Highlight of the 1994 4-H of "Junior 4-H Gold Star Award" by County Extension Agent Paul

The Gold Star award is the highest award a 4-H member can receive. Applicants for the 1994 award were Juli Larned and Ronnie Morrow, both of Knox City. Recipient of the honor was Roni Morrow, daughter of Poncho and Leisa Morrow. Roni is a four year member of 4-H and has excelled in numerous areas of the 4-H horse project. She has held the offices of vice-president and reporter for her Mike Hemandez presented cer- local club. Roni is twelve years old and in the 7th grade at Knox City/O'Brien.

The evening activities also included a dance and bingo concluded by a vesper service presented by members of the Goree 4-H Club.

MARK REED of Munday received a "Friend of 4-H" award for his support of 4-H activities in Knox County. Alishia Crownover presented him with a plaque at the annual 4-H Achievement Program held August 27. Melissa Arce of Knox City was another recipient of this award.

Munday Braves victorious over **Throckmorton**

The Munday Junior Braves defeated the Throckmorton Junior High by the score of 8 to 6.

The Braves were down by 6 late the time of their lives! in the fourth quarter. On a pass play, Munday scored to tie the game at 6 to 6. A two point conversion run put the Braves out on top. The defense held on to preserve their first win of the season.

The Munday Braves lost their first game to Petrolia 8 to 0 in a downpour of rain.

The Junior Varsity Moguls traveled to Roby this past Thursday and were defeated 48 to 8. The JV is mainly composed of freshmen who are gaining some great experience for years to come.

The Junior High Braves will travel to Rotan this Thursday and game time is scheduled at 5:30 p.m. Munday JV will not play this week due to Rotan not having a junior varsity team.

Retired Teachers to meet next Tuesday

Tuesday, September 27.

The program will be given by Don Whetsell, pastor of the First burger before going to the football United Methodist Church, who game at 8 p.m. and watching the will welcome everyone to another by 6 points to none.

URIE VESHKIN AND SERGEI KRASNIK, bankers from Russia, and their interpreter, Taytyana Sviontek, visited the local Production Credit Association office on Wednesday, September 14. They are part of a group traveling through Texas studying the relationships between banks and their agricultural borrowers. Pictured with the Russians are loan officer Trent Driggers and PCA Senior Vice President Bobby Sosolik, at left, and Larry Smith, at right, who was appointed to serve as tour guide.

BRONCO FLYE

Mogul receives **Big Country** Player of the Week

Munday Mogul runningback Bronco Flye was honored last week as the KTXS - Pepsi Player of the Week.

KTXS Channel 12 out of Abilene chooses one player from the Big Country each week for that player's outstanding performance on the field.

During the game against Petrolia, Bronco rushed 16 times for 157 yards and 2 touchdowns. On the defensive side of the line he was in on twelve tackles - sure twelve tackles may be common but ten of those were unassisted. Bronco also forced two fumbles and intercepted two passes, one of those for a 48 yard touchdown.

KTXS traveled to Munday's pep rally last Friday to present the award to Bronco and aired the presentation that night on Friday Night Football with Gary Stricka punt with the Moguls and then morton twice and the Moguls land. The show comes on every Friday night around 11:00 p.m. after the news.

This is a great honor and all Mogul fans are very proud of Bronco and the entire Munday Mogul football team. Keep up the hard work guys, we're backing you all the way!

State Comptroller mails September sales tax rebates

State Comptroller John Sharp delivered a total of \$128.3 million in September sales tax rebates to 944 Texas cities and 111 counties, a 9.3 percent increase over payments of one yera ago.

Sharp said an all-time employment high of 7.7 million working Texans has produced greater consumer confidence and increased buying, which often tranlates into higher sales tax collections. More then 226,000 new jobs were created since July 1993 - 181,000 of which were in the services, trade, construction and manufacturing

This month's payents include taxes collected in July sales and reported to the Comptroller in August by businesses filing 8:00 p.m. in the administration for increased expenditures strictly monthly tax returns.

