#### HALLOWEEN HINTS

Once again it is time for all those little ghosts and goblins to come out of the closets and spend a night or two running about town collecting candy after asking that age old question: "Trick Or Treat?"

When thinking about this time of year, most of us are reminded that we need to observe a little more caution and be extra careful when the kids are out. Since Halloween falls on a Monday night this year, a lot of children will be out on Saturday night as well-trying for a double helping of your treats.

If you happen to be a parent of one of the little ghosts or goblins here are a few basic safety tips to keep in mind:

Kids tend to become very excited and caught up in the excitement of the evening; those who normally observe safety rules might easily overlook their training when running to the next house for more goodies. It is a good idea to be with your kids as they roam the neighborhoods while "tricking" or "treating!" A parent keeping a close eye from the sidewalk can help youngsters remember their safety training.

I've yet to figure it out, but it seems that most Halloween costumes that can be purchased commercially are dark in color. That's a dangerous proposition to youngsters who sometimes dart in and out of the street. The little ghosts and goblins should be dressed in bright colors to let passing drivers know exactly where they are.

With each passing Halloween season, the news media carries stories of different items such as pins, razor blades, pills and poison that some choose to place into the candy and fruit collected by youngsters as they participate in the tradition of trick or treating. You might read this and think to yourself: "that could never happen here." Before becoming too smug in that line of thought, just look at it from a different point of view-other parents probably thought the same thing, before being faced with the evidence in the candy collected by their own children. For that very reason, you should make every effort to accompany your children and note where different treats were obtained. Youngsters need to be reminded not to eat any of their treats before they get home and you have an opportunity to check it all out. Snacking along the way could be dangerous for the very reason stated above. We all hope and pray that those kind of things will never happen in this town or to the children of our community, but why take chances? Halloween can be a safe and fun time if basic safety rules are kept in mind.

#### Fire Department Sets Turkey Shoot

The Knox City Volunteer Fire Department is sponsoring a Turkey Shoot this Saturday, October 29, from 10:00 a.m. until dark at the Knox City Municipal Airport.

Last year's weather hampered the turnout and officials are hoping that everyone will come out and support the firemen in this effort.

**JAYCEES AT WORK** - Beginning the roofing project on the Old Railroad Depot was the priority of the Knox City Jaycees this past weekend. During a scheduled workday at the future Jaycee meeting hall, members were able to strip off the old roof, redeck and shingle the front side of the building. Busy at work in this photograph are Ronnie Oliver and Dale Bloxham in the backhoe bucket, Don Hawkins on the ladder and Dave Thompson, Bill Groves, Mike Newton and Tommy Mangis on the roof. Robert Tribbey was the backhoe "elevator" operator for those working on the roofing project.

## Haunted House Set Oct. 29-31

The Knox City Jaycees and the Law Enforcement Explorer Scouts will be enjoying Halloween this weekend as they operate a Haunted House for young people in the community.

Located in the white two story house at 600 S. 4th Street in Knox City, the haunted house will operate on two different nights. Hours of operation will be from 6:30 until 11:00 p.m. on Saturday, October 29, and from 7:00 to 10:00 p.m. on Monday, October 31.

On hand to scare the daylight out of those touring the haunted house will be several rooms full of deep, dark scary secrets. Madmen and monsters will be present to assist in the "haunting," the lights and sound effects will also add to the evening of frightful enjoyment.

Make your plans to join with the Jaycees and the

Scouts, bring your kids along and make it a Halloween that they will never forget!

Admission prices will be \$1.00 per person for each trip through the house, and the proceeds from the project will benefit both the Jaycees and Law Enforcement Explorer Scouts.

#### Clocks Set Back For Time Change

Readers are reminded that this Sunday is the day that clocks need to be set back one hour to mark the end of Daylight Savings Time and the return to Central Standard Time.

Sunday morning, October 30, clocks need to be set back one hour at 2:00 A.M. An easy way to remember this change is the phrase "Spring forward, Fall back".

## Foursquare Church Sets Homecoming

In honor of celebrating 49 years of ministry in Knox City and the surrounding communities, the Foursquare Gospel Church has set Sunday, October 30, as Homecoming Day.

In order to celebrate this special event, they have invited the Rev. Sidney O. Westbrook, supervisor of the south central district of Foursquare Church to be the speaker for the morning service, which begins at 10:45 a.m.

Following the morning service will be a common meal shared together in the church fellowship hall.

To conclude the celebration a special music group, the "Gospel Lights", from Rotan, will be ministering in the evening service at 6:30 p.m.

Everyone is invited to participate in these special services, as noted by their ad elsewhere in this week's News.

## WTU's Interim Rates Raise Monthly Bills

West Texas Utilities Company has filed notice that it intends to put a major portion of its requested retail rate increase into effect October 22 on an interim basis.

