NUMBER 2

BAD LUCK — Knox City lost to Matador in region play by five points, and those in the know say Munday lost her big game by six points to Albany, in a one-in-a-million last-minute play. It was too bad it happened. O'Brien won her game with Wall however, to keep the area from getting let down all the way.

We had hoped all three would go the limit, but that would have been asking too much.

It has been a great year for all three towns, however. O'Brien went into region play with an average of 64 points per game. She has won all her games this year!

O'Brien didn't try to see how many points she could capture, as she played all the boys, not just the 'A' string, Demp Emerson informed us.

OPINION VARIES — A spectator rarely sees or knows who is doing the best job on the field, for he rarely knows what duties the coach has prescribed for that particular player.

For the past three weeks, we have tried to pick the most valuable lineman and have missed every time!

Actually it is kinda like the army—if the general says "retreat" and you stay and kill all the enemies men, you get a zero—for you didn't follow instructions!

In our weekly meeting with the other "sidelines coaches" we have noted that seldom do we agree on the player of the week—that is we all have different opinions on who did what and how good.

Football is strictly a team endeavor and not a one man game. Naturally we all pick a player we admire and root for but in the final analysis it takes all eleven to win!

TOO BIASED? — We have tried not to be anywhere in the paper except in this one column, so that is why we have never written a sports story. We have been very fortunate each year to wish the job off on some of our other fans. It has happened a few times that we had to use either Abilene or Wichita's sports writers—but in any event we have let "John" or "Jane" give you the data.

This year our "Jane" has been Betty Williams assisted by the coaches and Jeff Graham's records—an unbeatable combination and one of the best—no it HAS been the best—year's we've had, reporting-wise.

Football is one thing we go along with the majority on for we dearly love to watch a good game and as can be gleaned by the area towns—we DO have a lot of good football to watch.

This year's crop of seniors have been all the way to the top—down to the bottom—and this year to the top again. A most remarkable situation. We are extremely proud of them for their accomplishment. Next year's crop will have something to shoot for and we predict right now that they will not disappoint anyone!

EQUALITY — Women are usually screaming equality with the men and Houston may give the first woman in history of the state equal punishment with men. She is Carolyn Ann Lima, a murderess, who may be the first woman executed in Texas in over 100 years in 1963.

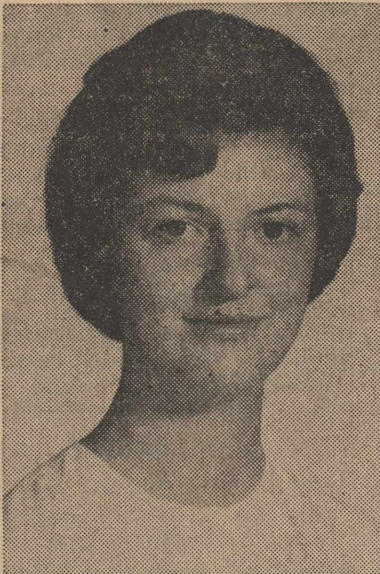

May equality reign supreme—especially in instances of this nature!

DEAR SANTA — We are ready to start our Christmas edition so send them now!

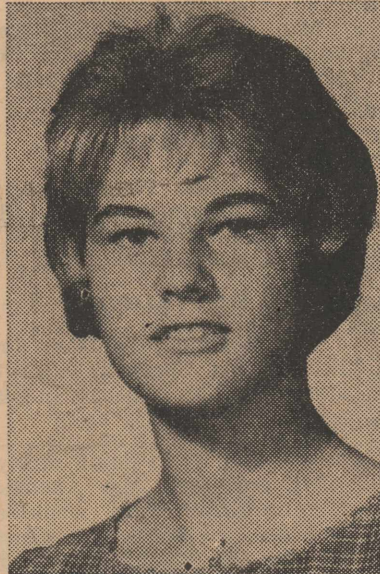

Several weeks ago Terry Joe Cartwright, Lynn and Merri Clarke wrote Santa through the Herald.

Their letters will be included in the Christmas edition as well as packaged and delivered to Santa at the North Pole.

Our Christmas edition will be published Dec. 20, so hurry! Only one week left before Christmas!

