

THE KNOX COUNTY HERALD

VOLUME 52

KNOX CITY, KNOX COUNTY, TEXAS, THURSDAY, JULY 4, 1957

NUMBER 31

Farmers aren't the only ones who think we had too much rain this spring!

Members of the city council, charged with the responsibility of keeping the normal operations of the city going—and at the same time keeping the city in sound financial condition—found the wet weather pretty rough going.

In fact, the more it rained, the drier the city's bank account became.

Most of the city's operating expenses are paid from water and sewer revenues, which aren't enough to operate on in the winter, but are more than enough in the spring, summer and fall.

This spring, however, it kept raining and water revenue remained about the minimum, and the city's bank account began to look like ours!

The more than \$3,000 in back taxes collected was like a blood transfusion, and now lawns are beginning to turn yellow and sprinklers are making their appearance, so the mayor, the city secretary and councilmen can again walk down the street without being afraid someone will "dun" them for a bill owed by the city!

As a matter of fact, a bill for 45 cents, presented by W. P. White, was causing quite a stir at the city hall the other day.

The charges were for a file purchased by Pete Rocha, former city employee who now works for Mayor Otis Harbert.

Turned out it was White's mistake, though, and the mayor was cleared of any skulduggery!

The two alarms answered by the fire department this week, to extinguish grass fires, are proof that things get dry pretty fast when the rains stop.

It must have been 110 degrees when the alarm sounded Monday afternoon. And when B. B. Cochran heard it, he said "Guess that's my garden burning up!"

The Fourth of July isn't just a day for picnics, rodeos, fishing, fireworks and fun... It's a day to pay tribute to our forefathers for their courage and strength in making this a free country and a great country.

They fought and whipped the most powerful nation in the world; faced hostile Indians and other dangers and hardships to carve a great, productive nation out of wilderness.

That took strength and courage, all right... and come to think of it, it takes some of that same strength and courage to face and solve our problems today!

There are wars, depressions, inflation, floods, droughts, atomic bomb threats... and to top it off, farmers in this area have discovered they are in a 2-4-D fall-out area!

But in spite of it all we are still progressing... because the Spirit of '76 still goes on.

Chapter Organized For Abilene Area

An Abilene chapter of the National Foundation for Cystic Fibrosis was organized last week and people in this area have been invited to become members, Mrs. Russell Turner informed The Herald Tuesday.

Comparatively few people in this area had heard of cystic fibrosis until Gary Hertel, 7-year-old son of Mr. and Mrs. W. M. Hertel of Benjamin, died of the disease in November, 1954. In April of this year, Mr. and Mrs. Turner learned that their seven-year-old son, Mike, has the incurable, fatal disease.

Mr. and Mrs. Turner and Mr. and Mrs. Hertel, as well as a number of their friends, plan to join the Abilene chapter. Purpose of the National Foundation and its chapters is to inform the public of the disease and to sponsor research into the cause and possible cure.

The Abilene chapter will meet every fourth Sunday in the home of Mrs. John Horn at 2965 Hickory, Abilene. There are no membership dues, and anyone interested may attend.

Deadline for Penalty-Free Tax Payments Extended

Members of the city council voted Tuesday to extend for another month the "period of grace" for payment of delinquent taxes without penalty or interest, Mayor Otis Harbert announced.

Up to July 1, \$3,051.37 in delinquent taxes had been collected since the council announced that they might be paid without the normal six percent penalty, according to city secretary Wesley Garrison. The council granted the period of grace in an effort to collect, without court action, a substantial portion of the \$12,000 in delinquent taxes on the city's books.

Sunset Exes to Meet Sunday

Sunday is homecoming day at the Sunset School. Members of the Sunset Ex-Seniors Association have stressed that everyone is invited, whether or not they ever attended the school. Registration will begin at 9 a. m. There will be a morning worship service, and an afternoon program and business session.

Lunch will be served at 11:30 by Roddy Griffith Catering Service of Munday. Plates will be \$1.15 each.

Herbert Partridge is president of the Ex-Seniors Association. Howard Myers is program chairman, J. E. Hunter arrangements chairman, and Mrs. J. E. Hunter publicity chairman.

FHA Operations Show Big Gain

In a recent interview, Wilburn A. Satterwhite, county supervisor of the Farmers Home Administration serving Knox, Baylor and Throckmorton counties, discussed agency operations in extending credit to farmers and ranchers in the area.

"The basic objectives of FHA is to extend credit to farmers and ranchers who are unable to obtain the credit they need from banks, other lending institutions or private sources," Satterwhite said, "and to provide technical guidance in developing resources, adopting improved practices and otherwise assisting farm families to become soundly established in a successful, well-balanced system of farming. Loans are made to buy, enlarge and improve farms; to purchase livestock and equipment, and to defray farm and home operating expenses."

