

THE KNOX COUNTY HERALD

VOLUME 52

KNOX CITY, KNOX COUNTY, TEXAS, THURSDAY, AUGUST 29, 1957

NUMBER 39

That big whooshing sound you heard this morning wasn't the wind... it may have been a concerted sigh from a lot of youngsters saying goodbye to summer vacation.

Or on the other hand it may have been a lot of mothers sighing with relief at seeing their children go back to school after a summer underfoot... or a sigh of regret from mothers of six-year-olds, seeing their tots off to school for the first time.

Anyway vacation is over, school has started, and Knox City children are in the hands of their teachers.

And they're in good hands, according to this description of "The Teacher" we found in a trade publication:

"To a child thrust into a strange world, a good teacher is the best thing that can possibly happen.

"A teacher is Courage with Kleenex in his pocket, Sympathy struggling with a zipper, and Patience with papers to grade.

"Teachers spend twelve hours a day searching for truth and the other twelve hours searching for error.

"They are indispensable, invincible, and nearly inexhaustible.

"A teacher really does not mind sniffles, squirmings, stomach aches, spills, sloth and sauciness. Neither does she disintegrate before tears, trifles, fights, futility, excuses, parents who spout, little boys who shout, and little girls who pout.

"Most of all, a teacher is somebody who likes somebody else's children—and still has enough strength left to go to the football game.

"Thank heaven for teachers."

Six-Man Football Schedule Announced

Elvin T. Mathis, chairman of District 4, Six-Man football, has announced the district's schedule for this season.

Coaches, superintendents and officials in the district met at the O'Brien school Monday night to complete plans. Teams are allowed ten games during the season.

Lueders, who this week dropped out of 11-man play, met with the group Monday night to arrange a schedule. Lueders will probably play Vera, Paint Creek and Goree, since all other teams in the district had previously scheduled their ten games, according to Mathis.

The schedule is as follows, with September games beginning at 8 p. m. and October and November games at 7:30:

Sept. 6: Roaring Springs at Weinert; Harold at Benjamin; Paint Creek at Bula; Mattson at Guthrie; Vera at Odell; and O'Brien at Oklaunion.

Sept. 12: Odell at O'Brien; Hobbs at Paint Creek.

Sept. 13: Peacock at Mattson; Harold at Vera; Oklaunion at Benjamin; Weinert at Guthrie; Goree at North Side, Vernon.

Sept. 19: Mattson at Paint Creek.

Sept. 20: Weinert at Ackerly; Benjamin at Odell; Goree at Oklaunion; Roaring Springs at Vera; O'Brien at North Side.

Sept. 26: Vera at Weinert; Paint Creek at O'Brien.

Sept. 27: Goree at Mattson; North Side at Benjamin.

Oct. 3: O'Brien at Vera; Hobbs at Weinert.

Oct. 4: Mattson at Harold.

Oct. 5: Paint Creek at Forsan; Benjamin at Goree's homecoming.

Oct. 10: Weinert at O'Brien; Paint Creek at Benjamin; Vera at Mattson.

Oct. 17: Goree at Paint Creek; Mattson at Weinert; Benjamin at Vera.

Oct. 18: O'Brien at Guthrie.

Oct. 24: Vera at Goree; Weinert at Benjamin; O'Brien at Mattson at 2:30 in the afternoon.

Oct. 31: Paint Creek at Vera; Benjamin at O'Brien; Goree at Weinert.

Nov. 1: Mattson at Hobbs.

Nov. 7: Mattson at Benjamin; Weinert at Paint Creek; O'Brien at Goree.

Teams in the district are Vera, Goree and Benjamin in Knox County, and O'Brien, Weinert, Paint Creek and Mattson in Haskell County. Wm. Roy Baker, former teacher in the Knox City schools, is coach of the Mattson team. Charles Yarbrough coaches O'Brien and the Benjamin coach is Pat Beck.

Users Asked To Conserve City Water

City officials this week asked Knox Citizens to conserve water as much as possible during the remaining hot summer days.

