

Joe Clonts Honored At Boy Scout Banquet Sat.

Joe Murray Clonts was honored Saturday night during the annual recognition banquet of Northwest Texas Council, Boy Scouts of America at Barwise Junior High School in Wichita Falls.

Honored along with Mr. Clonts were Vaughn Goffman of Wichita Falls and James Golden of Vernon who were presented Silver Beaver Awards, the highest adult honor given in scouting.

The Silver Beaver Awards are given for "noteworthy service of exceptional character to boyhood" by registered Scouters and special attention was paid to the contributions made by Saturday's recipients.

Thirty years ago Joe Murray joined the Boy Scouts of America and attained the rank of Eagle. He has served as an assistant patrol leader, patrol leader, assistant Scoutmaster, Scoutmaster, Explorer Advisor, a leader of Philmont Treks, Institutional Representative, Cubmaster, and advisor to Scoutmasters.

JOE MURRAY CLONTS

A graduate of Texas A & M University, he is active in his church and community. Joe Murray is a Methodist and has been a Sunday School teacher, Sunday School superintendent, and youth fellowship sponsor. He is a member of the Masonic Lodge, Chamber of Commerce, and president of the Lions Club. Joe Murray serves as a school teacher substitute and is a member of Order of the Arrow.

Kathy Roberson Runner-Up

Becky Swain Chosen Livestock Sweetheart

The annual Knox County Junior Livestock Show Awards Banquet was held in the Munday elementary cafeteria on Monday night and Becky Swain of Knox City was chosen Knox County Junior Livestock Sweetheart.

Troy Gauntt gave the invocation. Wendell Partridge extended the welcome and served as master of ceremonies.

Awards and premium checks were presented by Marvin Zeissel. Entertainment was provided by Jennifer Guess, Mary Meador, and Beth Kuehler who sang several numbers with guitar accompaniment.

Steve McGuire introduced the 1972 Sweetheart candidates who included Pam Haynie, Munday 44; Becky Swain, Knox City 44; Jan Guinn, Knox City FFA; Judy Cloud, Munday FFA; Mary Brannan, Benjamin 44; Kathy Roberson, Benjamin FFA; and Christi Greenwood, Goree 44.

The candidates had been honored at a tea Saturday morning in the Phillip Homer home in Munday. At this time the judges, Miss Vickie Cavender, Mrs. Judy Germany, and Mrs. Glenn Caddell personally interviewed each girl and were able to observe the candidates and award points. Each girl had participated in the Knox County Junior Livestock Show January 7 and 8.

At the banquet Monday night each girl appeared for the final judging in formal attire. 1971 sweetheart Miss Cynthia Partridge, daughter of Mr. Mrs. Wendell Partridge, announced the runner-up as Kathy Roberson, daughter of Mr. and Mrs. Bobby Roberson of Benjamin and then the announcement that Miss Swain, daughter of Mr. and Mrs. Cliff Swain, had been chosen as this year's Knox County Jr. Livestock Sweetheart.

Becky, a popular junior student in KCJHS, participates in many various activities. She is currently reporter of her class and is co-assistant editor of the Annual Staff, manager for the Houndette basketball team, and twirler for three years with the Greyhound Band.

KNOX COUNTY ROYALTY-- 1971 Sweetheart Cynthia Partridge of Munday, left, is pictured above with the 1972 Sweetheart, Miss Becky Swain of Knox City, center. Miss Kathy Roberson, right, of Benjamin was runner-up.

She is a member of FHA and earned her Junior and Chapter degrees, was chosen Girl of the Month her sophomore year, sang in Area FFA Chorus her freshman year and was recently selected for Area FFA Chorus.

Becky is a member of FFA Beta Club, High School Choir, and Kennel Staff. The past two years she has participated

in Knox County and District 3 Horse Shows, where she received Knox County 4-H Horseman ship Award in 1969, and is a member of Knox County Riding Club.

An active member of First Baptist Church, she serves as Youth Representative on the Church Budget Committee, and is a member of Youth and Sanctuary Choirs and Acteens. Congratulations, Becky!

Voters Urged To Register

Voter registration has increased the past few days according to reports from John A. Smith, Knox County Tax Assessor-Collector, and Mrs. Doris Crowover, Chamber of Commerce manager.

