To Host Quannah Friday

# KC 'Gives' Second Half To Munday

Two football games were played Saturday night in Munday with the Knox City Greyhounds outclassing the Munday Moguls 20 to 7 during the first half of play with the second half being 'a giveaway' to the Moguls as they tallied some 21 points to KC's zip to turn the tides and sweeten their homecoming with a win by the score of 28-20.

Halftime statistics had the Hounds holding the edge with ten first downs for KC to Munday's seven; yards rushing, 154; 60; yards passing, 57; 7; passes completed, 4 of 7, 1 of 5; passes intercepted, 0, 0; fumbles lost, 0, 1; punts, 3 for 30, 3 for 40; and penalties, 3 for 20, 0.

Things were going too well as the Hounds had scored on the last play of the first half on a three yard pass from Dwayne Johnson to Jimmy Rushing. Domingo Garcia kicked his second extra point of the half.

The Hounds won the coin toss and elected to receive. The drive that followed was picture perfect. Fourteen plays and five first downs later Jimmy Rushing scored from one yard out. The kick was good and the drive consumed 7 minutes and 17 seconds on the clock.

The Greyhound defense did a super job and the Moguls had to kick. The Hounds started on their own 14. On first down, Joe Gutierrez picked up 24 yards, then Johnson passed nine yards to David Counts as the quarter ended.

Tim Roberson ran for three yards and a first down at mid-field. Joe Gutierrez ripped off the right side behind great blocking for the needed fifty yards scoring a touchdown but the kick was wide right.

Following an exchange of punts, the Moguls scored on a penalty assisted drive and scored on a one yard run with 2:46 left in the half.

The Hounds were unable to move after receiving the kickoff and had to punt.

## Coronation To Highlight Halftime

Coronation ceremonies will highlight activities during the Knox City-Quannah coming home game Friday night as Band Sweetheart and Beau as well as Football Sweetheart will be announced.

Candidates for band sweetheart are Gerri Watson and Rhonda Skiles while Cyle Clayton, Robert Espinosa, Steve Rumley, and Roy Faulk were selected as beau candidates.

Nominees for football sweetheart were not available at press time; however, three young ladies will be selected as contestants.

The winners have been selected by secret ballot and will not be announced until halftime.

## Turkey Dinner Set By Sorosis Club

The Benjamin Sorosis Club is sponsoring a turkey dinner with 'all the trimmings' Saturday, November 4, from 5:30 to 8:30 p.m. in the Benjamin Community Center, south of the Baptist Church.

Sorosis Club members are holding the event to raise money for making improvements to the Community Center.

Advance tickets may be purchased by calling 817 454-3561. Tickets will also be available at the door.

A bazaar and bake sale will be held also in connection with the turkey dinner.

Prices will be noted in the club's ad elsewhere in this week's News.

## Downtown Parking Progress Continues

More progress has been made toward the downtown parking area as committee members met last Friday afternoon to hear more details concerning the matter.

David Counts, who in-

## O'Brien Woman Is CTA

Charlene Brothers, assessor-collector of Knox City-O'Brien has been designated as a Certified Texas Assessor by the board of directors of the Institute of Certified Texas Assessors, the professional organization of the Texas Association of Assessing Officers.

The achievement of this designation of "CTA" represents years of work and study. There are only 334 active certified assessors in the state of Texas, and this designation is recognized by the legislature of the State of Texas.

Objectives of this institute are to develop the profession of assessing, establish and maintain standards of performance, and provide education for its members.

These active tax assessors strive to give fair and equal assessments throughout their communities.

## Did You Know...

that Mrs. Roy B. Carnes, 1211 Dallas, Plainview, Texas 79072 subscribes to The Knox County News?

stigated the project during his term as Chamber of Commerce president, noted that a flagpole is also planned to be placed in the park with a spotlight on it so it may fly at all times.

Metal has been ordered for the railing of the park but with the company behind in its orders, expected delivery date has been set for the next two to three weeks.

A light tan metal wall covering the side of Janie's Barber Shop will form the north side of the park with a six foot fence of metal of the same color completing the remainder of the north wall. Tables and benches are to be placed on the concrete slab with several trees to be added for beauty.

Many persons questioned the idea of the playground as illustrated in last week's sketch and felt that this situation would be hazardous. Safety proved to be a factor as children might be left unattended or might gather there after the stores closed.

Automobiles will enter from the back of the lot. The southwest corner of the lot has been reserved for handicapped persons with a walkway also being planned to be constructed in the corner.

The project completion date has been set for December 1 and funds are desperately needed to help curtail expenses. Several projects are in the making including a talent show set for November 18 and more details will appear in next week's News.

## Lions To Sponsor Carnival

Saturday night at 6:30 p.m., the third annual Halloween Carnival sponsored by the Knox City Lions Club will begin at the Ag Barn, located west of the high school gymnasium.

According to Bill Baker, project chairman, events scheduled include bingo, basketball throw, nickel pitch, cat rack, milk bottles, dime pitch, and dart throw. Again featured at this year's carnival will be the worst fest, which was highly successful last year.

Lion Bruce Campbell reminds club members that the set-up for the carnival will begin Friday afternoon and continue through Saturday.

Everyone should make plans now to attend this 'family fun' event and support the Lions in this cause.

## Lions Plan Anniversary Celebration

Knox City Lions Club will be celebrating its fortieth anniversary with a special program and evening meal next Monday, October 30, beginning at 7:30 o'clock in the school cafeteria.

Lion Ebb Grindstaff of Ballinger, candidate for Third International Vice President will be guest speaker, and special recognition will be made to others, according to Lions Club president Bill Baker.

The event is open to the public and all Lions, their guests, and all interested persons are invited to attend. Baker did say that those planning to attend should contact him at 817 658-3521 or Lion James Patterson at 658-3263 or 658-3217 by Friday afternoon for tickets in order that they will know how many to prepare for.

## Moisture Is Received Here

Hope you are not complaining too much about this very damp, moist weather we have been having off and on since Sunday afternoon late. It really hasn't rained that much. Our weather report shows that we have received .63, but the scanner on TV 2 shows over an inch. Reports west of town are from 1.5 to 2.5 inches.

The weather is also on the "coolish" side and some have already donned a light sweater or jacket of some kind. Remember when we are complaining about the wet and cold, think about it when it was so hot and dry and we thought it just couldn't rain.

## Stenholm Caravan To Visit Tuesday

A bus caravan loaded with supporters of Charles Stenholm for Congress will visit Knox City and Munday Tuesday, October 31. The bus will be met by local Stenholm volunteers when it arrives in Knox City at approximately 1:50 p.m. The visit has been arranged by Stacy Angle of Knox City, Charles Baker of Munday, and other local Stenholm volunteers.

Stenholm and his wife Cindy will accompany the group of volunteers meeting the people, answering questions and passing out campaign literature concerning Stenholm. Stenholm is the Democratic nominee for the 17th Congressional District.

Stenholm, a farmer-businessman from Stamford, won the Democratic nomination in a landslide, two-to-one victory in the June 3 runoff. He is seeking the post being vacated by the retiring, veteran legislator Omar Burleson. Burleson

has endorsed Stenholm as "his successor" on numerous occasions.

Stenholm 39, has based his campaign on seven major issues facing America: inflation, agriculture, paperwork, energy, free enterprise and defense. "The direction of our country must be changed," states Stenholm.

"Government spending must be reduced. Taxes must be cut substantially to provide private investment capital. The Federal budget must be balanced," Stenholm has repeatedly told his followers.

Speaking of agriculture, Stenholm states, "The most critical problem facing agriculture today is low farm prices received vs. high cost of production. Supply management and improved marketing are vital to a profitable agriculture."

