SIXTY-SEVENTH YEAR NUMBER 18

CROWELL, FOARD COUNTY, TEXAS, THURSDAY, NOV. 14, 1957

EIGHT PAGES

## Guy Hunter, 73, Dies at Wheeler Sunday, Nov. 3

Guy Hunter, 73, who was reared in the Margaret community, died suddenly at his farm home near Wheeler, Texas, on Sunday afternoon, Nov. 3, where he had resided for over forty years. Funeral services were held at the Methodist Church in Wheeler at 2:30 p. m., Tuesday, Nov. 5, with the pastor, Rev. Carlton Johnson, officiating, assisted by Rev. A. N. Motes, pastor of the Methodist Church at Twitty, Texas. Mr. Hunter was the youngest son of Mrs. Isabelle Hunter, pioneer resident of the Margaret community. Six brothers and one sister preceded him in death. He was married to Miss Birtie Johnson in 1911 and they moved to Wheeler County in 1915. Survivors include his wife; two daughters, Mrs. Inez Foltz Hammond, Ind., Mrs. Raymond Johnson of Twitty, and Mrs. Lee Johnson of El Paso; seven grandchildren and a large number of nieces attending the services here. Mr. and Mrs. Guy Bounds, Mr. and Mrs. Milton Hunter, Mr. and Mrs. Rev. and Mrs. Clarence Bounds of Margaret, Mrs. Gene Hunter and son, Ralph, Abilene, and Mr. and Mrs. Roy Jones of Clovis, N. M.

## Winners Named for 1957 Four-H Gold Star Awards in Foard County

George Morgan and Miss Margie Rasberry, both of Crowell, have been announced as winners of the 1957 4-H Gold Star Awards for Foard County. These awards are given each year by the Texas A&M College Extension Service to the outstanding 4-H Club boy and girl in each county. Margie and George will attend the District Gold Star Banquet in Vernon Saturday night, Nov. 16. They will be accompanied by their parents and Foard County Extension agents. This banquet is sponsored by the West Texas Utilities Company in cooperation with the Texas A&M College Extension Service. At this time, the Gold Star Award will be presented to the outstanding 4-H boy and girl from each of the 22 counties in this district. Miss Rasberry, daughter of Mr. and Mrs. Raymond Rasberry, is 15 years old and has been in 4-H Club work for five years. During this time she has held all offices in her club and was co-chairman of the Foard County 4-H Council. She is also a member of the District 4-H Council. In addition to the gold star award, Margie also won the Recreation medal for her outstanding recreational leadership in 1957, as she attended the District 4-H camp, helped to plan and hold the county camp, and attended a recreation training school in Munday. She has also won medals in clothing, dress revue, and frozen foods. Margie's demonstrations have included clothing, recreation, freezing foods, bedroom improvement, meal preparation, living room improvement, electrical team demonstrations, home management, yard improvement and leadership. She has won blue ribbons every year in the county dress revue and the food show. Margie was also instrumental in organizing the Foard County Junior Leader's 4-H Club and has been a member for the past two years, holding the office of secretary-treasurer both years. George, the son of Mr. and Mrs. Guy Morgan, is 16 years old and has been a member of the 4-H Club for the past six years. He has been an outstanding leader and has held most of the offices in his club during that period. In addition to the Gold Star Award, George also won the Achievement medal for his outstanding club work in 1957. During his years in 4-H Club work, he has won the following county medals: In 1950, meat animal award; in 1952, Soil and Water Conservation Award; and in 1957, the Gold Star, and Achievement Awards. George has won many ribbons and honors on his show steers. He showed the Grand Champion Steer in the annual Foard County 4-H and FFA Livestock Show in 1951, 1952, and 1956. He also showed a red ribbon steer at the District Steer Show in Wichita Falls in 1956. George had a white ribbon entry in this show in 1952. George is feeding two steers for the 1958 county show, and will exhibit his top steer at the District show at Wichita Falls in February. George was a member of the 1957 Four-H grass judging team which placed second at Quannah in a contest sponsored by the Lower Pease River Soil Conservation District. He was also a member of the grass team that represented Foard County 4-H at the Texas-Oklahoma Fair this year. He has been a member of the Foard County Junior Leaders 4-H Club for the past two years.

## Second Round Polio Shots to Be Given This Week End

The second Salk shots in Foard County's "all-out polio vaccination program" will be given this week, John W. Wright, county chairman of the National Foundation for Infantile Paralysis, said Wednesday. The clinic will be in operation in the Down Town Bible Class room on Friday from 10 a. m. to 12 noon and on Saturday afternoon from 1 to 4. Mr. Wright stated that "The clinic will be operated by volunteer workers under the same program as last month. The shots will again be given for a fee of one dollar, but will be given free to those who are not able to pay. The purpose of the program is to make all residents of the county immune to polio, and all those who received their first shots last month are urged to return for their second shots this week. Anyone who has not had his first shot is urged to start his inoculation now and then visit his family doctor and pay the regular price for his second shot in about 30 days. He will then be ready for his third shot next Spring before the polio epidemic season starts. All residents under age 40 are especially urged to participate in this program if not already inoculated. However, those over 40 are eligible and are welcome to participate."

## Oil Test Planned North of Thalia

A 3,950-foot test has been planned by Tom B. Medders, Wichita Falls, as No. 1 R. A. Miller, 330 feet from southeast and southwest lines of northwest quarter of section 27, block 8, H&TC survey, A-303, three and one-half miles north of Thalia in Foard County.

## Crowell Wildcats Continue Conference Victories with 19-0 Win over Paducah

The Crowell High School football team cinched the honor of representing district 1A-11 in bi-district play for the first time since 1952 when the Wildcats defeated the Paducah Dragons 19 to 0 at Paducah last Friday night. This was the first time the Dragons have been held scoreless this season, and they have had five 2A teams as their opponents. This was their second loss in conference play and left the Crowell team as the only undefeated club in district 1A-11. Game at a glance:

Crowell	Paducah
13 First downs	8
259 Yds. gained rushing	83
6 Yds. gained passing	68
1 of 5 Passes completed	4 of 16
3 Passes intercepted	1
5 for 25 Punt average	2 for 7
2 Fumbles lost	1
4 for 40 Penalties	1 for 5

Crowell scored two quick touchdowns in the game, sending Gerald Bradford, right half, around his own left end for ten yards for the first one, and 36 yards on the second score. Roy Don Payne ran the second extra point over. Printess Gidney, Payne and Ray Thomson contributed several good gains in the first 50-yard drive. Paducah threatened to score two different times in the game. The Dragons drove down to Crowell's eleven yard line late in the first quarter and again in the fourth quarter only to have the

## Veterans Day Barbecue Held Last Saturday Night

About sixty Foard County veterans, their families, and other invited guests attended the annual Veterans Day barbecue last Saturday evening at the community house. Preceding the program, a delicious dinner consisting of barbecue with all the trimmings was served to the guests. The barbecue was prepared by Cecil Carroll. Freddie Rithmeyer, commander of the Allen-Hough Post No. 9177, Veterans of Foreign Wars, was in charge of the program and introduced Jack Hightower of Vernon, who made a very timely and thought-provoking talk. Al Flack of Wichita Falls, Commander of District 15, VFW, was present and made a short talk and showed pictures he took on a tour of Europe in 1955. Mr. Flack was accompanied by Crowell by Art Kahn, also of Wichita Falls, who is District Quartermaster. Among those present were Tom Woods and Gilbert Lankford, and families of Quannah. Both are former Crowell residents, and Mr. Woods is first vice commander of District 15. Mr. Lankford is commander of the Quannah VFW post.

## Lions Club Attends Joint Meeting of Local Service Clubs

There were 54 present at the joint meeting of the Rotary Club and Lions Club of Crowell Wednesday at noon of last week when Congressman Frank Ikard of Washington, D. C., was the principal speaker. Mr. Ikard spoke on world affairs. He was accompanied by his secretary, Glenn Savage. Other visitors present were O. T. Holmes and Bomer Harris of Quannah, Rotarians Ben Martin and Don Burnett of Vernon, Bud Harvel and G. Y. Gillespie of Vernon, Roy Ayers, Elton Carroll, Henry Johnson, J. A. Stovall and Alva Spencer, all of Crowell, in addition to members of the two clubs.

## Large Crowd Attends Joint Meeting of Local Service Clubs

The Lions Club Home Demonstration Clubs will hold their annual Achievement Day Saturday, November 16, in the Down Town Bible Class room and the public is invited to visit these exhibits from 11 a. m. until 4 p. m. Mrs. Mary D. Brown, County H. D. Agent, stated Monday. The club members will show things they have made during the year and each club will also have an educational exhibit showing how to do something. In addition, there will be a swap shop and a sale of "mystery packages." There will also be a 4-H exhibit set up by the Junior Leaders 4-H Club.

## Crowell Wildcats and Henrietta to Play Bi-District Game November 23

The bi-district football game between Crowell, winner of District 1A-11, and Henrietta, winner of District 1A-12, will be played in Wichita Falls at Coyote Stadium on Saturday night, November 23, at 8:00 o'clock. This decision was made at a meeting attended by Superintendent Grady Graves, Coach Thayne Amnett, and Mike Bird, president of the school board, from Crowell, and Superintendent Tyra Roper, Coach M. L. Massey, and Dr. Robert Hurn, president of the school board, from Henrietta, in Wichita Falls last Monday morning. The Henrietta group had the option on the site of the game, due to the

fact that these two teams had last met in interscholastic league play at Crowell in 1955. The rule states that in case the two teams have met in regular play in the last six years, the visiting team gets the choice of the site for this bi-district game. The Henrietta school officials chose Wichita Falls in preference to their own field to make it possible to take care of the large crowd anticipated. Crowell has won eight out of nine games played, while Henrietta is undefeated. Crowell lost to the strong Seymour 2A club in its first game of the season. Henrietta is the highest scoring team in the state in class A football. The Bears have about the same players on this year's squad that defeated Holliday for bi-district championship last year.

strong Crowell line hold. The last threat was set up by a Crowell fumble on their own 20-yard line. The most sensational play of the contest came on the first offensive play of the second half when Roy Don Payne, Crowell's left half, followed some excellent blocking to go 64 yards and the Wildcats' last TD. This made the final score of the game 19 to 0.