Everyone, regardless of age, must register to be eligible to vote this year, Mr. Smith said. He urged every person, who is eligible to vote otherwise, to be sure and register before the end of this month. Although the ruling has changed that a person may register 30 days prior to an election, Mr. Smith said that most everyone is in the habit of registering before January 31. This is a very good idea, he explained, as many might forget to register in time for an important election and then be disappointed that they were unable to vote.

Mrs. Crowover reported that 139 voters had registered including 14 under 21 years

of age in her office, as of Tuesday afternoon of this week. Mr. Smith said that approximately 1850 voters had registered County-wide, including those who had registered here and at Munday.

Mr. Cox said that so many helped in the preparation that he was afraid to express thanks to any specific individual for fear that he would omit someone's name. He did express his thanks to those who helped in any way, as will be noted in the display ad in this week's News, and said that the fish fry would not have been possible without all the help.

In addition to the meal, guests enjoyed a style show featuring cotton fashions which were furnished by Lowrey's and Jean's of Knox City, Clarice's of Munday, and Coffield's and Fincher's of Haskell. Mrs. Vera Newton, KCJHS homemaker teacher, chose several members of the Knox City Future Homemakers of America to model the garments and senior Mary Jo Campbell emceed the style show.

Several films were shown and musical entertainment was provided by Mrs. David Hewitt and Stacy Angle.

The affair concluded with an auction for two five-gallon cans

Hounds Continue To Win

Charlie Lieb got 28 and Brent Railsback had 18 points to lead the Knox City Greyhounds to a 67-65 victory over the Roscoe Ploowboys Tuesday night.

Danny Johnson scored 16 for the losers.

The Greyhounds have a 2-0 record for the second-half of District 7-A.

The Houndettes lost their first district game to the Roscoe girls by a score of 49-41. Jan Guinn hit 23 for Knox City. This gives the Houndettes a 1-1 second half record after winning the first half with a 5-0 record.

Knox City won the "B" boys' game 59-40.

The KCJHS teams play at

Baird this Friday night beginning at 5 o'clock.

The Greyhounds won over Aspermont Friday night in a District 7-A basketball game by a score of 56 to 48. Leading scorer for the Greyhounds was Brent Railsback scoring in double figures with 18 points, followed by Stanley Newton with 9.

Preston Kolb scored 14 for the losers as Knox City and Aspermont both came away from the game with 3-3 district records.

The Houndettes won their sixth straight game without a loss, over the Aspermont girls by a score of 50-35. Kathi Kent had 24 points.

Sign Up Date Changed For Set Aside Programs

The recently announced change in sign-up dates for 1972 set-aside farm programs report which is due January 27.

"So the sign-up period for the first available data on producers' plans for 1972, according to Jerry L. May, local farm program official.

"My understanding is that the U.S. Department of Agriculture wants to provide time for both farmers and farm program officials to study the special farmers planting intentions report which is due January 27.

suppose there is a possibility that unforeseen factors will show," added Mr. Arnold Navratil, Chairman of the County Agricultural Stabilization and Conservation (ASC) Committee.

The special planting intentions report will be carefully reviewed on January 27 will be the first indication on a national scale of what farmers are planning for 1972 in the light on 1971 crop marketings.

In 1971, under a corn blight threat which didn't materialize, farmers planted and harvested a record corn crop. Wheat and feed grain production wasn't far behind and for farmers who had to sell at harvest, prices were too low. On the other hand, market competition for cotton and soybeans has resulted in good prices for farmers.

First Aid Tips
Don't be helpless if an emergency arises. Knowing simple first aid procedures can help save lives, according to an article in the new St. Joseph Family Almanac Calendar, available free at your local pharmacy. For major burns, keep the victim lying down to lessen shock. Cut clothing away from the burned area, but don't pull it away if it adheres to the burn. Cover burn with thick pad of sterile dry dressings. If that is not available, cover with clean sheets or towels. Treat for shock if necessary, by keeping the patient lying down with head lower than feet. Cover him lightly. If he can swallow, give warm fluids.

