Streams In Desert Places

By Ozelle Stephens  
"A friend loveth at all times."  
(Prov. 17:17).

True friendship is Blessed of God. Throughout the Scriptures we find God using this means of working His will in many a life. The friendship of David and Jonathan being the most noble one. We see one of royal purple give his honored robe to a humble shepherd boy. David in turn proved himself worthy of the honored place. God rejoiceth when His children can find joy and satisfaction in the friendship of their fellow man.

God will bless you who able in His grace to bring love and peace to lonely and disturbed hearts.

When you look around you will find many with aching hearts who need a tender expression of personal interest and friendship. Can Christ use you to let His love and concern Stream through to them? In true friendship you will find life's sweetest joys.

## Local Couple's Granddaughter Weds In Ceremony at Canyon August 3

Joseph A. Hill Memorial Chapel in Canyon was the scene Saturday, August 3, for the marriage of Miss Floella Cubine, daughter of Mr. and Mrs. E. L. Cubine of McLean, to William Neil Quattlebaum, son of Mr. and Mrs. W. C. Quattlebaum of Hereford.

The Rev. Jim Pickens, pastor of the First Methodist Church in Vega, read the double-ring ceremony. The couple knelt at an altar draped with white satin and decorated with large gold vases of white majestic daisies. Candelabra and floor baskets of yellow gladioli and majestic daisies flanked the arrangement.

Mrs. Glen Dowlen of Canyon, organist, played a prelude of nuptial selections and accom-

panied Mrs. L. N. Bridges Jr. of Amarillo, aunt of the bride, when she sang I Love You Truly, Because, and The Lord's Prayer.

As maid of honor, Miss Cynthia Hull of Amarillo wore a dress of white silk organza over yellow taffeta enhanced by a cowl neckline of yellow chiffon which ended in draped streamers in back. She carried a cascade arrangement of white majestic daisies.

Charles Quattlebaum, brother of the bridegroom, was best man. Ushers were Carroll Hall of Amarillo and Bill Hunter of Dalhart.

Given in marriage by her father, the bride wore a ballerina length dress fashioned with a scoop neckline and pin-tucked bodice. Cap sleeves were French chantilly lace, and the bouffant skirt was trimmed with silk violets. Her veil of French illusion fell from a half shell headdress covered with white satin violets. She carried a white cattleya orchid surrounded by stephanotis and white satin streamers atop a white Bible.

Following the ceremony the bridal party was honored with a reception in Cousins Hall parlor on the campus. The reception table was laid with white lace and centered with an arrangement of white majestic daisies tied with white bridal lace and wedding bells. Miss Mar-

tha Sue Bridges of Anton served the cake, assisted by Mrs. Don Light of Stinnett. Miss Wylajean Quattlebaum, sister of the bridegroom, presided at the punch bowl and Mrs. Lee Presswood of Abilene registered guests.

For a wedding trip to Colorado Springs, Colo., the bride wore an amethyst linen suit with white accessories and a white orchid corsage. On their return, the couple will be at home at 142 Wayside Drive, Amarillo.

Mrs. Quattlebaum, grand daughter of Mr. and Mrs. L. N. Bridges Sr. of Knox City, is a graduate of McLean High School and West Texas State College, Canyon. At WTSC she was a member of Who's Who in American Colleges and Universities and was affiliated with Pi Omega sorority, Tau Beta Sigma sorority, Gamma Theta Upsilon, the Student Senate, and the Wesleyan Foundation. She is a teacher in the Amarillo public schools.

The bridegroom is a graduate of the Clayton, N. M., high school and has served four years with the U. S. Navy. He is now a senior at WTSC, where he is majoring in mathematics. While in college he has been a member of the Student Senate and the Wesleyan Foundation. In September he will be employed by Blackburn Brothers in Amarillo.

Mrs. Bridges was in Amarillo visiting her son, L. N. Jr., and family and attended her granddaughter's wedding. Another son, Jim, of Anton came to Knox City and stayed with his father, who is ill, during Mrs. Bridges' absence.

