Farm Bureau Week Proclaimed In County

Knox County Judge Homer T. Melton has officially proclaimed the week of March 5 - 10, 1979, as "Farm Bureau Week." Governor Bill Clements also has designated the week as a statewide observance.

In the near future, the Knox County Farm Bureau will have a membership drive with a special effort to poll opinions of members and non-members about Farm Bureau and how it can more effectively represent agriculture. The present membership totals 228,079 member families in 212 Texas counties.

The membership chairman for the Knox County Farm

Jewell Miller In Houston Hospital

The News office was notified Tuesday that Jewell Miller entered M.D. Anderson Hospital in Houston, Monday, February 26, to undergo medical treatments.

According to family friends, Mrs. Miller has been placed in one of 12 isolation tubes at the hospital and will remain there for 12 weeks while she is receiving treatments.

Friends may address correspondence to Hattie Jewel Miller, M.D. Anderson Hospital, Bertner Avenue, C/O Isolation Department, Houston, Texas 77025.

Weather Summary For February 1979

February 1979 was slightly drier and much cooler than the long-term norm for this month. The temperature for the month averaged 42°F which is 6°F below the long-term average of 48°F. The highest temperature recorded was 88°F on the 14th and the lowest was 16°F recorded on the 16th and 17th.

Measurable precipitation occurred five times during the

Junior High Track Meet Set Mar. 13

The annual O'Brien Junior High track meet has been slated for Tuesday, March 13, on the Knox City track.

Teams participating from the area will include approximately 20 girls' teams and 20 boys' teams.

Field events are scheduled at 9:30 a.m. with prelims at 11:00 a.m. and finals at 3:00 p.m.

Coach Steve McIlhane, girls' coach, and Coach Jimmy Rogers, boys' coach, encourage fans to be on hand for the meet and support the young athletes.

Roberta Davis Is Bike-A-Thon Chairman

Mrs. Roberta Davis was recently named chairman of a Bike-A-Thon in Knox City by Reuben D. Duke, president of the Lone Star Chapter of the Cystic Fibrosis Foundation.

She will be conducting the Bike-A-Thon on Saturday, March 17, (weather permitting) at 10:00 a.m. and participants will ride to O'Brien and back. Interested persons are asked to meet at the downtown parking lot behind Marion's Mobil to gather for the event. Anyone interested is asked to contact Mrs. Davis at 501 East Fourth Street or call 658-3171.

Funds will be used to support research and care for children affected by cystic fibrosis, severe asthma,

through the overwhelming victory of the Tax Relief Amendment in the November 7 general election, said County President Smith. He said Farm Bureau is also working on other problems, such as inflation, threat of export controls, foreign ownership of land, parity prices, and land-use proposals.

Part of the "Farm Bureau Week" official proclamation, signed by Judge Melton, reads:

"An adequate supply of food and natural fibers is essential to our Nation. Many of our citizens of Knox County are directly or indirectly dependent upon agriculture for their livelihood. All of our citizens benefit from the advancements made in the agricultural industry.

"Our farmers and ranchers have learned the value of promoting their industry through organization. Four out of five agricultural producers in the Nation are voluntary members of Farm Bureau."

chronic bronchitis, bronchiectasis and other related lung-damaging diseases.

Cystic Fibrosis, an incurable genetic disease, is inherited by one in every 1500 babies born in the United States. Both parents carry the recessive gene for CF and number among one in twenty persons in the U.S. who may be carriers, usually without knowing it. With improved therapy and constant research, many CF patients are now living into early adulthood.

"Most people do not realize there are millions of children affected by lung-damaging diseases, and by participating in our Bike-A-Thon, you can help these children who can't take breathing for granted," Duke stated.

Men Win Second In Volleyball

Knox City-O'Brien men and women volleyball teams recently entered the Rochester Tournament with the men winning trophies for second place.

Men team members include Rayland Hayes, James Manning, Troy Lewis, Alfred Rios, Mark Reed, Joey Swain, Nick Johnston, Kent Brown, and Bobby Easterling. Shirts sported by these men during competition are furnished by Pumpers Supply.

The women who were defeated in both of their first two games, include Brenda Correll, who is sponsored by Boutique; Pam Lewis, Lewis Paint and Body Shop; Pearce Manning, Penman Propane, Rochester; Pam Reed, Lady Bug Shoppe; Cindy Brothers, O'Brien Co-Op Gin; Jan Quintanilla, Jerry's Plumbing; Debbie Brown, Knox County Fertilizer; and Teresa Rios, Penman Conoco.

On Thursday, February 28, the men met Rule for the first round of play and lost both games. Friday night, they played members of the Rochester Fire Dept. and won both games; following this, they lost the first game to another Rochester team and then won the remaining two. On Saturday they played for second against Aspermont which they won, advancing to the finals again with Rule. Knox City lost both games to Rule, 15-9, 15-13.

Each of the men received individual trophies for their second place win.

The women were defeated by Rule on Thursday, February 23, and then by Rochester No.2.

Games are scheduled for the teams in the Old Glory tournament which begins March 8 (today).

KC Band Receives II Ratings

Knox City High School concert band members and their director, Alan Steckler, traveled to Cisco Junior College Friday of last week and brought home a Division II (excellent) in both the concert and sight-reading categories.

The band members performed their tentative UIL program. The UIL contest itself is set for April 25 in Vernon.

Concert judges were Tom Burns of Graham, Tim Jones of Cisco Junior College, and Richard Helmcamp. Dr. Douglas Fry of Cisco Junior College was the sight-reading judge.

Judges emphasized that the main preparation for the upcoming contest was much more work on individual parts.

Awards Presented To Locals

Five Knox City faculty members as well as the school counselor received service pin awards during the Knox County Texas State Teachers Association meeting held Monday night in the Munday High School cafeteria.

Receiving her 20 year pin was Mary Beth Smith, school secretary. LaRue Reeves, school counselor, received her 15 year pin while Earlene Austin, Renella Watson, and Jimmy Rogers, each received their 10 year pin. Ronnie Verhalen received his pin for 5 years of service.

Entertainment was provided by a group of young ladies from Munday High School including Zanelle Franklin, Robin Elliott, Julie Hines, Sharri Offutt, Philda Sloan, and Mary Vasquez. Selections performed were "Morning Is Broken," and "Making Our Dreams Come True." In addition to their performance, Robin Elliott, who was a winner of the coveted first division piano solo award, presented her winning selection, "Bach Part Two, Invention Number Fourteen."

Guest speaker was Dora James from Region XIII Uniserve Office in Arlington, which serves 30 counties. Her speech concerned current legislative programs.

