

**JUST TALK**

By JAMES HILL

**JET AGE**—Everything nowadays has to be done in a flair and flamboyant manner. Uncle Ben this week comments on the fact that women's skirts and dresses are on the upswing to shorter and shorter lengths.

Time was when a man had to marry a woman to tell whether he was getting all he had thought he was getting before the ceremony—but that isn't so in this day and age.

Even the latest creations of our jet age can't conceal what the girls of today are trying to accentuate.

We aren't critical, girls, we just wish manufacturer's would take more interest in the men!

ACCORDING to Dr. Sam Hillburn, Methodist Missionary from Japan, Communism may appear to be spreading throughout the world, but he believes it is deterring in Russia.

Dr. Hillburn was a guest of Rev. Jarrell Sharp and J. C. McGee here Thursday evening and it was his honor to be a guest of the men at Garrison's Restaurant for dinner, prior to the Doctor's speaking engagement at Haskell that night.

Dr. Hillburn has been a missionary in Japan for the past 40 years, and said the Japanese were one of the most literate nations in the world. "They read everything," he said, "and one of their biggest failings is that they do not think things completely through, but believe everything they read."

Contrary to reports received in this country lately concerning farm practices there, the Doctor said Japan was still unmechanized as a whole, and that only one-seventh of the nation can be cultivated by modern machinery, as it was too rough and hilly for tractors.

Birth control practices of every description is practiced throughout the land the doctor said.

"Abortions are legal there," he declared.

As for another war, the Doctor said Japan was scared to death of another war, and would do anything to keep out of one.

Dr. Hillburn agreed with reports that Russia's press was mostly communistic, but didn't believe communism was spreading there. As for the number of communists in Japan the Doctor would not hazard a guess, but said "even one or two per cent is too many."

Dr. Hillburn is in the states on a tour and speaking engagement visit to Methodist Churches.

**FILING** deadlines are past and the citizens of Knox City will have a chance to demonstrate exactly what they want in the way of representation for the next two years on the city council and the school board.

Six men are signed for the three places open in the city council and there are also six names filed for the school trustee election.

A few of the aspiring candidates have never gotten their feet wet, politically, that is, before, and some are old standbys in local politics.

We are heartened to note that people will have a chance here to express themselves—so often in small cities it is the next thing to impossible to get any one to sign up. Thank goodness we still have men and women with wisdom.

We haven't heard Paul Carlin, but intend to do so—soon. We would like to see how we've been living lately, and plan to see how far up our leg Paul stomps in trying to step on our toes.

I doubt seriously if there will be anyone in church who doesn't feel Paul is preaching to them personally. A fine preacher and one who doesn't let the dictates of a few or a multitude change his way of preaching or his beliefs.

**World Prayer Day To Be Observed Here**

Friday, March 9, from 6 a.m. to 6 p.m., the First Methodist Church will observe World Day of Prayer. Devotional and religious material will be provided for those who stop by the church for a few moments of quiet meditation and prayer.

The World Day of Prayer is sponsored by the National Council of Churches and all Christians are encouraged to pause some time during the day to pray for peace.

**Funeral Services For E. Price Reese Held Monday**

Funeral services for E. Price Reese, 73, who died Saturday in his home from a heart attack, were held Monday at 2 p.m. at the First Baptist Church.

Rev. Murrell Johns, pastor, officiated, assisted by Rev. Jarrell Sharp, pastor of the Methodist Church.

Burial was in Knox City Cemetery under direction of Pinkard and Smith Funeral Home.

Mr. Reese was born in Russellville, Ark., April 21, 1888. He moved to Knox City as a child. He was a member of the Baptist Church and of the Elks Lodge.

Survivors include a son, E. P. Reese Jr., of Sweetwater; two brothers, E. W. Reese of Morgan and C. J. Reese of Knox City.

**PCA Officials To Attend State Meet**

Several officials of the Stamford Production Credit Association are expected to attend the sixth annual stockholders' meeting of the Federal Intermediate Credit Bank of Houston, to be held in Corpus Christi March 11-13.

More than 1,000 stockholders and guests from throughout Texas will attend. The bank is discount and supervisory agency for the 36 PCA groups in Texas and for several other agricultural financing institutions.

Highlights of the meeting will include addresses by F. Vernon Wright of the Farm Credit Administration, Washington, D. C.; Texas A&M's Dean of Agriculture Dr. R. E. Patterson and L. J. Cappleman of Dallas, state director of the Farmers' Home Administration.

