Shootin' Straight

Convention Time
This past weekend was "THAT" time of the year again, it was the weekend of the annual mid-summer West Texas Press Association Summer Convention! This year the meeting was held in Fort Worth and believe me, it was some kind of fancy place that hosted us! The Americana Hotel was our residence for three days. It is a very elegant hotel that went all out to make the stay a good one for all the press members who attended the convention.

Our group from Knox City consisted of Billye Bess, Buddy, Stacy and myself. The most enjoyable part of the entire weekend was having Buddy Angle along. Those of you who know Buddy are probably aware that he has a "countrified" sense of humor, and that same country humor was in abundance all weekend long! Being a "country feller" in a big city was humorous enough, but watching and listening to Buddy was the highlight of the weekend!

Driving to Fort Worth was dangerous enough with Buddy behind the wheel, but riding with him in big city traffic could be good training for future Kamakazai pilots! Buddy seems to have a "drifting" way of driving. Everytime he looks off at something interesting - well, the car heads in that direction too! Just imagine for a minute all the tall buildings and sights to see in a big city, then you can realize just how many directions the car was headed in while trying to go in a straight line!! This column is being written on Monday and it is my understanding that the Fort Worth downtown freeway is just now getting back to normal after Buddy's two trips on it! I think I missed a lot of the downtown sights myself. The floor of the car was a good place to avoid the stares and gestures of angry motorists trying to get around Buddy!!

Finally arriving at the hotel was a relief for all of us and a very definite safety factor for the city of Fort Worth itself. Buddy really enjoyed the valet parking, it was kinda neat to have someone drive your car off to a parking place and then bring it to you whenever you wanted it. The hotel had a small waterfall in the lobby. Buddy studied it intently and wondered how they were able to pay their water bill cause he didn't use that much water on his whole yard all year long!

Big, Little Tournament Successful

The Knox City Country Club held a Big and Little Tournament over the weekend which was termed as quite successful.

In the championship flight, the team of Reid-Hutchinson was first, 63; Abernathy-Abernathy, second, 63; and W. Skiles-G. Skiles, third, 64.

First flight winners were Moore-Correll, first, 68; W. Skiles-B. Skiles, second, 68; and Burnett-Burnett, third, 68.

In the second flight, D. Staggs-N. Staggs were first with 73. Hord-Maurer were second with 74 while Alvis-Austin were third with 75.

Third flight winners were Reid-Reid, first, 78; Large-Large, second, 81; and J. Wilde-A. Cook, third, 82.

Closest to the pin was Temple Albus, 7" while Todd Austin had 5".

O'BRIEN BLAZE - The Knox City Volunteer Fire Department answered a call to a trash fire in O'Brien Tuesday afternoon about 2:45 o'clock. Fireman Rob Harrison is pictured above as he extinguished the grass and trash behind a vacant house near Highway 6 in O'Brien. Firemen pictured below are Jerry Benson, at left, and Greg Kuehler, at right. Damage to the house was averted due to the quick response of the firemen.

O'Brien Council Makes Changes

At the August 18 council meeting, city council members at O'Brien made several changes.

O'Brien residents within the city limits will have an additional \$2.00 charge added each month to cover dumping charges, provided they do not dump a truck load at one time. Those persons outside the city limits will be charged \$1.50 per barrel for dumping, and trucks will be charged \$15.00.

Also, in other business, the council voted to set the 1983 tax rate at .2732, which is

KVRP Employs KC Resident

Haskell radio station KVRP, FM Stereo 95, has employed a Knox City area man as a part time announcer for the station. Filling in during evening hours with a show that features country western "oldies" is Mark Decker.

Program Director Gary Barrett said, "Along with hearing Mark on the radio from 7:00 p.m. to midnight, local Knox City cable TV subscribers can turn their sets to Channel 2 for the Mark Decker Show and the best in country music."

three per cent higher than last year's. Mayor Charlene Brothers explained, "I know it seem that things are getting higher and higher, which they are, but we should take a minute of our time and think what we would do without that comes to us as easily as turning on a faucet for our water. It takes so much money to operate things now and if we are going to have some of the conveniences, we are going to have to pay for

Enrollment Totals Up This Year

Enrollment totals for the Knox City-O'Brien ISD are up 34 students as compared to last year's first day school totals.

A total of 439 students were registered in classes Monday. Breakdown elementary totals include kindergarten, 38; first grade, 40; second grade, 37; and third grade, 38; making a total of 153.

Mid-school totals were fourth, 23; fifth, 26; sixth, 45; seventh, 32 and eighth, 34, totaling 160.