The interim rates will reflect an annual increase of \$18.8 million, a level about halfway between the Company's original request and the Public Utility Commission staff's recommendation. WTU asked for \$26.5 million and the staff recommended \$10.6 million.

Texas law allows a utility to place a rate increase into effect subject to refund 125 days after the original request is filed if the PUC and the cities have not taken final action by that date. A hearing on the WTU request was completed September 12 in Austin, but the final rate order from the Commission has not been issued.

"We had rather not place interim rates into effect," said G. Holman King, WTU vice president and director of corporate affairs, "but we have an urgent need for rate relief and cannot afford the revenue loss caused by waiting for final rate approval."

King said the interim rates will be subject to refund, and probably will create a certain amount of confusion when final rates are approved and adjustments are made.

The interim rates will

result in an increase of about 7.5 per cent to residential customers. A residence using 600 kilowatt-hours would be billed \$49.56 under the interim rates and \$46.11 under the present rates, a difference of \$3.45. A customer using 1,000 kilowatt-hours would see his bill raised from \$72.02 to \$77.61, a difference of \$5.59.

WTU originally had asked for the new rates to be effective July 16. The new rates are based on revenue requirements of a historical test year, which in this case was the year ended March 31, 1983.

WTU serves 82 incorporated towns and several unincorporated communities. Of the incorporated towns, 28 have denied the rate increase and appealed to the PUC, 32 suspended the rate increase, and 21 ceded jurisdiction to the PUC. The City of Vernon was not affected, as rates there are set by the City Council for both WTU and the municipal electric system.

Towns denying the rate increase were Alpine, Aspermont, Balmorhea, Bronte, Clyde, Cross Plains, Dodson, Estelline, Hawley, Iraan, Jayton, Junction, Lawn, Lueders, Marfa, Memphis, Menard, Merkel, Miles, Putnam, Quitaque, Rankin, Santa Anna, Sonora, Sterling City, Turkey, Tuscola, and Valentine.

Suspending the increase

were Abilene, Anson, Baird, Ballinger, Benjamin, Big Lake, Blackwell, Buffalo Gap, Childress, Cisco, Clarendon, Crowell, Eden, Hamlin, Haskell, Impact, Knox City, Melvin, Munday, O'Brien, Paducah, Qunah, Rising Star, Rochester, San Angelo, Spur, Stamford, Throckmorton, Tye, Wellington, Winters, and Woodson.

Ceding jurisdiction and allowing the PUC to handle their cases were Albany, Chillicothe, Dickens, Eldorado, Goree, Hedley, Lakeview, Matador, McCamey, Mertzon, Moran, Paint Rock, Presidio, Roaring Springs, Robert Lee, Roby, Rotan, Rule, Shamrock, Trent, and Weinert.

## Cookoff Drawing Entries

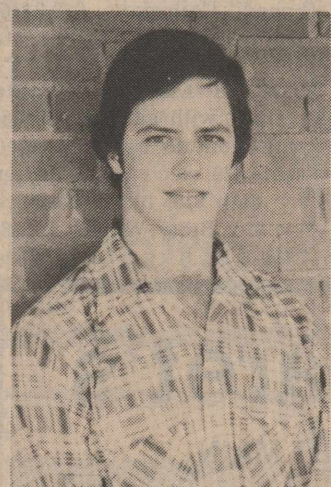

With just two Saturdays left before the First Annual Fall Festival and Chili Cookoff sponsored by the Knox City Chamber of Commerce, contestants have been busy entering both the Chili Cookoff and the "Miss Chili Powder" Contest.

Saturday, November 5, will mark the date of this first annual event, with the many different activities beginning at 10:00 a.m. and will continue throughout the day.

Along with a lot of teams entering the chili cooking contest, there are six entrants for the beauty contest. Being judged on appearance and ability to answer questions from three out of town judges will be contestants Marilyn Benson, Angie Norton, Becky Smith, Michelle Bateman, Daveine Holcomb, and Amber Berryman. The winner will be crowned "Miss Chili Powder" and be awarded a plaque. The winner of the beauty contest will also present the trophies to winners of the other events taking place throughout the day of fun and games.

Chamber Secretary Doris Crowover has indicated that a lot of interest has been expressed in the chili cooking contest. Along with the many teams that have entered, there have been many more individuals asking questions and stating that they were interested. Mrs. Crowover urges those who have expressed an interest but have not yet signed up to do so very

## KC Hounds Outrun Throckmorton 53-12

By Lyndol Cypert

A good group of Knox City Hound boosters traveled to Throckmorton on a cool crisp night perfect football weather to witness the Hounds of Knox City soundly defeat the Hounds of Throckmorton, 53-12. The big red machine was fired, tuned and hitting on all cylinders as the first quarter opened. The offense reached up 27 points in the first quarter while the defense held their opponents to only five yards total offense in the first quarter and giving the ball to the Knox City offense on the Knox City 40 yard line; Throckmorton's 21 yard line; and Throckmorton's 6 yard line. A fine team effort spelled victory for the Knox City Greyhounds.

