

## Kracker Krumb's

Odds Bits Salvaged at Rando's

That Glen Amerson is our boy! We liked the fighting spirit of our Moguls last Friday night. The boys never wavered in courage and fight. We think they exhibited more spirit than the top-side score indicated.

We didn't like so many fumbles, but we didn't blame the boys too much for them. The players didn't like the fumbles, either, and our guess is that they will improve in this department.

But Amerson, a high school freshman and naturally inexperienced in high school football, gave the crowd in the north stands their money's worth on one play of his.

He received a Seymour kickoff and headed toward his own goal. It looked like he was bottled up several times, but he'd come out of the crowd, still running.

Directly he broke out into the open, took one fleeting glance behind him, then romped on over the goal line like a veteran.

To us that almost seems impossible—how one man can evade eleven opposing players and return a kickoff for a touchdown. But it's done in a number of games.

Of course, there were ten other Moguls who were trying to do their chore for the team and help Amerson on his touchdown jaunt. So our admiration goes to Amerson and all other members of the Mogul team.

We are reminded of our freshman football experience—only ours was a different story.

We'd never seen a football game, just went right out of a country school and off the farm into high school.

But because we had quite a bit of beef on our frame, the coach thought we'd be a likely Wellington Skyrocket. He enticed us to go out for scrimmage one Friday afternoon.

Then, as now, football teams wear always short of equipment. Our uniform turned out to be last season's baseball uniform.

Early in the scrimmage, we locked horns with a big guard and ended up on the ground in an added state.

We received a pretty severely peeled left ear, and when we got home that night to spend the week end we also received an ultimatum from our parents that closed out our football career for three full years.

Consequently, we never made a starring gallop like that boy Amerson did Friday night.

Noticed in one of Munday's papers where Judge James McMorries of Marth County, who lived in Munday at one time, has challenged County Judge R. H. Weaver of Howard County to a cotton picking contest.

The event will be staged in an irrigated field near Stanton on October 5 at 3:30 p. m.—the hottest part of the afternoon.

It's all for the sake of the Stanton Girl Scouts, but the reason we're making a note of it is to let all the boys and girls know we're not interested in any such contest.

If another editor takes such a notion, just include us out. We are not interested in any such challenge.

Oh, my aching back!

### GOREE 1952 CHAMPS

We were informed by telephone since last week's issue that we were in error in stating Paint Creek won last year's championship in 11-man football. "Goree was the champion last year," our informant stated, "and if you don't believe it, we have the trophy to prove it!"

Drive carefully. The life you save may be your own!

## Miss Drieschner Named As Knox New H. D. Agent

Miss Anna Lee Drieschner will assume her duties as county home demonstration agent of Knox County on October 1, according to Miss Fern Fern Hodge of Vernon, district agent.

Miss Drieschner holds a B. S. degree in home economics from North Texas State College, Denton. She is a native of Wilbarger County and is a graduate of Chillicothe high school. Having been reared on a farm, she knows farm people and their problems. She was a 4-H club member in Wilbarger County for six years, and did outstanding work.

Miss Drieschner is looking forward to the assumption of her duties. She will reorganize all the 4-H girls club and will begin the phases of work with home demonstration clubs as left by the former agent, Mrs. Georgia Fae Perkins, who resigned August 31 to join her husband, who is farming in Young County. Mrs. Perkins is employed as a teacher in the Eliasville school.

## Funeral Is Held At Truscott For Mrs. W. H. Stoker

Funeral services were held at Truscott on Tuesday afternoon for Mrs. Edna Gertrude Stoker, who passed away at the Knox County Hospital at 11:30 a. m. Monday after being ill only one day.

Mrs. Stoker, who had resided at Truscott since 1931, was born at Eastport on December 25, 1879, and was 73 years, eight months and 26 days of age. She was married to W. H. Stoker on July 1, 1899. Besides her church affiliation, she was also a member of the Eastern Star and Rebecca Lodges.

Surviving her are her husband; four children, O. B. Stoker and Mrs. Marion Chowning, both of Truscott; E. C. Stoker of Kansas City, Kans., and Mrs. Doris Spivey of Abilene; three brothers, W. A. Branton of Rising Star, E. F. and G. A. Branton, both of Knox City; a sister, Mrs. Leone Thomasson of Knox City, and two step-children.

Funeral services were held at 3 p. m. Thursday from the First Christian Church of Truscott, with Rev. Harvey Hulse and Rev. Allen Forbes officiating. Burial was in Truscott cemetery under the direction of Mahan Funeral Home.

Palbearers were B. L. Bates, Lester Hickman, J. B. Eubank, Jr., S. O. Turner, C. C. Browning, Van Browning, John Black and L. A. Haynie.

## Pfc. Elwood F. Ford, Home From Korea Killed In Auto Accident On Wednesday

Funeral arrangements were incomplete Thursday morning for Pfc. Elwood Fisher Ford, 39, who was killed in an auto accident near Anson on Wednesday morning.

Pfc. Ford, son of Mr. and Mrs. J. L. (Buster) Ford of Munday, was pronounced dead at Anson General Hospital at 9:45 a. m. Wednesday after the car he was driving failed to make a curve and overturned on U. S. Highway 277 north of Anson. He was traveling alone north toward Stamford at the time of the crash, which completely demolished the car, according to investigating officers.

The body was brought to Munday by Mahan-McCauley Funeral Home for burial. It was stated funeral services would likely be Friday afternoon.

Pfc. Ford was a veteran of World War II, serving in the Field Artillery. He received his honorable discharge on August 29, 1945, later re-enlisting for three years. He recently returned from duty in Korea and was home on 28-day leave. He will be reported to Fort Sill, Oklahoma on Thursday for assignment orders. Ford was born February 9,

## Farm Bureau Week Proclaimed

Gov. Allan Shivers, above, signs a document proclaiming the week, Oct. 5-10, official "Texas Farm Bureau Membership Week." Some 180 organized county Farm Bureaus will observe the "Week" by staging the biggest state-wide membership drive in the history of the state farm organization. More than 10,000 volunteer workers will be

## Dedication Of Lake Stamford On September 30 To Draw Large Crowd

Dedication of Lake Stamford and open house of the West Texas Utilities Company's power plant, which is set for Wednesday, September 30, is expected to draw 5,000 or more people it was stated this week.

Those planning the affair state that everyone is invited. Formal invitations are being sent to neighboring towns and interested people in many localities, but the invitation is open to all who want to attend.

The City of Stamford, owner of Lake Stamford, is being joined in the invitation by the West Texas Utilities Company, users of the water.

Hospitality will include a free barbecue at noon, prepared and served by Walter Jetton of Fort Worth, known as the barbecue king. Hardin-Simmons Cowboy Band will play during the day, and it is anticipated that several high school bands will also take part.

The dedication service has been set for 1:30 p. m., and A. C. Humphrey of Stamford will serve as master of ceremonies.

Boat companies have been invited to bring in boats for tours of the lake as a part of the day's activities.

The celebration will be on the air strip near the generating power plant of West Texas Utilities Company, and plant tours will be held throughout the day. Maps showing the area roads and sign markers will make it easy for people to get to the new lake, it was stated.

## Pfc. Elwood F. Ford, Home From Korea Killed In Auto Accident On Wednesday

1914, and was 39 years, six months and 14 days of age.

Mrs. Jim Reeves and Mrs. Willard Reeves took Willard to Dallas last Monday where he caught a Navy plane for Portsmouth, Va., to report for overseas duty in Cuba. Then Mrs. Reeves visited in Dallas and Fort Worth several days before returning home.

## Benjamin Drops Six-Man Battle To Oklaunion

Shifty Bill Beebe led the Oklaunion Cardinals to a 31 to 19 victory over the Benjamin Mustangs last Friday night in a six-man conference battle at Benjamin.

The Cardinals jumped to an early 13-point lead and were never headed, although the Mustangs pulled within one touchdown in the third quarter. Charles Noack and Lishel Beebe scored once each for the Cardinals. Leading scorer for the Mustangs was Glenn Hale with 12 points, and Glenn Hall accounted for the other touchdown.

## Rally And Promotion Day Is Slated At Methodist Church

The annual observance of Rally and Promotion Day is to be conducted in the First Methodist Church in Munday next Sunday, Sept. 27. Rally Day is observed throughout Methodism as a special day to consider the importance of Christian Education. A record attendance is expected at the Sunday School and morning worship service.

Sunday evening at 7:30 there will be a special service recognizing the work of the Sunday School during the past twelve months. The Vesper Choir, made up of Junior and Intermediate boys and girls, will present special music. The choir is directed by Mrs. J. H. Birdwell with the assistance of Mrs. Levi Bowden and Mrs. Weldon Smith. The administrative officers and the teachers in the Sunday School will be installed in their offices for the new year.

A film, "A Boy and His Prayer" will be shown following a brief message by the pastor. The film is the story of how the prayer of a boy saves his father from a great sin.