FOUR FINALISTS NAMED IN MISS MERRY CHRISTMAS CONTEST

In the first elimination of contestants in the "Miss Merry Christmas" Contest here, it was announced the following four girls had received the most votes—listed alphabetically they are: Belle Burnett, sponsored by The JanCharles Studio; Glenda Cox, Modern Beauty Shop; Cindy Johnston, Bob's Super Save, and Linda Reed, Guinn Sheet Metal and Plumbing Supply.

These four will remain in the contest and the business firms which they represent will accept votes until Dec. 11 when the votes will be counted again and the winner declared.

Miss Merry Christmas will be crowned at a talent show on the

night of Dec. 11 at the school auditorium. All 54 of the girls who entered the contest will be recognized at the program.

Knox City Study Club is sponsoring the program and the contest.

Admission to the program will be 25 and 50 cents and the club promises an evening of good entertainment.

Plans Changed For O'Brien HSU Day

HSU Day which was planned for Sunday, Dec. 9, at the First Baptist Church in O'Brien has been cancelled. HSU Day will be held at a later date it was announced Wednesday.

Lions Board Of Directors Meet

Knox City's Lions Club board of directors held their monthly meeting at Garrison's Cafe Wednesday morning and they decided to recommend to the club that they sponsor another turkey shoot for Christmas.

Date of the shoot was set for one day—Saturday, Dec. 15 at the old post office building and Spencer Oil Supply location.

Proceeds of the shoot will be used for worthwhile Lions Club projects, Lion President Bill Sams said.

O'Brien to Have Talent Show Dec. 17

The O'Brien Community Circle and Welfare Organization will sponsor a Talent Show Dec. 17 at the O'Brien High School.

Admission will be "groceries" which will be used to fill Christmas baskets for the needy of the Community.

Those interested in entering the contest, contact Mrs. Clyde Covey, School Supt. Roy Baker or Mrs. Juanita Wilcox by Dec. 10.

Jimmie L. Abston Dies In Amarrillo

Funeral services were held for Jimmie Leo Abston of Amarillo at 2 p.m. Wednesday in the Four-square Church in Knox City.

Abston was a former resident of O'Brien and died in Amarillo Dec. 4 at 5:45 a.m.

He was born Feb. 21, 1907 in Texas and his parents moved to O'Brien when he was a small boy. He lived there until 1942 when he moved to Amarillo. He was in the cafe business there.

Rev. Pete Adcock officiated and was assisted by Rev. Floyd Bailey. Interment was in the O'Brien Cemetery.

Survivors include his wife, Vinie, one daughter, Mrs. Juanita Sapper, Los Angeles, Calif.; his mother, Mrs. Hattie Abston of Knox City, three brothers, Clarence of Knox City, Claude of Friona, and Carl of Lubbock, four sisters, Mrs. Sallie Grant of Knox City, Mrs. Grace Posey of Knox City, Mrs. Maggie Manco, Merced, Calif., and Mrs. Collie Covington of Duncan, Okla.

Basketball Games Get Under Way

The Knox City Girls Basketball Tourney will be held next week starting at 5 p.m. on Thursday, Dec. 13.

Teams entering other than Knox City will be Crowell, Lockett, Benjamin, Munday, Weinert, Haskell and Rochester.

Brackets and playing times will be announced in next week's Herald.

This week end Knox City's basketball players will enter two tournaments. The boys will go to Seymour and will play their first game of the tournament at 5 p.m. Thursday night against Megargel.

The girls journey to Haskell and will play Weinert at 8:30 p.m. Thursday.

In the first basketball games of the season both boys and girls were defeated by Crowell. The girls lost 51-44. Samantha Graham was high point scorer with 19 points, Sue Bankston scored 13 and Kay Waldrip, 12.

High point girl for Crowell was Carol Brown with 36 points. The boys lost 50-33 with Roger Vassar high point man with 19 points and Dayle Doyal scoring 16 points for Crowell.

O'BRIEN BULLDOGS WIN REGION CHAMPIONSHIP FROM WALL

The amazing sixman O'Brien Bulldogs romped past Wall 35-26 in regional playoff at San Angelo last Friday night.

James Duncan scored four touchdowns on runs of 59, 54, 41, and four yards and kicked two points to account for 28 of O'Brien's 35 points.

Bobby Cox received a broken leg in the last two minutes of play.