Throckmorton received the opening kickoff, however a good defense by Rios, Eaton, Evatt, Whitaker, Whitley and Rocha allowed Throckmorton only seven yards in three downs and forced a punt. Knox City took over the ball on their own 40 yard line on the first offensive play from scrimmage. Hutchinson found a hole and with super blocking broke into the open and raced 60 yards for a touchdown. Point after touchdown failed and Knox City led 6-0.

Lockhart kicked off and booted the ball out of the end zone for a touchback. Throckmorton started this series on their own 20 yard line. This time the defense led by Gutierrez, Whitaker, Rocha, and Whitley held Throckmorton to a minus two yards again forcing a punt. Lockhart fielded the punt and with good blocking and tough running returned the ball 20 yards to the Throckmorton 21 yard line. This second offensive possession for the KC Hounds took only two plays to score as Oudems scrambled up the middle for 19 yards and the score. Hutchinson kicked the PAT and the score was 13-0. Lockhart again kicked off and kicked the ball out of the end zone again.

Throckmorton again started on their own 20 yard line. The Knox City defense is still humming and allowed only three yards in three downs again forcing a punt. Defensively Eaton, Hutchinson, Rocha and Rios led the charge. Hutchinson returned the punt 31 yards as he picked up superb blocking from the Hounds. KC again set up shop on the Throckmorton 21 yard line. It took just three plays to cover the 21 yards and Lockhart carried the ball all three times and scored the touchdown. Hutchinson kicked the PAT and the score was 27-0.

Throckmorton received the kick-off and started at their own 13 yard line. On first down Oudems and Evatt stopped the ball carrier for no gain. On second down Throckmorton fumbled the pitch-out and Hutchinson recovered for the Hounds on the Throckmorton six yard line. Hutchinson then passed to Flores six yards for a touchdown. Hutchinson kicked the PAT and the score was 27-0.

Canteen was provided by the Catholic Church and workers were Annette Escobar, Becky Rocha, Pauline Casillas, and Alestine Flye.

**ANSWER CALL** - The Knox City Police Department patrol car and two cars from the Knox County Sheriff's Department are shown in front of the Citizens State Bank last Thursday afternoon, when officers from both departments responded to the bank in answer to a disturbance caused from a customer who later claimed that he was only "joking" when he demanded the bank's money. The man was arrested by Knox City Police and charged with disorderly conduct in municipal court.

## Brownies Designated As 'Super Troop'

By Troop Leaders

Brownie Troop 111 started off their year by receiving another "Super Troop" classification.

The Troop has grown so much since it was started last year with 18 girls. Now we have 12 girls in second grade meeting at 3:00 to 4:15 on Mondays. Then 15 girls in third grade meet from 4:15 to 5:30 also on Mondays. Both grades are still Troop 111. Each girl will receive a "Super Troop" patch.

The girls have been working on the flag ceremony. The third grade group put the flag up at the Knox City-Crowell football game. Second grade group will do the next home game.

They all have been working on their "Be Discover" patch which will take many hours of outdoor work.

For enjoyment this year, two drill team members Angie Norton and Tanya Averitt, came and showed the groups a routine. We also have had two high school twirlers, Peggie Wupperman and Jenny Vasquez, who came and showed the girls

how to do a routine with their batons.

They wrote "Thank You" notes to the girls for showing them their routines. They are also working on Halloween cards to take to the Care Home on Halloween day.

Members of the second grade group are Tammy Brothers, Debra Ledesma, Denise Dudensing, Joni Penman, Rhonda Parker, Kim Posey, Dawn Walker, Virginia Bernal, Jessica Eaton, Jessica Williams, Trisha Roberts, and Laurie Nevarez.

Third grade members are Lori Boston, Amy Carver, Amy Deering, Melanie Chaney, LaShonda Cotton, Jacy Dillon, Donnese Fritsche, Lezlee Hearn, Sonia Hilliard, Misty Hudson, Christy Rios, Tracy Rios, Trisha Rios, Alesha Rutherford, and Hanna Williams.

The troop has nine leaders including Linda Carver, Margaret Fritsche, Diane Roberts, Marla Hawkins, Debra Dudensing, Cathy Penman, Barbara Parker, Diane Walker, and Patricia Deering.

## Brownie Troop 113 Holds Investiture

Brownie Troop 113 held its troop investiture on Wednesday, October 5, at the Community Center. Parents of the Brownies attended the ceremony.

First grade Brownies received their Brownie pins after a short program in which they pledged they were ready to become a Brownie Girl Scout. The girls also recited the Girl Scout promise and sang the Brownie song. Following the program, refreshments were served to the girls and their guests.

