Auto Crash Claims Life Of Missouri Man

By DAVE THOMPSON
At 2:20 a.m. on Wednesday, September 28, Knox City Emergency Medical Service (EMS) personnel were called to respond with the Knox City ambulance to the location of a tragic auto - semi truck wreck 19 miles northwest of the city that killed a Missouri man and injured three others.

Arriving at the location of the accident one mile east the intersection of State Highway 222 and US82 on a deteriorated stretch of US 82 that is under construction, EMS director Jackie Young and attendants Roland Marion and Billy Bob Reynolds were directed by DPS Trooper Danny Waincott to three men who were injured and required medical assistance.

The grinding, near head-on collision of an east bound 18 wheeler and a west bound Volkswagen claimed the life of the auto driver, 27 year old Donald Foster Rotramel of Waynesville, Missouri. His body was pinned in the wreckage of the car and he was pronounced dead at the scene by a Justice Of The Peace from King County.

Injured in the crash and transported to Knox County Hospital were the driver of the truck, 47 year old J.B. Hicks of Thayer, Kansas, and the two passengers of the Volkswagen, 24 year old Jan-dir Kronenberg of New York and 26 year old Henry Tomaszewski of Massachusetts were hitch hiking across the U.S. and were picked up by Rotramel in the Volkswagen outside of Wichita Falls. Hicks and Tomaszewski were treated for minor injuries and released from the Knox County Hospital after a brief stay. Kronenberg was transferred from Knox City to Wichita Falls for further treatment of a broken jaw.

After extraction from the wreckage, the body of Rotramel was taken to Smith Funeral Home in Knox City.

Readers are reminded to plan now to have lunch Saturday as the Chamber will be selling brisket sandwiches, hamburgers and soft drinks all day.

Site of the cookoff is the David Albus farm, two miles north of the city.

REVIEWING THE ISSUE - Moments before the nuclear waste disposal site meeting Monday night in the Knox City School Auditorium, from left, Rob Harrison, Knox City merchant who was instrumental in arranging the meeting, Supt. of Schools W.R. (Bill) Baker, and State Representative Steve Carriker discuss some of the questions raised in regard to the proposal that Knox County be considered for one of the sites.

For Waste Site Meeting

Austin Officials In KC

By DAVE THOMPSON

At a Monday night meeting held in the Knox City School Auditorium, several state officials were on hand to present a program on their attempt to locate a site for the disposal of low level radioactive waste within the state of Texas.

Approximately 100 area residents listened intently as the speakers were introduced and the program proposal explained.

School Superintendent Bill Baker opened the meeting as he introduced Knox City resident and businessman Rob Harrison, the person primarily responsible for the growing opposition to the program and the person who played a very large part in arranging the meeting.

State Representative Steve Carriker from Austin was introduced to the audience. He then served as the host for the open forum. Carriker introduced Bob King from the Texas Department of Agriculture who went on to explain to those present that he was there to monitor the meeting for his agency. Because of the large amount of farmland in the Knox County and surrounding areas, the Department of Agriculture is very interested in the matter of the proposed radioactive dump site.

Representative Carriker then introduced Tom Blackburn from the Texas Low Level Radioactive Waste Disposal Authority (TLLR-WDA). Blackburn presented a program on the reasons behind the search for a dump site, the criteria on how possible sites would be selected, the types of radioactive waste that would be stored at the site and the long range plans of the agency. As Blackburn presented his information, he released some startling information to those present at the meeting. Certain types of low level radioactive waste need to be monitored for at least 350 years, and the steel 55 gallon containers used for storage of some of the materials only have a life expectancy of five years. He was very honest with the audience as he explained that other sites in three different states have had to be closed because of bad management and health threats to the public. The most important information presented was the fact that TLLR-WDA has no "imminent domain" powers; the agency cannot acquire land for a dump site unless the land is sold with full surface and mineral rights included in the sale. Blackburn remarked that if no Knox County landowners were to make land available, there would be no possibility of a site in Knox County.

Rick Loweree of Austin was introduced next, Loweree is an attorney who represents several citizen groups in

Texas that oppose radioactive dump sites. By being in attendance at the meeting, Loweree was able to present opposing viewpoints to the information presented by the agency speaker.