Knox County received a total of \$134,397.24 for the month of September. The City of Munday re- ing, these items were considered. now in the hands of the local ceived \$5,303.02; City of Knox The tax rate was set at \$1.30. school board.

Letter to the editor

Dear Editor

Safety is a critical issue for the farm families in Knox County. Wednesday afternoon Bible study. According to the National Safety Council, 2,400 farm residents died Brown of St. Joseph Church called in accidents last year. Of those bingo Thursday, Mrs. Fleta Mayo deaths, 1,100 were work-related.

And these are only the accidents that ended in fatalities. There ited Grace Bowden and Lorena are countless accidents each year Bumison. that cause injuries ranging from minor to serious or even crippling. We all know of families in Knox played the piano and organ for an County who have been touched in hour and a half. The residents ensome way by a farming accident.

One of the tragedies is that these accidents don't happen only to their ladies, Sarah Guess and Olie those who earn their living on the Bell Mayfield of Weinert, and Ret farm. Alltoo often, farm accidents Hughes of Munday, with him and involve children who are either helping out with chores or playing around the farm. How does a family recover rom the tragedy of a toddler suffocating in a grain bin or a young man losing his hand to a combine? It doesn't. And neither does the farming community.

That's why the National Safety Council, in conjunction with several agricultural associations, developed National Farm Safety Week. Held this year from September 18-24, National Farm Safety Week is an opportunity for all of us involved in farming to focus on making our way of life safer -- for everyone.

All of us at Parker Implement Company would like to take this opportunity to encourage everyone in the Knox County farming community to make working safely a conscious effort during National Farm Safety Week -- and

Ball Saturday afternoon.

Wilma Hogan visited Bea Mitchell.

Jennie Wren visited Neta Peek and Bea Mitchell Thursday night. Leslie Melton, Dorothy Williams, Marsha Walker and Levi Waller of Peaster visited Opal Boger and Nita Peek Saturday, September 17.

Robin Bowen played the piano for the Saturday afternoon singing. Virginia Cary led the singing, read some poems, and led the 23rd Psalms for all of us to recite.

Woodie Strickland of Abilene visited his mother, Eunice Strickland, and Virginia Williams on Sunday and had lunch with

Tonya Tolleson brought lunch to her grandmother, Fleta Mayo, and her Aunt Etta Frazier. Tonya's father, Buddy Mayo of Goree, joined them and they enjoyed the lovely lunch and a long visit talking about "old times"

The Baptist minister of Goree, Rev. Dossey, held church services Sunday at 3 p.m. He read from the book of Revelations about how

heaven. Peggy Myers played the piano, Peggy Hosea led the singing. Fifteen members of the church attended and helped with the singing. The residents certainly enjoyed all of it.

Pastor Don Whetsell of the First United Methodist Church of Munday and Goree visited Nita Peek, Venta Hom, Ala Myers, T.J. Partridge, Irene Gafford, and Doug Hilton. He also played ball with the exercise group Monday mom-

Pathways

by Randy White, Pastor First Baptist Church

Someone said that life is defined as the sum total of a person's choices. From cradle to grave we face many great decisions. What is life's greatest choice?

Life's greatest choice has to do with God and your commitment

The Bible presents that choice through Joshua when he says "... choose you this day whom you will serve . . . " Life's greatest choice is made when we decide which master we will serve.

This is a necessary choice. Each person must choose for or against God. To refuse or neglect to make

a choice is to make one.

It is a personal choice. No onecan make it for you. "Every tub must sit on its own bottom!" We are individually responsible to God and must individually choose."

It is an urgent choice. Life is uncertain and death is sure. Since we have no guarantee of tomorrow, we had better do what we ought to do today.

It is a logical choice. When you consider all that God has done for you, it is logical that you would choose to serve Him.

"Lord, as for me and my house, we will serve the Lord. Amen." The work of the Lord of

The art of amorous conversations consists in making them not always amorous.

