

THE KNOX COUNTY HERALD

VOLUME 52

KNOX CITY, KNOX COUNTY, TEXAS, THURSDAY, JUNE 13, 1957

NUMBER 28

Just about the time we get resigned to working every day except Sunday, along comes vacation time again and people start making us dissatisfied by sending us picture postcards!

Every few days we receive a beautiful card from Charlie and Georgia Keck, who are vacationing in Hawaii. We envy them so much we almost hope they get just a wee bit seasick while sailing back on the Lurline.

Mary Parsons, who is on the two-weeks WFAA Farm and Ranch tour of the Northeastern states and Canada, is apparently too busy to mail picture postcards. We expect, however, to see a thousand—more or less—color slides of her trip after she returns home.

A stranger driving through would have thought Knox City was a mighty busy town about 4 a.m. Wednesday, so many cars were darting hither and yon.

In fact it WAS a busy town . . . a lot of people were busy getting to cellars!

We understand Delbert Smart damaged his old Chevrolet—two weeks old, that is—when he ran over a post while heading toward the dugout.

We would make a remark about that . . . if our own car wasn't damaged by running in to a plow, while we were heading for our favorite cellar!

Well, next time we hear the storm warning, and a cloud looks as threatening, all plows had better stay out of our way or they may be run over again!

Speaking of running into plows, our brother Frank was shopping for two fog horns this week . . . figured it was dangerous to run two tractors through the weeds on his farm west of town without some warning system.

He also claimed that a mosquito punctured one of his tractor tires, but we doubt that . . . everyone knows mosquitos don't like rubber.

ORDER OF EASTERN STAR TO MEET MONDAY NIGHT

A stated meeting of the Order of Eastern Star, Chapter 119, will be held at the Masonic Hall Monday night, June 17, Mrs. Doyle Graham, secretary, said Wednesday.

The meeting will begin at 8:30. Mrs. C. C. Hutchinson is the new worthy matron.

Wheat Growers Will Vote June 20 on Market Quotas

Wheat farmers themselves will decide whether they want to use marketing quotas for their 1958 wheat crop when they vote in the referendum on June 20, 1957, H. H. Partridge, chairman of the Knox County Agricultural Stabilization and Conservation Committee, said today.

Recent proclamation of marketing quotas for the 1958 crop of wheat conforms with legislative directives, the chairman explained. Under the governing legislation, the Secretary of Agriculture must proclaim marketing quotas for the next wheat crop year when available supply is 20 percent or more above normal. The estimated supply of

1,825 million bushels available for the 1957-58 marketing year is actually 56 percent above the normal supply of 1,170 million bushels, thus requiring a marketing quota proclamation. The normal supply is based on estimated domestic consumption and exports, plus a 20-percent carry-over allowance.

The quotas do not become effective, however, unless at least two-thirds of the producers voting in the referendum favor the use of the quotas. The outcome of the referendum will decide the level of the available price support for the 1958 crop, as well as whether quotas and penalties on "excess" wheat are used for the crop.

All wheat growers are eligible to vote in the June 20 referendum who will share in the 1958 wheat crop from a farm in the commercial wheat area on which the wheat acreage to be harvested, plus any acreage to be placed in the Soil Bank's acreage reserve, will be more than 15 acres.

As in previous years, ballots in the referendum may be cast at local polling places, the location of which will be announced prior to the time of voting.

Farmers who wish further information on wheat marketing quotas or the referendum are urged to get in touch with their County ASC office.

RICE TRANSFERRED TO NICARAGUA

Charley L. Rice and son of Eagle Pass visited Knox City friends Tuesday. They were en route to Amarillo to visit his sister, Ruth, before leaving June 22 for Managua, Nicaragua, where Rice will be Second Secretary at the U. S. Embassy. He will be chief of the consular section. Mrs. Rice is in school at Denton, where she will get her degree in August. She and her son will join Rice in Nicaragua in September. The family will be there a minimum of two years.

Martin Smith has returned from Wichita Falls, where he recently underwent surgery at Wichita General Hospital. His wife reports he had a "backset" after returning home, but is now improving again. Mr. Smith became ill with a stomach ailment a month ago.