Former O'Brien Girl Weds At Muleshoe

A double ring ceremony in the Circleback Baptist Church, Friday, December 31 at 7 p.m. united former O'Brien resident Miss Debra Gayle Hayes and Dennis Warren Beene in marriage.

The Reverend Charles Harvey of Calvary Baptist Church of Muleshoe officiated.

Parents of the couple are Mr. and Mrs. John A. Hayes, former residents of O'Brien now of Muleshoe, and Mr. and Mrs. Eddie Beene of Needmore, south of Muleshoe. Debra is the granddaughter of Mr. and Mrs. J.W. LaDuke of O'Brien and the late Mr. and Mrs. J.W. Hayes of O'Brien.

Decorations at the church included a candelabra of white

tapers flanked by white gladioli and red carnations.

Miss Ann Douglass of Muleshoe accompanied by Mrs. Charles Harvey who sang "More" and "Whither Thou Goest".

The bride was given in marriage by her father. She wore a floor length dress of candlelight slipper satin featuring a train accented with appliques of lace medallions and seed pearls. Her bouquet was a cymbidium orchid surrounded by frenched carnations.

Mrs. Terry Field of Canyon was matron of honor and Kaye Beene, sister of the groom, was bridesmaid. Both were dressed in long red acetate satin dresses and carried bouquets of gladioli

florettes and red frenched carnations.

Lisa Schmidt of Amarillo, who was dressed identically as the other attendants, was flower girl and carried a basket of red and white love knots.

Larry Beene, brother of the groom, was ring bearer. Ricky Hayes, brother of the bride and Laura Beene, sister of the groom, lighted candles.

Ronnie Barrett of Needmore was best man, Raymond Davenport of Needmore, was groomsman. Ushers were Johnnie Hayes, brother of the bride, Gary Elliott of Lazbuddie and Barry Bishop of Megargel.

The reception following the ceremony was held in the church.

The reception table was covered with a lace cloth and featured crystal candelabra with red tapers and red punch served from a crystal punch bowl. Also decorating the table was the wedding cake and the bride's bouquet.

For traveling the bride wore a white knit dress with white accessories and a corsage from the bridal bouquet. After the wedding trip, the newlyweds are at home in Canyon at 203 28th Street, Apt. 12.

Both are 1970 graduates of Muleshoe High School and both are sophomores at West Texas State University in Canyon and will continue their studies. Debra is a math major and Dennis is a finance major.

Out-of-town guests, in addition to her grandparents, Mr. and Mrs. J.W. LaDuke of O'Brien, included Mr. and Mrs. Roy Hines, Leslie and Clay of Euleus.

The rehearsal dinner, hosted by the groom's parents, was held at the Corral Restaurant in Muleshoe the evening of December 28.

RETURNS HOME

Bill Kimmel, 4-year old son of Mrs. Sheila Kimmel returned home this week after a brief stay in the Knox County Hospital. He was hospitalized with asthma.

IN DALLAS

Henry L. White was in Dallas last weekend to attend a summer clothes market.

Teen Culture

If you have teenagers, the youth culture has probably invaded your home. You might find that there's even a generation gap between today's teens and their older brothers and sisters. What sets them apart? The Craft Culture.

Yesterday's highschoolers listened to music; today's teenagers make their own music and live with it constantly. Older sister might have been terribly clothes conscious—but she used clothes to blend in with the crowd. Everyone wore Peter Pan collars, sweater sets and kilts. Today's teens use clothes to express their personality—and they do so by making clothes from scratch, or personalizing clothes they buy with creative trims, appliques and do-it-yourself macrame and crochet accessories.

Where else is the work-with-your-hands credo manifesting itself? In cooking, of all places! Yesterday's teen considered cooking a chore, but don't be surprised if your daughter (and son) take pride in "creating" a dish for the family. If they're looking for a new recipe, why not suggest:

BANANA DESSERT PIZZA

Heat oven to 350°F. Grease and flour one 13-inch pizza pan.

Cake

1/2 package (18-1/2 ounce) yellow cake mix
1/2 cup mashed banana
3 tablespoons water
1 egg

Measure one-half package of cake mix into bowl. There should be 2 cups plus 2 tablespoons. Add mashed banana, 3 tablespoons water and egg. Blend and beat 2 minutes, medium speed on electric mixer or 300 strokes by hand. Spread batter in pizza pan. Bake 15 minutes or until cake springs back when touched with finger. Cool in pan.

