

# THE KNOX COUNTY HERALD

VOLUME 52

KNOX CITY, KNOX COUNTY, TEXAS, THURSDAY, APRIL 18, 1957

NUMBER 20

We missed seeing the celebrity who visited Knox City early this week.

The visitor was "Blondie," the famous 274-pound lion from Graham, whose owner, Charles Hipp, "drilled in" the Benedict well.

Blondie, who has received much national publicity and was featured in Life Magazine and on the Gary Moore TV show, spent some time at the well Monday night, and a group of local high school students played with her. She spent the night with her owner at Roy's Motel, marching in the room and curling up as meek as any kitten.

The operators say they figure Blondie brought them luck on the well!

Speaking of the men who drilled the Benedict well, we want to thank them for their cooperation in giving us progress reports for publication. Oil well reports are pretty hard to get, sometimes, but the men on that well—especially Mr. Reagan Dublin—were mighty accommodating . . . as good as Buster Ligon used to be.

If we asked something they didn't want published they told us so, and that was all right too.

So we hope they hit 100 oil wells right around Knox City. Make it 200.

There's been a lot of talk in Knox City the past two years about a swimming pool . . . and we're as anxious as anyone to be able, on a hot, dusty day, to be able to play a while in cool, clear water.

But after a look at the city audit report this week we figure the pool won't be a reality until some organization besides the city starts the ball rolling.

Of course, there could be a swimming pool bond election, and we'd probably vote for it. First though, there'll be an election to decide if Knox City will participate in the Miller Creek Lake project . . . and that's a project we'd REALLY like to see go over big.

Not being smart myself, we have to take engineers' word that it won't be many years before we need some source of water besides our city wells . . . and what good is a swimming pool without water?

Our new car (1948 model, that is) seems to command a lot of respect.

Other cars pull over and give us plenty of room, and pedestrians jump back on the sidewalk!

## Wichita Falls Editor Is Keynote Speaker

Curtis Cook, managing editor of the Wichita Falls Record-News, admonished young people to prepare now to take his place and the place of his generation, when he made the keynote address for the first "Career Day" of Knox City High School Tuesday.

He said when he was a young man, it was believed the atom could not be split.

"Instead, the atom bomb is being made, and atomic energy is being used. My generation will leave it with the present young people to carry on for good or bad," he said.

E. A. Youngblood presided for the general assembly at 11 a. m. Jimmy Seale Dutton gave the invocation, and Supt. Chas. E. Silk gave the welcome and introduced the speaker.

Conferences began at 1 p. m. Careers discussed and the speakers were:

Engineering, George Wall; secretarial work, Mrs. E. M. Kimbrough, secretary of the superintendent of the Haskell Schools; music, Harold Jackson, Munday band director; nursing, Miss Carol Finley, technologist for Knox City Clinic; fashion designer, Mrs. Lane of Lane-Felker, Haskell; teaching, Supt. R. R. King, Haskell; accounting, Travis Lee, Munday; beauty operator, Mrs. Hut Corley; mechanics, Dan Steakley and Norman Howell; farming, L. E. Groves; law, Joe Reeder, Jr.; geology, R. D. Hille of Pan American Petroleum Corp. and L. F. Jacka, district geologist; and journalism, Mrs. C. E. Williams.

## New Strikes Highlight Oil Activities in Area

Oil activity in the Knox City area was highlighted this week by apparent discoveries in wildcat tests.

The lower section of the Strawn reef was perforated in the Grace-Schlittler Operating Co. No. 1 Allie F. Benedict, one mile northeast of town, and the well filled up with 250 feet of oil in the first hour after being perforated.

## Annual Audit Report Received by City

The annual city audit, covering the period April 1, 1956 to March 31, 1957, was received by the city last week and is published, in part, elsewhere in the Herald.

In a letter to Mayor Arnold and members of the city council Auditor Travis Lee of Munday said:

"The Tax Roll and Tax Receipts were listed and found to be correct. As was noted in my last report the Delinquent Tax Roll was not up to date. I am pleased to report that it was brought up to date and is now being kept current.

"All funds were checked, the receipts and disbursements, and found to be correct and in balance with the corresponding account carried in the bank.

"The Books and Records are very well kept, both as to accuracy and neatness. All items were readily traced to their source and found to be correctly posted."

The report shows taxable property of \$1,559,145.00. At the \$1.50 tax rate this amounts to \$23,367.17, of which \$21,441.06 had been collected as of the date of the audit.

The general fund showed \$35,398.04 to be accounted for, and expenditures of \$32,898.47, including a transfer of \$15,000.00 to the interest and sinking fund, leaving a balance of \$2,499.57. Funds to be accounted for in the water fund were \$36,926.94 and expenditures were \$36,479.84 leaving a balance of \$447.10.

A balance of \$772.85 remains in the sewer improvement and extension fund, and \$374.55 in the water extension improvement fund. Balances in these funds in the previous audit were \$3,658.66 and \$5,423.92, respectively.

There were no receipts or disbursements from the drainage fund balance of \$384.61 or the street improvement fund of \$17.74. These balances will be transferred to the general fund.

The interest and sinking fund was increased from \$11,770.54 to \$15,969.77, and the water and sewer revenue bond sinking fund increased from \$9,196.31 to \$10,681.75 during the year. These funds may be used only to retire the city's bonded indebtedness. However, Lee suggested that the division of taxes between the general fund and the interest and sinking fund be changed, since the 50-50 division was building up a surplus in the interest and sinking fund. He advised allocating 60 percent to the general fund and 40 percent to the interest and sinking fund.

