FIFTY-FIFTH YEAR NUMBER 42

CROWELL, FOARD COUNTY, TEXAS, THURSDAY, MAY 3, 1956

TEN PAGES

**CELEBRATE ANNIVERSARY**  
Shown above are Mr. and Mrs. N. J. Roberts, who celebrated their golden wedding anniversary on Sunday, April 22.

22, with an open house at their home in Crowell. Present for the occasion were Mr. and Mrs. Roberts' three sons and their families, and Mr. Roberts' five brothers and two sisters.

## Annual Meeting of County Federation Year Held at Thalia April 27th

Foard County Federation of Women's Clubs met for the last meeting of the year on Friday, April 27, in the Methodist Church at Thalia.

The Riverside and Thalia Home Demonstration Clubs were hostesses and the Garden Club brought a program with Mrs. N. J. Roberts Sr., as leader.

Since April 27 was the sixty-third anniversary of Foard County the program was on the history of the county. Mrs. Roberts presided. The Columbia Club is sponsoring a Foard County Museum which will be located in a court house. Anyone who has things to give or lend to the museum may see Mrs. Roberts.

These things will be appreciated and receive the best of care. The devotional, "The Master's Touch," was given by Mrs. R. J. Thomas and closed with the group singing the Lord's Prayer in unison.

Mrs. L. A. Andrews told how the federation books were filled out each year, and also about the organizing of the Foard County Library in March 1929. She told of its history and stated the dues are still \$1.00 per year per family and urged everyone who does not belong, to join the library and help support a very worthy cause.

Mrs. Andrews visited the Garden Club was organized in 1935 and has always been a member of the Federation. It has two accredited judges who can go anywhere to judge flower shows. She solicited new members as they are always welcomed.

Mrs. Roberts, Mrs. S. S. Bell, Mrs. John S. Ray and others, told of their first visits to Thalia and other incidents they remembered of the early days of Foard County.

After a beautiful and delicious lunch, the meeting was resumed. Everyone signed a note to send to Mrs. Tom Callaway, the president, who is recovering from injuries received in an auto accident recently.

Mrs. Roberts read several interesting clippings from her scrap book, taken from the county paper many years ago. Mrs. Moore and Mrs. Adkins of the Riverside Club sang "Long, Long Ago," with Mrs. Ray at the piano. The history of Foard County and the old copper mines was given by Mrs. Allen Shultz of the Thalia School.

## CEMETERY ASSOCIATION

The following have subscribed for the support of the cemetery the month of April, Mrs. N. Roberts, president, has announced:

C. W. Andrews, Vernon, \$10.00; E. R. Singleton, \$5.00; Mrs. Hankins, \$1.00; Jack Roberts, \$8.00; Mrs. S. E. Tate, \$5.00; R. J. Owens, \$5.00; Mrs. W. Gray, \$10.00; Mrs. Harvey Adams, Temple, \$10.00; a basket by Mrs. L. G. Andrews, \$10.00; Mrs. A. R. Johnson, \$10.00; and children, \$5.00; Mrs. O. McDaniel, \$1.00; Frank Gathrell, \$5.00; Mrs. A. Weatherall, \$5.00; Moody and Ingram, \$5.00; S. D. Roberts, Denton, \$5.00; Dr. H. E. Roberts, Denton, \$10.00; Pat N. Roberts, Denton, \$5.00; a friend, \$10.00; Mrs. Suddie Bradford, \$20.00; W. Haviaty, \$10.00; Mrs. J. H. Hinnick, \$10.00; Mrs. J. S. Long, \$6.00; a friend, \$25.00.

Mrs. Roberts made the following report: "We are grateful for your generous gifts this month. It reminded the two previous months were received less than \$5.00 enough for operating expenses. April has been an expensive month. We've had the house insured for another three years; and had Frank Moore to make the shingles on the new addition to the house. We expect to have several loads of dirt hauled from the northeast corner of the square where excavating is being done. We paid for the buy tank and sexton's hire and pool repairs. We urge those using water to be as conservative as possible."

## DOWN TOWN BIBLE CLASS

There were fifty-two present for the Sunday morning meeting of the Down Town Bible Class, sponsored by the Crowell Methodist Church. One visitor was present.

In the opening exercises, Sam and Marcus Mills sang a duet accompanied by Mrs. J. R. Beverly.

Rev. Warren Everson, assistant teacher, delivered the morning message.

## Dollar Day Bargains to Be Offered in Crowell Friday and Saturday

Dollar day bargains will be offered the people of this territory this week end, Friday and Saturday, May 4 and 5, by the merchants of Crowell.

Dollar days are sponsored and promoted by the Crowell Booster Club on the first week end in each month as an incentive for people to trade with their home town merchants and save money on the many bargains they have to offer.

Another Booster Club-sponsored program, the Saturday afternoon drawing, continues to draw large crowds. The drawings are held at 4:30 Saturday afternoon.

## Gospel Meeting to Be Held at Westside Church of Christ

A series of gospel meetings will be conducted at the Westside Church of Christ in Crowell beginning May 6 and continuing through May 13.

C. M. Walkup of Gould, Okla., who has conducted several meetings at the local church, will do the preaching again this year.

Services will be held each evening at 8 o'clock and on Sunday at 10:30 a. m.

"A friendly invitation awaits you to attend this gospel meeting," officials of the church said this week.

## Foard County Receives Over One Inch of Rain Monday and Tuesday Nights

Rain measuring from .4 to .6 inch fell over Foard County Monday night. The moisture was heavier in some parts of the county than others. The Truscott community received about the same amount and the precipitation was slightly heavier in the Gilliland community.

The cool weather that has prevailed during the last two or three weeks has been a life-saver for the wheat crop in most portions of the county. Wheat in the Vivian community has suffered more from the lack of moisture than other communities. Less rain has been recorded in that vicinity.

Farmers are of the opinion that with favorable weather conditions, that most wheat fields in the county will make surprisingly good yields. However, it is too early to tell how well the grain will mature and make an estimate of what the yield might be.

## Wildcat Band to March in Santa Rosa Parade

The C. H. S. Wildcat Band will march in the Santa Rosa Roundup parade to be held in Vernon next Monday. This will mark the 31st and final performance of the band for the current school year and also the last performance for two members of the band who will graduate this spring.

Miss Barbara Fairchild, oboe and twirler, will complete her duties with the band on Monday. She has been a member of the band 5 years during which time she has been very active in many phases of band work. Barbara has been a twirler 2 1/2 years and has played oboe and bells in the band five years. She has taken both twirling and oboe solos to the various contests that the band has entered.

Bobby Davis has been a member of the band 6 years playing baritone. He has been student director of the band for 3 years. Bobby also has taken a very active part in the band program, entering solos and student directing events at the various band contests.

Some hail was reported to have fallen, but not enough to do any great damage.

## Grand Jury Returns One Indictment in May Term Court

The grand jury summoned for the May term of district court met in the court room Monday morning at 9 o'clock. Only one bill was considered by the grand jury, and an indictment was returned, charging a Plainview man with death by worthless check.

Jack Edens of Thalia served as foreman.

## Methodist Revival at Margaret Will Close Sunday Night

The Methodist revival meeting in Margaret, which has been in progress this week and will close Sunday night, has attracted unusual interest and success. Rev. Clarence Bounds, pastor, has announced. The pastor has done part of the preaching, assisted by other Methodist pastors in the vicinity. Bro. Bounds reported seven recommitments and conversions up to Tuesday night.

Rev. Grady Adeock of Crowell preached Tuesday night and was accompanied by Margaret by the Crowell Methodist choir and others. Wednesday night, Rev. Owen Butler, pastor of a Vernon church, preached. Tonight, Rev. Clinton Graham of Rock Crossing will preach and will be accompanied by Margaret by his choir and members of his church.

