

Steve Carriker To Attend

★★★★ Nuclear Waste Meeting Monday ★★★★★

(Austin) The Texas Low-Level Waste Disposal Authority will sponsor an informational meeting in Knox City, State Representative Steve Carriker has announced. The meeting, requested by Carriker, is in conjunction

with a study by the Authority concerning the possibility of a low-level waste disposal site in Knox County.

"Several folks have expressed concern about this matter and I believe it is ap-

propriate to let the people in Knox County see and hear from the people who are making this decision," Carriker said.

The authority has been involved in selecting a location

for the waste disposal unit and last year the authority hired an outside firm to determine the scope of Texas' waste storage problem. The report concluded that previous estimates on the amount of waste production

were low and approximately 139,000 cubic feet of waste a year will require storage and the bulk of this storage coming from nuclear power plants.

Rob Harrison, a local merchant and leading opponent of such a site in Knox County, has been actively involved in a petition campaign against locating the site here.

The meeting will be held at the school auditorium on Monday, October 3, at 7:00 p.m. in Knox City. In attendance will be Representative Steve Carriker; Tom Blackburn, Special Programs Director for the authority; Rick Lowerre, an environ-

mental law expert; and Bob King, an energy policy expert with the Texas Department of Agriculture.

The meeting is open to the public and everyone is encouraged to attend.

THE HOUNDS AND FM 95

Part II In last week's SHOOTIN' STRAIGHT, a lot of information was passed on to readers about how and when Haskell Radio Station KVRP would be broadcasting Knox City Greyhound football games. Many expressed interest in the article and many were appreciative that the information was put into print. One school official advised the *News* that he thought the article answered a lot of questions that citizens had already called in to the school.

In this past week, a lot has been taking place at KVRP as they continue their efforts to broadcast the Greyhound games. FM 95 Station Manager Gary Barrett called the *News* office with his thanks for the article and furnished some new and exciting information on the subject.

KVRP has completed and confirmed arrangements this week to broadcast at least two Knox City games, and the possibility exists of a third broadcast later on in the season. The confirmed broadcasts will be for the following games: Knox City and Crowell (Here) on Friday, October 7, and Knox City at Aspermont on Friday, October 28. Sportscasters Gary Barrett and David Wayne will attend both games to air the live play by play action. A third game broadcast is in the works, but final arrangements have not

Local Artist Places In Two Shows

Bobbie Harrison, who is one of Knox city's most versatile artists, placed in two divisions at the West Texas Fair in Abilene and in the Professional Division at the Haskell County Fair.

In the China Painting Division at the West Texas Fair she took first place and a blue ribbon in the Teacher's Division in the fruit category with grapes on a cookie plate. First place and a blue ribbon in Miscellaneous with a prairie dog painted on a mug and second place and red ribbon in birds with an eagle on a bacon tray.

At the Haskell County Fair in the Professional Division she won second place in still life water color with her "Pink Poppies".

Bobbie is continuing her study of art at the present time in the field of water color under John Gibson of Western Texas College, Snyder.

She is a member of the Spur Art Guild and the Big Country Porcelain Art Guild of Abilene.

Smith Marks 25th Year With Rehab

By Stacy Angle Thompson

As this year's Cattlemen's Round-up for Crippled Children rolled around, Knox City's Lee Smith began his 25th year as Knox County's chairman for the annual event.

The Rehab motto of "People Helping People" certainly stands true with a man like Lee Smith. He is always there, ready, willing and able to help and is truly a man of his word.

Smith recalled his first Round-Up a quarter of a century ago when the late H.A. Travis of Abilene visited him and asked for his help as chairman. He remembered telling Travis that with its being such a large undertaking, he felt he would not have the time. Smith, with his big heart and helpful ways, thought for a while and then said he would assume the responsibility. He rounded up some 15 head of cattle to be donated to the Rehab that first year.

The local chairman commented that he had seen the Rehab Center grow tremendously during the 25 years he

Cattlemen's Round-Up Aids Rehab

Friends of the West Texas Rehabilitation Center gathered in Abilene Monday for the 23rd annual Cattlemen's Round-Up for Crippled Children's Auction. Although the cattle industry has suffered tremendous hardships from drought and other factors, they managed to come up with 309 head of cattle and other items that raised \$170,836 for the WTRC.

As cattle from across Texas made their way into Abilene, CRCC general chairman Jim Alexander said he was extremely pleased with the sale results, noting that supporters "went the extra mile" to help the handicapped.

Monday's sale puts the CRCC slightly more than \$7,000 ahead of 1982, when the kickoff sale brought in a little more than \$163,000 from cash, cattle and speciality items.

Local donors to the Round-Up were Lewis Kay, Mr. and Mrs. W.G. Ellis, Bateman Ranch, and Lee and Jerry Smith.

From Benjamin were Julia Propps, Mr. and Mrs. Don Hertel, Mr. and Mrs. Collins Moorhouse, Mr. and Mrs. W.T. Cartwright, Mr. and Mrs. H.T. Melton, Mr. and Mrs. Van Green, Mr. and Mrs. Kenneth Roberts, Mr. and Mrs. P.H. Pierce, Beavers-Mulky Ranch, Donnie Ryder, Lewis Lyles, Cactus Farms, Mr. and Mrs. Jerry Bob Daniel, League Ranch and Togo and Tom Moorhouse.

