f C Group Maps Plans Christmas Program

Christmas program on a definite form of the Haskell County Committee, held in a meeting of the Chamber of Commerce of-

Committee made plans for to be held each Saturday of the Christmas season. The annual parade will kick off on Saturday afternoon, and plans made for a window display among the merchants and the managers of the stores are to be... One of the highlights of the Christmas program will be the coronation of the Harvest King and Queen in high school and in grade school. The royal titles in each division will be awarded in a popularity contest. Names have been selected in both the grade school and high school. Various booths will open at 7 p. m. at which time the evening program will get underway. The candidates for King and Queen are: first and second grades, Margana Walker and Kenny Putman; third and fourth, Kathy Moeller and Roger Leonard; fifth and sixth, Nelda Gibson and Roger Moeller; Georgia Gray and Larrie Campbell; 9th, Valeria Darnell and Tommy Walker; tenth, Janis Campbell and Charles Prater; junior, Brenda Brewer and Leon Kretschmer; and senior, Mary Sue Bird and Jack Bowen.

Annual Harvest Festival Will Be Held at Mattson Friday, Nov. 2

Annual Harvest Festival of Mattson Rural High School will be held Friday evening, Nov. 2, presenting an evening of fun and entertainment for the people of Mattson and neighboring communities of Weinert and Haskell. Chances will be sold on various articles by the classes. The following booths were chosen by the classes: Seniors, concessions; Juniors, bingo, dominoes, cake walk; Freshmen, dominoes; 7th and 8th grades, movies; 5th and 6th, fortune telling; third and fourth, basketball throw; and first and second, fish pond. A committee composed of the faculty and president of the four high school classes decided to close the queen's race at 7 p. m. and not use any of the money made from the booths on the queen's race. It is also agreed to leave for the seniors 75% of their net amount from both the queen's race and their booth while the juniors get two-thirds of the amount made on both. All other classes would receive one-fourth of the total made. A program is planned along with the coronation.

olyn Klose and Ronnie Chapman from the fifth and sixth grade room for grade school and Sandra Feiser and Durward Campbell won in high school. They graduated in the spring. A program is planned along with the coronation.

Haskell Man Bags Record 1,200 Pound Bull Elk on Hunting Trip in Colorado

A 1,200 pound bull elk, believed to be the largest killed in the Colorado elk country in years, was bagged by C. G. Burson, Sr., of this city, who returned during the weekend from a five-day hunting trip with three companions from Haskell.

ber of the group was successful in bringing back a deer. They hunted in the vicinity of Steamboat Springs, Colo., and said the country was well stocked with elk, deer, grouse and partridge. The huge elk killed by the Haskell man was termed by guides and the rancher on whose place they hunted, as the largest ever killed in that section.

Hallowe'en Party, Dinner Planned For Troop 36

A Hallowe'en party, Court of Honor, and dinner for Boy Scout Troop No. 36 has been planned for Tuesday evening, Oct. 30, Wallace H. Cox, Jr., announced this week. The affair will be held in Recreational Hall of the First Methodist Church, at 7 p. m. The party and dinner will be for all Scouts of Troop 36, parents, Troop committeemen and prospective Scouters, it was announced.

Miss Lois Stuart, Former Resident, Dies in Lubbock

Friends will regret to learn of the death in Lubbock recently of Miss Lois Stuart, former resident here and sister of Raymond Stuart of Haskell. Her death occurred unexpectedly at 2 p. m. on Oct. 13 in a Lubbock hospital. She had been ill with a heart ailment for about two weeks but her condition was not considered critical.

Funeral services were held in Lubbock First Baptist Church Monday, Oct. 15, after which the body was carried to Merkel where burial was in the Merkel Cemetery following graveside rites. She was a member of the Baptist Church. Miss Stuart was the daughter of the late Mr. and Mrs. B. Stuart, and was reared here. At the time of her death she was chief operator in the Lubbock exchange of Southwestern Bell Telephone Co. and had been with the company for 37 years. She was employed in the company's Fort Worth exchange until moving to Lubbock in 1924.

FHA Will Execute Reduced Freight Rate Certificates

Wm. E. Lawson, FHA supervisor in Haskell-Stonewall Counties was advised today of the designation of Farmers Home Administration to execute certification forms in connection with reduced freight rates recently worked out between the President and railroad representatives to further assist the farmers and stockmen in drought stricken areas. This revised tariff provides for a reduction of 50 per cent in the freight rate of hay forwarded to destination due to the drought and applies only in connection with hay purchases of individuals who are entitled to assistance under the Hay and Roughage program.

New Diana Game To Honor Fathers Of Players

HHS Indians final scheduled game for the season Friday night, Nov. 2 against New Diana will be dedicated to graduating seniors on this year's squad. The game also will be observed as a Father-Son game, and fathers of team members will occupy places on the players' benches. They will wear the same numbers as their sons.

Judge Chapman Is Speaker at Elbert Church Sunday

The Methodist Church of Elbert, Texas, had as its guests Sunday, Oct. 21, Judge and Mrs. Ben Charlie Chapman of this city. Judge Chapman addressed the congregation at the 11 o'clock hour, appearing as a layman for the Methodist people and their pastor, Rev. Chas. Sargent. His enthusiastic message based on the spiritual needs of the hour was well received by his many friends in the community who were present to hear him.

City Council Plans Steps To Curb Hallowe'en Vandalism

The City Council discussed local problems when they met Tuesday evening in regular session, but the only action taken was in an attempt to cut down on property damage during the coming Hallowe'en celebration. Police Commissioner Brooks Middleton was authorized by the Council to arrange a conference between the City Police Department and the Sheriff's Department in order that plans may be made to curb activities which might lead to property damage.

First 'Soil Bank' Checks Out Today

First 'Soil Bank' checks for Haskell County farmers in the wheat and cotton acreage reserve were being signed today, and notices went out to about 300 farmers to call for their checks, ASC Secretary Loyd Foomister stated. More than \$1 million will be paid out in the acreage reserve phase of the program, Foomister estimated, at the rate of 600 to 800 checks daily. Today's batch of checks for which notices were mailed represented a total of \$61,748.

Rule-Hermleigh Game Friday Due Record Crowd

Game of the week in area Class B football will be the clash of the undefeated Rule Bobcats and Hermleigh Friday night in Bobcat Stadium in Rule. Hermleigh, with a 5-1 record for the season, is rated one of the strongest teams in the district, while Rule, with a perfect 6-0 record for the season, holds the No. 1 spot. The Bobcats have shown amazing power in their climb from the cellar to the top rank in season play.

Haskell Men Attend Oil Show Saturday In Odessa

Three Haskell men, Leslie C. Davis, H. A. Bayless and R. H. Robbins spent Saturday in Odessa, where they attended the annual Oil Show, sponsored by the oil and allied industries of Texas. The show featured displays of newest development in machinery and equipment for the industry. Attending were oil men and others interested in the industry from over the Southwest.

Firemen Receive \$150 Check From Service Pipe Line

Haskell Volunteer Fire Department received substantial recognition several weeks ago from Service Pipe Line Company in the form of a \$150 check. The donation was in appreciation of work of local firemen when they extinguished a blazing oil transport truck. One-half of the amount given the fire department was designated for firemen's retirement fund. "The entire department appreciates this generous gesture of the part of Service Pipe Line Company," Fire Chief Ray Lust said.

Funeral Rites for John L. Stockton Held at Weinert

Funeral services for John L. Stockton, 81, well known Weinert resident, were held at 4 p. m. Thursday Oct. 18 at the Foursquare Church in that city. Mr. Stockton died at 11:05 p. m. Oct. 17 after an illness of several weeks. Officiating for the rites were Rev. Floyd Bailey, pastor of Knox City Foursquare Church, Rev. Lee Walls, pastor of the Weinert Foursquare Church, Rev. Chas. Sargent, retired Methodist minister, and layman Elzie Marion of Munday.

Seven Hunters Take Toll of Seven Deer On Colorado Hunt

Seven proved a lucky number for as many Haskell sportsmen and unlucky for an equal number of Colorado deer last week. The Haskell party, composed of Herbert Barnes, Frank and (Sonny) Reynolds, Fred Brown, Bert Helms, Ed Fouts, and W. D. Rogers, returned Friday night from Colorado bringing seven deer which they had killed during a three and one-half day hunt. Who killed which deer was not determined for publication, but it was generally agreed that the largest deer in the lot was brought down by Frank Reynolds. His buck dressed out at more than 125 pounds. The party hunted in Montrose County, Colo., and reported good weather for the opening of the season.

FHA Offices Will Have New Quarters In Rike Building

The interior of the Rike Building on the east side of the square is being refinished and repainted, in preparation for the occupancy by the offices of the Farmers Home Administration. Wm. E. Lawson, FHA supervisor for the Haskell and Stonewall Counties, said his agency planned to occupy their new quarters around Nov. 1. The offices are now located on the third floor of the court house. Improvements being made in the new quarters include placing of wainscoting around the lower walls, and installation of partitions for offices, new lighting fixtures and floor coverings. Offices in the Rike Building will provide a much more convenient location for FHA clients and the farmers and ranchers of this section, Lawson said.

Dallas Man Will Be Featured Speaker At Baptist Associational Youth Rally

Entertaining, inspiring, motivating, and spiritual, are all words to describe the different program that is being offered to the youth of the area at the Baptist Associational Youth Rally. A. C. Wimpee of Dallas, will be featured speaker at this meeting to be held in the Paint Creek High School gymnasium at 7:30 p. m. Saturday, October 27.

