CARD OF THANKS
 Words could never express the gratitude we feel to friends and neighbors following the illness and death of our loved one. We are grateful to those who sat day and night to make her comfortable, to those who brought food and flowers, and to all who extended comforting sympathy and help. Such thoughtfulness can never be forgotten.
 Truman Sellers and family Mrs. J. E. Leach and family The Brothers and Sisters.
CARD OF THANKS
 We are thankful beyond measure for all those who helped us before our wife and mother entered the hospital in Galveston. Thanks to those who sent gifts, to those who gave financial aid and to those who carried us to Galveston.
 We thank each of you from the bottom of our hearts.
 Horace Edwards and children.

the little flame that freezes . . .
 secret of today's most amazing refrigerator
 Thirty years ago came the first "electric ice boxes" . . . costly, complicated, noisy, liable to break down, wear out and gluttons for current. Two Swedish chemists decided there must be a better way. And, in their Stockholm laboratory, discovered The Little Flame That Freezes. A tiny gas flame replaced all those moving parts . . . makes all other refrigerators old-fashioned. No noise! Nothing to wear out! They had discovered the refrigerator that was 30 years ahead of its time! It still is!

McGee-McMinn Vows Exchanged

Miss Janelle McGee, daughter of Mr. and Mrs. M. E. McGee of Seymour, became the bride of Cecil Earl McMinn, son of Mrs. Mattie McMinn of Knox City, in a double ring ceremony at 4:30 p. m. Tuesday, May 28, in the bride's home.

James Scott, minister of the Seymour Church of Christ, officiated. Arrangements of rose buds decorated the nuptial setting.

Attendants were Mrs. B. R. Goodman of Wichita Falls, sister of the bride, as matron of honor, and Harold Brown of Wichita Falls, brother-in-law of

the bride, as best man.

Given in marriage by her father, the bride wore a white dress fashioned with a full skirt and fitted bodice. She wore a white off-the-face hat and carried a white Bible topped with white carnations.

Close relatives of the couple were wedding guests.

The new Mrs. McMinn was a junior student in Seymour High School. She plans to enroll in Knox City High School this fall.

The bridegroom attended Knox City High School and is employed at Edwards M System grocery. They are living on 4th Street.

Mr. and Mrs. Alton Fitzgerald and children left Sunday on a vacation trip which will take them to Detroit, Mich., for a visit with Mr. and Mrs. L. J. Oates and Mr. and Mrs. William C. Curtis. They will return about June 14.

STREAMS in Desert Places

By Ozelle Stephens
"Blessed are the pure in heart: for they shall see God." (Matt. 5:8).

The heart is more than a bodily organ. It is called the seat of the emotions. Jesus said, "Happy are the pure in heart." If the heart is the seat of the affection then our love toward God must be true. We must be pure in love, pure in motive, and pure in desire. Our wills must be yielded to Christ.

Man looketh upon the outward appearance but God searches and ponders the heart. He sees the innermost being. He looks to the motives, thoughts and intents of your heart. He said, "Blessed are the pure in heart: for they shall see God." Purity is a miracle wrought by God himself. It is a rebirth, a new creation which is born of God. Out of the pure heart flow Streams of praise to God.

Bride-Elect Feted At Gift Tea

Betty Jean Hawkins, bride-elect of Airman Errol S. Bloxham, was honored with a gift tea Tuesday, June 4, in the home of Mrs. C. H. Clarke.

The couple will be married at 10:30 a. m. Saturday, June 8, in the First Methodist Church.

Assisting the honoree in receiving were her mother, Mrs. J. G. Hawkins, and her grandmother, Mrs. J. W. Tankersley. Mrs. Charles G. Clarke, sister of the bride-elect, registered guests.

Mrs. E. R. Carpenter and Mrs. L. M. Williams displayed gifts. Glenda Givens and Beverly James served cake squares and punch from a table laid with a white linen cut-work cloth. The centerpiece was an arrangement of orchid gladioli. Other floral arrangements in orchid and white, Miss Hawkins' chosen colors, were used in the party rooms.

