

PREPARING FOR the junior dessert theatre set for Thursday (tonight) and Friday night in the school auditorium were these Junior students who have been in rehearsal for several weeks. Students participating in this year's event are seated, first row, Olga Magana, Danny Johnson, Kenny Cornwell, and Greg Oliver. Second row,

Nina Alsides, Phyllis Casillas, Deborah Berryman, Maxine Casillas, Toni Rios, Gerri Watson, Angelia Reid, and Gaylynn Burkham. Back row, Junior Figueroa, Robert Espinosa, Cyle Clayton, Mrs. Renella Watson, Simone Cobb and Kelly Watson.

Junior Plays To Be Given May 3 and 4

Members of the Knox City Junior Class, Repertory '80, will present a dessert theatre featuring the play, "No Boys Allowed" Thursday and Friday, May 3 and 4, in the school auditorium.

Cast of characters for the farce in three acts by Jean Provence, include Mr. Midnight, Danny Johnson; Rita Baxter, Gerri Watson; Jane Baxter, Gaylynn Burkham; Vikki, Debrah Berryman; Fred Dana, Robert Espinosa; Leroy Doyle, Kenny Cornwell; Edwina Cook, Phyllis Casillas; Belinda Elliott, Angelia Reid; Nada Owens, Simone Cobb; Patsy Farrel, Kelly Watson; O'Brien, Greg Oliver; Keith Garland, Cyle Clayton; Harvey Smith, Junior Figueroa; and Mrs. Dana, Maxine Casillas.

Crew members are Toni Rios, Olga Magana, and Nina Alsides. Other class members will be serving the desserts between the first and second acts, according to Mrs. Renella Watson, sponsor.

Tickets will be sold at the door as long as seating is available, Mrs. Watson said.

Ambulance Donations Needed

The Knox City Area Ambulance Service is still in need of donations in order to continually update the equipment now available for use in the ambulances serving this immediate area.

Readers should remember that an emergency ambulance service is no better than the persons available to operate it and the equipment available with which to operate.

Knox City is now served by volunteers who have been completely trained as Emergency Medical Technicians. Six men are now certified or will be certified by the Texas State Department of Health before the end of May.

These men are well trained in all phases of emergency rescue care for the sick and injured. Equipment is lacking in order for these people, who give their time without pay, to perform their duties in the best possible way for proper care of patients.

About a thousand dollars worth of equipment is needed to put the Knox City area's main ambulance in shape to provide all services for patients. A power inverter is the main expense. This equipment would be used to operate regular house current medical devices on-board the ambulance, cardiac machinery, respiratory machinery, infant incubators, etc. These are very important items used in life saving while in transit with patients.

Another item of primary importance is a scoop stretcher. This enables workers to pick up injured or sick patients by sliding the stretcher under the patient in two

sections so as to hardly move the patient at all, therefore minimizing further pain or injury.

Persons are strongly urged to give to the service for these very important pieces of equipment.

Remember, six men have given 13 weeks of their own time for long hours of serious training to help you or a member of your family. Why not help them AND possibly yourself by giving today?

KC Junior Named State FHA Officer

Knox City-O'Brien High School junior, Angelia Reid, was among eleven high school homemaking students named to represent and lead 65,000 of their fellow students as a state officer in the Texas Association, Future Homemakers of America.

Angelia, the daughter of Mr. and Mrs. Johnny D. Reid of O'Brien, was named to the position of vice president - Encounter for the 1979-80 year.

Other state officers include Lori Rubio, president, Ysleta, El Paso; Debbie Lambeth, vice president, recreation, Kaufman; Jennifer Li Taylor, vice president, public relations, Tivy; Gina Placker, vice president, programs, Apple Springs; Renee Dodd, vice president, projects, Ray; Sheila Jordan, recording secretary, Springlake-Earth; Kelly Graves, historian, El Campo; Kay Thomas, parliamentarian, Caddo Mills; and Suzanne Strickland, corresponding secretary, Fairfield.

Jodie C. Floyd of Lewisville was named state vice-president HERO while Stacey Mahan of Blue Ridge is the national nominee. Robert Castle of Temple is the national HERO nominee for

Walling Qualifies For State

Knox City Greyhound tracksters pulled together 34 points during the Region II track meet held at Odessa College last week for a third place team effort while the defending Class A high jump champion, David Walling, took top honors in his division and won the right to compete in the upcoming state finals to be May 11 and 12 in Austin.

Walling who set a new record with a leap of 6-7, will advance to Austin for the second consecutive year in hopes of repeating his title.

Setting a new school record in the 120 high hurdles was Dwayne Johnson, who placed third in his race, with a time of 14.8.

Ricky Gonzales took third in the long jump. The sprint relay team of Scott Lynn, Tim Roberson, Dwayne Johnson, and Gonzales placed fourth in the meet while Gonzales also placed fifth in both the 100 and 220 yard dashes.

Also competing for the Hounds but not placing were Neal Tackitt, 880 run; Johnson and David Benson, 330 intermediate hurdles; Walling, long jump; and Terry Watson, shot put.

Honor Grads Named At KCHS

Open Horse Show Scheduled May 12

An Open All-Breed Horse Show has been scheduled for Saturday, May 12, at the Knox City Arena on Highway 6.

Activities will begin at 9:00 a.m. with halter classes for mares, geldings and stallions, to be followed by performance events, which will include showmanship, western pleasure, western horsemanship, barrels and poles in two youth and one adult division. Also scheduled are open reining, a walk-trot class for youngsters eight and under, and an open ride-a-buck class.

In the ride-a-buck class, contestants ride bareback sitting on a one dollar bill. The last rider with his dollar still under him or her wins the class...and all the money everyone else has dropped.

Judging the show will be Larry Graham of Altus, Oklahoma. Mr. Graham is an experienced judge who also shows horses himself.