Crowell's splendid defense was led by Dale Rettig, Harvey Smith, Ivan Cates, Tom Crowell and David Carpenter. Guards, Billy Everson and R. H. McCoy, and center Bill Graves looked their best of the season in blocking assignments. Charlie Johnston and Tom Goodgame were Paducah's offensive stars, while linemen Burrus and Richards looked the best on defense for the Dragons.

The Wildcats will be trying to make it a perfect season in conference games here against the Munday Moguls this Thursday night.

## H. D. Clubs to Hold Achievement Day Saturday, Nov. 16

The correct address for mail going to Thalia in the future will be: Crowell, Texas, Thalia Rural Sub-Station. Cecil Carpenter has been employed as clerk and station superintendent. He will operate it in connection with his grocery store.

## Thalia Post Office Converted on Nov. 2nd to Sub-Station

The Thalia Post Office was made a sub-station to the Crowell Post Office on November 2, it was announced Tuesday by Alva Spencer, postmaster at Crowell. This leaves Crowell as the only U. S. Post Office in Foard County since the post offices at Margaret and Foard City have already been discontinued.

## New Rasberry Well Flows 131 Barrels in 10-Hour Test

During a 10-hour test, the Texas Company No. 6 M. E. Rasberry, in the Rasberry (6100 Caddo) Field of west Foard County, flowed 131 barrels of 41.5 gravity oil for a calculated 24-hour potential of 314 barrels. Flow was through 24/64-inch choke from perforations at 6154-62 feet, with 25 pounds pressure on casing and 80 on tubing. Hole was plugged back from 6168 feet to 6163. Gas-oil ratio was 400-1. Pay was washed with 500 gallons of acid. Well is northwest of Crowell in section 23, block A, SPRR survey.

## FOUR NEW VEHICLES

Four new vehicles were registered here from October 27 through November 2. They are: Oct. 27, J. C. Austry Sr., 1957 Ford 4-door; Oct. 30, W. F. Bradford, 1958 Chevrolet pickup; Oct. 31, Mrs. Cornelia McDaniel, 1957 Ford 2-door; Nov. 2, Miss Margaret Curtis, 1957 Ford 4-door.

## HOSPITAL NOTES

Patients In: Mrs. Jessie Fowler, Mrs. John L. Hunter, Bettye Davis, Mrs. R. N. Hodges, Robert Wheeler, Mrs. Ed Adams, Mrs. T. D. Frazier, D. G. Campbell, Charles Longchecker, Mrs. Irene New.

## Patients Dismissed:

Jimmy Weaver, Mrs. Clyde Eddy, Mrs. E. W. Davis, Henry Fish, Marion Adkins, Mrs. Henry Fish, Mrs. Douglas Adkins, Mrs. John Wheeler, Ward Whately, Carroll Chowning, Debra Henry, Mrs. Clark Hitt, Mary Bob Long, Dwayne Boren, Joe Vernon Smith, Mrs. John Rader, Mrs. W. H. Tamplin, Jean Whitaker, Mrs. Clara Spivey, Larry Wright, Mrs. L. B. Robertson, Mrs. Sallie Parkhill.

## DOWN TOWN BIBLE CLASS

In the opening exercises of the Down Town Bible Class Sunday morning in charge of Dick Todd, a special musical number, "Near the Cross," was sung as a duet by Misses Jana Black and Sandra Sanders, with Noel Wilkins as accompanist. There were 37 men present, including one visitor, A. B. Calvin, who became a new member of the class. The regular teacher, Recie Womack, delivered the morning message.

## CEMETERY RUMMAGE SALES TO CONTINUE

Mrs. N. J. Roberts, president of the Cemetery Association, released the following announcement this week regarding the rummage sale and upkeep of the Crowell Cemetery: "We are not content to discontinue our Saturday rummage sales for the cemetery till we get better response from those who wish to give to our general upkeep fund, or help with the annual fall program. We are obliged to have better cooperation or we cannot continue our present method of operation. We urgently need the services of our caretaker during the heavy raining season. Please see that a donation to the upkeep of our cemetery is on your annual budget."

## COMPLETE ELECTION RETURNS GIVEN

Complete returns for Tuesday of last week's constitutional amendments election in Foard County are as follows: Retirement Fund: 55 for and 31 against. Pensions: 81 for and 8 against. Water Bonds: 57 for and 27 against.

## HONORED ON BIRTHDAY

Mrs. J. L. Manning was honored with a birthday dinner Tuesday, Nov. 5, in the home of her daughter and husband, Mr. and Mrs. Shelby Wallace. It was Mrs. Manning's 87th birthday. Those present for the occasion were Mr. and Mrs. Bill Manning and Mr. and Mrs. Aubrey Manning and Aubrey Don and Laprell Burns, great grandsons of Mrs. Manning's. A granddaughter, Miss Jolyne Wallace of San Angelo, was also present.

## Crowell Wildcats' Last Conference Game to Be Played Here Tonight

Crowell High School football team cinched the honor of representing district A-11 in bi-district play last week by defeating the Paducah Dragons but the team will have to win over the Munday Moguls here tonight to claim a clear-cut claim on the district championship. The records of these two clubs last year indicate an easy victory for the local team. Munday gave a good shellacking down last year by the score of 27 to 0. Most of Crowell's players in on that beating. They are trying to get some kind of revenge here Thursday night. Munday has only four regulars

## Wildkittens and 'B' Teams Win Games

The Wildkittens, Crowell's Grade School football boys closed their season out last Monday night at Munday with a 13 to 0 victory over the little Moguls. This gave the Crowell team four wins out of six games played this season. Paducah is the only club to win over this team this year. The scores Monday night were made by James Borchardt, Claude Dean Sellers and Marion Payne. Ronnie Bradford did a good job of calling the plays for Crowell. Other boys representing Crowell on this team this season were: James Teal, John Stone, Denny Todd, Jerry Steff, Junior Hopkins, Gerald Howard, Dale Henry, Jim Mack Gafford, Paul Bax Ekern, Joe Drabek, Bob Borchardt and Donny Beesinger.

## 'B' Team Also Wins

The Crowell High School "B" string also won a scrimmage at Munday on Monday night. This score was 6 to 0 in Crowell's favor. Bobby Barker scored the lone touchdown in this contest on a nice 30-yard run. Munday was using next year's boys in this game, while Crowell had fourteen freshmen and three sophomores playing. The Crowell freshmen were Bobby Barker, Dewey Harris, Charles Gidney, Jerry Eubanks, Taylor Johnson, Gary Carpenter, Guy Todd, Bill Smith, Jackie Hickman, Don Welch, Bryant Thompson, George Moss and Joe Barry. The three Crowell sophomores were Duane Nichols, Bill Graves and Bobby Powers.

Wt.	Pos.	Wt.	Munday	No.
165	Left End	156	Jerry Jetton	5
168	Left Tackle	185	Bunny Norville	28
160	Left Guard	160	Bryan Spike	27
150	Center	155	Gayton Alfred	14
150	Right Guard	180	Tom Cunningham	29
162	Right Tackle	192	Robert Elliot	18
167	Right End	158	George Offutt	15
145	Quarterback	158	Phillip McAfee	10
155	Left Half	148	Charles Partridge	12
148	Right Half	145	Tooter Goodwin	25
160	Fullback	160	Boyd Meers	23

**Crowell Reserves**  
Bobby Powers, no. 51, wt. 160; Gary Carpenter, no. 36, wt. 160; Tom Crowell, no. 48, wt. 150; Duane Nichols, no. 53, wt. 150; Joe Barry, no. 52, wt. 160; Jerry Eubanks, no. 29, wt. 150; Tom Thompson, no. 43, wt. 155; Don Welch, no. 20, wt. 110; Tom Johnson, no. 30, wt. 135; Charley Gidney, no. 27, wt. 110; Tom Brown, no. 39, wt. 136; Louis Rettig, no. 34, wt. 140; and Billy Everson, no. 49, wt. 130.

**Munday Reserves**  
Roger Bell, no. 6, wt. 135; Glen Phillips, no. 3, wt. 140; Tom Opert, no. 13, wt. 145; John Reneau, no. 7, wt. 150; Jerry Boone, no. 1, wt. 150; Billy Fitzgerald, no. 21, wt. 152; Tom Elliott, no. 20, wt. 160; and Jerry Williams, no. 19, wt. 155.

**Officials**  
Referee (ACC), Childress, referee; Frank Smith (ETSC), Memphrey; Bob Yeager (NTSC), Quannah, headlinesman; and Bud Jones (Texas Tech), Quannah, field judge.

## 35.49 Inches Rain Falls Since Jan. 1

Rain recorded by the Government gauge at the Crowell State Bank Monday night, Tuesday night and Wednesday morning measured 22 of an inch. The skies cleared Tuesday, but a slow rain fell on Tuesday night and Wednesday. Tuesday came out again Wednesday morning and gave prospects of an end to the wet spell. Total rainfall recorded for November is 4.62 inches. Up to the present time, rainfall recorded here during 1957 amounted to 35.49 inches.