## Former Resident Weds at Ballinger

Mr. and Mrs. J. C. (Doc) Wilson of Ballinger, formerly of Knox City, have announced the marriage of their daughter, Diane, to Weldon Hale Brevard on July 27.

The bridegroom is the son of Mr. and Mrs. Flay Brevard.

The bride attended Knox City schools and graduated from Ballinger High School. She attended Texas Tech at Lubbock, where she was a member of Kappa Theta sorority and was nam-

ed Miss Top-Flight, Maid of Cotton alternate, and Miss Wool finalist in 1955.

Brevard will be a senior at McMurry College, Abilene, this fall. He is captain of the McMurry Indian football team. The couple will live in Abilene.

Mr. and Mrs. Paul Hoge and children left today for a short vacation in Austin with his sister, Mary Leone Hoge. Enroute home Sunday they will visit another sister, Mrs. Dan Steakley, and family in Temple.

"Section 62. (a) The Legislature shall have the authority to levy taxes to provide a State Retirement, Disability and Death Compensation Fund for the officers and employees of the State, and may make such reasonable inclusions, exclusions, or classifications of officers and employees of this State as it deems advisable. The Legislature may also include officers and employees of judicial districts of the State who are or have been compensated in whole or in part directly or indirectly by the State, and may make such other reasonable inclusions, exclusions, or classifications of officers and employees of judicial districts of this State as it deems advisable. Persons participating in a retirement system created pursuant to Section 1-a of Article V of this Constitution shall not be eligible to participate in the Fund authorized in this Subsection; and persons participating in a retirement system created pursuant to Section 45-a of Article III of this Constitution shall not be eligible to participate in the Fund authorized in this Subsection except as permitted by Section 63 of Article XVI of this Constitution. Provided, however, any officer or employee of a county as provided for in Article XVI, Section 62, Subsection (b) of this Constitution, shall not be eligible to participate in the Fund authorized in this Subsection, except as otherwise provided herein. The amount contributed by the State to such Fund shall equal the amount paid for the same purpose from the income of each such person, and shall not exceed at any time five per centum (5%) of the compensation paid to each such person by the State.

"All funds provided from the compensation of such person or by the State of Texas for such Retirement, Disability and Death Compensation Fund, as are received by the Treasury of the State of Texas, shall be invested in bonds of the United States, or in bonds issued by any agency of the United States Government, the payment of the principal of and interest on which is guaranteed by the United States; or in such other securities as are now or hereafter may be permitted by law as investments for the Permanent University Fund or for the Permanent School Fund of this State, under the same limitations and restrictions imposed by the Constitution for investment of those funds and subject to such regulations as the Legislature may provide. However, a sufficient amount of said Fund shall be kept on hand to meet the immediate payment of the amount likely to become due each year out of said Fund, such amount of funds to be kept on hand to be determined by the agency which may be provided by law to administer said Fund.

"Should the Legislature enact enabling laws in anticipation of the adoption of this Amendment, such legislation shall not be invalid by reason of its anticipatory character.

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at a special election to be held throughout the State on the first Tuesday after the first Monday in November, 1957, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment amending Subsection (a) of Section 62, Article XVI of the State Constitution, relating to establishment of a retirement, disability and death compensation fund for officers and employees of the State."

1946 Study Club Has 'Informal' Breakfast

A "come as you are" breakfast was held at The Woman's Club Tuesday morning as a fund-raising activity of the 1946 Study Club. Hostesses, and the only members with advance knowledge of the breakfast, were members of the finance committee, headed by Mrs. Henry L. White. The committee is composed of Mrs. Sam E. Clonts, Mrs. Herbert Bellinghausen and Mrs. Billy Gene Johnston. They were assisted by Mrs. Paul Hoge, Mrs. C. E. Williams and Mrs. C. G. Markward.

While four of the hostesses drove over town to wake and pick up victims, three prepared hot biscuits, coffee, bacon, eggs, jelly and butter to be served.

