

THE FOARD COUNTY NEWS

AND CROWELL INDEX

XXXVIII NO. 37

CROWELL, FOARD COUNTY, TEXAS, FRIDAY, MARCH 7, 1930

10 PAGES \$2.00 A YEAR

LEAGUE PLANNED FOR THIS SECTION

WELL PLANS TO BE IN AMATEUR LEAGUE WITH SEVEN OR EIGHT OTHER SURROUNDING TOWNS; LOCAL PLAYERS WITH NO SALARIES

Plans are being completed for a town baseball team to have a town baseball team and considerable work to be done has already been done. O. Hollingsworth, manager of the team last year, and Lewis Sloan, who is to be followed, are planning to act as manager and field man, respectively, for the team.

They have already made trips to the surrounding towns in the hope of starting an amateur league composed of Vernon, Childress, Paducah, Crowell, Truscott, the Phillips Oil company of the South Vernon oil and Kirkland. Most all of the towns have agreed to have a league, according to Mr. Hollingsworth.

No Salaries

This league will not be under the heading of organized baseball, however, a circuit is to be organized and a regular schedule of two games a week is to be followed. The teams will be just home-town affairs with no salaries and no salaries will be paid.

According to Mr. Hollingsworth the Paducah fire department is sponsoring the team there; the Fort Worth and Denver shops is sponsoring the team at Childress, and the towns in general are sponsoring the teams at the other places.

A meeting is to be held in the near future for the election of officers and to decide upon a schedule. The suitable and practical number of towns for the league will also be decided upon.

Local Prospects

Crowell has some of the best talent for a ball club that a town of this size could wish for. There are several new players who can be depended upon in addition to members of last year's club and with this material Crowell should have a first class team.

Mr. Hollingsworth stated that the following players are available for the local team: William Bell, Glen Jones, Skeet Rasberry and Hyden Ford, pitchers; W. M. Bailey and Jimmy Ashford, catchers; C. G. Graves and Gordon Bell, first base; Charlie Ashford, second base; Jack Roberts, Jr., Guy Todd and Roy Housouer, short stop; Lewis Sloan and Paul Crews, third base; Jimmy LaRue, Tom Beverly, Pat McDaniel, E. F. Henry and Ernest Spears, outfielders.

Practice for the Crowell team is to begin Monday, March 24th, and an invitation is extended to anyone in this county or section to try out for the team.

Already Have Suits

The team already has its baseball suits and will not have this expense on its hands this year.

The suits that the business men bought for the team last year are in good shape. A few improvements are planned for the ball park in order to make the baseball season here as successful as possible.

Other plans for the local baseball team are to be announced later.

foard County Court Closed Here Thurs.

County court closed a short session today morning when the case of Wishon vs. Fred Bell, suit on a \$500.00 note, resulted in a hung jury. The case was discharged by County Judge J. E. Atcheson.

In a criminal case came before court this term. County Attorney L. Beauchamp stated that only fines for misdemeanors have been paid in Foard County since Jan. 1st. He said that this was the record that Foard County had since he has been in office. "It's a good record for the county," Mr. Beauchamp said.

BIRTHS

Six births were recorded in the county clerk during the week ending March 1st. They follow: to Mr. and Mrs. T. F. Worley, February 27, a daughter; to Mr. and Mrs. E. H. McEdden, Crowell, February 2, a son; to Mr. and Mrs. W. C. Simpson, Crowell, February 25, a son; to Mr. and Mrs. L. C. Wisdom, Red City, February 18, a son; to Mr. and Mrs. H. E. Floyna, land, February 21, a son; to Mr. and Mrs. J. H. Newell, Foard City, February 3, a daughter; to Mr. and Mrs. Roy N. Bark, Crowell, February 24, a daughter.

MOVES TO TRUSCOTT

Harvey Sikes and family have moved to Truscott where they will make their home. Mr. Sikes is now associated with Van Browning of Truscott in the wholesale oil business. He recently he was employed at Allen Chevrolet Company.

District Legion Meet at Childress March 22-23

A number of members of the local Gordon J. Ford post of the American Legion are making plans to attend the district convention of the Legion that is to be held in Childress, March 22nd and 23rd, Saturday and Sunday.

Clint White, adjutant of the local post, requests all who are planning to go to Childress to turn their names into him so that he can make reservations for them at Childress.

Basketball Team Guests Wed. at Rotary Luncheon

GUY TODD ELECTED MOST VALUABLE PLAYER OF PAST SEASON AND JOHN TODD CHOSEN CAPTAIN FOR NEXT SEASON

The members of the basketball team of Crowell High School were honor guests at the luncheon of the Rotary Club Wednesday. Eli Smith was in charge of the program.

After making a short talk concerning athletics and the excellent record of the basketball team, Mr. Smith turned the program over to Coach Grady Graves.

Mr. Graves brought to the attention of the Rotarians that the boys were not only excellent athletes, but were excellent scholars as well. He mentioned that the same was true in schools all over Texas now since the Interscholastic League rulings are very strict and require that all athletes keep up a high scholastic standing at all times to be eligible for athletic contests.

Following his talk he called upon each boy for a few words. The basketball boys present and who made short, but interesting talks were Guy Todd, captain for the past year; Ernest Spears, John Todd, Ragsdale Lanier, Ralph Burrow, Ernest Patton, Ivan Wozencraft and Bill Middleton.

All of the boys expressed their thanks for the dinner and made optimistic remarks concerning the prospects for next year's team, along with regrets at losing such valuable men as G. Todd, Spears and Patton by graduation this year.

Following the talks the boys were given slips to write down their choice for the most valuable player this year and the captain for next year. Guy Todd, flashy forward, was elected as most valuable player and his brother, John, was chosen captain. Guy Todd won the most valuable football trophy for the 1928 season.

During the past season the local quintet made the best record that a Crowell basketball team has yet made, winning 18 out of 21 games and piling up 726 points to opponents 389. Crowell won second in the district, being defeated by Estelline, which promises to go far in the state meet this year.

Estelline loses all five of its first team men this year, while Crowell will have a majority of its men back with prospects of other good material.

PAVING ON LEE HI-WAY STARTED AGAIN MARCH 1

COLD WEATHER AND SAND STORM CAUSE DELAY; MILE AND ONE-HALF OF GRAVEL NOW ON MARGARET ROAD

Paving on the Lee Highway, Highway 28, was resumed last Saturday and since then about one-quarter of a mile of paving has been laid. The concrete mixer is now less than three-quarters of a mile east of Thalia.

As soon as the remaining strip, which reaches to a point about one mile west of Thalia, is completed, the mixer will start work on the strip which begins about two and one-quarter miles east of Crowell.

About fifty trucks are now being used on the paving work. Work was halted Thursday morning due to the sandstorm. Bad weather conditions have certainly followed the McClung Construction Company in its work here. Small showers and slick roads interfered greatly at first and then freezing weather had a habit of stopping the work most every morning for a short while afterward, and then the weather became so cold that operations had to be halted altogether about two months ago.

Since it was felt that there would be considerably more cold weather in February, no paving was done and it so happened that there was hardly a day during February in which paving could not have been done. Feeling that the weather would permit operations to be resumed again, the mixer was moved to the scene of operations last Saturday and on that very day, March 1st, the weather became so cold that the water line froze and delayed operations. Freezing weather since has also interfered to some extent.

Over a mile and a half of gravel had been laid on the Margaret-Crowell road. This work started at a point about midway between the two towns and is proceeding in the direction of Margaret.

CLAUDE ADAMS PROMOTED TO CAMP PALACIOS

FORMER CROWELL MAN IN CHARGE OF TEXAS NATIONAL GUARD CAMP; BROTHER OF VERNON EDITOR SUCCESSOR AT AUSTIN

Lt.-Col. Claude A. Adams, former Crowell resident, has been placed in charge of the Texas National Guard Camp at Palacios, Texas, and will live at that station in the future.

For the past several years he has been serving as United States Property and Distributing officer at Camp Mabry in Austin and has held this position longer than any other man, except Col. James T. Stockton, who held this position for nine years.

The Federal government at Washington has been spending a large sum of money on the camp at Palacios and it is their intention to complete a permanent camp there for the Texas troops. Lt.-Col. Adams will be the custodian of the camp and the future improvements will be under his direction.

Crowell once had a company of national guard and about one hundred Foard County boys have been in camp at Palacios, which is located on the Matagorda Bay and is noted as one of the best fishing locations in the world.

Lt.-Col. Adams will succeed Thomas D. Barton as custodian of Camp Palacios, and Col. Taylor Nichols will succeed Col. Adams as the United States Property and Distributing officer.

Col. Nichols is a brother of Ray Nichols, editor of the Vernon Record, and writer of the popular column, "Home Town Stuff."

