NUMBER 7

The pickup truck isn't for sale and no one was hurt in the wreck either, it is the proud possession of Neil Perdue and has set at the above spot for a year or three now. Last year Mrs. Perdue asked her spouse to haul the old Christmas tree away and promptly deposited it in the rear of the truck. Neil immediately got busy and the tree didn't enter into their conversation until a month ago when Marion decorated it for her shop. Later she again moved it to the old pickup. Not only had most of their neighbors helped fill the bed with their trees, but the Lions club or someone, filled not only the bed but the cab, and front and back bumpers. At the time this picture was made, however at least half of the load had been removed.

By the way Marion, the Herald has some "no dumping" signs real cheap. Looks as if you may need one or two!

Our friend from Munday, yes we have one, Aaron Edgar, told us last week after reading our column concerning no habits, that that was the best habit a person could have.

**TAX EQUALIZATION** — The man is here equalizing taxes, that is a polite way of saying raising them, and the total resume of their work should be made known one of these days.

An increase of any kind at this particular time is without a doubt unfortunate.

The city cleaned the main drags last week and it certainly made the old town look nice. Wish we could afford to do this every week or two for the down town area looks pretty crummy with filthy streets.

We understand the city leases or rents the street sweeper. At first glance it looked like a good investment. At that time the city streets were swept by hand twice a week and the streets leading into and out of town weren't swept too often. The sweeper was supposed to do all the above plus some residential cleaning. This never materialized.

Actually the city streets aren't swept now as often as they used to be for the street in front of the Herald wasn't touched for two months.

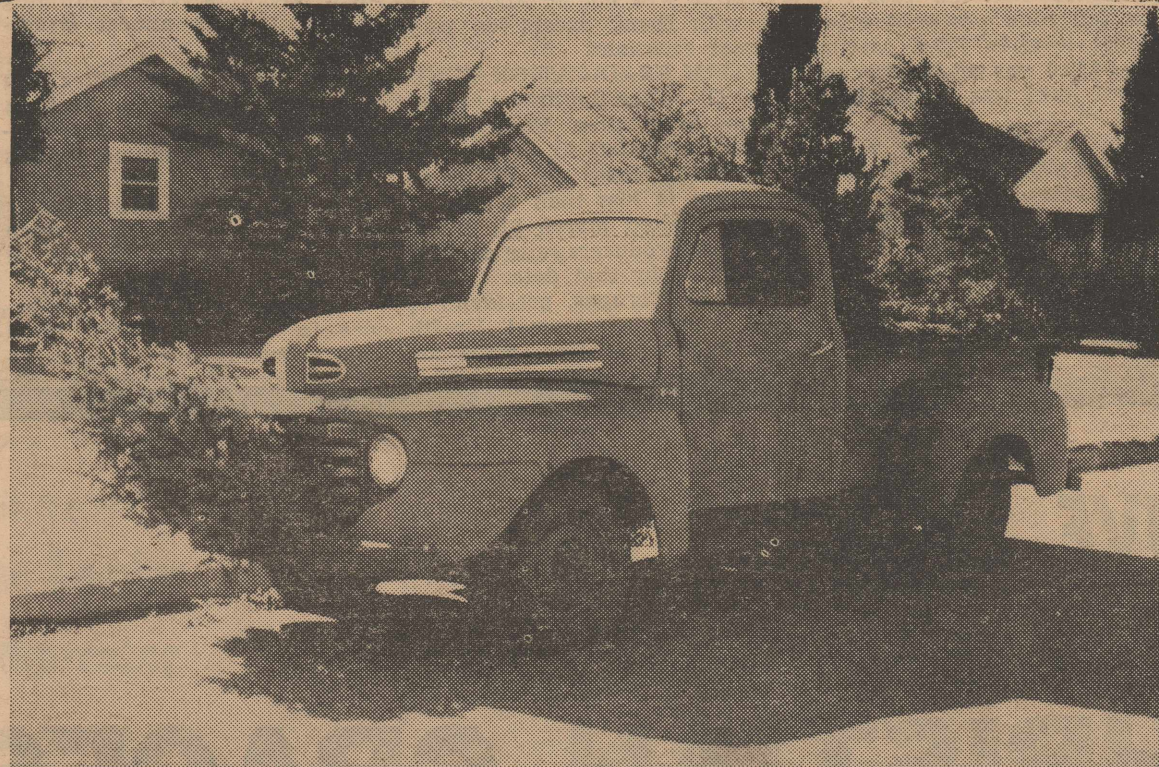

We have no idea what the city pays for the cleaner which is always broke down, but even if it is free it is too expensive. We have nothing against progress but in this instance we hardly think it is progress or that it is better or cheaper. Today we are paying more wages at city hall than ever before. We haven't taken one man off the city payroll, however since the thing was leased, bought, rented, or whatever the city does to deserve such a monstrosity.

