

Kracker Krumb's

Odd Bits Salvaged
By The Editor

Those two 27-year-old cars parked across the street from our office one day last week attracted quite a bit of interest.

They were 1935 Ford coupes. Some who appeared to know said they were old enough to be antiques and worth plenty of money. When we first spied them, we were reminded of "Old Kracker Krumb's"—the 1937 Chevrolet that brought us to Munday, and which Elmer Hendrix is still driving.

One of the Fords was being driven, the other pulled, their bumpers chained together. Dark overtook the driver between Munday and Goree, so he used two flashlights for headlights and another for a tail light.

He got no further than Munday with this layout. Here he was picked up on a traffic violation—improper lights.

He reportedly got pretty smart with local law enforcement officers; so, instead of just a traffic violation fine, he was awarded a berth in the local Bastille! When shown his lodging for the night, he rebelled at sleeping on those old jail cell mattresses.

Chief of Police J. W. Massey, a rather accommodating person anyway, promptly unlocked the other cell where two brand new mattresses were on the beds. Next morning, Massey found the mattresses practically ruined.

His prisoner had dragged them on the floor, attached one to the cell wall and used it for a punching bag. Massey called A. C. Boggs to find out the charge for renovating them, then told the prisoner he could just pay that much more.

"How much are the mattresses?" he asked, and when told he replied: "I'll just take them."

Around 8 a.m. Friday, the man departed with his two 1935 model cars, plus his two mattresses. Wherever he is now, he is probably telling about the injustice of it all!

Nothing seems normal, any more—not even the weather.

Here we are having summer weather in February with some record-breaking temperatures—which probably means that the next cool snap will have us shivering from head to toe.

First thing you know, fruit trees will be bursting into full bloom and they will likely get nipped by that Easter spell. We took a look at our pecan trees Monday, and they appear to be about ready to put on foliage.

We don't know when we've heard so much comment about this type of weather. Here it is "later planting time, and some farmers have expressed the fear that the "taters will be planted, will come up nicely, and then we'll have that last blow of winter to nip them.

It's always interesting to us to peruse through old newspapers, and we had this opportunity last Monday when Charles Baker showed us a March 27, 1924, issue of The Munday Times showing the new First National Bank building and pictures of the bank's directors and personnel.

Pictures of those associated with the bank at that time included such prominent figures of the town as W. A. Baker, H. A. Pendleton, Fred S. Broach, Ben Guinn, Ira Bowden, and others.

The ladies' new Easter outfit at that time was really stunning, judging from a picture in an ad, but the ad which was headed "Catch The Greased Pig First Monday at Munday" caught our eye, and we read:

"This pig will be shaved by the Price Barber Shop and greased by the Bolt and McGraw Market. A prize will be given to the person catching him and putting him in a barrel."

YOUR SOCIAL SECURITY

A representative of the Social Security Administration will be in Munday at the City Hall on Tuesday, February 20 from 10:00 a.m. until 12:00 noon. You are invited to meet with the representative to file your claim, or to obtain information or assistance concerning Social Security.

Moguls Win Western Half Of District By Defeating Crowell Thursday Night

An overflow crowd of over 500 jammed into Benjamin's gymnasium last Thursday night to see the Munday Moguls defeat Crowell's Wildcats in a sudden death basketball playoff and win the western district crown.

Munday now challenges the eastern division winner, Archer City, this week in a best of three series for the district championship. It was 6-5 Wayne Belcher who was the deciding factor in the game as he stood head and shoulders above his Munday teammates. Belcher scored 15 points and snared more rebounds than the others combined. Ralph Caram, with 11 points, Tommy Dickerson with nine and Pete Alcalá with eight, contributed heavily to the victory.

Bruce Pruitt, usually a stalwart, was forced to leave the game one minute deep in the second half when he suffered a leg injury in a collision with a Crowell player.

MOGULS DROP FIRST GAME OF SERIES

The Munday Moguls dropped the first game of the three-game district championship series to Archer City, 43 to 36, last Tuesday night at Archer City.

Roddie Oliver and Barney Oliver hit the basket for 12 and 15 points respectively to lead the Moguls to victory. Wayne Belcher paced the Moguls with 20 points.

The two teams clash again at Munday at 7:30 p.m. Thursday for the second game of the series. Should the Moguls win this game and tie the series, a third game will be slated at a neutral court in Seymour.