Fifteen Years Ago

Almost exactly fifteen years ago, an interesting article appeared in the News concerning "Company F," of Crowell and about Claude Adams, its commander. We believe it would be of interest here to reprint part of that article. It follows:

"Company 'F,' 4th Inf., Texas National Guard of Crowell has the reputation of being the best company in the state, and also holds a National record, having recently won the National Trophy for marksmanship, which is a shield of silver, valued at \$500.00 and awarded to the company that makes the best record in rifle practice in the United States, to be kept by the company until defeated by another. This is a great recommendation to the Crowell Company, and should the National guard ever be called to service, Company 'F' would be given a permanent place on account of the good eyes and steady nerves of her sharpshooters.

"In addition to the above mentioned trophy this company also holds a medal, which is a loving cup of silver, and is a prize for the best marksmanship in the state of Texas. The company also won a prize of \$50.00 last year for like services.

Border Service

"When the National Guard of Texas was called to the border last April, the Crowell Company made a national reputation for quick action in mobilizing and entraining, and was one of the first companies to reach Brownsville, although being at the time of the call, further from Brownsville than any other company called out.

"The company is in first class condition and is an efficient organization. Capt. Claude A. Adams, its commander, is ranked among the highest in the state as a disciplinarian and instructor of military tactics."

Stokes is Candidate For District Judge

W. N. Stokes of Vernon has asked the News to announce that he is a candidate for judge of the Forty-sixth Judicial District of Texas, subject to the action of the Democratic primary in July.

Mr. Stokes is the present judge, having been appointed to that position December 30th, 1929, following Judge Robert Cole's fatal accident.

Mr. Stokes has been a citizen of Vernon for the last thirty-five years and a member of the Wilbarger County bar since 1903. He served as county attorney of Wilbarger County two terms, beginning in 1906, and as city attorney for two terms from 1912 to 1916.

Although he has acted as district judge for only two months, he has made an excellent record and a great many people in this district, which is composed of Foard, Hardeman and Wilbarger Counties, are anxious to see him elected to the office he is seeking.

ARMY PURCHASES HORSES

Major J. E. Behney and Capt. C. A. Wilkinson of Fort Reno, were here last week to purchase horses for the army. Fourteen ponies were purchased from Paul Shirley and Glen Offield and one from Claude Barry.

They are to be shipped to the Philippine Islands for the use of the United States cavalry.

Two-thirds of the young doctors graduated from medical schools in the United States this year held college degrees as well as medical.

Mrs. J. H. Beaty Died At Zephyr Feb. 7

J. H. Beaty of Springlake, Texas, has returned to Foard County and will live for the remainder of this year with his niece, Mrs. R. T. Owens, at Margaret.

Mr. Beaty's wife died February 17, at the home of relatives at Zephyr in Brown County, her old home, where she was buried. She was well known to a number of Foard County people, having lived near Margaret about three years ago. She was married to Mr. Beaty about four years ago at Zephyr and for about one afterward they lived near Margaret, later moving to Amherst and then to Springlake.

Mrs. Beaty was born in Sabinal and was 67 years of age at the time of her death. She moved to Brown County when about 14 years of age and lived there until her marriage to Mr. Beaty. She is survived by two sons and a daughter, all by a former marriage. She was a member of the Presbyterian Church.

Mr. Beaty is one of the oldest settlers of Foard County, coming here in 1887.

Margaret Winner Class B Honors In Basketball

COUNTY TOURNAMENT FOR CLASS B AND JUNIOR TEAMS HELD AT HIGH SCHOOL GYMNASIUM ALL DAY SATURDAY

Margaret won the Class B championship of Foard County Saturday night by defeating Thalia 25 to 20 in one of the most thrilling basketball games ever played in Crowell. The Thalia boys were in the lead throughout most of the game and even were ahead until about the last two minutes of play.

Thalia missed goal after goal in the last quarter while Margaret made practically every shot at the basket. Spectators felt that Thalia had the game won and the last quarter rally of Margaret was the outstanding feature of the contest.

Taylor, at forward, and Smith, at guard, were the outstanding players for Margaret. Russell also did wonderful playing for Margaret in the last half. Damon Phillips and Aubrey were the principal players for Thalia. Aubrey made none of his customary long distance shots, due to the low beams in the local gymnasium.

Thalia took an early lead and the first quarter ended 10 to 4. Thalia led the half with the score of 17 to 8. Thalia held a small lead at the end of the third quarter.

Taylor of Margaret broke loose in the last quarter and shot sensational goals from various angles.

The Line-up

MARGARET	THALIA
Taylor	D. Phillips
Malone	F. Kessee
Hysinger	F. R. Phillips
Smith	G. Aubrey
Middlebrook	G. Gray

Substitutions: Margaret—Russell for Middlebrook; Thalia—Wisdom for R. Phillips, Oliver for Wisdom. Referee—Ennis of Quanah.

The largest crowd of the year was present at the gymnasium for the game. Margaret defeated West Rayland senior boys in the morning. Foard City withdrew from their scheduled game with Thalia.

Other Games

The county tournament for Junior teams, both girls and boys, and Class B teams were played throughout the day.

That Thalia senior girls won the county championship in their class, defeating the Foard City girls in the first game of the day. West Rayland defeated Margaret and in the final game Thalia defeated West Rayland.

The Crowell junior girls defeated the Margaret girls also during the day, however, Crowell is not a Class B school and the Margaret girls are champion junior girls of the county. The game with Crowell was only a practice one.

Crowell won the junior boys championship, defeating Margaret in the morning and the West Rayland boys at night.

School Census Takers Are Still Needed Here

J. E. Atcheson, county school superintendent, states that school census enumerators are still needed in some school districts. Enumerators started their work on March 1st in some of the district of the county.

The Foard County school census must be completed by April 1st and a report turned into the state superintendent. Blanks and instructions for enumerators are now available at the county superintendent's office for all enumerators.

The state aid that Foard County receives for its schools is based on the school census.

When tobacco was introduced into China, in the seventeenth century, its use was prohibited by imperial edict.

Spain is to have a model automobile road 260 miles long.

MANY ATTEND BANQUET FOR BAPTIST MEN

FORTY VISITORS PRESENT FROM QUANAH MONDAY NIGHT; DECISION MADE TO ORGANIZE BAPTIST MEN'S BROTHERHOOD

Around eighty men were present at the Baptist men's banquet here Monday night in the basement of the Baptist Church. The wonderful dinner was given the men through the courtesy of the Baptist ladies. Forty men were present from Quanah.

Rev. W. W. Smith, local pastor, gave a few words of welcome after Dr. T. D. Frizzell of Quanah had offered thanks. Following the meal, C. T. Hodges, educational director of the Quanah church, took charge of the program which opened with a quartet of Quanah men, composed of Lee Wood, C. M. Slinger, E. F. Smith and Mr. Hodges, giving two vocal numbers, "You Can't Make a Monkey Out of Me," and "Doggone that Radio." W. S. Frazier of Quanah followed with two piano numbers and responded to an encore by playing and singing a popular yodeling number.

Brotherhood Objects

The principal object of the banquet was to set forth the work of the Baptist Men's Brotherhood and its three objects were fully explained by the speaker. Mr. Hodges explained that his brotherhood had been established in Quanah a few months ago and that it was doing a valuable work. The three objects of this body were said to be enlistment, educational and social service.

M. A. Hurst, superintendent of the Willowview Sunday School in Hardeman County, was the first speaker and he discussed "Enlistment." He explained that it was necessary to enlist for religious service for several reasons, the principal one of these being the command of Jesus, "Go ye into all the world and preach the gospel." The pleasure received from enlistment and the blood of Christ were said to be the rewards for this work. "We can rejoice because we have served Him," Mr. Hurst said in concluding.

Dr. J. J. Hanna, chairman of the board of deacons, spoke further on enlistment and pointed out that men were far behind in church work and the principal burden of church advancement had been shouldered by the women.

The second object of the brotherhood, "Educational," was discussed by A. B. Jones, president of the Baptist Men's Brotherhood at Quanah. He told of the various publications

GIGANTIC LOT SALE TO TAKE PLACE APRIL 1

COUNTY, CITY, SCHOOL AND STATE CO-OPERATING IN SALE OF ABOUT 1,200 LOTS TO BE SOLD FOR TAXES; TO CLEAR ROLLS

The largest sale of lots that has ever been held in Crowell will take place here April 1st when about twelve hundred lots will be offered for sale to the highest bidder. This sale will help the city in its efforts to clean up the vacant lots as it is believed that when they are bought, the ones buying them will keep them in a much better condition than they have been kept in the past.

Judgment was secured at the last term of district court and the lots were ordered sold for taxes. Taxes on some of these lots have not been paid since 1900 and the main purpose of this sale is to get them off the delinquent tax roll and into someone's hands that will render them to the assessor and pay taxes on them.

It has been costing the city, school, state and county several hundreds of dollars each year to assess and carry them forward on the delinquent tax rolls, without bringing in any money. This sale will change them from a debit to an asset.

