LETTERS FROM THE PEOPLE

BOYD MOORE WRITES OF CHINESE FOOD TO BE HAD IN INDIA

The following is a letter which Mrs. John Moore of Munday received from her son, Pvt. Boyd Moore, who is serving overseas:

Dear Mom:

One tangible result of the advent of the Americans to India, has been a revival on the local market of glass bottles. Bottles, which are difficult to manufacture, were one of the first war-time luxuries to go out when Britain and the Empire went to war in 1939. American beer bottles, with the inscription "not to be refilled" plainly imprinted on the glass, are now used as beverage bottles. They are sterilized, filled, new caps placed on the top, and serve the purpose for soda and soft drinks very nicely. When you order a soda pop drink here you are liable to have it served in an American beer bottle—and a "stubby" at that.

Mom, when we come home from India we shouldn't have any trouble getting what we want in a Chinese restaurant. There are many Chinese places here, and they serve the finest type of delicious Chinese dishes. One of these is Egg Foo Young, which is just about like a western omelette. The Chinese also have delicious apple pie, with a sort of cake crust, much thicker, probably because it contains more shortening than yours do Mom. The pie is served hot and is very tasty. Most of the apples are dried, and not quite as good as ours, but nevertheless the main thing is that we get what we always considered a typically American specialty—apple pie and ice cream, here in this land so many thousands of miles from home.

Two of the main staple foods in India are rice and fish. The rice, which is served many ways, can be more appetizing than I ever expected, because as you know I never was very fond of rice at home. One of the commonest ways of preparing rice is with a curry sauce. Curry is a very hot seasoning, used not only on rice, but on pork, beef, chicken and other meats. It is usually served in a little tray along with other seasoning, such as shredded

coconut, sweet and sour pickles, etc. Prawn is also popular. Prawn is like American shrimp, but considerably larger, it too is served in a number of ways, in cocktails, in stews, French fried, made into a fricassee or a salad.

The chicken served here seems to be of smaller structure than ours, but it is fried deliciously, and served with much seasoning. Turning back to the Chinese dishes, this is one place where we can order real Chinese Chop Suey, as well as American Chop Suey.

A specialty in this country are the sweets, and cakes which are served usually with tea, in the afternoon. These cakes are very finely made and carefully baked, with a little dab of frosting on top, and sprinkled with fine pieces of peppermint, or some other candy. As you know Mom, the Indian people have a good excuse for drinking lots of tea, for it is here that the finest tea in the world is grown. Darjeeling tea, which comes from a mountainous and beautiful northern district is a great delicacy, even in India.

Serving a meal in a restaurant here requires considerably more effort on the part of the management than at home. The meals are always served in courses, and if a cocktail is desired it is brought first. Ice being at a premium here, you must ask for it especially if you want it in your drink. The soup comes next, and unlike the cup-like bowl we are used to at home, it comes in a flat soup bowl. The soup is always very good, and if you pass it up, you are leaving out one of the best parts of the meal. When the main course is served it is likely it will include roast beef, for instance, with small baked potatoes. The potatoes here are small but taste about like our own.

The waiters (or bearers, as they are called here) are always very correct with the placement of the silver, and service from the left, etc. If the serving tray appears to be running low by the time it gets to you, there is no need to worry, as this is expected and the waiter always has to go back for a refill anyway it seems.

All in all Mom, the thing which strikes you about eating a meal in India, is the easy way people take the pleasant task of eating. Unlike some Americans who rush through their meals in a hurry, people here take their time and seem to enjoy their food more.

At any rate we are learning about a lot of new foods, and acquiring new tastes. It is significant however, that we haven't forgotten our own strictly American dishes. Mom, one of the most popular eating places in town, is the hamburger counter at our own P. X. Hamburgers and coke still taste good

Forty-Two Club Is Entertained In Baker Home

Mrs. C. P. Baker and Mrs. C. R. Elliott were joint hostesses to members and guests of the Forty-Two Club on Wednesday night when they met in the Baker home for their annual Thanksgiving dinner.

Soon after arriving, the guests found their place cards and were seated at tables, where a delicious dinner was served. Tables were then arranged for forty-two, and several games were enjoyed.

Present for this lovely occasion were Mr. and Mrs. W. R. Moore, Mr. and Mrs. Fred Broach Sr., John Ed Jones, Dr. and Mrs. A. A. Smith, Mr. and Mrs. S. E. McStay, Mrs. Effie Alexander, Mr. and Mrs. W. E. Braly, Mr. and Mrs. T. G. Bengel, Mr. and Mrs. Weidon Smith, Mr. and Mrs. Aaron Edgar, Mr. and Mrs. Arthur Mitchell, Mr. and Mrs. W. C. Cunningham, Mr. and Mrs. C. R. Elliott and Mr. and Mrs. C. F. Baker.