"The situation is not so critical we expect you to let trees shrub, flowers or grass die," they said, "but we do feel that more water is being used than is necessary."

Officials hope to delay drilling another city well until more details are learned of the proposed lake on Miller Creek to furnish water for six towns in Knox and Haskell counties.

Wesley Garrison, city secretary, said the reservoir was empty one afternoon this week but was filled by the following morning, with all pumps working through the night.

Watson Reunion Held at Ft. Belknap

The annual Watson family reunion was held at Ft. Belknap, near Jacksboro, Sunday and Monday, Aug. 25-26.

Attending from Knox City were Mr. and Mrs. L. W. Graham and two of their granddaughters, Samantha and Karen Graham, Mr. and Mrs. Abe Watson and Tommy, and Mr. and Mrs. Earl Watson.

Others present were Mrs. Maggie Watson of Granbury, Mr. and Mrs. Sell Watson, Mrs. Owen Watson, Shirley and Jimmy Watson, and Mr. and Mrs. Eldon Watson of Howe; Elsie Watson of Weatherford, Mr. and Mrs. Clay Curl and Mr. and Mrs. Sam Curl of Tolar.

Mr. and Mrs. Harold Watson of Ft. Worth, Mr. and Mrs. Dave Watson of Irving, Mrs. Zona Watson, Clint Davis and Mr. and Mrs. Preston Watson of Mineral Wells, Donald Corcoran of Houston, and Mr. and Mrs. Bobby Williams and young son, Chad, of Graham.

Trustees Approve School Budget

The Board of Education of the Knox City Independent School District met Tuesday night and adopted an official budget for the fiscal year 1957-58.

The budget calls for total expenditures of \$178,924.07, compared to \$297,804.95 last year. Included in the 1956-57 expenditures, however, was a capital outlay of \$137,436.94 for new buildings, etc., while the new budget calls for a capital outlay of \$9,026.16.

Approved for operating expenses was \$151,178, compared to \$140,795.38 for the same purposes last year. Administrative costs in the new budget are \$17,684.00, compared to \$12,795.79 in 1956-57; teachers' salaries and teaching supplies account for \$109,523 in the new budget, compared to \$100,562.79 last year; and transportation and other school services call for \$7,891, compared to \$7,499 last year.

Operation of the school plant, including salaries of custodians, etc., is down from \$10,066.97 last year to \$9,840 in the 1957-58 budget, and plant maintenance was \$1,764.70 last year, \$900 in the new budget.

Board members set the tax rate at \$1.50, the same as last year. The rate will be divided \$1.10 for local maintenance, 15 cents for building reserve fund and 25 cents for sinking fund.

Ertion F. Tate, district Social Security manager, met with the board and discussed provisions for teachers joining the social security program. No action was taken by the board, Supt. Chas. E. Silk said.

BOY UNDERGOES SURGERY AS RESULT OF BURNS

J. Dow Warren, son of Mr. and Mrs. J. C. Warren, underwent surgery at Baylor Hospital in Dallas two weeks ago for injuries sustained when he was seriously burned four years ago. He is now recuperating at home and hopes to be able to start to school the latter part of this week. J. Dow was burned when an automobile caught fire at his parents' home, when they were living at Munday.

J. A. Stephens, Pioneer Lawyer, Dies in Dallas

Funeral services for James A. (Uncle Att) Stephens, lawyer and former county official, were held at the Benjamin Methodist Church Sunday, Aug. 25 at 2 p. m. Rev. A. T. Mason, pastor of the O'Brien Methodist Church, officiated.

The pioneer Knox Countian died in Dallas Friday, Aug. 23. He moved to Benjamin about 1880 and lived there until he moved to Dallas several years ago to make his home with his daughter.

"Uncle Att," as he was affectionately known in Knox County, was born in 1869. He was a former county attorney and maintained a law office in Benjamin until he moved to Dallas. Survivors are a daughter, Miss Lucille Stephens, who teaches school in Dallas; and one grandson, J. T. Boaz III of Lubbock. Interment was in the Benjamin Cemetery under the direction of Pinkard-Smith Funeral Home of Knox City.

