LARGE CROWD EXPECTED FOR ARMISTICE DAY CELEBRATION

Crowell Downs Chillicothe 21-14 in Great Offensive Battle Last Friday

MANY HERE FOR OUTSTANDING CONTEST

Although the Armistice was signed fourteen years ago, nevertheless a great battle was fought in Crowell last Friday between two traditional enemies, Crowell High School and Chillicothe High, with Crowell winning 21 to 14 in the finest offensive display ever seen on a local field. Hundreds of people from all over this section were included in the great crowd at the game.

In winning this game, Crowell also gained the honor of being the first District 4-B team to cross the Eagles' goal line this year and before three minutes of play, the Wildcats had twice smeared the white dust on Chillicothe's zero mark in making the score 14 to 0.

With the visitors defending the west goal, D. Todd kicked off to Chillicothe with Cook returning from the 23 to the 31-yard line, where he was stopped by Dunn. Capt. Ramsey gained 3 yards and on the next play his pass to Wington was incomplete. In another plunge at the line the famous Eagle leader fumbled and Patton recovered for Crowell on the 33. Middleton made a yard. Gibson lost 8 yards on a reverse when smeared by Davis.

After slugging several tacklers, Allee shot a pass from his position in midfield to Todd, who took the ball on the 25-yard line and raced for a touchdown and Dick Todd added the extra point with a line buck. Score: Crowell 7, Chillicothe 0.

Again Todd kicked off and Henry returned 20 yards to the 35-yard line. After he had gained 2 yards at the line, Ramsey's pass was intercepted by Middleton on the 40-yard line.

Will mark and... Allee returned the ball 38 yards before being downed on the Chillicothe 22-yard line. Middleton followed Todd's 3-yard gain with an 8-yard run for a first down. Two line plunges by Middleton and Allee failed to gain, after which Crowell made another first down on a pass from Allee to Patton, placing the ball 3 yards from the goal line. Allee gained a yard, after which Todd raced around left end for another touchdown. Allee's place-kick for the extra point was good and the score was 14 to 0.

Ramsey returned Todd's kick-off from his 9-yard to the 35-yard line. On the first play he passed to Wington for a gain of 40 yards. Gibson

W. T. Waggoner Unable To Attend Unveiling

W. T. Waggoner of Ft. Worth, whose gift of one thousand dollars was the most substantial one received on the local statue project, will be unable to attend the celebration on account of ill health, according to a letter that he sent to Geo. Self this week.

Mr. Waggoner's donation was received in January, 1930. "Am always glad to be of service to your community and sorry indeed that I cannot be with you on this occasion," he stated in his letter.

Legion Commander

As commander of the Gordon J. Ford Post of the American Legion George Self is having much work to do and direct in connection with the celebration here Friday.

Mr. Self is now serving his second term as commander. He enlisted in the U. S. Navy as a volunteer in July, 1918, and was stationed at San Pedro, Cal., where he was discharged on Jan. 28, 1919.

Gordon J. Ford

The above is the picture of the man for whom the local post of the American Legion is named. It is the likeness of Gordon J. Ford, son of J. R. Ford, who lives about 7 miles southeast of Crowell, and was taken shortly before he departed for France.

Ford was instantly killed on Oct. 9, 1918, by concussion and shrapnel near St. Etienne, France, during the Meuse-Argonne offensive. Several Foard County boys were in his company at the time of his death. Jack Ballard and Ebb Scales, who now live in Crowell, were two Foard County boys near Ford when he was killed. They assisted in giving him a battlefield burial.

The victim of the 6-inch German shell was crossing a cobblestone road during a drive when killed. Ford volunteered for service in the summer of 1917 in Co. I, 142nd Infantry, 36th Division.

Mr. Self returned to the United States and left New York for France in July, 1918, on the S. S. LeNapier. His Brigade took a position on the front on Oct. 6, 1918, in support of the 2nd Division. On Oct. 7, the group moved into the front lines. The following day they went "over the top." The next day he was killed, after his brigade had advanced about three quarters of a mile during fierce fighting.

His body now rests in an American cemetery in France.

START SURVEY ON HI-WAY NO. 16 IN FOARD CO.

Work on the location survey for Highway No. 16 in Foard County was started Wednesday morning by B. K. Garrett, who has been named Foard County resident engineer by the Texas Highway Department. He and a crew of men started the survey from Crowell toward Pease River.

Mr. Garrett was recently assistant resident engineer in Collingsworth County and has also had engineering experience in connection with highway programs in various other counties. Joe Roberts, son of Mr. and Mrs. N. J. Roberts of this city, will serve as office assistant for Mr. Garrett. For the past three months he has also been working on the Collingsworth highway program.

A location survey on Highway 16 is to begin immediately in Knox County and Mr. Garrett will also direct this work from his headquarters in Crowell.

These surveys are being made to determine the best route for paving of Highway 16 in Foard and Knox counties. The State has practically agreed to pave in these counties if the right-of-way is furnished.

Flying Circus to Be Held in Connection With Celebration

A flying circus of three airplanes, and possibly four, will be here for the Armistice Day Celebration and will take active part in the celebration, according to Geo. Self, commander of the local Legion post.

Three of the planes and six men have already arrived here and a fourth plane may come, according to Jesse Bristow, one of the circus officials who arrived here in his cabin plane Tuesday.

The field that will be used by the planes is located on the Vernon highway, less than one mile east of Crowell. At 9 a. m. a 10 mile airplane race will take place, followed by many thrilling features at regular intervals throughout the day, a number of which have never taken place in Crowell.