Satterwhite stated that when he assumed the duties of county supervisor at Seymour in 1948, the office was located in one room of the courthouse and he and one clerk handled the servicing of all loans in the three-county area. The severe drought of the last seven years has altered the volume of lending activities considerably. Presently located in the Foyt Building, the county staff consists of a supervisor, two assistant supervisors and two office clerks. In addition the area office, in charge of Oris R. Bruner, was moved to Seymour in July of 1956. Mr. Bruner, who directs agency operations in this 15-county area, was previously located in Amarillo and has been with the agency 22 years.

Eligibility for loans is determined by a local three-man county committee. These men are appointed by the State Director and serve for three year periods, with one member replaced each year. Present members of the Knox County committee are John H. Atterbury, B. E. Smith and Earl A. Burgess. "To these men, and to those who served ahead of them belongs much of the credit for the success of our program," Satterwhite said. "We rely heavily on the advice and guidance of these men in the operation of all phases of the program."

Satterwhite said that in the three-county unit, \$3,141,974 has been loaned in operating credit since 1946, and that \$2,506,623 has been repaid, in addition to interest payments amounting to \$151,443. The outstanding principal balance is secured by chattel and crop mortgages.

Ninety-seven real estate loans for approximately \$1,164,000 have been made in the area. Approximately 30 of these were in Knox County, 15 of which have been paid in full—ahead of schedule, since the repayment period of these loans varies from 33 to 40 years.

Many of the farm families who have been extended credit have attained their planned goals; have reached a point where they no longer require credit, or because of their well-established operations, are able to obtain the credit they need from local institutions.

linquent taxes had been collected since the council announced that they might be paid without the normal six percent penalty, according to city secretary Wesley Garrison. The council granted the period of grace in an effort to collect, without court action, a substantial portion of the \$12,000 in delinquent taxes on the city's books.

Garrison said those who owe taxes have been notified, and no second notices will be mailed. Anyone who received a notice, and whose taxes have been paid, was asked to furnish a receipt so the city's books can be corrected.

The new deadline for payment without penalty is August 1, and everyone whose taxes are delinquent was urged to take advantage of the opportunity to clear their property without the additional charge.

Two Local Scouts Off to Jamboree

Doyle Gene Graham and Eddie Williams will leave Friday at 4 p. m. from Wichita Falls for the National Scout Jamboree. They will be in a group of 50 who will go from the Northwest Texas Council of Boy Scouts.

They will meet other Scouts from all over the state at Denison, where a special train will be formed Friday night. The group will go to the Jamboree by way of Washington, D. C., and New York City. They will be in camp at Valley Forge, Pa., from July 9 through July 19.

Chartered buses will take the boys to Philadelphia and Atlantic City during their stay at Valley Forge. Enroute home they will stop at Niagara Falls and Detroit. They will return July 22.

The boys are taking miniature cotton bales, oil well cores, horned toads and rattle snake rattlers to trade for souvenirs from other parts of the country. Also going from this area are Jimmy Lee, son of Mr. and Mrs. Travis Lee of Munday, and Andy Eiland, son of Dr. and Mrs. D. C. Eiland of Munday.

The group from the Northwest Texas Council has been at Camp Perkins two weekends to get organized for the camp-out at Valley Forge. They will do their own cooking during the camp. Troop Scoutmasters for the group will be Bill Brookreson of Seymour and Dr. Jack Lindsay of Vernon.

Jim Anderson Elected Leader Of Explorer Post

Jim Anderson was elected crew leader of the Explorer Post at an organizational meeting held at the Scout Hut last Thursday night.

Named assistant crew leader was Doyle Gene Graham. A second meeting was held Monday night to plant grass on the Scout Hut grounds. The six boys discussed plans for mobilization in case of an emergency in or near Knox City.

Joe Murray Clonts, post advisor, met with the group. All boys between the ages of 14 and 19 are invited to become members. Next regular meeting will be Monday night, July 8, at 8 o'clock.

Doyle Gene Graham Heads M. Y. F.

Doyle Gene Graham was elected president of the Methodist Youth Fellowship Sunday night.

Other new officers to serve for the ensuing year are Joe Vice, vice-president; Wynette Graham, secretary-treasurer; Terry Carter, reporter; Gerald Cypert, Christian Faith chairman; Judy Smith, Christian Witness chairman; Donna Gayle Fitzgerald, Christian Outreach; Jane Smith, Christian Citizenship; and J. Tom Graham, Christian Fellowship.

Mrs. Phil Colehour and Mary Parsons visited in Graham last Thursday night with their aunt, Mrs. Frank Choate, who suffered a stroke Wednesday.

Draft Board Members To Receive Awards

Certificates of Appreciation are to be awarded to two uncompensated members of the Selective Service System Local Board No. 82, which serves Knox, King and Baylor counties.