Representative Carriker stressed to the audience that the meeting was being held so both sides in the issue could pass information and learn from each other. Carriker urged those in attendance to ask questions, and that is exactly what happened as several of the residents present asked some rather detailed questions about the types of waste to be disposed, the manner of handling the waste, the transportation of waste, the packaging and storage procedures and what would happen in the event of any emergencies. The officials responded to all the questions, Blackburn was honest and straight forward when asked about what would happen in the event of an emergency or unusual occurrence that could cause a leakage of the waste materials into the surrounding land or water shed. He replied that even though his agency had all the modern technology necessary to deal

with any possible type of emergency that could be predicted, they still could not outguess Mother Nature.

After the meeting, Representative Carriker stated, "I think that there was an excellent exchange of information, the folks got a better idea, a more accurate idea, of what a low level nuclear waste disposal site is all about and I think that the authority-Mr. Blackburn representing the authority got a little better idea of the problems that would be entailed in locating one in Knox County."

When asked his opinion of the meeting that he had worked so hard to prepare and bring to Knox City, Rob Harrison replied, "I was very pleased with the turnout that we had tonight. I think that the people who gave their presentations tonight were knowledgeable in the aspects of the pro and con. I felt like a lot of questions were answered tonight that I couldn't answer because I couldn't get the information or I didn't have the ability to present it like they did so I feel real good about the meeting. I feel that it was a great success."

Lions To Sponsor Mop 'N Broom Sale

The Knox City Lions Club is once again sponsoring the Mop 'N Broom Sale on Wednesday, October 12, beginning at 8:00 a.m. near the U.S. Post Office.

The Lions had not sponsored this sale in several years and many residents requested that they hold it again.

Bloodmobile Plans Are Continuing

Red River Regional Red Cross Blood Services has announced collection goal for the upcoming fiscal year will be set for 24,500 units of blood. This figure is a 500 figure increase over the present goal and indicates projected changes in blood usage by regional hospitals.

Red Cross Blood Services is the steward of voluntarily donated units of blood. It recruits donors, collects, processes, and distributes blood to 44 hospitals in a 34 county area of North Central Texas and Southern Oklahoma.

Residents of these communities can be proud of what they have done for their fellow-man. It is expected that the needed increase in productive units will be met willingly. Do your part by donating at the upcoming Bloodmobile to be held on Tuesday, October 18, at the First United Methodist Church in Knox City between the hours of 1:30 and 6:00 p.m.

The quality products are made by the visually impaired and a major portion of the proceeds go to the Lions Sight Conservation Program, officials said.

An effort will be made to contact businesses and households, but in the event a customer is missed, the Lions ask that they call 658-3211 between the hours of 9:00 a.m. and 5:00 p.m. on the day of the sale.

Munday Firm Gets Bid On New Building

Knox County Commissioners met in special session Thursday, September 22, at 2:00 p.m. for opening of bids for construction of a metal building 45'x70' for a central kitchen to be located in Knox City for senior citizens of Knox County.

Commissioners Court voted unanimously to accept the bid of Rick Herring of Munday in the amount of \$73,000.00.

Construction is to begin soon, officials said.

Vandals Should Be Reported

Several acts of vandalism have prompted school officials to ask the help of persons who might have information regarding any suspicious acts on or near school premises.

School Supt. W.R. (Bill) Baker said that fifty dollars is being offered for information leading to the apprehension of anyone guilty of vandalism of public property under the management of the Knox City-O'Brien Consolidated Independent School District.

On Thursday, September 29, the VEH Building was broken into at O'Brien and another break-in was attempted at the Haskell-Knox Consortium, also at O'Brien.

Both Sunday and Monday nights, vehicles did damage to the turf between the high school building and the greenhouse and gymnasium.

Also, over the last three to four weeks, lights have been broken at the Greyhound Stadium fieldhouse entry and in the fieldhouse restrooms.

School officials are asking the cooperation of the public in regard to this vandalism and urge readers to call either the school office at 658-3521 or the Knox City Police Department at 658-3414 anytime they witness any acts they deem suspicious.

KC Rolls Over Eagles

By LYNDOL CYPERT

The Knox City Greyhounds spoiled Chillicothe's homecoming by soundly defeating the Eagles, 49-12. This game also marked the opening of district play for both ball clubs. The Hounds are now 3-1 for the season and 1-0 for district.

The Hound offense racked up 428 yards while the Hound defense allowed only 144 yards for the Eagles. The Hound defense intercepted three passes, two by Jerry Gutierrez and one by Wayne Hutchinson, also James Evatt recovered an Eagle fumble.

