Teachers Report August 20

School Begins Here August 27

Knox City-O'Brien students will be reporting for their first day of school Monday, August 27, as the first bell of 1979-80 rings at 8:25 a.m.

Faculty members of Knox City-O'Brien CISD will report for In-Service a week earlier, August 20-24. On Monday, August 20, the faculty will meet in the high school library. Monday afternoon teachers will report to sectional meetings on their assigned campuses, with principals Bill Holcomb and Charles Reed in charge of the groups.

Tuesday, Wednesday, and Thursday, teachers will be in In-Service meetings at Goree, Rule, Haskell, and Wichita Falls. In-Service for teachers in Knox and Haskell counties is planned by Haskell-Knox Consortium director Bobby Hudson and his secretary, Dorethy Garcia.

Registration for all students will be Friday, August 24, with the following schedule: Kindergarten students will register in the kindergarten room located in the north wing of the elementary buildings, from 8:30 to 12:00 noon. To begin school, the kindergarten children must bring their birth certificate, health record from their family doctor, and at least one parent with them. The first and second graders will register at their rooms in the elementary wings and third and fourth graders in the elementary building between 8:30 and noon on Friday. Mid-School students, in grades five through eight, will register at the O'Brien campus Friday morning between 8:30 and 12:00 noon. Parents are asked to accompany students registering in grades K-8 in order to supply needed information and to sign several important forms.

High school students will register by classes beginning with the freshmen at 9:00 in the English room. Sophomores register at 10:30; seniors at 1:00; and juniors at 2:30.

Buses will run for the first time on Monday, August 27, with school beginning at 8:25 a.m. and ending at 3:50 p.m. Kindergarten through fourth grade will dismiss at 2:50 each day.

The school serves hot breakfasts each day beginning at 7:45; breakfast is 40 cents for students and 60 cents for faculty. Lunches are 70 cents for students K-4 and 75 cents for students 5-12, and \$1.10 for adults. Free or reduced priced lunches and breakfasts are provided for students who need them, with forms handed out to all students at registration.

Faculty members for the coming year include Joanna Delgado, early childhood; Sherry Hacker, kindergarten; Louise Kemeltz, first grade; Earlene Austin, second grade; Carolyn Sloan, third grade; Caron Yates, fourth grade; Sharon Newton, reading; and Marie Auburg, resource.

Fifth through eighth grades are departmentalized at the O'Brien campus with Margie Clonts, fifth grade; Ronnie Verhalen, social studies; Faye Reed, reading; Judy Burnett, language arts; Sally Keener, math; Frances King, resource; Frankie Baker, math, reading; and Matt Harrington, science.

High school teachers include Renella Watson, Judy Burnett, and Sally Keener, language arts; Robbie Robertson, science; Vera Newton and Veeta Reid, home economics; Leon Burkham and Jim Dillon, agriculture and horticulture; Dottie Lowrey, business; Denise Waltrip, band; and Zoy Risinger, resource.

Jimmy Rogers, Jerry Lowrey, Tommy Sloan, and Steve McIlhane share

coaching duties on all the campuses and teach high school driver's education, math, social studies, speech and health classes.

Special services will be provided by the following co-op personnel for Knox and Haskell counties, each teacher serving several schools; Gayle Harris, school nurse; LaRue Reeves, counselor; Maxine Hamilton, librarian; Kathleen Tanner, speech therapist and Ruth Ishmael, diagnostician.

Aides assisting the teachers throughout the system will be Pearl Eaton, Idella Escobar, Jan Lankford, Sherry Speck, Nova Walling, and Lily del Hierro.

Lunchroom personnel will be Ramona Helms, supervisor; Pat Grimsley, Carolina Rios, Aurora Casillas, and Elaine Lewis.

Campus custodians are James Hewitt, Whitey Gutierrez, and Troy Brown.

School administration includes W.R. Baker, superintendent; Bill Holcomb, high school and elementary principal; Charles Reed, mid school principal; Jo Hacker, business manager; Melanie Whitley, high school secretary; Dana McIlhane, mid school secretary; and Oscar Mangis and Charlene Brothers, tax assessor-collectors.

Bloodmobile Sets August 29 Visit

The Red Cross Bloodmobile will pay its semi-annual visit to Knox City Wednesday, August 29, according to Mrs. Doris Crownover, chairman.

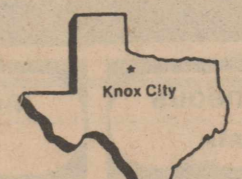

Hours will be from 2:00 until 6:30 p.m. in the Fellowship Hall of the First United Methodist Church.

Mrs. Crownover regretfully explained that word has been received that donors who have had their 70th birthday can no longer be accepted. Also donors age 66 through 69 years of age will need a doctor's written permission dated within two weeks of the Bloodmobile visit.

Football Information Released

The coaching staff of Knox City High School has issued information for Greyhound football players.