Trophies will be awarded to first place in each class, with trophies and garlands also to grand and reserve champion stallion, gelding and mare and to high point individual in each age group. Ribbons from second through

sixth will be awarded in all classes. All participants in the eight and under walk-trot class will receive ribbons. Also featured will be a stallion parade which will be held during the noon break. Anyone who is standing a stud may bring him into the arena individually either in halter or under saddle, and an announcer will give a resume of his performance and bloodlines. It is hoped that through the stallion parade the public will have an opportunity to see some of the excellent stallions being stood in this area.

Entries will be taken at the show with entries closing at the beginning of the preceding class.

For further information, readers may contact Mrs. Joe Boone, Mrs. Merle Tackitt, or Mrs. Shelton Boyd.

First Christian To Host Breakfast

Men and boys of the community are reminded to take note that Saturday, May 5, is the day for the annual men's breakfast and it will be held in the fellowship hall of the First Christian Church.

Locals' Kin Dies Friday

Services for J.D. Stamps of Littlefield, father of Dee Stamps and brother of Mrs. Essie Day, both of Knox City, were held Sunday at 2:30 p.m. in Main Street Church of Christ in Olton with Don Jones, minister, officiating.

Burial was in Littlefield Memorial Park.

Stamps, 67, died Friday in Methodist Hospital at Lubbock after a brief illness.

The Bryan native married Irene Ivan June 24, 1933, in Clovis, N.M. He was a retired farmer.

Survivors include his wife; two sons, Leonard of Littlefield and Dee; a daughter, LaJuana Lovough of San Antonio; two sisters, Odessa Mitchell of Olton and Mrs. Day; nine grandchildren and 10 great-grandchildren.

Berlier Rites Held In Abilene

Funeral services for Minnie May Berlier of Abilene, sister of Earl Roberts of the Brazos Valley Care Home, were held Monday afternoon, April 30, at two o'clock at Elliott-Hamil Funeral Home Chapel of Memories in Abilene. Johnny M. Jones of Northwest Church of Christ officiated and burial was in the Ioff Cemetery.

Mrs. Berlier, 86, died Saturday, April 28, in a Henrietta hospital.

Born March 25, 1893, at Goforth, she was a member of the Northwest Park Church of Christ.

Survivors include a daughter, Opel Linton of Ryan, Oklahoma; three brothers, Ray Roberts of Burmont Nursing Home, J.C. Roberts of Abilene; and Earl Roberts of Knox City; a sister, Gladys Williams of Abilene; nine grandchildren; 13 great-grandchildren; and a great-great-grandchild.

Grandsons served as pallbearers.

Local's Kin Dies In Fort Worth

Funeral services were held Saturday afternoon, April 21, at two o'clock in Fort Worth for Mrs. J.B. (Zelma) Brinkley, sister of Vernon Buckley of Knox City.

Mrs. Brinkley died Thursday, April 19, following a lengthy illness.

Survivors include her husband, J.B.; a son, David, three sisters, Mrs. Mildred Thomas of Grandview, Mrs. Dorothy Finton of Wichita, Kansas, and Mrs. Mary Mitchell of Burleson; three brothers, Roy Weatherred of Fort Worth, Bill Weatherred of Burkburnett, and Vernon Buckley of Knox City.

STREAMS IN DESERT PLACES

By OZELLE STEPHENS

"...realize that your Heavenly Father will...give the Holy Spirit to those who ask for Him?" (Luke 11:13).

If you believe that Jesus Christ rose from the dead and you are obeying his command as he gave it to his followers - tarry until you are filled with the Holy Spirit that the Father will send upon you, anointing you with his Power: then He is in you to help you. He fills your heart with love and faith. He produces the fruits of the Spirit: love, joy, peace, long-suffering, gentleness, goodness, faith, meekness and temperance. We cannot manufacture this fruit in our own strength.

Sure, you will feel the conflict of society - the burden of life with its many problems. God has never promised to remove all our troubles and difficulties; but he did promise, in the midst of trouble and conflict a genuine peace, and sense of assurance and security. Your worries are all over when you remember to have faith in His WORD. Tarry before Him until you experience the Streams of this Power. It's yours for the asking.

O'Brien Happenings

By CHARLENE BROTHERS

The volleyball tournament is over and was a pretty good success. I think everyone enjoyed it some. The turnout could have been better from the people in O'Brien. Some of the time if it had not been for players from the other teams we could have not played, no one to call the net, run the clock or call lines. You know this was for the O'Brien community to make money for the fire truck, but anyway we finally got it over. The women's division was won by the KC-O'Brien team, consisting of Jan Quintanilla, Cindy Brothers, Pearce Manning, Teresa Rios, Brenda Correll, and Judy Bufkin. Second place was a team from Aspermont, the Stonewall team, and third place was won also by an Aspermont team, the Really Rottens. Munday won first in the men's games, with Benjamin second and Aspermont third. Other teams entered were Rochester, men and women, Benjamin women, Over the Hill Gang from O'Brien and Knox City and a men's team from O'Brien and Knox City, with two from Rochester playing with them. You can guess what team was

called Over the Hill, but we did not name ourselves this. We think we did pretty good, played three games before we were beat out. And you know we were the oldest people playing in the tournament, most of the women were young enough to be our daughters, not all of them, but most. We only had one on our team that was thirty or younger. Anyway, we enjoyed playing.

We would like to thank anyone who had anything to do with the tournament. The ones who brought food, helped at the games, or any way you did help. The ones who did not show up or help in any way, we will see you later. We made somewhere around \$500.00, so we did not do too bad money-wise. There were three or four who really need our thanks, as they did more than anyone else and without them it would not have been possible to have had this tournament.

The City of O'Brien would like to say a special "thanks" to the school for letting us use the gym for the volleyball tournament. The usual board policy is to charge for each time the gyms are used at night, but since this was for a benefit for the City, they let us have it free. We really appreciate this and hope in the near future we will have a fire truck and will not have to depend on Knox City and Rochester for our fires.

REGIONAL WIN
Mr. and Mrs. A.A. Cox received word last week that their grandson, Alan Burt Lockett, and his partner had won first in their regional meet in debate and would be going to State. The meet was held in Lubbock and Lockett is a AAA school. Alan is the son of Mr. and Mrs. Jimmy Burt, former residents of Knox City. Alan is also the grandson of Clarence Burt of Knox City, and the late Mrs. Burt.