High school reported 32 freshmen, 40 sophomores, 22 juniors, and 32 seniors totaling 126 students.

them." Mrs. Brothers said the reason the city is seeking additional revenue is that the water bond payment due next April will be \$4,000 instead of \$3,000. Council members felt that by collecting more revenue now, it would eliminate the need of raising city taxes so high next time.

She said the city would have two years of the higher payments and then would drop back to a lower payment.

Also discussed was the selling of fireworks within the city limits of O'Brien. There is a resolution against this, she said, and it was decided that council members would notify those who have been selling the fireworks that they could no longer do so. Those who would like to discuss the matter further with the council may appear on the September agenda, she explained.

Council members voted against the two bills of the Property Tax Code, Section 31:03 and 31:05, which allows a discount for taxes paid early and allows a half payment of taxes. The half payment would allow a person to pay half of his taxes by November 30 and the remaining half on the following June 30 without any penalty being assessed.

Auxiliary Members Honored By Hospital

The staff of the Knox County Hospital honored members of the Knox County Hospital Auxiliary at their third awards dinner last Saturday evening in the Saint Isabel Hall of the Santa Rosa Catholic Church.

Hospital administrator Rick Wheeler was master of ceremonies. He welcomed auxiliary members, their guests, members of the hospital board of directors, and hospital employees who assisted in preparing and serving the dinner.

Musical entertainment was provided by Brownie Tackitt, JoAnne Maddox, Orville Dear, and Mutt Logsdon.

Guests enjoyed a menu of barbecued brisket, potato salad, pinto beans, jello salad, relish dish, hot rolls,

cornbread, and cherry pie. Vernal Zeissel presented pins to auxiliary members and expressed the hospital's profound gratitude to those who volunteer so much of their time.

KC Jaycees To Host Tournament

The Knox City Jaycees will be the host organization for a softball tournament to be held here in Knox City this weekend, August 25, 26 and 27.

Being held at the Knox City Softball Association playing field, the tournament will feature ASA umpires. The Jaycees will have a concession stand open with several Jaycee members cooking up hot dogs and hamburgers to be served along with other food and soft drink items.

In keeping with the Jaycee tradition, this project will serve as another fundraiser for the local chapter. Funds raised by the Jaycees are used for community service projects.

Band Boosters To Meet Tuesday

The Knox City Band Boosters will meet next Tuesday night, August 30, at 8:00 o'clock, in the Band Hall on the Knox City campus.

President Glenna Benson is encouraging all parents of band students to attend.

AWARD PRESENTED - Winners of West Texas Press Association Better Newspaper Contests were announced Saturday during an awards breakfast at the association's 53 annual convention in Fort Worth. In weeklies in cities under 3,000, *The Knox County News* was awarded third in the General Excellence category. Editor Stacy Thompson receives the certificate from Don Comedy, contest chairman, of the *Haskell Free Press*.

Meet The Greyhounds

By COACH TOMMY SLOAN

The Greyhounds had a very good scrimmage with Holliday and all the players learned valuable lessons. This week, the Hounds travel to Rotan. This scrimmage will start at 6:30. The junior varsity will go first, followed by the varsity.

The sketches of the juniors and seniors have been presented in earlier reports and this week the 15 sophomores are as follows:

CLIFF HACKER
Cliff is starting to grow and is showing signs of becoming a good football player. He should make his presence known on the JV this year. Cliff is listed as a flanker on offense and a corner back on defense. Standing 5'6" and weighing 96 pounds. Cliff is the son of Mr. and Mrs. Clifford Hacker.

RICKY WUPPERMAN
Ricky is listed as a quarterback on offense and a safety on defense. Ricky is getting stronger, and as he does, so does his performance. Ricky is expected to see lots of action on the varsity this year. Ricky is 5'9" and weighs 130 pounds. He is the son of Mr. and Mrs. Dick Wupperman.

MICHAEL ALBUS
Moving to an end position this year, Michael is showing signs of becoming a good blocker and receiver. Michael is also a defensive back and should give the Hounds strength in that department. He is 5'8" and weighs 121 pounds. His parents are Mr. and Mrs. David Albus.

TRACY CARTER
Tracy is a good hustler and is tough even though he is not larger, weighing 112 pounds and standing 5'7". He should make a good showing this year. Tracy is a flanker on offense and a halfback on defense. He is the son of Mr. and Mrs. Terry Carter.

JERRY GUTIERREZ
Jerry is not the biggest member of the varsity, but he has great heart and desire which helps to make up the difference. Jerry is 5'2" and weighs 125 pounds. Jerry is playing flanker on offense and halfback on defense. A good prospect, Jerry is the son of Mr. and Mrs. Humber-Gutierrez.

