Some people we know were wishing the other morning that they hadn't been so free with advice!

Mrs. S. M. Clonts' children had always advised her not to answer her door if someone knocked during the night, and Mrs. C. took their advice.

So Tuesday morning Mr. and Mrs. Neil Perdue, Mr. and Mrs. Chad Wilson and Mr. and Mrs. Sam E. A report was given on the band calendar for 1958. Mrs. Clyde Williams, president, expressed her appreciation to Mrs. L. V. Worley and Mrs. Allen Hester for their work in handling the sales of calendars and the listings, and to all women who worked on the sales drive.

Beauty Going Your Way 1958 CHEVROLET: Fore and Aft

Effectiveness of the 1958 Chevrolet styling is shown by this front-rear view of the Impalas, luxury models in the Bel Air series. The gull-wing sweep at the rear is a perfect complement for the fleet, flowing lines that begin with the fine-grid concave ribs of the grille. In addition to complete body redesign, the latest Chevrolets offer such features as Level Air suspension or all-round coil spring suspension, a more rigid frame and body and an unusual new V8 engine. Impalas top an offering of 17 models.

A NEWSPAPER WAS A RARITY IN MANY AMERICAN COMMUNITIES!

Then—a newspaper was a thing to be marveled at -for memories of the Press' fight for freedom were fresh in mind. Although newspapers are common in our country today, their existence should not be taken for granted. It is a wonderful fact that almost all of our modern communities have their own hometown newspapers, freely edited by members of their own communities—spreading the news, stimulating the business of the community, and keeping their readers informed of important events elsewhere. It is well to keep in mind that a free press and a free people are an unbeatable team.

OUR HOMETOWN NEWSPAPER IS A HERITAGE TO PROTECT!

To hate is to break yourself. The law of God is to love the Lord thy God with all thy heart, soul, strength, and thy neighbor as thyself. To do this makes you to be a strong Christian. You will be able to rejoice in tribulations, which are to help you grow. Let the love of God dwell in you richly.