IMPORTANT NOTICE OF PROPOSED SETTLEMENT OF **CLASS ACTION AND FAIRNESS HEARING**

IN THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF ALABAMA SOUTHERN DIVISION

> Russell Price, et al vs. Ciba-Geigy Corporation NO. 94-0647-CB-S

U.S. WORKERS WITH ON-THE-JOB EXPOSURE TO GALECRON®

and Their Spouses, Children, Other Relatives and Legal Representatives:

GALECRON® WAS A COMMERCIAL AGRICULTURAL PESTICIDE WHICH WAS MARKETED IN THE U.S. BY CIBA-GEIGY CORPORATION. IT WAS NOT MARKETED FOR RESIDENTIAL OR HOME GARDENING USE.

U.S. WORKERS WITH ON-THE-JOB EXPOSURE TO GALECRON® MAY BE ELIGIBLE FOR FREE MEDICAL MONITORING AND/OR CASH PAYMENTS UNDER A PROPOSED LEGAL SETTLEMENT.

You may belong to a class of people covered by a proposed settlement of a legal action ("Settlement"), and you may be entitled to receive the benefits of the Settlement. This Notice tells who is covered by the Settlement, and describes the litigation, the benefits of the proposed Settlement, and your legal rights. All Settlement Class members who do not timely exclude themselves from the lawsuit will be bound by the Settlement if it is approved.

PLEASE READ THIS NOTICE CAREFULLY -IT MAY AFFECT YOUR LEGAL RIGHTS -FOR MORE INFORMATION CALL 1-800-565-3126

By Order of the United States District Court for the Southern District of Alabama, a class action has been conditionally certified for settlement purposes on behalf of Settlement Class Members (as defined below) who may now or later have claims against Ciba-Geigy Corporation arising out of work-related exposure to Galecron®. On January 30, 1995, a fairness hearing will be held at the Courthouse, United States District Court, Southern District of Alabama, 113 St. Joseph St., Mobile, Alabama, 36602, at 9:00 a.m. Central Time, so the Court can determine if the class action should be finally certified and if the Settlement summarized in the Notice should be approved as fair, reasonable and adequate. This hearing may be continued without

DEFINITION OF CLASS

Under the Settlement, Galecron® is defined as chlordimeform or any chlordimeform-containing product, either manufactured, formulated, packaged, distributed or sold by or on behalf of Ciba-Geigy Corporation or related parties, regardless of the trade name of the product; or any metabolite of Galecron®, including the substance known as 4-COT or 5-CAT.

The Settlement Class is defined as:

 All persons who fall into one of the following categories, and who reside in the United States as of the date of filing of the Class Action Complaint, who have been exposed in the United States to Galecron® ("Exposed Persons")

> Plant Workers: An individual (whether or not employed by Ciba-Geigy Corporation) who in the course of his or her employment at Ciba-Geigy Corporation's St. Gabriel, Louisiana or McIntosh, Alabama sites, was exposed to Galecron®, including, without limitation, individuals who worked in manufacturing, formulating or packaging Galecron® or in the waste disposal of Galecron®, or worked in the construction, demolition or maintenance of any facilities used for the foregoing activities at such St. Gabriel, Louisiana or McIntosh, Alabama sites; or

Formulators: An individual (whether or not employed by Ciba-Geigy Corporation) who in the course of his or her employment was exposed to Galecron® while at a plant or site which was involved in mixing, blending, packaging, handling or otherwise formulating pesticides which contained,

in whole or in part, Galecron®; or Applicators: An individual (whether or not employed by Ciba-Geigy Corporation) who in the course of his or her employment, was exposed to Galecron® while involved in the application of pesticides which contained, in whole or in part, Galecron®, including, without limitation, aerial and land applicators, flagmen, mixers, blenders, loaders and other individuals who handled such pesticide prior to or during the application process; and

Other Covered Workers: An individual (whether or not employed by Ciba-Geigy Corporation) who in the course of his or her employment was exposed to Galecron® at the Clean Land, Air, Water Corporation or Environmental Purification Advancement, Inc. disposal sites located near Bayou Sorrel, Louisiana; at Empak, Inc. in Deer Park, Texas; or in a testing or research laboratory, whether or not owned by Ciba-Geigy Corporation; or

(2) The spouses, parents, children or other relatives of the Exposed Persons described above.