The victims, sometimes refer-

red to as "guests," had to come as they were when the club members called at their homes. For each item of clothing they put on, or primping done to improve their appearance, they were charged a quarter. Several came without shoes, a few without glasses, but no one without teeth.

Few of the women had extra quarters to spend, from the looks of them. As one "guest" remarked, "My only consolation is that I don't have to look at myself!"

Mrs. White reported \$30 added to the club fund. She also warned that another breakfast is planned for "just any morning."

Directors Approve W.T.C.C. Program

The program of the West Texas Chamber of Commerce for the coming year has been approved in its entirety, according to Knox City's WTCC director B. B. Campbell, president of the Citizens State Bank.

He said the program was approved in a meeting of all WTCC directors in the district which was recently held in Wichita Falls. The district meeting was one of ten throughout West Texas during the latter part of July.

In the meetings, the organization's president, B. E. Godfrey of Ft. Worth, presided. Fred H. Husbands, executive vice-president of the WTCC, gave the report on planned activities.

The report covered each of the phases of endeavor carried on by the regional chamber including agriculture and livestock, state and national affairs, community services, industrial development, public information, water resources and member relations.

Cotton Council Seeks Funds

(Continued from Page 1)

others equal to cotton in absorbency, heat resistance and water repellency. Fortunately for the cotton farmer, not all these qualities are present in one synthetic fiber."

Cotton's most serious competitor is rayon, because of its price advantage of from 4 to 8 cents a pound. The blending of rayon with cotton fabrics, which used to be all cotton, is eroding markets away.

Discussing promotion, the speakers said that synthetics producers spend \$20 million annually to sell their products, compared to less than \$1 million by the entire raw cotton industry. "Cotton produces several times as much fabric," Sears said, "yet the industry spends \$19 million a year less for promotion and advertising."

Due to the efforts of the National Cotton Council, which is made up of 247 delegates named by farmers, ginners, wholesalers, millers and other segments of the cotton industry, domestic cotton consumption has risen by more than three million bales annually since 1923. Pointing out that the world population increases by more than 1 1/2 percent annually, the speakers said cotton's potential is unlimited.

"If cotton can merely hold its share of the domestic and foreign market," they said, "the present trend can be reversed and a market for 15 million can be built in four or five years, whereas if the present trend continues the market will be only 8 million bales. If we can increase cotton's share of the domestic fiber market as little as one percent per year, our market can increase to more than 17 million bales by 1960 and more than 20 million bales by 1965."

The National Council proposes to bring about this increase by more extensive promotion and research. The council's activities are presently financed by a voluntary 10-cents a bale levy on raw cotton, and similar levies on other segments of the industry. The council seeks to raise this levy to 20 cents per bale from the farmer, with proportionate increases on ginners, mills, etc.

"While this will fall far short of meeting our competitors' budget," Gregg said, "we feel that we do not have to meet their expenditures to meet their threat."

Highway Patrol Gives Report on Accidents in County

The Highway Patrol investigated two traffic accidents in Knox County in June, with a total property damage of \$390, according to Capt. K. B. Hallmark Jr., commanding officer of the Wichita Falls district.

Over the district as a whole patrolmen contacted 3,207 traffic law violators in July, Capt. Hallmark added. The officers arrested 782 drivers, and warnings were issued to 2,425.

Speed was the leading cause of arrest, with passing violations second and defective equipment third.

Be happy! Live Better—Electrically

**Who takes over when Mother takes off** →

We bet it's Father and we bet he leans heavily on the family's *Electric Servants*.

And why not? Electric servants draw mighty low wages. Lower, even, than they were 25 years ago. For instance, if yours is the typical American home, you're getting twice as much electricity for your dollar today as you did in 1922. Your electric bill may be higher, but that's because electricity is doing so much more for you now.

• Actually in homes served by WTU, the average cost of a kilowatt-hour of electric service is 20% LESS than it was 10 years ago!