"Government 'red-tape' will cost the American public over \$100 billion in

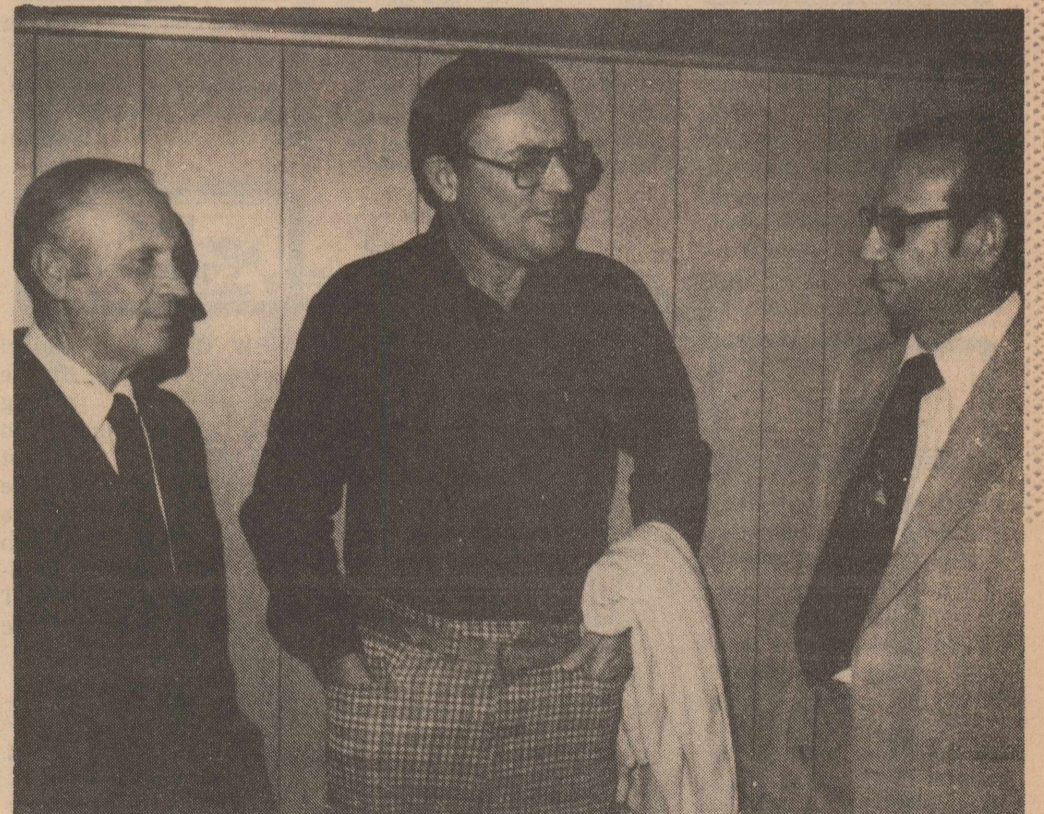

1978. Government bureaucracy that restricts or hinders private initiative must be eliminated."

"We must deregulate domestic oil and gas production and support development of non-depletable resources such as solar energy for our future needs," Stenholm says on energy.

"Freedom for individuals to succeed or fail by their own efforts must be preserved," commented Stenholm, a strong believer in the free enterprise system. "Competition is healthy for our country and must be encouraged. Profit is not a dirty word in my vocabulary," he states.

Taking a stand on our Nation's defense, he says, "If we do not maintain our position as Number One in military strength, all other problems become secondary. We must maintain a

See STENHOLM Pg. 9

FOLLOWING THE informal dinner meeting held last Wednesday night at Rae's City Cafe, W.R. (Bill) Baker, center, is pictured with W.R. Cornelius, left, and Bill Drennan, division manager, at right.

## GTE Officials Meet With KC Businessmen

Two officials of General Telephone Company of the Southwest were in Knox City Wednesday night of last week to meet with as many Knox City community and business leaders as possible.

B.D. Drennan, division manager of GTE, and W.R. Cornelius were on hand at the City Cafe where a steak dinner was served preceding the business discussion.

Mr. Drennan explained to the group that the dinner meeting has proved to be the most effective way to keep in touch with as many business men and women as possible, since his area is quite large. He reported that at the end of August, connections for the Knox City-O'Brien ex-

change totalled 1438, with 43 being added since January 1, 1978. Drennan said these additions reflect about a three per cent growth rate, which is average, he explained.

## Don't Forget To Turn Clocks Back

Knox City and area residents will join the nation Sunday morning at 2:00 o'clock when clocks will be set back one hour to end daylight savings time for the next six months.

Readers are reminded to turn their clocks back Saturday night before they go to bed for an extra hour of sleep!

He noted too that telephone rates have been reduced on extension phones, effective in the October billing.

Questions and comments were invited as the telephone representatives were concerned over any problems the area might be experiencing.

Attending were Bill Baker, Chamber of Commerce president and Superintendent of Schools; Doris Crowover, Chamber secretary-manager; Faye Railsback, city secretary; Celso Gonzales, Charles Auburg, and Corrie Covey, city council members; and Billye Angle, News publisher.

# O'BRIEN HAPPENINGS

BY CHARLENE BROTHERS

Have you ever wondered about appliances, whether they get tired of working or not? Probably no one else is that stupid, only me. I had something happen Saturday night that makes me think more about this. I had been using the dryer nearly all day long, then about 9:00 p.m. I put some more clothes into the dryer and turned it on, nothing happened when I hit the "on" button. Tried everything I could think of, nothing did any good. Figured it was the belt, so just went and hung the clothes on the line outside, at 9:00, and thought I would have to wait no telling how long to get someone up this way to fix it, if it was something other than the belt. Sunday, Craig asked me if I wanted him to look at the dryer, maybe the belt only slipped off, I said if he would. I was going to show him how it was doing, and when I hit the "on" button this time it worked. Tried it several times on every setting and it worked every time. So if it was not just

tired Saturday, I cannot guess what else was the matter. Better get me a belt and have it handy, just in case this happens again. I imagine it was hot and was slipping. And on top of that having to hang the clothes out they were more wrinkled than when they came out of the dryer.

We had a good volleyball game over here Sunday afternoon. All or most of my family was down and we always love to play some game or ride motorcycles when we get together, so this time it was volleyball. We even made some new rules for the game. They may not be legal, but they satisfied us, or most of us. Of course where we had our net there were grassburrs and this did not help anything. Some of the players had not played much volleyball and two were from a district winning team years and years ago, needless to say these two were not necessarily the best two players, as they were the oldest, but we can make the younger ones get up and move to keep up. The girls do not play volleyball as much now as we did when we were in school years ago; they play basketball. Volleyball was the girls' main sport.

**HERE AND THERE**  
Mr. and Mrs. C.H. Underwood, Becky and Beth and Mr. and Mrs. Don Roberts and Tricia were in Seymour Friday to see the ball game. Greg Thorn, son of Charles

Thorn and Betty Thorn, played on the Henrietta team. The Thorns are former residents of O'Brien, where he was coach in the 1960's and superintendent in 1973 and 1974.

A.A. Cox and Leonard Phipps of Knox City were in south Texas last week enjoying a fishing trip.

Mrs. Pearce Manning, Cody and Christie spent Friday night in Hamlin with the John Holland family, the Butch Holland family, and Mary Hollis. Christie went to Temple Saturday with Mary for a visit with relatives.

Mrs. Jean Barnard and Mrs. Virginia Smith of Munday were in Lubbock to attend market.

Visiting in the home of Marvin Manning, last weekend were Mr. and Mrs. Tim Ivey, Mr. and Mrs. Darwin Altom, Mr. and Mrs. Derwin Lancaster and Carla and Mr. and Mrs. Larry Gibson, Shane and Shawna, all of Springtown. Also Mr. and Mrs. Don Brothers and Tammy of Knox City and Mr. and Mrs. J.O. Brothers and Craig, and Mr. and Mrs. James Manning and Cody, all of O'Brien.

## White Rites Held Monday

Funeral services for Raymond V. White were held Monday afternoon, October 23, at three o'clock in the First United Methodist Church with the Rev. James Patterson, church pastor, and the Rev. Floyd Bailey, Foursquare Gospel church superintendent, officiating. Burial was in the Knox City Cemetery with Smith Funeral Home in charge of arrangements.

Mr. White, 70, died at his residence Sunday morning, October 22.

Born November 24, 1907, in Hamilton, he married Maxine Austin on December 27, 1933, in Rule. Mr. White was a member of the United Methodist Church and a retired farmer.

Survivors include his wife of Knox City; a son, Gary of Dallas; and three grandchildren.

Pallbearers were Orville Manning, Alex Godsey, J.C. McGee, Oather Poe, Theodore Poe, and Gentry Day.

## Make Halloween Happy, Healthy

A happy Halloween for children depends in part on the active, interested involvement of adults. Take the trick out of Halloween treating this year with "Meet 'n Treat."

A nationwide public service program, sponsored by the National Confectioners Association and supported by the National Safety Council, "Meet 'n Treat" emphasizes the positive, wholesome, family-oriented aspects of Halloween.

The program asks parents to make the treating rounds with their children in the afternoon or early evening hours. And, it encourages neighborhoods to plan block parties and other get-togethers to foster the spirit of friendliness.

Other basic safety tips?  
• Make sure costumes are light, non-flammable and short enough to prevent tripping. Use reflective tape so they glow in the beam of headlights.  
• Use face make-up instead of masks which can obscure vision and cause difficulty in

breathing.  
• Give and urge children to accept only commercially wrapped and sealed candy or other treats.

• Observe all pedestrian safety rules, as given by the National Safety Council. Walk, don't run, when crossing streets... and look both ways.

• Turn porch and exterior lights on to signify "Meet 'n Treaters" are welcome.

• And, if you're a motorist on All Hallow's Eve, drive especially carefully.

# Co. Youth Benefit From 4-H Program

By Sharon Book  
Assistant County Extension Agent  
Youth can gain lifetime benefits by joining the 4-H program and participating in its many projects and activities.

A vital part of the 4-H program are individual projects which help children gain knowledge and learn new skills. The projects also provide ways to recognize work well done. Hundreds of certificates, medals and premiums are awarded each year to boys and girls in all stages of 4-H work.

4-H adds poise and confidence to children's abilities. 4-H'ers grow accustomed to public appearances as they exhibit projects, give talks and

demonstrations, and appear on 4-H programs.