O'Brien Boys Begin Football Practice

Coach Charles Yarbrough of O'Brien had fifteen boys out for six-man football practice this week.

Included are ten returning lettermen. Senior lettermen are Jackie Cox, Sammy Grindstaff, Royce Manning and Dempsey Herpeche. Other lettermen are Buddy Williams, Danny Walsworth, Jerry Covey and John Tom Johnston, all juniors, and sophomores Junior Hester and Dwight Watson.

Others out for practice are Bobby Hanson and Rudy Matura, seniors, Jerry Carver and Jerry Rowan, juniors, and Royce Cox freshman.

Mr. and Mrs. M. Eustace, Dickens, a son.

Savings Bonds Quota Almost Half Met

Sales figures just released show that \$4,260 Series E and H United States Savings Bonds were purchased in Knox County during July. The announcement was made by W. E. Braly, Munday banker, chairman of the county savings bonds committee.

"We now have achieved 44.8 percent of our 1957 goal of \$307,580. Sales for the first seven months of this year were \$137,896," Braly said.

Sales in Texas for July were \$14,178,708 which is the highest monthly sales since February of this year.

Americans bought more \$25 and \$50 Bonds of the popular E Series in the first five months of 1957 than in the corresponding period of any year since 1946. In this news, Braly finds "very heartening evidence that the average American hasn't given up thrift as out of date like the kerosene lamp or the survey with the fringe on top."

"Nothing takes the place of systematic saving to provide for emergencies, to make the down payment on the really big things, such as a home; to provide for the education of children for a more useful and rewarding life, or to set aside enough for a comfortable and independent old age," Mr. Braly commented.

Peter M. Loran Dies Saturday

Peter M. Loran, civic and religious leader in the Rhineland community and a pioneer of Knox County, died at his Rhineland home Saturday. He was 83 years of age.

Loran was born Feb. 19, 1874 in Karlsruhe, Russia. He entered the United States in October of 1892, and came to Texas in 1895, where he was instrumental in establishing the Rhineland community in February of that year.

He married Miss Clara E. Schumacher in November of 1898. She preceded him in death in 1952.

Loran founded the first cotton gin in Rhineland and was a cotton and farm commodity buyer. Although semi-retired at the time of his death, he sold cotton baling supplies. He was a former president of the Texas Farmers Union.

A leader in politics and religious activities, he was a member of the Catholic Church and the Knights of Columbus, and held an honorary life membership in the latter organization.

Survivors include three sons, Albert, August and Martin Loran, all of Munday; two daughters, Miss Sophia Loran, Wichita Falls, and Mrs. Leona Decker, Munday; a sister, Mrs. Teresia Hellman, San Antonio; eleven grandchildren and 16 great-grandchildren.

Services were held at 9 a. m. Monday in Saint Joseph's Catholic Church in Rhineland.

School Registration Totals 482 First Day

Enrollment in the Knox City Schools today was 482, Supt. Chas. E. Silk reported. The figure included 304 in the elementary grades, 123 in high school and 55 in McGee-Ward School.

All students, except those in McGee-Ward, registered this morning beginning at 10 o'clock.

Shaver Gins First Bale of '57 Cotton

Knox County's first bale of 1957 cotton was brought in by Eddie Shaver Monday, Aug. 25.

Shaver planted the Lankart 57 seed between April 12 and April 15, just before the first rainy spell began. It was grown on his land west of Benjamin.

The 2,000 pounds of cotton ginned out a 500 pound bale and 820 pounds of seed. It was ginned at the Cotton Growers Co-op Gin in Knox City, where Shaver is manager.

Shaver brought in a second bale about noon Wednesday.

Lions Club Hears Austin Minister

An evangelistic team, presently conducting a revival at the First Baptist Church, furnished the program Wednesday at the regular weekly meeting of the Lions Club.