Whitworth Makes Formal Statement

D. E. (Tuck) Whitworth, candidate for the office of Sheriff of Knox County, issued the following statement to the Times on Wednesday:

Having been a long-time resident of Knox County, rearing a family here, and as I have made this race for the sheriff's office before, I do not believe it is necessary to make a lengthy statement. I hope each voter will fully investigate my qualifications and ability to be the kind of sheriff they will be proud of. I believe that my years of law enforcement and extensive study fully qualify me for this office. I have attended the Border Patrol Academy and hold several certificates for competition of study in different phases of law enforcement, from the Department of Public Safety Education, A Department and A&M short course. These, I believe, have also increased my ability to meet and like people.

I promise, without reservation, that if I am elected to this office, I will perform the duties to the best of my ability and will enforce the laws as I will be sworn to do in the oath of office.

I believe that all law enforcement officers should be courteous at all times and not have an antagonistic attitude towards anyone, and my platform is this little prayer:

God grant me the serenity to accept the things I cannot change, the courage to change the things I can, and the wisdom to know the difference.

Arledge Says He's Middle-Of-The Road Democrat In His Formal Announcement

Roy Arledge, veteran West Texas cattleman, farmer, businessman and civic worker, made his formal announcement as candidate for state representative from the 83rd district this week.

The 83rd district is composed of Jones, Haskell, Knox, Baylor and Throckmorton counties.

A life-time Democrat, Roy Arledge said he announced his candidacy for state representative in the Democratic primary at the urging of many Democratic friends whose "advice and counsel I value."

The list of local and state civic club officers Arledge has held is long and impressive. His success in cattle breeding and sales has long been phenomenal in this area.

Roy Arledge was pioneering the use of airplanes in ranch operations long before it became popular with "big city boys who happen to invest in land." For his interest and work in flying, Arledge was elected president of the Texas Private Fliers Association.

Munday got off to a 4-point lead in the first period, 12-8. Pruitt got all of his six points and Belcher added four for the winners. Claude Sellers paced Crowell with four.

Caram scored first for the Moguls before Jim Mack Gafford tied the score 2-2. Belcher then added two layup shots for a 6-2 advantage and Munday never trailed after that.

The taller Moguls allowed Crowell but five points in the second quarter as Caram, Dickerson and Alcalá paced Munday to 15 and a 27-13 halftime lead.

The Wildcats outscored Munday 13-7 after intermission as little Edward Kajs, 5-6, and Sellers, led the way with seven and four points respectively.

Sellers cut the Mogul lead to four points, 34-28, as the fourth period opened, but the winners then broke loose to lead by as much as 16 points before the game ended.

Dickerson, 6-2, took up rebounding slack when Belcher fouled out, along with Crowell's Sellers.

The only bright spot in the game for Crowell was minute Kajs who was everywhere. He played his heart out and on occasions stole rebounds from boys a foot taller. He led Crowell scorers with 14 and Sellers hit 12.

The game was slow moving at times as both clubs made several mechanical mistakes. Crowell's numerous bad passes made it easy for Munday to win the crown. It was the third time in conference that Munday has beaten Crowell and makes the Moguls a unanimous choice for the district crown.

Missionary To Chile To Speak Sunday At Methodist Church

Announcement was made Tuesday that a Methodist missionary will speak at 6:30 p.m. Sunday, February 18, at the First Methodist Church in Munday. He is Rev. David Lowry of Chile.

Rev. Lowry and his family are home on furlough and will be leaving early in March to return to Chile. His wife is Dr. Mary Sue Lowry, a child specialist who completed her training at Southwestern Medical School in Dallas before being sent with her husband as a missionary to Chile. Rev. Lowry completed his training at Perkins School of Theology, S. M. U., in Dallas.

The youth will meet with Rev. Lowry at 5 p.m. for an informal discussion of missionary work. At the evening service, Rev. Lowry will show slides as he talks about the work of the church in Chile.

The public is extended a cordial invitation to attend this special service.

Six Contests Set For Knox County's Voters; Candidates Pay Fees Saturday

Six contested races loom for Knox County's voters this year, according to Collins Moorhouse of Benjamin, county Democratic chairman, who said Tuesday that Saturday is the final date for candidates to pay their assessments and have names placed on the ballot.

Contested races are for county judge, county treasurer, sheriff,

commissioner in Precincts 2 and 4, and justice of the peace in Precinct 1.

Voting strength of the county will be around 2,000 this year, it was stated.

Unopposed in bids for re-election are District Clerk A. E. Propps; County Clerk Zena H. Waldron, County Supt. Merick McLaughery; Precinct 6 Justice of the Peace J. C. Rice and Precinct 1 Justice of the Peace Ross B. West.