Topping

1 package (3 ounce) fruit flavored gelatin
1 cup boiling water
1/4 cup ice cubes and water
2 to 3 bananas
1 cup whipped topping

Dissolve gelatin in boiling water. Measure cubes and water to make 1/4 cup and stir into gelatin mix. Chill until mixture is thickened but not stiff. Slice bananas onto top of cooled cake leaving a border of about one inch around outer edge of cake. Carefully spoon thickened gelatin over bananas. Chill for several hours. When ready to serve, spoon whipped topping around outside edge of cake. Cut into wedges to serve. Makes 6 to 8 servings.

Vadens Observes 66th Anniversary

Mr. and Mrs. V.V. Vaden of Seymour, grandparents of Mrs. Sterling Lewis of Knox City, celebrated their 66th wedding anniversary Sunday. They were married January 23, 1906, in Lamar County. She is the former Oma Laney. They moved to Baylor County in 1915 and have lived there since. The Vadens had eight children, five of whom are deceased. Hosting the celebration were their children and grandchildren.

The couple have 31 great grandchildren and two great-grandchildren. Mrs. Lewis, Todd and Shane attended the anniversary party.

KC Study Club Hears District President

Guest speaker for the Knox City Study Club last Thursday was Mrs. Katherine (Overton) Neal of Quannah, District President of the Santa Rosa District Federated Clubs. She was introduced by Mrs. J.C. McGee.

Accompanying Mrs. Neal to Knox City was Mrs. Fulton, president of Quannah's Study Club. Mrs. Neal's talk centered on the thought that we are all striving "Toward a Diamond Jubilee Climax" in two years. Our rich heritage "Federation" the past and history teaches us the spirit of the times she said. Often club women are looked upon as nice women with lots of culture looking for some place to park it from 2 to 5 p.m., later thought of as "uplifters" seeing the needs of others as their main purpose."

She declared that each clubwoman needs to "catch the vision" by being informed and developing leadership, as clubwomen are thought of as being efficient about all their endeavors and whether social or in fun, a good purpose is behind them.

"Our Federated Clubs began in 1890, a volunteer group. Women are culture bearers as we set the standards for our whole nation and are of our uniting. We are now in 54 countries, some behind the iron

curtain", Mrs. Neal continued.

In 1898 the clubwomen led in the Conservation movement. In 1906 we introduced the idea of the Pure Food and Drug Act, and began kindergartens. In 1966 we were behind the Public Health movement and are responsible for saving many historical sights and landmarks, she said. The basic principles of our work are included in 6 departments, (1) Conservation-beauty in our community, (2) Education-environment of mind, (3) Fine Arts-a necessity for spiritual and mental growth, (4) Home Life-center of our character development, (5) International affairs and (6) Public affairs-where we put ourselves into action.

Our forefathers believed clear thinking was needed in an emergency that actions should be based on facts, not fancies. We're to put faith in our works and not in words. What is right deserves our support Mrs. Neal concluded.

Nineteen members and seven guests were present.

Special music was rendered by Mrs. E.Q. Warren's music students, Tonya Steward of Goree and Kay Ussery of Munday, and a short business session was conducted by Mrs. C.W. Stephens, the Knox City Study Club president.

That's another good thing about Production Credit, Rolling Plains PCA has grown. The figures speak for themselves. And you can bet that our Rolling Plains PCA members, who are stockholders and sole owners of their credit source, have grown too.

Look at the growth rate. Loans outstanding and total amount loaned have more than doubled in the past 5 years. Association capital has increased almost 100 percent.

Still another good thing about Rolling Plains PCA is that all this time, we've been reducing the amount of difference between what money costs us and what it costs our stockholders.

You've seen us grow. Now find out how you can grow. Come in and talk to the go ahead people at any one of our offices in

BRUCE EDWIN ROYSTON
... and Miss Jill Thompson

Royston-Repeated Fri.

