Hospital Notes

Recently I had the opportunity to be a visitor at the Knox County Hospital and was able to see first hand the very remarkable changes that our hospital has undergone.

A hospital is not a place that one thinks about very often, usually thoughts of the place only occur when some sort of direct contact is made, either as a patient or as a visitor. In recent years I have been both a patient and a visitor on several different occasions so I have had the opportunity to observe the hospital before, during and after the recently completed changes. I have been very remarkably impressed and have a feeling that you too will have similar thoughts whenever you have the chance to see our "new" hospital for yourself.

The changes are evident just as soon as you walk in the door, the hallways are bright and cheerful now; a complete change from the way things used to look. It is amazing what a little paint and a lot of caring will do! The hallways seem to reflect lights with a sparkle and the wall to wall carpeting is both clean and pleasant in appearance. The rooms have taken on a newer and fresher look with the badly needed repainting doing so much to improve the outlook of all those who become occupants while they recover from illness or in-

Another wonderful addition to each room is a wall mouncolor television, positioned at a level that enables bed patients to easily view their favorite programs while having control of the set with a remote control handset right in the bed. The televisions were another of the many projects provided by the ladies hospital 'Up & Down' auxiliary. The overall purchase of the sets was possible by establishing a pay by the day basis; patients themselves are responsible for a small daily fee if they wish to use the set during their hospital stay.

Everywhere you look, new equipment and furnishings contribute so much to patient comfort and staff efficiency. Relatives and visitors can feel comfortable in a newly refurnished waiting room and main entrance area. New seating arrangements and room design make the area a pleasant location to spend sometimes anxious moments while waiting on patients. New lights in the surgery unit, new heart monitoring equipment and a computer in means all of the new equipment added for the care and speedy recovery of patients.

mentioned only the improved above 1982's \$10,927.56. physical surroundings and the modern equipment added. The changes in our community hospital certainly do not stop there! A very noticeable change in the hospital staff itself is evident. I am not saying that there is an entirely new staff, the truth is that most of the same staff are still working at the hospital. The "change" in the staff seems to stem from a completly new and fresh and Stamford \$6,416.30. outlook that everyone appears to have! Most of us have heard the old expressions like "going all out" and "bending over backwards." Well, those are not just expressions at the Knox County Hospital, the phrases accurately describe the way that the staff looks after and cares for both patients and visitors alike. I am sure that the reason for the positive attitude at the hospital is two-

Sales Tax **Rebates Are**

State Comptroller Bob Bullock Monday returned \$34.9 million in local sales tax payments to 974 cities who levy the one-percent city

"Statewide, these payments are running 4.5 percent behind last year," Bullock said. "This decline in both local and state receipts from the sales tax was part of the reason I have lowered my estimate of available state revenues.

Knox City's net payment for this period totalled \$4,063.66 as compared to last year's \$6,031.28. Payments to date in 1983 have been \$17,893.51, a decrease of 7.82% from 1982's \$19,410.86.

Munday's net payment for the lab are more, but by no this period was \$1,681.27 as compared to last year's \$2,124.21. Payments to date for the year have been So far in this article, I have \$12,067.89, a 10.44% increase

Benjamin and Goree did have any amount given for this period. However, to date Benjamin has received \$697.66, a decrease of 2.93% from last year's \$718.72. Goree received \$675.39 for the year, a 38.07% decrease from 1982's \$1,090.57.

Net payments for this period in area towns included Haskell \$5,861.92, Rule \$569.72, Seymour \$4,153.58,

No amounts were listed for this period for O'Brien, Rochester or Weinert, but payments to date for 1983 O'Brien \$327.68, Rochester \$3,242.93, and Weinert \$386.02.

The city sales taxes are collected along with the state sales tax by merchants and rebated monthly to the cities in which they are collected by the Comptroller.

The March checks were for taxes collected on sales made in January and reported to the Comptroller by the end of

Six KC Students **Named To First Team**

Six Knox City students were named to first team all district basketball honors in selections released this week Two were named to second team honors while two were also selected to the honorable mention squad.

