Eighteen Boys Report for Basketball Workouts; First Game Next Tuesday

Coaches Thayne Amonett and Erwin had 18 boys to report for the initial basketball workout last Monday afternoon. Only two boys, Lowell and Jack Wilson, from last year's squad. However, the veterans were "few and far between" this season and the eight returnees will need another season of experience before the newcomers will be considered as a unit for the district crown. Only one of these boys, Edward Ward, is a senior. There are juniors reporting: Gordon Dene, Princess Gidney, Roy Doner, Jerry Bob Sellers, Larry

Sledge, Harvey Smith, Louis Rettig, Dale Rettig, Melvin Washburn and Jimmy Weaver. Three sophomores, Gerald Bradford, Jimmy Rader and David Carpenter, should play a lot of ball this year. The new boys out for the team are: Ivan Cates, Thomas Crowell, Bill Graves and Fredrick Youree.

Girls' Team

Coach Glen Taylor has been working out the following 14 girls for his team: Roxiann Adkins, Jerry Fairchild, Joyce Howard, Jeanie Johnson, Bettie Linda Knox, Mary Ann Myers, Patricia Prosser, Virginia Rasberry, Sandra Simmons, D'Lois Shultz, Dianne Sledge, Gayle Taylor, Judy Vaughn, and Jeannie White. There is not a senior in this group and Virginia Rasberry is the only junior on the squad. Mary Ann Myers and D'Lois Shultz are freshmen, and the other eleven are sophomores.

These girls have already won two out of three games this season. They split games with Benjamin and won one from Eldorado, Okla.

Season-Opener for Boys

The boys will open their season at Lockett next Tuesday night. The girls will be playing their fourth game of the season over there the same evening.

MRS. J. K. LANGLEY

Pioneer Resident of Thalia Now Living in Anton, Texas

Mrs. J. K. Langley, pioneer Thalia woman, who is now living with her daughter, Mrs. Jay Phillips in Anton, expects to celebrate her 88th birthday on Jan. 5, according to a letter received from Mrs. Phillips.

Mrs. Langley moved to Thalia from Merkel in 1910 and lived here until January of this year when she went to Anton to live with her daughter and family.

Mrs. Langley's health is reasonably good for a person of her age, although her eyesight is too poor for her to read.

Her three daughters are Misses Hammonds of Thalia, Mrs. Naomi Wascher of Urbana, Ill., and Mrs. Phillips.

The picture of Mrs. Langley was made by Guy Phillips, a photographer in the Air Force. He is the son of Mr. and Mrs. Millard Phillips, former Foard County residents.

Last Rites for John W. Thompson Held Saturday, Nov. 24

Pioneer Resident Died in Quannah Hospital Thursday

Funeral services for John W. Thompson, 83, resident of this section for 65 years, were held in the Crowell Methodist Church Saturday afternoon at 2:30 o'clock conducted by the pastor, Rev. Grady Adeock, assisted by Rev. C. T. Aly, pastor of the First Baptist Church.

Mr. Thompson passed away in the Quannah Hospital last Thursday following a short serious illness.

Pall bearers were Foster Davis, Dwight Campbell, Henry Black, Merl Kincaid, Bill Gafford and W. P. Bradford. Named to assist with the flowers were Mrs. G. L. Cole, Mrs. Jim Moore, Mrs. Cecil Carroll, Mrs. Clint White, Mrs. John Shirley, Mrs. Milton Hunter, Mrs. Grady Adeock and Mrs. Will A. Jones.

John Walker Thompson was born Dec. 20, 1872, in Carrollton, Texas. He moved to what is now Foard County with his parents sixty-five years ago, before Foard County was organized, and had lived on the same place since that time. At the time the Thompson family moved here, the land on which they settled was in Hardeman County.

In 1911 Mr. Thompson was married to Miss Nora Williams. Five children were born to this union, two sons and three daughters. Both sons preceded him in death. Reid Thompson was killed in action in Burma in 1944 during World War II. Robert died in 1950 from injuries received in World War II.

Mr. Thompson had been a member of Crowell Lodge No. 840, A. F. & A. M., since 1908. He was also a member of Crowell Chapter, Order of the Eastern Star, and a member of the Crowell Methodist Church.

He was well known throughout Foard and adjoining counties and was highly respected by all who knew him. He was truly a pioneer and what this area is today is largely due to men like Mr. Thompson who withstood the trials and hardships of the early history of the county.

Masonic graveside services were held by the Crowell Lodge, conducted by G. R. Choate, worshipful master.

Survivors include his wife; three daughters, Mrs. Lois Berre of Galveston, Mrs. Iris Roberts of Quannah, and Mrs. Jean Walsh of Los Alamos, N. M.; one brother, A. B. (Bud) Thompson of California.

Wm. F. Ross Draws 5-Year Term in State Penitentiary

William F. (Buddy) Ross, 46, of Seminole, Okla., was tried in district court here Monday morning, and after pleading guilty, was sentenced to five years in the state penitentiary by District Judge Jesse Owens.

Ross was one of three men who confessed to burglarizing the S. S. Bell home west of Crowell last June 1. The other two men have already been tried and are serving sentences in the penitentiary.

Ross was apprehended in Aztec, N. M., and was returned to Crowell October 18.

Down Town Floral Shop to Open Here Friday, Nov. 30

An invitation is extended to everyone to attend the formal opening. All who register will be given a memento.

FEDERATION TO MEET

The Foard County Federation will meet Dec. 7 in the Adelphi Club house with the Vivian H. D. Club as hostess and Foard City and Gambleville bringing the program.

WEEK OF PRAYER

The W. M. S. of the Margaret Baptist Church will observe the Week of Prayer at the parsonage Monday at 9:30 a. m. A covered dish luncheon will be served. Men are also invited for lunch.

Completions Reported on Two More Wells in Rasberry Field in West Foard

Two more wells have been completed in the Rasberry (6100 Cad-do) Field of Foard County.

Kadane-Griffith Oil Co. of Wichita Falls reported a 24-hour potential of 243.31 barrels of 39.5 gravity oil for No. 3 Virgil A. Johnson, nine miles northwest of Crowell in section 26, block A, SPRR survey.

Flow was through 18/64-inch

choke from open hole at 6118-53 feet with 420 pounds pressure on casing and 140 pounds on tubing. Gas-oil ratio was 380-1. Pay section was acidized.

Humble Oil & Refining Co. completed No. 3 J. G. Rasberry for a daily potential of 197.41 barrels of 46.8 gravity crude, flowing through 17/64-inch choke from perforations at 6150-60 feet. Pay was acidized. Hole was bottomed at 6395 feet. With packer on casing, tubing pressure was 200 pounds. Gas-oil ratio was 425-1.

The well is 1 1/4 miles northwest of Crowell in section 35, block A, SPRR survey.

Magnolia Petroleum Co.'s No. 1 Carroll Bros. has been completed and was reported to be flowing 15 barrels per hour.

Depths of the other wells in the Rasberry field as reported to the News by Raymon Rasberry follow:

Texas Company's Maude E. Rasberry No. 1 was drilling at a depth of 4159 feet. Leonard Bros. No. 1 Carroll Bros. was at 4230 feet and Humble Oil & Refining Co.'s No. 4 Jack Rasberry was drilling at 5860 feet.

Two new locations have been staked in the field; Magnolia has located west of their No. 1 well and Humble has staked the Jack Rasberry No. 5 south of Magnolia No. 1.

Correction

In stating the potential of the No. 20 L. K. Johnson in last week's issue of the News, it was stated that the well was 15 miles south of Crowell. The well is located about 15 miles west of Crowell.

Crowell Stores to Be Closed Today

Christmas Opening Set for Friday, Dec. 7

Although last Thursday was observed in some parts of Texas as Thanksgiving, today, Nov. 29, will be observed by most Foard County residents. Crowell stores will be closed all day today.

The post office and Local A. S. C. office were closed last Thursday and the post office will be open today, with rural delivery scheduled as usual.

On next Friday, Dec. 7, official opening of the Christmas shopping season will begin with the annual appearance of Santa Claus here. Santa will arrive shortly after 5 p. m. and will bring candy for all the children. The Crowell High School band will also escort Santa into town and provide musical entertainment during the affair.

207 Crowell School Students Receive Polio Vaccine

Through the efforts of the Crowell Student Council, a Polio Vaccine Drive started Nov. 12, was ended last Friday with 207 high school and grade school students being inoculated. This accomplishment was made possible by the fine cooperation of the Student Council, under the direction of Marvin Myers, and the local doctors, John W. Raines and Martin Kralicke.