On Friday night, Rev. Melvin Mathis of Goodlett, a former pastor of the Margaret Church, will be the visiting preacher.

There will be no service Saturday, but the pastor will preach Sunday morning and also at the evening service.

## Paducah Man Fined for Transporting Liquor Wednesday

Local officers arrested a 23-year-old Paducah man west of Crowell on Tuesday night of last week, on charges of transporting intoxicating liquor for sale in dry territory. A sizeable amount of liquor and beer were found in the car driven by Ray D. Hall.

Hall was tried in county court Wednesday morning and received a fine of \$300.00 and costs.

## 4-H Girls to Have Annual Dress Revue Saturday, May 5

The Crowell 4-H girls will hold their annual 4-H Dress Revue this Saturday, May 5, at 4:30 p. m. in the High School auditorium, and the public is invited to attend. Mrs. Mary D. Brown, C. H. D. A., stated Monday.

At that time the girls will model garments they have made during the year. An entry prize furnished by the Home Demonstration Clubs will be given to each girl.

The top county winner, who must be 14 years of age or older, will be eligible to participate in the district dress revue next fall in Wichita Falls.

Judges for the event will be Mrs. E. A. Dunagan, Mrs. Fred Trawcek, and Miss S. C. Kinsey, C. H. D. A., of Knox County.

The Thalia 4-H girls plan to hold a separate dress revue on Friday afternoon, May 11, at 3 p. m. in the Thalia School auditorium.

"These girls have worked very hard on their dresses, so I hope you all will come to see them model them," adds Mrs. Brown.

## Mrs. Jim Ewing's Brother Succumbs

Mr. and Mrs. Jim Ewing attended the funeral of her brother, Arthur B. Thurman, 58, which was held in the Assembly of God Church in Childress Wednesday afternoon of last week.

Mr. Thurman, long-time resident of Childress, died Monday, April 23, in the home of a brother in Dallas, where he had been living for only a few months.

A native of Tennessee, he was born Feb. 12, 1898, in Clay County. He moved to Childress in 1932 and had made his home with a brother, L. E. Thurman, until moving to Dallas.

He is survived by five brothers and one sister, Mrs. Ewing of Crowell.

## Margaret People Celebrate Completion of Two Community Projects with Barbecue Held Last Thursday Evening

The people of the Margaret community and a large number of visitors gathered at the new community house in Margaret last Thursday night to celebrate the completion of the community house and the remodeling of the Methodist Church, with a barbecue, augmented with cakes and pies, coffee, iced tea, ice cream, and soda pop.

These two community projects were built with labor furnished by men and women of the Margaret community with few exceptions.

Following the bountiful and delicious meal the crowd assembled in the auditorium of the community house for singing and a short program. Rev. Clarence Bounds was in charge of the program which included several talks.

Bax Middlebrook made the first talk in which he expressed the deep appreciation of the building committee, of which he is a member, for the wholehearted cooperation of all the people in the community. Talks were also made by Grady Graves, superintendent of Crowell Schools, and Grady Halbert, vice president of the Crowell school board, Rev. Grady Adeock of Crowell and Rev. Melvin Mathis of Goodlett.

W. A. Dunn read the list of wholesale grocers and others who donated food. Waples-Platter furnished coffee; Kimble Grocery, Childress, furnished pickles; Mead's Bakery, Vernon, and Mrs. Baird's, Crowell, furnished bread; Ebner Bros. of Wichita Falls, Big Chief Packing Co. of Quanah and McClain's Super Market of Crowell, furnished hams; Chapman's of Wichita Falls furnished ice cream; Vermetz Creamery of Vernon furnished cream and Carnation furnished milk; Ode Frost of Vernon and Vernon Food Store furnished potato chips; Fruit and Vegetable Store of Vernon furnished onions; Coca-Cola Bottling Co. of Vernon furnished Coke and Dr. Pepper drinks; Jack Walker gave a reduction on the beef.

Ed Dunn of Crowell furnished the beans and cooked them. Cecil Carroll barbecued the meat and J. B. Fairchild furnished the mesquite stumps for the fire.

Many items were furnished by local people. The Russell Grocery and Mrs. Jack Roden's Grocery of Margaret were influential in obtaining donations from wholesale companies.

**VALEDICTORIAN**—Pat Cates, above, has been named valedictorian of the 1956 graduating class of Crowell High School. Mrs. Cates has an average of 95.13.

## Crowell High School Band Wins Honors at Region II Music Festival in Abilene

Last Saturday, the Crowell High School Band, for the third year under the direction of E. L. Rickard, participated in the Region II Music Festival in Abilene. The band earned a Division II plus rating in the concert playing event and Division II rating in the sight-reading event. This contest marks the close of the 1955-56 contest season.

Members of the band also entered 17 solos and 2 ensemble events. Those earning Division I ratings in solo competition include: Bobby Davis, baritone and student directing; Elizabeth Davis,

## Man Injured in Car-Truck Wreck Saturday Night

A 48-year-old Altus, Okla., man suffered a broken leg and other less serious injuries last Saturday night about 9:30 when the 1955 Dodge he was driving was in collision with a gasoline transport near the top of the 6-mile hill west of Crowell.

Daniel Calvin Moss was en route to Paducah to visit relatives at the time of the accident. He is an insulator contractor and has been working in Altus. The truck was driven by Ernest Mulford Lovelady, 59, of Mulsehoe.

Moss was returned to Crowell by Womack's ambulance, x-rayed at the Foard County Hospital, and then taken by ambulance to a Wichita Falls hospital.

Investigating officers, Highway Patrolman M. W. Crigler of Paducah and the local Sheriff's Department, said that the gasoline transport was making a U-turn at the top of the hill when the Moss car struck the rear duals on the trailer of the 1955 International truck-tractor.

The Dodge was completely demolished while the truck did not receive serious damage.

**SALUTATORIAN**—Pictured above is Betty Jane Gibson, who is salutatorian of the 1956 graduating class of Crowell High School, with an average grade of 94.34.

## Quannah Girl Wins 2nd Place in Contest

Barbara Gayle Dennis, 16, daughter of Mr. and Mrs. Fred Dennis of Quannah, former Foard County residents, and a sophomore in Quannah High School, won second place at the regional meet in Dallas on Saturday, April 21, in number sense. This gives her the right to compete in the state contest at Austin on May 6.

Barbara Gayle is a native of Foard County and began her school work at Thalia under Mrs. Howard Bursley. Her mother is the former Miss Maggie Meason, daughter of the late "Uncle" Ben Meason.

## SAILS FOR EUROPE

Miss Leona Young, sister of Mrs. N. J. Roberts of Crowell, and a retired employee of The Dallas Morning News, sailed April 25 from New York on the S. S. United States. Miss Young will make an extended European tour, which will include visits in England, Holland, Belgium and Germany. Before she returns in October, she will also travel through Switzerland, Austria, the French Riviera and Italy.

Since her retirement, Miss Young has become an inveterate traveler. She has just returned from a year spent in Mexico City, and before that she made an extended stay in San Francisco, Calif., and toured most of that state.

## OIL NEWS

**TECHNICIANS TOIL IN OIL TANK**

One oil company has petroleum scientists by the tankful working on projects that will mean new and better petroleum products, and better ways of getting more oil out of an oil well. Their new research center is built from an old unused oil storage tank — capacity 80,000 barrels or 60 technicians — which was dismantled, reassembled, and faced with aluminum and porcelain enamel. The circular unit, first of its kind, combines pilot area, research laboratories, and high-pressure research all under one roof.