Officers elected to serve the local TSTA for the incoming year are Penny Winchester, Munday, president; Frances King, Knox City, first vice-president; Nancy Patterson, Goree, second vice-president; and Bettye Wilde, Munday, secretary-treasurer.

In Vernon Relays

Hounds Win Second In First Track Meet

Knox City tracksters brought home a second place trophy during their first outing at the two-day Vernon Lion relays. The Hounds tallied 96 points in division II behind a strong Class AA, Childress, who tallied 142 points for their day's efforts.

Finishing behind Knox City were Electra with 67½, Olney 66, Henrietta 42, Quanah 16, Vernon "B" team 12, and Archer City 8.

KC brought home two first places with one going to David Walling in the long jump and the 440 relay team composed of Ricky Gonzales, Dwayne Johnson, Tim Roberson, and Scott Lynn.

SCS Essay Winners Announced

Goree school hosted the award presentation for the 1979 Wichita-Brazos Soil and Water Conservation District essay contest.

George Cotton, Goree principal, introduced Pete Elliston of the Soil Conservation Service who made the presentations.

Elliston recognized the first place winners from each school who were Rhonda Aytes of Goree; Omar Choucair of Munday; Craig Hertel of Benjamin, and Gerri Watson of Knox City.

The winner of this year's contest was Omar Choucair, son of Mr. and Mrs. J.A. Choucair of Munday.

Elliston expressed appreciation on behalf of the Soil Conservation Service and the entire board of directors of the soil conservation district to the school administrators, teachers and students for the excellent participation in this worthwhile educational activity.

Johnson, Roberson and Gonzales, and Gonzales again in the long jump.

Walling took a third place in the high jump event while Roberson placed third in the long jump.

Other finishers from KC were David Benson, fifth, and Russell Hacker, sixth, in the 330 intermediate hurdles; and Danny Johnson, sixth, in the mile run.

Additional tracksters competing in the Vernon event but failing to place were

David Counts and Jay Rutherford, 880 run; Hacker and Benson, 120 high hurdles; Richard Ashcraft and Rhodes, 220 yard dash; Daniel Alsides and Danny Martinez, mile run; Kelley Boone, Alsides, and Domingo Garcia, pole vault; Terry Watson, shot put; and Skipper Jackson and Kenny Cornwell, discus.

The Hounds, coached by Jimmy Rogers, will travel to Anson, Saturday, March 10, for their relays.

KC Senior Receives TFWC Scholarship

A Knox City High School senior student, Terry Curd, son of Mr. and Mrs. W.P. Curd, was named the recipient of a \$200 scholarship during the Mesquite District, Texas Federation of Women's Clubs' nineteenth annual convention, held in Sweetwater. The presentation was made to Terry during the annual banquet Friday evening by Mrs. Roy Craig of Stamford, chairman of the scholarship committee.

TERRY CURD
...recipient

Terry has attended the Knox City Schools all twelve years of his schooling. He has participated in many activities including Future Farmers of America, Beta Club, football, basketball, and track. Terry also has served as class reporter both his freshman and senior

years and competed in journalism for two years.

He plans to use his scholarship at South Plains College in Levelland.

Mrs. J.C. McGee of Knox City, Mesquite District president, and Mrs. Yvonne Harrison, Knox City Study Club representative, attended the two-day convention held at the Holiday Inn.

Theme of the convention was "Spring Fiesta: Unity in Diversity."

Knox City members also had an additional two winners from their club as Mrs. Otis Cash won first place in the TFWC Library contest, "Texas Women", while Mrs. Curtis Casey won first place in the poetry contest with her composition of "Unity in Diversity."

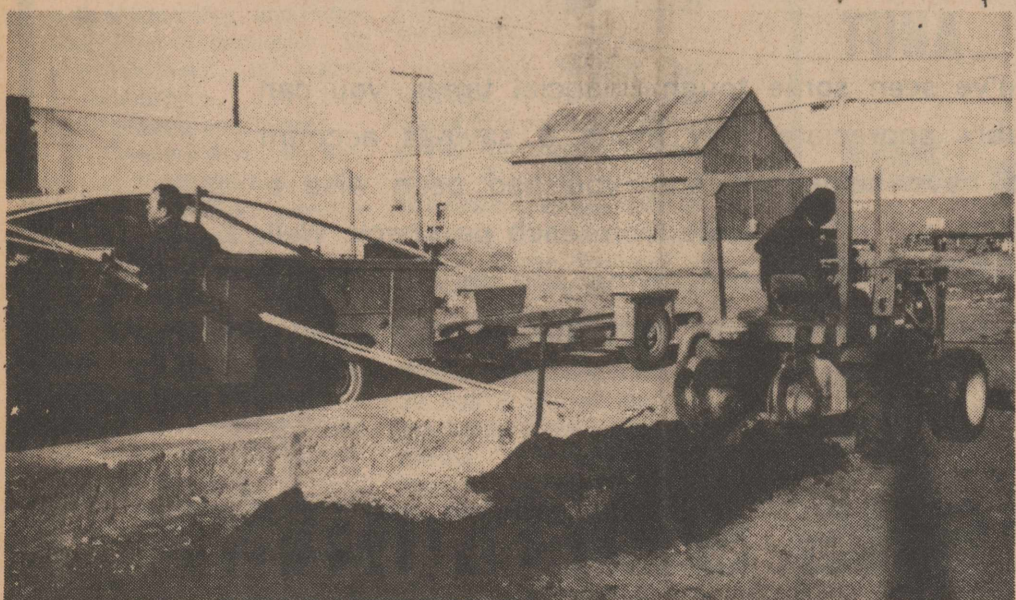

Among the officers elected at the convention were Mrs. John Berry, Clyde, trustee; Mrs. John Ward, Aspermont, TFWC scholarship representative; and Mrs. Charles Boyd, Anson, Mesquite District representative to the state nominating committee.

Mrs. R. R. Astin of Stamford was elected a life member of the district association. In order to qualify for this, the recipient must have a 25 year continuous membership in a federated club and have served on the board of directors for ten years.

Haskell members will host the June 9 workshop while Aspermont, assisted by Rochester members, will host the fall board meeting on October 20.

All five clubs will meet in Snyder for the convention in March 1980.

Terry accompanied J.C. McGee to the banquet where Terry received his award.

DONATING THEIR TIME in installing a water line for the downtown parking lot are Jimmy Lynn, owner of Lynn Electric Motor Inc., left, and Ricky Vasquez, right. Plans are now being resumed after the prolonged inclement weather and it is hoped the project will be completed in the near future.

