Elmer Six Named Principal

In recent action Hart School Board accepted the resignation of Weldon "Doc" Bates, high school principal for the past three years, and reassigned E. V. Six to the position thus vacated for the 1969-70 school year.

The board also accepted resignations of Mrs. Weldon Bates and Warren Lemons.

Bates has been named principal of Lefors High School, and Mrs. Bates has been hired as an elementary teacher.

BRINGING HOME THE LOOT---Danny Joe Carson, 12-year-old son of Mr. and Mrs. Joe Edd Carson, is shown here with the trophies he has won in the past and is proudly displaying his latest awards. He was named high point contestant at the Lovington, N. M. Youth Horse show July 5 and brought home a beautiful blanket, trophy and halter. He showed his horse, Gypsy Cash Cole, at halter and in the western pleasure riding class and rode another horse, Relda Hancock, in the barrels, poles and reining classes. Danny was first runner-up at the Amarillo Youth Quarter Horse Show in May.

Domestic Marketing Certificates For 1969 Wheat Worth More

Domestic marketing certificates for eligible 1969-crop wheat will be worth \$1.52 per bushel, 14 cents per bushel more than for the 1968-crop certificates value. The certificates are based on wheat parity price as of July 1, 1969.

Certificate value is based on the difference between July 1, 1969, wheat parity price of \$2.77 per bushel and the 1969-crop national average loan rate of \$1.25 per bushel. Certificate payments to farmers are based on projected production on 43 percent of 1965 wheat acreage allotments. For 1968-crop wheat, certificates worth \$1.38 per bushel were issued on 40 percent of the projected production of the allotted acres.

Certificate payments add

substantially to the income farmers receive from marketing their 1969 wheat crop. The \$800 million in certificate payments when related to estimated production on the 45 million acres of allotment on participating farms reflects an income, as a national average, of 62 cents on each bushel produced by cooperators, as compared to 55 cents on eligible 1968-crop wheat.

In determining total return per bushel for wheat, cooperators divide their certificate payment by their total production to get an average per bushel payment. By adding this to the price they receive in the market, participants in the program find their total return per bushel.

Wheat marketing certifi-

cate are authorized by the 2-price wheat provisions of the Food and Agriculture Act of 1965. Under this law, farmers participating in the wheat program are guaranteed 100 per-

cent of wheat parity price for their share of wheat used for domestic food. This substantially bolsters farm income for wheat while permitting support of market prices through loans at levels more competitive in world trade channels.

Millers and others purchase wheat marketing certificates at 75 cents per bushel to cover the quantities of wheat processed for domestic food use. The remainder of the certificate payment is made up by the government.

Last Rites Set Saturday For W. W. 'Bill' Gallion

Funeral services are slated at 10 a. m. Saturday in the First United Methodist Church for William "Bill" Woodrow Gallion.

Seven Accidents In Castro Co. During June

The Texas Highway Patrol investigated seven accidents on rural highways in Castro County during the month of June, according to Sergeant Vernon Cawthon, Highway Patrol supervisor of this area.

These crashes resulted in no persons killed, one persons injured and an estimated property damage of \$3,468.00.

The Sergeant stated, "With an all time record of 49 traffic deaths over the 4th of July weekend, we are not only well ahead in comparison to the beginning of the second six months in 1968, but well on our way to establishing a record year in 1969."

County All-Stars Meet Defeat

Castro County All-Stars met Anton's Tumbleweed All-Stars in the first game of a double elimination tourney Monday night and came out on the short end of a score reading 13-1.

The second game was the same song, second verse. The All-Stars met Hereford All-Stars and were beaten 7-4. Ricky Black was pitcher for Castro County All-Stars and Larry McNutt pitched for Hereford.

A Service Man

(EDITOR'S NOTE: This poem was submitted by a Hart boy in service training for overseas duty.)

COMPANY # 411 U.S.N.

Take a man - leave him alone.
Put him 12,000 miles away from home;
Empty his heart of all, but blood;
Then make him live in sweat and mud!
This is the life I have to live;
So, my life for you ... to God...I'll give!

You peace boys rant from your easy chairs,
But you don't know what life is really about!
Use your drugs and have your fun;
But yet you refuse to lift a gun!
You say you want to ban the bomb,
And say there's no war in Viet Nam!

I'll hate people like you till the day I die!
You put me here and made my buddy cry.
I saw his arm... A bloody shred;
And then... I heard them say, "He's dead."
Yes, it's quite a price to pay;
Not another day of life will he live!
He bought your life, by giving his;
But what do some people care what a Service Man Gives?!

English Professor Asks Help In Study Of County

Donald A. Gill, Professor of English at El Centro College in Dallas, is preparing a study of the origins of the names of all towns, rivers, creeks, and other place names on the map of thirty-eight counties of the Panhandle-South Plains of Texas. Castro County is one of those included in the study. The study will serve as his dissertation for the Doctor of Philosophy degree in Linguistics from East Texas State University and will also be published in book form at a later date.