GEORGE ROCHA
Don't come by this guy carrying the ball unless you want to be hit by a determined freight train. George's greatest joy is stopping up holes from his linebacker position. George also is a running back on offense. He lettered last year as a freshman and stands 5'11" and weighs 160 pounds. His parents are Mr. and Mrs. Jose Rocha Sr.

RUDY AGRAZ
A very aggressive player, Rudy weighed in at 133 pounds and stands 5'8". Being very versatile, Rudy plays guard or back on offense and lineman or halfback on defense. He should come into his own this year. His parents are Mr. and Mrs. Rudy Agraz Sr.

DAVID THOMPSON
A good prospect on defense, David weighs 155 pounds and is 5'11" tall. David is one of those players that likes it tough and plays that way. David also plays tackle on offense and will give the Hounds strength in that department. His parents are Dr. and Mrs. W.F. Thompson.

MARK DANIEL
Mark is expected to give the Hounds strength in the offensive line and help at the linebacker position. Being hard nosed and a good competitor will make Mark an asset to the team. Mark is 5'9" tall and weighs 150 pounds. His parents are Mr. and Mrs. Ed Daniel.

ROBERT ESPINOSA
At 5'3" and 141 pounds, Robert is showing signs of becoming a good lineman for the Hounds. If he can continue to develop, look for him to step into a varsity position next year. Robert plays tackle on both offense and defense. He is the son of Mr. and Mrs. Robert Espinosa Sr.

RAY HERNANDEZ
Only weighing 107 will not keep Ray from becoming a good player. If Ray continues to gain in strength, look for good things from him. Ray is a flanker on offense and a halfback on defense. Ray is 5'9" tall and the son of Mr. and Mrs. Jessie Rios.

B.B. EDDINGTON
B.B. is showing to have good hands and is becoming a hitter on defense. B.B. is 5'8" tall and weighs 115 pounds and is listed as an end on offense and a cornerback on defense. He should start making a move this year. He is the son of Mrs. Leola Eddington.

MICHAEL RAUCH
Expected to give the Hounds strength at end, Michael is working hard at the task. He weighed in at 155 pounds and stands 5'10". Michael also should give the Hounds strength in the defensive line where he plays a seven technique. He is the son of Mr. and Mrs. Walter Rauch.

DANNY BALIS
Danny is showing that he is a competitor and is using his height to become a good target on passes. Danny is also a defensive lineman and should give the Hounds strength in that position. Danny is 6'3" tall and weighs 155 pounds. He is the son of Mrs. Evelyn Balis.

JOHN WEATHERLY
John comes to Knox City from Conroe and is showing signs of becoming a real Greyhound. John is listed as an offensive back and a defensive back, weighing 120 pounds and standing 5'8". Good things are expected from John in the future. He is the son of Mrs. Sandy Weatherly.

The Hounds' season opener will be Friday, Sept. 2 when they meet the Albany Lions there. Everyone is encouraged to get behind the Greyhounds and let's have another good season!

Beach Party B-B-Q Will Benefit MDA

Former KC resident Terri Whitten Carnes and her husband Wendell who own and operate Wendell and the Cut-Ups Beauty Salons in Lubbock will be sponsoring a Beach Party B-B-Q as a benefit for the Muscular Dystrophy Association at Buffalo Springs Lake near Lubbock on Sunday, September 4. Serving time will be from 1:00 until 3:00 p.m. and activities from 1:00 until 8:00 p.m.

Other sponsors include Diana's Doll House, KEND Radio, Hemphill-Wells, and Shallow Waterbeds.

Entertainment will be by Armadillo Flats, Second Wind, Duncan Tuck, The Angle Sisters, 9-yr. old Clay Hewitt, Bobby Thomas, and Jessie Taylor.

There will be a fall fashion show, a magic show, bike, sack, and balloon races, tug-o-war, horseshoes, volleyball, and cowchip throw.

Mrs. Carnes said that response in Lubbock to the benefit has been overwhelming and every effort is being made to make it an afternoon of family entertainment.

O'Brien Happenings

By AUDIE JOHNSTON

"Melancholy -- When you're feeling down in the mouth, remember Jonah, he came out all right!" (Thomas Edison)
HERE AND THERE
Rev. Bill Trice, Evelyn and Ruthie spent a few days last week visiting his mother in Dublin.

Mr. and Mrs. Raymond Elmore of Levelland and family spent a few days at the

Elmore home here last week.

Orval and Helen Manning attended a family reunion at Brownwood Lake over the weekend. The reunion was for Helen's sisters, brothers and families.

