

Did you hear the one about the feller who was gonna mix a leopard with an alligator? Asked what he expected to prove by the experiment, he said — "Personally I don't know, but if it talks you had darn sure better listen to it."

Fire Chief Ken Lawson and Reporter Johnny Vinita told us last week to mention that the recessator is bought and available for use at the fire station. If you or anyone is in need of it just dial the fire station and tell them what you want—it will be at your disposal in a few minutes at most.

The fire department said a big hearty "thanks" to all who donated to this worthwhile project.

We hope it is never needed.

Received a letter from State Representative Roy Arledge last week, and had planned to pass its contents on to you, unfortunately we lost it, but the gist of it was to let us know he is sponsoring a bill making it possible for school districts to collect on personal property the same as counties and cities. This was brought to Roy's attention by Knox City's school board.

Roy has also been looking into the state's airplanes—yes we own some of them, too, and a whole passel of public servants are using them for personal reasons. Roy is trying to stop this with another bill he is introducing.

We don't look for this to pass or even be brought up, but we will know how many honest legislators we have, won't we?

Good luck, Roy, we're behind you and your efforts all the way!

Roy will probably be as popular in Austin as Khrushchev at a preacher's convention.

Had a chat with Judge Lewis Williams concerning the new convalescent home here and he informed us it would probably be completed in May. The new home will be known as Brazos Valley Care Home, Inc., and will accommodate 34 patients. The new business venture will employ between 14 and 18 area folks.

Knox County's Commissioners Court seemed to be in progress at Garrison's Cafe Monday, at least a friend noted that they were dining there . . . after expounding to us the shortcomings of everyone from the city to the county, I asked him why he didn't run for commissioner and "join 'em."

"I'd make a good candidate, this year," he said, "for business has certainly been bad and I know I am well qualified to spend a half million dollars of tax money a year, 'cause I'm a real good tractor driver," he explained.

The well versed citizen prevaricated a little, however, for we only have a little over \$400,000 a year to spend.

Another person who likes to expound his opinions, but didn't care to be quoted this time—said that anything a government took over cost the people . . . "If the city or county owned my business it would cost them at least a thousand dollars a month, and I made more than that last year."

**HARD LUCK** — Hear about the fellow who complained about his business being so tough—He owned a cigar factory in Cuba and a newsstand in New York.

**ANOTHER ONE** — A tourist noted an old gnarled, ragged, fellow and stopped to ask him how he had lived so long.

"Why I drink a gallon of whiskey nearly every day, dance all night and smoke 50 cigars each day," he replied.

"And, how old ARE you," the tourist answered.

"Twenty-seven years old," the fellow replied.

## Heart Fund Goes Over Goal This Year, Smith Says

Hob Smith, County Chairman for the Heart Fund Drive, reported to the Herald Wednesday that Knox County had passed their quota of \$900.00 in the annual drive.

Collections in the county were as follows: Knox City, \$357.03; Gilliland, \$48.51; Benjamin, \$75.; Munday, \$320.; Goree, \$100.; and Rhineland, \$65.

Smith said that the efforts of the 1946 Study Club and the Teenage Workers of Knox City and the Community Chairmen and their workers were deeply appreciated.

**ROY E. BARNETT**, son of Mr. and Mrs. Ernest Edward Barnett of Knox City, recently received his discharge (Mar. 7), from the Navy. During his training he was stationed at the Naval Training Center, San Diego, Calif. He served as a fireman for 3 years on the USS Monticello and one year on the USS Paul Revere which is attached to Amphibious Squadron Five of the Seventh Fleet.

## 12 Take Merit Scholarship Test

Twelve students at Knox City High School took the 1963 National Merit Scholarship Qualifying test, H. D. Bankston, principal, announced last week.

The test was administered at the school at 9 a.m. March 6. All students who wanted to be considered for Merit Scholarships to be awarded in 1964 took the test at that time.

The qualifying test is a three hour examination of educational development. The test is the first step in the ninth annual competition for four-year Merit Scholarships provided by the National Merit Scholarship Corporation and by sponsoring corporations, foundations, associations, unions, and individuals.

Mrs. Mary Alice Taylor, Knox County Counselor, administered the test. The test was also given at the Benjamin, Goree, and Munday Schools.