Gayle Bowen, who is leading the singing in the revival, sang a special number, accompanied at the piano by Lynelle Tankersley, club sweetheart.

Giving a brief inspirational talk was the evangelist, Dr. Lory Hildreth, pastor of the Hyde Park Baptist Church in Austin.

Dr. Hildreth told the Lions, "It's good business to be Godly." He urged his listeners to use Christian principles in dealing with customers, competitors, employees and employers. "It will not only give you dividends and by-products in a spiritual way, but will actually pay off in dollars and cents," he continued.

Pointing out the stresses that confront business men, the speaker said Christianity would provide security, and result in more pleasant relations with business associates.

Dr. Hildreth said he believes the cause of disputes between labor and management is spiritual, not economic. "It is because of selfishness and a disregard for fellow-man," he concluded. "You can't be to God what you ought to be, without being to man what you ought to be... and you can't be to man what you ought to be without being to God what you ought to be."

County Chairman Gives Report On Use of Polio Foundation Funds

Mrs. John Peysen of Munday, president of the Knox County chapter of the National Foundation for Infantile Paralysis, reported this week on county polio patients presently being helped financially by the chapter.

Donna Truesdell, daughter of Mr. and Mrs. O. C. Truesdell of Knox City, returned home this week from the Gonzales Warm Springs Rehabilitation Center where she received treatment. Others from the county receiving periodic treatment at Gonzales are Robert Wren and Jerrylyn Kane, both of Munday. Vickie Bell of Munday receives check-ups at Abilene.

Mrs. Peysen said word was received from Gonzales this week that daily rates will be increased from \$22 to \$27.50, effective Sept. 1. At this time last year rates were lowered from \$25 to \$22, with the optimistic hope that costs might be stabilized.

"The rates at all times are deliberately fixed below actual cost," Mrs. Peysen said. "A firm of independent auditors determined the per diem cost for the fiscal year ending June 30 was \$30.67. Therefore the Foundation was impelled to increase the rates, which are still \$3.17 per patient daily below the actual cost."

A polio victim, Donna was admitted to the Foundation on July 9 and received intensive rehabilitation treatment. This was her second admission. The Foundation is a non-profit, State-chartered center established some 15 years ago to provide the best possible rehabilitation services for the handicapped citizens of Texas.

The students were at the school about an hour registering and receiving assignments for the first day of classes tomorrow. School buses transported the rural children home at 11 a. m.

Classes will begin tomorrow (Friday) at 9 a. m. Buses will make their regular routes and lunch will be served in the lunchroom at 30 cents for students and 40 cents for adults.

Teacher assignments for the school year are:

Mrs. A. V. Kemletz and Mrs. Rip Collins, first grade; Mrs. L. E. Groves and Mrs. W. J. Morris, second grade; Mrs. R. G. Vaughan and Mrs. George Montandon, third grade; Mrs. Ulric Lea and Mrs. Hazel Long, fourth grade; Mrs. Fuller Shannon and Mrs. E. R. Carpenter, fifth grade; Mrs. Kenneth Lankford, sixth grade; Mrs. George Wynn, seventh grade; and Mrs. E. F. Branton, eighth grade and elementary principal.

High school teachers are:

E. A. Youngblood, principal and math; Mrs. Ottis Cash, English; Mrs. Melvin A. Lowrey, commercial; Kelton Tidwell, science and math; Les Cowan, coach and history; Bob Johnson, coach, general science, driver education and 8th grade work; Mrs. Chas. E. Silk, homemaking; and L. E. Groves, vocational agriculture.

Part time teachers are Mrs. Phil Colehour, librarian; Mrs. Curtis Casey, music; and S. C. Musser, guidance and counseling.

Mrs. Kelton Tidwell is school secretary. Bus drivers are Steve Reyes, Guy Robinson and Dickie Marion. Mrs. L. V. Worley is manager of the lunchroom and her assistant is Mrs. Kenneth Myers.