LOCAL WINNERS in the Soil Conservation Service essay contest received trophies for their accomplishments Thursday of last week from Pete Elliston of the SCS. Gerri Watson, second from left, was named first place winner on the local level, followed by Tammie Helton, second, and Rhonda Skiles, third. Gerri also placed second in district competition.

FORMER KNOX CITY RESIDENT Mrs. Palmer (Beverly) Campsey, center, was recently named Vernon's 1978 "Woman of the Year" by the Business and Professional Women. At left is Clara Mae Bell, the 1977 recipient, while B&PW president, Dean Richardson, looks on.

Beverly James Campsey

KC Grad Vernon's 'Woman Of Year'

Former Knox City resident, Mrs. Palmer (Beverly) Campsey, was honored Thursday night, February 8, as Vernon's "Woman of the Year" for 1978.

The award was presented to Mrs. Campsey, who is executive director of the Girls' and Boys' Clubs of Vernon, by last year's recipient, Mrs. Clara Mae Bell at the 60th anniversary banquet of the Vernon Business and Professional Women's Club.

This was the 16th annual presentation of the award, which started in 1963 by B&PW in Vernon.

Mrs. Campsey, the daughter of former Knox City resident Mr. and Mrs. O.M. (Jessie) James who moved to Seguin several years ago, was praised for "leadership, achievements and concern for her community" and "service beyond the call of duty ... achieved through unselfish efforts."

Mrs. Bell said of the 1978 recipient, "It takes a special

person to work with children and young people. A lot of hours that are not hours paid for in salary are required when needs must be met."

Mrs. Campsey was praised as a good wife and dedicated mother, as well as an avid fan of Vernon athletic teams and supporter of all other programs involving local schools.

Among activities for which Mrs. Campsey was recognized specifically were service as president of the Parent-Teacher Organization at Hawkins Elementary, room mother at Hawkins and Central Schools, Blue Bird leader, Sunday School teacher at the First Baptist Church, Vacation Bible School director and worker in Vernon and Colorado, member of the Education Committee of the Chamber of Commerce, Baptist Student Union leader at VRJC, member of Laloli Club and Beta Sigma Phi, Cub Scout den mother, member of Vernon Order of Eastern Star, as well as duties with the Girls' Club, which has had unusual growth in services and facilities during her leadership, and the Boys' Club.

A graduate of Knox City High School, Mrs. Campsey and her husband, Palmer, the son of Mr. and Mrs. S.B. Campsey of Munday, were married November 1, 1958.

Moore Rites Held In Decatur

Funeral services were held Wednesday afternoon, March 7, at two o'clock in Emmanuel Baptist Church in Decatur for Mrs. Virginia Dell Moore of Munday, mother of former Knox City resident Sheila Kimmel, also of Munday. The Rev. Leroy Jackson, pastor, and the Rev. Woodrow Simpson, officiated. Burial was in Oaklawn Cemetery.

Mrs. Moore, 69, died Monday, March 5, in a Seymour hospital.

Born December 11, 1909, in Wise County, she married Homer Austin Moore on December 16, 1961, in Knox City. She had lived in Munday for 17 years.

Survivors include her husband; two sons, Bennie Joe of Azle and Floyd Wayne of Decatur; three daughters, Helen Claudine Edens of Brownwood, Wanda Sherlene Clary of Fort Worth, and Shelia Marie Kimmel of Munday; a stepson, Homer A. Moore Jr. of Jal, New Mexico; three stepdaughters, Wanda Gaye Noles of Austin, Jo Ann Stroud of Midland, and Gloria Faye Scott of Big Spring; a brother, Wally Ford of Porterville, California; three sisters, Flossie Powell Owens of Lorenzo, Estelle Meadows of Nordrhein, and Gladys Mae Carden of Munday; 24 grandchildren, 15 step-grandchildren, 18 great-grandchildren, and six step-great-grandchildren.

FROM KANSAS

Mrs. Myrtle Browning and Mr. and Mrs. Oliver Whitteman, all of Wichita, Kansas, have returned home following a visit with Mr. and Mrs. Russell Boyd.

Mrs. Browning had been a guest of the Boyds for the past month. Mr. and Mrs. Whitteman brought Mrs. Browning to Texas while enroute to California for a visit and came back through Knox City for the return trip home.

Sunday Accident Kills Child

Funeral services for four-year-old Munday resident LeAnna Camille Yost, who died Monday, March 5, in a Wichita Falls hospital following a Sunday afternoon accident, were held at ten o'clock, Wednesday morning, in the First Baptist Church in Munday.

Young Camille fell from a horse Sunday afternoon and was taken to the Knox County Hospital in Knox City. She was later transferred by a U.S. Army helicopter from Fort Sill, Oklahoma, to Wichita Falls where she underwent emergency surgery. Accompanying Camille to Wichita Falls was Dr. W.F. Thompson, who arranged for the Army helicopter service.

Officiating at the services was the Rev. Jack Mints, church pastor, who was assisted by Dan Cox, minister of the Munday Church of Christ. Burial was in Johnson Memorial Cemetery.

Born March 11, 1974, in Haskell, she was the daughter of Mr. and Mrs. Charles Yost of Munday.

Additional survivors include a sister, Mrs. Tracee Herring of Munday; three brothers, Russell and Randy Routon and Chad Yost, all of Munday; her grandmother, Mrs. Lila Fay Mobley of Goree and Mrs. Frankie Yost of Munday.

Palmer is a vice president of the Bank of Vernon.

They have three children, sons Chad and Chan, 18 and 16, and a daughter, Angie, 11.

Vera Backus served as director of ceremonies for the banquet meeting. Husbands and other special guests were on hand for the event.

O'Brien Happenings

By CHARLENE BROTHERS

Somewhere around our community there is some kind of motor that is interfering with the TV reception, and some of us are getting pretty tired of it. About half of the time when you get interested in a good show, the snowy lines will start going across the screen. It really makes it bad. Sometime someone is going to find out what it is, and then maybe we can get something done. Of course as you know there are not too many good shows on TV now, but when you do get one you like to see it and hear it. Some of the time people can hear voices, but cannot, so far, identify them. So it may be a CB radio or Ham radio or something like that. KMA keeps telling me when I call Mr. Smith, that they are not transmitting at the times I have called, so what do you do?

We are never going to get through ginning cotton, not in 1979, that is. We will never know when one crop ends and the next one begins. We have close to 1200-1300 bales on the gin yard, somewhere around 1500 in modules and no telling how many still on the stalk. These figures are as of March 5, 1979. Some of it does not gin very good, so it takes longer to gin a bale and that will naturally take longer to gin all the thousands left. So you

can see that if I had anything planned for the summer, it will not take place, unless it happens at the gin office. We cannot even find a right place to cut off our fiscal year, which ends March 31. Some of us will have cotton on the same farm on two different years as far as the gin is concerned. I guess we can just forget this year and carry it over to next March 31. Our auditor says we can do this.

