VOLUME 58

KNOX CITY, KNOX COUNTY, TEXAS, THURSDAY, MAY 30, 1963

TEN CENTS PER COPY

NUMBER 27

Last week some Munday Lions attended the local club and one of them, Jessie Smith, made a short sales talk to the club, but due to other distractions and distance, we were unable to discover exactly WHAT Mr. Smith said.

Munday Times Editor Aaron Edgar helped us out over the week end and we will have a full resume of what Mr. Smith tried so hard to get across and what we tried to hear but due to distractions that only Lions Club members could know, we were unable to understand at last week's meeting.

Munday is sponsoring a Vegetable Festival—but don't let that name fool you, for actually it will be a sort of county fair occasion. We know several Knox City women who have already been contacted to bring handwork and other works of art. All types of crafts and hand work, from canning to saddlemaking, will be accepted and represented.

Two Rhineland girls who are well known in the county for outstanding 4-H work are Susan Keuhler and Dorothy Edrington.

The girls placed first and second in the district contest and are two of the 11 4-Hers in all going to the state meet at College Station.

They have chosen for their project an anti-fire campaign for the home.

The girls gave the Lions a demonstration and if they do the same at the meet they should bring Knox County some more honors.

Speaking of Lions brings to mind that next Friday is the night — Ladies Night and Waggoner Carr Banquet Night at Knox City. The local Lions are expecting one of the largest turn outs of the year and advance tickets are on sale now. Paul Hoge is ticket chairman and every Lion member is an agent!

In order to plan the thing right we need to know how many will attend by next Wednesday.

Carr will have at least two personal friends here in Knox City — Lion President Bill Sams and Methodist Minister Jarrel Sharp! We thought we would mention this so the Atty. Gen. will at least start out with a half chance while here.

(It is common knowledge that Sams and Carr were classmates, but we feel certain that it is not generally known that the Reverend and Carr are close friends.)

Another item not commonly known is that Sams is a granddad as of May 22. Announcement is elsewhere in this issue of the Herald.

A long-time Knox County resident, M. T. Chamberlain, was in the Herald office the other day to notify us of a change of address, and proudly informed us that he was awarded a 50 year pin by the Masonic Lodge in Munday, recently.

Mr. Chamberlain was formerly County Clerk of Knox County, and tells some very interesting stories of earlier days around here.

At present he moves all over the United States visiting his children, and never stays long in one spot. We keep stencils for Goree, California, Amarillo, Minnesota, and goodness knows where all, in the files for him. At present he is in Yankee-land.

Speaking of Yankees brings to mind an incident we witnessed not too long ago that helps us understand why various races take offense at being called what they are.

It was a ball game and the schools were integrated. A fan yelled at the opposition, "Hey ref, look what that Meskin did to our Latin-American!" Or on the other side of the fence: "Those Niggers sure play dirty ball with our Colored boys."

And if you live in the south and are a combination of all races, you get just as mad when someone says "Go home Yank!"

**RETURNS TO SANTA ROSA**—Miss Linda Loftis, the 1961 Miss Texas and third ranking contestant in the Miss America Pageant, returns by popular request to the 18th annual Santa Rosa Roundup rodeo in Vernon, Tex. Since making such a hit last year at the rodeo, Miss Loftis has gained much stardom in show business both as a singer and actress. Dates for the 1963 Santa Rosa show, acknowledged one of the finest in the nation, are June 19 through 22.

## Swimming Pool To Open Saturday; Board Recommends Price Reduction

Members of the Knox City Lions Club Swimming Pool committee had a meeting Tuesday night to discuss changes in this year's policies at the local pool. Changes in evidence are:

First that prices of admission be reduced from 25 to 20 cents for children and adult admission prices be changed from 50 to 35 cents.

Second, that all five cent candies be reduced from ten to five cents.

Drinks will remain ten cents however due to the extra expense of cups and ice.

The board pointed out that although the pool lost between \$600 and \$700 last year, they had received some criticism on prices.

The board also pointed out that the pool was built for the youngsters of the area, primarily, and that they wanted all the youngsters to enjoy it.

The pool was built by a non-profit organization and the board said their sole interest was in trying to make it break as near even as possible.

The price reduction is an incentive to get more people in the pool.

The board also hired two managers, one for the pool and another for the business—Dennis Anderson will be the life guard and Bobby Robinson will manage the front.