Dr. Kralicke was assisted in giving the inoculations by Mrs. Kralicke, Mrs. Audrey Coffey and Dick Gravelle. Dr. Raies was aided by Mrs. Polly Owens. Student assistants who helped in keeping the records, collecting the money, and directing the students were: Nelda Brooks, president of the Student Council; Jana Black, vice president; Marketta Painter, Lowell Page, J. C. McCoy, Edward Daniel and Edward Howard. Mr. Gravelle, brother of Mrs. Kralicke, also assisted the students.

The Student Council and the people of Foard County are to be commended for their efforts in making this drive successful. As a result of this work, the majority of the students in both schools have now been given a polio shot. The second shot will be given next month. Any parents whose child was not given a shot is urged to take advantage of this at the next inoculation date.

News About Our Men in Service

Leon Morgan has returned home to Elkins, Ark., after a three-weeks visit here with relatives. He received his discharge from the Air Force in September after serving four years, 2 1/2 of which were spent in Germany. He is the son of Mr. and Mrs. Lewellen Morgan of Elkins, former Foard County residents.

Booster Club Gives \$25.00 to Gilliland Baptist Church

The Crowell Booster Club has mailed a check for \$25.00 to the Gilliland Baptist Church to be used in the erection of a new church building. It was announced this week by Irving Fisch, president.

The former place of worship was destroyed by fire a few weeks ago.

Glover Infant Buried Here Last Saturday

Funeral services were held in Crowell Saturday morning for Larry James Glover, infant son of Mr. and Mrs. Fred Glover of Crowell. The baby and his twin brother, Gary Thomas, were born in the Foard County Hospital Thursday morning, Nov. 22.

Survivors include the parents, the twin brother; grandparents, Mr. and Mrs. L. P. Glover of Foard City and Mr. and Mrs. G. C. Short of Thalia.

Greek Air Force Lieutenant Guest of Rotary Club

Second Lieutenant Eugene Misiakoulis of the Royal Hellenic Air Force, was the guest of the Crowell Rotary Club for four days last week. He spoke to the Rotarians at their luncheon on Wednesday telling them some things about his native country, Greece. He stated that they consider the United States to be among their best friends and the relief packages they received from this country after Greece had been devastated during World War II will never be forgotten by his people. He visited the Crowell School on Friday morning and spoke to the high school group about his native land.

Lt. Misiakoulis was a guest in the following homes while here: Mr. and Mrs. Grady Graves, Wednesday morning; Mr. and Mrs. Decker Magee, Wednesday afternoon; Mr. and Mrs. Grady Halbert, Wednesday night and Thursday morning; Mr. and Mrs. Herbert Edwards, Thursday afternoon; Merl Kincaid, Thursday night; Mr. and Mrs. Ray Brown, Friday afternoon; Mr. and Mrs. Clinton McLain, Friday night; and Mr. and Mrs. Marvin Myers, Saturday and Saturday night.

Lt. Misiakoulis is attending a helicopter maintenance school at Sheppard Air Force Base in Wichita Falls. In February, he will return to Athens, Greece, where his wife and two children reside.

Miss Jean Whitby Named to "Who's Who" at N. T. S. C.

Miss Jean Whitby, junior English major at North Texas State College and daughter of Mrs. John Cogdell of Crowell, has recently been elected to "Who's Who in American Universities and Colleges." About 150 students from the junior, senior and graduate classes were nominated for the honor. Thirty-two from that group were selected by a student-faculty committee. The selection, made on a combined point system and elective basis, generally requires high scholarship, leadership and character. Biographies and activities of those chosen will be included in the 1956-57 edition of "Who's Who." Also their pictures will be featured in the 1956-57 "Yucca," NTSC yearbook.

While at North Texas, Miss Whitby has been a member of Alpha Lambda Delta, freshman honor society; Junior Mary Arden, an English club; and was elected freshman and sophomore representative to Women's Forum, an organization of all the women students at NTSC; and was elected sophomore representative for Marquis Hall. At present she is a member of the executive committee of Alpha Delta Pi, social sorority, of the Young Democrats of America, of Sigma Tau Delta, national English honor society, and is chairman of the Beauty Selections Committee. Last spring she was elected president of Women's Forum and is serving her term of office this year.

LET US BE THANKFUL

Today we students are in our respective homes enjoying Thanksgiving day as only American youth can enjoy it. We have a day off from school, a table piled high with good food to eat, and an uncomfortably full "tummy" when dinner is over.

But in the midst of these pleasures, I hope that we pause—if only for a moment—to reflect upon the origin of the first Thanksgiving—a day of rejoicing and thankfulness for the abundant grace of God in permitting a bountiful harvest in this great land of America.

Let us remember that we too should be grateful to God for our Pilgrim fathers, our cultural background, our religious heritage, our opportunities of today—and let us very humbly say, "Thank you, God, for everything."

CONGRATULATIONS, STUDENT COUNCIL

"Ouch! Oh! Does it hurt! Have had yours? No, it's not my time yet!"
 These were familiar expres-

sions heard in the two doctors' offices last Friday when the students of the high school and the grade school received their polio shots. The newly organized Crowell Student Council did a fine job in carrying out the polio drive. With the help of their sponsor, Marvin Myers, they made all plans for the inoculations.

The drive started Nov. 12 with a film, "Unconditional Surrender" which encouraged all young people to take their shots, and it ended Nov. 23. Again we say to the Student Council, "Much obliged."

CHS STUDENTS ARE THANKFUL—HOW???

We know that at Thanksgiving we should stop to count the many things for which we are so very thankful—but—it takes a bit of fun to make the world go round, so here are some of the humorous things for which CHSites are thankful.

I'm thankful that I had only one set of tonsils—Gerald Bradford.

I'm thankful that school is not just beginning—Kerry Brown and Joe Johnson.

I'm thankful that Mr. Welch is so likeable—Dale Johnson.

I'm thankful that today isn't Dec. 4, because that's when my term there is due—Lowell Page.

I'm thankful that Johnny wasn't twins—Jann Black.

I'm thankful for the great Algebra II teacher that we have—Johnny Wehba.

We're thankful we're through marching on that dusty, damp football field for another year—Betty Davis and Noel Wilkins.

I'm thankful that I live in this freedom loving USA—Mary Hall.

I'm thankful that I have another year of football—R. H. McCoy.

I'm thankful for girls. Why? So they can help me with my lessons—Edward Howard.

I'm thankful that I know the people I know—but I'm sure enough thankful that I don't know two people just like any one person that I know—Sandra Choate.

I'm thankful that I don't have to put up with these "pesty flies" here at school for four whole days—Ruth Hinkle.

We'll be thankful when our term themes are done—Marketta

Painter and Karen Hall.
 We're thankful that CHSites do scandalous things so we can have something to write. Ha! Ha!—Aldon Garrett and J. C. McCoy.

We're thankful that our girls can only wear one football jacket at a time—The Football Boys.
 All CHSites are thankful that six weeks exams are over, that the holidays are here, and that they don't have to take polio shots every day.

Your editor is very thankful that every day isn't Monday (the day we have to turn in the Wildcat), but since Mondays do come, she's very thankful for the wonderful staff and sponsor.

BAND NEWS

Now that football season and marching contest are over, band has settled down to a much lighter schedule: class at 9 and no chance for any night rehearsals. The band has spent the entire week reading new music. Some of the numbers are light swing and jazz while others include heavy contest music. The big favorite is entitled Armada, with runner-up selections including La Mascarada, Blue Fantasy, Voodoo, Forgotten Dreams, Hollywood Serenade, El Dorado, My Dream Sonata and selections from Oklahoma.

Also, the dance band for this year had its first meeting last week. Most of the members return from last year's group, but there are several new faces to be decided on before the dance band will be complete. Additions for these positions are being postponed until Sandra Sanders returns to school and can have a chance to try out for one of the positions. The dance band hopes to participate in the State Stage Dance Band Contest to be held in Brownwood in February. In conjunction with this, Mr. Rickard has started looking for a singer to sing with the band. Anyone interested in trying out for vocalist should contact Mr. Rickard next week. Either a boy or girl will be eligible.

the girls' first home game.
 Judy Vaughn was high scorer for Crowell with 34 points. Linda Cox, high scorer for Benjamin, made 30 points.

Other players for Crowell were Patricia Prosser, D'Lois Shultz, Roxiann Adkins, Ginger Rasberry, Sandra Simmons, Joyce Howard, Bettie Knox and Jeannie White.

STUDENTS WELCOME GREEK VISITOR

CHS students were very happy to be introduced to Lt. Eugene Misiakoullis (Eugene Mitchell) from that very cultural city—Athens, Greece—where his wife and two children await his return from studying our American helicopters.