Someone was in the other day asking about cotton seed, planting seed, and I told them we were not going to sell any seed until we got through ginning this crop, but bet we have to.

It looks like the C. J. election will be kind of short, as we did not get any new people to run for any of the offices. The ones running for a one year unexpired term are James Manning, Clifton Duncan and for two year terms are Butch Stephens, Buster Hodges, and Charlene Brothers as councilpeople; C.H. Underwood for mayor. James was appointed to replace Jerry Johnston, last May when he moved and Clifton was to replace Johnny White as he moved to Munday last fall.

It is getting the time of the year when we all need to be thinking about cleaning up around our places. We can

get started again on our beautification program, maybe before too long. I know it is hard for working people to find time to do a lot but if everyone will do something, then by the time it is all added together it will look better.

HERE AND THERE

Vicki Hewitt was in Snyder during the weekend visiting with Mr. and Mrs. Bert Davis and Scott McAnelly.

Mr. and Mrs. Dick Dickson of Electra visited with Mr. and Mrs. A. A. Cox during the weekend.

Randy Cox of Lubbock visited with his grandparents, Mr. and Mrs. A.A. Cox during the weekend.

Melanie Whitley sends me a schedule of the monthly events at school, said she thought I might mention some of them in this column. Well, from looking at March if the other two months are as full as it is, the students are not going to have time to think, much less do anything else before school is out. They have several track meets, one-act play practice every night, FHA meetings and then on March 19 they are out for their spring break for a week. By the time they work all that into three weeks, they are going to be a busy bunch.

I would like to mention that someone could put up about

Yard Of Month Is Selected

The yard of Mrs. C.H. Keck, 205 South Fourth, has been chosen as Yard of the Month for March by Mrs. C.E. Reed and Mrs. Guy Robinson.

The selection was made due to the yard's winter neatness and also for the spring flowers, yellow crocus, which dotted the entire front yard. The ladies commented that they saw many beautiful well-kept yards prior to their selection.

Reporter Ruby Robinson leaves readers with this poem by Lois Williams for March: "Thank you for the month of March, For every breeze that blows, For birds that sing of spring, For every tree that grows."

Merri Clarke On Dean's List

Merri Clarke was notified that she has been named to the Dean's Honor Roll for the fall semester at Texas Tech University in Lubbock.

the school events on the bulletin board over here. I think they have lots of letters missing, this may be the reason they do not use it. If so, let's see if we can help them get some letters. The people of the community did not help purchase this not to be used. I know if you do not have children in school you do not always know what is happening and when.

Williams Rites Held In Rochester

Funeral services for Rochester resident Sibyl Olympia Williams were held Monday afternoon, March 5, at three o'clock in the Rochester Church of Christ. Owen Aiken, minister, officiated and burial was in the Rochester Cemetery with Smith Funeral Home in charge of arrangements.

Mrs. Williams, 78, died at 2:42 a.m. Sunday, March 4, in the Knox County Hospital following a brief illness.

Born June 8, 1900, in Callahan County, she moved to Haskell County in 1914. She married S.B. Williams on December 31, 1914, in Cottonwood and the couple moved to Knox County. Her husband preceded her in death on June 13, 1975, in Knox City. She was a member of the Rochester Church of Christ.

Survivors include two sons, Herbert of Sagerton and Herman of Rochester; five daughters, Oleta Roberts and Lila Melton, both of Woodland, California, Mavis Lowrey and Helen Neely, both of Knox City; and Patsy Ruth Pool of Rochester; 12 grandchildren, 18 great-grandchildren, and two great-great-grandchildren.

Pallbearers were John Ben Glover, Virgil Mitchell, Hollis Wolf, Warren Short, Laverne Rogers, and Keele Acree.

MRS. BENJAMIN FARMER MOORE
... the former Joy Elaine Blankenship

Couple Honeymooning In Mexico After Vows Repeated In Munday

Mr. and Mrs. Benjamin Farmer Moore are honeymooning in El Paso and Mexico following their Saturday afternoon, March 3, marriage ceremony in the First United Methodist Church in Munday.

The Rev. Ivan Allen, church pastor, performed the twenty-three o'clock ceremony before an altar setting of greenery, tiered candelabra holding pale pink tapers, and the prie deau. Pews were decorated with greenery and votive candles.

The bride, the former Joy Elaine Blankenship, is the daughter of Mr. and Mrs. Dorse Blankenship of Spymour. Mr. and Mrs. W.R. Moore Jr. of Munday are

parents of the bridegroom. Mrs. Dwight Key provided wedding music at the organ and accompanied soloist Mrs. W.O. Ratliff.

Given in marriage by her father, the bride wore a formal length gown of pale pink silk organza with Empire waistline, standing collar, and full gathered sleeves. Her headpiece was a headband of pink rosebuds. She carried a bouquet of chrysanthemums centered with a gardenia.

Mrs. Paul Stovall of Munday, who attended the bride as matron of honor, wore a full length yellow voile gown with a yellow garden hat. She carried a nosegay of shasta daisies.

Bridesmaid was Robin Roberts of Austin who wore a green voile gown and also carried a nosegay of shasta daisies.

Attending the bridegroom were Tom Bullington and Gregory Mack, both of Austin.

Gaylon Albus and Barry Therwhanger, both of Munday, seated guests.

A reception followed in the church parlor. The bride's table held a tiered wedding cake and candelabra with pink tapers. The bridal bouquet was used as the centerpiece. Reception assistants were Mrs. Philip Moore, sister of the bridegroom and Tina Blankenship, sister of the bride.

Mrs. Jack Booe, sister of the bridegroom, registered guests.

The bride is a graduate of Goree High School while her husband graduated from Munday High School. He attended the University of Texas at Austin and Texas Tech University in Lubbock. Moore is presently engaged in farming. The couple will live in O'Brien.

The rehearsal dinner was held Friday night in Knox City.

ATTENDS WORKSHOP
Mr. and Mrs. Doyle Graham, accompanied by Velma's daughter, Gloria Bingham of Stamford, were in Fort Worth last week where Doyle attended a workshop on "Developing an Effective Educational Program."

They also visited with Johnny Lewis in Dallas and Dr. and Mrs. Hugh Parchman in Fort Worth.

Doyle is the administrator of the Brazos Valley Care Home.

Delta Kappa Gamma Meets In Aspermont

Members of the Beta Chi Chapter of Delta Kappa Gamma met Saturday, March 3, at 2:30 p.m. in the Methodist Church in Aspermont, where ladies of the community were hostesses.