Foard County's War Memorial

The culmination of over three years of faithful effort and hard work by the Gordon J. Ford Post No. 130 of the American Legion and the Legion Auxiliary is represented in the remarkable War Memorial that is pictured above.

It is located on the northwest corner of the court house square and not only now, but for years and years to come it will stand out as one of Foard County's most valuable possessions—not alone for its monetary value, which runs into the thousands of dollars, but principally on account of the noble purpose back of its erection—memorial to the service men who gave their lives for their country.

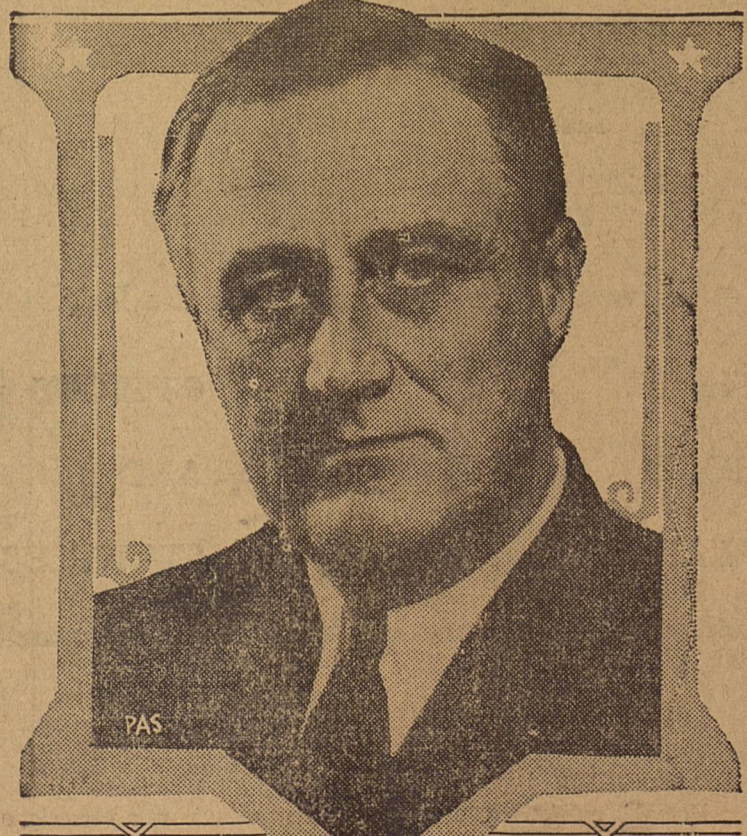

The concrete base for the cannon, together with the pedestals for the statues, was constructed three years ago and the large gun was placed upon it shortly before the Armistice Day program in 1929. Since then many various methods have been taken by the Legion to raise funds to pay for the two statues, this goal being finally achieved recently.

The cannon in itself is a wonderful memorial. It is a German 77 M. M. field gun, weighing about 3,000 pounds and has an effective range of about 8 miles. It is still in good condition and is capable of firing high explosive shells.

The dedication of this Memorial should go down as one of the outstanding events in Foard County history. Since the picture speaks largely for itself, there is little need to go into much detail in describing the Memorial, other than to give a few vital facts about it.

Of principal interest are the doughboy and sailor statues. The likeness of the soldier was cast in bronze, while the sailor statue was carved from the finest Italian marble. These two statues are officially recognized by National American Legion.

The Next President

FRANKLIN ROOSEVELT

Late Wednesday it appeared that Franklin D. Roosevelt, Democratic candidate for President, would carry 43 states in his race against President Herbert Hoover. The landslide in all parts of the country has also resulted in assuring Roosevelt of a strong Democratic Congress.

10,000 foot delayed parachute jump by "Tex" Swanson of Ft. Worth, one of the most prominent parachute jumpers of the state. He will fall at least 2,000 feet before pulling the rip cord of the parachute.

The planes will also give passenger rides throughout the day.

Albert D. Magee

Albert D. Magee of Crowell became the first commander of the Gordon J. Ford Post of the American Legion as a result of his election to this position at the organization of the local post on Nov. 11, 1918.

He died on March 27, 1921, as the result of sudden illness and his body now rests in the local cemetery.

Mr. Magee volunteered for service in the U. S. Navy in July, 1918, and was discharged in June, 1919, after eleven months of service on the Pacific Ocean. Upon returning to Crowell he became associated with his brother, D. R. Magee, in the gents furnishing and tailoring business, and was in this business at the time of his untimely death.

New Pastor Will Be Welcomed Sun. Night

Rev. R. R. Rives of Chillicothe, new Presbyterian pastor here, will be officially welcomed by the people of Crowell at services at the local church Sunday evening at 7:30 o'clock. No services will be held at the Methodist Church, due to the annual conference, and Rev. O. L. Savage will begin his evening services for the conclusion of the Baptist revival at 6:45 instead of 7:00, so that the Baptist Church may join in welcoming the new pastor.

He has formerly served as pastor in Brownwood, Childress and other Texas cities.

MRS. FERGUSON WINS IN RACE FOR GOVERNOR

The general election Tuesday resulted in a complete Democratic victory in Texas and many other outstanding Democratic victories throughout the nation, the principal one being the election of Roosevelt and Garner as president and vice-president.

Mrs. Ferguson had a clear majority over Orville Bullington, Republican, according to reports late Wednesday, in the race for governor.

