DEATH CAR—Shown above is the shattered and twisted wreckage of a 1952 Ford that sent Michael H. Henry of Paducah to instant death on Highway 70 near Thalia early Sunday morning. Another occupant of the car, Lucien Weldon Grant, also of Paducah, is in serious condition with head injuries and possible

internal injuries in the Crowell hospital. Although there is no top on the car, it was not a convertible. The top, fenders and doors were shaved off when the car hit a 1958 truck-tractor on a curve, about one mile west of Thalia. (Photo courtesy Vernon Daily Record.)

Last Rites for Mrs. O. H. Dodson Held at Chillicothe

Funeral services were held last Thursday, June 26, for Mrs. O. H. Dodson at the First Methodist Church at Chillicothe, with Rev. D. D. Denison of Brownfield officiating. He was assisted by Rev. J. W. Price, pastor of the Chillicothe Church, and Rev. Carl Hudson, pastor of the Crowell Methodist Church.

Mrs. Dodson was born in Collin County on August 15, 1866. She was 91 years old. Her mother and father, the late Mr. and Mrs. John Pelker, were among the first settlers in Collin County.

After finishing the public schools Mrs. Dodson attended Maple Hill Seminary in Nashville, Tenn., where she graduated with honors in 1883.

She was married to O. H. Dodson at the family home on Nov. 4, 1891. Mr. and Mrs. Dodson were pioneer residents of Hardeman and Wilber counties. Part of the land they filed on in 1891 is still in the family. For many years they lived on their farm and ranch in southeastern Hardeman County. Mrs. Dodson knew many of the early-day cowmen and it was said of her that she never turned a hungry stranger away from her home. She always fed and housed them, regardless of the time of day. She saw this section of Texas grow from the raw, open range prairie, to the present-day good farms, fine homes and towns.

Mrs. Dodson was converted at an early age and joined the church and lived a consistent Christian life. She was a pioneer member of the First Methodist Church in Chillicothe, and when she moved to Crowell in 1950, she became a member of the Crowell Methodist Church. She was an invalid the last eight years of her life, but she was always alert. She was a good neighbor, a kind mother and a loving wife. Mr. Dodson preceded her in death in April 1954.

She is survived by one son, W. S. Dodson of Chillicothe, and one daughter, Mrs. George D. Self of Crowell; four grandchildren, Mrs. Fred Byrd and Oscar Dodson II, of Chillicothe, Mrs. Dan Wilson of Fort Worth, Mrs. Rondyn Self Miller of Mathis; and six grandchildren.

Pall bearers were Jack Meharg, Ed Meharg, Frank Taber, H. J. Taber, Dwight Cain, Wallace Bragg, Arley Bell and Bill Grammer, all of Chillicothe.

Interment was made in the Chillicothe Cemetery beside her husband, by the Ward Funeral Home of Chillicothe.

4-H Clubs Plan Rally Day at Lake Pauline July 15

The Foard County 4-H Council, 4-H Junior Leaders and Adult Leaders met last Tuesday morning to plan the County 4-H Rally Day, which will be held at the Lake Pauline Tuesday, July 15.

Transportation will be furnished by adult leaders, Mrs. Mary Brown and Joe Burkett, county extension agents, said Tuesday.

Schedule for the day is as follows:

1:15 to 2, plant life; 2 to 3, leather craft; 3 to 4, safety, Joel Wilson from West Texas Utilities Co. in charge; 4 to 5:30, free choice of swimming in Quannah pool or recreation at club house; 5:30 to 6, clean up and prepare supper; 6 to 7, weiner roast; 7 to 9, party; 9:15, leave for Crowell; 10 p. m., arrive at court house in Crowell.

Cost for this rally day will be \$1.25 for each person who attends.

"We plan to have a good time and hope that all 4-H Club boys and girls in the county will attend," added Mr. Burkett and Mrs. Brown.

DOWN TOWN BIBLE CLASS
A quartet, composed of Mesdames Earl Hesse, Leo Cates, W. W. Lemons and Clyde Russell, sang two numbers in the opening exercises of the Down Town Bible Class Sunday morning. They were accompanied by Noel Wilkins, who also played the piano for the group singing led by Sam Mills.

Thirty-seven members and visitors present heard Recie Womack, regular teacher, deliver the morning lesson.

Beesinger Bakery to Close after Saturday
The Beesinger Bakery will conduct a quitting business sale Saturday, which will be the last day the bakery will be open for business. Mr. and Mrs. Beesinger operated the business here last September.

They have not announced their future plans.

Lions Club Installs New Officers at Barbecue Tuesday

The Crowell Lions Club installed its new officers at a barbecue supper and program held at the Spring Lake Country Club Tuesday evening.

M. C. Culbertson of Vernon, past District Governor of Lions International, installed the new officers. Also present was Lester Blair of Vernon, Lions Club zone chairman.

Preceding the program and installation, Lions, their families and other invited guests enjoyed a delicious barbecue supper which was prepared by members of the club. The new officers are Bert Kirk, president; Joe Don Brown, first vice president; Houston Adkins, second vice president; Jack Welch, third vice president; Martin Jones, secretary; Ray Shirley, lion tamer; Byron Davis, tail twister.

New Lions Club Sweetheart is Miss Roxie Adkins. Miss Jana Black has served for the past two years as sweetheart.

Members of the board of directors are Lee Black, Roy Long, Ray Ilesing and Tom Ellis.

The out-going president and secretary are Byron Davis and Tom Abston.

Installation of Dial Phone Equipment Began June 16th

Installation of the most modern dial equipment for Crowell's future unattended dial system began June 16, according to F. A. Robinson, district manager for the General Telephone Co. of the Southwest.

Robinette stated that this equipment, the latest in design, will provide greatly improved telephone service to 540 customers in the Crowell area. The new dial equipment will allow customers in this area to dial directly to the desired numbers, without the assistance of an operator, hence permitting a much more rapid completion of all local calls.

Company plant personnel will be assisted in this installation by a team of technical experts who specialize in the installation of this type equipment, said Robinette.

The completion date set at the present time for the installation of this new dial equipment is August 17.