## Parents Discover Child Has Rare, Incurable Disease

Mr. and Mrs. Russell Turner learned last week that their son, Mike, first grader, is a victim of Cystic fibrosis, a little-known, incurable disease.

They were in Dallas last week where specialists did extensive tests and confirmed the family's fears.

Mike, who will be seven years old next Thursday, April 25, can not attend school any more. He was to go with his classmates and teacher, Mrs. A. V. Kemletz, on a class Easter egg hunt today and can go to other class picnics and parties.

Earlier this week operator was running tubing and preparing to set unit and tanks to put the well in production.

Opening up a new Tannehill area is the Shappell No. 1 J. M. Bradberry, about a mile southeast of town. On a drillstem test below 2176 the well "blew" and had 600 to 1000 feet of free oil. Operators have set pipe and expect to complete a flowing well. Another company is drilling on the Winnie Ferguson tract, 660 feet north of the Bradberry well.

Expected to be a new Tannehill strike 6 miles west of town is the Arnold H. Bruner & L. M. and C. E. Williams No. 1 F. E. Walker. The lower Tannehill was topped at 2412 feet and operators cored 12 feet of oil-saturated sand. Pipe was set at 2474 and the well will be perforated and completion attempted on Friday.

Location is 3 miles from the nearest production, and a new field designation will be sought.

Among new area locations are the E. B. Clark Drilling Co. No. 1 W. Freeman, four miles northeast of Knox City, the same operator's No. 2 Freeman on the same tract, and the same operator's No. 2 Roy Day, 3 miles northeast of town.

In King County, 15 miles west of town, pipe has been set at 5100 feet in the American Liberty No. 11 E. V. Hardwick. Production will be from the upper Strawn, and operators expect drilling activity to increase in that area.

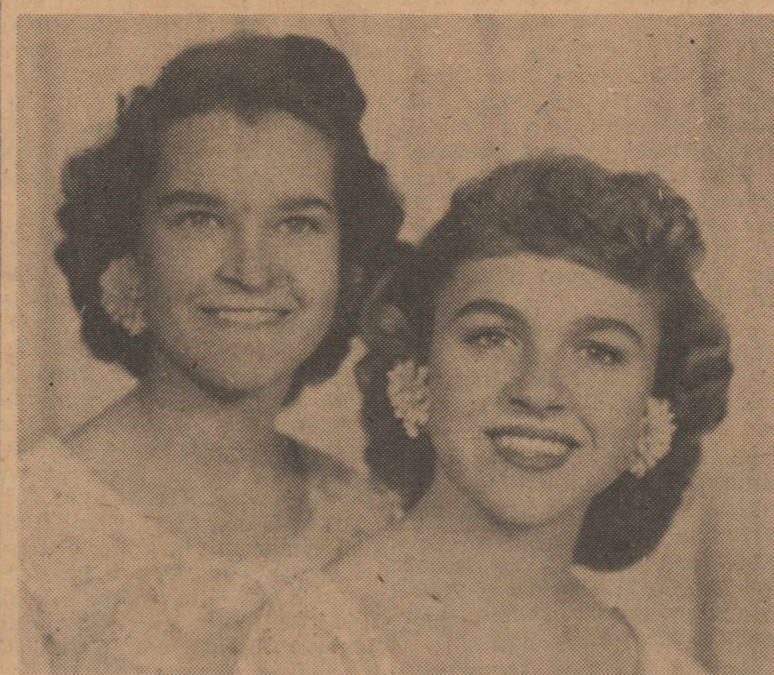

## Farm Bureau Slates Meeting at Local Legion Hall April 22

J. P. Jones, vice-president of the Knox County Farm Bureau, has announced that there will be a meeting at the American Legion Hall in Knox City Monday, April 22 at 7:30 p. m.

The purpose of the meeting is to discuss current legislation affecting farmers, now pending in Austin. Cotton farmers are urged to attend and discuss the cotton program. A four-state meeting is being held in Dallas on April 24, to discuss whether cotton farmers should have a wider choice of cotton programs to be voted on in the referendum in December.

Also present will be David Williams, district director of Group Hospital Service, Inc., who will explain the special reopening of the Farm Bureau Blue Cross group. The present campaign is designed to permit those who belong to Farm Bureau or who join during the Blue Cross campaign to enroll in Blue Cross without serving the usual six months eligibility period.

Jones is urging all members as well as non-members to attend. Other meetings will be held at the Munday school lunchroom on April 23 and at the Vera school lunchroom on April 25. All meetings will start at 7:30.

Lynelle Tankersley - Beverly James

## KNOX CITY FHA GIRLS TO RECEIVE "STATE HOMEMAKER" DEGREES

Two members of the Knox City High School Future Homemakers of America Chapter will receive state degrees at the FHA state meeting in Dallas, April 26 and 27. Beverly James and Lynelle Tankersley, both junior students, are to receive the highest award one can earn in FHA work.

The girls are the first local students ever to receive the state degree. Eleven FHA girls from this area will be among only 300 out of the 50,506 members of the Texas Association who will receive the degree in Dallas.

Miss James is the daughter of Mr. and Mrs. O. M. James. She has served as an officer in the local chapter and in her class, is a majorette in the school band, takes an active part in community affairs and is an active worker in the Baptist Church. She was recently elected president of the FHA chapter.

Miss Tankersley is the daughter of Mr. and Mrs. E. H. Tankersley Jr. She has held offices in the chapter and area FHA, attending the National FHA convention in Chicago last summer as area pianist. She has been a member of the school band since its organization, and has taken an active part in all activities of the school and community. She is assistant pianist of the First Baptist Church. Recently, she was elected vice-president of the local FHA chapter.