Twenty-four chapter members were present and those from Knox City included Sudia Cash, Hazel Long, Mary Jo Lankford, Mary Beth Smith, Renella Watson, Lillian Logan, and Margaret Chafin.

LaRue Reeves, president, called the meeting to order and led the group in the reading of the Club Collect.

Anna Decker of Munday, Nancy Kathryn Ward Abernathy, Kathleen Lollar Tanner, both of Aspermont, were

Anderson's Parents Celebrate 60th

Mr. and Mrs. Bill Anderson were in Abilene Sunday to help Bill's parents, Mr. and Mrs. S.D. Anderson, celebrate their 60th wedding anniversary.

The Andersons moved to Abilene in 1966 to be near their children after Mr. Anderson's retirement, as a farmer and a brick mason. The couple lived in Weinert from 1934 until 1944.

The Andersons have eight children, twenty-one grandchildren, and ten great-grandchildren. The children include Mrs. F.J. Urban of Carrizo Springs, Bill Anderson of Knox City, Ben McMillin of San Angelo, Kenneth Anderson of Brownfield, Keith Anderson of Midland, Mrs. Alton Anderwald of Midland, Dr. James Anderson of Lucca, Italy, and Mrs. Bill Mullins of Richardson.

KRBC-TV, Channel 9, in Abilene interviewed the Andersons and took pictures during the celebration at the Anderson home, 3173 South 12th. This taping was shown on the ten o'clock news Sunday night.

Women To Present Panel At Meeting

Four women will present "A panel of birds" to members of the Knox City Garden Club during their Tuesday afternoon, March 13, meeting which will begin at two o'clock in the Community Center.

Panel members include Mmes. Neal Logan, Idoma Chowning, Gordon Melin, and L.E. Groves.

Plans also will be made for a special birthday party at the Brazos Valley Care Home on March 15 honoring all patients who have March birthdays.

elected to membership in Beta Chi Chapter.

Dana Martin of Aspermont and Valerie Kinnibrugh of Truscott were granted Beta Chi scholarships.

George Ann Robinson introduced newly-elected chapter member, Nancy Abernathy, who provided piano music.

The Professional Affairs Committee under the chairmanship of Valerie Kinnibrugh gave the program.

Renella Watson introduced a group of Knox City Future Teachers who presented a skit, entitled "On the first day of school my mother said to me" The girls participating were Sonia Carter, Stacy Eaton, Kristi White, Angelia Reid, Gerri Watson, Angie Bateman, Kelly Watson, Amber Ashcraft, Maxine Casillas, Phyllis Casillas, Ruthie Trice, and Kim Whitley.

Alta McGuire introduced the speaker for the program, Glyn Hammons from the Social Security Office in Abilene, who presented an interesting and informative discussion.

Valerie Kinnibrugh invited all chapter members to attend the next Beta Chi meeting in Truscott at their Community Center on April 7 at 2:30 p.m. Hostesses will be chapter members from Truscott and Benjamin.

Mary Martin gave "Golden Moments."

Refreshments of sandwiches, dips, crackers, relish assortment, cookies, mints, tea and coffee were served.

Cotton Samples Classed

B.B. Manly reported that 24,000 cotton samples were classed at the USDA Cotton Marketing Services Office in Abilene during the week ending Friday, March 2. About 13,000 samples were classed from bales produced in the Abilene territory, and the remaining 11,000 were from the Munday territory. This brought the seasonal total to 420,000 samples classed in Abilene, and 60,000 classed at Munday.

Local cotton prices declined daily last week. Prices fell to seasonal low levels. Some prices were down by two and one-half cents per pound during the week. Bid prices ranged from six and one-half to nine cents per pound over CCC loan rates. Most mixed quality lots of cotton sold at 50 to 52 cents per pound. Demand was light to moderate, and trading was mostly slow.

Cotton classed in Abilene during the past week was 69 percent light spotted, 21 percent white, and nine percent spotted grades. Grade 52 comprised 36 percent of the total classings. Grade 42 comprised 31 percent, and grade 51 comprised 16 percent. Fiber length was 55 percent staple 32, 30 percent staple 33, and 14 percent staple 31. Micronaire readings were 57 percent within the 35 to 49 range. About 13 percent miked from 33 to 34, 17 percent miked from 30 to 32, and 10 percent miked from 27 to 29. About 56 percent of the samples were reduced in grade because of bark content and two percent were reduced for grass.

FROM ANDREWS

Visiting Thursday of last week in the Tommy Kent home were their daughter and her family, Mr. and Mrs. David Turner and Laci, of Andrews.

The Turners' other daughter, Angela, was in Tahoka with her other grandparents.

Bullock Says

Rationing Would Be Costly For Texans

AUSTIN - State Comptroller Bob Bullock today said mandatory gasoline rationing could cost Texas about \$75 million in lost fuel tax revenues a year and turn major urban freeways into permanent parking lots.

He said gasoline rationing authority being considered in the Congress was the most controversial aspect of the Carter Administration's mandatory energy control measures.

Holding drivers to two gallons of gasoline per day will drastically reduce the state's collection of motor fuels taxes, Bullock said.

"I don't know what the real likelihood of rationing is at this time, but rationing would work a genuine hardship on thousands of Texans, particularly those living in Houston or the sprawling

Dallas-Fort Worth area," he said.

Texas drivers, because of the great distances between cities, simply can't get by on two gallons of gasoline per day. Besides, a person could burn two gallons of gasoline just trying to get onto a freeway in Houston during rush hour, Bullock said.

He said Texas will suffer more than many other states and said he hoped that Congress would not approve mandatory gasoline rationing unless they gave some consideration to the state's geography and population density.

"If people can't get to and from work, the economy will eventually suffer. I hope Congress will consider the political and economic effects of mandatory rationing before they give their stamp of approval to something that would be a disaster for Texas."

IMPORTANT INFORMATION ABOUT MOUTHWASHES

Because offensive breath may indicate poor oral health or other bodily disorders, mouthwashes may simply hide the basic problem. Mouthwashes should be considered as serving no other purpose than to aid in the removal of loose food and debris.

Remember, they do not remove plaque and cannot prevent decay or gum disease. They are primarily cosmetic in spite of the fact that some advertisers imply greater benefits. The ADA discourages the use of medicated mouthwashes for unsupervised use by the general public.

DAVID WALLING

On December 17, 1960, Mr. and Mrs. Weldon Walling became the proud parents of a baby boy, named Weldon David Walling. He was the last of three children in his family.

David soon grew up and became old enough to start to school. He started the first grade in Tulla, Texas, and then moved to O'Brien where he completed the next eight years of his life. After his freshman year, Knox City and O'Brien consolidated, so the remainder of his school years were spent at Knox City High.