Munday Boy And Oklahoma Girl Wed In California

Bill Brown, H. A. 2/c in the U. S. Navy, and Miss Golda Clemmer of Granite, Okla., were united in marriage on Sunday, November 5, at Oceanside, Calif.

Bill, a former resident of Munday and a graduate of Munday high school, is well known in this community. He is now taking training with the amphibious forces of the U. S. Marines.

The bride is the attractive daughter of Mr. and Mrs. Dan Clemmer of Granite, Okla.

Imogene Morton, Elmo Loynd Jr., Marry October 28

Miss Imogene Morton, daughter of Mr. and Mrs. J. C. Morton of Goree, and Elmo Loynd Jr., U. S. Army medical corps, son of Mr. and Mrs. Elmo Loynd Sr., prominent residents of Laguna Beach, were united in marriage on October 28, 1944. The wedding was at 7:30 p. m. at the Gretna Greens Wedding Chapel in Los Vegas, Nev. Mrs. Loynd Sr. served as matron of honor, and Mr. Loynd Sr. as best man.

The bride was attired in a steel gray dress with black accessories, and wore a corsage of gardenia. The newly weds spent their honeymoon in Los Vegas.

The groom is a graduate of Laguna Beach high school and Santa Ana College. He has returned to his duties at Camp Ellis, Ill. His wife will remain in Laguna Beach for the present. She is employed at one of the Loynd drug stores.

Mrs. Loynd is a graduate of Goree high school, with the class of 1943. She has been a resident of Laguna Beach since July, 1943.

The newly weds were honored at a reception in the home of Mr. and Mrs. Jim Morton, and were recipients of many beautiful gifts. The evening was concluded with a buffet supper. Those in attendance were the bridal couple, Mr. and Mrs. Heidon Warren, Mr. and Mrs. Pat Morton, Miss Edna Morton, Calvin Morton, Mrs. Curly Haggard, Mrs. Fern Wilson, Mrs. H. N. Moore, Mrs. D. D. Zimmerman, Mr. and Mrs. Elmo Loynd Sr., and the host and hostess.

Hefner Clubs Name Officers At Recent Meeting

The 4-H Clubs of the Hefner community held a meeting on Monday, November 13, at the school building. Minutes of the preceding meeting were read and approved. New officers for the boys' and girls' clubs were elected. They are as follows:

Girls' Club: Anna Joyce Brogden, president; Eva McSwain, vice president; Emma Lois Norwood, secretary; Mrs. Akins, sponsor; Martha Marie Walton, poultry demonstrator; Eva McSwain, clothing demonstrator.

Boys' Club: Billie J. Norwood, president; Cordas Roy Lambeth, vice president; Douglas Wayne Lambeth, secretary.

Misses Jeanelle and Wanda Sue Partridge, students in Hardin-Simmons University in Abilene, spent the week end with their parents, Mr. and Mrs. E. C. Partridge.

Mrs. Nell Hardin is visiting with relatives at points in Oklahoma this week.

Mr. and Mrs. Awalt Crockett of Winters and Sgt. and Mrs. Nelson Crockett of Sweetwater visited in the home of Mr. and Mrs. J. J. Keel over the week end.

Senior News

Court seems to be the "highlight" of the Seniors this week. Those Seniors in Civics or government class got to go in order that they might learn more of those facts that will pop-up on the coming exam. Others went just because they wanted to see some strange people, especially cowboys. Not only the Seniors, but all of high school seems to be "courtin'" this week.

Senior Life

A little bundle of something shaped similar to a basket-ball was delivered to the Snailum home on July 18, 1928. Ever since that date, he has grown up with the few other seniors that were born about his time to be the sport king of B. H. S. Indeed there must be sporting blood in him. He is the star of B. H. S. basketball squad this year and he also plays a fair game of tennis and football.

He is short but well built. He has light wavy hair (by the way it seems to be turning a bit to the red side) and grey eyes. Charles Ray (Percy) Snailum is his name.

Some of his favorites are:
 Sport: All of them.
 Color: Purple.
 Teacher: None of them.
 Saying: Not to be published.
 Song: It Had To Be You.

Sophomore News

We are having test in Literature II everyday. We are studying harder to make our grades higher and we hope to succeed.

In Algebra II we are still on the hardest problems, but with Mr. Boyd as our teacher we think we can learn it very well.

