teen years, sometimes into the 20s.

he MicPharles

The American Medical Association points out that something can be done about acne. Waiting to outgrow" acne can be a serious mistake. Treatment can improve appearance and minimize the problem of permanent scars.

Acne consists of blackheads, whiteheads, pimples and sometimes small boils. It appears most often on the face, but also shows up on the back, chest, shoulders and

> Even though treatment includes washing frequently with mild soap and warm water, acne is not a dis-

ease of dirt. It begins under the skin, not on top of it.

Acne also is not primarily a dietary disease, but some patients find that certain foods, particularly chocolate and fats, make their acne worse. However, following the strictest diet will not, by itself, clear

Lotions and creams available at the drugstore may help somewhat. It's important to read the directions on the label and follow them carefully. If the skin becomes irritated, stop using the lotion.

Medicated preparations are available to cover the blemishes. Nonoily cosmetics usually are preferable. All cosmetics should be removed at bedtime.

If acne persists despite good cleaning and proper use of lotions and creams, the physician may be able to help. He may prescribe a preparation to apply to the skin to reduce oiliness and produce mild peeling. He may open the inflamed lesions and remove some of the blackheads. He most certainly will warn against picking, scratching, popping or squeezing the blackheads and pimples. This may make things worse.

Youth Athletic Programs Bolster Fitness, Attitudes And School Budgets

Making a positive contri-bution to children and teenage athletics in America are two innovative youth sports programs that were designed by Bruce Jenner, the 1976 Olympic Decathlon Champion, and by experts from the fields of physical education, recreation and sports.

The first of these programs is the Wheaties Sports Federation Jogathon, which was developed as a unique fund-raiser to assist schools throughout the nation in keeping their sports programs active and financially healthy. "Having been an amateur athlete most of my life, I know how important financially strong athletic programs are to the encouragement of athletic particiyouth," said Jenner, who is chairman of the Wheaties Sports Federation.

Participants in the Jogathon seek commitments from their community, friends and relatives for \$1 per mile that is jogged. The more donors and the more miles jogged, the more dollars raised for a school's athletic program. In addition, the Wheaties Sports Federation will provide \$15,000 in awards for outstanding performance by a coach, high school and community. In all, 32 schools in eight regions will receive these awards based upon a

ONE OF TWO NEW YOUTH SPORTS PROGRAMS aids school athletic budgets.

formula comparing school enrollment to miles run. Schools with the highest number of miles per enrolled student will be the winners. Schools wishing to receive a Jogathon kit may write to: Wheaties Sports Federation Jogathon, P.O. Box 9628, St. Paul, Minnesota 55196. The Jogathon kit is available without

The second of these programs is the Wheaties Sports Federation Summer Games, available to park and recreation departments, summer camps and other organizations and groups. It was designed to provide incentives for youngsters 8 to 13 to improve their skills, while also providing the opportunity for everyone to be a

Utilizing readily available playground equipment and Games has a total of 10 events which use throwing, hand coordination skills. It is suggested that there be at least two throwing events. and one each of the running, jumping and foot/ hand coordination competition events.

The Summer Games are unique because the youngsters do not compete against their peers, but against themselves, using skills developed through regular play. Further information about the Summer Games can be obtained by writing to: Wheaties Sports Federation Summer Games, P.O. Box 9764, St. Paul, MN 55197.

Your Social Security

ANNUAL REPORTING/ ELECTRONIC REPORTING

Annual reporting of employees wages for social security purposes was signed into law by the President on January 2, 1976. The 39 year old habit of quarterly reporting has given way for 1978, in a move to improve compliance with income tax laws and to bring about a new savings in Federal government administrative costs. The estimated savings may total over \$200 million for the

Employer's reports for 1978 are to be filed on Forms W-2 and W-2p by February 28, 1979. Entries on these reports must be on a calendar year basis. The Social Security Administration has established four regional service centers to process the estimated 93 million

The information submitted on the W-2 forms will be converted to magnetic tape through the use of optical scanners. The scanners will read information directly from the printed forms. To help eliminate the added cost of manual processing of the W-2 forms which cannot be read by the scanners, employers are being asked to carefully conform to instructions for completing the

formation.

programs, and for the

prevention of overpayments

in these programs. Another

important concern is the

need to provide record in-

formation for welfare

reform programs. Ac-

curate reports will also help

to eliminate frequent direct

requests to empoloyers for

Sorghum Team Reports Strong Competition

Grain sorghum farmers have a big sales job ahead if they want to continue exporting a large share of their production. This was the report of a grain sorghum promotion team that has just returned from Europe.