4-H'ers have numerous opportunities to learn to work with other people. Leadership ability develops as club members work together.

Citizenship also develops and becomes more meaningful to 4-H'ers as they see their club in action, using the democratic process. They elect their own officers, plan their own programs, and carry out community service projects.

In addition, 4-H provides wholesome recreation for youth. Games, music, sports and talent shows are only a few of the many fun things in which 4-H'ers can become involved. Camping and hiking appeal to those who enjoy nature and out-of-door living.

4-H offers many good things for today's youth, and the first step to getting involved is to contact the County Extension Office, Benjamin, Texas, 454-2651.

Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socio-economic levels, race, color, sex, religion or national origin.

## IN WHEELER HOME

Weekend guests in the home of Mrs. E.H. Wheeler were Chuck Wheeler of Garland, Mr. and Mrs. Gary Wheeler, Robin and Clay of Shallowater, and Dortha Malone and grandson Matthew Malone, both of Irving.

## McCarty Rites Held In Munday

Funeral services for Knox City jeweler C.W. "Bud" McCarty were held Saturday morning, October 21, at ten o'clock in the First United Methodist Church in Munday. Dan Cox, minister of the Munday Church of Christ, officiated. Burial was in Johnson Memorial Cemetery in Munday.

Mr. McCarty, 64, died Thursday, October 19, in the Knox County Hospital.

Born February 16, 1914, in Waco, he married Edna Montandon on May 27, 1939, in Weinert. They moved from Denver City, Texas, to Knox City in 1952.

Survivors include his wife; a daughter, Alice Johnson of Evergreen, Colorado; three sisters, Imogene McCarty of Munday, Pauline Russell of Burnet, and Colleen Newman of El Paso; and two grandchildren.

## Dinner To Be Held Sunday At Rhineland

Readers are reminded of the upcoming sausage dinner Sunday at Rhineland, sponsored by the Rhineland Council of the Knights of Columbus.

Serving time will be from 11:00 a.m. until 1:30 p.m. and a bazaar, sponsored by the Mothers' Society will be held all afternoon.

Prices and details appear in an ad elsewhere in this week's News.

## Darrs Awarded Yard of Month

The yard of the month honors for October have been awarded to Mr. and Mrs. Wayne Darr, who reside at 901 South Fifth Street.

Mrs. Lula Hammons and Mrs. Neal Logan selected the yard for its overall neatness and noted that the beauty of the varieties of the many colorful flowers as well as the caladiums were outstanding.

## FROM DIMMIT

Mrs. Geneva Dobbs, Debbie and Denise of Dimmit visited Neal Tackitt, son of Mr. and Mrs. Merle Tackitt over the weekend. While here, the Dobbs attended the West Central Texas cutting horse show and the Knox City-Munday football game.

Other visitors in the Tackitt home Sunday were Mr. and Mrs. Bob Worthy of Arlington.

## FROM ANDREWS

Visiting in the home of Mr. and Mrs. Tommy Kent over the weekend were their daughter and granddaughter, Mrs. David Turner and Angie of Andrews.

## JUNIOR CLASS NEWS

By Gerri Watson

The Juniors have been busy all this week selling their pens and pads. All the money was turned in Wednesday. There is not a report yet, but the secretary, Angelia Reid, and the treasurer, Robert Espinosa will report to us later on how many we sold. The Juniors really worked hard and did a great job. Congratulations!

The Juniors and their mothers have started planning the Thanksgiving Supper which will be held November 16, by having a meeting Wednesday afternoon. They hope to be successful and make more money for the Junior class.

## BAND NEWS

By Gerri Watson

The band did a very remarkable job last Satur-

day night at Munday. The show they marched will be the UIL contest show, November 7, is the day of the contest.

Our band was the guest band so we marched first. The band came onto the field with a fanfare. They once again marched across the field to "Cotton King." They then did a drill during the song "Sweet Caroline." After that there was a step-two drill in which they played "Zacetacas." The band marched off to the "Fight Song." This song will be changed later for the contest.

The Pep Rally was held last Friday afternoon at the football field. The band played "Smoke on the Water" and "Sweet Caroline" for the twirlers.

## PASF NEWS

By Junior Figueroa

At our first meeting, we elected our officers for 1978-79 school year. Doug Ray was elected president and Joe Gutierrez, vice president. The other officers named were Oscar Gutierrez, secretary; Danny Rios, treasurer; and Junior

Figueroa, reporter.

At our second meeting our dues were set at \$3.75 to cover both local and state dues. We discussed a few money-making projects, and selected a committee to meet to discuss more projects.

Our sponsor this year is Mr. Steckler. We're glad to have him and all of us think he will do a fine job.

## BETA CLUB NEWS

By Junior Figueroa

The Beta Club will hold a Bake Sale Saturday at the Post Office and Mini-Mall from 8:00 to 12:00.

## SCHOOL LUNCHROOM MENUS

### BREAKFAST MENUS

October 30 - November 3

Tuesday: Apple juice, muffins, chocolate milk.  
Wednesday: Orange juice, scrambled eggs, buttered toast and jelly, chocolate milk.  
Thursday: Apple juice,

sausage, buttered toast and jelly, chocolate milk.

Friday: Applesauce, cinnamon rolls, chocolate milk.

### LUNCH MENUS

October 30 - November 3  
Monday: Pigs in blankets, scalloped potatoes, green beans, peach cobbler, milk.

Tuesday: Hamburgers, lettuce, tomato and pickle slices, French fries, white cake with cherry icing, milk.

Wednesday: Cheese pizza with hamburger, lettuce and tomato salad, whole kernel corn, apple crisp, milk.

Thursday: Oven fried chicken, mashed potatoes, carrot salad, hot rolls and butter, peanut butter whip, milk.

Friday: Meat loaf, pinto beans, spinach, fruit salad, cornbread and butter, milk.

## SCHOOL AND COMMUNITY CALENDAR

Thursday, October 26 - Three games at Quanah, 5:00, 6:00, and 7:30.

Friday, October 27 - Quanah, here, at 7:30 p.m., coming home game.

## Bullies Remain Undefeated

By Greg Oliver (35) and Sid Richardson (65)

Last Thursday night the KC Bullies played a hard hitting game against the Munday Moguls.

The Bullies took the ball on the opening kickoff and marched down the field. Chuco Magana ran in for six and Adam White caught a pass from Russel Hacker for the extra point in the first minutes of the game. But the

Moguls also scored eight points just before the second quarter. The score stayed tied the first half.

In the third quarter Scott Lynn scored both touchdowns and the extra point. Then in the fourth quarter Chuco scored again but the extra point try failed.

During the second half the defense held the Moguls scoreless. With a final score of 22-8 Knox City, the Bullies remain undefeated.

This week the Bullies go to Quanah for another tough game.

## EIGHTH GRADE NEWS

By Kristi Boone

(Last Week's News)

Last week, we played Crowell and beat them, 50 to 0; Ricky Gutierrez made four touchdowns, James Earl Stafford made four touchdowns, and Eddie Ramos made one. Ricky, James Earl and Eddie had excellent blocking by David Lankford, Ricky Rojas, Joe Rocha, Craig Watson and Dell Guinn. Some of the best tackles were made by Mike Oliver, Teddy Espinosa, Fred Castro and Billy Reynolds.

## Clothing Care ALERT!

### LEATHER AND SUEDE NEED SPECIAL CARE

Leather and suede garments are beautiful to own and comfortable to wear... and they are durable enough to give you years of service... if you take proper care of them.

Members of the International Fabricare Institute (IFI), the association of drycleaners and laundries, offer these suggestions for selecting and caring for your leather and suede garments:

- Before buying, read care labels and hang tags carefully. (Save them, in case you can't remember the care recommendations.)

- Inspect the garment carefully for defects. Marks such as insect bites and tick marks, though covered very well in the original dyeing of the hides, often become more obvious after wearing and cleaning.

- Be sure that all the parts of the garment are closely matched in color. Differences in color become more apparent after cleaning.

- Check trim and hardware. They should be firmly attached, since they may loosen during the mechanical action of the usual cleaning procedures.

The IFI experts also offer these tips for caring for your garment after you bring it home:

- Allow your leathers breathing space. Store in a cool, airy closet. Don't

cover your leather garments with plastic bags.

- Don't put off cleaning until your garments are oversoiled. Many stains will set with age.

- Allow wet leathers to dry naturally, away from heat. After they dry, texture can be restored by brushing gently with a dry sponge.

An investment in the care of your beautiful leathers and suedes will bring you dividends in added years of wear.

**CAPTAIN CARROLL KOBERNUS**  
...nominated for promotion

## Former Resident Receives Nomination

The President of the United States has nominated former Knox City resident Captain Carroll Tankersley Kobernus of Fairfax, Virginia, for promotion to the grade of Major in the United States Air Force.

Captain Kobernus, the daughter of Vernelle and Jack Tankersley, is currently stationed in Washington, D.C. at Andrews Air Force Base where she is assigned

as a staff dietician and instructor in Clinical Dietetics in the United States Air Force Dietetic Internship.