Last summer Anderson was a life guard for Dyess Air Force Base in Abilene.

The board also changed the disinfectant system from chlorine to a new dispenser called Bromine. The board explained this is not supposed to burn the

## To Attend Atomic Research Symposium

B. R. Winchester, science instructor at Knox City High School, and Stanley Compton have been selected to attend the Third Annual Atomic Energy Symposium to be held in June at the University of Texas in Austin.

The Texas Atomic Energy Research Foundation is a non-profit organization composed of ten investor-owned electric utility companies operating in Texas. The West Texas Utilities Co., is a contributing member of the Foundation.

eyes and skin.

The pool will be open three mornings each week for swimming lessons—Monday, Wednesday and Friday from 9 until 11 a.m.

The pool will be open each day from 2 until 7 p.m. and each Thursday night is adult night and adults will be able to swim from 7 to 10 p.m. on this night, the board said.

Members of the board attending the meeting were: Otto Lawson, chairman, and Bill Sams, Henry L. White, Zeb Smith, Tom Van Winkle, David Counts and Jim Ross.

## KC Alumni Ass'n. Presents Plaques

The Knox City Alumni Association presented plaques to the high school boy and girl with the highest average in English, math, science, and social science for the school year. Supt. E. A. Youngblood presented the plaques for English to Samantha Graham and Robbie Glenn;

Math, Mack Standee and Linda Reed; Science, Eddie Williams and Kay Reeves; Social Science, Ronnie Verhalen and Carroll Tankersley.

Over 600 letters have been mailed to ex-students inviting them to homecoming.

One of the highlights of the event will be Dr. James Landis, president of Hardin-Simmons, who will be speaker at the Community Church Services, to be held in the First Baptist Church.

Alumni officers this year are: President, Beverly Campsey; vice president, Jeff Graham; corresponding secretary, Birdie Helton; recording secretary, Dorothy Lain; and treasurer, Alton Fitzgerald.

Committees are: Welcoming and registration, Sammy Carpenter, Paul Hoge, Mabel Pyeatt and Alton Fitzgerald.

Food — Oleta Fitzgerald, Ruby Robinson and Bess Smith. Nominating committee: Ance Waldrip and Sam E. Clonts.

## NOTICE: ANNUALS ARRIVED!

Mrs. H. D. Bankston has announced that the Knox City School Annuals have arrived and may be picked up at her home at 1208 7th St.

## Plans Nearing Completion For Knox County Vegetable Festival

A Knox County 'Vegetable Festival' will be held in Munday on Saturday, June 22. Purpose of the event is to exhibit, or display every flower, fruit and vegetable grown in Knox County in an attempt to promote Knox County products. We hope to use this opportunity to show others what is, and can be grown in our area.

All Knox County residents are urged to participate in this event by exhibiting any variety of fruit, flower or vegetable. There will be exhibits of finished products such as canned and baked foods.

The show will be on a county fair type basis with qualified judges to judge each entry. The champion and reserve champion in each class will be auctioned to the highest bidder. Ribbon awards will be made in first, second and third places. There will also be a hobby and art division in which everyone should have something of interest to enter.

There will be a Festival Queen

## Rep. Heatly To Be Lions Guest For Ladies Night

Lion President Bill Sams told the club at their Wednesday noon meeting that it was the last meeting of the club prior to the annual Ladies Night Banquet next Friday.

Sams said W. S. "Bill" Heatly, long-time State Representative from Cottle County and twice chairman of the powerful Appropriations Committee in the Texas Legislature, will be a guest at the Lions Club Ladies Night Banquet and will introduce Attorney General Waggoner Carr.

Swimming Pool Chairman Otto Lawson asked that members help ready the Lions Swimming Pool Thursday (today) at 10 a.m. The pool will be open for business Saturday.

## Methodists To Hold Vacation Bible School June 5-11

The First Methodist Church of Knox City will hold its Vacation Church School June 5 through June 11. The Primary and Kindergarten classes will meet in the Educational Building each day from 9:30 until 11:00.

The Juniors will be enjoying Day Camping beginning June 10 and continuing through June 11, Rev. Jarrel Sharp said.

