## Hart Youth To Attend Boys State

Jerry Wayne Heller and Harold Bob Bennett are among the 750 high school boys from all parts of Texas attending the twenty-ninth annual American Legion Boys State on the campus of the University of Texas.

Registration began Saturday with each citizen being assigned to one of two political parties - the Nationalist or Federalist. Each citizen then functions as a member of his party; he attends its precinct, county and state conventions and votes in its primary.

In Boys State, the American Legion provides the type of program where the young citizen has the opportunity to learn for himself that his government is just what he makes it. The boy "learns to do by doing."

Highlight of Boys State is a trip to the Capitol Friday morning where each elected Boys State Official will be given an opportunity to serve in his respective office for a day, followed by the Governor's Ball Friday evening.

## Celebration To Be Held

A tenth anniversary celebration has been scheduled by B & K Grocery this Friday and Saturday.

Kenneth Lambert, co-owner and operator of the store, said that free gifts would be given to all children who visit the store Saturday. Free ice cream samples will be given all day Saturday to all customers.

Lambert, who moved to Hart from Plainview where he had been in the grocery business, worked in the Homer Hill Grocery in 1957.

He and Bob Bennett purchased the grocery in 1958 and began doing business under its present name of B&K.

## McMurry Student As Youth Director

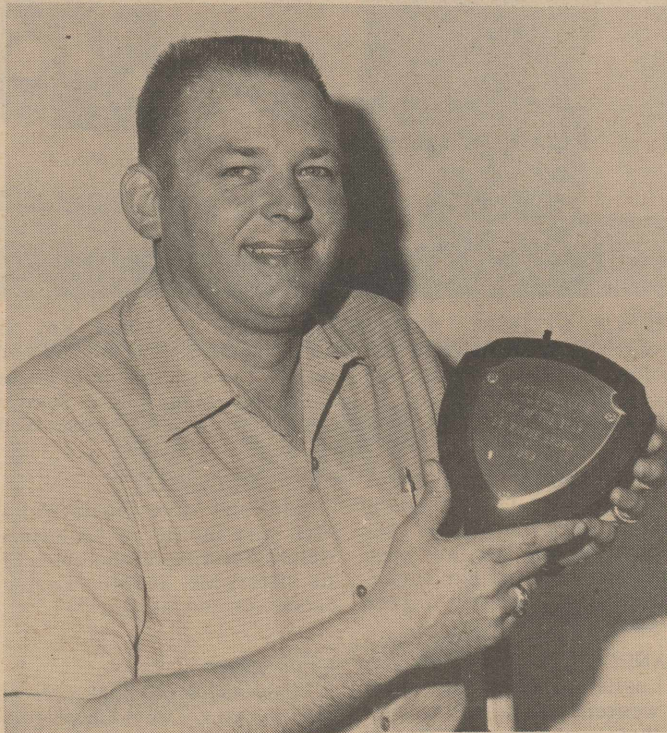

A sophomore student of McMurry College has been named youth director for the First United Methodist Church here, according to Fred Brown, pastor.

John White, who is majoring in sociology and minoring in religion, is making his home with the Bell family while he is serving as youth director this summer.

He was born in the state of Washington and was reared in the Methodist Home at Waco which he called his home for ten years, beginning November 1957.

His main interest is working with the mentally retarded. He would someday like to become a hospital administrator.

He plans to do his graduate work at St. Paul's Theological Seminar in Minnesota.

DeWayne Brown -- Man Of The Year

## 'Man Of Year' Named By Lions

DeWayne Brown was named the town's "Man of the Year" Saturday night during the Hart Lions banquet which honored the wives of the Lions.

"The Marijuana Brass", an eight-member band from Seminole, was the musical entertainment of the evening.

Speaker for the occasion, J. W. Robinson, spoke on "What Lionism Means".

Jim Ratcliff of Dimmitt, served as master of ceremonies. A special presentation was made to Mrs. Ben Kennedy for her service to the community.

