## May 15 Is Date For Wheat Signup

May 15 is a date that wheat growers should mark on their calendar, O. E. Moore, chairman, Agricultural Stabilization and Conservation County Committee reminded producers today.

That date is the deadline for signing up to take part in the new 1964 voluntary wheat program. The signup is underway in the ASCS County office.

The chairman emphasized that filing an application is the first step necessary to participate in the program. After that, a grower will need to (1) keep his wheat acreage within the farms 1964 allotment, (2) set aside to conserving use an acreage equal to at least 11.11 per cent of his allotment in addition to maintaining the farm's normal acreage in conserving use, (3) stay within the allotment for any other allotment crop on the participating farm, and (4) stay within the wheat allotment on any other farm in which the producer has an interest in the wheat.

The voluntary wheat program offers participating growers diversion payments on the normal yield of the diverted acres; a price support loan (or purchase) for his entire production, based on a national average of \$1.30 a bushel; and marketing certificates based on the normal production of his eligible wheat acreage.

Under the voluntary program, certificates will not accompany the wheat when it is sold on the market.

The farmer will receive the value of the certificates at the ASCS office. If all the program provisions are met and the wheat acreage planted for harvest is destroyed by natural causes, the certificates serve as an insurance measure to the producer. Growers who are interested only in price support for their 1964 wheat crop may qualify for loans or purchases by keeping the wheat acreage on the farm within the farm's wheat allotment.

### VISITS IN MCGEE HOME

Mrs. Howard Mayfield, Debbie, Randy, and Rickey of Levelland, and Mr. and Mrs. T. C. Stinson and Mike of Lubbock, and Mrs. E. W. Harrison were Sunday guests of the McGee family.

NUMBER 25

**BIG BLOW!** — Knox Citizens were kept inside their houses and cellars last Thursday afternoon when high winds and a hard downpour saturated the parched earth. Shown above is an airplane at the local airport after the winds picked it up and hurled it against the side of the hangar. Another plane, an old World War II trainer, was torn loose from its moorings and ran over a gas pump. The tail section was damaged on this particular aircraft.

## Wheat Growers Should File Their Applications At ASCS Office

Wheat growers may sign up to take part in the 1964 voluntary wheat program through Friday, May 22, E. O. Moore, chairman Agricultural Stabilization and Conservation County Committee, said today. That means that only a short time remains for wheat growers to get in touch with their ASCS County Office and indicate their intention to take part in the program. Filing an application is the first step toward such participation.

To qualify only for price support loans or purchases, according to the chairman, will mean keeping the wheat acreage within the farm's wheat allotment. To qualify for the additional benefits of diversion payments and marketing certificates, made available under the new wheat law, producers will set aside an acreage equal to at least 11.11 per cent of the farm allotment for an approved conservation use in addition to the farm's normal acreage in conservation uses. Eligibility for all benefits also will mean not exceeding the allotments for any other crops on the farm (feed grains are not considered allotment crops), and keeping the wheat acreage within the wheat allotment on all farms in which the producer has an interest in the wheat crop.

The regular price support loans and purchases will be based on a national average of \$1.30 per bushel. The diversion payment per acre will be one-fifth the county price support loan rate times the farm's normal yield.

## Knox City Picks Honor Students

Honor graduates of the Knox City High School have been announced by H. D. Bankston, principal.

Jinx Reeder, daughter of Mr. and Mrs. Joe Reeder Jr., is the valedictorian with a four-year average of 91.97. James Hopkins, grandson of Mr. and Mrs. Ben Bradford, is the salutatorian. His average for four years is 89.83.

Baccalaureate services will be held in the First Baptist Church at 8 p.m. May 24, with Rev. Tony Longval, pastor, delivering the sermon.

Commencement for the 24 seniors will be May 26 at 8 p.m. at the high school. The speaker will be Charles E. Silk, a former superintendent here, now with the Abilene school system.

mal yield. The marketing certificates will be valued at 70 cents per bushel for the part of the farm's crop representing wheat for domestic food and 25 cents per bushel for the "export" wheat. Together, the certificates will cover a maximum of 90 per cent of the normal production of the farm's acreage allotment.