Let's save another few bucks and do a better job.

Although I have made considerable fun of the wife and her friends concerning "junk" and antique items, I must admit that I, too, have cultivated a soft spot in my heart for the fool things. Mrs. Eddie Carr not only collects, but refurbishes all sorts of junk—I mean antiques—Mrs. Herman Egenbacher is another devotee, as well as her husband.

Antique collectors are a breed apart from everyone else, however. What would you think and do if someone sent you a worn-out bowl of some sort that didn't have anything showing on it but dark streaks of pewter (I suppose that's the way you spell it) and dents all over it? If you are a collector you would be thrilled to death, for if you spend \$25.00 more on it you may possibly have something to decorate the table.

I am contemplating seriously trading everything I own for some \$5 tables and chairs, the unfinished variety, putting them in the cow lot and chicken house for at least a year and then selling them to my friends for \$25.99! A good cut rate price for outstanding antiques.

**NO DUMPING ALLOWED!** — Two weeks ago the above pickup was literally drowned in Christmas cheer for not only was the bed filled to overflowing with Christmas trees but also the cab and even the front and back bumpers were stacked full. Since then, someone has taken pity on the Neil Perdues and carted off a "few hundred."

## Junior Livestock Show To Be Held In K.C. Sat.

4-H and FFA members from Knox County are making final preparations for the annual Junior Livestock Show to be held Saturday, January 12, in Knox City.

Entry fees will be charged this year for the first time and will be as follows: Fifty cents for each cattle entry and 25 cents for each entry in sheep, hogs and chickens. Entry fees will be collected the morning of the show. Animals must be in their stalls or pen by 9:30 a.m.

Judging will proceed as follows:  
Lambs, 1:30; Fat Barrows, gilts

## Service Officer Woodward Gets Commendation

Clarence S. Woodward, Knox City, County Service Officer of the Veterans Affairs Commission received a letter from Charles L. Morris, Executive Director, Austin Jan. 2 concerning Mr. Woodward and the veterans of this area. The letter follows:

Dear Mr. Woodward:  
During the past year, \$149,489. During the past year, \$149,489. families in your county. Please bear in mind that this amount represents only the cases that were handled through the Veterans Affairs Commission and the organizations with which we are accredited.

We realize that none of these benefits were automatic in any sense of the word. The benefits that are available to disabled veterans and their families from the State and Federal governments must be applied for. The size of the awards indicates that you have done an outstanding job of assisting the claimants in your county in making application, and, in most instances, you are the one who developed the claims in order that payments might be made.

We feel that the counties can make no better investment than to maintain a competent Service Officer such as you to provide the deserving veterans with the kind of aid which they should receive from a grateful community which they served during time of war.

It has been a pleasure to work with you this year and we wish to commend you for rendering such valuable service to the veterans, their dependents and their survivors, as evidenced by the records in this office.

Sincerely yours,  
(signed) Charles L. Morris  
Knox County's Commissioners' Court also received a copy of this letter.

## Cotton Samples Still Coming In Office

Samples were coming in steadily at the rate of 1,000 to 1,200 daily by the end of the week and 3,869 samples were classed during the week ending January 4, according to A. D. Peebles, in charge of the USDA Cotton Classing Office in Munday.

Grades are running lower than at the last writing with 3 per cent Middling Light Spot, 32 per cent Strict Low Middling Light Spot, 5 per cent Low Middling, 16 per cent Low Middling Light Spot, 30 per cent Strict Low Middling Spot and 9 per cent Low Middling Spot.

Staple lengths ran 5 percent 29/32, 70 percent 15/16, 20 percent 31/32 and 3 percent 1 inch and longer.