## Civil Defense Work Shop To Be Held In Haskell

Sponsored by the Parent-Teacher Association, a civil defense work shop will be held in Haskell on Saturday, September 26 at 9 a. m. at the North Side Elementary School. Mrs. Mattie Treadwell, Regional Co-ordinator of women in Civil Defense, will conduct the class. The purpose of this work shop is to instruct in matters pertaining to atomic attacks, epidemics and other disasters.

Mrs. H. E. Sharp, Chairman of the Local P.T.A. Committee on Defense, will attend, and she urges that all other members interested in civil defense will take advantage of this work shop.

Mrs. Travis Lee was a visitor in Wichita Falls last Tuesday.

## Weather Report

For seven days ending September 23, 1953, as compiled by H. P. Hill, U. S. Weather Observer.

## Annual Sears Gilt Show To Be Here Saturday

The Knox County Sears Gilt Show will be held Saturday, September 26, at 10:00 A. M. in Munday.

Eight Knox County 4-H Club boys will exhibit their registered Duroc gilts and compete for \$30 prize money furnished by the Sears Foundation.

The 4-Hers received these gilts as prizes in the Sears Essay Contest. They will care for these gilts and will return one gilt pig to the program when the gilt farrows. It will in turn, be given to another boy next year.

Each year a new boar of outstanding breeding is bought so that the quality of the hogs may be improved.

The gilt that wins the County Show will be taken to Wichita Falls to compete in the Area Gilt Show.

Boys who will show their gilts in the county show Saturday are: James Edrington, Munday; Rex Browning, Munday; J. B. Rutherford, Truscott; Bobby Pendleton, Gilliland; Charles Jennings, Benjamin; William McGaughey, Vera; George Davis, Knox City; Calbert D. Haskins, Goree.

## Knox County Hospital Notes

Patients in the Hospital September 21st:

Mr. Hilton Hyde, Munday; Mrs. J. A. Hudspeth, Rochester; Mrs. E. R. Whitten, Knox City; Mrs. E. S. Allen, Vera; Mr. Doek Montandon, Munday; Mrs. L. B. Potterson, Munday; Mrs. Bessie Hobbs, Vera; Henry D. Kenard, Munday; Irene Diaz, Munday; Mr. Willie Naylor, Munday; Mrs. Trinidad Salinas and baby, Munday; Baby McGuire, Rochester; Baby Sammy Walling, Munday; Miss Pearl Emerson, O'Brien; Mrs. Leone Thomasson, Knox City; Baby Thompson, Goree.

Patients dismissed since Monday, Sept. 14th:

Mr. Carl Cochran, Knox City; Mr. Herbert Sams, Benjamin; Mr. A. L. Fairchild, Knox City; Gene Montandon, Munday; Mrs. E. M. Hughes, Vera; Mrs. Clelan Russell, Vera; Mrs. J. S. Hodges, Knox City; Linda Browning, Munday; Mrs. Curtis Coates, Knox City; Mrs. R. A. Thompson, Goree; Mrs. R. H. Gray, and baby, Munday; Mr. Riley Bell, Munday; Mr. B. M. Slaughter, Paduach; Mrs. Charles Reeves, and baby, Knox City; Mr. John Gibson, Rule; Mrs. A. J. Waters, Rochester; Elvester Watkins, Munday; Mrs. C. M. Wann and baby, Knox City; Mrs. A. W. Disman, Crowell; Mrs. T. L. Stockton and baby, Munday; Mrs. T. R. Hester and baby, O'Brien; Mrs. J. R. Carter, Knox City; Mr. Ralph Houston, Knox City.

Births:

Mr. and Mrs. R. A. Thompson, Goree, a daughter.  
Mr. and Mrs. R. H. Gray, Munday, a daughter.

Deaths:

Mrs. Edna Stoker, Truscott.  
Baby Silva Barron, Knox City.

## Receives Discharge From U. S. Marines

Elmer Wayne Melton, son of Mr. and Mrs. E. H. Melton of Goree, recently received his discharge from the U. S. Marines. He was sent to South Carolina, but didn't receive his discharge until a few days ago.

He received his training at Camp Pendleton, Calif., before going overseas. He served only a few months on the front lines before being wounded. He was sent to a hospital in Japan. During his three years of service, most of his time was spent at the U. S. Naval Hospital in Corpus Christi.

He plans to live in Corpus Christi, where he is employed at a service station.

## Local People Learn Of Death Of Relative In "Death March" In Korea

SGT. HOYLE RIDDLE

## Munday Moguls, Rochester Play Here On Friday

Another non-conference tilt is in store for the Munday Moguls next Friday night when they play the Rochester Steers on the local field.

Rochester always comes up with a team that gives good battle when they meet the Moguls, and the game is expected to be one full of fight.

Last Friday night the Steers combined running and passing attacks to whip the Loraine Bulldogs, 28 to 6, while Seymour was downing the Moguls.

Another large and enthusiastic crowd is expected to see the two rival teams do battle Friday night.

## Officers Named For Goree F.H.A. Chapter

The Goree F. H. A. chapter met Monday, September 21, for election of officers, to decide the time of meetings and to discuss plans to attend the Dallas Fair.

Mrs. Hadley, homemaking teacher, was in charge. The following officers were elected:

Patsy Cunningham, president; Dolores Mobley, vice president; Linda Joyce Lambeth, secretary; Jerry Brooks, treasurer; Jackie Latham, reporter; Mary Katherine Coffman, historian; Ruth Ann Beatty, parliamentarian; Jerry Patterson, song leader; Nancy Lawson, sergeant at arms; Connie Haskins, pianist.

The meetings will be on the fourth Friday of each month. Further plans will be made for the fair trip.

The girls are interested in their organization and will participate in all F. H. A. activities.

## Oil Activities

New wildcat activity was featured recently with the staking by Sid Katz Exploration et al of Abilene of the No. 1 Mamie McFadden Wart et al. The 6900 foot wildcat is located five miles south of Truscott.

British-American Oil Producing Company, Midland, has abandoned at 6348 feet the No. C-1 R. C. Hamilton wildcat in Knox County. The failure is three miles east of the Buzzard Peak Field.

## Range Wage Survey Being Conducted Toward Securing Mexican Farm Help

G. B. Purcell, Local Office Manager for the Texas Employment Commission, said here today that Knox County cotton farmers will soon receive letters requesting them to supply information and wage data for a "range of wage survey" being conducted by the Texas Employment Commission and the local Crop Wage Committee.

The letter, he said, will explain the wage survey plan in detail, and will include a questionnaire which will request information on the general characteristics of the farm, such as size, cotton acreage, anticipated cotton yield, whether the farm is irrigated, or non-irrigated, and similar data necessary for analysis of the sample to assure that it is representative in every respect.

Mrs. Don Wardlaw received word last week that her nephew, Sgt. Hoyle Riddle, had died of pneumonia in January, 1951, while on the death march as a prisoner of war in Korea.

Mrs. Oia Riddle, wife of Sgt. Riddle, who called Mrs. Wardlaw from her home in Richmond, Calif., said she met the U. S. S. Marine Phoenix when it docked in San Francisco to learn news of her husband from his buddies who returned home on the ship.

They told her they were captured November 30, 1950, and that Sgt. Riddle developed pneumonia while on the death march. He died in January, 1951, and was buried by his buddies.

Relatives had not seen Sgt. Riddle since the summer of 1949 when he and his wife visited in Denton. Sgt. Riddle was attached to the Second Division Combat Engineers and went overseas July 30, 1950, and was later reported missing in action. He served with the U. S. Navy for three and one-half years during World War II.

He is survived by his father, W. R. Riddle of Denton; one brother, T/Sgt. Dell Riddle of Carswell Air Force Base, Fort Worth; two sisters, Mrs. Hubert Norris of Seguin and Mrs. L. E. Moore of Denton; his grandfather, G. E. Reynolds; aunt, Mrs. Wardlaw, and uncle, Enool Reynolds, all of Munday.

## Goree Man Home From Naval Service

Mackey Murdock, son of Mr. and Mrs. J. T. Murdock, arrived home September 4 after two years of active service in the U. S. Navy. He served 15 months aboard an LST, making an expedition into the Arctic Circle each of the past two summers. On return from the last expedition he was flown from Kodiak, Alaska to Seattle, Wash., by date of his separation from the service.

Mackey joined the Naval Reserve while a student at North Texas State College, later volunteering for two years of active duty. He plans to return to North Texas State College, where he had two years before entering the Navy.

## Richard Whitworth Receives Promotion

FIFTH AIR FORCE, KOREA — Richard W. Whitworth, Sr., Kansas City, Missouri, has been promoted to the rank of Sergeant First Class.

SFC Whitworth, a member of this unit has been working in the Personnel Section as Brigade Classification and Utilization Auditor since his arrival at this headquarters.

His wife, Theodora, daughter, Yvonne, age four years and son, Richard W., Jr., age three years, reside at 3501 Paseo, Kansas City, Missouri.

His parents, Mr. and Mrs. Donovan E. Whitworth, are living at Munday.