## Letters To The Editor

October 21, 1983

Mrs. Stacy Angle Thompson  
Editor  
The Knox County News  
P.O. Box 7  
Knox City, Texas 79529

Dear Mrs. Thompson:  
Texas taxpayers have a lot to gain and nothing to lose in voting FOR Proposition 5, the school bond amendment, in the November 8 constitutional amendments election.

The amendment could save our schools and local taxpayers \$435 million in interest payments alone in just the next 17 years.

It comes as a surprise to many people that the awesome resources the State of Texas dedicates to education are not taken into account by national bond markets when setting local school district bond ratings and interest rates. Local bonds are judged solely by the local district's situation.

Proposition 5 would cure that by permitting qualified local school bond issues to be backed by the state's \$3 billion Permanent School Fund. The result would be better bond ratings and lower interest rates for our local districts.

The state's Permanent Fund would simply be lending its good name; it would not be paying off the bonds. Texas schools have a fine bond record. In the unlikely event of a default, the state would simply pick up the payments by withholding the local district's state allotments.

I urge Texas voters to approve Proposition 5.

Sincerely,  
Bob Bullock  
Comptroller of  
Public Accounts

## Clay Hewitt Named 'Outstanding Citizen'

Clay Hewitt, nine-year-old son of Gwen Hewitt and David Hewitt, both of Lubbock, and a fourth grade student at Bayless Elementary School was honored last week by receiving the award as "Outstanding Citizen" for his four departmental classes.

His homeroom teacher, Mrs. Motes, explained that each teacher averages her students' records and without consulting one another, chooses the student with the highest attributes. In addition to being chosen for the award, he also was named to the honor roll for the first period.

Clay is the grandson of Mr. and Mrs. Buddy Angle and James Hewitt.

## STREAMS IN DESERT PLACES

By OZELLE STEPHENS

"God's Word says Hell is an everlasting burning for the punishment of sinners and hypocrites, a bottomless pit where men have no rest, day or night. (Rev. 20:1-also 14:11). (Lu. 16:27). "It's a place where people pray, but their prayers are not heard, where they gnaw their tongues and at the same time curse God". Rev. 16:10. "Hell is a place where no one would want their loved ones to go." Lu. 16:23.

The Bible says, "It is appointed unto men once to die, but after this the judgment". Heb. 9:27. "It is true that we cannot get to Heaven by doing good things, paying our tithes, feeding the poor, going to church, for the Bible says, "We are all as unclean things, and all our righteousness are as filthy rags." (Isa. 64:6). Jesus said, "I am the way, the truth, and the life; no man cometh unto the Father, but by Me." (John 14:6).

"You can be assured that God is Holy and must punish sin. But He is also a God of Love, not willing that any should perish". 1 Peter 3:9. "He has made all a way to escape Hell. We have a choice, so call upon Him. He will answer you and show you Great and Mighty things." (Jer. 33:3).

## Houndettes Defeated By Aspermont

By Coach Waincott

The Houndettes fell to Aspermont in their first district match last Monday. The scores were 14-16, 15-13, 14-16. The games were good and exciting. It seems both teams were down in the games they won. In the first game, the Houndettes should have put the Hornets away but let them sneak back up and win. The same thing happened in the second game. The Hornets should have put the Houndettes away but let them catch back up and win. The third game was a battle back and forth all the way.

This week's Monday game will determine if the Houndettes get a fight for first or settle for second. Both groups will be in the play offs because of the new rules put into action last year.

Thursday, the Houndettes played Weinert and defeated them. These are the only two teams the Houndettes play for district. Again on this Tuesday, the Houndettes play at Weinert.

If the Houndettes were to win against Aspermont, Monday of this week, there will be a playoff match sometime next week. If not Aspermont will go on to the playoffs as #1 and the Houndettes as #2.

Lets hope and fight to be number 1 in the district.

### GREENHAND NEWS

By J. Emerson

This past week the Greenhands have been very busy getting the ag farm ready for our upcoming projects. Along with tearing down some hog sheds we also cleaned up a lot around the farm.

With the help of Mr. Dillon, Mr. Styles, and Mr. Burkham we hope to have a lot of success with our project.

### Mindy Hutchinson Gains VRJC Honors

Mindy Hutchinson, sophomore student at Vernon Regional Junior College, continues to add to her accomplishments during this year at the college.

The daughter of Mr. and Mrs. Wayne Hutchinson, Mindy is now serving as 1983-84 Student Government Association president, is a dorm resident aide, was elected to serve as president of the Phi Theta Kappa honor fraternity as well as serving as secretary of the VRJC Rodeo Club Association.

She is also active in intramurals and is playing women's league volleyball. Mindy was also named the recipient of Vernon Secretarial Association Scholarship.