Included in the features of the program will be music, movie films, slides and other object lessons from the many works and experiences of the speaker who has addressed over 850,000 students and teachers from every county in Texas, every state of the union, and 17 foreign countries. From instructor in Visual Education in the Army Medical Department, Wimpee excelled in Bond Salesmanship, athletics, and appeared in Madison Square Garden, Soldier's Field, Times Square, and the Hollywood Bowl. Following his service in World War II, he became associated with Baylor University where he served as Public Relations Director.

Receiving a personal offer from Billy Graham to join his Evangelistic Association, Wimpee declined in favor of the work with Texas Baptist. Now he serves as associate secretary of the Baptist Brotherhood of Texas.

Mark this day on your calendar as one to remember, not to forget. All Young People are urged to come and bring a friend for this Youth Rally.

Local GOC Post to Observe 5-Hour Alert Sunday

Thomas Watson, supervisor of the Haskell unit of the Ground Observers Corps, has been advised of a practice alert to be held Sunday. The scheduled alert was announced from the Air Force filter center in Dallas, Watson said.

The alert will go into effect at 1 p. m. Sunday and the Haskell post will be in operation from that time until 6 p. m. Headquarters will be in the press box in Indian football stadium which will have direct telephone connection with the Dallas filter center.

Watson stated that all members of the local Ground Observers Corps should report for the alert in order to receive credit toward a certificate. Members who have or can secure field glasses or binoculars are asked to bring them, Watson said.

God and Country Award Presented Haskell Scout

Ted Dement, son of Mr. and Mrs. A. G. Dement, was presented with the Boy Scout God and Country Award during special services at the First Methodist Church, Sunday, Oct. 21.

The presentation of the candidate was made by Cecil Corley, local Scout executive. Corley stated that the young Scout had made an impressive achievement in winning the award. "It takes as much study and effort as winning Eagle Scout status," he stated. The award is made only after nearly a year of study of his religious faith by the Scout and regular church attendance.

Baptist W.M.U. To Collect Clothing For Koreans

The WMU of First Baptist Church will sponsor the collection of used clothing Sunday, to be sent to the destitute people of Korea.

The church group asks that everyone who will donate serviceable used clothing to place their bundles on the porch of their homes by 3 p. m. Sunday. Cars to pick up the bundles will be operating at that time and will visit all sections of town. All kinds of clothing, for men, women, and children is desired, just so that it is usable.

A Cub Scout Pack Meeting will be held Monday night, Oct. 29 at 7:30 in the Elementary auditorium. All boys and parents interested in Cub Scouting are urged to attend in order for more dens to be organized. Den 1 has the opening exercises, Den 2 has the games and Den 3 has the closing exercises.

Condition of Fire Victim Remains Critical

Condition of George Melroy of this city, who was severely burned on the morning of Oct. 9, was termed as still critical today by attendants in the Knox County Hospital where he has been under treatment since the accident. Mr. Melroy, 37, production foreman for Continental Oil Co. in the Haskell area, was working on the H. B. Berry lease between Haskell and Rochester when the accident occurred. In some undetermined manner, a spark ignited gas and oil and Melroy's clothes caught fire, burning him severely. Workmen on a nearby lease came to his aid and carried him to the hospital. He received third degree burns over 85 per cent of his body, and first and second degree burns on 15 to 5 per cent of his body. Mrs. Melroy has been staying at her husband's bedside since the accident.

Haskell Stores to Observe Nov. 22 As Thanksgiving

Haskell retail stores and business establishments will observe Thanksgiving Day on the fourth Thursday—Nov. 22—and will be closed on that day. The retail trade committee of the Chamber of Commerce announced this week.

Thanksgiving Day is one of the dates adopted for community-wide observance as a business holiday, selected in a poll of Haskell merchants early this year. The date will be a legal holiday for the post office and there will be no mail delivery on that date either by rural or city carriers. Haskell schools will observe a two-day Thanksgiving holiday, with classes being dismissed Thursday and Friday, Nov. 22 and 23. The Nov. 22 Thanksgiving date will be observed in Abilene, Wichita Falls, Stamford and other neighboring towns, according to Rex Felker, C. of C. manager.

Condition of Wreck Victims Improving; One Still Serious

Condition of John Pennington, Haskell farmer critically injured in an automobile accident last week, has improved and he has been removed from the critical list but is still in serious condition, his physician said today.

A companion of Pennington, Johnny Mullins of Haskell, also seriously injured in the mishap, has improved so the extent that he could be released from the hospital and removed to his home. The two men were hurt when their car went out of control and overturned on the highway south of Haskell on Oct. 15.

JERRY M. JOHNSON

Performing an outstanding service for the people of Lubbock and the surrounding territory, Jerry M. Johnson of the All-American Security Life Insurance Company, located at 19th & Avenue M, (Park Place), has achieved an enviable reputation for his progressive policies of business administration. His constant study of insurance problems in relation to the protection the people both need and can afford, have been important factors in his well-earned success.

Mr. Johnson is a man of ideas and he is as practical as he is progressive in putting those ideas to beneficial use in furthering the service he renders to the people. His sound business judgment and unwavering honesty are characteristics which place him in the front rank of the business leaders of the city. Yet he is unassuming and modest in his personal contact with the people, always ready to listen to their ideas and desires.

We are glad to pay tribute to progressive citizens of this type, for it is such men as Jerry M. Johnson who have caused Lubbock to become recognized as the metropolitan center for this section of Texas. (Adv.)

Cotton Allotments In State for '37 Up 136,910 Acres

The Agriculture Department at Washington announced a planting allotment of 7,547,503 acres for next year's cotton crop in Texas—an increase of 136,640 acres over the 1936 allotment.

The total of allotments for the entire nation amounted to 17,585,463 acres. The figures compare with 7,410,893 acres allotted to Texas in 1935 and to 17,391,304 acres total allotment for the nation last year. Allotments are designed to help prevent overproduction.

The state allotments will be apportioned among counties and individual farms on the basis of a formula in farm law and regulations issued by the department. The apportionment will be made by state and county agricultural adjustment and conservation committees.

Farmers must plant within allotments in order to be eligible for government price support loans.

Growers will vote Dec. 11 on a proposal to continue federal marketing quotas on the 1937 crop. Such quotas would in general, limit each farm sale to the quantity of cotton grown on its allotted acres. Quotas must be approved by at least two-thirds of the growers voting.

The department has made an initial national allotment totaling 17,391,304 acres for the 1937 crop—the same as for this year. However, provisions of farm law enacted this year, specifying certain state minimums, required the addition of 194,159 acres to the total.

Haskell County History

20 Years Ago—Oct. 22, 1936

Miss Eunice Huckabee and Mrs. W. A. Kimbrough accompanied Mrs. Hugh Ruff to her home in Shreveport, La., this week and will visit there several days.

Mr. and Mrs. H. K. Henry of Muleshoe are here for a few days visiting at the school where Mr. Henry is teaching Vocational Agriculture has dismissed for a few days.

Mrs. L. F. Taylor and daughter Miss Maybelle are in Dallas visiting a daughter and sister and family, Mr. and Mrs. Tom French.

Among the old timers here attending the Central West Texas Fair and Pioneers Reunion are J. B. Marr of Kansas City, Bill Marr of Dallas, E. C. Marr and T. L. Marr of Aspermont. They are brothers of L. E. Marr of Haskell, and all lived here at one time.

Mr. and Mrs. T. R. Odeil and John H. Banks were in Abilene Tuesday attending Federal court.

A family reunion was held in the home of Mr. and Mrs. J. S. Hays, four miles north of Haskell, Saturday and Sunday. All their children were present. They were Rhea Hays of Stafford, Ariz., Mrs. Lonnie Griffin of Amarillo, Mr. and Mrs. Dalton Hillburn of Amarillo, Mr. and Mrs. Edgar Tudor and baby of Throckmorton, Mr. and Mrs. Roy Brock and son of Haskell.

An automobile stolen recently from T. B. Bagwell of Rochester was recovered this week, and Sheriff Giles Kemp said an Eastland man had been arrested in connection with the theft. The Haskell sheriff and Martin Koonsman, special investigator for the National Automobile Theft Bureau, are questioning the Eastland man in connection with other car thefts in West Texas. Mrs. Vaughn Bailey of Dallas is visiting her mother, Mrs. W. C. Norton this week.

30 Years Ago—Oct. 21, 1926

Mr. and Mrs. Tony Patterson are the parents of a fine boy, born Oct. 12.

A heavy rain fell in the Center Point and Sayles communities Friday, causing some damage to open cotton. However, farmers generally were pleased with the promise of a good winter season in the ground.

A number of neighbors met at the home of Nolan Bristow in the Sweet Home community Friday and spent the day picking cotton for him. He has been ill with typhoid fever and unable to see after harvesting his crop.

Contract for construction of the new City Hall has been awarded to W. M. Harrison & Son, contractors of this city. Their bid of \$14,200 was the lowest submitted. The building, of brick and stone will be two stories. The

was seriously hurt while working on the Neathery Building several weeks ago, is able to be out again.

F. M. Morton returned Monday from Fort Worth, where he accompanied a shipment of cattle made by him and other parties last week.

Heavy rains fell over this section Saturday evening and night, and continued part of the day Sunday. The precipitation here measured 5.25 inches. It caused a delay of several days in construction work on several buildings now going up. Farmers report that the rains damaged late cut feed stuff and also retarded the opening of cotton.

S. R. Rike, John E. Robertson and Warren Fitzgerald are taking in the Dallas Fair this week.

John A. Howard of the south side was in town Tuesday. He says they had regular trash floating rains Saturday night and Sunday.