The taxes on the lots do not amount to a very large sum, but the cost due the past county officials is what makes them too high for any to redeem them on the tax rolls. One county official has costs due him that run into the thousands of dollars and the only way that these costs can be cleared on the tax rolls, is to have them sold for delinquent taxes.

There are quite a few nice building lots in this list to be sold and this will be a good chance for Foard County people to get some desirable city property at their own price. The city, school, state and county are co-operating in holding this sale.

The lots to be sold are to be found in most every section of Crowell and the various additions to this city.

It has taken about a year to prepare for this sale and the local county officials have had to complete many thousands of forms in order to have the records complete.

The sale is to be held in the court house

Few Law Violations According to Report Made by Grand Jury

The grand jury for the February term of district court assembled Friday and completed its work. The following report was turned in:

"To the Honorable W. N. Stokes: "We your grand jury for the February term of the Honorable Court, after having been in session for three days beg leave to submit the following report:

"We have investigated all matters coming to our attention and have returned into this honorable court eight true bills; seven felonies and one misdemeanor.

"We have carefully investigated the conditions as to law and order over the county and find but very little law violations, and wish to express our confidence in the sheriff and his department.

"We express our appreciation to this Honorable Court for his wise and able instructions given us and also the many courtesies shown us while in session.

"In case No. 44-E, referred to us from Justice's court No. 1, Foard County, The State of Texas vs. Olon L. Caddell, we report No Bill.

"Respectfully submitted, "J. C. SELF, Foreman."

"The Grand Jury having reported to this Honorable Court No Bill in the State of Texas vs. Olon L. Caddell, it is the order of this court that the said defendant be, and he is hereby discharged from further liability to this court on the above styled and numbered cause.

"W. N. STOKES, "Judge 46th Judicial District of Texas."

Those serving on the grand jury this term were: O. B. Davis, L. R. Morgan, J. C. Self, C. F. Hunter, C. E. Dunn, H. W. Banister, J. H. McDaniel, C. L. Adkins, C. B. Morris, J. J. McCoy, J. M. Marr and W. A. Dunn.

"With Proper Support We Will Have Talkies" Says T. B. Richmond

"If everybody would try and come to the show just one night a week we would soon have talking pictures in Crowell that would bring Crowell as much out-of-town trade as any two business houses in town," stated T. B. Richmond, manager of the Rialto Theatre. "We bring in people from miles around with good silent pictures as it is and with better support we could put talkies in the local theatre."

The program next week at the Rialto features "The Air Legion," Monday and Tuesday. Ben Lyon, who besides being one of the most popular movie heroes, is also a regular transport pilot, is the featured player in the picture. Antonio Moreno, another famous star is also in the picture which is said to be even better than the "Flying Fleet" which made such a hit in Crowell some time back.

"The Shanghai Lady," is the picture that is to be shown on Wednesday and Thursday. This picture has proven very popular wherever shown and features Phyllis Haver.

Sufficient Funds to Complete Construction of Lee Highway West

Foard County has sufficient funds to finish the construction of the Lee Highway from Crowell, west to the Cottle County line, according to J. E. Atcheson, county judge, who stated there was a mistaken impression on the part of many that there would not be sufficient funds for this purpose.

"We now have more funds for this work than we at first thought we would have," Mr. Atcheson stated. The first few miles on this road are to be of concrete and the remaining distance is to have crushed rock base with asphalt top. "It is likely that there will be a greater distance of concrete paving on this road than we had at first imagined," Mr. Atcheson said.

County officials are working to have the contract for this construction let at the next sitting of the highway commission.

Pure Bred Seed to Be Given 4-H Club Boys

Fred Rennels, county agent, states that he will soon have a supply of pure-bred dwarf Milo Maize seed to distribute to the 4-H club boys of Foard County.

J. Roy Quimby, superintendent of the Chillicothe experiment station, has promised Mr. Rennels two hundred pounds of maize seed and Mr. Rennels is planning to go to Chillicothe to secure this supply within a few days.

The seed will be distributed without cost to the club boys for their feed projects in their club work. About five pounds or more will be given to each boy calling for the seed.

HOSPITAL NOTES

Mrs. R. C. Bell underwent an operation Thursday morning.

Mrs. Marion Hughston was dismissed from the hospital Thursday morning.

Curtis Beaty was dismissed from the hospital Wednesday afternoon.

GAMBLEVILLE
(By Special Correspondent)

Mr. and Mrs. Travis Peacock and family took Mr. and Mrs. Edd Peacock to visit Mrs. Peacock's parents at Hereford, Texas, last week. The little infant baby of Mr. and Mrs. Solomon's was buried in the Thalia cemetery Monday afternoon. Mr. and Mrs. Vernon Pyle and family visited Mrs. Pyle's sister, Mrs. Homer Zebig, and family of Crowell Sunday.

Little Lewis Pyle has been very ill since Friday. He is improving now. Mr. and Mrs. R. C. Johnson's little boy has had pneumonia. He is reported better.

Fox Bros. Cash Grocery

CROWELL MARGARET

DOWN TO BUSINESS.

People who don't want to settle down to business sometimes find it embarrassing when the time comes to settle up. Fault finding and grumbling over economical conditions may relieve our exasperation to a slight extent, but they do not move the cause for com-

plaint. Patience is a virtue, and virtue wins its own reward, but only when both are followed to a logical conclusion. Conditions in this country may not be satisfactory, but vociferously voicing our dissatisfaction will not improve them. Patient and systematic efforts will restore prosperity in time, but

uncertainty and vacillation have only the opposite effect. Wisdom points the road for us to follow. The way may be long, the toil may be great, but the reward of perseverance awaits us at the end of the trail. More than 100 chemicals are used in automobile manufacturing.

SPECIALS

Saturday

We are going to have some special prices on another lot of our groceries Saturday. This merchandise is all good, first-grade, and is not hard stock. We know that we can save you money on these groceries, and we shall be very glad to have you come in Saturday and look them over. Our windows will have the goods and prices in them.

We will also have a new shipment of all kinds of fresh vegetables including beans, celery, carrots, turnips, beets, lettuce, cabbage, new potatoes and peppers.

Come on in!

Crowell

Thalia

RAYLAND
(By Special Correspondent)

Lair of Harrold filled the pulpit at the Baptist Church Sunday morning and night. A large crowd attended both services. He will fill the pulpit at the same hours next Sunday.
The social given by the County P. T. A. at the Antelope School was well attended Friday night.
The Five-In-One girls basket ball

team played West Vernon team at Vernon Saturday night. The Five-In-One team won the game.
Leonard Pool returned from Bay City Friday.
Ernest and Buster Crisp spent the past week-end on the Plains.
Mr. and Mrs. G. T. German had as their guests Sunday, Rev. and Mrs. Lair and family of Harrold.
A. W. Crisp and son, Harrold, returned from Bay City Saturday.

MARGARET
(By Special Correspondent)

The Margaret P. T. A. was hostess to the members of the County Federation in a meeting at the M. E. Church last Wednesday. A large crowd was present.
Mr. and Mrs. John Taylor and sons, Raiburn and H. A., and daughter, Ramona, and Miss Bailey of Chillicothe spent the week-end visiting in this community.
A large crowd from here attended the basketball tournament at Crowell Saturday and Sunday night. One of the most exciting games played was the one between Margaret senior boys and Thalia senior boys. The score was 25 to 20 in favor of Margaret, which made them winners of

the county championship.
Mrs. Temp Fletcher and son, Charles T., of Electra visited in this community during the week-end.
The annual election of officers for the P. T. A. will be held in connection with the play, "District School at Blueberry Corners," at the high school auditorium Friday night.
Bagley Russell and Virgil Stephens spent from Friday until Saturday visiting friends in Quanah.
Fay and Cecil Ingle spent Saturday night with their sister, Mrs. Luther Denton, and family in Crowell.
Rev. and Mrs. A. O. Hood are taking a training course at the M. E. church at Thalia this week.
Misses Cora, Claudie and Ola Carter spent the week-end with home-folks at Crowell.

CLAYTONVILLE
(By Special Correspondent)

Earl Logan and family of Good Creek spent Sunday with Grover Owens and family.
Mrs. Jim Polk has been suffering with an abscess on her jaw.
Mrs. Hub Speck, Mrs. John Speck and Mrs. Frank Gilliland have been visiting in Abilene, Eastland, Cisco and other points.
Grandma Hill has been on the sick list with pneumonia this week.
G. L. Scoll and son, David, made a business trip to Strong City, Oklahoma, last week.
Sunday School was well attended last Sunday and much interest is being taken.
Mr. and Mrs. Jake Beesinger and son, Clarence, of Foard City spent Sunday with Clyde Beesinger and wife.
H. T. Polk and family and Willie Bell and Bessie Foster spent Sunday with Houston White and family of Margaret.
Henry Howell and Alfred Vessels spent Saturday night with Tom Polk.

Safe! Potent! Prophylactic! Economical!