**Applications Being Accepted for State Highway Patrol**

Captain K. B. Hallmark, commanding officer of the Wichita Falls District of the Texas Highway Patrol, said this week that applications are being received from young Texans who are interested in appointment to the state patrol force.

The Patrol Captain said that he will be happy to talk to prospective candidates at his office in Wichita Falls, located at 5th and

Van Buren Streets. He pointed out that the last Legislature authorized an increase of 200 men in the Patrol's strength and that the remaining vacancies would be filled through examinations given state-wide late in June from the list of applicants filing between now and June 10.

General qualifications for appointment to the Texas Highway Patrol, according to Captain Hallmark, include the following: age 21 to 35 years, inclusive; high school education, or equivalent; minimum height of 5 feet 8 inches; weight in proportion to height; good moral character;

perfect physical condition; and excellent character.

Rookie Patrolmen are paid during their training and probationary period, the Captain said, and other job benefits outlined by the Captain include: two weeks paid vacation annually, sick leave, state retirement and Federal social security.

**DIAMONDS IN THE ROUGH**

Diamonds are an oil man's best friend—in tough drilling areas. Half-carat industrial diamonds are welded onto core drilling bits to give the tools more "bite." Some

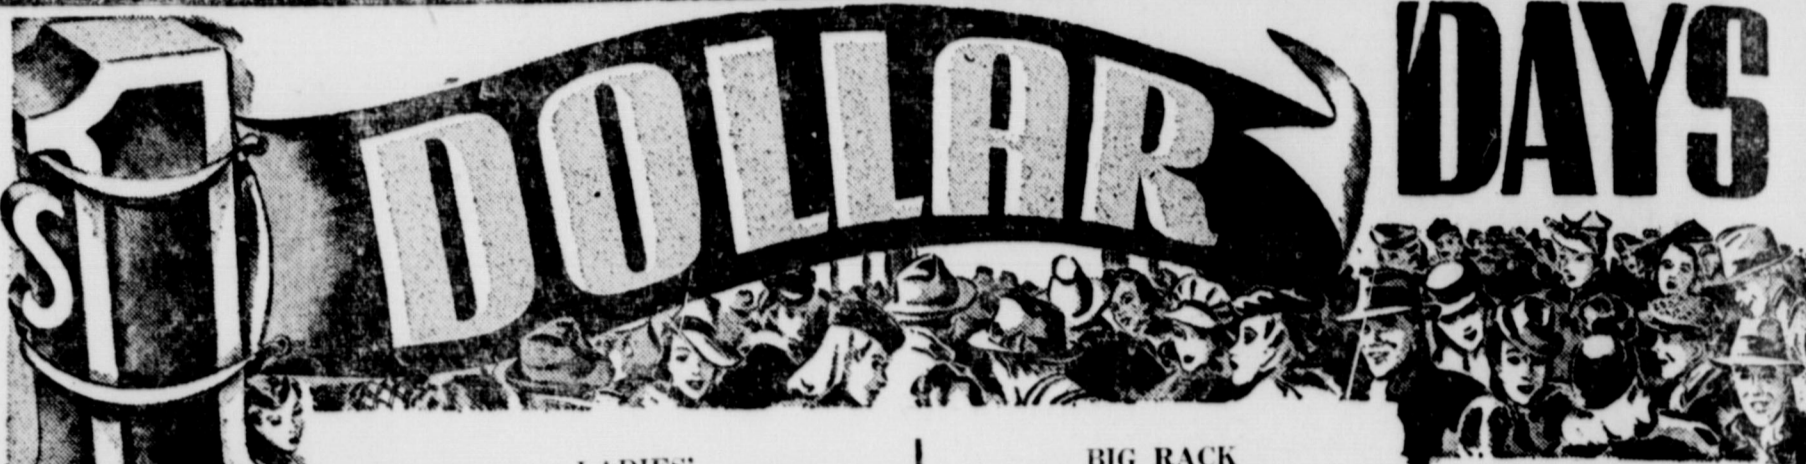

of these rock bits — veritable "Big Berthas" of the oil industry — are set with as many as 730 fairly uniform, half-carat stones, and cost over \$3,500. Because of the expense involved, diamond coring bits are not used when another tool will do the job. The diamond core bit is a good example of the costly tools that oil men must constantly perfect to help them in their never-ending race to keep ahead of consumer demand for petroleum products.

#### WHY JOHN GOT A C

The teacher studied her record book. She looked at Johnny's grades. There were just about as many C's as B's after his name. Shall it be a C or a B? She remembers how he often comes in a little late, how he asks for assignment over. The other fifty students mark time while the annoyed teacher gives private pupil his lesson. Do you blame her for deciding with her pencil that Johnny's average is C?

#### FROM DALLAS TO MEXICO CITY — BROWN'S FLIGHT TO SIGHTSEEING IS WONDERFUL

For a wonderful experience, take a trip to Mexico City. That is the advice of Mr. and Mrs. Robert Brown, who recently returned from eating enchiladas, payas, and other Mexican food, buying bargains, and sightseeing in the various cities. The couple flew from Dallas to Mexico City on a DC-7 in 3 1/2 hours. Since there were only seven passengers aboard, the trip was especially luxurious. Last Thursday afternoon, Mrs. Brown presented a talk on her trip to Mexico. The talk was interspersed with colorful slides and souvenirs. "South of the Border, Down Mexico Way" was the primary destination of Crowell High School students. Mrs. Brown discussed the fact that in 1834 the people established a new form of government based on the Constitution of the United States. Since that time, Mexico has been making great

progress as the people now have the privileges of the four freedoms instead of a dictator. Before the conquest of Mexico by the Spaniards, the Aztec Indians who lived there were highly civilized; they had established the fact that the world was round, had scientists, astronomers, and learned mathematicians as is evidenced when one visits the pyramids and beautiful old cathedrals with their intricate carvings.

Mrs. Brown had heard much about Mexico as a shopper's paradise. "And it really is," she reported. Leather goods, perfumes, laquer work from rosewood, straw hats and baskets, copper etchings, Mexican blue glass, and many other items are priced very reasonably. The pictures made from the century plant were unusual. From the top of the plant a needle is made and the leaves are peeled, treated and colored to make attractive pictures. "In our trip we encountered many varied living conditions, and the secret of our enjoyment was overlooking the bad and observing the good."

They thought Acapulco, Mexico's playground, very interesting and enjoyed seeing the lovely homes with swimming pools and luxurious modern hotels, among which was the one built by John Wayne. The pepper trees, palms, banana trees, and lovely flowers add much to the landscape.

Eighty per cent of Mexico's exports are from the U. S. while their chief exports are silver and copper. At University City the government has spent \$25 million and five of their leading architects planned the new buildings. Every course that one finds in a large university is offered.

Of course, the bull fights are a must for tourists, so they went to see them one afternoon. First came the colorful parade with its graceful matadors. There were six fights in one afternoon. Mrs. Brown managed to sit through it. The Browns were impressed by the friendliness of our neighbors, the people of Mexico. Also the hotels and the food were good and were very reasonable in price.

#### A JOE AMONG JOES

On the list of CHS's VIP's (very important people) is Roy Joe Cates. Roy Joe, at the time he graduated, had been serving as editor of the Wildcat for two years. He is now the editor of the Vocational Industrial Club News and has written for the Alcalde, the Texas University paper.

When he graduated from Crowell High School, Roy entered Texas Christian University as a dramatics major. For four years he studied determinedly, and at the end of this time he received his reward — his Master's Degree with dramatics as a major. His studying paid off, because very

soon he entered the Air Force as a director in the division of dramatics. After being discharged from the Air Force after four successful years, Roy again continued his studies — this time at the University of Texas. He entered the field of journalism. Soon the success of his studies revealed itself in many ways — writing for the Texas University paper, the Alcalde, and now editor of the V. I. C.

