NATIONAL HONOR SOCIETY OFFICERS and new members for the next semester are Rebecca Futrell, new member, Linda Shive, secretary; Cathy Sharp, new member and treasurer; Reba English, new member and reporter; David D. Harris, president; Iona Clevenger, new member; and Patricia Smith, vice president.

For Castro County

Easter Seal Appeal Led By Mrs. Maynard

Mrs. Walter Maynard will serve as Easter Seal Representative and Treasurer for the 1968 Easter Seal Appeal in Castro County, it was announced by Robert W. Milam, M. D. of McAllen, President of the Easter Seal Society for Crippled Children and Adults of Texas.

Residents of Castro County will receive the annual Easter Seal Appeal letters in the mail beginning March 1. The Easter Seal Appeal, conducted yearly to provide disabled persons and their families treatment and service adapted to specific community needs, will be conducted until Easter Sunday, April 14.

Mrs. Maynard is one of 169 men and women throughout Texas who are serving in this capacity. The cost of the state-wide program is over one million dollars, financed mainly by the Easter Seal Appeal. Almost 90 per cent of all funds raised by the Easter Seal Appeal remain in Texas to support the growing needs of the disabled in the state.

Special emphasis is being given in the 1968 Easter Seal Appeal to the disabled citizen

Trustee Election Slated April 6

Hart School Board will hold an election April 6, 1968 for the purpose of electing two trustees. Board members whose terms are expiring are Bob Bennett and Marcellus Kendrick.

Wednesday, March 6 at four p. m. will be the last day for candidates to file. Candidates may file at the school business office or with Mrs. Marguerite McClain, secretary of the school board.

Voting will be April 6 at the City Hall. Presiding judge will be DeWayne Brown; alternate presiding judge, Wister Clevenger.

or his family in Castro County who may need assistance and not know where to obtain it. Any disabled person can contact Mrs. Maynard at 1st State Bank, Dimmitt, Texas 79027, who will refer the request for services to the Easter Seal Society. A determination of the extent and type of assistance needed and the most efficient means of obtaining that assistance will be made. Arrangements for needed treatment or service will be made by the Easter Seal Society.

Dr. Milam stated that funds received as a result of the annual Easter Seal Appeal now aid 17,622 disabled Texans but

that there are many more not currently being aided. These disabled citizens and especially those in Castro County who contact Mrs. Maynard can now be guided to the proper sources of assistance. They or their families are urged to contact her or the Texas Easter Seal Society in Dallas, regardless of age, race, cause of disability or financial status.

Dr. Milam added that the Texas Easter Seal Society annually spends more money on direct services to patients than it raises in the Easter Seal Appeal.

Kent Birdwell Speaks At Local Lions Meeting

Lions Club met Monday, Feb. 12, in the Community Room at Farmer's State Bank.

Kent Birdwell, county tax-assessor-collector, was guest speaker. Birdwell presented some little known facts concerning the license plates of vehicles. License plates were first issued in Texas in 1917 when 174,000 motor vehicles were registered. The prison system began manufacturing the plates in 1935.

In 1967, 13,543,142 single license plates were manufactured in Texas. In making these it took 5,216,984 pounds of 26 gauge cold rolled steel, 37,092 gallons of white paint and 4,781 pounds of black numeral ink.

Inmates turn out 80,000 to 85,000 plates in a nine hour day. It takes 310,570 inmate hours to produce the plates. Single plate cost in 1967 was approximately 6 1/2¢.

Castro county will issue 9000 license plates and collect approximately \$208,000.00 of which the state will receive \$80,000.00 and the County \$128,000.00. This \$128,000 will be

divided among the four precincts to be used to maintain the rural roads in the county. Precinct 1 receives 28.42% share.

Members made plans to sponsor a magician show. More details will be announced later.

Members attending were De Wayne Brown, E. E. Foster, Otto Dinwiddie, Richard Franks, Ed Harris, John Holloway, Dub King, W. A. Hawkins, Jr., Wade Mills, Andy Gardenhire, Kenneth Lambert, W. T. Sanders and a guest, Claude Kropp.

Beta Sigma Phi Slates Tourney

Beta Sigma Phi will sponsor a Bridge and "42" tournament Friday and Saturday, Feb. 23 and 24 at 7:30 p. m. in the School Cafeteria.

Admission price has been set at \$2 per person or \$4 per couple.

Junior High Teams District Champions

The boys' and girls' Jr. High Basketball teams sewed up district championships Thursday night as they scored easy victories over Nazareth.

The Shorthorn girls won by a 32-15 score with all twelve of the team members seeing action. Cindy Dyer led the scoring with 18 points; she was followed by Nancy Graves with 9 and Suzanne Hawkins with 5.