David has been very active in sports. He has competed in football four years, making all-district honors his junior and senior years. He also played basketball for four years and made all-district his junior year. Track was the sport he liked most, though. He lettered four years and made it to regional in Odessa his sophomore and junior years while going to win the State high jump championship his junior year.

His favorite color is blue and his favorite group is the "Bee Gees". David is undecided about what he wants to do after he gets out of high school.

Angelia Reid:

To End Year As Area IV President

Saturday, March 10, during ceremonies at the Area IV Future Homemakers of America meeting in the Abilene Civic Center, Angelia Reid, a junior student at Knox City-O'Brien CISD, will end her year as Area President by turning over the gavel to her newly-elected successor.

During the past year, Angelia, the daughter of Mr. and Mrs. Johnny Dee Reid of O'Brien, has represented not only Knox City but the entire Area IV organization of FHA at various meetings throughout the state.

Angelia attended the State meeting of the FHA last April as one of her first official duties where she conducted an area officers meeting as well as participation in installation. It was on to Stephenville in June where she and her fellow officers planned activities for the year including the upcoming 1979 area meeting, carrying the theme, "FHA - What A

ANGELIA REID
...Area IV President

Difference You've Made In My Life".

One of the highlights of her year was attending the National FHA Convention in Miami Beach, Florida, during the month of July.

As Area President, Angelia is a member of the State Executive Council and attended a three-day workshop in Wimberly during August in connection with this.

Other events to her credit include conducting two workshops for neighboring FHA officers at both Throckmorton and Vernon on the subject of "Recognition". She extended greetings on behalf of Area IV's to the Area Young Homemakers of Texas at their meeting in Granbury and attended the Area Executive Council

meeting in Wylie.

An upcoming event for Angelia will be conducting a workshop at the State FHA meeting called "The Dating Game".

In addition to Angelia's busy schedule at Saturday's meeting, she also will be running for state officer candidate.

For those not familiar with the Area IV territory, it encompasses an area spanning north to Crowell, with Weatherford, Stephenville, and Lampasas to the east, and San Angelo to the southwest.

Former Rochester Man Killed

Services were held Wednesday afternoon, March 7, at three o'clock in the First Baptist Church in Rochester for a former Rochester resident, Sam Adkins, 37, of Houston, who died as a result of injuries sustained in an automobile accident about 2:30 a.m., Monday, March 5, in Houston.

Officiating were the Rev. E.V. Brooks, Baptist minister of Abilene, and the Rev. Ralph Teague, pastor. Burial followed in the Rochester Cemetery with Smith Funeral Home in charge of arrangements.

Born November 16, 1941, in Knox City, Sam lived in Rochester and graduated from Rochester High School in 1960. In 1963, he graduated from the Dallas Institute of Mortuary Science and owned and operated Adkins Funeral Home in Lampasas from 1965 until 1977. He moved to Houston in 1977 and owned and operated the Check Mate Employment Agency at the time of his death.

Survivors include two daughters, Tamera Lou and Sammie Lynn, both of San Antonio; his parents, Kathryn and Wilburn Adkins of Rochester; paternal grandparents, Mary and Ace Adkins of Rochester; four brothers, Don of Rule, Bud of Anson, and Mike and Tony, both of Rochester; and a sister, Pam Elmore of Rule.

Pallbearers were Robert Stout, Gary Martin, J.C. Ewing, Scott Cloud, Leo Brooks, Martin Adams, and Tom McCormick.

Stamford Woman Buried Monday

Funeral services for M. Ruth Salsman, 73, of Stamford were held Monday morning March 5, at ten-thirty o'clock in the Oliver Street Church of Christ in Stamford. Bill King, minister, officiated and burial was in the New Hope Cemetery, south of Stamford, with Smith Funeral Home of Knox City in charge of arrangements.

Mrs. Salsman died at 9:30 p.m., Friday, March 2, in Stamford Memorial Hospital following a brief illness.

Born January 25, 1906, in Rosebud, she moved to Stamford in 1927 from Olden. She was a member of the Oliver Street Church of Christ.

Survivors include two daughters, Mrs. A.J. Thorn of Stamford and Rebecca Bataglia of Turtle Creek, Pennsylvania; a son, Henry Dancer of Stamford; two sisters, Blanche Patterson of Arlington and Sue Ellison of Odessa; a brother, Jack Davis of Grapevine; eight grandchildren and three great-grandchildren. Nephews served as pallbearers.

Beneath State Lands

Texas Owns \$3.4 Billion In Oil, Gas

State Land Commissioner Bob Armstrong said March 1 new projections show the state owns \$3.4 billion worth of oil and gas beneath state lands.

In a report to the Senate Finance Committee, Armstrong said the additional oil and gas will more than double the size of the state's two educational endowment funds, which now total \$3 billion - already the largest in the world.

Armstrong's projections of state royalty, bonus and rental income from oil and gas production on state lands, the first made by his office since oil and gas prices began skyrocketing in 1973, estimates 993 billion cubic feet of gas and 88 million barrels of oil owned by the

state remain to be produced.

Even under the conservative prices allowed by the federal government those reserves will have a market value of \$3.4 billion, Armstrong said, and will produce another \$750 million in bonuses and rentals paid by companies to obtain state leases.

"This \$4 billion in additional income, when added to the \$3 billion already in our educational endowment fund, will earn one-half billion dollars a year in investment income for public schools and the two major university systems," Armstrong said.

"That's good news for our taxpayers, because those endowment dollars substitute for tax dollars."

Armstrong said royalty in-

come to the two endowment funds, the Permanent School Fund and Permanent University Fund, flowed at an all-time high average of \$713,000 per day last year. He estimates a slight drop to \$655,000 daily for the 1979 average.

"Exploration on state lands is at a record high," Armstrong said.

"We had 5.5 million acres under lease last year, and we expect that figure to increase slightly this year.

"Our last offering of state tracts for leasing by oil and gas companies brought our highest bonus payments - a total of \$45 million even though our most promising tracts were not included because we offered them on a fixed-bonus basis so we could drive up the royalty rate with royalty bidding."

Payments Increase For Food Program

Federal payments to states for the summer food service program for children have been increased to reflect a 10.03 percent rise in the Consumer Price Index series for food away from home, according to the U.S. Department of Agriculture (USDA). The increase took place between November 1977 and November 1978.

Under the new rates recently announced, states may reimburse sponsors 56.75 cents for each breakfast, \$1.02 for each lunch and supper and 26.75 cents for each snack. These rates are up from 51.5, 92.75 and 24.25 cents, respectively.