Paducah Youth Killed in Car-Truck Crash Near Thalia Sunday Morning

The life of an 18-year-old Paducah youth was taken in a grinding car-truck crash one mile west of Thalia about 1:45 a. m. Sunday.

Dead was Michael Herbert Henry, son of Mr. and Mrs. Herbert Henry of Paducah. Seriously injured and now in the Foard County Hospital was a passenger in the Henry vehicle, Lucien Weldon Grant, 22, also of Paducah.

Funeral services for Henry were held at 10 a. m. Monday at the First Baptist Church in Paducah. Burial was in Garden of Memories in Paducah.

Henry was the grandson of Mr. and Mrs. Dick Seale of Vernon, former Crowell residents.

The two youths were returning home from Vernon where they attended the final performance of the Santa Rosa Roundup.

Grant is suffering from concussion and internal injuries.

The top of the car was completely shaved from the car as well as the motor and transmission, the two front fenders and

door and the left rear fender. Both boys were thrown from the car by the impact, according to Sheriff Taylor.

Henry was a 1958 honor graduate of Paducah High School and had already completed plans to enter the University of Texas this fall and major in journalism. He was born Nov. 24, 1939, in Vernon and moved to Paducah with his parents in May, 1941. He was active in school and church activities and was one of the originators of the "Offbeats," a musical combo composed of high school students that has won wide acclaim in this area the past two years. Mike was drummer for the band.

During his four years of high school there Henry was a drummer in the Dragon band for three years. He made the all-region band and was a candidate for the all-state band last year.

He served as editor and news editor of the high school newspaper, the West Wind, winning a fourth place award in column writing with his "Mike's Mumbings" and was a first place award winner in the Texas Interscholastic League editorial contest in 1957.

He served as president of his class during his junior and senior years, was vice president of the student council in 1958 and had served as president of the council. He was a member of Quill and Scroll, the National Honor Society, and First Baptist Church in Paducah.

Survivors include his parents, Mr. and Mrs. Herbert Henry and sister, Ann, all of Paducah.

Foard County Sheriff P. W. Taylor, who assisted Highway Patrolman Duane Capps of Vernon in the investigation, said Henry's 1957 model car was completely demolished. The truck was driven by Jerry Isaac Maddox of McAlester, Okla. The truck was leased by Long-Bell Lumber Co. of McAlester.

The driver of the truck was not reported to have been injured. Sheriff Taylor said Henry was traveling west on US 70 and the truck east. He stated that Henry evidently fell asleep at the wheel before the two vehicles sideswiped and the Henry car knocked the rear wheels from under the truck.

The driver of the truck, Maddox, although unhurt, was unable to explain to officers any details of the wreck that ended the promising career of a journalist.

Bank Deposits Up \$1.3 Million Since July 6, 1957

Deposits in the Crowell State Bank took over a \$1.3 million jump in the past year, according to a comparison of bank statements of July 6, 1957, and June 23, 1958. The big increase in deposits is attributed to the bumper grain crop just harvested, and substantial profits made by cattlemen of the county during the past few months.

Deposits June 23 this year totaled \$3,873,269.32 compared to \$2,562,588.03 on June 6 last year, an increase of \$1,310,681.29. Deposits are up nearly a million dollars from the statement of March 4 this year when deposits were \$2,967,282.60.

Most Crowell Business Firms Plan to Close in July 4th Observance

Most Crowell businesses will close Friday, July 4, in observance of Independence Day. Only businesses slated to stay open are cafes and service stations.

Crowell Post Office Moved Last Saturday

The Crowell post office moved to its new location last Saturday and patrons got their mail in the new location in the Cameron building Sunday.

Very little change was necessary in the location of the boxes. The boxes are in a similar position as in the old location, except that they are on the north, instead of the south, side of the building.

ATTENDING YOUTH CAMP

Attending the Baptist Junior Boys Camp in Vernon this week are: Glen Doyle Goodwin, Randy Adkins, Jimmy Thompson, Fred Jones, Gerry Jones, Woody Frank Lemons, Dennis Garrett, Rickey Traweck and Seth Halbert. Bill Taylor of Thalia is counselor.

Clark Hitt and Glen Goodwin are counselors for the Royal Ambassadors here at the First Baptist Church in Crowell.

Eight of the nine boys going to camp are from Crowell and one from Foard City.

NEW BABY DAUGHTER

Mr. and Mrs. J. C. Prosser and daughter, Patricia, announce the arrival of their daughter and sister, Lessley Faye Prosser on Saturday, June 28, age, two weeks.

Third Polio Shot to Be Given Here July 11 and 12

A polio vaccination clinic sponsored by the Foard County Chapter of The National Foundation for Infantile Paralysis will be held in Crowell on Friday and Saturday, July 11, 12, according to an announcement made Tuesday by John W. Wright, county chairman. This clinic will be the third and last in a series begun last fall in an effort to make all county residents immune to polio. According to word from Dr. M. M. Kralicic, County Health Officer, it is now time for the third shot for those who took the first two shots last fall.

This clinic, like the previous ones under the direction of the County Health Officer, will be manned by a staff of volunteer nurses and clerical workers. A fee of \$1.00 will be charged to help pay for the vaccine and incidental expenses. The doctors and all workers will be donating their time and not one cent will go for the benefit of any individual; and as in the past, those who are not able to pay will be given the shot free, Mr. Wright stated.

Although this is the time for the third shot in the series begun last fall, anyone who wants it is welcome to take the shot, regardless of age. If there is anyone who has not had any shots, this is a good time to start and the other shots can be obtained from the family doctor. If there are those who have had all three shots long enough that a "booster shot" is advisable, this is the opportunity for that.

Details regarding time and place for these shots will be given in next week's News.

Mrs. Frances Andrews Opens Cafe Friday

Mrs. Frances Andrews opened her cafe in a new location on West Commerce, 1 block west of square, last Friday morning, in the building formerly occupied by the Drive-In Cafe.

Mrs. Andrews recently bought the building from J. L. Gamble of LaPorte, Texas. The building has been remodeled and re-decorated and new fixtures installed.