The girls completed district play with a perfect 6-0 mark. The victory over Nazareth was their tenth consecutive and ran their season mark to twelve wins against only one defeat. That one loss was suffered during the Farwell Tournament as the Shorthorns won the second place trophy when they lost to Bula in the finals.

In other tournament action the girls won first place at the Happy Jr. High Tournament. They defeated Tulia and Kress to take the championship there.

For the season Cindy Dyer scored 142 points, Nancy Graves scored 122 points and Suzanne Hawkins scored 60 points. The defense was led by the outstanding play of Lisa Lacy, Kathy Crawford, and Silvia Gonzales.

The boys ran up their highest point total of the year as they coasted to a 56-18 victory against Nazareth.

Eleven boys got into the scoring act for the Shorthorns as they ran their district mark to 6-0. Jesse Garcia scored 16, Jimmy Robinson 8, Steve Cox 6, David Barham 4, Ike Graves 2, David Hawkins 2, Ricky Black 2, and Bill Bates 2. Iseral DeLeon saw considerable action, but did not score.

The win Thursday brought the boys their second straight district championship in basketball.

During the season they ran up a total of 13 wins while suffering only two losses by a total of three points. They fell to Muleshoe by a 19-21 score

in the Farwell tournament before going on to win the consolation Championship there. The Shorthorns other loss came in the Happy Tournament when they were defeated by Plainview Estacado 28-29. They recovered to defeat Kress and take the consolation trophy at Happy.

During the season Jesse Garcia scored 177 points, Jimmy Robinson 93, Steve Cox 70, Robert Garcia 61, and Ike Graves 43.

The seventh boys won the consolation championship in their division of the Happy Tournament while on the way to compiling a 6-2 season mark. The seventh grade girls were 2-2 for the year.

Gas Users Assn. To Meet Feb. 19

Castro County Irrigation Gas Users Association fixed its annual county-wide meeting to be held in the basement of the courthouse in Dimmitt at 7:30 p. m. on Feb. 19.

Plans were made for the county meeting by a group from the Board of Directors of Castro County Gas Users consisting of Kenneth Christie, president, Roy Dale Underwood, secretary-treasurer, Rayford Smithson, vice-president, George Sides, director, E. Doyl Underwood, Carl King, director, S. L. Garrison.

A nominating and Publicity Committee was appointed consisting of Kenneth Christie, Roy Dale Underwood, George Sides, Carl King and S. L. Garrison.

Representatives of Water, Inc., will be present with a report on all current activities either in the person of Ray Joe Riley, Castro County director or R. C. Godwin, Deaf Smith and Bailey County Director.

Pensions, Annuities Fall In Three Classes

Do you get a pension or annuity? Pension and annuity payments received by residents of Texas during 1967 fall into one of these three classes for Federal income tax purposes: non-taxable, fully taxable, or partly taxable, the Internal Revenue Service said today.

Pensions that are Tax-Free and need not be reported on Federal returns, include Social Security payment, Railroad Retirement Act pensions, Veterans Administration pensions to veterans and their families and disability retirement pay of military personnel retired on disability resulting from active service.

Payments received by a retired employee from a pension plan provided by his employer, without cost to the employee,

are fully taxable.

If you purchased an annuity, or if you retired under a plan financed jointly by you and your employer, part of the payments received by you will be taxed. The computation of the taxable portion is based on a formula which permits the recovery of your cost tax-free.

If you contributed a part of the cost of your pension or annuity, and will recover YOUR entire cost within THREE years after retirement, you report nothing as income until you recover your cost. After that, all amounts received are fully taxable.

Medicare A Good Buy, Enrollment Time Extended

John G. Hutton, district manager of social security in Lubbock, Texas, reports, "Many older people are asking these days: 'Now that I've been given another chance to sign up for the doctor bill insurance part of medicare, will somebody tell me whether this is a good buy?'"

Hutton explained that those persons who were 65 or older in 1965 could enroll for the voluntary medical insurance part of the program in any of the last three months of 1965 or the first five months of 1966. Those who reached 65 after 1965 had the three months before the month they became 65, and the three months thereafter to get this protection for themselves.

Now, as provided by law, those who originally turned it down have an opportunity to reconsider their earlier decision. Then, if they decide to sign up, they may do so at any time in the last three months of 1967 and the first three months of 1968.