Others included Floyd Bowman of Munday, Don Bowman of Goree, and Mr. and Mrs. Paul Bullion of Truscott.

Smith expressed his appreciation to the donors for their tremendous gifts given to the Center.

LEE SMITH...phoning for Cattlemen's Round-Up

has been involved, going from treating a few patients to the thousands it sees today. He also recalled the advancement made in the growing of campus facilities compared to the one building he remembers in the beginning.

Smith, who owned the Texas Theatre in downtown Knox City from 1922 until 1946, credits donors in the county who are so wonderful in their donations. He commented that they give and say they wish they could do more.

The rancher, farmer and landowner of over 4,000

acres, is an active member of the First United Methodist Church in Knox City. He is presently serving, as he has for a number of years, as county president of the Knox County Farmers Union, has been on the finance committee for the Knox County Livestock Show for many years, and was honored by the Knox City Chamber of Commerce as the "Outstanding Citizen" in 1976.

Smith and his wife, Jerry, are interested in their grandsons' activities such as rodeoing and scouting.

Record Lows Set

A record low was set here Wednesday morning when the temperature dropped to an unofficial 34 degrees. A reading of 37 degrees was recorded at the Plant Materials Center four miles northwest of Knox City.

A huge dome of Canadian air pushed through the middle of the nation Wednesday and the mercury dropped to record sub-freezing lows in at least 38 cities from Idaho to Illinois and Montana to Texas. The Associated Press reported that it was the coldest September morning on the books in parts of Colorado, Oklahoma, Texas, and Arkansas.

On the next to the last day of summer, temperature reached 71 degrees Wednesday afternoon and by Saturday, they were back in the 90s here.

Late crops of both cotton and milo received some damage from the below normal temperatures.

Temperatures in Wichita Falls plummeted to 38 degrees Wednesday shattering the previous record of 48 degrees set in 1942.

below-freezing temperatures when the mercury dipped to 31 at 6:30 a.m., breaking a record of 39 set in 1926.

Lubbock had a reading at dawn of 33 which broke a 1918 record of 42 degrees.

At Dallas-Fort Worth, the mercury dipped to 48, shattering a record of 48 set in 1918.

San Angelo's 47 edges out a record 49 set in 1971.

Salvation Army Drive Complete

The local Salvation Army Drive has been completed and a total of \$1,156.00 was collected here in Knox City.

Campaign chairman was Barbara Rector, with David Perdue being permanent chairman and Bertha Driver being permanent treasurer.

Thanks were expressed to workers including Doris Crownover, W.R. Baker, David Counts, David Albus, Dessie Egenbacher, E. Hob Smith, Teresa Speck, Sherry Speck, Sterling Lewis, Wretha Fitzgerald, Carl Hutcherson, Bruce Campbell, Nancy Stone, Alton Fitzgerald, Debbie Dudensing, Dick Evatt, John Gillispie, Arnell Denton, Peggy Gillispie, Doris Jones, Becky Baker, Annette Evatt, and J.B. Rutherford.

Enrollment Continues To Increase

Enrollment figures continue to climb for the Knox City-O'Brien Schools, according to school officials.

As of Tuesday, present enrollment is 460 as compared to 404 at this time last year.

Local Graduates With Top Honors

Seven students from the Seymour Hospital Authority, School of Vocational Nursing Class graduated September 9 becoming vocational nurses.

One of the students, Deborah Curd, graduated with the top honor award, which was started one year ago. She was the second one ever to receive the Lois Wells Award. Lois Wells taught the nursing school for many years and when she died an award was established in her memory.

Mrs. Curd resides in Knox City with her husband, Jerry, and they have a daughter, Heather, who is in the first grade at Knox City Elementary. Deborah has recently been employed by Haskell Memorial Hospital.

Pep Rally Set Early For Friday

Due to the traveling distance to Chillicothe for Friday night's district opener between the Knox City Greyhounds and the Chillicothe Eagles, the pep rally has been scheduled for Friday afternoon at 2:30 p.m. in the high school gym, according to High School Principal Don Fritsche.

Students in grades fourth through twelve will be dismissed at 3:00 p.m. instead of their usual time on Friday.

Hounds Begin District Play

By DAVID COUNTS

A few years ago, country singer Charlie Pride recorded a song that seems appropriate at this time for the Knox City Greyhounds, "The easy part's over, now the hard part begins."

The district games begin this Friday night when the Hounds travel to Chillicothe for a 7:30 kickoff of the real season.

Students in grades fourth through twelve will be dismissed at 3:00 p.m. instead of their usual time on Friday.

The Hounds have had three very good outings. Losing the opener 19-14 to Albany that with a break or a call, they could have won. Then the 19-7 win over Seymour. The Hounds put it together to beat Munday 15-12 in the last warmup game.

While the Hounds were playing well in pre-season so were other teams in District 3-A. Chillicothe, our next opponent, beat Memphis, 28-14, Notre Dame, 34-8, and lost to Quanah last week 6-40 after losing their outstanding runner for the night.

Crowell meanwhile was beating Notre Dame 33-0, Snyder, Oklahoma, 61-14 and tyeing Paducah, 6-6.

