## Look To The East

by Aaron Edgar

Twice in less than so many weeks, we've had former residents come to Munday on occasion and share some "remember whens" with us and others of our town.

Each of the men were in related professions and had served churches in Munday. Each we had classed as close friends while in Munday. They were frequent callers at the newspaper office, and we spent some pleasant moments together.

We hadn't more than "typed out" a piece for this column about the visit of Rex and Letha Mauldin, who were here September 8 for a Methodist event almost on the occasion of their 25 anniversary of their arrival in Munday, when we went to the Lions Club meeting and were greeted by the other.

This one was Harold Paden, a former minister of the Church of Christ in Munday.

Paden was here as the featured messenger for a Gospel Meeting at the Munday church, September 12-15, so he managed to break away on the 14th in time to come to the Lions meeting and renew friendships.

Harold wouldn't eat because he had a luncheon appointment a little later, but he spent several minutes conversing with people he knew and loved when he was minister here.

He had returned at times since leaving Munday, but this was the first time he'd taken time to spend a few minutes with dear friends outside his church circle.

It seemed almost coincidence that in this brief time that he said: "You know, it was just 25 years ago that I came to Munday. Rex Mauldin and I were here at the same time." This was in the late 1950's.

With Grady Allison, Baptist pastor in 1957-59, it seemed we had a closer relationship between churches than at any other period.

Harold Paden was not only minister for his own congregation, but a minister to friends of other church beliefs. If they were people who needed a helping hand, Paden helped them.

He was active in the Chamber of Commerce, where he served as chairman of a visitation committee that made an effort to see that all newcomers to Munday were visited and welcomed to our town.

He served as president of the Parent-Teachers Association in the local schools, possibly the first man to hold this position. Through his efforts, this organization continued longer than it otherwise would have.

Paden also published a paper: "They of Italy" that became our printing chore. He mailed copies of this paper into many states and countries.

When he came to the Munday church, he had just returned from missionary duty in Italy. It was at the Lions meeting that we reminded him that our linotype operator thought he was the one that "got kicked out of Italy"; Not so! Harold left of his own accord. His brother was asked by Italian officials to leave.

Harold left the Munday church in the fall of 1960 to return to his mission work in Italy.

During his visit with the Lions, Harold told of the wonderful living conditions in Santa Fe, N.M., his present home, saying: "You all come to see me," then in his next breath: "I'll be going back to Italy pretty soon."

We chided him for inviting us to come see him, then announcing that he was leaving.

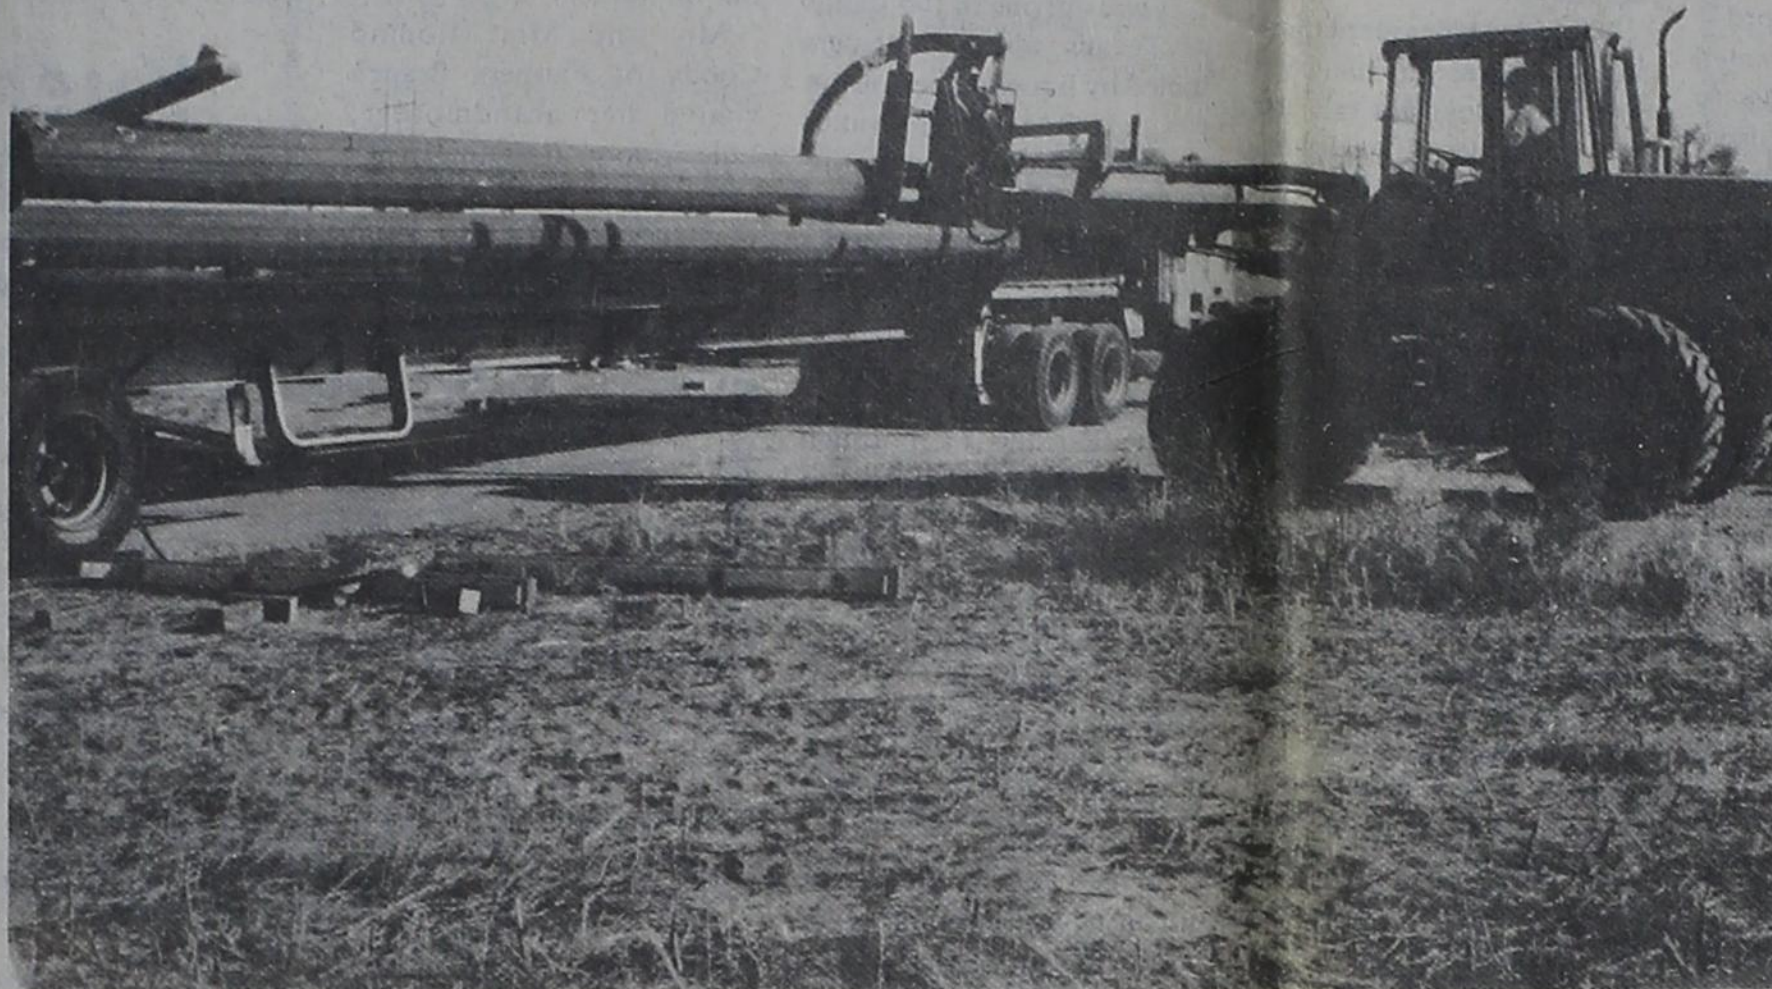

"But this is for only about two weeks," he was quick to reply. "Come on out to see me."

We kinda got the feeling he meant it!

We regarded Harold as a good man, a good minister, a good friend, a good Lion, and a good citizen who contributed much to the community.

## Pancake Supper On Lions Agenda

Plans are shaping up for the Munday Lions Club annual pancake supper, which will be served on Friday, November 5, 1982, just ahead of the Moguls' last home game with Hamlin.

**EXPENSIVE LOAD:** Shown here is a truckload of power line poles to be used in the 195-mile power line to connect WTU's new coal-fired power plant at Oklaunion to Abilene and San Angelo. Each pole structural unit costs around \$11,000. Construction work in the Munday area is expected to begin the latter part of November, according to Frank Jackson, WTU manager at Munday.

## Material For Power Line In Munday Area Received Locally

Construction material, consisting locally of giant power line poles and structural units, are being unloaded at WTU's "equipment yard" in the eastern part of town. The yard is now a giant stack of poles, and Frank Jackson, WTU manager at Munday, stated several of these stacks will be located at sites of the construction project.

The poles for structural units are being transported by truck from Nebraska to the yard sites, where they are completed into structural units to accommodate a number of highlines extending from the new coal-fired power plant now under construction at Oklaunion.

The lines extending from Oklaunion to Abilene, then San Angelo, will be approximately 195 miles in length and will be used to distribute power from the Oklaunion plant to towns throughout the WTU properties.

Materials are being placed at strategic points in order to serve as an aid to actual construction, which is one of the most expensive projects ever undertaken by West Texas Utilities Co.

Mr. Jackson stated that construction in the Munday area is expected to get under way the latter part of November.

When voters go to the polls on Tuesday, November 2, they will be faced with the proposition of dealing with six amendments to the Texas Constitution. Briefly, they are as follows:

No. 1 - The constitutional amendment repealing the state property tax. This would prohibit any state ad valorem tax.

No. 2 - The constitutional amendment to authorize the legislature to provide assistance through the appropriations process to needy persons and to place a ceiling on payments for needy dependent children at one percent of the state budget. This would eliminate the \$80,000,000 ceiling on state welfare aid during any fiscal year.

No. 3 - The constitutional amendment exempting implements of husbandry (agricultural machinery and equipment) from ad valorem taxation.

No. 4 - The constitutional amendment authorizing the legislature to provide terms not to exceed four years for members of governing boards of certain water districts and conservation and reclamation districts.

No. 5 - The constitutional amendment to abolish the office of county treasurer in Tarrant and Bee Counties.

No. 6 - The constitutional amendment increasing the maximum interest rate allowed on state general obligation bonds to a weighted average annual interest rate of 12%. This does not apply to bonds issued by the Veterans' Land Board.

\*\*\*\*\*

The Weinert School Faculty will sponsor a stew supper on Friday night, October 22, before the Weinert vs. Benjamin football game. Proceeds from this supper will be used for payment on the air conditioning which was recently installed in the school gymnasium.

A meal of stew, cole slaw, cornbread, fruit cobbler, and iced tea will be served from 6:00 to 7:30 p.m. in the school cafeteria. Prices will be \$3.00 for adults and \$1.50 for children 12 and under.

Take-out orders will be accepted. Please bring containers for take-outs.