O'Brien scored early in the first period, and held a narrow 16-14 lead at the half.

Duncan took a screen pass from quarterback Jimmy Johnston and raced 41 yards for the score. He then kicked the point to send O'Brien into an 8-0 lead.

Aided by a holding penalty, Wall scored on the ensuing series.

The payoff play came on a 44 yard scoring pass from Mike Kahlig to Mike Braden. End Bobby O'Neal blocked the extra point try to preserve the O'Brien lead.

O'Neal, who was a defensive standout, set up the next O'Brien touchdown by stealing a Wall lateral on the losers' 39. Four plays later Duncan rammed center for four yards to score O'Brien's second touchdown. He kicked the extra point.

Wall received its second TD with 29 seconds before halftime on a pass from Braden to Randy Gray.

Except for a third Wall TD early in the third period which

put the Hawks ahead, 20-16, O'Brien was in the driver's seat during the second half.

Duncan erased Walls lead on a 59 yard play on the first play after the kickoff. He scored again with 7:50 left in the game on a 54 yard run. Johnston passed to O'Neal for the extra point to give O'Brien a 29-20 lead.

Each team scored one more time with less than five minutes to play, but Wall could never get going against the O'Brien defense.

Johnston threw 31 yards to end C. H. Underwood with 2:57 remaining for the final Bulldog score.

GREYHOUNDS DROP REGION TO MATADORS

Knox City Greyhounds finished a fine football season with a record of 9-3 after losing a heart-breaking regional game to Matador 19-14 Friday night on the Greyhound field.

The victory gave the Matadors their fifth region IIB crown in ten years.

"We coaches feel we had a

fine season and that we got beat by a really fine ball club last week," Ted Darland said Wednesday afternoon.

"We made some mistakes which hurt but after viewing the film we feel every boy gave his very best effort and we want to commend each of them for being real champions even in defeat," he added.

Knox City failed to move the ball on its first possession of the game punting to the Matadors who drove the Greyhound 42 to the 25 before a 15-yard penalty caused them to falter.

A pass from Matador quarterback Gary Lancaster was intercepted by Eddie Williams on the KC 22 yard line. It took the Greyhounds 13 plays before Williams ran over guard from 13 yards out to score Knox City's first touchdown. Freddie Smith kicked the extra point and the score was 7-0 until early in the second period.

Brack Shaver connected with a long 40-yard pass to Jimmy Reyes who took the ball on the 15 and then sped across the goal-line for the second TD. Smith again kicked the extra point.

Midway in the second period Kenny Barton crossed the goal-line for the Matadors and the try for extra points failed leaving the score 14-6.

Charlie Bateman was injured shortly before the half ended and was taken from the game.

Early in the third quarter the Matadors took possession and in 13 plays went to paydirt when Lancaster went over right tackle for the tally. The try for extra points failed and the score was 14-12.

Late in the third quarter a punt by Williams was blocked in the end zone and recovered by Matador tackle Pete Davis for the winning touchdown.

Knox City was backed up to its two yard line at the time after Jimmy Reyes had intercepted a Matador pass on the one yard line.

Statistically the Greyhounds racked up 10 first downs to 17 for the Matadors. The Greyhound team gained 215 yards rushing and 88 passing for a total of 313. The Matadors gained 270 yards rushing and 14 passing for a 284 total.

Knox City completed 4 of 9 pass attempts and intercepted two of Matadors attempts. They completed 2 of 5 attempts. The 'Hounds were penalized 8 times for 57 yards while their opponents were penalized 7 times for 55 yards.

Knox City lost two fumbles and the Matadors one. Matador punted once for 35 yards, the Greyhounds 5 times for an average of 27 yards.

Williams was the game's leading rusher, with 139 yards on 21 carries for a 6.6 yard average.

TAKES OATH OF OFFICE—Roy Arledge of Stamford, elected as State Representative from the 83rd Legislative District, is shown above as he was administered the oath of office in the House Chamber Nov. 23 by James Turman, retiring speaker of the House. The legislature will convene January 8.

LOWER COSTS ON Farm and Ranch LOANS

The Federal Land Bank of Houston has announced that effective on January 1, 1963, it will reduce temporarily to 5% the interest rate on all outstanding loans which presently bear a rate in excess of 5%. The contract rate on new loans will continue to be 5 1/2% but interest on loans closed on and after December 1, 1962, will be billed at 5% until further notice by the bank.