Mr. Moore explained that farmers may receive the cash value of the certificates at their ASCS County office. The certificates will not accompany the wheat when it is sold. The certificates will be credited and the diversion payments made as soon as possible after performance has been checked.

The wheat certificates offered under the 1964 voluntary wheat program can serve as an insurance measure for the participating grower, Mr. Moore pointed out this week.

If all the wheat program provisions are met, he explained, an acre of wheat acreage planted for harvest is damaged or destroyed by natural causes, the grower would receive his certificates just the same. Since the certificates are based on the "normal" rather than the "actual" yield, the amount of the certificates would not be reduced because of the crop loss.

## TRACK STARS SCORE 9 POINTS AT STATE MEET

Knox City's track stars scored nine points and came home with a fine record for the Greyhounds from the State Track and Field meet in Austin last week.

Douglas Logsdon placed third in the 880 yard run with a 1:59.4 time.

Brack Shaver placed fifth in the 120 yard high hurdles with a time of 15.2 seconds. Derrell Marion finished 6th in the mile run with a time of 4:46.

The boys were accompanied to Austin by Coaches Ted Darland and Jim Bateman.

## Juniors-Seniors Invited To Church Of Christ, Friday

The Juniors and Seniors of Knox City High School are invited to attend a get-together at the Church of Christ after the Banquet Friday night.

Games and volley ball will be played and home made ice cream and cake will be served to the two classes.

## Bryon T. House Services Held At Benjamin

Funeral services for Bryon Travis House, 61, life-long Knox County resident, were held at 3 p.m. Sunday in the First Christian Church in Benjamin.

Officiating was the Rev. Graham Barnes, pastor. Burial was in Benjamin Cemetery with Smith Funeral Home in charge.

Mr. House was a State Highway Department employee for 15 years. He was hospitalized Friday in a Wellington hospital and died of a heart attack. He was a native of Knox County, born June 5, 1903 and had been a rancher. He lived one year in Guthrie and the past year in Wellington.

Survivors are his wife, one brother, Wade of Benjamin; and three sisters, Mrs. Zena Waldron of Benjamin, Mrs. Beulah Sams of Fort Worth, and Mrs. Dorothy Veal of Mineral Wells.

## McGaughey Infant Services Held In Vera Monday

Marcia McGaughey, infant daughter of the Rev. and Mrs. Ernest McGaughey of Big Spring was dead at birth but an unnamed twin sister survived at the Big Spring Hospital Saturday morning.

Rev. McGaughey is pastor of the Methodist Church at Garden City.

Graveside rites were held at 5 p.m. Monday in the Vera Cemetery.

Other survivors are a sister, Suzannah, of the home; paternal grandparents, Mr. and Mrs. Arthur McGaughey of Vera; and maternal grandparents, Mr. and Mrs. C. L. Kelly of Johnson City, Tenn.

## VAN WINKLE WINS AWARD

Chamber of Commerce Manager Tom Van Winkle was awarded a 100 per cent Secretary of Dist 2E1 award at the district governors banquet for the Lions Club held at Wichita Falls Saturday.

Van Winkle is secretary of the local Lions Club and was accompanied to Wichita by Jim Ross, Zeb Smith, and George Davis for the presentation.

## Autopsy Report Expected Today On Varnell Death

Graveside rites were held Tuesday for Arthur G. Varnell, 74, and his wife, Lottie, 69, at the Knox City Cemetery.

Rev. Jarrell Sharp, pastor of the First Methodist Church was in charge of the services.

Mr. and Mrs. Varnell were discovered in their son's 1963 Ford Fairlane automobile Monday morning by Bill Henderson, a nephew, who lives near the Varnell farm home five miles west of Knox City.

Two garden hoses were hooked to a handmade funnel and the ends of the hose were attached to the exhaust pipe.