Players need to take note of times physicals are to be given on Thursday, August 9, and Friday, August 10. Freshmen and sophomores are to be at Dr. W.F. Thompson's office at 4:00 p.m. Thursday (today), August 9. Junior and senior players should be at Dr. R.G. Howell's office Friday, August 10, at 4:00 p.m. Players are to take specimens with them and are asked to be at the respective clinics at the designated times as this is the best time for the physicians and they have set this time aside for the players.

Friday, August 10, from 9:00 a.m. until 12:00 noon will be the time for a player's parent or guardian to discuss insurance and also sign player releases. A room will be available at the high school and it is extremely important that a player's parent come to sign the release forms to enable the players to begin practice.

With school's starting August 27 this year, the 'traditional' two week practices known as 'two-a-days' will begin Monday, August 13, with morning workouts set at eight o'clock and afternoon practices at six o'clock.

The Hounds' first scrimmage of the year will be Friday, August 24, with Holiday on our home field.

Friday, August 31, the team will travel to Jayton for the second scrimmage.

Rehearsals To Begin August 15

Knox City-O'Brien's new band director, Denise Waltrip, has scheduled band rehearsals next Wednesday and Thursday, August 15 and 16, and again August 20 through August 24. Full band rehearsal will be held from 5:00 to 7:00 p.m. on these dates and she explained that those participating in football will be dismissed early. Also, she said, after school begins, regular band rehearsal will be scheduled every Tuesday from 6:00 to 8:00 p.m.

Junior and senior band students are asked to be at the band hall Monday, August 13, to check out uniforms and school horns anytime between the hours of 8:00 and 12:00 noon and 1:00 to 4:00 p.m.

Sophomores, freshmen, and eighth graders are asked to check out uniforms and horns anytime between 8:00 and 12:00 noon and 1:00 to 4:00 p.m. on Tuesday, August 14.

Students who are unable to check out their uniforms on Monday or Tuesday may do so any evening after school.

Miss Waltrip also said that if anyone is unable to attend the pre-school band rehearsals to notify her at once.

Deadline For Opry Trip Is August 9

Thursday, (today), August 9, is the deadline for signing up for the chartered bus to the Grapevine Opry, Saturday, August 18.

City Marshal Named

The new City Marshal for Knox City, John Turner, assumed duties Thursday, August 2, moving to Knox City with his family from Idalou. Turner and his wife, Ilene, will also have charge of the Knox City EMS, formerly Knox City Area Ambulance Service, and began those duties Friday, July 27.

John and Ilene are the parents of three children, Allen, age 11, who will be in the sixth grade; John David, age 10, who is a fifth grader; and Dawn, age seven and a second grader.

Turner received his basic training in Lubbock with the South Plains Association of Governments and completed the training in March 1977. He served as a patrolman in Idalou and following the retirement of their police chief, he was appointed to this position. Turner also received training in Illinois and was a patrolman in Hamilton, Illinois, where he is from originally.

Ilene grew up in Arizona and the family moved to Idalou in January 1976. John had been stationed at Reese Air Force Base in Lubbock since January 1973.

The couple completed their 120-hour EMS course at Aid Ambulance in Lubbock in July 1976. In addition to this, Ilene also completed an 81-hour course in March 1975 and is certified in both Texas and Illinois.

NEW RESIDENTS who will play an important role in Knox City are City Marshal John Turner, his wife Ilene, and their young daughter Dawn. The Turners have also assumed ambulance duties and are now in charge of the Knox City EMS. The couple's two sons were not present when photo was made.

Lone Star Asks New Gate Rate

DALLAS - Lone Star Gas Company filed an application with the Texas Railroad Commission Wednesday seeking to increase its authorized city gate rate to \$2.21 per Mcf (thousand cubic feet) of gas - a 15 percent increase in the city gate rate in effect December 1978.

If the request is granted, the company would realize an additional \$40.9 million in revenue annually.

"The increase is necessary," says Douglas W. Williams, senior vice president of Lone Star, "because of the sharply higher costs of buying gas in the field and the increase in the general costs associated with operating any business."

The city gate rate is the amount Lone Star Transmission Division charges the company's Distribution Division for gas delivered to residential and commercial customers and for distribution company-used and unaccounted-for gas. Transmission is the segment

of the company that buys, cleans, stores and delivers gas to the cities.

The increase, based on the city gate rate in effect last December, is 29 cents per Mcf. The average residential customer's bill would increase approximately \$28 per year.

Lone Star's current city gate rate, established by the Railroad Commission in 1977 and based on a test year ending December 1975, allows Lone Star to recover only 85 percent of the increase in gas costs above \$1.1802.

As part of the application filed Wednesday, Lone Star is again requesting a 100 percent flow-through of gas purchase expense consistent with the rule-making request presently pending before the Railroad Commission. "As a result of the 85 percent flow-through restriction, Lone Star absorbed approximately \$13 million in gas costs in 1978 alone," Williams says.

The proposed rate increase will only affect residential and commercial customers.