Mr. and Mrs. Demp Emerson were in Abilene over the weekend to attend an Emerson family reunion. It was the children of the late Mark

Emerson and Mrs. Emerson.

Mr. and Mrs. Wallace Cox and son of Fort Worth spent the weekend with Mr. and Mrs. A.A. Cox.

Ruthie Trice visited her sister, Mr. and Mrs. Walter Condron and family in Lawn over the weekend.

Ava Covey is living in San Angelo where she is employed and will be attending Angelo State this fall.

Rowena Barnard of San Angelo visited Claudale and Jean Barnard last week.

Spending a few days with Bernice Rowan last week were her grandchildren, Traci and IV Burson of Haskell.

Visiting Leslie and Mildred Draper last week were their great-granddaughter, Angie Bolton and her parents, Scott and Vicki Bolton. Her parents spent Friday night and returned to her home Saturday.

Clyde and Verna Mae Williams of Plainview visited Butch, Sue, Scott, Stefani and Suzanne Stephens last week.

Jim, Janie and Missy Wilkinson along with Rhonda Bruce and Casey Proffitt were in Abilene and while there enjoyed a visit to Chuck E. Cheese pizza.

NEW ARRIVALS

Mr. and Mrs. Coy Hewitt are the proud grandparents of a new baby boy. He was born to their daughter, Rhonda Moeller and husband of Haskell. The Moellers have a little girl Kelli, who will help spoil the new baby.

David and Sharla Carver have a new arrival at their home. A son was born to them over the weekend. Grandparents are Mr. and Mrs. Jerry Carver of Rochester and Mr. and Mrs. Biggon Drinnon of Haskell.

Safety Urged During Labor Day Holiday

Major V.J. Cawthon, Commander of the Texas Department of Public Safety in Region 5 said, "We will use all available personnel to reduce the death toll during the Labor Day holiday." He said, "In 1982 50 persons were killed in traffic accidents on Texas streets and highways during the Labor Day Holiday."

This is the last holiday of the summer and thousands of motorists will take to the highways for an outing. Some of these motorists will be driving at high rates of speed. Others will be intoxicated. Cawthon said, "These two combinations plus the lack of

seat belt usage could cause a high death count this Labor Day weekend."

He said, "Our troopers will be aggressive in combating the speeding and DWI problem because these violations continue to be the leading factors in fatal accidents."

He added, "The Texas Department of Public Safety urges all Texas Drivers to slow down to the legal speed limit, avoid the use of alcohol if they plan to drive, and to use their seat belt for safety."

ENJOY TRIP

Judy Anderson and her mother, Mrs. George Martin of Midland, attended a family reunion in Fort Worth on August 7. From there, they went to Picaune, Mississippi, to visit Judy's brother and to New Orleans to visit friends and do some sightseeing.

They visited at Jackson Square, the French market, the beach at Lake Ponchartrain and took a five hour bayou cruise down the Mississippi River on the Bayou Jean Lafitte.

This tour took them down several channels where some of the older Cajun people still live. They also went to Pat O'Brien's on Bourbon Street in New Orleans.

LOOK WHO'S HERE

Mr. and Mrs. David Carver of O'Brien are the proud parents of a son, born Friday, August 19, at 9:00 p.m. in a Haskell hospital.

The new baby, Casey Cyle Carver, weighed seven pounds, ten ounces, and measured 20" long.

Grandparents are Mr. and Mrs. Jerry Carver of Rochester and Mr. and Mrs. Cleatus Drinnon of Haskell.

Great-grandparents include Mrs. Mildred Strunk and the late Cyle Carver Sr. and Mrs. Woodley Davis of Haskell and the late Mr. Davis.

SERVICES OF THE CHURCH OF GOD IN CHRIST

Each of the weekly services were held here except the Usher Board. The Usher Board Joint Meeting was held at the Munday Church on last Tuesday evening with sister Manuel of Knox City doing the training.

Sunday school had a good attendance with Supt. Manuel in charge.

During the morning service Missionary Patricia Ward brought a blessed lesson from psalms 1.

On Sunday afternoon a part of the members attended Elder and Mrs. R.L. Williams 14th Anniversary Service at the Bethel Church in Abilene. Elder Anderson of San Angelo preached a wonderful message down there from St. John 10:10, "The Pleasant Alternative".

The Lord has blessed Elder and Sister Williams to do a good work at the Bethel Church.