Lynelle Tankersley, cousin of the honoree, provided piano selections during the calling hours, 4 to 5:30.

Hostesses' gift to the couple was a four place setting of china.

Mrs. Mark Trimmier of Hale Center, Mrs. Ida Beauchamp of Rochester and Mrs. C. A. Reeves and children, Bobby and Kay, were in Ft. Worth Tuesday of last week to attend graduation exercises at Technical High School. Bert Warren Qualls, grandson of Mrs. Trimmier and Mrs. Beauchamp, was a member of the graduating class.

Get in the fine-car swim at the low Ford price!

America's favorite convertible is one of 21 Ford models for 1957

There's no need to pay a "fancy price" to enjoy fine-car luxury. Ford is lowest priced* of the low-price three, yet offers values you'd expect only in cars costing far more!

To start with, you can easily pay twice the money, and not find lines that can hold a candle to Ford's for loveliness, or just plain good taste.

But step inside. That's when you'll find the real evidence of Ford's quality!

And, on the way in, note that Ford offers door checks that hold doors open in either of two positions—for easy entrance or exit. A little thing. But, in a fine car, why not? Then, inside, notice how comfortable those plush, foam-rubber seats are. They'll stay that way. And on long trips. For they're scientifically contoured over non-sag springs. Your rear-seat passengers are treated

extra kindly, too—with spring assists to help them open and close the doors—with the most leg room in Ford's field!

Fine cars are smooth—and that's another place Ford really shows its stuff!

Ford delivers its famous V-8 power smooth as a whisper. That's because only Ford takes the pains to electronically balance each engine while running under its own power. Not even the makers of the most expensive automobiles go this far to bring you super-smooth performance.

Ford rides fine-car smooth and quiet, too. You can thank the new "Inner Ford" for that. Ford, for instance, has

a swept-back front suspension that actually "rolls with the punch" of every road bump.