FIRST GRANDSON
Joe and Alesandria Rocha are the proud grandparents of their first grandson, John Nathaniel Rocha. Nathan weighed eight pounds and six ounces and was 20 inches long. He was born to Becky and Johnny Rocha of Knox

City, April 8, at 8:06 a.m. on Palm Sunday at Hendrick Medical Center in Abilene. This was forgotten last week and I apologize to the Rocha family.

RABID FOX KILLED
We had a fox that was killed here in O'Brien and after sending off his head, found it was rabid. So anyone with animals is asked to pen them up for ten (10) days. We do not know how long the fox had been running loose around here, so you really need to do as you are asked. Your dog or cat could have been in contact with this animal, and you would hate for someone, especially a child, to have been playing with it after it had been around the fox. Then after ten days I'm for killing all the animals that are running loose, tagged or not. (This is my own personal opinion, not anything the City has said. I do know that after the ten days there are going to be some cats done away with, if they keep coming around my place and getting on the car and pickups, leaving tracks everywhere. I have no idea whose they are, some of them look like they belong to no one.) Anyway, keep a close watch on your animals the next ten days.

HERE AND THERE
Mr. and Mrs. Ivan Rowan visited in Lubbock during the weekend with their daughter, Gail, and also in New Home with the Jackie Lee family. Jackie and Donna are former residents of O'Brien where he was the Baptist pastor for several years. Also on Sunday afternoon Mr. and Mrs. Larry Smith and Brady of Munday visited in the home of the Rowans.

Visiting in the home of Mr. and Mrs. Sam Johnston during the weekend were Mr. and Mrs. Jimmy Johnston, Jamie and Wendi of Lubbock and Mr. and Mrs. Don Johnston, Kerrie, Kendi and Lance of Slaton.

Cody and Christie Manning, children of Mr. and Mrs. James Manning, spent the weekend in Hamlin visiting with Mr. and Mrs. Butch Holland, Jacob and Cole and Mr. and Mrs. John Holland, Prentice and Justin. Butch brought them home Sunday afternoon.

Bobby Arnold Is Named CJC Officer

CISCO - Bobby Arnold, son of Barney B. Arnold of Knox City, has been named secretary of the student government at Cisco Junior College and recently attended the Texas Junior College Student Government Association Convention in Galveston with his fellow officers.

Cisco Junior College ran for and was elected as the state vice-president of TJCSGA. One other college ran for the position.

New officers for the 1979-80 school year, in addition to Bobby, are Kyle Wallace, president; Kerry Holland, vice-president; and Kevin Holland, treasurer.

Bobby, a freshman geology major, will serve as secretary, photographer, and state officer in the Student Government Association for 1979-80.

Services Held For Ex-Resident

Services were held Thursday of last week for former Knox City resident Grady Weatherford of Meridian, who died Tuesday in a Clifton hospital. Burial was in the Iredell Cemetery.

Weatherford lived in Knox City in the late 1940's and operated a service station here with his late brother, Doyle.

Survivors include his wife, one son, three daughters, one sister, 11 grandchildren and four great-grandchildren.

Attending services were Mrs. Coy Hewitt of O'Brien, Mr. and Mrs. Doyle Graham, Bill Holcomb, Estelle Holcomb of Rochester, Mr. and Mrs. David Holcomb of Rule.

DENTON VISITORS

Guests in the home of Mr. and Mrs. A.P. Denton the past week were Mrs. Denton's sister and her husband, Mr. and Mrs. H.M. Becherer of Bakersfield, California.

Fire Department News

By Volunteer Fire Members

While driving through downtown Knox City, you may or may not have noticed the completion of the new fire station.

We've got our shingle over the door and have officially set up housekeeping.

On Tuesday, April 17, we moved the trucks around to their new "home." And we are proud of their new home too. The finishing touches, such as interior rooms will come about later on but for all practical purposes, it's ready now.

Of course, it goes without saying that since it is on Main Street, it will be quite a stand out eye catcher to a passerby. Also we would urge people not to park close to the doors, so access to and from the building will be easier for moving the trucks. For what it is worth, if you get a ticket for obstructing the movement of fire fighting equipment, it is not just a simple parking ticket, it carries a whopper of a fine. So for your own sake, don't park to close. We would appreciate it and so would your pocketbook.

The Dept. has been busy lately if not getting ready for the move, it has been answering calls. Last Saturday night, the Dept. responded to another house fire only this time in O'Brien.

The center section of the home was totally involved in flames upon arrival. Due to the fact that a fire hydrant was not close enough, we used the tanker for extra

water as the fire progressed. Rochester dept. was summoned to help also. The house unfortunately was a total loss. Over 6,000 gallons of water was used between the two departments in a little over three and one-half hours. The cause of the fire is unknown at this time.

As it stands at the present, it looks like KCFD will be sending three men to fire school this summer. The key rate for fire insurance will show a decline next year because of this.

Several courses are offered at school, which is held in conjunction with Texas A&M University in Bryan. Courses such as arson investigation, fire marshalling training, basic, and advanced firefighting, only to name a few. So as more men go to Bryan each year, not

only will it help keep fire insurance rate down, also it will provide better qualified men for KC's fire department to serve you more efficiently.

Remember: Prevention is the best firefighter.

We have been asked to remind people with late model cars and pickups equipped with catalytic converters of the danger of fire when parking over dead grass, wheat stubble, etc. due to the extreme heat generated by these converters.

Cotton Growers To Meet Friday

Rolling Plains Cotton Growers Association will hold its annual meeting at the Stamford Country Club Friday, May 4, beginning at 10:00 a.m., according to A.D. May of Rule.

The association, which covers a 32-county area, will feature Congressman Charles Stenholm, 17th District, as speaker, along with Bob Boslet, an executive with Cotton Incorporated, in New York.

Seniors of the Week

ROY FAULK

Roy Dale Faulk was born in Bronte. He is the son of Mr. and Mrs. E.L. Faulk, and is now married to the former Darlene Hibbitts.

