O'Brien News

The O'Brien Bulldogs met a highly inspired opponent, the Paint Rock Indians Friday, Oct. 15. The Bulldogs ran their record to 5-0 as they defeated the Indians 62-30.

The Bulldogs were everything but impressive as the first half ended 22-22. However the Bulldogs showed a spark of hustle and pride as they returned and shut the Indians cut while scoring 28 points in the third quarter

Rayland Hayes had three touchdowns and eight on extra points, Danny Del Hierro scored twice and Albert Alsides, Arly Watson, and Louis Conn all scored once for the Eulklegs.

The Bulldogs' play lacked the desire and hustle demonstrated in past weeks and they will be workin hard to establish the hustle and pursuit that will be needed as they open District play with Lueders-Avoca. Lueders-Avoca, plagued with

injuries early in the season, has established a very impres sive threat and the Bulldog must be completely prepared for this clash today, Thursday Oct. 21 at 7:30. Prior to this game the Sophomore Claswill serve supper from 5 to 7 at the School Cafetorium, Contact a sophomore for tickets. The undefeated Bullpups of O'Brien defeated Paint Creek 26-0 last Tuesday night Scoring for O'Brien were: Jaime Rocha with 3 touchdowns and Gilbert Roias, a fifth grader, with one. The fifth and sixth graders were outstanding as they scored twice behind a good blocking.

The Bullpups will be playing Lueders-Avoca in a crucial game in their first District game Oct. 19 at Lueders.

Finally the Sophomores have gotten to journey to Munday to receive their restricted lic ences. Let me warn you, we don't drive so good yet, and it might be safer off the road than on. Anyway the town is bound to be in for a few laughs as another Driver's Ed class takes to the road.

KNOX COUNTY NEWS PAGE SEVEN Knox City, Texas, Thursday, October 21, 1971

By COACH HIBBITTS

It has seemed like an eternity getting here, but the Greyhounds won their second game of the year 26-0.

This was especially important because this was our first district 7-A ballgame of the year. Also we were pleased with the improvement shown in Friday night's game. We moved the ball real well and our passing game was the best it has been this year.

We play the Baird Bears Friday night at Baird for our second district game. The Bears are 6-0 for the year and have one of the most dangerous offensive teams that the Greyhounds will face all year, and also one of the best defenses we've faced, giving on-

ly 42 points in the season. The Greyhounds will try to put it all together Friday night win our second district game 7:30, at Bear Stadium, in Baird

The Knox City JV's defeated the Holliday JV's by a score of 28-20 last Thursday night. This was especially pleasing because Holliday handed the Knox CityJV 's their only loss of the year earlier in the season by a score of 28-14 in the mud at Holliday

The Knox City eighth grade Greypups defeated Holliday also. The score was 26-8. This was the fifth win of the year for the Pups against only one loss. The Pups gave up their first TD of the year in district play when allowing Holliday eight points. The Pups play Archer City eighth grade Thursday night at 6:00 for the

Glantz said he had been advised by the Director, Dr. Curtis Tarr, that the RSN cutoff for 1971 would be number 125 for men in the first priority group. Tarr advised that all men in a class available for service who have been found qualified mentally, physically and morally with 1971 RSN's of 125 or below can expect to receive an induction