EDITORIAL
HOW TO BE A GOOD WINNER

Have you ever thought about whether or not you were a good winner? There are usual characteristics that follow a poor winner. The average person is also a poor loser, playing games only to convince others that he is better than they. He plays, not for enjoyment, but as though each game is a challenge to his ability. He considers each defeat a personal insult, each victory a personal glory. Naturally, no one

NEW 58 FORD
Proved and approved around the world!
NOW AT SELF MOTOR CO. CROWELL, TEXAS
PHONE NO. 57
The whole wide world was its test track! Yes, the 58 Ford is the car that circled the world to prove its stamina, dependability and driveability.
From Honeycombed grille to Safety-Twin taillights the 58 Ford is a steel-sculptured beauty that'll win your heart like it won hearts around the world.
Power? Ford's got it aplenty! And it's economical power, too. Three brand-new Interceptor V-8's feature Precision Fuel Induction to squeeze the utmost from today's modern fuels. Team an Interceptor powerhouse with Ford's all-new Cruise-O-Matic Drive and you can have savings of up to 15% on gasoline.
And there's so much more that's new in the 58 Ford... Come in and see for yourself. Action Test a wonderful new 58 Ford today!

wants to play with a person like this.
On a team, one person with a bad attitude can give the whole team a poor reputation. Remember, though it's nice to win, someone usually loses. Heed the applied Golden Rule: Treat the other team as you would have them treat you had you lost.
And now the inevitable application to the great game of life. The poor winner in games continues to be a poor winner in life. If he enters into each venture as though it were a war, to smash or destroy all competition, he will become a friendless man. If he meets one he can't smash, he will probably do the same as he did in the game when he met a superior opponent; he will become more and more desperate thus making successively worse plays.
The man who accepts his defeats and profits from the experience will accept his victories with modesty, and he will find himself needing more often to be modest.

CONGRESSMAN IKARD ADDRESSES STUDENT BODY
Last Wednesday, Nov. 6, Frank Ikard of Wichita Falls spoke on the subject of "World Affairs." Mr. Ikard, Congressman from this district, was accompanied by his secretary, Mr. Savage, and he was introduced by Foster Davis, our county attorney. According to Mr. Ikard, the next session of Congress will be a most controversial one. It will deal with the situations upon which our lives depend—agriculture, stock market, soil conservation, taxation, etc.
The "hunks of iron," satellites, which the Russians have fired signals the opening of a dynamic new era of which we, the youth of America, will be a part. Mr. Ikard went on to say that the shooting of a rocket to the moon was just a means of coercing those people on the boundary of the Iron Curtain and the free world.
A satellite in outer space may be able to predict weather and transmit electricity to earth. We must gird ourselves so we can live through this period.
To endure this new era, we must continually remember that we have two basic strengths—a moral or religious strength and an

economic strength.
We hope that those who read this will take Congressman Ikard's word for it that there is nothing to be hysterical about.
Texans can be proud that they have this fine Christian gentleman in our Congress. The students of CHS want to sincerely thank Mr. Ikard for the reassuring speech.

GETTING TO KNOW A SENIOR
Louis Rettig is six feet tall, has brown hair and blue eyes. "Louie," as he is called by his friends, was elected this year the most courteous boy, and last year he was chosen the friendliest boy in school.
Louis considers V. A. as his easiest subject with English IV topping the list as his hardest subject.
Football and basketball are Louis' favorite sports, and he is active on both CHS teams.
Louis' favorite food is gravy and bread with mashed potatoes. He considers hunting and horseback riding as his chief hobbies and pastimes.
Popular records are his favorite music, and he considers studying his pet peeve.
Louis at the present time is undecided about his future. He either wants to become connected with wildlife management or enter into farming and ranching; but no matter which you choose, Louie, here's hoping you the best of luck.

ROTARY CLUB HONORS SENIOR BOYS
This year, as has been the custom for the past several years, the Rotary Club is inviting the boys of the Senior Class to be its guests at the regular meetings held at noon on each Wednesday. Two boys are selected to attend each meeting for a month.
The boys consider this a great privilege, for they are brought into closer association with adults of our community, they learn much about the work of the Rotary Club which will better prepare them to assume responsibilities in civic affairs, and of course they enjoy the "feed."
Those who have been thus honored this year are Charlie Bell, Kerry Brown, Gordon Cates, James Choate, Eugene Davis, and Billy Everson.

SPORTS SPURTS
Yippee! We done "went and done it." And by "done it," we mean (what else) we won the district championship, by the grace of a 19-0 shut-out of Paducah Friday night. Crowell's Wildcats get to march into the state playoffs in a couple of weeks against Henrietta. This is the first time in five years that Crowell has succeeded in gaining the district title (and we are hoping for more than one title). Still, there is a game with Munday this week, and they gave Crowell a good shellackin' last year. We would imagine that

there will be a bunch of Wildcats out for revenge. Let's all go out and back them while they're hot.

SPEECH I CLASS PRESENTS PROGRAM
To celebrate Armistice Day, Nov. 11, the entire student body assembled, and led by Ray Thomson, gave the "Pledge to the Flag." Then, the cheerleaders led in the singing of our school song, "Dear Ole Crowell High."

Mrs. Bursey's Speech I class presented a skit entitled, "If Men Played Cards Like Women." Included in the cast were Miles Welch, Melvin Wheeler, Mike Whitten and Charlie Gidney. After the skit, Linda Caddell recited a poem, "Hats! Hats! Hats!" The entire Speech I class then presented another skit, "To the Moon—in an Automobile?"

FROM OUR READERS
Dear Wildcat Staff,
You are doing a good job in making everyone enjoy the "Wildcat." I look forward to Fridays so I can get the Foard County News. My room-mate enjoys the school news too. It's a great feeling to know what the kids at home are doing. It makes me feel more like I am at home. I especially enjoy your feature articles. Thanks for all your work. As far as I am concerned, our CHS "Wildcat" is tops.
Yours truly,
Carolyn Bursey,
West Texas S. C.

Dear Shirley,
Just to say I am an ex-student of Crowell school as I attended from September 1919 to May 1923. I think an ex-student reunion would be very interesting, and I wonder if enough exes expressed a desire for one that we could have one perhaps some time in 1958. Sincerely,
Miss Myrtle Fish.

Dear Shirley,
I do not know you, but I saw your announcement in "The Foard County News" in regard to ex-students. I would like to see some plan by which we "exes" could get together.
I attended Crowell High School from 1919 to 1922. My three sisters also attended school there and two of them graduated in 1923. My sisters are Irye (Fish) Gilbert, Dollie (Fish) Sivells, and Myrtle Fish. The latter two graduated in 1923. Thank you for your interest in the "exes." Yours truly,
Bessie (Fish) Fields.

Thank you for your interest in the "Wildcat." If anyone else can find time to drop us a line, write to Shirley Fox, Box 662, Crowell, Texas. Don't forget—we want to hear from you.

CLUB NEWS
The Sub-Junior Adelpian Club met Wednesday, Nov. 6, in the Adelpian Club house.
Delicious refreshments were served by the hostess, Wanda Moore.
The business meeting was called to order by the president, Jana Black. The secretary and treasurer gave their report. A square dance and a Christmas bazaar were discussed.
The meeting was adjourned at 4:30 p. m. by the president.

POOR DOGGIE
First came the wheel, then came the horse and buggy, the covered wagon, the Model T, and the airplane. Next came the hot rod and last, but not least, is Sputnik I. With Russia's surprising revelation, the whole world perked up its ears. Just as we began to come accustomed to this new innovation, they fired another larger missile, containing a live dog. Then the common person had something to talk about, and believe me, talk has really been flying. My assignment as a reporter was to get various peoples' opinions on whether or not Russia would get the dog down alive. In brief, I found three major opinions. They were: "They will never get him down alive!" "I hope so! The poor thing!" and "Who knows?" Well, now the question has been changed. The word has

DIXIE DUGAN by J. H. Striebel
YES, LI'L GIRL YOU'RE GOING TO BE A BIG GIRL SOMEDAY
DIXIE DUGAN SAYS

arrived from one source that the dog was poisoned with his last food. Another source says that this is not true and that the dog is still alive. So, as has been said, "Who knows?"

BAND BEATS
"Music! Oh, how I hate to march in mud!" was heard over and over again the past week! The band had to practice in the gym while it rained, march on the paved streets near the school when the drizzle finally cleared, and finally, on Friday morning, it dried up enough to allow one rehearsal before deadline date that night. That's quite a strain on all concerned.
Everyone be sure to keep yourself and your friends wide awake and alert for the big talent show to be presented by the band Nov. 26. A ten dollar first prize is being offered to the winner; so if any of you talented people want to participate, please contact Mr. Hesse.

VENTRILOQUIST BILLY DAVIS ENTERTAINS STUDENTS
On Wednesday, Nov. 13, we had the first Southern Assembly of the school term.
Billy Davis brought to us a masterful presentation of ventriloquism and humor. It was a program especially designed for every age level from first grade to faculty members.
Mr. Davis has performed in practically every major city in the United States. He has appeared in theatres, night clubs, and on TV; therefore, we of CHS were indeed fortunate in having Mr. Davis with us.