Carroll Family Has Reunion in Dallas June 28 and 29

The sixth annual Carroll reunion was held in Dallas June 28 and 29 at Bachman Park with a total of 103 relatives attending.

Kinfolks began gathering about 5 o'clock Saturday morning. Many pictures were taken of the various families.

Mrs. Olive Carroll, 85, was the oldest relative present. She is the widow of the late J. W. Carroll, who lived in Foard County. Nine of her ten children were present. Mr. and Mrs. C. W. Carroll, residents of Foard County for 42 years, were present with six of their nine children present. The G. Y. Carroll family of Abilene was absent on account of Mr. Carroll's recent illness.

Baptist Pastor Completes Five Years in Crowell

Five years ago next Sunday, Rev. C. T. Aly and his wife and daughter, Jo Helen, came to Crowell where he is pastor of the First Baptist Church. They came here from the First Baptist Church at Phillips.

These years have been busy ones for the pastor, Bro. Aly. In addition to the local pastoral work he has conducted twenty revival meetings in three states and Jamaica. During these revival services there have been more than two hundred conversions.

He has baptized 96 people into the local church with 145 transferring their membership by letter. More than \$25,000.00 has been given to missions at home and around the world. More than \$93,000.00 has been given to all causes fostered by the church.

The pastor stated that he has averaged delivering more than one sermon per day during these five years. He has visited more than three hospital patients per day during this time. He has conducted and assisted in a large number of funeral services and said the marriage ceremony at quite a number of weddings.

He stated that he has enjoyed more than five visits per day in the interest of the church and individuals. He has spoken to clubs, schools and other community meetings.

Bro. Aly has served the Baptist General Convention of Texas as trustee of Wayland Baptist College at Plainview during his stay in Crowell. The past two years he has served as moderator of the Wilber-Crowell Baptist Association where he has planned and presented the program for the monthly workers conferences, consisting of the Sunday School, Training Union, Brotherhood and Women's Missionary Union work of the Association. In addition to the meetings of the association he has taken part in district, state and Southern Baptist Convention meetings in and out of the state.

He is grateful to the people of Crowell and community for every kindness shown him and his family during these five years. He will begin his sixth year next Sunday.

THE WEATHER

Following the norther which hit this area last Wednesday morning, Foard County enjoyed mild temperatures for several days last week. However, the mercury Saturday rose to 94 and temperatures in the 90's have been recorded each day since. High and low reading for the past week follow:

Thursday	high 82, low 60.
Friday	high 87, low 62.
Saturday	high 94, low 62.
Sunday	high 96, low 75.
Monday	high 96, low 76.
Tuesday	high 96, low 77.
Wednesday	high 97, low 75.

Funeral for Mrs. Ernest Acker Held Friday

Funeral services for Mrs. Ernest Acker, resident of the Truscott Hillland communities for many years, were held in the Truscott Baptist Church Friday afternoon, June 27, conducted by the Rev. Jack Davis, assisted by Rev. Bill Hall, pastor of Gilliland Baptist Church.

A special musical number was given, "When They Ring Those Bells," sung by Rev. Hall and Mrs. Owen New as piano accompanist.

Mrs. Acker was found dead in her home Wednesday afternoon, June 25. She had been ill several months.

Pall bearers were J. B. Eubank, John Black, Harold W. Eubank, Marion Chowning Sr., L. D. Eubank and Floyd Roberson. Assisting with the flowers were Mrs. Eubank, Mrs. Clara Eubank, Mrs. Zell Whitaker, Miss Eubank, Miss Linda Caddell and Mrs. Ene Roberson.

Mrs. Mae Brown was born July 19, 1891, near Gilliland, and was the daughter of Mr. and Mrs. W. Brown. She lived most of her life in and around Truscott.

In 1911 she was converted and joined the First Christian Church. She was united in marriage to Ernest Acker in 1907, who preceded her in death in 1934. To the union two sons were born, Gordon Acker who passed away in 1953, and Leslie E. Acker, now of Angleton, Texas.

Survivors include the one son; another, Mrs. Ophelia Brown; Mrs. Sadie Miller of Orenburg, two grandchildren, Mrs. Robert L. Lines of Montgomery, Ala., and David Acker of Amarillo; two grandsons, Robert and Mark Eubank, and a host of friends.

Burial was in the Truscott Cemetery by the graves of her husband and son by Womack Funeral Home.

Truscott Vacation Bible School to Be Held July 7 through 11

Vacation Bible School will be held at the Methodist Church in Truscott July 7-11. Classes will meet from 8 to 11 each morning during the school. The children are asked to register at 9 Saturday morning, July 5. Refreshments will be served, followed by a picnic downtown.

The school is sponsored jointly by the Baptist and Methodist churches and is open to all children between the ages of 4 and 12 in the community. Rev. David Eubank is pastor of the Methodist Church and Rev. Jack Davis is Baptist pastor.

By Vern Sanford

Right now bass fishermen are winding up the top-water season. This is the type of fishing we dream of. Unfortunately, however, too few of us get out often enough to enjoy it to the fullest.

There is a lot of luck to bass fishing. A lot of science too! The secret of success is in using the right plug in the right place. True, there are times when an old bass will hit on anything. But, there are other times when it seems he will hit on nothing. Did you say that usually is the time you go fishing? I feel the same way too—and far too often.

While many fish are caught for some reason or another, the man who comes in with a good stringer of big fish usually does it because he knew what he was doing.

A good example of that occurred recently when a group of fishing tackle salesmen beat the brush in Lake Whitney. They came up with more five pound bass in one afternoon than any of the old timers who were there, ever remembered seeing in any one day.

Naturally these salesmen were experts in casting. However, they also knew how to study the lay of the land. It couldn't be said that any one plug was better than another, because each rep was using his own particular brand, and all paid off. The two fishermen who came in for the top prizes were Dave Hawk of Corpus Christi and Ray Bellinger of San Antonio.

tonio. Dave makes Pico lures and Ray sells Silaflex rods and Langley reels.

Both are wonders in the use of rod and reel. So were all the other reps. But the big payoff came for this team because they picked out places that were natural for bass.

