VOLUME 58

KNOX CITY, KNOX COUNTY, TEXAS, THURSDAY, JULY 16, 1964

TEN CENTS PER COPY

NUMBER 34

HOME ON LEAVE — Pvt. Jimmy Joe Reid came home Friday for a two week's leave and has been busy visiting family and friends in this area. He has completed basic training and will report for duty in Temple after his leave is up.

ROUGH-TOUGH — Speaking of boot camp, Jeff Graham said the roughest-toughest character he encountered during World War II was during his three weeks boot camp training in the Navy. The fellow Jeff told us about happens to live here in Knox City and we know him well, Willis Pack.

Jeff said he and Willis along with hundreds of other men arrived at boot camp and after receiving all their shots, Willis had to have his teeth pulled. Refusing to go to sick bay, Navyman Willis attended the pulling session, hikes, briefings, and the dreaded shots without missing anything.

Jeff said his buddy weighed 40 pounds lighter but set a record that was hard to top even for the Navy.

EFFICIENCY! — Tuesday Postmaster Graham was trying to locate "The Toe". This was the name on the envelope and it was addressed to Knox City. Although there are at least three persons nicknamed thus, it was believed this letter was the property of Kitty Larson.

Mrs. O. L. McHam received a letter from her daughter recently and was addressed to—
Mother, Dad, and Dwayne,

Mrs. Kenneth Tucker, Mr. and Mrs. McHams daughter wrote a card to her parents and son and forgot to put any name or address on the front.

Her letter said in part: "I will be in Knox City to pick up Dwayne . . ." So, the letter was sent here for processing, if possible.

It didn't take long for the Postal Dept. here to figure out who Christell Tucker was and whose box the card should be delivered to.

PUBLIC MEETING — Councilman Paul Clayton recommend to his buddies on the city council last week that they have a public meeting with townspeople to discuss the city's business. He recommended that the meeting be held in the City Park and everyone invited to attend and express his opinions and solutions to city obstacles.

FINANCES — Unfortunately the city's obligations are pretty well devouring all the money collected. Putting the cards on the table is the best way to hash any problem, and Paul said he was hoping someone would have a solution or recommendation that would help.

WATER SHORTAGE — Water Commissioner Kenneth Lawson and Water Supt. Jack Land are extremely concerned about our water situation. Two of the city's five wells are running continuously, one is running that was cut off several months ago because it was pumping sand, and the other two are running 18 hours each day.

Jack said the wells needed a longer rest than he is able to give them. Both men are also worried because if we had a big fire, we could be out of water or dangerously low . . . in either case a catastrophe.

In other words we are using, at present, all these wells can produce in this allocated time.

RELIQS — Mrs. Edna Odom was cleaning out an old trunk Tuesday and found two postcard in color, of all things, of the Columbia World Exposition in Philadelphia in 1893. They are in mint condition. Also she had a clipping of Sgt. Henry B. Hollowell, her uncle, who was 32 at the time the picture was taken and had the distinction of being the Marines oldest Devil Dog. Sgt. Hollowell had been a campaigner for 62 years.

Mrs. Odom had no idea how old the picture was, but the sergeant had more stripes on his left arm than we've ever seen before—luckily he was a tall man!

Services Held Here For E. A. Flye Wednesday

Funeral services for Elder Anderson Flye, 91, were held Wednesday at 2:30 p.m. in the Church of the Living God in Knox City. He died July 11 in the Brownfield Hospital.

Elder George Clay conducted the services and burial was in the Knox City Cemetery with the Smith Funeral Home in charge.

Elder Flye was born April 28, 1873 and moved to Knox City in 1924. He was founder of the Baptist Negro Church also the Church of God in Knox City. He was instrumental in the opening of The McGee Ward Elementary school here.

Survivors are his wife, Mrs. Georgia Flye, Brownfield, 6 sons, Ed Flye, Phoneix, Ariz., Elder Asia Flye, North Sacramento, Calif., Samuel Flye, Cabazon, Calif., Lewis, Charlie both of Knox City and Isaiah Flye, Alta Dean, Calif.; three daughters, Mrs. Annie Mae Moss, Knox City, Mrs. Mary Flye, Pasadena, Calif., Mrs. Ida Cathcart, Pasadena, Calif.; one brother, Henry Flye, Vernon; two sisters, Marie and Marilla Flye, Yoakum; 45 grandchildren, and 76 great-grandchildren.

Attend Methodist Day Camp

Approximately 33 fourth, fifth sixth and seventh graders are attending the Methodist Day Camp held each day from 9 a.m. to 3 p.m. at Roy Smith's shelter belt.

Those attending are: Jerry and Sheri Sharp, Jami Clonts, Stacy Angle, Pam Pack, Gwen Angle, Jill Thompson, Lu Ann McGaughey, Charlie Leib, Brent Rallsback, Karen Clonts, Jacqueline Crownover, Ann Hoge, Jami Robertson, Donna Rallsback, Leslie Fitzgerald, Lanny Cypert, David McGaughey, Greg Clonts, Ray Thompson and Ginger Crownover.

Mothers helping are: Mrs. Sam E. Clonts, director; and assistants, Mmes. Buddy Angle, Charles Pack, Jarrell Sharp, Travis Thompson, Archie Leib, Verlin Cypert, Joe Smith, Ken Crownover and Miss Martha Kay Waldrip.

Mrs. Alton Fitzgerald, Mrs. Chad Wilson, and Mrs. Paul Hoge are providing transportation.

The camp will continue each day through Friday of this week.

Attend State FFA Convention In SA

Vocational Agriculture Teacher Leon Burkham and several members of the local FFA Chapter are in San Antonio this week attending the State convention of FFA. Making the trip are Jerry Myers, Carl Brock, David Hoge, Larry White and Ray Penman.

Penman and Myers are the voting delegates of the Knox City Chapter and Hoge and White are the alternates.

They will elect delegates to the National Convention which meets in Kansas City, in October. They will also elect a state president also a "top talent teen" and a state sweetheart. Awards will consist of the Lone Star Farmer degree, scholarship, and honorary degrees to adults who have contributed in outstanding ways to the organization.

Burkham is the chapter advisor.