Market activity remains slow with Strict Low Middling Light Spot 29/32 averaging 28.91; Strict Low Middling Light Spot 15/16, 29.45; and Strict Low Middling Light Spot 31/32, 29.95.

and boar, 1:45; and steers at 3:15. An auction sale will be held for the grand and reserve champion steers, fat lambs, fat hogs and broilers. The winning contestants have the option of withdrawing if they so desire. In that case, the next animal in line will be eligible for the sale.

In the swine classes, boars and gilts must be four months or older to be eligible for showing. Feeder pigs will weigh from 125-175 pounds and fat barrows 175-240 pounds.

In the poultry classes, two hens and a rooster of one breed will constitute a class. A pen of five broilers will also constitute a class. Poultry exhibitors must furnish their own coops.

All bedding will be furnished by exhibitors. The show will be held in the first cotton warehouse south of Sam Leaverton's elevator. Directions are: Go west from the south stop light across the railroad tracks and turn south. 4-H and FFA members from each school system will group their livestock together.

Judging the show will be Bill Jackson, Vocational Agriculture teacher of Lubbock High School.

## Bible Lectures Will Be Featured At Church of Christ

## H-SU Day To Be Observed At O'Brien Sunday

Dr. Lee Hemphill, Hardin-Simmons University vice president for development, will be speaker for both services of the First Baptist Church in O'Brien Sunday, January 13 as the church observes a Christian Education Emphasis day, the Rev. Cecil Foster, pastor, has announced.

Dr. Hemphill's topics for the two services will deal with Christian education as it relates to the current Texas Baptist "Crusade for Christian Education."

Also participating in the day's activities will be a group of H-SU students who will give testimonies and provide special music, the Rev. Foster said. The student team will be provided by the Baptist Student Union of Hardin-Simmons.

Dr. Hemphill, a Baptist minister, has been H-SU's vice president for development since May 1, 1959. A native of Coleman, he is a 1929 honor graduate of Hardin-Simmons and also holds the Master of Theology degree from Southwestern Baptist Theological Seminary. He holds honorary doctorates from H-SU and Howard Payne College.

He was pastor of the Littlefield Baptist Church for 17 years prior to joining the H-SU administrative staff.

Students accompanying Dr. Hemphill to O'Brien will be Lester Dalton, Anson freshman, organist; Jerry Bass, Kilgore junior, pianist; John Henderson, Kerrville freshman, vocalist and Cliff Nunn, Amarillo junior, song leader. Other students on the program include Marilyn Hall, Sharon Blackwell, Shirley Estes, Nancy Butler, John Hastings, Anna Nipper, and Lynell White.

## Girls Win Third Place In Tourney

Knox City's Girls Basketball team won third place in the Rochester Tournament this last with Leuders with Weinert taking second place.

Knox City defeated Rule 40-39 in the first game Thursday. Samantha Graham was high scorer for Knox City with 15 points and Beth Simpson was high for Rule with 23 points.

In Friday's games Leuders defeated Knox City 53-44. Samantha Scored 17 points for KC while Stacey Vinson chalked up 36 points for the victors.

On Saturday Knox City defeated Goree 68-28 for third place. Samantha Graham scored 24 points while Carol Jackson scored 14 for Goree.

Leuders defeated Weinert 40-33 to win the tournament.

## Inspection Stickers Due -- April 15 Is Deadline - Act Now

Col. Homer Garrison, Jr., Director of the Texas Department of Public Safety, last week urged Texas automobile owners to "do their shopping early" this year to reduce the last minute rush for inspection stickers.

All vehicles coming under the provisions of the Texas Vehicle Inspection Act must secure the 1963 Inspection sticker by April 15, 1963. After that date, vehicles not displaying the new inspection sticker will be operating in violation of the law and the operators of these vehicles will be subject to arrest, Garrison said.

He reported that approximately one half of the inspection period has expired and about one fourth of the vehicles in the state have been inspected. Unless the number of inspections is increased appreciably soon, he added, long waiting lines will be forming at inspection stations as the April 15 deadline approaches.

"There are approximately 5,000 authorized inspection stations in the state and they are ready and capable of handling inspection of all vehicles without delay if the owners of uninspected vehicles do not wait until the last few days before the deadline," Garrison said.

### CLASS FAVORITE

Peggy Crownover, daughter of Mr. and Mrs. John Crownover, was elected class favorite of the Sophomore class at Wayland College in Plainview, it was announced at the Christmas banquet, Dec. 18.