Rule beat Abilene Christian High School, 18-12, and lost to Snyder, Texas, JVs 0-13. They forfeited last week to Munday after one of their players broke a leg in practice.

Throckmorton beat Abilene Christian High School, 27-7, lost to Santa Anna, 0-44, and Bryson, 0-22. Aspermont lost to Roby, 7-

8, Hawley, 6-18, and Rotan, 0-76.

Jayton was tied by Spur, 6-6, then beat Roby, 33-18, and Klondike, 7-0.

Motley County lost to Paducah, 12-58, Valley, 6-42, and Claude, 0-33.

There are three other good teams in District 3-A besides the Hounds. Crowell is back to its old form of lining up and running over people. Their defense gave up only 20 points in three games.

Jayton always has size and a good defense, allowing only 24 points in pre-season.

Chillicothe on the other hand is good when all their players are healthy and they should be Friday night. The Eagles' quarterback is an outstanding athlete and their tailback has very good quickness and speed.

Coach Tommy Sloan looks for a good game with Chillicothe. Last week he scouted the Eagles in their game with Quanah and reported they are very good in several areas. They were

only behind by 6-20 going into the fourth quarter when their excellent runner was sidelined.

The Hounds are in excellent condition after an open date last week. They also had some good news when Dr. Pat Evans, the Cowboy team physician, released Dwayne Watkins to begin working out and to try to play himself into condition following knee surgery.

Dwayne is excited and is working hard. He will have to start slow but should be able to contribute in the next few games.

The next two weeks may well be the season for the Hounds.

The team is ready and will give an excellent accounting of themselves with your support. Call a friend and make the trip to Chillicothe. The Hounds need your support. You'll be glad you did.

1983 is the Year of the Hounds.

SPECIAL STUDY TEAM VISITS - General Telephone's special service and study teams were in Knox City Community Center last Thursday to hold an Open Forum, one of 20 planned in their division, to meet with customers on a one-to-one basis in an effort to uncover any problems or concerns they might have. R.O. (Rob) Rutherford, public affairs manager, second from right, and Jerry Clark, division engineer and construction manager, second from left, are pictured as they talk over concerns with, from left, Mayor Buddy Angle, Bob Harrison, and Bill Lankford. Other team members Wayne Grave, switching services manager, and Gerald Bennett, service and facilities supervisor, were working the downtown businesses when the above photo was made. Rutherford said they were pleased with the turnout here. They had approximately 15-20 walk-ins with whom their discussions were termed 'worthwhile and constructive'.

Those attending the Association Sunday School Leadership Training meeting last Monday night at Munday were Linda Large, assistant children's teacher; Carol Godsey, Trudy Hunt, Evelyn Trice, Bill Trice, Butch Stephens and Jim Wilkinson, assistant men's teacher. Each group reported a helpful study.

Debbie McCown Honored Saturday

A pink and blue shower honoring Mrs. Johnny (Debbie) McCown was held Saturday, September 24, in the home of Mrs. Peggy Clarke. Calling hour was from seven until eight o'clock in the evening.
Mrs. Clarke greeted guests and Mabel Chaney presided at the guest registry.
Special guests included Mrs. McCown's mother, Mrs. W.F. Thompson; her sister, Mrs. Dante Gutierrez; Johnny's sister, Mrs. Mike Wyatt of Bowie; and his sister-in-law, Mrs. Jerry McCown of Jacksboro.
The serving table was covered with a peach cloth overlaid in white lace. An arrangement of peach and yellow roses in a crystal container was also placed on the table. Punch, cookies and cake were served by Gloria Davenport and Jo Maddox and appointments were of crystal.
Hostesses were Gloria Davenport, Lela Mae Pack, Dora McWhorter, Betty Albus, Debbie Bishop, Mabel Chaney, Jo Maddox, Clara Hodges, Estelle Holcomb, Wanda Brooks, Marguerite Gauntt, Verdine Mae Martin, Melba Pharr, Sherry Henderson and Peggy Clarke.

New Bride Honored Saturday

Mrs. Dante Gutierrez, the former Lisa Thompson, was honored with a bridal shower Saturday, September 24, in the Community Center. Calling hour was from three until four o'clock in the afternoon.
Peggy Guinn greeted guests and presented them to the honoree; her mother, Mrs. W.F. Thompson; and the bridegroom's aunt, Mrs. Nina Gutierrez.
The honoree's sister, Debbie McCown, registered guests.
Jan Zeissel served refreshments of cookies, punch and nuts from a table covered with a purple cloth with white accents. An arrangement of purple and white flowers carried out the honoree's chosen colors.

Homemakers Benton Rites Meet Here September 13

By Patti Lewis
The Extension Homemakers Club met Tuesday, September 13, at the Community Center from 9:30 until 11:30 a.m.

Business discussed included (1) nominating committee to be appointed for club's elected officers, nominated were Patti Lewis, Beverly Chaney and Linda Pierson; (2) yearbook committee of Patricia Deering, Becky Rocha and Patti Lewis; (3) attending State TEHA meeting; (4) plan achievement day which will be held at the Gilliland school being similar to the fair and crafts made by people in the surrounding areas; and (5) nominating a Homemaker of the Year out of our club.