ATTENDING CHRISTIAN CAMP IN MINERAL WELLS

Ricky Reid and Ivan Logsdon are attending Christian Church Camp held at Mineral Wells this week. They were accompanied to the camp by Rev. Hal Dungan and Skete Carpenter.

B. E. Smith And Sons Ship 31,000 Sacks Of Potatoes From Munday Farm

A Herald reporter was accompanied on a tour of the B. E. Smith and Sons Farm in Munday last week by Jesse Smith, pharmacist and owner of the Eiland Drug in Munday.

Mr. Smith and his two sons, James and Edward are pioneers in "truck farming" in Knox County, and have one of the largest processing plants in the country for potatoes.

Mr. Smith had prophesied he would gather 30,000 sacks of potatoes this year, but exceeded his estimate by 1,000 as he sent 31,000 sacks of potatoes to market recently.

This reporter was impressed with the abundance of new and late model equipment. One potato digger added to their list this year will harvest two rows at a time and will replace five men—besides adding many hours to a work-day.

The Smiths have 175 acres of corn, tomatoes, peas, squash,

okra, canteloupe, watermelons, and a number of other items not recognized by this writer, and they are grown, or rather planted in plots, in order that a crop can be harvested daily when it is in season.

Contrary to most farmers, Mr. Smith has very little difficulty keeping hands, for a large number migrate to his farm each season and a number are on the Smith payroll the year around.

When asked what he contributed his father's success—Jesse said:

"For one thing Dad works very hard and sees after his own business . . . Not many farmers his age will be in the field this late on Staturday afternoon."

Mr. Smith was cleaning out an irrigation ditch and instructing several employees on how and where to lay pipe.

The Elder Smith feels that a farmer is forced to grow any and everything he can to supplement his income. On top of that he and his sons can compete on the various crops and so far boll weevils have been the least of the Smiths' worries.

Rule Vocalists Entertain Lions Club Wednesday

Program Chairman Zeb Smith introduced Joe Averitt and Hob Smith as program committeemen at Wednesday's noon luncheon meeting of the Knox City Lions Club.

Program was introduced by Smith and consisted of a vocal trio from Rule.

The young ladies sang two popular songs and closed with a religious hymn.

They were Misses Paula Pinkard, Jane Kyle and Virginia Westbrook, accompanied by Mrs. Jerry Estep.

Lloyd Waldrip To Serve On County FHA Committee

It has been announced by L. J. Cappelman, State Director of the Farmers Home Administration, that Mr. Lloyd W. Waldrip has been appointed to serve on the Knox County FHA Committee for a three year period.

Mr. Waldrip succeeds Mr. Morris E. Robertson whose term as committeemen expired June 30. Other members serving on the Knox County Committee are Mr. August Schumacher and Mr. John T. Cypert.

Former Residents To Spend A Year In West Virginia

Mr. and Mrs. Wyman Tidwell and family of Victoria, arrived in West Virginia this week where they will make their home for one year.

Mr. Tidwell is employed by Union Carbide where he is a chemical engineer. While in West Virginia he will be working with the purchasing of a computer and preparing for it.

Mrs. Tidwell is the former Belinda Coates, daughter of Mr. and Mrs. Curtis Coates of Knox City. Mr. Tidwell's parents live in Munday.

ANNOUNCE BIRTH

Mr. and Mrs. Howard Ragsdale announce the birth of a son, Howard Jr., born at 6 a.m., Sunday in Knox County Hospital.

VISITS HERE

Mrs. T. S. Edwards had as her guests last week end her daughter, Mrs. Tom Hampton, her grandson, Tom Laurin Hampton, of Dallas and Bill Graves of Fairfay County, Va., who is spending the summer in Dallas. Both boys are students at Washington and Lee University, Lexington, Va.

Mrs. Ottis Cash Appointed Judge Of NCT Program

Mrs. Ottis Cash of Knox City High School has been appointed a regional judge for the National Council of Teachers of English Achievement Awards Program of 1964. Judging committee, composed of English teachers from both colleges and high schools, will evaluate writing skills and literary awareness of nearly 7,000 high school participants.

The Achievement Awards Program attempts to grant recognition to outstanding high school seniors for excellence in English. Finalists are announced in late November and are recommended for scholarship aid to all United States colleges and universities.

This competition is part of the comprehensive program of the National Council of Teachers of English to improve instruction in English language and literature at all levels throughout the nation's schools.

The NCTE is a professional, nonprofit organization of English teachers whose membership now includes more than 90,000 teachers from primary grades to graduate school.

Mrs. Cecil Seitz is reported to be resting well after undergoing major surgery Tuesday at Baylor Hospital in Dallas.

IN FORT HOOD

Paul Clayton, Leslie Joe Smith, Jimmy Lea and Don Labaum are in North Ft. Hood for two weeks training with the National Guard.

IN BAYLOR HOSPITAL

Mrs. Cecil Seitz is reported to be resting well after undergoing major surgery Tuesday at Baylor Hospital in Dallas.

Texas Historical Survey Committee Plans Dynamic Five-Year Program

A dynamic five-year program of historical Recordation, Appreciation, Marking, Preservation and Surveys was put into action by the Texas State Historical Survey Committee in its summer quarterly meeting.

"RAMPS," as the plan is called, is designed to bring about an awareness of the unique history of Texas by visitors and by Texans themselves through state and local efforts.

"The 21-point program has grown out of the tremendous county approval of and response to the new Historical Preservation Laws passed by the last Legislature and Governor John Connally's plans to make tourism one of the great industries of Texas," said Committee President John Ben Shepperd of Odessa.

Workshops in 31 Texas centers will be set for members of County Historical Survey Committees, Commissioners Courts, City Councils and Chambers of Commerce, an tourist officials to put the RAMPS program into action.

A major goal of the RAMPS program is the erection of 5,000 Official Texas Historical Markers and Texas Historical Building Medallions within the next five years—in addition to the

Former Resident Dies In McKinney

Funeral services for Mrs. M. D. Hardwicke a former resident here were held from the Turrentine-Jackson Funeral Home Chapel in McKinney, Texas on Sunday, July 12. Burial was in the Prosper Cemetery near by.

Mrs. Hardwick died in a nursing home in Garland on Friday. She had been ill several months. She was a native of Lafayette, Mo., and moved to the Charlie community north of Wichita Falls with her parents in 1888.