# WELCOME TO K. C. FAT STOCK SHOW

## Farm-Ranch News

By JOE W. DOBY  
Knox County Agent

Would you like to know the latest in Boll Weevil research work or the latest in cotton fabrics? All this and much more plus a free lunch will be yours at the Annual Farm and Ranch Day, Wed., Jan. 23, in Munday Grade School Cafeteria from 10 a.m. to 3 p.m.

The program for the Knox County Farm and Ranch day is complete and a very interesting and informative program is scheduled. The featured speaker will be Mr. Dopley Dawson, Bank of the Southwest, Houston. Mr. Dawson is in great demand as a speaker all over the country and we are fortunate in being able to hear him.

Other speakers will include Billy Gunter, Area Agronomist, for Extension Service from Lubbock, who will give the latest on Boll Weevil research work being done and who will speak on Soil Fertility. Billy will officially kick off the Soil Testing Campaign that will have as its goal a soil sample from every farm in the county.

Mr. Paul Marion, superintendent of the Spur Experiment Station, will give the results of work done in carrying feed to the cow instead of the cow to the feed. The results are quite interesting.

Mr. Tom Hunter, Vernon, Area Farm Management Specialist, will give the Agricultural outlook

for the coming year. The women will not be forgotten on this program as Mr. Gene Woodman, Altus, Okla., representing the Nat'l Cotton Council, will present a program on new fabrics. He will have samples of the materials available for them to see.

The program will be held in the Munday Grade School beginning at 10 o'clock and will be over by 3 p.m. Lunch will be served courtesy of Munday merchants and the Munday Chamber of Commerce.

Master of ceremonies will be H. H. Partridge, Munday. In charge of arrangements will be Mr. Omar Cure and Mr. L. B. Patterson Sr.

The First National Bank of Munday has purchased 150 Farm Family Account Books for the use of farm families in Knox County. These books are free for the asking at either the bank or my office.

A meeting will be held Friday Jan. 11 at 10 a.m. in the American Legion Hall at Munday for the purpose of explaining the use of these books. Any questions on income tax will also be answered. Tom Hunter, Farm Management specialist from Vernon, will have charge of the meeting.

Since I am the official weather recorder in Benjamin, I thought you might be interested in the rainfall for 1962. The total for the year was 26.35", this is slightly below the average of 29.59. These measurements were taken from an official rain gauge which measures about 15 percent under the small ones put out for advertising. The amount for each month follows:

January	.43
February	.18
March	.52
April	3.99
May	.35
June	6.18
July	1.99
August	.60
September	6.61
October	2.36
November	2.50
December	.64

# STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

**HILITES from austin** —  
**AUSTIN**—Governor-Elect John Connally has picked seven men to fill key appointments in his administration. Oldest of the seven is Crawford Martin of Hillsboro, who will be Secretary of State. And he is only a year older than the 44-year-old future governor.  
 Youngest appointee, 27-year-old Larry Temple of Austin, will be an administration assistant. Teamed with Temple are 32-year-old Bill Fowler of Dallas, 38-year-old Frank Miskell of Austin, and 34-year-old Scott P. Sayers of Fort Worth.  
 Howard Rose, 32-year-old Midland attorney, will be Connally's assistant.  
 Bill Cobb, 38, will be budget director. He's an Austinite.  
 Two of the appointees are carry-overs from the Daniel administration, to some degree. Martin served as state senator from Hillsboro for 14 years—through 1962. Cobb was chief examiner for the Legislative Budget Board from 1951 until 1962, when he became assistant executive director of the Texas industrial

commission.  
 Fowler, Miskell and Sayers worked on Connally's staff while he was campaigning for governor.  
**BOARD REPLACEMENTS** Announced — Gov. Price Daniel made numerous gubernatorial appointments at terms end. He has stated he will make no more appointments unless death creates a vacancy.  
 He named Milton Potts of Livingston, manager of the Sam Houston Electric Cooperative for the past 22 years, to the Texas Water Development Board, and he reappointed Marvin Shurbet of Petersburg to that board.  
 Daniel also appointed: Dan Melton, Lufkin insurance man, to the Neches River Conservation District board; Fred Mercer of Silverton and Arville Settiff of Turkey to the Upper Red River Flood Control Board.  
 Jack Douthit of Sterling City, Dale Leddy of San Angelo and L. T. Youngblood of Bronte were reappointed to the Upper Colorado River Authority; J. W. Mullins of Coleman and Isaac S. Pate of Voss were named to the