Three Knox City Houndettes. Sharon Roberson, Delores Stafford and Toni Hewitt, were named to the first team girls' roster while Wayne Hutchinson, Rodney Dever and Dwayne Watkins were named to the first team boys' lineup. Five players are normally selected for each of the squads; however, a threeway tie caused a six player first team selection in the

Auxiliary To Meet Monday, March 21

Members of the Knox County Hospital Auxiliary will discuss several items of business at their monthly, Monday, March 21, meeting set at 6:30 p.m. in the downtown Thrift Shop.

Among the items discussed will be the possible purchase of a heart fetal monitor. Hospital administrator Randy Abernathy said Nancy Olson with Advanced Medical Products of San Antonio will be on hand to discus the monitor which, according to reports, is something the hospital has "needed for years".

Members are urged to attend the meeting as a discussion for a Thrift Shop clean-up is planned for March 28. Officials commented that the Thrift Shop needs to clean out winter merchandise and prepare to display spring and summer items.

were named to the girls' honorable mention.

Voting Underway

Absentee voting began Monday of this week and will continue through Tuesday, March 29.

Voters are reminded that election day, Saturday, April 2, is the day before Easter Sunday and those who play to be away from home for the Easter holidays should make their plans now to vote absentee, before the deadline.

The city and school absentee ballots may be cast at City Hall weekdays from 8:00 a.m. to 5:00 p.m. and those casting absentee ballots for the hospital election may do so at the County Clerk's office in the Knox County Courthouse at Benjamin during the same hours.

Contested races in the City of Knox City election include Craig Williams, Buddy Angle, and incumbent Charles Auburg for mayor, and for one year council seat. Elaine Lewis, John R. Peysen, and Shelton Boyd.

Four candidates for the two school trustee positions include incumbent J.B. Rutherford, Mary Ann Boone, Jimmy Tankersley, and Roland

David N. Perdue is unopposed for his seat on the hospital's board of directors.

According to minister Ray Wright, speakers will be from area congregations and the public is invited to attend and hear these men each evening at 7:30 o'clock.

Sunday speaker will be John Greeson of Rule whose subject will be "Heaven"; Howard Swinney of Stamford will speak Monday on 'Making Disciples'; Tuesday Larry Swan of Munday will bring a message on "The Glorified Child of God"; and concluding on Wednesday will be Owen Aiken of Rochester speaking on "Christ In You-The Hope of

Jaycee Tournament Reported A Success

The Knox City Jaycees reported a great success with the outcome of their recent volleyball tournament during February.

Winners during competition were the Rednecks from Rule in the women's division while Munday's team won the men's contest.

Approximately \$1000.00 was made during the tournament with proceeds going toward several community development projects that the chapter has planned.

The Jaycees expressed appreciation to Allsup's, Bob's Super Save, "M" System, Dairy Queen, Knox City **Schools and Whitey Gutierrez** for their help with the successful outcome

Absentee C of C Banquet Set Thursday, March 24

Plans have been finalized for the upcoming Chamber of Commerce banquet slated Thursday night, March 24, at 7:30 o'clock in the school cafeteria. Banquet speaker will be Dr. John C. Stevens, chancellor of Abilene Christian University.

In 1948, he joined the faculty of Abilene Christian as assistant professor of history. He became Dean of Men in 1950 and Dean of Students in 1952. In 1956, he was appointed assistant president and became president in September 1969, a position of service which he filled until becoming chancellor on August 27, 1981.

Benjamin Residents Clean-Up Town

Benjamin residents had a clean-up day Saturday, which involved many persons working most of the day.

According to reports, much was accomplished and the Sorosis Club expressed thanks to all who helped especially firemen and the city manager, who worked very hard to make the town look better.