## It's Our Birthday!

It is quite by coincidence that this issue of The Munday Courier comes out on the anniversary date of the paper's first issue--October, 21, 1971.

Running beneath a photo of a "tiny tot" was the following wording:

HELLO, THERE! My name is The Munday Courier. Born of necessity, I am a tiny tike. Shucks, I'm not even old enough to need a diaper change!

But I do know this--I'm gonna be a he-man when it comes to pulling for and fighting for Munday, Knox County and all you people.

Bet you'll help me, won't you?

The Munday Courier was an answer to Munday people's call for a newspaper to replace The Munday Times, which closed in bankruptcy. We think we've been doing a pretty good job--hope you do, too!

On this, our anniversary, all those connected with this publication pledge ourselves to serving the community to the best of our ability. Wish us luck!

## PUBLIC URGED TO ATTEND HEARING . . .

### City To Apply For Grant From HUD

Citizens of Munday are urged to attend a public hearing at City Hall on Tuesday, October 26, at 8 p.m. Purpose of the hearing is to receive suggestions from the public for civic improvement projects which could possibly be funded by the U.S. Department of Housing and Urban Development (HUD).

According to city manager Walter Hertel, HUD will release a certain amount of money each year for grants to cities. Large areas automatically receive a certain percentage of the funds, and small cities must apply for portions of the money, following certain criteria set up by HUD.

The application will be made for funds to finance a certain project and HUD will grade the application according to the project itself and the need for it. Hertel explained that the projects

usually granted funds are those in low-income areas.

Munday has never won a discretionary fund grant, but Hertel says the city is working with several new ideas, and if he can submit an application for the right type of project or improvement, we still have a chance of receiving some of the money. The application for a portion of this year's grant funds must be made by November 8.

Hertel stated, "We want the citizens to tell us their ideas for badly needed improvements or projects. We are open to their input. We will present no plans at the public hearing, but we will record all the presentations made by Munday citizens and review them as to their usefulness in making the application."

### SS Representative To Be In Munday

A representative of the Vernon Social Security office will be at Munday City Hall on Wednesday, October 27, between the hours of 9:30 and 11:30 a.m.

He will assist citizens in filing applications for Social Security Retirement, Survivors, Disability, Medicare or Supplemental Security Income benefits.

You may transact your business by phone if you are unable to come to City Hall.

### Weather Report

For seven days ending at 5 p.m. Monday, October 18, 1982, as compiled and recorded by Goodson Sellers, local U. S. Weather Observer.

## Munday Moguls Toppled From High Perch By Paducah Dragons

Fired-up Dragons from the county seat of Cottle County emerged into Mogul territory last Friday night, adding misery to the Munday hopefuls in District 7-AA football. This was the second game in district competition.

Vernice Walker, running back for the Dragons, scored two touchdowns in quick succession in the opening quarter, rushing 187 yards to lead his teammates to a 20-14 victory. Walker ran 63 and 22 yards, respectively, for scores and added a two-point conversion in the first period.

Lawrence Collier retaliated in a

measure, also in the first, by scampering 80 yards for Munday's first touchdown. The try for extra point failed.

The second half was a scoreless battle, which left the Moguls wondering "what was a-matter" when the visitors' equally fired up defense kept Mogul offense at bay. Fumbles and injuries plagued the Moguls during the melee.

Paducah's additional six points came in the third period when Lonnie Jones recovered a Mogul fumble in the end zone, then failed at the bonus points.

The Moguls added eight more points in the final stanza when Chris Moore hit

Dave Hunter on a 9-yard pass in the end zone. The same combination added two extra points.

The Moguls suffered four lost fumbles out of six, and two interceptions. Paducah lost one of two fumbles and had one pass intercepted.

Top Dragon defensive players were Lonnie Jones, tackle who recovered the fumble for six points; Larry Trevino, safety, and Jimbo Harrison. Linebackers Ray Sommons and Greg McClendon also gave the Moguls trouble.

Paducah led 6 to 4 in first downs and humbled the Moguls 213 to 64 yards

rushing yardage. Munday gained 127 yards passing to 24 for the Dragons. Penalties were: Paducah 4 for 20 yards; Munday 5 for 32.

Munday was hit in another weak spot - depth - as three Moguls had to leave the game because of injuries. Quincy Adams did not start the game due to injuries. Chris Moore and Bryan Kuehler received injuries during the game, with Kuehler being taken to the Knox County Hospital by ambulance after suffering a neck injury.

**Extension Homemakers Club News**

by Mrs. Dale Phillips  
 The Munday Extension Homemakers Club met October 13 at 2 p.m. in the home of Mrs. Joe Patterson.  
 If anyone is interested in the demonstration of "Making Bread in a Bag", call either 422-4354 or 422-4696 and we will give that program on October 27.

Cookbooks titled "Texas Taste Treasures", containing over 600 recipes from Texas Extension Homemakers, may be purchased by calling or contacting any Club member.

First program in November for the Munday Club will be on "Drug Abuse."

**Former Munday Man Dies At Snyder**

Robert Leon Tuggle, age 56, passed away in a Snyder Hospital Tuesday morning, October 19, following a lengthy illness.

Funeral services are being held Thursday (today) at 10 a.m. at the Bell-Seale Funeral Home in Snyder.

Munday relatives include his mother, Mrs. Leoma Tuggle; a brother, Coy Tuggle; and a sister, Mrs. Evelyn Elliott.

A complete obituary will appear in next week's Courier.

**THE TOM-TOM Happenings In Munday Schools**

**Annual Sales To Begin November 1**

On October 13, 1982, the Munday High School annual staff held their first meeting. Melissa Myers, senior daughter of Mr. and Mrs. Vernal Zeissel, was elected editor of the 1983 yearbook. The staff set November 1, 1982, for the beginning date of the yearbook sales.

Prices for the yearbook will be \$12.50 if pre-purchased and \$15.00 if you wait until the annuals arrive in the spring. A partial payment of \$7.50 may be made now and the balance of \$7.50 will be due on arrival of the yearbook.

To reserve a copy of the 1983 yearbook, contact one of the following staff members:

Sheryll Elliott, Melissa Myers, Danny Sloan, seniors; Kent Josselet, Julie Partridge, Missie Stewart, Paula Waggoner, juniors; Mary Jane Kuehler, Janet Myers, Ron Redder, sophomores; or Salwa Choucair, Scott Jackson, Dent Offutt, Donna Welch, freshmen.

**FFA Members Selling Fruit**

Munday Future Farmers of America are in the process of selling fruit as a fund-raising project. The sale will continue until November 16.

Choices of fruit are oranges, apples or grapefruit. Small boxes of oranges or grapefruit are priced at \$7. Large boxes are \$11. A box of apples contains 1/3 bushel, and costs \$10. The box of mixed fruit is also \$10, and is made up of one dozen of each fruit.

The fruit will be delivered between December 1 and 17, in plenty of time for Christmas cooking.

To place your order, contact any FFA member or call the Munday ag shop, 422-4229.

**FTA Meets**

by Paula Waggoner  
 The Munday FTA chapter held its second meeting of the year on Monday, October 8, in the High School library.

FTA'ers began preparations for campaigns of members running for district office, Kelli Smith and Salwa Choucair. Various members have formed two committees

for each of these girls to run their campaign. They will be giving handouts to voting delegates from other towns in order to try and get their vote.

The chapter will also have two representatives in the Mr. and Miss FTA competition. They are Mary Jane Kuehler and Paul Wright. These two will be working with Mrs. Longan in order to prepare for their speeches, the topic for which will be "Goals Begin With Dreams".

The district convention will be held on October 23 in Vernon.

**Coach Lankford Comments**

by Coach Rogers Lankford

We were very disappointed with our first season loss to Paducah since this was also a district loss. The Moguls got off to a bad start, then made a comeback attempt, but never really put it all together in time to overtake the Dragons.

Some injuries took their toll on the team. Bryan Kuehler was injured during the game, Chris Moore aggravated an earlier injury during the second quarter, and Quincy Adams was unable to play on offense because of an injury he suffered in last week's Rotan game.

Our first score came on a 76-yard run by Lawrence Collier. That was our only running play during the night which had any real success. Our second score came on a drive in which we lined up in shotgun formation and passed the ball on about an 80-yard drive. Big catches during the drive were made by Lawrence Collier, Jim Earl Dockins and Dave Hunter, who scored the touchdown and caught a pass for the two extra points.

This was not one of our better defensive nights, as we allowed Paducah to score on two big plays. Both scores were long runs of 35 and 51 yards. Paducah's other score came off our offense, which fumbled in the end zone.

Defensive standouts in the game were Paul Wright, Greg Urbanczyk, Lawrence Collier, Danny Hertel and Jim Earl Dockins.

Haskell, our next opponent, is the only undefeated team in district play. A win over Haskell Friday night would put the district race in-

**Population In Texas Is Growing Phenomenally**

Texas had three million more people in 1981 than in 1977, making it the fastest growing state in the nation.

"It's like the state is a giant magnet pulling people here from everywhere," said Dr. Robert Skrabanek, demographer and sociologist with the Texas Agricultural Department of rural Sociology.

"The growth is simply phenomenal; we've never seen anything like this before," Skrabanek said during the 1982 Town and Country Church Conference at Texas A&M October 4-5.

Why are so many people moving to Texas, and who are they?

"Besides being in the Sunbelt, the Lone Star state has a low unemployment rate and low tax structure (compared to other states)," he pointed out.

In 1960, Texas was the sixth most populated state, and by 1970 it had become the fourth largest. In 1975, Texas became the third largest state, preceded only by California and New York.

The population has been evenly distributed the past 10 years, Skrabanek noted, with 210 Texas counties showing an increase and only 44 reporting a decrease.

"Big cities like Dallas, Houston and San Antonio are getting larger, but the real growth is occurring in the suburbs of these cities," he said. "The cities keep growing out and incorporating what were once rural areas."

Rural areas have been consistently gaining in population the past 125 years, Skrabanek said. This comes from factories and industries moving out of big cities and into rural communities, which in turn disperses the population more equally.

In-migration is responsible for much of the population explosion in Texas, he said.

During the 1950's, more than 11,000 people moved to Texas each year, and between 1960-69 an additional 21,000 a year were making Texas their home. In the 1970's, the number had reached 180,000 people a year.

"Even with the depressed economy, Texas is still a bright spot when compared to other states," Skrabanek said. "And I don't expect this pattern to change anytime soon."

Who are the people inhabiting Texas?

"Since the mid 1950's, we've changed from a male-dominated to female-dominated state," he said. "Add to this the fact that women live an average of eight years longer and it's obvious that

women are a dominant force in Texas."

The median age in Texas is 28.2 years, compared to 30 years for the nation. This is almost double the median age of 16 in 1800.

"Ethnically, Texas can be divided into three groups," Skrabanek said. "In 1980, the population was 66 percent Anglo, 21 percent Hispanic and 12 percent Black."

**Examine Gas Heaters Before Winter**

If you are one of thousands of Texans who use heaters fueled by liquefied petroleum gas, it's time for pre-winter maintenance. According to Hugh Keepers, director of the Railroad Commission's liquefied petroleum gas division, a heater is safer and more efficient when well maintained.

The first step is a thorough cleaning. Keepers warns not to use lp-gas to blow out heaters or radiants. While you're cleaning the heater, check the name plate to make sure it is approved for use with lp-gas. It's dangerous to use lp-gas with a heater designed for other fuels, Keepers says.