Booster Club Sets Annual Barbecue

It's almost time again for the annual Knox City-O'Brien Greyhound Booster Club Barbecue at the City Park. This annual event, set for August 17 from 7:00 to 9:00, is one of the sure signs of the changing seasons.

The proceeds from the barbecue go to buy film to record the Greyhound games.

Chairman of this year's barbecue is David Albus. Serving on the committee with David are Sammy B. White, Beau L. White, and

the Rev. John Gillispie. This group, and many others who volunteer their time and services, will spend many hours cooking the meat for the meal which will also include potato salad, red beans, and all the trimmings.

Ticket chairperson for this year is Kay Dean Johnson. Anyone wishing to purchase a ticket may do so from any member of the Booster Club, or cheerleader or twirler, according to Booster Club president Mary Ann Boone.

Cheerleaders Receive Awards

Knox City Greyhound cheerleaders, Angie Bateman, Mindy Hutchinson, Karae Beason, and Charlette Albus spent one week during the first part of their summer vacation at the first annual Big Country Cheerleader Camp held on the campus of Hardin-Simmons University in Abilene June 18 through 22. Their hard work and efforts paid off for them as the squad was presented the spirit stick during one of the nightly rounds of competition. According to Angie, who is head cheerleader of the group, Knox City was the smallest school to be selected for this outstanding honor during the week.

The four cheerleaders also were the recipients of two blue, one red and three white ribbons for their group performances. The girls competed throughout the week with a combination of various yells.

Instructors for the camp were provided by the National Cheerleaders Association and Eris Richie of Southwest Camps in Cisco was camp director.

During the week, the cheerleaders learned the latest techniques in leading yells, performing gymnastics, doing skits and stunts, and they also were taught a number of new chants and songs. Emphasis was on spirit building - for the cheerleader squad, the school athletic teams, and the entire student body.

Parents of these girls are the Charlie B. Batemans, the Wayne Hutchinsons, the Vic Thomases, and the James Albuses.

The cheerleaders will also be holding a garage sale Friday and Saturday as noted by their ad in this week's classified section.

B-K Electric Sets Annual Meet Aug. 10

The B-K Electric Cooperative, Inc. will hold its annual meeting on Friday, August 10, in the High School Auditorium at Seymour.

The doors will open at 6:00 p.m. with entertainment by The Troy Eavenson band and the business session will start at 7:30 p.m. Attendance awards will be given to members.

The guest speaker this year will be Ken Loyd of Texas Electric Cooperatives, Inc. The first annual meeting was held August 7, 1946, at the Seymour High School Gymnasium and has been an annual event for its members every year since then.

There will be a grand prize of a major electric appliance and numerous smaller prizes. The public is invited.

Open Horse Show Slated August 18

According to Knox County Riding Club officials, plans are well underway for the annual Knox County Open Youth All-Trophy Horse Show, which is sponsored by that organization. The show is to be held in Benjamin, Saturday, August 18, beginning at 10:00 a.m.

Judging the show this year will be Ken Cook of Lubbock. Cook is a well-qualified and experienced judge and has judged a number of shows in this area in the past several years.

In addition to trophies through fourth place in each class, silver belt buckles will be awarded to the high point winners in each of the two age groups, which will be thirteen and under and fourteen through nineteen.

Entries will be taken at the show, with the books opening approximately an hour before the show.

Classes will include aged registered mares, registered mares under 5, grade mares - all ages, aged registered geldings, registered geldings under 5, grade geldings - all ages, showmanship, western pleasure, western horsemanship, reining, barrels, flags, and poles.

For further information readers may contact Tommy Antilley or Mrs. Fred Carver in Benjamin or Mrs. Joe Boone in Knox City.

Those sponsoring classes in

the show this year include Farmers Grain Inc., Knox City Grain Inc., Knox County Fertilizer, Mr. and Mrs. Jimmy Baker, Skiles Bros. Exxon, Lady Bug Shoppe - Mini Mall, M System, Guinn Sheet Metal and Plumbing, Lynn Electric, O'Brien Co-Op, Tri-State Chemical, DRIVE for Horses, Penman Conoco Service, Knox Feed Lot, Mr. and Mrs. Joe Boone, Lowrey's, Dr. W.F. Thompson and Associates, Arnold Insurance and Real Estate, Jerry's Plumbing, and Citizens State Bank.

Fashion Show Slated Sat. At Lady Bug

The Lady Bug Shoppe in the Mini Mall will be holding its annual "Back to School Fashion Show" Saturday afternoon, August 11. Informal modeling is scheduled between the hours of two and four o'clock.

Refreshments will be served throughout the afternoon and door prizes will also be presented.

Mrs. Dessie Egenbacher, owner and operator of the Lady Bug Shoppe, invites everyone to come and see all the new fall fashions as noted by her ad elsewhere in this week's *News*.