(Collectively "Settlement Class Members"). Note: If you are an Exposed Person, you are a Settlement Class Member whether or not you have been diagnosed with an illness. Spouses, parents, children or other relatives are Settlement Class Members but the claims they are settling are limited to those arising

from an Exposed Person's exposure. Relevant Dates Galecron® was registered for use from 1968-1989. Some Exposed Persons may have been exposed before or after those II. IMPORTANT MEDICAL NOTICE To Plant Workers, Formulators, Applicators and Other

Covered Workers (as defined above): You may have an increased risk of developing bladder cancer if you had on-the-job exposure to Galecron®. Workers exposed to Galecron® should participate in a medical monitoring program because early detects of bladder cancer can result in more effective treatment. A art of the Settlement. Ciba-Geigy has agreed to establish a edical monitoring program for the detection of bladder can't for those individuals who do not exclude themselves from the lawsuit. Within six months, this program should be avalable free of charge to all Exposed Persons who do not exclude themselves

If you had on-the-job exposure to Galecron®, it is recommended that you or your doctor call 1-800-565-3126 to learn how you can obtain further medical information or enroll in the medical monitoring program.

III. BRIEF SUMMARY OF LITIGATION

On February 8, 1994, a class action lawsuit was filed against defendant, Ciba-Geigy Corporation ("Ciba-Geigy"), in Alabama State Court, which lawsuit was later removed to the United States District Court for the Southern District of Alabama. The Complaint, as amended, alleges that the Settlement Class as defined above is entitled to damages for medical monitoring and other compensation as a result of Exposed Persons' exposure to

Ciba-Geigy has filed an Answer denying all essential allegations of the Complaint, and asserting affirmative legal defenses. The Court has decided that the case can proceed as a class action for purposes of settlement only. This does not mean that the Class Representatives would have been successful had the case gone to trial. The Court has made no such determination, and the proposed Settlement is not to be construed as an expression of any opinion by the Court as to the merits of any of the claims asserted against Ciba-Geigy.

IV. PROPOSED SETTLEMENT

A Settlement has been entered into between the Class Representatives, Class Counsel and Ciba-Geigy, which will resolve all past, present and future claims against Ciba-Geigy arising out of Exposed Persons' exposure to Galecron®. The Settlement provides for the establishment by Ciba-Geigy of two funds to provide medical benefits and compensation to Exposed Persons or their legal representatives.

(1) The Medical Monitoring and Treatment Fund ("The MMT Fund"). If the Settlement is approved, Ciba-Geigy will make an initial deposit of \$5,000,000 into the MMT Fund, and will thereafter make additional deposits on an as-needed basis. There is no limit to the amount of money Ciba-Geigy can be required to contribute over the life of this Fund.

The MMT Fund will pay for a medical monitoring program designed to detect at an early stage the form of bladder cancer alleged to be associated with Galecron®; specifically, primary urothelial carcinoma of the urinary collecting system. i.e., renal pelvis, ureter, bladder and urethra. The MMT Fund also will pay for all medically necessary treatment not paid for by Medicare or Medicaid if the Exposed Person has been or in the future is diagnosed with such bladder cancer.

The MMT Fund will pay for medical monitoring to Exposed Persons for a period of 20 years, and will pay for medical treatment until one full year passes with no claims for treatment being filed but in no event less than 20 years. Ciba-Geigy will have no obligation to continue the medical monitoring and treatment program if the Settlement is not approved. Only Exposed Persons, i.e., eligible Plant Workers, Formulators, Applicators and Other Covered Workers, as defined in this Notice, will be entitled to medical monitoring and treatment.