Foard County Results
In Foard County Mrs. Ferguson received 577 votes to 344 for Bullington. Armstrong received four votes. Ferguson carried every Foard box with the exception of Northeast Crowell, the vote in this box being 110 for Bullington, 103 for Ferguson and 3 for Armstrong.

Foard's vote in the presidential race was as follows:

Roosevelt 885
Hoover 53

According to only partial returns, it appeared that practically all of the constitutional amendments voted upon in Texas would carry.

Crowell and Seymour Play Football Game Here Armistice Day

An interesting football game is expected here Armistice Day when Seymour meets Crowell, beginning at 3 o'clock. This will make the first time this year that the Seymour team has had its full strength together and according to press reports, that club is planning to beat the Wildcats.

ALL DAY EVENT HAS VARIOUS FEATURES

With final plans for the Armistice Day Celebration here Friday rapidly rounding into shape, an unusually large crowd is expected, according to officials of the Gordon J. Ford Post of the American Legion, the organization that is sponsoring this event.

The feature of the day will come with the unveiling of the soldier and sailor statues on the court house lawn at about 2 or 2:30 o'clock.

An all-day program has been arranged, being opened early in the morning with a blast of the fire whistle, followed by the firing of aerial bombs. A parade of veterans of the Civil War, Spanish-American War and the World War is scheduled for 9 o'clock.

The morning program will be featured with Memorial Services at the Methodist Church at 10 o'clock. Several interesting numbers will take place on this program, including a sermon by Rev. Paul J. Merrill of Henrietta, former pastor here. A talk on war experiences will be given by E. L. Draper, who served four years in France with the Canadian army. The roll call of the war dead will be given by Rev. O. L. Savage. Valton Wallace will act as bugler.

Basket Lunch
Long rows of tables have already been erected on the court house lawn for the basket lunch at noon. All of the people of this section are urged to come and bring their baskets.

Aerial bombs will signal the beginning of the afternoon program at 1 o'clock. Following a band concert, a roll call of veterans will be given by the club.

After this George Self, local commander, will introduce Ernest C. Ozro Cox, who will deliver the address of the day, just preceding the unveiling.

Mr. Cox is a prominent Austin attorney and is a former State commander of the American Legion.

After the unveiling a football game between Seymour and Crowell will take place.

Flying Circus
Those in attendance at the celebration may also expect plenty of thrills from the Flying Circus of three airplanes and six men, who will perform throughout the day with many spectacular numbers, including a 10,000 foot delayed parachute jump late in the afternoon.

PASTORS MEET HERE

Christian pastors of Paducah, Childress and Quanah met with Rev. G. V. Allen here Monday in arranging the next meeting of the District Evangelistic Association of Christian Church which will be at Paducah on Dec. 5. The last meeting was in Crowell in September.

LEGION COMMANDERS

The men who have served as commanders of the Gordon J. Ford Post of the American Legion are as follows: Albert D. Magee, D. R. Magee, Dr. Hines Clark, Que R. Miller, C. B. Morris, A. Y. Beverly and Geo. D. Self.

Auxiliary Head

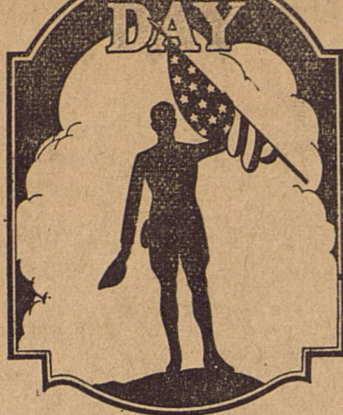

Mrs. Curtis C. Ribble, pictured above, is now serving her second term as president of the local Auxiliary, an active organization that shares in the achievements of the Gordon J. Ford Post.

The Auxiliary was organized in 1928 with Mrs. Hines Clark as president. Mrs. Clint White and Mrs. Ribble are the only other women that have since headed the Auxiliary.

downed Hutchens for a yard loss. Ramsey fumbled and recovered for no gain. Two passes were incomplete and Crowell took the ball on downs on the 32-yard line. Hutchens tackled Middleton for a 3-yard loss on an end run. Crowell was penalized 15 yards for illegal use of the hands. Allee and Joy failed to gain and Todd punted to Henry who returned to the Crowell 45.

Eagles Threaten

Ramsey gained 6 yards and then passed to L. Davis for another 11-yard gain and followed with a 9-yard crash through center to the 8-yard mark. On the next play he took the ball to the one-yard line for a first down. On the next play he was stopped for no gain. Dunn tackled him with enough force on the following play that he fumbled and Callaway recovered for Crowell on the 8-yard line. Todd slipped and lost two yards and followed with a punt to his own 45, Henry returning to the 31. A pass, Ramsey to Wiginton, was incomplete, however, the same combination on the next play netted 16 yards. Ramsey gained a yard as the first quarter ended.

Second Quarter

Ramsey was smeared for a 4-yard loss. Todd intercepted his pass on the next play and was downed on the 18-yard line. Todd fumbled but recovered for a loss of two yards. L. Davis and Britt downed Todd for a

5-yard loss, after which he punted to the 50-yard line, Henry returning to the 43.