## Horticulture Course Set November 14-17

An Ornamental Horticulture Short Course for adults will be held November 14-17 under the sponsorship of the Knox City-O'Brien High School Vocational Agriculture Department, according to W.R. Baker, Superintendent, and Jim Dillon, teacher of Vocational Agriculture.

Dr. Anna Beth Neason, Horticulture Specialist with the Agricultural Adult Education Program and the Department of Horticulture at Texas A&M University, will do the instructing in the course. Dr. Neason holds B.S., M.Ed., and Ph.D. degrees in agricultural education. She is qualified as a certified teacher of horticulture in the vocational agriculture program in Texas.

The short course at Knox City is scheduled to begin November 14 at 7:00 p.m. in the Vocational Agriculture Building. During the dates the short course is in progress, Dr. Neason will be available to assist enrollees with individual problems and to provide on-the-farm and in-the-home instruction.

Persons interested in attending the short course should call or write the Teacher of Vocational Agriculture, Jim Dillon. Horticulture Short Course Certificates will be presented to enrollees who attend all four of the training sessions.

Dr. Neason states that the short course can be adjusted to the wishes and interests of the people enrolled, but that she expects to cover such subjects as plant growth and development, propagating media, plant propagation, developing and maintaining the landscape, establishing and caring for lawns, houseplants, and greenhouse production, operation and management. The course includes classroom instruction as well as laboratory-type instruction with the class enrollees taking part.

Short courses in Ornamental Horticulture, as well as in other subject matter, are available to adults throughout the state under this cooperative program between the Texas Education Agency and Texas A&M University. This program is designed to make the services of specialists available to conduct short courses under the supervision of public schools. The program enables teachers of vocational agriculture to provide improved educational services to adults in the community.

Specialist are available in the fields of Beef Production, Arc Welding, Computers, Ornamental Horticulture, and

Home Horticulture. A \$10.00 registration fee will be charged for the event. For more information, call 658-3521 or 658-3115 during school hours.

### Local, Area Exes In 'Sports Day'

Mindy Hutchinson of Knox City and Wendy Pollock of Benjamin were among the Vernon Regional Junior College students who placed second in the flag-football contest in the women's division at the Tri-College Sports Day held Wednesday, October 12.

The event was held at Grayson County College in Sherman-Denison. Held semi-annually, the event rotates among three colleges, VRJC, Grayson and Cisco Junior College.

The 34 events range from flag-football to chess. VRJC had 170 participants and there was a total of 690 entrants in the contest.

### KVRP To Broadcast Hound Game Friday

Readers are reminded that Radio Station KVRP, FM 95, will broadcast this Friday's game between the Aspermont Hornets and our own Knox City Greyhounds. The game will be played in Aspermont.

The pre-game show with David Wayne and Gary Barrett will begin at 7:00 p.m. with the play by play action of the game beginning at 7:30 p.m.

### FROM FORT WORTH

Visiting last weekend in the home of Mr. and Mrs. Allen McGaughey was their daughter, Sarah Harbaugh of Fort Worth.

## HOUNDS

From Page One

In the second quarter Reese and Agraz teamed up to stop the ball carrier after a five yard gain. On second down Gutierrez intercepted a Throckmorton pass at the Throckmorton 39 yard line. Lockhart carried for four yards. Throckmorton was then penalized for off-sides. Hutchinson passed to Watkins for 16 yards and a first down. Then Throckmorton was flagged for pass interference and the KC Hounds had a first down at the one yard line. Lockhart found good blocking and a huge hole and scored from one yard out. The PAT was no good and the score was 33-0.

Throckmorton took the ensuing kick-off and drove to the Knox City six yard line. The KC defense stiffened as Reese, Daniels, Carter, Garcia and starters Eaton, Gutierrez and Whitley held the Throckmorton Greyhounds and took over the ball on downs. However the Hounds fumbled and gave the ball back to Throckmorton on the Knox City seven yard line. Knox City held Throckmorton for two downs, but on third down Throckmorton quarterback Glenn passed to halfback Latham for a touchdown. PAT failed and the score at the half was 33-6.

The second half opened with the Knox City Hounds receiving the kick-off, however the Hounds could not move the ball and was forced to punt. Throckmorton took over at their own eight yard line. This defensive series found Throckmorton short of a first down and forced a punt. The defensive charge for this series was led by Gutierrez, Thompson, Whitley, Whitaker, Evatt and Rocha. Knox City set up offensively at the 47 yard line of Throckmorton. Oudems found an open hole by the in-

terior line and rambled for 12 yards and a first down. Then Lockhart swept the right side and set sail behind great blocking for the end zone. The touchdown run covered 35 yards.