Saturday, March residents will complete cleaning project that has been started and anyone wishing to participate will be appreciated, a spokesman said. Two additional projects planned to get underway soon will be the City Park and the Cemetery Road which is to be graveled.

fold; one reason has to be that

the improved working conditions have undoubtedly had a tremendous effect on each of the employees, and the second reason would have to be the new hospital administrator. Each change, whether it be big or small, has taken place under the guidance of Administrator Randy Abernathy. A close working relationship between staff and administration has developed since Randy assumed the duties of hospital administrator. The employees with which I spoke all seemed to hold him in high regard. From medical employees to housekeeping employees, and from office personnel to kitchen personnel, all seem to do everything they possibly can to better serve the public. I am sure that in any conversation with Randy Abernathy, one would be able to feel his pride in the 'new" Knox County Hospital. He and every person associated with the hospital have every right to feel that pride! There is one word that I can think of to accurately

A hospital has a value beyond measure to small towns such as Knox City and the surrounding area communities. Without its presence we would all be at a loss. Since it is a community hospital, we should all make an effort to support it and become familiar with its operation. Take the opportunity to visit and observe, the feeling of pride is sure to soak in. Then take the time to let Randy or any of the employees know how you feel. We all owe a big THANK YOU to each of them!

Let me tell you something that happened to me, when i were in the hospital. I were in room 129, but I were used to room 109. Now this is the fun part, I went for a walk around the hall and when I got to room 109 I stop and someone else was in the bed. I thought so they put someone in my bed while I went out, folks I got lost in Knox County hospital. When I come home I told Bea about it, she said oh no! but I never felt so love as I did while I were there, it so nice to be with friends really that is the way I feel about the whole thing.

Students Named To Tech Lists

(EDITOR'S NOTE: Many students list Lubbock as their official home address. Consequently, some honor students whose hometowns are elsewhere are listed with Lubbock students. This may help answer parents questions whose son or daughter is not on this list.)

LUBBOCK -- More than 2,100 students at Texas Tech University qualified for dean's honor rolls in six colleges during the 1982 fall semester.

To qualify for a dean's honor roll, a student must have a grade point average of 3.5 or more on a 4.0 scale and must have taken at least 12 semester hours of work.

Students making the dean's list included David Counts, and Jay Rutherford, both of Knox City; and Scott R. Cunningham of Goree.

"Did you know" that services to residents under medicaid, in Texas, embrace the total care concept. That is to say that care includes all diets, non-legen drugs, medical accessories, equipment and supplies necessary to meet the current health needs of the resident. No charges are permitted by the nursing home to the residents to their families, except for oxygen and pacenteral fluids if prescribed in writing by their physician.

"Did you know" that nursing home rates are set prospectively, by the Board of the Department of Human Resources in advance of the period for which they apply. Nursing homes file annual audits cost reports as the basis for setting the rates. These reports are subject to desk and field audits. Texas is a uniform flat rate state which means all nursing homes with the same level of care are reimbursed at the same rate

JIMMY DEAN SNUG STROGANOFF DIP

2 lbs. JIMMY DEAN Sausage 1/2 stick butter

1 clove garlic

4 Tbsp. flour 2 cups beef broth 2 onions chopped

(medium) 1 cup mushrooms sliced (canned or fresh)

2 tsp. soy sauce 2 Tbsp. Worcestershire 1 tsp. dry mustard

Salt, pepper, paprika Tabasco to taste 2 cups sour cream Party breads

Rub large skillet with garlic, heat and brown sausage. Crumble sausage with a fork. Sprinkle sausage with flour, add beef broth. Simmer until slightly thickened and set aside. Saute onions and mushrooms in butter until onions are tender. Add onions, mushrooms and seasonings to sausage mixture. Cook until mixture bubbles. Remove from heat and add sour cream. Keep hot in chafing dish. Serve with toasted party breads, especially whole wheat, rye or pumpernickel. (To double recipe, use only 3 onions. Freezes well before adding sour cream.) Makes approximately 11/2 quarts. If you have leftovers, pour over rice for an unusual treat.

KRISTI BOONE

On a chilly January afternoon in 1965, a girl was born in Paris. Texas, to Joe and Mary Ann Boone. They named their child Kristina Marie. She joined a sister Lisa, and two brothers Brett and Kelley already in the family

In 1966, the Boones moved to Knox City, and in 1968 they had another daughter, Leah. In Knox City, Kristi began her education and continued on there until her upcoming graduation in the spring of

Throughout junior high and high school, Kristi participated in the athletic and band programs. She has also enjoyed twirling and serving as head twirler both her junior and senior years.