Jewell Lea Buried Here Saturday

Funeral services for Knox City resident Mrs. Ulric (Jewell) Lea were held Saturday afternoon, August 20, at 2:30 o'clock in the First United Methodist Church. Officiating were the Rev. James Patterson, retired pastor, and the Rev. Doug Stenberg, church pastor. Burial was in the Knox City Cemetery with Smith Funeral Home in charge of arrangements.

Mrs. Lea, 75, died Thursday, August 18, at 3:37 a.m. in Baylor University Medical Center in Dallas.

Born August 9, 1908, in McLean, Texas, her parents were the late Francis and Willie Faulkner. She married Ulric H. Lea on June 27, 1936, in Abilene. Mrs. Lea was a retired school teacher having retired in 1965 from 26 years of teaching. She was a member of the Garden Club, a life member of the Knox City Study Club, the Knox County Retired Teachers Association, the State Teachers Association, was a National State and Local member of the Retired Federal Employees Association, Abigail Ann Berry Chesley Chapter-D.A.R. in Abilene. Mrs. Lea graduated from Canyon High School and received a bachelor of science degree from West Texas State University. She did graduate work at North Texas State University, Abilene Christian University and Hardin-Simmons University in Abilene. Mrs. Lea had served as County Home Demonstration Agent for four years in Knox and Jones Counties. She organized the first W.P.A. school lunch program in Knox County and served as district supervisor in the lunch program in 23 counties. Mrs. Lea was a member of the First United Methodist Church in Knox City.

Survivors include her husband, Ulric H. of the home; a son, James A. Lea of Fredericksburg; a brother, Harry Faulkner of Amarillo; two sisters, Mrs. Winnie Steele of Albuquerque, New Mexico, and Mrs. C.H. Smith of Austin; two grandchildren, a niece and two nephews. She was preceded in death by a son, her parents, and a sister.

Pallbearers were Buster Lowrey, Ray Goodrich, Jim Dillon, John Crowner, Kenneth Lawson, Charlie Flye, J.M. Emerson and David Lorenz. Honorary pallbearers were Bill Lankford, Pete Edge and Olvis Hamm. The family requests that memorials be made to the West Texas Rehabilitation Center and the American Cancer Society.

IN LUBBOCK
Buddy Angle visited the first part of the week in Lubbock with his daughter and grandson Gwen and Clay Hewitt. Clay, who had spent the last two weeks in Houston and was there during the hurricane, was able to return to Lubbock by plane Sunday.

Playnight Closes Out '83 Season

Knox City's final playnight of the season was held Friday night at the Knox City arena.

First and second place trophies were awarded to each class with high point and runner-up high point trophies given in each age division.

In the five and under division, Brad McGuire of Seymour was the high point winner, with Reagan Underwood, also of Seymour, being the runner-up winner.

In the 9 through 12 division, Justin Emerson of Knox City took high point honors and Robin Harrold of Haskell was the runner-up trophy winner.

Brian Rogers of Knox City also competed in the 9-12 division, winning the Egg and Spoon Race, and taking second in flags and third in poles.

Named high point winner in the senior division was Tina Morris of Haskell. J. Emerson was runner-up winner in the senior division.

BVRA officers expressed their appreciation to all who helped with the playnight. Special appreciation was expressed to J.M. Emerson for his excellent preparation of the arena for the playnight, and to Susan Emerson for her assistance with the bookkeeping.

Letters From Our Readers

August 22, 1983
Dear Editor,
Rob Harrison's letter to the editor, dated August 9, concerning the possible disposal of low level radioactive waste in our area, struck like lightning. His remarks confirmed and summed up my darkest doubts about the news story that had appeared in the Abilene and Knox City papers.

We must boldly resist the disposal of this waste in our area. We haven't much time.

Rick Jacobi, agency director of the Disposal Authority, is reported to have said that proposed sites should be narrowed to five or fewer later this month. Perhaps Knox County will be eliminated then.

If not, Tom Blackburn, head of special services, apparently said a primary and alternate site will be selected from those still in contention by late October.

Customarily, folks have always dumped unwanted items in the country: cats, watermelon rinds, cans, tires, and miscellaneous trash. Why? Because they couldn't figure out any better way.

As long as this bardsch mentality prevails in the disposal of nuclear waste, however low the level; as long as it can be taken to the country and doesn't follow anyone back home, the engineering problems of its disposal, namely, leakage and pollution, will not be solved.

I believe the radioactive waste will be disposed of in the county or counties that offer the least resistance. We must start hollering now and not quit.