The home-owned and operated Stamford Production Credit Association serves as a source of agricultural credit for an eight-county area.

Association officials expected to attend the Corpus Christi meeting include President C. G. Burson, Sr., of Haskell, Vice President J. F. McCulloch of Stamford, Directors Mack T. Claburn of Anson, Lasater Hensley of Guthrie and J. C. Moorhouse of Benjamin, Field Manager Royce Williams of Haskell and General Manager J. L. Hill, Jr., of Stamford.

The intermediate credit bank had a gross volume of \$443,118, 513 in loans discounted in 1961, the highest volume in the banks 39-year history. A total of 149, 129 loans were approved for discount, President W. N. Stockes Jr., announced.

Capital stock of the bank is being purchased by the 36 PCA groups in Texas. Since 1956 the associations have purchased a total of \$2,974,585 of the bank's Class B stock.

Since their organization in 1933, the Texas associations have provided more than \$3 billion in agricultural credit to Texas farmers, ranchers and dairymen.

**New Furniture Store Opens Here**

A Corporation of Oman Sales Co., of Wichita Falls has, opened a business here this week and the new concern will be under the name of Auction City No. 17.

The new business will have a stock of general merchandise and furniture.

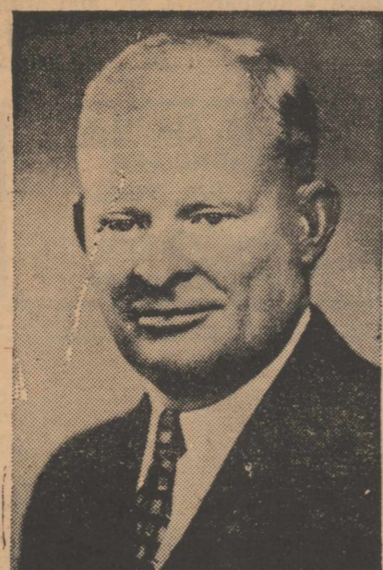

Scott Oman, Wichita Falls, is president of the company. He was born in Weinert and finished school there. He is also a graduate of Midwestern University.

Mrs. Eddie (Mary Hope) Carr will be the manager of the store here.

Tentative plans are that the establishment will be open for business sometime this week.

Open House and formal opening date is set for Friday and Saturday of next week.

**George Moffet Announces For State Senate Post From The 23rd District**

George Moffet of Chillicothe, Wednesday released his formal announcement for re-election to the State Senate from the 23rd district, composed of Archer, Baylor, Cottle, Dickens, Foard, Hardeman, King, Knox, Throckmorton, Wichita, Wilbarger, and Young counties.

In his statement Senator Moffet points out that he was the sole author of Senate Bill 6, (56th Legislature) which made Midwestern University at Wichita Falls, a state school.

"Education is the foundation for progress, and in the years to come Senate Bill 6, probably will mean more to this entire area than any bill ever passed by the Texas Legislature," said the Senator.

As a leader in agricultural legislation he has introduced and passed a dozen bills helpful to farmers and livestock producers. He vigorously sponsors scientific research to discover new uses for cotton. He states: "The best long-range solution for the cotton surplus problem is to find more ways to consume it. Texas is making more progress in this field than any other state."

Senator Moffet was joint author of the bill at the last session to place the construction and maintenance of both the state's main highway and farm road systems on a sounder financial basis.

His statement mentions that he has never sponsored a tax bill, and has supported revenue

**Air Force Officers Speak To Club**

Mrs. Harold Bankston was leader for the Texas Day program last Friday when the Knox City Study Club was hostess to members of the 1946 Study Club and other guests.

Mrs. Kenneth Lankford and Mrs. Curtis Casey led the group in singing, Texas Our Texas, The Eyes of Texas and Deep in the Heart of Texas.

Mrs. L. W. Graham introduced M-Sgt. W. S. Tarlington, Director of Foreign Training Office, Sheppard Air Force Base, who talked on the necessity of our learning a foreign language, to enable us to better understand our neighbors. He introduced Captains Timottio L. Tam and Len C. Capay both of the Philippines who are studying at Sheppard Air Force Base.

Capt. Capay spoke to the group on the need for understanding between nations. He also told of the family life in the Islands and how the people appreciated the people of the United States.