Presentation of the certificates will be made by the chairman of the board, Von R. Terry, at the Local Board office on the second floor of the courthouse at Benjamin, Tuesday, July 9 at 2 p. m.

A Certificate of Appreciation for 15 years of service will be given to Thomas R. West, Benjamin, in recognition for service rendered as registrar of the board.

Jake O. Cure, Seymour, will receive a certificate for five years of service as a member of the board from Baylor County.

School Improvements Planned at O'Brien

In a board meeting Tuesday night, members of the O'Brien school board gave Supt. Elvin T. Mathis the green light for improvements in the library, science department, and dressing rooms.

Mathis said the improvements will include purchase of new equipment for the science department, with the new state requirements in mind.

A new sprinkler system was installed Tuesday for irrigation of the 2-acre vocational agriculture plot and the football field.

The superintendent will be in Austin Monday for the annual meeting of the State Accreditation Commission. Wednesday he will go to Lubbock for a meeting with other superintendents concerning school lunchrooms.

HOT TIPS FOR HOT WEATHER

The "good old summertime" is here, and since Friday, Knox Citizens have been well aware of it.

With temperatures soaring well over the 100-degree mark, and lots of humidity, it is well to remember that too much sunlight and overexposure to high temperatures can cause trouble unless precautions are taken. Heat sickness will occur when the body's heat regulating system collapses during prolonged heat or overexposure to the sun. In sunstroke, body temperature rises, the skin becomes hot and dry, the face reddens and a shooting headache develops. Heat exhaustion is an entirely different thing. Its symptoms are below normal body temperature, cold clammy skin, pallor, dizziness and a dull headache.

The Texas Farm and Ranch Safety Council offers the following suggestions for preventing summertime troubles caused by heat: Avoid overexposure to direct sunlight and wear a hat when out of doors; avoid overexertion; wear light, porous and loose-fitting clothing; increase the use of salt in food and use salt tablets or salt in drinking water; drink plenty of water during the day but avoid ice water and alcohol; eat nutritious food but don't overeat; drink fruit juices or eat fresh fruit for a plentiful supply of Vitamin C and get plenty of rest and bathe regularly.

And a simple rule if first aid must be given to a person suffering from heat sickness is: If the patient is cold, make him warm; if he is hot, make him cool.

Social Security Man Here Next Week

A reminder was issued this week that a representative of the Social Security Administration will be at the city hall next Wednesday, July 10, at 10 a. m.

Persons who need information or assistance in Social Security matters may meet with the representative.

Mr. and Mrs. Ralph Barbee plan to move from Knox City to Coleman in two weeks. Barbee, who has been in Knox City with Pan American Oil Co. the past 18 months, will go to work for another company. Mrs. Barbee has been working in the Lone Star Gas Co. office the past three weeks.

Local Woman's Mother Dies Sunday

Funeral services for Mrs. P. H. Wilson of Riverside, Calif., will be held at Calvary Baptist Church in Grand Prairie, Texas at 10 a. m. Thursday. Interment will be in Stamford Cemetery, preceded by graveside rites at 5 p. m. Thursday.

Mrs. Wilson died at the home of a daughter, Mrs. Tommy Lee, in Riverside at 8 a. m. Sunday. She was the mother of Mrs. Otis Harbert of Knox City, who was at her bedside.

A former resident of Stamford and Grand Prairie, Mrs. Wilson had made her home in California the past two years. Her husband preceded her in death twelve years ago.

Charlie Moorhouse New President of Reunion Association

Charlie Moorhouse of Munday was elected president of the Texas Cowboy Reunion Association at the annual meeting in Stamford Tuesday.

Moorhouse succeeds H. E. Culwell of Avoca. Other officers elected were Dr. J. C. Davis of Ruled and Lasater; Hensley of Guthrie, vice-presidents; J. V. Hudson of Haskell, secretary; John Selman of Stamford, range boss; George Humphrey of Guthrie, wagon boss; W. B. Wilingham of Rotan, horse wrangler; Bob Beverly of Midland, wagon cook; and J. Spurgeon Reeves of Anson, historian.

The fire directors named were C. S. Brown of Abilene, J. E. Moorhouse of Benjamin, C. R. Elliott of Munday, Wayman Smith of Aspermont and Mrs. Porter Campbell of Ruled.

A colorful parade Tuesday launched the 27th annual Cowboy Reunion and Rodeo, and the affair will end with the contest finals Thursday night, July 4.

One of the winners in Tuesday's parade was Mike Tankersley, son of Mr. and Mrs. Loyd Tankersley of Knox City, who won first in the Junior cowboys and cowgirls division.

More Area Crops Show Damage From 2-4-D

Extensive damage to early cotton, believed caused by 2-4-D, has shown up in several more fields in Knox and south-Haskell counties since last week.