Soon he will leave the university with another degree under his arm — his Master's in journalism. His vocation is not yet definite . . . probably some field of newspaper work. Whatever it is, we know that he will be a success. Certainly he deserves it, for "Whatsoever a man soweth, that shall he also reap."

#### JOTTINGS BY JAN AND MARKINGS BY MARKETTA

It used to be as Will Rogers said, "All I know is what I read in the papers." Now all I know is what I read in the papers, hear by radio, or see on television.

Vandever Busch, the great atomic scientist, said recently, "What America needs is another Will Rogers, who will debunk some of the stuffed shirts who are still with us."

Well, our band has done it again, and brought glory to old CHS from the contest held in Abilene Saturday. A special orchid to Bobby, James and Elizabeth for winning first on their solos.

Question of the week around CHS is "What are you going to wear to the scavenger hunt Friday night?"

There's no doubt about what will be worn Monday. Everyone will have out "them there western duds" for the Santa Rosa parade and rodeo."

Mary Doe's mouth cost her nothing because she never opens it, except at the expense of others. A person that spills the beer loses that only; he that drinks it loses both that and himself. (Pantherette).

We doubt if the coming national elections will be any more

heated than last week's FHA campaigning to elect next year's officers. Seriously, everyone had a lot of fun, and it was wonderful training.

The don'ts of all don'ts is don't get even. The greatest per cent of all wasted time is that which is wasted on revenge. Life is much too short to spend time hitting back at someone who has hurt you.

In a recent letter from the University of Texas the registrar stated that the grade point average for all freshmen entering the University from Texas high schools was 1.253. The grade point average for students from Crowell High was 1.586. As the University grades its freshmen rather strictly, we feel that CHS should be pleased that they have maintained an above average rating. (Frances and Robert Kincaid).

The juniors with faraway looks on their faces aren't dreaming. They're trying to think up a plot for their short stories due Friday.

We're ready to pack our bags and head South since hearing Mrs. Brown talk on Mexico. Oh, you dreamers, you.

#### GROVER COLE TALKS TO SIXTH GRADE

On Thursday afternoon, April 19, Grover Cole, the water superintendent, talked to the Sixth Grade science class on the history of our water supply from 1922 to the present.

Mr. Cole told of the water wells located near Margaret which supply about 700 customers with safe water which has been chlorinated and stored in two concrete reservoirs in Crowell.

The sixth grade has been studying water in its science class and benefitted from the additional information supplied by Mr. Cole.

#### ADELPHIANS TURN SCAVENGERS FRIDAY NIGHT

If tomorrow (Friday) night, Marnie dressed as a man from Mars or a gypsy princess knocks on your door and politely inquires if you have a left handed monkey wrench or a can of polka dot paint you can spare, don't become alarmed and call to the police to arrest the escaped maniac in your living room. Your visitor is probably just one of the 80 teenagers expected to attend the masquerade and scavenger hunt held by the Sub Junior Adelphean Club for its members, members of the Sub Junior Columbian Club, and guests.

The participants will meet at the community house at 7:30, receive their lists of articles, and after searching for a set time, return to the community house for refreshments and presentation of prizes for the most original costumes and luckiest searchers.

#### WRANGLERS READY FOR ROUNDUP

Well, tilt my Stetson and call me Slim. It's time to round up the dogsies of CHS to don their western togs, and it's hi ho Silver away! to the Santa Rosa Roundup at Vernon.

All you "cool cats" park your "rods" and ride them horses in the parade next Monday. You seniors remember that this is your last chance to be a CHSites and a Texas cowpuncher at the same time.

Let's all go to the rodeo. After all — you don't get out of school every day. Ya-hoo!!! Don't mind me. I'm just giving my wild rebel yell.

#### DRAGONS SKIN WILDCATS

Paducah's Dragons proved to be the better team Tuesday, April 24, as they crushed Crowell's baseball team by a score of 4-0. The Wildcats were never in a scoring position as there was but one hit, Freshman pitcher Gerald Bradford, along with the rest of the team, played a good game in trying to stop the Dragon's heavy hitting. Crowell played host to Chillicothe Tuesday and will entertain Quannah here tomorrow. The Wildcats have defeated Chillicothe once, but they will seek revenge against Quannah as the Indians have defeated the Wildcats once this year. Good luck, Wildcats! Stomp Quannah.

#### KNOTHOLE NEWS

Hello, Hep Cats. Dig this!! We all wonder what fish David is after now.

Seen riding around Friday nite were Jimmy Werley-Pat and Glen Peggy.

At the Rock and Roll Review were Bettie Linda and Kenny Newell. We've all been wondering who the crush was!

Say, we heard that Grady and Larry were hunting Cousin Al Thursday.

Hey, Nita, did you and J. D. have fun Saturday?

Seen in Quannah Thursday nite were Barbara and Layton. In Vernon Sunday nite were Pat and Louis.

The Cats' most interesting case — Jimmy Weaver and Linda Ferguson.

At the roping pens Sunday were Bud and Fran.

Say, Weaver, what were you doing Thursday night, hunting

wood?

Say, who's the new girl named Jonie?

Waiting for Roxie and Jeanie to come back from Abilene Saturday were Ray and Lowell.

We hear that Peggy Long has been making the rounds since Boyce has been home.

Congratulations to Bobby, Bettie and James on winning a first on their solos.

Seen riding around Sunday were DeAnna and Edward. Roxie and Ray were seen together Friday night.

Bettie Linda, what's this about a James Alton Brazil from Quannah?

Harvey was waiting for Judy Saturday night, as usual.

Catch this, boys, Barbara and Layton aren't going steady any more. Get busy!

DeAnna and Edward were at the City Lake Friday night.

What's this we hear about you having two visitors in one night, DeAnna? Was the other one named Charlie Berry of Quannah?

What interest does Jimmy Weaver have in New Jersey?