Judge O. E. Oates and son John left Wednesday on a visit to the Dallas Fair.

Henry Free of the east side was in town Wednesday and told the reported that he had 17 bales of cotton picked and ginned and stacked up at home, and had not sold a bale. He said he thought he would get about 20 more.

Elmer Lee, son of Wheeler Lee of Carney, has accepted a position as bookkeeper in the S. L. Robertson store.

Martin Jones, who lives on Miss Lizzie Mason's farm was in town this week with his eighth bale of cotton to be ginned. He said he thought he would make 16 bales, which will be pretty fair for a single handed farmer.

Quotes from Democrats On Democrats

(Ticket headed by Stevenson would be) "an unacceptable package to the majority of the voters. What was not good enough to win in 1952 will not be good enough to win in 1956." Estes Kefauver, 5-26-56

"If Stevenson is nominated we might as well throw in the sponge and turn the election over to the Eisenhower ticket by default." Jno. L. Lewis, 8-15-56

"Stevenson is not talking sense - I am sorry that Mr. Stevenson feels that he must engage in mudslinging." Kefauver, 4-6-56

"Kefauver, as a nominee in any capacity would be disastrous to the Democratic Party." State Dem. Chairman John Bell of Ga., 8-1-56

"(Kefauver's) was the second worst voting record in the Eighty-Third Congress." Stevenson, 5-30-56

"There may be such a thing as wanting to be President too badly. And that may be one of the reasons why none of Senator Kefauver's colleagues in the Senate have endorsed him and so few of the party leaders throughout the country." Stevenson, 4-6-56

"I got mad and lost my head"-in criticizing Adlai. (Maybe he had but little to lose, anyway) Kefauver 6-17-56

No. 1 "From any standpoint, you have the best man out for President." But . . . But.

No. 2 The Democratic leadership, as they are now barnstorming the Country, know one thing all too well, and that is, IF THEY TELL THE TRUTH THEY CANNOT WIN." So they are not telling it.

No. 3 It is my impression that not for many years passed, has there been the feeling of dignity and honor with a religious atmosphere as now exists in the Whitehouse. May it long continue."

No. 4 "I cannot support Stevenson for three reasons: (1) it is my honest opinion that he is in no way fitted, or qualified, for the place he seeks. (2) He exhausted every effort, four years ago, to beat the school kids out of the rich 'Tidelands' millions, and I think he would still do so if he had a chance. (3) Therefore I fully oppose Adlai Stevenson, and am giving my full support to Eisenhower."

New Swept-Wing '57 Dodge To Be Shown Tuesday

Lower, longer and wider with far-reaching advances for smoother, quieter performance, the 1957 Swept-Wing Dodge passenger cars make their first appearance in dealer showrooms on Tuesday, Oct. 30.

M. C. Patterson, Dodge President, said dynamic new principles of auto design and manufacture, with exciting new applications of materials, have been combined to produce an advanced design 1957 Dodge with "entirely new riding characteristics, virtually free of vibration, noise and road shock."

The same autodynamic principles responsible for achieving this new driving sensation in the 1957 Dodge also made possible many of the car's swept-wing styling advances.

An all-new suspension system and newly designed frame give the 1957 Dodge a much lower center of gravity, providing road-hugging qualities formerly found only in high priced sports cars. Not only is this a major contribution to highway safety, but it also enabled Dodge to reduce car height by as much as five inches, so that the new Lancer hardtop stands less than 55 inches high.

The 1957 Dodge features swept-wing rear fenders comparable to the rudders of airplanes or racing boats. Keynote of the Dodge styling theme, they also have the definite functional purpose of stabilizing the car in crosswinds.

Under New School Administrative Plan, Haskell Would Be in Seven-County Unit

A larger administrative unit has been proposed to the State Board of Education, to take the place of the traditional county superintendency. The new administrative unit would consist of several counties rather than one, in most areas of the state, with the change being made to "provide better services to the schools." The superintendent of the proposed "intermediate" unit would have three assistants: a director of administrative services, a director of instructional services, and a consultant.

An elected board of seven members would be authorized to select the location of the unit office, and to appoint the unit superintendent.

Haskell County would become a member of a unit consisting of six counties, the others being Knox, Foard, Hardeman, Cottle, and King.

This proposal to the State Board of Education comes from an advisory commission of thirteen members that was set up as the result of a resolution passed in the last legislature. This commission was instructed to complete a study of the county unit as it now functions, and to make recommendations to the State Board of Education.

Whatever the State Board decides regarding the report of the commission will be recommended to the next legislature, for their decision. Whatever citizens of Haskell County desire to have done about the matter should be reported to their representative members on the State Board of Education, E. H. Boulter of Lubbock, and to their representative in the legislature.

The State Board of Education will meet on Nov. 12, and will at that time consider this proposal.

NEWS OF INTEREST TO WOMEN

MR. AND MRS. GENE TAYLOR MAPES

Sylvia Wynell Lee of Lovington, N. M. Becomes Bride of Gene Taylor Mapes

In a wedding ceremony recently in Lovington, N. M., Miss Sylvia Wynell Lee, daughter of Mr. and Mrs. Cecil Lee of that city became the bride of Gene Taylor Mapes, son of Mr. and Mrs. Elbert Mapes of Haskell. The nuptial rites were read in the parsonage of the Jackson Avenue Baptist Church, Lovington.

The Rev. Fred Thomas performed the single ring ceremony in the presence of the immediate families of the couple.

Given in marriage by her father, the bride wore a brown wool and orlon ballerina length dress with white angora collar and buttons. She wore brown suede shoes with rhinestone clips. For something traditionally borrowed she wore a pair of old pearl earrings. Her corsage was of orchid and white carnations.

A reception was held immediately following the wedding at the home of the bride. Refreshments of bride's cake, ice cream and coffee was served from a table covered with a white linen cloth. Miss Elora Lee, sister of the bride, presided at the refreshment table.

For their wedding trip, Mrs. Mapes chose a gold corduroy suit with brown accessories. The couple will make their home in

the Matison community northeast of Haskell.

Mrs. Mapes attended Lovington High School where she was a member of the FHA Club. She is a past member of the 4-H Club.

Mr. Mapes is a senior at Matison High School, where he is football captain. While in Lovington last summer he was employed by General Seismograph Co.

Methodist Close Special Program, Study on Youth

The last session of the study, "Youth, the Christian's Responsibility," was held at the Methodist Church Monday evening with Mrs. Ethel Irby, Mrs. Marcus Helber and Mrs. J. E. Foster assisting Mrs. J. G. Vaughter in the presentation.

Plans were made to assist Mr. and Mrs. Jim Byrd, Mrs. Marcus Helber, Ferrell Coston and Mrs. Charlie Chamberlain, the readers with the youth, in monthly activities for the youth.

The study was a most helpful one, giving those taking part a better understanding of youth and their needs, and was very ably directed by Mrs. Vaughter. Mrs. H. L. Parkins arranged a very attractive worship center, with models of a home, a church, and school building. Paths of white ribbon ran from each place to the other, connecting the home and the school with the church. An open Bible was placed on the connecting path in front of the church. The group is indebted to Mrs. Pat Weaver and her Second Grade Classroom of the public school for the use of these models.

Surprise Birthday Party Compliments Weinert Couple

Mr. and Mrs. Fred Monke of Weinert were pleasantly surprised Friday evening with a party planned for them by their daughter and her husband, Mr. and Mrs. R. C. Liles. It was in honor of their birthdays. Mr. Monke's on Oct. 20 and Mrs. Monke's on Oct. 18.

Mrs. Monke believes a secret can be kept and that the saying, "Tell a woman and the news really gets around," can fail.

Mr. and Mrs. Monke were not aware of any planning until the guests, Mr. and Mrs. P. F. Weinert and Mr. and Mrs. R. H. Jones were at the door singing "Happy Birthday." After three games of "84" refreshments were served by Mrs. Liles, consisting of birthday cake baked by Mrs. Liles, and coffee. The men were winners in the "84" games.

Magazine Club Begins Study of American Heritage

Members of the Magazine Club met Oct. 19 for their first program of study in the new club season. The meeting was opened with a prayer by the president.

Miss Beryle Boone reported on the workshop held in Fort Worth for the federated clubs of First District. Mrs. W. L. Buchanan, district president, presided and outlined the program of work for 1956-57. The annual district meeting will be held in Mineral Wells next spring. Those attending the meeting in Fort Worth from Haskell were Beryle Boone and Mrs. H. T. Wilkinson.

Mrs. B. C. Chapman directed a very interesting and informative program on the "Period of Exploration." She illustrated with a map how the story of America began centuries ago in Southwestern Asia, moving from there to the Mediterranean Sea and its surrounding area then on into Europe and the Western world. Important contributions of ancient peoples to American civilization, and conditions existing in Western Europe at the close of the Middle Ages, influencing the era of discovery and exploration was discussed by the director.

Mrs. Joe Thigpen told of the role Spain had in the discovery and exploration of the Western Hemisphere, and about the many explorers and their adventures into the Atlantic.

Mrs. George Tyler concluded the program by tracing routes of the "Spanish Conquistadores" who came to claim the country for Spain.

Mrs. W. A. King Director for Club Program at Weinert

The Weinert Matrons Club met Thursday at 2 o'clock in the Weinert High School with Mrs. V. C. Derr, Mrs. Cecil Hutchinson and Mrs. R. W. Rutherford as hostesses.

Mrs. W. A. King directed the program "We Are Served by Consumer Education." Mr. Douglas Myers led in prayer.