A hole had been cut in the metal floor by a steel chisel and the hoses were then passed through a hole cut near the center of the car over the back seat.

Mrs. Varnell was in the front seat and Mr. Varnell was in the

back. Both were seated on the extreme right hand side of the car.

Henderson attempted to drive the car into town but ran out of gas shortly after leaving the farm home. He hitched a ride back to his farm and returned with a farm employee to the car and steered it into town as the hired hand pulled it with a pickup.

Jack Varnell, their son, was at the Varnell home when Henderson arrived, and was described as being in a dazed condition.

Upon arrival at Smith Funeral Home all law enforcement agencies were notified and investigation was begun at 11:30 a.m.

Justice of the Peace Joe Simmons ordered an autopsy performed and a pathologist from Abilene was summoned.

This was completed Monday afternoon, but final report on his findings will not be available until later today.

Although unofficial, it was believed the Varnells died sometime Friday morning.

The family's pet, a medium-sized dog, was also a victim of the apparent carbon monoxide poisoning and was in the rear of the car with Mr. Varnell.

A note written on the back

of a local show calendar said: "Please bury my little dog in the front yard."

"Thanks."

This was on the front seat near Mrs. Varnell.

Sheriff H. C. Stone said the autopsy report was promised Thursday morning.

Jack Varnell has been in the Knox County Hospital under sedation.

The Varnells had lived in Knox County for many years.

Mr. Varnell's other survivors include a sister, Mrs. Lee Woodward of Knox City.

Mrs. Varnell's other survivors include three sisters, Mrs. Ada Papworth of Knox City, Mrs. S. E. Youngblood of Lubbock, and Mrs. Lee Walden of Morton.

## Rev. Longval To Receive Degree

REV. TONY LONGVAL

Rev. Tony Longval, pastor of the First Baptist Church in Knox City, will graduate from Southwest Baptist Theological Seminary in Fort Worth, May 15.

Rev. Longval will receive the Masters of Religious Education degree.

He is a native of Tampa, Fla., but brought his family to Texas in February of 1956.

He is a 1959 graduate of Wayland Baptist College in Plainview.

Rev. Longval has pastored the church here since June, 1962. Additions to the church during this time have been over 150.

Sunday, May 17, the Longval family will be further honored with an ice cream social immediately following the evening services.

## Horse Sale Planned July 2 In Stamford

Charlie Morris, chairman of the Cattleman's Round-up for Crippled Children, announced Dundee and Ralph Morrison and John Carlile as co-chairman of the horse division of the Cattleman's Round-up for Crippled Children. Heller, rancher and quarterhorse breeder from Dundee, has served the Cattleman's Round-up for 3 years. Morrison and Carlile, well-known sales firm, will hold the sale of the horses free of charge.

The sale will be held in conjunction with Texas Cowboy Reunion in Stamford on July 2. The horses will sell at 1:00 p.m. at the Quarterhorse Arena.

The partnership of the world's largest amateur rodeo and the horse sale of the Cattleman's Round-up for Crippled Children is quite natural due to the fact that many of the same working cowboys and cattlemen are staunch supporters of both affairs.

## ★ GLENN BEST SINKS FIRST HOLE-IN-ONE

Glenn Best, manager of Superior Iron Works, has the distinction of being the first golfer to score a hole-in-one at the Knox City Country Club.

Glenn was on the No. 2 Hole with a No. 4 iron to sink the 155 yard putt. Playing in the threesome were Don Bolton of Stamford and "Bob" Packer of Knox City.

## Salvation Army Fund Drive Now Underway Here

The annual Salvation Army campaign for funds got underway this morning with a kick-off breakfast at the City Cafe. The goal of the effort is \$750.

Zane Branham is heading the campaign this year. He named as captains: Bob Harrison, Henry L. White, Joe Roy Smith, Joe M. Clonts, Jeff Graham, Mrs. Polly Hoge and Miss Julia Propps and Mrs. Hazel Stockton in Benjamin. The Captains each have a team to contact the various prospects.