It has been reported that an election will likely be called to determine if the offices of District Clerk and County Clerk shall be combined.

In the race for county judge against incumbent L. A. Parker are C. A. Bullion and Joe Reeder, Jr.

County Treasurer Ed Thompson is opposed by Mrs. Clara Sue Bumpas and John M. Stockton.

H. C. Stone, recently appointed sheriff, is running for his first elective term in that office against D. E. Whitworth and Olen Coffman.

In the commissioners' races, incumbent W. W. Trainham is opposed in Precinct 2 by Rex A. Patterson and Lee Snalum. Incumbent George Nix is opposed by Billy Mitchell and Alonzo S. Cartwright in Precinct 4.

Precinct 1 Justice of the Peace Eddie Carr is retiring from that office; and Joe Simmons is in the race to succeed him.

Wichita Firm Gets Contract For Post Office

Construction of the new post office at Munday, Texas, was further advanced with the announcement by Postmaster General J. Edward Day that a contract has been awarded to Clarinda Corporation (Dr. David B. Allen, President) Room 102, 500 Broad Street, Wichita Falls, Texas, to build and lease the building to the Post Office Department.

"We are continuing to build new post offices where they are needed," Mr. Day said, "but we are constantly re-assessing our lease construction program to determine whether present buildings can be altered or remodeled to take care of our expanding volume of mail.

The construction program is being concentrated in those areas where the need is urgent and suitable space cannot be obtained except through new construction.

"We now have about 45,000 post office locations throughout the country, handling a volume of 65 billion pieces of mail a year. By 1970 it is expected to rise to 90 billion. It is clear, therefore, that we must redouble our efforts, not only in expanding our capacity but also in devising new postal techniques to meet the demands of our growing population."

Under the Department's lease construction program the Clarinda Corporation will construct the new building at the Northeast corner of "G" Street and Ninth Avenue, and lease it to the Department for ten years, with four consecutive 5-year renewal options.

The Department's capital investment is limited substantially to postal equipment, which will mean that the building will remain under private ownership, with the owner paying local real estate taxes.

"This formula," Mr. Day said, "utilizes the resources and investment funds of private enterprise for needed postal buildings."

The new post office at Munday will be constructed on a site containing 15,000 square feet, and is expected to be completed in August of this year. It will have an interior space of 3268 square feet, with an area of 8954 square feet for parking and movement of vehicles. The present space will be made available for other purposes.

Talent Show To Be Presented At Goree

The senior class of Goree High School is sponsoring a talent show which will be held at 7 p.m. Thursday, March 1, in the Goree auditorium.

The talent will be in three divisions: pre-school to fifth grade, junior high, and adults. No entry fees will be charged the contestants.

Anyone wishing to enter are requested to write the Goree senior class. All entries must be in by February 26. Prizes will be presented at the close of the program.

New Salesman At Wood Ford Sales

Announcement was made Tuesday that Macon Johns of Goree has accepted a position as salesman at Wood Ford Sales.

Prior to taking over the Gulf Service Station in Goree, Mr. Johns was employed as car salesman in Wichita Falls for a number of years. He knows car values and how to "talk trade," and prospective car buyers are invited to give Mr. Johns an opportunity to trade.

Car Inspections In Knox County Still Lagging

Less than thirty per cent of the registered vehicles in this area have been safety inspected for 1962, according to Patrolman Gwin Fowler Motor Vehicle Inspection Service of the Texas Department of Public Safety.

With the April 15 deadline, for having the vehicles checked, rapidly approaching, this means there are approximately 3200 vehicles in Knox County remaining to be inspected by the eight approved inspection stations available.

Many motorists are going to find long lines awaiting them as the deadline draws nearer, due to the inspection stations not being able to cope with this large number.

The patrolman urged drivers to have their vehicles inspected as soon as possible to avoid this last minute rush. In addition, he reminded drivers that this time of the year is noted for adverse weather conditions which prevents the inspection stations from checking the vehicles.

"Passenger cars are inspected for breaks, lights, reflectors, horn and windshield wipers; while commercial vehicles are inspected for the above plus additional items required by law," Patrolman Fowler said. "All motorists not displaying a valid 1962 inspection sticker by April 15 will be in violation of state law."