Mrs. Cash will be sponsor of the pep club and teacher in charge of the library. Mrs. Lowrey is sponsor of the school annual, The Greyhound. Mrs. Silk is adviser of the local chapter of Future Homemakers of America and Groves is adviser of the local chapter of Future Farmers of America.

Registration in McGee-Ward School was Saturday, Aug. 17, and a total of 55 had enrolled up to Wednesday. Teachers are Mr. and Mrs. Herman Boozer, formerly of Lubbock.

School holidays adopted by the Board of Education are Armistice Day, Nov. 11; Thanksgiving, two days, Nov. 28 and 29; Christmas, one week, dismiss classes Dec. 20, resume classes Dec. 30; Easter, two days, Friday and Monday. Students will also get one extra holiday, probably March 7, while teachers attend a teachers' meeting, Supt. Silk said. School will close May 16, 1958.

Band Boosters to Meet Monday Night

The first meeting of the Band Boosters for the 1957-58 school term will be held Monday night, Sept. 2, it was announced Wednesday by Mrs. C. E. Williams, president.

The meeting, which will be a brief business session, will be in the band hall beginning at 7:30 p. m. Mrs. Williams urged all parents of band students, and others interested in the school band, to attend.

ANNOUNCE BIRTH OF SON

Mr. and Mrs. Buddy Urbanczyk have announced the arrival of a son. The boy was born at the Knox County Hospital Thursday, Aug. 15, weighing six pounds and six ounces. He has been named Marvin A., Jr.

Mrs. Urbanczyk is the former Peggy Parks, daughter of Mr. and Mrs. Lee A. Parks of Munday. Mrs. Anna Urbanczyk is the paternal grandmother.

Therapist Training Vital Function of Kenny Foundation

Minneapolis, Minn.—The training of registered nurses and physical therapists to become Kenny Therapists continues as an important function of the Sister Elizabeth Kenny foundation, according to Marvin L. Kline, national executive director.

Kenny Therapist trainees are schooled under Kenny foundation scholarships; tax-free and worth up to \$8,250, at Elizabeth Kenny International Training center here. The course is of 18 months duration, with nurses enrolled for an additional 12 months of physical therapy at the Mayo clinic, Rochester, Minn., or other approved physical therapy schools.

Registered nurse candidates who complete the course become registered physical therapists. All graduates receive certificates, indicating their status as Kenny Therapists and are qualified, under medical supervision, to carry out the physical treatment of all phases of polio and to apply this specialized knowledge of treatment to other neuromuscular disabilities and musculoskeletal disorders as well.

Upon graduation, Kenny Therapists are assigned to Kenny treatment facilities across the nation.

In addition, the foundation conducts extensive training programs for technical specialists in rehabilitation and nationwide medical training and education.

Knox City Couple's Daughter Receives NTSC Scholarship

Harriet Spenny, daughter of Mr. and Mrs. Perry C. Spenny of Knox City, has been awarded a scholarship of \$100 for study at North Texas State College at Denton in 1957-58, according to A. M. Sampley, vice-president of the college.

Twenty such grants have been made this summer from the Will C. Hogg Memorial Loan and Scholarship Fund and the McAttee Trust Fund.

Miss Spenny will be a senior education major at NTSC this year. She was graduated from Rising Star High School in 1953 and attended Cisco Junior College one year before transferring to NTSC. She is a member of the Young Republican Club and the debate team at the college.

This summer she attended Hardin-Simmons University at Abilene during the first term of summer school and McMurry College during the second summer term. She was secretary in the publicity department at McMurry the past two months.

Her parents moved from Abilene to Knox City about Aug. 1. Mr. Spenny is in charge of the State Welfare Dept. office here.

Mrs. Hugh Webb left Sunday for Carlsbad, N. M., to spend a month or six weeks with her niece, Mrs. Frank Newman, and Mr. Newman. Mr. and Mrs. Otto Lawson carried her to Carlsbad.

Streams In Desert Places

By Ozelle Stephens

"... The soul of Jonathan was knit with the soul of David, and Jonathan loved him as his own soul." (1 Sam. 18-1).