STREAMS IN DESERT PLACES

By OZELLE STEPHENS
"...If you remember that a friend (or anyone), has something against you ... go and apologize and be reconciled to him." (Matt. 5:23-26)
When you realize you have failed or hurt someone (as we all do sometimes), Jesus said do and apologize and be reconciled to him ... and then ask God to forgive you. Do this quickly before the hurt is publicized and brings a greater hurt to you. The Word says, "Do this before you are thrown in the debtors' cell, for you to stay there until you have paid the last penny," meaning that delay in asking forgiveness of even small sins or misgivings causes great turmoil and suffering in the mind and heart. This confusion brings unhappiness and misunderstandings that hurt the mind. When you obey the Word quickly, you keep sweet peace and show love

Funeral services for eight year old Kelly Jo Strickland, daughter of former Knox City resident Ralph "Peanut" Strickland of Kant City, Michigan, were held Wednesday, August 1, at First United Pentecostal Church in Grand Rapids, Michigan.

Officiating at the service was the Rev. Nathan Rose, church pastor, and interment was in Blythe Memorial Gardens.

Kelly, who would have been nine years old on August 29, drowned in Lake Erie, Michigan, on Saturday, July 28. Family members reported that she and her sister, Kim, had gone with several of their cousins to a section of the lake to play.

Born August 29, 1970, Kelly is survived by her parents, Mr. and Mrs. Ralph Strickland of Kant City, Michigan; two sisters, Mrs. Rene Self of Grand Rapids, Michigan, and Kim of the home; three brothers, Philip, Eric, and Kevin, who is her surviving twin, all of the home; her paternal grandfather, Clarence "Bo" Strickland of Knox City; and her maternal grandmother.

Locals' Kin Buried In Post Oak

Funeral services for Lucy R. Lemond of Hurst, mother of Ethel Lemond and Lucille Abbott, both of Knox City, were held Sunday afternoon, August 5, at two o'clock in Post Oak Baptist Church. The Rev. Milton Capps, pastor, officiated and burial was in Post Oak Cemetery.

Mrs. Lemond, 85, died Friday, August 3, in a Hurst nursing home.

Born April 26, 1894, in Jack County, she married Dod Lemond October 11, 1911, in Jack County. Mrs. Lemond was a member of the First Baptist Church of Hurst.

Survivors include six sons, Donald of Lincoln, Nebraska, Brooks of Hurst, John of Fort Worth, Alvin of Kemp, Stanley of Hillside, New Jersey, and Arnold of Hurst; six daughters, Ethel Lemond and Lucille Abbott, both of Knox City, Eunice Rhodes of Bryson, Delma Pressley of Fort Worth, Ivie Lemond of Hurst, and Ollie Lemond of Seagoville; five brothers, A.D. Campsey of Post Oak, S.S. Lon and Aston Campsey of Jacksboro, and Harry Campsey of Wichita Falls; four sisters, Maggie Berry of Jacksboro, Beulah Leuter of Gainsville, Rachal Scarber of Amarillo, and Mildred Liggett of Wichita Falls; 26 grandchildren and 36 great-grandchildren.

Mrs. Ray, 91, died Saturday, August 4, at 9:20 a.m. in the Brazos Valley Care Home following a lengthy illness.

Born March 24, 1888, in Comanche County, she moved to Haskell County in 1906. On December 24, 1909, she married Evans L. Ray in Jud. Mr. Ray preceded his wife in death on August 16, 1975, in Wichita Falls. She was a longtime member of the Methodist Church.

Survivors include three sons, Claude of Hart, and Clyde of Irving, and Ralph of Temple; four grandchildren and eight great-grandchildren.

O'Brien Happenings

By CHARLENE BROTHERS

I think I know now how a person feels when they get drunk, and of the life of me I cannot figure out why they would want to get that way more than one time. It is not a very good feeling to be so dizzy you cannot walk straight and feel like you are going sideways. And one of my aunts that has been here did not help my feelings any when she told me she had been having this same thing since about 1946 or somewhere around there. If I have this for the rest of my life, of course not all the time, but just every once in a while, I do not think it is going to be very funny. The sickness I am talking about is an inner-ear infection, by the way.

The rains we got were very nice. It was very spotted around the area, but maybe they helped some. It was a life saver for us as we will not have to water the maize anymore. I do not think the rolling sprinklers would have gone across the tall maize again, and there was no way we could have used hand moved pipe. It will also help the cotton. You know the crops look so pretty now, the

insects are not bothering too much right now, they may be by the time you read this, but not at the time it was written. Maybe they decided since the price of fuel went so high they would skip this year and let the farmers make a pretty fair crop without being so

Hardberger Rites Held In O'Donnell

Funeral services for former O'Brien and Knox City resident Mrs. Rufus Hardberger were held in the First Baptist Church in O'Donnell Monday afternoon at 3:00 o'clock. Interment was in a Lubbock cemetery.

Mrs. Hardberger died Saturday in an Ozona hospital.