Both foreign students have learned to speak English within the past few months. Mrs. George Davis gave the closing prayer.

The group from Sheppard arrived in Knox City Friday morning and spent some time visiting the schools and having lunch in the school cafeteria.

They were shown the numerous projects of the school.

Hostesses for the Friday meeting were Meses. H. E. Wall, Truman White and Ulric Lea. The club room was decorated with red and white flowers and each person was pinned with a small map of Texas made by the students of the 4th grade.

measures only when there was a real need for more funds to support the state's hospitals, highways, public schools, colleges, old age assistance, and other justifiable purposes. He favors amending the new sales tax law for smoother and more convenient operation.

Moffet also emphasizes that Texas has better roads with a 5 cent state gasoline tax than any neighboring state, even though they have either a six, six and one-half or seven cent state tax on gasoline. He calls attention to the fact that Texas has no state income tax while all adjoining states do have. He is opposed to such a tax.

He cites reliable figures which show that the total taxes collected per person, per year in Texas, are lower than in any neighboring state. The figures are: Louisiana, \$140.00, New Mexico \$130.00, Oklahoma \$122.00, Arkansas \$92.00, and Texas \$84.00, which is the lowest average tax collected per person per year, in any of the above states.

He favors correcting the auto insurance merit plan.

He is opposed to race track gambling.

Senator Moffet is a life long resident of this senatorial district and a life long Democrat. In his legislative races he has always received over 85 per cent of the votes in his home county. He further states:

"I deeply appreciate the favorable consideration of the voters in previous elections. I sincerely desire to serve you again and respectfully solicit your vote in the Democratic Primary on May 5, 1962."

**Wichita-Brazos Soil Conservation Dist. Board Ask Ranchers To Be Prepared**

According to Jack Idol, chairman of the Wichita-Brazos Soil Conservation District Board, the District Supervisors are asking livestock producers in the area to be prepared in the event we suffer a long drought such as we had in the early 1950's. Many areas in our nation are suffering from just such droughts at this time. Idol stated that some of the things a livestock producer can do to prepare for a drought are:

1. Maintain a permanent herd somewhat below normal, about two-thirds of normal. The other one-third should be animals which can readily be disposed of in time of need, such as stocker animals, carry over young animals on dry stuff.
2. Make specific plans for forage reserves, such as pastures that have deferred, bundle feed, hay, ensilage or other feed in storage.
3. Consider the possibility of developing additional pasture, or other improvement for increasing available forage resources.
4. Have a clear understanding of what constitutes proper range use and manage livestock numbers to achieve proper use.
5. Understand the hazards of drought and have clear and specific plans on how to make adjustments when drought comes.

**Weevil Control To Be Discussed At O'Brien Thursday, March 15**

New light and techniques on the boll weevil control problem will be presented by Prof. J. R. Brazzel in a meeting Thursday, March 15, at 7:30 p.m. at the O'Brien High School auditorium.

Prof. Brazzel is with the Department of Agronomy, Texas A&M College, College Station, Texas. He has spent a great deal of time in research on boll weevil and insect resistance to insecticides.

The purpose of the meeting is to discuss this problem with farmers of this area.

In conjunction with this program Mr. Bill Johnson of California Chemical Co., Lubbock, will present the Di-Syston story.

All interested persons are invited to attend this meeting.

**C. M. Chapman Services Held At Chapel Here**

Funeral services for C. M. Chapman, 69, of Amarillo, who died Friday night in a Wichita Falls hospital, were held Sunday at 2 p.m. in the Pinkard Smith Funeral Chapel.

Rev. Douglas Finch, pastor of the Haskell Presbyterian Church officiated.

Burial was in Knox City Cemetery under direction of Pinkard and Smith Funeral Home.

Mr. Chapman was born May 13, 1892 in Bell County. His father was a pioneer merchant in Knox City.

Survivors include the wife; of Amarillo; a brother, Herman Chapman of Earth, one sister, Kathleen Heinback of Rio Dell, Calif.; several nieces and nephews.

**Quannah Choir To Appear Here At Methodist Church**

Sunday evening, March 18, at 7 p.m. the Choir from the First Christian Church of Quannah will present a religious worship program in the Sanctuary of the First Methodist Church.

The choir is under the direction of Al Hard. After the worship program a reception honoring the Quannah Choir members will be held in the Fellowship Hall of the church.

