

LETTER TO THE EDITOR

O'Brien, TX 79539 October 30, 1978

Dear Editor:

I have thought about the following for several weeks and finally decided to write a little about the Tax Relief constitutional amendment that will be on the ballot November 7. This bill has some good points and some bad ones, and only really bad thing about it is that it comes in one package. You vote for or against the whole thing. I fully understand we need some tax relief, but the bill does not really offer this to many of the taxpayers. The way it will be worded on the ballot you will not really know what you are voting for or against unless you have truly studied the bill.

Section 1 will remove intangible personal property from taxation, which the great majority of this kind of property is not taxed, because it is too hard to locate and identify. The second part of this same section states, "The Legislature may provide for the taxation of intangible property." This takes the authority away from the local government and gives more authority to the state government. The same amendment states, "It may also tax income of both natural persons and corporations." This section does away with the requirement to tax intangibles, which were rarely taxed anyway, and retains the Legislative authority to impose a state income tax.

Section 2 provides that land may be taxed on production capacity rather than market price. In our district this would be a raise in value, as the state's production value is higher than our market value is right now. And to make a long story short, this would also mean more power for the State Legislature and less for the local government (We have enough of this now without giving them more.)

Section 3 provides grants \$5000 of the market value of the residence homestead of all homestead, no age

limitations, exempt for school tax purposes. Further, the Legislature, by general law, may exempt an amount not to exceed \$10,000 market value of residence homestead of persons 65 or older, or persons disabled. The requirements for disability are not established. The Legislature has authority to base the amount of exemption on economic needs of the individual. This would create a mass confusion of red tape and create some type of department to check qualifications and verify needs.

The Legislature states reimbursement will be provided the school districts for all or part of the loss of revenues imposed under this bill, and has set aside \$450 million dollars for this purpose. Two points here: 1. This money set aside is a one year thing and no mention of further funds was made. The Legislature contends it was its intentions to provide continuing funds, but one might be aware of the possibility that this might not materialize; 2. The Houston School District has released figures showing it would take over one-fifth of the total amount set aside to reimburse their district. We can easily see the amount set aside will not be enough for even the six larger districts in the state.

Also Section 3 provides that the Legislature has the power to establish what is a homestead, taking this power away from the local district. It also provides that once a person over 65 has established a residence homestead, under this provision, the amount of taxes cannot be increased unless the property is remodeled or additions added.

Section 5 states unless the Legislature deems an emergency, the state taxes cannot be increased above the rate of economic growth of the state. However, the Legislature retains the right to declare an emergency.

Driving Course Set At VRJC

A Defensive Driving course is scheduled to meet November 13, 14 and 16 at Vernon Regional Junior College. The course is scheduled to meet from 7:00 to 10:00 p.m. in Academic Science Building C-124 at VRJC. According to Dr. Jim Fritze, VRJC Continuing Education Administrator, the course is being co-sponsored by the VRJC Division of Continuing Education and the Texas Department of Public Safety. The course should be beneficial to anyone taking it because of the ten percent reduction in insurance premium and because it makes each person more aware of their driving habits.

Defensive driving is taught by Safety Officer, J.C. Brown from the Wichita Falls office of the Department of Public Safety. A registration fee is required. Early registration is encouraged since fifteen people have already registered.

As all of us know, it takes so much money each year to run a school and every time we cut something here, it will just have to be made up somewhere else. What money we do not receive from the state will have to be made up locally. Some of us are paying just about all we can rake up. Maybe the Legislature will come up with a better bill next year that might offer some tax relief really and truly where it is needed.

The brief explanation which will appear on the ballot sounds so good we will think Santa has come early. It is not the purpose of this to influence anyone to vote either way, but maybe you will take notice and study the bill more closely before next Tuesday and then decide which way to vote. If you need a copy of the bill, contact any tax assessor-collector or school superintendent. They can provide one for you.

Just be sure and go vote Tuesday, November 7.