Knox City and West Knox County Salvation Army Service Unit headed by Jeff Graham is an all volunteer operation. Graham is assisted by L. A. Parker, G. W. Coats, Rev. Floyd Bailey, R. G. Averitt, Ervin A. Youngblood, James E. Hill, and Rev. Jarrell Sharp. This committee gave immediate aid to many people in the form of groceries, meals, lodging, transportation and shoes.

Recently the committee headed a collection of new and used clothing, and bedding and delivered three truck loads to the victims of the Wichita Falls tornado.

Branham urged the workers to quickly work their prospects and close out a successful campaign.

If the trials of life seem to overcome you, remember what God told Joshua and know that he is the same God to who-so-ever will obey his WORD. There is a condition to every promise but it is never impossible.

When your heart is willing God always makes it easy. The promise unto Joshua if he would obey God's command to lead the children of Israel . . . "There shall no man be able to stand before you all the days of your life: as it was with Moses so shall it be with thee: I will not fail thee or forsake thee. Be strong and of good courage."

The Lord is the only one whom you can trust or carry you through and keep you from destruction. Not even your closest friend can be trusted. You need no one else when you have Jesus as the Lord of your life.

You can with Paul. "I can do all things through Christ who strengtheneth me." All trials will melt away, every day will be full of joy and peace for he supplieth your every need and keeps you from being destroyed, giving you living life.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

**AUSTIN** — Conservative tone of the Texas Legislature was little changed by May 2 primary results.

Thirteen members of the Senate and 11 Representatives won renomination.

There will be two new Senators. Former Rep. Jack Hightower of Vernon will replace veteran Sen. George Moffett of Chillicothe who is retiring. Successor to Sen. Frank Owen III of El Paso, who did not seek re-election, will be decided in the runoff between Rep. George Cook of Odessa and former Rep. Pete Snelson of Midland. The winner still must face Republican opposition on Nov. 3.

Democratic incumbents in State offices polished off their primary opponents, and turned to the job of running against their Republican opponents in the November general election.

The two primaries resulted in two runoffs, to be held on June 6.

Republicans George Bush and Jack Cox, both of Houston, will vie for the right to face Sen. Ralph Yarborough in November for the U. S. Senate seat Yarborough now holds.

Democratic Congressman-a-t-large Joe Pool of Dallas will be in a runoff with Robert W. Baker of Houston for nomination to that statewide office.

Outside the U. S. Senate race, all Republican primary candidates for state office were unopposed.

**TRIAL COVERAGE DISCUSSION SET** — A State Bar subcommittee will meet here on June 12, with the state's major press associations to discuss coverage of court trials.

Representatives of United Press International Managing Editors, Texas Daily Newspaper Association and Texas Press Association have been invited to the first of three conferences.

Radio and television broadcasters and law enforcement officials will be invited to confer with the Bar's subcommittee on "Trial News Coverage" in subsequent meetings.

The subcommittee has instructions "to study and make recommendations concerning proposed standards of conduct or statements of principles governing parties involved in news stories related to prospective or pending litigation, civil and criminal."

**HIGHER EDUCATION BOOSTED** — The Committee of Governing Boards of State Colleges and Universities called for "a giant step" to upgrade higher education in Texas next year.

In a new brochure, the voluntary group of regents from different institutions terms 1965 a "year of destiny" for education.

Meanwhile, Gov. John Connally's Committee on Education Beyond the High School got together to edit its preliminary draft of a report on how to achieve that giant step" necessary to make Texas colleges and

universities best in the U.S. **TEXTBOOK COMMITTEE IS NAMED** — The new State Textbook Committee was sworn in on May 8.