Christian friendship is a sacred and holy thing. There is something divine about it. Certain human ties are deeper than blood relationship. Christian religion is being friends with God and human beings at our side.

Christian friendship has genuine affection that will stand the test of trouble and danger. It has power to break the barriers of suspicion and distrust, envy and jealousy, selfishness and greed, so that we set each other free to be his best self. One is rich indeed who possesses true friendship. His life is filled with color and meaning.

If you would be a Stream of blessings be a Christian friend to those in need and fail not when they need you most, for there are many in need.

All Farm Workers Are Covered By Social Security

Farm maids and plowhands, farm cooks and tractor drivers—all are the same to the Social Security Administration insofar as reporting their earnings is concerned, according to Erton F. Tate of Wichita Falls, Social Security district manager.

Before January 31, 1958, farm operators in Knox County will be required to send in Social Security tax reports on their employees for the farm work they did during 1957. Mr. Tate said all farm employees, whether domestic or farmhand, are reported alike.

Tate listed these rules for farm workers (including maids, cooks, and other domestics hired for work on a farm operated for profit): Report all employees who were paid cash wages of \$150 or more, or who worked for 20 days or more on a time basis.

Tax reports covering such employees must be filed during January, according to Tate. They are to be sent to the District Director of Internal Revenue in Dallas.

For more details, farm operators are advised to contact the Director of Internal Revenue in Dallas or the Wichita Falls district Social Security office where pamphlets outlining reporting requirements are available.

Boating Precautions Should be Observed, Specialist Warns

More and more Texans are taking to the water. Swimming, fishing, skiing and boating are among the most popular recreational activities. But with increased participation in these activities has also come the chance for more accidents, warns Ed Cooper, extension wildlife specialist.

But Cooper points out that boating can be much safer if certain precautions are observed.

First, advises the specialist, never overload the boat with passengers. Always find out how many passengers the boat can safely carry. Wear shoes and clothing that can be easily removed in case the boat sinks or capsizes. Have a life preserver for each passenger in the boat, especially non-swimmers.

If a motor is to be used, make certain that it is the proper size or horsepower for your particular boat. Be as cautious when steering a boat as you would steering a car. Learn and observe the rules of the water, such as yielding right of way, forbidden zones, etc. And, continues Cooper, be certain you ask informed persons about hazards in the lake, such as hidden obstructions, etc., before leaving shore.

Don't stand in a small boat unless necessary and be careful of your balance when doing so. Always have a paddle in the boat.

Wear clothing which will protect you from sunburn, concludes the specialist. Sunlight is intensified by reflection off the water.

and son of Wichita Falls visited Mrs. Leola Isbell and Mrs. Nora Hertel one day last week.

Mrs. Beulah Sams and Mr. and Mrs. Hiley of Dallas were week end visitors of Mrs. Zena Waldron and other relatives and friends.

SOCIAL SECURITY HAS BIG IMPACT ON ECONOMY OF KNOX COUNTY

More than 282 beneficiaries in Knox County were getting monthly social security payments totalling \$11,642 at the end of 1956. The number of beneficiaries increased by 67 over 1955 and the total of monthly benefits being paid in the county at the close of the year was \$8,934 over the total being paid a year ago, Erton F. Tate, district manager of Social Security, with offices in Wichita Falls, announced this week.

These increases, Tate noted, result in part from the protection provided to farm families by the coverage of farm employment and self-employment under social security.

He pointed out that self-employed farmers were first put under social security in January 1955. Those over retirement age at that time, or who reached retirement age before the end of 1956, became insured if they reported self-employment income of at least \$400 for 1955, and again in 1956. These insured persons were able to qualify for old-age benefits payments during the later year. Tate said that about 50 self-employed farmers and their dependents filed claims for benefits in Knox County in 1956. The number of farm claims filed in 1957 will be much greater, he added. For ex-

ample, during the 6 months, January-June 1957, 70 farm claims for benefits had been filed.