## BACK IN STATES

Mr. and Mrs. J. L. Yost received word that their son, Joe Lynn, has landed in Seattle, Wash., aboard the Marine Serpent which docked last week. Cpl. Yost will remain in Seattle with his wife until he receives his discharge before returning for a visit at home.

Purcell said, "Wages which the farmer agrees to pay Mexican Nationals are subject to change, depending on what the other farmers pay their workers. Therefore, the survey is made for the convenience of the em-

 Entered as second class matter January 4, 1919,  
 at the postoffice in Munday, Texas, under Act  
 of Congress, March 2, 1879.

### PENNIES COUNT

The Washington News recently ran this thoughtful little editorial: "Some of the greatest fortunes ever accumulated in this country were built on nickel and dime articles—even penny items. Yet, in most cases, the profit margin on each item was exceedingly small, a tiny fraction of the selling price. The secret was in volume."

The U. S. government is the biggest business in the world so there is no lack of volume. Pennies saved in volume will knock out deficits just as effectively as penny profits in volume will build up fortunes."

Mass distribution, which was pioneered by the chains and successfully taken up by other stores of all kinds, is as important to our living standards as its partner, mass production. And much of mass distribution's success has resulted from an unremitting war against waste and unnecessary overhead costs. The savings are passed on to the consumer, in the form of lower or better goods.

As the News implied, applying this idea to our incredibly costly government is necessary if the budget is to be balanced and eventual tax reduction made possible. Waste can ruin a family or a business—and a government as well.

### LOTS OF NOISE—BUT!

Anyone who listened exclusively to the followers of the socialist line would inevitably be convinced that the vast majority of Americans want government ownership of the electric business, and that attainment of this desire is being blocked by the sinister machinations of powerful special interests.

At various times surveys of public opinion on this question have been made by recognized organizations. The Opinion Research Corporation of Princeton, New Jersey, has made six such surveys. It finds that fewer and fewer people think that government should engage in the power business only 9 per cent now support federal ownership as compared to 18 per cent in 1943.

Typical comments produced in the survey are that federal ownership mean higher taxes and that it hurts business and leads to socialism. And most people are convinced that the business-managed companies, under public regulation, give better service than government operations.

The socialists and those who adopt the socialist philosophy under the other names make a noise which is out of all proportion to their numbers.

### SUBSCRIPTION RATES

In first zone, per year . . . \$2.00  
 In second zone, per year . . . \$2.50

### NATURE CALLS THE TUN

Did you ever wonder how the famous old law of supply and demand works? You saw a good example of the operation of that law this summer, just as you do every summer, in the trend of pork prices.

More than half of all pigs are born in the spring and it takes six months for them to reach marketable size. Thus, less pork is available during the summer months. And as the supply goes down, while demand remains more or less constant, the price rises, reaching in annual high along about the latter part of August.

Come fall, the trend is reversed. Pigs are marketed in great quantities. Supply is plentiful—and the inevitable result is that prices start to drop. The annual low is usually touched early in December.

In other words, natural law decrees that when a commodity is in abundance the price declines—and when it is comparatively scarce the price goes up. That has been true since men began bartering goods. It will remain true as long as the free market exists.

Every effort of man over the ages to change the law of supply and demand—through government controls, private combinations, or any other means—has eventually resulted in failure, and in many cases, national disaster. It doesn't pay to tamper with natural forces.

### LOST: \$150,000,000

How much does government-in-business cost you as a taxpayer? The following statement by Professor O. Glenn Saxon of Yale University helps provide an answer:

"With federal projects now producing one-eighth of our total (electric) generating capacity, the probable tax revenues lost to the federal government last year exceeded \$90,000,000, and the loss to state and local governments approximated \$60,000,000."

### THINGS ONE REMEMBERS

By R. M. Hofer

An Oregon Justice of the Peace recently levied a fine of \$2,716 for a 54,300 pound overload on a log truck where the allowable load was 72,000 pounds.

Those who are responsible for such wanton disregard of liberal laws are the trucking industry's worst enemies as well as destroyers of public highways and bridges.

## HOW WE GOT OUR BIBLE (VERSIONS)

In the study of the history of the Bible we find that after Rome's translation in 385 not much was done in the way of translations of the Bible for a thousand years. During the Dark Ages, Bebe and Alfred the Great translated or had translated parts of the Bible into the Anglo-Saxon tongue.

In 1382 Wycliffe finished translating the New Testament into English. This was done by hand and in that day it took ten months to write a copy of the Bible and a copy sold for two hundred dollars. For his trouble, Wycliffe was excommunicated and forty years after his death an ignorant priesthood dug up his bones, burned them and scattered the ashes on the River Swift.

In 1525 Tyndale finished translating the New Testament into English and printed 15,000 copies which were shipped from the continent to England. Most of these copies were burned. Tyndale was lured back to England in 1535 and on October 16 was burned at the stake. Dying he cried, "Lord, open the eyes of the king of England!"

The opposition against having the Bible being translated into the language of the people stems from the fear of the statement made by Jesus in the Gospel by John, "Ye shall know the truth, and the truth shall make you free." With the Bible in their language, people gained a knowledge of the truth and were freed from the ignorant superstitions, traditions and doctrines of men. They needed not a church authority to read and explain the Bible for them. For they knew more of the Bible than the church authorities.

### MUNDAY CHURCH OF CHRIST

Bx 211 — Phone 6151

CLIFFORD WILSON, Evangelist

Isn't it odd how history has a way of reversing the verdict that many people pass upon their contemporaries? The mists of abuse and harsh, angry words clear away, leaving the figure of a man as majestic as a mountain—after he has died.

In 1896 the "gold bugs" said that free silver, which William Jennings Bryan advocated, would make money more plentiful,

which would make it easier for debtors to pay their debts and that would be "wrong" because a creditor couldn't buy as much with a dollar if dollars were abundant as she could if they were scarce; therefore, free silver was "dishonest." They overlooked the fact that the great increase in the world's commerce without a corresponding increase in the medium of exchange had already had the effect of making money scarcer, thereby making it harder for debtors and favoring creditors—but that, of course, was not "dishonest."

And they didn't like Bryan because he was backed by the Populists, a "dangerous element." Actually, the Populists were mostly farmers groping for economic justice in the face of high transportation rates they had to pay and the low prices they received for their products.

Manufacturers posted notices on the bulletin boards that their factories would close if Bryan was elected. Ministers preached sermons urging the election of McKinley on the ground that free silver was "immoral." And that most righteous man, Mark Hanna of slush fund fame, sent forth stump speakers who pointed out that Judas had betrayed the Master for thirty pieces of silver—therefore, silver was "ac-

## LOCALS

Perry Reeves left Sunday for Denton where he entered N. T. S. C. for the school term.

Mrs. Doug Moore, who is attending Hardin-Simmons University in Abilene, visited his mother, Mrs. Mauryse Smith, over the week end.

Danny Ponder left Sunday for Denton where he entered N. T. S. C. for the coming year.

Wayne Royce Rodgers of Clovis, N. M., visited his parents, Mr. and Mrs. Walter Rodgers, last Wednesday and Thursday enroute to Mississippi to get his wife, who has been visiting relatives there.

Mr. and Mrs. Grady Thornton of Amarillo visited friends here last Friday enroute to their home in Amarillo from a vacation trip.

cursed." Under the same reasoning the human race should have quit using lumber because the Savior was nailed to a cross made of wood.

Well, they beat Billy Bryan. And then some prospectors found gold in the Klondike and thereby made the world's money supply more abundant—thus accomplishing, in a different way, what Bryan wanted to do.

And later, Republican presidents issued money made out of paper and nobody turned down a chance to acquire some of it either. I heard Bryan declare, with a smile, in a speech in 1914; "They wanted to put a government imprint on a piece of Bryan's dollars into a furnace, you'd have only 54 cents worth of silver. Well, if you'd throw one of their paper dollars into a furnace, you wouldn't have anything."

Bryan never became president but he lived to see many of the principles he advocated become the law of the land; votes for women, the income tax and direct election of United States Senators.

When the reactionaries in the party tried to nominate Champ Clark in 1912, Bryan threw his weight behind Woodrow Wilson, who proved to be one of our greatest presidents.

Those Pharisees who desecrated their pulpits with harrangues against Bryan beheld him inspire millions with his magnificent lecture, "The Prince of Peace." He spent his last years in championing the Bible, the divine destiny of man and the immortality of the soul.

## Knox Prairie Philosopher Unworried Over The Man Who Adds Faster Than Adding Machine; Declines To Compete

Editors' note: The Knox Prairie Philosopher on his Johnson grass farm on Miller Creek is out of his territory again this week, talking about adding machines. He still adds on his fingers and writes with a pencil on tablet paper.

I was sittin out here on my farm the other afternoon enjoyin the September sunshine and toyin with some ideas I've been goin over on push-button warfare, you know, some Generals in Washington push a button and 20,000 Infantrymen go into action on a battlefront 3,000 miles away, nothin to it, and I pulled out a clippin which I'd turn out of a newspaper the night before

and re-read it. According to this article, a man over in England has been bafflin scientists with his ability to figures in his head faster than an addin machine. A bunch of these British scientists asked him to multiply 854,736 by 395,627 and he got the correct

answer in five seconds. It took the scientists twenty seconds to get the same answer on a calculating machine, although of course them scientists may not have even known how to use an addin machine.