She has also been involved in 4-H and was named Gold Star Girl as a junior. Through 4-H, Kristi was able to travel to Washington, D.C. which she considers quite an experience.

Other activities and honors for Kristi have been FHA. annual staff, Beta Club, UIL Football activities. Sweetheart, All-Star Cast and Best Actress-One Act Play

and Maingate. Kristi is grateful for having taken every class Tommy Sloan, her math teacher has offered and appreciates all that Mrs. Burnett's classes

have taught her. Writing poetry, twirling, riding horses, and reading J.D. Salinger books and 'Sally For-Doonesbury th", and "B.C." in the comic strips, are some of Kristi's

outside interests. Her plans for the future are to continue her education at the University of Houston majoring in interior design and minoring in theatre arts.

Houndettes **Round Out** Season

By Dale Wainscott

The Houndettes rounded up their basketball season at the regional tournament at Stephenville on March 25. Playing Crowell in the first round and fighting the whole way through to fall 48-52. It was a hard defeat because not two weeks before the Houndettes defeated Crowell 55-39. This finished a fine season of 19 wins and 9 losses.

The Houndettes had a goal this year of competing in the regional tournament in both basketball and volleyball. This goal was set because in the past two years it was regional for one sport or the other but never both. It was tougher this year also because they had to play two games out of district to get to regional both in volleyball and basketball. Last year, they only had to win one before regional competition.

Knox City should be proud of these girls, they have put KC on the map these past three years. Seniors on the squad were Karae Beason, FROM LUBBOCK Kristi Boone, Toni Hewitt, Diane Helms. Delores Stafford, and Sharon Roberson. These girls will be missed. All have been on the varsity for the past three years. Juniors on the team are Daveine Holcomb, Michelle Bateman, Louise Kemletz returned and Cindy Hernandez. Freshmen were Tammy Rogers, Kathy Hernandez, and Paula Chambers.

"There is no fear in Love; but perfect love casteth our fear: because fear hath torment. He that feareth is not made perfect in love. We love him because he first loved us. If a man say, I love God, and hateth his brother, he is a liar; for he that loveth not his brother whom he hath seen, how can he love God whom he hath not seen. And this commandment have we from him, that he who loveth God, love his brother also. (1 John

There is a problem when man begins to try to love God with all his heart, mind, soul and body. This problem deals with man's inability to know and experience God's love and to love Him in return. The main problem is in receiving God's love and to use it to love others including our enemies, the unlovely, and the unloveable.

God commands His love toward us. Jesus died for us: therefore, He commands us to love him and our fellowman. When we accept his love He reaches out to help us to use his love on others. The only way we have of knowing we truly love god, is when we know we love our neighbor as ourselves, even our enemies. "And he who loves God, loves his brother also." (1 Jo:21).

SERVICES OF THE **CHURCH OF GOD** IN CHRIST

The Lord blessed with a glorious revival at the Munday Church last week. Ass't. Overseer Leon Ward preached powerful, stirring messages each night.

On Monday night he preached from II Chron. 7:14, and Acts 12:5,15, "Prayer Will Change Things"

Tuesday night the message was from I Cor. 6:19,20, "I'm Bought With A Price", on Wednesday night from St. John 5:1,8, "Stick Around Until You Get What You Want", on Thursday night the message was from Ephesians 1:1,4 and portions of Acts 1 and 2, "God's First and Final Choice", and on Friday night Matthew 16:26, "Value"

Elder Perkins of DeKalb, Texas preached in Munday on Saturday night.

Missionary Patricia Ward and others were blessed to attend the joy night service held at the Bethel Church in Abilene on Saturday night. Sister Ward told about the blessings of the Lord in that service. Elder Kenan of Midland preached that night. Sister Ward said the message was from Acts 7:54,60, and Romans 8:38,39, "You Can't Stop Me Now I've Got Heaven in My View'

Sunday school had a good attendance here with Supt. Manuel in charge.

Minister Landers preached greatly during the morning service from Zech. 4:6, and Phil. 4:13.