Students taking the test here were:

Mark Anderson, Don Reeves, Bob Harris, Jinx Reeder, Martha Waldrup, James Hopkins, David Herring, Louise Barnett, Ray Beason, Linda Wasson, Wanda Mincey, and Ronald White.

### IN BAYLOR HOSPITAL

Mrs. T. P. Frizzell, Mr. and Mrs. Herbert Bellinghausen, Tommy Frizzell and Ken Frizzell were in Dallas this week with Dr. T. P. Frizzell, who received surgery at Baylor Hospital Monday morning.

## Dr. C. L. Kay Speaks To Citizens On Communism

"The Battle Ahead was the subject of the lecture given by Dr. C. L. Kay of Lubbock Christian College to more than 800 youth and adults in Knox County last week.

Dr. Kay spoke in Benjamin, Munday and Knox City. Students from Gilliland, Rhineland and Weinert also attended the meeting at Munday. These three programs were sponsored by the Knox County Home Demonstration Council with Mrs. O. R. Miller in charge of arrangements.

Dr. Kay compared The Two Worlds, The World of Freedom and the World of Regimentation and asked the question whose Century will this be? Will it be Russia's? Will it be Europe's? Or, will it be America's? He noted the expansion of Communism from 16 or 17 disciples of Lenin in 1906 to the present when they have under their control more than one-half the land areas of the entire world and over one billion people, which is more than 40 per cent of all people of the earth.

He reviewed the Communist economic platform and the structure of the American way of life. In challenging his audience to face the future with confidence, he stated that this can be done if we understand the foundation of our American way of life, if we maintain a high quality education with an understanding of the world situation and if we maintain the free press.

### TO ATTEND WTU INSTITUTE

Mrs. Thelma Howell and Florene Cornett will attend the ninth annual West Texas Utilities Women's Institute in Abilene Friday, March 15.

### VISITS IN AUSTIN

Mr. and Mrs. Otis Green of Lubbock and Mr. and Mrs. O. A. Green of Knox City visited relatives in Austin for several days last week.

## Oscar Hudspeth Injured In Accident

Mr. and Mrs. Oscar Hudspeth of the Driver's Ranch near Benjamin were injured in a car-truck collision about three miles west of Benjamin Tuesday at about 1:50 p.m.

The couple were taken to the Knox County Hospital where he was treated for a broken arm and Mrs. Hudspeth was treated for cuts and bruises.

The driver of the truck was not injured in the accident.

## Historical Survey Committee Named

Mrs. E. F. Branton and Mrs. C. C. Hoge were in Benjamin Saturday to attend a meeting called by Judge L. A. Parker to form a Knox County Historical Survey Committee.

Others present were Mmes. W. M. Taylor, Goree; Mrs. Glenn Butler, Goree; R. M. Almonrode, Munday; Earl Sams, Benjamin; Allie C. Moorhouse, Benjamin; Jack Brown, Truscott; and J. D. Jeffcoat, Vera.

The group elected Mrs. H. A. Smith, Truscott, as chairman; Mrs. Hoge, vice chairman; Mrs. Almonrode, secretary and Mrs. Moorhouse, treasurer.

Community chairmen are Mrs. Taylor, Mrs. Brown, Mrs. Jeffcoat, Mrs. Effie Alexander, Munday, Mrs. W. T. Cook, Gilliland, Mrs. Sams, Mrs. Branton, Mrs. B. B. Campbell Sr., Knox City, and Mrs. Virgil Meadors, of Rhineland.

Purpose of the committee is to ascertain the historical places in the county and preserve them — also marking them with suitable markers.

## RECEIVES MOST COURTEOUS AWARD AT WELLINGTON

Mrs. Grant Woolridge of Wellington, daughter of Mr. and Mrs. J. O. Warren of Knox City, became the first woman in Wellington to be named the Most Courteous Salesperson in that town at the annual Chamber of Commerce banquet recently.

## Knox City Cops First Place At Munday Meet

Knox City's track team came speeding in to victory at the Munday Invitational Track Meet Saturday at Sunset. Paced by the mile relay team which won first, the Greyhound thinly clad racked up four second places and two thirds along with several other winners to total 83 points.

Second place went to Rotan with 60 points, Weinert was third with 56 and Rochester fourth with 53 points. O'Brien, Wylie, Munday, Roby and Lockett finished in that order.