OIL NOTES

A potential of 75.75 barrels of 38 gravity oil daily was reported on the Arnold H. Bruner & L. M. and C. E. Williams No. 1 F. E. Walker, Tannehill discovery six miles west of Knox City.

The same operators are now drilling their No. 2 Walker. Suggested name for the new field is Walker (Tannehill) Field.

Also being completed on the Walker tract is the Katz Oil Co. No. 1 Walker, which is expected to produce from the Strawn sand.

Katz is drilling at about 2000 feet on the No. 1 O. A. Green, 2 1/2 miles west of Knox City, in the same area as the company's No. 1 Wylie, recently completed Strawn discovery.

Among new locations announced for the area is the Tom B. Medders No. A-1 G. W. Montandon, 7 1/2 miles northwest of Knox City. Scheduled depth is 2600 feet.

Recent wildcat failures were the Tom B. Medders No. A-1 Park, two miles east of town, and the Gasoline Production Co. No. 1 R. V. and John R. White, three miles north of town.

New Candidate for 'Meanest Thief'

A new candidate for the title of "meanest thief" is the person who burglarized Carver's News Stand Wednesday night of last week.

The only thing taken by the culprit was a glass jar containing contributions to the "Mike Turner Fund." Seven-year-old Mike is a victim of cystic fibrosis, a rare, fatal disease, and a fund was started recently to help his parents take care of the tremendous hospital and medical bills that will be necessary to relieve his suffering during the short remainder of his life.

Inez Carver, news stand owner, displayed the glass jar for voluntary contributions, and it was estimated the jar contained about \$20 in pennies, nickels and other change donated by sympathetic persons. City Marshal J. T. Hamby said the thief gained entry through the back door of the news stand and turned off a light over the cash register. Nothing else was disturbed.

The chapter rooms were decorated throughout with pink roses and greenery. A flowered archway was the setting for the program, entitled "Life's True Garden," presented by the past junior matron, Mrs. J. C. McGee. Doyle Graham and Mrs. L. W. Graham sang a duet, "In the Garden."

Child Electrocuted In Wichita Falls

Funeral services for Donald Dale Hertel, 17-month-old son of Mr. and Mrs. Don Hertel of Wichita Falls, were held at the Benjamin Baptist Church at 3 p. m. Tuesday, June 11. The Rev. K. E. Woolley officiated.

The child was electrocuted Sunday afternoon when he touched the copper tubing of an air conditioner. He was pronounced dead at 5:15 p. m. when his parents carried him to Wichita General Hospital.

The justice of the peace said the boy was electrocuted when he ran from the house and walked up to an air conditioner on the north side of the dwelling. The child's mother followed him from the house and when she turned the corner of the north side she saw his lifeless body beneath the air conditioner. Water had dripped from the unit and there was a short in the wiring. The father was installing a second air conditioner on the south side of the house when Mrs. Hertel shouted that the child was running outside. When he reached the boy's body he felt the electric current as he lifted him from the ground.

In addition to his parents, the boy is survived by a six-month-old brother, Scotty, and two grandmothers, Mrs. Walter Hertel and Mrs. Leola Isbell, both of Benjamin.

Burial was in Benjamin Cemetery under the direction of Warren Funeral Home of Knox City. Pallbearers were Sam Leaverton, Jack Barker, W. T. Cartwright and Jackie Young, Sr.

ANNOUNCE ENGAGEMENT

Mr. and Mrs. F. E. Walker have announced the engagement and approaching marriage of their daughter, Olene Browning, to Cecil Sietz, son of Lee Sietz of Eldorado, Okla.

The wedding date has been set for 4:30 p. m. Saturday, June 22 in the Walker home on Central Avenue.

UNDERGOES SURGERY

Mrs. George Stubbs underwent major surgery in Baylor Hospital, Dallas, Tuesday. Members of the family said she withstood the operation well and is recuperating satisfactorily. In Dallas with their mother are Jack Stubbs and Mrs. E. H. Wilson of Big Spring. Her room number is 427.

Area Receives Rain, Has Tornado Alert

A storm warning at 4 a. m. Wednesday sent many Knox Citizens scurrying to their cellars, and a hard 49 inch rain further damaged the oat crop, much of which had already been downed by previous rains.

Area farmers say the wheat crop as a whole was damaged very little, with the exception of

some fields west of town.