She and her late husband and son, Elmer, moved to a ranch west of Knox City in the 1940's and she taught school in the Brock and Grace rural schools.

Her husband died in 1960. She is survived by two sons, Elmer of Garland and Vincent of Midland. Two brothers, C. D. Barger of California and W. W. Marger of the Charlie Community and 8 grand children. Mrs. Minnie Wilson and Mr. and Mrs. H. E. Stephens of Haskell attended the services.

BROTHER DIES

Frank Hunt was in Amarillo Friday to attend funeral services for his brother who died last week.

COOPERATION IS SOUGHT BY CITY

The City of Knox City asks the cooperation of children to observe the ordinance against riding a bicycle on sidewalks.

Violators will be fined for this offense.

Cooperation is also sought by landowners to keep their lots cleared of weeds and brush.

A clean lot will not only enhance the beauty of the premises, but will cut down on flies and mosquitoes, the city said.

VISITING GRANTS

Visiting in the home of Mr. and Mrs. Clifton Grant over the week end were Mr. and Mrs. A. R. Jennings, Betty Sue and Alfred of Duncan, Okla.; Mr. and Mrs. V. S. Grant of Plainview; Mr. and Mrs. Newt Grant of Muleshoe; Mrs. Pearl Grant, Jerry and Mark, Mr. and Mrs. Linard Phipps of Knox City; Mr. and Mrs. Glean Hale and daughter Tammie of Goree and Mr. and Mrs. Wayne Callaway and boys of Winsboro stayed with the Grants for a week.

some 1200 historical markers previously erected by the state and the 1500 markers erected in the past two years. These new markers, 1000 each year, will be erected in a joint state, county-city and privately-financed program. Seventy-five percent will be located for tourist consumption with 25 per cent marking actual sites.

These markers will cover Texas history from the archeological finds, old Spanish and French explorer routes and Indian culture, through the days of the Texas Ranger, the cattle drives and the railroad movement to the history of industries, educational institutions and famous Texans.

Included are markers giving the name, founding and history of each town and stream in the state with special emphasis on those with unusual names. Ghost or oddly-named and promotional towns that never materialized will be marked.

The Texas State Historical Survey Committee serves as the clearing house for historical information which will be used in more than 1000 Texas Historical Tours (each county will be included in at least one tour), in a statewide historical road map, Calendars of Historical Events and in the compilation of directories and guides of Texas Historical Museums and their collections, Official Texas Historical Building Medallions and all official markers in the state.

It contemplates the cooperation of tourist-related businesses as hotels, restaurants, service stations, etc., to use Texas history subjects in pictures in hotel rooms or informative placemats in restaurants.

With the acceptance of the RAMPS program by the Historical Survey Committees in every county in Texas, history will be preserved and made available. Plans are to furnish technical assistance and guidance in the establishment of permanent, safe archives in every county, to have a history of every county written and published. Every county that so requests can secure consultants for advice and assistance in the fields of restoration of houses and buildings, museums, archives and papers, and tourism.

Yearly surveys conducted in every county will determine the location and condition of historical markers and the extent of the county archives and books on Texas history in county libraries. This information is then turned over to the State Archives and made available to researchers and visitors.

"The RAMPS program is designed to benefit the counties as well as the state, with information and resources flowing up and down, to accomplish the ultimate goal of preserving and displaying the unique history of Texas," said Mr. Shepperd.

ENTRAINS FOURSQUARE CHURCH LADIES

Mrs. Lillie Dennington entertained the V. F. W. Ladies of the Foursquare Church last Thursday afternoon. Her daughter, Mrs. Carmaleta Graham and Mrs. Malba Molar of Stamford furnished special songs and music of gospel singing.

Bake Sale Saturday

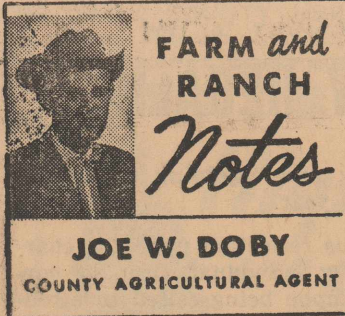

The Young People of the Foursquare Church will sponsor a bake sale Saturday July 18, at the grocery stores in Knox City.

Proceeds of the sale will be used for expenses for Summer Camp to be held at Siloam Springs, Ark., July 24.

For special orders for cakes or pies, call 658-6181.

IN COMANCHE

Mrs. Bertha Perry and Mrs. Sam E. Clonts and girls visited their mother and grandmother Mrs. Hicks in Comanche last week end.

FARM and RANCH Notes

JOE W. DOBY
COUNTY AGRICULTURAL AGENT

Dennis Kinnibrugh and "Strawberry," his horse, took the "Top Hand" award for the keepers were Bud Conner and annual 4-H Horse Show. The trophy is given to the individual with the highest number of points won in both halter and performance classes. Dennis is the son of Mr. and Mrs. Levooy Kinnibrugh of Vera. Strawberry is a grade quarter-horse gelding.

Winner of the Runner-up Trophy was Belle Hudson, daughter of Mr. and Mrs. G. H. Hudson, of Benjamin. She was riding a registered quarter-horse gelding named "Pumpkin." He was bred by the McFadden Ranch, Benjamin.

Judge of the show was Ralph Howe, Seymour, Jack Idol, Benjamin, was announcer. Time was also barrel racing champion Johnny Tom Hudson of Benjamin. Serving as ringmaster was Donnie Ryder, also of Benjamin.

In the halter classes, Dennis had the champion gelding with Belle's horse reserve. Gail Cornett, Knox City had the Champion Mare with her brother, Bill, showing the reserve Champion.

The performance classes were divided into two groups—one for members 10-12 years old and the other for those 13 and older. The top winner from each group then competed against each other for the championship.

The pole bending champion was Judy Roberson, Vera, with Belle reserve. Bob Moorhouse, Benjamin, was the Flag Race Champion with Dennis Kinnibrugh reserve. Bob Moorhouse was also barrel racing champion and Belle was reserve. The Champion in the Key-hole race was Bob Moorhouse with Judy Ryder the reserve. Dennis Kinnibrugh was champion in the reining pattern with Phil Williams reserve.