(2) The Disease Compensation and Administration Fund ("The DCA Fund"). If the Settlement is approved, Ciba-Geigy will also make an initial deposit of \$30,000,000 into the DCA Fund. In addition to medical treatment paid for by the MMT Fund, the DCA Fund will make cash payments of up to \$410,000, as set forth in more detail below, on behalf of an Exposed Person who, after exposure to Galecron®, has developed or in the future develops the form of bladder cancer alleged to be associated with Galecron®: specifically, primary urothelial carcinoma of the urinary collecting system, i.e., renal pelvis, ureter, bladder and urethra. Cash payments will vary depending upon the Exposed Person's age, smoking status and participation in the health screening program. For Exposed Persons who are nonsmokers and participants in the health screening program, the cash payments will be as follows: (a) \$10,000 in the event of treatment involving an invasive procedure (this is a one-time payment regardless of the number of procedures); (b) up to \$150,000 in the event of a radical cystectomy (bladder removal) with diversion of the urinary tract, which amount will decrease with a person's age to a minimum of \$10,000 if the Exposed Person is 85 years or older; and (c) up to \$250,000 in the event an Exposed Person's death is found to be caused by bladder can-

cer, which amount will decrease with age to a minimum of \$17,500 if the Exposed Person is 85 years or older. An Exposed Person may collect separately for (a), (b) and (c) above, so that the maximum payment to an Exposed Person is \$410,000. The cash payments described above will be reduced by 12.5% if the Exposed Person had smoked in the five years prior to diagnosis. A separate 12.5% reduction will be made if he or she had failed to participate in the health screening program in each of the three years prior to diagnosis (or in each year that the program was available, if less than three years). The DCA Fund also will pay \$1,000 to any Exposed Person who was diagnosed with hemorrhagic cystitis within three months following exposure (this is a one-time payment regardless of the number of manifestations). In addition, the DCA Fund will pay for administrative costs, and class counsel's attorneys' fees, costs and expenses as determined by the Court. All cash payments from the DCA Fund are paid only on account of a compensable claim of an Exposed Person, i.e., an eligible Plant Worker, Formulator, Applicator or Other Covered Worker, as defined in this Notice. Cash payments to a spouse, parent, child or other relative will only be made if they are the legal representative of an Exposed Person.

The benefits of the DCA Fund will continue as long as the MMT Fund continues, or until the DCA Fund is exhausted as set forth below. Ciba-Geigy has agreed to pay up to a maximum of \$45,000,000 for the benefits afforded by that Fund. If the DCA Fund is exhausted, Ciba-Geigy may continue paying for compensable claims. If Ciba-Geigy does not continue to pay, Settlement Class Members will be able to opt-out of the DCA Fund and will regain their right to pursue any legal claims they may have, except for claims for medical monitoring, medical treatment, fear of illness or cancer, or increased risk of illness or cancer, because medical monitoring and treatment will continue

(3) Other Conditions. The Stipulation of Settlement presently provides for medical monitoring, treatment and compensation payments for certain medical conditions set forth in this Notice. In the event, however, that a Court approved Epidemiology Panel determines to a reasonable medical certainty that any other medical condition is caused by Galecron® exposure. that condition will be deemed a compensable claim, and will be eligible for medical monitoring (if feasible); medical treatment; and cash payments. The cash payments will not exceed the maximum amounts payable for the covered medical conditions set forth above.

(4) Administrator. A nationally recognized entity or entities with substantial investment and medical claims administration experience will be appointed by the Court to administer the Settlement. The Administrator will determine whether a Settlement Class Member is eligible for benefits under the settlement. Any disputes concerning a Settlement Class Member's entitlement to benefits will be resolved by a Medical Advisory Panel or by a single arbitrator, depending upon the issue in dispute. The decision of the Medical Advisory Panel or arbitrator each have the effect of an arbitration decision and shall be binding upon all parties, including the Settlement Class Member.