Group, which will read and evaluate 250-300 school textbooks before making recommendations to the State Board of Education, is made up of:

Edsell F. Bittick, Texas City; Mrs. Edna B. Boon, Austin; Henry Bennett Cooksey, Longview; Durward Grubb, Abilene; Mrs. Steva Ross Harris, Denton; Mrs. Ruth Hicks, North East San Antonio; Fred W. Hunter, Beaumont; Mrs. Evelyn Kidwell, Mt. Vernon; Smith Markham, Richardson; James W. Martin, Arlington; Bruce E. Oberholtzer, Mexia; Mrs. Fay Richey, Bonham; Manuel Salinas Jr., Falls; Mrs. Hester Still, Amarillo; and Keene C. Van Orden, San Angelo.

**JUDGES APPOINTED** — Governor Connally named James F. Parker Sr., of Beaumont associate justice of the Ninth Court of Civil Appeals to fill the unexpired term of W. T. McNeill, deceased.

Connally also appointed Charles L. Reynolds, Childress Co. attorney, judge of the 100th District to fill the unexpired term of Judge Luther Gribble, deceased.

Both appointees are Democratic nominees for the judicial posts. Connally said earlier he would appoint winners of the party primaries to the unexpired terms.

**SCABIES ORDER EASED** — California has eased a dipping order for Texas cattle, reports Animal Health Commission Director Dr. R. G. Garrett.

Only those cattle shipped to California from the counties of Childress, Cottle, Garza, Kent, King, Lynn, Stonewall, Terry, and Yoakum need to be dipped under the new regulation, Dr. Garrett said.

All cattle still need a permit from California and an inspection certificate certifying freedom from scabies.

**CONSTITUTIONAL AMENDMENT PLACES DRAWN**—Three constitutional amendments to be voted on at the general election on November 3, will appear in this order on the ballot:

No. 1. Amendment to remove authority for transfer of one per cent annually of the permanent school fund to the available school fund.

No. 2. Requiring advance publication of bills to create conservation and reclamation districts or amend finance powers and boundaries of existing districts.

No. 3. Authorizing the Legislature to provide for vendor payments for medical care for citizens 65 and over who are not on old age assistance and are unable to pay for medical services (and including glasses in medical services provided).

Place of the proposals on the ballot was determined by drawing numbers in the office of Secretary of State Crawford Martin.

**MISSING PERSONS SEARCH**—The State of Texas is looking for hundreds of "missing persons" who have left possessions

valuing from a 50-cent piece to a \$239.62 unclaimed payroll check in various depositories for seven years or more, and failed to provide forwarding addresses.

In a final effort to find these people, before their property is escheated by the State, Atty. General Waggoner Carr has filed a lawsuit in the 53rd District Court of Travis County, entitled: The State of Texas vs. R. E. Janes Gravel Co. and others.

Names of the "missing persons" filled three and one-half newspaper columns in the May 1, 1964 Austin American, to fulfill the requirement for advertising for missing owners of property subject to escheat.

Persons with any claim to the property listed should file their answers to the suit in the 53rd District Court before June 8.

**OPINIONS** — The "Calcutta Pool," a betting system used in some sporting events, such as horse races, golf tournaments, tennis matches, skeet and trap

shooting is illegal, according to Atty. Gen. Waggoner Carr. He says the Calcutta Pool system constitutes a lottery.

Carr also held a district court may not commute (shorten) the sentence of a parolee, since state law vests the power to grant reprieves and commutations in the governor.

In another opinion, Carr gave the state insurance board a go-ahead to prevent insurance firm from offering credit as a customer come-on.

**FARM-TO-MARKET ROADS** State Highway Commission announced "a sweeping program" to build more than 1,000 miles of new farm-to-market roads in 166 Texas counties.

With 37.14 miles of FM roads now in the state, the estimated \$23,000,000 project would bring the total to more than 38,075 miles.

The sprawling Farm-to-Market system began with a 6-mile stretch built in 1936 between Mount Enterprise and Shiloh in Rusk County. Commission's goal is 50,000 miles of FM roads.

IT'S TRADE 'N' TRAVEL TIME AT YOUR CHEVROLET DEALER'S

Five different lines of cars—forty-five different models to choose from. Come early and trade great!

Now that spring's in full swing, you'll find new Chevrolets perfect for picking.