Konjola Makes Good After All Else Failed

St. Louis Lady Glad to Relate Her Fine Experience With New and Different Medicine

Konjola is a different medicine simply because it scores victory after victory in cases that have defied and resisted all medicines and treatments tried. This is not a boast. It is a fact established and proved in thousands of cases like that of Mrs. Dora Bauer, 3463 St. Vincent Avenue, St. Louis, Missouri. Read the grateful words: "How I wish that every sufferer

MRS. DORA BAUER

from neuritis could know what Konjola did for me. For ten years I endured agonies from this awful ailment. I had to keep my arms wrapped tightly to ease the pain. My digestion was bad, too, and this weakened me, making me still easier prey for neuritis. I cannot remember how many medicines and treatments I tried, but found nothing to give relief, until I found Konjola. In just five weeks this remarkable medicine restored digestion, rid my system of poisons and impurities, and then the neuritis left as if by magic. What a boon Konjola proved to be to me. No wonder Konjola is known as the medicine with more than a million friends. It should have a billion."
Konjola is sold in Crowell at Ferguson Bros. Drug Store, and by all the best druggists in all towns throughout this entire section.
(Adv.)

NOTICE OF CITY ELECTION

STATE OF TEXAS,
COUNTY OF FOARD,
CITY OF CROWELL.
Notice is hereby given that an election will be held at the city hall, in the City of Crowell, Texas, on the first day of April, A. D. 1930, the same the first Tuesday in April, A. D. 1930, in obedience to an order duly entered by the Council of the City of Crowell, Texas, on the 18th day of February, A. D. 1930, for the purpose of electing two aldermen to serve for a term of two years.
J. W. Beverly is hereby appointed presiding officer of said election.
All persons desiring to have their names placed on the official ballot for the election to said office shall file their name or names with the city secretary of the City of Crowell, Texas, not later than March 26th, 1930. All qualified voters under the laws of the State of Texas who have resided within the corporate limits of the City of Crowell for a period of six months preceding said election shall be entitled to vote.
Said election shall be held in accordance with the laws pertaining to general elections in this state in so far as they are applicable.
C. T. SCHLAGAL,
Mayor of the City of Crowell, Tex.
Attest:
J. T. BILLINGTON,
39 City Secretary of Crowell, Tex.

Goodyear Develops New Heavy Duty Auto Tire

"Thousands of car owners have felt the need of a tire of heavier construction at a moderate price, says M. F. Crowell, manager of the Crowell Service Station.
"For the requirements of those doing a lot of hard driving over rough and rutty roads, where the added security of extra plies is essential, but where moderate price is likewise essential, The Goodyear Tire and Rubber Co., has developed a real "Big Brother" to its popular "Pathfinder," which has met with unanimous approval of the users demand-

ing quality at popular prices.
"This new line of genuine Heavy Duty six ply tires is heavier, huskier, finer in appearance, with extra mileage, and bears the name "Heavy Duty Goodyear Pathfinder."
"This new product," concluded Mr. Crowell, "is backed by the experience of the largest rubber company in the industry which has built more tires, millions more, than any other manufacturer."

MEXICO LAYING BASIS OF DEVELOPMENT PLAN

Del Rio, Texas, March 6. (UP).—Jose Mejorada, agricultural engineer, who is stationed at San Carlos, Mexi-

co, making a survey of the half-million-acre development project just across the Rio Grande from Val Verde County, has gone to Mexico City to hasten action on the development, according to Senor Lisandro Pena, Mexican consul at Del Rio. Repair of pumps and erection of 50 houses for a colony are among the improvements planned by the Mexican government.

Where Helena, Mont., now stands, on Last Chance creek, a rich placer gold deposit was discovered in 1861 which produced more than \$16,000,000.

Japan now enrolls 99 percent of its children in school.

One of our salesmen will be glad to show you the Fedelco "Special" Complete Home Laundry equipment. An investment in this remarkable machine will pay you well, and assure you of your needed leisure.

Convenient Terms

West Texas Utilities Company

The Foard County News

T. B. KLEPPER, Editor and Owner
MACK BOSWELL, Asst. Editor

Entered at the Post Office, at Crowell, Texas, as second class matter.

Crowell, Texas, March 7, 1930.

March Comes in With Freezing Temperature

March reached Foard County along with the coldest weather that has been here since the January spell. Some damage to fruit crops is reported.

Temperatures, considerably below freezing, have occurred a few days since March 1st.

The worst storm of the year struck here Thursday morning but had subsided considerably as the News went to press Thursday afternoon.

We are planning to report a rain in next week's issue, however, a postponement of that item might be necessary.

Fifteen Years Ago In The Foard County News

FEBRUARY 26, 1915

Hurt by Horse

The horse which Alf Bond was riding while chasing a rearing last Thursday fell and caught Mr. Bond under him. The fool horse for some reason seemed to enjoy lying on Mr. Bond, for it made no effort to get up for several minutes—it seemed like hours to Mr. Bond, who felt sure that he would never look like anything even if he should recover. He was out on the streets in a day or two, however, and is on the road to recovery.

Bowley-Carroll

Clyde Bowley, son of Mr. and Mrs. M. F. Bowley and Miss Eunice Carroll, the pretty daughter of Mr. and Mrs. J. W. Carroll of Vivian, were married at that place Sunday, the Rev. Oldham of Medicine Mound, officiating.

Owney-Honeycutt

J. L. Owney, son of Mr. and Mrs. Frank Owney, and Miss Ethel Honeycutt, daughter of Mr. and Mrs. W. R. Honeycutt, all of this county, were married at the residence of Rev. S. O. Woods Sunday.

Freight Train Wrecked

A south-bound freight train on the Orient was wrecked at the edge of town Wednesday morning. Several cars leaving the track and rolling down the embankment, some of them rolling over into R. A. Wells' field. No one was injured.

Planting More Feed

Sam Scales dropped in on us for a little chat Monday. Sam says he will cut his cotton acreage half this year and will raise more feed and in time raise more hogs.

Advertisement

Listen boy! We have just unloaded a car of up-to-date Moon Bros. buggies this week, and the prices have not advanced one bit, \$100.00.—Alice-Henry & Co.

Crowell Track Team In Chillicothe Friday

The Crowell High School track team will go to Chillicothe Friday to take part in a track meet in which five schools of this section of Texas will be represented.

Schools to take part in the meet are Electra, Vernon, Quanah, Chillicothe and Crowell.

Members of the track team of Crowell to make the trip are: Captain Guy Todd, Ralph Burrow, Ernest Spears, Arthur Bell, Andrew Calvin, Gerald Knox, Ivar Wozencraft, Ernest Patton and William Ricks.

Crowell's team has been practicing on track events for the past two weeks and expects to make a good showing at Chillicothe. Electra has the reputation of having one of the strongest track teams in the state every year and that school has produced many state champions. It is reported that the other schools at the meet also have strong track teams this year.

CONSTRUCTIVE JOURNALISM

No feature of newspaper work is recognized as more important than the constructive force of journalism in promoting goodwill and cooperation among all classes and all sections of our country. Harmony and prosperity and our financial and industrial welfare depend upon the understanding of one class or section by another.

It is a well established fact of history, that newspapers have enormous latent constructive or destructive powers—they can make a war or spoil a peace.

Their influence in either direction is tremendous—possibly greater than many editors are willing to admit.

Newspapers are an institution of democracy, but their power and influence can be no greater than the thought prompting and supporting their policy.

Political Announcements

The following announcements for the offices named are subject to the action of the Democratic Primary to be held in July of 1930:

- For County Judge: M. M. HART, JR. CLAUDE CALLAWAY. J. E. ATCHESON (Re-election)
- For County Treasurer: MARGARET CURTIS (Re-election)
- For County and District Clerk: GRADY MAGEE.
- For Tax Assessor: VERNON PYLE. MRS. ELLA RUCKER. PETE BELL.
- For Public Weigher, Precinct 1: A. T. SCHOOLEY (Re-election)
- For Justice of the Peace, Precinct 1: E. F. (Button) HENRY. J. W. KLEPPER.
- For Sheriff and Tax Collector: QUE R. MILLER (Re-election)
- For Commissioner, Precinct No. 1: A. B. WISDOM (Re-election) ROY C. TODD.
- For Commissioner, Precinct No. 2: J. C. HYSINGER (Re-election)
- For Commissioner, Precinct No. 3: E. V. HALBERT (Re-election) A. B. SPEARS.
- For Commissioner, Precinct No. 4: W. F. THOMSON (Re-election) T. S. PATTON. TOM J. CATES.
- For District Attorney: JESSE OWENS JOHN MYERS, Vernon.
- For Constable, Precinct 1: J. H. KASLEY
- For District Judge: W. N. STOKES, Vernon.

Mrs. Dan E. Horne of Gilliland Died At Noon Wednesday

Mrs. Dan E. Horne, 37, of Gilliland died Wednesday at about noon after being seriously ill for several days. She had lived in the Gilliland community for the past 25 years and had a number of friends in Crowell and Foard County.