Thank you, Charlene Brothers

Polls Show Krueger Ahead Of Opponent

Bob Krueger's campaign today claimed victory in the "battle of the polls," which has drawn significant attention in the Krueger-John Tower Senate race.

"The Texas Monthly poll released Saturday confirms every poll we have taken, discredits John Tower's polls - which we always knew were inaccurate - and gives Texans an independent interpretation of just how Texans feel about the Senate race, said Krueger Campaign Manager Garry Mauro.

Krueger's recent polls, conducted by the Austin firm of Henson Hopkins and Shipley, have shown the race exceptionally close, with Krueger edging ahead in the two most recent polls taken by Krueger pollsters.

The Texas Monthly poll, conducted in connection with

several newspapers and administered and designed by an independent polling firm, shows Krueger even farther out front than his own polls, 42.7 to 38.9 over Tower.

"Unlike perhaps some political campaigns, we commissioned our polls to tell us precisely how the people of Texas feel, so we would know not only where our candidacy stood, but so we would know how the people of Texas feel about the important issues confronting Texas and the nation," Mauro said.

"We have always left the practice of commissioning polls to attract media attention or to drum up 'get on the bandwagon' support to others," Mauro said.

"And it is obvious that the integrity of our polling operation has been confirmed by the Monthly poll."

Most newspapers pick Hill over Clements

"John Hill may be the best candidate for governor in decades. Judging from his record, he should win easily over his Republican opponent, whose chief qualification is money. Unlike his opponent, Hill is not given to outrageous promises, intemperate personal attack or underhanded tactics. He will work hard for the best interests of the state and its people."

- Austin American Statesman

"The more Mr. Clements has explained his blunt viewpoints - even those views we could agree with - the more he has raised doubt as to how effective a bulldozer could be in Texas government. Conversely, John Hill has grown in our evaluation as a man who not only is the best state attorney general in recent history, but also is a man with the intelligence, savvy and ability to serve Texas well as governor."

- Abilene Reporter-News

"We believe Hill will bring vitality and leadership to state government. Hill is not an advocate of big government. Nor is he a free spender. He has pledged that no new taxes will be levied if he is elected. His anti-inflation program is the kind of fiscal conservatism Texans can accept gleefully."

- Corpus Christi Caller

## Farm and Ranch News

By TOMMY ANTILLEY

Now is the time to control those unsightly weeds and grasses that emerged in your lawns last winter and became more prominent as spring came.

Winter weeds begin to germinate as the temperature drops in October and November. Weed seedlings emerge from November through January but remain small and often don't become obvious until January or February.

Many herbicides will control these weeds before they have a chance to germinate. These are easily applied granular form which is easier to calibrate than liquid herbicides. These include Balan, Betasan, Pre-San, and Dacthal.

All of these herbicides can also be found as mixtures with fertilizers. Extreme care should be used when applying herbicides mixed with fertilizers as a common mistake is to apply too much which can damage flower beds and shrubs. Homeowners should read label directions carefully

and observe all precautions.

Some other herbicide-fertilizer mixtures contain atrazine and simazine, but these should never be applied around young trees or ornamentals or injury may occur.

Before buying any herbicide, read all of the label directions and precautions to avoid destroying trees, shrubs or flowers around the home.

scored an upset victory May 6 in the Democratic primary.

His Democratic victory marked his second 'first' in Texas political history - his 1972 election as attorney general was the first time an elected incumbent in that office has been unseated.

Hill has gone back to the people of Texas since the primary election seeking advice on state priorities.

As governor, he pledges to focus attention on the concerns of the people as reflected in talks with Texans in all parts of the state.

## STREAMS IN DESERT PLACES

By OZELLE STEPHENS

"Don't look to men for help; their greatest leaders fail; for every man must die. His breathing stops, his life ends, and in a moment all he has planned for himself has ended." (Psalms 146:3)

The Word makes us realize how weak and utterly dependent on God we are. We must be faithful to the end of our lives - for he who is faithful to the end will receive a crown of Life Eternal.