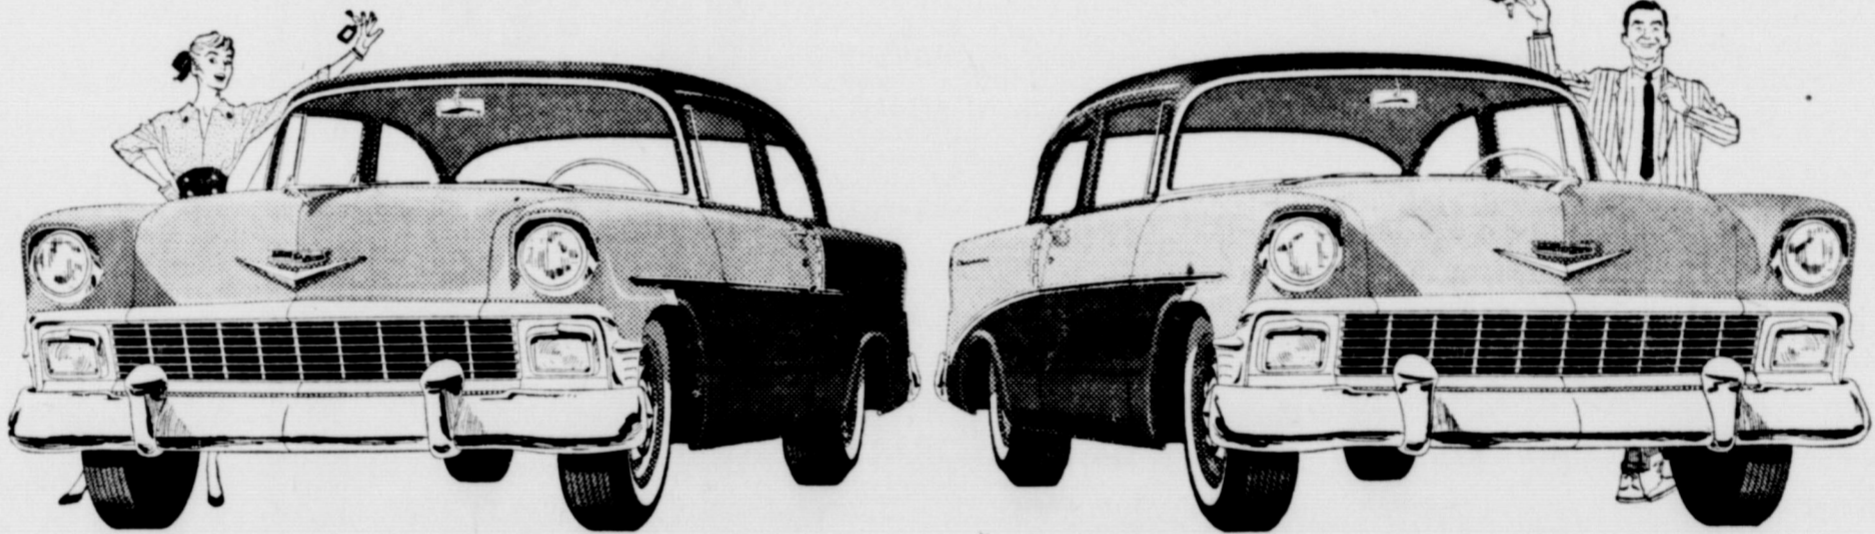

What's this we hear about Dale Johnson having a crush on a grade school girl that rides his bus?

LaVoy, why does everyone call you Margie?

Thaxton, Lindell, Billy Don and Winford, who was the LITTLE

**Home Demonstration Notes**  
**MRS. MARY D. BROWN**

On Friday, May 18, Mrs. Janie Scott from the Simplicity Pattern Co. will hold a meeting in the West Texas Utilities club house at Lake Pauline at 2 p. m. Her demonstrations will include: 1. how to select the correct size pattern for various figure types; 2. how to select flattering styles; and 3. discussion and presentation of new fabrics and designs. It will last about 1 1/2 to 2 hours and I have heard some really wonderful reports of it. We are invited to attend this meeting and I hope as many of you as possible will enjoy it and it isn't often we have a chance to attend this kind of meeting.

I will go and take a car and I hope some one from each club will be able to take a car if enough of you are interested. I will be able to take 3 women with me, so if you are interested in going, please call and let me know.

Sometime this month you will need to elect a nominee for the State THDA convention to be held in San Antonio next fall. The names of these nominees will be presented at the THDA meeting which will be held immediately after the June council meeting. At that time the THDA committee will elect 3 to be delegates to the state meeting.

This state meeting will be held Sept. 27 and 28. However, it will be preceded by the national meeting Sept. 25-27. This is the first time we've ever had a national meeting in Texas, so I hope our delegate will consider going for at least part of the national meeting.

Your nominee should be someone who can go, take good notes, and bring a good report back to the clubs.

Don't forget the Crowell 4-H Dress Revue will be this Saturday at 4:30 in the high school auditorium. The Thalia 4-H girls plan to hold their dress revue Friday, May 11, in their school auditorium at 3 p. m. I hope you will try to attend one of these revues as a big audience always encourages the girls.

Our recipe this week is:

**Scrambled Eggs with Cheese**  
4 eggs, 4 tablespoons milk, salt and pepper to taste, 2 tablespoons grated sharp cheese, 2 tablespoons fat.

Beat eggs in mixing bowl. Add milk, salt, pepper and cheese; stir. Heat fat in skillet until moderately hot. Pour in egg mixture and reduce heat. Cook slowly, lifting from bottom and sides to allow uncooked part to flow to bottom. Stir occasionally. Cook until mixture is thickened throughout, but still moist. Serve immediately. The mixture will continue to cook if left in hot skillet.

**THE VERY MODEL OF A MODERN MAJOR OIL FIELD**

To the oil producer, conservation means using the most efficient methods to get the maximum amount of oil and gas from nature's reservoirs. Giant steps have been taken toward good management by pretesting field conditions in the research laboratory. One oil company, for instance, is experimenting with a scale model of a typical oil-producing formation. The model helps determine the exact number of wells which can best recover the optimum amount of petroleum from a field without waste of materials or manpower. By using progressive methods like this one, oil men are able to produce twice as much oil from a pool as they did in the early years.

The League of Nations was established on June 28, 1919, and dissolved in April, 1946.

**In The News . . . 30 YEARS AGO**

News items below were taken from the issue of The Foard County News of Friday, May 7, 1926:

Mrs. Jeffa Colleen Scarborough, youngest daughter of E. G. Campsey, died at the home of her sister at Matador Sunday morning, May 2.

Travis Hays has recently accepted a position as an electrician with R. W. Porter of Elk City, Okla., and moved his family to that city this week.

Miss Winnie Beidleman, oldest daughter of Mr. and Mrs. C. W. Beidleman, was married to J. H. White on April 27, in the 7th & James Street Baptist Church in Waco with Rev. W. W. Melton performing the ceremony.

The Margaret school is nearing one of its most successful terms and will be brought to a close on May 18. There are four graduates, three girls and one boy. They are Eva Elizabeth Goodman, Lillian Shaw and Berrice Bagley, and Ollie Bledsoe.

Judge and Mrs. Robert Cole of Vernon were here Tuesday from Vernon, the judge holding district court, and Mrs. Cole visiting friends.

Mr. and Mrs. R. A. Palm and children spent the week end with Mr. Palm's parents in Iowa Park. Mr. Palm is a teacher in the Crowell schools.

The household goods of Mr. and Mrs. C. V. Allen arrived last Saturday and they are located in the Spencer house.

Mrs. J. C. Roberts of Denton is here visiting her son, N. J. Roberts, and family.

J. F. Long and Clint White attended to business in Amarillo last week and were detained there several days on account of heavy rain.

Mrs. E. P. Bomar was here last week from Henrietta visiting her daughter, Mrs. John Long, and she was accompanied home by Mrs. Long and small daughter, Margaret.

W. E. Maddox of Munday and W. O. Clary of Ballinger are new employees at the West Texas Utilities Co. plant.

Rev. and Mrs. W. J. Mayhew left Monday for Killen to visit their daughter.

Mrs. W. A. McMillan of Electric and Miss Texas Glover of Wichita Falls visited their parents, Mr. and Mrs. John L. Glover, from Friday until Sunday.

**ROTARY CLUB**

Wednesday of last week's meeting of the Rotary Club was held in the recreation room at Truscott with the Home Demonstration ladies serving a delicious fried chicken dinner buffet style. Twenty-three Truscott men were guests of the Crowell Rotarians. Also present was Rotarian Vance Favor of Quanah, Loyd Fox of Thalia and the two student guests from Crowell High School.

Grady Graves had charge of the program with County Agent Joe Burkett making a talk on farm problems.

The meeting was a very enjoyable one from every standpoint.

**COW EATS POISON**

Helena, Mont. — After breaking into an old shed on Peter Suta's ranch, 70 cows ate some sawdust stored there. Thirty-five of the cows died. Suta said arsenic had been mixed with the sawdust some twenty years ago to be used as grasshopper bait.

GIRL you were talking to at the Plaza Saturday?  
Marilyn, you shouldn't stay out late on Sunday nights.

Gaylon, do you have a girl at Vernon? You stay over there all the time.

Seen at the Rialto Saturday night were Anna Marie and Bill. Betty Jane-Ray and DeAnna. Charlie Berry were seen at the Plaza Saturday.