The mile relay team ran a 3:40.5 race. Members are Jimmy Reyes, Johnny Montandon, Eddie Williams and Douglas Logsdon.

Freddie Smith placed second in the shot put with a 47' 10" throw.

Douglas Logsdon won second in the 880 yard run. Brack Shaver was second in the 120 yard high hurdles. Montandon came in fifth.

Ronnie Worley won second in the 440 yard dash and Williams came in third. Shaver won third in the 180 yard low hurdles and Reyes was fourth.

Darrell Marion won fourth in the mile run. Dean Large also ran the mile.

The 440 yard relay team placed fourth. It is composed of Logsdon, Reyes, Williams and Montandon.

Douglas Logsdon tied for fifth in the high jump.

Others participating in the meet were Joe Reyes, Robbie Glenn, Phil Williams and Bob Harris.

## SOCIAL SECURITY MAN TO BE HERE WEDNESDAY

A representative of the Social Security Administration will be in Knox City at the City Hall on Wednesday, March 20 from 10 a.m. to 12 Noon. You are invited to meet with the representative to file your claim or to obtain information or assistance concerning Social Security.

## Final Rites Held For Ella Griffin At O'Brien Mar. 12

Funeral services for Ella Griffin, 89, former resident of O'Brien, who died in Cortez, Colo., Friday were held at 2:30 p.m. Tuesday at the O'Brien Baptist Church.

Rev. Cecil Foster, pastor, officiated, assisted by Paul Nelson of Rochester.

Mrs. Griffin was born August 15, 1873 in Albertsville, Ala., and was a long time resident of O'Brien but had lived with a daughter in Colorado since 1960.

Survivors include a daughter, Mrs. Ninnie Harris of Cortez, Colo., a son Burtis Griffin of Albertsville, Ala.; and several grandchildren.

## All They Want Is Your Blood--

"We are in dire need of more blood," was what Knox City's druggists told the Herald late Wednesday. The Bloodmobile will visit Knox next Thursday, March 21 from 11 a.m. to 5 p.m. to take blood from donors of this area.

Since the county has joined the Red Cross Blood Bank, no one has been asked to donate blood in the middle of the night and regardless of where the donor or resident happens to go from this area, blood will always be available.

Due to the lateness of the planned schedule the Herald was unable to get full details concerning the amount of blood donated and used in the county since the new program, but the area doctors have backed the program all the way. The late Dr. D. C. Eiland of Munday was a strong backer and it was one of his last endeavors to this county before his untimely death.

## Teacher of The Year Awarded Arlington Teacher Recently

Mrs. Odessa Baird, daughter of Mrs. Olie Ilseung, was chosen by Arlington's Kiwanis Club as "Teacher of the Year."

She was chosen from a slate of 15 nominees from the local public schools.

She has been teaching for 17 years, the last eight years in the Arlington schools.

CARD OF THANKS

I will try to express my thanks to the many good people that were so kind and faithful to me during my recent illness. I can hardly find words that adequately express my true feelings. Many thanks to the ones that finished out my laundry work for me. Many thanks to each and every one that prepared plate lunches and brought to my home before and after my short stay in the hospital. Thanks for the pops, fruit juices, and every thing that was brought to me. Many thanks to the ones that brought my mail and mailed my letters. Thanks to the Doctors and Nurses who were so kind. Thanks to the hospital employees for the delicious food and the patient way they served it. Especially do I thank each and every one who sent up prayers for me. Thanks to Bro. Tony Longval and wife who visited me at the hospital and each one that stopped to cheer me up at a time when I needed it most. If there is any one that I can render service to in any way, please don't fail to call on me. All your kindnesses makes me so glad that I live in the little town, with so many big hearted people. Please continue to pray for my well being. May God bless each and every one of you is my prayer.

## STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN — Legislators have received two proposals for spending the state's money during the two years starting Sept. 1.

One came from Gov. John Connally, the other from the House Appropriations Committee.

Governor Connally's suggestions marked the first time a new governor has tried to work out a budget after taking office. In his message he dealt with 19 of the major state departments. These are mainly the ones over which the Legislature has direct control.