The girls' mothers will accompany them to Dallas for the awards.

In working on their degrees, the girls worked under the direction of their sponsor, Mrs. Chas. E. Silk.

To qualify for the degree a girl must show growth in activities of the home, school and community. She must submit in written form her goals, philosophy of life and life history. A report of the type of community she lives in is required. Before a member can apply for the state degree she must have received the junior and chapter degrees.

The girls expressed their thanks to Supt. and Mrs. Silk, E. A. Youngblood, high school principal, and Mrs. Sammy Tankersley for their assistance in helping prepare and present the required written forms.

## Franchise Granted For Community TV Antenna Service

A franchise for the erection and operation of a community television antenna was issued to the TV Antenna Service Co. by the City Council Monday night.

TV Antenna Service Co., owned by L. M. and C. E. Williams, will erect a 400-foot television tower and will lay coaxial cable down the alleys of the city. Tie-ons to homes will be made from this cable.

Construction of the tower should be completed by midsummer and service available soon thereafter.

It is anticipated that the installation of this system will improve television reception in Knox City many times over, the owners said. Present plans call for installation of a five channel system, including channels 3 and 6 from Wichita Falls, Channel 9 from Abilene, Channel 12 from Sweetwater and Channel 5 from Fort Worth.

In the future camera service can be added to this service, making it possible to transmit local programs, news, storm warnings and other events over the closed circuit.

The tower will be located at the edge of town, away from electrical and ignition interference. The signal will be carried through shielded coaxial cable. These two factors, plus the height of the tower, should virtually eliminate interference, Williams said.

Amplifiers will be installed at 1000 foot intervals along the cable, thereby insuring equal reception at any point in the system. Persons desiring early tie-on service should contact C. E. Williams at his office on Central Avenue.

Miss Tankersley is the daughter of Mr. and Mrs. E. H. Tankersley Jr. She has held offices in the chapter and area FHA, attending the National FHA convention in Chicago last summer as area pianist. She has been a member of the school band since its organization, and has taken an active part in all activities of the school and community. She is assistant pianist of the First Baptist Church. Recently, she was elected vice-president of the local FHA chapter.

The girls' mothers will accompany them to Dallas for the awards.

In working on their degrees, the girls worked under the direction of their sponsor, Mrs. Chas. E. Silk.

To qualify for the degree a girl must show growth in activities of the home, school and community. She must submit in written form her goals, philosophy of life and life history. A report of the type of community she lives in is required. Before a member can apply for the state degree she must have received the junior and chapter degrees.

The girls expressed their thanks to Supt. and Mrs. Silk, E. A. Youngblood, high school principal, and Mrs. Sammy Tankersley for their assistance in helping prepare and present the required written forms.

A fellowship meeting will be held at the Gospel Mission in Knox City Monday night, April 22, Rev. Nettie Wilcox, pastor, announced this week.

The Churches of God in Haskell, Munday and Rochester will participate in the service.

The public is invited to attend.

## Fellowship Meeting Set by Gospel Mission

The public is invited to attend.

## Fashions of Past and Present to Be Seen in Easter Parade Tonight

Bill Yarbrough, president of the senior class of Knox City High School, will be master of ceremonies for the Easter Parade and fashion show tonight (Thursday) at the school auditorium. The show will be sponsored by the seniors.

The program will begin at 7:30 with the Dixieland Hotshots, directed by E. H. Tankersley Jr., playing for 15 minutes. Parents were asked by Mrs. Otis Cash, class sponsor, to bring their children to the auditorium promptly at 7:30.

Pre-schoolers and first graders will appear on the stage first, in their best bibs and tuckers. The group will sing "Peter Cottontail."

Pupils from the 2nd through 5th grades will model their clothes and sing "Oh You Beautiful Doll," led by Paula Myers, then the 6th, 7th and 8th grade pupils will model. In that group a trio composed of Jeanette and Jeanne Colson and Louella Denton will sing "He." Mrs. Rip Collins will be commentator for this part of the program.

Bobby Driver will be announcer for the high school models. A chorus of 40 will sing "Easter Parade."

## New Mayor, Aldermen Are Installed Monday

Outgoing Mayor Barney Arnold and the city council met Monday night before turning the reins of city government over to the new administration. The council read and approved the audit report submitted by Travis Lee, Munday accountant.

Mayor Arnold read a letter of resignation from O. L. Knight Sr., city secretary for the past two years, and the resignation was accepted. As a final act of business the council issued a 25-year franchise to TV Antenna Service Co., L. M. and C. E. Williams, owners, to erect and operate a community television antenna.

## E. P. (Doc) Mead To Be Speaker at Brotherhood Meeting

E. P. (Doc) Mead of Amarillo will be speaker when the Knox City Baptist Church is host to the Associational Brotherhood meeting Monday, April 22, at 7:30.

Mead, president of Mead's Bakery, is a lay leader in the work of the Baptist Church. He formerly lived in Abilene.

Associational president Hob Smith of Rochester urged all men in the association to hear Mead.

Special music will be furnished by the "Joy Notes," a quartet from Rule composed of Audrey Smith, Fern Ross, Jackie Estes and Jan Ousley. They will sing "He" and "Take My Hand Precious Lord."

## Union Sunrise Easter Service to Start at 5:45 a.m.

The Union Easter Service will be held at 5:45 a. m. Sunday at the First-Christian Church.

Everyone in the community was urged to attend and see the impressive program. The platform of the church will be arranged as a garden scene where Jesus was arrested. A choir, composed of singers from various churches in the community, will sing, and special music will be presented.