The other boys and girls who competed were: Fred and Phil Cook, Lawrence New of Gilliland; Douglas Kinnibrugh, Debra Patterson, Kathy Roberson, all of Vera. Douglas did an excellent job in view of the fact his horse was young and inexperienced. He has done a good job in training up to this time and if he keeps on improving, he will offer some real competition on down the road.

The second training meeting for 4-H Adult Leaders will be held Friday night, August 17, at Rhineland. We have an excellent film "Man Enough for the Job" to be shown.

A question asked by many people every day is, "What kind of fish shall I put in my pond?" Stock your pond with whatever kind or kinds you like to catch. If you are a catfisherman only, then there is no reason to stock other species; the same goes for bass or sunfish. If you want all kinds, then bass, channel catfish, and redear sunfish are compatible.

Evidence indicates that it is not necessary to stock a forage fish along with largemouth bass. Many sources still recommend stocking a sunfish such as the bluegill along with bass. These cover large sections of the country including states north of Texas where the growing and spawning seasons are shorter and more favorable for bass-bluegill combinations.

A female bluegill can spawn as many as four times during a single season in Texas. The result is thousands of small bluegills that never reach edible size.

Another factor contributing to

Benjamin News

MRS. BERT MARSHALL

Mrs. Ozell Kilgore and son Gaylon Kilgore attended the Jones reunion in Fort Worth and Richardson reunion in Jacksboro Saturday.

Guests of Mrs. Lizzie Kyle last week were her nephew and family Mr. and Mrs. Clyde Medaris from Dallas.

Mr. and Mrs. Brenson Baker of Lincoln, Neb., met with her sister and they met with his parents Mr. and Mrs. Frank Baker from El Cajon, Calif., and they were all week end guests in the home of Mr. and Mrs. Jack Idol.

Guests in the home of Mr. George Jackson are her sister, Mrs. Isabell Smith from Amarillo and her sister-in-law Mrs. Mary Saughty from Crosbyton. Judge and Mrs. L. A. Parker visited their son Luther in Waco last week.

Mrs. D. V. Gilbert and Mrs. Fred Brown were visitors in Knox City Monday.

Mrs. Jim Cash and children, Freddie, Kerry and Trena Ray of Truscott attended the horse show here Saturday.

Mrs. Bonnie Terry and Vicki and Mrs. Bert Marshall were visitors in Haskell and Stamford Saturday.

Mr. and Mrs. Jackie Idol of Abilene spent the week end with his parents, Mr. and Mrs. Jack Idol and attended services at the Church of Christ here Sunday.

Mr. and Mrs. Dutch Young spent Sunday with Mr. and Mrs. R. L. Spurlock in Dumas and also visited Kala Spurlock in the Dumas Memorial Hospital. The little girl had the misfortune of breaking her leg in a fall.

Mr. and Mrs. Joe Gillentine and family of California visited in the home of his mother, Mrs. Cora Gillentine and other relatives and friends here last week.

Mrs. Annie Mae Redwine accompanied her daughter-in-law Mrs. James Redwine and children to Lovington, N. M., over the week end. Mr. and Mrs. James Redwine and children will make their home there.

Guest in the home of Mr. and Mrs. Weldon Gideon last week was their niece Judy Wynn of Midland.

Miss Julia Propps visited relatives and friends in Albuquerque, N. M., over the week end and accompanied her mother home. They were accompanied home by Susan Propps who will spend several days with her grandparents and Aunt.

the bluegill dilemma is that bluegills are not the "ice cream" in any fish's diet. Bass prefer feeding on their own kind and other species rather than on bluegills. Channel catfish are scavengers and eat few bluegills.

If sunfish are desired, the most suitable species is the redear since it spawns only once a year and thereby lengthens the time before overcrowding occurs.

Crappie or white perch should not be stocked in ponds having less than five to 10 surface acres because, like bluegills, they will overpopulate a small pond in one or two years.

A pond should be always stocked with fingerlings that are approximately the same size, such as those obtained from state and federal hatcheries. Never go to a nearby stream or pond and seine fish for stocking.

Fingerlings for stocking private ponds can be obtained free of charge from either state or federal hatcheries.

It is important for pondowners to fill the application card correctly and not to "hedge" on the size of the pond in an effort to get more fish. It is just as bad to stock a pond with too many of the right kind as it is to stock it with undesirable kinds. Just as range land has a certain capacity for a specific number of animals, a pond can only support a specific number of pounds of desirable fish.

State of Texas, County of Knox, ss: Sworn to and subscribed before me this 14 day of July 1964, and I hereby certify that I am not an officer or director of this bank.

Mr. and Mrs. Buck Propps of Knox City were in Benjamin Friday, where Mrs. Propps caught a bus for California to visit relatives and friends.

Mrs. Minnie Lee Britton of St. Petersburg, Fla., visited with friends here one day last week. She is a former resident of Benjamin.

Mr. and Mrs. Roy Tomlinson and son were visiting in Houston last week.

Mable Moorhouse of Belen, N. M., and Mrs. Glenn Dunkle of Dallas are guests in the home of Mrs. Lil Moorhouse, and other relatives and friends this week.

Mr. and Mrs. W. M. Hertel, Larry and Timmy left Tuesday of this week for their vacation in Corpus Christi.

Mrs. Sue Bumpas, Brett and Bryan visited Mr. and Mrs. Billy Bumpas in Munday Saturday.

Mr. and Mrs. Ervin Fulton were in Kerrville and Burnett over the week end. Mary Tom and Corky, who had been visiting relatives in Burnett returned home with them.

Mr. and Mrs. Pete Barnett were in Munday Monday on business and Pete was advised by the Doctor to enter the Knox County Hospital Tuesday for further treatment of his leg that was injured recently when a trailer fell on it.

Jimmy Norris of Tulia and Mrs. Parks Norris of Andrews and Mr. and Mrs. Benny Hagar of Andrews visited in the home of Mr. and Mrs. Homer T. Melton and Jimmy over the week end.

Mrs. Paul Sams of Petersburg visited Mrs. Fannie Sams, and other relatives and friends one day this week.

Mr. and Mrs. Aaron White of Wichita Falls visited Mr. and Mrs. Rex Dillard and family recently.