Connally trimmed fat out of some agencies to provide new money for others. His stress came on higher education. Here he suggested \$14,000,000 worth of salary increases for faculty members and more research and library facilities, as a means of holding good professors and at-

tracting new ones.

To finance his program, Connally suggested that the "temporary" corporation franchise surtax, which has been extended twice before, be retained. It would provide about \$11 million a year.

He also suggested that the 1961 sales tax law be revised to begin taking clothing under \$10, farm implements and all sales of food by restaurants, and to raise the sales tax on cars and trucks from 1.5 to 2 per cent.

Clothing tax proposal would bring in \$10 million a year. Motor vehicle increase would provide \$2,500,000. Farm implements tax would run \$1 million.

Fire quickly developed from rural legislators over the proposed farm implements tax.

Both Connally and the House Appropriations Committee proposed expenditures totaling ap-

proximately \$3,100,000,000 during the coming two years.

Before Connally laid out his proposals to the Legislature, he invited Texas newspaper editors to Austin to show them how the state's complicated fiscal structure works. His "illustrated lecture" revealed that the Legislature has actual control over only 15 per cent of the \$3,100,000,000. Rest already is earmarked by constitutional and statutory provisions.

WILL FARMERS foot education boost? — When Rep. Don Garrison of Houston spread before the House Revenue and Taxation committee his bill to boost the Available School Fund by \$3 million a year, a spokesman for Texas farmers and ranchers registered a strong protest.

Garrison plans to get the additional \$3 million by amending the state law that allows a 98½ per cent exemption refund from the state motor fuel tax for gasoline not consumed on the highways. His bill would cut the refund to 73½ per cent.

That 25 per cent then would be credited to the school fund.

HOUSE VACANCY ELECTION — As soon as government officials began recovering from the shock of the news of the sudden highway death of Rep. James L. Latimore of Corpus Christi they began studying the election code to see what must be done about filling the seat he left

vacant in the House of Representatives.

Customarily, if the vacancy occurs in the legislature when it's not in session, the governor leaves the calling of a special election up to local officials.

But since the 58th Legislature will be regular session until May 27, Governor Connally is expected to move fast to provide Nueces County with a needed voice in legislation. A late April election date has been predicted.

Law states that the governor must call an election within 20 days. But it also provides that candidates must file 30 days before the election.

MINERAL ESTATE TAX PROPOSALS — Proposals to set up tax procedures on mineral estates, severed from the land, have been filed by Reps. Emmett Lack of Kountze and Clyde Haynes of Vidor.

Proposals are part of a package is a constitutional amendment to increase the Railroad Commission from three to five members.

Second would give the Legislature the authority to "establish the duration of any interest in an undeveloped mineral estate."

Texas landowners and Independent Oil and Gas Operators Association contends that some major oil companies hold onto undeveloped mineral interests for an unreasonable length of time.

Two other bills by Lack and Haynes are aimed at forcing development of mineral interests:

One provides that mineral interests would revert to the owner of surface land if no development attempt is made for 10 years.

Second provides for a county tax assessment of no less than \$5 an acre, if the mineral estate isn't developed.

Rep. Bob Bass of DeKalb proposes a 25-cent minimum tax assessment on each acre of undeveloped mineral estates.

STRONG SUPPORT FOR SCRSWORM BILL — Rep. Bill Crain of Nacona had 50 co-signers lined up when he introduced a bill to provide \$2,840,837 as the State's matching share of the \$12 million federal-state-private screwworm eradication program.

Since it is backed by Governor Connally's strong recommend-

ation the bill should be off to a good start.

But the House Appropriations Committee didn't include a provision for screwworm eradication in its 300-plus page appropriations bill.

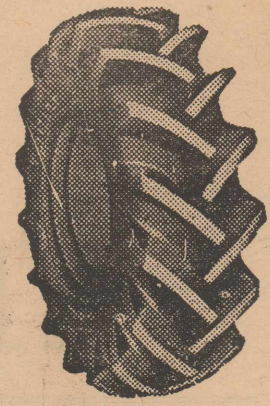

Crain said Legislators would seek a separate appropriation to cover the proposed state contribution.

CARS FOR COMMISSIONERS

When county commissioners stopped asking the Legislature to authorize horses and wagons and won the right to drive pickup trucks on their appointed rounds, they thought they were thoroughly mechanized.