Hutchinson kicked the PAT and the Knox City Hounds extended their lead 40 to 6. Following the kick-off, the defense continued to stop Throckmorton. On first down, Whitley and Rocha stopped the ball carrier for only one yard gain. Second down Whitley and Eaton allowed only one yard gain. Third down found an incomplete pass and forced a punt. Lockhart returned the punt 40 yards as the Hounds continued to do a super job blocking on punt returns. Watkins ran for 19 yards and a first down. Then Hutchinson passed to Watkins in the right field for a six yard touchdown pass. Flores threw the key block springing Watkins free to get to the end

zone. Hutchinson kicked the PAT and the score was 47-6.

Knox City kicked off and then held Throckmorton and took possession after a Throckmorton punt at their own 49 yard line. On the first down play Hutchinson handed off to Gutierrez who ran 51 yards to pay dirt. PAT was no good and the score was 53-6.

Throckmorton scored at the end of the third quarter on a 56 yard run by Latham. PAT was no good and the final score was 53-12.

The fourth quarter was played without either team being able to sustain a drive. Everyone was allowed playing time. The Knox City Hounds really looked sharp and displayed a very tough defense.

This week the Hounds play Aspermont. This should be a good game. Come out and support the Hounds. See you in Aspermont.

**If you understand how you receive electricity you may save money.**

The elements of producing electricity

Electricity is produced—or 'made'—at a power plant. Most power plants take energy from fuel by burning it. This energy boils water, making steam. The steam turns a turbine which turns a generator, and the generator makes electricity.

**Power plants**

### How we are cutting costs

Power plants are very costly to build. At the Brazos System, we're holding down costs by postponing construction of an additional power plant. We've pooled our power plant capacity in the Texas Municipal Power Pool so we can delay building a lignite plant for at least three years.

using less electricity during the *summer peak-demand hours of late afternoon and early evening*, our existing power plants can continue to provide the electricity you want, when you want it. By using our power plants efficiently like this, we can continue to delay building additional plants.

# 'Pike's Peak Or Bust'

If Captain Zebulon M. Pike of the United States Army were alive today, he would wince at the statement he made in 1806 after his unsuccessful attempt to climb the mountain bearing his name. Captain Pike said that climbing Pike's Peak is... "a goal not to be attained by man..." "Since Captain Pike was convinced that no man could climb to the summit of Pike's Peak, it was beyond his wildest expectations that anyone would even think about running to the top of the 14,110 foot peak.

During the latter part of August, John Muller, along with several other runners from Tyler, Texas, and their families spent some time in Colorado on a different type of vacation. John is the husband of Joan Shaver Muller, formerly of Knox City and the daughter of Mr. and Mrs. E.B. Shaver, Jr. John and seven other Tyler runners all participated in "America's Ultimate Challenge" by running in the 28th Annual Pike's Peak Marathon.

On Saturday, August 20, the ascent race up Pike's Peak was held. It covered a distance of 14.3 miles to the summit starting in downtown Manitou Springs, just west of Colorado Springs. John Muller ran the ascent race, along with about 1,200 other entrants. The race was run up Barr Trail which was carved out of the east side of the mountain in 1918 and was intended for use by surefooted mountain pack animals. In fact, the race officials posted on the mountain used high altitude Peruvian Llamas to carry provisions to their stations on the mountain trail. Medical doctors and physiologists, veteran runners of previous high altitude events, and race officials prewarned the runners of previous high altitude events, and race officials prewarned the runners that the high altitude would likely have debilitating effects on their bodies. The altitude especially affected those who lived at lower altitudes, as Tylerites do, because they are not acclimated to the thin air of the mountains. All entrants were assured that mountain rescue and medical personnel were on the mountain to render aid if necessary. But because of the nature of the terrain, they were advised that aid would not necessarily be timely. The U.S. Army at Fort Carson, Colorado, even had helicopters available for air evacuation. Runners were also told to be prepared for cold weather near the summit since the temperature at the starting time of the ascent race was 30 degrees Fahrenheit at the top of the peak. It had snowed on the peak the night before the ascent race so the early morning sun on the top of the mountain was glistening bright off the patches of snow.

"The views along the trail were awesome, but unfortunately, the struggle of the run allowed little opportunity to really appreciate the beauty," said Muller. The runners were so exhausted at the high altitude that any attempt to look at anything other than the trail took such immense effort that it couldn't be done without stopping. Above the timberline the trail became extremely difficult. The rocks were loose and the footing was poor. At times runners were sharing the trail with a mountain stream from the melting snow above. They also had to struggle over the rocks that were almost knee high. One slip and no one knew how far he would fall.