Week end guests of Mrs. Rufus Benson and Carl were Mr. and Mrs. Jerry Benson and children from Seymour; Mr. and Mrs. Don Jennings and daughters Donna Sue, Carla and Sandy from Wichita Falls; Mr. and Mrs. Billie Benson and children and Mr. and Mrs. Vernon Benson. Donna Sue, Carla and Sandy Jennings remained here for a longer visit with relatives.

Guests of Mr. and Mrs. Lee Snailum are their son and daughter-in-law Mr. and Mrs. Charles Snailum from Benzazi, Libya, North Africa. He is with the Loffland Oil Co. there.

VISITS IN BARNETT HOME

Visiting in the Allen Barnett home recently were their son Truman Barnett and Miss Phyllis Blakemere of Balmorhea, and their daughter Zola Mae Smith and granddaughter Linda Smith of Erwin.

EGENBACHER TEXACO SERVICE
SLIM EGENBACHER O'BRIEN

AUSTIN — New preliminary steps, inching Texas toward the inevitable realignment of congressional and legislative districts, were taken last week.

Atty. Gen. Waggoner Carr asked that the federal district court at Houston allow time for the Legislature to redraw the districts in its session next year—as the court had done earlier with congressional apportionment.

In view of U. S. Supreme Court decisions that both houses of the state legislature must be selected on the basis of population alone, Carr concluded that there is little doubt that Texas districts would be declared unconstitutional.

Meanwhile, in Fort Worth and Dallas, a committee of the Texas Legislative Council held its first public hearing seeking advice on how congressional districts should be redrawn.

A parade of witnesses was heard before the committee recessed briefly. It will move to Houston for its third hearing on July 17. A fourth hearing will be held in San Antonio. Committee spokesmen have indicated they may go to West Texas, then perhaps return to South Texas for further testimony.

A session of the full Legislative Council, research arm of the Legislature, is scheduled for July 27 in Austin. At that time the Council is expected to decide whether to broaden its own study to include the explosive, close-to-home problems of re-carving the state's House and Senate districts.

ARCHIVES MURAL UNDERWAY — Work has begun on a \$30,000 mural in the new Texas Archives and Library Building. It will portray state history from the days of the Spanish explorers to the present.

American painter Peter Hurd and English Artist Peter Rogers, who is Hurd's son-in-law, will work together on the 45 by 13 foot mural. Texans will recognize among the figures Stephen F. Austin, the Father of Texas, Sam Houston, general, governor, senator, and president of the Republic of Texas, Anson Jones, last president of the Republic and Jim Bowie, Davy Crockett and William B. Travis, heroes of the Alamo.

Work is scheduled to be finished by September.

SCHOOL FUND ALLOTMENT APPROVED — State Board of Education raised the per student apportionment of state available school fund money to local districts from \$78.50 to \$81.50.

This \$3 per capita hike represents an overall \$7,600,000 raise in available fund aid to the districts for 1964-65, based on a current estimate of more than 2,500,000 students.

Comptroller Robert S. Calvert estimated the fund for the coming school year at \$218,300,000. Board allocated \$10,500,000 to finance the cost of purchasing and handling text books. This left \$207,700,000 to be distributed on a per capita basis.

This increase means no increase in overall state aid. Allocations to all but the few prosperous "budget balance" districts for salaries and operations will be decreased by an amount equivalent to the available fund boost.

Dr. L. S. Richardson, Brazosport Public Schools superintendent, was appointed to the 1964 state textbook committee to study books offered for school adoption.

Board also agreed to name a study committee to look into a proposal for a \$1,400,000 junior college at Pampa.

A policy change directed that more time in driver education courses be spent on behind-the-wheel instruction and less on general safety lectures.

ARMY EXAMS — The number of 18-year-olds who will be given Army mental-physical exams by Texas draft boards during August will be increased to 2,762 (from 1,816 in July).

Tests are in line with the President's call for examination of all newly registered men out of school and available for service. They will not be considered for immediate armed forces service. But those failing the examination will be referred to the Texas Employment Commission for advice and counsel on jobs or job training.

Only about 225 in the draft age bracket (most of them 22 or above) will be examined each month—and only 191 are scheduled for induction during August.

This is the lowest induction call for Texas since April, 1961, when the quota was 65.

INVALIDATION UPHELD — Third Court of Civil Appeals agreed with an Austin district court that a requirement in the new small loan act that Texans own more than 50 per cent of the stock in new Texas lending companies is unconstitutional.

Loan Commissioner Frank Miskell had denied applications for loan branch offices in Houston, Waco, Texarkana, El Paso, Dallas, Fort Worth, San Antonio, and Arlington on the stock ownership provision.

Ruling does not apply to other sections of the 1963 law.

PARKS AND WILDLIFE DEPARTMENT — Weldon Watson, director of the State Department of Parks and Wildlife, reports that a lot of people want state parks built near the many reservoirs under construction around the state. He feels, however, that nothing should be added until old parks are rehabilitated.

Watson made this statement when he filed a request for a \$25,700,000 budget for 1966-67. This is an increase over the current biennial budget of \$11 million. Included are \$7 million more for parks and \$4 million more for wildlife projects.

He pointed out that most of the facilities in existing parks were built by C.C.C. workers some 30 years ago, and they're in bad repair. He said there's hardly a beam in the cabins at popular Bastrop State Park that hasn't rotted out.

Watson described a poor pay structure as the Parks and Wildlife department's chief ailment. He said the starting salary for game warden trainees of about \$330 a month is so low that it is impossible to recruit men the state will be proud of.

He wants a complete revision of the Parks and Wildlife's pay classification formula, so trainees as well as regional department heads will be paid in line with Department of Public Safety salaries.

APPOINTMENT ANNOUNCED — Gov. John Connally named Terry L. Jacks of San Marcos as district judge of the 22nd Judicial district, effective August 1. He replaces veteran Judge J. R. Fuchs who resigned.

Jacks has been Hays County Attorney since 1955. The 22nd District covers Comal, Hays, Caldwell, Fayette and Austin counties. Jacks was nominated for the court in primary elections this year when Fuchs did not seek another term.

PORT ARANSAS BANK APPROVED — State Banking Board approved a charter application for Island State Bank at Port Aransas.

A requested charter for the State Bank of Hurst, in Tarrant County, was refused. Action was deferred on the proposed Yorktown Community Bank and the Cullen Center Bank of Houston.