This action is further evidence of our announced goal to supply your loan funds at the lowest possible cost. Without obligation, come in and let's see if you and your land can qualify for the special benefits provided through one of our loans.

ANNOUNCE BIRTH

Mr. and Mrs. Wayne Hutchinson announce the birth of a son, Cleveland Charles, born Dec. 2 at Hendrix Memorial Hospital in Wichita Falls. Grandparents are Mr. and Mrs. C. C. Hutchinson of Knox City and Mr. and Mrs. Wayne White of Brawley, Calif.

HERE FROM TECH

Fifteen Agronomy Club members, accompanied by their teacher, Dr. Allen of Texas Technological College of Lubbock, were at the M. L. Verhalen farm Sunday to gather a truck load of mistletoe which they sell to different organizations each year in Lubbock.

Uncle Ben from Benjamin says:

DEAR MISTER EDITOR:

Zeke Grubb's preacher come by the country store Saturday night, reported the members of his congregation has got two new projects going full blast. First off, he said, the Attendance Committee met Friday night and Hezekiah Adams gave the figgers showing the attendance had dropped about 10 per cent since last Easter.

Katie Hightower claimed it wasn't no wonder with them hard benches in the Church, but the good Parson said he argued, they was the same benches Katie's ancestors set on 50 year ago without grumbling. Rufe Zinder spoke up and took sides with Katie, allowed as how the cabooses of folks had changed a lot since then. The Parson told the fellers he knowed somepun had changed but he didn't know which end so he didn't argue the point.

Anyhow, he reported, the Committee voted to put cushions in all the pews, starting next month. He said he voted agin the cushion amendment on account of he has already got enough sleepers in the congregation. Fer instant, he said Big Slim sleeps pritty good now without cushions, and with cushions they won't be able to wake him up fer the Benediction. He told the fellers that not long ago Big Slim ask him what kind of prayer he ought to say when he set down in the pew. He told Big Slim it would be most fitting if he'd just say the "Now I lay me down to sleep," version.

And the second project they got going, he reported, was to run him off. He said it was on account of a sermon he preached last Sunday on Jonah and the whale. He told 'em how the whale had eat up Jonah on account of him not obeying the Lord.

He allowed as how the congre-

gation liked it fine as long as he was talking about Jonah, but when he told 'em the whale was going to eat some of them if they didn't git to doing better, it was another story. Some of the members was even complaining Monday that he had scared the daylighters outer their younguns with a man-eating shark story.

The Parson told the fellers he wasn't surprised none on account of him getting run off from his last church over that same sermon. But he reported he wasn't worrying none over the situation. If he has to move, he said, he was going to take that sermon and a few more like it and put 'em in a book and call the book, "Moving Sermons." Folks is always wanting to hear moving sermons, he said, and them in his book he was figgering on writing was not only guaranteed to move the congregation, but would move the preacher ever time.

Yours truly,
Uncle Ben

IT'S THE LAW in Texas

THE CASE OF THE NOSY LANDLORD

Alice was taking an afternoon nap. She and her husband Joe had spent all last week moving into their new apartment. Today, with Joe back at work, Alice had been trying to do the ironing while chasing after their young son, and she was tired.

A noise from the front room awoke Alice. She went to investigate and saw a man standing in the middle of their living room. Alice was about to call the police when she recognized the man. It was Mr. Irving Snoop, their landlord.

He explained that he had let himself in with his pass key to make a routine inspection.

Alice was quite upset and asked Mr. Snoop to leave. She said that he could come back another time, but asked that he get permission before entering their apartment.

Mr. Snoop informed Alice that he owned the apartment building, and that he need no one's permission to come and go as he please.

Is Mr. Snoop correct? Can he enter the apartments of his tenants without their permission? Mr. Snoop is wrong. A tenant

Farm-Ranch News

By JOE W. DOBY
Knox County Agent

Plans were made for the sixth annual Knox County Farm and Ranch Day in Munday last week.

An effort will be made to obtain a report on research work being done on the boll weevil. The program will be held Wednesday, Jan. 23, beginning at 10:30 in the school at Munday. Put this down on your calendar and plan to attend.