Born September 20, 1884, in Grayson County, Mrs. Hardberger (Jenny Lee) was the daughter of the late Hardy Prothro and Susan Keeton Reeves. After her mother's death in 1888, she went to live with an older half sister in Kentucky for a while, returning to Texas just before her father's death when she was eleven. Her father's brother, George Reeves, took her home with him to Munday where she lived until her marriage on August 14, 1904, to Rufus Edwin Hardberger at her uncle's home in Munday. The couple lived in Munday and Knox City until 1923 when they moved to the Plains. Mr. Hardberger built two gins at O'Donnell and operated these through two ginning seasons until the family moved to Lubbock for their children to attend Texas Tech.

Mr. Hardberger was killed in a car accident in 1940. After his death, Mrs. Hardberger lived on a farm near O'Donnell where she farmed until her retirement in 1955. The last fifteen years were spent in Ozona in the home of a daughter, Lucille Littleton. Another daughter, Geniece Childress, lived next door.

She is survived by five children, Mrs. Lowell (Lucille) Littleton and Mrs. Please (Geniece) Childress, both of Ozona, Homer of O'Donnell, R.E. of Beaver, Oklahoma, Billy of Lamesa, twelve grandchildren and fifteen great-grandchildren.

Also preceding her in death was a son, George, who died in 1945.

Traci Burson of Haskell, daughter of Mr. and Mrs. Trey Burson, visited with her grandmother, Bernice Rowan, during the weekend.

Mr. and Mrs. James Manning, Cody and Marvin Manning, Fern Coalson and Myrtle Roberson were in Springtown Friday and Saturday visiting with the Derwin Lancaster family and the Larry Gibson family and picked up Christie Manning who had been visiting in Springtown. Also, Mrs. Coalson and Mrs. Roberson left the D-FW Airport for their home in Strathmore, California. They had been visiting with relatives in O'Brien, the Orval Mannings, the Bill Mannings, the J.O. Brothers family and with Marvin and James Manning family.

The news this week is a combination of last week's and the week before. So some of it will not be new to some of the people around the area, but will to the out-of-town readers. And I am not saying anything is absolutely correct, because I'm still seeing spots and things do seem a little out of focus. Maybe by next week I will be back to normal, which is kinda dizzy headed any way you look at it.

Vandals Damage Mid-School

By CHARLENE BROTHERS
Sometime Saturday or Sunday there were 25 windows and five door glasses broken in the O'Brien School building which were shot with a BB gun. This will run around \$600 to \$700 in damages. The glasses for these doors and windows do not come very cheap. As most of you know, I'm sure, there is a City Ordinance against shooting BB guns in the City limits. Also there is the State law against firing firearms across a public property. The parents need to help with this problem. If your child has a BB gun you need to see that it is not used in the City. The only way we can see that these things do not happen, is for all you parents to cooperate with the City and School officials.

You realize that things of this nature are what makes it hard for the students that take care of things to be able to use the school grounds for playing baseball and tennis. You have to treat all people alike, and some of them take advantage of you. So anyone knowing anyone that was around the building during the weekend would be helping if you would notify someone connected with the school or City.

BE WISE...ECONOMIZE!
If you're like most Americans, you are really beginning to "think economy." There's a new and increasing awareness among all that we won't be able to enjoy forever the fruits of the world's highest standard of living, unless we do.
Fortunately, economizing has become not only popular but a proud achievement. Husbands and wives are doing their own home repair and improvement work, cutting outside-help costs and practicing economy in the purchase of quality, lifetime tools with famous names like Crescent, Nicholson and Wiss. Home-sewing is on the rise, too.
With gasoline both short and expensive, Americans are driving less by planning their car use—car pooling to

Saving money by doing-it-yourself is becoming increasingly popular.
school and work, making one "downtown" trip accomplish the results of two, using public transportation more. We've readjusted our home heating and cooling levels, insulated attics and are using home appliances sparingly, with forethought, to economize and conserve.
There is hope. Inflation and shortages can be controlled if we're wise and economize!

Truscott Committee Acquiring Histories

The Truscott History Committee set March 1, 1980, as the target date for acquiring 300 family histories at its Sunday afternoon, July 28, meeting.

Mrs. Virginia Casey, president, called for a review of letters received. About 20 replies have been received to previous requests. Anyone who has lived or worked in the Truscott-Gilliland area is being asked to contribute.

Mrs. Casey pointed out that most persons who have lived in Truscott live elsewhere now, so they must depend on letters for information. Forms have been prepared to make it easier and are available through History, Truscott, Texas 79260.

A subject file was started with Kay Cumley in charge.

Suggested topics included Indians, ranches and brands, Magnolia and Humble stations, Negroes, brick factory, wagon yards, land agents, blacksmiths, businesses, the war years, crime, disasters, pranks, family histories, doctors and nurses, farm and crops, transportation, organizations, ministers and churches, schools and teachers, community life, women, maps, and government.

Names of men and boys who worked on area ranches are needed at this time. Virgil Johnson contributed over 20 names of those who worked on the Masterson-JY Ranch. Big 4, Shawver, Waggoner, Alexander, and other Gilliland and Truscott ranch people are needed.