(5) Release. Settlement Class Members who do not exclude themselves from the Class release all past, present and future claims: (i) relating to the covered medical conditions listed above; and (ii) relating to an Exposed Person's exposure to Galecron®, including all claims alleging that any other cancers. personal injuries or risks are caused by exposure to Galecron®. This means that claims that Galecron® exposure caused any condition other than those medical conditions listed above will be released, but will receive no compensation or treatment, unless the Court approved Epidemiology Panel finds that such other condition is caused by Galecron® exposure. The release is effective as against Ciba-Geigy and certain additional releasees as defined in the Stipulation of Settlement, including Ciba-Geigy,

Ltd., the parent of Ciba-Geigy. If you believe you are a member of the Settlement Class, and have any questions regarding any of the benefits set forth above, you are urged to call 1-800-565-3126 for further in-

V. CLASS REPRESENTATIVES AND

CLASS COUNSEL The Court has designated the following Settlement Class Members, Russell W. Price, Leslie E. Hoven, Grady W. Brown, Jennie Ropp Brown, Jack Harley Woodward, Alta Woodward, Joe H. Bowman and Martha Annie Bowman, as class representatives to represent all Settlement Class Members. The Court has also designated as Class Counsel the following individuals: Timothy E. Eble; J. Cecil Gardner; Joseph J. McKernan; S.C.

Middlebrooks III; Charles W. Patrick, Jr.; and Patrick W. Pendley. The Class Representatives and Class Counsel believe that the proposed Settlement is fair, reasonable and adequate. Class Representatives and Class Counsel have entered into the proposed Settlement after weighing the substantial benefits against the probabilities of success or failure, and the long delays that would be likely if the case proceeded to trial.

There has been no agreement between the parties regarding attorneys' fees. At the fairness hearing, Class Counsel will request the Court to award attorneys' fees and reimbursement of costs and expenses, to be paid from the DCA Fund. Class counsel will request a percentage fee award not to exceed 20% of the benefit conferred on the class, half of which will be requested to be paid over a 4-year period while legal work continues.

VI. RIGHTS AND OPTIONS OF SETTLEMENT CLASS MEMBERS

If you are a Settlement Class Member, you have the fol-

(1) You may do nothing and remain a Settlement Class Member. If you choose to take no action, your interests as a member of the Settlement Class will be represented by the Class Representatives and Class Counsel, at no cost to you individually. You will be bound by any judgment or final disposition of the litigation, and may participate in the benefits available as a member of the Settlement Class. It is important, however, to fill out the REQUEST FOR INFORMATION FORM in order to learn how to receive benefits.

(2) You may remain a Settlement Class Member and either represent yourself or hire your own attorney to represent you at your own cost. You or your attorney must file an Entry of Appearance with the Clerk of the Court and send a copy to Class Counsel and Ciba-Geigy, at the addresses set forth below. Such Entry of Appearance must be filed by December 16,

(3) You may remain a Settlement Class Member and object to the Settlement. Any Settlement Class Member who does not elect exclusion from the Settlement Class and who objects to the proposed Settlement must mail such objections and any supporting papers to the Clerk of Court, at the address set forth below, on or before December 16, 1994. If the person filing the objection intends to appear personally at the January 30.

1995 Fairness Hearing described above, he or she must file with the Clerk, on or before December 16, 1994, a Notice of Intent to Appear. Any Settlement Class Member who does not file objections in the time and manner described above is forever foreclosed from raising any objection to such matters. Any Settlement Class Member whose objection is overruled will still be bound by any judgment or final disposition of the litigation. Copies of all objections and Notices of Intent to Appear that are mailed to the Clerk of Court must also be mailed to Class Counsel and to counsel for Ciba-Geigy at the following addresses:

Class Counsel Galecron Class Action P. O. Box 974 Charleston, SC 29402 Counsel for Ciba-Geigy Henry B. Alsobrook, Jr. Adams and Reese 4500 One Shell Square New Orleans, LA 70139

(4) If you choose to remain a Settlement Class Member (under Options 1, 2 or 3 above), you may receive the benefits afforded by this Settlement within six months of the Court's Order directing this Notice. Ciba-Geigy has agreed to make all benefits afforded by this Settlement available to Settlement Class Members on an interim basis prior to final Court approval of the Settlement. The appropriate Proof of Claim forms will be required (see Section VII below), and an appropriate reease will be required for any cash payments made. During thi interim claims procedure, class counsel's fees and expenses will be paid upon approval of the Court and ultimately deducted from the DCA Fund initial deposit.