Greece, a country four hundred miles long and one hundred and fifty miles wide, is proud to call America her friend. Her population is eight million, and all eight million people are very grateful to us for sending food, clothing, and medicine to them in 1944 after the German invasion.

In Greece, two foreign languages—Spanish and English—are taught in the high schools. Greek children attend four years of elementary school and eight years of high school. Lt. Mitchell stated that he definitely wants his children to attend college in America.

One cannot list all the interesting things Lt. Mitchell told us about Greece. In fact, his picture of Greece was so interesting that we wish we could go there ourselves.

FOOTBALL BOYS JOURNEY TO DALLAS

The football boys had the privilege of attending the Baylor-SMU football game at the Cotton Bowl in Dallas last Saturday. Because of illness and because some had to work, only 18 made the trip. They were accompanied by Coaches Thayne Amonett and Gordon Erwin along with Marcus Mills and Edward Daniel.

They made it to Dallas in time for lunch at the Custom cafeteria. The game started at 2 o'clock. The outcome of the game (Baylor, 26; SMU, 0) was enjoyed by about half of the group while the others did not like it so much. The boys observed some good football that should help the team next fall.

They had supper in Wichita

Falls on the return trip and arrived in Crowell about 11:30 Saturday night. The only mishap during the day was the illness of Gerald Bradford that was caused by his recent tonsillectomy. A visit to Parkland Hospital made it possible for him to make the return trip on the school bus.

The following boys made the trip: Printess Gidney, Gerald Bradford, Tom Crowell, Duane Nichols, Larry Sledge, Jerry Pittillo, Ray Thomson, Ivan Cates, David Carpenter, Jim Henry, Joe Calvin, Gordon Cates, Fred Youree, Dale Rettig, R. H. McCoy, James Grady McDaniel, Turk Ferguson and Joe Wheeler.

CHS LIBRARY NEWS

Thursday morning, Nov. 22, the Library Club met in Mrs. King's English room. A skit written by De Anna Ferguson was presented to the group. Anna Marie Fiske, Ruth Hinkle, Lavoy Rummel and Sandra Choate were stars of the skit entitled "A Librarian's Duty." Peggy Cates gave an interesting book report on "Penny's Acres" by Lewinton.

Hot chocolate and marshmallows were served by Mrs. King.

EXAMS ARE HARD, BUT ANSWERS ARE SIMPLE

Last week was six weeks' exam week at CHS, and although any student will tell you that the tests were "rugged," we hope that the teachers didn't find answers like these reprinted from the Lockhart News.

Salt Lake City is a place where the Morons settled.

Two French explorers of the Mississippi were Romeo and Juliet.

A converse in geometry is approaching a theorem from the rear.

Georgia was founded by people who had been executed.

Many Southerners employed tooters for their children.

In the biography of Keats, he was brought up in a poor family. His father was a stabelman. This, of course, was no poetic environment.

Williams expressed in his play through the characters that something you gain through dishonesty you loose easily as Macbeth lost his head in the end.

Priscilla, Miles Standish's lover,

was a very sweet girl dressed in the simple Dutch costume consisting of a white cap and apron. The teacher must be dressed simple. She should wear a commanding look on her countenance.

KEYHOLE KAPERS

Well, people, the marriages have fallen off this week, but the steadies have increased, so maybe everything is still all right.

Beverly Kelly really has a field. She goes with Q-Town boys, Jimmy Rader and Johnny Wehba. She doesn't seem to be able to make up her mind.

Jimmy Williamson is really a lucky boy. Look what he's caught—Judy Borchardt!

Well, it looks as if an old flame has been rekindled. Marketta and "Big Ed" were seen together Friday night.

Lowell and Janis are seen everywhere. He took her to the show Saturday night and to church Sunday morning, ate dinner at her house, and rode around with her Sunday afternoon. Some Sunday!

Doyal surely looked lonely Sunday and Monday. Reason—Nelda was sick.

Gayle Taylor has joined our "Puny People's Association." She is in the hospital. Let's all go to see her.

We hear that Jo Frances has her pick of Q-town boys.

We're so glad Jeanie White isn't the two-faced creature that the Library Club skit made her out to be. It was all in fun.

"What a Man Washburn" has been having a "Ball." He has been dating Wanda James, "Prunice" Campbell and a Paducah girl.

The Gilliland boys are invading Crowell, but the girls don't seem to mind, especially Linda Johnson, Joyce Howard and Jeanie White.

Who has the other half of Jim Henry's disk? Girls, you had better watch this guy.

We hear that Louis Rettig has promised his new football jacket to Patsy McRae. This girl really rates!

Peggy Long and J. C., Nelda and James, Janis and Lowell were touring the town (riding around) Thursday night.

Hey, all you people, let's get and go to the teen club.

Guess What! Jerry Clifton

wants to go with Mary Ann Myers. Guess that lets all those other girls out.

Janie and James Grady, and Larry, Patty and Butch, don and Lizzie, Wehba and Beverly enjoyed the teen club Friday night.

Twitich and Jackie Walker really had a good time Saturday night. Shirley and Jimmy enjoyed it.

Everybody's mighty glad to see Sandra Sanders back in school. We hear that Edward Howard has a date with a "foreign" character. She's Paducah's N. Cogdell.

Blond Judy Hollenbaugh and W. Golden seem to be interested.

THIS WEEK

-In Washington

With Clinton Davidson

The U. S. Agriculture Department employs a small group of experts, headed by Dr. Sherman Johnson, whose job it is to pry into farmers' future. They've come up with some ideas of what 1957 may be like.

The group goes under the heading of Farm and Land Management Research. It has been operating for several years, and with remarkable accuracy. Instead of calling their reports forecasts, they prefer the term "projections into the future."

"These projections," says Dr. Johnson, "of production that may be needed (in 1975) are based on specific assumptions regarding growth in population, increase in consumer incomes, and trends in consumer preferences for farm products."

Two members of the research group, Glen Barton and Robert Rogers, have just completed a study indicating that farmers will need to increase production by one-third in the next 20 years to keep up with expanding demand.

"The chief purpose of this report," they explain, "is to describe and analyze the size of the production job ahead for farmers. The important questions may revolve around how rather than whether we can meet production requirements in the years ahead."

The study assumes that surplus problems will no longer plague farmers by about 1960. From then on, the job will be to expand production rapidly enough to keep up with growing demand. Production controls will gradually disappear, they indicate.

The report assumes a total population of 267 million by 1975 and that per-capita consumption of meat, milk, eggs, fruits and vegetables will continue to increase at about the same rate as in the past.

With 40 million more people to feed each day, farmers will need to increase beef cattle numbers by 35 per cent, hogs by 40 per cent, sheep and lambs by 15 per cent, and milk by 25 per cent. They'll need to grow 35 per cent more corn and oats, 50 per cent more soybeans and 35 per cent more hay, and up pasture output by one-third.

Other increases include 1 per cent more Irish potatoes, 11 per cent more sweet potatoes, 14 per cent more dry peas, 40 per cent more truck crops, 35 per cent more fruits and nuts, 37 per cent more tobacco and 25 per cent more cotton.

Barton and Rogers think future needs for farm products can be attained through (1) shifting of acres among crops, (2) adding to crop land and pasture, and (3) increasing production per acre.

At present production rates per acre, we would need about 150 million more acres in cultivation and pasture by 1975. There are only about 25 million acres we can add through irrigation and reclamation, so five-sixths of the increase must come from greater yields per acre.

The increase in yields per acre needed will be about double the

average rate between 1910 and 1950. But it can be done, they conclude, if we increase production by only about two-thirds as much per year as we did during World War II.

Research is expected to help farmers up production by developing new and improved methods of cultivation, new hybrids and varieties of crops, livestock breeding and feeding efficiencies. More farmers will need to use the best methods known. There'll be a big increase, too, in irrigation.

Increased mechanization will enable fewer farmers to grow the added amount needed. Each farmer now produces enough for himself and 7 others, but by 1975 each farmer may feed himself and 12 others.

H. D. Agent Gives Tips on Cooking Game Birds

All game birds should be cooled thoroughly before cooking, reminds Mrs. Mary D. Brown, C. H. D. A.

To roast duck, clean, wipe and dry. Sprinkle generously with flour, salt and pepper. Place whole peeled onion or apple inside each duck. The onion or apple will not be served—they are used to absorb some of the wild "gamy" taste. Fasten two or three strips of bacon across each bird with toothpicks. This adds juiciness and flavor. Place bird on rack in roasting pan. Do not cover or add water unless it is an old bird. Bake in a moderate oven until done. Young birds will roast in approximately 1½ hours. Baste frequently, and remove from oven as soon as tender.