Knox City received the opening kick-off. The Hounds seemed a little nervous on their first series getting a penalty on the first play and losing several yards on a fumbled pitch out; however, a 22 yard pass play from Hutchinson to Dwayne Watkins was accomplished before the Hounds were forced to punt.

Hutchinson punted the ball 45 yards and the Chillicothe Eagles took over the ball on their own 8 yard line.

Thompson stopped the offensive play by the Eagles after a three yard gain. Whitaker and Hutchinson stopped the next play after a three yard gain. Chillicothe picked up a first down. The Hound defense stiffened when Whitaker and Evatt allowed only two yards. Flores stopped the second down play for a two yard loss. Whitley put the heat on the passer and caused an incomplete pass bringing fourth down and a punting situation. However Chillicothe's punter Johnson decided to run and made the first down. At this point, the Knox City defense really buckled down with Whitley tackling the runner for a two yard loss on first down. Whitley teamed with Rocha and Hutchinson to stop the ball carrier for another two yard loss on second down. On third down, the Hounds got a good pass rush from Whitley and Thompson resulting in a pass interception by Hutchinson.

The KC offense went to work. First down, Lockhart ran for 12 yards and a first down. Lockhart carried again for 5 yards. Then on second down, Lockhart carried again behind good blocking by the Hound offensive line, broke into the open and raced 24 yards into the end zone for touchdown. Hutchinson

Area residents who will be unable to attend the Friday night football match up between District 3-A rivals Knox City and Crowell will be able to hear the game on Haskell radio station KVRP, FM 95.

Hound Game To Be Aired Friday Night

Broadcasting the game live from Greyhound Stadium, Gary Barrett and David Wayne will begin the pregame show at 7:00 p.m., with the kickoff scheduled for 7:30. Interviews with the coaches from both schools will be aired during the pregame show, with Knox City head coach Tommy Sloan being interviewed by KVRP's Mark Decker.

kicked the extra point and the Hounds led 7-0.

Following the kick-off, the Hounds defense refused to give up any yardage. Eaton, Thompson, and Whitley teamed up to stop the Eagle runner for a six yard loss. On second down, Rios broke through and stopped the ball carrier for a 15 yard loss. Chillicothe quick kicked and the Hounds took over on their own 28 yard line following a clipping penalty. Lockhart carried twice for 11 yards and a first down. Steve Oudems took the hand-off from Hutchinson and behind good blocking and hard running Oudems rambled 55 yards to the Eagle six yard line. Lockhart got the touchdown on a six yard run. Hutchinson passed to Flores for the two point conversion. Score KC 15, Chillicothe 0.

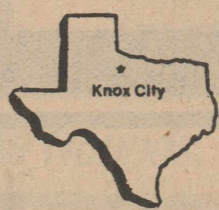

The Hound defense continued to play tough. Evatt and Hutchinson stopped the first down play after four yard gain. Hutchinson stopped the ball carrier on second down after a four yard gain. Eaton and Thompson got in the backfield and stopped the third down play for a two yard loss. The Eagles punted and the Hounds took over on their own 13 yard line. The first quarter ended with the score still 15-0 in favor of Knox City.

J.T. Cypert Attends Conference

SAN ANGELO-Knox County Treasurer J.T. Cypert, along with some 175 other Texas county treasurers attended the 35th Annual Texas County Treasurers' Conference in San Angelo, September 20-22. The Conference was the conclusion of a highly productive year for Texas county treasurers under the leadership of President Bill Melton, Dallas County Treasurer. The agenda included headline speeches from State Treasurer Ann Richards, Attorney General Jim Mattox, Secretary of State John Fainter, and House County Affairs Chairman Gary Thompson, as well as financial and educational discussions and workshops.

Association President Bill Melton explained that the County Treasurers' Association was instrumental in the passage of four bills during the 68th Session of the Texas Legislature, including HB 570, the county treasurers' continuing education bill which requires 20 hours of classroom training in the duties of county treasurer each 24 months. The organization also published the new Texas County Treasurers' Procedures Manual in cooperation with the V.G. Young Institute for County Government, a part of the Texas A&M System.

The second quarter began with the Eagles holding Knox City and forcing a punt. Chillicothe blocked the punt and took over the ball on the Knox City 32 yard line. On first down, the Eagle quarterback Johnson passed to Boone and the Hounds were flagged for pass interference at the nine yard line. Evatt, Flores and Whitaker stopped the Eagles for a two yard loss. Second down found an incomplete pass. Gutierrez saved a touchdown when he tackled the Eagles ball carrier on the one yard line. However on fourth down, Johnson found Boone in the end zone for a touchdown and the Eagles were on the score board. Conversion attempt failed. Score 15-6.