Bruce Edwin registered guests in the foyer at 602 North of the church. The bride's mother hosted the reception which followed immediately in the Fellowship Hall. The serving table was 7:30 o'clock covered in a white satin cloth with overlays of white tulle and tulle. She held the bride's bouquet and carried the groom's flowers. Crystal chalice and silver appointments were used.

Serving the five-tiered wedding cake, decorated with pink roses, and pink punch were H. Thompson, Mrs. James Weaver of Wichita Falls and Miss Melody King. Assisting with the reception were Mmes. Guy Robinson, Jesse A. Lowrey, or traditional wedding. Also, d accompanied Mrs. Oleta Fitzgerald, Mrs. Verlin Cypert, Mrs. Allen McGaughey, Mrs. Bobby Robinson, Mrs. C.G. Spencer. Others assisting were Miss Beekie Cox of Olney and Miss Denise Meek of Bowie.

Sandra Day, a cousin of the bride, handed out rice bags. For going away, the bride wore a lime green double knit suit and a corsage from her bouquet. A graduate of Knox City High School, the bride attended Midwestern University in Wichita Falls where she was a member of Phi Chi Theta, Texas Business Education Association, Future Business Teachers Association, and was nominated Outstanding Freshman Woman.

The groom is a graduate of Seymour High School and attended Cisco Junior College. He is employed by Gatlin Construction Co. of Breckenridge. The bride is the granddaughter of Mr. and Mrs. Jewell Day of Knox City.

RETURNS HOME

Mrs. Neil Perdue returned home Monday night of last week from Port Arthur where she had been the past week with who underwent surgery.

Mrs. Perdue reported that Mrs. Welch is doing well.

Senior Class News
 By CONNIE GENTRY

The seniors finished reading their class play this week. Everyone is preparing for tryouts now.

The senior class met and decided where to go on their senior trip. We decided to go to Orlando, Florida. This seemed to be the most interesting place and the most recreational.

In Texas History class we saw a very interesting film on the life of Winston Churchill. He must have been a marvelous person.

Congratulations go to the Greyhounds and Houndettes for defeating Aspermont Friday night.

Junior Class News
 By BECKY SWAIN

The excitement in the Junior Class is due to the Junior Play coming up very soon. We have chosen AUNT TILLY GOES TO TOWN as our play. The date for tryouts has not been set but everyone is anxiously awaiting them.

One of the many activities for the second semester is the English III Term Theme. Each student in English III must choose an American literary subject to write on.

Our Hounds and Houndettes have begun the second round of

district play. It is very possible both our teams will make the district playoffs. It's going to take a lot of hard work and support from everyone. They play each Tuesday and Friday night at 6:30. Everyone please come out and urge them on to victory.

Los Amigos

Los Amigos met in regular session at seven p.m., January 19, in the Spanish room. After a short business meeting, Felix, Gene, and Freddie showed a film on Guatemala. This was our first program on Central America, which is the official area of study for the Pan American Student Forum for this year. We also sang our club song, "O Noble Pan America". That title is either English or Spanish, depending on your point of view, but we sing it in Spanish.

We deeply regret losing Mary Espinoza as president. She was competent and faithful. Gene Sanchez moved into this office. We elected Alice Valdez for our new vice president and Felix Lerma for our new chairman of the social committee.

Two visitors were present in addition to seven members and the sponsor.

Alice, Irene, and Rachel served cookies and punch.

Since Father Espinoza has withdrawn from school, we will

 By DEBBIE WALL

Although the FTA has not had a meeting in several weeks, we've been getting some things done. The FTA trip will be the latter part of February. The State FTA Convention is to be held in Dallas this year, and several of our chapter members are expected to attend.

This district is running a candidate for State Vice-President, Dean Bouldin, from our own chapter. We will give Dean all our support and go to Dallas with the intent to win.

KNOX TYPING II CLASS

Typing Class News Office Visitors

Knox County News was privileged to have typing II class Friday morning for a tour of the office.

The class which is taught by Mrs. Dottie Lowrey is studying type reproductions, and therefore was interested in the newly-acquired set of just-writers as well as the Vari-typewriter Headliner.

With these machines the News staff is now able to do its own composition on the paper each week which heretofore was done in Stamford. The publishing continues to be done in Stamford every Wednesday afternoon.