American History is very interesting to us now, and we are getting along just fine.

Freshmen News

The girls have been playing volleyball for the past week and we like it since we are getting down to work. Mr. Boyd is coaching us and we are proud to have him. We are learning more than we ever did before and we are planning on having a good team this year.

Sports

Last Friday night, we went to meet the Goree Wildcats in their own gym. The first game with the juniors didn't turn out so well. The scores were 8 to 3 in the Wildcats favor. The second game was a lot better. The score of it was 39 to 14 in the Mustangs' favor. The Mustangs substitutes played the last quarter of the game. John Charles McFerrin, one of our substitutes

showed great promise at that game. Everyone that I have talked to certainly admired him. It is said that he will take one of the main string players' place in a few weeks. Everyone is wondering just whose place he will take.

The Benjamin Mustangs will play the Sunset Eagles this coming Friday night in our own gym. That is supposed to be one of the best games of the year. The game will start about 7:30 o'clock p. m. There will be three games played this time, the third will be the girls volleyball team. Everyone is cordially invited.

BIRTH ANNOUNCEMENT

A telegram to relatives announced the arrival of a son to Lieut. and Mrs. George Martin of Clinton, Iowa, who was born on Thursday, November 16. Mrs. Martin will be remembered here as the former Laverne Eiland, daughter of Mrs. Dave Eiland.

Mr. and Mrs. John Matthews of Big Spring visited in the home of Mr. and Mrs. J. F. Simpson last week end. Mr. Matthews is Mrs. Simpson's only brother.

AVERAGE COTTONSEED PRICES IN THIS AREA

Based on U. S. Standard Grades released by War Food Administration, Weekly Cotton Review, Nov. 10, average prices paid for cottonseed in this area, during the period covered, by crushing mills in lots of five tons, or more f.o.b. shipping point, were:

County	Low	High	Av. Pr.
Baylor	99.5	107.0	103.5
Haskell	101.0	112.5	106.0
Knox	102.0	110.5	107.0

These prices are developed from a free offer by mills to buy at \$60.00 per ton, basis grade of 100. The following ceiling prices are being quoted by the local mill for products when available:

Cake & meal, car lots, ton	\$52.00
By the sack	2.7
Truck lots	53.00
Cubed cottonseed cake	\$1.50 per ton higher.
Loose cottonseed hulls, any quantity	\$13.00.

 LYDIA E. PINKHAM'S VEGETABLE COMPOUND

Mr. and Mrs. Fred Barker of Levelland spent the week end here, visiting in the home of Mr. and Mrs. W. A. Strickland. Mr. Barker is Mrs. Strickland's brother.

Sheriff L. C. Floyd, County Supt. Merick McGaughy and H. B. Sams of Benjamin were business visitors here last Monday.

Sgt. and Mrs. E. C. Zeckser of Abilene visited with Mrs. Zeckser's parents, Mr. and Mrs. G. H. Beaty, the first of last week.

TOWN and FARM in WARTIME

Prepared by OFFICE OF WAR INFORMATION

Potato Growers Get Higher Prices

Producers of early white potatoes will receive ceiling prices assuring them of the same average return as a year ago and about 17 cents a hundredweight above the legal minimum price, it is announced by the Office of Price Administration. At the same time, however, consumers will find that the average cost of this early crop of potatoes will be the same as retail prices of last season. The action was needed to maintain production at a level sufficient to meet estimated demands.

New Ceiling Price Lists For Retailers

Supplemental, ceiling price lists that will include all the changes that have been made in the prices of dry groceries since issuance of the current quarterly community ceiling price lists will soon be forwarded to food retailers in most areas, the Office of Price Administration announces. Objectives of the additional lists is to make it easier for retailers and consumers to keep track of changes in ceiling prices. Under this plan it will only be necessary for grocers to post two lists for dry groceries—the quarterly list and this supplement—instead of the larger number of separate postings previously required. Thus it will be easier for housewives to find the price on an item.

Less Nitrogen For Farms

Continued high military requirements for nitrogen mean that less will be available during 1945 for use on American farms, according to a report of the Chemicals Bureau of the War Production Board to the Nitrogen Producers Industry Advisory Committee.

Light Naptha Under Rationing

Light Naptha, the petroleum product normally used for cooking and lighting, will be brought under rationing control, effective November 20, in 15 Midwestern states, the Office of Price Administration states. This is being done to prevent the illegal use of this product as a motor fuel—a practice that has become prevalent in the area. Legitimate users of light naptha can apply to their local rationing boards for issuance of "E" and "R" non-highway gasoline coupons for such rationed naptha as they may need in bulk. No coupons will be needed

to buy that which is already packaged in containers of less than eight ounces. Local boards can deny requests for light naptha for home dry cleaning. It is not well adapted to such use—if a suitable non-rationed substitute can be found at reasonable cost.