Official motor vehicle inspection stations in Knox County are as follows:

- Munday: Charles Hogsett Chevrolet, Cybert Service and Repair, Wood Ford Sales.
- Knox City: Egenbacher Implement Co., Holcomb's Garage, Stephens Chevrolet Co.
- Benjamin: Moorhouse Service and Garage.
- Goree: Millard's Garage.

School Chorus To Present Program

The Junior High School Chorus, under the direction of Mrs. J. H. Bardwell, will present a program for the Munday P. T. A. at their regular meeting at 7:30 p.m. Thursday, February 22, at the school auditorium.

One hundred boys and girls composed the chorus, and you will want to hear them in this special program, which will consist of popular songs, spiritual and semi-classical numbers. Special numbers will be rendered by a group of smaller boys and girls.

THE ANSWER TO SOCIALIZED MEDICINE

It has been charged that the medical fraternity and allied groups have little if any interest in the medical problems of elderly people in the lower-income brackets—and that, therefore, the federal government must provide medical care, preferably by adding it to the social security system.

Those who have been misled into believing that should find much food for thought in a joint announcement made by the National Association of Blue Shield plans and the American Medical Association in mid-January.

The announcement concerned a new, nationwide program of surgical and medical care benefits for all low-income people over 65. The cost is estimated at about \$3 a month. No government subsidies are involved. Single persons whose incomes are \$2500 or less and married couples in the \$4000 and under categories will be eligible. The plan will pay all medical and surgical costs, along with the bills for X-ray, anesthesia, and various tests. People over 65 with higher incomes can also enroll, and in their case an additional charge can be levied by the physician concerned.

Dr. F. J. L. Blasingame, executive vice-president of the AMA, said the plan represents "an important step in the direction of achieving through voluntary, private initiative an effective solution to the problem of meeting health care needs of the aged." And the new plan is in addition to other effective programs—such as the Kerr-Mills bill, passed last year, which provides federal subsidies, through a system of joint federal-state administration, for elderly people in the very low income brackets. Also, there are many state and local welfare programs which provide medical services for people who cannot afford to pay.

These are some of the answers to those who claim that we need socialized medicine, government dominated medicine, or a catch-all program of giving government-paid medicine to anyone drawing social security benefits whether they need assistance or not.

RETAILING LOOKS AHEAD

What's the outlook for retailing this year? That question was asked of the heads of leading variety chains by Richard D. Groberg of Chain Store Age. And the answers he got are interesting both for what they imply for the consumer—and for the American economy as a whole.

By and large, the forecasts are optimistic. Many new stores will be opened. Existing stores,

in many instances, will be enlarged and remodelled. Most of the executives expect substantially larger gross sales. All in all, a record year is anticipated.

The discount houses, which are a relatively new element in the retail picture, pose a definite problem. The chains plan to meet it, and to give the discounters aggressive competition, even though percentage profit in the dollar will be squeezed thin.

They also intend to offer the consumer still wider ranges of stocks, particularly in lines which are in heavy demand. One executive emphasizes the need to stress two points: "Meet 'em in price and carry full assortments."

All of this adds up to one great overriding fact, of which consumers should be ever-mindful. The greatest productive plant on earth would be worthless unless there were a comparable system of mass distribution to move the goods from factory to home. We have that system, and it is unrivalled in scope, efficiency, and overall quality.

IN A TIME OF DANGER

We live in a time of danger—danger from within as well as without. And we live in a time when constant attacks, many of a subtle nature, are being made against the institutions and principles which have made us great.

In the words of Harlee Branch, Jr., president of the Southern Company: "Well-meaning people are being deceived and misguided by men who, despite their claims of patriotism and philanthropy in many instances, are motivated by self-interest or deluded by alien ideologies, and who—if not restrained—could bring about the impairment of our constitution and the destruction of the political and economic systems which have made our nation the envy of the world. If that should happen . . . ours is solemn truthfulness will be a tragic era."

Mr. Branch also said, at a meeting of the Indiana State Chamber of Commerce: "I urge you not to save any particular industry—not even my own. But that you apply yourselves diligently to saving the whole of our free enterprise economy."

To save that economy is to save freedom—political as well as economic.

Newsweek lists some of the unusual little business stories it published last year. One of them: In February, a British electric-parts factory decided not to hire any more buxom girls. The reason was that buxom girls couldn't get close enough to close-tolerance work.

CHURCH OF CHRIST

GOREE, TEXAS

That For Which We Stand Cont.