Ducks may be stuffed with wild rice dressing made by boiling the rice and seasoning with salt, pepper and chopped onion or you may use your favorite bread stuffing.

a delicacy in many families. They Dove and quail are considered have a food value equal to that of domestic birds, and flavor that is unusual and exciting as well. They are delicious fried, braised, roasted or made into meat pies.

Pedestrian Fatalities Bring Warning from Safety Association

A safety warning was given drivers this week by E. C. McFadden of Dallas, president of the Texas Safety Association, who spoke in behalf of the current pedestrian protection program. He stressed the necessity for more give and less take on the part of drivers.

"Our high pedestrian fatality rate is an indictment of the selfish attitude displayed by many drivers," McFadden said. "I know that pedestrians often invite disaster by their own careless behavior, but this does not excuse drivers from blame."

He said the fact that the average car weighs well over 3,000 pounds while the average man weighs 160 pounds or so should convince any driver that he should bend over backwards to protect the pedestrian. Costing the right of way with pedestrians is hardly fair play, he said.

McFadden listed the following rules as musts for drivers who want to discharge their responsibilities to pedestrians in traffic.

1. Stop at crosswalks for pedestrians.
2. When stopped at a crosswalk, stay behind the line until the signal changes.
3. Don't jump the gun when the signal changes. Give walkers a break.
4. Be sure the crosswalk is clear before making a turn.
5. Be especially alert when approaching blind intersections or lines of parked cars.
6. Watch out for children and elderly people.

Austin, Tex. — Austin's feud over O. Henry's "Honeymoon house" has people over the state taking sides.

Bone of contention is a weather-beaten frame cottage where the famed short story writer took his bride 69 years ago. History-lovers want to preserve it as a "beautiful tribute." Austin Heritage Society gained City Council permission to move it into a park adjoining an exclusive westside residential area.

Nearly homeowners call it a "vermin-infested junk heap." They say they'll sue.

While park-lovers fumed, history-lovers got the house loaded on a truck, began inching it into the park. Stories went out across the country and brought back a tide of advice for each group. But no solution.

CO-OP CASE RE-OPENED — Texas Supreme Court has agreed to take another look at a case to decide electric power selling rights.

Issue is whether rural electric cooperatives can continue service in areas after they are annexed by cities. In August the Supreme Court refused to review lower court decisions in favor of the co-ops.

Suit was brought by the attorney general, numerous private utility companies and the League of Texas Municipalities. On the other side is the Uptown Rural Electric Cooperative, backed by 54 other co-ops and the City of Gilmer.

Private utilities contend the law restricts co-ops to towns of 1,500 or less. Co-ops say they can't be thrown out once they've legally entered an area.

No date for arguments was set by the high court.

STATE WINS PRIZE MONEY — Businesses offering prizes to customers must pay a 20 per cent state tax, according to court ruling.

Third Court of Civil Appeals so judged in a suit against Mrs. Tucker Foods, Inc. It offered coupons worth 15, 25 and 50 cents with cans of shortening. Attorneys for the firm argued the prize tax applied only to theaters and places of amusements.

District and appeals courts interpreted the statute as to apply to "any business enterprise."

HOSPITAL DIRECTOR RESIGNS — Dr. James Bethea, executive director of the State Hospital System since 1953, has resigned effective June 1.

Dr. Bethea will be 70, statutory age for retirement, next October. He said he submitted his resignation early to give the state hospital board plenty of time to pick a successor.

Board members will take up the matter at their next meeting Dec. 10.

DROUGHT UPS WELFARE PAYMENTS — Impact of the drought is reflected in climbing old age payments, says the Department of Public Welfare.

In its annual report the department said it added 533 to the old age rolls during fiscal 1956, compared to only 90 the year before. Drought, it said, reduced income, not only of oldsters, but of children and relatives who helped support them.

Total old age assistance payments for 1956 were \$111,410,645 parceled out in monthly payments from \$5 to \$55. Average was \$41.71. Cost is paid 33 per cent from state funds, 67 per cent from federal funds.

"YOUNG TEXAN" JURY — Picking of the five outstanding young Texans of 1956 is under way. Texas Junior Chamber of Commerce has announced the committee which will name the honorees.

They are Ben H. Wooten, president of the First National Bank, Dallas; T. Harrington, chancellor of Texas A&M College; Vern Sanford of Austin, manager of the Texas Press Association; Walter G. Wright, president of the General Telephone Co.; Malcolm Meek, Abilene bank president; Dr. Stanley W. Olson, president of Baylor University College of Medicine in Houston; and Tom Sealy of Midland, chairman of the Board of Regents of the University of Texas.

TEXAS, THE MIGHTY — Texans, despite their reputation for boosting the home state, find they can hardly outdo the latest account by outsiders.

U. S. News and World Report devoted 17 glowing pages to "the new powerhouse of the United States." Post-war industrial boom, says the magazine, has made the state a "modernized Goliath." It's "an empire that keeps getting mightier," says the report, because it's "so big and so naturally rich."

Statistics cited: factory output, up 690 per cent since 1939; business activity, up 488 per cent; oil and gas production, up 468 per cent; construction, up 303 per cent.

Conclude the editors: "The United States is finding more and more that it cannot get along without Texas."

Walter T. McKay, state director, Farmers Home Administration, has been advised by the Secretary of Agriculture and the Governor of Texas of revised routines in the execution of freight rate certificates entitling eligible applicants to reduced freight rates under Interstate Commerce Commission Drought Orders.

These orders provide in part that the class of persons entitled to reduced rates are those designated as being in distress and in need of relief by the United States Department of Agriculture or by such State agents as designated by the Department. The Secretary of Agriculture has authorized Governors of all drought stricken states to designate persons entitled to reduced freight rates. Effective November 15, 1956, Governor Shivers redesignated to all county judges in designated drought counties in Texas the authority to execute certificates.

"Heretofore, Farmers Home Administration County Supervisors were authorized to execute certificates and only stockmen who were eligible for emergency feed could obtain the certificates. This revised authorization will extend the benefits of reduced freight rates to all stockmen in designated counties," McKay stated.

Whooping Crane Does Joy Jig

A whooping crane dance of at surviving the long, hazard flight from the far northland described by Joshua J. Harman assistant manager of the Aransas National Wildlife Refuge.

Harman was checking in the jetic birds down on their Texas coast wintering grounds. Not the arrival of Number 21 of apparent 28 whoopers alive. Harman wrote: "One of the whoopers began to bow and pick things to offer the other birds began to pivot and whirl and to leap into the air (many whoopers are over four feet and have seven foot wing spread). In all, it made six to eight these spectacular leaps. The bird was not much interested, did very little bowing, and led only once. After this exhibition, the birds walked across pond to where twenty-three sail cranes were standing, upon upon one of the sandhills did short dance."

Harman surmised that any grating bird would ignore its haustion and dance after getting by the countless hunters' lining the tortuous way.

Hunt Reports Mainly Good

Pre-season observations that Texas "has deer running out of its ears" have been partly confirmed by field reports, according to Howard Dodgen, executive secretary of the Game and Fish Commission. Only a few localized spots in the Hill Country have complained about poor hunting.

Generally, said Mr. Dodgen, big game hunters have had good success. Extraordinarily good accounts came from areas beyond the main deer ranges such as Freestone County in East Texas and Colorado County in South Texas. A record number of fine bucks were harvested the first few days in Freestone County where a restoration program was begun several years ago. Colorado County hung up an unofficial three hundred fat bucks the first three days of the season. Hunters were impressed with the abundance of doe deer.

The Panhandle reported a slight slump from last season, with more young bucks in the early bag. Wildlife Biologist A. S. Jackson of Canadian, said many fine old bucks still roam the sandhill back country unmolested because hunters prefer the convenience of more accessible areas.

Game Commission Gives Hints on How NOT to Hunt

Helpful hints about how not to hunt are contained in the monthly report for the Game and Fish Commission.

E. M. Sprott, director of law enforcement for the Commission, listed some of the more common infractions of the sportsmen's code as: no hunting license, 50 cases; taking game in closed season, 84 cases; hunting from car, 33 cases; shooting from public road, 7 cases; exceeding bag limit, 16 cases; shooting before or after legal hours, 21 cases.

These infractions occurred before the main waterfowl and big game seasons began, Mr. Sprott pointed out. He cited the following catalogued offenders as now having gained knowledge of how not to hunt: two Odessa men paid \$375 in fines plus court costs for bagging too many doves; two Houston men paid \$200 in fines plus costs for hunting deer with dogs and for possessing a deer carcass before the legal season opened.

Snow Geese Rout Specs and Canadas

Confirming reports of extraordinary snow goose concentrations, Game Warden Tom Waddell of Eagle Lake, estimated there are 150,000 snows in Colorado County, and that their constant honking, voracious appetites and contaminating habits are crowding out the other more desirable species, including the popular speckled bellies.