Vacuum Cleaner Price Basis Set

Makers of new household vacuum cleaners and attachments may agree to sell these products at prices that can be increased up to maximum prices that will be in effect when the cleaner is delivered. Thus buyers can place orders for the new cleaners and manufacturers agree to deliver them at the maximum price that will be set by OPA when production begins. However, the action specified that no seller may deliver or make an agreement to deliver new vacuum cleaners at prices to be adjusted upward in accordance with a maximum price to be set after delivery unless so authorized by OPA. But no such authorization will be given at retail.

More Low Cost Shoes Seen

An increased production of low cost shoes of rationed types for men, women and children is anticipated by the War Production Board through relaxation of quality and quota restrictions. It is expected that better values will thus be made available to the public. The amended order eliminates price line and quota restrictions on footwear under certain price levels. The order affects shoes selling about \$4 to men, \$3 to \$3.50 for women, and \$2.75 to \$3 for children.

Distillers' Alcohol Not Needed In January

Facilities of the nation's grain beverage distillers will not be needed during January for making industrial alcohol, states J. A. King, chairman of the War Production Board. The distillers, however, will return to industrial alcohol output in February 1945. The January release reflects the cut in requirements of alcohol for synthetic rubber during the fourth quarter of this year, due to the nearing of capacity rates by synthetic rubber plants producing butadiene from petroleum.

Army Releases Pacific Area Mail

Families of soldiers engaged in operations in the Philippines will soon be receiving batches of mail that have been delayed for security reasons during the period preceding the invasion of these islands. Some 400,000 letters and a large number of parcels were impounded. This mail originated with units now engaged in American army operations in the Philippines. Some of the letters date as far back as last July.

Mr. and Mrs. M. L. Barnard of Lubbock spent the week end with relatives and friends here and at Goree.

Mr. and Mrs. J. W. Roberts visited relatives and friends in Wichita Falls and Byers over the week end.

Mrs. Oscar Spann and Miss Ruth Baker attended a meeting of the Wesleyan Service Guild in Abilene last Friday night.

Mrs. Edward Lake of Dallas came in last Sunday for a week's visit with her parents, Mr. and Mrs. Sam Salem, and with her little daughter.

CEDRIC FOSTER

To tell the listening audience in the largest network in America of the advantage of Texas and industrial area, Cedric Foster, news commentator for the Mutual Network, will be in Texas November 13 to 19.

He is coming as one of a group of newspaper, magazine and radio men to report on the contributions of Texas to the war during Texas in the War Week, proclaimed by Governor Coke R. Stevenson.

His first Texas broadcast will be from Waco November 13, when the General Tire & Rubber company dedicates its new tire factory, the first one in the state.

Foster's broadcasts ordinarily originate at Station WNAC, Boston, home station for the Yankee network, which is affiliated with Mutual.

Marine Capt. Ralph Mayfield of Cameron has been awarded the Air Medal for "meritorious achievement while on cargo dropping missions in the Solomon Islands area." Risking his life to save the lives of men fighting on the ground, Captain Mayfield kept the men below supplied with ammunition during a particularly bitter battle against the Japs on New Georgia island.

In Italy, 1st Lt. Dan Cunningham, 22-year-old native of Corsicana, received the Air Medal for his many exploits aboard a Flying Fortress. And back in Texas, Mrs. Shirley Quillen of Taylor received the Distinguished Flying Cross during ceremonies at Bergstrom Field. The coveted decoration was won by her husband, Maj. Monroe B. Quillen, during heroic flights against the Nazis in Europe. Major Quillen was shot down and now is a prisoner-of-war in Germany.

To keep busy until he returns, Mrs. Quillen works in the office of the United War Chest of Texas, helping with the state-wide campaign for the National War Fund.

How would you like to discover a 14-foot snake beside you, while flying a plane many thousand feet in the air?

That happened to a Texan, Lt. Bob Wicker of Slaton... and the situation was further complicated by the presence of Jap planes, too. Wicker was flying over New Guinea when he discovered the big snake in his cockpit. It was a python.

Needless to say, the Texas flyer landed quickly and disposed of his uninvited passenger.

Some fellows seem to be destined for hard luck. Pfc. Reynold Hajek, son of Mr. and Mrs. A. J. Hajek of Abbott, Texas, has been wounded three times, the latest a shrapnel wound in the shoulders received while fighting the Germans in Italy. But it's not all bad luck, at that, for the latest news is that he is recovering and expects to be back in the scrap again soon. It takes a lot to stop a Texan!