After receiving the kick-off it took the Hounds only a minute and a half to score. Hutchinson passed to Watkins for 15 yards. Lockhart ran for four yards. Hutchinson ran for four yards. Hutchinson threw a screen pass to Lockhart who then ran 50 yards to pay-dirt. Good blocking by the offensive line allowed the play to work. Hutchinson's try for the extra point failed. Score 21-6.

Knox City kicked off and the Eagles were penalized for clipping, therefore they started this series on their own ten yard line.

Whitaker and Oudems allowed only two yards on the first down play. Then the Eagle's Johnson passed to Boone for 34 yards. On the next play, Oudems bone crushing tackle caused a fumble. It took only eight plays for KC to score again. Oudems carried for 21 yards, Rocha carried twice for 17 yards. Hutchinson carried twice for four yards, then Hutchinson tossed a pass to Flores from four yards for a touchdown. Hutchinson kicked the point after and the

HOUNDS

From Page One

score was 28-6.

The Hounds kicked to Chillicothe and on the first play following the kick-off, Jerry Gutierrez picked off his first of two interceptions and the Greyhounds were off and running again. The offensive unit took to the air ways as Hutchinson passed to Watkins for 14 yards, then to Rauch for 8 yards, then to Rauch again for 8 yards, then to Lockhart for 19 yards with 26 seconds left in the second quarter Hutchinson scrambled nine yards into the end zone for another touchdown.

The try for extra point was not good and the score at the half was 34 to 6.

The second half began just as the first half ended with the Hound defense in control. KC held the Eagles to only nine yards in four downs and took over the ball. On the Hounds first offensive play of the second half, Oudems raced for 41 yards before being stopped at the Eagles 9 yard line. Rios carried for 7 yards down to the two yard line. A penalty against Chillicothe moved the ball to the one yard line. Rocha scored the next play from the one yard line. Hutchinson kicked the extra point and the score was 41 to 6.

The fourth quarter saw all the Hounds in action, as the regular starters got a breather. Chillicothe was able to score on a 16 yard pass from Johnson to Perkins. The conversion attempt failed and the score was 41 to 12. The Hounds were not through as Jerry Gutierrez intercepted his second pass of the night. KC used this turnover to go 30 yards for another score. Willie Robinson got the final 11 yards on a run. Wupperman passed to Balis for the two point conversion.

The final score was Knox City 49, Chillicothe 12.

A super job Hounds. Next week we host the Crowell Wildcats. Come support the Hounds Friday night.

THE KENNEL

SOPHOMORE NEWS
By Danny Balis

This past week the Sophomores haven't been very busy, except for football and volleyball. The Hounds went to Chillicothe and defeated the Eagles 49-12. Sophomore George Rocha scored in that game, while Michael Rauch got his first reception of the season. Ricky Wupperman looked very well, too, coming back strong from a dislocated knee.

UIL events need to be kept in mind, for the meet is not long away.

GREENHAND NEWS
By J. Emerson

In the past two weeks the Greenhands have split up, one group working on the leadership teams and one group swine projects. The leadership teams consist of Ray Casillas, Tim Cypert, Shane Lewis, John Weatherly, J. Emerson, Jessie Ledesma, David Bradley, Shane McAda, James Maddox, and Richard Brewer. We all hope this team does well at the contests.

EXPLORERS NEWS
By Daveine Holcomb

What an exciting year this is going to be because of the Explorers.

Explorers is an organized group of high school students working together with the local law enforcement officers.

So far, the group has had loads of fun. The week before last, the group went to Benjamin and visited the county

jail and we learned all sorts of new things about the law and how it works. It was a truly fascinating trip.

Last week, the group went to the river. We had a weiner roast and climbed mountains.

I personally can't wait for the rest of the year. We urge new people to join or just come for a meeting and see how you like it.

FHA OFFICERS ATTEND WORKSHOP
By Vera Newton

FHA chapter officers participated in an officer training workshop in Abilene September 27. Knox City officers attending were Sarah Jones, Nancy Jones, Sheri Evatt, Kim Gillispie, and Peggie Wupperman.