The team was led by Elbert Harp, executive director of Grain Sorghum Producers Association and Texas Grain Sorghum Producers Board. Accompanying Harp, were Ben director of Baisdon, marketing, Texas Department of Agriculture, and Dr. Reed Richardson, livestock nutritionist and assistant professor, Texas Tech University.

"We will lose our current sorghum markets unless we fight to keep them," Harp stated. Problems that must be overcome are: 1. Widespread lack of

Ex-Resident Buried Here Wednesday

Funeral services for Mrs. Maggie Youngblood Williamson, 91, of Lubbock, were held at 2:00 p.m. Wednesday in the Chapel of the First Baptist Church in Knox City with the Rev. John Gillespie, pastor, officiating. Burial was in Knox City Cemetery under the direction of Smith Funeral Home.

Mrs. Williamson died Monday at 10:45 p.m. in the Hendrick Memorial Hospital in Abilene after a lengthy

She was born on January 8, 1887, in Jack County, daughter of the late John P. and Sarah Elizabeth Henderson, pioneer Knox County settlers. She married S.E. Youngblood in 1907 in Knox County. Mr. Youngblood died in November 1955 in Anton, Texas. She then married Johnny Williamson in 1962 in Fort Worth. He died in 1972 in Lubbock. Mrs. Williamson was a member of the First Baptist Church in Lubbock, Order of the Eastern Star, Daughters of the Nile, the Does, and the Lubbock Women's Club.

She is survived by one granddaughter, Mrs. Margaret Presswood of Merkel, and two greatgrandchildren. She was preceded in death by one daughter, Mrs. Rubye Y.

Bridges Serving as pallbearers were Barney B. Arnold, Joe M. Clonts, Lloyd Waldrip, Alex Godsey, Jimmy Lynn, and Tommy Kent.

IN FORT WORTH

Mr. and Mrs. Cliff Swain visited over the weekend with his sister, Marie Allen, in Fort Worth. Joining them were another of his sisters, Mrs. Melvin Thompson and her son and his family, Mr. and Mrs. Leymone Thompson and Curtis of Rio Hon-

The Swains' daughter, Mrs. Larry Carpenter and young son Tim of Abilene flew to Dallas-Fort Worth Airport Saturday where she was met by her parents to join the family get-together.

Floral Plant **Growers Confab**

The production of floral plants will receive special emphasis during the 1978 Greenhouse Growers Conference at Texas A&M University, November 7 - 9m announces a landscape horticulturist with the Texas Agricultural Extension Service. Discussions will center on efficient production and management techniques

knowledge about nutritional value of yellow sorghum, 2. Poor performance from livestock fed high tannin sorghum imported from Argentina, South Africa, and other countries, and 3. Lack of market information about prices of sorghum in relation to corn, barley and other

The fast moving team sponsored by the U.S. Feed Grains Council and the Foreign Agriculture Service of U.S.D.A., worked in England, Germany, Norway, Poland, Romania, Spain, and Switzerland. The mission lasted almost three

Prospects for large grain sales this year are dimmed by the huge barley and wheat crops that have been harvested in Europe. Many normally importing countries are actually exporting grain this year. Until these surpluses are used, sorghum sales from the United States will suffer. Poland, one of the new major customers for sorghum, can buy European barley delivered to their ports for the price of sorghum at the U.S. Gulf ports. As long as this price relationship exists, they will use barley.

To overcome the prejudice that has developed in recent years because of high tannin sorghum, GSPA, through U.S. Feed Grains Council, is conducting demonstration feeding tests. Such tests in poultry, swine, beef, and fish feed are being completed in Poland. All tests have shown favorable results with U.S. No.2 yellow sorghum. These tests will help us sell more sorghum to Poland in the

The team also met with officials in the London office of Reuter's Commodity News Service, encouraging them to carry current market prices of U.S. Sorghum. When a prospective customer doesn't know the advantages and savings of U.S. sorghum, he won't buy it. Informing them is a necessary part of our sales job," Harp continued.

Association has been active in market promotion for twenty years. In that time sales have risen from virtually nil to over 200 million bushels per year, about onethird of the total U.S. production.

"Less than fifty thousand dollars has been available annually to carry on the worldwide grain sorghum market development program. Ten times that amount is needed to adequately carry on the educational program in areas that have alrady been identified as potential customers. Farmers are just beginning to realize that selling is an important totheir crop as producing it," Harp concluded.