When you connect the appliance, use only approved connectors. Slip-on hose connectors are prohibited by state law. "Many house fires have resulted when a child or animal ran across a room and pulled off a slip-on connector," Keepers says. Always use a flair-type, fitted lp-gas hose with metal threads.

If your home has any gas outlets where no appliance will be attached, make sure the gas-cock is capped to insure against accidental opening of a valve.

Never place a heater directly facing curtains, furniture or bedding. Consider the traffic flow in a room when placing heaters. Avoid placing heaters in congested or narrow areas. Someone passing may trip or clothes may brush against the heater and catch fire. Don't place an unvented heater in bedrooms or rooms normally kept closed. This type heater may burn the oxygen out of a room quickly and asphyxiation can result.

Finally, check the vents on any vented appliances. Vents should be cleared from obstructions and those damaged by the elements or that are corroded should be replaced.

**Class Favorites Selected Recently**

Class favorites have been selected at Munday High School. Elections were held during recent class meetings.

Favorites for the 1982-83 school year are:

Freshmen, Tim Collier and Salwa Choucair; sophomores, Greg Urbanczyk and Pam Welch; juniors, Jeff Ramirez and Missie Stewart; and seniors, Eustacio Ramirez Jr. and Darla Myers.

**Munday Nursing Center News**

BY CARLA WEST

Elbert E. Owens of Lubbock came to visit Mary Johnson and Mrs. Hunter recently.

Mr. and Mrs. Clyde Whiteside of Nocona visited Carrie Elliot last Saturday afternoon.

Mr. and Mrs. Owen January of Borger visited their aunt, Carrie Elliot, on Saturday afternoon.

John Bates of Seymour visited Minnie Brooks on Sunday.

Dorman and Pat Followwell of Boulder, Colo., visited his mother, Gurtha Smith, several days last week.

Mr. and Mrs. Lloyd Haynie and family of Wichita Falls spent Sunday afternoon with his mother, Marah Haynie, and took her out for a ride.

Mr. and Mrs. Ronald Coody of Farmers Branch visited her grandmother, Lola Moore, over the weekend.

Brenda Smith held devo-

tional for the residents on Tuesday.

Women from the Gillespie Baptist Church held the birthday party for October on Wednesday. Those having birthdays are: Joe Guerrero, Thomas Black, Mellie Bromley, Ida Voss and Audrey Gulley.

Dr. Moylette and Alice Reneau conducted bingo games for the residents last Thursday.

Dovey Partridge, Jeanie Ward, Marie Burns and Ruby Myers held Bible study on Friday.

The Sing-along was held

on Saturday by Eunice Raynes and others.

Sunday church services were conducted by members of the First Baptist Church in Munday.

Mr. and Mrs. Chester Lain and their son, Danny Lain of Goree, recently visited their daughter and family, Mr. and Mrs. Jimmy Eicke, Jason and Shannon, on the Bell Ranch near Tucumcari, New Mexico.

Call your locals in by Tuesday noon. The Munday Courier, 422-4314.

## Area Grid Results

### HASKELL STAYS IN WIN COLUMN

Hamlin's Pied Pipers pooped out Friday night at Haskell, as the Indians remained in the district win column by handing their visitors a scanty 6-0 defeat.

The game remained scoreless and statistically close during a full three periods of play. Turnovers occurred throughout the contest.

Haskell is now 4-3 for the year, but stays 2-0 in district play. Hamlin is 1-1 in district, and 2-5 for the season.

### MEMPHIS DEFEATS QUANAH INDIANS

The Quanah Indians braved a trip into Cyclone territory Friday night, and the Memphis "big wind" kinda tore them up to the tune of 20 to 7.

The Cyclones moved up to 1-1 in district 2-AA play and 6-1 for the season. Quanah now stands at 3-4 for the year and 0-2 in district.

### GREYHOUNDS RULE OUT RULE BOBCATS

The Knox City Greyhounds whipped the Rule Bobcats to the tune of 33-14 at Knox City for their third 3-A victory without a loss. Rule dropped to 0-3 for district.

Scoring for the Greyhounds were Dwayne Watson, Ricky Gutteriz and James Stafford. Wayne Hutchinson kicked all three PATS.

Mike Rhodes scored both of Rule's Tds in the fourth quarter. Tom Turner ran bonus points after the second score.

### ROTAN OUTSCORES SEYMOUR PANTHERS

The Rotan Yellowhammers evened their District 7-AA record at 1-1 Friday night with a 14-7 victory over their host team, the Seymour Panthers.

Rotan did it the hard way, with both touchdowns in the final period, to overcome the 7-0 lead held by the Panthers.

coming in the second quarter.

Scott Bryan was the leading rusher for Rotan with 109 yards on 11 carries.

### MOTLEY COUNTY BEATS THROCKMORTON

The Motley County Matadors showed no mercy for injury-ridden Throckmorton Greyhounds, as they made a 54-0 race track on Greyhound field. This was a District 4-A game.

The Matadors were relentless from the beginning, scoring three counters in the opening period. The visitors also returned two intercepted passes for Tds.

### ROCHESTER WINS OVER MIAMI TEAM

The Rochester Steers, smarting from an earlier defeat, ran up a 47-17 advantage over the Miami six-man team Friday night.

Terry Don Garcia scored four touchdowns to lead the Steers. Also scoring counters

were Willie Joe Brown, Pete Flores and Joe Paul Flores, with one each.

Scoring for Miami were Kirk Gray and Ty Greenhouse, with one each. Steve Martin added a 22-yard field goal for the Warriors.

**ELECTRA TROUNCES MERKEL BADGERS**  
Electra's Tigers rode a 23-point second period explosion to a 30-15 victory over the visiting Merkel Badgers Friday night.

Merkel fumbles set up two of Electra's second-period tallies. Badger halfback Russell Lucas narrowed the gap with a 65-yard scoring run and a 58-yard Td pass catch from quarterback Matt Cain in the third period.

### NORTHSIDE GETS WIN OVER GUTHRIE

Vernon's Northside Indians held a pow-wow Friday night after scoring a 50-16 victory over the visiting Guthrie Jaguars.

Coach Ed Donahue of the Indians gave credit to his team's outstanding defensive efforts in keeping the Jaguars at bay.

### WOODSON DOWNS CARBON

A third quarter "blowout" by Woodson's Cowboys figured largely in their 39-21 victory over Carbon in six-man football played at Carbon. The Cowboys led only 16-15 at the half.

### JAYTON WINS

Jayton racked up a 20-0 first-quarter lead Friday night at Chillicothe to put away the Eagles by a 43-6 score in District 3-A football.

Jayton is now 5-1 overall and 2-1 in district, while Chillicothe is 0-6 and 0-3.

### Junior Varsity Ties Paducah

Munday jumped ahead in the first half of the junior varsity game with Paducah, then gave up their lead and had to settle for a 13-13 tie with their hosts.

Ronny Lowrance scored both of Munday's touchdowns on short runs and kicked one extra point. According to Coach Bill Kingston, the team just did not play well in the second half.

"We made too many mistakes and let the Dragons score two touchdowns. The only good work we did in the second half was in the last drive, when we got the ball with about 2½ minutes remaining in the game, and drove to the Paducah four yard line before the clock ran out."

The JV's will host Haskell's junior varsity team this week, with the game slated to begin around 7:30 p.m.

Coach Kingston said, "Haskell will be a tough game. They have freshman and JV teams, so their junior varsity is made up of sophomores and juniors. They will be good competition and we will have to play very well to be successful against them."

### Junior High Game Report

Munday's seventh grade Braves are the only undefeated and untied team in town this week. They defeated Paducah by a score of 14-6 at Paducah last Thursday.

Anthony Stinnett scored both touchdowns for the team.

The eighth grade team suffered a 52-14 loss to the Dragons. Curtis Taylor scored the first touchdown for Munday, and the second score was a 20-yard pass from J. B. Jones to Douglas Schumacher. This play was taken from an old Army playbook.

Coach Ed Pugliese was proud of both teams following Thursday's games.

"I am very pleased with the seventh grade team. I hope they can continue to act like and win as a team. As for the eighth graders, they had a good effort and did not give up. They were just out-manned by a larger and better team. I'm proud of them, too."

These teams will play the Haskell Indians here in Munday this week. Games will start at 5 p.m., Thursday (today), October 21. Local fans are encouraged to come watch the boys play.

### Longans Sign New Quarterback

This handsome little quarterback, named William Wade Hunter Longan, made his arrival at the Seymour Hospital at 6:15 p.m. on Friday, October 15, 1982. He weighed in at six pounds and was 19½ inches in length.

William already has a Mogul football jersey and got here just before the kickoff of the district game with Paducah. However, he was not allowed to suit up and play.

Coach and general manager is Bill Longan and his trainer is Karen Longan. His most faithful cheerleaders are his three sisters, Kacy, Andrea and Kandis.

His host of loyal fans include maternal grandparents, Mr. and Mrs. Sonny Crawford of Munday, and paternal grandparents, Mr. and Mrs. P. C. Longan of Clarendon. He also has two great-grandmothers, Mrs. Tom King and Mrs. Tom Crawford, both of Seymour.

### Retired Teachers To Meet

Knox County Retired Teachers Association will meet at 2:30 p.m., October 26, in the Munday Community Center.

Association members from Munday will be hostesses for the meeting.

Topic for the program is "Becoming Older, or Growing Older?"

## HONEST ANSWERS TO FAIR QUESTIONS

Our Customers Are Concerned About The Cost of Quality Electric Service, and So Are We. Here's a Sample of the Questions They're Asking and the Answers We're Giving.

Q. Why is WTU asking for a rate increase?

A. There are three related reasons: inflation, the rising cost of capital, and WTU's massive construction program. Mainly, the request is based on capital expenditures during the past year.

Q. When was the last time you raised retail electric rates?

A. WTU has had only three rate increases in its history, while it has lowered rates 14 times. The last increase was February, 1982, and it amounted to an average of just over 8 percent.

Q. Why is WTU having to raise its rates again so soon?

A. The rate relief granted to us by the cities and the Public Utility Commission of Texas last time proved inadequate. It did not keep up with the cost of additional plant, inflation and high interest rates. Our revenues have not provided an adequate rate of return.

Q. What are other utilities doing about rates?

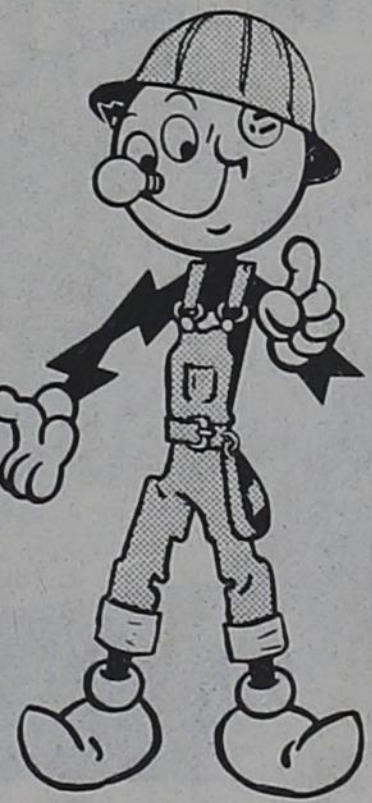

A. Without exception, all electric utilities are having to increase their rates. Some have been filing rate cases every year. Bill comparisons reported by the Public Utility Commission of Texas show that WTU's rates are second lowest among investor-owned utilities in Texas.