Practically everyone around Gatesville knows Bob Cross, the former high school football star. After seeing Canada, Scotland, England and "practically all of France," the son of Judge and Mrs. R. B. Cross of Coryell county is now fighting his way into Germany... with the help of other Texans, of course.

Another Texan isn't inside Germany yet, but he has been plenty busy above Hitler's "superland." He is Lt. Van Chandler of Waxahachie. Recently Lieut. Chandler downed a much-touted Nazi jet plane, and helped another pilot chase a second "jettie" right back into its hangar!

And 'way out in the Pacific, two Pampa brothers were reunited last week. They were Seaman First Class C. H. "Chuck" Barrett and Seaman Second Class Floyd Lee Barrett. The two sons of Mr. and Mrs. J. B. Barrett met accidentally in a chow line on a tiny Pacific Isle. Neither had known that the other was in the area.

So Texas men still are getting around... and still walloping the enemy wherever he dares stick his head up! And at home their brothers, sisters, fathers and mothers are keeping the home-fires burning

and the home-front fight going. That's the Texas way... never to quit until the job is done!

Weekly Health LETTER

Issued by Dr. Geo. W. Cox
M. D., State Health Officer
of Texas

Austin—Rheumatic heart disease is now the first cause of death among children aged ten to fourteen, and is second only to tuberculosis at ages 15 to 25. Despite the importance of this disease its epidemiology is not completely established. No vaccine such as those that prevent typhoid, diphtheria, smallpox, and whooping cough has not yet been developed, for its prevention or control. We know, however, some of the danger signals and with the physician's accurate diagnosis some of the damaging results of the disease may be pre-

vented. Dr. Geo. W. Cox, State Health Officer, points out that in general the danger signals of rheumatic fever are pain and swelling in the joints of the knees, ankles, elbows, or wrists. The pain usually is felt in one of these centers and spreads to the others. Oftentimes a child will get irritable and cross without any visible signs of a good reason for this attitude; he may cry easily or develop habits of nervousness. A physician should be consulted at once in such a situation, for these symptoms may be the beginning of rheumatic fever.

Exposure to frequent chilling, damp or overcrowded living quarters, a poor diet, an attack of scarlet fever, a bad cold or other infection caused by certain streptococcus germs are likely to be predisposing factors in the appearance of rheumatic fever.

According to Dr. Cox the best safeguard against this disease are to have each child and adult examined at least once a year by a physician, to have the right kinds of food for an adequate diet, and

to have plenty of rest. When the right kinds of food for an adequate diet, and to have plenty of rest. When the disease is suspected of being present, a doctor should be consulted at once.

CARD OF THANKS

We wish to thank our many friends for their kind acts and expressions of sympathy during the death of our father, George W. Moore.

Mr. and Mrs. Austin Moore, and Dortha,
Mr. and Mrs. John W. Moore,
Mr. and Mrs. C. B. Johnson.

A NEW LAUREL FOR TEXAS' WAR RECORD

Texas-Made Tires

With well deserved pride, Texas greets leading representatives of the nation's Press, come to participate in "Texas-In-The-War" week and eager to tell all America of the tremendous contributions Texans and Texas industry have made to the war effort.

And, Texas can take particular pride that November 13th marks the dedication of the first tire ever to be built in Texas... at the huge new plant of The General Tire & Rubber Company at Waco.

Truly, Texas has gone all the way to meet America's immediate need for greatly increased production of military tires.

A year and a half ago, at Baytown, we began operation of the first synthetic rubber plant in Texas... established there to make full use of the priceless minerals found in such lavish abundance under the soil of Texas.

Since then, with the aid of willing Texas hands, we have produced

synthetic rubber in quantities beyond all estimates.

Now comes the final step. For today Texas has its own tire plant... from which Texas-made tires will speed to the fighting fronts... and where Texas will build the finished product from raw materials drawn from every corner of its own great Commonwealth.

We of General Tire are happy to reaffirm our faith in the productive capacity of Texas and to become an even closer partner in its industrial progress.

When Texas enters its tremendous peacetime future... this General Tire plant will be ready with Texas-made passenger car tires, truck tires and aircraft tires for all of the South and Southwest... thus assuring Texas that it will be the hub of supply for this area's expected expansion of transportation on rubber.

100% war production at Waco will hasten that day.

WHOM DO I CALL EDUCATED?