Now some people seem to get a delight out of this, arguin the machine will never replace the human brain. I don't look at it that way. There ain't no race, as far as I'm concerned.

I understand all right that if you figured up for example the amount of work it takes to get the money to buy an electric water pump for your well, plus the amount of work it took to make the pump, plus the amount of work it took to make the tools the pump is made from, plus the amount of work it took to make the tools that made the tools, etc., on back as far as you want to go, it might turn out that it takes as much work to lift a barrel of water out of a well with an electric pump as it does with a rope and bucket, but the point that appeals to me is somebody else did most of that work, all that's left for the man with an electric pump to do is turn the switch on, and you don't even have to do that with most pumps, they turn themselves an and off.

Personally, I ain't exactly what you'd call a lightning calculator, but I've always been able to figure a little and I want it understood I'm not in any race to see if I can beat an addin machine, any more than I want of see if I can draw more water out of a well than an electric pump. It may be true it takes as much total work to plow an acre of land with a tractor as it does with a walkin plow, figurin all the work it took to make the tractor, but you won't catch me walkin when I can ride, or ridin either when I can stretch out in the sun.

This bird that can add faster than an addin machine, he ain't no threat to the addin machine people. They can't make 199 many machines to suit me.

Yours faithfully,  
J. A.

## Ice Wherever They Go

THE FEW AMERICANS who haven't seen a skating road show are missing a bright, exciting package filled with bits of the ballet, circus, musical comedy and vaudeville routines. For color, rhythm and action, it's show business' biggest spectacle.

FLUID GRACE and dazzling mobility of stars like Donna Atwood, left, gives revues a fairy-tale quality.

ICE CAPADES, featuring Miss Atwood, and Ice Cycles literally skate everywhere on their own portable rinks.

STAGE FOR EACH SHOW, carried about the nation in trailers powered by International track-tractors, is 9,000 square feet of piping. Brine is circulated through the piping which is then covered with water. Freezing action quickly creates smooth skating surface.

## CURLEE CLOTHES

Sure to Appeal

WHAT'S new this season? It's the complete line of Curlee suits we are now showing with considerable pride and approval. They combined recognized style and quality with choice fabrics—all reflecting a real dollar-for-dollar value that is sure to appeal. Also featured is a full line of accessories.

### Gwyna Lee Smith Honored At Lovely Shower On Tuesday

Miss Gwyna Lee Smith, bride elect of Tommy Parker of Waco was honored with a gift tea last Tuesday from 4 to 6:30 p. m. in the home of Mrs. C. P. Baker.

Hostesses for the occasion were Mmes. C. P. Baker, Chan Hughes, Leland Hannah, G. R. Elland, J. O. Bowden, Howard Collins of Lubbock, H. A. Pendleton, S. B. Campsey and Jeff Mitchell.

The guests were greeted at the door by Mrs. Baker and presented them to Mrs. A. L. Smith, the honoree and Mrs. Hughes, who were in the receiving line.

The party rooms were beautifully decorated with arrangements of large zinnias and roses.

An all-white bridal motif was developed on the bride's table centered with a large oblong arrangement of white crowsfoot mums in a Corday bowl.

Those present were Mmes. Pendleton, Mrs. Hanah, Mrs. Elland and Mrs. Campsey presided at the silver tea and coffee services. Open face and finger sandwiches and assorted cookies were served to the guests.

Mrs. J. O. Borden presided at

the guest book. Other hostesses directed the guests to the rooms where the many lovely and useful gifts were on display.

Approximately 100 registered in the guest book.

### Munday H. D. Club Meets Wednesday With Mrs. Patterson

The Munday Home Demonstration Club met on September 23 in the home of Mrs. Joe Patterson.

Mrs. Fred Lain called the meeting to order, and minutes were read by Mrs. Buster Pape, followed by roll call and the business session. It was reported that Miss Anna Lee Drieschner, the new agent, will take charge October 1.

Those present were Mmes. Buster Pape, John Peysen, M. L. Raynes, Fred Lain, Frank Bowley, R. M. Almanrode, Joe Patterson, and Otto Brazell.

The next meeting will be on October 14 in the home of Mrs. Pape.

### Mogul Band News

The Mogul band met this summer for two weeks to get everyone back in practice. During this time Bera Fay Spann was chosen as drum-major, Gail Littlefield, Sybil Jungman, Janice Johnson and Shirley Eubanks as majorettes for the years of 1963 and 1964.

On Monday September 21, the first meeting of this school term was held. The purpose of this meeting was to elect band officers and a band sweetheart. They are as follows: president, Dickie Morrow; vice-president, Barbara Carver; secretary-treasurer, Bera Spann; reporter, Janice Johnson; band sweetheart, Gail Littlefield.

The Mogul band and pep squad wished the Mogul football team good luck last Friday night by forming a four-leaf clover and "53 at half time. The Mogul band plans to attend all football games and cheer the Moguls on to victory in '53.

—Reporter

Mr. and Mrs. Bob McGregor of Lamesa were guests in the home of Mr. and Mrs. Lonnie Offutt last Monday and Tuesday.

### P-TA Reception Launches A New Year Of Activity

To create the proper atmosphere in which Munday youth may mature into responsible citizens was the keynote of the address to parents and teachers last Thursday evening when Mrs. Clyde Taylor, President of the organization, extended a welcome to teachers and parents at the annual reception which inaugurates the new work year of the P.T.A.

After the opening remarks the president introduced Supt. W. C. Cox, who in turn presented principals and teachers of the local schools. Mrs. J. C. Harpham, vice-president, in charge of the program for the year, then followed with an outline of the program subjects. The Action group arrangement which was first used last year, proved to be so successful that the same plan will be repeated. That is, all grade school parents will assemble for a discussion group and junior high and senior high parents will assemble in a separate group. The only change being that the junior and senior parents will combine for their action group. The program topics will appear in the new year book which will be off the press shortly.

The meeting was adjourned for a social hour of refreshments and fellowship. Piano music was a delightful background of the social hour and was ably presented by Miss Patsey Tidwell, a high school senior. Hostesses were Mrs. Bob Brown, Mrs. Gene Thompson and Mrs. Clyde Yost.

### Notes From Knox Farms, Ranches

By W. J. Bryan, Knox County Agent

It is wheat planting time again and I would like to remind you that it is good insurance to treat your seed wheat before planting.

Treating you seed will control seed-borne stinking smut, reduce losses from seedling blight and root rot, and usually improves stands.

Ceresan is the standard treatment. You should use one-half ounce per bushel of seed.

I usually have trouble getting my 4-H boys to feed their livestock projects enough, but Charles Todd of the Truscott community, had some very bad luck last week from overfeeding his sheep.

Charles had some of the nicest wether lambs I have ever seen, and he was planning to show them at the Texas-Oklahoma Fair in Iowa Park. Last week one of the wethers died and the others were sick, and the veterinarian said it was from over eating. Charles vaccinated his sheep and hopes to have them back in show shape in the near future.

Five Knox County 4-H Club boys will have livestock exhibits in the Texas-Oklahoma Fair at Iowa Park September 28th through October 3. We hope to bring back some blue ribbons.

Boys who will enter projects are Samuel Garrett of Munday, one beef steer; Charles Todd of Truscott, 4 head of breeding sheep; Freddie Caram of Gilliland, two wether lambs; Carroll Chowning of Truscott, three wether lambs; and Robert Beck of Munday, two wether lambs.

We are having our Annual Sears Gift Show in Munday this Saturday. I would like to invite you out to see these registered Duroc gilts that the 4-H Club boys have raised. They will be a good source of improved swine breeding stock for the county.

### Pendergalt Takes Munday Times Job

Norton A. Pendergalt, who knows his way around a weekly newspaper office, is now employed as floor man in the Munday Times office. He started his duties on Monday, September 14.

His wife, Jeanette, and their two daughters, Ann and Marilyn, accompanied him here, and they are now right comfortably located in the J. L. Ford house on north 15th street.

Pendergalt comes to the Times from Henrietta, where he was employed for several years. He has also held positions with weeklies in Oklahoma.

Chester Bowden and M. H. Brumley were business visitors in points in Southeast Texas last week.

### P-TA Membership Drive Is Opened

A concerted drive to enroll every parent of school children in the local P-TA has been launched under the capable direction of Mrs. Jimmy Peysen, chairman of the membership committee which is composed of Mrs. Weldon Floyd, Mrs. G. W. Hawkins, Mrs. James W. Bowman, Mr. Carl Booe, and Mr. E. R. Ponder.

As in the past there will be spirited competition between the classes for the \$5.00 prize which will be awarded for the highest percentage of parents enrolled. It is hoped that other interested persons will be free to join the organization, as well as the parents of school children, in which case they may select the room which is to receive the credit. An ambitious program has been planned for the year, which will not only benefit the school children but the community as a whole, and the cooperation of the entire town will be necessary to achieve these goals, the most important of which is acquiring a swimming pool for Munday.