Lions Queen Roni Cox and Lions Sweetheart Frances Cunningham were given special recognition.

Willis A. Hawkins Jr. presented the plaque to the man of the year, commending him for his service to the community.

Brown was born southwest of

Hart about eight miles and attended school at Hart five years before moving to Dimmitt with his parents, Mr. and Mrs. Bernard Brown.

He was graduated from Dimmitt High School and attended Texas Tech, receiving a degree in Finance. He also attended Eastern New Mexico University and Texas University.

He moved back to Hart in 1962 when he was employed as manager of Farmers Grain Co., a position he holds at the present.

He was married to June Ware, daughter of W. P. Ware and the late Mrs. Ware of northeast Floyd County Aug. 8, 1963.

Brown has one sister, who makes her home in Conifer, Colo. His parents are now living in Nathrop, Colo.

A director of Panhandle Grain and Feed Dealers Association, DeWayne also served as vice-president of the association in 1967 and was president in 1968.

He was a director of the National Grain and Feed Dealers Association in 1967-68. He is a member of the National Country Elevators Committee for the year 1969-70 and was a member of the Texas Elevator Committee in 1969. He is a past director of the Plainview Grain Exchange, serving in the years 1965 through 1967.

He has served the local Lions Club as a member of the board of directors and also is a past president of the Lions Club.

He recently was named a director of Hart Cemetery, following the death of Otto Dinwiddie.

Special guests at the banquet were Brown's parents, Mr. and Mrs. Bernard Brown, Mrs. Jim Ratcliff, Mr. and Mrs. Doyle Warren of Lubbock and Mr. and Mrs. James Burnam of Dimmitt.

Serving at the dinner were the Cadet and Senior Girl Scouts.

## Weather Damages Crops, Farmers Planting Again

Old man weather has taken his toll again in the Hart area, dumping hail, water and high winds on small crops, causing a great deal of damage.

Farmers reported that crops were lost because of hail last Tuesday evening. Saturday's high winds and severe lightning caused damage to trees in the area as well as crops. This Tuesday morning, high winds again hit the area with a small amount of rain and broke several trees.

On the Bob Lowery farm northeast of town, hail ruined the cotton crop and they have replanted. Lorenza Lee of the same area, reported crops were lost due to hail.

South of town, Paul Brooks reported some damage by small hail and said his crops were washed by the water after heavy rains fell.

W. A. Hawkins and Robert

Hawkins received heavy hail damage in the June 3 rain and hail as did the Hazel Merritt farm.

Claude Cox, who farms north of town, also reported heavy hail damage.

Five miles north of Hart on the L. D. Lacy farm, it was reported that 100 percent damage to his cotton crop caused him to replant... this time in soybeans.

In the town proper, only three-fourths inch of rain fell Saturday.

Farmers in the area are ready for sunshine and fair weather now so that they can get back into their fields and get crops planted again... and try again.

## Rodger Kennedy In Gun Mishap

Rodger Kennedy, 16-year-old son of Mr. and Mrs. Ben Kennedy, received injuries to a hand Monday in Plainview as the result of an accidental gun shot.

The youth, employed this summer at Piggly Wiggly Food Store in Plainview, and two companions found a gun in the alley back of the store. The gun was accidentally discharged while the boys were examining it and Kennedy was shot through the palm of his left hand.

He was taken to Plainview Hospital for treatment but was released the next morning.

## Higgins Named Head Coach, Four New Teachers Hired

Four new teachers were hired at the meeting Monday evening of the Board of Education of Hart Independent School District.

In addition, Douglas Higgins, assistant coach at Hart last year, was named head coach to succeed Don Seymour who resigned to accept employment at Garland.

Higgins is a native of Earth, graduating from Springlake-Earth High School in 1953 and West Texas State University in 1957.

He served four years as assistant coach at McCamey High School and one-half year at Spearman. He and his wife, Marilyn, have two children, Lisa, nine, and Daniel, seven.