Could this be something new, Pat and Jimmy?

Seen in Vernon at the skating rink were Jimmy Thaxton, Zonell Eddy, Francayne Coffey, Dana Roberts, and sitting on the side line was C. T. McDaniel.

What were all the girls doing with their boots on Friday? Must be getting close to rodeo time. Jimmy and Patricia were seen together Sunday night.

We were glad to see Chun home again this week end. R. C. was seen in Vernon with Peggy every night this week end. Seen "double dating" at the Sport Saturday night were Arleta-Billy Joe, Francayne - Layton.

**ATOM AND OIL**

Dropping atomic bombs down oil wells may be tomorrow's technique for tapping billions of barrels of petroleum that cannot be recovered by methods known today. Results of a study made for a major oil company reveal that the heat from a small nuclear explosion would free trapped oil from breaking down heavy petroleum into lighter free-flowing fluids. Moreover, the explosive shock would crack tight oil-bearing formations, allowing additional oil to escape. A mile-deep explosion would constitute no safety hazard since the earth is capable of absorbing the heat and blast.

A golden spike, driven at Ogden, Utah, in 1800, marked the completion of the first trans-continental railway.

**Top Quarter Horses to Perform at Santa Rosa May 7-12**

Vernon, Texas (Special)—Admirers of fine horse flesh will have an opportunity to witness performances by some of the nation's top quarter horses during the week-long Santa Rosa Roundup and Livestock Exposition opening here May 7.

Owners of entries in the open cutting horse contest will scramble for a share of the \$1,000 purse plus entry fees. Many top entries will perform at nightly rodeo sessions. The four finalists will meet in a feature of the last rodeo performance Saturday, May 12.

There will be \$900 prize money, entry fees, rosette trophies and ribbons to lure top entries in the halter classes. Performance classes will include roping, reining and cutting horse divisions, with entry fees plus \$75 to be split among five winners in each division.

The sleek and talented animals will be quartered in the show barn on the Santa Rosa Roundup grounds, four miles south of Vernon.

A two-mile long parade at 2 p. m. Monday, May 7, will open the 11th annual Roundup, ac-

claimed as one of the best 10 in the nation.

More than 200 of the world's top rodeo performers, including Tom Mastieck, Bill Linderman, Todd Whatley, Harry Tompkins, Jim Shoulters and Casey Tibbs, are due to contest for a cut of the \$9,100 prize list, plus entry fees.

A sparkling array of specialty acts has been booked by General Manager John Biggs. Advance ticket information may be obtained by calling 2,6868 or by writing H. A. McCarty, Santa Rosa Roundup Ticket Headquarters, Wilbarger Hotel, Vernon, Texas.

**A NOSE FOR BUSINESS**

Usually when people turn up their noses at their work, the boss doesn't like it. But there are oil men who are hired to sniff at their work. Some refineries hire men on a full-time basis to sniff about the plant and its surroundings for smells. As soon as they detect anything disagreeable, they report it to the refinery, so that experts can track the odor to its source and stop it. There are more than 2,000 separate jobs in the oil industry.

Texas Press Association

Austin, Tex.—If you have a bit of imagination, you can see a huge "help wanted" sign hanging over the capitol dome.

Some mighty important jobs are to be filled. Salaries range up to \$25,000 a year. And some of the jobs are as yet unclaimed.

Top job of course is that of Governor. It is a two year job paying \$25,000 a year. The incumbent, Allan Shivers, has announced his resignation.

Next highest in the pay bracket is that of Attorney General. There is a vacancy there too. John Ben Shepperd also is resigning Jan. 1. The pay is \$20,000 a year and it is a two-year job.

There are four good jobs at \$17,500 a year. These positions include: Land Commissioner, Comptroller, Treasurer, and Railroad Commissioner. Here the incumbents, J. Earl Rudder, R. S. Calvert, Jesse James and W. O. Murray, have either little or no opposition. Just ask for it and the job is theirs. They are in like Flynn, unless other job applicants arrive before the May 7 deadline.

There are several \$15,000 jobs available, such as Agriculture Commissioner, three places on the Supreme Court, and one on the Court of Criminal Appeals. The Agriculture Commissioner's job is another two-year contract, but the court jobs are for six years.

Ag Commissioner John White hasn't said whether or not he wants to be re-hired, but most of the Justices have. Re-applying at R. W. Calvert and Meade Griffin on the Supreme Court, and W. A. Morrison on the Court of Criminal Appeals.

Not an applicant for re-hiring is Supreme Court Judge Will Wilson. He has filed for John Ben

Arthur Sandlin Sunday afternoon.

Mr. and Mrs. Clyde Bowley visited their son, David Bowley, and wife of Charleston, Ark., the first of the week. They accompanied Mr. and Mrs. C. M. Carroll of Crowell who took their daughter, Mrs. Donald Worley, to Camp Chaffee, Ark., to meet her husband who has just returned after serving in Germany for over one year.

Mr. and Mrs. Allen Fish visited her brother, T. B. Klepper, and wife of Crowell Sunday afternoon.

Shepperd's job, as attorney general. It pays \$5,000 more a year.

Then there are nine places on the Court of Civil Appeals, each paying \$12,000 a year. Most of these incumbents are seeking a renewal of their contracts.

Jobs of 15 State Senators expire too, along with 150 House Members. These are just part time jobs paying \$25 a day for 120 days, normally only every other year. The Senate job lasts four years, however, to the House's two.

Along with the House and Senate jobs is that of Lt. Governor. His salary is the same as the legislators'. Be. Ramsey who now holds the position says he likes the work and would like to be re-hired.

Because most of these jobs pay well and carry with them honor and recognition, there is a penalty attached. You have to pay to apply, and the application fee is in proportion to the salary. Unfortunately you don't get a refund if you aren't selected for the job. This discourages a lot of applicants.

Those filing for the Governor's job pay an application fee of \$1,250; for Attorney General, \$1,000; Land Commissioner, Comptroller, Treasurer, Railroad Commissioner, \$875; Agriculture Commissioner \$750 — and the same for Judges of the Supreme Court and the Court of Criminal Appeals. Civil Appeals Court Judges pay a fee of \$600, as does the Lt. Governor.

Applicants for House and Senate jobs pay \$1 to \$100 per county, the amount being determined locally.

There are several other jobs of a similar nature opening soon — such as that of Congressman-at-Large. The application fee for this post is \$1,125. Martin Dies has the position now. Incidentally, it is the highest paying job next to the Governor's. Salary is \$22,500 a year with a two-year contract.

Texas has 21 Congressional job openings coming up too. Salaries are the same as Congressman-at-Large, but the application fee is less. It varies with each area. These are two-year jobs.

Another job opening possibility is that of U. S. Senator from Texas. Here there are some "ifs" attached. If Price Daniel resigns — and maybe Lyndon Johnson too. Both are campaigning now for other openings — Daniel for Governor and Johnson for President. U. S. Senators draw \$22,500 a year for six years; filing fee, \$1,125.

Applications for statewide jobs are filed with George W. Sandlin of Austin, chairman of the State Democratic Executive Committee. If you want to apply for any one of these positions, you'll have to file your application not later than Monday, May 7, and pay

your application fee not later than May 10.

State Senators and Representatives and applicants for the U. S. Congressmen file in each county in their respective districts.

These jobs differ radically from labor and industry posts in that the job holder must apply again and again if he wants to keep the job indefinitely. And he must compete with all comers. Of course the application fee is just the beginning of the expense of getting the job. Also there are more bosses than employees, because the public, after all, has not only the first but the final say.

However, the pay is good, and there is a guaranteed annual wage.

Personnel will be selected in July, August and November — with the public making the selection.