A 1963 graduate of Knox City High School, Carroll completed her undergraduate degree in home economics at Texas Tech University in 1967 and received a masters in nutrition from the University of Texas in Austin in 1975.

An Air Force veteran of eleven years, Captain Kobernus completed her dietetic internship in Oakland, California, in 1968. She has served in various staff positions in Illinois, Kansas, Texas, and at Clark Air Force Base in the Philippines.

Carroll is married to Major George Kobernus who is assigned to the Pentagon.

## Committee Sets Meet Saturday

A special regional Blue Ribbon Education Committee appointed by Democratic gubernatorial candidate John Hill will hold a public hearing on Saturday, October 28, 1978, beginning at 9:15 a.m. at the Evans Junior High School Cafeteria in Lubbock.

The committee is composed of members spread across a 20-county area bounded by Cochran, Yoakum, and Gaines counties on the west and Knox, Haskell, and Jones counties on the east.

The purpose of the hearing will be to get citizens input from both educators and non-educators alike concerning their sentiments on various education issues facing the upcoming Legislative Session. Seventeen other regional committees are holding similar hearings between now and mid-November.

The regional committee is chaired by Lubbock attorney Byrnie Bass. Other committee members are Kenneth Sams of Haskell, Janelle Sullivan of Seminole, Bill Hartsfield of Snyder, Ben Bryson of Lamesa, Glenna Lane of Lubbock, Ed Irons of Lubbock, Dean Andrews of Lorenzo, Glen Hunt of Idalou, Lubbock attorney and School Board President Charles Waters, Sue Duncan of Lubbock, Joyce Hill of Lubbock, Eric Swenson of Spur, Mrs. Jerry Beth Shannon of Ropesville, Gerald Rogers of Lubbock, Dr. Delwin Webb of Abernathy, J.C. McClesky of Slaton, Foy Flood of New Deal, Don Taylor of Roosevelt, and Alex Fincher of Aspermont.

### IN ARKANSAS

Mr. and Mrs. Joe Reeder were in Pine Bluff and Jonesboro, Arkansas, several days last week visiting relatives.

# BENJAMIN NEWS

BY GLADENE GREEN

### HALLOWEEN CARNIVAL

The annual Halloween Carnival sponsored by the Benjamin Parent Teacher Organization will be held Saturday night, October 28, in the gym. Starting time is 7:30 p.m. As usual, each class will have a booth and different groups are selling chances on different things all week. Following the carnival, a program will be held and the Halloween royalty will be crowned. Candidates for the royalty this year are as follows:

Pre-School - Jennifer Ralston and Ricky Don Trepanier; Kindergarten - Brandi Jones and Tres Pierce; 1st Grade - Aimee Pratt and Chris White; 2nd Grade - Francine Reeder and Jeff Conner; 3rd Grade - Lorie Ralston and Jeff Pierce; 4th Grade - Becky Griffith and Eddie Ray; 5th Grade - Lana Gideon and Chad Tolson; 6th Grade - Tina Ray and Steve White; 7th Grade - Beverly Tolson and Troy Oxford; 8th Grade - Toni Benson and Louis Estrada; 9th Grade - Laura Reed and Eric Redder; 10th Grade - Shannon Ryder and Gregg Collins; 11th Grade - Mary

Barrentes and Jimmy Redwine; and 12th Grade - Betty Clower and Pedro Estrada.

### TRICK OR TREAT

Mrs. Kenneth Roberts' fifth and sixth grades will be "trick or treat"ing for UNICEF on Halloween night. UNICEF (United Nations Children's Fund) provides for less fortunate children and mothers and we urge all to give when these "marchers" approach you. Also there will be lots of

other little spooks and goblins out so watch out for them, and let's make this a safe Halloween.

### HERE 'N THERE

Well, Munday Homecoming 1978 is over and I had a wonderful time. Van and I attended all the activities and felt like it was a weekend well spent, and are already looking forward to 1982.

Betty Mancille and Jimmy of Wichita Falls visited Juanita Burnett over the weekend.

Jan Carver and daughters Tammy and Stacy accompanied by her grandson little Ricky Carver and her mother, Dorothy Anderson of Knox City, attended the Benjamin-Higgins ballgame in Higgins Friday night and spent the rest of the weekend with Mr. and Mrs. Dennis Anderson, Brandi and Dustin in Miami.

Alene Groves and Stasy and Kent Hertel were in Wichita Falls Munday.

Homer T. Melton attended the Texas Judges and Commissioners Conference in Galveston last week. Also attending from Knox County were Mr. and Mrs. Lee Patterson of Goree and Billy Gene Johnston of Knox City.

Kathi Pierce and Tres left Sunday for San Marcos where they will make their future home.

Mr. and Mrs. Charles Griffith attended the State Soil Conservation meeting in Corpus Christi last week.

Debbie Hudson of Lubbock visited her parents, the Tom Brooke Hudsons and Lynda Brooke over the weekend.

## Lions Club News

BY Z.I. SMITH

Lions were in a happy mood Wednesday and sang "Happy Birthday" to Lion Tom Edd Orsborn. Paul Baird, father-in-law of Lion David Lorenz was a visitor. President Bill Baker reminded everyone of the carnival on October 28 and the anniversary banquet on October 30.

Lion Ted Bolze brought slides and comments about the operation of the Plant Material Center and the work carried on there. This plant is one of only 22 in the United States and was established here in 1965. An interesting point is that the two men who set up the entire operation for a plant center were Lion Ulric Lea and former KC Lion Arnold Davis.

### IN LOUISIANA

Mr. and Mrs. Otis Cash spent last week in Lake Charles, Louisiana, visiting with their son and his family, Joe, Lydia, Josef, and Sarah Cash.

### Ryegrass For Winter Pasture

Planting ryegrass for winter pasture allows producers to cut seed costs without sacrificing quality grazing, contends a forage specialist with the Texas Agricultural Extension Service. Ryegrass can be planted on either a prepared seedbed or overseeded on perennial grass such as bermudagrass. Ryegrass provides forage high in digestibility and protein during the winter and early spring months for calf weight gain to get cows in shape for rebreeding.

## Imported Norway Rat Is Most Destructive

By Deena Pattillo  
Wildlife Damage Control Specialist

The most destructive, dangerous animals ever imported to this country are the Norway Rat and his close cousin, the Roof Rat. The Norway Rat, *Rattus norvegicus*, originated in Asia. During the middle ages, as trade routes opened between Asia and Europe, many rats were transported to the Western Hemisphere. Here, large uncontrollable populations of rats developed and during the middle ages the Great Plague of Europe occurred. This disease killed more people than all the wars of human history combined. The disease was spread by rat fleas and was known as the "Black Death."

In 1728, England became overrun with brown rats. Since the ruling family of Norway and Holland was very unpopular in England, these rats were permanently and unjustly labeled the "Norway Rat" although they did not originate in Norway.

This rat was introduced in this country in 1775 by ships carrying Hessian soldiers. These mercenaries, hired by England to defeat the colonists brought with them one of the worst scourges of mankind and by 1923, every state in the union had Norway rats. The Norway rat, also dubbed the Wharf rat, Brown rat, or Sewer rat is

the largest, most vicious of the rats. It can be nearly 24 inches in length and weigh almost two pounds although most are smaller. The eyes are small and beady. The ears are small and close to the head. It has a blunt muzzle and a thick scaly, hairless tail. Its color is usually brown, although color varies widely.

Habits and food preferences differ from the Roof Rat. Norway Rats are burrowing animals, preferring to live in the ground or in basements or cellars. They can chew through certain types of brick, poorly mixed concrete, certain aluminum siding, and sometimes, thin gauge galvanized metal. Only steel and glass containers are rat proof.

Meat is the preferred food

of the Norway rat although they will eat, without ill effect, almost anything including soap and leather. Peanut butter is the best all around bait for both species of rats.

Rats may enter the home in many ways: In stored boxes and furniture; through any hold in any part of the outside of the house; down the chimney, and most any other conceivable entrance. The Norway can also enter the house by swimming through the water trap in the toilet.

Being the largest and most aggressive rat, the Norway, in particular, is noted for attacking man. Many children have been bitten or even killed and partially devoured in the crib. The invalid or aged person is also a target of the rat. Even grown and healthy adults have been attacked by thousands of rats in abandoned mines.

### Study Club Hears Elliston

The Knox City Study Club met Thursday, October 19, at 2:30 p.m. in the Community Center. President Winnifred White called the meeting to order and Sudia Cash introduced the speaker, Pete Elliston, soil conservationist for Knox County, with headquarters in Knox City.

The primary job of the soil conservation department is to provide services to landowners and enable them to treat their land according to its needs.

Elliston, his wife Mary, and two daughters Anita and Cindy, moved to Knox City in 1971.

Soil conservationists Pete Elliston, Archie Lieb, and Danny Bell have made a tape, "Wichita Brazos Nature Trail" with twelve stations along the trail including soil profile, water erosion, pollution, trees, insect habitat, different types of identification, rodent habitat, wool and community, and water edge community.