Willis C. Hodges was employed to teach fifth and sixth grade math and physical education. He holds a bachelor's

degree from Howard Payne College and has taught at Putnam, Cisco, Hobbs, New Deal, Roby and has just completed six years with the schools at Hermleigh.

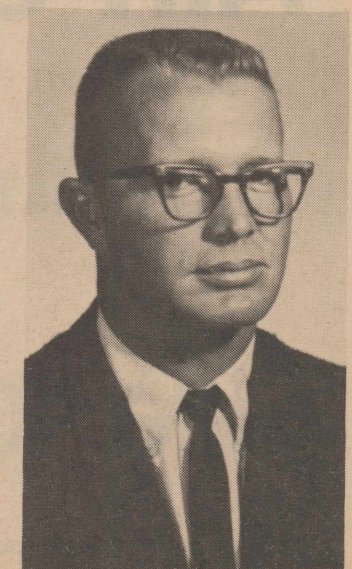

Employed as commercial subjects instructor, Mrs. Ronnie Farris is a graduate of Dimmitt High School with a bachelor's degree from Texas Technological College.

Mrs. Barbara Ann Burns and Mrs. Johnene Ross were employed as teachers in Hart Elementary School. Mrs. Burns attended West Texas State University for three years and received her bachelor's degree from Panhandle State College. She taught fifth grade one year in Vega.

A graduate of Wayland Baptist College, Mrs. Ross did practice teaching in Hart Elementary last fall.

## Texas Safety Association Commends Newspapers

Texas newspapers were lauded today by an official of the Texas Safety Association for their support of the recently-passed "breath test" legislation designed to help remove drunk drivers from the streets and highways of the Lone Star State.

"The newspapers of Texas are to be commended for their all-out efforts to awaken the public to the drunk driver problem in our state," Robert F. Miller, Dallas, Vice President for Traffic Safety, Texas Safety Association, said and added: "Without the public support generated by the news media, passage of this greatly-needed legislation would have been extremely difficult, if not impossible."

He pointed out that drunk driver legislation had a history of being an unpopular issue in the state and that several previous attempts to enact similar remedial legislation had failed.

"In spite of this unfavorable climate, the editors and publishers of Texas rallied to the cause and gave their full support to the effort," Mr. Miller continued. "Their basic presentation of the facts to the