Ramsey's pass to Wiginton failed. Todd stopped Ramsey for a yard loss at the line. Middleton knocked down a pass and Ramsey followed with a punt out of bounds on Crowell's 27. Allee and Todd gained a yard each. Todd's punt was blocked but Chillicothe was offside and the Eagles drew a 5-yard penalty. Middleton went through the line for a first down to the 41, gaining 5 yards. B. Emerson substitutes for L. Davis. Joy and Todd picked up two yards. Allee's pass was intercepted by Hutchens on his 47. Ramsey stepped out of bounds for a 3-yard loss. Two incomplete passes followed. Middleton took Ramsey's punt on his 21 and returned to the 38 and made 5 yards through the line. Gibson's pass to Allee was incomplete and on the next play Gibson's pass was intercepted by Hutchens on his own 46.

Eagles Score

Nine yards was gained on a pass, Ramsey to Wiginton. This aerial combination clicked again and Wiginton raced to Crowell's 8-yard line before being downed from behind by Middleton. Ramsey crashed through to the 1-yard line. He gained a few inches on the next play and then went over the left side of the line for a touchdown. Cook place-kicked the extra point. Score: Crowell 14, Chillicothe 7.

Allee returned Cook's kickoff from his 10 to the 27-yard line. Todd punted to the Chilli 40, Henry returned 7 yards. Ramsey passed to Wiginton for a gain of 14 yards. Again he passed to him for 17 yards, placing the ball on Crowell's 22. His next pass was incomplete, after which he was downed for a 5-yard loss by Carter and Patton. His pass to Emerson was incomplete and Chillicothe drew a 5-yard penalty for second incomplete pass. With fourth down and 20 yards to go, Ramsey's long pass toward Wiginton and Emerson failed, however, the

Maj. Hines Clark

Dr. Hines Clark of Crowell holds the rank of Major in the U. S. Army and at present is head of the medical department of the 142nd Infantry and has served as regimental surgeon for the Texas National Guard encampment at Palacios each summer for a number of years.

He volunteered for service in the Medical Corps on Aug. 29, 1917, and spent eight months in France. He saw much service in treating wounded soldiers near the battle front.

referee ruled that a Crowell man interfered with the pass received and the Eagles were given the ball on the 8-yard line.

Ramsey gained 3 yards and then circled right end for a touchdown an again Cook place-kicked the extra point to tie the score, 14 and 14.

Dunn took Cook's kick-off on his 29 and returned 6 yards. Allee passed to Todd for 15 yards. On the next play Ramsey intercepted Allee's pass on the 50 and returned 28 yards just as the half ended with the score tied, 14 and 14.

Third Quarter

L. Davis returned to the line-up for Chilli. Cook kicked off to Allee, who was downed on his 17-yard line. Todd gained five yards and Middleton picked up 4 more. Todd punted out of bounds on Chilli's 40-yard line on the next play. Two passes by Ramsey failed, Joy going high into the air to stop one.

In faking a pass or a punt, Callaway, Allee and Middleton broke through to hurl Ramsey for a 9-yard loss. His punt on the next play was taken by Callaway on the Crowell 35. Middleton and Joy failed to gain and Todd punted to Henry who was downed by Gibson after a 4-yard return to his 42. Carter intercepted Ramsey's pass on the Chilli 46.

Simmons downed Todd for a loss, however, Britt came in with unnecessary roughness and Chilli drew

15-yard penalty. Middleton failed. Joy tossed Middleton a 16-yard pass for a gain of 8 yards and a first down. Todd gained 4 yards and Allee added 5 more and Middleton was downed for a 16-yard loss on the next play by Hutchens. Allee's pass was just over Todd's hands and another touchdown was barely missed. Two more passes were incomplete and Chilli took the ball on their own 39.

Ramsey went out of bounds for a yard loss. Callaway intercepted Ramsey's pass on his own 47 and received a 5-yard penalty in attempting to continue with the ball after being downed. Cook stopped Joy for no gain. Allee failed to gain. Todd punted to Henry, who was downed on his 28 by Gibson. Ramsey gained 8 yards and followed with 10 more on two off-tackle plays.

Hutchens gained 4 yards. This was the second time that Ramsey failed to handle the ball for his team during the game. A pass failed and Middleton intercepted the next pass and returned it 32 yards before he was finally downed on Chilli's 28-yard line. Excellent blocking was furnished him. Todd broke through the line for 15 yards. Middleton and Allee made 3 yards. A pass, Joy to Middleton, lost 9 yards. Allee passed over the goal line and Chilli took the ball on the 20.

Middleton promptly intercepted another Ramsey pass, returning it 10 yards. Middleton then broke loose around left end to the 17-yard line after an 18-yard gain. Todd lost 6 yards on a lateral and then gained a yard as the third quarter ended with the ball on the 22 yard line. Score: 14 and 14.

Last Quarter

Allee gained 2 yards and then went around right end for 8 yards. Middleton gained 2 yards. Todd fumbled a lateral pass for a 6-yard loss. Joy took the ball to the 1-yard line on a pass from Allee. Joy lost a yard. Allee failed to gain. Allee tossed a lateral pass to Todd, who circled right end for a touchdown. Allee passed to Gibson for the extra point, making the score—Crowell 21, Chillicothe 14.

Worley took Todd's kickoff from the 25 to the 36. A pass failed and Simmons gained a yard, making the third and final time that Ramsey did not handle the ball. Joy brilliantly stopped Wiginton after he had gained 31 yards on a pass. Hutchens took a pass for a 7-yard gain to the 25-yard stripe. Wiginton was knocked out when tackled by Middleton after taking a pass to the 9-yard line, however, the ball was called back and Chilli received a 15-yard penalty for Emerson's holding.