Mrs. King showed the color slide program "New Dimensions" for the home. The slides showed colorful room settings, unique fabric suggestions for windows, fabric panelled walls, decorative accessories and easy to care for furnishings.

The Homemaking class and their teacher, Mrs. Chambers, served punch and cookies for the hostesses to the following members: Mesdames C. T. Jones, W. A. King, W. B. Guess, R. H. Jones, H. W. Liles, J. W. Liles, R. C. Liles, J. A. Mayfield, Fred Monke, G. C. Newsom, R. J. Rainey, P. F. Weinert, Damon Smith, C. G. Gary and the hostesses.

Guests were Mrs. A. Bartell of Wichita Falls, Mrs. Hooper Wilkinson of Haskell, Mrs. W. S. Chambers, Misses Frances Walker, Becky McGuire, Louise Hix, Lora Lois Rainey, Patsy King, Nell Rainey, Linda Dunnam, Carolyn Sturdy, Delores Dunnam, Linda Walker, Joyce Walker, Yvonne Hawkins, Sharon Caddell, Sue Sanders, Marie Sanders, Sandra Jetton, Christine Hutchinson, Jean Hutchinson, Carolyn Davis and Roberta Raynes.

Past Presidents Assembly Honored At Coffee

Mrs. Tommie B. Hawkins, as hostess, honored the Past Presidents Assembly of the Harmony Club with a coffee in her home at 9:30 a. m. Tuesday, Oct. 23, assisted by Miss Beryle Boone.

The charming home, with its beautiful antique furniture and glass was gaily decorated with fall flowers, Pyracantha berries and red chrysanthemums.

District Workshop For Teachers Held in Seymour

The Texas Classroom Teachers Association held their District VII Workshop in Seymour Saturday, Oct. 20, in the Seymour high school.

A large group of teachers from Vernon, Quanah, Jacksboro, Stamford, Abilene, Crowell, Sweetwater, Haskell and Snyder, attended.

Mrs. Alva Proffer, TCTA executive board member, from Denton, directed the day's program.

The theme of the program was "We Proudly Teach."

The delegates heard discussions on the following subjects: That We May Proudly Teach, the TCTA Helps Its Local Affiliates to Solve Certain Problems.

The TCTA Contributes to the Cause of Educational Progress in Texas in order That We May Proudly Teach.

We Work to Secure Increased Retirement Benefits for Those Who Serve Faithfully the Cause of Education, as We Proudly Teach.

Alert and Vigilant Teachers Will Guard Education Against Injurious Trends and Practices as They Build the Profession, and Proudly Teach.

Miss Madalin Hunt, president, and Mrs. K. H. Thornton, vice president of the local association, presided at the meeting. Both teachers had parts on the program.

A delicious luncheon was served at the noon period, a delightful program was given by the music department of the Seymour schools.

Mrs. Vern Teague a P-TA mother, delighted the group with a reading.

Louis H. Johnson was guest speaker for noon luncheon.

is to assist through contributions to the National Artists Fund, in encouraging young American artists in our city. State and country to develop their talent of music. Also to give State and National recognition to past presidents of an organization such as the Harmony Club belonging to the National Federation of Music Clubs.

Mrs. Hawkins, as past president of the P.P.A., presided at the business meeting. Mrs. A. C. Foster, Jr., was elected secretary-treasurer for 1956-57. Mrs. J. F. Cadenhead, Sr., automatically became president, being president of the Harmony Club the past year.

By request, Mrs. Cadenhead played two compositions of her own, "O Love Divine" and "My Redeemer Friend."

The hostess served coffee from doeuves, fruit cake and nuts.

The past presidents present included Mesdames V. W. Meadors, R. L. Harrison, John Ellis, O. E. Patterson, R. C. Montgomery, C. L. Lewis, J. F. Cadenhead, Tommie Hawkins.

Mrs. H. T. Wilkinson Directs Program For Progressive Study Club Oct. 18

"I Can: Power to act and skill to accomplish" was the opening remark of Mrs. H. T. Wilkinson, director, to the Progressive Study Club and guests Thursday night, Oct. 18 in the Homemaking Cottage.

Mrs. Wilkinson showed color slides on "Celanese Fresh Viewpoint," a courtesy of the consumer relations department of the Celanese Corporation of America. "Since the dawn of history fabrics have played an important role in history. Interior decoration was created for many unique ideas on how to create beauty and charm out of tired rooms and old furniture. Every suggestion is designed so that any woman can 'Do-It-With' fabrics of Celanese, Celaperm, Chifonese and Fortison," stated Mrs. Wilkinson.

Mrs. F. E. Frierson told about Islam, one of the World Religions, in which she said, "Islam, the youngest of man's great religions, is also in many ways the simplest and most explicit. Its founder, Mohammed, was neither savior nor Messiah, but a man through whom God chose to speak. A key to its power lies in the word 'Islam' which means 'to submit to the will of God.'"

Mrs. Sam P. Herren received the door prize of five yards of material which the Celanese Corporation gave for the promotion of the sale of their material.

Mrs. M. C. Medley was voted into active membership of the club.

A ceremony for the capping of the NIBS will be held at 3 p. m. Nov. 4 in the First Presbyterian Church.

The Club's money making project this year will be the selling of Hershey Kisses and giving chances for a big beautiful doll with a complete elaborate wardrobe to be given away Dec. 6. Look for it on display in one of the downtown store windows.

A committee from the club judged the fire prevention post-

Warm Shade

NEWEST footwear hue is "Ivy-wood," described as warm dark brown "with a glint of freight in it." This attractive color is appearing more and more in men's shoes observed locally.

tassel tie in Ivywood is seen above. The moccasin-toe style, reported to be more popular than ever, is chosen by many men for its plant comfort and casual good looks.

Tassels on the laces add a decorative touch for informal wear, and can be removed if conventional ties are desired.

The Ivywood shade reputedly was developed to complement the newer mixed apparel tones. Shoe men say it is a fresh note in the style picture and will be increasingly favored this year as a footwear color.

Crowning of Queen, Mustang-Bulldog Game Highlight Mattson Homecoming

A thrilling last-minute winning touchdown for the Mustangs in the Mattson-Weinert football game, and the coronation of Sue Sorenson as Homecoming Queen provided a fitting climax to the annual Mattson Homecoming program Saturday night.

The all-day affair attracted a record attendance.

Sam B. Guyne emphasized in the principal address of the Mattson Homecoming program that any central government can get too much power if it gets control of the education and law enforcement of a nation. He urged the people to keep local control of both of these to help insure continued freedom.

Gus A. Coleman acted as master of ceremonies for the program which had the recognition of all ex-school teachers of Mattson and of eight older schools, that of ex-students of Mattson and the oldest, those living out of the state, traveling the farthest, and the family with the most children present.

Mrs. Bud Hummel of Sterling, Illinois, the former Lavera Guess was the person traveling the greatest distance. She traveled over 1,000 miles. She was both a student and teacher here. Albert Klose of Haskell, for the second time carried off honors as the one attending school the most years ago. He started to Irby in 1905. Mrs. Jim Stanford, Haskell, the former Mamie Calloway, attended Roberts in 1907. Several others attended one or more of the schools before 1910.

R. B. Guess and Charlie Campbell family tied for having the most members of the family present. Each had six. Those in the Guess family included Mrs. Hummel, Mrs. V. A. Brown, Lancaster, Rebus, of Gorse, Bob of Mattson, Linda, of Abilene, and Mrs. J. A. Mayfield, Westminster. The Campbell family all live in the Mattson community with the exception of Durward, who is working in Fort Worth.

In the count of the different classes present, the class of 1905 had the present and the 1906 class had four. Those with three members present were those of 1908, 1909, 1941, 1946 and 1950.

Twenty present and former teachers registered. A total of 13 pep squads leaders of years past joined the four of this year in giving two yell.

In a short business meeting, conducted by President Leo Stewart, Vernon Bowen was elected president; Bobby Dean Druesedow, first vice president; Arvie Lynn Faust, second vice president; and Mrs. Frankie Jo Baker remained as secretary-treasurer. Out-going officers include Stewart and Leon Newton, vice president.

A meeting will be held soon to wind up this year's business. At the program it was decided to hold the Homecoming every even numbered year, putting the next date in 1958.

Mustangs Win 36-22

With only 1:23 left in the game, Mustang Gene Mages romped 14 yards for a TD to break a 22-22 deadlock and give Mattson a Homecoming game victory over the strong Weinert Bulldogs. In

the District 4 conference thriller, Mages scored two touchdowns for Mattson. John Holcombe scored once and Arlon Alexander scored a TD and three conversions for a 11-point total.

Luther Rainey led the scoring for Weinert with two touchdowns. Jerry Walker scored one and Bob Rainey booted two extra points.

Chevrolet for 1957 Offers Wide Range Of Models, Colors

The widest selection in history marks the 1957 passenger car line which Burton Chevrolet Co. and other dealers throughout the country placed on display Friday, Oct. 19.

The customer has his choice of 460 model-color combinations, almost one-third more than available at the outset of 1956 production.

Here's how the variety in models stacks up:

Bel Air—Two and four-door sedans, two-door sport coupe, four-door sport sedan, convertible, Nomad station wagons and four-door, six passenger station wagons.

Two-Ten-Two and four-door sedans, two-door club and sport coupes, four door sport sedan, two and four-door, six passenger station wagons, and four-door, nine-passenger station wagons.

One-Fifty, Two and four-door sedans, utility sedan and two-door, six passenger station wagon.

Corvette—Two - passenger sport model with manual or automatic fabric or solid plastic top.