**Luxury**—First, there's the big Jet-smooth Chevrolet. Sumptuous and soft riding. Over 700 sound stoppers throughout the car to blot out noise. Interiors luxuriously done up in the newest and softest vinyls.

**Trade** what you're driving for one of these, and you won't want to trade seats with anybody else on the road.

**Spirit**—Next, Chevelle. The beautifully in-between size car that combines small car handling oomph with big car comfort. Eleven different models that you can equip with just about any extra-cost option you can imagine. No place to go this summer? Get a new Chevelle—you'll think of something.

**Economy**—Chevy II—the car that takes to inexpensive vacations naturally. It just goes and goes, and where it stops nobody knows. Eight models to pick from, including wagons with enough room to swallow up an eight-foot Christmas tree. (Plan ahead, we always say.)

**Fun**—Then there's Corvair. The fun one with the engine in the rear for unbelievable traction. Spring mud, summer sand, winter snow—nothing stops it.

**Corvette**. The enthusiast's car. Sting Ray Sport Coupe and Convertible. Still America's only true sports cars. They do for your driving what holidays do for kids.

**Performance**—And with any new Chevrolet you choose, you can pick from a wide range of standard or extra-cost high performance engines.

Either way, whether you've got some place special to go this summer or not, when you trade for one of Chevrolet's five great highway performers—you'll travel!

District 4-H Camps have been arranged for this year. The district Joint 4-H Leadership camp will be held June 15, 16, 17 at the Baptist Encampment at Leuders in Jones County. The camp will begin at 11 a.m. June 15, and end after the noon meal on June 17.

Cost will be \$5.50 for each 4-H member. The quota from each county is three boys and three girls, 12 years or older before January 1, 1964.

The District boys 4-H Camp will be held at Buffalo Gap, on July 21, 22 and 23. We haven't received the Knox County quota as yet but it will probably be about seven.

Tiny insects called springtails have ruined stands of cotton in the Gilliland area this spring. These are insects that are closely related to Silverfish and firebrats sometime found in the home.

They are found among the clods and attack the cotton plant as soon as it germinates.

They have chewing mouthparts so the leaves are riddled by the time the plant can emerge. This insect has two antennae on his head and three projections on his rear. He is gray in color and it takes good eyes to see him.

Control can be achieved by

seed treatment with dieldrin, chlordane or Heptachlor.

Cotton growers need to be making preparations for applying the early season insect control program. Three sprays applied a week apart as soon as thrip appear will insure that the cotton sets an early crop. It will also kill the overwintered boll weevil before they can lay eggs. This early season control should be finished by the time the squares are one third grown. This will permit the buildup of beneficial insects that will help control bollworms. This early season control is the cheapest one can make because of small amounts of insecticide needed. The early cotton is the highest grade usually and the crop can be harvested and stalks destroyed, leaving the boll weevils little chance to survive the winter.

A high per cent of the first squares will make bolls if left unmolested, while the later in the season, this figure drops to less than half. This program is more effective if the entire community will cooperate.

Tomato growers who have not used plastic mulch can prevent fruit rot on their tomatoes by staking or by placing newspapers under vines to prevent contact with the soil. Staking tomato plants sometimes produces larger, better quality fruit. It also keeps them cleaner and makes plants easier to spray.

However, staked tomatoes are likely to have more cracking, blossom-end rot, and sunscald. Placing whole sections of the newspapers under tomato vines is an easy way to prevent fruit rot.

We suggest putting papers down after the vines are heavy enough to keep them from blowing away. Plastic dry-cleaner

## Study Club Holds Final Meeting Of

Members of the Knox City Study Club held their final meeting of the year May 9, with a luncheon at the Woman's Club.

Mrs. Otis Cash was director for the program which followed. The guest speaker was Mrs. O. L. Jamison, a former president of the club. She was presented by Mrs. E. R. Carpenter and spoke on her recent travels to the Orient, the Philippines, Fiji Islands, Australia, and other places.