Medical insurance helps pay doctor bills and other medical services not covered under the hospital insurance part of medicare. Services of doctors are covered no matter where received—in their offices, the home, or in a hospital. Up to

100 home health visits a year by nurses and other health workers are covered, as are laboratory tests and various other medical services and goods, he explained. "As to whether it is a 'good buy' I can only point out that the older person pays half of the premium costs, with the Government paying the other half. This rate has been \$3 each month for the enrollee and the Government, but the rate will be \$4 each effective April 1, 1968, Hutton said.

Finally, he gave a few examples of how medicare has helped people who have the protection of both parts of the medicare program:

"We'd be on welfare if it weren't for medicare," says Charles James, 74, of Eugene, Oregon, whose wife is being treated for a complicated bone problem. "And I know of a lot of people who would tell you the same thing." James and his wife, Florence, 68, live in the low-rent-for the aging apartment house at Third Avenue and High Street in Eugene. They both are on social security and their combined income is \$165.60 per month. The James' records show that her hospital and doctor bills have totaled more than \$2,500.

Moments Of Meditation

C. T. Cunningham, pastor of First Baptist Church

"Let the heart of them rejoice that seek the Lord" Psalms 105:3

Happiness - real happiness - is a very rare and precious commodity today. We behold sadness and despair on every hand. Many are existing in a state of spiritual defeat; with no "peace that passeth understanding;" no inner strength for daily living. But there is a ray of hope in the darkness of defeat, frustration, confusion, and hopeless rat race we call life.

God speaks - listen to the voice of the Eternal: "The joy of the Lord is your strength." Neh. 8:10

"I do not know when I have had happier times in my soul, than when I have been sitting at work, with nothing before me but a candle and a white cloth, and hearing no sound but that of my own breath, with God in my soul and heaven in my eye... I rejoice in being exactly what I am, a creature capable of loving God, and who, as long as God lives, must be happy. I get up and look for a while out

of the window, and gaze at the moon and stars, the work of an Almighty hand. I think of the grandeur of the universe, and then sit down, and think myself one of the happiest beings in it."

A poor Methodist Woman, 18th Century

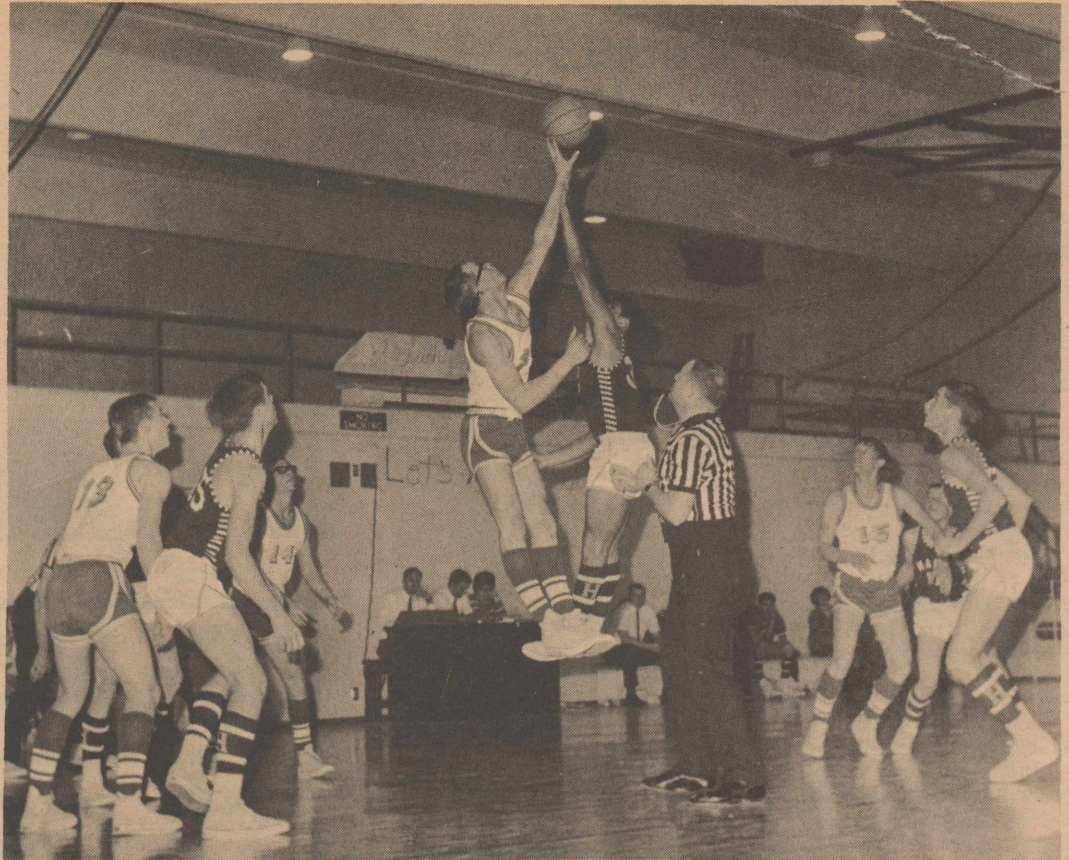

True happiness therefore is not determined by outward circumstances - wealth, popularity, fame, material things, or even an easy life - but an inner peace. An assurance that "It is well with my soul."