COLLEGE STUDY UNVEILED — Long-secret and long-awaited recommendations by the governor's committee for making Texas colleges and universities No. 1 in the nation have just been unveiled.

College officials and the press were briefed on highlights of the report by the Governor's Committee on Education Beyond the High School. It followed a year of intensive research.

Report now has gone on the printers and will be presented to Governor Connally and the Legislature by August 31.

YOUTH CONFERENCE HELD — Some 1,800 teenagers from 230 counties convened here for the attorney general's second Youth Conference. All are outstanding teenagers who were sponsored by a civic, church or school group.

Purpose of the conference is to promote a free exchange of ideas, and then inspire the youngsters to go home and offer help to curb potential teenage troublemakers.

Attorney General Carr, conference sponsor, delivered the keynote address. He brought up-to-date on two pressing problems — school dropouts and juvenile delinquency — and said that adult leaders need help from the new generation.

Other speakers included Bernard M. Suttler, Federal Bureau of Investigation; Dr. Paul M. Stevens, director of the Southern Baptist Radio and Television Commission; Department of Public Safety Director Homer Garrison Jr.; House Speaker Byron Tunnell; and Fort Worth Judge Wright Armstrong Jr.

OILFIELD WASTE ORDER READED — As of August the Texas Railroad Commission and the State Board of Insurance will put into effect a 1963 law which requires oil and gas operators to file bonds with the Railroad Commission. Requirement is to assure that abandoned wells are properly plugged in accordance with all commission rules.

Law requires a \$5,000 bond for a single well. But it allows operators to post a \$10,000 blanket bond covering all wells they operate.

Enforcement of the act is part of the state's drive to prevent pollution of water supplies by oilfield salt water.

HERE FROM ODESSA

Mr. and Mrs. Denny Reynolds of Odessa spent the holidays with his parents, Mr. and Mrs. L. D. Reynolds. They all visited his sister, Mrs. Tom Hallmark of DeLeon. His sister and family, Mr. and Mrs. Tommy Brightwell, Larry and Leslie of Amarillo were also visitors.

How to save money like clockwork.

[Even if you're short on willpower] Hanging on to some of your earnings can be as easy as winding your watch. Just tell your employer you want to join the Payroll Savings Plan. Then sit back and forget about it.

Every payday, he'll set aside a few dollars from your paycheck (you say how many), and put them towards the purchase of a U. S. Savings Bond. Pretty soon you'll have some big dough stashed away. No strain. It's all automatic — and dependable as Big Ben.

Millions of your fellow Americans save billions of dollars this way, so you know it works. What's more, you help your country as you get richer, which should give you a nice red, white, and blue feeling.

Take a minute and talk to your employer this payday. See if it isn't time well spent.

Keep freedom in your future with U.S. SAVINGS BONDS

"LET'S GO!" . . . see centuries of change in General Telephone Country

Palo Duro Canyon State Park

Etched deeply in the high plains of the Panhandle, just south of Amarillo, lies a spectacular gorge, widely renowned for its scenic beauty. This is Palo Duro Canyon, a great 15,000 acre state park of Texas. You enter it on a road which winds for miles along the bottom of the vast gorge. You see many remarkable formations such as the "Lighthouse" and "Balanced Rock" which have been formed by centuries of erosion which created the Canyon. As you drive slowly along the Canyon's beauty is enhanced by constant changes in delicate coloring. Coronado explored the Canyon in 1541, and in 1876 Col. Goodnight drove the first wagon train down a huge rock slide into its great gulf. Palo Duro Canyon is easily reached on major highways through many of our towns, and is a high spot in places to go and things to see in General Telephone Country.

HERE FROM LUBBOCK

Gary and David Day of Lubbock are here visiting their grandparents, Mr. and Mrs. Jewel Day.

IT'S THE LAW IN TEXAS

The Piracy Principle

The colorful pirate of old captured your imagination but not that of the shipowners or the governments that lost their cargoes and treasures.

Pirates were "enemies of mankind." Their acts became crimes against that government as well as against the "law of nations." A government would try to catch and to punish them no matter how and where the piracy took place.

From these early days, a rule of international law called "the piracy principle" came into being, as to crimes against mankind. Any nation might seize and punish such a person. He did not need to be one of its citizens. The crimes could be committed inside or outside its territory. Jurisdiction is worldwide.

Nations often punish their own people for crimes beyond their borders. Nations can punish aliens for crimes within their borders. They can punish aliens for crimes committed against that country when they later come into that country. A nation can also punish an alien for piracy under the international law.

What about war crimes done on orders of superiors? The World War II allies have declared that certain Nazi leaders committed punishable crimes against nations.

Now and then some nations may allow a court to try a person "in absentia." Such trials without the accused present were once popular, but little comes from such trials, and they are not as highly regarded as trials in which a person has a fair chance to defend himself.

(This newsfeature, prepared by the State Bar of Texas, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.)

VETERANS

QUESTIONS AND ANSWERS

Q—When will educational and training benefits expire for veterans of the Korean Conflict?

A—The educational program for Korean veterans will expire on January 31, 1965. The educational program for World War II veterans has already expired.

Q—My husband's World War I insurance is more of a burden on our very limited finances. Will this ever be paid up?

A—Some types of insurance contracts are paid up after 20 or 30 years. If you cannot tell from reading the policy, you may write to the office to which you pay the premiums.

Q—In the case of a serviceman's death while he is on active duty, what are the limits of the Death Gratuity and who receives it?

A—The benefit is a sum equal to six months pay of the deceased. However, it shall not be less than \$800, nor more than \$3,000. It is paid to the surviving spouse, child, or children unless the serviceman has designated his parents, brothers or sisters.

Q—I receive a widow's pension. I was not working when I began receiving the pension, but I have now secured employment. Is it necessary to report this to VA, or may I wait until I receive an income questionnaire at the end of the year?

A—You should inform the VA at once so that your continued entitlement may be checked. This could prevent the creation of an overpayment, which would later have to be repaid to the VA.

Q—When I move next month, how should I tell the VA so that I will get my pension check at the new address? Should I notify the Treasury in Chicago?