Mrs. Mabel Pyeatt will play the prelude. Rev. Floyd Bailey, pastor of the local Foursquare Church, will give the invocation, followed by "In the Garden" by the choir.

Rev. Billy Frazier, pastor of the Baptist Church, will give the scripture reading and Rev. Walter Driver will lead in prayer.

Rev. Pearce Burns, minister of the host church, will read the service, "Easter Testimony," with songs and special music at appropriate intervals.

A trio, composed of Lynelle Tankersley, Beverly James and Mrs. Harley Reeves, will sing "My Saviour Proved His Love For Me." The benediction will be said by Rev. F. E. Starrick, pastor of the Assembly of God Church.

Arnold had served as mayor one term. During his tenure the paving and drainage project, started by a previous administration, was completed. The city also built a community youth center, obtained land for an addition to the cemetery, put caliche on the alleys, and made other improvements.

The new mayor, Otis Harbert, and Aldermen Otis Cash and Vaughn Gruben were sworn in by the outgoing mayor. Cash, tied with Russell Boyd in the recent election, was declared the winner on the toss of a coin. Holdover members of the council are Eddie Carr, Buddy Angle and Doyle Graham.

During a short business meeting following their installation, the council elevated Wesley Garrison, former city clerk, to city secretary. Garrison will continue to keep the city's books, and W. L. Robnett was employed on a part-time basis to assist in the city hall.

Garrison was authorized to employ the necessary labor to maintain and operate the water and sewer system and other city work.

Harbert called a meeting for Monday night, when the council will study the financial condition of the city and make plans for the future.

The new mayor said Tuesday that anyone who has a suggestion, problem or complaint about city affairs is welcome to come before the council at any time.

"We are in office to serve you to the best of our ability," he said, "and will be governed by what is best for the community as a whole. Your help and cooperation will be appreciated by myself and other members of the council."

## Seniors to Present Play April 30th

Members of the senior class want everyone to circle April 30 on their calendars with red pencil. That is the date set for the annual senior play, "Hilarity House," and they believe young and old alike will enjoy it.

The action begins when rich Uncle Jeff, who expects to die in a few weeks, tells his nieces he will make them heirs to his fortune providing they: 1. agree to stop jittersbugging; 2. wear their dresses to their ankles; 3. never wear slacks; and 4. not have dates with boys until they are eighteen.

Trying to carry out his commands is what makes Hilarity House a laugh-riot.

## Second Polio Shots In Free Series to Be Given Next Week

The second shots in the mass polio vaccination program in Knox County will be given next week, Dr. D. C. Eiland, county health officer, announced Monday.

Everyone from six months to 20 years of age, as well as all pregnant women, will be given the shots free. Those who failed to receive their first shots last month, or who need a third shot, may get them at this time, the doctor said.

School superintendents will be notified when to bring school children to the Knox County Hospital, where the vaccinations will be administered. Everyone not of school age should be there at 3 p. m. on the days designated for their communities.

Munday and Goree people will receive their shots Wednesday, April 24. The rest of the county, that is, Knox City, Benjamin, Vera, Gilliland, Rhineland and Truscott, will get their shots the following day, Thursday, April 25.

People from Rochester and O'Brien in Haskell County will receive shots April 26.

## Students' Chorus Entertains 1946 Club

Members of the grade school chorus sang an Easter cantata at a meeting of the 1946 Study Club Tuesday at The Woman's Club. Mrs. Jerry Cobb gave the narration for the program, and the chorus was directed and accompanied by Mrs. Curtis Casey.

Special numbers were given by Phyllis Tankersley and Jackie Givens.

Preceding the program, coffee and cookies were served by Mrs. Edd Smart and Mrs. Paul Hoge.

During a short business meeting, the resignation of Mrs. Bill Colwell was accepted with regret. Two new members were elected.

The club voted to assist the Blue Birds in their special graduation program when they graduate to the Camp Fire girls next month.

Plans for the club's part in the Easter Parade were discussed.

The next meeting of the club will be May 7 and will be the closing tea of the club year.

## Mrs. Wilson Heads Women's Golf Ass'n

Mrs. Chad Wilson was elected president of the Women's Golf Association of the Lake Creek Country Club yesterday at the club house in Munday.

Other officers include Mrs. Jeff Graham, first vice-president; Mrs. Henry White, second vice-president; Mrs. R. P. Barnard Jr., third vice-president; Mrs. Abe Watson, secretary; Mrs. Ben Knight, treasurer and Mrs. Clyde Williams, reporter.

Constitution and by-laws were discussed and will be acted upon at the next meeting. Mrs. Watson was instructed to notify wives of all members of the country club of the next meeting, Wednesday, April 24 at 1:30 p. m.

Ladies wishing to play golf in the morning were asked to bring their lunch and the meeting will be held following lunch.

An invitation to participate in the Stamford Country Club's one-day ladies' tournament, May 9, was extended by members of the Stamford association.

## Vernon Garden Club Sets Plans for Show

Mrs. B. B. Campbell announced this week that the Vernon Garden Club will present "Rainbow Trail" in the Forum Room of Wilbarger Memorial Auditorium Saturday, April 27.

The show will begin at 1:30 p. m. and will continue until 8:30 p. m. Cooperating with the presentation is the American Iris Society.

Mrs. C. E. Williams is expecting her mother, Mrs. J. Rollie Pray of Ft. Worth, to arrive tomorrow (Friday) for a week's visit.

## V.B.S. Institute Slated at Munday

Mrs. Doyle Graham, superintendent of the Children's Department of the Methodist Church, has announced plans for the Methodist and Christian churches' Vacation Bible School Institute at Munday next Thursday afternoon, April 25, from 9:30 a. m. to 3 p. m.