On a spread formation, Hutchens shot a backward pass to Ramsey, but Smith, Allee and Gibson reached the famous Eagle captain almost as quickly as the ball did and downed him for a 20-yard loss. With third down and 45 yards to go, Ramsey attempted another pass which was again intercepted by Middleton on his own 40. After being stopped for a 2-yard loss, Middleton circled right

end on the next play for a 28-yard gain. Allee went out of bounds for no gain. Todd picked up 2 yards. A pass, Allee to Patton, netted 20 yards and placed the ball on the 12-yard line. Middleton failed to gain and Crowell received a 15-yard penalty for holding. Todd failed to gain in taking the ball out of bounds. Hutchens intercepted Allee's pass on his own 5-yard line.

Ramsey gained 3 yards. A pass failed and he punted to Middleton, who returned 6 yards to the 29. Todd and Middleton gained 5 yards. Allee failed to gain and passed over the goal line. Taking the ball on the 20, Ramsey passed to Davis for 8 yards, and then shot another toss to Henry for 11 yards. His next attempt was intercepted by Joy on his own 40, who lost 6 yards on a fumble. A Study

. . . . in Contrasts

The above scene is a graphic representation of the homes of two housewives—just before guests arrive for the evening meal. The woman at the left has been working in a hot kitchen all afternoon . . . nothing has gone off well . . . she is nervous, tired, irritable . . . and looks it. But the modern home-manager at the right is cool, fresh, lovely and unhurried. She has been away from home all afternoon, yet is ready to take a delicious, savory and attractive meal from her oven. Her meal will be an unqualified success . . . the success of the other housewife's dinner-party is extremely doubtful.

The difference is that the modern home-manager, at the right, has an Electric Range. . . The other housewife still cooks by old-fashioned methods!

You, too, should profit by the many advantages and superiorities of modern Electric Cookery. With one of the new General Electric Hotpoint Ranges in your kitchen you'll save money, work, time and food. You'll serve better, more healthful and more attractive meals. You'll be happy, cheerful and energetic. Take advantage of special prices and terms . . . TODAY! See one of our salesmen NOW. He will be glad to tell you the interesting and valuable story of Electric Cookery. There's no obligation, of course.

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule . . . and adds only a small amount to your total bill?

Did You Know That—

Joe Minor, who now lives 5 miles northwest of Crowell, was the only Foard County soldier on a ship which was torpedoed and sunk by a German submarine? He was on the S. S. Tusconia and escaped in a lifeboat, being picked up near the Irish coast.

Alva Spencer, a sailor, made seven trips across the Atlantic from New York and back on a convoy?

That L. A. Andrews, who was dangerously wounded by shrapnel still has the rugged piece of metal that came near removing his leg at the knee?

Ebb Scales and Frank Kirkman took a plenty fast ride as uninvited guests of a Paris limited passenger train?

Dr. H. Schindler was the first person in Foard County to buy a Liberty bond?

Clyde Cobb, who was taken prisoner by the Germans, was officially reported killed in action? Imagine the surprise and happiness of his family and Crowell residents when he arrived in Crowell about a year after the Armistice. He experienced much trouble in finally getting out of Germany and France.

SANDERS-PETERSON

Miss Stella Sanders of the Claytonville community and Earl Peterson of Crockett, Texas, were married by Rev. C. V. Allen in Crowell Saturday. They are making their home at Claytonville. The bride's mother was in attendance at the wedding.

Winnie Thomson and Mike Brown Married Here Tues. Evening

The marriage of Miss Winnie Thomson to L. M. (Mike) Brown was solemnized in a pretty home wedding at the bride's home at 6:30 on Tuesday evening. Mr. and Mrs. Verne Walden were the only attendants. Mrs. Walden as matron of honor, Mr. Walden as best man. The wedding march was played by Miss Mary Clayton Giddings.

The wedding took place before an altar of white chrysanthemums and ferns with a flower-covered trellis for a background. A modernistic color scheme of black and white was used and tall pedestals held black candle holders with white candles, which were lighted. Black baskets of white chrysanthemums were arrayed at the base of the altar and at various places throughout the living-room.

The bride's wedding dress was white crepe with satin jacket. She wore a hip length veil fastened with orange blossoms and carried a shower bouquet of white rosebuds and tuberose.

Mrs. Walden wore black crepe trimmed in white fur and carried a bouquet of white chrysanthemums and ferns. Mrs. Brown's going-away costume was of black crepe with white accessories.

After the marriage, cake and punch punch were served with Mrs. Adrian Thomson cutting the wedding cake and Mrs. Walter Thomson and Miss Annie May Ellis serving the punch. Immediate relatives of the bride and groom were the only guests.

Mrs. Brown is the only daughter of Mr. and Mrs. W. F. Thomson and was reared here and attended the local schools from which she graduated. She has been bookkeeper for Swaim's Garage for several years.

Mr. Brown is a son of Mrs. G. W. Mills of Foard City and was practically reared in Foard County. He is now in the employ of the State Highway department.

After a short wedding trip, Mr. and Mrs. Brown will return to Crowell where they will make their home.

Local Baptist Pastor Marries at Cleburne

Rev. O. L. Savage, pastor of the First Baptist Church, and Miss Lucile Munday of Cleburne were married at the First Baptist Church of that city on Sunday morning, Oct. 30, at 8:30 o'clock.