(5) You may request exclusion from the Settlement Class. If you elect to be excluded from the Settlement Class, you will not be bound by any judgment, disposition, or settlement of the class action, but you also will not be able to participate in the Settlement. You will retain and be free to pursue any claims you may have. If you wish to exclude yourself from the Settlement Class, you must mail a request for exclusion to the

> Clerk of Court United States District Court For the Southern District of Alabama 113 St. Joseph Street Mobile, Alabama 36602

Your exclusion request must set forth your full name and current address. Your written request for exclusion must be postmarked no later than December 16, 1994.

VII. PROOF OF CLAIM PROCEDURE

In order for an Exposed Person to receive medical monitoring, he or she will be required to submit proof of certain employment-related exposure to Galecron®. In order to receive medical treatment or the disease compensation outlined above, a Settlement Class Member will also be required to have been diagnosed, subsequent to exposure, with one of the covered medical conditions listed above. A Proof of Claim to participate in medical monitoring may be submitted at any time during the duration of the program. A Proof of Claim for a covered medical condition must be submitted within one year of diagnosis (or, if the condition has already been diagnosed, within one

year after approval of the Settlement). The Proof of Claim is designed so that you may complete it yourself. Class Counsel is available to answer questions you may have about claims procedures, without charge to you. If you desire legal assistance, you are free to retain an attorney of

To obtain a Proof of Claim Form for medical monitoring, medical treatment or disease compensation, please call 1-800-565-3126 or fill out the REQUEST FOR INFORMATION FORM below and mail it to Class Counsel at P.O. Box 974, Charleston, SC 29402. No benefits will be available to any member of the Settlement Class unless he or she submits the necessary Proof of Claim Form.

VIII. FOR FURTHER INFORMATION

THIS NOTICE IS ONLY A SUMMARY. The complete terms of the Settlement, and all other pleadings and relevant documents in this litigation, are on file and may be examined or copied during regular business hours at the offices of the Clerk of the Court, United States District Court, 113 St. Joseph Street, Mobile, Alabama 36602. DO NOT CALL THE CLERK OF COURT if you have any questions about this Notice or the Settlement. Address any questions regarding this Notice or Settlement in writing to the Class Counsel at P. O. Box 974, Charleston, SC 29402. or by calling 1-800-565-3126.

Any requests for additional information, like the Proof of Claims Forms or a complete copy of the Settlement, should be made by calling 1-800-565-3126, or by filling out the REQUEST FOR INFORMATION FORM below and mailing it to Class Counsel. It is recommended that all Settlement Class Members who do not wish to exclude themselves mail the REQUEST FOR INFORMATION FORM, as it will facilitate further communication if the Court approves the Settlement. If you do not mail the attached form, the Court may not be able to communicate with you directly and you may not learn how to receive your benefits.

Mobile, Alabama Date: September 1,1994 By Order of the Court Judge Charles R. Butler, Jr.

PUBLIC

NOTIFICATION TOTAL COLIFORM VIOLATION

The City of Goree water system collected one water sample during the month of September, 1994, that contained Coliform bacteria. The City of Goree water system is required to submit a minimum of 1 water sample each month for bacteriological analysis.