Another institute will be held at Stamford Tuesday, April 23, at the same hours.

Mrs. Graham urged all teachers and workers in the local VBS to attend one of the meetings.

Mr. and Mrs. Jackie Byrd, Knox City, a son.

Mr. and Mrs. Hershel Tank-ersley, Knox City, a son.

Mr. and Mrs. Jack Stubbs, Knox City, a daughter.

Mr. and Mrs. A. R. L. Losya, O'Brien, a son.

**Sorghum Hybrids Are Now Available**

Seven grain sorghum hybrids, developed cooperatively by the Texas Agricultural Experiment Station and the U. S. Department of Agriculture, will be available to farmers for planting in 1957.

These hybrids are the result of research work which began in 1921 and are the first practical hybrids to be released from these studies.

The seven hybrids, RS 590, Texas 601, RS 610, Texas 611, Texas 620, RS 650 and Texas 660, are the best of several hundred produced and tested during the past 20 years at the Lubbock and Chillicothe experiment stations. Tests were conducted last year throughout Texas and all have thus been grown under limited field demonstrations. The plant breeders for the Texas Station say still better hybrids with improved adaptation to various growing conditions can be expected in the near future.

Farmers are advised to plant one or more of the hybrids adapted to their areas and to make comparisons with standard varieties. Further, it is suggested that only certified hybrid seed be planted as insurance that seed planted are correctly labeled.

Planting seed of these seven hybrids are white, but the grain produced will be red. In general, the higher the hybrid number, the later is its maturity, but none is as late as Plainsman. Yields 20 to 40 percent greater than varieties of the same maturity under most conditions can be expected. The plants show superior seedling vigor, rapid growth and uniform height and maturity. Since the hybrids have larger heads and are often slightly taller than the varieties, occasionally more lodging may occur in the hybrids. Cultural practices for the sorghum hybrids are the same as recom- mended for sorghum varieties.

Johnston, Mrs. D. T. Elmore and Mrs. Blanche Thomas.

**Annual FFA Banquet Held Thursday Night**

The annual parents and son banquet of the local chapter of Future Farmers of America was held in the school lunchroom on Thursday, April 11 at 7:30.

Douglas Bradley, president, conducted the opening ceremony and Bobby Driver gave the invocation. After the meal the gold medal chapters were given to the winners. Hoyt Lovelace was awarded a medal for public speaking and participation in arranging assembly programs.

The farm mechanics award went to Ross Ed Lankford for his work in the shop. Jerry Johnston won the farm safety award and the soil and water management award went to Joe Elledge. R. L. Moon received an award for dairy cattle judging.

The Lone Star Chapter award was given to Rip Collins by popular vote of the members.

Gold Star Chapter pins were given J. T. Gilpin, Jesse James and Roy Tankersley as Honorary Member Farmers.

Officers of the local chapter are Bradley, president; Bobby Day, vice-president; Dwayne McNulty, secretary; Jimmy Finley, treasurer; Bobby Driver, sentinel. L. E. Groves, vocational agriculture instructor, is adviser of the chapter.

The present slate of officers will serve until next September.

**Notaries Public Must Re-Qualify June 1 to June 10**

Secretary of State Zollie Steakley has announced that he will reappoint persons now holding notary public commissions but that such persons must re-qualify by the filing of a new oath and bond with the County Clerk of his county between June 1 and June 10, 1957.

Steakley emphasized that notaries should not send requests for reappointment or for commissions directly to the secretary of state. The law specifically requires the county clerks to approve notary bonds.

Any person not now a notary public who desires appointment should apply to his county clerk between May 1, 1957 and May 20, 1957. Application during this period will assure prompt attention before the rush procedure of reappointing present notaries.

Steakley also pointed out that each person applying for a commission as a notary public must be at least 21 years of age and a resident of the county for which he is employed. The exact name and permanent address of the applicant must be furnished the county clerk.

Mrs. Benny London of Throckmorton spent last week with her daughter, Mrs. Ansel Waldrip, and Mr. Waldrip.

**Knox City Soldier Receives Training For Arctic Mission**

Army Pvt. Johnnie E. Wilson, 18, of Knox City is receiving special training with the 870th Transportation Company at Ft. Story, Va., for a re-supply operation to be held in the Arctic this summer.

Wilson, son of Mr. and Mrs. Harvey N. Wilson, arrived at Fort Story from an assignment at Fort Hood. He entered the Army last June and completed basic training at Fort Chaffee, Ark.

**Ruby Wheat Circle Of W.M.S. Meets**

The Ruby Wheat circle of the Baptist Woman's Missionary Society met in the home of Mrs.

Ben Knight Monday, with the hostess in charge of the meeting.

**Bride-Elect Honored With Gift Shower**

A gift tea honoring Miss Sammie Darr, bride-elect of Buddy Womble, was held at The Woman's Club last week. A color scheme of blue and white was used in floral arrangements and in the table and refreshment decorations.

In the receiving line were the honoree, her mother, Mrs. Robert Darr of Imperial, Calif., Mrs. L. L. Womble, mother of the prospective bridegroom, and the grandmothers of the couple, Mrs. L. L. Houston of Knox City and Mrs. Womble of Munday.

Barbara Egenbacher presided at the guest registry and Bobbie Lou Dodd displayed gifts. Mrs. H. Reeves provided piano music during the afternoon. The table was covered with a white lace cloth over blue, centered with an arrangement of white iris and pussy willow accented with blue bows.