Leaf rust is showing up on wheat in Knox County. Leaf rust is spread by spores carried on the wind and favored in its growth by the type of weather we have been having this fall. Warm, humid weather along with a variety that is not resistant and it develops quickly. The only control available is to grow resistant varieties.

When a few "blue northers" blow through, rust should be less of a problem. The critical time as far as a wheat crop is concerned is next spring. Since the leaf is the manufacturing part of the plant, if it is covered with rust, there is little chance for the head to fill. So we hope the humidity is low next spring and chances are that it will be.

The Knox County Junior Livestock show is scheduled for Saturday, Jan. 12 to be held at Knox City this year. A few changes this year include an entry fee of 50 cents an entry for cattle, 25 cents for sheep, hogs and chickens. An auction sale will be held for the Grand and Reserve Champion steers, fat lambs, fat hogs and broilers. If either of these wishes not to sell, then the next in line will have an opportunity.

The people of Knox County now have an opportunity to pick up Extension Service bulletins without visiting our offices. A bulletin rack has been placed in the Citizens State Bank in Knox City and the First National Bank in Munday. The bulletins are there for your use so take what is needed. This is just a fraction of the bulletins available so if the one you want isn't on the ther cak, drop us a note and it will be mailed to you.

ANNOUNCE ADOPTION

Mr. and Mrs. Roger White are happy to announce that they have adopted a little girl, Kelly Dawn, who was born Nov. 14, 1962. She weighed 7 lbs., 7 ozs., at birth.

has the sole and exclusive right to the occupation and control of his apartment during the existence of his term. Therefore, as a general rule, a landlord has no right to enter the apartment of his tenant without the tenant's consent, unless the landlord has reserved such right in the lease.

An unauthorized entry or intrusion by a landlord on his tenant's premises constitutes a trespass to the same extent as an entry or intrusion thereon by a stranger.

Some courts have held that a landlord has the right, during a tenancy, to enter and make such repairs as are necessary to prevent waste. However, in general, in the absence of express permission or of some agreement to the contrary, the landlord has no right to enter upon the rented premises to make alterations and improvements, to investigate as to the need of repairs, or to make even necessary repairs, and certainly not to "snoop around."

Study Club Has Bible Program

The Knox City Study Club met Thursday, Nov. 29, for a Bible Day program directed by Mrs. Otis Cash. She introduced the speaker, Mrs. Rex Mauldin of Munday who chose Paul's letter to the Colossians for her subject and distributed questionnaires to the group for participation.

Special music was presented by a sextet of girls from the Munday High School who were Claire Harpham, Jeri Moore, Karen Johnson, Jan Pendleton, Phyllis Yost and Jan Hawkins. They sang three sacred numbers.

Mrs. Cash presented a book to the speaker as an appreciation gift. Mrs. George Davis presided for the business session.

The resignation of Mrs. Colehour was accepted with regret. Plans for the next meeting which will be a dinner honoring husbands or members on Dec. 15, were announced by Mrs. J. M. Averitt.

Hostesses for the Thursday meeting were Meses L. W. Graham, T. P. Frizzell, J. R. Hitchcock and Claud Reed.

Highway Patrol Needs 154 Men

Monthly examinations are now being given to fill the 154 vacancies in the uniformed services of the Texas Department of Public Safety, according to Major Harry Hutchison, Regional Commander of this Region for the Texas DPS.

The Commander said this new method of recruiting has not been used in the entire history of the Texas Department of Public Safety prior to this year. Entrance examinations were formerly given two or three times a year, now the examinations are given the second Saturday of each month throughout the state of Texas.

The cities in this region where the entrance examinations are given include Lubbock, Amarillo, and Wichita Falls. Dec. 8, will be the last date for entrance examinations to be given for entrance in the next student patrol school, a sixteen week training period which will begin at

the Department of Public Safety Law Enforcement Academy in Austin.

When all benefits are considered, as well as the fact that these jobs offer a career of service to their fellow Texans, we regard them as outstanding opportunities for young men. They will have an opportunity to attend the best state police academy in the nation, to receive training in police science and administration under the direction of some of the nation's foremost professional authorities.