The reception is sponsored by the Adult and Junior Choirs of the Methodist Church.

Mrs. A. V. Kemletz and Mrs. Buddy Angle are in charge of this program.

**Tri-County Meet Planned For Irrigation Clinic**

There will be a tri-county irrigation clinic held in O'Brien on March 29 at the school gym, starting at 9 a.m. The clinic is being sponsored by the B & K Electric and the Stamford Electric Co-ops.

Tentative speakers for the program are Tom Cowan, S.C.S.; Bob Thurman, Portland Cement Ass'n.; Billy Gunter, Extension Agronomist; James Valentine, Extension Soil chemist; Shelby Newman, Agronomist, Texas Exp. Station; Leo Dirnberger, R.E.A. engineer and Wayne Keese, Extension engineer.

The clinic is being called a tri-county event because it is primarily for the people of Baylor, Haskell and Knox counties irrigation area; however, this will be a very good program and any person that is interested regardless of their home location is invited to attend, Jack Moore, Co. Agent, said.

In addition to the meeting, there will be an equipment exhibit also.

Theme for the occasion was "The Flame of Liberty."

Those attending were Andy Hudson, Sue Bankston, Virginia White, Doris Marion, Carol Collins, Anita Poteet, Carol Carter, Wanda Mincey, Virginia Collins, Claudia Reed, and Samantha Graham.

Mr. Bankston, Mr. and Mrs. Jeff Graham and Mrs. C. M. Shwadlenak accompanied the group.

**UNLIMITED POWER FOR SECRETARY... LABOR BILL AND BEAUCRACY**

(Reprinted from an article in the Southwest Crop & Stock)

To better inform the area farmers on the constant changes and legislation being introduced, the Herald is running this reprint from the Southwest Crop and Stock of Lubbock. The story continues—

Passage of the so-called Farm Labor Recruitment Bill would "grant virtually unlimited powers to the Secretary of Labor in the field of farm labor," according to the National Cotton Council.

The Bill, S-1129, generally would create a program of recruiting, transporting, and distributing farm workers similar to that provided for the recruitment of Mexican farm workers.

In a statement submitted to the Senate Migratory Labor subcommittee, the council reaffirmed its opposition to this legislation and declared it an unnecessary and unwarranted extension of government authority in the field of farm labor. It would inject the Department of Labor in the business of recruiting and contracting domestic farm work-

**Foursquare Plans Revival March 11**

The Foursquare Revival will begin March 11 and continue through March 18, conducted by Rev. Ruth Vimmermin of Dallas. Evening services will start at 7:30, according to Rev. Floyd Bailey, minister.

**Camporee Set For March 24-25 At Miller Creek**

The Brazos Valley District Camporee for the Boy Scouts has been set for Saturday and Sunday, March 24 and 25 at the Fritz Camp on Miller Creek, 15 miles southeast of Munday. Registration for the Camporee will begin at 2 p.m. on Saturday and the Camporee will close at 2 p.m. on Sunday.

The Brazos Valley district includes all troops from Knox City and Benjamin and those in Archer, Knox, Baylor and Throckmorton counties.

Sunday morning, following Chapel held at 8:15 and conducted by Rev. Jarrell Sharp of Knox City, field events will be held in the following areas: string burning, night judging, dashing, water boiling, first aid relay, flint and steel, tent pitching, compass, signaling and knots.

Ribbon awards will be given to each troop according to the number of points earned at the end of the Camporee.

Scoutmaster for the troop in Knox City is Joey Watkins.

Noel Crenshaw of Seymour is the District Scout Executive and will be directing the Camporee.

**QUARTERBACKS TO MEET**

Knox City's Quarterback Club will meet tonight (Thursday) at 7:30 p.m. at the Field House.

All members are urged to attend this meeting.

ers, the council charged.

It was pointed out that the terms of the bill are such that the only limitation on the broad authorities provided the Secretary of Labor is his discretion. Upon his decisions would depend farmers' eligibility for workers, the number they might use, the qualifications of workers, the terms of employment, wage rates to be paid, and whether farmers would be placed "at the mercy of decisions of the Secretary of Labor."

The council took particular exception to a provision prohibiting workers recruited under the service from accepting employment which would "aid directly or indirectly" in filling of a job that is vacant or a strike or lockout or is an issue in a labor dispute. The council pointed out that under this provision the Secretary of Labor would be compelled to take a position on one side or the other of a labor dispute with decisive influence on its outcome. Farmers would become "sitting ducks" for labor union organizers under such a provision, it said.

## STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN, Tex. — Although the Texa Youth Council lost its fight for a legislative appropriation of \$100,000 to add more officers to its Juvenile System, it just won a battle for the benefit of orphans in state institutions.

Attorney General Will Wilson turned over the deed to a \$200,000 Bell County ranch along with a check for \$12,446 to Dr. James A. Turman, Youth Council director. Presentation represented the outcome of a four-year court battle. Heirs of the late Mrs. Parrie Haynes contested her passing the property to the state.

Dr. Turman said the orphans of Texas will receive all benefits from the 4,160-acre ranch on the Lampasas River. It will be used as a summer camp and activity center for orphan's homes. Youth council will raise cattle, pigs and sheep there to help feed the

thousands of children in its care.

**HEARINGS SHOCK TURMAN** — Speaker of the House James A. Turman, candidate for lieutenant governor and former educator, expressed concern about the House Textbook committee, which he appointed.

Turman was shocked when he heard that a witness in an Amarillo textbook hearing alleged that Rep. Ronald Roberts of the committee was a "communist."

"I am afraid the committee members have been too nice and open about letting anyone appear to talk about any sort of censorship," Turman said. He is worried about the committee getting too far astray of its goal of studying the textbook situation in Texas.

In an Independence Day address at Washington-on-the-Brazos, he advocated the teaching of

Texas history in all grade levels, and declared, "I think it is a mistake—a sad mistake—for our educational system in Texas to relegate our great state's history into a sort of grammar school fairytale."

The speaker may be tempted—or forced—to touch on the subject again Wednesday when he is honored guest at the Public Schools' Week celebration in Jasper, Texas.

**SPACE AGE SEMINAR** — Vice President Lyndon B. Johnson, head of the National Aeronautics and Space Administration, came to town to tell a congregation of high school counselors how the move into space will affect American youth.

The Vice President's talk was the highlight of a two-day conference at the University of Texas which featured a NASA exhibit of space vehicles and a talk on "Space Satellites" by NASA representative Dr. Robert Krebs.

**VAST ROADWORK UNDERWAY** — In keeping with its claim that Texas leads the nation in highway building, the State Highway Commission issued orders to proceed with \$18,000,000 worth of road building, planning and repairs throughout the state.

Biggest assignment was an okay to purchase right-of-way on three projects on Interstate Loop 635 in Dallas County at a cost of about \$6,410,000. The Commission also authorized right-of-way on a 1.4 mile section of Interstate Highway 10 in Harris County for \$2,500,000. Original estimate was only \$600,000.

Other expensive items included: Purchase of \$1,900,000 worth of right-of-way on US 90 in Bexar County; plans for development of US 290 out of Houston at a starting cost of \$2,810,000; \$797,000 to repair freeze damage in the Abilene district; a \$680,000 right-of-way okay for a two-mile segment in San Antonio and \$477,800 for relocation of US 59 around Wharton and El Campo.

Less costly projects are set for Fort Bend, Angelina, Brazoria, Gillespie, Hudspeth, Martin, El Paso and Nolan counties.

**SUNDAY NO EXCEPTION** — Just because April 15 will fall on a Sunday this year, drivers won't be allowed to put off auto inspection until the following day. Col. Homer Garrison Jr., director of the State Department of Public Safety, says April 15 is the deadline—Sunday or no. Garrison said he won't ask inspection stations to stay open

## Fine Arts Show Scheduled In W-F March 17 And 18

The Texas Fine Arts Association Show for Region 16 will be held in the Art Gallery of the Wichita Falls Art Association of the Woman's Forum, 2120 Speedway. Sponsored by the trustees of Region 16, all interested artists are invited to participate.

All work should be delivered to the art gallery on Saturday, March 17, before 11:00 a.m. All work must be original and not previously shown in Regional shows. All paintings and drawings must be framed and equipped with screw eyes and wire.

All work entered will be shown on Sunday, March 18, at an Open House from 3 to 5 p.m. There will be a classification for crafts

that Sunday, either. So, owners of 2,000,000 cars in the state will just have to take care of this problem by the 14th day of April, or risk arrest.