Punch was served by Carla Mae Booe and the decorated cake squares by Mrs. Edward Melton, both of Munday. Guests were present from Munday, O'Brien, Rochester, Plainview, Aspermont, Knox City and California.

The couple will be married April 20 in the Happy-Union Baptist Church near Plainview.

## Benjamin News

BENJAMIN, April 15. — Mr. and Mrs. Noah Gillentine accompanied Mr. and Mrs. Joe Gillentine and N. B. Gillentine to Dallas last week end to visit their son, Lloyd Gillentine, and family.

Mr. and Mrs. L. A. Parker were in Sweetwater one day last week to be with their daughter, Mrs. Jack Garrett, who underwent surgery. Their three granddaughters, Sarah, Mary and Georgia, returned home with them for a few days.

Miss Judy Shipman of Seymour was a week end guest of Mrs. Zena Waldron, Barbara, Pat and Mike.

Charles Dodd accompanied his grandparents, Mr. and Mrs.

C. D. Hall of Crowell, to Ft. Worth Friday to visit relatives. Temple Driver of Wichita Falls transacted business and visited his father, Jay Driver, Thursday of last week.

Mrs. Thelma Glover of Colorado spent last week with relatives and friends here.

Mr. and Mrs. Vernon Benson left last week for Flagler, Colo., to visit Mr. and Mrs. Malcolm Shipman and attend to business.

Mr. and Mrs. Jim Horton of Whitharrel visited Mrs. W. A. Barnett, Omitene and Pete Sunday.

Mrs. Myrtle Meinzer, who has been visiting in Memphis, Tenn., for the past several weeks, returned home Friday. She was accompanied by her son-in-law, Gene Howse.

Mr. and Mrs. J. D. Brown spent the week end in Lubbock visiting Mr. and Mrs. Curtis

Brown and daughter. Mrs. W. A. Barnett, Omitene and Pete were in Vernon Saturday.

Mr. and Mrs. Jess Boykin of Rule and Mrs. Susie Pitts of Wichita Falls were visitors in the home of Mrs. W. E. Ryder Sr. last week.

Mrs. Roy Green and son spent the week end in Hale Center visiting relatives.

Mr. and Mrs. Von Terry were business visitors in Seymour and Monday Saturday.

Mr. and Mrs. Jack Garrett of Sweetwater and Mr. and Mrs. Wilburn West and family of Lamasa spent Sunday with Mr. and Mrs. L. A. Parker. The Garrett children, who were visiting their grandparents, returned home with their parents.

Mr. and Mrs. Byron House of Guthrie visited relatives and friends here Sunday.

Loann Melton of Lubbock is visiting her grandparents, Mr. and Mrs. Leroy Melton.

Mr. and Mrs. J. M. Rea and Mrs. Myrna Leonard and Randy spent the week end in Deer Creek Okla., with his parents.

## Truscott H-D Club Sees Demonstration On Food Preservation

The Truscott Home Demonstration Club met Thursday, April 11 with seven members and one visitor present. The visitor was Mrs. R. M. Mashburn of Amarillo, mother of Mrs. Bob Ely.

Mrs. W. O. Corder, president, was in charge of the meeting. Roll call and minutes were read by the president, Mrs. J. R. Brown.

Mrs. Ely reported a conflict on the next meeting date, and the meeting was changed to Friday, April 26. Mrs. J. M. Chowning suggested that each member answer roll call with a current event at the next meeting.

Mrs. Corder gave a report on the recent T.H.D.A. meeting in Vernon, which she and Mrs. Jack Hickman attended.

Mrs. Marion Chowning Sr. gave a demonstration on "Food Preservation."

Mrs. Ely will be hostess for the meeting, when the program will be on Civil Defense. All members are urged to attend and visitors are invited.

Members attending Thursday's meeting were Meses. Corder, H. M. Black, Brown, W. R. Owens, Ely, Chowning and T. M. Westbrook.

## Former Benjamin Resident to Wed Colorado Girl

Miss Donna Sue Denny and Billy Ward, both of Colorado, are planning their marriage June 16, according to the bride-elect's parents, Mr. and Mrs. H. Hale Denny of Pueblo.

Miss Denny was graduated from Centennial High School in 1953 and from Denver School of Nursing in December. She is a registered nurse at St. Luke's Hospital in Denver.

Ward is the son of Mr. and Mrs. W. T. Ward of Fountain, Colo., formerly of Benjamin. He was graduated from Benjamin High School and will be graduated in June from Colorado State University at Fort Collins. He is president of the Phi Delta Theta fraternity.

# the river that flows on wheels

More petroleum moves over Santa Fe than over any other railroad in the country

The 2,384,000,000 gallons of petroleum that Santa Fe moves every year is the river that flows on wheels.

It's so large that it makes Santa Fe the No. 1 petroleum railroad in the country.

This flood tide of oil gives heat and power to farms, factories, military installations and homes all over the nation.

The tremendous demand for petroleum, in all its forms, poses special problems for Santa Fe. For it requires speed and service to keep that river flowing full force. Here are a few of the ways we get the job done:

We move empty tankers just as fast as full ones, so no vehicle will stand idle.

As new oil fields are opened up, we stand ready to serve them. And when new developments take place within the industry, we adapt ourselves to take care of them.

As an example, take liquefied petroleum gas. The demand for it has skyrocketed in the last 10 years, because with this "bottled gas" rural families can cook and heat with gas just like city people. And the railroads have made it possible for them to get it.

Santa Fe runs special LPG trains when the demand for this product requires it. In a year, these trains carry enough LPG to heat over 500,000 homes from November through April.

This is just a part of the story of the dependable transportation service Santa Fe is providing to essential industries that contribute so much to the welfare of our country.