And happy is the man who has the God of Jacob as his helper, who is in the Lord his God - the God who made both earth and heaven, the seas and everything in them. He is the God who keeps promises, and gives justice to the poor and oppressed, and food to the hungry. He frees the prisoners, and opens the eyes of the blind; He lifts the burden for those who are bent down beneath their loads. For the Lord loves good men. He protects the immigrants, and cares for the orphans. But He turns topsy-turvy the plans of the wicked. You can trust Him for His power is absolute; His understanding is unlimited. His joy is in those who reverence Him and who expect Him to be loving and kind.

## Look at the Record:

# VOTE DEMOCRATIC

You are hearing a lot these days about the cost of government. Balanced budgets. Per capita cost of government. Unemployment. High taxes. Outlook for the future.

In all these categories Texas is the envy of people living in the other 49 States of the Union. This explains why Texas continues to gain population and why business remains good in Texas. We have no income tax, individual or corporate. Cost of living is below the national average because less of a worker's pay check and a smaller portion of the profits in business are required to pay for public service than in other sections of the country.

Texas State Government operates on a cash basis. The Legislature has no power to create a debt against the State. There is always real cash in the State Treasury to pay obligations as they become due.

Texas hasn't had a Republican Governor since 1873. Texas hasn't had a

Republican-controlled Legislature since Carpetbag days following the Civil War.

Texas has increased in wealth and population and has kept pace with social and cultural progress under government administered by Democrats.

Life is richer and more enjoyable, with less government interference in personal and community affairs in Texas than in other sections of the nation.

Vote to keep it that way by voting a straight Democratic ticket in the General Election, Tuesday, Nov. 7, 1978.

LOUIS BATY  
...new director

### Louis Baty Elected To SWC Board

Louis Baty of Gilliland was recently elected to the Wichita Brazos Soil and Water Conservation board of directors for a five year term. Baty represents Zone 5 of the district.

The purpose of the Wichita Brazos SWCD, with headquarters in Knox City, is to promote sound soil and water conservation programs on farm and ranch lands within the district and to serve as a voice for farmers and ranchers on conservation matters and other issues affecting private property rights of landowners.

The board of directors coordinates the conservation efforts of various local, state, and federal agencies and other organizations and has authority to enter into working agreements with those governmental agencies and private concerns to carry out its purposes.

As one of five individuals serving on the district board of directors, Baty will be responsible for district policies and procedures for carrying out the district program within the framework of the Texas soil conservation district law.

In other areas of leadership, Baty is active in the Farm Bureau. He is a native of Knox County and has been farming in the Gilliland area all of his adult life.

In Texas there are 198 soil and water conservation districts. Each is a legal subdivision of state government organized by local agricultural landowners with the assistance of the Texas State Soil and Water Conservation Board. Unlike most other legal subdivisions of state government, SWCD's do not have the powers of taxation or eminent domain. All conservation programs managed by the districts are of a voluntary nature to the landowner or operator.

Organized in August, 1942, the Wichita Brazos SWCD has been providing continuing service to the people of Knox County for 46 years.

For further information on district service and assistance, readers may contact the district office in Knox City or contact the district director in their area. Other district directors are L.D. Offutt, Munday; Clifford Cornett, Knox City; Charles Griffith, Benjamin; and Billy Kinnibrugh, Vera.

### Darr Enrolls In Mortuary School

J. Kent Darr of Knox City has enrolled in the September 1978 class of the Dallas Institute of Mortuary Science in Dallas.

The 12-month curriculum, which includes embalming, restorative arts, grief counseling, and mortuary management, concludes with graduation August 10, 1979.

Darr, a 1975 graduate of Knox City High School, is the son of Mr. and Mrs. Dewey Darr.

## Does John Tower Stand For Texas Agriculture?

John Tower has compiled the worst voting record on agricultural issues of any Texas senator since Texas joined the Union.