He said the crisis has become acute because of the shortage of fresh water. The small available water supply, he said, has become "thick as syrup" in some of the ponds.

Howard Dodgen, executive secretary of the Game and Fish Commission, said renewed requests would be made of Federal authorities to increase the bag limit of five on snow geese and otherwise liberalize the regulations to prevent them from "gravely endangering" the welfare of such geese as Canadas and speckled bellies.

CARD OF THANKS

The thoughtfulness and sympathy extended by our friends and neighbors during our recent sorrow will always remain with us as a precious memory. We are especially grateful for the flowers, visits, food and all other kind deeds. May God bless you.

TWO GIRLS, A CHEVY AND A RECORD!

A meaningful achievement in automobile performance

Most automobile performance records are pretty difficult to relate to the kind of day-in, day-out driving most of us do. Running at safe and legal speeds, a '57 Chevrolet recently chalked up an important new coast-to-coast record on the road. And the way it set this record is even more important than the record itself!

A new '57 Chevrolet recently proved it has the qualities most people look for in a car—and proved it on the roads you travel. It set a new record of less than 57 hours for the run from New York to Los Angeles (certified by NASCAR). It was a strictly stock, V8-powered Chevy. It was driven by two young ladies.

When you consider that all the driving was done by 98-pound Betty Skelton and her friend Caroline Russ, the true significance of this record run becomes apparent. It's a tribute to Chevrolet's great-hearted V8 engine and solid road-worthiness that it could travel day and night for 2,913 miles at safe and legal speeds—and better the existing record for the trip by more than three hours. And when a pair of young ladies step into a car and drive it round the clock to a new transcontinental record, you know that car is easy to drive. Come try a Chevy.

New Instructions for Mailing Christmas Parcels Announced

Postal patrons this coming Christmas season can speed the processing and assure quicker delivery of their Christmas parcels and cards by availing themselves of various postal services and free postal information pamphlets, Postmaster General Arthur E. Summerfield has announced.

The services mentioned by the Postmaster General include: 1. This year, for the first time, sealed parcels may be mailed at the third- or fourth-class postage rates without labels, notations, endorsements, or hieroglyphics of any kind authorizing the opening of the parcels for postal inspection. Packages sealed with modern sealing materials or even with just plain Christmas seals should carry better in the mail than unsealed ones. Strong cord should also be used.

2. Combination mail, which was used for the first time during last Christmas season, and which permits a mailer to enclose a letter or message inside a gift parcel and pay the appropriate postage on it plus the postage for the package itself.

3. Certified mail, also used for the first time in the 1955 season, which permits mailers to have proof of delivery of Christmas letters, cards or parcels having no intrinsic value for a postal fee of 15 cents plus first-class postage.

The free postal pamphlets—available at all post offices—are entitled "Packaging and Wrapping Parcels for Mailing" and "Domestic Postage Rates and Fees."

Horned Owls Attack Rare Partridges Before Release in Panhandle

A graphic description of field men's effort to protect a shipment of Pakistan reared See-See partridges from raiding horned owls was reported to E. A. Walker, director of Wildlife Restoration for the Game and Fish Commission.

The rare partridges, imported for experimental stocking in the Panhandle, were confined in outdoor pens preparatory to release. The predatory big owls apparently were attracted by housing the far eastern game birds "in unnatural numbers."

The biologists—A. S. Jackson and Richard DeArment—said six of the attackers were taken, three by traps and three by gunfire.

One of the six caught had previously been snagged in a ground-trap and apparently had escaped with the trap, later losing both foot and the trap. Besides, two horned owls temporarily detained at the See-See cages escaped by twisting off the foot by which they were held.

Citing the viciousness of the raiding owls, the field men relate how one horned tiger-bird caused the death of three partridges, apparently in the dark of night. A feather was mingled with partridge feathers lodged in the owl's mesh showing, they deduced, that the owl had repeatedly charged into the barrier before becoming caught in a trap. This daring of later was shot after it had leapt the trap with a foot attached.

"Press Days" at Fort Worth Show Listed

Representatives of press, radio and TV will be honored at the Southwestern Exposition and Stock Show.

Instead of designating a single day, however, the Stock Show officials announced the practice of observing four days so to fit the convenience of the guests of honor. This practice will be followed, President Manager W. R. Watts announces. The days will be Monday, Tuesday, Wednesday and Thursday, Jan. 28, 29, 30, and 31. Important livestock judging events are scheduled for each of those days and the visitors will attend the afternoon performance of the rodeo in Will Rogers Memorial Coliseum.

Meet the magic of the new kind of Ford!

An Action Test will show you that Ford's newness just begins with its longer, lower, wider beauty. It's a completely new car—right from the wheels up! Out on the open road, Ford's magic really takes over! Ordinary stretches of road become special. In fact, every trip's a treat. And it's no wonder, with the all-new "Inner Form" melting the miles. The revolutionary new frame, for example, is a full foot wider at the center. You ride lower, with more inside room... full road clearance.

And this longest of all low-priced cars is a cinch to handle! With a lower center of gravity, wider rear tread and new easier steering, even tight turns and rutted roads come easy. And talk about "big-car power"! This new kind of Ford offers you your choice of Silver Anniversary V-8's with a wide range of horsepower to suit every need. Or if you prefer, you may choose the world's most modern "Six"... the new Ford Mileage Maker Six.

The new Ford is easier to enter—roomier than ever

CONTROLLING THE BRAZOS

The usually tranquil Brazos River, in the forty-one years between 1891 and 1932, was responsible for 542 deaths and a loss of \$54 millions in property damage. Water conservation, flood control and power generation would be achieved by completion of the thirteen-dam master program of the Brazos River Authority.

RECREATION LANDS

There are now 200,000,000 acres of Federally-owned parks, forests and other lands in the United States that are used for public recreation purposes. More and more vacationers are taking advantage of the excellent facilities provided in these areas.

Zachary Taylor, twelfth President of the United States, was a second cousin of the fourth President, James Madison.

PEACE WITHOUT PILLS

Medicine science is becoming increasingly alarmed over the sharp increase and widespread use of tranquilizing drugs popularly referred to as "peace pills."

The American Psychiatric Association expresses concern over reports that some 35 million prescriptions will be written for these drugs this year, apparently for "relief of common anxiety, emotional upsets, nervousness and the routine tensions of everyday living."

While stating that peace pills are proving helpful in the treatment of some mental and psychiatric patients, the AFA warns that the drugs have not been in use long enough "to determine the full range, duration and medical significance of their 'side effects.'" Like any other drug, tranquilizers should be used only when medical diagnosis indicates they will prove helpful.

Domestic conflicts, fears, feelings of guilt, insecurity—it is little wonder that people living in our high-speed civilization turn to such pills to escape even if for a short time the terrible world of reality.

But are man-made pills the answer for a disquieted mind and soul? The Bible offers a different prescription: Jesus Christ, who is the "Prince of Peace" (Isaiah 9:6)

"Peace I leave with you," he said, "my peace I give unto you; not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid" (John 14:27). In the words of Jesus lie the formula for peace, tested and proved by 2,000 years of human experience. "These things I have spoken unto you, that in me ye might have peace" (John 16:33).

He who could command the winds and the waves into quiet submission with "Peace be still" (Mark 4:39) can speak just as effectively to the troubled heart.

The solution is not a pill but a Person.

Mercury is the swiftest moving planet.

THE WILDCAT

(Continued from page 2)

Charlotte Sledge and Duane Johnson surely make a lot of noise in study period. Wonder what Margie thinks of this?

Well, the canteen will be open Friday night. You'll come. It starts at 7:30 and will be a ball.

Ten Years from Now

This is a new service of the Keyhole. From now on, the keyhole will have a new section, predicting events which might come about in the next ten years.

Crowell has just received word that Major Page has received command of the "Last Brigade" of Lower Slob-Sausage. Major Page left the 18th for Slob-Sausage with his wife, the former Miss Janis Crowell, where they will take up residence.

Nelda Kay Brooks has announced her plans to marry Conrad Hilton. The merger of these two will give them control of every hotel and motel on the North American continent.

Aldon Garrett, the 20th Century Raze, has announced that he will sue Elvis Presley II for imitating his style.

As the Keyhole predicted—Billy Doyle Shultz finally passed English IV.

Well we all knew this was going to happen. Texas finally annexed the other part of the United States. Now Texas is twice as big and everybody is a Texan. What more could you ask for?

Well, there you are, the first attempt at the predictions. How did you like them?