The membership drive will be climaxed on October 6 when the winning room will receive the award.

### FRANK FANCHERS ARE PARENTS OF DAUGHTER

Mr. and Mrs. Frank D. Fancher of Dallas are the proud parents of a new daughter, who arrived on September 7 at the Florence Nightingale Hospital in Dallas, weighing ten pounds and one-half ounce.

Mrs. Fancher, who is the former Bobbie Price, and little daughter are doing fine. Maternal grandparents are Mr. and Mrs. Tom Price of Munday, and paternal grandmother is Mrs. Kathryn Cottingham of Seymour.

# Goree News Items

## FUN NIGHT ENJOYED BY GOREE P. T. A.

About fifty parents, teachers and other interested people gathered at the high school auditorium for the opening meeting of the Goree Parent-Teacher Association Monday evening at eight o'clock, with Mrs. James Carver, chairman of the hospitality committee, in charge of the program.

Invocation was given by George Hunt. Mrs. Billy Hutchens led action songs with Mr. Haberman as pianist.

Mrs. Walter Coffman led acquainted games with Mrs. Jerry Peek in charge of the stunt program. Tap dance numbers were given by Pug Knight, Jerry Patterson and Mary Kathryn Coffman.

A hat relay, in which ladies' hats were made, modeled and paraded by the men, was the most hilarious fun of the evening. The prize hat being made

of Christmas decorations by Milton Kirby and modeled by Dave Jetton.

Mrs. H. D. Arnold, president for the year, gave a short talk on the general theme for the year "Better Homes, Better Schools and Better Churches".

Others on the refreshment committee were Mrs. Barton Carl, Moson Harlan and W. M. Taylor, who presided at the punch bowl.

## SUPT. LAWSON HONORED AT BIRTHDAY DINNER

Mrs. J. T. Lawson planned a surprise birthday dinner Sunday, September 20, in her home north of Goree. When Bryan, his wife and daughters, Nancy and Jane, drove out to his mother's for Sunday Dinner they found the following others already there: His brothers, Bailey and Lowell, of Dallas, Mr. and Mrs. Curtis Crump and children of Lub-

bock, Mr. and Mrs. Terrall Boggs, Mr. and Mrs. Homer Howard, Mrs. Pat Martin, Mrs. Everett Gaither and Charles and Scott Howard, all of Goree. A very enjoyable day was spent together.

Mr. and Mrs. G. W. Gholston of Haskell visited in the home of their daughter, Mrs. Walter Hadley, Sunday.

Mr. and Mrs. Terrell Boggs visited in San Antonio last week.

Mrs. L. S. Whitlow, who has been visiting her sister, Miss Berniece Goode, and other relatives, left Saturday for Temple and Bartlett for a visit with relatives and friends.

Mrs. Wood of Olney has been visiting in the home of her sister, Mrs. Ben Hunt, the past week.

Mrs. Georgia Maples and Mrs. Elizabeth Covsar were Seymour visitors Tuesday.

Visiting in the home of Mrs. J. B. Lawson last Thursday were Mrs. Clarence King of Throckmorton and Mrs. Bob Johansen and children of Seymour.

Mr. J. C. Morton, who has been

quite ill, is much improved and able to be up again. Visiting him the past week were the following children, Pat Morton of Laguna Beach, Calif., Mrs. Lee Bomar, Mrs. Wayne Crawford and Mrs. Don Alexander of Silvertown, Mr. and Mrs. Sam Warren and children and Buddy Loyne of Plainview, Mrs. Myra Bingham, Mr. and Mrs. Gene Bingham of Wichita Falls and Mr. and Mrs. Weldon Lefler of Munday.

Mr. and Mrs. Heard Reeves of Wichita Falls visited his mother, Mrs. V. M. Reeves, and other relatives last Sunday.

Mr. and Mrs. M. E. Beaty and children visited her mother in Rule last Sunday.

Miss Emma Cooksey is visiting in Sherman, Texas and Durant, Okla., this week.

Mrs. J. H. Cooksey returned home after visiting her grandson, Taylor Cooksey, and family in Seymour a few days last week.

Mr. and Mrs. Billy Joe Roberts of Fort Worth spent the week end with his parents.

Mackey Murdock, who recently received his discharge from the Navy, has returned to NTSC in Denton for the school term.

Carol Coffman, who is attending A. C. C. in Abilene spent the week end with home folks.

Billy Royce Weir has entered Midwestern University in Wichita Falls.

Ward Cooksey, who is attending Hardin-Simmons University in Abilene, spent the week end with his parents, Mr. and Mrs. Melvin Cooksey.

Mr. and Mrs. W. L. Thornton and Mr. and Mrs. Grady Thornton of Amarillo returned last Monday from an eight day sight-seeing trip through Mississippi, Alabama, Georgia and Tennessee. They visited the old battlefields in Tennessee and Georgia, the Lookout Mountain and many other interesting places.

Mr. and Mrs. Roy Warren and daughters of Crosbyton visited relatives and friends here last Tuesday. They were enroute to Dallas to take their daughter to a Dallas hospital for treatment.

### Using a Hand Saw

HERE are some good tips about using a hand saw. They were prepared by the National Safety Council.

1. Keep the saw sharp, teeth properly set and clean.
2. Use a cross-cut saw for cutting across the grain, a rip saw with the grain.
3. Start the cut with two long slow pulls up, guiding with the thumb. (See drawing.) Then get the hand away and go ahead.
4. To prevent sticking, keep the blade true with the cut. In wet or gummy wood a little oil or paraffin may help.
5. Don't "ride" the saw. If it doesn't cut well, it may need sharpening or setting.
6. If you use one knee to steady the work, watch your balance.
7. Saw teeth can make a worse cut than a sharp knife. Handle with care.

## Panthers Down Moguls 39 To 6 Friday Night

Munday's Moguls experienced difficulty in holding on to the ball last Friday night as the visiting Seymour Panthers took them to task to the tune of 39 to 6. Fumbles which are characteristic of early season games; were numerous on both sides, with the Moguls being more frequent with them.

The Moguls scored in the first quarter, and Seymour stacked up scores in each quarter.

Collie Milligan of Seymour scored three touchdowns, two in the first quarter, and one in the fourth. Milligan ran three yards through the Mogul line for his first counter and repeated on a 15-yard run for the second.

Local fans got their thrill of the game when the Mogul freshman quarterback, Glen Armeron, took the ball on the kickoff, evaded all Panthers and ran wild for 85 yards to cross the goal marker. The try for extra point failed.

In the second quarter, Seymour's Joe Crump scored after a 35-yard plunge through left end. Jim Baldwin kicked the ex-

tra point.

Ronald Bickers, Panther half-back, scored first in the third quarter, with Bobby Powell making the second touchdown with conversion by Baldwin.

Milligan ran six yards around right end for the final counter, and Baldwin again converted.

With odds heavily against them, the Moguls maintained their fighting spirit throughout the game.

Drive carefully. The life you save may be your own.

## LOCALS

Miss Julie Massey, who is attending McMurry College in Abilene, was a week end guest in the home of her parents, Mr. and Mrs. Joe Massey.

Mr. Hopkins, of Oil City, La., is visiting his nephew, Stanley Wardlaw, and other relatives here this week. Mr. Hopkins is a former resident of Munday.

# Good News

to us and to all our friends

You've probably heard about it—how the Ford Motor Company is getting into the farm equipment business in a bigger way than ever before.

Up to now, you see, Ford has designed, engineered and manufactured tractors—over two million of them all told. Now Ford, through the new Ford Tractor Division of the Ford Motor Company, assumes direct responsibility for both the Ford Tractor and the broad line of Dearborn Implements.

What this means to you as farmers and to us as Ford Tractor Dealers is that we can **LOOK TO FORD**—even more than in the past—for the best farm equipment that modern methods can produce at the lowest possible cost.

As Ford Tractor Dealers, we have always tried to serve you well. Now, we are confident, we are going to be able to serve you even better—with a great tractor and with the latest and best in farm equipment to help make your work faster, easier and more profitable.

Yes, this is good news to us—to our customers and all our other friends.

### BY THE WAY, HAVE YOU TRIED OUT THE NEW FORD TRACTOR GOLDEN JUBILEE MODEL?

Try out its new power, its advanced hydraulic system and the easy way it handles. See how it does your own work on your own farm. Then price it!

## YOU KNOW WHEAT... But LOOK AT THIS

POULARD TYPE GROWN BY GIANT WONDER WHEAT CO.

It is difficult to describe this wheat without appearing to exaggerate. For that reason, if so other, we urge you to make trial plantings, and see this wheat with your own eyes. It grows in stools, with up to 15 stalks and heads from each seed; more or less according to plant spacing. The heads contain up to 150 or more grains of wheat. Compare that with ordinary wheat with only 30 or 35 kernels per head.

The U. S. Department of Agriculture at Washington, D. C., will supply the "variety" name, if it has informed us, as soon as it can make its own official growing tests.