Nonprofit organizations sponsor the summer food program and serve free meals to children in needy areas during school vacations. The organizations are reimbursed by state agencies with federal funds.

Sponsoring organizations prepare meals at each serving site, deliver food from a central kitchen or purchase meals from a food service firm.

Sponsors are also reimbursed for the administrative costs of each meal served.

The new maximum administrative reimbursement rates - with previous rates in parentheses - for sponsors who purchase meals from a food service firm are 4.25 cents (3.75 cents) for breakfast, 8 cents (7.25 cents) for lunch and supper and 2 cents (2 cents) for each snack.

Administrative costs are higher for meals prepared by the sponsor or served at rural sites. Therefore, the administrative payment for rural and self-preparation sites has been increased to 5.25 cents for each breakfast served, 9.75 cents for each lunch or supper and 2.75 cents for each snack.

Wheat Producers Propose Changes

Wheat Grazing Program To Be Announced By USDA

The intent to initiate a special haying and grazing program for 1979 wheat, as provided in the 1977 Farm Bill, was announced by the U.S. Department of Agriculture in the February 26 *Federal Register*. According to the announcement, plans are to allow producers of wheat, feed grains and cotton to "hay or graze-out" up to 40% of their normal crop acres as wheat pasture, deduct the graze-out acres from the total normal crop acres before figuring the crop set-aside, and maintain their eligibility for payments equal to those that might be paid on "harvested acres."

Otis Harman, Tulsa, president of the Texas Wheat Producers Association said, "The Association has been working with USDA even prior to the 1979 wheat set-aside program announcement last fall to get these provisions included and are now still trying to get some modifications made during the ten-day public comment period provided, ending March 8." Harman went on to say, "We regret that USDA is waiting to this late date to announce the program as many cattle have already been contracted for March delivery, precluding their grazing out wheat and having a May delivery date."

three-year farmer-held reserve of 411 million bushels, the one-year loan program of another 200 plus million bushels, and the farmer-trade held open stocks of approximately 500 million bushels, or a total of 1.1

billion bushels of wheat on hand is too much wheat as we approach another 2 billion plus bushel harvest." Accordingly, he urged all farmers who can, should take advantage of the February 15 through April 30 sign-up period to participate in the production adjustment set-aside and special grazing programs to reduce price-depressing supplies to strengthen the sagging markets, while making them eligible for price deficiency payments and disaster protection.

Lions Club News

By Z.I. SMITH

Wednesday's meeting was off to a noisy start when tail twister Alton Fitzgerald and assistant Tom Edd Osborne made the rounds and made offers that you just couldn't refuse. It's double jeopardy when those two are collecting the "fun fines".

The president, Bill Baker, reviewed the donut sale and it will be history by the time you read this. Community service is where this money will go.

Lion James Patterson had two distinguished missionaries as his guests. They were Rev. and Mrs. Elwood Bartlett, who have served in the Belgian Congo since 1940. They have seen many changes in that dark continent and recently the name Belgian Congo was changed to Zaire. The Bartletts are speaking at various churches and were to go from here to Hamlin. Their home is now in Colorado.

President Baker announced that Club Sweetheart Angela Reid would be entered in the Sweetheart Contest held annually by District 2E1.

For the program, Lion and Mrs. J.C. McGee presented Mrs. Charlotte Griffith. Accompanied by Mrs. Elizabeth Wilson, who sang several nostalgic selections. The music was beautiful and the Lions, applauded their appreciation.

Nelson cautioned producers and cattlemen, "The *Federal Register* announcement is only an 'intent to implement' and may be changed in the later final announcement. Accordingly, no decision affecting wheat acres or cattle purchases or sales should be made until the final announcement is made and details reviewed with local ASCS officers as to their application, as some decisions are open to interpretation by local county committeemen and may be different in the various areas."

Individual farmers - and others wishing to comment during the public hearing period should address their views to Acting Director, Production Adjustment Division, ASCS-USDA, Box 2415, Washington, D.C. 20013.

STREAMS IN DESERT PLACES

By OZELLE STEPHENS

"And thou shalt love the Lord thy God with all thine heart, and with all thy soul, and with all thy might." (Deut. 6:5)

Sometimes we wonder why we don't get our prayers answered, and can't keep the victory; but when we take a good look into God's Word and really understand what it means, we see ourselves as we really are. We fall short of putting God first in our lives, we do not wholly believe His word and obey it to the letter as He demands. Jesus said, "When you turn away from having your hearts full of His perfect love and obeying His every command, you will pay to the uttermost. God is not deceived or will He be mocked, whatsoever a man soweth, that will he also reap."

Keep your heart filled with the perfect love of God and it will cast out all fear. Your prayers will be answered. Streams of His abundant life with peace and contentment will fill your inner being.

You Say You Just Renewed Your Insurance

With The Same Old Company?

AW, THAT'S TOO BAD.

We know how you must feel. Kinda like the fellow who spent a fortune on gas lights just before Edison invented the electric bulb. Still, it's not the end of the world.

Okay, so maybe your company isn't equipped with a two-way radio communications system to keep in constant contact with your agent and adjuster when you need them, like we have.

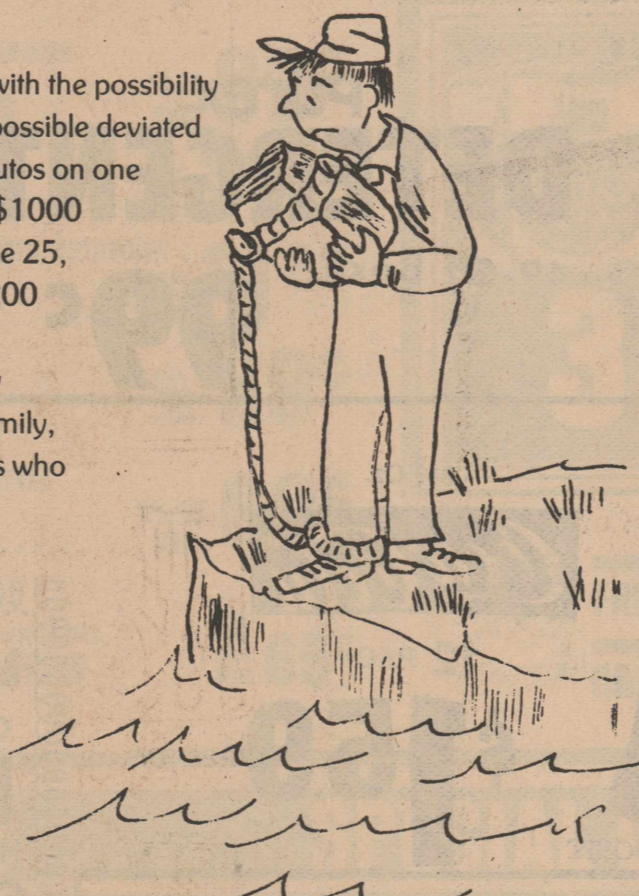

And maybe your company doesn't offer tires, batteries and tillage tools at a big savings to its members like our TASC0 program does.