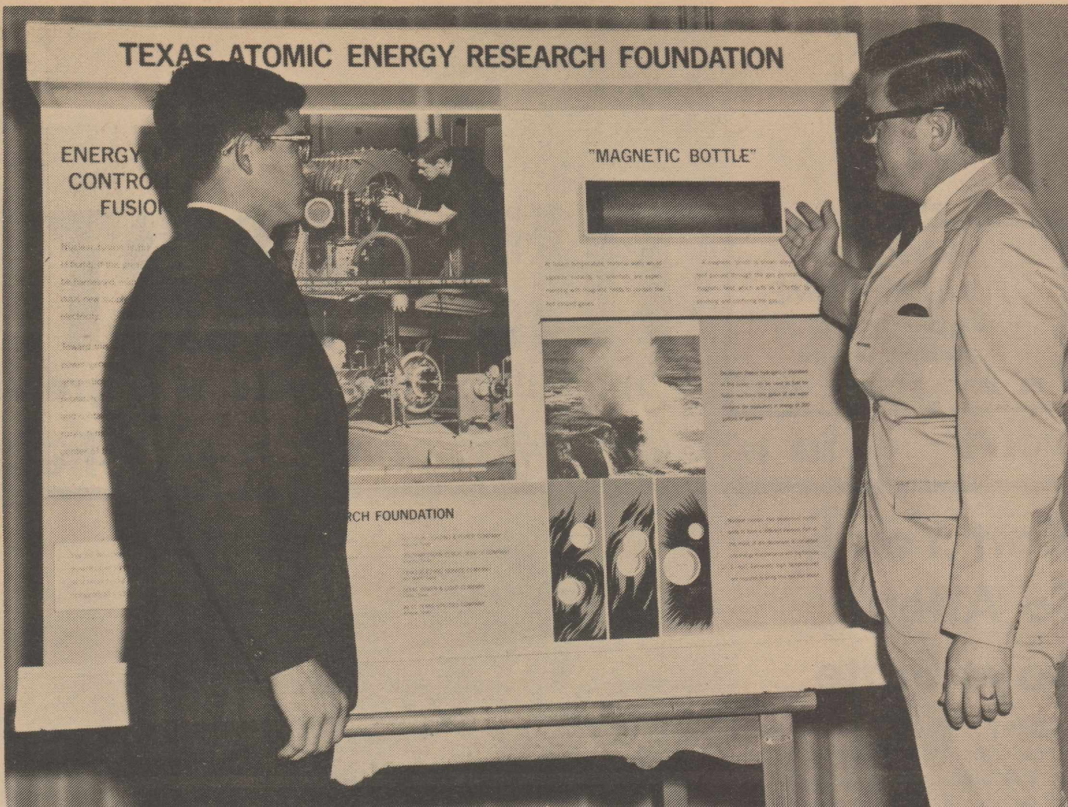

public was objective and fair and their editorial support outstanding. They came to the rescue during several crucial test periods of the legislation by keeping the public informed on its progress.

"Texans should be proud of the part that our newspapers have played in promoting this legislation. We are indebted to them for the saving of many lives each year."

The Safety Association official, who was in Austin this week for the signing of the "breath test" bill, also commended the Governor and Texas legislators for their response to "The needs of the driving public."

Texas' new "breath test" legislation was a part of Governor Smith's official program and provides for testing of traffic violators who are suspected of driving while intoxicated on the state's streets and highways.

The Texas Safety Association, which endorsed the "breath test" legislation, estimates that as many as 500 lives a year may be saved by removal of drunk drivers from the public roads in Texas.

SCIENCE STUDENT AND INSTRUCTOR-- Daniel Ray Smith and Raymond Keller III were among 500 of the state's top science students and teachers who attended the ninth annual Texas Nuclear Science Symposium in Austin. The symposium is sponsored by the Texas Atomic Energy Research Foundation, of which Southwestern Public Service Company is a member, and the University of Texas. The two local participants were guests of the electric company.

"INCONVENIENCE" is the key to preventing home burglaries, says Liberty Mutual Insurance Companies. "It simply must be inconvenient and even difficult for the burglar to enter and leave the home undetected."

IF YOU TAKE a summer trip, be sure to have a friend or neighbor keep an eye on your home, suggests Liberty Mutual Insurance Companies. Burglars are bold when the home is left unattended states a loss prevention specialist with the firm who cites the case of two men loading furniture and household goods onto a moving van and driving away in broad daylight while neighbors barely took notice.

# Accent on Health

Water sports are attracting more and more Texans to lakes, streams, seashore and man-made pools, and the deaths from drownings are increasing proportionately.

The state's waters provide some of the most pleasureable recreation available for individuals and families, but any outdoor recreation should be undertaken only with planning and caution, advises the Texas State Department of Health.

Last year in Texas 489 persons drowned. Ninety-six of the victims were 10 years old or younger, and 52 of them drowned in their home area in such things as swimming pools, farm ponds and while wading. The 11 to 20 year-old bracket had 54 deaths, the 21 to 30 age group 70 deaths and people over 50 years old had 48 drownings.

Nationwide, 60 per cent of those who drowned did so because they fell into the water accidentally. Had all been able to swim, the toll would have been much lower.

Everyone who goes on or around water should know how to swim or wear Coast Guard approved lifejackets. Even with safety devices worn, however, some persons drown in stormy or cold weather.

Almost anyone has access to swimming instruction, either through the Red Cross or from private teachers in their hometowns. Last year the State Health Department conducted 24 swimming pool management schools. More than 1,000 pool operators attended.

Always swim with a companion -- never alone. On a long distance swim, arrange for someone in a boat to accompany you.

Swim in a safe place. The presence of lifeguards usually indicates the area is safe for swimming. Stay away from the area immediately in front of the diving board and do not swim near piers or pilings.