The first general session included a presentation by Willard Tate, Associate Professor, ACU who told participants "How to Have a Good Day".

Each officer attended a workshop that pertained to the office held in the local chapter. Peggie Wupperman, Area IV Vice President of Recreation, conducted a workshop pertaining to her office. She was assisted by chapter advisor Vera Newton in explaining the structure of FHA.

During the lunch hour members were entertained by Peggie Wupperman with a Monologue and the Confederate Singers from Cooper High School.

The afternoon was spent attending workshops for personal growth and development.

Knox City won first in the name tag contest. The name tags were designed and made by Sophomore FHA members-Paula Chambers,

Christi Clayton, Sheri Evatt, Angie Gresham, Tammy Rogers, Jenny Vasquez and Celia Whisenhunt.

Posters depicting the structure of FHA were constructed by Sophomore FHA members Kathy Hernandez, Lynette Norman, Gloria Quintana, Kathy Reynolds, Chris Rodriguez, and Anna Torres.

Houndettes Win Over Burkburnett

By Coach Wainscott

Houndettes get revenge on all opponents who have defeated them so far. It seems the second time they play an opponent they get back on them for defeating them. The Houndettes record stands as 12-5.

Last Monday, they traveled to Burkburnett and won 12-15, 15-10, 16-14 then again 15-11, 16-14.

Leading senior was Daveine Holcomb with 23/23 for 100%, backing her was Tammy Rogers with 21/21 for 100% and Michelle Bateman with 20/20 for 100%. Others that served well were Vera Sweat with 21/23 for 91% and Cindy Hernandez with 19/21 for 90%. Leading setter was Daveine with 66. Leading spiker was Tammy with 34. Tammy also lead with 11 blocks.

As you can see with the scores it was a battle but the Houndettes fought for their victory.

Next Monday, the Houndettes have a chance to get back at Holliday.

The Houndettes played three matches Monday night, with Knox City winning the first match and Burkburnett coming up and winning the next two. All three matches were all very exciting. At this point the Junior Varsity is doing pretty good.

STREAMS IN DESERT PLACES

By OZELLE STEPHENS

HEAVEN CONTINUED

"The City itself was pure, transparent gold like glass, the wall was made of jasper, and built in twelve layers of foundation stones inlaid with gems.

The first layer with jasper; The second with sapphire; The third with chalcedony; The fourth with emerald; The fifth with sardonyx; The sixth layer with sardus; The seventh with chrysolite; The eighth with beryl; The ninth with topaz; The tenth with hrysoprase; The eleventh with jacinth; and The twelfth with amethyst.

The twelve gates were made of pearls, each gate from a single pearl. And the main street was pure transparent gold, like glass. No temple could be seen in the city, for the Lord God Mighty and the Lamb are worshipped in it everywhere (meaning, they are its temple). And the city has no need of sun or moon to light it. For the glory of God and of the Lamb illuminate it. Its light will light the nations of the earth, and the rulers of the world will come and bring their glory to it. Its gates never close; they stay open all day long - and there is no night. The glory and honor of all nations shall be brought into it. Nothing evil will be permitted in it - no one immoral or dishonest-but only those whose names are written in the Lamb's Book of Life."

My! What a glorious and wonderful place and every one may go there to spend eternity. Our Blessed Jesus has made it possible, you have only to believe and obey Him.

FIRE DEPARTMENT NEWS

By KEN LAWSON

Firemen have had two calls since the last News. The first being September 25 at 7:12 p.m. to a storage shed in the northeast section of Knox City. The shed and fence around the shed was a complete loss. We had a chance to use the new truck as a booster at this fire and everything worked as expected. This system could give us at least seven fighting lines to use in case of a large structure fire. The second call was Saturday, October 1, at 1:45 p.m. in

O'Brien at the Dennis Qualls home. Grass was on fire in the yard. One truck and ten firemen responded to this call.

Fire prevention week is October 9 through October 16 and again this year, the firemen will be sponsoring a poster contest in the Knox City-O'Brien Schools. Winning ribbons will be given to the contestants. Every week should be fire prevention week but a lot can be gained by having these poster contests because it reminds youngsters as well as adults to be more fire conscious.

Firemen are planning on having another turkey shoot in the near future but plans are not finalized yet as to the date. Last year, we had snow on the set date and the rain date was cold and dreary. Our attendance was short but this year we hope Mother Nature will cooperate. We will advertise and have more on the turkey shoot in the near future.