Achievement Day will be Saturday, October 8, and all members have been asked to bring a covered dish. Each club also has been asked to bring one platter of cookies. A program has also been arranged.

Program for this month was "Opportunities for at Home Business", given by Jane Locknane, County Extension Agent for Knox County. She discussed going into business on your own, the disadvantages and advantages and thinking twice before doing anything.

The next meeting will have Curly Awalt on CPR and children's first aid on October 11 from 9:30 until 11:30 a.m. The meeting will also have a small business conference.

Hostesses will be Pam Bloxham and Estelle Griffith. Becky Rocha is in charge of the door prize next month. Plans are also continuing for the dinner program.

IN PROPPS HOME

Mrs. John G. Dutton and Mr. and Mrs. Johnny Joiner, all of Lubbock, surprised Mrs. Birdie Propps Saturday with a visit and a "wonderful" lunch, according to Mrs. Propps.
They were en route to Wichita Falls to visit their other daughter, Margaret Lively and her husband, Wes Lively.

OMISSION

In the information concerning the Manley birth announcement in last week's News, the name of the baby's sister, Bobbie Lee Manley, age four, failed to be submitted.

Benton Rites Are Held Thursday

Funeral services for former O'Brien resident Mamie B. Benton were held Friday afternoon, September 23, at two-thirty o'clock in the First Baptist Church in O'Brien with the Rev. Bill Trice, church pastor, officiating. Burial was in the O'Brien Cemetery with Smith Funeral Home in charge of arrangements.

Mrs. Benton, 88, died Thursday, September 22, in the Brazos Valley Care Home after a lengthy illness.

Born February 4, 1895, in Llano County, she came to O'Brien in 1904 with her parents, the late Amos H. and Sallie LaDuke. She married William Solomon Benton in 1916 in Haskell County. Mrs. Benton was a member of the Methodist Church. She was preceded in death by her husband on July 23, 1971, and two sons, Billy and Jimmy.
Survivors include five brothers, B.F. LaDuke of Vernon, J.W. LaDuke of O'Brien, L.L. LaDuke of Olton, R.V. LaDuke of Ed Couch, and Douglas LaDuke of North Carolina; a sister, Mrs. J.M. Cooner of Dallas; eight grandchildren and several great-grandchildren.
Pallbearers were Vaughn Brooks, Sam Johnson, Coy Hewitt, Demp Emerson, Doyle Graham and Dwight Gothard.

BOONE VISITORS

Visitors in the home of Mr. and Mrs. Joe Boone and Leah last week were Mrs. Boone's parents, Mr. and Mrs. W.R. Ryser of Honey Grove and her aunts, Mrs. Rufus Allen of Denison and Mrs. Erwin Scholz of Denver, Colorado.

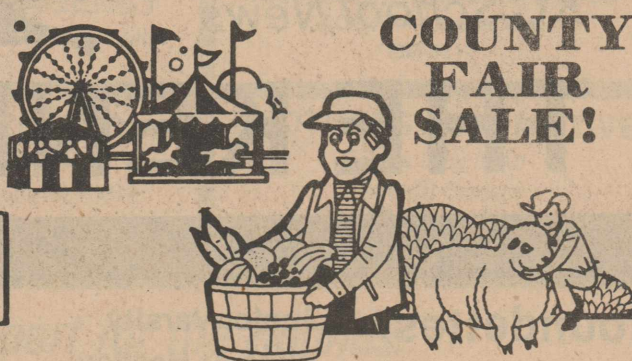

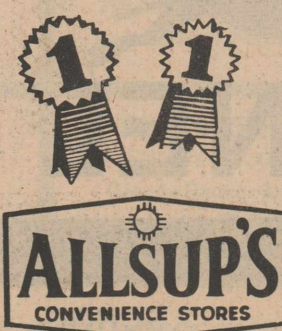

FROM NOLANVILLE

Eloise Patton, Katrine Hudson and Lynda Brooke Pierce of Nolanville visited Monday afternoon in the News office.

Houndettes Defeat Hawley

By Coach Wainscott
Again, the Houndettes travelled to Hawley Monday, September 19, and had a first in this group this year. They won all three games. The varsity won the first match 15-8, 15-8 and the second match 10-15, 15-4, 16-14. The second match proved to be exciting and tough.

The Houndettes are playing more together and better mentally.

Statistics for the Houndettes were as follows: Vera Sweat led in the serving department with 19/19 for 100%. Tammy Rogers led also with 20/22 server for 90%. Kathy Hernandez had 96% with 26/27 serves. Cindy Hernandez had 14/15 for 93%. Serving was an asset Monday night. Leading spiker was Tammy Rogers with lots of help from Paula Chambers, Daveine Holcomb, Vera Sweat and Kathy Hernandez. Leading setter was Daveine Holcomb.

As a group they are playing more heads up ball and their matches prove to be more successful.

Their next outing will be this weekend at Tuscola, Jim Ned Varsity Volleyball Tournament. Then Monday they have an open date.

Houndettes Place Second In Tourney

By Coach Wainscott
Knox City Varsity Houndettes Varsity Volleyball Tournament turned out a success. Holiday Eagles and KC Houndettes battled for the championship with Holiday winning and Knox City receiving second.