But, your company does offer you almost every kind of insurance policy with the possibility of a dividend each year, doesn't it? And it does offer you fire insurance at a possible deviated rate, doesn't it? And it does tell you that you may be able to combine your autos on one policy for a savings, doesn't it? And it provides you and your spouse with a \$1000 Accidental Death Insurance Benefit, and your dependent children, under age 25, for \$500, just because you are a member, doesn't it? And it issues you a \$200 Guaranteed Arrest Bond Card, doesn't it? And it provides its members with year-round security against theft, vandalism, and trespassing with a Property Protection Plan, offering a \$200 reward to anyone outside the member's family, for supplying information which leads to the arrest and conviction of persons who trespass or do damage to your posted property, doesn't it?

Lake Worth Gym Named In Honor Of 'Rip' Collins

The new W.L. 'Rip' Collins Middle School Gymnasium was dedicated last month at Lake Worth in honor of a former Knox City man who served as elementary principal there from 1966 to 1973.

In dedication ceremonies, Dr. Noel R. Jackson, superintendent of Lake Worth Schools, pointed out that the new gymnasium was built with local funds at no extra cost to taxpayers. William P. Boyd, president of the Board of Trustees, gave the dedicatory address. The Lake Worth Middle School Choir sang several songs and concluded the program with the National Anthem.

Collins, who was familiarly known as 'Rip', began teaching at Lake Worth as an eighth grade English teacher in 1961, later serving as elementary school principal. He worked as a visiting

teacher and after his retirement in 1974, continued as a substitute teacher until his death in 1976. Collins was dedicated to the youth of the Lake Worth community and the gymnasium was one of his

dreams. The new physical education and music complex was dedicated to Collins, and M.L. Kittrell, junior high principal who gave the welcome speech said, "It was a great honor to know a man like Mr. Collins. I wish every teacher had his love for children and the dreams he had."

Mrs. Lucyle Collins, a teacher in Lake Worth High School, responded by thanking everyone for the honor given her late husband. In her closing remarks, she expressed her husband's philosophy by giving the poem *The Builder* by Will Allen Dromgoole.

Area FHA'ers To Meet In Abilene

Knox City High School students and their advisors will participate in the annual Area IV Future Homemakers of America Leadership Training Meeting to be held Friday and Saturday, March 9 and 10, in Abilene. Theme for the meeting will be "FHA - What A Difference You've Made In My Life".

Mrs. Mary Alice Craig, consultant for Homemaking Education is area advisor. Angelia Reid of Knox City, area president, and Darla Taylor of Hamilton, first vice-president, will preside at the Saturday general sessions. Angelia will also preside at the executive council meeting and luncheon at the Royal Inn in Abilene.

Activities will get underway Friday evening with the selection of the 1979-80 officers at the House of

Delegates meeting at Cooper High School. This will be a business and election meeting where Gerri Watson, a junior student at KCHS, will be a candidate for vice president of programs. Angelia will also be a candidate for state office and Kelly Watson and Missy Whitley will serve as local voting delegates.

Friday night activities also include an area chorus in which Jan Burt, Phyllis Casillas, Amber Ashcraft, and Kristi White, will participate, as well as a talent show where Angelia Reid, Sonia Carter, Kim Whitley, Simone Cobb, Mary Albus, and Nonie Johnson will perform.

The first general session will be Saturday morning at the Abilene Civic Center. The meeting will start with the of-

icial opening ceremony conducted by Angelia. Keynote speaker for the meeting will be Price Mathieson.

KC Grad Teaching Art In Program

Carol King Skinner, a former Knox City resident, daughter of Mr. and Mrs. E.C. King Jr., is gaining recognition as a talented teacher in the Burk Burnett Community Education program. According to a recent article in the Wichita Falls Times, more than 3,000 persons are expected in one or more of the 150 courses offered to all age groups. In addition to those within the Wichita Falls-Burk Burnett area, persons are expected to travel from Oklahoma for the courses.

The success of Community Education program is recognized statewide and is attributable by program director Danny Taylor to the excellent quality of teaching talent available in the area.

Mrs. Skinner teaches art and her class had to be expanded to accommodate the response to the course. She explained that art classes were offered to 16 gifted children through Community Education last year. When the course was offered this semester, so many applied that additional classes had to be arranged.

Most of the children in the classes are interested in art and at least one-half of the students' parents had enrolled them because of demonstrated talent. The fundamentals of art such as perspectives and proportions are taught but at the same time Mrs. Skinner says she tries to help the children expand and use their own minds.

Sensitivity to one's world is part of art, she feels. So the children in her classes recently collected food, clothing and toys to donate to the Taylor family which lost its home in a fire.

A native of Knox City, Carol studied art through correspondence courses and at Midwestern State University. An artist, she has won a number of awards for her surrealistic three-dimensional art and last summer won a first place in the Top of Texas show held in Wichita Falls.

Carol and her husband, Howard, reside in Wichita Falls.

CHICKEN DIJON
1 can (10-3/4 oz.) condensed cream of celery soup
3 Tbsp. Dijon mustard
2 Tbsp. minced fresh onion
2 tsp. dry minced parsley
1/3 cup chicken broth
1 small clove garlic, minced
9 pieces Original Recipe Kentucky Fried Chicken

In medium bowl, combine all ingredients, except chicken. Place chicken in single layer in 8" x 12" baking dish. Cover chicken with sauce. Bake, covered, in preheated 350° F. oven for 30 minutes. Remove cover. Continue baking, uncovered, for 30 minutes longer. Serves 6.

SERVICES OF THE CHURCH OF GOD IN CHRIST

The Bethel Church in Abilene held a meeting last week and Evangelist Henry Washington of Knox City preached down there Friday night.

Regular services were held here last week.

Sunday school had a partial, but good attendance with Asst. Supt. Manuel in charge.

In the morning service Sister Manuel brought a good lesson from a portion of Hebrews II.

The YPWW Joint Meeting was held at the Bethel Church in Abilene Sunday evening. Elder Elijah Dennison of Amarillo preached a great message from Luke 22:57, 58, and 60, "When Saints Mess Up."

Bible Band Joint Meeting was held here Monday night.

Missionary Laura Blue brought the round table discussion from Psalms 40:1, 10.