Whom, then, do I call educated? First, those who control circumstances instead of being mastered by them, those who meet all occasions manfully and act in accordance with intelligent thinking, those who are honorable in all dealings, who treat good naturedly persons and things that are disagreeable, and furthermore, those who hold their pleasures under control and are not overcome by misfortune, finally those who are not spoiled by success.

—Isocrates.

FOUR THINGS

Four things a man must learn to do if he would make his record true; To think without confusion clearly; To love his fellowmen sincerely; To act from honest motives purely; To trust in God and Heaven securely.—Henry van Dyke.

Society News

Again we have found that there must be an end to all good things, meaning of course the hayrides, skating parties and poster making parties, everyone seemed to have enjoyed last week-end.

Everyone seemed to have been awfully happy last Friday. Could it have been the score Thursday night? Well, yes. Thanks Moguls. We knew you could do it.

And we will be backing you for the next game next Friday night at Albany. So lets go.

We have lost three of our most honored members of Dear ole' M. H. S. this week, Mary Tom and Cecil (Ah Ha) and Fred Searey. We'll miss you like everything.

Fred Searey joined the U. S. Navy, so we wish you lots of luck Fred; we're sure you'll bring as much credit to our Uncle Sam's Navy, as you have to M. H. S.

The Seniors have been going around this week with such long faces. Could it be that Monday just isn't the day for an English test?

Sports News

Last Thursday night the Moguls won their first game over Rochester. Although this was a non-conference game, they have one more conference game this week to end the season. This game is with Albany, and if every player will get in there and fight we can win a victory over Albany Lions next Friday night.

The game with Rochester proved to be the best game played by the Moguls. Every man on the field was really in there fighting.

Senior News

The Seniors went a-courtin' last Thursday—and Mr. Cunningham went right along. It was during school hours, too, mind you. But here is how it was. The county court at Benjamin was in session and trying a most interesting case. So Mr. Cunningham just gathered up the Civics class—Seniors, you know—and they took off for court. It proved to be very interesting and most exciting to all.

Miss Silman gave her English IV students a three weeks test last Monday and to see their faces you would have declared that she was signing their death warrants. It sort of "herts" them to have to undertake such a nasty thing as a test.

Shorthand is progressing nicely. It seems as though each girl has made up her mind to pass at least one of her subjects. The brief forms are hard obstacles to overcome, but once they have been learned it seems natural to write shorthand in everything. Mildred even wakes up at night writing shorthand in the air.

The Seniors had planned a hayride for Friday night, and it all came up in about an hour. But it turned out that there was no hay and very few Seniors. The number that did turn up, however, gathered some Juniors to go along to complete the party, and reported a most enjoyable time. They went to the city park and ate more hot-dogs and drank more pop than one would think is possible to hold. Miss Silman went along as the chaperone.

Junior News

The Junior class regrets loosing three of their most outstanding members; Mary Tom Kirk, Cecil Rives, and Fred Searey. Mary Tom is moving to Slaton, Cecil is moving to Brady, and Fred is going to the Navy. The class will miss them very much.

A party for these members was given Monday night in the home of Janie Spann. After several games were played, the class learned a new game called "Juniors." Everyone seemed to enjoy playing it. Then the three honored guests were presented with gifts from the class. Delicious refreshments of ice cream and cake were served, with the Thanksgiving scene being carried out.

Everyone wants to thank Mrs. Spann and Mrs. Beck for the lovely time, and the class sends their best wishes to these members who are leaving.

Life of Mary Tom Kirk

On the pleasant morning of Jan. 7, 1929, in Littlefield, Texas, Mr. and Mrs. R. L. Kirk were blessed with a bundle of sweetness—and who could this bundle be but Mary Tom.

When this bundle was a little older, she moved to Abilene, Texas. There she stayed until her father and mother finished McMurry College. Then she moved to Blackwell, Texas. She stayed there two years. As Methodist preachers and their families move quite a lot, she then moved to Rochester. From Rochester she moved to Lubbock, then from Lubbock to Munday. Here they have stayed for four short years. That's how our class has had the honor of knowing her and associating with her.

Mary Tom is rather quiet and very studious. While most of the Juniors are complaining about studies and tests, one never hears a complaint from Mary Tom, and her average is unusually high.

Mary Tom has many more outstanding characteristics, but she is not the type who likes to listen to her good points so we will go on to some of her favorites which are:

Hobby: Playing piano.
Song: Always.
Teacher: All.
Saying: "Greenie's, what's cooking good looking?"
Color: Blue.
Actor: Gary Cooper.
Actress: Teresa Wright.