Members of the class include Connie Gentry, Jan Lankford, Carol King, Helen Quintana, Cindy Foster, Terri Whitten, Bobby Reeves, Mickey Oxford, Karen Helms, Alan Orr, Rolanda Stubbs, Jackie Gentry, Rob Harrison, Kathi Kent, Charlie Lieb, Mary Jo Campbell, and instructor Mrs. Dottie Lowrey. Two other members of the typing class, Gary Burt and Ceissia Skiles were absent.

BY JERRY LOWREY

The Greyhounds started the second half of district play off with a win by downing the Aspermont Hornets by seven points in a hotly contested affair at Aspermont. The game saw the Greyhounds lead almost all the way and hang in for our third district win. Several people questioned me as to why we held the ball right before the half for a period of about a minute rather than try to penetrate their zone and score. I think clarification of a recent rule change will help you to understand why. At the time we were two points ahead in the closing two minutes of the first half, Aspermont was playing a sagging zone and wasn't picking us up when we had the ball out front. So we simply held the ball out in the mid-court area. The rulebook states that the defense must come out and pick up the ball, that is, must be within six feet of the ball. If they refuse to do this, the official begins a ten second count and after ten seconds has elapsed and the defense has made no effort to come out on you the official steps in and motions the defense to come out and pay you with the ball. If they do not, the official then counts off ten more seconds and upon completion of this count issues a technical foul to the defensive team. On offense we wanted to get the ball inside or in close for a good percentage

Jr. High Boys Win

KC Jr. High boys, coached by Jimmy Rogers, won first place in the Aspermont Jr. High Tournament last Saturday night when they outscored Aspermont by 59-23.

The Pups had also defeated Aspermont II and Hamlin to remain in the finals. Charlie Fly was high point with 12 followed by Kenneth Burt and Johnny Espinoza with 10 each.

The Knox City Junior High Girls, coached by T.R. Still-shower brought home the second place trophy awarded them at the Aspermont Junior High Tournament Saturday night.

The girls defeated Aspermont II and Hamlin to gain a berth in the final round, then lost 14-13 to Ruby by a score of 21-13. Tammy Grindstaff was high point with 9.

About Rochester People

Grady Newsom, Kay, Betty, and Glenn.

Mr. and Mrs. Charles Hearn and family of Slaton visited over the weekend with Mr. and Mrs. Evert Hearn.

Mike Adkins returned to McMurry College in Abilene to begin classes Monday. He is starting his second semester of college.

Mrs. Clifford Byrd of Stamford visited last week with her parents, Mr. and Mrs. W.H. Patterson and Pat.

Mr. and Mrs. Robert Adkins and family visited over the weekend with her mother, Mrs. Pete Helton.

The Haskell County Livestock Show was held Saturday, January 22 at the Haskell County Fairgrounds. This was one of the largest steer shows ever held in the Haskell shows.

Melissa Roberson, daughter of Judge and Mrs. B.O. Roberson of Rochester walked away with Grand Champion with her Crossbred steer. This is the steer that won reserve champion at the Abilene Regional Livestock show. Melissa is a 4-4'er and a freshman in Rochester High School.

In the lamb show, Jim Ballard son of Mr. and Mrs. Preston Ballard of Rochester walked off with the Grand Champion. He won with his heavy weight Hampshire and Suffolk classes. Jim is also a 4-4'er and a seventh grade student at Rochester.

Randy Hines of Rochester won Reserve champion of the Duroc class in the swine division. He is the son of Mr. and Mrs. F.C. Hines and is a Junior student in Rochester High School.

Others from Rochester placing in the Haskell show were: David Mitchell placed third in the other breeds of lightweight in the swine division. Buddy Mullino placed second with his heavyweight steer. Robert Wright placed third with his middle heavy weight steer. Susan Mullion placed second with her middle weight steer and Jim Ballard placed second with his Duroc in the swine division.

Many of the other students of Rochester were entered and

placed. These are only the first three places that placed. We believe the Rochester students did a real good job in showing and we are real proud of them and their animals.

FRIDAY NIGHT'S GAME

The Rochester high school boys and girls were host to Old Glory, Friday night January 21.