This wheat is believed to be primitive, not a blend or hybrid.

Protein test of this 1953 wheat grown in California... 15.96  
Protein tests that high are most unusual for white wheat. Tests were made by Gooch Laboratories, Los Angeles.

PRICE: \$5.00 PER PACKET OF 300 SEEDS — 6 PACKETS \$25  
Please do not ask for more than 6 packets.

Send for a packet of this wheat. Plant it, watch it, keep a record of growth, yield, etc. Use printed growing report form which will be sent with each order. We believe you will find this the best \$5.00 you ever spent. Send cash, money order or check to.

No rust or other disease has been observed. What every farmer wants is high protein, and high yield, whether the crop is for the market for flour or feed or for his own poultry or meat production.

This wheat may well revise previous concepts of wheat production, with less seed and less labor, wherever soil and conditions are favorable.

A limited amount of purity-germination tested seed is now available for small trial plantings. Every farmer concerned with large scale growing or with planting small fields is urged to order 1 or 6 packets of this seed. One packet of seed will be about 300 kernels.

Try planting some 8" apart, some 6", some 4" or closer. The tendency to stool profusely is such that spacing for yield can only be determined by trial and error.

Mr. and Mrs. S. J. Warren spent from Wednesday until Friday in Plainview, visiting their children, Marvin Warren and family and Weldon Warren and family.

## Weekly Health LETTER

Issued by Dr. Geo. W. Cox, M. D., State Health Officer of Texas

Now that schools are open parents should carefully plan their child's lunches, says Dr. Geo. W. Cox, State Health Officer.

The noon meal needs to be full of body-building, energy giving nourishment that will help the child go through the day full of zest for learning and play without getting tired. A midday meal which has variety and is satisfying improves afternoon classwork and general behavior. Whether a child buys his lunch at school, eats at home or takes his lunch with him, it should contain at least one-third of the day's food requirement.

Lunch time at school can be a pleasant, social experience for the children. If the child is going to school for the first time, or if he is going to a new school, the teacher can help him get acquainted and find a friend to sit next to, so that he does not feel out of place and uncomfortable at the lunch table.

Good health habits can be taught during lunch time at school. The children should be trained to wash their hands before eating; also encouraged to take plenty of time eating and not gulp their food down so they can rush out and play. The mother should do the same when the child eats at home.

A metal box or pail makes the best lunch container. It should be washed and scalded daily and aired overnight. The thermos bottle will stay sanitary and sweet smelling if it is rinsed with soda water after a thorough washing. Interesting and varied lunches make eating a pleasure and helps the children be alert, eager and contented in school, because good foods build strong bodies and happy children.

## LOCALS

Miss Gwynn Lee Smith of Waco is here for a two weeks visit with her parents, Mr. and Mrs. A. L. Smith.

## Miss Mary Hagan To Wed Mr. Hardin On December 19th

Mr. and Mrs. Will Hagan of Stuttgart, Ark., have announced the engagement of their daughter, Miss Mary Hagan, who is education secretary of the First Baptist Church in Wichita Falls, to Rev. Mart Hardin, 1613 Gambrell, Fort Worth. He is the son of Mrs. Nell Campbell.

Miss Hagan is a graduate of Stuttgart High School, attended Ouachita College in Arkansas and graduated from Southwestern Baptist Seminary in Fort Worth last May. Her fiance is a graduate of Munday High School and of Texas Technological College in Lubbock. He is studying for the ministry at Southwestern Baptist Theological Seminary.

The couple will be married December 19 in the First Baptist Church in Stuttgart.

### GRAY CHILDREN HOME

Mr. and Mrs. Hoyt Gray had all their children and grandchildren home for the week end, including Mr. and Mrs. Ivan Prosser of Plainview, Mrs. Lee Rice, Jr., and children of Lubbock, Mr. and Mrs. Joe Gray and children, Munday; Mr. and Mrs. Wayne Warren and children, Knox City; and Bob Gray of the U. S. Air Force, Bob and Mrs. Gray accompanied Mrs. Prosser and Mrs. Rice home for a few days' visit.

Mr. and Mrs. Weldon Warren and children of Plainview visited their parents, Mr. and Mrs. J. C. Morton, in Goree over the week end.

Week end guests in the home of Mr. and Mrs. Coy Jennings were his mother, Mrs. Liza Jennings and his sister and family, Mr. and Mrs. Belver Followell and daughters of Borger.

### Activities of The Colored People

Wonderful services were held last Sunday at both the Church of God in Christ and Friendship C. M. E. Church with their respective pastors in charge.

The junior high pupils sponsored an ice cream and cookie sale last Wednesday night. Cookies were made by the girls in our school kitchen. With their proceeds they showered the lunchroom with a canister set, garbage pail, knife, mixing bowls, measuring spoons, cup, dish cloths and dish towels. These students are also happy over their junior scholastics which arrived this week.

Friday morning the assembly period was in charge of the primary children. After the flag pledge, they recited safety rules and sang seventy numbers.

Rev. E. J. Odom of Abilene was a pleasant visitor last Friday in the home of his sister, Mrs. Aline Johnson.

Gus Johnson is visiting relatives in San Antonio and Hallsville this week.

## LOCALS

Mr. and Mrs. W. F. Thigpen of Santa Anna visited his son and family, Mr. and Mrs. D. L. Thigpen and children, from Saturday until Tuesday.

V. E. Moore attended market in Dallas the first of this week.

John Porter of Dallas was a business visitor here during the week end.

Mr. and Mrs. C. W. Burton of Floydada visited his sisters, Mrs. H. P. Hill, and husband and Miss Christine Burton, several days last week. The Burtons and the Hills visited relatives in Royce City over the week end.

Mrs. Lula Northcutt of San Angelo spent last week with her sister, Mrs. Tom Martin.

Mrs. Buck Tidwell and daughter, Patsy, and Mrs. Waymon Pistole were visitors in Wichita Falls last Saturday.

Randy Elland and Mike Grammer of Lamesa are spending this week with their grandmother, Mrs. G. R. Elland.

Mr. and Mrs. P. V. Williams are vacationing in Corpus Christi this week.

Lewis Warren of Abilene was a Wednesday guest in the home of his parents, Mr. and Mrs. A. B. Warren.

Mr. and Mrs. J. J. Keel returned home last Friday from a week's visit with their grandson, James Keel Frazier, and his parents, Mr. and Mrs. Jimmy Frazier, in Baytown.

## ATTENTION, FARMERS!

Just received a new shipment of RANGER FARM WAGONS, which are designed and engineered to speed up every hauling job. For example—Timken bearings, Alemite fittings, etc.

Both automotive rear steering and fifth wheel construction—easy turning type construction which reduces turning to a minimum and eliminates all road grip. Wheels are standard 15-inch. Can be furnished in any standard make or size.

RANGER FIFTH-WHEEL V-TYPE HITCH, electrically welded, heavily constructed, with or without tires. We can build your bed to suit your needs in one to five-bale rigs. Come in and look them over and get our prices before you buy. CASH or TERMS.

We are equipped to take care of your WELDING needs—both PORTABLE and ACETYLENE. We can give 24-HOUR SERVICE.

### Handy Jim's FIX-UP TIPS For Farm and Home

### Make Your Own Puzzle

THE handyman with a jigsaw will find it enjoyable to make map puzzles. Here's how to do it: Obtain a colored map of the country to be "puzzled." A good starter is the U. S. A. Now cut two pieces of Masonite 3/8" Presdwood so their widths and lengths are an inch greater than the dimensions of the map. To one panel glue the map securely. Next jigsaw the map along the political

subdivisions. When the sawing is completed, there will be the individual pieces, plus an overall outline in the rectangular Presdwood. To start the sawing operation, it is necessary first to drill a hole in the panel large enough to admit the blade at one of the boundary lines.

Take the outline remaining from the panel which has been jigsawed and glue it to the other piece of Presdwood. You then will have a backed-up frame for the puzzle. It's a good idea to bore a small finger hole through the backing panel so that a piece of the puzzle may be pushed out when you want to disassemble the pieces. Apply a coat of clear lacquer so that the puzzle may be cleaned easily.

As the family becomes adept at fitting together a puzzle cut along the boundary lines of the map, the puzzling feature can be increased by making the pieces of odd shapes without regard for boundaries.

Learning geography by the jigsaw puzzle method is fun for the whole family, and the knowledge gained is important in today's diminished world.

That's right! You can name your own trade-in price on a new DODGE TRUCK!

Make your own appraisal! Mail it to us! We're anxious to trade and will do our level best to meet your price! No cost! No obligation!

Yes, it's your opportunity to make the trade of a lifetime on a new Dodge truck! Just do this: Decide what your present truck is worth. Write this figure on the appraisal form below. Add your name and address, tear out the form and mail it to us! MAIL APPRAISAL FORM TODAY! If we can meet your trade-in figure, you've got a real deal! If we can't, there's absolutely no obligation! You've everything to gain, nothing to lose, so mail the appraisal form now or phone us.