The Houndettes won early Saturday morning against Weinert to move towards the championship. Then at two they defeated Vernon H.S. so they knew they would be playing first. It wasn't decided who they would be playing till late at 4:00 when Holiday defeated Aspermont. This made Aspermont and Vernon H.S. play for third place with Vernon winning.

Consolation was won by Burk Burnett defeating Chillicothe. Individual medals were given to the champions, second-place team and the third-place teams.

The Houndettes have now improved their record to 10-5 and continue to work towards their district games in October.

This weekend the Houndettes travel to Tuscola to play in their Jim Ned H.S. Volleyball Tournament. Their first game is with Brownwood.

IN DALLAS
Mr. and Mrs. Carl Shelton visited in Dallas over the weekend with their daughters, Carla Barnard and Shari Shelton.

Junior Varsity Wins At Hawley

By Ila Gross
The Junior Varsity played Hawley, September 20. In playing Hawley, the Junior Varsity won both matches in the game that they played at Hawley. The first match went by rather fast, and as the second match got underway, Hawley picked up action. Knox City came back even more fired up than the first match enabling Knox City to win both matches.

FRESHMAN NEWS

By Ila Gross
The Freshmen have been real busy since school started. Everyone is in at least one activity this year. A few of the activities the Freshmen are in this year are FFA, FHA, Band, Football, and Volleyball. We are doing quite well for our first year in high school and we like it a lot. Way to go Freshmen, keep up the good work!

SERVICES OF THE CHURCH OF GOD IN CHRIST

Services were held here each evening of last week. The Usher Board Joint meeting for the Rule Church was held here on Tuesday evening. Sunday school had a very good attendance with Supt. Manuel in charge. Due to being ill pastor Bennett was unable to attend the services here on Sunday. Missionary Patricia Ward brought the message during the morning service from Proverbs 3:1,6, a great lesson. On Sunday afternoon the Union Joint meeting was held at the Southside Church in Abilene. Elder George Blue preached down there from II Cor. 12:9, a great message.

Letters To The Editor

Sept. 23, 1983
Dear Billye Bess & Co.

Thank you for printing David Counts' accounts of our Greyhound football games. He does such a great (unpaid) job of play by play coverage.

Coaches are too busy, and a writeup by any of us parents might get a little lopsided.

If other households are like ours, the Hound comes in, grabs the paper and gulps it in to see how others think he did. Seeing their names in print helps to ease the soreness and get them ready to go again another week.

We have a strong team and every bit of encouragement helps. So thanks, David. Keep it up.

MERIT RECIPIENT -- Knox City High School senior Peggilee Wupperman is shown receiving her certificate for being designated a commended student in the 1984 National Merit Scholarship Program. Making the presentation is High School Principal Don Fritsche. Peggilee is the daughter of Mr. and Mrs. Richard Wupperman.

KC Senior Named To 1984 Merit Program

Knox City-O'Brien High School has been notified that one of its students has been designated a Commended Student in the 1984 National Merit Scholarship Program. Principal Don Fritsche has announced that Peggilee Wupperman placed in the top five percent of over one million participants in the

twenty-ninth annual Merit Program. Peggilee is the daughter of Mr. and Mrs. Richard Wupperman.

Although Commended Students will not receive further consideration for Merit Scholarships, each has demonstrated unusual academic promise and will be honored with a Letter of Commendation.

An officer of National Merit Scholarship Corporation (NMSC), which administers the program, stated that, "The outstanding test performance of each Commended Student in the highly competitive Merit Program is an attainment deserving of recognition. In a nation that places great value on the education of its young people, it is important to honor academically talented students and to acknowledge the part that schools play in the development of their abilities. We sincerely hope that their attainments thus far will encourage these young men and women to take advantage of their opportunities for higher education and to acquire the skills they will need to become productive adults and contributing citizens in a free society."

All participants in the current Merit Scholarship competition entered by taking the PSAT/NMSQT in the fall of 1982. Although the scores of the 35,000 Commended Students designated throughout the 50 states were very high, they were slightly below the level required for Semifinalist standing. Only the 15,000 Semifinalists who were announced by NMSC on September 14 will have an opportunity to continue in the competition for some 5,300 Merit Scholarships to be awarded next spring.

Bloodmobile Visit Set October 18

Local Red Cross Blood Services chairman Sue Marion, has announced that the Red Cross Bloodmobile will visit Knox City on Tuesday, October 18, between the hours of 1:30 p.m. and 6:00 p.m.

If persons are between the ages of 17 and 66, and are generally in good health, they are needed to donate blood on this date. Questions concerning eligibility may be answered on site by staff nurses at the Bloodmobile.

In order to assure a safe, healthy and plentiful blood supply, it is important that new donors be recruited for each mobile operation. Regular donors are being encouraged to bring a "first-timer".

Donating blood is not something to "fear". It takes approximately 45 minutes to go through the entire process. Those persons who need to have a special appointment time may do so by contacting Mrs. Marion at 658-3294.

Farabee Urges Voters To Exercise Privilege

Austin -- Although some candidates for the 1984 elections have already announced, Senator Ray Farabee (Wichita Falls) is reminding his District that there is also a 1983 election that they need to vote in. At stake are eleven constitutional amendments, two of which were sponsored by the Senator.