Central Colorado River Authority, and O. L. Cheaney of Santa Anna reappointed.  
 Mrs. James P. Hart of Austin (wife of the former chancellor of the University of Texas), W. R. Beaumier of Lufkin, and Vann M. Kennedy of Corpus Christi were named to the Texas State Historical Survey Committee.  
**TURMAN SEEKS POST** — James A. Turman, who ran for lieutenant governor last year and lost, wants to return to his favorite field—education.  
 The 35-year-old Speaker of the House quickly advanced in the field of education before he became a legislator eight years ago. He earned a doctorate in education then became assistant professor of education and assistant to the president at Texas Woman's University.  
 He has asked the Texas Commission on Higher Education to consider him a candidate for its post of executive director.  
**SCHOOL FUND STILL Growing** — The Permanent School Fund, that provided more than \$21,000,000 of non-tax money for use in public schools in 1962,

now consists of investments totaling more than \$477 million.  
 Furthermore, it should continue to grow, since the current rate of return on corporate securities, treasury bonds and municipal bonds increased from 3.38 per cent to 3.51 per cent.  
 In the past 25 years the Fund has earned more than \$162 million in interest through investments made by the State Board of Education.  
**WEATHER WOES CUT PRODUCTION** Weather played havoc with almost every major crop in the state in 1962 and caused crop production to hit its lowest point since 1957.  
 U. S. Department of Agriculture reports that the -1962 crop index fell nine per cent below the 1961 level to 127.0. All-time high of 145.0 was set in 1939, and the 1961 level was second highest.  
 Crops hardest hit were: wheat, down to 43,700,000 bushels or 49 per cent below 1961; citrus, down to about six per cent of 1961 production; sorghum, down 12 per cent; cotton, down 106,000 bales — to 4,680,000 bales.  
 Production of corn, peanuts, soybeans and rice was down.

However, yield per acre was up over the previous year.  
 Weather's costly whims cut the total of 1962 crops to \$1,400,000,000—or eight per cent below the 1961 value. Cotton lint and cottonseed accounted for 87 per cent of the total; sorghum grain, 14 per cent; and wheat, six per cent.  
**RETURN OF DIGNITY**—Speaker-elect Byron Tunnell of Tyler said he's going to restore dignity to the House, where legislation frequently resembles a trading boom at the New York Stock Exchange.  
 He warned legislators that they can no longer have secretaries work at their desks, and relatives will not be allowed to sit with them, except on very special occasions.  
**WORM ERADICATION FUND SHORT** — The Southwest Screwworm Eradication Program — which succeeded in cutting the screwworm cases by 75 to 90 per cent in less than a year — will be halted March 31, unless livestock producers raise another \$1 million by that date.  
 Charlie Scruggs, president of the Southwest Animal Health Research Foundation, made an

announcement on behalf of SWAHRF's board of trustees.  
 The three-year eradication program, initiated last January, cost an estimated \$12,000,000. The federal government was to pay \$6 million, the livestock producers, \$3 million, and the state, another \$3 million.  
 But so far the farmers and ranchers have donated only \$2 million.  
 Scruggs said, "The plan was based on 100 per cent participation, and this has not been the case, although there have been commendable contributions in some counties."  
**ECONOMIC HEALTH**—Texas Bank Deposits are continuing to set records almost everywhere.  
 A survey of major cities was made after the state banking commissioner and U. S. comptroller ordered condition reports as of Dec. 28.  
 The Dec. 28 date caught many banks by surprise. They were anticipating the call date to be Dec. 31.  
 Some bankers said the difference in dates prevented them from reporting even higher fig-

ures. Last day of the year usually is a high mark for bank deposits.  
**TARGET FOR NEW AG** — Texas' new attorney general has pledged a positive campaign against juvenile delinquency as one of his major projects.  
 Atty. Gen. Waggoner Carr addressed an overflow crowd at his swearing-in ceremonies in the Courts Building.  
 He said that delinquency is among our juveniles. "On the contrary, a respect for the law is far more common among young people than is disrespect," Carr stated.  
 Carr also pledged to "continue vigorously" investigations begun by his predecessor, Will Wilson, into the East Texas slant-hole oil scandal and the Billie Sol Estes case.  
 Although pledging no encroachment on local responsibility, Carr warned that in any instance where local officials "fail in their trust to this state," he will not hesitate to step in "to correct the situation within the boundaries of power and authority."