Q. Why are you building a big new plant? Isn't energy use declining?

A. Energy use in WTU service area is growing. This summer our peak demand reached 994 megawatts. Our current generating capacity is 1,054 megawatts. The summer peak left us with insufficient reserve margin. We will purchase power from neighboring utilities as a stop-gap measure, but the time has come when we must expand our own generating system, if we are to continue providing service our customers are used to.

Q. What would happen if you could not get a rate increase?

A. The financial condition of our Company would deteriorate rapidly. Our credit rating would suffer. We would no longer be in position to attract capital at reasonable interest rates to finance necessary major construction. We would have to pay higher interest rates at the expense of our customers.

Munday, Texas

# City Council Suspends Utility Rate Increase

The City Council of the City of Munday, Texas met on Tuesday, October 12, 1982, at 8 p.m. at the Munday City Hall in regular session.

Members present: Mayor James W. Reid and Aldermen M. M. Booe, Ray Lynn Hardin and Bob Therwhanger.

Members absent: Donald Hobert (ill) and Von Marr.

Mayor Reid was not present to commence - Hardin moved that Booe be appointed to officiate. Therwhanger seconded. All for.

Booe called the meeting to order. Minutes of the September 7, 1982, meeting were read. No alterations. Booe stated minutes were approved as written.

Mayor Reid arrived at this point and he presided at balance of meeting. Frank Jackson, local manager of West Texas Utilities Company was also present. Mr. Jackson cited increased capitol investment and operating costs etc., as reasons for the rate increase request. After discussion Hardin moved the proposed rate increase be suspended 120 days from October 19, 1982, for further study, investigation, presentation of evidence and public hearing and in accord with Section 43 (d) of the Public Utility Regulatory Act. (Full text of the resolution to be filed in West Texas Utilities files of the City.) Therwhanger seconded the motion. Voting for were Hardin, Therwhanger and Booe. Noes, none. Carried.

M. M. Booe, Police Councilman, next requested the following equipment for the Police Department: a rechargeable flashlight, cost approximately \$95.00; a fingerprint kit approximately \$45.00; another portable radio battery recharger approximately \$80.00. Discussed. Booe moved the above items be purchased. Therwhanger seconded. All for. Also requested by Booe was a new radar to cost \$3200 + and carrying charges for 36 months. Inadequacies in the present radar were cited as reason for request. Also requested was an advance salary type loan for the two police officers to

finance uniforms in the approximate amount of \$1000. The radar and salary advance items were tabled at this time for further investigation.

Next discussed was a proposal by Randolph, Gilreath and Associates, Inc., in regard to a proposed grant application. After discussion Booe moved the firm be employed for the 1982 application only, expenses incurred to be reimbursed not to exceed \$200. The Mayor is authorized to sign necessary forms to implement this action and also to order a public hearing. Hardin seconded. Voting for were Booe, Hardin and Therwhanger. Noes, none. Carried.

The Council next considered passage of an animal control ordinance in Munday. After consideration of several sample copies from other cities, the City Administrator was instructed to adapt the Seymour ordinance to Munday in wording and present same to the Council at the next regular meeting for further consideration.

The City Administrator next presented the following:

1. R.E.A. billing on minimum to go up. The Council advised Administrator to cut off power at sewer plant (seldom used.)

2. Administrator reported on Touche & Ross (our rate consultant's) offer to settle with Lone Star Gas Company. Action not required at this time.

3. Council reviewed Appraisal District budget. No action needed.

4. Administrator reported tax sale on one delinquent tract of land in Munday. McCreary and Huey will file suit on approximately 30 more delinquent tax tracts (some with homes on them) in the next few months. This property probably will be sold for taxes in next 12 months if not paid by owner.

5. Administrator explained resolution recently mailed to Texas Municipal League. The resolution requested that T.M.L. recognize that energy related utilities costs are rising too fast and are becoming exorbitant and prohibitive to

home and business consumers and to industry; also that news media advertising be used to warn Texas citizens and industry that unless something is done to control these rates (electric and gas) they will become prohibitive in cost. (Rate consultant estimates that rates will double in the next five years.)

6. Administrator advised the worker's compensation payments are being increased by \$28.00 weekly; also rates are being increased. No action required.

7. The Administrator discussed site request for burial of low germination planting seed. Discussed. The Council recommended some site on private land. No pitting site is available at present dump. Other City land mentioned might pollute lake creek, they said. Action tabled.

The Council next examined the Munday Housing Authority's annual report for the fiscal year of 1982. After examination of the report and discussion Hardin moved the annual report be accepted; however, the in-lieu of taxes payment increase is tabled at this time and deduction is to remain at \$25.00 per month. Therwhanger seconded. All members voted for.

Next business was a request by Mayor James W. Reid for a lease site at the Munday Municipal Airport to build a hanger for his airplane. After discussion Therwhanger moved a lease drawn exactly as the one drawn for W. H. Stewart for a 50 ft. x 100 ft. site at the same price and conditions be prepared and executed. Site to be South and adjacent to the Stewart lease. Hardin seconded. All in favor. Carried.

Booe moved bills be approved for payment as follows: from airport fund, \$181.60; from ambulance fund, \$921.59; from swimming pool fund, \$26.63; from operating fund, \$14,792.13 Hardin seconded. All for.

Therwhanger moved for adjournment. Hardin seconded. All in favor.

## IN TOUCH

DON TRAVIS  
FIRST UNITED METHODIST CHURCH

### What Is Man?

Psalm 8 asks the question, "What is man?" and then begins to describe man as a

creature of God. The Creation certainly does point to a Creator, and difficult though it may be for the human mind to conceive such a vast Power with the capability to bring the universe into existence, it is even more unthinkable to the mind of reason to think of Creation as a great cosmic accident. A modern computer might calculate the odds on all of the parts of a fine watch falling back together in working order after having

been taken apart and tossed at random on a table... they might just all fall together on the first toss, then again they might not, even after a million tosses. The universe is much more complex in its order and "fitting together" than a watch.

As a creature, we have an inescapable relationship to the Creator, and whether we affirm or deny the relationship cannot negate nor make void the relationship, but our affirmation or denial merely (and profoundly) affects the quality of that relationship. It would seem to follow that we also have an inescapable relationship to our fellow creatures, especially mankind, and that our affirmation or denial of this relationship profoundly affects the quality of it. The practical question is: Can we apply the test (or criteria) of affirmation or denial in all of our acts and attitudes toward man and God, and thereby improve our relationships? He's got the whole world in His hands.

### Munday Girl Scout Report

by Kay Wilde

Munday now has three Girl Scout troops. Brownie troop 105 is led by Cheryl Berryhill and Kathy Morgan. There are eight girls in this troop.

Brownie troop 106 is made up of 10 girls and is led by Delores Wilde and Sandi Christensen. Gifford Wilde is the troop committee. These girls are working on a special troop button to become Eager Beavers.

Leader for junior troop 103 is Kay Wilde and assistant leaders are Janice Dutton and Dorothy Cooks. Troop committee is Judy Burnett. Members of this troop have received their patch for being a Super Troop.

To qualify for Super Troop standing, a troop must have had 12 girls and four adults registered by September 29. This is Munday's first Super Troop in many years.

Troop 106 members are Chris Burnett, Kristi Dutton, Rachael Fitzgerald, Carolyn and Lisa Montgomery, Julie Moon, Melissa Nuckols, Lisa Steedley, Christi and Janette Wilde, Kathy Wilde and Youlanda Wright.

These scouts wish to thank the mothers who made it possible for them to become a Super Troop. Without these willing adults they could not have received this honor.

Scouts are wonderful because they are our children, the future of our community and country. Thank you to all the adults that give of themselves so our youngsters can have the opportunity of scouting.

### Natural Gas Still Remains A Good Buy!

In comparison with other forms of energy, natural gas continues to be a good buy!

This, in essence, was brought out at Tuesday's meeting of the Munday Lions Club by F. Wayne Boling of Fort Worth, community services director of Lone Star Gas Co.

Mr. Boling covered the costs of natural gas supply from the price at the well-head, to state transmission costs as governed by the Texas Railroad Commission, to the costs at the city gate, then distribution costs within the city.

Lone Star Gas serves approximately 536 cities within the state, and the cost of gas at the city gate is constantly rising, as the speaker demonstrated by charts. "But we still think that natural gas is a good buy," he concluded.

Guests at Tuesday's meeting were Shirley Ameron, of the local company office, and Steve Morath, city manager of Lone Star Gas Co. in Iowa Park.

"The successful people are the ones who can think up things for the rest of the world to keep busy at." Don Marquis

### Juniors And Sophomores Choose Officers

Sophomore and junior class officers at Munday High School were elected at class meetings last week. Names of senior and freshmen officers have been printed in earlier issue of The Courier.

Leading the sophomore class this year is Kelli Smith. Other officers are Cindy Berryhill, vice-president; Janet Myers, secretary-treasurer; Carol Pennartz, reporter, and Pam Welch, student council representative.

The new slate of officers for the junior class includes Kent Josselet, president; Missie Stewart, vice-president; Jamie Vasquez, secretary-treasurer; Wilda Smith, reporter, and Jeannette Kuehler, student council representative.

### LOCAL

Mrs. Daisy Gaither returned home Saturday from a visit with her son, Leon Looney and family, in Garland. She also visited her brothers, E. R. Mayo of Copeville and J. C. Mayo of Dallas, and a niece, Mrs. Maurice Skidmore, of Dallas.

### GOING DOWN TO THE WIRE....

## Six-man Ball Is The Name; County Teams Gaining Fame!

As another week has brought football action closer to the final wind-up, Knox County's two six-man teams continue to rack up impressive victories over their opponents.

### MUSTANGS BREEZE BY PATTON SPRINGS

Benjamin's hometown favorites, the Mustangs, brought praise from their fans Friday night as they galloped by the visiting Patton Springs Rangers in an impressive 58-24 victory.

Quarterback Troy Oxford was responsible for 18 of the total points, and running back Alan Baty added another 18. James Propps and Chad Tolson each

caught a touchdown pass, giving the Mustangs a new season record of 5-1.

The Mustang defense played an outstanding game. Allen Heard intercepted a Ranger pass and returned it 15 yards to set up a Mustang touchdown. James Propps was credited for two recoveries, while Randy Engbrock and Luis Estrada had one each.

The Rangers also initiated some action, but failed to keep pace with the Mustangs. Halfback Bryan Keith scored all four touchdowns, one in the first, two in the second and his final counter in the third period.

### GOREE WILDCATS OUTLAST HIGGINS

The Goree Wildcats made the long trip to Higgins on Friday night, and outlasted their hosts in a close and exciting victory of 50 to 43.

Scoring touchdowns for the Wildcats were Dixon and Urbanczyk, with two each. Steward and Reagins teamed up for two more counters by the aerial route, as the Wildcats improved their record to 5-1.

Higgins was paced by Elly Burt, who scored four touchdowns in the District 4-A six-man struggle. Scotty Fritzen threw for two counters, one each to Justy Smelly and Phil Sepruzge.

### UT Alumni To Finance Scholarship

Outstanding high school seniors across the state will be interested in a \$10,000 scholarship to the University of Texas at Austin. The Texas Excellence Award for Scholarship and Leadership is funded by alumni through the Ex-Students' Association and is based solely on academic accomplishment and leadership in extracurricular activities. Presented for the first time last year, five more such awards will be presented in March 1983. Each award will be granted over a four-year period (\$2500 per year).