Roy has attended Knox City Schools for all twelve years. Music has been one of Roy's main interests since fifth grade when he started playing baritone and trombone. He changed to tuba in the seventh grade, the year that the junior high band won sweepstakes.

Roy was elected the 1977-78 drum major. His senior year he was chosen to represent the Knox City High School Band at the Texas Tuba Day in Austin.

In junior high, Roy played football, basketball, track and tennis. In high school, he played two years of JV football, basketball, and track. He also played four years of varsity tennis. Participation in tennis included playing three times at zone playoff and twice at district. Roy was a member of the Knox City Chapter of FFA for two years and one year of GAM.

During Roy's junior year, he was chosen for Who's Who of American High School Students, Who's Who in Music, and Outstanding Names and Faces of High School Students.

Roy is presently employed by M System Super Markets and is a member of the First Baptist Church.

Southwest Phones Over 1.5 Million

General Telephone Company of the Southwest has over 1.5 million telephones in service, according to B.D. Drennan, Brownwood division manager.

General installed its one millionth telephone in May 1973 at Texas A&M University. The one million milestone was reached after almost 47 years of operation,

the company being incorporated in June 1926.

However, the trip to the next million appears to be much shorter as it has taken less than six years to install another half a million, and projections on company growth indicate the second millionth telephone will be installed by late 1982.

General Telephone serves over 400 exchanges made up of over 990 communities with over 2.2 million in population in 59,000 square miles of area in Arkansas, Oklahoma, New Mexico and Texas. Size of exchanges range from 51 telephones in Fowler to 85,391 in Garland

Sew Fair '79 Slated May 8 In Benjamin

Sew Fair '79, sponsored by the Knox County Family Living Committee and County Extension office, will be held Tuesday, May 8, in the Benjamin Memorial Center, located just south of the Knox County Courthouse.

The program will be from 12:00 o'clock noon until 3:00 p.m. and then will be repeated from 6:00 until 8:30 p.m.

Guest speakers will be Mrs. Amelia Perry of Haskell, Mrs. Terri DeBolt of Abilene, Mrs. Cornie Covey and Sharon Book of Knox County.

Some of the features of the Spring Sew Fair will include fast sewing techniques, newest sewing techniques, quilting on your sewing machine, recycling your wardrobe, creating your own iron-on, and newest fashion and fabric trends.

Annual Jamicia Planned Sunday

Members of the Santa Rosa Catholic Church are making plans for their annual Jamicia this Sunday, May 6, on the church grounds.

A noon Mexican dinner will begin at 12 o'clock and will consist of enchiladas, rice and beans, salad, chips, hot sauce, dessert, and coffee or tea. Prices for the dinner are noted in their ad elsewhere in this week's News.

Concession as well as an arts and crafts booth will be on hand and prizes will be given away at 5:30 p.m.

Highlighting the day will be the selection of the Little Miss Jamicia.

Mrs. Lloyd Davis Undergoes Surgery

Former Knox City resident Mrs. Lloyd (Daisy) Davis of Ruidoso, New Mexico, recently underwent surgery, and is doing better, according to her brother, Lee Smith, who along with another brother, Hob, were in Ruidoso last week to be with her following surgery.

Another brother and his wife, Mr. and Mrs. John Smith, spent several days with her prior and during surgery.

The John Smiths visited their daughter and family, Mr. and Mrs. Bert Leaverton, Bill and Lee in Whiteface en route home.

Day Care Plans To Be Discussed

An important meeting is scheduled tonight, May 3, in the Knox City Community Center at 7:30 for working mothers in an effort to organize a Day Care Center for Knox City and the area.

Fran Key, licensing representative with the Texas Department of Human Resources in Vernon, and Sheryl Long of Haskell will be with the group to inform them of the regulations and standards required as well as what funds might be available for such an endeavor.

According to the spokesman, all interested persons are invited and encouraged to attend this meeting.

Wichita Falls Man Overtakes Truck

The News office was notified late last week that an accident involving a Wichita Falls man, Bobby James, that occurred approximately two miles west of Knox City.

Two oil field employees, Bill Friske, and Gilbert (last name unknown), were en route to their work when they discovered the overturned truck. According to Friske's wife, Molly, the two men kept traveling and then turned around and upon arriving at the scene discovered the man inside the truck.

James, who was taken to the Knox County Hospital by the KC Area Ambulance, was later transferred to a Wichita Falls hospital suffering from a broken hip.

Uniform Planting Date Vital To Producers

A uniform planting date for cotton has been set as May 15 or later for Knox County, according to Tommy Antilley, County Extension Agent. This planting date is an important boll weevil management practice that can result in a significant reduction in boll weevil damage during the entire growing season.

Boll weevils emerge from overwintering habitat in highest numbers during late May or early June. These overwintered weevils live 10

to 22 days after emergence. Only five to ten percent of the weevils live to deposit eggs in one-third grown squares. Until a square is one-third grown it will not support a boll weevil larva.

Peak numbers of overwintered boll weevils are found in fields just after one-third grown squares are present. The movement of boll weevils to cotton fields is over by the first week in July or just after one-third grown squares are produced in most fields.

A uniform planting date reduces the need for early season control and makes it possible to control overwintered boll weevils in fields near favorable overwintering habitat with one insecticidal application. The uniform planting date also limits overwintered boll weevil infestations to fields near favorable overwintering habitat. These are the fields that are boll weevil infested during most years.

A uniform planting date is a critical first step in the management of the boll weevil. A high level of producer participation will result in reduced boll weevil damage during the 1979 growing season.

Lions Club News

By Z.I. SMITH

We had three visitors with us on Wednesday besides our program. Lion president Bill Baker reminded everyone that our annual mop and broom sale was coming up in May. Also, he was happy to announce that our annual ladies night and installation of officers was set for Thursday, June 7, and our speaker will be our new district governor, Dr. Bill King of Graham.

Lion Chris Christensen of Munday introduced two missionaries from Munday. Elder Rovick and Elder Davis, representing the Church of Jesus Christ of Latter Day Saints. These men gave information, then presented a film entitled "Are You Listening?" This film reminds each of us to listen more carefully to everyone we contact, especially in our families, and consider their feelings before we respond.