As their operations became more streamlined and pickups no longer were necessary, some switched to automobiles. But a pickup is not an automobile. Attorney General Waggoner Carr ruled. So Williamson, Cochran, Hockley, Terry and Yoakum counties are asking authority from the 58th Legislature to buy cars for their commissioners.

Harris Tarrant and some Panhandle counties discovered the difference for themselves some time ago. They already have authority to decide whether pickups or autos would be best for commissioner's transportation.

**VISITING FATHER**

Mrs. Fred Dallas of Covington, La., Mrs. Tommy Hampton of Dallas, Kenneth Edwards of Brownwood are here to be with their father, Dr. T. S. Edwards, who has been seriously ill in the Knox County Hospital.

**HERE FROM NEW YORK**

Mrs. Herbert Bellinghausen was in Dallas Thursday to meet her brother, Ken Frizzell, who flew in from New York to visit his parents, Dr. and Mrs. T. P. Frizzell and other relatives here.

**Uncle Ben from Benjamin says:**

DEAR MISTER EDITOR:

I'm real much obliged to that subscriber fer sending in the letter to you about Ed Doolittle and the fellers at the country store trying to trim our Senators and House members to half what we now got. He makes a good point there when he says the Constitution calls for 2 Senators. He has also got a good point when he says they ain't nobody allowed to mess with the United States Constitution but Jack, Bobby, and Earl Warren. And he has warns that if we mess with the got a extra good point when he matter we're liable to have the FBI gitting us out of bed at 3 in the morning fer questioning. But all the fellers was agreed they was willing to take a chanct on all three items if we could git the Senators cut down from 2 to 1.

And this subscriber's idea to reduce the 50 states down to about 12 is the most forward thinking I have saw since Harry

built that front porch onto the White House. Gitting rid of the graft in 38 states and just confining the under the table and in the public trough boys to 12 states would save the taxpayers several billion dollars a year.

Ed was even willing to split the 38 states we git rid of half Republican and half Democrat. And fer a Republican like Ed who claims it was a Democrat that tricked Adam into eating the apple, this is a major compromise.

Incidental, some of the fellers was of the opinion this subscriber that sent in this letter was a real thinker and maybe we better find out more about him and maybe run him fer the Congress next time around. Clem Webster allowed as how we could run him on a 12 state and one senator platform, and a couple of planks about cutting taxes and increasing benefits and make him a winner. Clem says the theory the old Indian had of making the blanket longer by cutting off one end and sewing it to the other end was now good, solid Harvard thinking in Washington and our candidate would be running in the latest style.

Bug Hookum was lamenting that the gerat trouble in Washington today is because they don't let things simmer and soak fer a spell afore they take action. Bug claims some bright feller will wake up in the morning at the White House with a new remedy fer what ails us and afore dark it is on the agenda in the Congress. About the only aging it gits, allows Clem, is while it's traveling from the White House to the Capitol.

Zeke Grubb said it reminded him of the moonshiner that was taking a load of liquor to town. Him and his old lady was setting up in the truck seat and they was driving mighty slow. His old lady ask him im he was driving so slow on account of being afraid of the law. "Naw," he replied, "I just want to age it some."

Yours truly,  
Uncle Ben

If you want a truck that does its work without yelling for attention all the time, buy a "new reliable" Chevrolet.

You have to take care of it; it's a machine. But this isn't a full-time activity. The clear idea is that the truck works for you, not vice versa.

The way to build such a truck is to put more quality into it. For example, Chevrolet doesn't build one type of suspension system for all sizes of trucks. Chevrolet designs suspension systems to

fit your need. The light-duty type is strong on comfort. Another kind for heavier trucks stiffens up as you increase your load and vice versa. Make sense?

Conventional pickups have double-wall construction in cabs, doors, lower side panels. Roofs are insulated. Body floors are select wood, not metal. Tailgate chains are wrapped in rubber. If you'd like to examine or drive a new '63 Chevrolet truck, just call us. We'll be right over.

### Caddell-Rogers Vows Exchanged In Seymour Church

Linda CADDELL-Rogers wed. Miss Linda Carole Caddell and John Willard Rogers Jr., were united in marriage at 3:30 p.m. March 3 at the Seymour First Christian Church. B. Robert Devlin, pastor of the church, officiated at the single ring ceremony.