And with continued use of the commercial weed-killer reported in the vicinity of Haskell, farmers are apprehensive that

damage may show up in the young cotton within a few days.

After deteriorating cotton was first noted last week, and agricultural chemists had blamed 2-4-D, Commissioner of Agriculture John C. White was contacted and a representative of his department visited some of the damaged crops. Tuesday of this week two other men from the State Agriculture Department were in the area. They talked to farmers and examined fields in the Munday, Knox City and O'Brien area, and were enroute to Rochester where damage had also been reported.

The men also talked to County Judge L. A. Parker about putting Knox County under Herbicide Regulation No. 1, and planned to talk to the Haskell County judge.

Knox County commissioners have already called a public hearing for Monday, preparatory to putting the county under the provisions of the law, and farmers hope Haskell County will follow suit. The action will have no effect on damage already done, but will govern the use of 2-4-D and related chemicals in the future.

Under Herbicide Regulation No. 1, as amended, applicators of 2-4-D or related herbicides must be under \$20,000 bond plus \$2,000 for each piece of equipment used. In addition, the law provides regulations as to weather conditions, and calls for complete reports on the use of the chemicals, so that financial responsibility may be established for any damage done.

There is some difference of opinion as to just how much damage crops in the area have sustained. Leaves shrivel and deteriorate, but some agricultural men believe the plants will "grow out of it" to an extent. Some area farmers, however, had personal experience with 2-4-D several years ago, when contaminated insecticide was applied, and found that plants appeared to recover from the damage but failed to produce.

Savings Bonds Sales in County 38 Percent of Goal

W. E. Braly of Munday, chairman of the Knox County Savings Bonds Committee, reports that Savings Bonds sales in the county were \$7,023 during the month of May. Sales during the first five months of 1957 were \$116,841 or 38 percent of our year's goal.

"I feel that if every citizen of Knox County will buy an extra bond during the remainder of 1957 our county will reach its goal," Braly said. "There is no safer investment than U. S. Savings Bonds since both the principal and interest are fully guaranteed by our government. Savings Bonds now earn 3 1/4 percent interest compounded semi-annually when held to maturity, and they now mature in eight years and eleven months."

Under Herbicide Regulation No. 1, as amended, applicators of 2-4-D or related herbicides must be under \$20,000 bond plus \$2,000 for each piece of equipment used. In addition, the law provides regulations as to weather conditions, and calls for complete reports on the use of the chemicals, so that financial responsibility may be established for any damage done.

There is some difference of opinion as to just how much damage crops in the area have sustained. Leaves shrivel and deteriorate, but some agricultural men believe the plants will "grow out of it" to an extent. Some area farmers, however, had personal experience with 2-4-D several years ago, when contaminated insecticide was applied, and found that plants appeared to recover from the damage but failed to produce.

The cost of several "special services" was increased, effective Monday, at the Knox City postoffice and elsewhere over the nation.

The increases in special service charges were announced by Postmaster General Summerfield a month ago. The new rates are designed to help reduce the 651 million dollar deficit in the postoffice department in fiscal 1958. The hikes are expected to yield about 28 million dollars a year in additional revenue.

No postal rates that are set by congress have been increased. The service charges are fixed by the postmaster general.

The increases that went into effect Monday are:

Special Delivery — From 20 to 30 cents for items up to two pounds, with similar 10-cent increases in the other weight categories.

Money Orders — An additional five cents on each, raising the minimum charge from 10 to 15 cents.

Notices of Undeliverable Second, Third and Fourth Class Mail — From three to five cents per notice.

Registered Mail — Where liability is limited to \$1,000, as now, an increase in the minimum fee from 40 to 50 cents, with the \$1,000 rate raised from \$1.75 to \$2.00. The department will expand this service to include liability up to \$10,000, for which the charge will be \$4.25. The return receipt fee will be advanced to 10 cents from seven cents.

C.O.D. Service — From 20 to 50 cents on items which must be delivered to a specific individual.

Insurance Fees — Increases ranging from five to 10 cents on items valued above \$10.

Certified Mail — An increase in the service charge from 15 to 20 cents, with the return receipt raised from 7 to 10 cents. The charge for delivery to a specified person is hiked from 20 to 30 cents.

Special Handling for Parcel Post Items — The present range of 15 to 25 cents advanced to 25 to 50 cents.

Mr. and Mrs. Cecil Seitz

OLENE BROWNING, CECIL SEITZ ARE MARRIED HERE SATURDAY

Olene Browning, daughter of Mr. and Mrs. Finnice Walker, was wed to Cecil William Seitz, son of Lee Seitz of Eldorado, Okla., in a double ring ceremony at 4:30 Saturday afternoon, June 22, in the home of the bride's parents.