Before diving, make sure the

water is deep enough and there are no hidden objects such as submerged rocks. In pools look for depth markings before entering.

If you have not been swimming since last summer, take it easy at first. Know your limitations, and stay within them.

Wait at least an hour after eating before swimming, and don't swim when overtired or overheated.

Make certain that reaching poles, buoys, and similar rescue equipment are readily available at your swimming area.

Don't depend on an inflated innertube or toy to hold you up. They may slip away from you.

Whenever a storm approaches, get out of the water -- it is a conductor of lightning.

RETTA HENDERSON

## Retta Henderson To Graduate

Miss Retta Joyce Henderson, daughter of Mr. and Mrs. R. G. Henderson, will be among 52 graduates to receive a diploma from Northwest Texas Hospital School of Nursing Thursday, June 19.

Commencement exercises are scheduled for 8 p. m. in the sanctuary of Polk Street Methodist Church in Amarillo.

Following her graduation, Miss Henderson will be eligible to write the State Board Examination for licensure as a Professional Registered Nurse.

Miss Henderson was salutatorian of her 1966 graduating class from Hart High School.

The Northwest Texas Hospital School of Nursing, founded in 1924, has graduated more than 600 students. This year's class is the largest graduating class in the school's history.

Mrs. T. R. Davis was hostess for the all day meeting in her home, highlighted by a covered dish luncheon.

Attending were Mmes. Bennett, Fred Hamm, Percy Hart, Vasca Kittrell, H. E. Newman, Wade Mills, Homer Hill and the hostess.

### IN HOSPITAL

Mrs. T. B. Cox is in Methodist Hospital in Lubbock this week.

### DAUGHTER VISITS

Mrs. Virginia Montgomery of Lubbock visited Saturday in the home of her parents, Mr. and Mrs. L. L. Swindle.

THE HOME IS a lucrative target for the burglar, according to Liberty Mutual Insurance Companies, which states that stolen property value in each home burglary averages \$263, compared to \$227 taken in the average commercial theft.

UNLOCKED DOORS and windows are the most common entrances used by burglars while families are away during summer vacations, says Liberty Mutual Insurance Companies. Be sure to check other possible means of entry too, however, such as carports, garages or bulkheads.

CARELESSNESS by the homeowner and the growing number of portable valuables in the home are two reasons given by Liberty Mutual Insurance Companies for the rising number of home burglaries reported in this country.

NEWSPAPERS or milk bottles that pile up on your porch or front steps serve almost as an engraved invitation to the home burglar. Liberty Mutual Insurance Companies advises that you cancel all deliveries while away on summer vacation.

The District I banquet, scheduled for July 26 at the Holiday Inn in Lubbock, was discussed, as well as trophies for the District Parade and Play Day.

Coffee, Cokes and Spudnuts were served.

## According To IRS

Internal Revenue employees will tell you that it is a very common occurrence to have taxpayers say "I can't itemize my deductions--I have to take the standard deduction because I haven't got time to fool with keeping books and records." A well-known trade secret is the fact that most major oil companies spend a great deal of time and money training service station operators to replace those operators who did a fine job of running the station, but didn't follow the company's system on keeping books and records. You had better believe that the highly publicized million dollar a year income folks who don't pay any taxes kept their books and records. You might do well to consider doing a little better job on those books and records yourself. You probably won't get out of paying all of your taxes, but every dollar helps.

### RECENT GUESTS

Recent visitors in the home of Mr. and Mrs. T. R. Davis were their son, Mr. and Mrs. Bob Davis of Oklahoma City, Okla. and grandson, Mr. and Mrs. Gary Davis and daughter, also of Oklahoma City.

### ATTEND MARKET

Mr. and Mrs. Joe Bailey attended market in Amarillo Sunday and had lunch in the home of Mr. and Mrs. C. B. Landers, former Hart residents.