CAT SCRATCHES
Look! It's a bird! It's a plane! It's Superman! No, it's a Whatnik! An Eggnik! No kidding—what is it?
I'll let you in on a little secret—I know what it is! You don't believe me? Let me tell you all about it. It all happened one nice, clear, cool night. I was wandering around, admiring the stars when—suddenly a bright light flashed across the sky, blinding me! Of course, I didn't know what it was—then it flashed by again; it slowed down, then landed—not 50 feet in front of me. Naturally I hid when I saw it, but I was near enough to see what was happening. The bright light was blinding, but soon it dimmed, almost went completely out. As I lay there waiting, a large door on the side of the ship slowly slid open.
What would come out? Small, horrid green monsters? Vegetable men? Cosmic ray people? Mole people? What were my heady little eyes about to behold? Down the ladder stepped one of the people from the huge space ship. There he stood, tall and erect, (not short, as I had figured, much taller than earth people, the skin was a creamy brown (not green). Of course, the clothes were very strange—a huge globe helmet and a space uniform. He didn't look at all ferocious as I had always pictured them to be. Minutes later, five others joined him. They began mumbling back and forth among themselves. I couldn't understand what they were saying because the sounds were muffled behind the space helmets. Then one took his helmet off and seemed very surprised that he could breathe—the so others took off their helmets.
Being from another planet, naturally, they spoke in a strange tongue. You know from past experiences how curious I am. Well, I just had to see them better, so very cautiously, I crept closer to the strange people. (I was as nervous as a cat in a room full of rocking chairs.) I didn't mean to, but I got too close, and one of them spotted me! Before I had time to run away, one of the men reached down and picked me up. There I was staring into big bloodshot eyes, trembling! He spoke to me, but I didn't have any idea what about. I just stared at him. They were very kind—trying to get me to understand. As I began to feel relaxed, I could make out their

strange language. They were from Mars and just wanted to visit earth. They didn't get to stay long, but when they left, they promised to visit me again—maybe even take me to Mars for a visit! Who knows—maybe I'll be the first Space Cat!!!
So long,
Tabby.

DID YOU KNOW?
According to Grady Halbert, who substituted Monday for Mr. Amoret, it was on Nov. 11, 1927, that the cornerstone for the present high school was laid during an Armistice Day program. I. T. Graves was superintendent. Members of the school board were Dr. J. M. Hill, president; B. F. Ellis, secretary; H. E. Ferguson, T. W. Bursey, R. L. Taylor, A. Y. Beverly and Garland Burns.

The school has recently purchased a Burroughs adding machine to be used in the office. The one formerly used there has been transferred to the bookkeeping class.
Football season will soon be over and basketball season will be in full swing. The opening date for competition play will be Dec. 3.

The band had planned to take part in an area marching contest on last Tuesday, but because of sickness and bad weather it was postponed to a later date.
Five of our high school faculty members are Crowell graduates. They are Mrs. Bursey, Mrs. Manard, Mr. Taylor, Mrs. Black and Mr. Erwin. Others graduated as follows: Mr. Graves, Morgan Mills; Mr. Hesse, Mineral Wells; Mrs. King, Grapard; Mrs. Davis, Quanah; Mr. Myers, Munday; Mr. Amoret, Flomot.

TATTLE TALE
Wow, wasn't that a ball game Friday night! Keep up the good work, boys.
Crowell was well represented in the Plaza Saturday by the presence of Sonny - Lizzy, Butch - Patty, Jackie - Sue, Louis - Patsy, Bill - Jo Frances, Gerald - Roxie, Ted - Carolyn, Charles Farrar - Jana, Donald - Sandra, R. H., Don, Speedy, George Moss.
Lizzy - Sonny and Gayle - Jerry Bob were all dressed up at the ball game Friday night.
Hey, Grady, what if that girl at Hereford finds out about you and Wanda?
Since when do freshmen wear senior rings. Janise seems to like Cotton's, though.
It seems Don Taylor has an interest in Lockett. Her name doesn't happen to be Judy Holland, does it, Don?
Whooping it up after the ball game Friday night were Noel - Prunie, Kerry - Shirley.
Maui the Moguls
Lonesome George Morgan is lonesome no more. He was seen with Starlene Taylor from Lockett

on Wednesday and Friday nights. Who rode around with Ronald Saturday night? Couldn't have been Janie Bowers, could it? What about this, Charles Carroll?
Well, it looks like Lockett really being invaded by Crowellites. Bill Taylor is making regular trips to see Judy Solomon.
Making the rounds over the week end were Ginger-J. M. Beat Munday
Tom Crowell, there seems to be a freshman girl who is starry-eyed over you. It could possibly be Can Bell.
Seen Friday and Saturday night were La Rue-John. Could this be serious?
Well, we heard that Roxie and Gerald started going steady Saturday night. Good luck, kids.
Lu Ann, it looks like you and Bobby Miller.
Sue Bursey, who were you picking up to Friday night?
Stomp the Moguls
Joyce Latimer really goes after the boy she wants. How about Joyce?
Too bad about Lois Ann

### Parents Should Set Good Example in Safety Practices

Parents, more than anyone else, are responsible for setting a good example to their children in safety practices.

J. O. Musick, general manager of the Texas Safety Association, made this statement this week in a half of TSA's current program to develop healthy safety attitudes.

Parents often treat children as if they were deaf, dumb and blind, he said. "They don't realize that children have been minds picked up their first habits, good and bad, from their parents. This is especially true of safety habits. Truly, safety begins at home. Parents should be sure their children set the right pattern of safety practices for their children to follow."

He also said that parents themselves are often victims of their own carelessness, or are responsible for accidents to their children through failure to stress safety measures in their own behavior around children.

"Many parents," he said, "will drive carelessly, jaywalk or use unsafe tools around the home, in the presence of their children. Yet these mothers and fathers will scold their children for doing the same thing."

Musick reminded parents that past National Safety Council figures indicate that more than 10,000 children under 14 years of age will die in accidents of all types this year—unless better safety education is provided in the home.

"It simply doesn't add up," he said. "If parents want to do right by their children, they must set a

### Tape Recorder Solves Seagull Menace

Because seagulls—like eagles—are protected by law, they possess a boldness seldom found among other birds, and have consequently become a hazard at airports near the seacoasts. Occasionally, they have been sucked into jet engines, or smashed into windshields. Since it is illegal to shoot the gulls, another means had to be found to keep them away from the airports. The problem was solved at Floyd Bennett Field, Long Island, in a novel way: a Jeep is driven down the runway, playing a tape-recorded cry of frightened seagulls! It works every time, officials say.

### WHO BROKE THE BANK?

San Antonio, Tex. — Celia Ter-alva forgot all about her tin can bank and consequently is \$100 poorer.

She told police she had the money in the can behind her house. When a neighbor asked for a can to be used as a flower pot, Celia gave her the "bank."

Later she realized what she had done, she said, and asked the neighbor to return the can. The neighbor said it was empty.

Celia appealed to police for assistance.

### Riverside

#### MRS. CAP ADKINS

Mr. and Mrs. Dave Shultz and Billy Doyle spent the week end with their children, Mr. and Mrs. Glen Gable and son, and Norman Shultz of Arlington and Mr. and Mrs. Carl Shultz and family of Grand Prairie. They were accompanied on their trip by their son and family, Mr. and Mrs. Louis Pyle, of Floydada.

Mr. and Mrs. James Adkins and family of Arlington spent from Friday until Sunday with his parents, Mr. and Mrs. Cap Adkins.

Mr. and Mrs. Ernest Zacek have returned to their home in Floyd, N. M., after visiting last week with his parents, Mr. and Mrs. Ignac Zacek.

Floyd Bice of Lubbock spent the week end with his parents, Mr. and Mrs. Henry Bice.

James Bowers of New Deal spent the week end with his wife and daughter, Jamie, and Mr. and Mrs. Louis Kempf.

Mr. and Mrs. Charley Gray spent the week end with their son, Loyd Gray, and family of Frederick, Okla.

Mr. and Mrs. R. G. Whitten and daughter left Tuesday for their home in San Antonio after visiting his parents, Mr. and Mrs. R. G. Whitten Sr.

Mr. and Mrs. Dick Swan visited Mr. and Mrs. Lewis Mansel of Kings High Sunday and were accompanied home by Willis Swan, who had visited last week with the Mansels.

Mr. and Mrs. E. A. Speer of Olney spent Sunday with her sister, Mrs. Cap Adkins, and family.

Mrs. Earl Cole of Dallas is here for a visit with her sister, Mrs. Robert Kubieck, and family. Mr. and Mrs. Kubieck are the parents of a new baby girl, born last week.

Mrs. Minnie Hlavaty and daughter, Dorothy, of Vernon visited Mr. and Mrs. Roy Ayers Sunday afternoon.

Mr. and Mrs. Grover Moore and family visited her brother, J. F. Shivers, and wife of Lockett Sunday.

Mr. and Mrs. Harold Hunt and daughter of Thalia were dinner guests of Mr. and Mrs. Sam Kuehn Sunday.

Mr. and Mrs. Edward Jokel of Lockett visited their daughter, Mrs. Robert Kubieck, and family Sunday.

Mr. and Mrs. Bert Cerveny and girls of Vernon visited her parents, Mr. and Mrs. John Matus, and family Thursday night.

Mrs. Lee Harris of Lockett visited her aunt, Mrs. M. L. Cribbs, and family Sunday afternoon.

Mr. and Mrs. Ewald Schroeder attended the birthday club dinner at the home of Mr. and Mrs. Walter Keck of Vernon Sunday.

Mr. and Mrs. Ward Kuehn visited with Mr. and Mrs. A. J. Compton in a Vernon hospital Sunday afternoon, Mr. Compton being ill.

Mrs. John Matus Sr. has been receiving medical aid this past week due to having a fractured rib.

Bud Gray has returned home after an extended visit with his sons in Carlsbad, N. M.