Mrs. Savage is the daughter of Mr. and Mrs. B. C. Munday of Cleburne and is a graduate of the Cleburne High School. For the past few years she has been connected with Judge E. A. Rice, an attorney of Cleburne. Miss Savage is the son of Mr. and Mrs. W. C. Savage of Stephenville and is a graduate of John Tarleton College and Baylor University and has also studied at Southwestern Baptist Seminary at Fort Worth. He was an instructor in the Cleburne Junior High School for two years from which position he resigned to enter the ministry.

15 YEARS AGO

Below are two letters picked at random from issues of The Foard County News for about this time of the year in 1917.

Oct. 20, Somewhere in France.

Dear Mother: I am writing you from my company, as I got with them a few days ago, and this is the first chance I have had to do any writing.

The boys have kept me pretty busy answering questions since I landed. They haven't received any mail from home since they landed in France.

Mama, we are five miles from the firing line, so you see I am quite safe, although we can see them firing, and airplanes are as thick in this part of the world as birds are at home. Had a very nice trip as far as submarines were concerned. We never saw one. Have seen a few French girls, but they did not appeal to me, as I couldn't talk to them, and I do not think I would care to make France my home. It don't look good to me.

I am working. I went to work the day I landed in camp. I found all the boys O. K. They are able to eat all they can get. Some of them were so much fatter I hardly knew them. I have seen some of the world and guess I will see quite a bit more. This country is in a bad shape. I went to a show last night and it was right good, at least it was better than sitting around camp.

I sure was glad to get with my company. They were surprised to see me, as they thought they would never see me again, and that will be the way with you all when I come walking in, for I am coming back some time and see you.

We are having some nice weather now and I hope it will continue that way. I am feeling fine. You will not know me when I get back, for I will be so fat. This kind of life seems to suit me. At least my health is better than it was at home.

I hope this finds you all O. K. When you write, tell me all the news for we don't hear much.

I will close for this time hoping to hear from you soon. Lots of love to all.

As ever, your boy, ROSS KENNER.

A. P. O., S No. 18, France Mr. Warwick Cole, Crowell, Texas.

Dear Brother:

I received your letter of July 29th, last evening, and believe me, there is nothing like a letter from home, which you will come to realize when you are over here awhile. Of course for a person who has not traveled much there is always lots of new and interesting things to see, but the best of it there is no place like the good Old U. S. A.

I often think what a joyous bunch this will be when we reach the dock in New York. Needless to say we are all looking forward to the incident, and I don't believe there is a one in the bunch but what feels that if he ever gets back they will never get him away from the shores of America again, even in a row boat. However, there is not a one who would think of going back, even if an opportunity would present itself, until this thing is over.

The more I see of it, the more confident I become, that it can't last through the winter. When we come to consider the ever increasing drain of the resources of the Allies, it must also be increasing in comparison on the shoulders of Germany. However, I suppose it is foolish to speak of the future, especially as to the outcome of this war, but still there has been so many passed judgment on it and missed. I don't presume that one more would do any harm.

I was very glad to hear there was no one drafted from home for it certainly shows they are doing their part, and if every county had stepped out as Foard did we would make a big showing over here before the winter was over. However, I have a pig headed idea that when the U. S. troops do get into action they will surely give an account of themselves, and make some body sit up and take notice, especially the German Government. No doubt Germany has already decided that she has rubbed Uncle's hair the wrong way once too often.

There was a patient came into the hospital this morning who I knew at Fort Worth when I soldiered there. He had been discharged from the U. S. Army, and went to Canada and enlisted. He had been over here some time, and had quite a lot of experience, in fact he said he had enough to do him, and would not be a bit sorry if peace was declared tomorrow.

With love to all, Your brother, KINLOCH F. COLE

Harry Harris of Paulsboro, N. J., who has a good tenor voice, was fined \$5 and sentenced to sing with the church choir for being drunk.

A policeman of Truro, N. S., found a cow loitering in the doorway of a store and arrested it on a charge of vagrancy.

Nearly Stone of Stanford, Ky., has a duck that still lays eggs regularly after remaining in the possession of one family for 20 years.

The radio in the lobby of the Y. M. C. A. in Canyon City, Colo., and the shower bath in the dormitory were the principal attractions for a 22-year-old farm youth who spent a few days there recently.

Lt. Col. Claude Adams

Lt. Col. Claude A. Adams has not resided in Crowell for many years, however, he still calls this city his home. At present he is the commanding officer of Camp Hulen, Palacios, Texas, the largest National Guard camp in the United States.

Col. Adams was the first adjutant of the Gordon J. Ford Post of the American Legion, being elected to this office at its organization on Nov. 11, 1919.

He received his first military experience in the Spanish-American War and received a bullet wound in the hip while in the Philippines. He came to Crowell from St. Jo in 1906 and worked at the barber's trade for a number of years and also served as Captain of the Crowell National Guard, which was a very active organization and included many members. Col. Adams saw service during trouble on the Mexican border.

With the entrance of the United States in the World War he went in training at Camp Bowie. Later he went to France and saw service in the Meuse-Argonne.

About a year after the war, upon being recommended by the Texas governor, he was appointed by Pres-

ident Wilson as Lieutenant Colonel in the regular army to serve as quartermaster at Camp Mabry, Austin.

Col. Adams had a large part in securing the German 77 M. M. cannon for Foard County that now stands between the two statues. He had definitely planned to be here for the celebration, but late orders from Washington will prevent his attendance as he must confer with high Army officials from the Capitol City on that day. "No one knows how I regret to miss this celebration," stated Col. Adams in a recent letter.