The tape played with comments by Elliston and provided an interesting top of conversation for the members.

Charlotte Griffith, accompanied by Virginia Casey, sang the state federated theme song, "Unity and Diversity."

Hostesses Idoma Chowning, Wretha Fitzgerald, and Virginia Casey served cookies, nuts, mints, punch and coffee.

Present for the meeting were visitor Bonnie Coats and members Sammie Carpenter, Virginia Casey, Charlotte Griffith, Sudia Cash, Idoma Chowning, Yvonne Harrison, Libbie Hoge, Lena McGee, Clara Smith, Myrtle White, and Winnifred White.

The next club meeting will be November 16 at 2:30 p.m. with the topic being Education: Crime and Safety. Special guests will be high school juniors, their mothers, and their class sponsors.

Program leader will be Sudia Cash with Martha Jones presenting the program.

### Streams In Desert Places

By Ozelle Stephens

"O God in Zion, we wait before you in silent praise, and thus fulfill our vow." (Psalms 65:1)

We hear David giving praise unto God as he waits before Him. "And because you answer prayer all mankind will come to you with their requests, with their requests. Though sin fills our hearts, you forgive them all." What joys await all those who confess their sins and ask for forgiveness. He defends you from all enemies.

God is the only hope of all mankind throughout the world.

Let everyone bless God and sing praises, for He holds our lives in His hands. He holds our feet to the path.

David said, "He would not have listened if I had not confessed my sins. But He listened, He heard my prayers, He paid attention to it. Blessed be God who didn't turn away when I was praying, and didn't refuse me His kindness and love." He will hear you when you pray and will not turn you away, but will forgive and pour out His blessings on you.

## October Is Seafood Month In Texas

COLLEGE STATION - The seafood industry is big business in Texas, and to recognize its contributions to the Texas economy, Gov. Dolph Briscoe has proclaimed October as Seafood Month.

The purpose of the proclamation is to recognize Texas fisheries and to promote the Texas seafood industry, points out Annette Reddell, seafood consumer education specialist with the Texas Agricultural Extension Service.

"Texas has long been a leader in agricultural production, but few people realize that it ranks fourth in the nation in the production of seafoods," notes Reddell.

According to the latest statistics by the National Marine Fisheries Service, there were more than 800 million pounds of Texas seafood landings in Texas in 1977 valued at \$34.2 million. "With the accepted economic multiplier for seafood production, this means a total impact on the Texas economy of more than \$400 million," explains the specialist.

Because of the tremendous value of Texas shrimp, the state produces 9.6 percent of the entire dollar value of

U.S. fisheries. Also, some 14 different species of fish are harvested commercially in Texas, the most valuable fin-fish being redfish, speckled trout, red snapper, black drum and flounder. These species make up 95 percent of the value of Texas' commercial catch.

In excess of 8 million pounds of blue crabs and oysters were landed in Texas in 1977 valued at about \$4 million, adds Reddell.

The sprawling Texas seafood industry covers more than 1,000 miles of coastline from Port Isabel to Sabine Lake.

Texas pays tribute this month to its fisheries through promotional and educational efforts of the Extension Service's Marine Advisory Program. According to Reddell, these continuing activities are part of the Sea Grant College Program at Texas A&M University. Leadership and advisory service is provided to industry and consumers by six county Extension marine agents, two area marine fisheries specialists, an Extension seafood technology specialist and an Extension seafood consumer education specialist.

### Mrs. Dale Honored In Guinn Home

Mrs. J.B. Dale, the former Tamie Grindstaff, was honored with a bridal shower Saturday, October 21, in the home of Mrs. Jerry Guinn. Calling hour was from three until four o'clock in the afternoon.

Mrs. Guinn greeted guests and presented them to the honoree; her mother, Mrs. John L. Grindstaff Jr.; her grandmother, Mrs. John L. Grindstaff Sr.; and her aunt, Mrs. Pete Edge.

The honoree's sister, Denise Grindstaff, registered guests in the bride's book.

Adrian Jones and Karen Cowart served refreshments of finger sandwiches, cookies, and punch from a table carrying out the bride's chosen colors of blue and white. Appointments of crystal and silver were used.

Hostesses were Virginia Lieb, Kay Johnson, Lillian Hester, Mary Ann Boone, Sudia Cash, Faye Railsback, Jo Nell Cornett, Lois Richardson, Jo Hacker, Peggy Jones, Charlotte Jackson, Birdie Helton, Clara Hodges, Janice Lankford, Ann White, June Tankersley, Katrine Hudson, and Peggy Guinn.

### Cook While You Ride

By Sharon Book  
Assistant County Extension Agent

I was fumbling through the files last week, and I came across an article which may be of interest to those of you who find themselves on the road fairly often. If we do quite a bit of traveling, we can get tired of those fast food stops and Dorothy Cradnall, food editor of the Boston Globe, may have found an answer for us.

Dorothy stated in her article, "It's now possible to have a fully cooked meal, while you take a long trip. The secret is securely wrapping meat, vegetables and bread in double folds of heavy duty aluminum foil, then attaching them to the exhaust manifold of the car."

Norma Bidwell, food editor of the Hamilton Ontario Spectator originated the idea, but Dorothy's article was picked up by several publications in the states.

It's a great idea for cool weather when driving to football or hockey games.

#### IN SPENCER HOME

Visitors last week in the home of Mr. and Mrs. Charlie Spencer were her parents, Mr. and Mrs. W.J. McMaster of Memphis, Carol Prescott of Texas Tech University, and Max Spencer of Lubbock.

#### IN CARROLLTON

Mr. and Mrs. John A. Smith spent the weekend in Carrollton with their daughter and her family, Mr. and Mrs. Haby Schoonmaker, Stevie and Scott. They reported enjoying the boys' soccer game.

Malachi 3: 1, 2, "What You Gonna Do When Jesus Comes?"

Missionary Ward told of great services all day at the Rule church with Elder Leon Ward preaching in the morning service and Evangelist Henry Washington preaching Sunday night.

Missionary Johnson of Stamford will be conducting a meeting at the Southside Church this week in Abilene, Lord's Willing. Also the Knox City Church of God in Christ will be having a two night meeting this week, Thursday and Friday nights, everyone is invited.

This is the way to proceed.

Calculate the distance of your trip in miles; convert to number of hours you'll be on the road. Then you can figure how much time you will have to cook on the road and plan your menu from there. Quick cooking chicken is good for short trips and pot roast turns out well on longer journeys.

For a 200 mile jaunt a 2-3 pound pot roast cooks nicely. Start with a roast not over 2 inches thick, a package of onion soup mix, and a can of drained mushrooms. Put the pot roast on a large piece of extra heavy duty aluminum foil, sprinkle with the soup mix, and arrange mushrooms over top of roast. Wrap the pot roast, folding edges together twice to make a tight fold. Wrap in two more sheets of foil to protect the food from engine fumes.

Carefully secure the foil-wrapped roast to the exhaust manifold with a wire coat hanger and you are on your way.

Make your first stop after 100 miles to turn the roast because the engine of a car doesn't heat as evenly as the oven in your range at home.

Potatoes and carrots can be cooked this way too, but need some parboiling. Boil medium sized potatoes five minutes, carrots for ten. Season, then wrap in 2 thicknesses of heavy duty foil and heat with the roast during last half hour of the trip.

Be sure to keep a pair of oven mitts in the glove compartment to turn the roast and vegetables and for unwrapping the bundles when ready to serve.

Take along foil-wrapped rolls to be warmed on the manifold also. Crisp raw carrots, celery, zucchini and cucumber cut into finger food lengths, foil-wrapped and kept crisp in a cooler with beverages all make a fresh easy-to-serve salad.

When the end of the trip comes and all in the car are hungry, pick a spot to stop and eat. Remove the roast from the engine, let it cool a few minutes, unwrap and carve. Set a picnic table or eat in the car, but all you need are paper plates, and utensils to serve your intriguing victuals.

### Bride-Elect Honored With Shower

A bridal shower honoring Timilu Graham, bride-elect of Angus Latham, was held Saturday, October 21, in the fellowship hall of the First United Methodist Church. Calling hour was from two until three o'clock in the afternoon.

In the receiving line with the honoree were her mother, Mrs. Jeff Graham, and her sister, Mrs. David Anderson of Waco.

Sarah McGaughy presided at the guest registry.

The refreshment table was covered with a white Irish linen cloth and held an arrangement of silk flowers. Sandwiches, cookies and punch were served and appointments were of silver.

Hostesses were Pat Anderson, Johnnie Pearl Smith, Barbara Howell, Peggy Jones, Peggy McGaughy, Peggy Guinn, Mabel Wilson, Ann White, Frankie Baker, LaVerne Thompson, Jewell Lea, June Tankersley, and Mary Ann Boone.

### Texas Garden Club Convention Set

"Come Into Our Garden" is the theme for District II, Texas Garden Clubs, Inc. Fall convention in Cleburne, November 8 and 9. Garden Culture Club of Cleburne is the hostess club, assisted by other Cleburne Garden Clubs. Mrs. Ben P. Denman, Dallas, is the District II Director.