Aleene Groves would have received a free pair of hose if she had reminded Lion Charlie Groves to come to Lions Club.

Grant Okay Announced By Stenholm

WASHINGTON, D.C. - Congressman Charles W. Stenholm announces the approval of a \$10,000 grant to the Aspermont Small Business Development Center, Inc. by the Community Services Administration.

The funds will be made available to eligible recipients who were not previously served in the fiscal year 1978 Emergency Energy Assistance Program. Assistance will be provided only in cases where an emergency energy need existed during the 1977-78 winter. This grant is an extension of the 1978 Emergency Energy Assistance Program only.

The Aspermont Small Business Development Center, Inc. serves Fisher, Haskell, Jones, Kent, Knox, and Stonewall counties of the 17th Congressional District.

Mr. and Mrs. H.T. Melton visited their son and family in Big Spring over the weekend.

KC Colored News-Events

I am sorry about being so long about getting this report in the paper. The St. Paul is so proud to announce the amount of the dinner on April 22. We raised \$288.50 from the dinner and with the donations it came to \$313.50. This was a big help to us. And St. Paul thanks every one of you. If you and people like you didn't help us, we couldn't make it, so from the bottom of our hearts we thank you. May God give you four folds.

St. Paul had a good attendance Sunday for Sunday school. And at 11 a.m. mission ladies had their fifth Sunday program, with the teacher teaching the lesson, Rev. Jessie Roberson making some remarks.

At 3 p.m. Mrs. Dorothy Alexander held a pastor aid program. Rev. Roberson doing the preaching.

Mrs. Martha Crothers, Beatrice Mays and Alestine Flye spent the afternoon visiting the hospital and the care home, and making home visits.

Well the ole clock went up last Sunday and it were one of those days when everybody didn't get enough sleep, but hold on, we can catch up next October, I bet you. I don't no about everybody but Monday were just as bad for me. Oh! I am sleepy!

SERVICES OF THE CHURCH OF GOD IN CHRIST

The Ministers Workers' Convocation was held at Ford's Memorial Church of God in Christ in Lubbock April 16-21. The Lord greatly blessed the meeting.

Supt. Bennett reported the powerful preaching of a bishop from the state of Georgia. His message was,

"Mission is the Church's Obligation," St. Mark 16:15.

On Thursday night, Elder George Lewis Jr. preached "Remember Calvary." Supt. W. Alexander preached the main message that night from Genesis 3, "You Brought It On Yourself."

Friday was Women's Day and an institute was held. The theme of the Women's Day program was "Indebted - Involved - Inspired" from Romans 1:14, Acts 3:4 and Phil. 2:1, 8.

A young minister and Elder Banks preached on Friday night, the main scripture was from Isaiah 25:8.

Different meetings were held on Saturday including the Sunday School, State Choir, and Usher Board.

The Children's Dept. did an excellent job under the direction of Sisters McDaniel and Newsom, and their various leaders.

The Abilene District children were blessed of the Lord in presenting their program in both divisions under the supervision of Missionary Amelee Wilson.

Another great message was preached on Friday night in the midnight service by Elder Alvin Pope, "What is Written of Us; Can It Be Said of Us?" from I Cor. 1:2, Revelation 1:5, 6 and I John 4:14.

Bishop J.E. Alexander preached the official message Saturday night from Matthew 2:9, 12, "Go Home Another Way."

Services were held here and in Goree on Sunday. Last Wednesday night we attended at service at the Southside Church in Abilene. Missionary Wilson and Minister Kimbell brought the message that night.

Card Of Thanks

Words are inadequate at a time like this to express our deep gratitude to the many, many people and organizations who conducted or helped in the search for our loved ones. A special thanks is extended the Sheriff's Department, Department of Public Safety, to the private planes and pilots and to the cowboys who assisted in the search.

We hope we have left no one out for we couldn't have made it without everyone's prayers and the many kindnesses of friend and stranger alike that were shown us.

God Bless You All.

DETERMINE 'NORMAL' WEIGHT

Determine "normal" weight, then eat a balanced diet of low-calorie foods, exercise daily and change eating habits to reach that weight.

One to two pounds of weight lost per week is the recommended safe amount to lose.

Men and women can use this simple chart for determining what their approximate normal weight should be based on their height and build:

Build	Women	Men
Medium	Allow 100 lb. for first 5 ft. of height, plus 5 lb. for each additional inch	Allow 106 lb. for first 5 ft. of height, plus 6 lb. for each additional inch
Small	Subtract 10%	Subtract 10%
Large	Add 10%	Add 10%

Overweight or obesity is one of the most pressing health problems today. Approximately 40 percent of the people in the United States above 40 years of age are believed to be overweight.

Overweight refers to weighing less than 20 percent above your normal weight.

Obesity refers to being 20 percent or above the normal weight.

Monumentally obese refers to being from 100 to 300 percent above your normal weight.

MERRI CLARKE and FRANK GRAHAM
...to wed May 26

Clarke-Graham To Say Vows

Charles Clarke of Knox City and Jeanette Clarke, also of Knox City, announce the engagement and forthcoming marriage of their daughter, Merri, to Frank Graham, son of Mr. and Mrs.

Jeff Graham of Knox City. The wedding date has been set for May 26 at the First Baptist Church of Knox City. Miss Clarke is a graduate of Knox City High School. She attended Texas Tech University in Lubbock and is currently enrolled in Pan American University in Edinburg. Merri is also a part-time employee of *The Pharr Press*.

Frank, also a graduate of Knox City High School, attended Texas State Technical Institute in Waco, and Texas Tech University in Lubbock. He is currently employed by *The Pharr Press* as advertising director.

Following a brief wedding trip, the couple will make their home at 806 East Sam Houston in Pharr.

KC Garden Club Sets Luncheon

The Knox City Garden Club will meet Tuesday, May 8, at twelve noon at a luncheon in the Community Center.

All members are asked to bring a covered dish and a small flower arrangement for the table.