To be eligible, students must rank in the top 5% of their class at the end of their junior year in high school. Beyond scholastic achievement, students must demonstrate leadership ability. Approximately ten finalists will be selected in a process involving University deans, distinguished alumni, and other UT officials. Following on-campus interviews, five recipients will be chosen. Announcements will be made in the winners' hometowns by local Texas Exes Clubs, and awards will be presented on campus in the fall.

Eligible high school seniors may obtain applications from their school counselors or from the Ex-Students' Association (P.O. Box 7278, Austin, Tex. 78712). Applications must be post-marked no later than November 1.

## Completion Of Truscott's Three-mile Dam System Is Expected By Thanksgiving

Completion of the massive three-mile long salt-control earthen dam near Truscott is expected by Thanksgiving, according to estimates of Donald J. Sanders, U.S. Army Corps of Engineers resident engineer. The entire system should be operational in early 1984.

The \$54 million system to remove chlorides from the South Fork of the Wichita River is the first step toward elimination of salt from the Red River system, making Lake Texoma, Lake Kemp and downstream river water drinkable and better suited for irrigation and industrial use.

The site was visited Tuesday by distinguished guests when U.S. Rep. Jack Hightower showed the project to two members of the House Appropriations

subcommittee on energy and water development.

Sanders reported that the dam construction requires the contractor, Granite Construction Co., to dig a 55-foot-deep trench across a box canyon and backfill it with impermeable material. More such material was used to construct a core for the ear-

then dam, and soil cement was placed on the face.

The Knox County brine water lake is part of the area Corps of Engineers chloride control project for Red River, which identifies 10 areas of natural salt sources pouring more than 5,000 tons of salt into the Red River each day. The system is ex-

pected to prevent about 322 tons of salt pollution from entering the Wichita and Red Rivers.

A concrete weir with inflatable dam was built on the South Fork. In times of low flow, the water will have a high salt content, and the dam will inflate automatically to stop the flow. The salty

water will then be pumped into the Truscott brine lake.

When the river flow increases, the salt content will be diluted and automatic controls will deflate the dam, letting the water flow on to Lake Kemp, Lake Diversion, the Red River and Lake Texoma. However, salt still will reach Red River from eight other salt sources on the Wichita, Pease and Red rivers.

Another salt source was eliminated when the Corps stopped the flow of 400 tons per day of salt from a spring near Estelina with a circular dike in 1964. This was known to area people as "the old salt hole" which was a popular site for swimming.

Work remaining on the Area VIII Project, according to Sanders, includes installation of pumps and controls, which is under way, and modification of the weir at the low flow dam, upon which bids will be made soon.

About \$1.5 million will be spent rebuilding county roads and putting up fencing at the two sites.

Work began in 1977 with construction of the weir and inflatable dam on the Bateman Ranch east of Guthrie, and a pipeline of 24-inch and 30-inch diameter reinforced plastic pipe from the river to the brine lake site northwest of Truscott. The pipeline crosses some rough

breaks, and water will be elevated 250 feet to top a hill on its way to the brine lake.

Automatic controls will start the system and also monitor the pipeline for leaks.

Work on the brine lake dam began in April of 1979, and at the peak of activity at the dam, Granite Construction Co. employed about 700 men at the site.

Cost of different phases of the project were: \$535,000 for the low-flow dam pump stations, \$6,229 million for pipeline and rump stations, \$2,044 million for pumps and controls, \$23,080 million for country roads, utility relocations and fencing, and \$300,000 million for modi-

fication of the low flow dam.

Other projects for future development include the construction of a low flow dam on the Middle Fork of Wichita River and a pipeline to pump the salt water into the Truscott brine lake, another low flow dam on the North Fork of Wichita River to trap brine which would be pumped to a proposed brine lake between Quanah and Crowell.

A collection system is proposed on Pease River to trap brine to be pumped into the Crowell brine lake.

Other salt control projects are planned on Little Red River in Hall County, on Jonah Creek in Childress County, on Salt Creek, also in Childress County, and on the Elm Fork of Red River in Beckham County, Okla.

### Seymour To Hold Bridge Tournament

The Seymour Country Club Bridge Tournament, sponsored by the Women's Club, will be held November 6 at the Country Club.

Registration begins at 9:30 with coffee and donuts being

served. Play will begin at 10:00. The noon luncheon will feature a style show presented by Trio Fashions. A door prize and tournament winner gifts will be given.

Interested players need to

bring a partner and call before November 1 to make their reservations. Inquire when calling about tournament fee. Call Patty Bratcher 888-3565, Jeannie Hunt 888-3960, or Trio 888-5318 (after 5:00).

### B. Anderson Of Knox City Dies Friday

Bill Anderson, 60, of Knox City passed away at 3:55 p.m. Friday in the Haskell Memorial Hospital after a long period of illness.

A retired foreman for Amoco Production Co., Mr. Anderson was born on December 23, 1921, in Van Buren, Ark. He married Judy Martin on April 19, 1941, in Stamford, and the family moved to Knox City from Farmington, N. M., 28 years ago.

He worked for Amoco Production Co. for 36 years. He was an Army Air Corps veteran of World War II.

He was a member of the Masonic Lodge in Sundown and the American Legion in Brownfield. He was a member of the First Baptist Church.

Funeral services were held from the First Baptist Church in Knox City at 3 p.m. Sunday with the pastor, Rev. John Gillispie, and Rev. Cad Bingham of Oklahoma officiating. Burial was in Knox City Cemetery under direction of Smith Funeral Home. Serving as pallbearers were Donny Barbee, Charles Auburg, Marvin Jones, Tommy Waldrop, Bill Madysiak and Joe Menefee.

Named as honorary pallbearers were Dick Thomas, Kenneth Langford, Brett Jolly, Hugh Miller, Chester Abbot, R. C. Lankford, Terry Carter and Delbert Ashbrook.

Surviving him are his wife, Judy, of the home; his parents, Mr. and Mrs. S. D. Anderson of Abilene; two sons, David of the home and Mark of Lubbock; a daughter, Mary Beth Justice of Midland; three brothers, Keith Anderson of Midland, Kenneth Anderson of Brownfield, and Jim Anderson of Davenport, Iowa; four sisters Mrs. F. J. Urban of Carrizo Springs, Mrs. M. C. Mullin of San Angelo, Mrs. Alton Auderwald of Midland and Mrs. Bill Mullins of Lakewood, Colo.; and three grandchildren.

### Lunchroom Menu

October 25-29  
BREAKFAST

Monday - Doughnuts, orange slice, milk.

Tuesday - Biscuit, butter and jelly, orange juice, milk.

Wednesday - Cereal, orange juice, milk.

Thursday - Toast, jelly, juice, milk.

Friday - Sweet roll, juice (orange), milk.

#### LUNCH

Monday - Chili dogs, pinto beans, cabbage slaw, Special K cookies, milk.

Tuesday - Tacos with cheese (cheddar), blackeyed peas, salad, peanut butter cookies, milk.

Wednesday - Chicken, mashed potatoes, carrot sticks, hot rolls, fruit, milk.

Thursday - Spaghetti and meat, green beans, carrot sticks, peanut butter crackers, chocolate cake, milk.

Friday - Cheeseburgers, trimmings, French fries, peanut clusters, milk.

## Vera Happenings

By MRS. THELMA COULSTON

Visitors in the Olen Coffman home during the weekend were Mr. and Mrs. Robert Coffman and little Hardy of Wichita Falls, Mrs. Lottie Trainham of Maxwell, New Mexico, and her niece, Mozelle Tillery of Stratford, Jud Lane of Archer City and Mr. and Mrs. R. J. Trainham of Roy, New Mexico.

Mrs. Jerrell Trainham returned home Wednesday from a visit with her sister, Mr. and Mrs. Royce Young and Cindy in Plano. She also visited an aunt, Mrs. Anna Tyson, at the Care-Inn Nursing home in Sanger and Mrs. Tommie Sullivan and daughter, Glenda, in Denton. She was accompanied home by her mother, Mrs. Sabra Rice, who had spent a few days in the Young home in Plano.

Mr. and Mrs. Billy Kinnibrough entertained the forty-two club members with a dinner and games in their home last Wednesday evening. Attending were Mr. and Mrs. Claudell Bratcher, Mr. and Mrs. Clyde Beck, Mr. and Mrs. Carl Coulston, Mr. and Mrs. Jerrell Trainham, Mr. and Mrs. Gaylon Scott, Mr. and Mrs. Armon Smith, Mr. and Mrs. George McKinney and guests, Mr. and Mrs. Randal Kinnibrough.

Recent visitors in the home of Mr. and Mrs. Loran Patterson were their children, Richard (Dickie) Patterson and two boys of Plano and Mr. and Mrs. Bill Miller and girls of Perryton.

Sammi King of Abilene spent last Sunday thru Wednesday with her grandparents, Mr. and Mrs. George McKinney.

Travis Gore and Mr. and Mrs. Larry Dan Gore and family of Wichita Falls were

recent visitors with Mr. and Mrs. Dalton Gore.

Mr. and Mrs. R. J. Trainham of Roy, New Mex., and Mr. and Mrs. Floyd Hill of Stephenville were visitors in the Wayne Sutton home. They all attended the Trainham family reunion in Benjamin on Sunday.

Mrs. Mary Lou Gore spent Friday night with Mr. and Mrs. Douglas Gore in Rochester and attended the football game. Saturday, Doug and Marie accompanied her home for the weekend. Visiting with both families recently was a friend, Jim Roberson of Farmington, New Mex.

Mr. and Mrs. Claudell Bratcher attended the Lively-England-Maybelle-Shawver-Fancher reunion at the community center in Seymour on Sunday.

Mr. and Mrs. Carl Coulston were recent visitors with a son, Mr. and Mrs. Benny Coulston and family, in Ruidoso, New Mexico.

Mrs. Donna Gay Nelson, Jonna and Jim, and a friend, Sammy, of Seymour were recent visitors with Mrs. Maddie Hardin.

Stephanie Crooks of Seymour visited Sunday and Monday with her grandparents, Mr. and Mrs. Jerrell Trainham and Minka.

Mrs. Lometa Doss and Mrs. Mary Lou Gore were visitors in the Tom Hardin Home in Seymour last Sunday evening.

Attending the Trainham family reunion at the community center in Benjamin, Sunday were Mrs. Lona Feemster, Mr. and Mrs. Sam Shipman, Mr. and Mrs. Jerrell Trainham and family, Mr. and Mrs. Weston Parris and Mr. and Mrs. Olen Coffman.

## High Schools Celebrate Special Week

Salute the thousands of local high school students involved in extracurricular activities during National High School Activities Week, beginning October 17.

Former President Gerald Ford, chairman of this year's National Activities Week, is urging everyone to support and participate in local activities that draw attention to this cause because "inter-scholastic programs, from football to debate, are an integral part of school curricula."

"These activities offer experience in human relations as well as physical and emotional development. They are paramount to youths' total education, yet consume less than one percent of the school's total budget," Ford said.

Independent studies by the American College Testing Service (ACT) and Scholastic Aptitude Test (SAT) have revealed that participation in self-motivating school activities help youth become successful adults.