Mrs. Wallace D. Barr, Canyon Lake, will be featured speaker at the luncheon on November 9. Mrs. Barr, a flower show school and symposium instructor, has given lecture-demonstrations in South America, Mexico and throughout the United States.

Officers and chairmen from this area who plan to attend include Mrs. L.S. Latham of Munday, National Gardener Chairman.

#### ATTEND RACES

Mr. and Mrs. Doug Meizer and Tyke met their daughter and her husband, Mr. and Mrs. Floyd Baker of Amarillo, in Memphis over the weekend where Tyke and the Bakers attended the Cross Country Motorcycle Race.

Bobbie and Doug went on to Amarillo while they attended the races.

### KC COLORED NEWS-EVENTS

#### SERVICES OF THE CHURCH OF GOD IN CHRIST

As I were listening to the First Baptist preacher Sunday morning, my soul were made happy. As he talk about the Lord Jesus Christ and how he die on the cross and how Jesus said "It is finish" I could see the Cross and our work that need to be done. I wonder how many is living for our finish when we can say My life is finish for the worldly things and give our life to the Lord. Oh how I love to hear Bro. Gillispie. May God bless him for his wonderful work for the Lord God.

In the afternoon the Church of the Living God were host to the Brotherhood Annual Meeting. Six churches, their pastors and choir were present. The pastor of the church preach a wonderful sermon. About 75 guest were serve dinner after the service were over.

If you want to hear something that funny stay when the children can't see you and just listen.

Prayer meeting was held on Monday night and Usher board meeting was held on Tuesday evening. Bible Band was held on Thursday night.

On Friday night, a part of the members attended a musical at the Rule Church. The Rule Choir is doing a very good job with their music and singing.

Sunshine Band was held on Saturday evening. Missionary Wilson taught us from Matthew 13:50 and other scriptures.

Sunday school had a good attendance with Supt. Smith in charge.

In the morning service, Pastor Bennett preached a great message from Genesis 26: 6, 19, "Dig Again".

The Union Joint meeting was held at the Rule Church on Sunday evening. Elder Cox, pastor of the Goree Church preached from

## A TAXPAYER'S BILL OF RIGHTS IS PAST DUE

Bill Clements believes we still have a chance to preserve our future by establishing constitutional protection against excessive taxation and runaway government spending.

Bill Clements believes the people of Texas should have the power necessary to ratify or reject tax policies made by legislators.

To establish this power (of the people), Bill Clements will introduce an amendment to the Texas Constitution that would give the people of Texas this right.

Bill Clements' "Taxpayers' Bill of Rights" would:

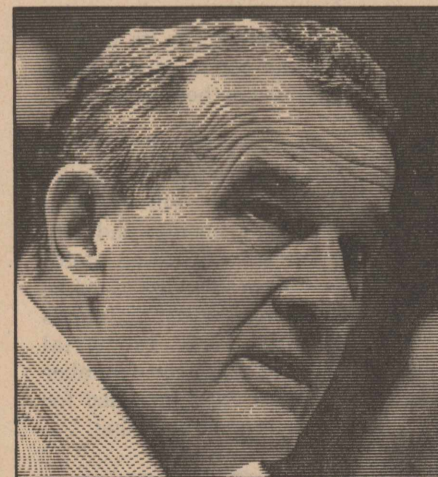

- Give Texans the right of initiative and referendum, a phrase that means we, the people, have a right to vote on the taxes to be levied on us.
- Place a ban on corporate or personal income tax in Texas.
- Require a two-thirds record vote of both houses of the legislature to pass a tax bill.
- Allow local taxpayers to call an election to ratify or reject a tax increase created by a local governmental unit.

Bill Clements believes in Texas and the people of Texas.

Bill Clements thinks that elected officials must work for the people and represent them properly.

As governor of Texas, Bill Clements will work for and with the people of Texas.

It's about time someone recalled that our form of government was conceived to be a servant of the

people and provide the means to insure that principle endures.

## BILL CLEMENTS, A GREAT GOVERNOR FOR TEXAS.

## Veteran Beneficiaries Will Receive Card

Inasmuch as the Veterans Administration is updating income information and medical expenses, all Veterans Administration beneficiaries receive a non service pension will receive an annual income questionnaire card with their October check, which they will receive November 1.

This does include those pensioners who have not in previous years received a card. This will include veterans over 72 years of age and children receiving pension in their own behalf. It is imperative according to Allen Lowrey of Knox City,

County Service Officer, that Veterans Administration beneficiaries receiving a non service pension immediately contact the Social Security Administration and/or any agency from which they are receiving retirement benefits. According to the County Service Officer, it is imperative the right amounts be reported in order that the beneficiary can receive the correct amount of pension.

It is also imperative the beneficiary have with him when he brings the annual income questionnaire card to the County Service Officer, the total amount of medical expenses which have been paid during the year 1978, and which have not been reimbursed. These expenses include doctor, hospital, dental, drugs, hospitalization premiums, glasses and cost of nursing home care. Completion of the annual income questionnaire card will be mandatory for the recipients or benefits will be terminated effective January 1, 1979.

For further information please contact Allen Lowrey at 608 South Third, Knox City, or call 658-3334.

## Jerry Rays Are Friday's Boosters

Susie and Jerry Ray have been named Boosters of the Week for the Knox City-Quannah game. They are the parents of Doug Ray, who is a senior at Knox City-O'Brien High School. Wearing No.74, Doug plays defensive tackle for the Greyhounds.

The Rays have two older sons, Don, a student at Southwest Texas State University at San Marcos, and Cliff, who is employed as a lab and x-ray technician at the Knox County Hospital and is also a student at Abilene Christian University. Their daughter, Judy, is a freshman student at Cisco Junior College where she is a member of the Wrangler Belles drill team.

Susie, an office employee at the Knox County Hospital, was born and reared at Hawley. She played basketball at Hawley High School, from which she graduated. Susie's favorite hobbies are reading and attending school-oriented sports events.

Jerry, who has been employed by General American Oil Company for 27 years, was born and reared in Anson. He graduated from Anson High School and attended Cisco Junior College. While in high school, Jerry played football and basketball. He played tackle and end and in his senior year was named All-District End. His favorite leisure-time entertainment, other than going to football games, is fishing.

The Rays are members of the Greyhound Booster Club and First Baptist Church. Jerry is a member of the Masonic Lodge.

## Cotton Prexy Says Grant Encouraging

MEMPHIS, TN, October 20 (Special) - National Cotton Council President Lon Mann today said that the District of Columbia order granting a stay of the cotton dust standard is "certainly appropriate and encouraging."

The order, issued October 20, was in response to motions filed by the Council and other industry groups. It delays enforcement of the Occupational Safety and Health Administration standard pending a decision on the merits of industry petitions or until a further order of the court.

Mann said the judges had ordered that consideration of the petitions be expedited and had set arguments for the court's February, 1979, session.

While the court order did not spell out the grounds on which the stay was granted, Mann said the Council's motion was based on three major points. These were that:

1. Enforcement of the standard would cause irreparable harm to the cotton industry;
2. Issuance of a stay would not substantially harm any industry worker; and
3. There is overwhelming evidence that the Council will on merit win its case against OSHA.

The Council president said the stay serves the interests of employees and employers alike.

"Textile workers are now adequately protected by the existing standard and industry-initiated health and safety programs," he said, "and non-textile workers have not been shown to have any more respiratory problems than the general population."

Mann pointed out that the District of Columbia order does not apply to a separate cotton dust standard affecting gins. Cases relating to this standard are pending in the fifth Circuit Court of Appeals in New Orleans where briefs are to be filed shortly.

## Club To Sell Tamales Saturday

Women of the Santa Rosa Men and Women's Club will be selling tamales Saturday morning beginning at 11:30 o'clock at St. Isabell Hall.

Other details will be noted by the club's classified ad in this week's News.

## Band Boosters To Meet November 7

Band Boosters have set their next meeting for Monday, November 7, in the Band Hall.

According to Barbara Howell, organization president, all members are urged to attend.

## News Notes from the Brazos Valley Care Home

By Edna Eubank

The Foursquare Church held services on Sunday afternoon at the home. We do thank all the faithful who give of their time and themselves to make life a little more tolerable for our old people. Thanks again.

Mrs. Williamson was pleased to have Clifford, Louise Finley, Peggy Gunn and her pastor, Rev. Gillespie and wife who came to tell her she was on the honor roll at the church for next Sunday.

Mr. and Mrs. McKennon of Wichita Falls, Juanita Wyatt, Edna Worley and husband, and Mrs. Mrs. Arthur Candron of Brigham City, Utah, all called on the Dabneys.

Dick Carney was very happy to see his long time friend, Dr. Norwood, and wife and daughter of Orange.

Mrs. Benson and their son Carl came to see Mr. Benson.

Mr. Tallant loved having his daughter Ann Lane of Wichita Falls to see him.

Mrs. Ray enjoyed visits from two of her sons (twins) Claude and Clyde, who were here for the Rochester homecoming. Hettie Michaels of Rochester also came to call.