Jerry Williams

Dear Editor,
Thank you for printing my letter concerning the radioactive dump in the paper last week. It's good to know that there are others who are concerned about this. Several people have come by the store and called to express their concern, and no one has had an apathetic view during general everyday conversations. One person asked if we had an organized protest group, something to consider I suppose! Another said we needed to call "60 Minutes" and Dan Rather would get these guys in line. Humorously enough that may be right. But the point is the people seem to be pulling together for a common cause. However, we can't get an attitude of complacency, it is just started and we ought to

be preparing for a dandy of a fight if it comes down to it.

New developments have arisen! A syndicated news story appeared in the Friday morning, 8-19-83, Abilene Reporter News. The story originated from the Harte-Hank Austin Bureau. Bob Avant, assistant general manager of the Disposal Authority, stated that the prospective 15 counties will be narrowed down to two by late September or early October. For what it's worth, every article that has been written, Knox County has always been listed first, indicating the primary target county, only speculation, however.

The article continued to state that spent reactor fuel would not be dumped in the proposed landfill, although other radioactive materials, such as contaminated chemicals, workers' clothing and tools from reactor areas would be deposited there. Looks like we've gotten it narrowed down to six or one or half a dozen of the other.

If memory serves me correctly, the first article about this stated things of low level like X-Ray contamination, I believe they mentioned hospital and college waste, and now they conveniently slipped odd and ends from nuclear reactors and I'm guessing next they will mention the reactor cores, who knows. But it appears the smooth talk has already started.

Other things were mentioned in the recent article such as: (1) State Attorney General Jim Mattox ruled that the Disposal Authority must purchase the surface and all mineral rights to the proposed 300 acre site. It indicated that those counties that had the most red tape involved in tracking the owners of the mineral rights would be eliminated the quickest. (2) The Disposal Authority could not legally condemn any land tract for the dump site, and take it anyway. (3) At the time the final selection is made meetings would be held in the proposed counties for a public hearing. (4) Before a dumping permit is issued the state health commissioner must approve the site and will have the final say.

People have said they're against the site, but where do we start to get it stopped. We have access to the strong voice of the news media. We can start by writing our Congressmen, State and Federal, The State Health Commission, the Governor, the Attorney General, and if you think it will help, write

your mother-in-law, but get busy.

I sincerely hope that there is no one so desperate for money that they would sell their land for this dump site and hopefully the land acquisition will be tied up with red tape. But we all know that government can cut through red tape when it serves its purpose.

Please don't rely on your friends or neighbors to do the fighting, get in and help. We either all come out winning, or all losing, there is no middle ground.

Time is most important, we have to do it fast. September and October are almost here.

Rob Harrison

Dear Billye Bess,
Please renew my subscription to the *Knox County News*. Enclosed is my check for \$9.00.

I, too, as did another reader of your paper, thoroughly enjoyed the diary of the trip to Europe.

It's good to keep up with so many folks I knew so long ago.

Benjamin Picnic Is Friday Night

Benjamin's annual Parent-Teacher Organization picnic has been slated Friday night, August 26, beginning at 7:30 o'clock north of the football field, according to a spokesman.

Parents, teachers, students, grandparents, board members, and all other interested townspeople are encouraged and invited to attend, officials said.

Those attending are asked to take a covered dish.

A meeting will follow the picnic in the ag building.

Oxford Makes Hole-In-One

Dave Oxford made a hole in one recently at the Knox City Country Club.

Oxford made the hole in one on hole number two using a five iron.

Partners were Ben Grill, M.L. Verhalen, Ray Penman and Gaylon Albus.

STREAMS IN DESERT PLACES

By OZELLE STEPHENS

"Peace I leave with You, My peace I give unto you: Not as the world giveth, give I unto you." (Jo. 14:27).

It is encouraging to know that the best things in life still come without a price tag. A millionaire can't write a check for happiness. A Celebrity can't buy peace of mind with his credit card. Even a King can't order his subjects to love him. Happiness, peace and love just aren't for sale. These are gifts of God-without them even the wealthiest person is humanly bankrupt. Lasting satisfaction can't be found in any job, no matter how fulfilling; you won't gain it through human relationships, however deep and exciting. You can travel around the world and not find it in any particular place. The very best of life is found in a person, Jesus Christ, the Son of God. Jesus is the source of life. He offers you a new peace and joy even in your most difficult circumstances. For He Is God and God is Love.

Jesus wants to fill you with His joy, which is not a passing mood but an eternal secure reality. "These things have I spoken unto you, that My Joy might remain in you, and that your Joy might be full." (Jo. 15:11).

WTRC Plans For Upcoming Projects

Abilene - West Texas Rehabilitation Center, an outpatient treatment facility serving the handicapped of the Southwest, is an inherently "western" as the mesquite tree and horned toad.