Noting the impact of farm coverage in general on essentially agricultural areas like Knox County, Tate said that a farm employee, for instance, who was already at retirement age by mid-1956 became insured as of April 1 of that year if he had taxable wages of \$400 or more in 1955 and of at least \$200 in 1956. Benefits paid to farmers and their dependents, moreover, figured in the nationwide totals for 1956. At the close of the year, over 9 million people were receiving almost one-half billion dollars in monthly benefit payments.

In Knox County for the month of December 1956, 151 retired workers were getting \$7,648.00 monthly. Also, 61 wives or dependent aged husbands of retired workers were being paid a total of \$1,574.00 monthly; in the same county in December, a total of \$736.00 was being paid to aged widows or dependent aged widowers and parents of deceased workers. This was an increase of 38 percent in monthly payments to aged workers and their dependents and 60 percent to dependent aged survivors of deceased workers in this area. The lowering of the age at which

THIS IS THE EDESEL, Ford Motor Company's newest entry in the medium price car field, available in 18 models in four series—Ranger, Pacer, Corsair and Citation. The entire line will go on display in all Edsel dealerships Sept. 4th. Shown is the Pacer four-door hardtop. From its vertical grille, dual headlights and wraparound turn indicators through the single chrome side spear and concave sculptured "teardrop" side scallop, the Edsel gives an impression of motion even when parked. In addition to its dramatic styling, the Edsel offers a wide range of exclusive engineering features including "Teletouch" push button automatic transmission controls located in the steering wheel hub.

a woman without an entitled child in her care can start getting benefits is reflected in these figures, Tate pointed out. Effective with November 1956 benefits could be paid to women starting at age 62.

Monthly payments of \$1,711.00 were being paid to 11 widowed mothers with children under 18 in their care and minor children of retired or deceased workers, and accounted for 15 percent of the total old-age and survivors insurance being paid in Knox County. Nine out of ten mothers and children in the United States now have social security protection. At the end of the year, nationwide, about 1,341,000 children under 18 were receiving monthly payments. Of these, 131,000 were being paid monthly benefits because of the retirement of an aged insured parent. Children who become totally disabled before age 18 may now be eligible for disabled child's benefit payments after age 18. This type of social security, however, did not become payable until January 1957 and such benefits are not included in the figures quoted above.

Commenting on the steady growth of the social security program, Tate said three-fourths of all men becoming 65 this year will be eligible for social security benefit payments.

Mr. and Mrs. C. G. Markward and son, Chuck, moved into their new home this week. The house is located in the block east of the Knox City Clinic. It has living room-dining room combination, kitchen-den combination, three bedrooms and two baths. There is ample space upstairs for additional rooms, but the upstairs will not be completed now.

Mrs. Henry L. White returned last Thursday from Waxahachie where she visited her brother and family.

LEGAL NOTICE
CITATION BY PUBLICATION
The State of Texas

TO: J. M. LOE AND OTHERS,
GREETING:
You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 16th day of September, A. D., 1957, at or before 10 o'clock A. M., before the Honorable District Court of Knox County, at the Court House in Benjamin, Texas.

Said plaintiff's petition was filed on the 3rd day of August, 1957. The file number of said suit being No. 5197.

The names of the parties in said suit are: Lois Coffman Moore and husband O. E. Moore as Plaintiffs, and J. M. Loe, et al, as Defendants.