The list on hand of JY cowboys includes Virgil Johnson, Jack Lewis, Slim Whaley, Jerome Bevers, T.B. Masterson Jr., Bob Masterson, Warren Corder, Cantrell Moody, Tom Moody, Ernest Boren, Joe Cade, Deck Beavers, John Clifford, Tommy Browder, Tom Long, Jim Brown, Monroe Cox, Pete Mayberry, Bill McDaniel, Dee Bivens, Jacksboro Jones, "Tucumcari", Q.D. Williams, Jack W. Brown, Frank E. Brown Jr., Joe Gordon, Banjo Johnson, Joe Barton, Roy C. Daniel, Sam and Mary Owens, and Charlie Hinds McDaniel.

The committee would like family histories on all these men, plus some stories about their work at JY cowboys. Additional names are also needed.

BUILDING, REMODELING, AND REBUILDING

There's lots of it going on - several have remodeled their homes, several are still in the process. The Jimmy Collins have purchased the Qualls house north of Benjamin and have remodeled it throughout and added siding to the outside. They moved in around May 1.

Pete and Kay Lindsey are adding a couple of rooms and garage to their house and also putting siding on. Mary Jones and Brandi moved into their new home around May 1. It is a two bed room and is located next door to her mother and step-father, Jonnye Jackson

Williams and Russell

Williams and Russell Williams. The teacherage formerly occupied by the S.L. Milsons is also getting a new look. It will be ready for the next teacher to move in shortly. The Milsons have purchased the Vernon Benson home and the Bensons are now remodeling another one of their houses, (the one formerly occupied by the Jimmy Collins) and plan to have it completed before long. Jack Nunley has purchased the mobile home of H.C. Stone and plans to move it to Graford one day before long.

Mat Verhalen and crew are in the last stages of building a house for Ricky and Debbie Stamps. The three bedroom structure is located east of the Knox City highway, one block. Betty Mancille has purchased the Gertrude Sams Jones home and moved in around May 1.

Kenneth and Jessie Roberts continue their restoration process of the old Alexander house near the school. It is coming along nicely. Pam and Dennis Duke have added new carpet and wallpaper to their home.

Application Deadline Nears

The Farmers Home Administration (FmHA) is reminding farmers in Knox County that August 23, 1979, is the deadline to apply for disaster emergency loans caused by nature drought February 28, 1978, through August 2, 1978, and for heavy rain August 3 and 4, 1978.

FmHA County Supervisor Joe T. Boone said a 12-month period for receiving applications will expire on that date.

Boone reported that FmHA has made nine farm emergency loans in the county totaling \$229,380 for recovery from that period of damaging weather. Applications for about \$18,200

more are being processed. FmHA, a Department of Agriculture agency, makes disaster emergency loans to farmers who cannot find other sources of credit needed to restore operations to normal. Loans must be based on substantial loss from the designated disaster. Eligibility extends to recognized farmers who work at and rely on farming for a substantial part of their living and are U.S. citizens, or to farming partnerships, corporations or cooperatives in which U.S. citizens hold a majority interest.

The agency serves Knox County through its office at 1101 E. Main Street in Knox City.

ENTERTAINING IDEAS

ALL PLAY AND NO WORK ITALIAN BUFFET

Pick a theme that offers easy planning and execution. The Italians dote on an appetizing antipasto, then a main dish of pasta and a simple dessert. The antipasto is usually eaten first, and contains meats, fish (tuna is fine), cheese, olives, pickles and salads. Bread is important, so serve your Italian favorite, wholewheat or white, with the antipasto tray.

For the main dish we've used a canned pasta product, bite size beef ravioli in tomato and meat sauce, to cook up a delightful ravioli stew. It can be made in 25 minutes and keeps perfectly on low heat, ready for serving.

A simple baked egg custard made the previous day is dressed up with orange-flavored whipped cream. Here's a superb Italian meal that can be served at a moment's notice.

Student Trainees Visit PMC

Thirty-two student trainees from the Soil Conservation Service toured the Plant Materials Center, Tuesday, July 31. The trainees, who are students from various universities studying in agriculture, are working in SCS field offices throughout Texas and Louisiana. These students are given conservation training through the SCS during the summer and will return to college to continue their education.

A slide presentation was given by Ranell Scott on the history, major roles and responsibilities and plans at the PMC. Ted Bolzie, assistant manager, gave a general tour of the 95-acre Center. The tour included showing of equipment, rare plants, initial evaluation field, initial increase fields, and production increase fields. The tour allowed the students to see major plants from various locations throughout the United States, as well as from other countries. Lynn Pace, biologist, discussed the woody production block and the important effects woody species have on wildlife food and shelter sources.

The students are on a five-day journey to view major conservation problems in the resource areas throughout Texas.

July Weather Hot And Dry--As Usual

Submitted by Plant Materials Center

July was a typically hot and dry summer month.