She is survived by her husband, six children, the oldest child being 17 years of age and the youngest is just a few days old. She is also survived by her parents, Mr. and Mrs. H. T. Cook of the Gilliland community, and three brothers, J. S. Cook, J. D. Cook and W. T. Cook, all of Gilliland; and three sisters, Mrs. H. H. Williams of Benjamin; Mrs. Arthur Horne of Gilliland, and Mrs. M. G. Williams of Dundee.

Mrs. Horne was born near Comanche, Oklahoma, in 1893, and came to this section in 1905. She was married to Dan E. Horne about 20 years ago, her name before marriage being Miss Leona Cook. She was a member of the Christian Church. Funeral services were planned for Thursday. Interment is to be made in the Gilliland cemetery.

THINGS WORTH KNOWING

Tanneries in Holland are highly specialized, each tannery usually producing only one kind of leather.

Spontaneous combustion is listed as the greatest cause of fire on farms, with lightning ranking second.

American skunks are being sought by Swedish fur farmers.

New street cars, faster and with a greater passenger capacity, have been introduced in Berlin.

Italy is taking steps towards standardizing weights and measures throughout the country.

Lichens and mosses do little harm to old buildings, but ivy and other creepers may cause serious decay, a British expert asserts.

J. W. BEVERLY WRITES LETTER TO DALLAS NEWS

The following interesting letter from Joe W. Beverly appeared in the Dallas News Monday:
Silk Hat Farmer

People who do not get the morning papers until near the noon hour ought to appreciate the service The News gives over the radio.

By this service many interesting items can be heard between 7 and 8 o'clock. For instance: This morning at the breakfast hour among other things it was given out that the new tariff bill will likely provide for a tax of \$3 on each high-top silk hat that is shipped to the United States.

By this I am reminded of an incident in the early settlement of Hardeeman County. About the year 1885 or 1886, a man named W. C. Wear, a Cumberland Presbyterian preacher, filed on a section of school land near Chillicothe and the law required that some buildings and improvements should be made on the land in order to comply with the terms of sale. At that time farm laborers were scarce and the men who were coming in to secure land worked on their own sections, and the cowboys scorned such employment. Brother Wear was a highly educated man and prominent in his church. As was the custom, he occasionally wore a high-top silk hat. On my first trip to this section of the country, I met him in Vernon and he told me he was so well pleased with the future prospects for the country that in order to comply with the law and to prove his sincerity he had spent several days plowing and wearing his high-top silk hat.
JOE W. BEVERLY,
Crowell, Texas.

21 Textile Mills in Texas Now Using Much Cotton in Work

Austin, Texas, March 6.—During January, 21 textile mills in Texas used 7,165 bales of cotton, compared to 5,795 bales in December and 3,118 bales in January, 1929, according to Berward Nichols, editor of the Texas Business Review, issued monthly by the Bureau of Business Research at the University of Texas.

While a gain from December to January is the normal trend, the increase of nearly 25 per cent between the two months this year is the largest on record," Mr. Nichols said. "Production of cotton cloth amounted to 6,319,000 yards, against an output of 6,958,000 yards in January a year ago, and cotton goods sales totaled 4,844,000 yards, whereas 4,250,000 yards were sold in January, 1929. Unfilled orders declined from 7,082,000 yards on January 1 to 4,321,000 yards of February 1. In this connection it should be noted that unfilled orders have been declining steadily since March, 1929. At the present rate of output, bookings are equal to a little over one month's run."

BAPTIST MEN—

(Continued on Page 4)

that could be used in the educational work and how they should be used. He discussed a number of other interesting items and also asked the men to assume more responsibility in church work. "Seventy-five per cent of the church work is done by women."

Dr. T. D. Frizzell discussed the last object, "Social Service." He said that it was time for the men to stop passing the buck for the women and the pastor can't build a church alone. The most interesting part of Dr. Frizzell's talk was his comment upon boys' work and the opportunity of men to be of great service along that line. "Boys have ten chances to do wrong where they had one when I was a boy," he said. "Out of all the boys in the state reformatory only two per cent were Sunday School boys. We have the opportunity of making 98 boys out of 100 from a life of criminality."

Boy Scout Work

Outside of the church, Dr. Frizzell stated that he thought the Boy Scout movement was serving the greatest good. The following statistics on Boy Scouts were given: No first-class Boy Scout has ever been convicted of a felony in the United States and there are over a million Boy Scouts in the country; in 1929 of all the football captains in the United States, 59.3 per cent were former scouts; in the same year 61 per cent of the Rhodes Scholars came up from Boy Scout ranks; from 80 to 90 per cent of all Boy Scouts are from families of little means.

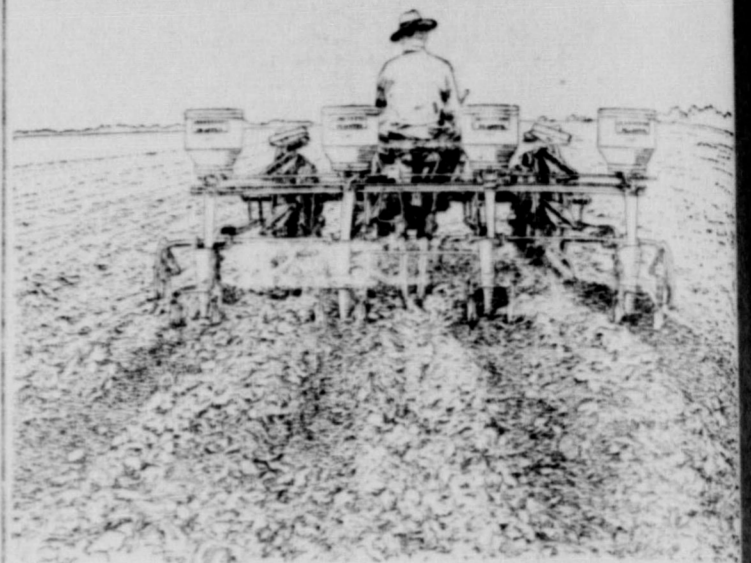

Following this talk, the quartet sang another song, after which the program was turned over to Rev. Smith. He had Mr. Hodges to explain the brotherhood organization. After its explanation it was moved to organize such a brotherhood for the local church and to adopt the constitution and by-laws in use by the Quanah Baptist Church.

A motion carried to have the pastor appoint a nominating committee to select officers to be elected at the next meeting, which is subject to the call of the pastor. Leo Spencer, Clarence Self, and Que Miller were appointed on this committee.

Throughout the program, the speakers paid tribute to the local Baptist women for the wonderful dinner they prepared. Following a final number by the quartet, Dr. Hanna pronounced the benediction.

Those from Quanah at the banquet were: P. N. Green, D. W. Key, M. A. Hunt, E. E. Pitt, R. C. Rithey, Clarence Dunn, T. D. Frizzell, J. I. Justiss, H. C. Frizzell, C. M. Slicer, H. H. Creed, J. D. Davis, Tip Jones, Glasco Moore, R. E. Caddell, Care Gillian, Jack White, J. B. Henderson, Oscar Tillkuson, Horace Smith, M. D. Tadlock, J. R. Taylor, W. L. Frazier, V. C. Fairless, Warren Cox, Lega Richardson, S. F. Fairless, H. H. Price, R. L. Wood, C. T. Hodges, J. B. Morrow, S. A. Smith, J. J. Hanna, J. L. Winston, E. H. Allen, J. C. Karstetter, E. F. Smith, G. T. Hawkins, H. A. Dalmair and Garnet Jones.

John Deere GP-400 Four-Row Tractor Planter Working in a Texas Cotton Field

Now You Can Plant Accurately 4 Rows at a Time—in Furrows or on Beds

HERE is the new John Deere General Purpose Wide-Tread Tractor with special one-man equipment designed especially for southern farmers. It is ready to go to work for you—ready to cut your production costs by giving you MORE ACRES PER DAY and by giving you BETTER WORK and EASIER WORK with LESS HELP.

Think of planting and cultivating from 35 to 45 acres a day and doing it easier than it has ever been done before! And this is merely indicative of the way this tractor will handle a great variety of jobs on your farm.

The GP-400 Planter, shown above, plants cotton, corn, and other row crops in rows 36" or 33" apart, in furrows or on beds—plants accurately and uniformly.

No worry about excessive breakage of parts due to hidden stumps, roots and other obstructions—cushion springs on the drawbar take the shock and protect the working parts. Depth of planting can be regulated from seat.

Planter beams are raised and lowered by power lift without even stopping the tractor. Individual gauge wheels for each runner insure uniform depth regardless of ground conditions.

The Four-Row Cultivating outfit illustrated above will cultivate rows planted 36" or 33" apart, which corresponds with the four-row planter.

Two-Row Bedding Attachment for the GP-400 Planter can also be furnished when wanted.

Come in and get the facts about this equipment. No general purpose type of tractor has ever been designed that fits so perfectly with conditions on southern farms.