Mr. and Mrs. J. Q. Simmonds and Mrs. Charles Earthman and Brenda of Vernon, and Mrs. Herschell Butler and Ann of Chilli-cothe visited Mr. and Mrs. R. G. Whitten Sunday.

Mrs. D. H. Skelton of Vernon spent the week end with her daughter, Mrs. R. N. Swan, and family.

Mrs. Anton Kajs Jr. of Lubbock visited Mr. and Mrs. Anton Kajs and her small son, Gregg Kajs, Saturday.

Carolyn Werley of Thalia visited Kay Ann Taylor Sunday.

Mr. and Mrs. Wayne Wheeler of Odessa visited Mr. and Mrs. Cap Adkins Saturday.

Mr. and Mrs. Johnie Matus and

### Where Is Europe? Answer Top Secret

One of the U. S. Air Force's most closely guarded secrets is the exact location of Europe!

For the last four years the United States Air Force has been busily re-charting the North Atlantic ocean with precise electronic navigational equipment. It was found that many commonly used maps were in error—not enough for general ocean-going shipping purposes but far too inaccurate for precise military air purposes.

The new information gained is of inestimable value to USAF, and would be of equal value—if they could get it—to enemy nations. The reason: an infinitesimal error in calculations from mapping could throw the long-range missiles, built with watch-like precision by the U. S. aircraft industry, far off course.

children spent Sunday with her sister, Mrs. Albert Peters, and family of Bomarton.

Mr. and Mrs. Lewis Mansel and granddaughter of Kings High visited their uncle, Dick Swan, and family Friday.

Mr. and Mrs. N. J. Roberts of Crowell visited Mrs. John S. Ray and mother Thursday afternoon.

Ernest Kennedy of Big Spring visited his sister, Mrs. Frank Ward, and Mr. Ward Sunday night and Monday morning.

Luther Marlow of Foard City spent Monday with his daughter, Mrs. Delmar McBeath, and family.

Mrs. Arlie Cato and son, Jamie, and Hunter Mitchell of Fort Worth spent Saturday night and Sunday with Mrs. Cato's parents, Mr. and Mrs. R. G. Whitten.

Mr. and Mrs. Monroe Karcher were visitors in Duke, Okla., Saturday.

Charley Matus of Wichita Falls visited his brother, Johnie Matus, and family Friday night, en route to Roswell, N. M. He was accompanied to Roswell by Johnie Joe Matus.

Mr. and Mrs. Douglas Adkins of Phillips came Saturday for a visit with his parents, Mr. and Mrs. Cap Adkins. Mrs. Adkins and daughter, Marion, are ill with flu in the Crowell hospital at this writing.

Mr. and Mrs. Louis Pyle and family of Floydada spent awhile Sunday afternoon with her mother, Mrs. L. H. Hammonds.

Mrs. Grover Moore visited Mrs. R. E. Moore of Vernon Monday.

Mrs. Hilary Southall and son, Buddy, of Vernon visited her parents, Mr. and Mrs. Dick Swan, Sunday evening.

Applications for social security disability benefits before end of December 1957 permit benefits to start with July 1957.

### Home Demonstration Notes

#### MRS. MARY D. BROWN

I'm afraid our pecans will be delayed until November 25. Mr. Winkler wrote and said they are having as much trouble with their pecan crop as we are having with our cotton crop due to damp weather. I'm sorry about this, but we will get them out to you just as soon as they come in.

Don't forget our achievement day this Saturday in the Down Town Bible Class.

Our recipe this week is:

#### Baked Pears

Pare, halve and core large firm pears; place in baking dish and fill hollows with one of the following mixtures: brown or white sugar and butter or margarine; raisins, chopped nuts, dash of cinnamon, grape juice, and bits of butter or margarine or orange or grapefruit marmalade. Cover bottom of pan with water and bake, covered, at 350 degrees F. for 30 minutes or until tender. Serve warm or cold with cream.

### DISTRIBUTION OF GOODS

"The products of American industry—undreamed of luxuries a century ago—could not be distributed until advertising created new demands. . . . The early communist government in Russia considered advertising to be an "economic waste. However, the Russians found that people accustomed to doing without would not buy even necessities once they became available without advertising. Today, consumer advertising is common in Russia."—Pilber, Nebraska, Enterprise.

# OUTDOORS IN TEXAS

By VERN SANFORD

It was bluebird weather when duck season got under way this year. Nevertheless many hunters shot their limits . . . from the Red River to the Gulf.

Then came a good norther. And now the weather is better for duck and goose shooting.

This type of hunting is about the hardest and most difficult gunning in Texas. So much depends, not on what is done in Texas, but on conditions in Canada throughout the early part of the spring and summer.

hunters had well trained dogs to retrieve their birds. But the growth of cities has slowed down the raising of good duck retrievers. Now it's largely a do-it-yourself job.

Duck hunters have to get up early, as the season opens a half-hour before sunrise. Usually a hunter will want to have his decoys spread out on the water a half-hour earlier than that. Then he crawls into his blind and starts tooting on a duck call.

Frankly, more ducks are frightened off by callers than ever come in. However, many won't believe this.

If conditions are right north of the border, and there is a big hatch, Canada will send more ducks down the various flyways into the United States. Many will stop before they get to Texas. But countless numbers have wintered on the Texas coast for so long that it is family tradition for them to return to the Lone Star State. And here they head.

More and more ducks remain in Texas waters every year, in order to produce their families in the South.

There are a few hunters who really can talk to the ducks on these wooden callers. Too many of us, however, don't have the proper ear. We have not been around ducks long enough to know their language or to understand them.

One of the most disconcerting things that can happen is for the man in the next blind to blast away on his duck call when a flock is coming down to your decoys. They take to wing and that's the last you ever see of them.

It may be helpful for a hunter, on a large body of water, to have a call. But only if he uses it in a very limited manner. Just one or two quick quacks will be heard by the flying ducks. If they are interested in the decoys no more calling is necessary. On the other hand, many hunters achieve the same results by whistling or by barking like a dog. This is a common practice on the coast.

It must be remembered that duck hunting usually is hard on the gun too. Especially is this true when hunting around salt water. It doesn't do much good to carry a gun onto the water in a soft lined case, then let the gun get wet and put it back into the case. That salt water remains and the gun soon is covered with rust.

Perhaps one of the simplest ways is to use one of those plastic bags that your cleaning comes in, nowadays. You can haul your gun onto the water and bring it back in this plastic bag, and then throw the bag away. Then, as soon as you can, wipe the gun off with some good rust inhibitor or oil. In that way you can keep from having a badly pitted gun.

Tell your wife to save these plastic bags for you. You can use them to save your feathers in when you return from a hunt. Then make some nice feather pillows.

Another way to do yourself a good turn is to keep a record of the ducks you kill. Then send the information to the Game & Fish Commission. Also be sure and send in any bands you find on the birds you kill. These bands provide valuable information. They help the boys in the commission office select the season dates next year.

**Fishing Is Good, Too!**

Just because it is duck season you don't have to neglect fishing. Fact of the matter is that some of the finest strings of fish are caught by duck hunters after the flight has gone on for the day.

If you have your waders along, try some in-the-water fishing. You may find a new thrill there that you have been overlooking.

Mrs. S. S. Bell has been visiting relatives in Dallas this week.

**No Motor Boat Hunting**

Most waterfowl shooting is done on water. For this reason it is necessary to have a good boat and/or waders.

Mrs. S. S. Henry left Sunday for El Paso to attend the annual meeting of the Texas Federation of Women's Clubs.

Boat hunters can use outboard motors to take them to blinds or bring them back to the shore. They also can be used to pick up dead ducks, providing the gun isn't used. But, the law is strict on the use of any kind of power boat for hunting ducks.

Rufus Gamble and family were here from Plaska last week visiting their parents, Mr. and Mrs. Hollis and Mr. and Mrs. J. R. Gamble.

There was a time when most of course the ammunition manufacturers have learned to load the standard length shells with a little more powder and shot. But, the ducks and geese are smart, too. They just fly a little higher.

Mrs. S. S. Bell has been visiting relatives in Dallas this week.

**SWEEPING STYLING CHANGES ARE APPARENT IN THE 1958 FORD CAR LINE.** The Fairlane 500 Town Victoria (right) and Club Victoria (left) share with all new Fords such dramatic styling changes as new safety dual headlights, corrosion-proof anodized aluminum grille, power flow hood, slip stream roof, sculptured inverted V trunk lid and twin safety taillights. Engineering and design advances include new engines, new Cruise-O-Matic transmission and optional Ford-Aire suspension. The new Ford car line will be on display at Ford dealerships on November 7.

## In the News . . . 30 YEARS AGO

News items below were taken from the issue of the Foard County News of Friday, Nov. 11, 1927:

A total of 14,325 bales of cotton had been ginned in the county up till the last report from the gins this week.

The sweet potato crop in the Rayland community has reached a total of around 17,000 bushels, raised by some eight to ten farmers.

The A. L. Johnson Produce Co. will ship a car of dressed turkeys this week, 20,000 pounds and valued at approximately \$5,670.

N. J. Roberts sold a Jersey cow this week to C. B. Graham of Margaret for \$200.00.

Douglas Woods was seriously injured and Dick Ballard was severely cut on his right arm when the car in which they were riding collided with another car on the hill south of the Wichita bridge Saturday afternoon.

Mrs. M. M. Hart was hostess to members of the Swastika Bridge Club Wednesday afternoon. Mrs. Gordon Bell, Mrs. Otis Nicholson, Mrs. Arnold Bunte and Mrs. Earl Norman were received into the club as new members. Guests were Mrs. Geo. Hinds, Mrs. Dow Miller, Mrs. Gynn Shultz, Mrs. Bryan O'Connell, Miss Ether McCoy, Miss Mary Sam Crews and Miss Frankie Kirkpatrick.