Major Hutchison said that upon successful completion of the sixteen weeks training course, graduates will become commissioned officers and will be assigned to the field. The salary while in training will be \$31.00 per month and will increase to \$395.00 or \$412.00 per month upon graduation, depending on the nature of the patrolman's assignment. Longevity pay increment of \$10 extra per month will be added for each five years of service for each of the uniformed services, which are the

Highway Patrol, License and Weight, Driver's License, and Motor Vehicle Inspection. In addition, uniforms and equipment will be furnished, and the officers will participate in the state retirement plan. There are other personal benefits they will have, such as job security, annual vacations, sick leave and insurance benefits.

Applicants must have a high school education or the equivalent, be in good physical condition and be of good moral character. They must be not less than 5'8" nor more than 6'4" tall, and weigh not less than two pounds or more than three pounds per inch of height.

Those who meet the basic qualifications on their applications will be permitted to take the new written examination on the second Saturday or each month on which they must qualify plus passing an oral interview board before they can start training at the Academy.

The Major invites all interested young men to contact the nearest Department of Public Safety office for an application form, or write to Personnel and

Athletic Director Speaks At Banquet

Mr. Joe Golding, athletic director of the Wichita Falls High Schools, told members of the Greyhound football team and their guests at the annual football banquet Tuesday night at the school that football was a great sport and that it took brains as well as brawn to make a fine football player.

He complimented the Knox City coaching staff on their performance and said that football made men and fine citizens. In closing he quoted the Sportsman's Prayer which ends,

"If I should win, let it be by the code
If I should lose, let me stand by the road
And cheer as the winners go by."

Miss Samantha Graham was crowned football queen by the tri-captains Eddie Williams, Freddie Smith and Charlie Bateman.

Supt. E. A. Youngblood was toastmaster. The invocation was

Land Bank Reduces Interest Costs

The Federal Land Bank of Houston has announced that effective on January 1, 1963, it will reduce temporarily to 5 per cent the interest rate on all outstanding loans which presently bear a rate in excess of five per cent.

The contract rate on new loans will continue to be five and one-half per cent on loans closed on and after Dec. 1, 1962 will be billed temporarily at five per cent until further notice by the bank.

In making the announcement, Hal Weatherford, president of the bank said that of its \$260 million of loans outstanding, more than \$100 million bear contract rates in excess of five per cent and that the savings to Texas farmers and ranchers by this action will be more than a half million dollars in the year 1963 alone. Weatherford said this is the fourth time the bank has voluntarily reduced the interest on its outstanding loans.

The Houston bank makes long-term farm and ranch loans thru 73 federal land bank associations located throughout Texas.

The one serving this area is the Federal Land Bank of Houston.

WMU NEWS

Mrs. Herman L. Petty, Missionary in Nazareth, Israel, spoke to the Baptist Womens Missionary Union Monday morning in the first meeting of the Lottie Moon Week of prayer for Foreign missions.

She told of the work she and her husband have been doing the past eight years as they teach in the Baptist school in Nazareth and work with the Arab people there. Mr. and Mrs. B. E. Head, Houston, accompanied Mrs. Petty to Knox City.

Following the Monday morning service, luncheon was served in the fellowship hall to approximately 25 women and Mr. Head and Rev. Tony Longval.

"God's Gift, the Light of the World" is the program theme for the week, as the W.M.U. meets daily at 9:30 a.m., except for the Wednesday evening service.

Program leaders for the week are: Monday, Mrs. Curtis Hines; Tuesday, Mrs. D. B. Reeves; Wednesday, Miss Ethel Lemon; Thursday, Mrs. Clyde Smith; Friday, Mrs. A. P. Denton. The Sunday evening service, also on missions, under the direction of Mrs. E. Hob Smith.

The Wednesday program, at 7 p.m., was a film "Extending the Light."