CLUB NEWS

On Nov. 21, the Sub-Junior Adelpian Club met at the club house for its regular meeting. It was decided that each girl should make a party apron to raise money for the holiday dance. A short article on Hawaii was given by Jeanie White. The meeting was adjourned after the refreshments were served by the hostess, Betty McKown.

GEORGE'S GAGS

I was in a certain restaurant not long ago, and they took a terribly long time to bring the grub. The man next to me must have been waiting even longer, because when the waitress brought his dinner he looked sort of surprised and said, "Are you the girl that took my order?"

"Yes," she said.

"Golly! You don't look a day older!"

A doctor was attending a pretty film star who had been ill for some time.

"You've got acute appendicitis," he announced.

The girl sat up indignantly. "Say, cut out the freshness," she said. "I want to be examined, not admired."

Kajs: "I notice that in telling about that fish you caught you vary the size of the fish for different listeners."

Short: "Yes, I never tell a man more than I think he'd believe."

New Hand: "Yes, sir, at my last job I had 200 people under me."

Employer: "You don't say."

New Hand: "Yes, I was cutting the grass in the graveyard."

BUS DRIVERS ARE IMPORTANT TO CHS

Do you realize that every morning 263 pupils — almost half of the total enrollment in the Crowell Schools — come to school by bus? Most of us take the drivers of Crowell's fourteen school buses for granted, but they carry a great responsibility. We found the following letter in a booklet about bus drivers which is put out by the state, and we feel that it expresses the way most parents feel about the men and women who drive their children to and from school each day; so we would like to print it as a tribute to the following Crowell bus drivers: Carl Cox, Mrs. Roy Daniel, George Fox, J. W. Hazelwood, Ernest King, Marcus Mills, George Prutt, E. L. Rickard, Clyde Russell, Mrs. Bill Sledge, Allen Taylor, Glenn Taylor, Paul Wallace and James Welch.

Dear Mr. Bus Driver:

Today my little girl, who is six years old, rode your bus for the first time. She started to school today, and I'm mighty proud of her. I watched her this morning as she walked away from me and became your responsibility. I thought she was the prettiest thing I ever saw as she started for your bus. Did you notice that she didn't even know how to hold her notebook? She was almost ready to turn and run back to me when she saw you open the bus door... and then you smiled and spoke to her. Then everything was all right. We had told her that you would take care of her just the same as we would, and when she saw your smile, I am sure she remembered what we had said. You will be careful with her, won't you?

Tonight she told us about school... how much she liked her teacher... and then she told us how nice you were to all the children. She said each one who rides your bus is made to feel that he is helping every other one to be safe and happy. And then she said that she was "on your team" now.

My wife and I just wanted you to know that we are happy because our little girl is on your team, and we want to be on your team, too. You will be extra care-

CANTEEN OPENED

The new canteen had its formal opening on Nov. 9, following the Paducah-Crowell football game. The teen agers from Paducah were invited. Around 45 teen agers attended. The chaperones for that night were Mr. and Mrs. Fred Youree, Ray Shirley, Mrs. Foster Davis and Fred Wehba. The new Teen Canteen was enjoyed by everyone.

On Nov. 13, the Teen Canteen was opened. Around 30 teen agers attended. The chaperones for that evening were Mrs. Sally Page, Mr. and Mrs. Fred Youree and Fred Wehba. Everyone had a good time.

The Teen Canteen was open on Saturday night, Nov. 17. Chaperones for that evening were Mrs. Archie Campbell, Mrs. Darvin Bell and Fred Wehba.

A meeting of the Teen Canteen was held on Friday night, Nov. 23. Around 30 teen agers were present. The chaperones for that evening were Mrs. Henry Borchardt, Mrs. Lee Black and Fred Wehba.

The canteen is not merely a canteen. It is a club with at least 30 members. The officers for the club are as follows: president, Johnny Wehba, vice president, Betty Davis; secretary, Patty McGinnis; treasurer, Butch Abston; and J. C. McCoy, chairman of the chaperones committee.

SEVEN OR SEVENTEEN— IT MAKES A DIFFERENCE

The Wildcat staff thought it would be interesting to find out what used to be the 1957 seniors' ambitions and what their ambitions are now. Well, here are the results, and some of them certainly are interesting.

For example, tall Lowell Page used to want to be a fireman. Now he wants to be a fire engine.

When Edward Howard was 7, he wanted to be a bachelor, but now the girls have changed Ed's mind and his ambition is to work in an oil field or to coach.

Karen Hall once wanted to be a housewife, but the boys have changed her mind. Now she wants to be an old maid.

After seeing what CHS teachers go through, Ruth Hinkle has decided she had rather be a secretary or a designer than a teacher.

Once upon a time Johnny Wehba wanted to be a cowboy, but times have changed and so has Johnny's ambition, which is now to be a "kat."

Anna Marie Faske longed to be a nurse, but now she wants a college education.

Jimmy Williamson's ambition has grown with the years. When he was seven, Jimmy dreamed of being a millionaire, now that he's 17, Jimmy dreams of being a billionaire.

Glenn used to want to be a train engineer, but now it's the farmer's life for Glenn.

Seven year old De Anna Ferguson planned to be a missionary to Africa, but the 1956 version plans to be a private secretary.

At seven, Sandra Choate intended to marry Bill Halbert. Her intentions now are to get a good education.

Janis Crowell aimed at being an airline hostess, and Jack Wilson's aim was to be a rodeo contestant. Both their aims are now the same—to get a high school diploma.

Like Anna Marie, LaVoy Rummel wanted to be a nurse. Now she wants to be an artist, secretary or designer.

Roma Jan Spikes longed to be a bareback rider. Now she wants to graduate.

Nelda Brooks, 17 years old, wants only to pass on her term theme, but at seven she wanted to be a movie star.

Some seniors, once they have made up their minds, never change them. For instance, Marketta Painter and Wanda Arkers have always desired to be nurses, and J. C. McCoy has always dreamed of being a doctor.

Mrs. Enid Graham and two sons of Vernon visited Gene's brother, Charlie Hathaway, Sunday.

Funeral services for Mrs. L. A. Roberts were held at the Methodist Church last Friday. Her sisters and brothers who attended were Mrs. Lillie Huntley and daughter, Billie, of Modesto, Calif., Mrs. Johnny Myrick and family of McKinney, Mrs. Winnie Tarlton of Snyder, Bill Short and wife of Burk Burnett and Joe Short and family of Vernon.

F. A. Brown returned home Wednesday of last week from a visit with his son, Billy Dean Brown, and family in Denver City. Hines Whitman and family and the Marion Benhams of Lovington, N. M., and the L. A. Whitmans of Clovis, N. M., and Barbara Luckie of Stamford were all guests in the B. A. Whitman home while here for the L. H. Hammonds funeral.

Mr. and Mrs. Crews Cooper and daughter, Renee, of Crowell visited the R. H. Coopers here Sunday.

Mr. and Mrs. Royce Lee Mims of Abilene were Sunday guests in the home of Mr. and Mrs. Billy Hammonds.

Mrs. H. W. Gray returned home last Friday after spending last week with her son, Norman Gray, who was ill in a Hereford hospital.

Mrs. W. G. Chapman returned home Friday after attending the wedding of her granddaughter, Geraldine Chapman, daughter of Mr. and Mrs. Oran Chapman, in Amarillo.

Cap Morris of Clarendon visited his daughter, Mrs. Duane Naylor, and family last Friday.

Mr. and Mrs. Fred Gray and children left last Friday for Co-tulla for a visit with her parents, Mr. and Mrs. H. E. Ferguson.

The Edgar Johnsons of Vernon visited Sunday with his parents, Mr. and Mrs. W. A. Johnson.

Mr. and Mrs. G. C. Short and children attended the funeral of their infant grandson, Larry James Glover, in Crowell Saturday morning. They were accompanied by other relatives and friends from Thalia and out of town relatives. Little Larry was one of twins born to the Short's daughter and husband, Mr. and Mrs. Fred Glover, in Crowell last Thursday morning, Nov. 22. Mrs. Glover and the other twin, Gary Thomas Glover, are reported to be doing nicely at this writing.

Mr. and Mrs. F. W. Butler of Vernon and Mr. and Mrs. Dot Hammonds of Floydada visited Mr. and Mrs. C. C. Lindsey Wednesday of last week. They were here for the L. H. Hammonds funeral.

Mrs. H. W. Gray of Thalia, Mr. and Mrs. Wood Roberts of Clayton, N. M., and their daughter and husband, Mr. and Mrs. Gort Taylor of Fort Worth spent last Friday night with Mrs. W. G. Chapman after attending the funeral of Mrs. L. A. Roberts here Friday.

Mrs. Bessie Rake of Vernon visited Mr. and Mrs. C. C. Lindsey Sunday morning.