Service was held in Aspermont on Sunday afternoon. Elder George Blue preached over there from II tim. 4:8,17 and other scriptures.

GTE Making Area Improvements

General Telephone is in the process of completing two major service improvement projects in the area which will bring about improved long-distance calling, according to W.C. Wells, the firm's Mid-Texas division manager.

The first project involves installing special computerized equipment to replace, expand and improve long-distance telephone service in Knox City and 16 other towns, according to Wells.

"This project includes adding 84 electronic 'ticketers' and replacing 100 electromechanical 'ticketers' that help transmit long-distance calls direct dialed by area customers," he said. The installation which involves more than 2,600 employee hours is taking place at the company's Seymour switching center, which processes long distance calls for some 25 surrounding communities.

The new additional equipment will mean that about 184 direct dialed, long-distance calls can be handled simultaneously at the center compared to about 150 handled previously which represents a 21 percent increase in calling volume capacity.

"Other benefits of the newly installed electronic gear will mean improved efficiency and less maintenance since it's made up of printed circuit boards that don't

require miles of wiring," Well explained. "It also is compact and doesn't take up a large amount of office space.

The new equipment can reroute calls to their destination quickly in the event a main long-distance route is busy, he said. Another function of the ticketers is to record necessary billing information for company purposes.

"After a customer dials a long-distance call, the equipment automatically records the number being called, and the time, date and length of the call," Wells said. "The billing information is then stored on magnetic tapes and processed to our billing department."

"During this installation period, customers may experience some minor longdistance calling problems such as being unable to complete a call, fast busy signal and occasional inability by the equipment to identify the calling party's number," Wells added. "If a customer encounters one of these problems we suggest that the customer re-dial or go to the operator for assistance," Wells said. "Upon completion of the project in mid-April, customers should notice virtually 'trouble-free' calling

service." The final service improvement project involves the replacement of more than

60 miles of underground telephone cable with new digital microwave equipment that is capable of handling more than 1,800 simultaneous long-distance calls.

"This project affects longdistance calling to all communities in the north-central Texas area," Wells stated. "This endeavor which involves more than 5,000 employee hours began in November, 1982, and is scheduled for completion in April, 1983.'

"The replacement of the underground cable with the microwave equipment will result in numerous benefits to all telephone customers including reduction of noise on the line and less service outages due to inclement weather and earth moving equipment," Wells said.

"In addition, a cable maintenance project in the area which began in November, 1982, will reduce moisture in the line, resulting in less static and less noise and cutoffs on long-distance calls," Wells commented. "This project is scheduled for completion in the next several weeks."

"When these service improvement projects are completed and the network balanced improvements in toll calling should be noticed by the calling public in the more than 25 communities served by the Seymour toll center," Wells concluded.

Antique Car Show & Sale March 19-20

Abilene. Texas - The Abilene Chapter of the Model "A" Ford Club of America, Inc. is sponsoring the 20th Annual Antique Car and Parts Show and Sale on March 19-20 at the Taylor County Expo Center.

This show and sale is one of the largest in the Southwest and there is no charge for admission.

The restoration, collection and trading of antique cars has been a fun-filled hobby for a long time, but in recent vears, it has proven to be an excellent investment. The value of these cars has increased many times and on today's market, a restored Model "A" Ford Roadster is valued at \$15,000.00 and the big antique classic cars such as Cadillacs, Lincolns and Packards may sell for \$50,000.00 to \$100,000.00.

The show and sale is family oriented and there will be items of interest for "mom, dad and all the kids." Food and refreshments will be available on the grounds and camper hook-ups are on site for those who want to stay overnight.

Persons interested in displaying or selling antique items may make arrangements by contacting Wendell Mathis, 915/673-0792 (9 A.M.-5 P.M.), P.O. Box 3093, Abilene, Texas 79604.

USDA To **Participate** In seminar

U.S. Department of Agriculture officials and representatives of the cotton industry will participate in a seminar March 21 in Lubbock, Texas, to discuss the increasing importance of high volume instrument classing of cotton.

The seminar, at 1:50 p.m. at the Lubbock Civic Center auditorium, will precede the second meeting of the national advisory committee on instrument standards, to be held at the same site at 8:30 a.m. March 22.