PICK YOUR KIND OF CAR

AT YOUR CHEVROLET DEALER'S ONE-STOP SHOPPING CENTER

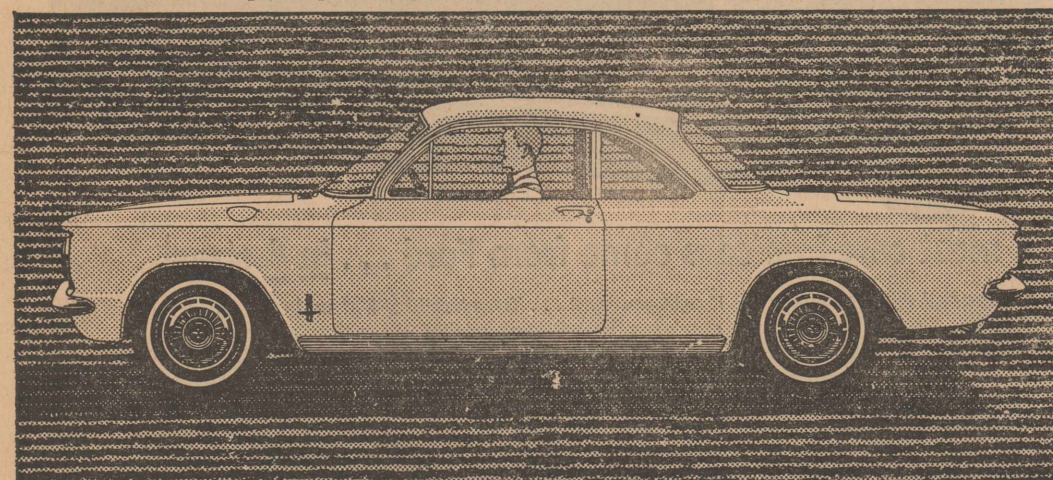

If you'd like to see how your car dollar can be tailored to your needs, your Chevrolet dealer has four entirely different kinds of cars that do it handily. Jet-smooth '63 Chevrolet: It's a luxury car that invites comparison with the high-priced cars. '63 Chevy II: Really much too snappy looking and spirited to be called a thrift car. But sparing is what it is in price and up-

keep. '63 Corvair: The rear-engine wonder for people who like their sport with the family along. Then there's our all-out sports car—the new Corvette Sting Ray: It's completely restyled and re-engineered, and now available in convertible or sport coupe. Whatever your new car fancy, you'll find the answer at your Chevrolet dealer's.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

TEXAS PRESS ASSOCIATION

AUSTIN — Twenty changes in Texas' two per cent sales tax law are recommended by the Texas Commission on State and local tax policy.

Some changes would result in decreased revenue and some would mean an increase. But the total outcome of a legislative out-and-take would produce an additional \$10,500,000 a year

from a tax that is expected to bring \$170,000,000 into state coffers this year.

Sen. George Parkhouse of Dallas is chairman of the commission. Other members are Hugo H. Loewenstern of Amarillo; Dr. John R. Stockton of Austin, Senators Louis Crump of San Saba and Jep S. Fuller of Port Arthur; Representatives Charles Sandahl

of Austin and Charles Wilson of Trinity.

Parkhouse predicted that if spending in the next biennium is in line with the present level, no additional taxes would have to be levied.

A large addition to income—if recommendations are adopted—would come from applying the state sales tax to motor vehicle sales in place of the selective excise tax now levied on vehicles.

Commission recommended repeal of the exemption of farm machinery and equipment, but suggested that feed for farm work animals; herbicides, defoliants and desiccants, and all fertilizer sales be exempt.

Some other recommendations were:

1. Apply sales tax to all clothing sales, which would up revenue \$10,000,000 a year.
2. Exempt vending machines sales of less than 25 cents, and all sales of less than 25 cents for retailers who derive 50 per cent of receipts from such sales.
3. Exempt sales made to state banks, since sales to national banks are exempt.
4. Exempt all sales of alcoholic beverages.
5. Permit grocery stores to pay sales tax in proportion to purchases of taxable and non-taxable items. Grocers with annual receipts of less than \$100,000 would pay sales tax on the as-

sumption that 85 per cent of receipts are from exempt items.

ELECTION CHANGES — The Election Law Study Committee released a 221-page report on proposed changes in Texas election laws.

Sen. Tom Creighton of Mineral Wells, chairman of the committee, said the main goal is to remove conflicts and deficiencies from the present code. The more palatable suggestions will be included in one bill for legislative consideration. More controversial items will be presented separately.

Public will have a chance to challenge the proposals on Dec. 6 and 7 when an open hearing will be held in the Senate chamber. Committee will also hold hearings at that time on a voter registration law and a proposal to change the dates of primary elections.