Let's look at the facts:

- Advocated the elimination of all farm price supports in his book, *A Program for Conservatives* (1962).
- Voted against the five-year farm price extension program to wheat, feed grains and wool (1973).
- Supported the extension of beef price controls (1973).
- Supported Nixon's plan to block disaster relief to farmers in economically hard-hit counties (1973).
- Voted to sustain President Ford's veto of the bill to increase the support price of milk to a minimum of 85% of parity.
- Voted for the gun control bill banning mail-order and most out-of-state sales of rifles, shotguns and ammunition.
- Voted to bail out New York City (1975).
- Voted for his own pay raise of 29% (1977) and for automatic annual cost-of-living raises for Congress (1976, 1975).

While John Tower strongly favors price supports for himself, he philosophically opposes price supports for our farmers and ranchers.

## Bob Krueger Is A True Friend Of Agriculture.

Bob Krueger has voted for every piece of legislation benefiting farmers and ranchers during his four years in Congress.

Let's look at the facts:

- Krueger, an experienced rancher, was recently inducted into the American Cattle Breeders' Hall of Fame.
- Co-sponsored the Emergency Food & Agriculture Act of 1978 providing for a flexible parity system which would have led to 100% parity (1978).
- Authored beef import legislation to place foreign beef under the same strict inspection standards as U.S. beef (1977).
- Strongly opposed price controls of beef production (1973).
- Voted for the 1975 Agriculture Act Amendment to raise target prices and loan rates for cotton, wheat and corn.
- Voted to extend the Emergency Livestock Credit Act.
- Supports removal of excessive inheritance taxes and lowering the tax rates on capital gains.
- Opposes all forms of gun control.
- Voted against bailing out New York City (1978, 1975).
- Voted against the 29% Congressional pay raise (1977) and opposed the bill providing automatic annual cost-of-living raises for Congress (1975).

On November 7 let's retire John Tower and send a man to the U.S. Senate who will be our friend all the time, not just in an election year.

The First Christian Church with Derrell Marion presiding, conducted services this week. We appreciate your thoughtfulness concerning the elderly. They enjoy church services very much. Thanks to all.

Lorena Burnison and Doris Webb, both daughters of Mrs. Dearing, visited her. Doris lives in Seymour. Other callers were Bro. Boyd, Lois Golden of Benjamin, and Louise Finley.

Mrs. Williamson welcomed her son Clifford, Mr. and Mrs. H. Finley, Doyle Griffith, Lou Sikes, Ozelle Stephens, Jessie Teague and Blanche Elliott, also Sammie Carpenter and friend.

Mr. and Mrs. Dave Davidson of Rochester visited Eda Fay Pounds and her mother.

Vicie Pearl Emerson was happy to see her sisters Mrs. Floyd Grimley and her husband, Mrs. Marjorie Cloud of Odessa, and Jack Emerson's wife. Mrs. Grimley lives in Muleshoe.

Mrs. Hill had Elaine Gulley and Ruth Griffith of

Munday as her guests. Hob Smith was visiting in the home one day last week.

Mrs. Benson of Benjamin visited Mr. Benson and Mrs. Kendrick.

Mrs. Keck welcomed her sister, Fay Lunday.

Mrs. Snelson was in to visit Mr. Snelson.

Mrs. Gillentine, who has been in the hospital for several days, is now back with us.

Kelton Smith watched a number of guests write in his book. Some were his parents, Mr. and Mrs. Z.I. Smith, Bessie Duncan, Kate Wheeler, Chester Jones, Frances King, Vertie Mae Martin, and Dimple Edgington.

Mr. Suter's son of Old Glory was in to visit with his dad.

Mrs. Partridge enjoyed having Mr. and Mrs. Jack Newton of El Paso, Mr. and Mrs. F.A. Shirley of Port Neches, Mr. and Mrs. Glenn Meeks of Abilene, Candy Davis of Fort Worth, Annie and Bob Walling of Fort Worth, Agnes Myers of Munday, Elizabeth Bowden of Andrews.