Jesse F. Moore, cotton of-USDA's ficial with Agricultural Marketing Service in Washington, D.C., said the seminar will be jointly sponsored by USDA and Textile Research Center of Texas Tech University. The

seminar is open to the public. Subjects to be addressed at the seminar include a report on current and future use of HVI equipment by USDA, producer and buyer reaction to HVI classing, use of HVI data in marketing of cotton, and use of HVI data by southeastern textile companies and the American Cotton Growers textile division.

Vern F. Highley, AMS administrator, will summarize the seminar procedings. He is working chairman of the cotton advisory committee on instrument standards.

The 14-member committee is comprised of representatives of cotton growers, merchants. ginners, cooperatives, textile manufacturers. the warehouse industry and the research community. Technical experts will report to the advisory committee on several technical areas on instrument standards for cotton classing

Hightower Appoints Wilson To Position

Washington, D.C.--Rep. Jack Hightower announced today that his longtime Washington legislative assistant for agriculture, Mr. Claiborn Crain, of Canyon, Texas, will be leaving to take new responsibilities as agriculture coordinator for the Texas Office of State-Relations in Washington under Director Weddington.

Hightower named Mr. Ross Wilson, also of Canyon, as Crain's replacement in the legislative assistant's position. The staff change will be effective April 1, 1983.

Mr. Wilson, 26, is a graduate of Texas Tech university in Lubbock and attended West Texas State University in Canyon. He has a Bachelor of Science degree in Agricultural Economics

Trico Industries Inc. **Completes Purchase**

Gardena, California--Trico Industries, Inc. (TRO-NYSE) announced today that it has completed the purchase of certain assets of the former Sweetwater Pump & Supply group of Nucorp Energy, Inc. for an undisclosed amount of cash. Nucorp is currently operating under Chapter 11 of the bankruptcy code and the transaction was ratified by Nucorp's trustees, the bankruptcy court and creditor groups.

Trico has planned a smooth transition and expects to operate the former Sweetwater supply business substantially as before. William T. Box, Trico's President and CEO said "we've known the

people at Sweetwater for a long time and we have a great deal of respect for their ability to operate successfully in today's business environment." The new Trico outlets are located in Sweetwater, Abilene, Ranger, Hamlin, Knox City, Sterling City and Ira, Texas; Casper, Douglas and Gillette, Wyoming; and Williston, North Dakota. The addition of these outlets to Trico's network of sales and service centers will enhance the company's ability to market its products in the West Central

Texas and Mountain Regions. Mr. Box noted "in this transaction, Trico purchased certain assets only and has no responsibility for any debts of Sweetwater or any of its af-

filiate companies.' Trico is a leading manufacturer of subsurface oil well pumps and parts, sucker rods, pumping units, well completion equipment, bolted steel tanks and contract services to the oil industry.

with emphasis on Finance. Marketing and Animal Studies. Mr. Wilson is currently employed as an executive assistant to Mr. D.G. "Bill" Nelson, Executive Vice President of the Texas Wheat Producers Board and Producers Association in Amarillo. Wilson and his wife, the former Melody Mathews, are both originally from Claude, Texas, attended high school there, and currently reside in Canyon. The couple have both a young son and daughter. They will be moving to take up residence in Washington, D.C.

Mr. Crain, 36, son of Mr. and Mrs. Cristler Crain of Canyon, had been a member of the Hightower Washington staff since 1977. Prior to that, Mr. Crain served as Assistant Secretary of the State Senate under Lt. Governor William Hobby from 1974 to 1977. He also served as an assistant to Rep. Hightower in 1973 during Hightower's tenure as State Senator. he is a graduate of West Texas State University. Crain, his wife Carol, and their two children will continue to live in Falls Church, Virginia, just outside

"I'm going to miss Claiborn very much as will the hundreds of people who know and have worked with him over the years," Hightower said. "Ross has an excellent academic and job experience background, and he's worked with many of the same people in the farmm community that Claiborn and I have. I'm extremely fortunate to be able to replace one excellent staffer from the district with another of such high caliber."