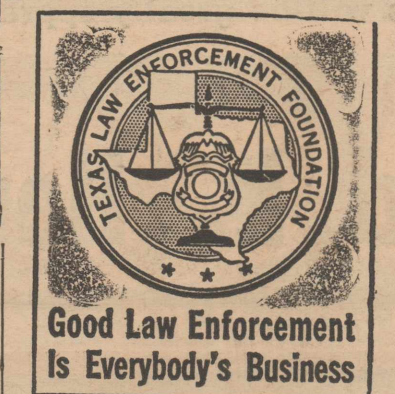

Registration fee for Day Camp will be \$4. and the date set for registering is June 7, at 9:30 a.m.

## Named Aggie Of The Year At Texas Tech

Laval Verhalen was one of three Texas Tech students who were named "Aggies of the Year" recently.

Laval is a senior agronomy major, and has held several offices and committee positions in the Agronomy Club, and has been delegate to two national conventions.

He is a member of Phi Kappa Phi, national all-college scholastic honorary, and holder of the \$3,000 Western Storage and Compress scholarship in agriculture.

Laval set a new record as high individual at the international contest in Chicago, and second high individual at the national contest in Kansas City, missing only seven points out of a possible 1800.

He also holds the all-time individual composite score for both contests with a perfect 1200 out of a possible 1200 points, a record that can never be broken.

Mr. and Mrs. Wesley Melvin and children Teresa Ann and Ricky Don of Lubbock spent the week end here visiting his parents, Mr. and Mrs. Jack Melvin and Cheryl.

Miss D. C. Kinsey, Knox County Home Demonstration Agent.

## Arts And Hobbies Section Will Also Be Represented

The Arts and Hobbies section of the Vegetable Festival will be contained in the lunch room of the Munday elementary school June 22. This display of varied talents from Knox County will be open to the public from 10 a. m. to 6 p.m. on Saturday, June 22.

Mrs. Brenda Smith is chairman of the Arts and Hobbies section. Her assistant is Mrs. Carol Eiland. They expect to have entrees of oil painting, water colors, pastel drawings, china painting, needle point, cross stitching, crewl embroidery, knitting, refinished antiques, and any other handwork done by a resident of Knox County. They would like entrees from students as well as adults.

All entrees in the Arts and Hobbies section will be insured from June 17 through 24. On June 24, the owners from each town will pick up the exhibits they brought. These representatives are: Rhineland, Mrs. C. J. Albus; Benjamin, Mrs. L. A. Parker; Truscott, Mrs. J. M. Chowning; Gilliland, Mrs. Homer Martin; Vera, Mrs. Cleland Russell; Goree, Mrs. Barton Carl and Knox City, Mrs. Ance Waldrip.

Everyone wishing to enter the Arts and Hobbies exhibit is asked to bring their work to the elementary school lunchroom in Munday on Monday, June 17 between 9 and 11 a.m. or 2 to 4 p.m. They may pick them up during the same hours on the following Monday, June 24.

This section of the Vegetable Festival will not be judged. Anyone wishing to sell their handwork or take orders to make an item or display may designate this on their entree form. All items for sale will be marked during the show.

Anyone wishing further information may contact the Arts and Hobbies representative in their town.

## Vacation Bible Class Begins Mon. At Foursquare

Rev. Floyd Bailey said special efforts and attention is being given toward a full and complete week of D.V.B.S. for every boy or girl who desires to attend. It will begin Monday, June 3 at 2 to 5 p.m. at the Knox City Foursquare Church.

We also wish to invite those who plan to attend our Bible School to meet us in the Knox City Park next Saturday, June 1 at 5 p.m. for a round up picnic. Meet the children you will be sitting with in class all week. Mothers are welcome also," Rev. Bailey said.

## Miss Gena Adcock Honored With A Gift Tea In Truscott

Miss Gena Lee Adcock, Truscott, bride-elect of Gerald Howard, Crowell, was honored with a gift tea, Saturday, May 25, at the home of Mrs. William Rake of Truscott.

Guests were greeted by Mrs. Jack Hickman, Mrs. J. G. Adcock, mother of the honoree, the honoree, and Mrs. E. D. Howard, mother of the prospective bridegroom.

Miss Carolyn Hickman registered guests in the bride's book. The tea table was covered with an ecru lace cloth over blue satin and centered with an arrangement of blue and white flowers against a blue heart. Crystal and silver appointments completed the setting.

Miss Judy Sandlin, Miss Judy Howard and Miss Judy Traweck assisted in displaying gifts and serving.