**GOVERNOR GOES TO WASHINGTON** — Gov. Price Daniel went to Washington, D. C., for the week end where he shared honors with Billy Graham as speaker for the annual President's Prayer Breakfast.

As a US Senator, Daniel was president of the Christian Leadership group, sponsors of the annual breakfast for the President, his cabinet and members of Congress. He has remained active in the program in the nation's capital and in Austin.

Judge Zollie Steakley of the Texas Supreme Court hosted a similar event in the governor's mansion while he was gone.

**SALES TAX HEARING SET** — Sen. George Parkhouse of Dallas, chairman of the Texas Commission on State and Local Tax Policy, invited anyone interested in changing the sales tax structure to attend a public hearing on suggested changes in Dallas on March 30.

Parkhouse asked that anyone who wants to appear at the hearing advise the commission by sending a letter to Drawer C, Capitol Station, Austin 11, Tex.

**ARMY CALLS FOR APRIL QUOTA** — Eligible men 22 years old and older will make up the April army draft quota of 244, says Col Morris S. Schwartz, state selective service director.

Number of inductees is up from the March quota of 228. Schwartz said local quotas already have been sent to the 137 local boards in the state.

as well as paintings and drawings. Entrees are limited to three in each classification. There will be a nominal registration fee.

The show will be judged with the top 15 citation awards to be sent to Austin for the June-July Texas Fine Arts Association Citation Show. Fifteen to 20 honorable mentions will also be chosen to remain in the Wichita Falls Gallery along with the Citation Selections until March 31. All others should be picked up at 5 p.m. on March 18.

The sponsors hope all artists will join with the Wichita Falls Art Association in making this the best show for this area.

Counties included in Region 16 are: Archer, Baylor, Clay, Cottle, Foard, Hardeman, Haskell, King, Knox, Montague, Stonewall, Throckmorton, Wichita, Wilbarger, and Young.

Electrically-heated  
Water!

A New, Low, Rate for Owners  
OF ELECTRIC WATER HEATERS

Customers of West Texas Utilities are now enjoying a new, uncontrolled (no time clock) 1¢ rate for residential water heaters. Only 1¢ per kilowatt-hour for KWH after the first 300 KWH at the regular residential rate. A new rate, but still the safest and cleanest way to heat water (or anything else)...because it's flameless!

HEAT YOUR HOME OR BUSINESS ELECTRICALLY  
FOR ONLY 1¢ PER KILOWATT-HOUR(\*)

This 1¢ low rate applies to electrically-heated homes or businesses, too — 1¢ per kilowatt-hour. This winter, as in all seasons, Live Better Electrically!

## Price, spice and everything nice!

Who ever thought a car that saves like this could have so much sizzle? Chevrolet engineers, that's who! Liveliness and luxury for a low, low price were exactly what they had in mind to begin with. And they began from scratch with a whole carload of ingenious new ideas designed to give you more for your money. That spunky 6 with gas-sipping stinginess is just one example. Another: a new unutilized Body by Fisher that's fit for a full-size family inside, easy to park

outside. Still another: tough but gentle one-piece Mono-Plate rear springs that outdo many a bigger car for quiet comfort. Any wonder Chevy II won Car Life magazine's 1962 Engineering Excellence award hands down? (The wonder would be if you settled for anything less—once you get your hands on one at your Chevrolet dealer's!)

# Streams in Desert Places

Ozelle Stephens

While reviewing the life of our wonderful Saviour we see the great protecting hand of God saving Him from the wicked King Herod. After He was born in Bethlehem, was warned by God in a dream that should not return to Herod but depart into their country another way. Then after eight days He was carried to the Temple for the services and sacrifices unto the Lord according to that which is said in the law.

There the Holy Christ revealed unto Simeon and Anna that the baby Jesus was the Lord's Christ whom the world was looking for. This part of the story tells us how great and powerful our God is. Let us turn back to the prophets and listen while God speaks to us. "I am the first, and I am the last; and beside me there is no god. . . . Fear ye not, neither be afraid. . . . I will go before thee, and make the crooked places straight: I will break in pieces the gates of brass, and cut in sunder the bars of iron. I will make a way in the wilderness, give waters in the wilderness and ravines in the desert places."

Boone Hamilton in Jacksboro. Those from Benjamin attending Mr. Hamilton's funeral were his brother and wife, Mr. and Mrs. Bill Hamilton and family; Mr. and Mrs. Howard Dikes and Mr. and Mrs. Gene Hamilton.