They not only worked the points and the pockets. They worked water where it was evident that a fault line lay beneath. For instance, if a rock ledge protrudes into the water, study its range. If there is a known drop-off beneath the surface, fish parallel to this reef, not across it. In that way you'll attract the big bass on the deep side, as well as the yearlings that might be playing near the surface.

If there is a little drainage cut entering the lake, where water from the countryside flows in to make a sandbar, that usually is a good place, too. Food particles enter the lakes at such places. Small fish feed on this plankton. Big fish feed on the little ones.

Some people fish with top water lures almost all the time. They fish. It is known that a bass will dash 20 feet to take a lure if he wants it.

Top-water fishing follows the same general pattern, even though a good top-water fisherman works according to his own experience.

For the beginner, top water fishing is much easier. He can watch his plug work. He is less likely to get hung and lose a plug. And he can have plenty of fun when a bass hits.

Working along the shore line the man in the back of the boat takes the close-in water; the man in the front of the boat reaches out. The front man, however, always should be careful not to disturb all the waters which will affect the fishing of the man in the back of the boat.

Pick your shots. Lay your plug

HOW WIDESPREAD IS ABUSE?

"How widespread is the abuse of unemployment compensation claims? The percentage of unjustified claims that are paid may be small, but when they are flagrant, they leave a sour taste in the mouths of all employers. . . . Unemployment compensation should not be allotted to workers who 'quit to go fishing'."—Sullivan, Ill., Moultrie County News.

Home Demonstration Notes

MRS. MARY D. BROWN

This week, your club came in for a training meeting on making terrariums or nature gardens in glass. They give this demonstration back to you at the second meeting in July. All of you should try to attend this meeting as our recommendations for food preservation in general and canning in particular have changed considerably the last few years. Many of the methods have been simplified, the times have been changed, so attend your club meeting and if your methods are out of date as they should be. If you are unable to go or perhaps are not a club member and would like a copy of the canning, freezing, bulletins, just call on me by office.

Next Wednesday, Mrs. C. Carroll, Mrs. H. L. Shultz, Mrs. Fred Trauwe plan to present Benjamin to hold a leader training meeting on drying flowers, dried arrangements. I feel that the leaders and members Knox County will enjoy this much as we did.

Go anywhere and you'll find pole fishermen. Usually they are wearing flop hats or blue bonnets. But, it is pretty certain that there'll be a stringer of mixed fish hanging in the water nearby. Now comes South Bend with a new rod for jig and pan fishing. It is called the Lazy Day. It is a 10-foot telescoping glass rod, with a wooden handle. Some of these rods are equipped with line keepers so that the lines can be wound on the keepers when the rod is closed. The combination costs more than a cane pole (\$7.95 to \$11.95), but it also has many worthwhile features to recommend it. For instance, a 10-foot rod closes to approximately half its length, and can be carried in the back of an automobile without any trouble. There's a big day coming for these extension type rods. A WORD OF CAUTION—Here's a piece of advice that might save you a lot of money before the summer is over. Check your trailers. Most of us run our trailers trip after trip without paying too much attention to them. Then when something happens we are, invariably, a long, long way from home. Trailer manufacturers make the piece of equipment they know how. If we take good care of them, they will give us many miles of trouble-free use. Here are some suggestions from Gator Boat Trailer Co., which are good for any boat trailer: (1) clean and repack wheels and check bearings; (2) thoroughly lubricate spots and repaint them; (4) check all moving parts; (3) remove rust cradle and bunker padding for boat protection; (5) check coupler carefully. If it is out of line you'll bring home undue wear on your tires; (6) tighten all bolts and (7) replace winch-ropes if it shows signs of fraying. To these suggestions we might add—be sure and check your tail light and license number plate. Remember also that your tie-downs must be efficient and capable of holding your boat in place. Take these precautions and you'll have a minimum of trailer trouble. Trailing boats is getting to be more of a problem every day, because of inadequate launching facilities and storage areas. Some boat owners are very thoughtful, too. They'll put their boats in the water and then leave their trailers in the way of other who want to launch their own boats. Remember, fellows—after you launch your boat, remove your trailer. Get it out of the way, so that the next fellow will have plenty of room to turn and launch. It could save you money in the long run as some of us are not too good at this trailer backing . . . and you might get rammed.

Not Treat Best for Cheapest Control of Johnsongrass

The newest, easiest, cheapest most effective way to control johnsongrass in row crops is to treat with oils or dalapon, according to Joe Burkett, county agent.

Johnsongrass, while dalapon may be applied to the foliage and terminal swirl. Naphtha may be used for cool weather treatment but a 50-50 mixture of naphtha with kerosene or diesel is recommended in hot weather.

Oil-soluble dinitro and other proven fortifiers can be added to diesel fuel oil or kerosene according to the manufacturers' directions to increase the effectiveness of these oils. Diesel fuel oil or pentachlorododecane by volume is usually as effective in killing

johnsongrass as the naphtha-type oils used alone. Check with Burkett for full information on spot oiling johnsongrass. Several Foard County farmers are already using this method to eradicate johnsongrass with good results.

CLEAN-UP CAMPAIGN

"Every so often some self appointed censor conceives the idea of cleaning up the newsstands. . . . Invariably our reply is a stock one. The reading matter to which they take exception is legally published, legally distributed, and legally licensed for resale, and under these conditions any adverse action on our part would be interference with free enterprise. Our suggestion would be that the censors inaugurate an educational campaign toward the reading of good literature, rather than a clean-up campaign directed at resale."—Sylacauga, Ala., News.

LABOR CONTROL LAW NEEDED

"The American people, and especially the rank-and-file of labor unions will hardly be satisfied with anything less than a labor control law that will really control, and perhaps eliminate, the professional hoodlums and racketeers which have infiltrated the labor movement. However sincere the AFL-CIO leaders are in their efforts to provide controls of their own, the most they can do is to expel a union led by crooks from the federation. But that doesn't help the members of that union. No, nothing short of a tight labor control measure will do. And now is the time to do it."—Reedley, Calif., Exponent.