Mrs. Walter Howell of McKinney is here visiting her sister, Mrs. T. M. Beverly.

Dock Wright, formerly of the City Tailors, has accepted a position with a dry goods store in Anson and he and his family have moved to that place.

W. W. Clark, merchant of Truscott, was in town Thursday.

J. M. Rutherford, industrial agent for the Orient, was here Wednesday from Chillicothe. Mr. Rutherford said the pipe to be used for natural gas in Crowell had been shipped.

Jim Minnick was here from Norman, Okla., this week looking after his ranching interests.

Mrs. S. S. Bell has been visiting relatives in Dallas this week.

**NEW CHEVY STYLE FRESH, LIVELY**

The side and rear treatment of the Biscayne four-door sedan points up the complete job of restyling on the 1958 Chevrolets. Note the broad, flat rear deck lid, the graceful gull-wing sweep of the rear fender line and the full-length molding that marks the latest development in Sculpturamic styling. The Biscayne series is in the middle price range of the 1958 Chevrolet line.

**\$182,682.52 Paid for Livestock Sold by Youths at State Fair**

Checks totaling \$182,682.52 have been mailed to 1,235 Texas Future Farmers and 4-H Club boys and girls who participated in junior livestock and poultry auction sales during the 1957 State Fair of Texas.  
 In the junior livestock auction, 528 steers were sold for \$142,991.92, 233 lambs for \$7,427.27, and 533 pigs for \$23,891.10. There were 300 buyers taking part.  
 The turkey auction sale brought a total of \$4,776.83 for 392 turkeys from 150 purchasers. The broiler sale brought \$3,595.00 for 1,710 broilers and 50 buyers participated.  
 Quality of the animals and fowl sold during the 1957 auction sales was the best ever offered to the public at the fair, Ray W. Wilson,

livestock manager of the State Fair, declared.  
 The youngsters who took part in the sales came from more than 200 of the 254 counties in Texas. The 1,235 who participated was the largest number ever to be represented in the auctions.  
 Buyers paid a substantial premium over the market price to offer encouragement and incentive to the boys and girls who had raised their livestock and poultry as Future Farmer or 4-H Club projects, Mr. Wilson said.

**SOURCE OF INFLATION**

“Senator Goldwater believes that high tax rates are actually a major source of inflation, because they are a limiting factor on personal and business savings, and thus result in excessive pressure on the banking system for capital which should have come from current income.”—Brookville, Pa., American.

**STATE PROBLEMS**

“President Eisenhower . . . told the Conference of Governors at Williamsburg they shouldn't pass their state problems on to the Federals in Washington. And, in majority, they seemed to agree with him. And if they passed fewer problems up to Washington he would have less difficulty in cutting the national budget. The states could obtain more tax money to care for their own needs.”—Jeffersontown, Ky., Jeffersonian.

**ONE THING AT A TIME**

Matador, Tex. — Mrs. Raldo Martin of Flomot carried a severed toe in her apron pocket for two hours and finished her washing before she sought medical aid.  
 A cow stepped on Mrs. Martin's foot and completely severed the second toe on her left foot. She picked up the severed digit and put it in her apron pocket, then

**GENERAL INSURANCE**

The Cecil Carpenters and their guests, Mr. and Mrs. Everett Carpenter, the O'Neal Johnsons, the Billy Johnsons and the Jude Vaughns all attended the football

**Fight Against Tuberculosis Continues in Texas**

Governor Price Daniel this week asked Texans to remember that the fight against tuberculosis continues in Texas.

In proclaiming the period November 15 to December 24 as "Christmas Seal Days," the governor stated that "Modern drugs, medical science and better living conditions have lowered the once-terrible death rate of tuberculosis in Texas, but there has been no such decline in the number of new tuberculosis cases found each year."

"It is estimated that 22,000 people in our state have active tuberculosis. In the nation in 1935, 100,000 new cases were discovered. Every five minutes, another American falls prey to tuberculosis, and last year 15,000 persons died of this disease."

The governor signed the Christmas Seal proclamation in the presence of Miss Carolyn Calvert of Austin, Miss Christmas Seal of 1935.

game at Paducah Friday night.

Mrs. W. R. Pearson of Childress spent 3 days last week with her daughter, Mrs. Sim V. Gamble and family.

Miss Dana Loy Roberts of Dallas spent the week end with her grandmother, Mrs. E. H. Roberts. She was here for the wedding of her father, Leotis Roberts, and Mrs. Ida Mae Tanner of Crowell which took place in the Methodist parsonage Friday afternoon with Rev. C. C. Lamb officiating for the double ring ceremony. Ten guests were present; Mrs. Clint Simmons, Mrs. Allen Taylor, Mrs. Carl Cox and Mrs. Nick Chatfield, all of Crowell, and the groom's daughter, Dana Loy, and his mother, Mrs. E. H. Roberts of Thalia.

Mr. and Mrs. Everett Carpenter of Dayton, Ohio, are here for a visit in the home of his nephew, Cecil Carpenter, and family. Other Sunday guests were the Glen Foxes of Wichita Falls, Mrs. Maggie Fox and Mrs. L. D. Fox of Crowell, the Loy and Travis Fox families and Billy Hammonds and family of Thalia, and Miss Nettie Daniel of Vernon.

Rev. and Mrs. W. B. Fitzgerald spent Friday and Saturday with her daughter, Mrs. Barbara Farris, and mother, Mrs. O. T. Taliaferro, in Lawton, Okla.

Mrs. Sam Powers left by train Wednesday of last week for Castle Rock, Colo., after visiting here with her son, Dee Powers, and family.

W. A. Conner and daughter, Willie Dee Conner, and his two granddaughters, Phyllis and Pearl Conner of Wichita Falls, the O'Neal Johnsons and Rev. and Mrs. W. B. Fitzgerald were Sunday guests in the home of Mr. and Mrs. Gus Neill.

**DEADEYE DICK**  
Bay City, Tex. — Fear gripped Mrs. Richard Bachman the other night when she noticed her younger son, Richard, in half awake, half asleep state, holding his right arm close to his body in what appeared a paralytic freeze. But as he became more awake than asleep, she heard him mumble—BANG! BANG!  
Just an overdose of Wyatt Earp.

**THIS WEEK**  
—In Washington.

Clinton Davidson

Thirty-nine years ago this week the earth and good will among men, for all time to come. That was Armistice Day 1918.

We had just fought, and won, a great way to make the world safe for democracy. I recall, vividly, the great rejoicing that was in the hearts of all of us.

There would be no more wars. We settled down to rebuilding a peaceful world, confident that democracy was safe and that our dream of perpetual peace would be realized.

We set about to build a world that Christ would have been proud of. There was to be no more hate; no more killing. To assure peace there was created a League of Nations.

In far-off Russia, a Czarist dictator had been put to death by

a peoples' revolution and a promising new democracy called the Union of Soviet Socialist Republics had been established.

Germany and Austria, the main trouble-makers, exiled their kings and elected presidents. There was a reassuring promise of enduring peace and democracy in the world. But, while we dreamed of peace, democracy died in Germany, Russia, and Italy.

People unaccustomed to democracy surrendered their freedom to dictators who dreamed not of peace, but of world conquest. Those men were Stalin, Hitler and Mussolini.

The result was World War II. Stalin double-crossed his pals and stabbed them in the back. His "prize" was the enslavement of almost 100,000,000 helpless eastern Europeans under communist domination.

Thus was begun the cold war. Winston Churchill said that "so long as one man in the world is not free, no man in the world can be free."

For an uneasy decade we have gone from one crisis to the next. We have teetered on the brink of the abyss of World War III until our nerves are frazzled. The whole

world is tense and fearful.

The Russian rulers talk of co-existence as the price of peace, but only on their own terms. Those terms are that we abandon democracy and democratic peoples everywhere in the world.

But a blackmailer never stops with his first extortion. There are other demands, and the price grows steeper and steeper until there is complete and utter surrender. The ultimate price of peace on Russian terms, could be a surrender to communism.

To any reasonable person war is unthinkable. No nation with an iota of sanity would precipitate a war. Death and destruction very probably would exceed the combined carnage of all previous wars.

But if we are forced to make a choice between defense of the free world and communist slavery, there can be no doubt of the decision. The phrase "give me liberty, or give me death" is not new to Americans.

Russia knows that and in that knowledge is our greatest hope for peace and freedom.

Qualified people who are 50 or over may now receive monthly social security disability benefits.

**GIRL TROUBLE**

Brownsville, Tex. — A couple of young Mexico City girls who wanted to tell their boy friends that they had arrived in Brownsville safely, sent fire equipment scurrying to E. Sixth and St. Francis Streets.

Police said the girls were attempting to mail postcards when they mistook a fire alarm box for a mail box.

"No damage other than the girls' embarrassment," police said.

**HIGH COST OF SCHOOLS**

The cost of modern schools runs as high as \$50,000 a classroom, which gives interest to a bit of news from Woodside, California. A schoolhouse there that cost \$1,665 to build 80 years ago is still giving good services. Various conveniences have been added during the years, and this summer it was given a new coat of paint. It is expected to be useful for many years to come.

Reasonable speed allows more time to act. Drive safely.

**"BITE" WORSE THAN BARK**

San Antonio, Tex. — A 75-year-old man was given ten days' sentence by playing his radio at loud volume and barking back at neighbors dogs.

Five neighbors testified that he had his radio so loud they had to close their windows and put sleep.

They complained that the barking dogs when they barked early in the morning.

The accused man conceded that dogs had kept him awake at night.