She said she found people had about the same problems everywhere. Industry, economy, housing, racial tensions, were felt most everywhere.

Mrs. Jamison stated that the

bags can be used the same way. When staking tomatoes, place sturdy, five-foot stakes about one foot in the ground. Set them about four inches from the plant and avoid cutting tomato roots when setting them. Use of soft cord or strips of old cloth will lessen injury to plants when tying them. A good method of tying plants to stakes is to loop the material around the main stem; then cross it between the stem and the stake to form a figure eight. Tie it back of the stake.

If pruning is necessary, break off shoots that grow from the crotch formed by a leaf branch at the main stem. Break the shoots, rather than cutting them because a knife may spread disease.

When pruning, shoots should be removed before they are 3 in. long.

## IT'S THE LAW in Texas

### New Laws Penalize Credit Card, Board and Lodging Frauds

A brand new law now makes it rough on the person who uses a credit card to obtain any item of value or service of any type with intent to defraud.

House Bill No. 116 passed by the last (58th) Texas Legislature provides further that it shall be unlawful for any person to present a credit card with intent to defraud which has expired or has been revoked with the knowledge of such expiration or revocation.

The presentation of an unexpired or revoked card to obtain or attempt to obtain any item of value, service of any type, or to pay for such items of value or services rendered shall be prima facie evidence of the knowledge that such credit card had expired or had been revoked, if the person making such presentation shall not have paid to the person so honoring or issuing the card the total amount charged for the items of value or services within ten (10) days after being given notice from such person so honoring or issuing the card that said credit card had expired or been revoked at the time the purchase was made, which notice shall also state the amount due on such purchase.

Notice may be given by registered or certified mail or telegram.

Punishment for violation of this new law ranges from imprisonment in the county jail for not exceeding two years and by fine not exceeding \$1,000 for the first offense involving \$50 or less up to confinement in the state penitentiary for not less than two years nor more than ten years for fraudulent credit obtained in excess of \$50.

The 58th Legislature also added additional provisions to the old law making it an offense to obtain board or lodging in any hotel or boarding house by means of any trick or deception or false fraudulent representation or statement or pretense.

It is now unlawful for any person who has obtained lodging, meals or other lawful service at any hotel, motor hotel, inn or tourist court to depart from the premises thereof with the intent not to pay for such services. Failure of any person who has departed from such premises without paying the amount due for such services, and without personally appearing before the room clerk or other agent of the establishment before departing and protesting the amount alleged to be due, to pay the amount due within ten days after being given written notice of the amount due, shall be prima facie evidence of departure with intent not to pay for such services.

Any person who violates any provision of this paragraph shall be punished by a fine of not more than \$500, or by confinement in the county jail for not more than one year, or by both such fine and confinement.

(This newsfeature, prepared by the State Bar of Texas, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.)

Only 1 out of 17 people in the world  
can buy U.S. Savings Bonds

In this big world of ours, the number of people who can buy U.S. Savings Bonds is very small indeed.

Only Americans have the privilege—just one person in each 17 of the world's population.

In case you never considered it a privilege before, talk to a few of the other 16. The ones who've literally climbed walls and swum rivers to find some of the benefits Bond dollars help protect for us.

In spite of their "restricted" sales, though, U.S. Savings Bonds happen to be

the most widely held security in the world.

Exercise your privilege to buy U. S. Savings Bonds, soon. See if you don't feel pretty good about it.