City Marshal J. T. Hamby, Deputy Sheriff H. C. Stone and several other observers saw tornado funnels dip down out of the cloud, although none touched the ground. Stone said wind that may or may not have been a "twister" blew down several television antennas and sizeable trees in Benjamin, and damaged a number of roofs. Stone, stationed west of Benjamin, and Hamby, west of Knox City, kept a watch on the clouds until 5:30 a. m.

Hamby reminded Knox Citizens that the sounding of the siren is an "alert," not a warning that a tornado is bearing down on the community. "If we waited until a storm was imminent it would be too late to give an alarm," he said, "so the best we can do is wake the people up, when the cloud looks bad enough, and let each man be his own judge about seeking shelter."

Director Employed For Youth Center

Jack Varnell was employed as director of The Kennel, Knox City youth center, at a meeting of the student council and adult board Sunday afternoon.

Varnell, who is working at the PMA office, will help plan and supervise entertainment at the center.

Rip Collins Jr., president of the student council, presided at the meeting. The group decided to open at 8 o'clock each Tuesday and Friday nights during the summer months. New membership cards will be made for those members who do not attend regularly. The cards will sell for \$1 and will be punched each time the member attends, with each card good for ten nights at The Kennel, Charlotte Cornett, reporter, said. She said those entering high school in the fall are eligible for full-fledged membership and urged them to get their membership cards now. The cards may be purchased from Collins or any officer of the student council.

Core Drilling of Proposed Dam Site Planned at Meeting

At a meeting of the North Central Texas Municipal Water Authority in Munday Wednesday night, representatives from Knox City, Munday, Goree, Haskell and Seymour voted to authorize a core drill survey of the proposed Miller Creek Lake site.

Attending the meeting from Knox City were George Houston, manager of the Chamber of Commerce, W. P. White and H. E. Wall.

The survey will cost about \$14,000, of which the Brazos River Authority is expected to pay half. City councils of the seven towns in the project will be asked to pay the remainder. Based on the number of water meters, Knox City's pro rata share would be about \$750.

Tom Craddock of Seymour, chairman, said the only way each community would fail to get its money back would be for the site to prove unfit for a lake.

Lovelace Named Justice of Peace

W. E. Lovelace, was appointed justice of the peace, Precinct No. 5, by the Knox County Commissioners Court Monday. He had previously been named city judge by the Knox City council.

Both offices had been filled by W. L. Robnett, who died in Houston last week.

Mr. Lovelace, a semi-retired Baptist minister, is operator of the Wash-O-Mat Laundry here.

The bridegroom is the son of Mr. and Mrs. S. W. Bloxham of Salt Lake City, Utah.

The Rev. Walter Driver, pastor, performed the double ring ceremony as the couple stood before a white archway which was covered with fern and white and orchid gladioli. On either side were tall baskets of white and orchid gladioli and branched candelabra with white tapers. Palms and other greenery formed a background for the nuptial scene.

David Neil Perdue and Bobby Driver were candlelighters.

Mrs. E. Q. Warren, organist, played a medley of pre-nuptial music and accompanied Mrs. A. V. Kemletz and Doyle Graham, who sang "I Love You Truly," and Mrs. Kemletz as she sang "Because."

Matron of honor was Mrs. Charles G. Clarke, sister of the bride. Her dress was of orchid net over satin, made with a fitted bodice with off-shoulder effect and full skirt. She carried a bouquet of orchid and white carnations on a white nylon net fan.

Eight Campfire Girls Attend Encampment

Eight Knox City Campfire Girls went to Camp O-Da-Ko at the Baptist encampment grounds at Lueders last week.

The girls arose every morning at 6:30 and lights went out at 9 p. m. Each morning after breakfast there was singing, swimming and music. A rest period was held after lunch, followed by free time, refreshments, handcraft, outdoor craft, clean-up, supper, and evening program.

In handcraft the girls learned to make planters from coffee cans and baskets from popsicle sticks.