EYES AFFECT GENERAL HEALTH

While it is generally true that it is impossible to strain our eyes to the point of permanent damage, eyestrain can—and often does—contribute to such widespread discomforts as indigestion, nervous fatigue and a general lowering of physical efficiency.

Gaucha is the name applied to the Argentine cowboy.

Mr. and Mrs. Duane Naylor have returned home after a visit with his parents, the Royce Halls, at Hedley and her parents, the Cap Morris, at Clarendon.

Mrs. Maude Johnson received word from her uncle, Ezra Angle, of the death of his father-in-law, Mr. Spears, who died at the age of 101 years in Denver, Colo., last week.

The Bobby Catos of Vernon visited the Eudale Oliver's last Saturday.

Nan Sue Shultz, student at Decatur Baptist College in Decatur, spent Thanksgiving with her parents, Mr. and Mrs. Allen Shultz.

Mr. and Mrs. Dennis Hairston and Mr. and Mrs. Glen Fox of Wichita Falls visited in the Cecil Carpenter home last Wednesday and attended the L. H. Hammonds funeral.

Mr. and Mrs. W. J. Long of Crowell visited Mr. and Mrs. Howard Burye Sunday evening.

Mr. and Mrs. T. R. Cates attended the funeral of John W. Thompson in Crowell Saturday afternoon.

Mr. and Mrs. Charlie Smith and granddaughter, Mrs. Dale Dewey, of Coffeyville, Kan., and Mrs. Rob Cooper of Crowell visited Saturday with Mr. and Mrs. R. H. Cooper Jr.

The Forest Durhams of Littlefield visited awhile Wednesday with Mr. and Mrs. Sim Gamble after attending the L. H. Hammonds funeral.

Mr. and Mrs. Sim Gamble visited Saturday with Mrs. Frank Wood and children and Mrs. Frank Gamble in Vernon.

Logan Casada from ACC in Abilene spent the week end with his parents, the C. H. Casadas, and his brother.

Mrs. Jessie Whitfield of Canyon and Mr. and Mrs. Floyd Oliver and Kenneth Oliver of Amarillo recently visited in the Eudale Oliver home. Mrs. Whitfield also visited in the home of her sister, Mrs. G. W. Seales, and husband.

Mr. and Mrs. C. C. Wisdom attended a family reunion of her family, the Porters, in Gainesville last Sunday. The reunion was in the home of Mrs. Wisdom's sister in Gainesville with 63 of the relatives attending.

Mr. and Mrs. John Coffey of Waldo, Ark., spent Friday night with his sister and husband, Mr. and Mrs. Ed Huskey.

Mr. and Mrs. John Wright attended a district postmasters meeting in Graham last Friday and Saturday.

Mr. and Mrs. Joe Bill Hall visited her parents, Mr. and Mrs. E. D. Storey, at Chillicothe last week end.

Chapman-Hull Wedding Read in Service at Chapel

Miss Jerre Chapman became the bride of Sam K. Hull on Tuesday evening of last week in the chapel of the First Baptist Church in Amarillo, with Dr. Carl E. Bates, pastor, reading the double-ring ceremony. The bride is the granddaughter of Mrs. W. G. Chapman of Thalia and Mr. and Mrs. J. E. Brown of Crowell and the daughter

of Mr. and Mrs. O. W. Chapman of Amarillo. The bridegroom is the son of Mr. and Mrs. V. C. Hull, Amarillo.

Mrs. M. L. Kline Jr., organist, played the nuptial music and accompanied Miss Donniss Plunk, who sang "At Dawning," "Because" and "The Lord's Prayer." Traditional wedding marches were used for the processional and recessional.

The altar was surrounded by an arch of white tapers and entwined with fern, flanked by arrangements of white gladioli and white chrysanthemums. A similar floral arrangement centered the altar, and additional decorations were candelabra and jade palms.

Attending the bride as matron of honor was Mrs. Ernest Thresher of Clovis, N. M., sister of the bridegroom. Bridesmaids were Misses Peggy Lowe, Jaton Miller and Jolene West. Junior bridesmaid was Miss Judith Miller.

The attendants wore identical waltz length dresses of blue embroidered taffeta, designed with fitted bodices and bouffant pleated skirts, with matching accessories. They carried colorful bouquets of white and blue feathered chrysanthemums.

Serving the bridegroom as best man was Jimmy Mow, and ushers were Bill Chapman, brother of the bride, Hayden Goodnight and Darrell Caryl.

Escorted to the altar and given in marriage by her father, the bride wore a floor length dress of hand-clippled Chantilly lace and nylon tulle, accented by a long sleeved bodice, pointed waistline and scalloped neckline etched in seed pearls and sequins. Her veil was held by a small coronet of Chantilly lace trimmed with seed pearls and iridescent sequins. The veil was fingertip length of French illusion. She carried a white rainbow Bible topped with a bouquet of white orchids and lilies of the

valley. For her daughter's wedding, Mrs. Chapman chose a taupe dress with mauve accessories. Mrs. Hull, mother of the bridegroom, wore an embroidered natural dress with blue accessories. Both had corsages of white gardenias.

A reception in the church Fellowship Hall followed the ceremony. The serving table was covered with a cloth of white lace over blue satin, and centered with an arrangement of light blue and white chrysanthemums flanked by crystal candelabra holding white tapers. Guests were registered by Mrs. R. E. West. Members of the house party were Mrs. J. B. Lowe, Mrs. V. C. Miller and Mrs. West.

For the wedding trip to Colorado, the bride wore a green wool suit with brown accessories and a white orchid corsage. After Dec. 1, the couple will be at home at 1705 3rd Ave., Canyon.

Mrs. Hull is a graduate of Amarillo High School and is a freshman student at West Texas State College. Mr. Hull, also a graduate of Amarillo High School, is enrolled at West Texas State College for his junior year.

James Denton and Miss Gwynne Johnson Marry in California

James Denton, son of Mr. and Mrs. L. L. Denton of Crowell, and Miss Gwynne Johnson of Wilmington, Calif., daughter of Mr. and Mrs. Wilburn Johnson, were united in marriage on Nov. 21, by Rev. Bruffet, pastor of the Christian Church at Palos Verdes Estates, Calif.

They took a short wedding trip to the mountains following the wedding ceremony.

Mrs. Denton is bookkeeper and has charge of the office of a furniture store in Wilmington. Mr. Denton is in the Navy and is stationed at Mira Mar, San Diego.

Large Crowd Attends Friendship Night of Eastern Star Chapter

On Nov. 27, the Order of the Eastern Star had its annual friendship night with approximately fifty present, with visitors from Munday, Knox City, Paducah, Quanah, Vernon and Chillicothe. The meeting was opened with Worthy Matron Mrs. Gladys Moore in charge followed by a beautiful memorial program for a deceased member.

Following was the friendship program in which Mrs. Bonnie Davis gave a reading, "A Cowboy's Best Christmas," followed by a song by Mrs. Bob Thomas and Mrs. W. A. Dunn. Refreshments of cake and coffee were served by Mesdames Zerne Cates, Vera Barker, Lizzie Kenner, Pearl Moore, Ruth Cole and Miss Odessa Moore.

The Deputy Grand Matron of Grand Chapter of Texas, Order of the Eastern Star, Mrs. Anna Pearl Loar, of Paducah, made her official visit to the local chapter here on Nov. 13, bringing instructions from the new Worthy Grand Matron.

After the chapter was closed, the ladies were conducted to the dining room where the following committee served refreshments:

Mesdames Maggie Gentry, Vetrice Gentry and Peggy Carpenter. Nineteen members and three visitors were present.

Bridal Shower Honors Mrs. Vance Barker

A bridal shower honoring Mrs. Vance Barker took place at the home of Mrs. H. E. Thomson on Saturday afternoon, Nov. 24. Mrs. Barker was Miss Corine Edwards of Hot Springs, Ark., before her recent marriage.

Guests were greeted by Mrs. Thomson and presented to the receiving line which consisted of the honoree; her mother-in-law, Mrs. J. M. Barker, and Mrs. Laura Johnson, grandmother of the honoree's husband.

The honoree wore white embroidered taffeta with choker pearls and a corsage of pink carnations. Miss Vera Fay Porter registered the guests in the bride's book. Mrs. E. R. Roland directed the guests to the dining room where Mrs. Jess Autry poured pink punch, assisted by Mrs. Allison Denton and Mrs. Ernest Weaver.

The serving table was laid with a lace cloth over pink. The decorations were white wedding bells with white satin streamers, pink and silver napkins with "Corine and Vance." Cookies, nuts and mints were placed in pink frosted dishes.