Precipitation for July was spotted over the county, with most of the rainfall occurring in the upper northeast and lower southwest portions of Knox County.

The Plant Materials Center, four miles northwest of Knox City, received .12 inches on July 9 and .67 inches on July 10, with windy storms occurring on this latter date. Area thunderstorms occurred on July 16 and 17; however, no measurable precipitation was received at the Plant Center. The PMC received 1.04 inches of rainfall, .61 inches below the 13-year average of 1.65 inches for July.

The total amount of measurable precipitation for January through July of this year is 13.07 inches, well above the 7.24 inches received during the same period last year.

Hot, drying winds occurred throughout the month, depleting the surface moisture. The subsoil moisture is still fair, but depleting rapidly.

PROPER HOME MEDICINE STORAGE

By SHARON BOOK
Assistant County Extension Agent

Preventing medicine from deteriorating too rapidly is a key consideration in home medicine storage.

Arkansas Man Guilty Of SS Fraud

A 72-year-old Arkansas man has been sentenced in Federal Court for defrauding the Supplemental Security Income (SSI) program, according to James Harper, manager of the Vernon Social Security office.

Robert L. Vaughan Jr. of Fayetteville was sentenced by U.S. District Judge Paul X. Williams to five years probation and ordered him to repay \$6,382.00 he had received in SSI payments to which he was not entitled.

Vaughan was charged with making false statements about his financial resources in his claim for SSI payments.

SSI is a program which provides cash assistance to the needy who are over 65, blind or disabled.

"It is our duty to help needy aged, blind and disabled people," Harper said, "but we are determined that money intended for the needy will not go to people not in need. We will continue to seek out and prosecute those who falsify the record to qualify for assistance intended for the poor."

The Vaughan case was developed by a unit of fulltime investigators who are assigned the job of investigating SSI and Social Security fraud in the five-state Dallas region.

Over-the-counter (OTC) medicines usually are safe and effective for approximately two years - if storage conditions are favorable.

But if stored improperly, the medicine may lose quality faster.

Few OTC drugs have expiration dates printed for the consumers' information, so it is wise to print the purchase date clearly to keep track of their age.

Humidity and moisture speed deterioration of many drugs, especially tablets and

powders. Vitamins are often sold in dark plastic containers to protect them from light.

In general, drugs need protection from intense light, heat and moisture. Some may need refrigeration.

The bathroom - a popular place to store medicines - is often steamy and warm. The kitchen presents a better atmosphere, if the drugs are stored away from the stove - not above the refrigerator - and the kitchen is well-ventilated.

Cabinets with a special sec-

tion used only for drugs should be clearly marked and set apart from regular food storage.

Wherever drugs are kept, a prime consideration is that they are out of reach of young children.

Some signs of deterioration may help consumers know when medicines shouldn't be used anymore.

Aspirin - a vinegar-like odor or the tablet may be puffy or have a change in color.

Liquid or syrup medicine: cloudy, residue collected on the bottom, and after shaking, the liquid immediately separates again.

Creams or ointments: dry and caked means they are no longer effective.

Discard a drug with any sign of deterioration, rather than take a chance using it. The user does not know the

effect that may result from chemical changes which have taken place.

To dispose of the medicine, flush it down the toilet, or dissolve it in water and wash it down the sink.

Also, rinse the container before throwing away.

MR. AND MRS. J.O. WARREN
...married August 10, 1911

Warrens Celebrate 68th Anniversary

Knox area residents, Mr. and Mrs. J.O. Warren, will celebrate their 68th wedding anniversary Friday, August 10.

The ceremony took place in a buggy in 1911, in Guthrie, and the couple traveled by horse and buggy to their present home twelve miles west of Knox City.

The Warrens are the parents of two children, Joe of Knox City, and Mrs. Grant (Edna) Wooldridge of Wellington, and have four grandsons. They are members of the Gillespie Baptist Church.

Mrs. Warren, the former Gladys Tackitt, was born in Guthrie. She is the daughter of the late Lucy and Joe Tackitt. Joe was a cowboy on several Guthrie area ranches.

J.O., who celebrated his 89th birthday last February, was born in Coryell County, Texas, to the late Tildie and Dave Warren. The senior Mr. Warren was engaged in farming and horse and mule trading in the 1800's. The family moved from Coryell County to Gladys and J.O.'s present homesite in 1910, by mule-drawn wagon.

The couple met in the Grace Community. Mr. Warren was engaged in farming at the time with his father, and continued farming for approximately 50 years. He also carried the mail from Benjamin to the Grace Post Office by horseback and horse and buggy during the 1910's.

In the fall of 1918, when the severe drought ruined their crops, the couple traveled to Wichita Falls in a mule-

drawn wagon to hand-pick cotton. Returning to the Knox area homestead in November of 1918, Mr. and Mrs. Warren resumed working their farm with mule- and horse-drawn plows.

Asked if they had any advice for young couples to insure as long and happy a marriage as they have enjoyed, Mr. and Mrs. Warren replied, "Work hard and cooperate together."