Overall length of the passenger cars is increased to a total of 200 inches with wheelbase remaining at 115 inches. The lowered hood emphasizes the horizontal sweep of body lines to the flared rear fender fins for balanced beauty. The conventional hood ornament is replaced by twin lance-shaped windplits. Headlights are farther apart than in the 1956 models.

HHS Band Returns From Weekend Trip To State Capitol

By SANDRA COBURN - Band Reporter

An excited group of HHS Band students left Haskell last Friday morning at 7:30 for San Antonio. They arrived there about 5 p. m. and after resting and eating supper, toured the city on school buses. Arising early Saturday morning, the band toured the Alamo. Then they again loaded on the buses for a trip to Austin.

After eating lunch in Austin, the Indians lined up for the 11-block parade. The band had to be at their position in the parade and read 7:40 go by 1:45 p. m., even though the parade was not to start until 2:30. The parade was late in starting because of a hard shower, accompanied by a near-tornado. There were 110 bands in the parade and Haskell was 50th to march. Most of the band students toured the State Capitol after the parade. Saturday night the band attended the Texas-Arkansas football game, taking part in the special Band Day half-time ceremonies. Saturday night was spent in Burnet, Texas.

Sunday morning the band started the return trip home, arriving here a tired and weary group about 4 p. m.

Band members wish to thank Mr. Stevens, Mr. King and the sponsors for making the trip possible.

Pirates Crush Goree 40-14; Meet Forsan In Non-District Tilt Friday Night

By WILLIAM OVERTON

Next Friday, Oct. 26, Forsan will be hosted by the Pirates in a mid-season non-conference contest. The Pirates, coached by J. C. O'Neal and W. L. Medford, now stand tied with Mattson for the district championship, both having beaten all teams thus far except for the Mattson-Point Creek tie of Oct. 4.

Last Thursday, the unbeaten, once-tied Point Creek six moved ahead with a 40 to 14 victory over their Goree hosts. Almost all the second half was played in rain, and the slippery ball cut down the passing attack of both teams.

The first time Point Creek took possession of the ball, Eddie Thane caught a Leon Hokanson pass for a 40 yard touchdown run and the first score of the game.

Goree then made a scoring jump when Wayne Edwards slid the ball to Skippy Bradley who surprised the Pirates with a TD. A Don Lambeth pass to Bradley made the point and put Goree ahead 7 to 6.

Point Creek scored twice in the second quarter; once when Thane passed to Hokanson who broke away for the touchdown, and again when in the last minutes of the first half, Hokanson took the ball from Eddie Earles for an easy Pirate score. Hokanson converted after his second TD to bring the halftime score to a 20 to 7 Point Creek lead.

A light sprinkle which started during the halftime turned into rain as the third frame opened with Point Creek receiving. The ball was kicked into the arms of Eddie Lee who ran for a smashing touchdown. Leon Hokanson kicked the point.

When Point Creek again took possession, they drove the ball to the sixteen, where Hokanson hit Wallar Overton in the end zone for a touchdown, putting the Pirates ahead 34 to 7.

By this time the rain was falling harder, and most of the Goree spectators had either gone home or taken refuge under the grandstand which was practically empty before the end of the third quarter. Many of the Point Creek fans had gone to their cars where they watched from behind streaked windshields, but still continued to follow the game from the sidelines.

In the fourth quarter, Dan Riley Griffith took the ball from Dub Sims, and bounced it to Hokanson who sped down the rain-soaked field for the 6th Point Creek TD. During the play, Griffith injured his ankle and may be out for the next few games.

Goree drove across the final score when Raymond Edwards took the ball from Skippy Bradley and crossed for the extra point. Three plays later, the game ended with the rain still falling and the score 40 to 14. This was the first time anyone could remember that rain had fallen during an entire half at a Point Creek game.

Bond Purchases in County Push Total Above 1956 Quota

J. M. Crawford, County Savings Bonds Chairman, reported today that Series "E" Savings Bonds sales in Texas for September had increased 9 per cent above the sales of Sept. 1955. But sales in Texas must be increased if we are to make our quota, Mr. Crawford continued.

The Series "E" sales for September were \$12,863,819; Series "H" sales were \$1,811,000. These figures compare with Series "E" sales of \$11,716,099 and Series "H" sales of \$2,378,000 for September, 1955.

Sales in Haskell County for September were \$22,000. Sales in Haskell County for the 9 months were \$331,749. This represents 114.4 per cent of the quota for the county.

Crawford stressed the importance of the Savings Bonds program to the individual, the community and the nation. He stated that 2 billion Texans have \$2 billion dollars invested in Savings Bonds. That much stored up buying power is reassuring for the future of our economy, he concluded.

Haskell Students At John Tarleton Enroll in ROTC

Three Haskell students at John Tarleton College, Stephenville, have enrolled in the ROTC Corps of Cadets at the college. They are Jerry Larned, John D. Pitman and Franky Don Mullins. Graduates of Haskell High School, the three youths were outstanding members of HHS Indian football squad. All are freshman students at John Tarleton.

Postal Group Has Regular Meeting In Weinert

The Brazos Valley Postal Employees Association met Monday night at the Community Center in Weinert for their regular monthly meeting.

Sam Hampton, Goree rural carrier, presided over the meeting in the absence of the association president, and called the meeting to order.

Host postmaster, R. S. Sanders, Weinert, led the group in a question-answer discussion of recent changes made in postal laws and regulations. Following the meeting refreshments were served. Employees from Haskell, Goree, Stamford, Old Glory, Rule, Munday and Weinert.

Haskell FFA Boys Make Good Showing At State Fair

A Hereford steer owned and shown by David Miller, Haskell, was awarded fifth place in the heavyweight Hereford division in the Junior Fat Steer show at the State Fair in Dallas last week.

The entry of another Haskell boy, John Stone, won a prime rating in the Hereford middleweight division of the Junior Market Steer Show.

Also in this division, the animal owned and shown by Walter Davis, Weinert FFA, was given a choice rating.

E. G. Grahams Are Hosts for Visitors From Out-of-State

Mr. and Mrs. E. G. Graham of this city were hosts for an enjoyable occasion recently, when they entertained with a Sunday dinner in honor of two of Mr. Graham's sisters, Mrs. Delphia Smith of Bayles, Miss., and Mrs. Gladys Galloway of Lawrenceburg, Tenn.

Mr. and Mrs. Graham's children and their families of Pampa, Texas, were present for the occasion. They were Mr. and Mrs. Alvin Brewer and family, Mr. and Mrs. J. L. Blackard and family, and Mr. and Mrs. Curtis Graham and daughter.

Mrs. Smith and Mrs. Galloway spent a week in the home of their brother and sister-in-law. It was their first trip to Texas, and they were favorably impressed with this section, its beautiful homes and friendly people. The visitors had never seen West Texas mesquite trees and at first thought they were weeping willows. The drought has extended to Mississippi and Tennessee, the visitors said, but not to the extent that it has affected West Texas, they stated.

Present for the Sunday dinner, served ranch style, were Mr. and Mrs. Alvin Brewer, Beverly and Eddie; Mr. and Mrs. J. L. Blackard, Donnie and Jay; Mr. and Mrs. Curtis Graham and Donna LaNell, of Pampa; Mrs. Elmer Nunley and Carolyn of Hamlin; Mr. and Mrs. Lloyd Conner, Budie and Janet; the honorees, Mrs. Delphia Smith and Mrs. Gladys Galloway; Miss Gracie Reid of Rochester and Gaston Tidrow.

Haskell and Jones Singers to Have Program Sunday

LET'S TAKE OUR POLITICS SERIOUSLY

The whole economic, social and spiritual life is determined by politics and religion.

Last week this paper carried an advertisement that said: TAXES—TAXES—TAXES.

Believe that taxes are indispensable to good government. We believe that we have the best government: FOR THE PEOPLE AND BY THE PEOPLE; we want to keep it that way.

Advertisement on "TAXES—TAXES—TAXES" was a white wall. After reading it I felt an urge to do something to find the justification of the complaint.

I am mindful that in this good earth there is perhaps no worse than having to pay taxes: THAT IS NOT PAY TAXES.

Research revealed that in 1932 Haskell's best farm was bought at \$50.00 per acre, it was assessed for \$50.00. In 1952 it could be sold for \$250.00 to \$300.00 and was assessed at \$14.00.

It is like a tax reduction.

Local farmers sold cotton	In 1932	In 1952
	8c	40c
Farmers sold cotton seed (per ton)	\$8.00	\$90.00
Farmers sold Maize (per ton)	\$8.00	\$56.00
Farmers sold Wheat (per bushel)	.27	\$2.40

1952 a good quality hereford cow could be bought for \$250.00. A same quality cow could be sold in 1952 for \$250.00.

Our county had its longest list of delinquent taxes. Shortest list.

More prosperous in 1952. Many of our Haskell School Teachers drew \$630.00 was paid in script that was discounted 10% to \$567.00.

The minimum salary to our teachers was \$567.00 with an additional \$54.00 per year for each child the teacher had.

The banks in Haskell had on deposit December 31, 1955, \$4,842,804.00. On December 31, 1952 the Haskell National Bank had \$4,842,804.00.

Haskell had many well-to-do families. In 1932 the early 1930's showed a record for land in Haskell County.

There was a record in Haskell County for families with clear debt, owning U. S. Savings Bonds, having bank accounts, sending their children to college, owning cars, having every day, every luxury and pleasure to man.

Money (and I leave it to you to prove or disprove) that farmers paid more money for farm equipment through all the years of 1920 through 1952.

They paid in 1952 fifteen times as much for land in 1952.