# ANNOUNCING

THE OPENING OF

## Dick Woods Motor Co.

IN MUNDAY, TEXAS

(Next Door to Thompson's Panhandle Station)

## New and Used Cars

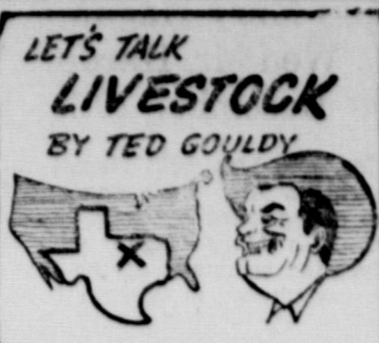

ALL OF OUR NEW CARS ARE BROUGHT TO MUNDAY ON OUR OWN TRANSPORTS, AND HAVE NEVER BEEN DRIVEN.

Mr. and Mrs. Harold Loer of Abilene were week end guests in the home of her parents, Mr. and Mrs. J. T. Voss.

Mr. and Mrs. Ben Yarbrough accompanied Mr. and Mrs. James G. Wilbur of Houston to Amarillo where they visited with relatives last Sunday and Monday.

Mrs. Terry Harrison attended market in Dallas last Tuesday and Wednesday.

Mrs. J. P. Burroughs left for her home in Coleman last Tuesday after a week's visit here with her daughter and husband, Mr. and Mrs. Worth Gafford.

FORT WORTH—The largest run of cattle and calves of the season arrived at the 12 major livestock centers of the nation last Monday. Over 158,000 cattle and over 20,000 calves were reported around the circuit.

While somewhat lower prices were reported at most points, the break in prices was cushioned by the ability of the markets to absorb a heavy beef supply. Low grade slaughter cattle and calves were getting help from increased government purchases, and indications that foreign relief funds would be used to buy millions of pounds of canned beef was favorable throw in the wind.

At Fort Worth steers and yearlings ruled steady to 50 cents off. Cows were fully 50 cents lower, some interests bidding additionally lower on fat cows. Bulls ruled steady. Slaughter calves edged downward again by 50 cents per hundred, instances off more.

Stocker trade showed moderate activity in the Monday trade at Fort Worth with higher grades generally steady with last week's close. Numerous loads of feeder cattle sold in the \$13 to \$16 bracket, good kinds of steers and yearlings numerous at \$15 to \$15.75. Stocker calves sold from \$10 to \$16.50. Heifer calves and heifer yearlings usually sold from \$1 to \$3 under their steer mates.

Fat steers and yearlings eligible to sell above \$20 were very scarce at Fort Worth Monday, a few from \$20 to \$22, and high choice or prime kinds were quotable to \$23 to \$25. Common and medium grassy kinds sold for \$10 to \$15.50, and cutter grades cashed at \$8 to \$9.

Fat cows cleared at \$9 to \$12, and canners and cutters drew \$6 to \$9.50. Several loads and smaller lots of high yielding cutters in the \$8.75 to \$9.50 field. Bulls drew mostly \$8 to \$12, with some individuals upwards to \$12.50 to \$13.

Good and choice slaughter calves sold for \$12.50 to \$16, with a few choice heavies \$16.50. Common and medium butcher kinds sold from \$9 to \$12, with culls from \$7 to \$9.

Good and choice stocker steer

calves drew \$13 to \$16.50, and heifer calves sold from \$14 downward. Stocker and feeder steers and yearlings sold from \$10 to \$16. Stocker cows drew \$8 to \$12.

Slaughter lambs were weak to 50 cents lower, and other classes of sheep and lambs were sold about on a level with the previous week at Fort Worth.

Good and choice fed lambs topped at \$17 to \$18.50, two decks of choice fed lambs at the higher figure. Cull, common and medium slaughter lambs sold from \$10 to \$16. Stocker and feeder lambs bulked at \$11 to \$14.

Fat yearling wethers sold from \$12 to \$13, while old wethers drew \$6.50 down. Feeder yearlings cashed around \$10 to \$10.50. Slaughter ewes drew \$5.50 to \$6.50.

Butcher hogs sold steady to 25 cents lower at Fort Worth Monday. Top hogs sold for \$25.50 to \$25.75. Sows were steady to easier at \$20 to \$24. Pigs drew \$20 down. Underweight butchers drew \$21 to \$25.25.

It is estimated that 65 to 75 percent of the Flint Hills cattle have moved out of Kansas. Increasing interest is reported at Midwestern markets in fleshy steers suitable for quick-turn feeding.

The better demand for fleshy feeders at Fort Worth has been a reflection of this condition, a good many large and small bunches of feeder steers and yearlings in the \$14 to \$16 field Monday of this type.

### NEWS FROM VERA

The Clifford Boones of Tatum, N. M., visited Mrs. Buck Sanders and other relatives here the past week.

By JOHN C. WHITE, Commissioner

**SAVING THE TAXPAYER'S DOLLARS**

The first definite steps toward putting the Texas Department of Agriculture on a self-supporting basis became effective this month.

Through a process of collecting fees for services rendered, the department is financing many of its operations which formerly had to depend upon allotments from the state general revenue fund.

Foremost of these fees are those collected for the inspection of nurseries, and warehouses and the nominal charges for the examination of seeds offered for sale. The nursery and warehouse fee programs have been in operation for several years but the seed testing charge is new.

At the beginning of this fiscal year, Sept. 1, a bill passed by the Legislature allowed the department to keep most of this service money for its own operating expense. In previous years, most of it was turned over to the general revenue fund and departmental money had to come from tax grants. Under the new program, people actually benefited by agricultural programs will bear most of the expense instead of the average taxpayer.

Such a system allowed the Commissioner of Agriculture this year to request a minimum of money from general revenue. This action breaks with the us-

ual custom of state offices requesting a surplus of funds in hopes of obtaining an adequate amount after legislative cut-backs. Although the request for the next two years was only a few hundred dollars lower than formerly, it means the Department of Agriculture is over the hump in maximum tax money spending and subsequent requests are now expected to decrease with no loss of services to Texas farmers and ranchmen.

Since the seed testing fee is new, farmers and seedsmen are reminded they may obtain a complete test of all seed except chaffy grasses, native grasses, mixtures and trash seed for \$2.50. This fee can be broken down to \$1.50 for purity analysis, only, or \$1 for germination tests.

The charges for the tests on the four exceptions is \$5. Trashy seed may be rejected for testing when the laboratories at Lubbock and Austin are experiencing a rush season.

Noxious weed seed is examined for \$1 per sample. These tests are required by law before offering the seed for sale in Texas.

Charles Hardin left Sunday for Denton where he entered NTSC for the school term.

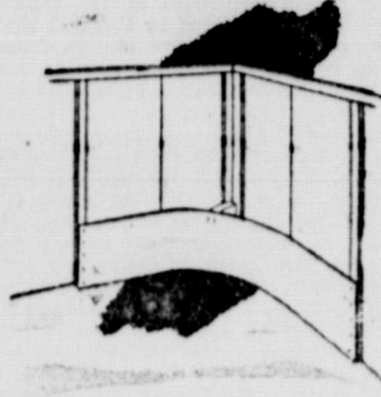

Sgt. Bill Scott of Sheppard Air Force Base, Wichita Falls, was a Sunday guest in the home of Mr. and Mrs. Charlie Haynie, Jr.

**Round Corners for Hens**

EVERY house, including one for chickens, needs its corners.

In the case of chickens, though, corners are dangerous. They are dead-end streets to chickens. One bird may reach the corner. Others following it can begin piling up until the original discoverer of the corner has smothered.

Corners just aren't good in a chicken house. Another reason is that they are difficult to clean.

Here's how some farmers have kept their biddies from so foolishly getting into a fatal corner. They've taken a long strip of Masonite 1/2" tempered Presdwood, two feet wide, and curved it around the corners, nailing the ends to the wall studs and the curved center to a 2" x 4" stake jutting out from the corner. This neat trick eliminates the corner.

As long as the Presdwood was "de-fatalizing" the corners, many country men have extended the material all the way around the chicken house, so that it serves as a peck-proof strip. Tempered Presdwood is so tough and smooth that chickens can make no impression on it.

**ENTERS SCHOOL**

Mr. and Mrs. I. V. Cook took their daughter, Pat, to Denton last Sunday where she enrolled in NTSC for the school year. They also visited Mr. Cook's sister and family in Dallas. Mr. Cook returned to Plainview on Monday morning.

Mr. and Mrs. H. F. Jungman were business visitors in Wichita Falls last Monday.

**Brief Articles On The Draft Law And Regulations**

(Editor's Note: This is one of a series of short articles on the draft law and its rules and regulations.)

Ignorance of the law excuses no one.

That is something everybody has heard, and it applies to a draft board's deliberations and actions as well as to any other agency set up to administer public law.

The law makes it the responsibility of the individual registrant to do everything that the law requires of him. The law requires him to do these things within a certain time limit. If he doesn't do them, he can lose many privileges and rights given him under the law.

"It is the duty of every man registered with a draft board to be alert and protect his rights under the law," advises Brig. Gen. Paul L. Wakefield, state director of Selective Service.