Munday Resident WTC Official

SNYDER - Rudy Esquivel of Munday has been elected secretary-treasurer of Los Caballeros at Western Texas

Other new officers are Larry Parks of Roby, president, and Mike Massey of Maryneal, vice president. Kent Mills is faculty advisor.

Los Caballeros is designed to provide activities and information related to agriculture for students in the Farm and Ranch Management program. They plan to attend the animalagriculture conference at College Station in April and other field days and agriculture events in the

Japanese Fiddler Wins Top Opry Award

FORT WORTH - Shoii Tabuchi, a Japanese fiddle player who speaks English haltingly but excels in the universal language of music, was named the Grapevine Opry's entertainer of the year Saturday night in the grand ballroom of the Sheraton Hotel before a packed house of some 2500 Grapevine Opry Association members and their guests.

The shy, 35-year-old native of Osaka received the Opry's top and most prestigious honor from hosts Chisai Childs and Johnnie High at

Little-Known Facts About Money

And so it has gone - end-

less changes dictated by

fundamental criteria, cultur-

al needs and international

forces. Today, all these elements-along with some

others-are creating a new

card. Better than rum, better

than seashells and as good

as gold, this 8.5-by-5.5mm

rectangle of plastic meets

the functional definition of

acceptable money and con-

tributes some new wrinkles.

There's no question that

Americans agree. Credit cards are issued by thou-

sands of firms - banks, de-

partment stores, oil com-

panies, vou name it. Visa

and Master Charge are by

far the most popular. Some

85 million Americans carry

LAND BANK

The Land Bank ...money to keep the farm in the family

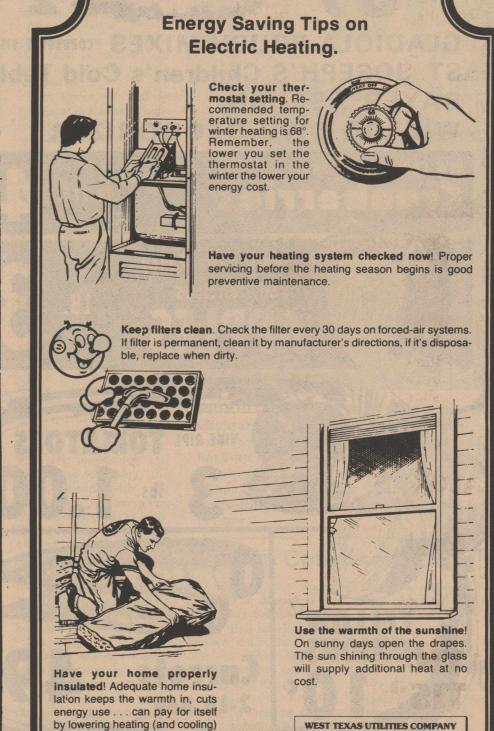

The Bank of Generations

One of agriculture's toughest challenges is keeping the farm in the family. It takes long-term planning and, often, long-term credit. For more than three generations, the Land Bank has helped farm families pass along what they have worked so hard to build. We may be able to help you, too.

WEST TEXAS UTILITIES COMPANY

Money is nice. Whatever money is. Almost anything can be used as money. Rum,

salt or seashells-all have been used at one time or another as money. Exchanging a pint of rum for a pair of shoes—that's

barter. Money is when the village chief reaches into his sarong and shells out two cockles for a transistor radio. Next day, it's cockleshells for silver bells-and takes his change in shark's

That's money. A medium of exchange, a measure of value, a store of value. Of course, deciding what to use as coin of the realm cannot be completely arbitrary. The thing we agree to call money should be durable. It should retain its shape as it drops into a turnstile or is flipped before the kickoff.

And it should be portable. Which may be why pots and pans have been used as money. But never bathtubs. Nor can it be something so easy to get that you can walk out the door and pick up enough for bus fare. Like

In American history, the "thing" we've accepted as money has changed oftenand radically. The first settlers of Virginia established tobacco as money but not for long. It was difficult to separate the leaves, therefore hard to make change. And when the temperature or humidity went up, the leaves crumbledinadvertant devaluation.

Came the Revolution and the Continental Congress, hard pressed for scarce metal, issued paper money. They issued too much, reducing its value and giving rise to the expression, "Not worth a Continental.

Silver dollars appeared in 1794 but fell from favor a century later. People found them too heavy—and paper money became popular. Silver dollars were discontinued in 1935, partly because of industrial demand for silver, then resumed in 1971 with the Eisenhower dollar. Today, one version of it is completely silverless. As are the dime and quarter.

At the turn of this century, a profound shift occurred. People started putting their faith in checks. Preference for checks has since grown every year.