That 1952 was their high income tax year—evidence—property and taxes are inseparable.

That the unknown complaining tax payer paid more in 1952 than through all the twelve years of 1920 through 1952 and that he still held in his own hands twelve times as he had at the end of 1932. (Guessing closed.)

Evidence shows no economic virtues to the non-tax payer.

Who should the spirit of the taxpayer be sad? Democrats stand ready to redeem and to save; those errors have made him a Republican slave.

Who the battle cry of the Republicans was "one cent party to the American farmer".

Who the election they changed their minds, having their study of the farm problems. They announced that as "that when the hog keeps his jowls in the time he thinks he owns the trough".

Who was no further effort, because they did not want to class himself as a hog.

Who are not asking for charity when you ask for 100% of the laws of God.

Who "The government is ten years behind in its work" —Oveta Culp Hobby, 1955.

Who that America wants a security, they can go to the bank to have enough to eat, a bed, and a roof over their heads. D. Eisenhower

Who things don't sound like our leaders have a symphony of their obligations to our people.

Who vote Democratic and share the wealth of our

Paint Creek... Community News

MRS. GENE OVERTON

If you have tried to be like Pallyanna and find something good in an old drouth, I've found two nice things. First, when we are all broke together, we are sympathetic with each other, and we understand each other better, and that draws a community closer together. Seems as if Paint Creekers have never loved their neighbors better than during these past few drouthy years.

Then when there aren't any crops to work, our menfolk have time to fix all the fences, and build implement sheds, and clean up the farm like they have been promised us they would do when they "caught up." Of course that kind of work doesn't make any money to buy beans, but it makes us not look so broke when the barns and sheds and fences look nice. Maybe the good Lord sends a drouth every now and then just to show us who has been responsible for our good crops in good years. We might get to thinking we were just good farmers, and so He has to humble us and show us who is running things. And no matter what happens November 5th, He'll still be in charge.

Glenda Walton and Helen Jean Cox were home from NTSC last weekend to visit their parents, Mr. and Mrs. Glen Walton and Mrs. W. S. Cox. They both love college, and haven't been too homesick. They joined the Grace Baptist Church in Denton, and are enjoying dormitory life, and their new friends.

Mrs. Walter Nanny is much improved. She was dismissed from the hospital last Friday and is recuperating at the home of her daughter, Mrs. Henry Fancher and her family.

Visitors in the home of the Jess Mickler's last weekend were their son and family, Mr. and Mrs. James Ross Mickler, Jim and Joe of Hawley and their daughter Sudy Mickler and friend Phil Williams of Texas Tech, Lubbock. Mr. and Mrs. Larry Smith of Brownwood spent last Sunday with their daughter and family, Mr. and Mrs. Arthur Watson, Kendell and Sue. They received a leaf message while they were here that Mrs. Smith's step-mother had died, and they left that afternoon for DeKalb for the funeral.

Mr. and Mrs. Wayne Josselet and little daughter spent one day last week with her grandparents, Mr. and Mrs. Frank Underwood.

On last Wednesday night the Young Married Couples class of the Methodist Church had their monthly party at the home of Mr. and Mrs. Ray Perry. A supper of fried chicken, beans, potato salad and cake was served to Mr. and Mrs. Allen Isbell, James Raughton, Allen Overton, John Hisey, Ray Overton Jr., D. E. Liven-good, Irvin Overton and the host and hostess.

Mr. and Mrs. James Merle Raughton are announcing the arrival of little James Dainel Raughton on Friday, Oct. 19. He weighed 8 pounds 6 ounces. He and his mother came home from the hospital Monday morning. Grandparents are Mr. and Mrs. Roy Overton and Mr. and Mrs. Clarence Raughton.

Mr. and Mrs. John F. Phillips and Mr. and Mrs. Fred Phillips and granddaughter Freddie Gayle Holliday of Abilene were Sunday dinner guests of Mr. and Mrs. W. A. Montgomery. They also visited with Mr. and Mrs. Wayne Perry, and Mrs. Hoyt Perry. Wayne Perry is up and about and able to play dominoes for awhile in the afternoon.

Mr. and Mrs. E. H. Walton of Seagraves were visitors in the

home of his brother's family, Mr. and Mrs. Glen Walton for several days last week.

Mr. and Mrs. Estle Gilleland were in College Station last week end when they took their grandchildren, Jackie and Debra home. They had met their son and wife Mr. and Mrs. Jack Gilleland at the Dallas Fair the weekend before and attended the Fair and the Tech A&M ball game with them. They brought the grandchildren home for a week's visit with them and their maternal grandparents, Mr. and Mrs. John Clifton of Haskell, and they went to take the children home this past weekend.

Mr. and Mrs. Clayton Baker of Lubbock spent several days with her brother and family, Mr. and Mrs. Garland Callaway and daughters last week.

Sandra Kuenstler of Haskell spent last Sunday with her aunt and uncle Mr. and Mrs. John Kuenstler.

Mr. and Mrs. Paul Kuenstler and daughter-in-law Mrs. Paul Arnold Kuenstler and children were guests of Mr. and Mrs. John E. Kuenstler Saturday night.

Mr. and Mrs. Pat Morrison, Vicki and Janay spent the week end with Pat's parents, Rev. and Mrs. V. P. Morrison in Strawn. Mack Earles, Gene Overton, F. M. Morrison attended the Masonic Lodge Monday night when Mack Earles took the work.

Billy West who underwent serious brain surgery in Houston several weeks ago had to have further surgery last week, and is seriously ill. His sisters, Mrs. Harvey Terrell and Mrs. John Guillet went to Houston over the weekend to see him. Billy will be remembered as the youngest son of the West family and lives in Breckenridge.

Two college students that I failed to mention as the young folks left for school in September were Kenneth Howard who is a Junior in TCU and Jerry Welsh, son of Mr. and Mrs. Ed Welsh who is attending Hardin-Simmons in Abilene.

Mr. and Mrs. Clyde Thomas and family of Houston were guests in the community while they were visiting their parents, Mr. and Mrs. John Thomas and Mr. and Mrs. McFarland last weekend. Clyde is teaching an accounting class in night school and is teaching in the Sunday School, along with his regular job.

Mrs. Ralph Weaver was a patient in the Haskell Hospital from Sunday night until Tuesday morning. She is at home now and is much better.

Mrs. Ray Overton Jr., and her mother, Mrs. George Free spent last weekend shopping in Fort Worth and visiting Mrs. Free's brother, Red Duff, in Arlington. Burnell Gilleland and Dale Middlebrooks are doing carpenter work in Tulsa.

Miss Lula Ketrone of Haskell and her sister, Mrs. Clayton Adams of Odessa spent one day last week with Mrs. M. L. Middlebrooks.

Wallace Bosse, the son of Mr. and Mrs. Herbert Bosse is a freshman at Tarleton State College, Stephenville, this year. He graduated from Stamford last spring.

Mr. and Mrs. Edwin Thane attended the birthday supper for Mrs. C. C. Bredthauer in Sager-ton Friday night, Oct. 12.

Mrs. Ida Hokanson, mother of Albin Hokanson left last week for Tucumcari, New Mexico, where she will spend the winter with her daughter, Mrs. Fingal Strand, and Mr. Strand.

Mr. and Mrs. Fred Buerger returned home last Wednesday from Germany where they had spent

the last three months visiting relatives. As soon as it can be arranged Mr. Buerger is going to tell the highlights of his trip to the Scout troop.

Almost half the population of Paint Creek attended the Matt-son-Weinert game Saturday night at Mattson.

Mrs. Annie Peiser is the guest this week of her daughter and family, Mr. and Mrs. Paul Fischer and daughters.

The Junior Pirates go to Vera tonight to play a conference game. This is their next to last game. Their season ends with their game with Weinert here next Thursday. There are so few boys on our Junior team that Coach Pat Morrison has to borrow high school freshmen to scrimmage with them. They only have two or three substitutes. But they have improved, and they played a pretty good game of football for such little fellows. Most of the team is from the sixth grade, and they aren't so very big. They were more evenly matched with Sager-ton last week than any other team they have played.

We are so glad to have the Jack Daniels family home again. They lived in Stanton where Mr. Daniels worked in a gin for about 8 weeks this fall.

Mrs. Jim Adams has gone to Oklahoma City with her brother's family, Mr. and Mrs. L. E. Williams and children of El Paso. They plan to spend about a week there.

Dan McRae was a patient in the Stamford Hospital last week end, but is back teaching his classes this week. The game at Foran is too important for him to miss. How about winning it for him, Pirates?

Haskell, Weinert Men Return From Pheasant Hunt

Reporting game plentiful in the section visited, a party of Haskell and Weinert men returned during the weekend from a pheasant hunting trip in North Dakota.

The party was composed of Myron Biard and W. I. "Scotch" Coggins of Haskell, Gill King and Chas. E. (Runt) Gary of Weinert. They hunted near Bismarck, North Dakota, where each member of the party killed his limit of the game birds.

Mr. and Mrs. A. Bartel of Wichita Falls were in Haskell Thursday on a business trip. While in this city, they also visited with Mr. and Mrs. John Tubbs and Mr. and Mrs. Fred Monke in Weinert.

Haskell Teacher to Attend Conference in Mineral Wells

Never before in history has anything built by man traveled so far in so short a time —by land or sea!

An announcement of decisive importance to anyone about to buy a new automobile

The most exhaustive endurance test ever given an automobile has just been completed by two stock '57 Fords—identical in every respect with cars now being offered by Ford Dealers.