Mrs. C.C. Hoge will give the invocation and Mrs. Arthur Crowner will install the new officers for the incoming two years.

Hostesses will be Mmes. Neal Logan, C.E. Reed, and Roy Lee Walker.

Garden Club members extend a special invitation to all to join them for the luncheon. Interested persons should call 658-3777 or 658-3448.

Reporter Ruby Robinson shares the following quote, "How beautiful a day can be when kindness touches it."

Retired Teachers Hear Local Women

Twenty members were present at the Knox County Retired Teachers Association meeting Tuesday afternoon, April 24, at the Knox City Community Center and heard Gladys Reed and Louise Finley present the program on "Flower Arrangements."

The ladies displayed a number of arrangements that were previously made by them. They explained different things that should be considered in making flowers attractive when on display. While Mrs. Finley narrated, Mrs. Reed made an arrangement to demonstrate how to properly arrange flowers to show up for best display.

Lt. Col. Jane Sewell of Wichita Falls installed the officers for the ensuing year in an impressive ceremony.

Those installed during the meeting included Hazel Long, president; Mary Groves, first vice-president; Sammie Carpenter, secretary; Sudia Cash, treasurer; and Lillian Logan, parliamentarian.

Retiring president, Lillian Logan, conducted the business session.

Mrs. Curtis Casey announced to the group that the May meeting will be at Copper Breaks State Park in Foard County, several miles north of Crowell. The Knox City Garden Club is invited to share the picnic with the Retired Teachers and members are asked to gather at the Community Center at 10:30 a.m. on the day of the picnic and then proceed to Copper Breaks.

District President Attends State Meet

Mrs. J.C. McGee, president of the Mesquite District of the Texas Federation of Women's Clubs, returned Sunday night from Houston where she attended the 82nd annual convention.

Mrs. McGee accompanied Mrs. A.J. Smith of Anson and Mrs. Polly Wheeler of Albany, both past presidents of the Mesquite District.

The pre-convention events began Thursday morning with a tour of M.D. Anderson Hospital and Research Institute, which Mrs. McGee termed as especially interesting as the hospital is one of the club's state projects.

Theme of the convention program was "Diversify: By Mind."

Mrs. McGee sang in the convention choir and later gave the Mesquite District's

RICE REIGNS AT BRIDAL SHOWERS

If you want to give a truly memorable engagement or bridal shower, don't plan to toss all the rice at the wedding pair. Save some for delicious yet economical dishes that will make the bride-to-be, as well as guests, ask for the recipes.

While this newest home-maker is showing interest in home-cooked meals, you might point out to her that a good way to start is to select the variety of rice on the basis of dishes planned. (For example, long grain rice may be preferred for salads, curries, chicken or meat dishes because when cooked the grains tend to separate and are light and fluffy.)

Short or medium grain rice has short, plump grains which cook tender and moist, with particles tending to cling. It's favored by many for puddings and rice rings which require a tender rice that is easily molded.

Here are examples of long grain rice dishes to brighten the bridal shower (and for easy cooking at home since you use cold cooked rice which can be prepared up to seven days in advance; cover and refrigerate).

RICE SALAD—Cold cooked rice mixed with chopped celery, minced onion, chopped pimiento, stuffed olives and mayonnaise. Serve with sliced chicken or turkey breast with rolls of thinly sliced baked ham.

RICE SALAD ENTREE—Cold cooked rice, mixed with seasoned mayonnaise, and diced cooked chicken or turkey breasts, spooned into tomato cups or tulip-cut tomatoes.

Two dishes using medium grain rice that will pretty up a shower are the showy **RICE RING MOLD** and a colorful **RICE PUDDING**.

RICE RING MOLD—Spoon a hot cooked rice mixture into a buttered mold, pressing firmly. Unmold on serving dish. Fill center with a hot rosemary-veal and mushroom stew.

HIGHLIGHT OF A SHOWER BUFFET—Curried Shrimp and Bananas on Rice has the good taste and elegance every bride-to-be deserves. Serve it with coconut, dishes of nuts and chutney.

RICE PUDDING—Combine equal amounts of cooked rice and milk. Add two tablespoons sugar for each cup of rice and a dash of salt and vanilla. Cook, stirring occasionally, until thick and creamy—about 30 minutes. Layer creamy rice in parfait glasses with sugared fresh berries or fruit to help carry out a color scheme—blueberries, raspberries, strawberries, peaches. Top with whipped cream for added elegance.

Other ideas for cooking rice that will enhance the flavor and make it into party fare:

- When serving chicken, use chicken broth in place of water to cook rice. Add a dash of soy sauce.

- Mix equal parts orange juice with water to cook rice. Add 1/2 cup raisins. Serve with cold baked sliced ham.

- Cook rice in half tomato juice/half water. Add additional 5 minutes cooking time. Sauté sliced green onion and toss with rice. Serve with veal scallopine.

For simple elegance and delicious taste nothing is more successful at showers than **CURRIED SHRIMP AND BANANAS ON RICE**.