## Annual Meeting Set Saturday

Stockholders of the Hart Producers Co-op Gin have been called to meet at the school cafeteria June 14, 1969, at 6:30 p. m.

The audit report will be presented at this time, and three new directors will be elected.

There will be a drawing of several prizes to be given away to the lucky persons whose name is called. Dinner will be served by Vann's Catering Service from Lubbock.

All stockholders are asked to be present and to be on time for this meeting.

Serving with president W. W. Lemons on the board are directors, Waymon Foster, Deryl Clevenger, E. L. Hochstein, Vernon Mapp, David Nelson and Preston Upshaw. C. W. Stevens is the association's manager.

THE "IT COULD never happen to me" attitude often leads to a sad conclusion, says Liberty Mutual Insurance Companies. If you are going off on a summer trip think "it could happen to me" -- then make the proper precautions to see that a burglar doesn't gain entry while you are away.

## KORNER

BY LELA GALLION

Speaking of the weather we have really had the rain right here in Hart at least. There has been hail all around Hart in spotted areas doing considerable damage. There is lots of replanting going on at this time here in our area. The gardens are the things that are benefiting the most from the rains, where it didn't hail at least. We are enjoying plenty of fresh radishes and leaf lettuce at the present time. Several have told me they are enjoying strawberries out of their gardens too. Strawberries are a good buy in the grocery stores at this time. Here is a delicious strawberry dessert and a lemon-orange pie that is very good this time of year.

### STRAWBERRY FROZEN DELIGHT

1 1/2 c. crushed vanilla wafers  
1/4 c. margarine (melted)  
Combine above ingredients and press into the bottom of a 8x8x2 pan.

### FILLING

1 (10 1/2 oz. Pkg. miniature) marshmallows  
1 box (small) frozen strawberries  
1 T. lemon juice  
1 1/2 c. whipping cream

Thaw strawberries and stir in lemon juice. Melt marshmallows with a few spoons of water. Whip cream while marshmallows are cooling. Combine strawberries with marshmallows, folding in whipped cream, mix well, pour on top of vanilla wafer crust. Put in deep freeze. Keeps a long time.

### TANGY-LEMON-ORANGE MERINGUE PIE

1 c. orange juice  
1 c. water  
juice of 1 lemon  
1/4 tsp salt  
3/4 c. sugar  
5 T. cornstarch  
1 T. butter  
6 large marshmallows  
3 egg yolks, beaten  
1/2 tsp. grated lemon rind  
3 drops lemon flavor

Place orange juice and water in saucepan. Mix sugar, cornstarch, and salt and stir into the liquid. Place over a moderate flame stirring constantly. When hot, drop in marshmallows and continue stirring until thick. Remove from flame and add well beaten yolks, butter and lemon juice. Cook 2 minutes longer, stirring well. When slightly cooled add lemon flavoring and when cool pour into pie shell and top with meringue.

## Moments OF Meditation

C. T. Cunningham, Pastor of The First Baptist Church

When Robert Louis Stevenson wrote his story of Dr. Jekyll and Mr. Hyde, he painted a graphic portrait of a man whom modern psychiatrists would describe as a schizophreniac . . . a man whose personality was split in two - one part desiring only to do good, the other part craving and doing evil.

Jesus put it into a simpler term when he said, "Ye cannot serve God and mammon." But ever since Adam, men have tried! And the outstanding Bible example of such a man is Balaam.

But remember first, when you seek counsel from God, be prepared to follow His guidance in spite of your own desires. WE sometimes forget that, while God has a plan for each of us, it is within our power to frustrate those plans. The bait that Satan dangles in front of us may seem - and too often is - irresistible. It all depends upon our genuine desire to let God have His way with us.

Then we must remember that every man must make a choice. How often have we

wished that we could travel back to our youth, and still knowing what we have learned throughout our lives, start all over again. How different we would be. How differently we would act. Elijah cried, "How long halt you between two opinions?" But is it not true that, since we cannot serve God and mammon, if we have not decided to serve God, we have already made our choice? But it is also true that we can still change our decision. Choose ye this day.