Judaism Will Come Into Its Own

According to the Scripture the day will come for the Jew to regain his lost origin, or standing in this world. Not in a return to Jerusalem or to Israel as was planned by the United Nations; but in standing before God as a once humble and God fearing people. The Gentile adoration through Christ was in harmony with the Law of God for a period; but has now run out. Today the Holy Bible can only be taught in one nation in the world in a public school; that is in Israel. Not only has it been barred from our public schools, but it has been changed to conform to the heathen or pagan precepts from man-made celestial seminaries. In Russia the Hebrew language is forbidden by law to be taught in a public school but; in Israel all books and newspapers are printed in Yiddish, and the Holy Bible is the only history taught. Big Brass or "Caste" is not used in either military or civil life in Israel. God is the Holy See. When the Christian era started, Peter was given the power to predominate over the world. He was warned of impending danger to his followers and he did well in keeping within jurisdiction of such powers; but as the world grew more schizoid, or money-mad; the power of Peter became lost to love of all evil in place of God. The name of God in our time means nothing more than some object like a church or shrine of some local boy who was killed in our armed forces. The name of God has been added to our "Oath" of allegiance to our flag; which we swear by. Full page advertisements are run in our daily papers, proclaiming "Give God a Chance." All we have to give is advice. He made a mistake in making the Negro. He made a mistake in allowing the fermentation of wine and other strong drinks. We become as other gods, we become more Holy than the original God. We plan a systematic method to serve God through mass assemblage, with pomp style. Yes, the Christian era was True in its conception but; that time has past in all the world, God and God only can give or take without robbing some other person.

CATCHES FISH WITH FORCEPS

Taylorville, Ky.—Ever catch a fish with a pair of forceps? Dr. M. H. Skaggs recently removed a 4-inch bluegill from the throat of a 14-year-old boy. The fish had jumped into the boy's mouth while he was playing near his home.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

Austin, Tex.—Texas has a fairly new addition to its long and much-vaunted list of "firsts" and "mosts." But this one's no fun to brag about.

Texas has the greatest number of designated potential enemy bomb targets of any state in the union, says State Defense Coordinator William L. McGill.

This, added to Texas' long-standing record of leading the nation in natural disasters, puts a heavy responsibility for defense preparedness on Texans, McGill told the annual State Defense Advisory Council conference in Austin.

Officially designated "aiming areas," as they are called, are Fort Worth, Dallas, Houston, Austin, San Antonio, Galveston, Beaumont, Port Arthur, Amarillo, Corpus Christi, El Paso, Laredo, Lubbock, San Angelo, Waco and Wichita Falls.

Others considered possible targets because of nearby military installations are Abilene, Beeville, Big Spring, Brownsville, Bryan, Dalhart, Del Rio, Killeen, Marfa, Pecos, Pyote, Sherman, Victoria and Wink.

Texas has received a \$320,000 federal grant, conferees were told, to draw up a state Survival Plan. Several larger city plans are complete, and the state plan, a massive and complex thing affecting the lives of millions, is due to be finished by December 31.

Rural residents cannot feel themselves invulnerable, the Council was told.

THE JUDICIAL PENSION AND THE DISTRICT JUDGE'S RACE

To the Citizens of the 46th Judicial District of Texas:

An appeal has been made by your present District Judge for re-election upon the basis of another term in office entitling him to judicial retirement pay. Regardless of whom it benefits, it occurs to me that the citizens of this district are entitled to know the facts concerning the pension in question.

Article 6228b of the Civil Statutes of Texas provides in effect that a judge of a district or state court may retire at the age of 65 years after having served for a period of at least ten years. Both age and service are required. The amount of the retirement pension is one-half the amount the judge is drawing as salary at the time of his retirement. The salary of your District Judge is \$12,000.00 per year and the amount of the pension is therefore \$6,000.00 per year.

As a taxpayer you would naturally want to know where the money comes from to pay the \$6,000.00 a year pension. Five per cent of the judge's salary is deducted. The remainder must be paid by the taxpayer. The State Auditor's report of March 24, 1958, reflects that retired judges have paid in \$52,677.37 and received pension payments in the amount of \$748,374.11 as of August 31, 1957. The difference of \$695,696.74 has been paid by the tax payers of this state.

Section 6 of Article 6228b provides that the five per cent withheld from the judge's salary will be returned to him if he does not serve until he becomes eligible for the pension. This is certainly fair in that it is unthinkable that every person elected to a judicial office will be retained in such office until he reaches the age of sixty-five. Therefore, if your present District Judge's five per cent deductions amount to \$4,000.00, he will be refunded the full amount if he does not become eligible for the pension.

I think you would naturally want to know how the retirement plan of your other officials compares with the judicial pension plan. As far as I am able to ascertain, your other precinct, county and state officials are not eligible for any pension whatsoever with the exception of Social Security. Your District Judge is entitled to Social Security without respect to whether he becomes eligible for the judicial pension.

The fact that the tax payer has had to pay \$14.00 for every \$1.00 contributed by retired judges who are receiving the pension is no reason to vote against your present District Judge. The fact that the pension he is asking for is more than the salaries received by your school teachers and county officials fails to furnish a valid reason for voting for me. I have not and will not ask the citizens to vote for me or against my opponent on the basis of the judges pension plan. To make such an appeal would be a poor basis on which to conduct my campaign. I do feel, however, that it does not furnish any reason to vote for the re-election of the incumbent.

Respectfully submitted,

Tom, Davis, Candidate for District Judge

It was told. In case of a large-scale bombing, it is felt likely that radioactive fallout would cover most of our terrain, contaminating crops, cattle, pasturage and ponds.

Under the present national civil defense plan, considerable responsibility for advance training and preparation rests with the individual family. Each would be responsible for feeding itself for the first two weeks of a post-disaster period. After that, state and local government would take over for two weeks, and after that, if necessary, the federal government would step in.

Persons or organizations wanting to obtain official civil defense information and study materials may write to the State Defense and Disaster Relief Office, Capitol Station, Austin.

PRICE ADS OK AGAIN—In a rare reversal of one of its own rulings, the Texas Supreme Court has held it is not unlawful for optometrists to advertise the prices of their eyeglasses.