6. We stand for the name of Christ as above all others, and as the only religious name that men should wear. The "disciples were called Christians," according to inspiration Acts 11:26. The gospel that Paul preached caused people to want to be "Christians," Acts 20:28. Peter, one of the apostles, demanded that we wear this name when he said, "Neither is there salvation in any other, for there is none other name under heaven given among men, whereby we must be saved" (Acts 4:12). Again Peter said "Yet if any man suffer as a Christian, let him not be ashamed; but let him glorify God in this name" (1 Pet. 5:16).

We stand therefore, against wearing human names, names which do not appear in the scriptures. Paul condemned party names in 1 Cor. 1:12-13. Peter warned against other names in Acts 4:12. We repeat this divine warning, and urge all men everywhere to heed these scriptures.

7. We stand for the worship of the church, as it was delivered from heaven and written in the scriptures for our guidance. Worship was to be "in spirit and in truth," Jno. 4:24. This worship consisted of teaching (Acts 2:42), giving of our means (1 Cor. 16:2), prayer (Acts 2:42), singing (Eph. 5:19, Col. 3:16, 1 Cor. 14:15), observing the Lord's supper on the first day of the week (Acts 20:7).

We stand therefore, against all human inventions and additions to the things taught in the New Testament. We are warned not to worship in ways that God has not commanded (Col. 2:18-19). We are even told that each worship is in vain (Matt. 15:9). Paul clearly declared that the judgement of God is against any item or form of worship for which there is not divine authority (Col. 2:20-23).

Sunday School was well attended at all churches Sunday. All the members of West Beulah are praying for their superintendent, brother Walter Jones, who is in the hospital at Big Spring. He has always been a faithful superintendent ever since brother Preston Shearold retired and moved to Midland.

The members of West Beulah worship with the St. John Methodist Sunday night. The opening lesson was read by Rev. Moore reading the 27 numbers of the Psalms. Prayer by Rev. Wicks. Then Rev. Patterson, the presiding elder, came forth with a wonderful message. The subject was the days of destiny. The offering was \$36.35.

News was received here Monday a.m. of the death of Mr. Stanley Lewis. He passed away in Wolf City. He lived here for a number of years.

The junior mission is doing a wonderful work, also the junior brotherhood. The senior mission is having an entertainment Saturday night.

Rev. Jackson of Haskell is preaching Wednesday, Thursday and Friday nights at West Beulah Church. Our prayers that some man, woman, girl or boy will be saved at this meeting. God is a big God, not too big to listen to the prayers and suffering of the least of us. Blessed is the Nation whom God is the Lord. There is not anything wrong with America as long as God will fight for us.

IT'S THE LAW in Texas

A public service feature of the State Bar of Texas

No Will? Who Inherits Property?

What will happen if you should die without executing a legal and proper will? Who will inherit your property? Your husband, wife, mother, father, children, your wife's relatives? The best way you can say who will have it is to provide a will which will protect your rightful beneficiaries and dispose of your property in accordance with your wishes.

When a deceased has no will, or dies "intestate" as the law calls it, the property of that person is distributed according to a detailed formula fixed by law. In some cases this may be the way you yourself would divide it—but in many cases it is not.

The provisions of the law concerning the distribution of the property of a person who dies without a will are rather complicated, and all of the possibilities cannot be covered by a general statement.

There are different rules for real estate and for personal property, for community property and for separate property, for homestead property, and for all of the many possible combinations of surviving relatives. Each situation must be carefully studied to determine the correct distribution of the property.

For example, here is a general idea of how the community property which you and your spouse have accumulated will be divided if you do not make a will prior to your death.

If your husband or wife survives and there are no children, the surviving spouse receives all of the property.

If, in addition, there are surviving children or descendants of deceased children, they would divide one-half of the property, while the surviving spouse would receive the other one-half.

Of course, grandchildren do not share in the estate unless their parent who would inherit is deceased. And when descendants of previously deceased children do inherit, they receive only the portion that the child would have received, regardless of the number of such descendants.

An odd note, perhaps, is that the surviving spouse already owns one-half of the community estate prior to your death, and

Knox Prairie Philosopher Claims Code Of The Old West, TV Style Needed In Today's Foreign Policy

Editor's note: The Knox Pra-

grass farm on Miller Creek dis-
cusses a new frontier in foreign
relations, his letter this week re-
veals.

J. A.

Dear editor:
I got tired of working on a
solution to the farm problem the
other day and just to rest my
mind shifted over to working on
the problem of foreign relations.