Established 30 years ago in Abilene and expanded to include a San Angelo facility in 1977, WTRC has always operated on the West Texas philosophy of "neighbor helping neighbor."

This philosophy is carried on by ranchers and stockmen who support the Cattlemen's Round-Up for Crippled Children which benefits WTRC. General chairman of the 1983 Cattlemen's Round-Up is Jim Alexander of Abilene. Aubrey Stokes of San Angelo is CRCC co-chairman in the Southwest region and area chairmen are to be appointed.

Alexander explained that livestock donated by ranchmen are collected at a designated point in each community and transported free to the auction site. The sales of the livestock bring in dollars to provide care for the handicapped on Rehab campuses.

Rehab Center personnel provide top quality care in physical, occupational and speech therapy, audiology, orthotics, psychology, education, and social services. These services are provided without charge to patients.

"It will take about \$4.5

million for us to treat the approximately 11,000 handicapped we'll serve in 1983," explains WTRC President/Executive Director Shelly V. Smith, "and about 70 percent of that \$4.5 million must come from donations." The balance comes from contracts and insurance payments. No federal funds are used in treatment.

Despite an extremely tight economy, Smith is optimistic that the 1983 budget will be met because, "people tour our facilities, see what's being done every day to help the handicapped, and they want to ensure that they and their neighbors will always have the Rehab's services."

The Cattlemen's Round-Up for Crippled Children is one of the major fund-raisers for WTRC. Chairman Alexander announced the following scheduled sales for the Round-Up: Cattle Sale-September 26, Abilene Auction; Horse Sale-October 1, Abilene Auction; Junction Sheep and Goat Sale-October 3; Coleman Sale-October 5; and Brownwood Sale-November 2. Alexander urges friends and neighbors to join the area chairmen in making a pledge to the annual CRCC drive.

Shootin' Straight

From Page One

When we all entered the elevator to go upstairs to our room, it was very obvious that even the elevator had a very modern decor. The lights were under marble sheeting on the bottom of each of the four walls. As we started the upward trip to our designated floor, Buddy seemed to be intently studying the inside of the elevator. All of a sudden he busted out laughing and stated, "These city folks have everything backwards, they don't even know that the lights are supposed to go in the ceiling!" Buddy was still chuckling over that until he started down the hall towards the rooms. The walk from the elevator to the room was about a hundred yards long and once again Buddy was really amazed at how big everything was. His solution to the long walk was really very simple, he thought the management ought to have employees with golf carts on each floor to take you to your rooms!

The rooms themselves were elegant, very large and very spacious. The bathroom in Buddy's room had a modern art design on the wall in the form of a question mark. Buddy saw that and started to laugh all over again! To him, there wasn't any question about that room, he knew exactly what to do in there!

After the first round of convention talks was over, we all thought it would be a good idea to walk across the skywalk and into Tandy Center. Once again Buddy had a good chuckle as he thought it was all right to walk "on top" of the cars and busses as they drove by on the street below. After arriving in Tandy Center, we stopped at a restaurant that had two different serving lines - one for Mexican food and the other for Japanese food. Billye Bess stated that she was really hungry and thought she would have the Mexican food because she wanted to be full. At first, that seemed to be a rather strange way of choosing between the two, but then there aren't that many fat Japanese people walking around so maybe she was right ??? (Stacy and I did have the Japanese food and were very full!!)

Tandy Center has an indoor ice skating rink in the center of the shopping mall and we thought it would be a good idea for all of us to go ice skating. Buddy studied that idea for awhile and finally convinced himself that his feet were too big for any skates they might have had so he had better not go! He decided to sit and watch people walking around. Later he had some comments on how he had noticed a lot of fat ladies walking out of a pastry shop!

The convention continued and Buddy kept getting lost every time we went anywhere. He had a hard time figuring out how it was that he was always lost and he never left the hotel!

We did leave the hotel during the evening to visit a very fine restaurant located just across the street from the main entrance to the hotel. The walkway into some of the shops and restaurants had been redone in brick, just like an old cobblestone sidewalk. It was an old area that had been restored to look like...well, an old area. Buddy walked in and commented "This place sure looks ratty." When we explained that it had all been redone to look that way on purpose, he immediately commented, "Man, this place sure looks nice," and started laughing all over again. When we entered the restaurant Buddy

saw some decorative lighting in the shape of old lamp posts. He studied these for awhile and said that he had finally figured out where Becka got the light in her front yard from!