Last spring the court upheld a temporary injunction issued by a Beaumont court prohibiting Lee Optical Co. and others from advertising prices. Suit was brought by a competitor, Texas State Optical.

At issue was how to interpret a law passed by the Legislature in 1957 barring optometrists from advertising that is "fraudulent, deceitful, misleading... including statements of bait, discount, premiums, price, gifts..."

In its more recent ruling the court decided, 7 to 1, that the apparent legislative intent, or sense of the thing, is only to prohibit price advertising that is false or misleading.

Effect of this is to knock out the injunction against Lee Optical.

HOT POTATO—Atty. Gen. Will Wilson is being asked to give an official ruling on a highly controversial question.

It is whether Texas, under present law, can accept additional federal funds to extend the period of unemployment payments. Texas Employment Commission and Gov. Price Daniel are asking for the opinion.

Pros and cons already have been the subject of heated discussion. A recently passed federal law would allocate to the state, funds to provide an additional 12 weeks of \$14-a-week payments to persons who had already come to the end of their 24-week benefit period. An estimated 60,000 Texans are in this category.

But, to receive this money, the state must repay the funds to the federal government. If it does not get the money by some other means, such as the normal accumulation during high employment periods, it would be pledged to raise the tax on employers after Jan. 1, 1963.

Some argue that this would violate the constitutional prohibition against pledging the state's credit. Others say there is no obstacle since the state merely serves as a collecting and disbursing agent for the federal government, with no state money involved.

Spokesmen for organized labor have strongly urged that Texas enter into an agreement to receive the extra money.

FREE RIDES EYED—State Auditor C. H. Cavness, watchdog of departmental spending practices,

has questioned use of railroad and bus passes by Railroad Commission employees.

Commission Chairman Olin Culbertson declared the passes were used only for official business. Use of passes for state business is specifically authorized by law for certain Commission employees.

Cavness noted that 30 employees had passes and that some apparently had not traveled on state business during the past year. He said he felt it violated the new code of ethics law which prohibits a state employee's using his official position to receive special privileges.

HOLIDAY HEARTACHE—Department of Public Safety predicts 28 Texans will die in traffic accidents during the July 4-5-6 holiday week end.

Col. Homer Garrison Jr., DPS director, said the Highway Patrol would do all in its power to make the prediction false. Every available patrolman will be on duty, plus extras from the licensing and weights and vehicle inspection divisions, to remove dangerous drivers from the roads.

Beyond that, said Garrison, it's up to each driver to do his part by following the law to the letter and not trying to drive too long.

NEW ASSISTANTS—Atty. Gen. Will Wilson has named four new assistants to his department.

Two who will be on temporary assignment are Clyde Kennelly of Rosenberg and Neal R. Allen of Amarillo. Kennelly is to become Fort Bend county judge next January.

Other two appointees are Robert Hamilton Wells of San Antonio and Richard Owen Jones of Wichita, Kansas.

SHORT SNORTS—Payments to jobless Texans took another substantial drop, according to Texas Employment Commission's latest report. Total claims dropped from 80,222 to 76,889. It only looks bad if compared to the 33,432 claims of a year ago.

Ben Jack Cage and 143 other persons in some way connected with the rise and fall of ICT Co. are being sued in a Travis Co. district court for \$15,000,000. Suit was filed by V. F. Taylor, court-appointed receiver for ICT, on behalf of ICT's 60,000 creditors.

July 4th Operation Death Watch to Begin Tonight

"Planning for safety is as important in your July 4th trip as the planning for the trip itself," said Major R. A. Crowder, regional commander of the Texas Department of Public Safety, in announcing the department's "Operation Death Watch" for the July 4th week end.

"Many July 4th accidents are being planned now," Crowder explained. "People plan to drive too far in a short period, or they plan to drive too long without rest."

"Such plans often mean that drivers must exceed speed limits to reach destinations and return during the holiday period, or drivers attempt to cover those last few miles when lack of sleep has robbed them of the alertness necessary to stay alive," Crowder said.

"We find that carelessness, impatience and fatigue accompany drivers on poorly planned holiday trips," Crowder continued. "During Operation Death Watch, we're putting all available men into an enforcement program designed to reduce traffic fatalities to the minimum."

Crowder said the Death Watch period during the July 4th holiday will see the Highway Patrol, backed up by officers of the DPS License and Weight and Motor Vehicle Inspection divisions, working round-the-clock to stop speeders and careless drivers.

Radar speed detection units will be used, along with all other means of traffic enforcement, Crowder warned.

"The Department of Public Safety headquarters in Austin has predicted that there will be 28 traffic fatalities in the state during Operation Death Watch," Crowder said. "We're going to do our best to prove that prediction wrong, but we'll need the help of every motorist in the state to accomplish the job."

Captain J. W. Blackwell, district Highway Patrol Commander, pointed out that July 4th "motoricides" in Texas were far lower than usual in 1956 and 1957 because both years had one-day holiday periods.

"Our last three-day July 4th holiday was in 1955," Blackwell continued. "The state recorded 18 persons killed during the July 4th week end that year."

"Our worst July 4th holiday period since 1950 was four years ago," the captain said. "There were 33 persons killed in traffic accidents in Texas during the long July 4th week end in 1954."

Operation Death Watch starts this year at 12:01 a. m., July 4th and ends at 11:59 p. m., July 6th. As a part of Operation Death Watch, the Department of Public Safety maintains a count of all accidental deaths, homicides, suicides and traffic fatalities.

During the one-day July 4th holiday in 1957, Department of Public Safety officers counted eight accidental deaths, two homicides, two suicides, and 15 persons lost their lives in traffic mishaps.

VISIT ASSEMBLY OF GOD CHURCH
The Assembly of God Church was privileged on June 25 to have Bro. Spencer and his wife, missionaries from Costa Rica. Bro. Spencer is the general superintendent of Assembly of God Churches in Costa Rica. Also he and Mrs. Spencer are teachers in the Bible Institute. They have been in the missionary field for 11 years, and have come home for a year's rest.
The W. M. C. has adopted one of the Spencer children, little Starlene, age 3. They have other children who also are adopted in the district: David 13, Sharon 6, and Evelyn 18, who is going to college in Springfield, Mo.
The Spencers speak Spanish and several native dialects fluently. They sang two songs in Spanish. Slides were shown of the country and its people. Ninety-five per cent are of Spanish ancestry. There are only a few aboriginal Indians in the remote section, and a relatively small number of Negroes, concentrated on the Caribbean coast. Spanish is the official language.
Bro. Spencer stated that one could now travel the Pan American Highway all the way from Laredo, Texas, through Mexico and the Central America states to the Panama Canal.