M. S. Henry & Co.

Eggs for Sale

White Leghorn, Johnson Imperial matings. Eggs layed by 175 hens—Nov. 196 dozen; Dec. 248 dozen; Jan. 199 dozen; Feb. so far 180 dozen. If you want pullets that will make you \$2 per year profit now is your chance to get the eggs at a reasonable price—\$5.00 per hundred, or \$1.50 per setting.

DEAR MEMBER OF THE MUTUAL PROTECTIVE LIFE ASS'N.

As you know from time to time we have given out information as to our growth, management, etc., our books are open at all times for inspection.

This is the people's life insurance. It is home insurance for our home people. We have had a steady growth. Every day brings us new members.

Now, will you tell your friends this—In a short time we are going to bring the age limit in Class A as low as 35 years, possibly 30. Get one of your friends to take a policy with us. Any time you can find it convenient come and visit with us. Thanking one and all for your loyal support, we are yours to serve.

L. A. FOSTER, Sec.-Treas.
Room 205 Waggoner Bank Bldg., Vernon Texas
E. J. HARRIS, Local Agent

SEE REV. B. J. OSBORN

If you have not placed a stone at the grave of your loved one, see Rev. B. J. Osborn, pastor of the Methodist Church at Crowell, Texas, who can put up a nice job for you. He has had years of experience in the work. It is the only side-line he has aside from the ministry. He enjoys doing the work, and it gives him a needed diversion from his daily routine of church work. Somebody will get a little profit out of the work, but he needs it while he is trying to send his children to school. He is our regular agent for this territory. We can meet any competition both in quality of work and price. Give us a chance.

PLANT MORE FEED

If you want to cut your cotton acreage in the most profitable manner, then by all means PLANT MORE FEED.

Why is it that in Foard County, or most anywhere else, the most SUCCESSFUL FARMERS are those who raise plenty of feed. Figure it out for yourself.

Be independent by following the cow, sow and hen route. Follow this route successfully by raising plenty of feed.

THE FIRST STATE BANK

Historical Data of Texas Is Given to Texas U. Library

Austin, Texas, March 6.—"A Book of Pamphlets," collected and bound by Isaac Van Zandt, charge of affairs of Texas to the United States from 1842 to 1844, has been presented to the University of Texas library by Mr. Van Zandt's grandson, Dr. K. H. Beall, of Fort Worth.

Texas Basketball Champions Will Be Decided This Week

Austin, Texas, March 6.—Preparations are now being made by the University of Texas Interscholastic League Bureau to accommodate the participants in the State tournament of the League basketball contest, according to Roy B. Henderson, athletic director of the Bureau.

TEXON TALES (All About Polo)

It looks like the banking interests in Foard County want people to raise lots of feed this year. Well, we won't have any to spare here as we don't raise any at all and if you have too much up there why it looks like we gonna have lots of polo horses to feed here next winter so we can use all you got left over.

and found this country is too windy for good golf. Wind is a good thing in polo. Even a horse finds it that way. It just takes wind and we get it. A good way to defend polo is to compare it with golf. What good does golf do? The only thing that can be said in favor of the game is that it makes a demand for cowhides but cowhides can be used for lots besides golf shoes.

DRUGGISTS TO MEET

Snyder, Texas, March 6. (UP).—The 24th semi-annual convention of the West Texas Pharmaceutical Association to be held at Fort Worth on March 6 and 7, will be the largest attended in the history of the organization, according to President Lee Stinson of this city.

BRAINY QUARTERBACK IN SCIENTIFIC EXPEDITION

Fort Worth, Texas, March 6. (UP).—Howard Grubbs, star quarterback of last fall's Horned Frog football team, is playing another stellar role for T. C. U.

erns in New Mexico. The party will be engaged in this study until early in March. The expedition, under the direction of Dr. Frank E. Nicholson of New York university, is interested chiefly in gathering geological data.

MARGARET P. T. A.

The Margaret P. T. A. officers will be elected at the Margaret High School auditorium, Friday night, March 7.

CITY ORDINANCE

AN ORDINANCE DETERMINING THE NECESSITY OF LEVYING AN ASSESSMENT AGAINST PROPERTY ABUTTING UPON THAT PART OF COMMERCE STREET FROM THE WEST PROPERTY LINE OF HOUSTON STREET TO THE WEST PROPERTY LINE OF COLUMBUS STREET AND AGAINST PROPERTY ABUTTING UPON THAT PART OF HOUSTON STREET FROM THE SOUTH LINE OF MARIETTA STREET TO THE NORTH LINE OF AUSTIN STREET IN THE CITY OF CROWELL, TEXAS, AND AGAINST THE RESPECTIVE OWNERS OF THE SEVERAL LOTS AND PARCELS OF LAND ABUTTING UPON SAID PORTIONS OF SAID STREETS FOR THE PAYMENT OF PART OF THE COST OF IMPROVING SAID PORTIONS OF SAID STREETS BY PAVING SAME, AND THE CONSTRUCTION OF CURBS, GUTTERS AND OTHER APPURTENANCES; APPROVING THE ESTIMATE OF THE COST OF SUCH IMPROVEMENTS, AND APPROVING THE REPORT OF THE ENGINEER AS TO THE COST OF SUCH IMPROVEMENTS AND AS TO THE FRONT FOOTAGE OF ABUTTING PROPERTY, THE AMOUNT ASSESSABLE AGAINST EACH LOT OR TRACT OF ABUTTING PROPERTY, AND THE OWNERS THEREOF; SAID ESTIMATE AND REPORT BEING FOR THE USE OF THE CITY IN MAKING ADVERTISEMENT OF THE PROPOSED ASSESSMENTS PROVIDING FOR HEARING BY THE CITY COUNCIL OF THE OWNERS OF ABUTTING PROPERTY, THEIR AGENTS AND REPRESENTATIVES, FIXING A TIME AND PLACE FOR SUCH HEARING, DIRECTING THE GIVING OF NOTICE OF SUCH HEARING AND PROVIDING FOR CERTAIN PROCEDURE; AND DECLARING AN EMERGENCY.

WHEREAS, on the 21st day of January, 1930, the City Council of the City of Crowell, Texas, ordered the improvement of that part of Houston Street extending from the South line of Marietta Street to the North line of Austin Street and that part of Commerce Street from the West line of Houston Street to the West line of Columbus Street, both situated in the City of Crowell, Texas, by paving same and the construction of curbs, gutters and other necessary appurtenances; and

WHEREAS, different parts of said portions of said streets have, for the purpose of said improvements been heretofore designated as separate districts as follows: District No. 1, Houston Street between the South line of Marietta and the North line of Donnell Streets; No. 2, Houston Street between the North line of Donnell and the North line of Commerce Streets;

electing of officers. The play is free. —Reporter.

GAMBLEVILLE 4-H CLUB

Miss Freeman met with the Gambleville 4-H Club girls at the home of Louise Pyle, Tuesday, February 23. The chief things learned at this meeting were hem-stitching and how to miter corners. Roll call

was answered by which productive work each girl intended to take. Every member intends to take poultry and with the exception of two all intend to take Rhode Island Reds. The other two are to use Plymouth Rocks and Buff Orpington.

The members expect to bake custards at the next meeting, which will be held at the home of Louise Pyle. —Reporter.

No. 3, Houston Street between the South line of Commerce and the North line of Austin Streets; No. 4, Commerce Street between the West property line of Houston and the West line of Denton Streets; No. 5, Commerce Street between the West line of Denton and the West line of Columbus Streets. And

WHEREAS, thereafter the Mayor of the City entered into a contract with Jordan-Hall Construction Company for the doing of the work of so improving said portions of said streets; and

WHEREAS, on the 18th day of February, 1930, by an ordinance duly passed and adopted by the City Council the said contract so made with Jordan-Hall Construction Company was adopted, approved and made the contract and act of the City; and

WHEREAS, thereafter at the instruction of the City Council the Mayor of the City entered into a supplemental contract with the said Jordan-Hall Construction Company which said supplemental contract was by an ordinance of the City Council of the City of Crowell, Texas, duly passed and adopted on the 18th day of February, 1930, adopted, approved and made in all things the act and contract of the City of Crowell, Texas; and

WHEREAS, at the time of considering the said supplemental contract the said Jordan-Hall Construction Company presented to the City Council its bond as provided for in the original contract above mentioned, which bond was accepted and approved by the City Council; and

WHEREAS, the said ordinance so passed and adopted on the 18th day of February, 1930, provides and makes full provision of the procedure toward the payment of the cost of said improvements and for the assessment of part of the cost thereof against the property abutting upon such portions of said streets and against the respective owners of such property; and

WHEREAS, the City Council has caused to be made an estimate of the cost of such improvements by Byron Reese, engineer for the city; and

WHEREAS, Byron Reese, the City Engineer, has in compliance with instructions and directions given him in the aforesaid ordinance, made and filed an estimate of the cost of such improvements and his report with the City as to the cost of said improvements, as to the ownership of the property abutting upon portions of streets so to be improved and the estimated proportional expenses of said improvements for which the owners of property abutting upon such improvements are, as estimated by him, liable, and which estimate of cost of said improvements, and report of said engineer so made and filed as aforesaid are as follows:

Total estimated cost of all said improvements \$58,175.10.