"So teach us to number our days that we may apply our hearts unto wisdom." (Ps. 90:12). The man of God was meditating on the brevity of life on this earth when he prayed this prayer.

The new year was begun with troubles on every hand. We know not what it will bring. Is there security for us? There is, but as David, the man of God tells us it is only in our Lord Jesus Christ. As we apupy our hearts unto wisdom, which is the beginning of the fear of the Lord; as we put our faith in Him who is the way the light and the life, he becomes our guide, comforter and our way of life. His presence will give us peace, joy and courage. "Which hope we have as an anchor of the soul, both sure and steadfast." (Heb. 6:19).

**Engagement And Approaching Marriage Announced Of Janelle Ward - Ralph Studer**

Mr. and Mrs. E. J. Ward of Knox City announce the engagement and approaching marriage of their daughter Myriam Janelle to Ralph Wayne Studer, son of Mr. and Mrs. H. C. Studer of Seymour.

The wedding ceremony will be performed in the First Baptist Church at Knox City. Rev. Tony Longval, pastor of the church, will officiate.

Miss Ward is a 1962 graduate

**McGill-Eggleston Wedding Vows Said In Houston Dec. 22**

Miss Joan McGill, daughter of Mr. and Mrs. H. N. McGill of Temple, and Carroll Lee Eggleston, son of Mr. and Mrs. Lee Eggleston of O'Brien, were united in marriage at the Weiss Memorial Chapel of the Methodist hospital in Houston, Saturday afternoon, Dec. 22, at 2:30 p.m.

Dr. Edward Thornton performed the ceremony before the altar flanked with poinsettias and white tapers. Organist was Mrs. Jo Lynn Clark, accompanist for Miss Alice Billings, who sang "The Lords Prayer." Miss Beverly Wallace presided at the guest book and Claud Barnes served as usher.

The bride was given in marriage by her brother, Robert McGill, who wore an ivory peau de soie princess style gown with the skirt extending into a chapel length train and carried a white orchid atop a Bible. Her only attendant was Miss Dolores Warren of Houston who wore a white brocade short formal and carried a bouquet of red roses.

Best man for the groom was David Wyatt of Troy.

Following a reception in the home of Miss Billings, the couple left for a short wedding trip.

On Christmas Eve they went to the home of his parents in O'Brien, where they were joined by his brother, Phillip Frank Eggleston, who was married also on Saturday to Miss Martha Lou Harrington in Odessa.

Mrs. Eggleston is a senior of the nursing branch of T.W.U. The groom attended the University of Texas and is a graduate of NTSU. He is a former teacher in the Knox City schools. They will make their home in Frisco, where he is a member of the faculty.

The Knox City Garden Club met in the Clubhouse Jan. 8, with 28 members present. Hostesses were Mrs. J. T. Gilpin, Mrs. L. W. Graham and Mrs. W. C. Hertel.

Leader for the program on Conservation rules was Mrs. B. B. Campbell Jr., who introduced Archie Lieb, Work Unit Conservationist for the Soil Conservation Service in Knox City.

Mr. Lieb showed a film entitled "The Earth is the Lord's."

Following the film, Mrs. B. B. Bowden gave a talk on what Garden Clubbers can do. Now is the time to test the soil in gardens and flower beds to see what the soil needs, time to put out roses and prune roses before they leaf out.

Mrs. Tom Campbell showed a line arrangement using dried material and she explained how it was arranged.

Mrs. J. M. Averitt, president, presided over the business meeting. She gave the year report of the club's achievements.

The club voted to buy a 35 cup percolator and give it to the club house to be used by all clubs, and voted to observe Arbor day, Jan. 18, and to plant trees on the golf course.

Mrs. J. C. McGee reported for the nominating committee that all officers be reelected for the year 1963-64. Officers for the year are:

President, Mrs. J. M. Averitt; first vice president, Mrs. Tom Campbell; second vice president, Mrs. Goodson Sellers; third vice president, Mrs. B. B. Campbell Jr.; secretary-treasurer, Mrs. Claud Richardson; reporters, Mrs. J. C. McGee, Knox City and Mrs. W. E. Braly, Munday; Parliamentarian, Mrs. Claud Reed.