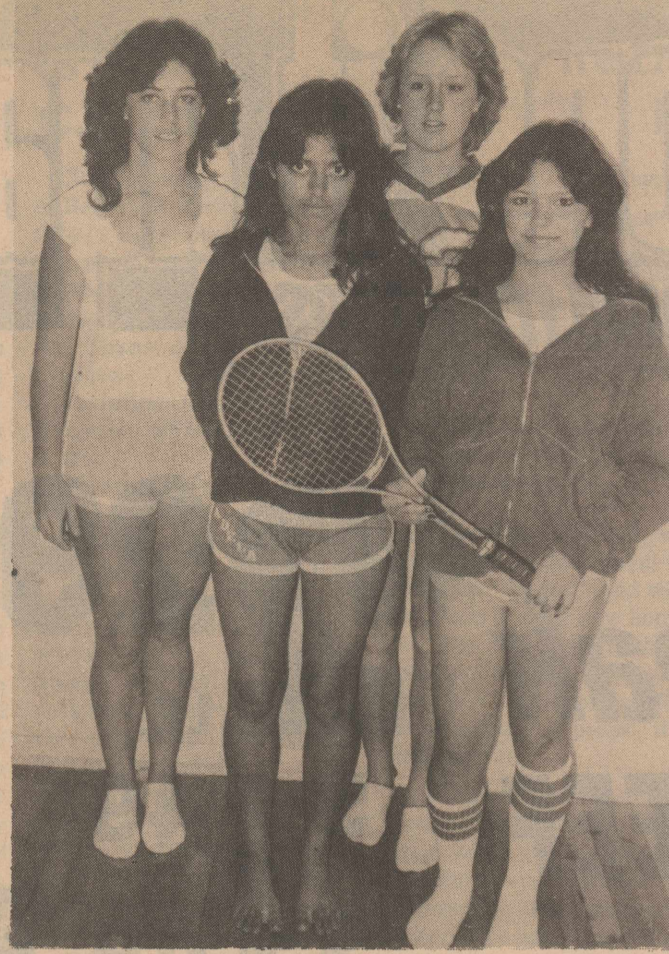

CURRIED SHRIMP AND BANANAS ON RICE
2 cloves garlic, halved
2/3 cup butter or margarine
2/3 cup flour
2 tablespoons curry powder
1 tablespoon salt
1/4 teaspoon pepper
1/4 teaspoon ginger
3 cups chicken broth
3 pounds raw shrimp, peeled and deveined
1 tablespoon onion juice
2 tablespoons lemon juice
1/2 cup light cream
12 bananas
1/4 teaspoon paprika
6 cups hot cooked rice

Cook garlic slowly in butter until lightly browned; remove garlic. Stir in flour, curry, salt, pepper, and ginger. Add chicken broth and cook, stirring, until thickened and smooth. Add shrimp and onion juice. Cover and simmer about 8 to 10 minutes, or until shrimp are tender. Stir in lemon juice, cream, and 9 bananas, sliced. Cut remaining bananas in half crosswise. Arrange in spoke fashion over mixture. Cover and cook over medium heat until bananas are heated through. Sprinkle with paprika. Spoon over beds of fluffy rice. Serve with accompaniments. Makes 12 servings.

PCA Holds 45th Stockholders Meeting

Rolling Plains Production Credit Association held its 45th Annual Stockholders Meeting in Childress, Friday, April 27, and Stamford, April 28. Approximately 650 stockholders and guests attended from a 17-county area.

Willard H. Williams of Spur was re-elected to serve on the board of directors for a three-year term. In later action, J.P. Perrin, Haskell, was re-elected to serve as chairman of the board and W.J. Boykin, Northfield, was re-elected to serve as vice chairman.

Present association officers were reappointed including R.C. Cobb, president; Bill L. Glenn, first vice president and secretary; J.D. Gillespie, vice president and assistant secretary; Lloyd M. Blackwell, vice president; Joe A. Hanson, treasurer and assistant secretary; and Doug Roberson, assistant vice president and Munday office manager.

R.C. Cobb, president, reported that the Association was in a strong position but high money costs continued to be a problem. Current high interest rates were blamed on government fiscal policies and related inflationary pressures.

Cobb also advised that over \$42 million had been loaned to its members in the first three months of 1979, which is 50 percent more than was loaned during the same period in 1978.

B.H. DeBusk, director from Anson, gave the report from the board relating that the association had loaned \$77,923,781.00 to 1050 members in 1978.

Roddy Peoples, radio farm broadcaster, speaking at the Childress meeting spoke on prices of cattle being higher due to members being down and feed being cheaper. He also encouraged the cotton farmers by advising that the consumption of cotton continues to climb due to numerous uses. In addition to the 100 percent no-iron shirt, there is hope that there might be a break into the 100 percent cotton no-iron sheet, which would be one of the greatest things to happen to cotton.

Peoples added "The wonder of the world is what it is today, because, relatively speaking, we are free people-free to own, to use and to enjoy whatever we are capable of earning."

Sammy Edington, vice president of the Federal Intermediate Credit Bank of Houston, advised that the producer that is capable of adjusting his operation to changing conditions, will be

the farmer of the future. He also advised that, though money costs are high, the RP PCA IS STILL COMPETITIVE. He also reported that the PCAs of America, through the FICBs, are the largest non-government entry into the money markets of the nation, second only to the Federal Government.

Speaker at the Stamford meeting, J.T. Smith, farm and ranch editor, warned against too much federal interference in agriculture and industry. Smith said cattlemen cut herds extensively after the 1973 beef freeze, slaughtering many cows and heifers, which made it difficult to rebuild herds. The cattlemen suffered for five years, starting to recover in 1978, and are now functioning strong in 1979.

Elected to serve on the 1980 nominating committee were George Neaves, Spur office; Joe Tidwell, Munday office; Johnny Kainer, Stamford office; Johnny Turner, Matador office; and Claude Andrews, Childress office.

Following the meetings, a barbecue lunch was served to stockholders and guests.

Kay Pepper Named Local Chairperson

Kay Pepper of Knox City was named Mental Health Bellinger Chairperson for the May '79 campaign announced Dick Fredrick, president of the Mental Health Association in Texas.

"The Mental Health Association is comprised of citizens concerned about the quality of life in their communities. They are aware of the problems of the mentally ill - the lack of treatment or information - and have formed a statewide association to help solve these problems," Fredrick said.

Current concerns of the Association include: community mental health center funding; mental health coverage in national health insurance; child care licensing; patient's rights and the impact of deinstitutionalization.

The Association utilizes a variety of information and education services in order to eliminate misconceptions, educate the general public about symptoms and encourage early detection and treatment of mental illness.

Since the Mental Health Association in Texas is a non-profit volunteer agency, it must rely on private contributions to continue working to promote mental health.

WHEN PEOPLE FALL IN LOVE...

they start thinking about the future. That's when they come to us, because they know that an important part of the future is a savings program. We're always happy to start young couples on the way toward their goals.

Congressman

Charles W. Stenholm

Congressional Comment

WASHINGTON, D.C.—Will Rogers once commented that the United States has never lost a war or won a conference. American generosity at the diplomatic table has caused us to rely on unrealistic idealism in the international arena instead of thoughtful pragmatism.