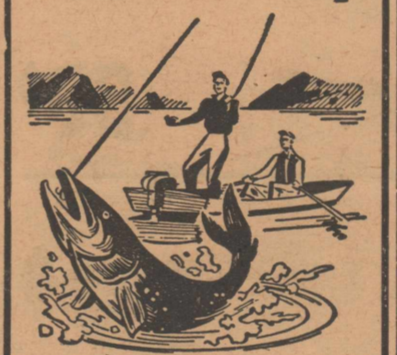

A ceremonial was held Friday night. The girls sat in a circle on "sit-upons" they had made in handcraft. In front were candles on a base decorated with the Indian sign "heart" they had made in outdoor craft. In the middle of the circle was driftwood and a big candle called the Wo-He-Lo candle with three little candles around it to represent friendship, health, and joy of living.

The candles were lit one at a time as the leader called the girls by cabins. The cabin mother put around the girls' necks the beads they had earned. Parents were guests for the impressive ceremony.

Attending camp were Sue Steakley, Jan Sutton, Belle Burnett, Charlice Silk, Cora Jan Fitzgerald, Jan Hansen, Ila Kay Hutchinson and Kay Reeves. The group was accompanied by Mrs. Paul Fitzgerald who served as counselor. Four other girls had registered, but due to the wet weather cancelled plans to attend.

Mr. and Mrs. John Smith and Judy and Jane and Mr. and Mrs. John Ed Smith returned Monday night from Ruidoso, N. M., where they visited Mr. and Mrs. Lloyd Davis.

Benjamin Couple Wed Saturday

Miss Elsie Hale, daughter of Mr. and Mrs. Austin Hale of Benjamin, became the bride of VOLLIE RESSELL Saturday, June 8, in the parsonage of the Benjamin Baptist Church.

The pastor, Rev. K. E. Wooley, officiated at the single ring ceremony, held at 9 o'clock in the morning.

For her wedding the bride wore a white Pima cotton dress fashioned with a full pleated skirt which fell from a fitted

bodice. The bateau neckline tied on the shoulders with white organdy bows. She wore a white off-the-face hat and her other accessories were white.

The bride is a 1956 graduate of Benjamin High School and a graduate of Draughon's Business College in Wichita Falls. For the past several months she has been employed as secretary at Wichita Glass and Mirror Co.

The bridegroom, son of Mr. and Mrs. Theodore Ressel of Benjamin, is a 1951 graduate of Benjamin High School. He attended Midwestern University in Wichita Falls and spent two years in the United States Army.

The couple will live in Turon, Kansas, where he is employed by South Central Telephone Co.

Miss Hawkins Weds—

(Continued from Page 1)

Spikes of Crowell, Jane Moss of San Angelo, Beverly James, Lynelle Tankersley, Glenda Givens and Patsy Denton, all of Knox City. They wore identical dresses of orchid net over taffeta and made similar to the matron of honor's dress. They carried orchid and white carnations on white net fans.

Flower girls were Lynn Clarke, niece of the bride, and Mary Adkins, a cousin, and Sue Egenbacher.

Ring-bearer was Don Hawkins, nephew of the bride. Train bearers were Betty Ruth Middlebrook and Jim Adkins, cousins of the bride.

Ushers were Charles Clarke, Samuel, Bobby, and Donald Tankersley, Wyndol Stephens, and Rip Collins Jr. Best man was Pete Sabin of Roswell, N. M.

The bride was presented in marriage by her parents. Her dress was of imported chantilly lace over illusion tulle and white satin. The lace formed a scalloped V neckline over a silhouette of satin bateau. Inserted inside of the scallops were tiny rows of pleated illusion. The full skirt of French illusion had an appliqued apron of scalloped lace. The entire skirt fell over another skirt of tier upon tier of ruffled illusion, the back ruffles forming a bustle effect over which a full cathedral train cascaded. Her veil of French illusion was fingertip and fell from a crown of seed pearls and iridescents. She carried a bouquet of white orchids, stephanotis and lily of the valley atop a white Bible. For the traditional "something old, new, borrowed and blue," her Bible was a gift in 1943, her wedding dress was new, she borrowed a handkerchief from her grandmother, Mrs. J. W. Tankersley, and she wore blue garters.

A reception was held in the home of the bride's parents. The refreshment table was covered with a white lace cloth over or-

chid. The cake and punch were served by the bridesmaids, assisted by Jo Ann Emerson, Mrs. Jerry Guinn of Munday, and Charlotte Cornett.

For her traveling dress Mrs. Bloxham chose an orchid linen ensemble with a darker orchid jacket, orchid shoes, bag and purse. She wore a small hat covered with orchid flowers.