The cold weather and the thin mountain air affected many of the runners above the timberline. The runners were near the state of exhaustion, and they appeared pale since much of their blood seemed to flow only from their heart to their leg muscles and return. "My fingers had become numb, and I struggled to untie the knot on the thin lightweight jacket I had tied around my waist. My father-in-law, Eddie Shaver, had loaned the jacket to me for the run and it sure came in handy," said Muller. The temperature was in the mid thirties, and it chilled the runners even though the sun

**AT THE TOP** - Tyler runner John E. Muller, husband of the former Joan Shaver, is pictured as he reached the summit in the Pike's Peak Marathon with a time of four hours and five minutes. Muller was the first in his group of Tyler participants to reach the top. Shown with their father are Edward and Annica Muller.

was shining and the humidity was quite low.

The crowd of spectators, race officials, and tourists at the summit were cheering as if each runner were to be the first person to cross the finish line, even though the winner, a young man who trained in the mountains of Utah, had finished with a time of two hours and fifteen minutes. Everyone from Tyler managed to finish the race with John Muller being the first Tyler runner to reach the top in the time of four hours and five minutes.

It is difficult to train for mountain running in Tyler. Tyler has some small hills, but a runner can run up them in a matter of minutes. Long distance runs from fifteen to twenty miles on hilly terrain are about all one can do. "While visiting the Shavers, I made some long training runs on the road west of Knox City prior to running Pike's Peak. I wanted to see how the dry climate would affect me because I knew the mountains would not be as humid

## Fire Department News

By Ken Lawson  
On Sunday, October 23, at 9:37 a.m., firemen were called to the Odell Carver farm about ten miles west of Knox City.

Fire Marshal Roland Marion reported that there was a propane leak between the walls and parts of the wall were blown out causing slight damage to the house. Two trucks and seven firemen responded to this call. This could have been a real serious fire if Odell had not turned the propane off at the tank.

Next Saturday, October 29, the fireman will have their second annual turkey shoot at the Knox City Airport. Shooting starts at 10:00 a.m. and will go on till dark or until we run out of shooters. Come on out and get in on the fun.

## Shootin Straight

(From Page One)

Knox City will be fortunate this Halloween to have a Haunted House for the youngsters. The Jaycees and the Law Enforcement Scouts are conducting the project as a fund raiser for their organizations. With plenty of scares and thrills within the walls of this haunted house, it is sure to be a lot of fun for everyone attending. The house will be the white two story house located at 600 South 4th Street. An advertisement elsewhere in the News tells more about the project. The \$1.00 admission fee is not really that much when you consider it gives the kids something to do, and to remember!

Happy Halloween from all of us at the *Knox County News*. We hope that your night of tricks or treats is a fun, and a safe time.

## Sales Tax Shows An Increase

State Comptroller Bob Bullock Friday sent checks totaling \$38.2 million in local sales tax payments to the 974 cities that levy the one percent city sales tax.

Bullock said this October's payments are 7.2 percent higher than October 1982 but year-to-date totals are still less than what the cities had received by this time last year.

"We're looking at areas that still have economic problems and other areas that show some economic growth. But taken as a whole, nobody's going anywhere—up or down—very fast," Bullock said.

Knox City's net payment this period was \$4,900.46 as compared to \$3,468.49 for the comparable payment last year. Payments to date are \$57,122.43, a 2.07% increase over 1982's \$55,961.79.

Munday's net payment for this period was \$1,910.20, down slightly from the \$2,098.76 for the comparable period last year. To date, Munday has received \$38,957.46, a 3.38% increase over 1982's \$37,683.45.

No payments were made to Benjamin or Goree for this period, but to date for the year, Benjamin's payments are \$1,850.80, a decrease of 11.43% from 1982's \$2,089.53. Net payment for Goree this period was \$3,564.17, a 7.44% increase over 1982's \$3,317.24.

Payments for this period in Haskell were \$5,035.83; Anson, \$2,714.40; Hamlin, \$4,210.57; Stamford, \$7,844.32; Crowell, \$667.43; and Seymour, \$5,254.85.

## CARNIVAL

Think everyone agrees that the Halloween Carnival Saturday night was very successful. A good crowd was on hand to enjoy the fun and frolic.

The program was entitled "Mardi Gras". Elementary and Junior High classes each had a segment. The decorations carried out the "Mardi Gras" theme and gave the whole gym the carnival air. The program committee and the decoration committee are to be commended on their work well done. Also the teachers who had spent several days rehearsing these youngsters did a fine job too.

The coronation preceded the program. The duke and duchess were from the Kindergarten Class. The Duke is Riley Carver, son of Craig and Susan Carver and Duchess is Jill Brown, daughter of Christi Brown.

The Prince and Princess are eighth grade representatives. Prince is Phil Boone, son of Mr. and Mrs. Frank Henderson and Princess is Lorri Ralston, daughter of Homer and Jan Ralston.

The 1983-84 King and Queen of B.H.S. are from the senior class. King, Kent Hertel is the son of Don and Louise Hertel and Queen, Lori Griffith is the daughter of Charles and Linda Griffith.

Congratulations go to all these young people.