"A student's success in extracurricular activities is a better predictor of adult success than pre-college test scores or academic grades," said Dr. Bailey Marshall, director of the University Interscholastic League. "There also is evidence that students involved in extracurricular activities are less likely to be absent from class. The activities program is a tool to keep students in school and interested."

Initiated by the National Federation of State High School Association, of which the UIL is a member, the week's goal is to encourage student participation in and community support of extracurricular activities in all schools.

**BLOOMING FLOWERS** surround the home of Mr. and Mrs. John Lloyd (Sandy) Lambeth at 140 West Avenue L in Munday. The flower beds, shrubs and neatly kept lawn combine to make a pretty setting and were noticed by Munday Garden Club judges, who made this their Yard of the Week selection.

## RETURNS FROM CALIFORNIA

Tuck Whitworth has recently returned home after visiting two months in Newport Beach, Calif. with his son, Richard, and family. He visited George and Elbe Gaines in Yuba City, Calif. and the Dwayne Chandler family in El Cajon, Calif. Homeward bound, he spent two weeks visiting his daughter, Mrs. Glenn Selbo and family in Littleton, Colo. Last Saturday, Tuck attended the Whitworth family reunion in Boerne.

## VRJC Classes To Be Offered In Munday

Upcoming continuous education classes from Vernon Regional Junior College:

Intermediate Watercolors, October 23, 9 a.m. - 5 p.m. at Happiness is Homemade. Instructor will be Gloria Lee of Spur. Class is for those with knowledge of watercolor. Mrs. Lee has taught here before and indicated that students should complete two pictures.

Stencil art, October 26, 9 a.m. - 3 p.m., Happiness is Homemade. Mary Rike of Haskell will be the instructor. Students will learn the art of cutting out stencils (flowers, fruit, etc.) and applying it to different objects or fabrics. Compliments the country look.

Christmas Decorative

Painting, November 2 and 9, 1-5 p.m. or 6-10 p.m., Happiness is Homemade. Ernestine Michels is instructor. Decorative painting experience is necessary. Students will be drawing and painting Christmas figures (Santa, snowmen, wreaths, etc.) on wooden trees or stockings. Finished pieces can be mounted on stands or used as holiday wall plaques.

Holiday Floral Arranging, November 4 and 11, 1-4 p.m. or 6:30-9:30 p.m. at Plants, Etc. Instructor will be Pat Smith. Class will be shown and work with floral pieces for the holidays. Centerpieces, wall hangings and other designs will be shown.

Farm Spanish, November 15 until January 24, 6:30-9:30 p.m., Munday High School, with Martha Andrade as instructor. A course to assist farming and ranching families in communicating with Spanish-speaking people in everyday working

situations. Color Theory, November 16 to December 7, 1-4 p.m. at Happiness is Homemade. Faye Schnuriger of Haskell is instructor. Principals taught will include learning to see color, color wheel, mixing colors for tints and shades and values of light.

Beginning Oil Painting, November 16 to December 7, a practical application of oil painting techniques for the beginning student. Experience in oils is not necessary.

Pre-enrollment is necessary for all of the classes. For further information on fees and enrollment, please contact Paula Schur, 422-4631, Box 10, Munday.

Some experts say we remember things better if we learn them just before going to bed than if we learn them in the morning. Fewer events interfere with the memory, they say.

# Goree News Items

By MRS. GRACE SMITH

## HOSPITAL NOTES

Billy Moore, who has been a patient in the Bethania Hospital for several days, is reported to be very much improved.

Mrs. Harold Beaty was in Lubbock during the weekend for a medical check-up.

Mrs. Helen Roberts and son, Wally were in Lubbock on Monday for Mrs. Roberts to see a dermatologist.

Riley Bell is receiving medical treatment at the Hendricks Memorial Hospital in Abilene.

## CEMETERY ASSOCIATION MEETS

The Goree Cemetery Association met for their regular meeting last Thursday evening. Jack Beaty, president, was in charge of the meeting. Mrs. Allene Seale read the minutes of the previous meeting in the absence of the secretary, Mrs. Merle Moore. A motion was made and seconded that the minutes be approved as read. As there was no old or new business to be discussed, a period of fellowship was enjoyed by all present. Everyone interested in the upkeep of the cemetery are invited to attend these meetings.

## HERE AND THERE

Rev. and Mrs. Charles Culpepper and family of Ft. Worth visited in Goree during the weekend. Rev. Culpepper preached at the weekend revival which was held at the First Baptist Church.

Visiting Mr. and Mrs. Charles Grisham on Sunday were Mr. and Mrs. Lem Lamb, Milwaukee, Wisconsin; Mrs. Teresia Albus, Rhineland; Mrs. Gary Crawford and girls, Munday; and Mr. and Mrs. Gary Harlan and Mr. and Mrs. Kent Harlan and Holly of Goree.

Mr. and Mrs. Les Jameson were in Lubbock last Wednesday to visit their son-in-law, Keith Dickson, who had undergone heart surgery at the St. Mary's Hospital.

Mr. and Mrs. E. B. Hosea and Mrs. Linnie Coffman visited Mr. and Mrs. Brad Hosea and Amber in Wichita Falls last Thursday.

Mrs. Roxie Beasley of Eldorado, Okla., visited Mr. and Mrs. Elkin Warren on Saturday night.

Visiting Mrs. Tomie Polson and George Rawls several days last week was their niece, Mrs. Ruby Walker of Eldorado, Okla.

Mr. and Mrs. J. C. Watson visited their daughter and family, Mr. and Mrs. Gary Hale and daughters in Big Spring several days last week.

Mr. and Mrs. Bill Williams of Pasadena are visiting her sister and husband, Mr. and Mrs. Lloyd Bradley. They are also visiting other sisters, Mr. and Mrs. Roy Mayo and Mrs. Etta Mae Frazier, and her brother and wife, Mr. and Mrs. Everett Barger, and relatives at Munday.

Mr. and Mrs. Harold Beaty visited their daughter and family, Mr. and Mrs. Tommy Howry, Lori and Tommy II, in Levelland during the weekend.

Visiting Mr. and Mrs. Tony Hammons several days last week were her son and wife, Mr. and Mrs. Cecil Temple of Lawton, Okla.

Mr. and Mrs. Cordas Ray Lambeth of Wichita Falls visited Mr. and Mrs. Taylor Allen on Saturday. Mr. and Mrs. Roy Shake and family of Abilene were dinner guests in the Allen home on Sunday.

Visiting Mrs. Mayme Fitzgerald Sunday afternoon were her niece, Mrs. Gwen (Adkins) Galloway of Beuna Vista Park, Calif., and her daughter and family, Mr. and Mrs. Bill Freeman, Shanna and Jeff, of Arlington.

Mrs. Becky Trimuar of Dallas visited her grandfather, Mr. and Mrs. Eldon McSwain, on Sunday.

Visiting Mrs. Gladys Mooney on Sunday were Miss Betty Morton, Miami; Mr. and Mrs. Earl Alvis and Mrs. Lois Trimmer, Rochester; Mrs. Dolores Lambeth, Munday, and Mrs. Lila Faye Mobley.

Mr. and Mrs. Chester Smith and grandson, Johnny Earp IV of Weinert, attended a football game at Memphis last Friday night. The Smiths' grandson was a member of the Panhandle ball team that played Memphis.

Mr. and Mrs. Floyd Langlois and Mr. and Mrs. Reese Ford of Conroe visited Mrs. W. M. Taylor Friday morning.

Visiting Mr. and Mrs. L. O. Chamberlain during the weekend were her daughter and family, Mr. and Mrs. Ronald Coody and Debbie, of Farmers Branch. Miss Essie Moore of Seymour visited them on Sunday. They all visited Mrs. Roy Moore at the Munday Nursing Center. Also visiting Mrs. Moore were Mr. and Mrs. Jimmie Hawkins of Lubbock.

Mr. and Mrs. Fred Seale and children of Shallowater visited his parents, Mr. and Mrs. Fred Seale, during the weekend.

Visiting Mr. and Mrs. Wallace Roberts during the weekend were his son, Sam Roberts, and a friend from Hobbs, N. M. They also visited his grandparents, Mr. and Mrs. Cannon Roberts.

Mr. and Mrs. Don Lambeth and DeeDee of Mesquite spent the weekend with his mother, Mrs. Winnie Lambeth.

Mr. and Mrs. Arnold Land visited their son and family, Mr. and Mrs. Donny Land, Jason and Ashley, in Graham during the weekend.

Mrs. Geraldine Hardin of Wichita Falls visited her parents, Mr. and Mrs. Homer Lambeth, last Wednesday.

Mr. and Mrs. Grady Williams spent the weekend with his sister, Mrs. Walter

Rutherford, in Lubbock.

Visiting Mr. and Mrs. Floyd Nickerson were her daughter and husband, Mr. and Mrs. Melvin Matus of Graham.

Mr. and Mrs. Richard Hutchens, Wichita Falls; James Redwine, Lubbock, and Sherri Hutchens of Seymour visited Mr. and Mrs. Lewis Hutchens on Sunday.

Mr. and Mrs. Tony Hammons visited his sister, Mrs. Amy Edwards, in Seymour last Friday.

Mrs. Grace Hutchinson visited her sister, Mrs. Gladys Lambeth, last Wednesday night. Mrs. Hutchinson returned to her home in Bridge City on Thursday after spending several days with relatives here and at Munday.

Mrs. David Speck and children, Elisha and Kyle, visited her parents, Mr. and Mrs. Billy Huffman, last Saturday. Kyle remained for a longer visit with his grandparents.

Mr. and Mrs. Cordas Ray Lambeth visited his parents, Mr. and Mrs. Felton Lambeth, Saturday afternoon.

Mr. and Mrs. S. B. Jetton spent several days last week with their daughter and family, Mr. and Mrs. Burt Williams and children, in Spearman.

Mr. and Mrs. LeRoy Brooks visited Clyde Morton in the Seymour Hospital Sunday afternoon.

Mr. and Mrs. Kenneth Patterson and Kenny of Oklahoma City visited her mother, Mrs. Goldie Brown, a few days last week.

Mr. and Mrs. Ewen Beaty met their daughter and family, Mr. and Mrs. Gary Nemeck and Terry of Hawley, at Lake Stamford for a weekend visit.

Mrs. Goldie Brown visited her brother and wife, Mr. and Mrs. Ernest Ward, in Knox City on Sunday afternoon.

Mrs. Dess McMahon and Mrs. Tennie Tynes received word Saturday night of the death of Mrs. Caroline Allen of Ft. Worth, daughter-in-law of Mr. and Mrs. Dick Allen of Granbury. Funeral services were held at the All Saints Episcopal Church in Ft. Worth on Tuesday morning.

Mr. and Mrs. Loyd Robertson and Mr. and Mrs. W. C. Lain of Red Springs attended church services at the First Baptist Church here Sunday evening.

## Bible Study Group In Glorietta, N. M.

A group of Baptist ladies, accompanied by Keith Davis, left early Monday morning for Glorietta, N. M. to attend a Bible Study for several days. Groups from a wide area have assembled for this study.

The study sessions are being held each morning, and the group is then free for tours and sight-seeing during the afternoon.

Ladies attending from the First Baptist Church in Munday are: Christine Nelson, Aree Tidwell, Euris Reid, Verna Matthews and Louise Fruehwirth. They will return home Friday night.