Postage-Due Mail Penalty Began Tues.
Effective Tuesday, the Post Office Department started collecting in 5-cent penalty charge for delinquent mail on which postage is due.
"Short paid" mail will go through to the address without delay, and the addressee will be required to pay the shortage plus the 5-cent penalty. If he refuses to do this, the mail will be returned to the sender for the deficient postage and penalty.

Men's Bible Class Gives Power Lawn Mower to Cemetery
Along with the following donations, the Men's Down Town Bible Class has purchased a power lawn mower for the Crowell Cemetery. It replaces one the class bought for the cemetery in 1955.
Mrs. N. J. Roberts stated, "This is a wonderful help in caring for the grounds. We are now getting a good covering of mesquite grass over most of our enclosure, and we'd advocate flattening the grave mounds which will make mowing easier and the general appearance more attractive. Thanks to the school board for sending out their tractor mower. They go over an area the caretaker cannot cover. We are badly in need of some street work and hoping the county maintenance crew will soon find time to finish some work they started a few months back."
"Our caretaker welcomes visitors and will be glad to help take care of your lot problems. He is on a salary and with your help we can keep him on the job."
Those who have donated in the month of June are:

HENRY CIRCLE
The Henry Circle had its July program in the home of Mrs. Moody Bursey, with Mrs. Bursey being the hostess for the afternoon.
Several heart warming songs were used in the opening of the program. The subject was: "The March of Missions through World Federation of Methodist Women." They observed the world day of prayer, world-wide commencing Sunday and the week of prayer. The First Epistle of John impressed with these words, "That which we have seen and heard declare we unto you that God is light and in line. There is no darkness at all." Several verses of scripture were used in the lesson given by Mrs. Doyle Kenner. The magnitude of women's work is enlarging every year. It is necessary for the women to keep alert to the foreign fields as well as the home land. The circle was happy to have Mrs. Carl Hudson with them. Ten guests were present at the meeting. Everyone was glad to know that Mrs. Bursey, who will teach in Quanah next year,

is not leaving Crowell permanently. Several of the ladies present spoke of the work planned in South America by Mrs. Fred Youree's daughter, Mrs. Bobby Leggett.
Mrs. Lewis Sloan gave a special feature emphasizing July 4 and its patriotic observance.
The hostess served a refreshing plate at the close of the lesson.

UPHOLDS RIGHT OF NON-UNION WORKER
The U. S. Supreme Court has handed down a decision upholding the right of a non-union employe to recover damages from a union because its picket line prevented him from working in his regular job. The damages awarded came to \$10,000—\$500 for loss of pay and \$9,500 punitive damages.

THIS WEEK —In Washington

With Clinton Davidson

All over the world we are in trouble in our self-appointed role of the modern Good Samaritan. We are in grave danger of losing the friends and allies we thought we had bought with more than a hundred billion dollars in foreign aid since the end of World War II.

A sizeable, vocal and violent minority in many parts of the world thoroughly distrust and dislike us. There is increasing evidence of anti-Americanism among the peoples of the so-called 'friendly nations' of the Free World.

There is a growing feeling in many nations where we have spent most freely that we have baited a trap for them with our lavish dollar generosity; that we have lured them into an impending war with Russia and her allies.

Our motives are, to say the least, suspect. We have made no secret of the fact that the main reason for our global spending spree has been to build a defense against the spread of Communism.

A Pound of Flesh Recent saber-rattling by the Kremlin has led some people abroad to fear that the day may be fast approaching when we will demand our "pound of flesh"—their lives—in repayment of our generosity.

Their fear of Communism is exceeded only by their horror of world-wide atomic and hydrogen bomb war. They had rather live with Communism than not live at all. Many of them do not share our dedication to "give me liberty or give me death."

We know of no-one in this country who wants war with Russia. All of us would do anything we reasonably and honorably could to avoid a war that could again doom civilization to the "Dark

Age." Yet, to many people in the world, we appear to be the aggressor.

Russia has waged a propaganda peace offensive; she has talked much about co-existence, live and let live. She has announced an end to atomic and hydrogen tests and has challenged us to do the same. We have refused.

Facts as we know them are important, but people all over the world are influenced by what they believe. Many of them believe Russia rather than us.

What Do We Do Now? The first thing we are doing already is a reappraisal of our foreign policy. We're taking a new look at the breakdown of dollar diplomacy. We're beginning to question whether dollars are more convincing than words.

Talk, we have always been told, is cheap. Russia has made better use than we of words. She may be able to talk more and longer than we can spend, and, if she does, we may find we have lost some allies we believed we had in our pocket.

So, the first departure from old policies is to be a gigantic, world-wide, American-financed public relations program. We are going to try to sell freedom and democracy rather than buy friends and allies.

We should continue our foreign aid program, but take the price-

tag off it. We should quit trying to tell the people of other nations what kind of a government we should have, and how they should manage their affairs. We should begin to mind our own business and quit meddling in the affairs of others.

We should try to make friendship rather than buy friendship. The whole concept of foreign policy may be about to undergo the most dramatic revision in more than 100 years.

ADDED TO POPULATION

"This week end you may hop into the car to take the family for an early spin in the country, or get out into the garden while your wife does spring cleaning, or get the screens in shape. While you're doing that, 200,000 individuals will have been added to the population of the world. For the current rate of increase—births over deaths—is somewhat more than 100,000 a day. . . It's far past the time when we should be thinking soberly and continuously—and demanding that our statesmen do the same—about the problems this growth brings in its train."—Leesburg, Fla., Daily Commercial.

Weekly Sermon

The Need to Say No

On September 15, 1776, five ships loaded with redcoats sailed up the East River of New York City. General Howe was attempting to trap the small forces of General Washington four miles to the north.

