servance of Public Schools Week in Texas, March 3-9, will be announced next week.

For one thing, people who were unable to attend the recent formal opening of the new high school building will have an opportunity to visit that building, as well as all others on the campus, and see the many improvements that have been made.

March 3-9 is also—by proclomation of Governor Price Daniel-"Teacher Appreciation Week."

The public school is called one of the three great institutions of American life, along with the church and the home . . . and no school is any better than its

A teacher has the responsibility of preparing our boys and girls for useful citizenship, and to do his job well he has to work long hours, keep up with new developments in the field of education, and continue his own

We think it would be nice, while Knox City teachers are "showing off" our school, if we could demonstrate our gratitude to the teachers in some appropriate manner. Perhaps some club or civic organization will take the lead.

George Stubbs, the sand hills philosopher, informed us the other day that 1957 is going to be a wet year.

We don't know if he got his information from the groundhog, the Farmers' Almanac or his rheumatism . . . but we suspect that wading mud for several Musical Program days influenced his opinion!

E. Robbins of Robbins Of Local Lions Club Roost is announcing this week that "having passed 76 years of age" he has disposed of part of Lions Club enjoyed a musical his insurance business so he can program at their regular noon slow down a bit.

To My Insurance Friends and Customers

Having reached seventy-six years of age, I find it necessary to reduce my work and responsibility as an insurance agent. I do this by transferring all of my insurance business within the city limits of Knox City to J. M. Averitt & Son. They have all of my insurance records in the city, and all claims and matters pertaining to this insurance should be referred to them.

I have retained all of my farm and O'Brien insurance business, and will renew and service this business as I have done heretofore. I will also write and service any new business that comes to me outside of the city limits of Knox City.

I have written insurance in this community for the past thirty-nine years, and believe the course I have chosen is best for all concerned. Your insurance is still in good

I want to express my thanks and appreciation for the insurance business given my agency in the past. To those of you that I can serve in the future, I promise my continued best efforts. May I also add, that if my experience and desire to be helpful can assist you in any way, I will appreciate the opportunity.

Yours sincerely,

T. E. ROBBINS

We take great pleasure in anouncing that all of the insurance business within the city limits of Knox City formerly handled by T. E. Robbins has been transferred to our agency. His records are now in our office and we welcome your inquiries about any insurance you have in force.

We know Mr. Robbins has served his insurance customers well, and we pledge to continue to give you the same type of service you have had from him in the past. It will be our pleasure to serve you.

We handle all types of insurance and will appreciate an opportunity to explain any type of coverage with you the next time you are in need of insurance.

THE MOST ECONOMICAL WAY TO END WASHDAY DRUDGERY

"knock you cannot hear!"

Engineers call it "trace knock," and only

But trace knock, like any knock, robs your engine of its power, forecasts engine damage.

the trained ear can hear it.

If yours is a modern car in any price class -especially if it's a 1957 model-prevent trace knock with Golden Esso Extra, the gasoline with the highest octane rating ever.

Use Golden Esso Extra. Added value from full performance offsets the small extra cost. Stop at the golden pump under your neighbor's Humble sign.

If you answer yes to any one of these questions, you should try Golden Esso Extra-world's finest gasoline.

- □ Does your car knock on "premium" gasoline?
- Is your car air-conditioned? (On an average, the engine pulls a 3-ton air conditioner.)
- Does the engine have a compression ratio of 9 to 1, or higher?
- Does your car have more than one carburetor or a "Power-Pack?"
- ☐ Is the engine rated at 200 horsepower or higher?

(These points become even more important as you add miles to a new car; anti-knock requirements increase when you pass the break-in point.)

FACTS about Sprinkler Irrigation

When choosing a sprinkler system be sure that it will fit the lay-out of your field and the capacity of your well. The best application of water can result only from the use of the correct number of bowls on your pump, the correct length of pipe used in your system and the proper sprinkler head to give you the very best coverage possible.

The price of a sprinkler system is governed by the length of pipe used, number and type of sprinkler heads and type of couplers and risers. Don't be fooled by socalled CHEAP sprinkler systems. Usually 40 ft.-and even 50-ft.—lengths of pipe, steel couplings and cheap sprinkler heads are priced in these systems.

We at Irrigation Products Co. offer you a complete service-from engineering to actual performance in the field, giving you the very finest quality and service at the lowest possible price. We stand behind our products and are in Knox City... to give you service when you need it. Come by and visit with us . . . let us show you our complete stock and discuss your irrigation problems.

All flowers, including a corsage of white carnations for the FHA adviser, Mrs. Chas. E. Silk, Mr. and Mrs. Charles Reeves were sent by the local chapter of Future Farmers of America, L. E. Groves, adviser.

Side tables were centered with white styrofoam cupids sprinkled with gold glitter. Nestled at the base of the cupids were red roses and red net bows. Dinner was served by candlelight.

Following the invocation by Peggy Jones and the dinner, Pat sy Denton, president, conducted the opening ceremony. "Mother' was sung by senior girls Joan Wilson, Peggy Jones, June Cox, Nelda and Bobby Dodd, Patricia Compton, Patsy Denton, and Deanna and Glenda Carter.

Doris Ann Bales gave a reading, "Somebody's Mother," and junior girls Beverly James, Glenna Voss, Glenda Givens, Patsy Robinson and Lynelle Tanwersley sang "She". Renella Mansfield gave a reading, "A Parable for Mothers."

"Glamour a la Atlantic City" was the topic of a talk by Mrs. Nancy Jo Murphy, Seymour homemaking teacher. She gave a review of her part in the selection of Miss Texas in 1956, telling of the contestants' charnt, poise, grace and beauty, as well as cultural talent.

Before the closing ceremony Rip Collins, Jr., FHA beau, brought in a mail sack of packages. The packages, wrapped for mailing, were distributed to the mothers and in each was an apron made by her daughter.

Guests included the speaker, the beau and his mother, Mrs. Ancel Waldrip and Mrs. Ottis

his quest at the
Live Better— Electrically

Cooking School

(New Ideas)

(New Methods)

(New Recipes)

to be conducted at the

Knox City American Legion Hall

Wednesday, Feb. 27 at 2:00 p. m.

Reddy Kilowatt, your electric servant, invites you to be his guest at the big Live Better — Electrically Cooking School to be conducted by Abbie Andrews, widely known as a "practical" Home Economist. She will bring you the latest methods in food preparation.

You'll see new ways and means of food preparation, refrigeration, home freezing and full automatic electric cooking — see how Frigidaire, sheer look electric kitchen appliances can save you time, money and work. Come early ... be sure to get a seat!

The Live Better - Electrically Cooking School will be conducted by Mrs. Abbie Andrews, a Senior Home Economist for Frigidaire Sales Corporation. Mrs. Andrews, recognized as one of the outstanding economists in the Southwest, is well known for her practical approach to the problem of stretching the kitchen dollar and at the same time providing balanced, nourishing meals.