At night the hotel has someone come in and turn back the covers of your bed. They also leave a rose on the pillow along with a piece of chocolate candy beautifully wrapped in gold foil. When we returned to the room and saw all this, Buddy started laughing all over again. After all, everyone knows that you can't grow flowers in your bed!! The candy went over better, but Buddy couldn't figure out why they only left one piece when he could have eaten half a pound!

Buddy's outlook towards "big city folks" began to update itself when he discovered that he could control the T.V. in the room right from the bed without ever having to get up! That seemed to be easier than in Knox City, because there he has to keep telling Billye Bess to change it for him!

The convention went by without a hitch and all too soon it was time to head home again. We all dropped hints that we would be VERY GLAD to drive, but Buddy wanted that part of the trip all for himself. The hotel employee at the information booth in the lobby gave us directions on how to get on to the freeway headed home and off we went. Stacy and I sat in the back seat and wished that we had brought the tape recorder along as Billye and Buddy debated on the instructions that had been given us. Billye kept wanting to turn when we were always in the wrong lane to make the turn so Buddy started to tell the other drivers (quietly) what he thought of their being in the lane that he should have been in! What made it extra funny was that we weren't supposed to be turning at all! You would've had to be there to fully enjoy it all!

But we did make it back safe and sound so the *Knox County News* will continue on for at least another year...or until the next convention!

More SHOOTIN STRAIGHT next week.....

Benjamin News

By GLADENE GREEN

HERE 'N THERE

Visiting Gertrude Brannan last week were John, Barbara, John Jr., Carmac and Carl of Fort Campbell, Kentucky; Mary, Randy, John and Sarah Whitsett of Plainview and Johnny Brannon of Lubbock.

Kevin Roberts of Woodbridge, Va. and Mark Roberts of Hereford visited their grandparents, Mr. and Mrs. Kenneth Roberts and their cousin Kris McGreger and other relatives recently. The Roberts, and Mr. and Mrs. Jesse Parks took Kevin to Dallas Saturday where he left DFW airport for his home. The Roberts and the Parks spent the weekend with Mr. and Mrs. Cy Ming in Dallas.

Bobby and Philomae Roberson attended the wedding of David Cox and Sally Webber in Abilene Saturday. David is the son of Mr. and Mrs. Al Cox.

Mr. and Mrs. H.T. Melton were visitors of their daughter and family, the Jacky Youngs in Lubbock.

Gordon and Debbie Taylor, Becky and Cody of Paducah were Saturday guests of her parents, Van and Gladene Green.

Jan and Homer Ralston, Lori and Jennifer have returned to Benjamin to make their home. They have been living near Abilene the past year. We're glad they are back "home".

Earlene Meinzer returned home last Tuesday after a week's visit with her daughter and family, the Bob Tavernias in Fredericksburg, Md.

Michelle and Debbie Bufkin and Mickey Smith spent a couple of days at Six Flags last week.

Among the Benjamin folks attending the Ranch Round-Up in Wichita Falls this past weekend were: Ned, Susan, Kemp and Lanham Jones, Kynn, Trenna and Jason Patterson, the Donnie Ryders, the Davey Oxfords, Bill and

Pearl Ryder, Jan and Fred Carver, Buddy, Janice, Beverly and Chad Tolson, Michelle Bufkin, J.D. and Annie Brown, Don and Virginia Griffith, Togo and Lucille Moorhouse, Julia Propps, Tom, Sue, Jed and Jody Moorhouse, Tammy, Mark and Jacy Collins and Guy Spikes.

I'm sure there were more but I didn't get anymore names. All the above reported a great time.

SCHOOL BEGINS

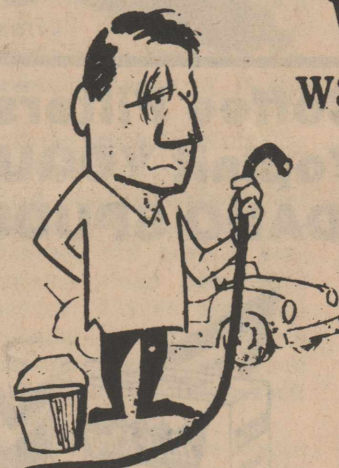

Friday, August 19, found all the "eager" little ones and the "not so eager" larger ones embarking on another school year. Students and teachers had a full day - getting into the swing of things and began "whole heartedly" Monday.

Have you been up to see the "new look" that the "old lunchroom" has? If not, go by and see it. A partition has been removed, dishwasher installed plus lots of other labor saving devices. A new ceiling and floor covering sure has given it a "neat" look. Lunchroom worker, Jane Gideon is very pleased with it and would like all to come by and see it. And we're proud of it, not only for the school but for Jane as she deserves it.