KITCHEN KORNER

By Lela Gallion

It is snowing outside and very pretty out although I don't like the wet cold.

It brings to my mind pop corn balls and ice cream. Believe it or not we made more ice cream in the winter than in summer when I was little and seemed like it tasted better. Of course I'm sure as mother once told me our tastes change and the very same things we thought were so good in years before still are the same we are the ones who change - even our taster!!

I was asked for this cake recipe this week. Hope you enjoy it and I'll bet it would be just as good with orange jello or any flavor you like real well.

QUICK LEMON CAKE

1 box white cake mix
1 box, lemon jello (small)
4 eggs
3/4 c. salad oil
1 c. water

Mix all together and beat well in mixer pour into floured tube cake pan and bake at 350 degrees approximately 45 min. Test for doneness. Frost with favorite lemon frosting or glaze. Stays moist too.

New Arrivals

Mr. and Mrs. Bill McAdams of Lubbock are proud parents of a baby girl named Laurie Lynn weighing seven pounds 4 ounces born Feb. 12 at 6:32 a. m. in Lubbock hospital. Maternal grandparents are Mr. and Mrs. Pete Steiert of Hart. Paternal grandparents are Mr. and Mrs. Floyd McAdams of Lubbock.

LEMON CREAMY FROSTING

1/2 c. Margarine
1/3 c. Light corn syrup
1/4 tsp. salt
L.T. lemon juice
3 1/2 c. sifted confectioners sugar
1 tsp. grated lemon rind
Food color

Mix margarine, corn syrup, and salt blending well. Stir in lemon juice and confectioners sugar alternately, beating until smooth and creamy after each addition. Add enough lemon juice to make a good spreading consistency. Stir in grated lemon rind. Take out about 1/2 cup and tint for decorating. Frost cake sides and top. Using a pastry tube pipe on decorations.

Mrs. June Brown Presents Program To Hart FHA

"Charm and Being Well Dressed" was presented by Mrs. June Brown at the regular monthly meeting of the Hart FHA Chapter Wednesday, Feb. 7. The High School Library was the meeting place of the 4 p. m. meeting.

The program on etiquette and charm, given by Mrs. Brown gave the members helpful hints on make-up, facial exercises, care of the hair and the importance of a smile.

"Girl of the Month" was Rebecca Futrell, a junior at Hart High School. The mem-

bers voted on a voting delegate to go along with the choir members and Mrs. Jim Reid to the Amarillo Convention to be held March 15 and 16. The delegate chosen was Reba English and the four choir members are Iona Clevenger, Rebecca Futrell, Joan Dudley and Frances Cunningham.

Forty members and sponsor, Mrs. Jim Reid, were present.

JOKE TIME

Debbie and Charles were driving around one afternoon. "I wonder what time it is," said Charles.

"Well, it can't be four o'clock yet," replied Debbie, with logic, "because my mother said I was to be home at four, and I'm not."

Roni to Richard, at end of date: "Since we've been going dutch all evening, you kiss yourself and I'll kiss myself."

Mrs. Irby: "Bob, are you chewing gum or eating candy?"
Bob: "Neither, I'm soaking a prune to eat in P. E."

W. A.: "May I borrow some scratch paper?"

Nancy: "Why?"

W. A.: "My pen is itching."

Jim: "I think I'm getting insomnia."

Roger: "Why?"

Jim: "I woke up twice in chemistry class today."

TULOMA SERVICE...

makes you forget your labor problems

Maybe you're not having difficulty lining up farm help these days. But, many of your neighbors are. Maybe that's why so many of them are using TULOMA service and TULOMA anhydrous ammonia. They know that our TULOMA service saves time and eliminates some of the need for hired help, just when their work load is heaviest.

You see, with TULOMA anhydrous there's no hauling . . . no loading for

you. There's no dumping . . . no dust. You can save labor while you boost your yields. What could be simpler? Set your yield goal. Pick out the time. Order custom application of TULOMA anhydrous ammonia . . . or do it yourself with minimum-cost rental equipment. Either way, you win.

Give us a call right now! It could start you on the road to solving your labor problems while increasing your crop yields. Call today.