During the 1920's and 30's it was thought that if we could get Japan to sign enough treaties they would not dare resort to war. In 1921 Japan signed a treaty with the U.S. limiting the amount of battleships. In 1922 several nations, including Japan, signed the Nine-Power Treaty which affirmed the Open Door Policy in China. In 1928 both Germany and Japan signed the Kellogg-Briand Pact which outlawed war as "an instrument of national policy." In 1931 Japan repudiated all of these treaties and then promptly invaded China. The lesson of history is clear: that treaties are made at the convenience of nations and broken at the convenience of nations.

Before long the Senate will be asked to approve a Strategic Arms Limitation Treaty (SALT II) with the Soviet Union. This treaty limits launchers, not ballistic missiles; allows high Soviet force levels; and permits the Soviets to amass many multiple independent reentry (MIRV's) which can hit several targets with a single missile. It also includes inactive U.S. aircraft, but excludes Soviet Backfire bombers; and above all it does not adequately address the problem of verification.

The Soviets continue to adequately fund a vigorous

defense program and to date have not allowed any treaty to adversely affect their military and production programs. In technology, they lead us in high energy lasers and high yield nuclear weapons. In conventional fighting capability, the Soviets have seven times as many tanks, over six times the number of artillery pieces, and fifty times the number of trained and active chemical warfare personnel. By 1980-82 they will have a commanding lead in strategic nuclear capability. During this period the number of their warheads will increase to between 6,500 and 9,200 and the number of SLBM's will probably increase to 950. In the meantime the U.S. has closed the Minuteman III production line; delayed development of the new MX missile and cancelled the production of the B-1 bomber.

We have come from a position of U.S. nuclear monopoly in the 1950's to one of strategic superiority in the 1960's to rough equivalence in the early 1970's and the forecast is that we will shortly be a clear second to the Soviets in strategic capability.

I am of the firm belief that the world would benefit from a treaty that would reduce the number of nuclear weapons. But we must always remember that armaments are an instrument of national policy, and any attempt to regulate them without regard for the factors that bring them into existence is doomed to failure. The Soviet Union is determined to pursue world domination. Until this policy is dealt with, arms control will only limit — U.S. arms.

Oil Classes To Begin At Art Stall

The Art Stall, located at Main and Central in the Knox City Mini Mall, is pleased to announce the formation of a new oil painting class, scheduled to begin Thursday, May 10.

The class will be taught by Stuart Miller, who recently moved to Knox City from Dallas. Miller majored in painting at the University of Nebraska and works exclusively in oil painting in realistic and impressionistic styles.

Several of Mr. Miller's works are now on exhibit at the Art Stall and a show of his work is scheduled to be seen at the Citizens State Bank during the month of May.

The upcoming classes at the Art Stall will be semi-weekly from 7:00 to 10:00 on Tuesday and Thursday evenings.

Enrollment will be limited to a maximum of 10 students with emphasis being on individual personal attention.

Students will choose their own subjects and progress at their own pace.

Enrollment for the three-month course is being taken at the Art Stall where supplies are also available.

For more information, readers are asked to call 658-3957.

Local's Kin In Denton Theatre

Tot Jamison, and her sisters, Elizabeth Rogers of Southwest Missouri, and Jessie Gist of Amarillo, were in Denton Friday night of last week to attend the performance of "Auntie Mame" presented by the Denton Community Theatre in which Mrs. Rogers' 12-year-old grandson, Joseph Crump, portrayed the part of Patrick, the young nephew of Auntie Mame.

Joseph's brother, Jamison, who is 14 years old, was responsible for controlling the lighting during the performances, which ran for six nights during two weekends.

Joseph and Jamison are the sons of Mr. and Mrs. Gail Crump.

Caged Tomatoes For Greater Use

Instead of staking and pruning tomatoes this year, use wire cages to support plants.

Caging rather than staking and pruning offers home gardeners in Knox County several advantages, including less sunburn of the fruit, fewer disease problems, and higher yields, all with much less work.

Cages can be constructed from concrete reinforcing wire, hog wire or any other sturdy wire mesh that has openings of at least four to six inches and is three-and-a-half to five feet tall. Cut and bend the mesh material into cylinders 16 to 20 inches in diameter, fasten ends together, and snip off the bottom ring so that the cages can be pushed into the ground about six inches deep for support.

When using wire cages for growing tomatoes, space plants about two-and-a-half to three feet apart in the row and allow four to five feet between rows.

Planting a vining or semi-vining type tomato variety when using cages although bush-types can also be used.

After setting tomato plants in the garden, place a wire cage over each plant and make sure it is well anchored in the ground. The plant will grow up through the cage and the wire mesh will support it. No suckering, pruning or training will be necessary. Ripe fruit can be picked through cage openings.

Cost of cages will vary from 30 to 50 cents each, but they can be stored and used for several years. Certain other crops such as cucumbers and pole beans can also be grown using the wire cage method.

Look Who's Here

Mr. and Mrs. Kenneth Travis Barber of 1386 Gazdar Court, Santa Clara, California, 95051, are the proud parents of a baby girl born April 10. Her name is Krista Janean and she weighed six pounds, seven ounces and was 19½ inches long. She has brown eyes and hair.

Maternal grandparents are Mr. and Mrs. John Thomas Valos of Bakersfield, California, while Mrs. Billie O. Keakey of Bakersfield and Thomas L. Barber of Sims, Arkansas, are paternal grandparents.

Paternal great-grandmother is Mrs. Walter Grzebienski of 1030 Goldenrod Street, Escondido, California 92027, who will be remembered here as Laura Garrison Faubion.

First place big-stringer went to Brian Williams with three fish that weighed nine pounds, eight and one-fourth ounces.

Second place stringer was caught by Donnie Bowles and weighed eight pounds, eleven and one-fourth ounces. This was Donnie's first tournament and no one is able to get him to tell what on or where he caught the fish with the main reason being that his fishing partner, Mel Reed, never knew where they were.