The most unusual job in Des Moines, Ia., is that held by John B. Lucas, who rides around town on street cars and stops to pick up glass that is lying in the street.

How Doctors Treat Colds and Coughs

To break up a cold overnight and relieve the congestion that makes you cough, thousands of physicians are now recommending Calotabs, the nauseless calomel compound tablets that give you the effects of calomel and salts without the unpleasant effects of either.

One or two Calotabs at bedtime with a glass of sweet milk or water. Next morning your cold has vanished, your system is thoroughly purified and you are feeling fine with a hearty appetite for breakfast. Eat what you wish,—no danger.

Calotabs are sold in 10c and 35c packages at drug stores. (Adv)

Armistice Day FRIDAY, NOVEMBER 11 This tribute on Armistice Day is to the dead . . . and the living. It serves to stir memory and remind nations of their obligations to those who answered the call to arms and threw themselves into the walls of defense in a cause that was deemed just. . . Greater honor goes to the dead . . . those gallant souls that even in their fear marched straight into the cannon mouth. . . Great honor also to the living. . . to the last man of them, who we know full well would never have turned back so long as the life of our nation was threatened. We record this tribute so that fellowmen and citizens may not forget and so that we may never be charged of lacking in loyalty. . . This hour in 1932 has brought forth its own problems. . . but in our perplexity as to the solutions which will mean justice to all. . . let it not be said that we failed to pay tribute where tribute is due. GRID GOSSIP

By SEEG NALLS

If there ever was a victory that Crowell fans got more kick out of than the win over Chillicothe last Friday—we don't know of it. And there are a number of reasons for all the joy—the principal one being because it was a game with the Eagles and other factors contributing to the great satisfaction included the fact that Crowell had been doomed to lose by The Rambler of the Wichita Record News—and naturally by Chillicothe, the team that was tied with Olney for the league leadership as a result of its tie with Olney the previous week.

Of course the fact that Crowell beat the team that Olney was unable to score on was another source of satisfaction and anybody who thinks Chillicothe played a poorer game against Crowell than they did against Olney simply did not see and really observe the Olney-Chillicothe tilt. Had the Eagles played against Olney the way they did against Crowell they certainly would have handed the Cubs a good jacking and Crowell would now be tied for first place instead of being in second.

There is little doubt but that the Cubs will go ahead and hold their lead now, since Archer City and Seymour are the only teams in their path and there seems to be little chance that they will stop the Cubs, but nevertheless, Seymour, according to press reports, is planning to do that very thing.

Crowell is making a habit of embarrassing The Rambler, otherwise Fred Thompson. Week before last in his column he picked Burk to beat Crowell. Last week he very confidently predicted that Chillicothe would down the Wildcats and even went so far as to make light of some opinions that Seeg had expressed regarding this game. Harry Norwood of the Chillicothe Valley News had a letter in the Rambler's Column last Friday in which he also poked fun at Seeg's statements.

However, the Wildcats certainly answered the razzing coming from sources in Chillicothe and Wichita Falls and proved that Seeg did not have his wires crossed. I don't want to be accused of boasting, by pointing to the fact that in this column on Oct. 7, I predicted a 13 to 6 victory for Crowell and never backed down on that prediction a time before the game. The confidence I had in the Wildcats after recognizing their quality was no greater than that shared by a great many other local fans.

There are about a thousand things I would like to write about the Wildcats right now, and to also go a little

A. Y. Beverly

A. Y. Beverly served two terms, 1930-31, as commander of the Gordon J. Ford Post of the American Legion and was succeeded by the present commander, Geo. D. Self. He was a charter member of the Legion and now holds the position of service officer in it.

Mr. Beverly volunteered for service in the U. S. Army in June, 1917, and received his training at Camp Bowie. He departed for France on the S. S. LeNape on July, 1918. As a member of Co. K, 142nd Inf., 36th Division, he was in France 11 months and during this time he saw active service on the Meuse-Argonne front for about 28 days. He entered the service as a private and came out as a first lieutenant, commanding Co. B, 142nd Inf.

farther in answering The Rambler and Norwood, but there is nothing I could say that would add to glory of the Wildcats' great victory and since much must be done on this Armistice edition, we will let it go at that.

Ralph Burrow won a clean-cut victory in last week's predictions. Others placed as follows: Granville Lanier, Floyd Thomas, Fred Rennels, Oscar Boman and Eli Smith. Rennels was the writer's choice.

Scores last week and Burrow's predictions, with winning teams and actual scores coming first, follow: S. M. U.-A. & M., 0-0, 0-7; Texas-Baylor, 19-0, 27-0; Rice-Ark., 12-7, 13-0; T. C. U.-Simmons 27-0, 20-0. Those guessing this week are: Ralph Burrow, 1; Pete Bell, 2; Otis Ross, 3; Joe Roberts, 4; H. C. "Boss" Roark, 5; Grady Magee, 6. Their predictions follow:

	1	2	3	4	5	6
Texas	0	6	7	20	0	7
T. C. U.	7	0	0	7	7	3
Baylor	7	13	7	7	13	6
Rice	0	0	13	26	6	13
M. U.	13	13	0	13	14	19
Kansas	0	7	7	0	6	6
Rice	0	13	14	13	14	7
A. & M.	6	7	9	6	7	0

For the first time this year there is not a team that is unanimously favored to win.

Grady Magee is picked to win this week and it looks as if Burrow will land in the cellar.