Hostesses for the afternoon included Mrs. Curtis Casey, Mrs. James Sandlin, Mrs. Jack Hickman, Mrs. Virgil Johnson, Mrs. Edgar Jones, Mrs. W. O. Solomon, Mrs. J. C. Black, Mrs. H. P. Gillespie, Mrs. D. S. Ellis, Mrs. H. M. Black and Mrs. William Rake.

Out of town guests included Mrs. D. H. Binton of Chillicothe, paternal aunt of the bride-elect, and her daughter-in-law, Billy Binton of Vernon; Mrs. Emil Navaratil and daughter, Linda, of Gilliland; Mrs. J. T. Cook and daughter, Karen, of Gilliland, and Mrs. Margaret Daniel of Benjamin. Approximately 50 guests were registered including several from Crowell.

Miss Adcock and Howard will exchange wedding vows June 12 at Truscott.

Members of Gov. John Connally's "Committee of 25" — to study education beyond the high school — have only one thing in common—they're all Texans.

Twenty-three, however, have something else in common — they are college graduates. Ten hold master's degrees and five doctorates.

Eight have something else in common—they attended Connally's alma mater, the University of Texas.

Other than that, their backgrounds vary.

Included are lawyers, bankers, contractors, telephone company executives, oil men, engineers, a district judge, a hospital administrator and educators.

**ODESSA OUT** — The expected bumper crop of college students in 1965 will have two more state colleges to choose from. Angelo State College in San Angelo and Pan American College in Edinburg join the state-supported

system in the fall of 1965.

But Odessa Junior College still will be a junior college, despite strong efforts by Rep. Geo. Cook of Odessa and Sen. Frank Owen III of El Paso.

**WOMEN WIN SMALL VICTORY** — The army of women's clubs, led by Mrs. Hermine Tabolowsky of Dallas, lost their session-long battle to get the legislature to approve a proposed amendment by Sen. Bill Moore of Bryan to provide "equal rights" for women.

Moore's amendment was lodged in a reluctant House Insurance committee at the session's end.

But they did gain something in the way of equal property rights under bills passed by Rep. George Cowden of Waco to:

1. Give married women the right to manage and sell their separate property without their husband's consent.

2. Take away the "examination apart" required of notaries

public.  
**NEW AG SETS RECORD** — Atty. Gen. Waggoner Carr reports that his Bond Division set an all-time record for bonds examined and approved during the first four months of his administration.

He stated that the record of 274 bond issues approved — \$189,000,000 worth—exceeded the first third of any calendar year since the Attorney General's office was first given these duties in 1905.

Also since Jan. 1, Carr's office has handled a total of 1,311 cases — 986 won, 61 lost and 264 disposed of in other ways.

**COTTON DEADLINE EXTENDED** — Agriculture Commissioner John C. White announced a 10-day extension of the cotton planting deadline in 17 coastal counties. Extension to June 1 was due to extremely dry weather in the coastal bend area.

Planting of the state's 1963 cotton crop is three-fourths complete, according to the Texas Crop and Livestock Reporting Service.

**JUDGE'S PAY** — Another legislative study will concern the pay needs of judges.

One of the most controversial subjects during this legislative session has been the proper pay for district judges.

State pays all district judges an annual salary of \$12,000.

Many counties supplement this. Many more have asked their representatives to pass bills this session to authorize county supplements.

Lawmakers from districts where judges get only \$12,000 or a slight supplement have battled every bill that called for increased pay. Some increases would have run as high as \$20,000 a year. Rural members argue that judicial salaries like that cause too much competition.

Rep. Maurice Pipkin of Brownsville noted that creation of a new Court of Civil Appeals in Corpus Christi and the opening of three justice jobs at \$15,000 caused a flood of applications.

**GOLD IN THEM HILLS?** — People who think a hidden fortune may lie "somewhere north of the Big Bend" may get a chance to test their theory under a new law. It allows prospector permits for 640 acres, at 25 cents an acre annual rental, for a maximum of five years.