Quick facts about U.S. Savings Bonds

• You get \$4 for every \$3 at maturity • You can get your money anytime • Your Bonds are replaced free if

lost, destroyed or stolen • You can buy Bonds on the Payroll Savings Plan

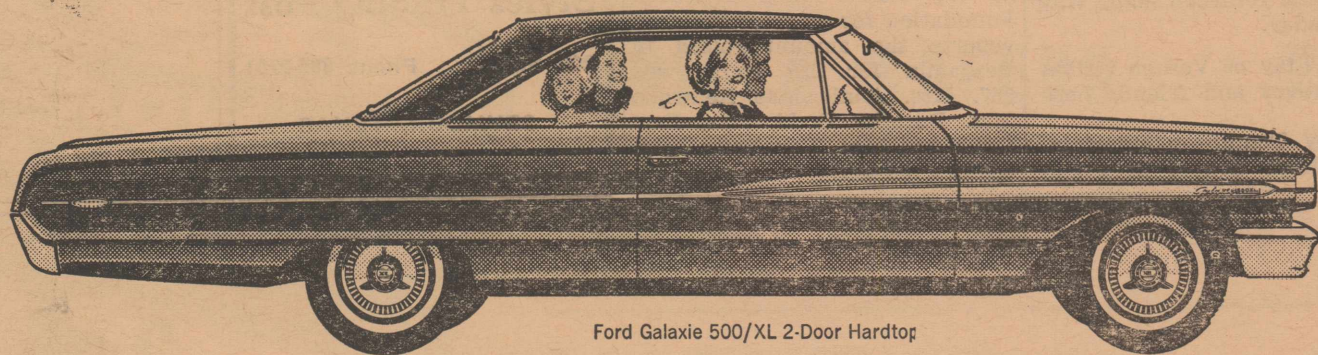

Keep freedom in your future with

### KC Students Attend FHA State Meeting

Glenda Cox and Kay Reeves were the Knox City delegates to the State FHA meeting in Austin May 1-2. They were accompanied by chapter advisor Mrs. Vera Newton.

Theme of the meeting was FHA Ticket for Tomorrow. Special emphasis was given to the third national objective: Strengthening My Education for Future Roles and the project "Stay in School." The entire session was aimed at encouraging the students to stay in school and to develop programs and activities in their school which would encourage and help other students to continue their education.

The general sessions were held in the municipal auditorium where approximately 3,500 delegates assembled.

The main address was given by Robert T. "Sonny" Davis, assistant attorney general and director of the attorney general's Youth Conference.

The topic of his talk was—"What Have You to Declare?" He urged the FHA members to always put forth their best efforts, he also gave them hints for living satisfying and useful lives.

Friday afternoon the State FHA President Diane McKnight presented her talk "Our Future Today, Our Life Tomorrow."

She reminded the students that the way they live their lives today will determine the type of future they will have tomorrow. She also urged members to live their lives in such a way that they will be given willingly the responsibilities and privileges which they feel that they deserve.

The state degrees of achievement were conferred in a ceremony "Like A Rose Our Values Grow."

The state chorus performed Friday afternoon and Friday night.

Immediately following the Friday afternoon session the FHA members and sponsors were honored by the Austin FHA chapters with a tea in the Senate Chambers, at the State Capitol.

The Friday program was an FHA talent night and featured talent numbers from different chapters. Exchange students also compared their lives as teenagers in their native countries with that in the United States.

The Saturday morning sessions the male members of the faculty and other friends with a chicken barbecue at the Moorhouse Ranch Friday night.

Mrs. L. A. Parker, chairman of the Easter Seal Research Foundation for crippled children reports the amount raised in Benjamin for this cause was \$87. Mrs. Annie Mae Redwine, Mrs. Dorothy Dodd, Mrs. Earl Sams and Mrs. Roy Petty helped Mrs. Parker.

### ON THE TEST TRACK CHAMP

Recently a showroom Plymouth, equipped with a standard V-8, beat Ford and Chevrolet in ten out of ten tests at Sebring, Florida. Tests of performance, handling, braking and gas economy. Tests of the "things you buy a car for."

Now your Plymouth Dealer is having a "success sale" on the same model Plymouth (and other models, of course). He's dealing like it was midsummer. And right now trade-ins are worth more too. Get up and go see your Plymouth Dealer.

At Plymouth's request, Nationwide Consumer Testing Institute bought the comparably equipped V-8s directly from dealer showrooms, made the rules and supervised the entire competition. See your Plymouth Dealer for details of "Test Track, U.S.A."