FROM ANDREWS
Angie and Laci Turner of Andrews were weekend visitors in the home of their grandparents, Mr. and Mrs. Tommy Kent, and their aunt, Kary Kent.

Angie and Laci's parents, Mr. and Mrs. David Turner, spent the weekend at Possum Kingdom Lake.

FROM HOUSTON
Donna and Pam Denton of Houston are here visiting their grandparents, Mr. and Mrs. Morris Denton.

They attended the Cyper reunion over the weekend at Lueders.

FROM LOUISIANA
Mr. and Mrs. Burton Balch of Baton Rouge, Louisiana, are visiting here this week with her parents, Mr. and Mrs. Joe Clonts, and other relatives and friends.

FROM CARROLLTON
Mr. and Mrs. Habe Schoonmaker, Steve and Scott of Carrollton and John Winters, Tax Assessor and Collector of Palo Pinto County, visited in the John Smith home over the weekend.

Miss Lankford, Echols Exchange July 27 Vows

Marriage vows uniting Lydia Lankford and Michael Echols were read Friday, July 27, at seven-thirty in the evening at the First Baptist Church in Knox City. Officiating was John Mark Trice of Paint Creek.

The bride is the daughter of Mr. and Mrs. Charles Lankford, and Mr. and Mrs. Buster Echols of Goree are parents of the bridegroom.

Judy Underwood of Goree presented wedding music at the organ and vocal selections were provided by Ellen Neely of Rochester, soloist.

For her wedding, the bride chose a formal gown of white silk Crystalene and lace. Venice lace formed the fitted bodice designed with a Victorian neckline and full bishop sleeves. Lace accented with dainty white pearls was repeated on the skirt with tiny ribbons outlining

the full detachable chapel length train. A Camelot cap of matching lace held her cathedral length veil of imported English illusion and she carried a bridal bouquet of spring flowers. In keeping with tradition, for something old, she wore a necklace belonging to her late great-grandmother Wilson; something blue, her garter; something borrowed, a lace handkerchief from her grandmother Carver; and wore a sixpence in her shoe.

Attending the bride as matron of honor was her sister, Mrs. Mandy Tankersley. Bridesmaid was Patti Yoakum of Lorenzo. They wore formal length pastel gowns with matching hats.

Clint Ayles of Dallas served as best man and Terry Hamilton of Dallas was groomsman.

Flower girls were Chrystal Tankersley and Susan Dormier of Goree, and Brian Tankersley and Jeff Dormier, also of Goree, were ring bearers.

Payton Tankersley and Gus Dormier of Goree seated guests.

Mrs. Carla Dormier, sister of the bridegroom, registered guests.

The bride's parents were hosts for the reception which followed in the church fellowship hall. Reception assistants were Kacia Beaver and Kelli Beaver; both of Lubbock, Stasia Carver of Benjamin, and Kristi Underwood of Goree.

The bridegroom's parents hosted the rehearsal dinner at the City Cafe.

The couple chose Ruidoso, New Mexico, as the destination for their wedding trip and are now residing in Munday.

SS Representative To Visit Today

A representative of the Vernon Social Security office will be in Knox City Thursday, August 9 (today) at the City Hall from 10:00 a.m. until 12:00 noon.

The representative will assist in filing an application for Social Security Retirement, Survivors, Disability, Medicare, or Supplemental Security Income benefits.

If readers are unable to visit personally, they may transact their business by telephone. The Vernon office is open every weekday, Monday through Friday, except holidays, between the hours of 9:00 a.m. and 4:45 p.m.

Singing Group To Be At Foursquare

The Baptist singing group 'Joy' will be ministering at the Foursquare Church Sunday at 6:00 p.m.

Everyone is invited to attend, according to the Rev. Stuart Miller, pastor.

Lions Club News BY Z.I. SMITH

Talk about things falling apart. The Lions' meeting brought this to mind. President David Lorenz was out of town on a business trip. First Vice President Randy Coale was out of town on business. Second Vice President Barney Arnold presided and then found out there was no business to transact and the program chairman did not have a program. Lion Jimmy Lynn brought his two boys as his guests.

Paula Lorenz will receive a card saying she missed getting a pair of hose because Lion David was not there for the drawing, but she won't mind because he took her with him on the trip.

We recommend

Ambush

INSECTICIDE

When bollworms or tobacco budworms infest your cotton fields there's no time for half way control measures. That's why thousands of growers rely on a new insecticide AMBUSH for dependable control.

AMBUSH insecticide is applied only when insect pressure begins to build up. So you must check your fields on a regular basis. As you know, each area will vary by climate, soil type, type cotton seed variety—so check with our representative in your area, he will give you instructions on the best method of application for your particular cotton operation.

Here are some of the important advantages you get with AMBUSH insecticide: effective control of budworms and bollworms, healthier plants, earlier maturity and bigger yields. Don't delay, order your supply today.