Some of the 120 proposed amendments concern:

1. Having voters check preferred candidates on paper ballots instead of scratching those opposed.
2. Requiring write-in nominees and runoff candidates to pay the same fees as other candidates.
3. Fining voters who cast a ballot in one party's primary and then vote in the other candidates.
4. Requiring campaign expense reports by newspapers, magazines, billboards, printers, radio and TV stations, on all advertising contracts.
5. Requiring all voters over 60 years of age to get annual exemptions.
6. Permitting different parties to hold primaries in the same building, as long as there is no direct passage between polls.

DEBT INCREASED — State Treasurer Jesse James reports that the deficit in the General Revenue Fund increased by \$6 million between Nov. 11 and November 23, when it was \$34,146,666.

GUARDSMEN WAIT — Waiting for approval of armories under the federal state building program are 32 units of the Texas National Guard.

Federal government which underwrites 75 per cent of the cost of each armory, is approving construction at the average of six per year, but there is no priority arrangement.

So far, 11 armories have been built under the program, according to Harry B. Kelton, director of armory board.

RUNS AT STANDSTILL — The "run rate" at Gatesville State School for Boys has been reduced to zero since Sept. 4, when the new \$2 million Mountain View School for serious offenders was opened.

School was dedicated last Saturday in a public ceremony featuring an address by Gov. Price Daniel.

Weldon Brewer of the Texas Youth Council said the "run rate" has been cut down gradually over the past five years.

In 1958-59, when the average monthly population at Gatesville was 1,115 boys, there was a monthly average of 51 escapes. In 1959-60, with 1,197 boys, there were 44 escapes a month. In 1960-61, with 1,364 boys there were 31 escapes. In 1961-62, there were 1,502 boys with only 24 escapes.

Since the 200-plus inmates most likely to run were moved into the double-fenced Mountain View campus, there have been no escapes.

"A walled home may seem cruel to some people," Brewer remarked, "but it's a very humane arrangement when you realize that the boys within are able to take part in a training program and group recreation."

Before the new school was opened, the boys who broke out had to be confined to a small room.

Guards on Gatesville's 40 acres do not carry guns.

SAFETY STRESSED — Gov. Daniel has proclaimed December 9 as "Safety Sunday" in an effort to stress the hazards of holiday traffic.

He recalled that highway collisions in the state in 1961 took 2,314 lives. They caused 132,000 injuries and a loss of \$356 million worth of property.

HUNTING DEATHS — Cecil Reid of the Sportsmen's Clubs of Texas urges hunters to put a stop to a tragic string of hunting deaths and injuries by practicing caution in the field.

He cites three recent deaths where hunters were mistaken for game and killed.

Reid said no hunter should allow himself to shoot at anything which he has not identified fully as game.

He urges hunters to request

passage of legislation such as the "careless and reckless hunting" laws in effect in some other states.

BRACERO CALLS DOWN — Texas cotton farmers reacted to a U. S. Department of Labor wage standard of 70 cents an hour, for braceros hired to chop cotton, by resorting to almost exclusive machine harvesting.

While 45,000 Mexican contract laborers were hired in August of 1961, only 16,000 were used in August this year, and they also harvested vegetables and grain.

WOMAN MAY BE EXECUTED — The State of Texas may legally execute its first woman in more than 100 years in 1963.

She is Carolyn Ann Lima. Her death penalty has been affirmed by the Court of Criminal Appeals.

Meanwhile, she is being held in the Harris County jail in Houston. She awaits the court's decision on a motion for rehearing. Such is rarely granted.

If she lives until February 23, she will be 20 years old.

The Lima woman and a companion, Leslie Douglas Ashley, were given the death penalty for the murder of a wealthy antique dealer in Houston.

It was 1859 or 1860, when the State of Texas last executed a woman.

Only one woman has been sent

to the Texas death house since the electric chair was installed in 1924 at Huntsville. However, her sentence was commuted on June 29, 1951.

So, if time runs out for Carolyn Ann Lima, she will become the first woman ever to sit in the state's electric chair.

WATER DILEMMA — Water districts which serve customers within the limits of a city are in a dilemma over a Texas Supreme Court ruling.

A court decision finds them in the position of trying to set rates to pay their costs and at the same time having their rates prescribed by the city.

Texas Supreme Court has upheld the power of Houston to fix rates charged customers within the city by a water district.

Ruling applies equally to all cities served wholly or in part by water districts.