Mr. and Mrs. Billie Ray Golden of Munday visited with relatives and friends here over the week end.

Mr. and Mrs. Gene Hall and daughter Elisa Von moved last week to Seymour where they will make their home.

Mr. Walter Rice of Fort Worth was in Benjamin Tuesday visiting with friends.

Mrs. Sue Bumpas honored her son, Bryan, with a birthday party on his 6th birthday Sunday, Mar. 4. Cake, ice cream and punch were served to the following:

Scottie Hertel, Jimmie Melton, Brett Bumpas, Terri Waldron, Vicki Terry, Debbie and Jackie Young of Knox City, Terry Joe Cartwright, Jackie Waldron, Corky Barker, Donnie Wayne King of Munday, Michael Driver, Donnie Roberts and Bryan Bumpas. Bryan's grandmother, Mrs. M. A. Bumpas, his aunt, Mrs. Bill King and cousin Annette Henderson all of Munday also attended his birthday party.

Billy Bumpas of Denton visited his mother, Mrs. Sue Bumpas and family and friends here over the week end.

Mrs. Rosellen Glenn, Karen and Brett and Mrs. Nora Hertel visited in Wichita Falls Tuesday.

Mr. and Mrs. R. D. Hamilton and family of Fort Worth visited in the home of Mr. and Mrs. Bill Hamilton and family and Mr. and Mrs. A. Golden last week. They also attended the funeral of Mr. Boone Hamilton in Jacksboro.

Mr. Fred Hamilton of Pools-ville visited in the home of his brother, Mr. Bill Hamilton and family, and other relatives and friends last week and attended the funeral of his brother, Boone Hamilton in Jacksboro.

Mrs. Bill Dodd visited in Seymour Monday of last week.

Mrs. Erdice Galloway and Mrs. Lil Moorhouse visited Pat Waldron in the Knox County Hospital Monday night.

# Uncle Ben from Benjamin says:

DEAR MISTER EDITOR:

I see by the papers where a Congressman from Georgia says the Government has got to spend another \$10 million this year to get rid of hog cholera. That's one item that won't have no trouble getting through the Congress. Them same Congressmen that voted agin getting rid of ignorance with Federal aid to education will vote solid to get rid of hog cholera. Long ago they took note of the political fact that more votes is in pigs than in education.

Speaking of education, I was reading a piece in a magazine where teachers in some cities is "gravely concerned over the rising hemline" among high school girls. I reckon this is ten-dollar talk meaning high school girls is exposing too much leg. The piece said it had got so serious in some parts of the country that 37 girls was suspended from one high school in New York. I ain't acquainted with these things well enough to pass an opinion on it. When I was a boy nobody ever spoke of a girl having legs. They was referred to in a very low voice as limbs.

Put I do know some changes in the attitude of wimmen in these matters has took place down through the years. I recollect when I was a boy, fer instact, that when a windstorm come up the wimmen folk would always grab fer their skirt. Now they always grab fer their hat.

I brung up this hemline item at the country store Saturday night and Ed Doolittle claimed hemlines has been rising now fer some time among young and old alike and the matter ain't worthy of much attention. He says about all this magazine piece proves is that the high school girl is more interested in her frame than she is in her frame of mind and they ain't nothing wrong with that in these times. In fact, allowed Ed, it was right smart thinking. As long as a feller picks out his girl from looking at her hosiery instead of looking into her heart, claims Ed, the frame is the thing.

with the spelling and grammer done real proper, even if her opinion was all wrong.

But gitting back to them Congressmen, I see by the papers where both the Democrats and Republicans in this new session of the Congress is setting up committees to help the farmer. If I recollect right, ever Congress since George Washington has set up somepun to help the farmer. What they actual want to do is help him mark his ballot.

Yours truly,

Uncle Ben

## "AMONG OTHER THINGS . . ."

By BOB BURNETT, JR.

Down through history, the world has seen men who were courageous, and men who were cowards. Some of the men who had courage are familiar to us. St. Paul, St. Peter, Christopher Columbus, and Nathan Hale are only a few. Equally familiar are those who were not so courageous. Pontius Pilate, Judas Iscariot and Benedict Arnold took the easy way out when history called on them for a noble deed.