## Social Security Continues Review Of Disability Claims

During the past year a great deal of media attention has been focused on the Social Security Administration's review of the cases of all disability beneficiaries. The review has also primarily targeted and terminated those who have received benefits for many years, while it was originally determined that their disability should not last more than one to two years. The reviews have pinpointed that in fact these individuals are no longer disabled. Of course, the reason for such a review may have been obscured in the

## New State Park Near Quitaque Is Dedicated

A crowd estimated at almost 2,000 persons greeted the formal opening of the Caprock Canyons State Park near Quitaque recently, as residents welcomed one of Texas' biggest attractions to the area.

Present and former public officials and other dignitaries were on hand for the opening, highlighted by an official dedication ceremony and barbecue luncheon. Park employees estimated some 700 persons were served during the meal and that by 3 p.m. approximately 1,800 people had passed through the front gate.

Caprock Canyons State Park is named for the scenic and rugged escarpment that separates the tablelands from the Southern High Plains from the breaks and Rolling Plains to the east. The 13,000-acre park is the second largest in the TP&WD system, extending for a distance of about eight miles. Featured attraction of the park is Lake Theo, which covers 120 acres at high level and provides swimming, boating and fishing activities.

Jim Melton, son of Mr. and Mrs. Homer T. Melton of Benjamin, is park superintendent.

dust raised by its critics. Yet the review is being done to insure that only those individuals who are truly disabled within the definition set by the Social Security Act remain on the rolls.

The Social Security Administration has a firm commitment to the nation's disabled. It provides a program of income and health maintenance that the average worker fails to provide for himself or his family. Additionally, once a person becomes disabled Social Security assists in helping that person return to a productive life in society.

Only individuals who have a medically determinable physical, emotional, or mental impairment that precludes them from engaging in substantial gainful activity, and that has lasted or can reasonably be expected to last twelve consecutive months may qualify for disability benefits. If an individual has sufficient coverage, he and his family may receive benefits with certain exceptions as long as the worker's disability lasts. Additionally, by qualifying for social security disability benefits, the worker may become entitled to assistance from medicare, supplemental security income, vocational rehabilitation, and other programs.

While Social Security benefits lay a framework for the family's income during the period of a worker's disability, the agency works closely with vocational

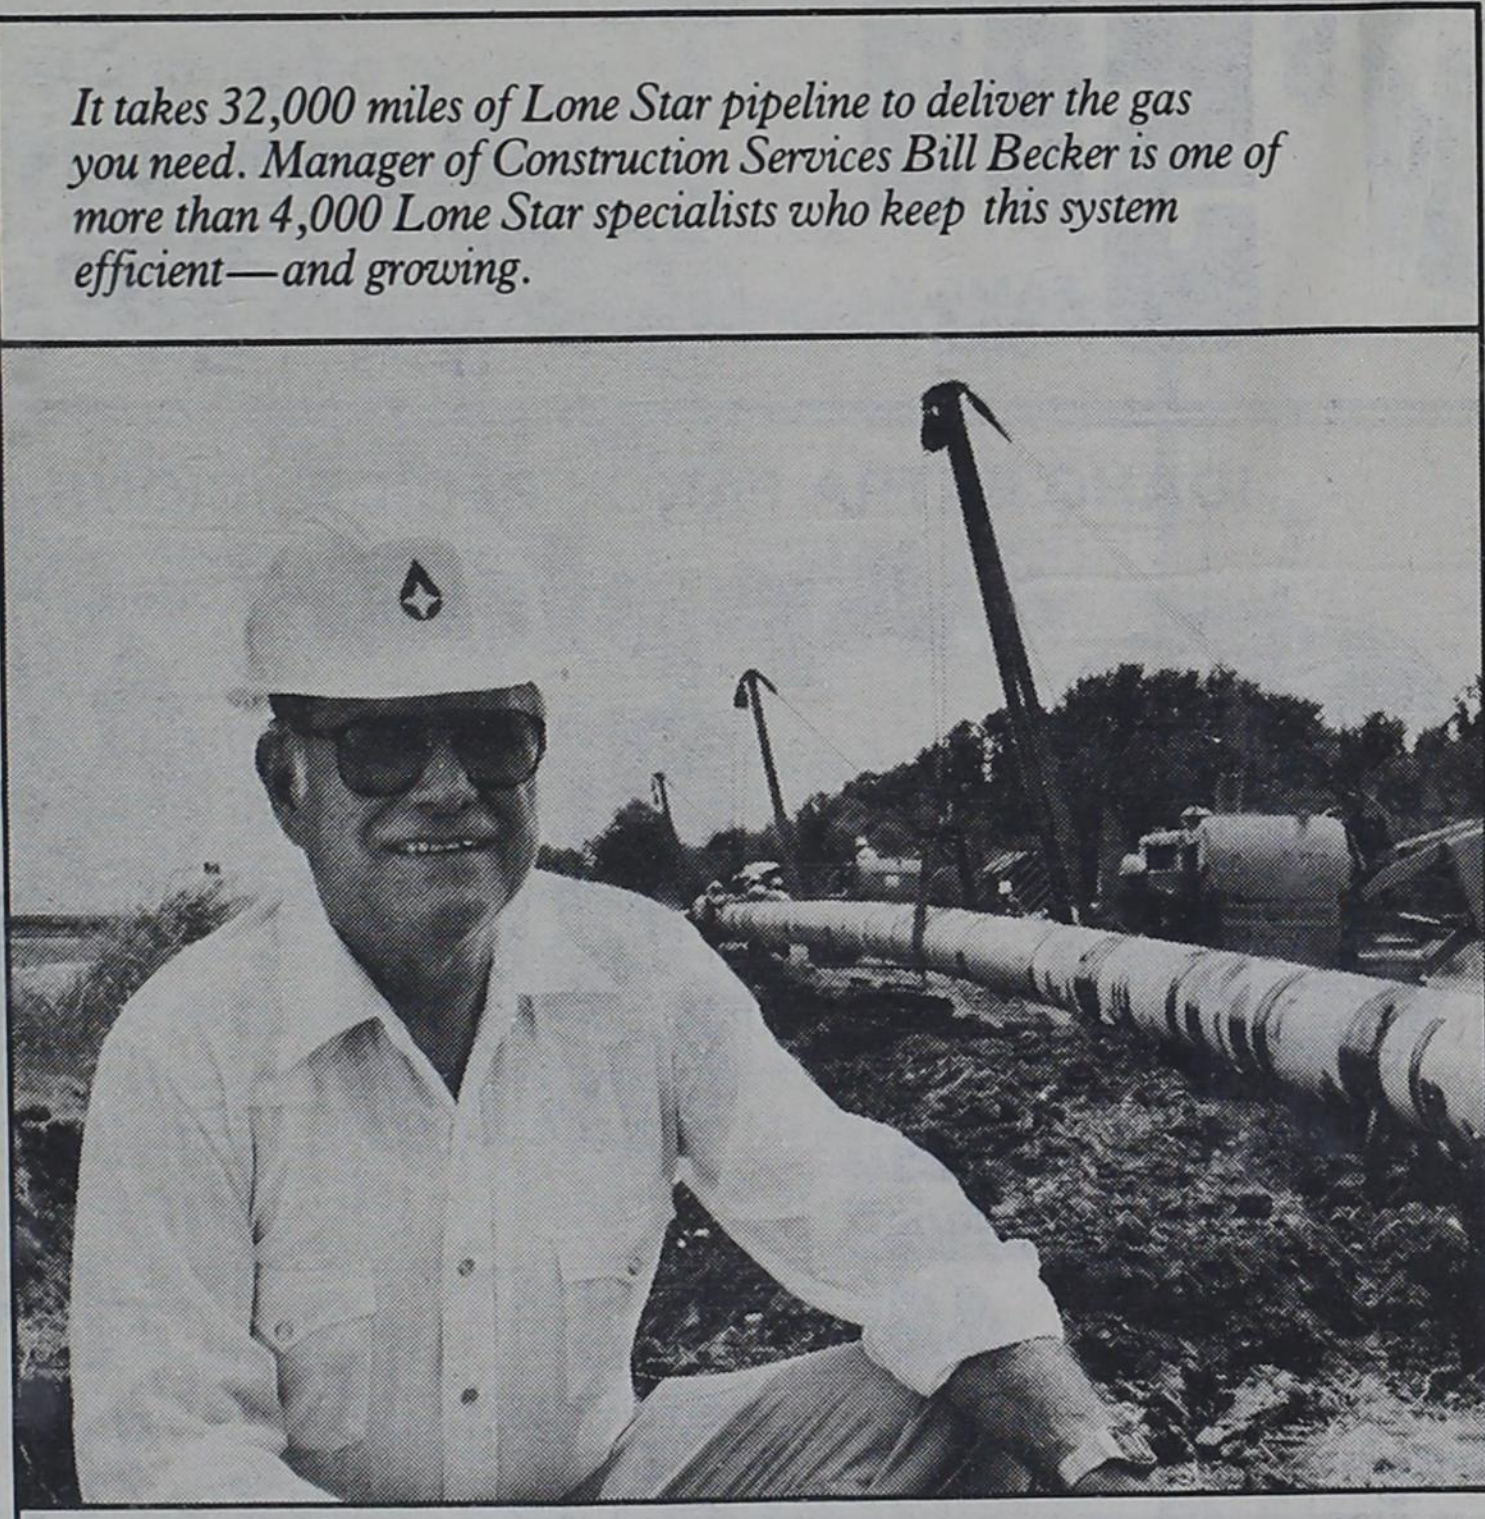

rehabilitation re-training individuals of offering an alternate means of returning to the workforce. The review instituted by Social Security not only identifies workers who no longer are medically disabled but assists them in reentering the workforce. Incentives in the form of a lengthened trial work period, where an individual returns to work and Social Security

disability benefits continue and extended medicare coverage, allow a transition period for those who attempt to reenter the workforce. The review of disabled beneficiaries results in savings not only to Social Security but to the individual tax payer by guaranteeing that only the truly disabled and not the "voluntarily" disabled receive benefits.

**Lone Star people help keep gas first in efficiency.**

Efficiency alone can't solve the problem of rising gas prices. We're buyers of gas, like you. And deliverers. Gas that cost us 18 cents in 1972 cost \$3.46 in mid-1982. And the cost can go up every month. However, we can control part of the gas bill you pay. We do it by getting gas from the wellhead to you as efficiently as possible. It's one of the biggest delivery jobs in the nation. It involves over 4,000 Lone Star people, 32,000 miles of pipeline and a huge investment in transmission, distribution and processing facilities. Yet all this accounts for only about 15% of your gas bill. The other 85% is the cost of gas itself. Efficiency alone can't solve the cost-of-gas problem. But it keeps the problem from compounding.

**Lone Star Gas Company**  
Gas. First in energy efficiency.

### Adventures Of Snack-Man

EPISODE II

In our last episode, we learned that the evil Malinite monsters have invaded the planet of Nu Trishon and discover the secret formulas of the Nutrinites. They destroy all the elements which have given the Nutrinites their super strength because they wish to weaken the Nutrinites so that they can take possession of their planet which is more beautiful than theirs.

Hoping to seek help, the Nutrinite called Snack-Man secretly launches himself toward the planet Earth. In the little town of Tenoma, Danny and Laura Smith have just arrived home from school. They are suddenly startled by the appearance of an ugly creature slithering around on something that looks like a trash-can lid. The creature is hissing louder and louder when he sees Danny and is just about to attack him at the door of his home.