Always on the move toward a better way

## Streams In Desert Places

By Ozelle Stephens

"And Jesus came and spake unto them, saying, All power is given unto me in heaven and in earth. Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and lo I am with you always, even unto the end of the world. (Matt. 28:18-20).

Just before the greatest victory of all times, the disciples were frightened. They were at a loss as to what to do by the events of the cross. They had trusted Jesus. But the resurrection now had turned their fear into courage and rejoicing. His wondrous grace and love had made salvation free. He has prepared the way for life eternal and joys unknown. He burst the prison bars of death and became the spring of the soul. Light and life have risen for all. Let us go forth in the power of strength and teach and praise Him to the nations as He commanded.

## Biggest Sellers...because they're Biggest Savers!

**Chevrolet trucks are built to be the biggest savers!**

Look at the way they're put together. Frames, axles, suspensions, all chassis components are built to shrug off the relentless beating of a long, tough schedule. Look at the safety and convenience features in Chevrolet cabs. They're roomy, soft riding; you've got High-Level ventilation and pan-

oramic visibility. Look at Chevy's latest model—new high-capacity 1/2-ton pickup that measures a full 98 inches in length!

And look at Chevy's line-up of super-efficient V8's and 6's. All heavy-weight truck models and many mid-weights come with V8's as standard equipment. Light-duty jobs feature the latest edition of the savingest

6-cylinder engines in the history of the truck industry! High-performance V8 power is optional at extra cost in lightweight haulers.

Stop by and talk it over with your Chevrolet dealer. He'll show you a model that lives up to the latest in engineering advancements; a truck that will stay and save on any job you care to name!

**Greers to Leave Friday on First Leg Of Trip to Sweden**

Mr. and Mrs. Mitchell Greer and daughter, Robanne, plan to leave tomorrow (Friday) for Midwest City, Okla., where they will spend two weeks. There they will finish raising funds for their ministry in Sweden.

Greer has been preacher for the Knox City Church of Christ for the past 18 months.

After a visit in Tennessee with their parents, and a few days in Washington, D. C., they are to leave New York May 15 for Sweden.

In a message to friends last week Greer said, "It is with mixed feelings that we approach the end of our work with the church in Knox City. It is hard to leave the close associations we have had for more than a year and a half. Your wholehearted cooperation in so many things has been an encouragement to us. There are also many in the community, not members of the church, whose association we have enjoyed."

They expressed their thanks for the support and contributions for their work in Sweden.

"We hope to continue our contact with all our friends here and elsewhere, in and out of the church, while we are in Sweden," they concluded. "You can encourage us and help us by communicating with us by letter, or for us with God by prayer. Our temporary address beginning June 1 will be Pensionat Solhall, Alpstigen 4, Stocksund, Sweden."

The elders of the church have made arrangements with Harold Mobley of Lueders to move to Knox City and serve as preacher. Mr. and Mrs. Mobley and their two children plan to move here about May 1.

**BIRTH ANNOUNCED**

Rolanda Stubbs has a new baby sister. The girl was born Sunday, April 14 at 3:30 p. m. She weighed nine pounds, nine ounces and has been named Sandra Gay.

Rolanda, 3½ years old, and Sandra Gay are daughters of Mr. and Mrs. Jack Stubbs. Mr. and Mrs. Roy Day and Mr. and Mrs. George Stubbs are grandparents.

Mr. and Mrs. Jess Hitchcock and daughter, Mrs. Harley Reeves, and young daughter spent the week end in Dallas with Mr. and Mrs. Robert Gaines.

**FHA Girls Visit Haskel Jewelry Firm**

Lyle's Jewelry Store in Haskel entertained Future Homemakers of this area last week. Forty FHA girls from Knox City attended.

The girls visited the Magazine room of the study club where thirteen tables were set up. Each table represented an important event in one's life. The theme of the entire settings was "This Is Your Life, Future Homemakers."

The first table setting was entitled "Your Mother's Baby Shower." There were also announcement settings, wedding settings, and on through to the setting for a golden wedding anniversary.

After the displays were admired the girls went to the jewelry store where Mrs. Lyles displayed china, crystal and silver, including sterling, plated and stainless steel. She emphasized care in the selection of sterling since it would be an heirloom and handed down from generation to generation, growing more beautiful with use.

Many different patterns of china and pottery were displayed, with crystal to correspond.

Tea and cookies were served to the girls and their adviser, Mrs. Chas. E. Silk.

**Air Force Sergeant Speaks at Lions Club**

T-Sgt. Alfred Buckhalter of the U. S. Air Force was guest speaker at the Knox City Lions Club Wednesday.

Sgt. Buckhalter is assigned to the Dallas Filter Center of the Ground Observer Corps. He spoke on the dangers of communism and called for the cooperation of all freedom loving Americans in organizing an effective ground observer corps. Observers must train now, he said, in order to be ready if the need for an active corps should arise. Present training consists of a practice alert one Sunday afternoon each month.

After his speech Buckhalter showed an official Air Force film, "The Dangerous Mile."

Mr. and Mrs. J. B. Davenport of Downey, Calif., and Rev. Bill Davenport of the Southwestern Baptist Seminary, Ft. Worth, were week end guests of Mr. and Mrs. G. T. Hardberger. Mrs. Davis is Mr. Hardberger's sister. Rev. Davenport spoke at the local Baptist Church Sunday morning.

**GRAIN PROGRAM EXTENDED**

Walter T. McKay, state director, Farmers Home Administration, today advised Wilburn A. Satterwhite, county supervisor, of the redesignation of Knox County for assistance under the Emergency Feed Grain program.