Linda is the daughter of Mr. and Mrs. W. F. Caddell of Knox City, and John is the son of Antonette Rogers and Willard Rogers of Seymour.

The bride wore a cotton brocade suit, accented by four large pearl buttons and green accessories.

Maid of honor was Antoinette Rogers, mother of the groom, and best man was A. D. Smith. The bride is a graduate of Knox City High School, and Garlands Institute of Hair Design, Abilene.

The groom graduated from Seymour High School and attended the University of Houston for two years.

The couple will make their home in Wichita Falls.

### Teachers Assn. Meet Monday

Knox County's Teachers Association will hold the third and final meet for the year Monday March 18, with a banquet at Garrison's Cafe in Knox City.

Principal speaker for the occasion will be Dr. Geo. W. Ewing, minister, teacher, music director and an English professor at Abilene Christian College.

Dr. Ewing is an outstanding speaker and is well-known in this area.

Program director for the affair is Supt. E. B. Hosea of Goree and arrangements for the banquet will be made by Supt. Roy Tomlinson of Benjamin.

### Garden Club Has Meeting Tuesday Woman's Club

The Knox City Garden Club met Tuesday at the Woman's Club. Mrs. B. B. Campbell Sr., was leader of the program on wild flowers. Mrs. H. E. Wall gave a talk on the wild flowers of this area and how to preserve and care for them. She reported that Texas has 5,000 different kinds of wild flowers.

Mrs. Claud Richardson gave legends about several wild flowers and how they got their names.

Mrs. J. M. Averitt presided at the business meeting.

Mrs. David Eiland reported that the Munday Chamber of Commerce, with cooperation with clubs of the County, are sponsoring a County Fair and Vegetable Festival June 22. A large part of the festival will feature a garden and flower show.

The club voted to cooperate with the project.

Hostesses for the meeting were Mmes. Jack Coats, W. R. Cooper, Arthur Crownover, Gentry Day and B. F. Cornett.

### Sgt. Alton Hendon Receives Award

Technical Sergeant Alton G. Hendon of Knox City, has received a \$60 cash award for his military improvement suggestion which has been accepted at Robins AFB, Georgia.

Sgt. Hendon, son of Mrs. Fannie L. Rice of Knox City, devised a system for numbering and lettering aircraft ramps and the spaces on them, making it easy for crews to locate planes.

The sergeant, who attended Knox City High School, is married to the former Nellie M. Dula of North Wilkesboro, N. C.

### Public Welfare Has Openings For Additional Help

Due to program expansion, the Texas State Department of Public Welfare now has openings for field workers in many areas of the state. Field workers have the responsibility for providing social services to the aged, the blind, the disabled, and the dependent children who receive assistance from the Welfare Department.

Russell E. Shrader, director of the merit system council in Austin, said that the vacancies are to be filled from registers which are established through open-competitive examinations.

Applicants must have a minimum of sixty semester hours of college credit and meet the state four year residence requirements.

Shrader said that qualified persons, male or female, interested in this challenging social work opportunity should call the nearest area or regional office of the state department of public welfare to arrange for an interview, or write the Merit System Council, Box 871 in Austin for additional information. He added that the salary is \$329 per month and that salary advancement and promotional opportunities are excellent.

### Get Inspected Now DPS Advises Texas Operators

Many motorists in Texas are going to be faced with long lines and waiting periods in order to have their cars inspected prior to the April 15 deadline. Only 39 per cent of the 586,270 registered vehicles in Region 5 of the Texas Department of Public Safety have visited safety inspection stations and obtained their 1963 safety inspection sticker, according to Captain Alan Johnson, Motor Vehicle Inspection Service of the DPS.

"All registered vehicles in Texas must be inspected by April 15 and have a 1963 inspection sticker on the windshield," Capt. Johnson said. He stated that there would be no extension of the April 15 deadline and advised motorists who have not had their cars inspected to do so now, before the long lines start forming.

"In the past, many people wait until the last few days of the inspection period to have

### Small Growers Have Special Interest In 1964 Wheat Vote

Small wheat farmers will have a special interest in the vote coming up this spring on the 1964 wheat program, T. W. Russell, chairman, Agricultural Stabilization and Conservation County Committee, said this week.