**Spot-Oiling Proves Popular as Control for Johnsongrass in Cotton**

Cotton producers in 104 Texas counties used the spot-oiling method for controlling Johnsongrass last year on 73,637 acres of cotton.

According to Joe Burkett, county agent, the control method was first recommended last year and its popularity and value have already been well established.

When compared with other commonly used control practices, spot-oiling requires less hand labor, the oils used are readily available and comparatively cheap in price and the gravity-flow hand sprayer used for making the applications is inexpensive.

Burkett says a mixture of half naphtha and diesel oil is best for crown-oiling in cotton and corn. A squirt applied to each crown before the Johnsongrass plants are six inches tall and followed by from four to six additional applications should give 98 per cent control. Cost per acre will vary depending upon the amount of Johnsongrass infestation. Few crop plants are killed by the mixture.

Both naphtha and diesel oil may be purchased from bulk dealers, says Burkett. Plans for the gravity-flow hand sprayer may be obtained from the agent or the Agricultural Information office at College Station. Burkett can supply information on where a ready-to-use sprayer may be purchased. He can also supply additional information on the practice and on other practices which involve chemicals for weed control on the farm. Ask him for a copy of B-808, Spot-Oiling Johnsongrass and L-174, Control of Johnsongrass.

100 per cent over 1936.

The net return to farmers for work on the farm last year, after expenses were paid, averaged under 60 cents an hour. The net farm average was over \$2 an hour. One-fourth of all farmers reported net income under \$500 last year.

Since 1951 the things farmers buy, including machinery and other production supplies, have gone up an average of 20 per cent, but the selling prices of the things they produce have declined 27 per cent. That adds up to almost a 50 per cent drop in net farm income.

**THIS WEEK**  
—In Washington

With  
**Clinton Davidson**

You may find it hard to distinguish between facts and politics in the current Washington hassle over the farm crisis. If you do, you have plenty of company.

Some of the facts are obvious. Farm income and prices have gone down every year except one since 1947. Non-farm prices and income have gone up steadily for the past 15 years.

Farmers are caught in a vicious price-cost squeeze that has reduced farm purchasing power to the lowest level in 20 years. Non-farm buying power is at the highest level in history, more than

**FOARD CITY W. S. C. S.**

Mrs. Jack Welch was hostess to the Foard City Women's Society of Christian Service on Monday, April 30, with Mrs. V. A. Johnson presiding over the business session. Mrs. Laura Johnson brought the afternoon devotional based on John 6:26-40. Her discussion concerned the everyday battle to be victorious over sin.

The leaflet program, under the direction of Mrs. Blake McDaniel, consisted of an article by Mrs. Frank Brooks, president of the Women's Division of Christian Service, and discussed by Mrs. Virgil Johnson, who also told of the goals for the new 1956-60 quadrennium. Mrs. McDaniel had a brief review of discipleship, based on the leaflet booklet; and the story of Laurence Jones, the founder of the Piney Woods Country Life School and Mississippi's first citizen, was scanned by Mrs. Grady Halbert.

Following the prayer of dismissal by Mrs. Bob Ely, the hostess served coffee and cake to those who were in attendance.

Last year farmers sold \$30 billion worth of farm products. A little over \$19 billion of that was paid out for supplies used in production, and for other operating costs, leaving less than \$11 billion for wages, depreciation, and family living expenses. When that \$30 billion worth of farm products reached consumers it cost them \$75 billion, 2½ times what farmers got.

Those are the undisputed facts. They present a picture grossly unfair to farmers, and a serious threat to the entire national economy. Unreasonably low farm prices have dragged the country into every depression we have had in the past.

The pattern of the past is easy to follow. First, farm buying goes down, and debt goes up. Then farm foreclosures. Local merchants sell less, and can't meet overhead costs. Business failures follow. Wholesalers get fewer orders. Manufacturers cut back production, but not prices. Workers are laid off and unemployment zooms. Thus a depression is born.

It is our opinion that a great majority of Congressmen and Washington officials sincerely want to reverse the farm recession trend. They have honest differences of opinion about how that can best be done. Those differences exist even among farmers.

Farmers have many good friends in both of the major political parties. You may agree more with the policies and the program of one party than the other. You will have an opportunity to express your opinion when you vote next November. That is one of the great privileges of living in a democracy.

**Records Needed to Get Federal Refund on Farm Gasoline**

Good records will make the job of preparing a claim for a refund on gasoline used on the farm easier, and the farm tractor a more efficient production tool, says Joe Burkett, county agent. Farmers are now eligible to ask for a refund covering the 2-cent per gallon Federal excise tax.

To get a refund, a farmer must file after June 30 and before October 1, a claim with the District Director of Internal Revenue covering the gasoline used during the first six months of the year. After 1956 refunds will be made for a one-year period from July 1 to June 30.

Refunds, explains Burkett, will be made only on gasoline used on a farm for farming purposes. They will not include gasoline used in cars or trucks used on the highways even though on farm business. The recently enacted law also applies to diesel and other motor fuels.

The claims must be filed on Form 2240 which will be available after June 1 from county agents, banks, post offices and Internal Revenue offices.

Burkett reports that the Com-

**Flagman Warns Drivers**

Very early one morning, a rolling, roaring avalanche of rock, near the summit of Washington's Snoqualmie Pass, killed a Seattle truck driver. When a large piece of the mountain collapsed and rolled down on the highway, two large trucks and trailers were demolished.

**FORMER RED PRISONER** — Father Harold W. Rigney of Chicago, Ill., is shown as he appeared before the Senate Internal Security Subcommittee in Washington, D. C., to tell of his experiences as a prisoner of Red China for more than four years. Father Rigney also delivered a prayer in the House of Representatives and in the Senate.

Just before the slide occurred, two trailer trucks approached the area. A flagman stopped both trucks and urged the drivers to run for their lives, when he heard the slide starting on the mountain-side above them. One driver ran and barely escaped with his life. The other driver just remained in his cab to see what would happen. Later, workmen had to use large jacks and pry bars to recover his body from under a huge boulder.

The Lord has His flagmen along life's highway, warning unsuspecting travelers of the approaching avalanche of judgment to fall upon the unprepared. "Flee from the wrath to come" is the solemn warning which should be heeded by all, for we have all sinned and deserve the righteous judgment of God. Where should one flee? The answer is, to the open arms of the Saviour who calls, "Come unto me . . . and I will give you rest" (Matthew 11:28).

If someone says, "Fear is a base motive, I will not react to it," then he is constrained by the love of Christ, who gave Himself for our sins. But one can be mistaken about fear being a base motive. What causes multitudes to take out insurance on their homes? What causes them to dress protectively in stormy, windy weather? What causes the authorities to arrange for guards

to escort school children across the busy thoroughfares? Is fear a base motive in these and numerous other cases?

People are divided into two classes: "Some believed the things which were spoken, and some believed not" (Acts 28:24). Just like the two truck drivers—one believed and was saved, the other just sat to see what would happen and was engulfed.

It is not necessary to commit great sins to be lost. Just sit still to see what will happen, and judgment will overtake you.

Eighty-five per cent of the vehicles involved in accidents last year were passenger cars.

More than 78 per cent of vehicles involved in fatal accidents in 1955 were traveling straight ahead.

**TELEVISION NEWS**

Did you ever stop to think your TV set—like your automobile—needs a major overhaul every couple years or so? When your automobile runs out of gas, or you break a fan belt, you rush into a service station and buy a tank of gas or have the belt re-tensioned and go ahead with your driving. Same deal with your TV when you blow a small tube or have a minor trouble. You call your service technician to have the set repaired in the home—where little trouble will be experienced in your televiewing.