Under the supervision of the United States Auto Club and the Federation Internationale de Automobile, each of these two '57 Fords traveled 50,000 miles in less than 20 days. Ford No. 1 averaged 108.16 mph for the entire run... Ford No. 2, over 107 mph. These averages include time for all pit stops.

In all, the '57 Ford smashed 458 national and international records.

This test was run on the Bonneville Salt Flats in Utah... it was the longest left turn in history.

A car, like a man, is known by its deeds, not words.

That is why, we at Ford, despite our confidence in our '57 cars, let their deeds of accomplishment speak for themselves.

Therefore, we engaged an independent engineering organization to test our '57 cars more thoroughly than any other cars have ever been tested before—in this country or abroad.

We provided them with '57 Fords—cars identical with those now offered by Ford Dealers. The rest we left up to them.

Here is what they did:

They took these cars to the Salt Flats at Bonneville, Utah.

Here, twelve of the world's greatest drivers took over.

In relays they drove these cars night and day for a distance greater than twice around the world... a distance equal

to 5 years of normal driving.

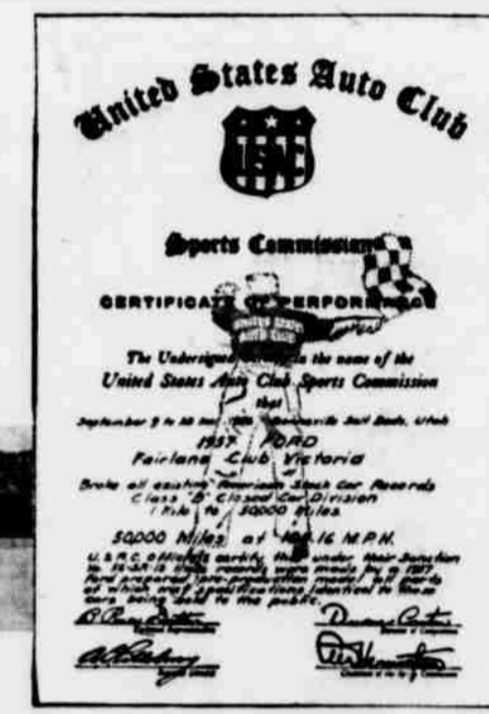

Not in all history has a man-built machine traveled so far in so short a time—by land or sea!

But this was not a test of speed—but of endurance of the "Inner Ford." A trial to take the measure of Thunderbird V-block V-8 power without qualification of any kind. A test of running gear—of brakes, of materials in body and chassis. Of steering and roadability, yes, and comfort, too!

A test, indeed, such as no other cars have ever undergone, let alone successfully concluded.

Surely they have told you, in decisive terms, that they are worth more when you buy... and when you sell!

Your Ford Dealer will gladly place at your disposal the new kind of Ford that means a new kind of value for your car-buying dollar—the greatest the world has ever seen.

The members of the Zion Lutheran Church observed their annual mission festival Sunday, Oct. 21. Rev. Geo. Fehl, pastor of the Our Savior Lutheran Church in Abilene was the guest speaker for the morning and evening services. There was good attendance. Other towns represented were Haskell, Abilene, Post, and Old Glory. Dinner was served at noon in the parish hall.

Lutheran Women's Mission League will hold its regular circuit meeting Wednesday of this week, Oct. 24, at Albany. Mrs. Joe Clark, a member of the local organization at the Zion Lutheran Church, secretary for the circuit, will attend the meeting. Others who plan to go are Rev. and Mrs. Zuckler, Mrs. August Hahn, Mrs. Leon Stegemöller, Mrs. Alfred Hertel, Mrs. Buster Tredemeyer, Mrs. Carl Hertel and Mrs. Herman Raphael of Stamford.

Mrs. Reece Clark accompanied by Mr. and Mrs. Cliff LeFevre spent last weekend in San Antonio with Airman First Class and Mrs. Ted Terrell. The Home Demonstration Club met in the home of Mrs. Glyn Quade Oct. 9. Miss Wanda Greenhill, county HD agent, discussed the Background of the Living Room.

The next meeting will be Nov. 13 in the home of Mrs. C. E. Stegemöller. It will be the club's annual Achievement Day and they plan to meet at 1:00. Mrs. Edward Neinst, food demonstrator, will prepare a barbecued chicken for the group, and the county THDA chairman will meet with the group and report on the meeting she attended in San Angelo in June.

Mr. and Mrs. Kenneth Hertel and sons of Abilene visited with Mr. and Mrs. J. A. Hertel and Kay last weekend.

The group of deer hunters returned from Colorado Sunday night with seven deer. M. Y. Benton is very proud of the deer he shot with a bow and arrow. Those in the party were Harold Smith of Holliday, Whit, Charles and Reece Clark, M. Y. Benton and son Yater of Fort Worth, Pete Kitley and J. W. Threet and son, Jerry.

Mrs. Larry Cornelison entertained with a birthday party for her children, Kathy and Douglas, Saturday afternoon in the home of her parents, Mr. and Mrs. A. Balzer. Kathy was six years old and Douglas was four.

The table was decorated in the Hallowe'en theme and small jack-o-lanterns were given as favors. One of the main attractions was the opening of gifts their daddy had sent from Japan where he is stationed with the U. S. Air Corps. The packages

came in several weeks ahead of time but they had been saving them until their party to open them.

Those present were Lyndell Quade, Yvonne Ross, Sammy Bell, Patsy and Ray Clark, Mike Summers, Gary Spitzer, Kent LeFevre, Gayron Stegemöller, Phyllis Stanhope and Janet Weaver of Stamford, Bonnie Smith of Stamford and Kathy and Douglas Cornelison; their grandmothers, Mrs. August Balzer and Mrs. Gus Balzer of Schulenberg; Mrs. Johnny Spitzer, Mrs. Ennis Bishop, Mrs. Weaver, Mrs. Barney Ross, Mrs. Delbert LeFevre.

Guests of Mr. and Mrs. August Angerman last weekend were Mr. and Mrs. Walter Angerman of Corpus Christi and Miss Pauline Angerman of Waco.

Gary Enders son of Mr. and Mrs. Raymond Enders had a party on his 4th birthday Friday, Oct. 19. Those present were Mr. and Mrs. Herbert Stremmel and children, Mr. and Mrs. Adolph Ender, Mr. and Mrs. August Angerman, Emil and Hilda Stremmel.

Guests in the home of Mr. and Mrs. Albert Stremmel Sunday were Mr. and Mrs. Eddie Kainer and Mr. and Mrs. August Stremmel, Mrs. Edd Popp of El Campo and Mr. and Mrs. Clifford Stewart and sons of Hamlin.

Bruno Kupatt celebrated his birthday Monday night, Oct. 22, when friends and relatives gathered in his home. Those present were Mr. and Mrs. Henry Schmidt and Frank Lovack of Old Glory, Mrs. and Mrs. C. C. Bredthauer and Mr. and Mrs. Alvin Bredthauer and family, Mr. and Mrs. Arnold Reimer and son of Stamford, Mr. and Mrs. Emil Kainer, Mr. and Mrs. Leo Monse, Mrs. J. D. Kupatt and children, H. Hagemester, Emil and Hilda Stremmel and the honoree and his wife and son, Fred.

The 4-H Club girls enjoyed a party in the home of Joy Nierdieck Monday night of this week. The young people present were Sherry Counts, Jana Ulmer, Linda Stremmel, Linda LeFevre, Bob Clark, Jimmy New, Billy Sellers, Wilmer Sims, Gene Franke and Bernice Mueller and the hostess and her parents.

Mrs. Bill Askew of Dallas is spending this week with her parents, Mr. and Mrs. A. C. Knippling, Mrs. J. F. Schaake, who fell last week at her home in Stamford, and broke her arm, is also staying with the Knplings since she returned from the Stamford Hospital Monday.

The St. Paul's Lutheran congregation will hold their annual mission festival next Sunday, Oct. 28. There will be no guest speaker, but the pastor R. Wendel will

OUT ON A LIMB

By CHARLENE WHITE

Haskell's Volunteer Fire Department was something less than a dapper group at the early morning blaze a week or so ago. Sheriff Bill Pennington was seen walking around trying to borrow some socks. Brooks Middleton huddled in his fireman's coat and muttered determinedly, "I've got to watch this fire" as the glowing embers died a natural death. Though the fire wasn't spectacular, at least more enthusiasm was worked up than over the Rochester fire. City fireman "Satch" Lusk was highly indignant at being called at such an hour. "Not only was I just sitting down to eat, but the World Series was on!"

Haskellites at the A&M game in Bryan got a real drenching Saturday. Jean Lawson says it rained until her shoes were swimming around the stadium. So she grabbed them when they went by and walked around barefoot the rest of the day. Three local teenagers were seeding their first big college game Saturday but presumably the weather didn't dampen their spirits any. The girls were Shelah Langston, Pat Henry and Jane Frierson. They were accompanied by Jane's parents, Mr. and Mrs. Calvin Frierson.

Miss Rena Thomas was nursing an injured finger to say nothing of her disposition, Monday. She came tearing around a corner at home just as her mother was bending over to tie her shoelace. The inevitable happened. However she wasn't too badly hurt and did manage to give us the two-bit tour of the telephone office.

Wanda Kimbrough tells us of the friendly skunk at her home. Nope, it's not her husband, but a bona fide polecat. He lives under the bridge near their home (the polecat) at Paint Creek and only comes out when he feels like getting a little excitement or getting fed. Wanda's mother-in-law was emptying table scraps the other evening and up trots little Sweetpea for an evening snack. Wanda says Mrs. Kimbrough moved so rapidly, a hole was left in the atmosphere. The whole episode reached an unfortunate conclusion when the Kimbrough canine tried to dislodge the trespasser. That dog is a far older and wiser animal now.