Today, in this age of conformity, when everything is dog eat dog, each and every one of us will have an opportunity to show his or her courage. Although the decisions we make will not have an earth shattering effect, nor in all probability will they make the history books, but they will determine whether or not we have what it takes.

Some day if the majority of our friends and acquaintances against, will we have the courage for something which we are age to speak out for what we believe, even though it will probably mean a lessening of our popularity? Or will we take the course which so many people do, that of keeping our mouths shut and quietly standing by while something in which we believe is being abused.

In 1946, Robert A. Taft, Republican Senator from the state of Ohio, was faced with a situation of whether or not to defend his beliefs. Taft's one great dream at the time, and was until he died, was to hold the office of President of the United States. The occasion was the Nuremberg trials in which the high ranking

## Peace Corps Seeking More Recruits

Men and women with farm backgrounds and 4-H or vocational training in agriculture are being requested through the country where they prefer to serve, says Jack Moore, Agricultural Extension Agent for Knox County.

College graduates with degrees in Agronomy, Horticulture, Agricultural Economics, Animal Husbandry, Agricultural Engineering, Vocational Agriculture and Home Economics are also in demand in many countries, particularly in Latin America.

Countries that have requested assistance through the Peace Corps include: India, Malaya, North Borneo and Sarawak, Philippines, Thailand, Trust Territories in the South Pacific, El Salvador, Colombia, Bolivia, Brazil, Venezuela, Peru, Tunisia, and the Ivory Coast.

The Peace Corps provides all expenses for men and women who are accepted for service. This includes transportation, housing, clothing, food, medical care, vacation, and incidentals. Volunteers also receive \$75 a month for each month with the Peace Corps, or a total of \$1800 after two year's service.

All persons in Knox County interested in serving abroad with the Peace Corps should contact Jack Moore at his office, second floor in the Courthouse in Benjamin, telephone 2651, for further information.

### ATTENDS ANGUS MEETING

Mr. and Mrs. Vic Thomas attended the Quarterly meeting of the North Central Texas Angus Association at the Womens Forum Building in Wichita Falls Monday night, March 5. George W. Graham, president of the National Angus Association was principal speaker.

German leaders of World War II were being tried for war crimes. Taft felt that the men were not receiving a fair trial (later several were hanged) and said so publicly many times. It so happened that an overwhelming majority of the American people were on the opposite side of the fence from Senator Taft. It took real courage to do what Senator did because he knew he would be called everything from a liar to a Nazi, and his chances for ever being nominated to the Presidency were virtually nil.

But Bob Taft was courageous enough to stand for what he believed, no matter what the price. When we look back on our own lives will we be able to say as Senator Taft could, "I was courageous, I did not sacrifice principle for popularity." We may not agree with Senator Taft, but we must respect and admire his courage.

It will also take great physical courage, if we are to face life successfully. Several times in each of our lifetimes we will have to face death, disease, and physical pain. This will take a great amount of courage. When Lou Gehrig, the great New York Yankee baseball star found that he had incurable illness, and only a few months to live, he was still able to smile and say, "I consider myself the luckiest man on the face of the earth." Gehrig was an inspiration to those who knew and loved him. Here was a dying man, in the prime of life who did not cry about it, but took life in stride and was able to die a happy and contented man. As Frank Graham said, "he left to us, the shining legacy of courage."

Of course, we may not excel in a certain field such as Lou Gehrig and Robert Taft did in theirs, but it is within our reach to have the courage which these men and others of their breed possessed. Courage is not always being able to go out and butt your head against a brick wall 500 times.

It takes courage to stand the hard knocks of life and only a real man can be courageous.

The Lions Zone Social is scheduled at Garrison's Restaurant for the night of Thursday, Mar. 15, at 7:30 p.m. All Lions members and their wives are asked to attend.

During luncheon the Knox City Junior Band under direction of Band Director Tommy Heffington, entertained the Lions and visitors.

Supt. Youngblood extended a thank you to those present for coming to the school in observance of Public School Week, and said everyone was invited to spend as much time in the classrooms as practicable—"all day if you can," he said.

He introduced Mr. Heffington and asked him to explain the band program in Knox City.

Mr. Heffington said the beginners band was composed of students in the fifth grade—the Junior band is composed of sixth through eighth grades, and the Stage Band is composed of most high school students, and next was the High School Band.

Thirty-two students were in the Junior Band Wednesday — last year Heffington said there were only 20.