White Leghorn Eggs

CHURCHES

Christian Science Sunday, 11 A. M. Subject for Sunday, March 9th, 1930, "Man." Sunday School at 9:30. Wednesday evening service at 8:00. The public is cordially invited.

Baptist Church News

Some of our people were conspicuously absent last Sunday but we had a wonderful day. The Sunday School was off somewhat, so far as numbers go, but the quality of work done offset any lack at that point. The pastor preached Sunday morning, his theme was "Ownership." A message on Stewardship. At the evening hour he spoke on the parable of the sowers. He singing under the direction of Bro. E. B. McBurnett was fine. Bro. Wozencraft brought a special message in song at the evening hour and our male quartet sang "Jesus Paid It All." Our people were charmed with this quartet. It is made up of B. F. Ivie, high tenor; E. B. McBurnett, second tenor; E. C. King, high bass; and E. A. Dunnagan, low bass.

Our intermediates will sing a special next Sunday evening. They are some live bunch. Monday evening our men's banquet was the sensation of the week. There were some eighty in attendance and the Quarah male quartet tickled our ears and warmed our hearts with their fine singing. One of their number tickled the ivory to the delight of all. Many fine addresses were delivered. Never has Crowell witnessed a more enjoyable occasion.

Next Sunday: Sunday School at 9:45; preaching at 11 a. m. and 7:30 p. m.; B. Y. P. U.'s at 6:30. Come and welcome.

WOODIE W. SMITH.

The Christian Church welcomes all visitors and strangers to Church next Sunday morning. The members of this church try very hard to make all folks who come welcome. If you have not been in the habit of attending church every Sunday, pay us a visit. We will be mighty glad to see you.

We are enjoying right now one of the greatest periods of interest and enthusiasm that the church has had. The men are eager workers in the church, the women are doing things that they have not done in years for the church, the young people are not as active as they might be, the boys and girls of high school age are becoming enthusiastic Endeavors. The Juniors have organized an Endeavor Society. If we can just do something to interest the young people of the church a little more, the church will be succeeding in a big way.

People, it takes interest and enthusiasm to do anything, and it sure does take a lot of pep to put over a live church program. But I, for one, am certainly overjoyed at the way the membership of the church are doing their work. There are, of course, some who are not doing as much as they could, and I just want you to ask yourself this question, "Can the church succeed, if all of its members were like me?" if you are not doing your part, won't you please come and please help us?

Sunday School begins promptly at 9:45, please be on time next Sunday. Don't forget the contest. The class that makes the highest percentage of points wins the Front Rank Penant. Each individual can make a hundred if he tries. Sixty-five points for attendance, 20 points for reading at least one chapter in the Bible, and 15 points for an offering. Which class will be the winner next Sunday? Morning worship at 11 o'clock. Sermon theme, "Attitudes of Worship." Evening service at 7:30. Sermon theme, "Home and the Church." Next Sunday night will be Family Night. Come and bring the whole family. We want all members of the family to sit together. Christian Endeavor meets at 6:30.

We expect to have a visitor with us next Sunday. Mrs. Ament, the wife of a former pastor, will spend the day with us Sunday. I am sure the friends and members of the church will be glad to welcome Mrs. Ament. The Friendly Church invites you all.

JOHN G. CLARK.

At the Methodist Church On account of the bad weather, as the membership of the church was not present, we postponed the series of sermons on the Apostles' Creed which was announced in January. We shall begin at the 11 o'clock hour next Sunday on this series. We feel that it will be both interesting and profitable to the membership generally. Everybody who may be interested is cordially invited to hear us. This will be the subject at both hours Sundays until the series are completed. It is especially necessary to hear the first message. Be present next Sunday at 11 a. m.

Sunday School, promptly at 9:45 a. m.; preaching at 11 a. m. and 7:30 p. m. Hi-League at 6:45 p. m. Woman's Missionary Society meets Monday at 4 p. m.

Senior B. Y. P. U. The Popularity of the Bible. Introduction—Margaret Calvin. Conquest Over its Critics—Mrs. King. More popular than other sacred books—Carl Ivie. Bible supreme in popularity—Miss Shaw. Increasing popularity of the Bible—Ivan Wozencraft. Other evidences of popularity—Ludell Green. Basis of Bible's popularity—Frances Stewart. Everybody is invited to come to B. Y. P. U. and bring your friends with you. B. Y. P. U. begins at 6:30 p. m. Don't miss it.—Group Captain.

Has Built Him Up Amazingly Says Morris

Gained 11 Pounds by Taking Orgatone (Argotane) and all His Troubles Have Now Disappeared He Says

It is not what the manufacturer claims for it but the testimonies of the multiplied thousands who have benefited by it, that has made Orgatone (Argotane) the most famous medicine in the South today. R. E. Morris of 1219 South Fannin Avenue of Denison, Texas, a well known carpenter for the past twenty years in relating his experience with Orgatone (Argotane) said:

"For over ten years I have had an awful lot of trouble with my stomach. Everything disagreed with me and after meals I would get that puffed up bloated feeling. Rheumatism got to bothering me and my sleep was very poor. My system seemed to be all run-down. I was losing weight and strength and felt tired and worn out all the time. I was losing ground continuously and felt unless that I could get the right medicine my troubles soon could become serious." Genuine Argotane may be bought in Crowell at the Reeder Drug Store. (Adv.)

AVOID LATE HATCHING Late hatched or "hot weather" chicks are harder to raise and seem more susceptible to chick diseases. Early chicks get more attention and get into production quicker, which in the end means they start laying right at the time of the year when egg prices are high. Late hatched broilers usually fall on a glutted market and have to be sold at a discount. Late hatched pullets start laying when egg prices are on the decline. So it's mighty good to remember to order your baby chicks early.

KNOW TEXAS The first cement plant west of the Mississippi and the second in the United States was built at San Antonio, Texas now has nine such plants—two each at San Antonio, Houston and Dallas and one each at Fort Worth, El Paso and Waco. Production in 1929 was 3,45,604 barrels.

Of the \$7,000,000,000 to be spent on public works and by public utilities in 1930, according to Secretary of Commerce Lamont, \$180,000,000 will be spent in Texas.

Texas has 974,000 milk cows, which makes an increase of 11,000 over January 1, 1928. Of all kinds of cattle Texas had 5,667,000 head on January 1, 1930—almost one-tenth of the 57,967,000 in the entire United States.

American women use several tons of face powder each year, but statistics have not been compiled to show how much gun powder.

TEXON TALES (All About Polo)

It looks like the banking interests in Foard County want people to raise lots of feed this year. Well, we won't have any to spare here as we don't raise any at all and if you have too much up there why it looks like we gonna have lots of polo horses to feed here next winter so we can use all you got left over.

and found this country is too windy for good golf. Wind is a good thing in polo. Even a horse finds it that way. It just takes wind and we got it. A good way to defend polo is to compare it with golf. What good does golf do? The only thing that can be said in favor of the game is that it makes a demand for cowhides but cowhides can be used for lots besides golf shoes.

DRUGGISTS TO MEET

Snyder, Texas, March 6. (UP).—The 24th semi-annual convention of the West Texas Pharmaceutical Association will be held at Fort Worth on March 6 and 7, will be the largest attended in the history of the organization...

BRAINY QUARTERBACK IN SCIENTIFIC EXPEDITION

Fort Worth, Texas, March 6. (UP).—Howard Grubbs, star quarterback of last fall's Horned Frog football team, is playing another stellar role for T. C. U.

erns in New Mexico. The party will be engaged in this study until early in March. The expedition, under the direction of Dr. Frank E. Nicholson of New York university, is interested chiefly in gathering geological data.

MARGARET P. T. A.

The Margaret P. T. A. officers will be elected at the Margaret High School auditorium, Friday night, March 7.

CITY ORDINANCE

AN ORDINANCE DETERMINING THE NECESSITY OF LEVYING AN ASSESSMENT AGAINST PROPERTY ABUTTING UPON THAT PART OF COMMERCER STREET FROM THE WEST PROPERTY LINE OF HOUSTON STREET TO THE WEST PROPERTY LINE OF COLUMBUS STREET AND AGAINST PROPERTY ABUTTING UPON THAT PART OF HOUSTON STREET FROM THE SOUTH LINE OF MARIETTA STREET TO THE NORTH LINE OF AUSTIN STREET IN THE CITY OF CROWELL, TEXAS...

WHEREAS, on the 21st day of January, 1930, the City Council of the City of Crowell, Texas, ordered the improvement of that part of Houston Street extending from the South line of Marietta Street to the North line of Austin Street and that part of Commerce extending from the West line of Houston Street to the West line of Columbus Street...