"Certainly it is the moral responsibility of parents to have their sons make themselves aware of the necessity of complying with all provision of law and regulations," he says.

"It is too bad that registrants, parents, and employers often sleep on their rights until it is too late, or extremely difficult under four regulations, to do anything about their cases," he says.

General Wakefield says that sometimes a registrant, parent, or an employer never request any thing at the board until after an order to report for induction is issued.

Registered men, parents, and employers should begin to concern themselves about the Selective Service law and regulations immediately after men register, General Wakefield points out.

The state draft director reminds all registrants, their parents, employers, public officials and citizens in general that the doors of Texas draft boards are always open to tell the people how to get information and help with draft problems.

Mrs. T. C. Lowry of Abilene was a guest in the home of Mr. and Mrs. V. E. Moore over the week end.

Mr. and Mrs. Raymond Hargrove and Virginia and Miss Billie Jean Scott of Aiken visited friends and relatives here and in Goree on Saturday and Sunday of last week.

George Salem returned last week from Washington, D. C., where he has been visiting his wife, who makes her home there

John Brown of Eunice, N. M., visited relatives and friends here over the week end.  
Mr. and Mrs. Dorris Tuggle

and sons of Hale Center were week end guests in the home of their parents, Mr. and Mrs. T. H. Armstrong and Mr. and Mrs. Ben Tuggle.

**A word from the Eyes is sufficient!**

Reddy Says: **LOOK TO YOUR LIGHTING**

for STUDY      for WORK

It installs in a small closet or space 2 ft. wide by 3 ft. deep.  
\$268.90 plus installation. Easy terms.

**LONE STAR GAS COMPANY**

**This demonstration was worth many hundreds of dollars to me!**

I thought only a higher-priced car would suit me. But then I found out how much more Chevrolet offered for how much less!

**You're "sitting pretty" behind the wheel**  
Take this Bel Air model. First thing you'll notice is the quality of the interior. Rich-looking appointments. Roomy seats with foam rubber cushions. Turn the key to start the engine and you're ready to go.

**You can see all around**  
You look out and down through a wide, curved, one-piece windshield. The panoramic rear window and big side windows provide a clear view in all directions.

**You get more power on less gas**  
That's because Chevrolet's two great valve-in-head engines are high-compression engines. In Powerglide\* models, you get the most powerful engine in Chevrolet's field — the new 115-h.p. "Blue-Flame." Gear-shift models offer the advanced 108-h.p. "Thrift-King" engine.

**Biggest brakes for smoother, easier stops**  
An easy nudge on the pedal brings smooth, positive response

**—right now! Chevrolet's improved brakes are the largest in the low-price field.**

**It's heavier for better roadability**  
You're in for a pleasant surprise at the smooth, steady, big-car ride of this new Chevrolet. One reason is that, model for model, Chevrolet will weigh up to 200 pounds more than the other low-priced cars.

**You get greater getaway with the new Powerglide\***  
A lot finer performance on a lot less gas. That's what you get with the new Powerglide automatic transmission. There's no more advanced automatic transmission at any price.

**And it's the lowest-priced line**  
A demonstration will show you that Chevrolet offers just about everything you could want. Yet it's the lowest-priced line in the low-price field.

\*Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models at extra cost.

**Let us demonstrate all the advantages of buying a Chevrolet now!**

### Wage Survey—

(Continued from Page One)  
ployers hiring Mexican Nationals.  
"In fact," he said, "the Migrant Labor Agreement of 1951, as amended, reads in part as follows: 'The Mexican Consuls and the Representatives of the Secretary of Labor shall exercise vigilance to insure that the wage rate paid to the Mexican worker is not less than than prevailing wage rate for similar work in the area of employment and that wages are paid to the Mexican workers in accordance with such rate or with any increases in such rate which may become effective in the area during the period of employment, but not below the minimum rate specified in the Work Contract. Increases in prevailing wage rates shall be put into effect immediately by the employer and shall not be contingent upon a formal request to do so by the Mexican worker, the Consul of Mexico, or the Representative of the Secretary of Labor. Declines in prevailing wage rates shall be recognized and accepted by the Mexican worker, provided they do not fall below the rates specified in the Work Contract.'"

The surveys are made only in areas where Mexican Nationals are to be employed in numbers to warrant a survey. The surveys will be made bi-weekly during the cotton harvest season, Purcell said.

He added that a folded perforated card will be mailed to each farmer included in the survey on Mondays of the survey week. Information requested should be related to Wednesday of the survey week and returned the same day for tabulation by the TEC and the local Crop Wage Committee. Farmers not included on the sample list for the survey, will be given an opportunity to voluntarily furnish information on cards that will be made available at cotton gins in this survey area.

### Special P-TA Meet Called For Oct. 1st

Decisions which must be made before the next regularly scheduled P-TA session make it necessary for a call session of the group on Thursday, October 1st. All interested parents are urged to attend to decide whether or not the Hallowe'en carnival will be held and for what purpose the proceeds derived from any source be spent toward a swimming pool, and it is expected that there will be a great interest in this project.

Fathers of the children are especially invited to attend along with the mothers, as well as any interested person. "This project is of such community wide interest," says President Mrs. Clyde Taylor, "that we would be pleased if representatives from other service organizations would attend. Cooperation from everyone will be needed if such an ambitious goal is to be achieved."

### P-TA TO SEND STUDENT TO TRAFFIC SAFETY COUNCIL IN AUSTIN

A conference laboratory of youth for traffic safety will be held in Austin on October 11th and the local P-TA organization is planning to send a high school student from Munday to attend the conference. The student to be sent will be selected next Monday at a committee meeting for that purpose.

### Too Late to Classify

### GM's TV Football Blankets Nation

The above map illustrates the nationwide scope of the 1953 TV Football Game of the Week series being sponsored by General Motors over the 84-station NBC network starting September 19. The 13-week schedule of game telecasts, set up by the NCAA, includes 11 single games and two panoramic telecasts of the highlights of four separate games.

The games to be telecast, as indicated by number on the map, include (1) Nebraska vs. Oregon at Lincoln, Sept. 19; (2) Dartmouth vs. Holy Cross at Lynn, Mass., Sept. 26; (3) California vs. Ohio State at Berkeley, Oct. 3; (4) Texas vs. Oklahoma at Dallas, Oct. 10; (5) Alabama vs. Tennessee at Birmingham, Oct. 17; (6) highlights of the Princeton-Cornell, Arkansas-Mississippi, Illinois-Syracuse, and Iowa-Indiana games on Oct. 24; (7) Minnesota vs. Pittsburgh at Minneapolis, Oct. 31; (8) highlights of the Florida-Georgia, South Carolina-North Carolina, Northwestern-Wisconsin, and Kansas-Kansas State games on Nov. 7; (9) Michigan State vs. Michigan at East Lansing, Nov. 14; (10) Southern California vs. UCLA at Los Angeles, Nov. 21; (11) Utah vs. Brigham Young in Thanksgiving Day game at Salt Lake City, Nov. 26; (12) Army vs. Navy at Philadelphia, Nov. 28; and (13) Notre Dame vs. Southern Methodist at South Bend Dec. 5.

The black dots on the map indicate the locations of the NBC television stations which are scheduled to carry the TV Game of the Week series across the nation.

### Funeral Services For Mrs. Josie Bell Held In Seymour

Mrs. Josie Bell, 87, died September 14 in the Baylor County Hospital, after an illness of several months.

Funeral services were held at the Church of Christ at 4:00 p. m. September 16. Services were conducted by Minister Henry Seidmeyer, assisted by Rev. T. R. Bedford. Music by the choir was led by B. P. Franklin. A large crowd attended, and there were many flowers.

Under direction of the Harrison Funeral Home, interment was in the original cemetery, with the following pallbearers: Bobbie D. Bell, Tom McMorris, Jr., Winifred McMorris, G. L. Betts, Virgil Bowman and Bob Mayes.

Josie Kimmons was born April 1, 1866, in Arkansas. She was married to Mr. Bell on August 27, 1882. The surviving children are: Mahala Bell, Seymour Rt. 2; Z. Z. Bell, Glendale, Calif.; Jim Bell of Munday; J. T. Bell of Seminole; Jess Bell of Hastings, Okla.; E. B. Bell of Craig, Colo.; Mrs. A. H. Harvey of Seymour. The deceased has the unusual number of 154 descendants, as follows: 7 children, 41 grandchildren and 28 great grandchildren. A large number of these attended the funeral services.

Mrs. Bell came to Seymour in 1917, and united with the Church of Christ. She was a faithful member in every way, so long as her health permitted taking part in Christian activities. She was a friend to those about her; and she has sent many treasures on before her to the land of eternal rest.—Baylor County Banner.

Wayne Smith, who is a student in McMurry College, of Abilene spent the week end here with his parents, Mr. and Mrs. A. L. Smith.

Mrs. R. M. Almanrode was in Austin last Friday and Saturday to meet with the state advisory committee of the National Foundation for Infantile Paralysis.

R. M. Almanrode attended an insurance convention in Lubbock last Wednesday.