Mae Flowers entertained Sam Lusk and wife of Haskell, the Dewey Darrs, Pearl Gage, Jewell Matura, Lorena Burnison, and Bro. Boyd.

Mrs. Kendrick had two of her sisters over from Benjamin.

Bill Aldrige enjoyed having his wife Betty Jo, his daughter Betty Ann Jones of Arizona and Darlene Howeth of Knox City.

The residents at the home had a real treat when a group of musicians from O'Brien played for them. The group consisted of Herman and Jimmie Hearn, W.H. Patterson, Mutt Logsdon and Johnnie Brown. The residents remarked on how much they enjoyed the music and want to express their thanks to those who came.

Mrs. Ray loved having Ruby Hobbs of Haskell as her guest.

**LIONS**

ted by Lion David Counts. The organization was chartered October 19, 1938, and met in the basement of the Methodist Church. Charter President was Otto Lawson.

The Lions also celebrated their 25th anniversary where Genie (Guinn) Holcomb provided the program while Waggoner Carr was speaker and Bill Heatly was a special guest.

During the reminiscing, Counts pointed out the Lions had bought and provided many glasses for persons before the eye bank program was established. The swimming pool has been their major project, which was begun in 1958. Many persons have donated their bonds from the swimming pool and the pool was paid off Monday, the day of their fortieth anniversary, Counts reported.

Counts told the banquet guests that the pool had been dedicated to the late Bill Sams, who was project chairman, and Otto Lawson, who was Lion President at the time.

President Bill Baker suggested to Lions that since the pool was now paid for that the club should seek out a new project. In addition to other activities, the Lions hold a carnival each year.

Cooks who provide the weekly noon meal for the Lions, Ruby Robinson, Jessie Teague, and Lois Cypert, were introduced during the banquet.

Greetings and regrets that they could not be present were sent by Congressman Omar Burleson, Floyd Neely of Wichita Falls, and Joe E. Childress of Abilene.

**Jason Neal Ivie Birthday Honoree**

Jason Neal Ivie was honored on his second birthday Saturday, October 28, with a party.

Relatives from Paducah who attended were his grandmother Votaw, Mr. and Mrs. Clyde Mathis and Eric, Mr. and Mrs. Steve Stinson, and Ricky Votaw and daughters.

From Knox City were his grandparents, Bertie and Mutt Ivie, Johnny, Vonnice, Nicki and Holly Ivie, and Tammy Greenwood and Eric.

All enjoyed a birthday supper and cake afterwards.

**FROM PAMPA**  
Mr. and Mrs. Dan Reed of Pampa visited the Otis Cashes Thursday and Friday of last week.

**ATTEND MARKET**  
Mrs. Dessie Egenbacher and her daughter, Mrs. Sue Stephens, were in Dallas Sunday to attend market.

**County 4-H Clubs To Sponsor 'Turkeywalk'**

Knox County 4-H Clubs are sponsoring a Turkeywalk in behalf of the American Heart Association to be held Saturday, November 11.

The fund-raising event will begin at the Rhineland Gym with check-in and registration at 9:00 a.m. and the kickoff at 9:30.

A 15 mile walk through the country, seven and one-half miles out and then seven and a half miles back to Rhineland, is being coordinated by Sue Oxford of Benjamin.

Entry forms are available, with each contestant obtaining as many sponsors as possible. Sponsors are to pledge so much a mile that the contestant is able to walk. It is necessary for participants under 18 years of age to have the application countersigned by a parent or guardian, and a waiver form must be signed, also.

The morning of the Turkeywalk, Sponsor Sheet No. 2 may be turned in at the time participant registers.

Aid stations will be set up along the route for refreshments and first aid.

Funds from the Turkeywalk will be used to help finance Heart Research projects in Texas. Contributions are tax deductible and all checks must be made payable to the American Heart Association. The sponsor's check will be his receipt.