If the British military commander could win the battle, the American war for independence might be brought to an early end. But there was no battle.

Mary Murray, colonial patriot, was living in a big house on a hill near the center of Manhattan Island. Sizing up the situation, Mrs. Murray extended an invitation to the General and his staff to dine with her. One course followed another and the dinner was prolonged. Washington hurriedly marched his volunteer army out of the trap and lived to fight another day.

Howe lost his great opportunity because he could not say no to himself and to others.

History is filled with the names of other men who lost fortunes, honor and even their lives for the same want of self-denial.

Are you among those who cannot say no? Your health is impaired because you cannot resist the urge to overeat. Your family and friends are embarrassed because you cannot say no to your temper. An evil imagination enslaves you because you find it impossible to say no. You compromise your convictions in business, in school, in social relationships; you cannot say no.

How can a person learn to say no? By drawing on a resource and power higher than himself; by accepting the provision of God in Jesus Christ.

"I can do all things in him who strengthens me" (Philippians 4:13), said the Bible writer. That included the power to say no.

It worked for him. It will work for you.

Complimented with a miscellaneous shower Saturday afternoon, June 21, in the home of Mrs. O. C. Allen of Margaret was Mrs. Carlton Damonte, daughter of Mr. and Mrs. L. E. Painter.

Mrs. Allen greeted the guests on arrival. Mrs. Arthur Bell presided at the register. Mesdames Joe Bledsoe and Jack McGinnis were in charge of the gift arrangements. Miss Lois Ann Painter, sister of the bride, poured punch. The table, covered with white lace over pink, was centered with an arrangement of pink hydrangeas and fern, with miniature bride and groom. Other arrangements were of crystal.

The bride's chosen colors of pink and white were used in the decoration theme. Mrs. Damonte received many useful and beautiful gifts.

Hostesses for the occasion were Mesdames Jim Owens, C. R. Ro-

den, Hugh Shultz, Jack McGinnis, Joe Bledsoe, C. T. Murphy, O. C. Allen and Arthur Bell.

TO MARRY JULY 19

Mrs. and Mrs. Charlie Hawley of Vernon announce the engagement and approaching marriage of their daughter, Charlynn, to Jimmy Weaver, son of Mr. and Mrs. Ernest Weaver of Crowell. The wedding will take place July 19 in the Truscott Methodist parsonage.

HOME BUILDERS CIRCLE

The Home Builders Circle met in the home of Mrs. Baylor Weathered June 21. Eleven members were present. A prayer given by Mrs. Glen Shook opened the meeting.

A very inspiring program, "The Golden Key of Prayer," taken from Jeremiah 33:3, was brought by Mrs. Clyde Eddy.

"Be more consecrated to the Lord," taken from Romans 12:1, 12, was a wonderful devotional brought by Mrs. Howard Ferguson. Secret pals were revealed and gifts exchanged, also new pledges made for the year. A prayer by Mrs. B. Johnson closed the meeting.

Refreshments were served to the following: Mesdames T. Vecera, C. James, C. Eddy, F. Collins, G. Shook, B. Johnson, A. Beverly, H. Ferguson, H. Monkres, J. James, B. Weathered.

CO-LABORERS CLASS

Mrs. Clint White and Mrs. Will Jones were hostesses to members of the Co-Laborers Class of the Methodist Sunday School when they met Thursday afternoon, June 26 in the home of Mrs. White. "I Love to Tell the Story" was sung as an opening song. Mrs. C. W. Thompson played piano accompaniment. Mrs. Ed Sharp led in prayer.

Mrs. S. S. Bell was leader of the lesson study which was the first chapter of Mark and the authorship, purpose and theme of "Disciples to Such a Lord," the book chosen for study. Mrs. Thompson read the first chapter of Mark. Mrs. Bell gave an explanatory exposition of the phases of the subject.

Mrs. Thompson presided in the absence of the president. A short business meeting was held. Lovely refreshments were served to fourteen members.

T. E. L. CLASS

The T. E. L. Sunday School Class of the First Baptist Church met in the home of Mrs. Maggie Campbell June 26 with Mrs. Jewel Solla assisting with hostess duties. Mrs. Doyle Callaway, president of the class, had charge of the meeting. They sang two songs, "My Faith Looks Up to Thee"

and "When the Roll is Called up Yonder." Mrs. Cora Belle Whately brought the devotional, using scripture from Prov. 24:29 to 33 and Numbers 24:9. She closed with a prayer. After a short business session, this part of the meeting was closed by prayer by Mrs. Callaway. They had an interesting Bible quiz for the social hour.

Ice cream and cake were served to 11 members of the class.

MARGARET H. D. CLUB

The Margaret Home Demonstration Club met in the home of Mrs. Myrtle Murphy. Meeting was opened by president, Mrs. H. L. Shultz. Mrs. Jack McGinnis led in prayer. Minutes were read

and approved. There were eight members present and four visitors.

Mrs. Joe Bledsoe and Mrs. Vera Thomas gave the yard picnic demonstration which was enjoyed by all. Hostess served pop with the hamburgers, spuds and corn.

WEST SIDE H. D. CLUB

The West Side Home Demonstration Club met June 24 in the home of Mrs. Walter Thomson.

The opening exercise was given by Mrs. Oscar Gentry, and the THDA prayer was read in unison by the members.

Roll call was answered with some outdoor cooking I have done. Mrs. S. H. Ross gave the council report. Mrs. Herman Kinchele

acted as secretary in the absence of Mrs. L. G. Simmons.

The club adjourned and an outdoor cooking demonstration was given and served by Mrs. Thomson and Mrs. Gentry. The club will meet July 8th in the home of Mrs. Tom King with a program on food preservation.

THALIA W. M. S.

The Thalia Baptist W. M. S. met in the home of Mrs. Cap Adkins Monday afternoon for their regular business and social meeting. Mrs. Loyd Fox brought the devotional followed with a prayer by Mrs. G. A. Shultz. Mrs. Maggie Wheeler had charge of the business meeting. Mrs. Adkins served refreshments to 9 members.