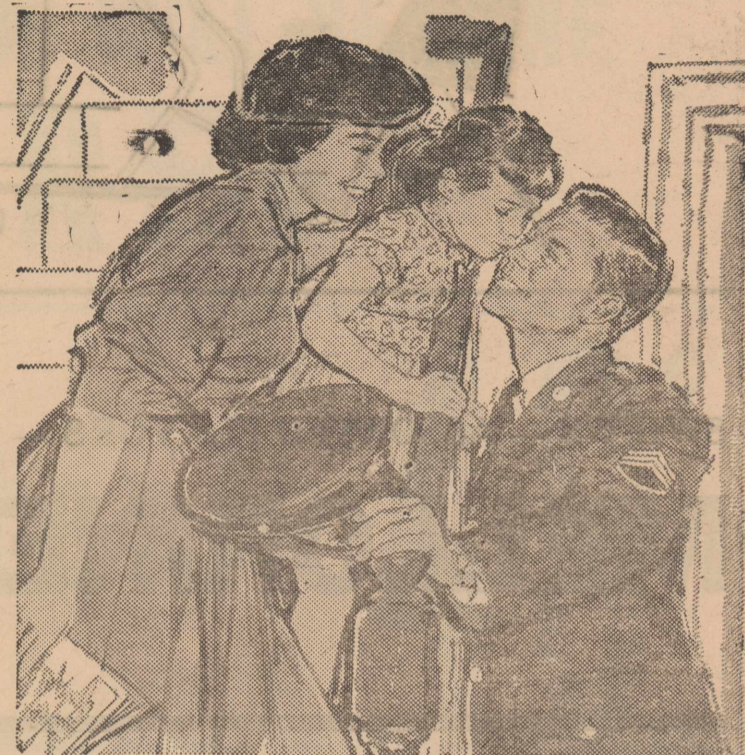

Rep. Grainger McIlhenny of Wheeler, author of the bill, noted that present law limits a hard-metals prospector to 40 acres.

**WATERSHEDS** — Speed-up in planning watershed flood protection projects won approval from the Senate-House conference committee on appropriations.

**CAR WASH AT WAYNE'S 66 SATURDAY**

Anita Poteet, Paula Myers, Charla McElroy, Ila Kay Hutchinson, Judy Meiner, Glanda Cox, Jan Sutton, Judy Land and Lee Collins are planning to attend the encampment at Glorietta June 6.

**They will have a Car Wash at Wayne's '66' Service Station this Saturday June 1 from 1 to 5 p.m.**

## Streams In Desert Places

Ozelle Stephens

"Now concerning spiritual gifts, brethren, I would not have you ignorant." Wherefore I give you to understand, that no man speaking by the Spirit of God calleth Jesus accursed; and that no man can say that Jesus is the Lord, but the Holy Spirit. The same Spirit who leads you unto salvation through Jesus Christ and giveth you access unto the Father, giveth gifts of faith, healing, working of miracles, prophecy, discerning of spirits, words of wisdom and etc.

There are diversities of gifts, but the same Spirit. There are differences of administrations, by the same Lord. There are diversities of operations, but by the same God which worketh all in all. The manifestations of the Spirit is given to every man to profit withal. There is no standing still in the workings of the Lord. When you do not push forward, you become weak and loose courage. We must continue to work the works of Him who called us unto Himself.

## Ginners Receive Mike Testing Applications

Cotton growers of this area again will be offered the micronaire testing service of the U. S. Department of Agriculture, reports B. B. Manly Jr., in charge of the Abilene Cotton Cladding Office.

The "mike" service was provided by USDA's Agricultural Marketing Service, on a trial basis, last fall.

Instructions for applying for "mike" testing have been mailed to 151 ginners in this territory.

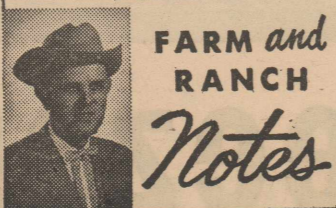

Also, a booklet of questions and answers about "mike" testing, pictures of the scientific instrument—the micronaire—and how it operates, have been sent to ginners to help them explain the service to their customers.

"Ginners are the key people in making the 'mike' testing service available to cotton farmers," Manly emphasized, "because it's up to them to apply for it and to handle the fee of eight cents per sample."

All cotton farmers in organized Smith-Doxey Cotton Improvement groups are eligible to have their cotton "miked."

"The micronaire reading will give farmers another measurement of the quality of their cotton in addition to the traditional grade and staple classification," Manly said.

Ginners should apply for this "mike" testing service as soon as possible. Deadline for applying is July 1.

Eleven Knox County 4-H members are busy making preparation to leave Tuesday, June 4 for a State 4-H Roundup. These 4-Hers earned the right to enter the state contests by virtue of winning either first or second in the district eliminations. They will be competing against members from each of the 12 Extension districts in Texas. We will leave early Tuesday morning and plan to be back Thursday afternoon.