Participants should begin collecting pledges as soon as possible and the money must be turned in, along with Sponsor Sheet No. 1, to Sue Oxford at Benjamin or Barton Carl at Munday by November 20 at 5:00 p.m. to be eligible.

Prizes and turkeys are being donated by merchants in Benjamin, Munday, and Knox City for two age groups, those up to 16 and those over 16.

A free turkey will be given to each participant who turns in \$100.00 or more and finishes the 15 mile walk.

In case of rain, the Turkeywalk will be postponed, officials said. They also remind participants to bring a sack lunch.

**Hackers Honored With Shower**

A shower honoring Mr. and Mrs. Ricky Hacker was held Saturday afternoon, October 28, in the home of Mrs. John L. Grindstaff Jr. Calling hour was from three until four o'clock in the afternoon.

Mrs. Grindstaff greeted guests and presented them to the honoree, his mother, Mrs. C.L. Hacker Jr., and his grandmother, Mrs. C.L. Hacker Sr. and Mrs. A.L. Bohannon of Iowa Park.

Registering guests was Jan Quintanilla, and Temi Holladay and Vicki Lewis served refreshments of assorted cookies, toasted nuts, apricot and yellow mints, vanilla and toasted almonds, and punch from a table covered in the bride's chosen colors of apricot and yellow. The centerpiece was of apricot silk flowers and appointments were of crystal and silver.

Hostesses were Melanie Whitley, Mary Beth Smith, Frankie Baker, Peggy Jones, Claudia Tidwell, Peggy Guinn, Kay Johnson, Vera Newton, Georgie Lynn, Romain Stubbs, Sequoyah Reynolds, Joyce Crownover, Paula Lorenz, Ida Jo Adams, and Peggy Grindstaff.

**Men's Separates New Fashion Trend**

Men will see more suit-like separates sold individually for added versatility and a better fit, Becky Culp, a clothing specialist, reports.

Separate items include slacks, vests, jackets and blazers, she points out.

They are popular for young to middle age groups in moderate income levels.

Mrs. Culp is with the Texas Agricultural Extension Service, the Texas A&M University System.

**RECENT VISITORS**

Recent visitors in the home of Mr. and Mrs. John L. Grindstaff Jr. were their daughters, Denise Grindstaff of Johnson City and Tamie Dale of Corpus Christi.

**IN HOUSTON**

Mrs. Odessa Mitchell and Mrs. Essie Day visited friends in Houston last week.

**RTA Hears Colonel Sewell**

The Knox County Retired Teachers Association met Tuesday, October 24, at 2:30 p.m. in the Community Center.

Program leader Mary Groves introduced the speaker, Lt. Col. Jane Sewell of Burkburnett, who is also a retired teacher.

President Lillian Logan called the meeting to order.

Lieutenant Colonel Sewell's subject was "Watch Where You Are Going," or defensive driving. She discussed transportation in general and gave clever, worthwhile advice concerning the "two second rule," the "rolling stop," how far should one be behind a car traveling sixty miles per hour, how long it takes a driver to stop a car, and stated that 75% of all accidents occur within a 25 mile range of travel so a driver (or passenger) should fasten seat belts every time he or she travels no matter how long or short the distance. She closed her remarks by summarizing, "...drive straight, drive carefully, be alert, remember the two

second rule, and remember how long it will take to stop."

Question: What is the most dangerous mile? Answer: The one just in front of you.

Present for Tuesday's meeting were members Mauryse Scott, Euris Reed, Lillian Logan, Ina Cowan, Idoma Chowning, Ila Boyd, Jewell Lea, Virginia Casey, Mary Groves, Lois Smith, Louise Finley, Mary Jo Lankford, Yvonne Harrison, Hazel Long, Sudia Cash, guest speaker Lt. Col. Jane Sewell and visitor Louise Kemeletz.