A—No, do not advise the Treasury. Notify the VA Regional Office where your records are located and they will advise the Treasury. Give your claim

LEADS PARADE

Danny Fisher, a sophomore at Hardin-Simmons University, led the Stamford Rodeo Parade as Drum Major of the world famous Cowboy Band. He will be drum major for the band this coming year. They will make several tours this next year.

number along with your old and new address. Also, be sure to tell your Post Office of the change.

Q—I have a rather large dividend on deposit with the Insurance Service. May I withdraw only part of the total amount?

A—Yes. You may withdraw all or any part of the accumulated dividends.

Q—I was recently hospitalized in a VA Hospital for 30 days for treatment of a service-connected disability. After 18 days, I was released for seven days leave, then returned for five more days. Am I entitled to temporary 100 per cent rating for my service-connected disability during the period of hospitalization?

A—No. To meet requirements for temporary 100 per cent rating, you must have received continuous treatment for a period of 21 days. Passes as interrupting the continuity of treatment.

Q—For the purpose of qualifying for \$1,600 toward the purchase of an automobile or other authorized conveyance, does the term "World War II" include any period of continuous service performed by the veteran after Dec. 31, 1946, and before July 26, 1947, if that period began before January 1, 1947?

A—Yes. Q—I recently retired from Civil Service employment and am filing claim for non-service connected pension from the VA. Will my retirement pay be considered income for pension purposes?

A—Retirement benefits based on a claimant's own employment are not considered income until the amount of the claimant's personal contribution has been received. After he has received an amount equal to his personal contribution all payments will be considered income.

IN LUBBOCK

Mrs. Bertha Perry and Mrs. Joe Averitt were in Lubbock Tuesday and Wednesday to visit Mrs. Ed Hicks who received surgery in a hospital there.

HERE FROM FORT WORTH

Mrs. R. E. Carr and Ann of Fort Worth visited Mr. and Mrs. Eddie Carr and Candy this week.

IN TENNESSEE

George Montandon has returned from a visit in Nashville, Tenn., with his daughter, Mrs. Edwin Gleanes and family. They all attended Edwin's graduation from Emory University in Atlanta, Ga., where he received his Doctor of Philosophy degree. While there, George enjoyed the company of his three year old granddaughter Susan, and his new born grandson, David. His other daughter, Patricia of El Paso, also visited the Gleanes family.

VISITING RELATIVES

Mr. and Mrs. Doyle Graham and Paul Ware are spending two weeks visiting relatives in Oklahoma, Missouri and Idaho.

You can do almost anything automatically these days — even save money

If you want to wash clothes or dishes, nowadays, you just put them in a machine . . . set it . . . and forget it.

If you want to save money you just join the Payroll Savings Plan. It's just as automatic. And there's no machine to buy.

To start, ask your employer to set aside a small amount from your check each payday and put it towards the purchase of a U. S. Savings Bond. Then forget it.

As paydays roll by, your savings build up. No effort. Since you don't even see the money you're saving, you hardly miss it. No pain.

Millions of Americans save money this way so you know it works. As well as providing for their own future, their Bond dollars help safeguard America by giving Uncle Sam financial strength to stand up to the enemies of freedom.

You like the things money buys. Why not use this automatic way to get them? Join Payroll Savings—or sign up for a Bond a month at your bank. Soon.

Keep freedom in your future with U. S. SAVINGS BONDS

The U.S. Government does not pay for this advertising. The Treasury Department thanks The Advertising Council and this publication for their patriotic support.

Miss Donna Maria Verhalen, daughter of Mr. and Mrs. Mat Verhalen, became the bride of Dwight Clement Albus, son of Mr. and Mrs. C. J. Albus, Saturday, July 4, at St. Joseph's Catholic Church in Rhineland at 5 p.m.

Farmers Can Substitute Wheat And Feed Grain

To insure the greatest amount of flexibility in farm operations, substitution between wheat and feed grains are authorized under the 1965 programs. According to O. E. Moore, Chairman of the Knox County Agricultural Stabilization and Conservation Committee, this is a reminder for wheat growers who also grow grain.

The law provides for such substitution in the '65 wheat program, but it could not be put into effect for the '64 crop, because of the short time involved after the new law was passed by Congress.

Chairman Moore said that the substitution applies on farms only if the farm has a feed grain base, or oat-rye base, and a wheat allotment. The substitution provisions can be used by farmers who take part in both programs and make at least the minimum diversion for both wheat and feed grains.

As with this year's program, marketing certificates will be issued to wheat farmers taking part, but the number of certificates allotted to a farm will not be increased because of wheat substitution. Certificates will be provided for the smaller of (1) the normal production of the wheat acreage allotment, multiplied by the domestic and export allocation percentages and (2) the wheat acreage planted for harvest multiplied by the normal yield.

The total wheat production of farmers who carry out wheat program provisions will be eligible for price support loans, even though the wheat acreage is in excess of the allotment because of the substitution provisions.

The County ASC Chairman indicated that more details will be available at the time the wheat program sign up takes place later in the summer.

Lightning Does Strike The Same Place Twice

Are you under the impression that lightning never strikes the same place twice?

If so, you are sadly mistaken, and that mistake could cost you your life. Statistics show that lightning can and does strike the same place more than one time.

As a case in point, the Empire State Building is struck many times each year. One summer it was struck 15 times in 15 minutes.

A single bolt from one of the estimated one million annual thunderstorms is sufficient to cause injury, death or property damage.

The greatest number of injuries and deaths occur to persons who are in rural or open areas. Campers, golfers and swimmers are most vulnerable. In an open area, lightning will usually strike the highest object.

Many people will run under a tree when caught in a storm, exposing themselves to great danger, as lightning often strikes lone trees.

The bolt travels down the moist interior of the tree, building up extreme heat and pressure which causes the tree to explode. Also, as the electrical charge travels down the tree small streamers may depart from the main bolt, jumping

to nearby persons or objects. Many golfers and others have been killed or injured in just this manner.

However, a person standing in a large open area where there are no tall objects are equally vulnerable to a lightning strike.

Passengers in boats and swimmers are particularly good targets for lightning. Water is a good conductor of electricity spreading the current in all directions until the power is depleted. Consequently, many fish are killed and persons are either killed or injured.

Are you safe in an automobile during a thunderstorm. Yes, if the auto is all steel. The steel shell of a car will lead the electrical charge down to the wheels, and from there the charge will jump to the ground. But a convertible does not afford protection.