The P. T. O. committee chairmen have expressed their appreciation to all who contributed in any way to the carnival. Without your help it would be very hard (maybe not possible) to have this each year. So we thank you!

**SCHOOL FAVORITES**  
The all school favorites have been released. They are Mr. and Mrs. B.H.S. - Troy Oxford and Beverly Tolson. They are seniors. Their parents are David and Sue Oxford and Buddy and Janice Tolson.

**Most Likely To Succeed** - Lori Griffith and Troy Pratt. Lori is the daughter of Charles and Linda Griffith. Troy's parents are Jim and Barbara Pratt.

**Mr. and Miss School Spirit** - Kent Hertel and Beverly Tolson. Kent's parents are Don and Louise Hertel. Friendliest - Troy Pratt and

Lori Griffith.

Most Athletic - Troy Oxford and Debbie Bufkin. Debbie's parents are Sonny and Doris Bufkin.

**FFA Sweetheart** - Beverly Tolson. FFA Beau - Kent Hertel.

**FOOTBALL NEWS**  
It looks like a basketball score, but it is really that Benjamin-Weinert football score. The result of last Friday night's game. It was Benjamin 80 - Weinert 66.

Benjamin TD's were scored by Troy Oxford, Kris McGreger, Troy Pratt, and Kent Hertel. Troy Pratt kicked the extra points.

Friday night the Mustangs travel to Miami. Good Luck team!

**SISTER OF LOCAL RESIDENT DIES RECENTLY**  
Mabel Browning, 84, of Stephenville died October 1 in a Stephenville Hospital. Services were October 3 in Stephenville.

Mrs. Browning was born November 25, 1898 in Knox County and was married to Van Browning in 1917 in Benjamin. He died in 1967.

She is survived by two daughters, five grandchildren and a sister, Allie Moorhouse of Benjamin.

Mrs. Moorhouse was in Stephenville for the funeral. **HERE 'N THERE**  
Beth Pierce and children, Jennifer, Justin and Claudette of Dallas were Benjamin visitors during the weekend.

Darrell, Mary and Mike Sawyers of Hamlin visited Clodell Duke Saturday and attended the Halloween Carnival.

David and Brenda Jones and daughters of Bridgeport were weekend guests of his parents, Charles and Joy Jones.

Lana Feemster of Vera was a weekend guest of her daughter and family, the Bobby Robersons.

## KC Woman Home From Ozark Tour

Mrs. Ruby Magee has returned from a Nocona Fun Tours trip to Branson, Missouri, reporting that Chisai Childs' Grapevine Opry of Missouri was the best of all the country music shows they attended.

Mrs. Magee was one of a group of 44 persons who left Nocona at 6:00 a.m. on Monday October 3, for a week of touring the Ozarks. They checked into the Quality Inn at Branson that afternoon.

Monday evening they saw the play, Shepherd of the Hills.

On Tuesday, they went to the Shepherd of the Hills Trout Hatchery. They had lunch at the School of the Ozarks, toured its campus and went through its museum. That night they attended the Ozark Country Jubilee.

Wednesday was spent in Silver Dollar City. They went through Marvel Cave, rode all the rides, looked in the shops, saw shows, and had lunch. That evening they attended the Starlite Theatre, Chisai's Grapevine Opry show, and reported that they had "Welcome Nocona Fun Tours" on their marquee. Chisai told Ruby and the group that they would be in Grapevine, Texas, on December 16. Chisai remembered Ruby from the bus trips Knox City made to the Grapevine Opry, she said.

On Thursday, the group took a 15-mile boat ride on the White River aboard the Sammy Lane Pirate Cruise. At 5:30 that afternoon they attended the Opryland on the Road show and at 8:00 that night, they saw the Presley Family.

Friday, the tour left early for Eureka Springs, Arkansas, where they rode the steam train, took a short drive around town, ate lunch

and shopped before checking into the Joy Motel there. After a brief rest, the group drove out to the Christ of the Ozarks statue. Mrs. Magee reported that the statue is seven stories tall and is very beautiful. That night part of the group saw the great Passion Play, while the rest attended the Ozark Mountain Hoe-Down.

Heading home on Saturday, October 8, the group had lunch in McAlistier, Oklahoma, and their afternoon break at the Texas Information Center near Denison. They arrived in Nocona at 4:00 p.m.

## Fenn - Newton Engagement Told

Mr. and Mrs. Alvin Fenn have announced the engagement of their daughter, Fonda Sharon, to Phillip David Newton, son of Mr. and Mrs. Laymon Newton of Rochester.

The bride-elect graduated from Temple High School, received a B.S. degree in Vocational Home Economics from Abilene Christian University and is employed by Rochester High School. The bridegroom graduated from Knox City High School and is engaged in farming.

The couple will be married December 17 at Minter Lane Church of Christ in Abilene.

## IN SANDERSON HOME