Mrs. Blake McDaniel directed the guests to the bedroom where the gifts were on display and where Mrs. Jack Welch and Mrs. Tom Callaway presided.

Mrs. Karl Wayne Thomson played incidental piano music during the receiving hours.

Hostesses were Mrs. H. E. Thomson, Mrs. H. C. Duncan, Mrs. Grady Halbert, Mrs. E. R. Roland, Mrs. Jess Autry, Mrs. Allison Denton, Mrs. Ernest Weaver, Mrs. Blake McDaniel, Mrs. Jack Welch and Mrs. Tom Callaway.

THALIA W. S. C. S.

The Woman's Society of Christian Service of the Thalia Methodist Church met in the home of Mrs. T. H. Matthews Monday, Nov. 26.

Mrs. Ed Huskey had charge of the program. The opening song was "Something for Jesus." Mrs. H. W. Gray read Psalm 28. Mrs. W. G. Chapman led in prayer, followed by a song, "Jesus Calls Us." A skit, "Work of the Women of the Church," was presented by Mrs. Robert Hammonds, Mrs. T. H. Matthews, Mrs. C. C. Lamb. Following a song, the closing prayer was given by Mrs. Bob Cooper.

Home Demonstration Notes

MRS. MARY D. BROWN

So far these are the Christmas parties that you have scheduled: Foard City, Dec. 4, bring a child's gift; Riverside, Dec. 11, peanuts exchange gifts and reveal names; Thalia, Dec. 14, West Side, Dec. 18, bring a gift to exchange. I'm sure you will all want to attend your club's Christmas party this year.

I have in my office a bulletin, B-201, "Let's Eat Turkey." If you are wondering how long to cook your turkey—or how to fix the left-overs, just call or come by my office and I'll be happy to give you a copy of this bulletin.

The pecans have come in. If you do not have yours, see your marketing chairman in your club.

Dust Cloth
Ever push dust from one spot to another with a cloth that refuses to pick it up? Solve the problem by making your own "dustless" dust cloth.

You will need a square of jersey cloth (about 16 inches is best), a clean coffee can, with tight fitting lid, paste wax or furniture polish.

Apply paste wax or furniture polish to the side of the can. Place clean cloth inside, close lid tightly and allow to stand for 24 hours. The cloth will absorb the oil evenly and be ready for use.

This cloth can be kept in any closet since it has a tight-fitting lid. Make several at a time to keep in different parts of the house.

Our recipe this week is:

Hamburger-Macaroni Special
4 oz. elbow macaroni, 2 tablespoons shortening, 1/2 pound ground beef, 1/2 cup finely chopped onion, 1/2 teaspoon salt, dash pepper, 1 and 1/4 cups condensed tomato soup (10 1/2 oz. can), 1 cup cooked whole kernel corn, 1/4 cup warm water, 1/3 cup butter or margarine, 1/4 cup dry bread crumbs.

Paprika
Add 2 teaspoons salt and macaroni to 3 cups boiling water. Boil rapidly, stirring constantly, for 2 minutes. Cover, remove from heat and let stand 10 minutes. Meanwhile, heat shortening in skillet. Add meat and brown lightly, stirring frequently. Add onion, salt and pepper.

Cook 2 to 3 minutes longer. Rinse macaroni with warm water and drain well. Combine macaroni, meat, soup, corn and water. Mix well and turn into 1 1/2 quart casserole. Melt butter or margarine in small pan. Stir in bread crumbs. Sprinkle buttered crumbs over top of casserole. Sprinkle lightly with paprika. Bake in moderate oven (350 F.) about 20 minutes. Makes 4 servings.

FOARD CITY W. S. C. S.

Mrs. Grady Halbert was hostess to the Foard City Women's Society of Christian Service on Monday, Nov. 26. A brief business session was presided over by Mrs. V. A. Johnson. Mrs. Blake McDaniel led a forum on recent activities of the U. N. in the Suez crisis and told of the rude rebuff suffered by the U. N. from the Soviet-run Hungarian government, which not only rejected the U. N. resolution calling for the withdrawal of Soviet troops but even refused to allow a U. N. observers' team to enter Hungary. It may be noted, however, that Hungarian Reds did accept U. N. relief supplies—to be distributed as they saw fit.

Under the study of the status of women, Mrs. Johnson gave an interesting account of a Malay woman and of an Indian woman of Christian faith in Oklahoma. The story of the faith and gentle work of these women from far apart lands was inspirational.

For her devotional, Mrs. Laura Johnson brought several Bible scriptures, stressing the importance of faith and trust in God's love and God's plan. She encouraged those who listened to govern their anger and always strive to practice the Golden Rule.

Sentimental prayers concluded the meeting and coffee and cake were served as refreshments.

TRUSCOTT H. D. CLUB

The Truscott Home Demonstration Club met Nov. 22 in the community house with Mrs. J. G. Adcock in charge.

Mrs. Adcock read "Memos for Thanksgiving." Mrs. H. M. Black read "When the Frost Is on the Pumpkin." Plans were made for the community Christmas party and Dec. 14 was set as the date. Mrs. Adcock appointed committees to arrange for the party.

After the business session, Miss Kinsey, agent, gave an interesting and instructive demonstration on foundation garments.

A Thanksgiving theme was carried out in table decorations and refreshments served by Mrs. J. R. Brown, hostess.

T. E. L. CLASS

On Nov. 22, the T. E. L. Class of the First Baptist Church met in the home of Miss Maye Andrews for the monthly social and business meeting. Miss Andrews was assisted with hostess duties by Mrs. C. T. Aly.

Mrs. Doc Callaway, president of the class, had charge of the program. Following the singing of two songs and a prayer by Mrs. Callaway, Mrs. Aly brought a very fitting devotional for the Thanksgiving season. She also told a story, "The Talking Picture." Plans were completed for the Christmas party at the church on Dec. 13. A delicious Thanksgiving plate was served to ten members and one guest, Mrs. Jim Ewing.

THE EYES HAVE IT

The use of our eyes is one of the most economical processes to man. While the eyes control 80 per cent of all our actions and are responsible for 83 per cent of all we learn, the act of seeing consumes only 25 per cent of the energy generated by our bodies.

CALLAN GRAHAM, Former West Texas legislator and district attorney from Kimble County, has been named executive vice-president of the Texas Good Roads Association at Austin. He will assume the post December 1.

RIVERSIDE H. D. CLUB

Mrs. Roy Ayers was hostess to the Riverside Home Demonstration Club at its regular meeting Tuesday afternoon, Nov. 29. Mrs. John Ray read a piece on Thanksgiving, followed with roll call.

Mrs. James Bowers gave a demonstration on decorations for the holiday season which was enjoyed by all.

Mrs. Ayers served coffee, hot chocolate and punch with cake to eleven members.

The Christmas meeting will be on Tuesday, Dec. 11, with Mrs. Cap Adkins as hostess.

THALIA BAPTIST W. M. U.

The Thalia Baptist W. M. U. met Monday, Nov. 26 with Mrs. G. W. Seales for the regular business and social meeting.

Mrs. Cap Wheeler brought the devotional, followed with a prayer and a short business meeting. Mrs. Seales, who is the social chairman, conducted several clever contests. A delicious refreshment plate with drinks and coffee was served to ten members.

The next meeting will be with Mrs. Mack Gamble on Dec. 31.

WEST SIDE H. D. CLUB

"Christmas is just around the corner and it is time to decorate the house and yard," Mrs. E. A. Dunagan told the West Side Home

Would You Qualify to Adopt a Child?

For every seven couples who want to adopt a baby, adoptive agencies have only one child available, say the editors of *Changing Times*, the Kiplinger Magazine. This situation has caused agencies to set up stiff requirements in placing children "ideal" homes.

Almost unanimously, agencies want couples under 40 who prove that they can never have children. Those with chronic physical defects are considered by agencies to be one race cannot be placed with parents of another and some courts have held the babies must be placed with families of their own religion. Financial stability is more important than wealth, but adopting parents must be able to provide a child a room of his own.

Some procedures for matching a child and prospective parent include: holding up placement of a brown-eyed child until brown-eyed parents are found; looking at a youngster with an eye what his mother and father might have achieved educationally by their circumstances being different. Old rules dictated that college-bred couples could not have a child of ill-educated parents. Today, scientific knowledge about heredity and early testing by pediatricians and psychiatrists is being relied upon more and more.

Demonstration Club when it met Tuesday. She gave some suggestions to make decorations for foil, felt jar rubbers and trim with sequins and beads and things available around the house.

Eight members and one visitor answered roll call with "an unusual holiday decoration" in the home of Mrs. J. T. King. The Christmas party for the club will be at the home of Mrs. S. H. Ross Dec. 18.