This came about because I had
just read that Castro reportedly
is setting up some guided missile
launching sites up in the moun-
tains over there in Cuba and
they're pointed at the United
States, only 90 miles away, which

Arledge Says—

(Continued from Page One)

of airplanes to seed grassland. But the use of airplanes was not the reason for the candidate's success in business. A knowledge of stock handed down from his father, the late Thomas Ermit Arledge of Nolan County, was the basic ingredient.

While the use of air transportation and the breeding of cattle have made the Arledge name well known in Jones, Haskell, Knox, Baylor and Throckmorton Counties, Roy Arledge considers himself basically a farmer who is concerned with planting and raising grain and cotton.

Roy Arledge understands our area and its problems—water and financing. He worked to obtain Lake Stamford and has long been interested in water for West Texas.

For 12 years he was chairman of the Quarterhorse division of the Texas Cowboy Reunion. Roy and his brother, Henry's cattle breeding honors go back more than a dozen years when the Arledge brothers saw the royal purple pinned on their cattle as grand champions at San Antonio, Abilene and other places.

When Roy was president of the Stamford Chamber of Commerce he also was elected president of the Southwestern Ice Manufacturer's Association. He served six years on the Stamford city council. And during this time, Arledge did not neglect other civic duties. When he was awarded the coveted Boy Scout Silver Beaver award only 27 men in the history of the 31 years the Chisholm Trail Council had received the honor.

Arledge attends the First Baptist Church in Stamford.

After such a lifetime of busy, active work, Roy Arledge still has the advance philosophy and way of thinking that made him a pioneer in the use of airplanes in West Texas.

"When people discuss politics, I am a Democrat," said Arledge. "I like to look at each individual issue and not vote just on political expediency alone. But this doesn't mean I am trying to straddle any fences. I would classify myself as a middle of the road Democrat."

Roy Arledge and his wife, the former Lois Lee of Haskell County, moved to Stamford in 1930. He has two sons, Jack, the Ford dealer in Knox City, and Jimmie, a builder in Abilene.

Arledge said he is going to work hard as a candidate and pledges to work to the very best of his ability to represent his area when elected.

BIRTH ANNOUNCEMENT

Mr. and Mrs. Boyd Lynn Meers are announcing the arrival of a son at 1:10 p.m. Sunday, February 4, 1962. He weighed 7 pounds and 12 ounces and has been named Todd Boyd. Grandparents are Mr. and Mrs. R. E. Hutchinson of Weinert and Mr. and Mrs. Boyd Meers of Munday.

Mr. and Mrs. Dub Gresham and children of Wichita Falls visited her parents, Mr. and Mrs. H. D. Henson, over the week end.

Mrs. Toibie Winchester, Mrs. B. R. Winchester and Nancy attended the funeral services of Mrs. B. R. Winchester's uncle, Odis Penny, in Gatesville last Friday.

Mr. and Mrs. J. R. Gaines returned home last Saturday from three weeks tour of Florida Keys and other points of interest. They reported a wonderful trip, and saw so much beautiful scenery.

Purcell Names His Assistant

Congressman Graham B. Purcell recently announced that a youthful Wichita Falls attorney, Lynn Darden, has been appointed his administrative assistant in Washington D. C.

Mr. Darden has been a partner in the law firm of Kouri, Banner and Darden in Wichita Falls for the past two years. Previous to this, he practiced law in Olney for a short time after graduating from the University of Texas law school. He is a partner in R. W. Darden Drilling Co. and Darden and Gray Drilling Co., in Olney.

Darden is a 32nd degree Mason and a member of the Wichita Falls Maskat Temple. He has been active in youth work in the Y. M. C. A., and is a member of the First Baptist Church.

To Celebrate Her 95th Birthday Sunday

Mrs. C. F. Oman of Weinert will celebrate her 95th birthday at the home of her son and wife, Mr. and Mrs. Frank Oman in Weinert on Sunday, February 18th.

Her family will honor her with an open house from 2:30 until 4:30 p.m. Her friends are invited to call.

Mrs. L. B. Patterson was able to be brought home from the Bethania Hospital in Wichita Falls last Saturday after undergoing surgery. She is reported to be recuperating nicely at her home here.

Mrs. A. C. Sarsfield returned to her home in Irving last Sunday after a three weeks visit here with Mr. and Mrs. J. C. Spann.

Mr. and Mrs. Floyd Spivey of Wichita Falls were Tuesday guests of Mr. and Mrs. Ben Yarbrough.

Bob Cude of Texas Tech in Lubbock was a week end guest of his parents, Mr. and Mrs. Elmer Cude.