The boys were defeated by Old Glory, 85-39. Johnny Martin was high for Rochester with 18, followed by Hank Byrd with 10, Mike Newberry with 4, and Tommy English with 7. This puts the Rochester boys 2-6 in district.

The Rochester girls won their game 45-33. Debbie Beauchamp was high point for Rochester with 25 points. This puts the Rochester girls 8-2 in district.

COMING BASKETBALL

On Tuesday night the Rochester High School basketball teams were host to Weinert at 7 p.m. for a duel of district games. Friday night, January 28, the teams will travel to Rule at 7 p.m. for two more district games. Everyone attend these games. These teams need your support.

FRESHMAN WORKDAY

The Freshman Class of Rochester High School will have their first workday, January 29. They will have a bake sale, car wash and trash haul. Everyone come and buy a cake, get your trash hauled or car washed. This is their first workday so you make it a good one. Their class sponsor is Mr. Stephen Wolf.

DRUG PROGRAM

Thursday January 20, the Worcester sponsored a drug program for the public and the grades 5 through 12. This was enjoyed by everyone and showed everyone just what drugs can do. A man from Abilene was on hand to show us slides and tell us all about drugs. This was a very good program and everyone really enjoyed it.

Winning the Winter Health Battle

Will your precautions be sufficient to assure the family's health and safety this winter?

Winter can do more than put a chill in the air. The Council on Family Health, sponsored as a public service by the manufacturers of medicines, advises that the cold weather brings with it greater risk of colds and increased danger of home accidents since children are indoors for longer periods of time.

One way to protect the family's health is to take advantage of immunizations available from your doctor. The Council suggest keeping up-to-date records to determine which member of the family may need a vaccination or booster shots and when.

Proper hygiene can keep the spread of germs to a minimum. Teach the children to wash their hands before eating or handling food. And each family member should use their own towels, toilet articles and cosmetics.

To reduce the threat of accidents, maintain regular meal-times. Little children get into accidents when they are hungry or insufficiently supervised, according to the Council.

Children under age five require the most attention since they are most often involved in poisoning accidents. To guard against poisonings, the Council says always keep all possibly toxic substances well out of the reach of toddlers.

Medicines should be used and stored with special care. When treating a child for a cold, the Council recommends reading the labels on medications three times: when you remove the medicine from the cabinet, just before administering, and immediately after administering.

Always read labels in proper lighting and always return containers, securely capped, to the medicine chest promptly after use.

THE FAMILY LAWYER

Father to the Rescue

Suppose a man sees his son being beaten up by the neighborhood bully. Does he have a legal right to use force in his son's defense?

He does indeed. Parallel to the right of self defense is the right to defend the members of one's family, with force if need be. This doctrine goes all the way back to the days of feudalism, when the master of the household was legally entitled to protect his family from attack.
But in such situations, there is always the chance of escalating the violence. Therefore, the law places careful limits on this right of family defense.
1) The force used must not be excessive. For example:
A father found his son involved in a fracas with the man next door. Rushing to the rescue, he knocked the man unconscious with a mighty blow on the head. Then he followed up with a swift kick in the abdomen.
For the resulting internal injuries, the father was duly held liable in court. The right to defend his son, said the court, did not include the right to kick someone who was lying on the ground unconscious.
2) The force must be used only to defend, not to "get even."
In another case, a father found out that a certain teacher had slapped his son in class. Days later, meeting the teacher on the

sidewalk, he punched him in the nose.
Sued later for damages, the father claimed he had acted to protect his son. But the court held him liable anyhow. The court said that, in terms of the right to use force, he "stood in his son's shoes"—that is, in the shoes of the aggressor.

Waldrip HD Club Elects Officers

The Waldrip Home Demonstration Club met Thursday, January 20, at 4:00 p.m. in the O'Brien Homemaking Department for its January meeting. New officers serving the organization for 1972 are President, Mrs. Jerry Benson; Vice-president, Ruby Wilson; Secretary and Treasurer, Mrs. L.A. Covey; Reporter, Mrs. Johnny D. Reid.
Visitors recognized were Miss Vickie Cavender and Mrs. Nelda Smith.
Miss Cavender will be a Home Demonstration Agent in Young County after she completes training in Haskell County.
Barbara Elliot, Haskell County Agent, spoke to the group on "Values, Your Guiding Stars". Mrs. Elliot discussed the values that many people have. She stated that each person has his own values and that as a person matures, his values change. Many things influence our values, she said, one of which is friends. She challenged each home demonstration member to decide what is of value to her. She concluded by stating that under-

standing your own values and the values of others will help you to understand other people.
The meeting was adjourned and refreshments were served by Glenna Benson.