Laura cries a warning to her brother.

"Look out, Dan!"  
Danny watched the hissing creature as if paralyzed. The monster reached across and grabbed Danny by the arm, twisting it downward.

"Let go, let go, you ugly thing!" screamed Laura beating her fists against the creature's head. Suddenly Danny was heaved to the ground. The creature roared a loud hiss. He had grabbed the carrot which Danny was holding and suddenly, seemed to have lost interest in fighting either Danny or Laura. He turned and slid away back into the bushes.

"What is that thing?"  
Danny finally got his voice back. He felt weak from the struggle.

"I don't know, but hurry up and close the door before it comes back," Laura yelled. She ran to the window.

"The bushes are still moving . . . that thing is looking for something." She watched her brother lock the door and heave a sigh of relief as he leaned against the locked door.

"We can't stay here. He may find another way to get in," Laura said.

"The secret club house!" yelled Danny. "Let's go!"

They ran to the back door, opened it and dashed out through the back yard and past their mother's flower patch.

"There's another one!"  
Danny was pointing over to the flowers. Two arms and two legs seemed to be growing upside down in the middle of the flowers.

"Help! Help me, please! Help me, Earthlings. I'm your friend!" said a muffled voice under the arms and

legs.  
"This one doesn't have any head - or does it?" Laura cautiously approached the legs and arms which were waving around frantically.  
"Please, I really am your friend. Help me," pleaded the voice.

"Come on, Dan, let's help this one. I think it's okay . . . but bring that pitchfork over here, just in case," said Laura.

Danny yanked on one arm and Laura yanked on the other. The creature felt very heavy and strong. Danny held on tight to the pitchfork while he yanked harder and harder. The creature finally stood upright.

"It's a man - uh, no . . . it's a robot - uh, . . . I don't know what it is," said Danny scratching his head.

"Thank you," the creature said, calmly dusting himself off.

"Who or what are you?" asked Laura, gaining some courage. The creature looked friendly, not like that other hideous thing.

"My name is Snack-Man. I am a Nutrinite from the planet Nu Trishon. My planet is green and great. My people are strong and healthy," he said.

"What on Earth are you doing here?" Laura asked.

"Malinites have taken the ingredients for the secret formulas from our snack stations. Without them we will be shriveled and weak. I have come to get a supply from Earth so we may regain our strength and produce new secret ingredients. Unfortunately, the Malinites discovered my mission and have followed me here," explained Snack-Man.

"So that's what that ugly thing is . . . a Malinite!" exclaimed Danny.

"Malinites destroy the secret ingredients. They want us to be weak, yet do not realize they could eat them and have super strength too."  
"Will he come after us again?" Laura asked.

"I'm afraid so. We can be ready if you help me prepare one of the secret formulas."  
"We will," Danny offered.

"Here is a secret formula. Prepare this and we will have nothing to fear from the grungy old Malinite." Laura took the paper he offered.

"Hurry before the Malinite returns. I will stand watch outside the house."  
"Come on," Danny said, catching her arm.

They ran to the house and made sure all the windows were locked this time.

"What do we need?"  
Danny asked, opening the refrigerator again.

"Danny, I can't read this!"  
"Let me see it."

He stared at the alien words, Klim, Sananab.

"How will we ever help Snack-Man now!" Laura

wailed. She was about to cry.

"Wait! I know!" said Danny. "It's a secret code. It's backwards. Milk and bananas. I'll get the milk."

"I'll get the bananas."

Laura peeled several bananas and put them on a plate. One broke as she peeled it, so she ate the broken part.

"This is like magic," she said. "I feel stronger already."

"Me too!" Danny said, taking a swig of the milk he poured for himself. "Let's get this to Snack-Man."

Laura opened the back door. "Oh no! We'd better hurry. Snack-Man's in trouble."

The hissing monster had found the back garden where Snack-Man was and began slowly sliding up behind him. He was between Snack-Man and the house where Danny and Laura were standing looking with horror.

"We must save Snack-Man!" Danny said.

To Be Continued

### Farm Bureau Members Enjoy Convention

Approximately 200 people enjoyed Knox County Farm Bureau's annual convention which was held Saturday night at Munday High School.

Curley Awalt catered the meal and the directors served it, with the assistance of Mrs. Bobbie Kegley, Wives of the directors furnished homemade icecream to top off the meal. Joe Yruegas of the school's maintenance staff assisted with the cleanup.

Following the meal Norm Anderson and his group, Country Gold, entertained the audience with several musical selections.

Charles Griffith of Benjamin was re-elected president of the board of directors at the business meeting. Other directors re-elected were Charles Blake of Goree and Larry Smith of Munday.

Special guests recognized at the meeting were Mr. and Mrs. Steve Cochran and Marvin Plemister. Cochran is the field representative for Texas Farm Bureau, and Plemister is a former state director.

Games of bingo were enjoyed after the business meeting, and several nice prizes were given to the winners. Prizes were furnished by the local Farm Bureau.

If an egg cracks while hard-cooking, immediately pour a generous amount of salt on the crack. It tends to seal the crack, containing the egg white within the shell.

Call in your locals to The Munday Courier.

## Benjamin News

By MRS. GLADENE GREEN

The Benjamin Mustangs will travel to Weinert on Friday night to take on the Bulldogs. Game time is 7:30 o'clock.

BINGO GAMES NOW  
PLAYED AT BENJAMIN

In the last election, Benjamin folks voted to legalize bingo games. After much planning and organizing, the games are underway at the Benjamin memorial building each second and fourth Thursday night of the month.

Chairpersons are Philomae Roberson and Juanita Burnett, and proceeds are going to benefit the Benjamin Volunteer Fire Department in the purchase of a newer model fire truck. Cash prizes are awarded, and a concession stand is open each night with cold drinks, coffee, sandwiches, etc., being served.

Volunteers are helping to make this a success, so come on over, eat supper with us, play bingo and help a good cause. Starting time is 7 p.m., and games are concluded around 9 or 9:30.

HERE AND THERE

Terry and Dee Ann Cartwright of Denver, Colo., visited his parents, Dub and Jo Cartwright, during the weekend.

Eddie Romo, who is attending school in Dallas, and Mary Barrientz of North Texas State Teachers College in Denton were weekend guests of their parents, Mr. and Mrs. Raul Barrientz.

Mr. and Mrs. Kermit Woolley and children of Spur visited their parents, Mr. and Mrs. K. E. Woolley and Mrs. S. L. Milson, during the weekend.

Van Green and Hes Hall

were in Amarillo last Friday for medical treatment at the High Plains Dermatology Clinic.

Mr. and Mrs. H. T. Melton and Mr. and Mrs. Bobby Roberson attended the State Judges and Commissioners Conference in Abilene the latter part of last week.

Julia Waldron, Byron and Michel, were in Olney last Monday night to meet her parents, Mr. and Mrs. Frank Massey of Palo Pinto Lake, for a dinner and visit.

### Pastor In Seminar

Rev. Jim Way, pastor of the First Baptist Church in Munday, left early this week for Falls creek, Okla., where he is attending a Masterlife Seminar held for Baptist pastors and laymen.

Bible study is scheduled for each day of the seminar, with classes from 12 to 16 hours each day. Upon completion of the seminar, the pastor will become a certified Masterlife teacher.

He is scheduled to return home Friday night.

Mrs. Frank Nance, her son, Frank Nance Jr. of Modesto, Calif., Winnie Hobert, Mrs. Francis Smith of Odessa, and Mrs. Jimmy Leach of Midland, spent the weekend at Mrs. Smith's cabin at Sweetwater Lake. Frank Jr., who has been here visiting his mother and others, returned to his home in California on Tuesday.

## PUBLIC NOTICES

"BECAUSE THE PEOPLE MUST KNOW"

**PUBLIC HEARING NOTICE**  
The City Council of the City of Munday will conduct a public hearing at 8 p.m., Tuesday, October 26, 1982, at Munday City Hall for the purpose of soliciting input for submission of an application to the U.S. Department of Housing and Urban Development for a Community Development Block Grant. All citizens are invited to attend.

The range of eligible activities include acquisition or disposition of real property, public facilities and improvements, rehabilitation and preservation, economic development, and planning/administration activities.

Maximum funding amounts are \$500,000 for Single Purpose (one activity) or \$800,000 for Comprehensive (several activities) unless the City is less than 1,666 in population in which case the maximum available funding will be equal to \$300 times the population.

Competition is statewide and funds are limited. Therefore, type of activities and the amount of funds requested will depend upon documented need and the criteria as established by HUD. 3-1tc

**CARD OF THANKS**  
My family and I want to express our thanks for the love and concern that was and still is being shown to us after my accident. Your many thoughts in prayer in my behalf, and for the doctors and nurses who worked with me, have certainly been answered. I appreciate your further demonstration of your love through the cards, phone calls, flowers, gifts and food brought to our home while I was away and in the weeks since I've been back at home. I even had a sweet clown deliver 12 beautiful get-well balloons while at Wichita.

My list could go on and on. It makes my heart swell with pride when asked: "Where do you live?" A little town called "Munday", a place where pure love is shown. And the reply: "Why, that's almost like being in heaven!"

Recent visitors in the home of Mrs. Vera Mae Carver were her aunt and cousin, Mrs. H. C. Lusk and Mrs. Frankie Stanford, of Merkel and another cousin, Mrs. Mary Lou Lacey, of Wurtsboro, New York.

### CARD OF THANKS

Dear Friends and Neighbors, Bro. Jim and Keith:

Thank you so very much for the prayers, phone calls, visits, and concern during the illness of our son, William Wade. William continues to improve at Children's Hospital in Fort Worth.

The staff of the Neonatal Intensive Care Unit are remarkable, caring professionals, but they also need your continued prayers as God gives them the skills and wisdom to help him recover.

Please continue to remember William daily until we can bring him home, and also the other babies in the Unit with him.

All our love,  
Karen, Bill, Kacy,  
Andrea and Kandis  
Sonny and Tommie

### Police Report

Police Chief Gerald Saffel  
October 11-17

The department issued one traffic citation and one warning. We also handled one report of a theft of a motor vehicle, which was reported as unauthorized use of a motor vehicle. The vehicle was returned, and no charges were filed. There also was two motor assists.

The department handled two family disturbances, which also involved one criminal trespass, but no charges have been filed by the victim.

The local police department assisted the county in one investigation of reported kidnapping, but the legal custody had not been established and kidnapping could not be legally filed.

In the animal control section, three more skunks were disposed of. This brings the total of skunks killed in the city limits to around 14.

\*\*\*\*\*  
Recent visitors in the home of Mrs. Vera Mae Carver were her aunt and cousin, Mrs. H. C. Lusk and Mrs. Frankie Stanford, of Merkel and another cousin, Mrs. Mary Lou Lacey, of Wurtsboro, New York.

## The Family of Lt. Gov. Bill Hobby says THANKS to the people of Texas

I want to thank you, the people of Texas, for the warm hospitality and friendship you have given my family and me as we have campaigned across the state.

The strength of Texas lies in our respect for one another and our families. Your kindness towards us has sealed that belief.

It is an honor to serve you as Lieutenant Governor. We thank you for this privilege and for your continued support and confidence.

Re-elect **Bill Hobby** ... A STRONG LT. GOVERNOR, HONESTLY.