After a two weeks trip to Salt Lake City, the couple will be at home in Roswell, N. M.

The bride is a graduate of Randell School in Denver, Colo., and the bridegroom is a graduate of the Salt Lake City school and has been in the Air Force the past 18 months.

Guests present for the wedding and reception were from Knox City, O'Brien, California, Ohio, Michigan, Birmingham, Ala., Odessa, Crowell, San Angelo, Rochester, Munday and Haskell.

Visiting in the home of Mr. and Mrs. Dan Wells over the week end were Mrs. Gladys Perry of Afton, Pvt. Clayton Perry of Camp Chaffee, Ark., Mrs. Clayton Perry of Lubbock, Mrs. G. C. Lemons and son, Bobby, of Colorado City and Bud Dawson of Roaring Springs.

Mr. and Mrs. Henry Jean Jones and daughters of Austin are here visiting his parents, Mr. and Mrs. H. M. Jones.

Mrs. John Childress and daughter of Dallas are here visiting Mrs. Childress' mother, Mrs. Hazel Elliott.

Mrs. J. A. O'Pry of Port Arthur is visiting her sons, Gordon and E. A. O'Pry, and families.

Mr. and Mrs. Bruce Gipson of Ft. Worth spent the week end with relatives and friends here.

Mr. and Mrs. Clyde Williams and Clyde Jr. and Mrs. L. L. Houston of Plainview, and Miss Charlotte Taylor of Petersburg visited Knox City relatives and friends last week.

Mr. and Mrs. Tom Hampton and Tom Lauren of Dallas spent the week end with her parents, Dr. and Mrs. T. S. Edwards.

Mrs. Joe Sharp plans to leave Saturday for Denton to join her husband, who is attending school there. An employee of Lone Star Gas Co., Mrs. Sharp received a transfer to the Denton office.

Farm and Ranch Notes
By Roy England, County Agent

Agriculture Secretary Benson has set June 20 as the date for a referendum to determine producer approval or disapproval of marketing quotas. If marketing quotas are approved by growers, the national average support available to eligible producers in the commercial area will be not less than \$1.78 per bushel. Growers who stay within

visited relatives in Dallas a few days last week.

Week end visitors in the home of Mrs. W. A. Barnett, Omilene and Pete were Mr. and Mrs. Ollie Howard of Smyre, Mr. and Mrs. Arch Hendon of Roberson, Mr. and Mrs. Weldon Newsom, Mr. and Mrs. Jim Horton and Mr. and Mrs. Buford Hayes, all of Whitharral, Mr. and Mrs. Carl Howard of Lubbock and Mr. and Mrs. Homer Howard of Seymour.

Mr. and Mrs. Carl Tension and baby visited relatives in Muleshoe last week.

Mr. and Mrs. Marvin Brown and Mrs. Glen Langston and son of Ft. Worth were week end visitors of Mr. and Mrs. Lovell Brown and other relatives and friends.

Mr. and Mrs. Ray Skidmore and girls moved to Abilene for the summer months, while Mr. Skidmore attends college.

Mr. and Mrs. Malcolm have returned from Flagler, Colo., where they spent the past several months.

their allotments will be eligible for price support on their entire production.

If marketing quotas are disapproved, there will be no restrictions on wheat marketings. Acreage allotments will remain in effect as a condition of eligibility for price support at the 50 percent of parity rate required by law when quotas are disapproved.

Several factors, including stem rust and too much moisture during the ripening stage, have adversely affected the quality and test weight of much of the wheat being harvested over the county. Weeds are also causing considerable losses by grading down the quality and hindering storage following harvest.

STREAMS in Desert Places

By Ozelle Stephens

"Blessed are the peace makers, for they shall be called the children of God." (Matt. 5:9)

You cannot have peace until you have peace with God. Peace is something positive. It is a specific relationship with God into which a person is brought. It is a spiritual reality in the human heart which has come into vital contact with the Infinite God.

The Word says, "But now in Christ Jesus ye who sometimes were afar off are made nigh by the blood of Christ. For he is our peace, who hath made both one" (Eph. 2:13-14)

He is your peace. Attune yourself to the active inner guidance and listen for the divine voice which has the answer to every problem and situation of life.