Rev. S. E. Stevenson, pastor of the First Baptist Church in Kim, Colo., officiated.

Vows were exchanged before a candle-lighted archway covered with white gladioli, white daisies and fern, and centered with two white wedding bells. The archway was flanked by baskets of white gladioli and blue daisies. Sprays of fern and palm formed the background for the nuptial setting.

Mrs. E. Q. Warren, pianist, performed because of You and Always, and accompanied Mrs. A. V. Kemletz as she sang Because.

Given in marriage by her father, the bride wore a semi-formal gown of blue lace and net over blue satin. A bolero of blue lace covered the fitted bodice and came to points over the hands. The skirt was fashioned with layers of blue lace and net. Her veil of pale blue nylon tulle fell from a Juliet head-dress.

She carried a white Bible lined with white satin and Chantilly lace and topped with white gardenias and lily of the valley and blue and white satin streamers tied in lovers' knots. For something old she carried a handkerchief, a gift from her great-grandmother; the Bible was something new; something borrowed was a garter worn by her two sisters at their weddings and something blue was her

Farm Population In Texas Increases

The big "drouth" in Texas farm numbers appears to be broken! Latest estimates indicate a 1956 increase of 15,000 farm residents over 1955 figures and a jump of 30,000 since 1954. Yet, Texas' 1,156,000 farm residents last year comprised only 13.2 percent of the state's population and 5.2 percent of the nation's farm people, according to a state-wide survey conducted jointly by the Texas Agricultural Experiment Station and the USDA's Agricultural Marketing Service. Rural Sociologist R. L. Skrabanek says the continuing trend of farm numbers to become a smaller proportion of the state's total population is due primarily to extremely rapid urban population gains.

Things have changed since the "good old days," Skrabanek

points out, modern emphasis centers around increased production instead of increased population per unit. In 1930, for instance, more than 40 percent of the state's citizens lived on farms and ranches, but today's agriculture must depend on new techniques and increased efficiency to meet constantly growing demands for better food and fiber. The individual farmer is, therefore, becoming more and more important to the welfare of his country, Skrabanek concludes.

Farms are getting bigger, too. The state average is now estimated at 500 acres—well above 1950's average of 438 acres, and more than double the size of 1930 farms. Fewer farms, each containing more acres than ever before, is the situation of today. There are less than 4 people on each of Texas' 292,000 farms today, charged with a job handled by 332,000 farms in 1950.

TIME TO ASK FOR REFUND ON FEDERAL GASOLINE TAX

Farmers are reminded by C. H. Bates, extension farm management specialist, that they may now apply for a refund on the 3-cent Federal tax on gasoline used for farming. The amount claimed must be based on the quantity of fuel used for farming purposes on individual farms and ranches during the period from July 1, 1956 to June 30, 1957.

Bates says all claims must be submitted to the District Director, Internal Revenue Service, and claims for the past year must be in by September 30, 1957. Only one refund claim per farm operator will be permitted and each tax claimant is cautioned to make certain that his refund request includes all eligible fuel used.

Each farm or ranch operator who applied for tax refunds in 1956 will be mailed Form 2240 for filing the 1957 claim. An instruction sheet for preparing the application will also be provided. For new fuel users or those who failed to file last year, copies of the filing form may be obtained from the office of the county agent.

The specialist advises agricultural producers who used an appreciable amount of gasoline last year in their farming or ranching operations to check into their eligibility for a refund. The legislation which makes possible the refund was passed by Congress in 1956 and farmers unfamiliar with the procedure should contact their local county agent or the Internal Revenue Service for details.

A/2c and Mrs. Errol S. Bloxham of Roswell, N. M., spent the week end with her parents, Mr. and Mrs. J. G. Hawkins.

A. K. Johnson of Pasadena, Texas is here visiting his aunt and uncle, Mr. and Mrs. W. P. White, and Monty.

Mr. and Mrs. J. N. McGaughey and young son left Friday to make their home in Dumas, where Mr. McGaughey is employed by the Soil Conservation Service. They had spent the past two months with their parents, Mr. and Mrs. F. A. Johnston and Mr. and Mrs. M. D. McGaughey.

Mr. and Mrs. Pat O. Riley and Kathleen of Sherman are here spending the week with her parents, Mr. and Mrs. Frank McAuley Sr., and other members of the family.

Andy Hudson of Ft. Worth is spending this week with Samantha Graham and other Knox City friends. She is the daughter of Mr. and Mrs. W. B. Hudson, former residents.

Mrs. R. E. Carr and Ann of Ft. Worth came in Monday night to spend this week with their son and brother, Eddie Carr, and family and to visit other relatives in this area.

Mr. and Mrs. Elvin T. Mathis moved from Mattson to O'Brien Saturday. Mathis is new superintendent of the O'Brien Schools. They painted and redecorated the teacherage before moving in.