The Texas Natural Resource Conservation Commission (TNRCC) sets drinking water standards in Texas and has determined that the presence of total coliforms is a possible health concern. Total coliforms are common in the environment and are generally not harmful themselves. The presence of these bacteria in drinking water, however, generally is a result of a problem with water treatment or the pipes which distribute the water, and indicates that the water may be contaminated with organisms that can cause disease. Disease symptoms may include diarrhea, cramps, nausea, and possibly jaundice, and any associated udaches and fatigue. These symptoms, vever, are not just associated with dis--causing organisms in drinking wa-

e TNRCC has set an enforceable drining water standard for total coliforms to reduce the risk of these adverwhealth effects. Under this standard, lectedduring the month can contain these bacteria, except that systems collecting fewer than 40 samples/month that have one total coliform-positive sample per month are not violating the standard. Drinking water which meets this standard is usually not associated with a health risk from disease-causing bacteria and should

be considered safe. matter you may contact Glenda Decker at (817) 422-5306.

Munday Church of Christ

The

Christian Life

Jeff Christian - Minister

If you have ever been caught in a lie, you probably remember how embarrassing it felt. More than likely, you thought the lie would make someone feel better, or do them some sort of good. However, as most of us have come to find out, lies do not usually work.

Many people claim to believe in God. It's hard to comprehend that Subscriptions the majority of the United States "believes" in God, especially considering the shape we are in. But belief is not enough. God has to be more than a concept by which that is not enough.

John said in his first letter, "If anyone says, 'I love God,' yet hates Debbie Adams, Wichita Falls his brother, he is a liar." (1 John Melinda Adams, Wichita Falls 4:20) We must love God, and love Kurt Adams, Austin our neighbor. We cannot have one If you have questions regarding this without the other. For if we do, we Mary N. Barger, Waco lie. And as we all know, lies sim- Jack Barger, Waco ply do not work out.

Speaking on God, I think Saint Omar Choucair, Plano Augustine of Hippo put it best in his book, On Christian Doctrine: Dixie Elliott, Goree "The greatest reward is that we enjoy Him and that all of us who Leo Fetsch, Munday enjoy Him may enjoy one another in Him.

Experience plays a major role variables to meet the desired ob- in applying a safe burn and achievjectives. Prickly pear canopy has ing desired results. There are several agencies that have experienced personnel including the Soil Conservation Service. The SCS will be glad to assist in devel oping a prescribed burn management plan and assist in implementing the plan.

It is not too early to start planning for a prescribed burn on your place for this winter. It is better to be prepared well in advance than waiting until the last minute. You will need to make decisions on where you are going to burn so, that deferment can be planned to ensure an adequate fuel load. For more information and assistance with prescribed burning, contact your local Soil Conservation Service office.

CHIEF OF POLICE Tom Tejeda asked questions about bicycle safety, and the students were eager to answer, during his session with the second graders at Munday Elementary School Thursday afternoon. He spoke with several classes about the rules and regulations concerning bicycles, and left them a list to take home and discuss with their parents. Rules for safe riding are not just for children, but for adults as well.

Substance abuse treatment funds made available

Representative David Counts (D-Knox City) announced recently that the Texas Commission on Alcohol and Drug Abuse has approved \$45.9 million in public funds for substance abuse treatment during fiscal year 1995.

The funds, which were made available through the Substance Abuse Prevention and Treatment Block Grant and State General Revenue, will be used for youth and adult community-based chemical dependency treatment services.

"One out of every five adult Texans abused alcohol or drugs last year," said Counts. "Community-based treatment services give these individuals a second chance to turn their lives around and become productive citizens. Substance abuse affects business productivity, creates soaring health care costs, splits families apart, contributes to crime, adds to the welfare rolls and plays a significant role in family violence. Because of this we cannot afford to look the other way. Left untreated, substance abuse is a disease that can be passed on through genera-

Brazos Valley Young Farmers

The Brazos Valley Young Farmers (BVYF) met on September 6 to elect 1994-94 officers and make plans for the new year. Officers for 1994-95 are: Lloyd Don Welch -President, Frank Dutton - Vice-President, Mark Reed - Secretary, George Oustad - Treasurer, Paul Weiser - Reporter and Rick Moeller - Advisor.