**OPEN WELLS DANGEROUS**

"The number of children who have fallen into open wells has become alarming. It seems that wells are now in the abandoned ice boxes as a threat to the lives of the nation's children."

—Foley, Ala., Outlook.

Don't wait for a skid to hit the road is slippery. Drive safely.

**ABOUT YOUR HEALTH**

A weekly public service feature from the Texas State Department of Health.

HENRY A. HOLLE, M.D., Commissioner

Severe infections of the ear are not as common as they were before the appearance of sulfa drugs and antibiotics. But while the severity and frequency of these infections have been reduced, earaches still occur.

Most ear pain comes during childhood, the reason being that small children have shorter passages for infections to reach the ear. When they get colds, they do not blow the nose or clear the throat as adults do. This results in an accumulation of mucus which may congest narrow passages and start an ear infection.

Infections of this type begin when bacteria reach the middle ear. The pain—intermittent at first, then constant—is a sign that this has happened. In this condition, pain may be followed by drainage. The start of drainage may mean the end of pain because the pressure has been relieved. Pain subsides only when pressure and infection have been brought under control.

As bacteria multiply and produce their poisons, the body's natural defenses rise to fight the infection. Blood vessels expand to carry more blood to the ear. Serum passes from blood vessels into the middle ear to try to neutralize the invading bacteria. White blood cells, normally present in the body, increase in numbers to destroy bacteria.

**LET'S TALK LIVESTOCK BY TED GOULDY**

Trade was active and prices were fully steady on most of the 3,800 cattle and calves at Fort Worth Monday. Fed cattle were in small supply again, and some shortfed fleshy two-way steers sold to feeders at a little over packer bids. Typical of the cattle in this category was the load of 940-lb. steers at \$20.75.

Cows were a little less active and steady to weak as compared with the high, runaway market late last week brought on by rain which cut the receipts. Bulls were heavy to \$16.50.

Fat calves were selling steady to 25 or 50 cents higher. Toppy baby beef heifers reached \$22 to \$22.50. Stocker cattle and calves were steady. Some good lots of steer calves getting up to \$23 to \$24.50, and their heifer mates selling from \$22 down. A few stocker cows cashed at \$10 to \$16.

Comparative prices: Good and choice steers and yearlings \$20 to \$22.50, high choice or prime quotable to \$24 or \$25. Medium and lower grades \$14 to \$20. Fat cows \$13.50 to \$15, and canners and cullers \$10 to \$13.50. Bulls \$11 to \$16.50. Good and choice fat calves \$20 to \$22.50, and medium and lower grades \$13 to \$19.50. Stocker steer calves \$18 to \$24.50 and heifer calves \$22 down.

**State Capitol NEWS**

by VERN SANFORD, Mgr.  
Texas Press Association

Austin, Tex.—Days of old seem to have dawned over Texas lawmakers. They ended their first called session this week and launched into number two.

It's the first time in more than a decade that a governor has convened a legislature in two rapid-fire special sessions.

Main topic for the second session is a bill to authorize closing of public schools threatened by occupation by federal troops.

Gov. Price Daniel issued the second call when it became apparent that this issue couldn't be squeezed into the final days of the first session.

House and Senate had difficulty coming to agreement on details of the first session's five-point program: water planning, lobby control, crime study, practice before state agencies and money for an Insurance Department building.

**EMBARRASSMENT OF RICHES** — Combination of late spring rains and early fall rains has caught many Texas farmers in a squeeze.

There wasn't enough time in between to raise a crop and get it out of the fields. Agriculture agents in North Texas reported that farmers there stood to lose millions from ruined cotton.

Some ranchers, according to the U. S. Dept. of Agriculture, have "a very unusual situation—more grass than stock to eat it." This time last year those same ranchers were selling off stock at a sacrifice because they had no feed.

Small grain and winter legume prospects are extremely good, says USDA, though dry weather is needed for additional planting.

**COTTON ACREAGE TUSSE** — For the third straight year East Texas and West Texas cotton farmers are at odds over acreage allotments.

State and county allotments are to be announced by USDA before Dec. 14 when cotton farmers will vote on whether they want a market quota program for 1958.

West Texas farmers contend that their area has been penalized. They say an undue portion of the state's cotton acreage is allotted to the older cotton-growing counties of east and central Texas. One group of West Texans went to federal court last year to try to get the allotments changed.

Opposing them is the Old Cotton Belt Association which has announced it will fight new efforts to wrest acreage from its area.

**SPEED LAW QUESTIONED** — Governor Daniel has been requested to ask the Legislature to rewrite the automobile speed limit law.

A recent opinion from the Court of Criminal Appeals called the law "vague and indefinite and therefore invalid." Involved was a conviction for driving 90 miles an hour.

If this law is too shaky for court tests, the Harris County district attorney told the governor in effect, a new and stronger one should be written immediately.

**ENGINEERS URGE WATER PLAN** — Texas Society of Professional Engineers has added its voice to those urging an extensive, long-range water program.

Importance of water to Texas' future justifies an annual expenditure of \$100,000,000 in the opinion of TSPE's special water study committee.

TSPE's report recommended: (1) adoption of the governor's proposed legislation, (2) salary increases for the Water Board members, (3) planning on the lowest level possible to allow proper development of an over-all program, (4) sale of water storage acquired by the state in federal reservoirs to any qualified political subdivision, as quickly as possible.

**SCHOOL WORK OKAYED** — Improvements have been authorized by the State Board for Hospitals and Special Schools for nine schools and hospitals. Included are state schools at Abilene and Austin, state hospitals at San Antonio, Kerrville and Harlingen, the Austin State School Farm Colony and the Confederate Home for Men.

Costs will total \$261,000.

**Bomber Flight Takes 1,199 Ground Tests**

Flying a new aircraft is almost an anti-climax for the test crews of a heavy jet bomber.

Before these huge aircraft ever leave the runway on a test hop, approximately two hours is spent performing 1,199 separate and vital checks. The co-pilot is responsible for 331 items; the pilot 290; radio navigator, 272; the gunner and navigator handle 181 and 125 items respectively.

Before entering the aircraft, 141 exterior points in nine major sections are thoroughly gone over by the crew. Once inside, each man takes his appointed station, checklist in hand, and starts his run-down. Circuit breakers, oxygen controls, normal and emergency systems, ejection seats and instruments to be operated in flight are tested.

Finally, each crewman reviews his checklist and reports to the pilot.

The pilot then pushes the throttles forward for 100 per cent thrust and the plane quickly becomes airborne.

The careful attention to detail and meticulous checks made by the aircraft industry throughout the design, development, production and test flight of aircraft sets the world standard for quality.

of the grain that is being gotten in makes it unlikely to store well, is the report from Texas points.

The huge feed supply may be drastically cut as a result.

**THE WILDCAT**

(Continued from page 2)

R. H. Keep trying Lois.

**Mangle Monday**

David, did you and D'Lois enjoy the show Saturday night? Sandra Hollenbough and Joe C. seem to be making eyes at each other. Could this be something new?

Yes, Dale Johnson has an interest in Wanda Moore.

Seen in Quannah Thursday night were Judy — Dennis, LaRue-John. Charles and Janie were having fun Thursday night.

Ronald, why weren't you and Carolyn, Wanda-James Grady seen where you were supposed to be Saturday night?

Monte, whom were you riding around with Tuesday night?

Betty, Pat and Jeanie got "all shook up" Sunday.

Well, what about this? Jana and Jimmy Holland were seen double dating with Sandra and Donald Monday night.

The Tattle Tale would like to thank all those kids who put scandal in the locker. Just keep it up. Well, until next week, will be seeing you, so be good!

**Mutilate Monday!**

**MENU**

Monday, Nov. 18: light bread, smothered ribs, creamed potatoes, green beans, cottage cheese on lettuce leaf, Jell-o with marshmallows and fruit.

Tuesday: corn meal muffins, pinto beans, Frito franks, corn with peppers and pimientos, cabbage, carrot and onion salad, Graham crackers with cream filling.

Wednesday: light bread, meat loaf, potato salad, blackeyed peas, fresh tomatoes, yellow cake.

Thursday: light bread, Creole spaghetti, English pea salad, candied sweet potatoes, cabbage and pineapple salad, cherry cobbler.

Friday: tuna fish sandwiches, potato chips, lettuce and tomato salad, fresh fruit salad.

**FEWER ACCIDENTS IN HORSE AND BUGGY DAYS**

"It has been suggested that the reason there were fewer wrecks in the horse and buggy days was because the driver didn't depend wholly on his own intelligence."—Lakewood, N. J., Citizen.

**DELAY SPOTLIGHTED** — Senate Investigating Committee is continuing its drive to establish whether the Insurance Commission dilly-dallied with reports of irregularities in a Dallas firm.

Former Insurance Department Examiner Wayne Tinkler told the committee that he began an examination of Preferred Life last March. He ran into difficulties, and asked for help from the department's legal counsel. He didn't get it, said Tinkler, and finally turned in a report in June.

His audit indicated that Preferred's president owed the company some \$194,000 due to stock manipulations, Tinkler reported.

"But no action was taken in the Department until September, when a brief conference was held."

**BOND PROGRAM LAUNCHED** — At least one phase of Texas water conservation program now has the official go-ahead.

By approving a constitutional amendment, voters cleared the way for issuance of \$200,000,000 in bonds to finance local water projects.

Though only about one-tenth of the electorate (185,000) turned out, all three proposed amendments received approximately 3-to-1 majorities.

Other two will provide increased retirement benefits for state employees and authorize higher old age pensions.