Hostesses Sudia Cash, Louise Finley, Idoma Chowning, and Lillian Logan served pie, coffee, and roasted pecans.

The next meeting for the Retired Teachers will be a two afternoon meeting set for November 21 and 22 from 1:00 to 5:00 each day. Sergeant Brown of Wichita Falls, who is no stranger to the Knox City and Munday area, will give a defensive driving course. According to officials, those who took the short course in defensive driving which he taught a few years ago, will remember how efficient and effective he is as an instructor.

Lieutenant Colonel Sewell discussed his capabilities and recommended that members submit names to Mrs. Logan to take the course being offered November 21 and 22.

**FROM BIG SPRING**  
Mr. and Mrs. Jimmy Melton, Kobi and Jason visited last weekend with her parents, Mr. and Mrs. Bill Anderson and attended the KC-Quannah football game Friday night.

They also visited his parents, Judge and Mrs. Homer T. Melton in Benjamin where they attended the Benjamin carnival Saturday night.

**LEARN TO LISTEN**

Communication is one of the most studied fields of today, yet we find this area to be one which causes the majority of our problems - whether it be with boyfriends, children, husbands, or friends.

Communication is much more than talking or listening and involves a development of special skills. One of the first things we all need to do is to LEARN TO LISTEN - and gain the basis for understanding others and strengthen our relationships. Few people have mastered the art of listening with understanding. In fact, research shows that poor listening is a major family problem.

Here are six steps to becoming a more effective

and efficient listener.

1. Be interested in the other person. Thinking that each person has something helpful to say makes listening easier.
2. Accept "less than perfect" in others. Each person has something to offer regardless of age, dress, mannerism, or speech.
3. Learn to "act" and not "react." Hear all of what a person has to say and view the entire idea rather than its specifics - and do not make assumptions.
4. Recognize that others may use words and convey thoughts that are outside our circle of knowledge. Use these experiences to expand knowledge. Some helpful responses are: "Oh, that is interesting," "I didn't know that," "That is something I have often wondered about," "Would you explain?"
5. Try to understand what the individual is saying. Sometimes words do not tell the whole idea.
6. Pay attention. Faking attention is disrespectful and causes the communication process to break down.

Each of these six steps must be practiced over and over again to help us become more efficient in our communication. Taking time to share your ideas, feelings and problems is one way to let others know how important they are to you. Open, honest communication will involve both verbal communication and physical communication. "Body language" is a very important part of our communication. A hug, back rub or squeeze of the hand have special meaning for those we love - just as the words "I love you" do. Honest two-way communication lets others know they're cared for and that their ideas are being heard and important too!

JUNIOR CLASS NEWS  
By Gerri Watson

Junior class sales for pads and pen sets has finally ended. We would like to thank everybody who bought something from us.

Last Tuesday the Junior class took a PSAT test. The test was to show if students were eligible to receive a scholarship from college. The results will be given us later.

Last Wednesday, October 25, the Junior and Senior mothers met to plan the Thanksgiving Supper. Ticket sales began this week. The supper will be Thursday, November 16, at 6:30 p.m. in the high school cafeteria.

The menu will be turkey, dressing, mashed potatoes, green beans, rolls, and pecan or apple pie.

This Saturday, November 4, the Junior class is having

its first workday. They will wash cars at Wayne's "66". It will also be a pick-up day for newspapers or magazines. The Juniors would really appreciate it if you saved them. Just place the papers at the end of your lawn and the Juniors will pick them up Saturday morning.

FRESHMAN NEWS  
By Kim Rhodes

We've been on a regular schedule at school. We have been doing work in class and having homework. We did charades in English on Monday for a book report.

It's the Freshman class week to decorate the halls for our game against Paducah. We hope to win the rest of our games. GO HOUNDS!!

HOME MAKING I  
By Missy Whitley

Monday night all the FHA girls helped to serve a dinner for the Lions Club. We had hoped that it would come off as well as it did. A thanks to all the girls who put in time to help make the dinner a success.