Members of the First Baptist Training Union had a scavenger hunt and party Tuesday evening to celebrate Hallowe'en. Flo Tibbets reports some of the things the hunters had to bring in were: Dr. Cadenhead's autograph (The first few had trouble getting that. He was in the operating room at the time); find out how many prisoners were in jail (3) and who the sheriff is going to vote for on Nov. 6 (who do you think?) They also had to count the windows in the school gym, find out Gene Campbell's address, and collect thread, thimble and picture of Adlai Stevenson.

Tom Alvis dressed in red wig, mask and red squaw dress won the costume prize. Honorable mention goes to Gail Spain as Elvis Presley. Billy Chritzberg and Wanda Greenhill had the dubious honor of judging the contest.

RETURN FROM DEER HUNT IN COLORADO

Mr. and Mrs. Giles Kemp of Haskell and Mr. and Mrs. Ollie Kitley of Weatherford have just returned from a week's vacation in Western Colorado where they were deer hunting. All returned with a deer.

present the sermon in the morning and dinner will be served at noon in the church basement. Films from the mission field in New Guinea will be shown in the afternoon. This will be Pastor Wendel's last sermon at the church here as he has accepted a call at Sweetwater.

Friends and relatives gathered in the home of Mr. and Mrs. A. Stremmel Saturday night, Oct. 20 to observe Mr. Stremmel's birthday.

New '57 Plymouth To Be Displayed Ochs. 30th

The 1957 Plymouth will be displayed by dealers throughout the nation beginning Tuesday, Oct. 30, Plymouth President J. P. Mansfield announced in Detroit. Lower, wider and more powerful, the new model represents a complete change in styling, body structure and chassis.

Mansfield said the new car is the result of a telescoping of Plymouth's forward planning. "The car we are about to introduce has the style and features of the car we had thought, only a few years ago, as possible for about 1960," Mansfield said. "We have moved faster than we had hoped. The public has shown an eagerness to accept dramatic change."

New Plymouth models are as much as five inches lower than corresponding 1956 models. The wheelbase has been lengthened

from 115 inches for all models in 1956 to 118 inches for standard models and 122 inches for Suburban station wagons in the 1957 line.

The new car has the appearance of greater length which comes from functional styling. A broad hood, soaring tail fins and forward thrusting headlight brow all contribute to the impression of length.

GUESTS IN FRED MONKE HOME IN WEINERT

Guests in the home of Mr. and Mrs. Fred Monke in Weinert during the weekend were Mr. and Mrs. E. L. Kiesling, Mr. and Mrs. Floyd Keisinger and Mr. and Mrs. Kenneth Hobbs of Vernon, Mr. and Mrs. A. G. Schwede and son Harold, and Mr. and Mrs. A. Bartell of Wichita Falls.

Sports Car Look to 1957 Dodge Custom Royal Sedan

THE TRADITIONAL FAMILY CAR has taken on a definite "sports car look" as Dodge introduces its 1957 Custom Royal four-door Sedan. Longer and lower-slung, the Custom Royal's styling is keynoted by the swept-wing rear fenders. Low center of gravity, new Torston-Aire ride and the most extensive use of rubber insulation in automotive history have combined to give the Custom Royal a silent, vibration-free ride.

The 1957 Custom Royal Sedan Will Be on Display

Weinert Minister Called to Church in Melrose, N. M.

Damon Smith, minister of the Weinert Church of Christ for the past two years, and active civic and community worker in that city, has accepted a ministry in Melrose, N. M.

He and his family will move to Melrose during the coming week and he will begin his work Nov. 1 as minister of the Church of Christ in that city.

During his ministry in the Weinert church, Mr. Smith has been active in community and civic affairs. He helped organize and is a charter member of the Weinert Lions Club and is now serving as its first president.

A talented singer and song leader, Mr. Smith has conducted a number of singing schools in this area and has just returned from Hillsboro, where he held a 10-day school.

CARD OF THANKS

We cannot find words to express our sincere appreciation to the people of Haskell and many places around us for the kindness and consideration shown us during our long sickness and sorrow.

To our doctors, we appreciate your kindness and patience as you have stood by us so faithfully. Also to the entire hospital staff for waiting upon our loved one so kind and patiently.

We will just say "Thank You" and if sickness and sorrow should come your way we pray that we may have some part in making your burden easier to bear.

Her descendants, in addition to her daughters, include 24 grandchildren, 59 great-grandchildren, 12 great-great-grandchildren and one great-great-great-grandchild.

Rites Held Here Sunday Afternoon For Mrs. Glasgow

Mrs. Hatlie Mae Glasgow, 78, resident of Haskell County for 33 years, died Saturday, Oct. 20 in a Big Spring hospital.

Funeral rites for Mrs. Glasgow were held at 2 p. m. Sunday in Holden Funeral Chapel, conducted by Dr. R. K. McCall, Presbyterian minister of this city.

Mrs. Glasgow was born Feb. 26, 1877 in Pulaski, Tenn., daughter of the late Mr. and Mrs. John Summers. She married Robert Glasgow of Pulaski on Nov. 8, 1891.

She is survived by a daughter, Mrs. Faler Jacobs of Haskell and one son, Bob Glasgow of Odessa.

Haskell and West Texas' most published family group is pictured here, representing six generations over a life span of 93 years.

Mrs. J. M. Betts of Rule, Mrs. W. E. Johnson of Haskell, Mrs. E. V. Riley of Brownfield, Mrs. Leota Henson of Brownfield, infant Jeanine and her father, Adrian Henson, young, Brownfield farmer.

Jeanie Henson, seven weeks old, being held in her father's lap. The infant has eight living grandmothers, four of whom, all direct descendants, are shown in the picture. Reading from left to right down the mother-child chain are

93-Year-Old Rule Woman Is Eldest of Six Generations of Her Family

Mrs. J. M. Betts of Rule, an alert, bright-eyed little woman despite her 93 years, 53 of which she has lived in Haskell County, recently attained a distinction which comes to few people when she became the eldest in six generations of her family.

Little Jeanine Henson of Brownfield, seven weeks old, is Mrs. Betts' great-great-great-grandchild, and the sixth generation member in the family chain.

The unusual occurrence of six living generations resulted in Mrs. Betts and her descendants being featured in a recent full page of pictures and brief sketches in Life Magazine.

Mrs. Betts was born June 26, 1863, in Winston County, Miss., the daughter of Mr. and Mrs. John Perry, and was reared in Mississippi. She clearly remembers incidents of her childhood in the period immediately following the War Between the States.

Four children were born to their union, Mrs. W. E. Johnson of Haskell, O. J. Jones, now deceased, Mrs. Ethel Hunt of Santa

Paula, Calif., and Mrs. W. A. Hutto of Littlefield. Mr. Jones died Sept. 14, 1894.

In 1899 she was married to J. M. Betts, and they were the parents of two sons, Cody Betts of Houston and one son who died in infancy. They moved their family to Haskell County in 1901 and settled on a farm two miles north of Rule where they lived until the death of Mr. Betts in 1930.

After the death of her husband, Mrs. Betts moved to Rule to make her home. Despite the fact that she has been confined to a wheel chair since 1945 because of rheumatism and arthritis, she maintains her own home.

She takes active interest in all that is going on in the community, and does all kinds of handwork. She enjoys playing all kinds of games, such as dominoes, Polyanas, etc. She has been a member of the Methodist Church for many years and is deeply interested in the work of the church. Known to virtually everyone in Rule, both old and young, as "Grandmother" Betts, she is seldom without company. Friends and neighbors, including many young people, are always stopping in to visit with "Grandmother," who has a cheery welcome

Here! New Task-Force 57 Chevrolet Trucks! Performance-proved in a history-making test on the ALCAN Highway to Alaska

The Alcan Highway is the road where trucks grow old before their time. The road where gravel endlessly sledgehammers the life out of trucks. Where a fog of superfine dust chokes engines, and vicious ruts subject chassis to months of wear in a few hundred miles.

Six new '57 Chevrolet trucks, heavily loaded with cargo, roared north from Dawson Creek, B.C., through 1,520 miles of mountains and mire, rain and hail to Fairbanks, Alaska. Running around the clock, they made this tortuous trip—normally a 72-hour run—in less than 45 hours.

Come in and see how well these new Alcan champs measure up to your job.

FIRST WITH THE MOST MODERN FEATURES:

New 283-cubic-inch Taskmaster V8 is standard in Series 5000, 7000 and 8000, optional in Series 6000 at extra cost. Horsepower ranges up to 210 in Chevrolet's complete line-up of modern V8 and 6 truck engines.

Revolutionary Powermatic Transmission—exclusive with Chevrolet trucks! This six-speed automatic, designed specifically for heavy-duty hauling, is an extra-cost option in Series 5000 and 6000 and all heavy-duty truck models. Hydra-Matic is offered in 3000 and 4000 Series models at extra cost.

L.C.F. models outdate C.O.E. trucks in every way; yet offer all the traditional C.O.E. advantages.

Heavyweight Champs with Triple-Torque tandem are rated at 32,000 lbs. GVW, 50,000 lbs. GCW. Special features include built-in 3-speed power divider.

Alcan fleet reports up to 18.17 miles per gallon! That's the mileage reported by the Cameo Carrier, with Thriftmaster 6 and Overdrive (optional at extra cost).

All the way in DRIVE range with Powermatic! This Powermatic-equipped 10000 Series tractor-trailer pulled the Alcan Highway in a single forward-speed range!