The 4-H members and the contest they are entering are as follows: Charles Murray, Gilliland, Soil and Water Conservation, Class A; Chip Smith and Bob Moorhouse, Benjamin, Soil and Water Conservation, Class B; Susan Keuhler and Dorothy Edrington, Rhineland, Safety; Jan Burgess, Gilliland, Favorite Foods; Bill Roberts, Ronnie Chilcoat, Mike McClain, and Gerald Wiles, Benjamin, Grass Judging, Dwight Reeves, Gilliland, Tractor.

The program at Round-Up includes a Chuck Wagon feed on Tuesday night followed by a choice of activities that include folk games, square dancing,

Share-the-fun Acts and bowling. The contests are on Wednesday and the program ends on Wednesday night with a program of entertainment brought in from Chicago. The chuck wagon feed and the entertainment are under the direction of the Texas 4-H Youth Development Foundation.

Members of the Foundation in our area are Mr. W. E. Braly, Munday, who is on the Board of Trustees, Mr. Earl Sargent, Wichita Falls and Mr. M. K. Berry, Vernon who are the directors for this district.

Screwworms have been confirmed in King County so livestock producers need to be extra watchful and catch any outbreaks as soon as possible. Take a sample before you treat a wound. This is the only way we have of knowing whether they are maggots or screwworms. If you don't have a sample bottle, I will be glad to supply them or just use any kind of bottle.

The Program Building Committee met May 23 in the Courthouse. The group reviewed the written county program being developed and listed the areas of program emphasis for the next five years.

Cotton is off to a fast start in Knox County. Thrips have damaged some fields but most of them are coming out of this.

Others that have been sprayed are growing good. Wheat yields have been above average this year. One farm in the Gilliland area average 21 bushels and this is the driest area in the county. This wheat was not grazed and that does make a difference, especially in a dry spring. The wheat harvest will wind up in Knox County this week if there is no rain.

**G. A.'s MEET**  
The Dorothy Weeks G.A.'s met with the Counselors Monday afternoon at the First Baptist Church. The group will receive their emblems in the near future.

## Truscott Home Demonstration Club Has Meeting

Nine members and one visitor Mrs. Monroe Cash, met at the regular session of the Truscott Home Demonstration Club May 23, in the home of Mrs. John Black.

The THDA Creed was read by Mrs. Chowning, and Mrs. Rake gave the devotional.

Mrs. E. J. Jones was elected as a delegate to the state meeting. Mrs. J. R. Brown, Mrs. W. O. Corder and Mrs. W. O. Solomon presented the program on Food Fallacies.