The nature of said suit being substantially as follows, to-wit: A suit in Trespass to Try Title to the following described property, situated in Knox County, Texas, to-wit:

Lots Nos. 1 and 2 in Block No. 110, and Lots Nos. 3, 4, 5 and 6 in Block No. 111, all of the Original Town of Goree, Texas. COUNTY OF KNOX

No. 5197 in the County Court of Knox County, Texas TO THE HONORABLE JUDGE OF SAID COURT:

1. Now comes Lois Coffman

Moore joined herein by her husband O. E. Moore, who reside in Knox County, Texas, hereinafter called plaintiffs, complaining of J. M. Loe and the unknown heirs of J. M. Loe, J. R. Craig and the unknown heirs of J. R. Craig, W. C. Johnson and the unknown heirs of W. C. Johnson, R. O. Newman and the unknown heirs of R. O. Newman, J. O. Nash and the unknown heirs of J. O. Nash, J. M. Warnick and the unknown heirs of J. M. Warnick and Mary J. Warnick wife of J. M. Warnick and the unknown heirs of Mary J. Warnick, and H. J. Sparks and the unknown heirs of H. J. Sparks, and all persons owning asserting or claiming any title to Lots Nos. 1 and 2 in Block No. 110 of the Original town of Goree, Knox County, Texas; also Lots Nos. 3, 4, 5 and 6 in Block No. 111 of the Original Town of Goree, Knox County, Texas, hereinafter styled defendants, and for cause of action plaintiff represents to the Court that on or about the 1st day of July A. D. 1957, they were seized and possessed of the following described land and premises in Knox County, Texas, holding and claiming the same in fee simple, to-wit:

Being all of Lots Nos. 1 and 2 in Block No. 110 of the Original town of Goree, Knox County, Texas, and Lots Nos. 3, 4, 5 and 6 in Block No. 111 of the Original town of Goree, Knox County, Texas.

2. That on the day and year last

aforsaid defendants unlawfully entered upon said premises and ejected the plaintiff therefrom and unlawfully with holds from them the possession thereof, to their damages in the sum of Five hundred and no/100 Dollars.

3. That the reasonable annual rental value of said land and premises is Fifty Dollars.

Wherefore Plaintiffs pray judgment of the Court that Defendants be cited to appear and answer this petition and that plaintiff have judgment for the title and possession of said above described land and premises, and that writ of restitution issue, and for their rents, damages and costs of suit and for such other and further relief, special and general, in law and in equity, that they may be justly entitled to.

RETURN FROM MISSOURI

Mr. and Mrs. E. Q. Warren returned home during the week end from a 3-weeks vacation. Mrs. Warren attended a music conference in St. Louis, Mo., the first week. Then they enjoyed a family reunion in Marshall, Mo., at the home of Mrs. Warren's sister, Mrs. R. T. Pence. Before returning home they visited her brother in Tulsa, Okla.

Mr. and Mrs. Alton Leach and children, Randy, Micky and Suzy, returned Tuesday to their home in Plainview after a two-day visit here with Mrs. Leach's parents, Mr. and Mrs. S. N. Reed, and other relatives.

Electrical Device May Tell Farmers When to Irrigate

Farmers may someday tell when their crops need irrigating by using a simple electrical device tested recently by the U. S. Department of Agriculture. It measures moisture stress—an indicator of a plant's moisture needs.

For rapid reading of a plant's water requirements, two small prongs of the device are stuck into the stem of the plant. The prongs are two stainless steel electrodes connected to an ohmmeter which measures the electrical resistance in the plant. The lumber industry uses a similar instrument to measure moisture in wood.

In experiments with cotton plants, the researchers found that electrical resistance went down as moisture amounts went up. Within four hours after irrigation, a sharp drop in resistance was observed in the ohmmeter.

The experimenters believe the increase in electrical resistance with increasing moisture stress is the result of the drying out of the solid framework, or cell walls, of the plant. This creates in the woody tissues of the plant either longer conducting paths between electrodes, or increases gaps in connecting paths—readily indicated by the ohmmeter.

The method has promise as a tool to help the average farmer

determine when to irrigate, according to scientists of USDA's Agricultural Research Service who are making the studies. They point out that research is continuing, aimed at making the method easy to use by any farmer who irrigates.

FORMER RESIDENTS VISIT

Mrs. Boyce Cox and daughter, June, and Miss Joselyn Reed of Graham were Knox City visitors Tuesday. Miss Reed is the daughter of Mr. and Mrs. Sumpter Reed and granddaughter of Mr. and Mrs. T. E.