The freshman class has

been working very hard in Homemaking I. We have learned the basic rules for cooking and measuring. We put all this to use when we make cookies and doughnuts.

Last week for the Homecoming game the freshman girls joined with the other homemaking class to make signs for the halls. We decided that we did a fine job.

BETA CLUB NEWS  
By Jimmy Rushing

The Beta Club met Tuesday, October 24, at 8:30. The purposes of this meeting were to induct new members and to plan the bake sale for Saturday.

New members must meet a new standard. Instead of the old 85 average, they must hold at least a 90 average. New members present for the induction ceremonies were Angelia Reid, Gerri Watson, Cyle Clayton, Dwayne Johnson, Junior Figueroa, and Sammy White. They also sang the Knox City School Song. Congratulations, new members!

We planned our bake sale

which was held Saturday, October 28. We had cakes, pies, brownies, and cookies at two locations. We would like to thank all who bought from us at either the Post Office or the Mini Mall. In our next news, we'll let you know how successful our sale was. The money we earn goes toward our never forgotten project - a sidewalk in front of the lunchroom!

PEP CLUB NEWS  
By Simone Cobb

The Pep Club had the responsibility to sell and deliver mums for the Quana homecoming game. Thanks to everyone who bought a mum!

Also Friday at the pep rally the pep club had the skit. It was a burial service for the megaphone! The megaphone had been destroyed when a football player sat on it during the Munday game last week!

This Friday, the Pep Club will travel to Paducah for the game. Hounds, let's get a Dragon!

BAND NEWS  
By Gerri Watson

Last Friday night was our homecoming. They did a

special show. The band marched onto the field with the "Fight Song." After this

they formed a heart. The nominees for Band Sweetheart were Rhonda Skiles and Gerri Watson. The nominees for Band Beau were Cyle Clayton who escorted Rhonda and Robert Espinosa and Steve Rumley who escorted Gerri.

The band played "Morning Has Broken" while the nominees were presented.

The new Band Sweetheart for 1978-79 is Rhonda and new Band Beau is Robert. Congratulations, Rhonda and Robert!

The band also played "Climb Every Mountain" while the Football Sweetheart nominees were being presented. Nominees were Sonia Carter, escorted by David Counts; Brenda Albus, escorted by Jimmy Rushing; and Rhonda Skiles, escorted by Skipper Jackson. The new 1978-79 Football Sweetheart is Brenda Albus.

Congratulations, Brenda! The band formed its KC and marched off the field. We would like to thank

Mrs. Cidy Williams for the use of her convertible for our ceremony.

Last week at the pep rally the band played "Basin Street" and "Skybird" for the twirlers.

This week the band will be working hard for its UIL show and the twirlers will be working on their solos and trios. UIL is November 7 in Wichita Falls at Memorial Stadium. Good luck, everybody!

EIGHTH GRADE NEWS  
By Kristi Boone

(Last Week's News)

Last week, we played Munday and beat them 38-8 so we're still undefeated and hopefully headed toward district. Last week, the fifth and sixth played each other and tied 6-6.

The twirlers and cheerleaders are sponsoring Freak Out Day at O'Brien on October 31 and the football boys play at Quana, there, the games start at 5:00.

## Bullies Lose A Heartbreaker

By Greg Oliver (No.35) &  
Sid Richardson (No.65)

Last week the Knox City Bullies played a real heartbreaker against Quana.

The Bullies took the ball on the opening kickoff and marched down the field in the first few seconds. Scott Lynn went around the left end for six on a three yard gain. The extra point pass was incomplete. But the Indians scored in the second quarter and booted the one extra point. The remainder of the game was a defensive battle. Although the Bullies came close, they were never able to score the second half, leaving the score 7-6 Quana.

This week, the Bullies play the Paducah Lizards at O'Brien.

"When a champion team loses, it hurts but they take the hurt out on the next game."