"On the years when there is no election for statewide office and voters do not hear candidates campaigning, it is easy to forget that there is still an election. This year it will be held on November 8, and voters will have the opportunity to vote on constitutional amendments dealing with child support, the pardon and paroles system, the Permanent School Fund and other issues. I urge voters from the 30th District to vote for all of these amendments," Farabee said.

Farabee outlined five of the eleven amendments, and promised that his office will release information on the other six in following weeks.

Amendment 1 would authorize counties with a population of 30,000 or less to have fewer justices of the peace and constable precincts. Farabee noted that this amendment would save counties money.

Amendment 2 proposes to

change the homestead exemption of urban homesteads from a monetary limitation to the size limitation also used by rural homesteads. This change will avoid future amendments to the Constitution when the price of land or the standard of living changes.

Amendment 3 would allow the Legislature to grant agricultural producer associations the authority to collect refundable assessments on their product sales. Farabee said that such an amendment would allow agricultural producers to promote their products in a more cost-effective manner. He explained that passage of the amendment would not automatically result in mandatory assessments, but would give producer associations the right to hold a referendum to decide if the assessments should be levied.

Amendment 4 would authorize provisions to temporarily fill the offices of state senators and representatives when incumbents are unable to fulfill their duties during emergencies caused by enemy attack. It also sets a procedure for the suspension of certain legislative procedural rules during these emergencies.

Amendment 5 proposes to

allow the use of the Permanent School Fund to guarantee school bonds. Because the current economic conditions result in high interest costs for school construction, many districts have not expanded their schools to accommodate the new students moving into Texas. Senator Farabee explained that if the state guarantees these bonds, interest costs can be brought down and necessary building and renovating will cost taxpayers less. Farabee also said that this is virtually a risk-free program for the state, and will benefit school children, teachers and the education system of Texas.

Comptroller Rep To Visit Munday

Comptroller Bob Bullock will have a representative in Munday on Tuesday, October 11, from 1:30 until 3:30 p.m. in the City Hall.

Taxpayers who need assistance with state taxes should plan to meet with the representative at this time.

'Produce & Protect' For Home Gardeners

Should home gardeners worry about erosion? This question was put to Judy Fairchild, with the Soil Conservation Service headquartered in Knox City.

"Absolutely," she replied. "Erosion is bad even in small amounts. It means that some of your limited topsoil is lost. But erosion does more than steal your topsoil. As soil leaves your home garden or town lot, it moves into ditches and streams, where it becomes mud and a pollutant.

"Undoubtedly mulching is the best conservation practice for the home gardener. Mulching has many benefits, and often eliminates the need for ditches, terraces, or walls that home gardeners often use."

According to Judy, a mulch on the surface will break the

force of beating raindrops, and protect soil from erosion; retard growth of undesirable weeds and grass; help soak up and hold moisture from irrigation or limited rain during dry periods, and prevents the formation of a crust; reduce soil temperature during hot weather; add organic matter to the soil, which helps keep earthworms and other soil organisms happy; and by protection, prevention of erosion, and adding organic matter it actually improves the workability, or tilth, of the garden's soil.

"A mulch can be almost any organic material", Judy said. "Compost, straw, cotton huss, or lawn clippings, are all OK. Those who want more information on mulching can get a leaflet called Mulches for Your Garden, by calling 658-3526.

been made yet so information is not yet available for press release.

In addition to the games being broadcast live, KVRP has made arrangements to have a representative at the other Knox City games to make a report that will be aired as soon as possible after each game. This will be beneficial to Knox City residents when the team is away from home, as it will allow the information to reach Knox City long before the return of the team.

Thanks to the efforts of Haskell station KVRP, Knox City will be heard from as our Greyhounds make their bid for football honors. We all hope that every fan can attend each game and support the team in person. But for those not able to go, at least now some of the games can be heard live; and the results of every game will be aired on the KVRP Friday night High School Football Scoreboard as FM 95 makes an all out effort to follow the Hounds in '83.

Ideas And How-To
For Window Treatments

Now, you can "window shop" fresh ideas for window treatments right in your own home. Scores of pretty, practical and energy-efficient treatments are pictured and explained in an informative, new book from the window treatment experts at Kirsch.

Called "Window Shopping," the 132-page, full-color book explains how to logically select a window treatment, handle various window types and measure for the popular, new layered looks. It even features actual colors and patterns.

In addition to fabric treatments and drapery rods, the book covers vertical, wood-slat and mini-blinds; woven woods; and custom and pleated shades.

Among the innovations are patterned window shades, like those used by designers; pastel woven woods; and pleated shades, as energy efficient as 5" of brick, yet sheer and beautiful.