There are times when all look for something solid upon which to base a renewal of faith in life—in men! We are passing through such a chaos. November 11th is a day, set apart, in honor of the unselfish—loyal—devotion of men in a time of need. It is our sacred duty to honor the memories of our preservers. In our observance of this day may we acquire in our own hearts, some part of their valor—may they live again in our renewal of courage. While we vacillate—not knowing whence the trend of events may lead—let us remember there is but one road to travel—Forward!—Onward!—through that way alone lies Honor.

WANTED — Some one to play for Sunday morning services at the Christian Science Church. Call Mrs. J. C. Thompson for terms. Phone 250W.

WILL the parties who took the following articles from the court house please return them at once: step ladder, matook (grubbing hoe) scoop, garden fork, hand saw.—County of Foard.

THANKS!

We want to thank those who helped to make our hearts glad. Those ladies who contributed to the fund to buy my wife a coat, that she might go with me to the Annual Conference, and those men who contributed to the fund to buy me a suit of clothes to wear to the Annual Conference. Words are insufficient to express our appreciation and love for you all. We have had a very pleasant

stay with you good people of Crowell and especially the membership of the Methodist Church, to which I was sent as pastor. It is true that we have suffered along with everyone on account of the depression, but with all that you have been very thoughtful of us and we feel very tenderly toward all of you.

May the Lord bless you and prosper you in every way.

Your friends,
Mr. and Mrs. B. J. Osborn.

NATURE'S GIFT TO SUFFERING HUMANITY

CRAZY CRYSTALS

I have suffered with nervous indigestion and constipation for several years and have used almost every known remedy for same, and spent several hundred dollars to no avail.

After using three boxes of CRAZY CRYSTALS I can truthfully say I believe they are a Gift from God to suffering humanity, and they are not a patent medicine.

CHURCHES

Christian Science

Sunday, 11 a. m. Subject for Sunday, Nov. 13, 1932, "Mortals and Immortals."

Sunday School at 9:30. Wednesday evening service at 8 o'clock. The public is cordially invited.

First Baptist Church

Sunday morning, 9:45—Sunday School. 11:00 Sermon, "Heaven." Evening—6:00, Training Service. 6:45 Sermon, "Portraying Christ." Wednesday, 7 p. m.—Prayermeeting.

We are beginning our evening services 15 minutes early in order that we may be through in time to join our Presbyterian friends welcoming their new pastor at their evening services at 7:30.

There is nothing wrong in making a living, but a living does not go far enough—only a life goes beyond. Regular attendance at Church will aid greatly in making a life.

O. L. SAVAGE, Pastor.

Christian Church

A still further increase in attendance last Sunday at Crowell—a good sign of increased interest. We look forward to Thanksgiving and Christmas as times for special activity, preparatory to a bigger and better program of work for next year.

The subject of the morning message at Truscott next Sunday will be: "Have you any right to license evil?" I hope every one in the whole community, that can possibly do so, will hear this message. The evening message will likely be "True Citizenship."

The Thanksgiving season is just ahead and Christmas not far off. May we begin now to look ahead for observance of the spirit of these seasons.

"And whatsoever ye do in word or deed, do all in the name of the Lord Jesus, giving thanks to God and the Father by Him."

Christian Science Churches

"Adam and Fallen Man" was the subject of the Lesson-Sermon in all Churches of Christ, Scientists, Sunday, November 6.

Included with other passages read from the Bible was the following from Luke: 13, "And, behold, there was a woman which had a spirit of infirmity eighteen years, and was bowed together and could in no wise lift up herself. And when Jesus saw her, he called her to him, and said unto her, Woman, thou art loosed from thine infirmity. And he laid his hands on her; and immediately she was made straight, and glorified God."

The Lesson-Sermon also included citations from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy; among these was the following: "When speaking of God's children, not the children of men, Jesus said, 'The kingdom is within you,' that is, Truth and Love reign in the real man, showing that man in God's image is unfallen and eternal. Jesus beheld in Science the perfect man, who appeared to him where sinning mortal man appears to mortals. In perfect man the Savior saw God's own likeness, and this correct view of man healed the sick. Thus Jesus taught that the kingdom of God is intact, universal, and that man is pure and holy." (p. 476).

How many there are like him, men and women who will not serve on committees, or promote the higher life of the community who resist every appeal for help with a clear indication that they cannot be bothered.

On the other hand, there are those whom Arnold Bennett called "the passionate few," who put their talents to full use. With Edward Everett Hale they say, "I am only one, but I AM one. I cannot do everything, I CAN do something." Because of their fidelity, business is saved from collapse, government is kept clean, and the Church is maintained to nourish the souls of men with saving ideals.

We Pay Homage To The Heroes of War

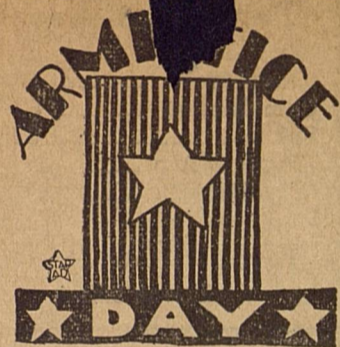

WE COMMEMORATE
THE COMING OF PEACE

On this Armistice Day we glorify Peace, not War. We honor the nation's heroes as men who gave their lives not to win a war, but to win an everlasting peace. They were brave, fighting hearts that bled for a noble cause. We can well cherish the memory of their deeds. But in remembering let us also pray that our youth and the youth of the world will never again meet on the battlefield.

Help honor the memory of those who have passed on by attending the memorial service, the unveiling and other features of the celebration here Friday.