When Mary Tom graduates from high school, she plans to enter McMurry College. The Juniors want to wish you all the luck possible, Mary Tom;—our class will miss you very much and the other classes likewise.

Sophomore News

Even though the bruises were severe, we enjoyed the skating party Friday night. The floor seemed a little crowded, since the Freshmen also had a skating party. The refreshments, served hobo style, consisted of sandwiches, cookies and cold drinks. Man were they good!!! We had five room mothers present. They were: Mrs. Hannah, Mrs. Hallmarz, Mrs. Rattliff, Mrs. Foshee, and Mrs. Campsey.

Everybody went around shouting about our football victory last Thursday night. Nice going boys!! We hope you can do twice as well against Albany this week. This class is backing you and wishing you lots of luck.

The man with the camera arrived this week with the proofs, of our pictures. Everybody goes around saying "Oh, I look just horrible." The guy next to you comes back at you with "You look a lot better than I do." "And now you got the damndest argument you ever saw or heard. The kids in Munday Hi are either modest or else they are better looking than they really are. Which is it kids?"

Eighth Grade News

This week is Junior Red Cross week and everyone is expected to donate a few pennies and nickles. The largest sum given by one person was a dollar, contributed by Roy Bouldin.

We are reporting on some historical events and writers this week and some excellent grades are being made.

The school was entertained Friday morning by the colored child-

ren. They did several numbers including jitterbugging. Most of us seemed to enjoy it.

Maxine Henson is back with us after an absence of several weeks. We surely are proud of our reading room which Miss Baird has arranged for our use.

Fourth Grade News

We are supporting the Junior Red Cross. We already have twenty-one names; most everyone gave five or ten cents.

This morning we had a few absences: Sue Hallmark, Hilton Stubblefield, and Pauline Boon. This is about the first day that we have had any absentees.

In our health we have been studying about teeth, so Mrs. Blacklock brought some charts to school. We have to brush our teeth and hair, clean our fingernails and polish our shoes or we won't get to put a check by our names. We have some certificates that we are working for, too.

Mr. and Mrs. Levey Burton and daughter, Nancy, of Haskell and Mrs. Bernard Stodghill and children, Charles and Bernardine, of Wink visited in the home of Mr. and Mrs. U. S. Rogers and with other relatives here the latter part of last week.

Mr. and Mrs. Chas. Moorhouse of Benjamin spent last Saturday here, visiting with friends and attending to business matters.

Jack White of Dallas visited with relatives and friends here over the week end.

Mrs. E. L. Vaughn and Miss Cleo Vaughn of Abilene were visitors here last Monday.

Mrs. D. R. Sullivan and baby son of Vera were business visitors here last Monday.

Mrs. Arthur Smith Jr. and Mrs. A. V. Kenletz were visitors in Stamford last Sunday.

Auction Sale Has Busy Day

The Munday Livestock Commission Co. reports another big sale for last Tuesday. All classes of cattle sold steady with last week's market.

Canner and cutter cows sold from \$4 to \$6.75; butcher cows, \$7 to \$8.50; fat cows, \$8.75 to \$11; butcher bulls, \$6 to \$7.50; beef bulls, \$8 to \$8.75; butcher yearlings, \$8.50 to \$10.50; fat yearlings, \$10.75 to \$12.75; ranner calves, \$6 to \$7.25; butcher calves, \$7.50 to \$10.50; fat calves, \$11 to \$12.75.

A herd of 150 stocker calves sold by the head from \$29 to \$34.50.

J. C. Seaton Jr. Is On Marianas Islands

Mr. and Mrs. J. C. Seaton of the Sunset community have received word from their son, Pvt. J. C. Seaton Jr., who is with the Air Service Command, stating that he is somewhere on the Marianas Islands. He was formerly on the Hawaiian Islands.

Pvt. Seaton left for foreign service sometime during the last week of September. He was home on a 15-day furlough in August, just before leaving for a port of embarkation.

HOME FROM CALIFORNIA

Mrs. Carl Jungman and little daughter, Ida Jo, returned home the first of this week from California, where they have been for several months. They were with their husband and father for several months before he sailed for foreign service.

Rhineland News

Mrs. Peter Herring underwent an appendectomy in a Wichita Falls hospital last week. She is reported recovering nicely.

Pvt. Bernard Kuehler, who is stationed at Sheppard Field, spent Sunday with his parents, Mr. and Mrs. Anton Kuehler.

Miss Mary Wilde left last week for Hot Springs, Ark., where she will be employed.

Berniece Decker and Teresia Andrae of Abilene spent Sunday with relatives here.

Ethel Stengel of Fort Worth visited relatives here Sunday.