Joe Barnard, a student at Texas Tech in Lubbock was in Knox City over the weekend visiting his parents, the Rick Barnards.

TRAVELING MAN
Wives of traveling businessmen are experts in the art of packing. These days he needs more than a few clean shirts to present himself successfully. To take care of his pressing problems, buy him one of the new mini steam wrinkle removers. Keep his samples from falling out of his portfolio by sealing the bottom of the acetate carriers with Scotch book tape to form a pocket. Clean his attaché case with Scotch desk and office cleaner. (You can learn something from his secretary!) Tuck an encouraging note in his suitcase—a little inspiration may be just what he needs to get him through a difficult meeting.

The Missing Day In Time

Did you know that the space program is busy proving that what has been called "myth" in the Bible is true? Harold Hill, president of the Curtis Engine Company in Baltimore, Md., and a consultant in the space program, relates the following development:
"I think one of the most amazing things that God has for us today happened to our astronauts and space scientists at Green Belt, Md. They were checking the position of the sun, moon, and planets out in space, where they would be 100 years and 1,000 years from now. We have to know this so we don't send a satellite up and have it bump into something later on in its orbit. We have to lay out the whole orbit in terms of the satellite, and where the planets will be so the whole thing will not bog down!

They ran the computer measurement back and forth over the centuries and it came to a halt. The computer stopped and put up a red signal, which meant that there was something wrong either with the info fed into it or with the results as compared to the standards. They called in the service department to check it out and they said, "It's perfect." The IBM head of operations said, "What's wrong?" The IBM said, "What's wrong?" Well we have found there is a day missing in space in elapsed time. They scratched their heads and tore their hair. There was no answer.

The religious fellow on the team said, "You know one time I was in Sunday School and they talked about the sun standing still." They didn't believe him, but they didn't have any other answer so they said, "Show us." So he got a Bible and went back to the book of Joshua where they found a pretty ridiculous statement for anybody who had "common sense." There they found the Lord saying to Joshua, "Fear them not, I have delivered them into thy mind; there shall not a man of them stand before thee." Joshua was concerned because he was surrounded by the enemy and if darkness fell they would

over power them.
So Joshua asked the Lord to make the sun stand still. That's right! "The sun stood still and the moon stayed and hastened not to go down about a whole day!"
The space men said, "There is the missing day!" Well, they checked the computers going back into the time it was written and found it was close but not close enough. The elapsed time that was missing back in Joshua's day was 23 hours and 20 minutes—not a whole day. They read the Bible and there it said, "about (approximately) a day." JOSHUA 10: 12-13.

These little words in the Bible are important. But they were still in trouble because if you cannot account for 40 minutes you will be in trouble 1,000 years from now. Forty minutes had to be found because it can be multiplied many times over in orbits.

Well, this religious fellow also remembered somewhere in the Bible where it said the sun went backwards. The space men told him he was out of his mind. But they got out the Bible and read those words in II Kings, chapter 20, Hezekiah, on his death-bed, was visited by the prophet Isaiah who told him that he was not going to die. Hezekiah did not believe him and asked for a sign as proof.

Isaiah said, "do you want the sun to go ahead ten degrees?" Hezekiah said, "It's nothing for the sun to go ahead ten degrees, but let the shadow return backward ten degrees." Isaiah spoke to the Lord and the Lord brought the shadow ten degrees backward! II King 20:10-11.

Ten degrees is exactly 40 minutes! Twenty-three hours and 20 minutes in Joshua, plus 40 minutes in II Kings, make the missing 24 hours the space travelers had to log in the logbook as being the missing day in the universe! Isn't that amazing? Our God is rubbing their noses in HIS TRUTH!