"One of the angels, came to me and said, 'Come with me and I will show you the bride, the Lamb's wife.'" (Rev. 1:9). Living Bible

This must have been a Blessed and wonderful time for John. In a vision he took John to a towering mountain peak and from there he watched the wondrous city, the Holy Jerusalem, descending out of the skies from God. It was filled with the glory of God, and flashed and glowed like a precious gem, crystal clear like jasper. Its walls were broad and high, with twelve gates guarded by twelve angels. And the names of the twelve tribes of Israel were written on the gates. There were three gates on each side - North, South, East and West. The walls had twelve foundation stones, and on them were written, the names of the twelve apostles of the Lamb. (Rev. 21:10-14) Living Bible

"The angel held in his hand a golden measuring stick to measure the city and its gates and walls. When he measured it, he found it was a square as wide as it was long; in fact it was in the form of a cube, for its height was exactly the same as the other dimensions-1,500 miles each way. Then he measured the thickness of the walls and found them to be 216 feet across (the angel called out these measurements to me, using standard units.) Rev. 21:15-17 Living Bible. (b. Literally, "144 cubits by human measurements". A cubic was the average length note of a man's arm-not an angel's. The angel used normal units of measurement that John could understand.) Sunday Reception To Honor Couple

A reception honoring the Fiftieth Wedding Anniversary of Claudia and Manford Reid of Rochester will be held on Sunday, October 2, in the Rochester School Cafeteria.

Mrs. Reid, the daughter of the late Jim and Nora Hewitt, was born in Pike County, Arkansas, on July 19, 1917. She moved to Haskell County to the Foster Community with her family in 1924 and attended school at Foster.

Born June 3, 1911, in the Foster Community near

Rochester in Haskell County, Mr. Reid is the son of the late Leonard and Alma Reid. He attended school at Foster and Haskell High School.

The couple was married on September 30, 1933, in the First Methodist Church in Haskell with the Rev. A.W. Gordon performing the ceremony.

The Reids have lived in Haskell all of their married life and presently live in the Foster Community. They are both members of the First Baptist Church in Rochester. Mrs. Reid is a homemaker and a member of the Eastern Star while her husband is a farmer. He also worked part-time for Southwestern Appraisal Services and is a member of the Haskell County ASCS Committee and has been for 21 years. Mr. Reid is a member of the Masonic Lodge 954 and Lions Club and has served on the Haskell County School Board and is a former Rochester School Board member.

The couple's children, who will host the celebration along with the couple's grandchildren are Mrs. George (Sharon) Mullino of Rochester, James Reid of Rochester, Mrs. Andy (Diane) Wall of Tyler and Mrs. Hollis (Kaye) Riggins of Waco and Nick Reid of San Diego, California. The couple also has ten grandchildren and two great-grandchildren.

The children and grandchildren of the couple invite friends and relatives to the celebration which begins Sunday afternoon from two until five o'clock, as noted by their personal invitation in last week's News.

CROP DAMAGE - Anne Underwood, at right, brought proof of the crop damage suffered by their farm and an adjoining farm west of O'Brien Wednesday morning from the subnormal temperatures. Her neighbor's cotton damage was on about 25 rows near the road in a low spot which totaled about seven acres, she said. She is pictured as she shows the damaged cotton stalk to a News office customer, Elaine Lewis. In her other hand, she holds a portion of one of her milo stalks which was planted late and was in the "dough" stage. She estimated that about fifty acres of maize was severely damaged.

PROBLEM-SOLVING IDEAS

By Susan Dickinson
Make More Of Leftovers

Don't throw away those leftovers! Keep a notebook of unusual ingredients, one to a page. Collect recipes using such ingredients and add to each page. When you have leftover okra, for example, turn to the "Okra" page and start cooking.

Keeping leftovers both fresh and visible is one way to keep down inflated food costs and keep up family appetites. Leftovers will stay in circulation if you store them in clear plastic containers that stack on a lazy susan. One model is only four inches high, yet stores two and a half quarts in six containers. A larger model is seven inches high and has eight containers to store six quarts.

Lions Club News

By James Patterson

KNOX CITY LIONS CLUB met in its regular luncheon meeting at noon last Wednesday with President Don Hawkins presiding. "America" was led by Lion David Lorenz. The invocation was given by John Moncrief.

After the meal, guests were introduced. Mickey Ramsey was guest of John Crownover others who were on the program would be introduced later.

The president reported on the Garage Sale with netted \$412.00. There was a discussion on a fine for members who did not participate, but "the discussion" died without any action being taken.

It was announced that the Lions Mop and Broom Sale would be all day on October 12, beginning at 8:00 a.m.

Donations were solicited for Lions District 2E-1 Special Activities Project. For each one dollar gift, a ticket was issued for drawings to be held at Mid-Winter Conference in Stamford, January 14, and at the District Convention in Wichita Falls. The prizes at the drawings consists of Round Trip Airline Tickets to International Convention in July to San Francisco, Microwave Ovens, and Am/FM Radios.

Lion Tony Diaz was program chairman. He in-

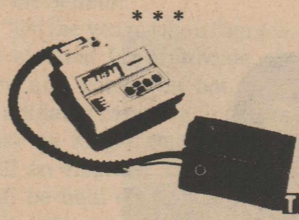

roduced two women who were with West Texas Utilities: Mary Johnston of Abilene and Valory Brock of Stamford. They are resource people in Energy Conservation Service Program. Mary Johnston gave a film-program on the "Best Possible Use of Electricity".

The "drawing" produced the name of Larry Welch. Had he been present, he would not have been harassed by the Tailtwister for a whole month.

The meeting closed with the Pledge of Allegiance led by Lion Boss Hawkins.

health hints

High blood pressure is often called "the silent killer" because it can affect a person's health even though he feels fine. There are no symptoms of this disease but certain factors can predispose one to the problem. They include heredity, excess weight, stress and smoking. In addition to changing your lifestyle, today there are, fortunately, several medications that doctors can prescribe to control high blood pressure.