Mrs. W. H. Benedict and Mabel Pyeatt returned last Wednesday from Austin where they visited their daughter and sister, Mrs. Everette Kelly, and family.

Dr. and Mrs. Ben Selman of Dallas spent the week end with her sister, Mrs. Charles G. Markward, and family. Chuck Markward returned home with them to spend the week.

Mr. and Mrs. Bob Gage and Mrs. Sam Lusk spent Sunday in Lubbock with relatives.

Mrs. Ben Knight spent the week end in Mangum, Okla., with her parents. Her sons, Greg and Eddie, remained in Mangum to spend this week with their grandparents.

Mr. and Mrs. E. F. Keneda of Oklahoma City visited in Knox City Monday night and Tuesday. Mrs. Keneda is the former Angie Spillers.

THE KNOX COUNTY HERALD, THURSDAY, JULY 4, 1957

Mrs. J. R. Hughey and children of Houston arrived last Wednesday to visit her father, Otis Harbert, while Mrs. Harbert was with her mother in California.

"WHERE QUALITY, ECONOMY AND COURTESY MEET"

Beauty in motion—Chevrolet Bel Air Sport Sedan with Body by Fisher.

Here's why Chevy's best showroom is the road!

Because Chevrolet's sleek good looks, its advanced features, are only part of the story. The big bonus is its remarkable *roadability*, the crisp precision handling that has posted an entirely new standard for cars in every price class. You can't read about that . . . but you can *feel* it in one minute on the road!

Good drivers know roadability is the single thing that means more

driving satisfaction for more thousands of miles than anything else. More *safety*, too, for it grants greater stability on curves, greater traction on wet roads, better "bite" under hard braking, more accurate steering. There are reasons for all this, of course: Chevrolet's balanced weight distribution that takes excessive loads off the front wheels, the wide stance of outrigger rear springs, Ball-Race steering, spherical-joint front suspension. Sure, you can admire the sculptured lines in the showroom. But Chevy's

a car specifically designed for beautiful motion—you have to *travel* in this one to know just how terrific it is. Try it, this week!

DOYLE GRAHAM KNOX CITY JIMMY LYNN

RETURN FROM VACATION

Mrs. Bud Carver and Barbara returned home Saturday from a two weeks vacation. Barbara was a bridesmaid at a wedding in Phoenix, Ariz., June 20.

The bride was her former roommate at Hardin-Simmons University.

From Phoenix the Carvers drove to Santa Ana, Calif., for a visit with Mr. Carver's sister,

Mrs. L. E. Nance, and Mr. Nance. They visited several television shows, including Queen for a Day and It Could Be You. They also visited Disneyland and other points of interest. Enroute home they visited relatives and friends in Imperial, Calif. They were accompanied home by a cousin, Janie Gore, who will spend a month here visiting her great-aunt, Mrs. Lydia Carver, and Inez, and her mother's sister and brother, Miss Lou Vance and Ewell Vance, until her parents come for her about August 5.

Mr. and Mrs. Edd Smart and boys, who moved to Haskell last week, visited with Knox City friends a while Monday morning. They were enroute to Lubbock to be with Mr. Smart's brother, who underwent lung surgery.

NOTICE

I've been practicing very little since January, and am now back in my office and ready for patients again.

Open every day except Saturday and Sunday.

Dr. W. A. Robinson

ROCHESTER, TEXAS 2c30

O'Brien News

Mrs. D. C. Foreman, Mrs. Gusie Griffith and Mrs. Annie Schwartz, all of Orange, visited Mr. and Mrs. R. T. Carney last week. Mrs. Foreman and Mrs. Griffith are Mrs. Carney's sisters.

Mr. and Mrs. Melvin Sparks and children of California visited Mr. Sparks' grandparents, Mr. and Mrs. T. J. Sparks, over the week end.

Sandra Ellis is visiting Mrs. Bertha Gothard and June Molton and Kimmie in Waco.

Mr. and Mrs. Ted Stanfield and Martha of Ft. Worth spent the week end with Mr. and Mrs. J. E. Stanfield.

Mrs. Billy Duncan and children of Odessa visited Mr. and Mrs. A. D. Hodges and Mr. and Mrs. Les Duncan last week.

Mr. and Mrs. Alvin Hines of Electra visited Mr. and Mrs. Ranzy Herring over the week end.

Mr. and Mrs. E. C. King visited their daughter, Mrs. Joe Sharp, and Mr. Sharp in Denton Saturday.

Mr. and Mrs. Henry Clark and daughter spent the week end in Arlington with their daughter, Mrs. Johnny Helms, and family.

Freddie and Robin Clark are visiting Mr. and Mrs. Cecil Self and children in Dallas.