Under this designation, farmers and ranchers may now file applications through April 29 to provide feed grain for basic livestock herds through May 15, 1957.

**PACK MEETING SET FOR TUESDAY NIGHT**

Pack 161 of the Cub Scouts will hold its April meeting at 7:30 p. m. Tuesday, April 23, at the American Legion Hall, according to Cubmaster Edd Smart.

Scout Executive Hal Mabry of Seymour will be the speaker, and awards will be given.

**W. M. S. CIRCLE MEETS**

The Blanche Groves circle of the Baptist W.M.S. met in the home of Mrs. Bob Jones Monday.

Program topic was "Aims for Advancement." Refreshments were served to eight members.

Mrs. W. N. Smith left today to visit friends in Abilene and Colorado City, a daughter in Kermit, then to Melrose, N. M., where she will spend six weeks with a son.

Mrs. J. M. Humphries is in Wichita Falls this week visiting her sons, R. E. and Barnie, and their families.

Mr. and Mrs. Chester Abbott and daughters were to leave this afternoon for Ada, Okla., to spend the Easter holidays with her parents, Mr. and Mrs. Geo. Morris.

Mrs. D. H. Henry was reported this morning to be recuperating satisfactorily in Baylor Hospital, Dallas, where she underwent major surgery Wednesday. Her room number is 210. In Dallas with her are her husband, her daughter, Mrs. Clyde Voss, and a son, V. J., of Stockton, Calif. Mr. Voss and children plan to spend the week end there.

Mrs. S. N. Reed left Tuesday to visit her daughter, Mrs. Alton Leach, and family in Plainview.

Mr. and Mrs. O. W. Smith of San Angelo plan to spend the week end here with her mother, Mrs. J. W. Howell.

Miss Exa Faye Hutton of Pampa will spend the Easter holidays here with her sister, Mrs. Ottis Cash, and family. Expected during the week end for an extended visit in the Cash home are Mr. and Mrs. Claude Hutton of Oakland, Calif. Mr. Hutton is a brother of Mrs. Cash and Miss Hutton.

Mr. and Mrs. Charles McAuley and Charles C. of Lubbock spent Saturday night and Sunday here with her parents, Mr. and Mrs. C. Bohannon, and his parents, Mr. and Mrs. Frank McAuley Sr.

Dr. and Mrs. Charles Markward and Chuck returned Tuesday from Beaumont where they visited relatives.

**Mrs. Rea Hostess To Garden Club**

Mrs. Jim Rea was hostess to members of the Knox City Garden Club for their regular meeting last Wednesday. Co-hostess was Mrs. Elwood Hackney.

Fourteen members and two guests were present. The guests were Mrs. Benny London of Throckmorton and Mrs. J. L. Rea of Knox City.

Dr. T. P. Frizzell was guest speaker and discussed "Gardening As a Hobby." Dr. Frizzell said gardening was the most interesting hobby he knew of, and said roses were his favorite. He has sixty different varieties in all colors.

Arrangements using favorite containers were furnished by Mrs. S. M. Clonts, Mrs. H. F. Jungman, Mrs. Guy Robinson and Mrs. Bill Hertel. Critic was Mrs. Hackney.

Club members voted to meet in the home of Mrs. Ance Waldrip at 1 p. m. Thursday, May 16 for a covered dish luncheon and the installation of officers.

**O'Brien FHA Girls Study Table Settings**

The O'Brien FHA girls were in Haskel recently for the study of crystal, china and silver under the direction of Mrs. W. A. Lyles, owner of Lyles Jewelry.

Part of the study was held in the Magazine Club room where table settings were displayed. Theme of the display was "This Is Your Life." Each table represented an important event in a girl's life, beginning with the "Announcement" table and ending with the "Reminiscent" table. Refreshments were served and a social hour enjoyed.

Twenty-four girls made the trip with their adviser, Mrs. R. L. Foote.

Roy Smith is reported recuperating satisfactorily from surgery at Wichita General Hospital. His room number is 334.

**School Students Give Program at Auxiliary Meeting**

The program at the regular meeting of the American Legion Auxiliary Tuesday night was provided by a group of school students.

The Junior Band played several numbers, and readings were given by Sue Steakley and Jackie Givens. Special music was provided by a quartet composed of Jeanette and Jeanne Colson, Louella Denton and Linda Morris, and by Sheryl and Gary Bruce.

The district one-act play, "Write Me a Love Letter," was presented by Kay Dean Hester, Jimmy Mahan, Monty White, and Jimmy Dutton. Supt. Chas. E. Silk gave the invocation and Mrs. W. N. Lewis closed the meeting with a prayer.

Beverly James and Patsy Denton were selected by the Auxiliary to attend Bluebonnet Girls' State in Austin June 10-19. This is the first time the local organization has sent a representative. Both girls are juniors in high school.

**TRUSCOTT RED CROSS DRIVE COMPLETED**

A total of \$66.59 was collected in the Red Cross drive in the Truscott community, it was announced this week.

Making the solicitations at Truscott were Mrs. J. G. Adcock and Mrs. W. R. Owens.

Mrs. L. A. Parker reported that late contributions had increased Benjamin's figure to \$352.00.

**ANNOUNCE BIRTH OF SON**

Mr. and Mrs. Charles Reed have announced the arrival of a son, born at the Knox County Hospital Wednesday, April 17 at 12:30 a. m. He weighed seven pounds and 12 ounces and has been named Charles Melvin.

Maternal grandparents are Mr. and Mrs. M. S. (Snort) Lowrey, and Mrs. C. A. Reed is paternal grandmother.