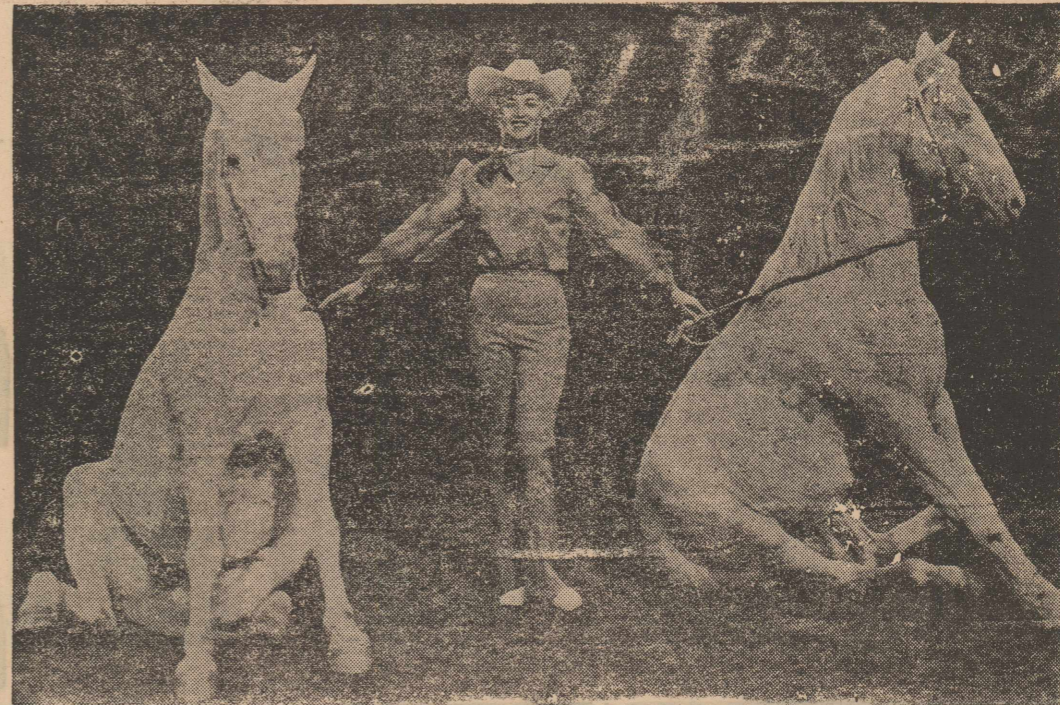

The hostess, Mrs. Black, served refreshments to those attend-

ing. Next meeting will be June 13, at the Community Center.

The Blouson—smart wet or dry!

The flower-etched nylon bodice is scooped low and beautifully round, a delightful contradiction to the elasticized sharkskin shorts.

Made nicer with Jantzen's new natural contour bra cups, molded and framed comfortably in fabric and supported with supple elastic bands.

### Uncle Ben from Benjamin says:

DEAR MISTER EDITOR:

The fellers at the country store Saturday night was setting around adding up their blessings and subtracting their burdens and I'll have to report they come out about even.

On the blessings side, Ed Doolittle was giving thanks for the fact his old lady ain't offered him no advice about nothing in a whole week. Ed reported he was gitting fed up on his old lady trying to give him advice all the time. He allowed as how a feller that could tell the difference between good and bad advice didn't need neither one, and if he couldn't tell the difference, the advice wouldn't do him no good nohow. Confidential, I think Ed's old lady has been advising him to do a little work around the place fer a change.

And Ed reported he had saw in the papers where a Illinois agriculture expert named George E. Smith has announced official

that he has been able to git bumper corn crops by bombard-ing corn fields with music sounds. He claims he has increased corn yields from 6 to 10 per cent with music.

In the first place, claims Ed, we got too much corn surplus now and using this music fertilizer was working agin the farm problem. He was of the opinion the Government should start right now barring any farmer from gitting a handout that was growing corn to music.

Zeke Grubb figgered that corn grew to music would make fine popcorn and that any growers that was using this new music fertilizer could git the difference between the regular price and the Government hand-out price by gitting into the popcorn business.

Clem Webster told the fellers he couldn't figger which was worse, using this new music fertilizer or the non-exist fertilizer invented by Billy Sol Estes. This

brung up a discussion about whether or not they was ever going to be able to git Billy Sol behind the bars. Ed Doolittle was agin it, said if they put him in jail he'd write a book. Ed allowed as how it was a dangerous thing anymore to put a feller in jail that could read and write. He started out with Alger Hiss and named a long list of fellers that has got famous from writing a book in jail. Ed says throwing some of them smart operators in jail fer a spell is like throwing a rabbit in a briar patch. They love it, come out on the best seller list.

I agree with Ed, Mister Editor, that if they is any chanct Billy Sol will write a book, it would be better fer the Government to let him stay in the non-exist fertilizer business. And I'm solid agin any Government aid to farmers growing corn to music.

Yours truly,  
Uncle Ben

**"Only good fly is a dead fly!"**  
ORTHO has two sprays—a fog spray and an all-purpose spray—that kill flies fast and sure. Without harmful residues.  
You know what a hassle fly killing can be. You want a spray that's effective. But you don't want to have to hide your animals in the next county. And you don't want a spray that's so gentle every other fly gets away.  
The two fly killers made by ORTHO take care of both problems. Their main ingredient is DIBROM, a remarkable insecticide that kills flies outright—without harmful residues. DIBROM doesn't just knock flies down—it knocks them stone cold dead. Even if they're resistant to other sprays.  
And because they contain DIBROM, both these fly killers are registered to spray over and around cattle. You can spray in a barn without taking the cows out, or a poultry house without removing the birds.  
So if you use a fog sprayer, try new ORTHO DIBROM Fly Spray. It comes already mixed—you just pour it from the can. And it kills the flies that a lot of fog sprays miss.  
If you want an all-purpose concentrate, for use through a pressure sprayer, or as a dry bait or a wet bait, use ORTHO Fly Killer D. (The D is for DIBROM.) Diluted with water, a quart of Fly Killer D makes up to 40 gallons of ready spray. And costs less than 22 cents a gallon.