Mr. and Mrs. Kenneth Johnston and Karen of Farmington, N. M., and Mr. and Mrs. Babe Banner of Littlefield visited Mr. and Mrs. C. B. Banner last week.

Mrs. Bill Johnston is visiting

her parents, Mr. and Mrs. Anderson Austin, in Lubbock.

Mrs. E. L. Hughes and Mrs. Sam Johnston accompanied a group of Sunbeams to the encampment at Lueders last week. Sunbeams attending were Gayle Rowan, Jerry Joe Brothers, Ronnie Hughes, Richard Barnard, Nelda Covey, Carol Cox, Susan Vannoy, Cindy and Shirley Johnston and Trudy Woodall.

Mr. and Mrs. Dwight Griffin and girls attended a Roberson family reunion in Seymour Sunday.

John Covey and Mr. and Mrs. O. S. Covey attended a Covey family reunion at Possum Kingdom Lake over the week end.

Mr. and Mrs. J. C. Black of Truscott and Mr. and Mrs. Ottis Cash were in Abilene Sunday to visit Mr. and Mrs. Ed Black and Mr. and Mrs. Cash's son, Joe, who is a student in A.C.C.

Mr. and Mrs. Wright Pressley and children of Ft. Worth spent last week end with Mrs. Pressley's sister, Miss Ethel Lemond.

Browning-Seitz—

(Continued from Page 1)
wedding attire.

Mrs. Wayne Hutchinson was her sister's matron of honor. She wore a pale orchid dress of nylon tulle over layers of net and taffeta. Her Juliet headdress was of white net and seed pearls and she carried a bouquet of white gladioli.

Bridesmaids were Mrs. Sammy White, sister of the bride, and Miss Patricia Compton. They wore similarly styled dresses of pink net over pink satin and headdresses similar to Mrs. Hutchinson's. They carried bouquets of blue and white daisies with white satin streamers.

Junior bridesmaid was Karen Lea White, niece of the bride.

She wore a pink organdy dress, accented with rhinestones, and carried a bouquet of blue and white daisies.

Jalene Browning, daughter of the bride, and Teresa White, niece, were flower girls. They wore identical dresses of blue organdy with rhinestone trim. The bride's mother wore a pink lace dress and a matching pink lace hat. Her corsage was of white carnations tied with pastel blue ribbon and net.

Albert Lee Seitz of Eldorado was his brother's best man. Ushers were Weldon Hutchinson and E. L. Pharr of Ft. Worth. Wayne Hutchinson and Sammy White were groomsmen, and Jackie Fisher, son of Mr. and Mrs. Jack Fisher, was junior usher. David Neil Perdue and Bobby Driver were candlelighters.

Following the wedding, a reception was held in the home. The table was laid with a white taffeta cloth. Blue and white carnations centered the table. Each corner of the ruffled cloth was tied with a cluster of blue and white carnations. The blue and white 3-tiered cake was topped with a miniature bridal couple under a white archway, and a wide ruffle of blue net was placed around the bottom of the cake.

Mrs. White and Miss Compton served the cake and punch. Mrs. E. L. Pharr registered guests.

For going away, the bride wore a beige-satin and Chantilly lace sheath dress with beige accessories. Her corsage was of white gardenias.

The newlyweds returned Sunday from a wedding trip to New Orleans. They are making their home in the C. C. Hutchinson rent house. Mr. Seitz is employed by the Soil Conservation Service in Knox City.

Out-of-town guests were Mr. and Mrs. Garland Seitz and Joe of Dallas, Mr. and Mrs. M. T. Seitz of Pampa, Mrs. Lee Seitz of Altus, Okla., Mrs. Ernie Seitz of Dallas, Mrs. S. E. Stevenson of Kim, Colo., and Mr. and Mrs. Alton Seitz of Abilene.

COVEY FAMILY REUNION HELD AT POSSUM KINGDOM

The annual Covey family reunion was held at Possum Kingdom Lake Friday, Saturday and Sunday.

Present were the seven children of the late Mr. and Mrs. John Covey and their children, and a number of guests.

The children are O. S. Covey of Knox City, Mrs. Neal Tedford of Clyde, Mrs. E. A. Williams of Haskell, Mrs. E. D. Williams of Henrietta, Floyd Covey of North Carolina, Claude Covey of Haskell and John Covey of O'Brien.

Other relatives attending were Neal Tedford and Pansy of Clyde, Mrs. O. S. Covey of Knox City, Mr. and Mrs. Jute Whitney and children of Grandfalls, E. A. Williams, Alice, Tony and Carl Williams of Haskell, Mrs. Victor Lowrey, Terry and Beth, of Haskell, Mr. and Mrs. Edwin Williams and Don and Joe of Wichita Falls.