Tillie and Ellen Kuehler and Geneva Wilde spent Saturday in Wichita Falls.

J. C. Kuhler is seriously sick in a hospital in Wichita Falls.

Mr. and Mrs. Joe Koenig of Muenster visited with Mr. and Mrs. Leo Fetch this week.

Frank Laux of Lindsay, Texas visited with his son, Rev. Herman Laux last week end.

Supt. and Mrs. W. J. Hagerty arrived last Friday from Houston, where they spent the last several weeks.

The public and parochial schools will resume Monday, Nov. 20.

Radar E. Cude Is Graduate Of Rifle School

Camp Pendleton, Oceanside, Cal.—Marine Pvt. Radar E. Cude, JSMC, son of Mr. and Mrs. O. L. Cude of Munday, Texas, has been graduated from the Infantry and Browning Automatic Rifle Section School at Training Command here.

Graduates of this school have completed thorough training with the B. A. A., M-1 Garand and Carbine rifles, Hand Grenades, Anti-Tank Grenades and are exceptionally well versed in the use of the bayonet and knives for jungle warfare.

Marines graduating from this school will be assigned to Infantry Battalions and their training has prepared them for amphibious landings and establishing and securing beach heads.

Private Cude, born March 18, 1920 at Texas, was a truck driver before enlisting in the Marine Corps last July.

His wife, the former Valita Whittly, and children, Gary, aged 4, Thelbert, aged 2 and Linda May, aged 9 months, resides at 718 S. El Centro, California.

Mrs. Wylie Johnson and daughters, Misses Sibel and Betty John Beauchamp, and son, Don Johnson, spent the week end in Amarillo, visiting their son and brother, Col. Delbert K. Beauchamp, who underwent an operation for appendicitis at the Amarillo Army Air Field on Tuesday, Nov. 7. They found Delbert doing nicely. The Misses Beauchamp returned to Fort Worth, where they are employed.

Conwells Have Letter, Poem From Son In France

Mr. and Mrs. G. C. Conwell, who recently rented their farm out and bought the place known as the Ky Hunter home in Munday, recently received a letter and photos of their son, G. C. Jr., who is in the service.

Conwell is now stationed at Fort Myers, Fla., where he is serving as a gunner on B-25 and B-26 aircraft. He is in school at present and thinks he will get to come home for the Christmas holidays, or soon thereafter.

The poem which Conwell sent to his mother is as follows:

TO MY MOTHER
I know you are waiting, mother
For what I have to say,
It's that I love you, darling
And my letter is on the way.

I am many miles across the land,
Yes, I am far away,
But every night I kneel me down,
And this is what I pray:

God bless my darling mother
Protect her 'till the day
When I come marching home again
The winner of the fray.

RETURN TO MEXICO

Mrs. Howard W. Harrell and two little daughters returned to their home in Mexico City last Sunday after spending several weeks here with Mrs. Harrell's parents, Mr. and Mrs. W. R. Moore, and other relatives. Mr. and Mrs. Moore took them to Fort Worth, and they made the remainder of the trip by plane.

Miss Ruby Lee Yeager of Fort Worth is visiting relatives here this week.

Gold Star Girl—

(Continued from Page One)

tops. She crocheted a facinator, painted and embroidered two pictures for her room. She also made a chair and sewing box combined out of a nail keg. She shampooed and set hair for six girls each week end.

Jonnie did not forget that they had to eat this winter for she canned 363 cans of meat, fruit and vegetables this year. They are as follows: beans, beans and potatoes, potatoes, pumpkin, spinach, English peas, cucumbers, beets, black-eyed peas, okra, corn, pineapple, pineapple juice, purple plums, plum jelly, plum juice, yellow plums, watermelon rind preserves, and grape juice.

Jonnie arranged all the meats, vegetables and fruits in her ventilated pantry in the following order: Beginning at the bottom shelf, meats, corn, English peas, beans, spinach, beets, squash, black-eyed peas, cream peas, kraut, tomatoes, peaches, berries, plums, grapes, pears, pickles, relishes, jams, preserves, butters and jellies. She arranged these in this order so that the foods that are hardest to keep are nearest the bottom as it is cooler there and the things easiest to keep are nearer the top as it is warmer up there.

Jonnie set 48 eggs during late summer and only got a hatch from 10 eggs. These chicks and the hen she sold for \$2.00. She also earned \$2.00 washing windows.

She has enjoyed her work as a 4-H Club member and has learned many things during these three years in 4-H Club work.

Clinton Waddell of Putnam visited in the home of Mr. and Mrs. W. A. Strickland over the week end.

SALE