Mrs. Beasley was glad to see two of her daughters and their husbands. They were Mr. and Mrs. Johnnie Cagle of Lubbock and Mr. and Mrs. Norman Lusk of Abilene.

Mrs. Johnston visited with Mr. Johnston.

Mrs. Gillentine is now confined to the hospital. Get well soon, Cora!

Mrs. Kendrick enjoyed her sisters of Benjamin. They were Edith West, Lura Hall and Thelma Nunally.

Mr. Cochran who has lived

## Winter Pastures Increasing

More and more Texas farmers and ranchers are planting winter pastures, says a forage specialist with the Texas Agricultural Extension Service. The main reasons are that hay supplies are short due to the drought and that winter pastures can provide high quality grazing during the winter and early spring. Planting wheat, oats or ryegrass on a prepared seedbed is best although they can also be seeded into bermudagrass sod.

in Knox County for 75 years is looking forward to celebrating his 99th birthday on October 27. His daughter Mozelle and husband Larson of Orange, California, visited him at the care home.

Mrs. Pray entertained a number of guests. They were Mamie Watson, Carrie Belle Benedict, Marion Perdue, L.M. Williams, Maureen Reeder, Mary Stone, and Mrs. Coats.

Mrs. Chandler had a number of callers. Among them were Carrie Belle Benedict, Mrs. Coats, Agnes Myers of Munday, and Mamie Watson.

Fay Lunday was in to see her sister Georgia Keck.

Mr. Waldrip enjoyed entertaining his daughter Ruie and her husband James Dutton of Earth, Son Lloyd, Jessie Teague, Ulric Lea, Mr. and Mrs. Gene Bittick of Rochester, L.J. Snelson, and Juanita Holden.

Mrs. Snelson, Bonnie Tankersley, Barbara Jones, L.J. Snelson and Dorothy Anderson made Mr. Snelson very happy by calling on him.

Margaret Warren called on her dad Mr. Roberts.

Kelton Smith loved having his mother and dad, Kate Wheeler, Chester Jones, Frances King and Jessie Teague sign his guest book.

Mrs. Partridge had Sue Meeks of Abilene, Jessie Teague, Bea Ellis of O'Brien and Agnes Myers of Munday to see her.

Mr. Box was elated to have his daughter Lucille Carver of Crowell as his guest.

Nelson Suter of Old Glory called on his dad; also Mike and Trudie White and little daughter of Bowie and his niece Hazel Letz of Old Glory.

Cliff Elliott was pleased to see her sisters Blanche Elliott and Jo Strickland of Munday.

Mae Flowers was blessed with having many callers. Some who came were Mr. and Mrs. Sam Lusk of Haskell, Mr. and Mrs. Norman Lusk of Abilene, Mr. and Mrs. Johnnie Cagle of Lubbock, Mr. and Mrs. Dewey Darr and granddaughter Angela, Jewell Matura, Pearl Gage, Julia Thomasson and Lorena Burnison of Munday and Bertha Trimmer.

Our birthdays for the month of November are: George Green, 9; Lena Dabney, 16; Mae Flowers, 21; and Florence Burleson, 29.

## Son-In-Law Sets Visit

# Hill's Campaign Due Here Monday

The John Hill campaign for governor will take its warnings of the Republicans' attempts to buy the governor's race to more than 300 cities and towns during October 30-November 3 as ten John Hill whistle-stop caravans travel around the state.

According to David Counts, local Hill coordinator, Hill's son-in-law, Mike Perrin, who is an attorney in Houston will be here in Knox City on Monday, October 30, at 4:30 p.m. campaigning for his father-in-law.

The caravan going through this part of the state will begin in Wichita Falls

October 30 and in addition to the Knox City visit stops include Burkburnett, Iowa Park, Holliday, Mankins, Electra, Harrold, Oklaunion, Vernon, Lockett, Thalia, Crowell, Benjamin, Rule, and Haskell. October 31 stops will include Stamford, Throckmorton, Fort Griffin, Albany, Breckenridge, Moran, Cisco, Cross Plains, Baird, Clyde, and Abilene.

"The message these caravans will be taking to the voters during the final week of the campaign will be a warning that the Republicans are trying to buy the governor's race," Hill stated.

"Bill Clements will end up spending more than \$7 million to lose this race for governor. That's something nobody else has ever done in the history of our nation."

"This election has turned out to be a test of the

Republicans' theory that the reason they have been losing elections in Texas governor's races for more than 100 years is their lack of a well-financed campaign. This year, they set out to overcome that problem by choosing a candidate who pledged to 'spend whatever it takes to win.'

"What the Republicans failed to realize is that money cannot buy credibility with the voters, and Bill Clements has no credibility. He has no state government experience; he has never run for political office in Texas before; and the only government job he's ever had was a political patronage job he got through the Nixon-Agnew administration in Washington.

"That's not going to sell in Texas, no matter how many millions of dollars the Republicans pour into an advertising blitz," concluded Hill.

## Hospital News

### PATIENTS DISMISSED SINCE 10/14/78:

### COTTAGE CHEESE STUFFED TOMATOES

- 1 12-oz. carton cottage cheese
- 1/4 C. finely chopped green pepper
- 1/4 C. finely chopped green onion
- 1 T. pimento
- 1/3 C. mayonnaise
- 4 medium ripe tomatoes
- Salt & pepper to taste

Make a circular cut around top stem of tomatoes. Lift out circle. Make vertical cuts in tomatoes, then scoop out center (this may be used in cooking later).

Combine remaining ingredients, and fill tomatoes. Serve on dish using frilly lettuce for base. This delicious salad goes great with hot soup, crackers and fruit.

## APPENDICITIS IS STILL A KILLER

Despite all our wonder drugs, a neglected acute appendicitis is as deadly as it was fifty years ago. The average hospital admits 19 appendicitis cases a month.

They are difficult for even a physician to diagnose. Symptoms are similar to acute indigestion. Vomiting and diarrhea may occur. Pain may become unbearable. If you ever have such symptoms which do not soon go away, never take a laxative which can cause the appendix to burst, throwing its poison into the system. Instead, call your physician. We will rush any needed medicine.

RIGHT RESERVED TO LIMIT  
Collect this beautiful set of quality crafted, 10 piece porcelain enamel cookware. It's yours free on our Potluck Dividend Program or, if you prefer, at special reduced prices. You'll be delighted with its beauty and unusual utility, from freezer to oven or stove top to your table. It's sturdy, and provides fantastic cooking ease along with easy cleanup. See it this week at our in-store display.

## Fire Department News

By Volunteer Fire Members

The Knox City Volunteer Fire Department believes that 'community awareness' is essential to fire prevention and your fire department.

In an effort to obtain a high level of 'community awareness,' the KCVFD has decided to publish articles in The Knox County News each week following regular meetings. Hopefully, through these articles we can create interest in your fire department and its activities in fire protection in your community and surrounding areas.

The department was organized to meet community need of saving lives and property from threats of fire. However, this takes a community effort to obtain such a goal.

We have been fortunate this summer and have had very few fires with only one that did major damage to an automobile.

Several firemen have "fire

STENHOLM  
From Page One

strong defense."

Stenholm, the father of three, attended Tarleton State Junior College and received his M.S. in agricultural education from Texas Tech University. He has taught vocational agriculture, served as the executive officer of the Rolling Plains Cotton Growers, general manager of Stamford Electric Cooperative and is a director of the First National Bank of Stamford.

He has served as president of the Stamford United Way, Stamford Little League, Texas Electric Cooperatives, Rolling Plains Cotton Growers and the Stamford Chamber of Commerce. He is a former member of the Texas State ASC Committee and State Democratic Executive Committee.

Active in business and community affairs, he and his family are active members of the Bethel Lutheran Church.

Stenholm's involvement in church, civic and political affairs have led him to local, state and national recognition.

### AI, Pregnancy Testing Clinics

A series of 38 clinics on artificial insemination (AI) and pregnancy testing are slated from October through all of 1979, notes an animal reproduction specialist with the Texas Agricultural Extension Service. Beef and dairy producers who enroll will receive intensive training in AI, pregnancy testing and herd management.

Interested producers should contact their county Extension agent for registration information.

phones" in their homes. When you call in a fire anyone may answer it and others may listen in. There are several do's and don't's if you discover a fire.

The most important thing is STAY CALM and don't try to put it out yourself. This can waste time and increase the possibility of more severe property damage and even the chance of serious personal injury. Call the fire department immediately at 658-3116.

When the person answers the phone, give them your name; location of the fire; and state, if you know, the type of fire (auto, house, grass, etc.). As you give location, give specific directions and addresses. Don't say John Doe's house as someone could misunderstand and think you said John Blow's house. If it is a rural fire be as specific as possible on how to get there. If a house is involved, do not go into the burning house and regardless, stay away from the burning area of any fire.

Keep your fire department phone number where it is easily and quickly found. Tell your children how to call in a fire as lives and property can depend on them too.

Remember - prevention is the best firefighter.