Mr. and Mrs. Loyd Quisenberry, Jerri and David of Ft. Worth, Mr. and Mrs. John K. Williams and Debbie of Odessa, Katie Covey of North Carolina, Mr. and Mrs. Harlan Tedford and Pamela of Abilene, Mr. and Mrs. Loyd Tankersley, Mike and Pat of Knox City, Mr. and Mrs. Clyde Covey of O'Brien, John and Jerry Covey of O'Brien, L. A. Covey of Abilene, Delton Williams and Trudy of Olney.

Guests for the reunion were Mr. and Mrs. Alfred Baize and Mr. and Mrs. Gragdon Baize and children of Gorman, and Mrs. Ross Young and Norma Jean Pearce of Abilene.

SMART FAMILY HONORED

Mr. and Mrs. Edd Smart and their sons, Eddie and Glen, were honored with a farewell party by the Christian Ambassadors class of the Methodist Church.

The Smart family has moved to Haskell. Smart is an employee of Service Pipeline Co. and had been in Knox City four years.

Fifty-three were present at the party. A gift of an electric waffle iron and sandwich grill was presented to the honored family.

Those present included Mr. and Mrs. Paul Hoge and children, Mr. and Mrs. Doyle Graham and children, Mr. and Mrs. E. E. Watkins and daughters, Mr. and Mrs. Alton Fitzgerald and children, Mr. and Mrs. Bill Colwell and children, Mr. and Mrs. Paul Fitzgerald and daughter, Mr. and Mrs. Dan Steakley and Sue, Dr. and Mrs. Chas. Markward, Ben Selman, Mr. and Mrs. Les Cowan and boys, Mr. and Mrs. A. V. Kemletz, Mr. and Mrs. Neil Perdue and Charlotte, Mrs. Walter Driver, Bobby Driver, Mrs. Guy Robinson, Mr. and Mrs. Everett Sanders and son, Mr. and Mrs. John Hansen and children, and the honor guests.

Mr. and Mrs. J. Rollie Pray of Ft. Worth spent Monday night here with their daughter, Mrs. C. E. Williams, and family. They were enroute to California to attend the National Elks Convention. Philip Williams, who had spent a week with his grandparents, returned to Knox City with them.

Jerry Frazier returned to her home in Austin Wednesday after a visit here with her brother, Rev. Billy Frazier, and family.

the little flame that freezes ...

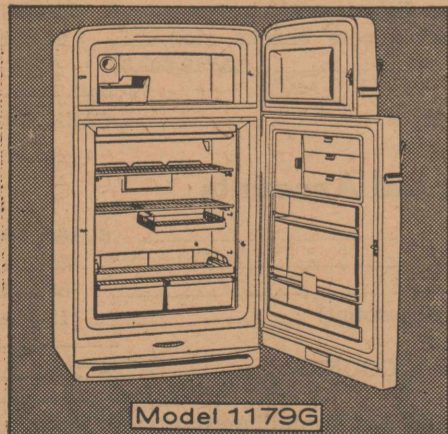

secret of today's most amazing refrigerator

Thirty years ago came the first "electric ice boxes" ... costly, complicated, noisy, and glutions for current. Two Swedish chemists decided there must be a better way and discovered The Little Flame That Freezes. A tiny gas flame made all other refrigerators old-fashioned! No noise! Nothing to wear out! They had discovered the refrigerator that was 30 years ahead of its time! It still is!

SILENCE THAT SAVES YOU MONEY!

THE LITTLE FLAME THAT FREEZES GIVES YOU TODAY'S MOST EFFICIENT REFRIGERATOR ...

Model 1179G

the 30-years-ahead SERVEL GAS REFRIGERATOR

You benefit three ways from the efficient simplicity of GAS! No moving parts in freezing system ... nothing to wear out or break down.

No noise! That Silent Little Flame That Freezes maintains constant cold at minimum cost: Yes, month after month gas costs you so little that over the years your Servel actually saves you money!

makes ICE WITHOUT TRAYS

Freezes "ice circles" without trays, stores and replenishes them automatically.

- 70 POUND FREEZER
- 12-POSITION COLD CONTROL

Streams In Desert Places

By Ozelle Stephens

In accepting life in the right spirit we find happiness in persecution. The Lord promised that the persecuted would be blessed. He said, "Rejoice, and be exceeding glad; for great is your reward in heaven. For so persecuted the prophets which were before you." (Matt. 5:12). James said, "Count it all joy when you fall into divers temptation ..." (Jas. 1:2). Real Joy is not found in comfort, ease and luxury. You should be happy when you are persecuted for you are being processed for heaven.

Persecution is one of the natural consequences of living the Christian life. When there is pain, there is development, when there is suffering there is glory, when there is struggling there is victory, when there is persecution there is reward. Remember God will establish and strengthen you, and all things work together for good to them that love God.