**WHO FOOTS THE BILLS** — Texans depend on severance taxes, mainly on oil and gas, for nearly one out of every three state tax dollars.

Tax Analyst John F. Sly of Princeton said this reliance on natural resource taxes has been increasing over the years. Sly, in addressing a meeting of the Texas Research League in Austin, gave what may be a preview of the searching study of Texas' tax structure being undertaken by the League.

Some Sly statistics: State taxes increased from \$123,000,000 in 1940 to \$625,000,000 in 1957. Severance taxes jumped from 16 per cent to 30 per cent of the total in that period. Texas' state and local taxes are \$130 per capita compared to the national av-

**CMPULSORY UNIONISM**

From National Review: "Compulsory unionism promotes what amounts to industry-wide bargaining. Industry-wide bargaining leads to a calcified high-wage, high-cost and high-price business structure. Monopoly is the end result."

## Mrs. Ida Mae Tanner and Leotis Roberts United in Marriage

Leotis A. Roberts of Thalia and Mrs. Ida Mae Tanner of Crowell were united in marriage at the Methodist parsonage in Thalia on Friday afternoon, Nov. 8.

Rev. C. C. Lamb, pastor of the Thalia Methodist Church, performed the double ring ceremony in the presence of relatives and friends.

After a short wedding trip, the couple will be at home in Crowell.

## GAMBELVILLE H. D. CLUB

"Christmas Goodies" was the demonstration Mrs. Milton Hunter gave to the Gambelville Home Demonstration Club on Nov. 8.

Mrs. A. B. Calvin was hostess for the meeting.

Recipes were given the members and several were prepared and served.

Mrs. W. J. Garrett, president, led the business discussion. Each member gave her favorite Christmas recipe as the roll was called.

Mrs. Archie Campbell resigned as president-elect. Mrs. Garrett was selected to fill the office another year.

Announcement was made of Achievement Day on Nov. 16.

Mrs. Calvin will be hostess for the group's Thanksgiving family party. The event is scheduled for Nov. 21 at the Calvin residence.

The hostess gift was drawn by Mrs. Frank Cates. Mrs. Jack Thomas enrolled as a new member.

Next meeting date is Nov. 16 in the home of Mrs. Elton Carroll. The demonstration will be the making of fabric purses and gifts.

## BAPTIST W. M. S.

The Women's Missionary Society of the First Baptist Church met Monday afternoon in the home of Mrs. Tom Cooper with seventeen present.

Mrs. Fay Stater, president, led in singing "To The Work," which was followed by prayer by Mrs. Walter Cates.

Rev. C. T. Aly brought the Bible lesson from the 12th chapter of Romans, "The Relation of Salvation to Behavior." Rev. Aly closed the meeting with prayer.

Mrs. Cooper and Mrs. Arthur Sandlin served delightful refreshments of spiced tea, coffee and cookies to those present.

Start sooner, drive slower, live longer. Drive safely!

**Christmas Seals Fight TB...**

## GARDEN CLUB

The Crowell Garden Club met in the home of Mrs. Glen Fox Oct. 11 with Mrs. Fox and Mrs. Helen Monkres as hostesses. Mrs. Clarence Garrett was leader.

"From Seeds and Bulbs to Flowers" was the lesson subject for the day. "Fall lawn care and bed preparation" was given by Mrs. Tom Callaway. Mrs. L. A. Andrews spoke on "seeds for fall planting" and "insecticides." Bulbs for fall planting were discussed by Mrs. Garrett. "Beauty in the fall" was shown in several beautiful arrangements made by Mrs. Fox and Mrs. Monkres. Mrs. Andrews gave some points on flower arranging. Delicious refreshments were served to seven members and two visitors.

The club met again in the home of Mrs. Tom Callaway Nov. 8.

Mrs. Callaway and Mrs. Clarence Garrett were hostesses and Mrs. R. J. Thomas was leader for the program.

The club was informed County Federation would meet Dec. 6 at Foard City with the Foard City H. D. Club as hostess and the Garden Club bringing the program.

The president asked everyone to bring a pot plant or an arrangement to club next meeting that can be taken to the hospital after the meeting.

Program subject for the day was "Indoor Gardens." Big effects from few plants was given by Mrs. Thomas. "Autumn Magic" (dry arrangements) was given by Mrs. Andrews. Mrs. Jack Roberts told of her visit to the botanical gardens in Fort Worth.

Club will meet on Dec. 13 in the home of Mrs. R. J. Thomas.

## FOARD CITY W. S. C. S.

On Monday, Nov. 11, Mrs. Jack Welch was hostess to members of the Foard City Woman's Society of Christian Service and one guest, Mrs. J. M. Glover of Jackson, Tenn. Mrs. V. A. Johnson, following a prayer by Mrs. Glover, presided over the business session.

Basing her talk on a community's need of a revival, Mrs. Jack Welch read from a column of Dr. Billy Graham which gave four pre-requisites for a revival: (1) the people must be of one accord, (2) fervent prayer, (3) sacrifice and work, (4) a consecrated and dedicated organization. She stressed the need of entering into the Christmas season with a spirit of Christ and of giving, not gifts, but service.

"Christ on the Campus," a program dealing with student work, was the theme of the afternoon's study. Mrs. Johnson gave some interesting statistics on the number of Wesley Student chapters on college campuses and the number of students of far-off lands enrolled in these Wesley Foundations. She read excerpts from a recent magazine article listing interesting items from nineteenth century disciplines as well as amusing stories as told by early itinerant Methodist circuit riders.

The hostess served coffee and cake at the conclusion of the meeting.

## NOT SO INTERESTING

Grand Rapids, Mich. — A telephone conversation between two women ended abruptly — one of the women, Mrs. Nancy A. Scott, fell asleep. Mrs. Roland R. Urban, who had been talking with Mrs. Scott, became alarmed and notified police, who found Mrs. Scott sound asleep at the telephone. She explained that she had spent several nights without sleep with a sick daughter and was suddenly overcome by sleep during the conversation.

## THALIA BAPTIST W. M. U.

The Thalia Baptist W. M. U. met Monday for the regular mission program. Topic was "Three Knocks on the Door." Mrs. O'Neal Johnson read the devotional from Luke 11: 5-8. After a discussion on the medical mission in foreign lands by Mrs. W. B. Fitzgerald, Mrs. Billy Hammonds and Mrs. Bill Cates. The meeting was closed with a prayer by the president, Mrs. C. C. Wheeler.

There were eight regular members and one new member, Miss Odessa Moore, present.

## OBSERVE ANNIVERSARY

Mr. and Mrs. Dave Shultz observed their 33rd wedding anniversary at the home of their son, Carl Shultz, and family of Arlington on Nov. 9.

All of their children, and grandchildren were present.

Mr. and Mrs. Shultz are children of two pioneer families of Foard County: Mr. and Mrs. D. M. Shultz and Mr. and Mrs. E. V. Cato, all now deceased.

## 14 Million Fish Produced for Texas Lakes This Year

With more than 14 million fish produced by Texas hatcheries and a tremendous natural spawn, there are probably more fish swimming in the state this year than ever before. This is the opinion of biologists of Game & Fish Commission, who have been making spot checks on the crop of young fishes.

In a report of the director of Inland Fisheries, 10,446,920 bass were produced artificially during the 1956-57 season. Channel catfish took the next spot with a total of 2,082,515 from the hatcheries.

Other productions include 25-150 rock bass; 211,020 warmouth bass; 384,198 bluegill; 901,758 redear sunfish; 103,800 green sunfish; 295,033 yellowbreast sunfish; 465,760 black crappie and 14,825 white crappie.

The San Angelo hatchery with 2,260,925 produced the greatest

number. Eagle Mountain was second with 2,160,194.

Fishermen are reporting that small bass, just under the legal size, are in all the lakes. Fall rains have refilled the lakes with food and growth of the fish will be very rapid, according to the director. This will mean that by next spring fishing should be the best it has ever been in Texas.

## Texas Tech to Gather Data for Long-Range Weather Forecasts

Plans to gather data to aid in long-range weather forecasts for the Southwest have been announced at Texas Tech.

Dr. Fred Wendorf, Tech anthropologist, will head a team of 10 scientific specialists that will gather archaeological information on Southwest climate. The National Science Foundation has provided \$15,500 for the first year of study that will take place west

of Odessa in the Monahans dunes. An unusual set of lake beds in the 30-mile by 100-mile area of sand dunes may hold the story of Southwest weather for the past 150 centuries—the minimum period of time that will give proper perspective for long-range forecasts, Wendorf said. Present Southwest weather records only go back 100 years.

No rivers drain into the lake beds, only waters from the surrounding flat country. Consequently, waters of the centuries have drained into the lakes, carrying with them identifiable pieces of vegetation, fossils and soils of the area.

With no rivers to bring foreign matter that would cloud the archaeological picture of the section, the history of its climate should be awaiting scientists, Wendorf stated.

Public enemy number one is the stop sign passer. Drive safely!

## AIR FORCE RECRUITER TO BE HERE NOVEMBER 14

M-Sgt. Doyle L. Roberson, Air Force recruiter for Crowell, will be at the post office on Nov. 14 to interview young men and men interested in enlisting in U. S. Air Force.

Sgt. Roberson pointed out this is the beginning of space age and young men entering Air Force now have an opportunity to train in the most technical fields connected with guided missiles and space travel.

Sgt. Roberson said that veterans who have been discharged recently can in some cases most of, if not all of, their back when they re-enlist in Air Force. He said that for information, contact him at post office between the hours 11:30 a. m. and 1 p. m.

July 1957 was the first for which social security payments were made.

# SPECIALS - Thursday Evening FRIDAY and SATURDAY