Whether or not your doctor has advised a drug for blood pressure problems, he may want to monitor your readings regularly. It's now possible to regularly and accurately check your own blood pressure right at home. The brand-name quality and reliability of Norelco appears on four accurate blood pressure meters for home use. They utilize the latest state-of-the-art technology and precision electronics designed to meet the needs of today's health-conscious consumers.

HOME FROM LAS VEGAS

Mr. and Mrs. Ben Smith of Fort Worth and his parents, Mr. and Mrs. Z.I. Smith returned Sunday night from a 10-day vacation in Las Vegas.

The group reported that they stayed at their favorite spot, the MGM, where they enjoyed seeing Liberace. They also toured the Liberace Museum and had lunch at Liberace's Trivoli Gardens. Among other entertainers they saw perform were Sammy Davis Jr., Siegfried and Roy, Shirley McLane and David Brenner.

Other points of interest included a trip to Old Town in Albuquerque, New Mexico.

Students Learn Computers

By MATT HARRINGTON

Do the words 64K, RUN, LIST, EDIT, SAVE, LOAD, and FOR-NEXT have any special meaning? Ask James Evatt, Daveine Holcomb, Dante Gutierrez, Sarah Jones, Angie Norton, Steve Rutherford, Greg Skiles, Nathan Staggs, or Peggilee Wupperman. These people want to do more than play video games. They are the students enrolled in the new computer literacy course now being offered at the Knox City-O'Brien High School.

Computers are everywhere. There is one in every digital watch and every pocket calculator. New cars, television sets, microwave ovens, and typewriters often have computers. Even this article was written with the aid of a computer. This is why computer literacy is so very important.

This course is designed to aid the graduating senior in acquiring a basic knowledge of computers. The students will not only learn how to use computers in an office environment, such as a word processor or handling the inventory or accounting of an office, but they will also learn how to write programs to control the computer. Whether the student goes on to study in college or elects to go directly into the work force, he will have an advantage in understanding basics of computer operation and the limitations and capabilities of a computer.

Although only five weeks into the school year, the students have shown a strong desire to learn about computers and have done an excellent job in the work thus far.

A FIRST FOR KC-O'BRIEN - These students are making history in the Knox City-O'Brien Schools as they are enrolled in the first computer class, which is being taught by Matt Harrington, standing left. Others standing, left to right, are James Evatt, Steve Rutherford, Greg Skiles, and Angie Norton. Seated from left, are Nathan Staggs, Daveine Holcomb, Dante Gutierrez, Peggilee Wupperman, and Sarah Jones.

HOW'S THIS FOR KC SUPPORTERS! - Former residents Mary Lou Wilson, at right, and her husband, Jack, standing behind the group, of Fayetteville, Arkansas, were visiting her father, L.W. Graham, recently when they were joined by their neighbors from Fayetteville to see this place called Knox City! The two couples, from left, Rip and Bernice Lindsey and Mary and Wallie Ingalls, reported that they 'loved' the town and were impressed by the friendly folk here! They had been travelling out west and decided to include Knox City in their itinerary en route home. Mrs. Ingalls, before retirement was instructor of speech communication at the University of Arkansas while her husband Wallie formerly was play by play announcer for the University of Arkansas Razorbacks before accepting the position as registrar for the university. Mr. Lindsey was radio engineer at the same time Wallie was announcer. He just retired after 32 years as manager for Warner-Amex Cable TV.

SENIOR CLASS OFFICERS - Heading up the senior class for the 1983-84 school year are, from left, Wayne E. Hutchinson, president; Michelle Bateman, vice-president; Peggilee Wupperman, secretary; Felicia Ward, treasurer; Sarah Jones, reporter; and Renella Watson and Melanie Whitley, sponsors.

JUNIOR CLASS OFFICERS - Named as officers for the Junior Class for the 1983-84 year are, from left, Missy Pierce, president; Adam Garcia, vice-president; Vera Sweat, secretary-treasurer; Andy Correll, reporter; and Gina Trice, sponsor.

Area Oil News

Haskell

Sojourner Drilling Corp. has planned two projects for the Pierson (Strawn) Field six miles east of Rochester in Haskell County.

Each venture is slated for 4,750 feet.

No. 3 Bevel is located on a 160-acre lease.

It spots 1,040 feet from the north and 1,320 feet from the east lines of Lot 15, Jane Wilson Survey, A-413.

No. 4 A.H. is located on a 160-acre lease, also.

Drillsite is 820 feet from the south and 900 feet from the west lines of Lot 22, same survey.

King

Taubert, Steed, Gunn & Medders from Wichita Falls completed No. 52-N S.B. Burnett Estate in the Anne Tandy Field 17 miles southeast of Guthrie, King County.

The well is located 3,325 feet from the southwest and 660 feet from the southeast lines of Section 9, Block X, R.M. Thompson Survey.

Completed on a pump, it had a daily potential of 52 barrels of 36 gravity oil from perforations at 5,215-25 feet.

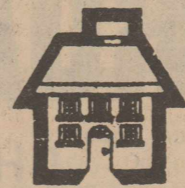

The 4½ inch casing is set at 5,462 feet, and the hole is bottomed at 5,800 feet.