Every couple of years or so, however, with your car and with your TV, you need a major overhaul. TV sets here in Crowell have picture tubes that have lasted well over three years, and many sets that age have parts that are intermittently bad. Sets in this category should have a major overhaul—picture tubes; all the tubes checked, all the controls checked; and the set "lived with" for two or three days to ferret out every little trouble. And the best time to have this done is when you leave on your vacation. When you pack up and leave out for a major overhaul, leave your TV with us for a major overhaul. We can make the old TV look like a new one!

Sincerely,  
Marion Crowell.

### Texas to Participate in Summertime Driving Safety Program

J. O. Musick, general manager  
of the Texas Safety Association  
and state coordinator for the na-  
tion-wide "Slow Down and Live"  
program, has announced that Tex-  
as will participate again this year  
in the special summertime safe  
driving project.

"Slow Down and Live" is an  
official nation-wide traffic safety  
campaign conducted from Mem-  
orial Day through Labor Day when  
the greatest load on the nation's  
streets and highways.

Musick said that it is sponsored  
by the National Conference of  
State Safety Coordinators and is  
officially endorsed by the Gov-  
ernors of the 48 states, the terri-

tory of Puerto Rico and the Dis-  
trict of Columbia. The program  
concentrates on those driving vi-  
olations related to speed and "in-  
a-hurry" driving; such as exces-  
sive speed, and speed too fast for  
conditions, improper passing, fol-  
lowing too closely and failure to  
yield the right-of-way. According  
to Musick, one or more of these  
violations are factors in 90 per  
cent of all accidents.

The TSA official coordinates  
the campaign in Texas with the  
Texas Department of Public Safety  
and the several sheriffs and  
chiefs of police within the State;  
as well as with fleet operators.

### FLAIR FOR FREIGHTING

Nylon wrap-around skirts are  
common in the fashion field, but  
in the trucking industry they're  
news. A nylon truck tarpaulin  
has been developed that will wear  
longer than other types, with fewer  
repairs. The fabric, coated with  
a special chemical, is translucent  
so that inspectors can see inside  
the trailer, and the cover's elec-  
trically welded seams are said to  
be leakproof and tear-resistant.  
Road tests indicate the covers can  
give nine months' continuous  
service without cracking, peeling,  
or needing repairs. The material  
remains flexible, waterproof, and  
resistant to acid, oil, abrasion,  
and tearing at laboratory tempera-  
tures ranging from 30 degrees below  
zero to 180 degrees above zero.  
The covers are custom tailored.

## Wedding of Local Couple Is Announced

Mr. and Mrs. Earl Ingle have announced the marriage of their daughter, Miss Betty Jane Ingle, to Ray Gibson, son of Mrs. Ted Kocella of Roseville, Mich., and Raymond Gibson of Plainview.

The couple was married in Lawton, Okla., on Dec. 10, 1955, by Rev. J. Walter Browers Jr., pastor of the Methodist Church there. The marriage took place in the parsonage.

The bride was attired in a suit of red velvet with which she wore black accessories. She is a member of the 1956 senior class of Crowell High School and is salutatorian of the class. She has been outstanding in school activities.

Mr. Gibson is also a member of the senior class and has been a valuable member of the football team of Crowell High School, as well as being active in other school activities. He is a grandson of Mrs. Cressie Erwin of Crowell.

The couple will go to Monahans for the summer and to Canyon next fall where Mr. Gibson plans to attend college.

### TRUSCOTT H. D. CLUB

The Truscott Home Demonstration Club met Thursday afternoon, April 26, in the community center with Mrs. E. J. Jones as hostess.

A special report on improving the community center and ground was given. Roll call was answered by 9 members. After the business, Miss Kinsey, agent discussed meat planning and gave a demonstration on dinner meat patties.

The club has two new members, Mrs. Paul Bullen and Mrs. Bob Ely.

The next meeting will be May 10 with Mrs. T. M. Westbrook as hostess.

### CO-LABORERS CLASS

Mrs. R. J. Thomas was hostess to the members of the Co-Laborers Sunday School class of the Methodist Church in a social meeting on Thursday afternoon, April 26. Co-hostesses with Mrs. Thomas were Mrs. C. S. Bartley and Mrs. Claude Callaway.

The opening song, "Take the Name of Jesus with You," was directed by Mrs. Thomas with Mrs. Paul Shirley playing piano accompaniment. Mrs. A. R. Sanders, class president, was in charge of the business meeting. Mrs. A. Y. Beverly reported on the flower planting project at the church. Mrs. Sanders appointed a year book committee for the ensuing year, composed of Mrs. T. B. Klepper, Mrs. S. S. Bell and Mrs. C. W. Thompson. It was planned on taking the Sunday school lesson to shut-ins who desire it.

Mrs. C. W. Thompson was leader of the afternoon's study which was on Mary and Martha. Mrs. Will Jones was devotional leader, taking for her scripture part of Hebrews 11. Her talk concerned "Vacation Church Going."

Mrs. Thompson gave the outstanding characteristics of both Mary and Martha, saying that both have the right to be classed in Christ's category of friends. She pictured the home in Bethany on the road to Jericho. A group of songs were sung as a finale.

Mrs. Thomas and Mrs. Bartley served a refreshing ice course to twenty class members and three guests, Mrs. J. H. Minniek, Mrs. Grady Adcock and Sharon Hall, granddaughter of Mrs. Will Jones.

### VIVIAN H. D. CLUB

At the meeting of the Vivian H. D. Club which met with Miss Neoma Fish as hostess April 26, Mrs. W. O. Fish discussed places to keep records and showed pic-

tures of various files for keeping them.

Mrs. Clyde Bowley opened the meeting by reading a poem and leading the group in the Lord's Prayer. She also gave council report.

Mrs. Thomas B. Smith of Paducah gave a short description of some of the parade of Fiesta week in San Antonio.

Refreshments were served to 9 members and 5 visitors, Mrs. Charlie Burns and Mrs. T. C. Sivells of Ogden, Mrs. A. T. Fish Jr. and Mrs. Thomas B. Smith of Paducah and Mrs. J. W. Carroll.

The next meeting will be with Mrs. T. W. Cooper May 10, at 2 p. m.

### THALIA W. S. C. S.

Mrs. Robert Hammonds was hostess to the ladies of the W. S. C. S. of the Thalia Methodist Church last Thursday for the regular 4th Monday program.

The meeting was opened by singing "Faith of Our Fathers," led by Mrs. C. H. Wood. Scripture was read by Mrs. H. W. Gray, leader. The theme of the talks was "Witnessing at Our Daily Work." Mrs. C. C. Lamb led in prayer.

Topics on the program were discussed by Mrs. Wood, Mrs. Ed Huskey, Mrs. B. A. Whitman with Mrs. Robert Hammonds giving the benediction.

Refreshments of cake, ice cream and soda pops were served to 11 members, the hostess and two visitors, Mrs. Jack Loran of Morton and Mrs. Leroy Henry of North Vernon.

### T. E. L. CLASS

The T. E. L. Sunday School Class of the First Baptist Church met April 27 in the home of Mrs. Jeff Todd with Mrs. C. T. Aly as co-hostess. Mrs. Doyle Callaway, president of the class, had charge of the meeting. Mrs. Frank Moore led in prayer. Mrs. Callaway brought the devotional on "Love" from John 15: 12-16. After a short business session, Mrs. E. A. Dunagan brought some interesting quizzes for the social

hour. Cookies and drinks were served to 10 members and one guest, Mrs. Guy Todd.

The Margaret M. Y. F. met Sunday night in the Methodist

Church which has for the months been undergoing a complete renovation. A good service was enjoyed by 56 members and friends.

The M. Y. F. served refreshments after the revival on Monday night to 80 people.