Gill, a fellow West Texan from Ropesville, received his Bachelor of Arts degree from West Texas State University in 1960 and his Master of Arts degree from the University of Colorado in 1966.

At this point in his study, Gill has exhausted his source of recorded material and must rely on living sources to help him. Thus the citizens of Castro County are asked to aid him in discovering the origins of names of the county.

Some of the name origins which he has already discovered are as follows:

Castro County--for Henri Castro, a native of France, who was appointed consul gen-

eral for Texas at Paris by President Sam Houston

Dimmitt--For W. C. Dimmitt, one of the promoters of the site.

Hart--for T. W. Hart, in whose ranch house the post office was first located.

Nazareth--for Nazareth of the Holy Land; named by a Roman Catholic priest by the name of Reisdorffer.

Other name origins which he has been unable to find are the following: Arney, Bethel (church), Dodd, Easter, Frio Church, Frio Creek, Grisham, Hilburn, Jumbo, Muller, North Fork Running Water Draw, Roy, and Sunnyside.

If any of our readers know the story of how the above places were named, please send your information to Donald A. Gill, 1135, Shortmeadow Lane, Dallas, Texas, 75218. Credit will be given in the study to those who contribute information.

Financial Facts

By Willis A. Hawkins, Jr.

Here is a workable family budget plan. The percentages are general estimates which will serve as starting point guides.

The term "shelter" represents your dwelling. It may be a house you are buying or a rented apartment.

For shelter allow 20 to 25 percent of your income. Do not exceed 25 percent. Otherwise you will be paying out too much.

Food should amount to 33 percent of your income. Clothing should be allotted from 10 to 15 percent. The operation of your home should run another 15 percent.

Place 12½ percent of your income in a savings account. Allow 10 percent for your amusement and recreation.