The special interest results from the fact that wheat operators with 15 acres or less of wheat will be eligible to vote in the referendum if they indicate their intention to participate in the 1964 wheat program prior to the time the vote is held. About 17% of the wheat farms in Knox County are in the "15 acres or less" class.

Throughout the county, these small farms comprise from 6.7 to 97.7 per cent of the wheat farms within particular states.

The chairman reminded growers that the upcoming referendum on the kind of wheat program they want for 1964 and succeeding years will be held within 60 days after proclamation of the national wheat marketing quota, which will not likely be announced until late March or early April. The program will become effective if at least two-thirds of the growers voting in the referendum approve the program.

While technical details of the 1964 wheat program are still in the development stage, it is now known that the referendum will give wheat growers a choice of two programs.

The first would limit production of wheat to 15 bushels per acre and would require that their vehicles inspected and have had to wait for a long period of time at the inspection station," Capt. Johnson stated.

According to the records of the Motor Vehicle Inspection Service of the DPS there are 4,982 vehicles registered in Knox County and only 924 or 22 per cent of the vehicles have been inspected to date. Due to the low number the Captain suggested that all motorists check their vehicle and see if they have a current 1963 inspection sticker on the windshield and if not to have their vehicle inspected today in order to obtain the last minute rush.

Young people and adults from all over the county are urged to enter the Knox County Vegetable Festival to be held June 22 in Munday. There will be a junior and an adult division in each of the five categories of the show. These are fresh vegetables, canned foods, baked foods, fresh fruit and flowers.

In the vegetable show, the following constitute a class: 12 green beans, 12 pods peas, 3 tomatoes, 3 cucumbers, 3 cantaloupes, 1 watermelon. In the flower show, any three of the same flowers will constitute a class.

An instruction class in growing vegetables and exhibiting them will be held, Thursday, March 14 at 4 p.m. in the lunchroom of the Munday grade school. Tips will be given on growing vegetables, selecting prize winners and preparing for

the marketing of wheat to market and export needs, provide price support at an average of \$2 per bushel for most wheat marketed, and offer payments for wheat acreage diverted to conservation use. It would maintain the farmer's income from wheat at the average of recent years. Marketing quota penalties would continue to apply to "excess" wheat.

The alternative program would provide no limits on production or marketings, and price support — only to growers who stay within their allotments — would be available at 50 percent of parity, about \$1.20 per bushel national average. It would result in increased wheat production and a sharp decrease in income for wheat growers.

"It is most important that small wheat operators of 15 acres or less understand that only those operators who register their intention to participate in the 1964 wheat program will be eligible to vote in the referendum," chairman Russell declared. "The deadline for such registration will be set later, but it will be some time prior to the wheat vote."

shows. A class on growing flowers and canning food will also be given.

Any boy or girl in the county is eligible to enter this show whether or not he or she is a member of an organization or not. Parents are urged to attend this meeting and bring their children.

I wonder if some of you cotton farmers are thinking about some way to control grass and weeds in cotton without having to hoe. I would suggest you give lateral oiling a try. Naptha is sprayed laterally across the row after the cotton is 7 to 10 days old. Special oiling shoes are used that are attached to a cultivator. Costs are approximately \$1.00 per acre using five gallons which is the amount recommended. A naptha with an aromatic content of 18 to 25% gives good results so be sure you know what you are buying. We have a bulletin that gives more details, you may have by writing or visiting my office or the bulletin racks in each of the banks. I will have available before too long, a drawing of oiling shoes that can be made easily and in-

The 1963 Share-the-Fun Festival and King and Queen Contest will be held Thursday, Mar. 21, at the Gilliland school. All clubs are urged to enter a share the fun act and the King and Queen contest. Half the proceeds entered by each club as votes for their candidates will be returned to them. The other half goes into the County Council fund for use on the county level for 4-H work. A share-the-fun act in any act of entertainment with 1-9 4-H members, and the act lasting not over 6 minutes.

A number of new and revised bulletins have been placed on the bulletin racks in each bank. "Cotton Insect Guide for 1963" — "Performance of Sorghum Varieties and Hybrids at 19 Test Locations in Texas," "Guide for Controlling Household Insects" are but a sample of bulletins available.