Last, remember that God has a plan for you. God had a plan for Balaam - but Balaam thought his ideas were better. He has a plan for each of us - and we may be sure that His plan is best. To live according to His plan may not always be pleasant. But the person who insists on following the path He sets will actually be a far happier man.

## Financial Facts

By Willis A. Hawkins, Jr.

Suppose you scooped up a handful of coins? What denomination would net you the most, dollar wise? Would it be dollars, halves, quarters, dimes, nickels or pennies?

The answer is dimes.

Do you know what is meant by bimetalism? It's a monetary system in which gold and silver are used. Coinage is at a fixed ratio such as sixteen to one. This means that sixteen ounces of silver equals one ounce of gold.

Our present monetary system is often called the "Gold Bullion" standard.

Far more dollar bills are retired than those of other denominations. High denominations last longer. That's because they are handled less frequently.

This is how currency is counted

out to you by a bank teller. Usually, the portraits all face the same way.

THE LAST THINGS to do before heading off for your summer vacation should be to check your home, advises Liberty Mutual Insurance Companies. Be sure that light switches and water taps are off and be extra sure that all doors and windows are firmly secured.

BE SURE TO burglar-proof your home while away, suggests Liberty Mutual Insurance Companies. The record indicates that most home burglaries are performed by amateurs and usually in the daytime when no one is home.

THE HOME IS becoming an increasingly attractive target for burglars, warns Liberty Mutual Insurance Companies. While businesses have employed watchmen, watchdogs and highly intricate alarm devices, many homeowners don't even bother to lock their doors when they go out.

BURGLARS USUALLY "case" a home before attempting their theft, points out Liberty Mutual Insurance Companies. When you go on vacation this summer, be sure not to leave any tell-tale signs that you are away.

MAKE ONE EXTRA preparation when getting ready to leave for your summer retreat, suggests Liberty Mutual Insurance Companies. Be sure to have good secure locks on your doors to prevent a home burglary while you are away. The small price of a good lock must may save some of your most prized possessions.

CAROL MILLER

## Recipe Of The Week

Cherry-O Cream Pie is the recipe shared by Carol Miller with Hart Beat reader-cooks this week.

A sophomore at Hart High School, she is active in Senior Girl Scouts, Pep Squad and athletics. She is also a member of Future Teachers and Future Homemakers.

Carol attends the Church of Christ with her parents, Mr. and Mrs. Dwight Miller.

Her hobbies are cooking, writing pen pals and making friends.

Carol plans to attend Lubbock Christian College prior to Nurses training School and become a registered nurse.

### CHERRY-O CREAM PIE

Soften one eight ounce package Philadelphia Cream Cheese to room temperature. Add 1 can Eagle Brand Milk, 1 teaspoon vanilla, 1/3 cup lemon juice and beat until smooth. Pour into prepared crust and chill till hard. Top with 1 can cherry pie filling.

### IN PARENT'S HOME

Mrs. Lowell Richburg has been dismissed from Plains Memorial Hospital in Dimmitt after being a patient there 17 days. She is recovering at her parents' home from complications following major surgery. Her parents are Mr. and Mrs. H. R. Shaw.

### GRANDCHILDREN VISIT

Mr. and Mrs. Lester Richburg visited Sunday in Lubbock in the home of their son, Mr. and Mrs. Gene Richburg and family. Their grandchildren,

Tana and Todd Richburg returned home with them for a visit.

What do you  
think of...  
when you  
see a Church?

*To almost everyone, the sight of a slender steeple raised to the sky evokes certain emotions—awe, perhaps, nostalgia, maybe—the sense that by not going to church lately, you've been missing something!*

*Next time you see a church, take a good look . . . and let yourself really feel what you see. If that makes you decide not only to look at the outside but also to go inside, that will be all to the good. For no matter how lovely a home you may live in, it can't compare with God's House. If you open the door, you'll find that, no matter how long you've been away, the welcome is warmer and more wonderful than you'll find anywhere else.*