If a thunderstorm develops while you are out in the open, head for a building and stay inside until the storm is over. If you are boating, or swimming, leave the water and get into a building. If there is no building available, head for a grove of trees, but avoid a lone tree. In an open area, lie down until the storm passes.

Streams In Desert Places

Ozelle Stephens

Our thinking is still turned to the promises in the WORD for the satisfying of our thirst which brings happiness and contentment to the heart. Jesus said, "But whosoever drinketh of the water that I shall give him shall never thirst; but the water that I shall give him shall be in him a well of water springing up into everlasting life."

"In the last day, that great day of the feast, Jesus stood, and cried, saying If any man thirst, let him come unto me and drink."

"He that believeth on me as the scriptures hath said out of his belly shall flow rivers of living water."

Jesus was speaking of the spirit which they that believed on him should receive: For the Holy Ghost was not yet given . . . (John 7:37-39).

Letter To Editor:

Dear Editor:
I believe it is about time for my Herald to expire and we don't want that to happen again. Although we have been gone for many years we are still very interested in the old home town.
Some of the best people in the world are in Knox City as was proven to us again recently when we were there for our brothers funeral.
Thank you,
Mrs. V. P. Stephens.
(Mrs. Stephens now resides in Petersburg, Texas, Box 313.)

Letter To Editor:

Word was received here July 1, 1964, of the death of Mrs. Billie Nell Pirtle Lott in Arlington, Virginia.
Mrs. Lott was the daughter of the late Rev. and Mrs. Zoro B. Pirtle, long time Methodist minister, and pastor of the Knox City Methodist Church at the time Mrs. Lott was born on July 9, 1908.
For many years Mrs. Lott's husband, Vestal, a native of Clarendon, Texas, has served as staff editor for the Voice of America and with her husband, Mrs. Lott had traveled extensively all over the world.
She is survived by her husband, one daughter of Birmingham, Alabama, one son of New York City, and two grandchildren. Also two brothers survive, R. C. Pirtle of Throckmorton,

**Beware Of Blisters—
Can Spoil Weekend
Says Medical Ass'n.**

A common, old-fashioned blister can spoil a summer weekend or a vacation trip, the American Medical Association said this week.
If you enjoy a lot of golf, tennis or hiking during your vacation weeks, a blistered foot or finger can be a minor calamity.
The blister merits closer attention than we usually grant it, says the National Federation of State High School Athletic Associations and the Committee on Medical Aspects of Sports of the American Medical Association. The admonitions that apply to organized athletics also are sound tips for the millions of weekend and vacation athletes.
The blister is caused by pressure and friction on a localized area of the skin. Fluid collects between the inner and outer layers of skin. If pressure is continued, it hurts. Even if no friction follows, the pain can cause a limp that isn't much fun for the golfer or hiker, and it can upset the customary grip on a tennis racket or golf club or oar or canoe paddle.
The best approach to blisters is prevention. Proper fit of shoes is fundamental. There should be room beyond the big

**Callahan County To
Sponsor All-Colored
Rodeo July 24-25**

The Callahan County Sheriff's Posse will sponsor an All-Colored Rodeo Friday and Saturday nights, July 24 and 25 at Baird, Texas.
This is an All-Colored contest toe, room across the top, fitting of the ball of the foot into the widest part of the shoe and no slipping at the heel.
Wearing two pairs of socks, a lightweight pair under sweat socks, is recommended for athletics. Hands can be protected by taping or by special sports gloves.
Decision on whether or not to puncture a blister is based on location, size and inflammation. If there are signs of inflammation or irritation, medical attention is indicated.
Sometimes it is advisable to puncture a blister before it breaks from friction. Wash the area with soap and water and sterilize with alcohol. The puncture is made with a sharp needle held in a forceps (small pliers) and sterilized in a flame. The puncture is made at the side of the blister and the outer skin layer is left in place as a protective cover.
Attention to cleanliness in dealing with blisters cannot be overstressed. Infected blisters require prompt medical attention, as do the occasional blisters from severe sunburn or other burn causes.

approved by the Negro Cowboys Association headquartered at Houston. In the past, Colored Rodeos have proved to be a real favorite at Baird.
This years Colored Rodeo will feature some of the nation's top ranked cowboys competing in the five major Rodeo events,—bareback bronc riding, saddle bronc riding, calf roping, steer wrestling, and Brahman bull riding. Also featured will be an old favorite of area fans, Alex Alexander of Houston, Gene Autry's Colored comedy clown and bullfighter.
Starting time is 8 p.m. nightly at the newly rebuilt Sheriff's Arena on Highway 80 East of Baird with plenty of free parking.

**IT'S THE LAW
IN TEXAS**

LEGAL RESPONSIBILITY
Suppose that you have hired Freddy to cut your grass, and he runs your new mower into your neighbor's hedge, thereby ruining the hedge. Are you responsible for the damages?
Quite likely you are.
Or let us suppose that you find you need some supplies for the evening meal. You ask Tom your neighbor's son, to take your car and go to the store for them—On the way, Tom hits a pedestrian, seriously injuring him.

Can you be held responsible? It is possible that you can.
In both instances, the boys were acting for you. These acts while performing those duties are, in the eyes of the law, your acts. You may be liable despite the fact that you may have cautioned Tom to drive carefully and he did not.
The average individual expects to answer for his own actions. He does not usually consider that he may be responsible for the actions of other persons. That, however, is frequently the case.
You may ask another person to do something for you, that is, to act as your agent. You may pay him, or he may be doing it without compensation. You may ask him to buy or sell property for you. The action may be to negotiate an agreement for you with a third person.
If representations are made by your agent in performing the task which you assigned to him, you are responsible. In a like manner, you are responsible for the contract made by him while he was acting for you.
You may be held responsible for the acts of a person who customarily represents you even though he entered into a contract for you without your consent or approval. For example, you may have a partner in a business, and you and he have agreed that certain contracts be made only upon the signature of both of you.
Unknown to you and without your consent, your partner signs such a contract with a third person involving partnership business.
If the person with whom this contract is made has no knowledge of the terms of your partnership agreement, you are responsible for the contract which your partner has made.
As the actions of your agent are considered to be your actions, you assume the responsibility of doing them correctly.