These are broad categories. All insurance should go under home

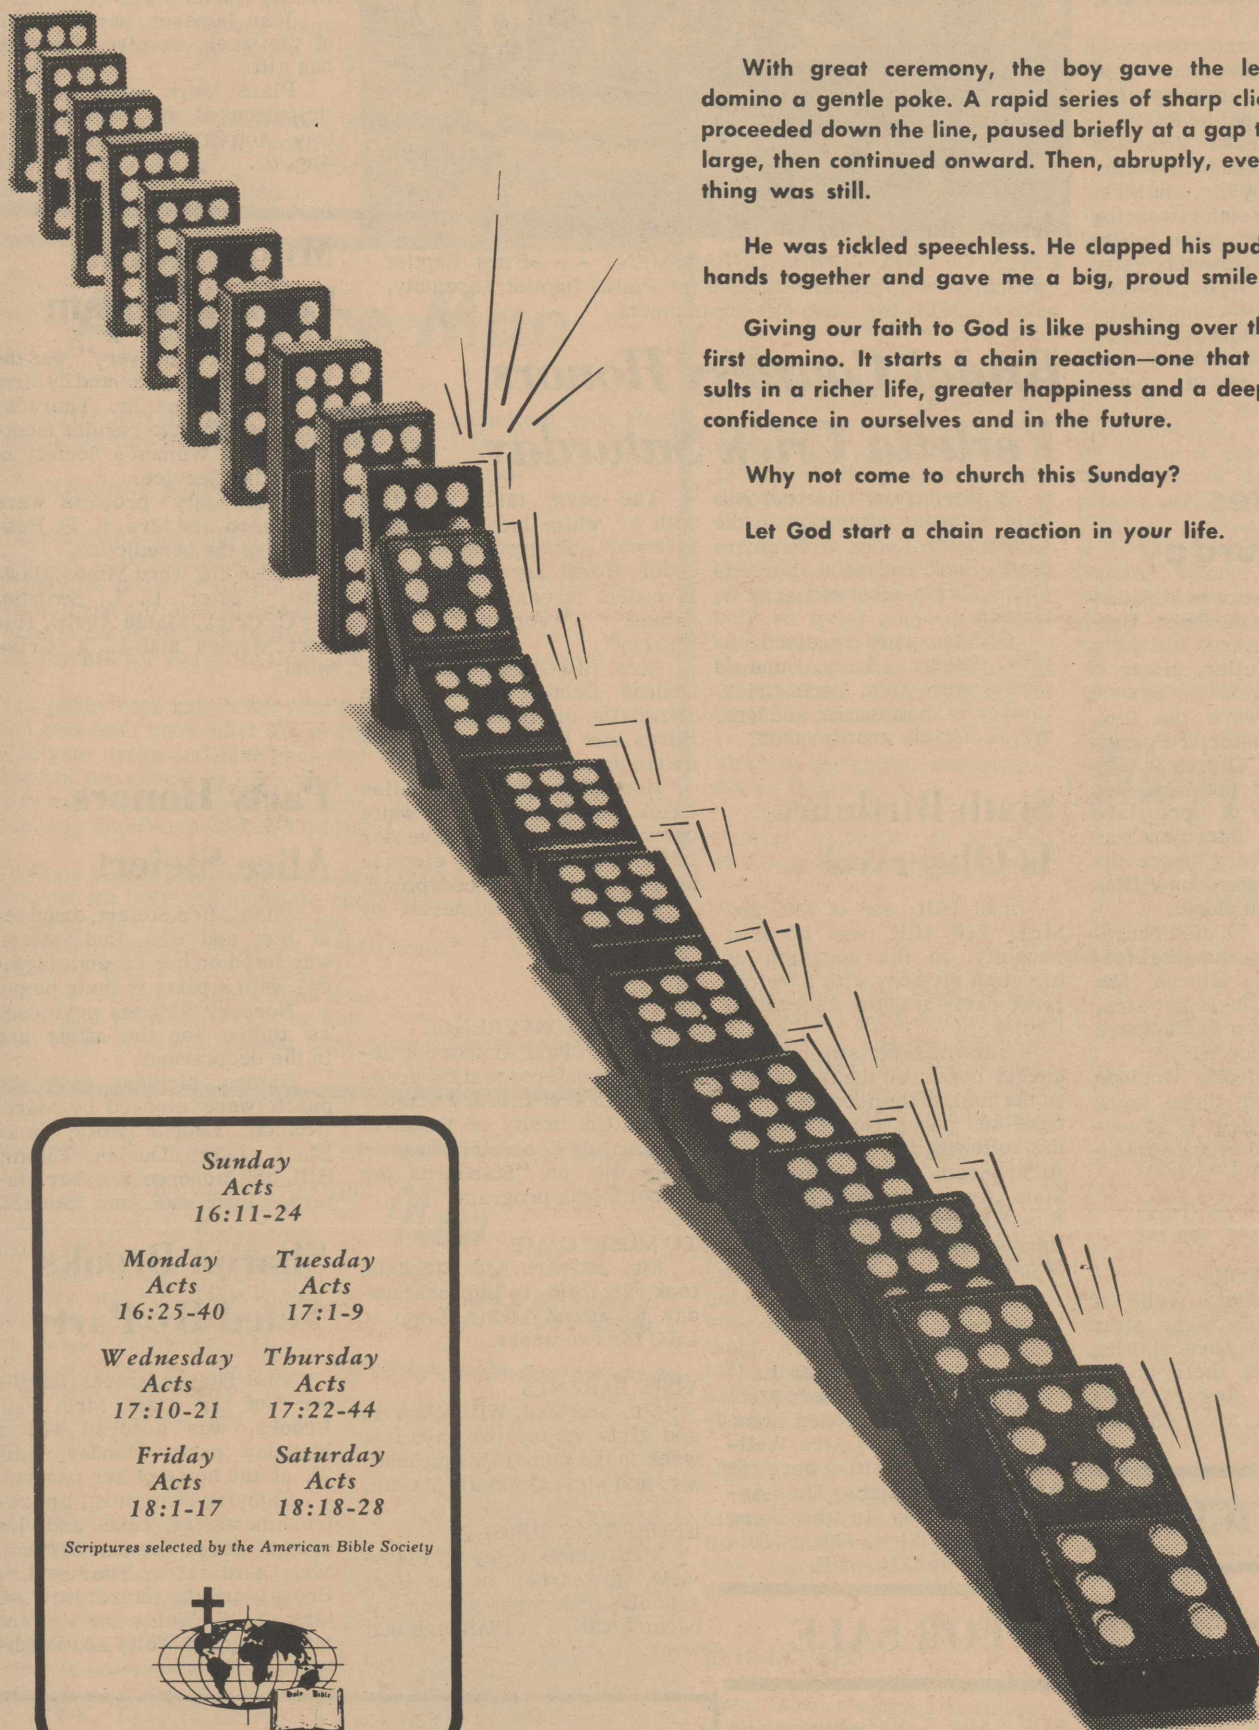

operation. When the car is used for pleasure, place its operating costs under amusement.

Chain Reaction

With great ceremony, the boy gave the lead domino a gentle poke. A rapid series of sharp clicks proceeded down the line, paused briefly at a gap too large, then continued onward. Then, abruptly, everything was still.

He was tickled speechless. He clapped his pudgy hands together and gave me a big, proud smile.

Giving our faith to God is like pushing over that first domino. It starts a chain reaction—one that results in a richer life, greater happiness and a deeper confidence in ourselves and in the future.

Why not come to church this Sunday?

Let God start a chain reaction in your life.