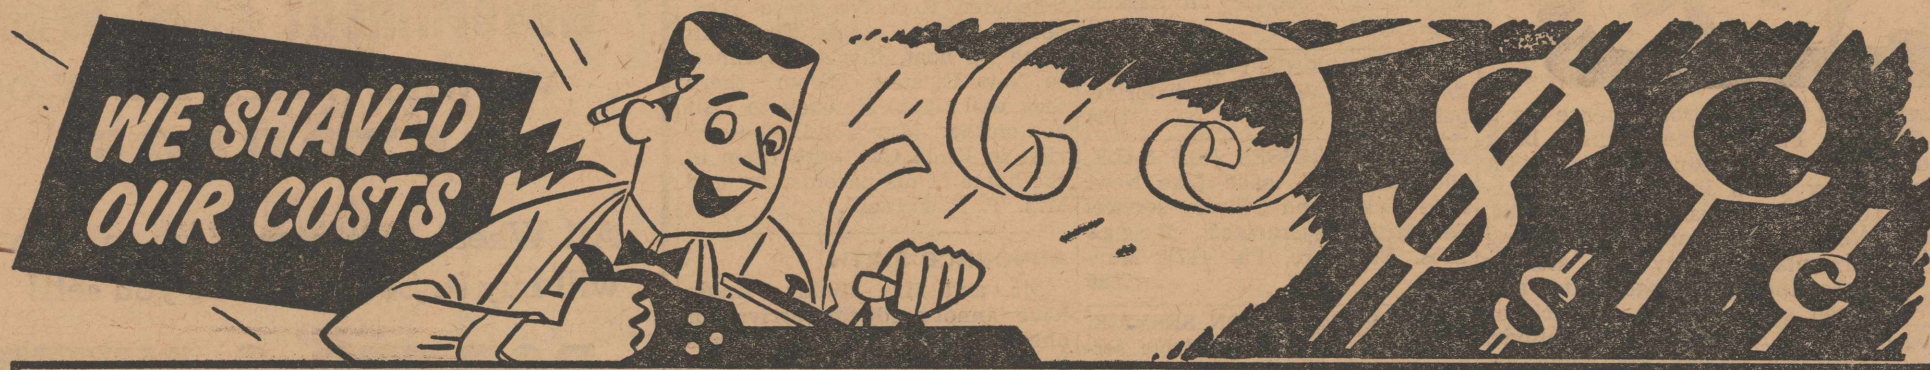

Ford's rear springs automatically adjust to give the right ride for every road. And Ford keeps things quiet, with the most sound insulation in its field.

Fine cars are built to stay solid. So's Ford!

Ford has the only frame in its field to make use of rugged tubular steel beams. No car at the price offers so many roof-strengthening beams. Expensive cars aren't built of thicker body steel or with sounder engineering skill. Then, of course, in Ford you can have all the power assists and other conveniences found in fine cars. And they cost far less in Ford.* Yes sir! In every feature, every part, Ford is the fine car at half the fine-car price. Come in and see!

Chevy's come up with the newest, sweetest, smoothest automatic drive—Turboglide. It's the first and only triple-turbine transmission!

Turboglide is something really new and different in automatic drives. In the first place, there's only one forward-speed position on the control panel. There's no "Low" needed.

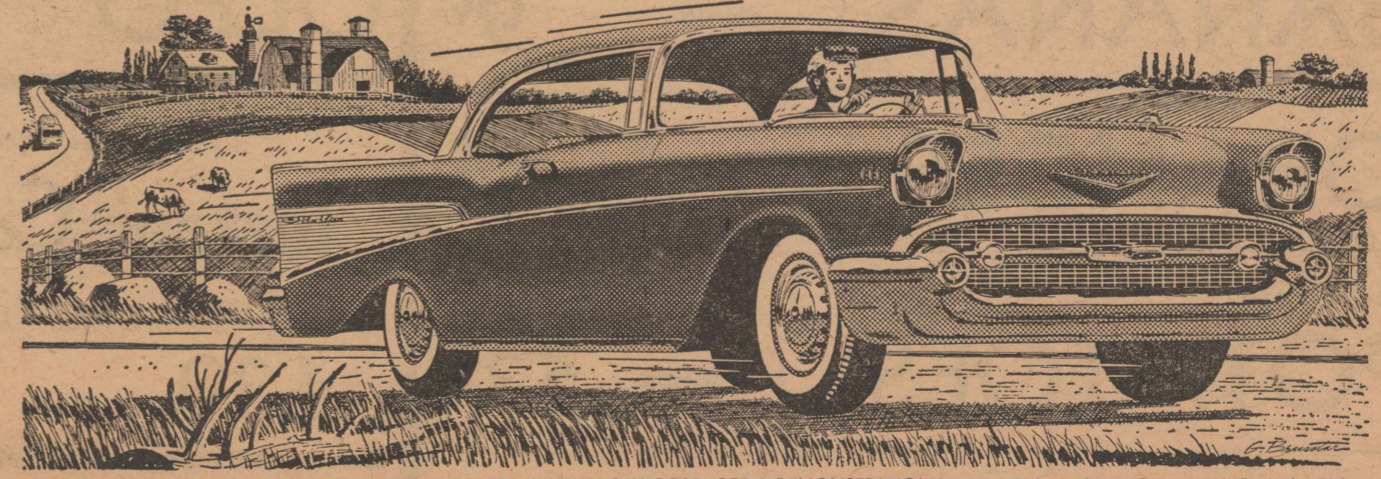

Turboglide handles everything with the oil-smooth action of triple turbines. You travel from a standstill to top cruising speeds with never a lurch or lag to mar your motion.

When you see a steep downhill stretch ahead, you set the selector at "GR" (Grade Retarder) and Turboglide helps slow you down. Try Chevy's new, nothing-like-it automatic drive. It's optional at extra cost—and worth it.