### Meet 'N' Treat Survey Shows Fewer Tricks

WVHOO's taking the trick out of Halloween treating?

Almost everyone!

According to a survey conducted by the National Confectioners Association, more than 90% of American cities are reporting fewer Halloween tricks and incidents of tainted treats than a year or two ago. The same percentage also reported a decrease in or absence of hoax calls to police about tainted treats.

The survey polled police chiefs across the country to learn more about community efforts to make Halloween a safer holiday for all family members.

More than half of the cities indicated a definite trend toward organized treating hours. Community parties, neighborhood events, parades, contests, carnivals and haunted houses were also on the upswing.

The survey was conducted as part of the NCA's "Meet 'N' Treat" program, which began in 1972 to curb the rise of tainted treat incidents and encourage accurate reporting of them. The program urges families to make treating rounds together and organize neighborhood parties. It is being publicized this year in cooperation with the National Safety Council.

## HOUNDS 'GIVE AWAY'

(from page one)

Munday then fumbled the ball and David Counts recovered on the Hound 48 yard line with 46 seconds left.

During the 46 second drive before the halftime journey to the locker room, Johnson passed eight yards to David Benson for the first play, the second play was incomplete and Johnston again passed for 39 yards to Ricky Gonzales on the third play to bring the ball down to the seven yard line. With 35 seconds left, Johnson ran for two yards followed by another two yard run on the next play. The last play of the first half resulted in another Greyhound touchdown as Jimmy Rushing crossed the goal line.

The crucial second half started with Munday receiving. The Hound defense did a superb job; however, on fourth down and four from the 42 yard line, the Mogul kicker booted an

exceptional kick to the Hounds' one yard line.

On the next play, the Hounds fumbled and Munday's Johnny Melton recovered for a touchdown.

On the next possession, the Hounds made a first down and then fumbled the pigskin to Munday.

The Moguls moved down and scored with 1:16 left in the third period and with their extra point kick made good, took the lead 21-20.

On the second play of the fourth quarter, Jimmy Rushing booted a 45 yard kick; however, the Moguls had a good return and started play on the Hound 26. Eight plays later, Munday scored making the scoreboard read 28-20 with 9:01 left to play.

The Hound defense did an excellent job for the remainder of the game led by Doug Ray, Jimmy Rushing, Skipper Jackson, David Counts, Terry Watson, Greg Whit-

ten, Robert Espinosa, and Joe Alsides.

The Hound offense ran one play, then fumbled again and Munday recovered on the Hounds' 23 yard line. The Moguls had to settle for a 32 yard field goal attempt on fourth down which was wide.

Needing five yards and on the Hound 25, the Moguls stepped in front of a pass and intercepted. The game ended with the Hounds trying desperately to move up the field.

Saturday night's defeat brought the Hounds their first loss of 1978. The season is a long way from being over with Munday still having to face Haskell two weeks away. If the Indians beat Munday then KC will share the title and will have a chance to represent district 7-A in post season play; however, the Hounds must win the remainder of their games.

Final statistics for Saturday night for KC and Munday, respectively, were first downs, 13, 16; yards rushing, 184, 100; yards passing, 86, 65; passes completed, 7 of 15, 7 of 13; passes intercepted, 0, 1; fumbles lost, 3, 1; punts, 5 for 32, 6 for 39; and penalties, 7 for 51, 1 for 5.

The story of Saturday night's contest was turnovers in the second half as well as bad breaks. The punt that went out on the one hit and bounced sideways to go out of bounds leading to a Munday TD. Another play on the opposite end was the pass deflected by a Hound defender falling into the arms of a Mogul with his team scoring on the next play.

Knox City entertains the Quana Indians at Greyhound Stadium Friday night at 7:30. This is the "coming home" game for ex-Knox City-O'Brien students, and fans will see the crowning of band and sweetheart at the halftime.

In the article concerning the Hounds' victory over the Aspermont Hornets in last week's News, Kyle White recovered a fumble and was not given credit in the story.

### Stop Winter Weeds Now

Winter lawn weeds can be stopped cold by applying a herbicide before they emerge, says a week specialist with the Texas Agricultural Extension Service. This means applying a preemergence herbicide such as benefin (Balan), bensulide (Betasan, Pre-San) and DCPA (Dacthal) in early October. Atrazine and simazine are also effective herbicides but are labeled for use only in fertilizer mixtures and should not be applied near young trees or ornamentals.

## Letters TO THE EDITOR

409 W. 13th  
Austin, Texas 78701  
October 20, 1978

Dear Editor,

With the November 7th General Election coming up very soon ... it seems that many of the voters of Texas are confused about their voting rights.

It is surprising how many calls have come into my campaign headquarters concerning the actual procedure of voting.

REGARDLESS of how a person voted in the Primary in May; he may vote for ANY individual or party he wishes on November 7th. For example, if someone voted in the Democratic Primary in May; he is free to vote for either a Republican or Democrat on

November 7th. Also, an individual voter may switch back and forth between the parties on his ballot. For example, he may vote for a Republican for one office and a Democrat for another.

These things seem simple and fundamental; but I wanted to clarify them for the voters of our community so they can exercise their freedom to vote on November 7th.

Thank you so much.

Sincerely,  
Bill Clements  
C/o R.E. Peeples  
Rt. 19, Box 254  
Hot Springs,  
Arkansas 71901

Dear Billy - We are enclosing a check for the paper but since we are out of the state a lot of the time we are sending the amount for the out of state rates.

We are down in Arkansas at this time at Lake Catherine State Park near Hot Springs. Elwood is glad to be back in some good fishing areas again. I am trying to recuperate from a bad spell with my arthritic knee and have not been able to join him yet in any of the fishing since we got back down here.

We plan to spend several weeks in Arkansas before we move on over into Texas. We both still enjoy this lifestyle very much. We spent the past three weeks in Missouri near our Jim and family.

We plan to be back to Knox City sometime the last of November so hope we see you then.

The Elwood Hackneys

### Home Winemaking OK After Notification

An individual can make wine at home by the fermentation of grapes.

Under federal law, however, the head of the household may make up to 200 gallons of wine a year for family use but must first notify the Treasury Department, Bureau of Alcohol, Tobacco and Firearms on Form 1541, Mary K. Sweeten, foods and nutrition specialist, reports.

Mrs. Sweeten is with the Texas Agricultural Extension Service, the Texas A&M University System.

## John Hill calls for state tax freeze

"Our state taxes in Texas are among the lowest in the nation, and I want to keep them there. As I've said many times, I'll veto a tax increase before the ink dries on the bill."

As Attorney General, John Hill proved he could increase the efficiency of his office without any unnecessary budget increases. He absorbed a three-fold increase in his office caseload by hiring top legal talent capable of higher productivity. The result: his staff lawyers doubled their average workload, and the increased court judgments and enforcement of civil penalty laws returned \$25 for every \$1 of state funds spent on his office.

As Governor, John Hill will insist on this same type of increased productivity for all state agencies. He will institute new controls over federal funds, demand that we follow our "pay-as-you-go" budget policy, and use zero-base budgeting to eliminate unneeded programs before any new programs are added. And he'll block any state tax increase — there won't be any new taxes under John Hill.

JOHN HILL  
GOVERNOR

# Your Social Security

### CHANGE OF ADDRESS

If you, or members of your family receive a check from the Social Security Administration, including social security retirement, survivors, or disability benefit checks, as well as Supplemental Security Income (SSI) payments, you should report any change in your home mailing address to the Social Security Administration as soon as possible. Whether you receive your payments directly, or if they are being sent to your financial organization for deposit, reporting your new address will reduce the chance of your check being delayed and will help assure that you get any correspondence sent to you. Even if you have reported your change of address to the post office and asked them to forward your mail, it is important to notify social security so that your records can be corrected. This will help avoid a delay in the receipt of your check, or the possibility of your not receiving it at all.

To report a change of mailing address, you may contact any social security office by mail, telephone, or in person, whichever you prefer. However you choose to report, be sure to know your complete new address, including your zip code number. Also, you should give your social security claim number, your old address, and the name of all those in your family who should get checks.

If readers have any questions, or need assistance in changing the mailing address for their checks, any social security office will be glad to help. The address and phone number of the Social Security Office in Vernon is 1701 Cumberland, 817 552-9346.

### STUDENTS BENEFITS

The new earnings limit for students has been changed by the 1977 Amendments to the Social Security Act. In 1977 the earnings limit was \$3000. For 1978 the limit on earnings for a student is \$3,240. If the student earns

\$3,240 or less during the year he can get all of his social security benefits. Should he earn more than \$3,240 his benefits will be reduced by \$1 for each \$2 he makes above \$3,240.

Students are also entitled to a one time monthly test where they may receive full benefits for all months in which they did not earn more than \$270 even though their total earnings for 1978 are in excess of \$3,240.

Students who do not plan to continue to be a full time student should notify the local social security office as quickly as possible so that benefits can be stopped thus preventing any overpayment.

A student's benefit stops if the student gets married. When the student receiving checks gets married he should promptly report his marriage to the nearest Social Security office.