WHEREAS, different parts of said portions of said streets have, for the purpose of said improvements been heretofore designated as separate districts as follows: District No. 1, Houston Street between the South line of Marietta and the North line of Donnell Streets; No. 2, Houston Street between the North line of Donnell and the North line of Commerce Streets;

Invitations Mailed to 10,000 Former Texas University Students

Austin, Texas, March 6.—Invitations have been sent to 10,000 former students of the University of Texas, urging them to attend the huge Texas Round-Up on April 11, 12, and 13. The celebration, sponsored by the State Ex-Students' Association, will be three-fold in nature...

For the first time, the ex-student reunion will be held at a time when the University is actually in operation, and it is believed by ex-student officials that the change in date from commencement-time in June to a date earlier in the spring will be welcomed by former students who wish to renew their ties with their alma mater and see the school functioning as an educational institution.

Baseball games between Baylor University and Texas will be the feature entertainment both Friday and Saturday afternoons, April 11 and 12. On Friday evening, the Round-Up ball and social pageant will be held, at which the beauties of the 1929-30 Cactus University yearbook, will be presented.

MAIL MEN TO MEET

Amarillo, Texas, March 6. (UP).—Three hundred clerks and rural mail carriers of 52 counties in the Texas Panhandle and West Texas will meet in Tahoka on Memorial Day, May 30, for the annual convention of the Rural Carriers and Postal Employees associations.

Search for Author of "I Love Marjorie"

Worth, March 6.—"I Love Marjorie" scratched into the cement walk at Texas Christian University in 1924, is calling for a heavy detective work on the reporter staff of "The T. C. U. student newspaper," an enterprising feature writer who scratched in the cement the walk was new and soiled. A search of the directory of T. C. U. for that year disclosed some girls named Marjorie. And it seems to be no clew as to just who loved one of the twenty. But a good reporter always gets his story," says The Skiff.

George Doty visited relatives on the Plains last week and part of this, returning Tuesday of this week.

The women of the Methodist Missionary Society had a covered dish luncheon at the home of Mrs. Roy Ricks Wednesday.

Game Wardens Use Unique Method to Catch Violaters

Headlighters, this is how a couple of them were caught. Good citizens had made an appeal for extra help. The Department sent two men into the section who were unknown to the law breakers. Pitching their tent two miles away they went to the house of the law breakers and asked if they might get drinking water for their camp for a few days while deer hunting. "That's all right, stranger," they were told, and then—"What luck are you having?" "None at all," was the reply.

The next day the two suspects came into camp and made further inquiry as to luck. "We've had several pretty good shots but missed." Then the suspects volunteered to go with the wardens. Up jumped a deer and the warden fired and missed. "What's the matter with you," one of the natives asked. "You don't seem to be looking down the gun

barrel right. Let me shoot the next one." He shot the next one and made fun of the green horns who couldn't shoot straight. The wardens admitted that they were poor shots and said they were ashamed of themselves. Then they asked the man what he would take for the deer. It's against the law to sell game and the man knew it, but that was his chief business in the hunting season, for no game warden had ever been able to catch him. "Well, it's a small one you can have it for ten dollars." They bought it. That night the suspects took the game wardens on a headlight hunt for deer. The next day five hunters from an adjoining pasture dropped into camp and told the wardens they had bought deer from the same two men.

The wardens then disclosed their identity and took the seven men to court, absolving the five from guilt in order to use them as witnesses. The two outlaws together paid around \$270.00 for fines and costs.

An outstanding achievement of the Department the past season was the breaking up of several gangs of head-

lighters in a certain district of southwest Texas. An unpardonable sin in this world—or any world to come—is the hunting of deer with headlights. Such a sinner has no rival unless it is the dynamiter of fish.

5,756 Students Enroll at Texas U. This Year

Austin, Texas, March 6.—At the beginning of the second semester at the University of Texas, a total of 421 new students registered, according to Auditor W. R. Long. This brings the total for the year to 5,756. Last year, a total of 399 new students registered for the second semester's work, making a total for the year of 5,834.

Many a man will smile when patted on the head, but after all probably that is his funny bone.

The average person spends one-fourth of his lifetime in bed due to illness.

ARGUE SUNDAY MOVIES

Ballinger, Texas, March 6. (UP).—Ministers of Runnels County apparently are waging a hopeless fight against Sunday moving picture shows. With three operating and one case pending in county court, a jury here recently acquitted W. D. Scales of the Palace theater. The case of J. H. Hodge of Winters is to be tried in May. J. Yates of Miles paid a fine recently for operating on Sunday, but has consented to run since county officials say.

ANALYZE THE ALLOWANCE ON YOUR USED CAR

If a dealer pays you more than the true worth of the car he must make up the difference by extra charges on the new car or re-sell it to some one else at too high a price

PERMANENT value is always better than a temporary bargain in the purchase of an automobile. It pays to look ahead and consider reliability and ultimate up-keep costs, as well as comfort, safety, speed, and beauty of line and color.

Since most automobiles are bought for replacement, the value set on your used car is a factor in almost every purchase. Frequently it is given an importance beyond its true worth.

Used cars have a definite market value and you are justly entitled to an allowance based on that value. It is not fair that you receive less. It is not to your best interests to receive more.

IF a dealer pays you more than the true worth of the car he must either re-sell it to some one else at too high a price or make up the difference on the new car. This he cannot do unless he is allowed an excessive profit on the car or on financing, extra equipment and other charges. In either case, you pay the bill, for no way has yet been found to give something for nothing. The money must come from somewhere.

You may not get the largest used-car allowance from the Ford dealer, but that very fact should give you confidence that you are receiving full value in the new car. *Ford charges are not marked up or increased to cover a high trade-in allowance on your old car.*

Because there is no waste, extravagance or undue profit in manufacturing, distribution or selling, every dollar you pay for a Ford brings a full dollar in return. In lower first cost, in reliability and long life, in the low cost of operation, service and replacement parts, the Ford will save you much more than the seeming difference in trade allowance.

FURTHERMORE, at least \$75 extra value is given to you in the new Ford in the Triplex shatter-proof glass windshield, the Rustless Steel, the five steel-spoke wheels, and the four Houdaille hydraulic double-acting shock absorbers. The unusually large number of ball and roller bearings, and the extensive use of fine steel forgings instead of castings or stampings, are other features that show the extra quality built into the Ford car.

CHANGING OUR INTERIOR

For a short while our millinery and ready-to-wear department will be located in the Ringgold Building. All of the other goods that we handle may be purchased at our regular location as usual.

In order to make our store convenient for our customers, we are removing the upstairs deck in our store and changing its arrangement in general. From now on the millinery and ready-to-wear department will be located on the ground floor.

R. B. EDWARDS CO.

SOCIETY

MRS. GEO. D. SELF HONORS
MRS. R. C. CAMPBELL

A unique and lovely Rummy party was held last Thursday at the home of Mrs. George Self honoring Mrs. R. C. Campbell of Pampa.

As the guests were received they were presented with unique tally cards which represented passports to different countries. At the end of each game the guests progressed to the next "country" represented on their "passport," and played with different nationalities at each table.

Lovely refreshments carrying out the national colors of each country were served at the representative tables to the following: Mesdames H. E. Ferguson, C. P. Sandifer, Sam Crews, Clyde McKown, Oscar Boman, A. Y. Beverly, Sam Bell, Russell Beverly, M. S. Henry, Joe Johnson, John Ray, J. H. Lanier, Sr., J. E. Harwell, Baxter Johnson and the

honoree. After the refreshments the guests bid farewell to their delightful hostess, Mrs. Self, and left the various foreign countries for their homes.

BIRTHDAY PARTY

Last Friday afternoon, Mary Lou Fudge entertained several of her friends at the home of her aunt, Mrs. W. H. Pate, with a party celebrating her tenth birthday.

Games were played and a good time was had and refreshments consisting of sandwiches, ice cream and cake and candy were served. Then the hostess and her guests went to the Rialto theatre and enjoyed the picture show, Florene Miller, Bettie Virginia Milam, Mary Elizabeth Hughston and Dorothy Pauline McKown were the guests.

THEATRE PARTY

Mrs. Paul Shirley was hostess at a theatre party in Quanah Saturday afternoon, honoring Mrs. R. C. Campbell of Pampa. Carnations were given to each guest as favors.

During the show home-made candy was served and following it the

group adjourned to a drug store where refreshments were served. Those in the party were: Mesdames R. C. Campbell, Paul Shirley, Joe Johnson, George Self, Clyde McKown, Russell Beverly, Baxter Johnson, A. Y. Beverly and Dorothy Pauline McKown and Frances Henry Johnson.

CO-LABORERS CLASS

Members of the Co-Laborers class of the Methodist Sunday School were entertained at the home of Mrs. Grover Cole, February 27, with Mesdames D. R. Magee and C. Davis joint hostesses. The house was called to order by the president, Mrs. W. H. Bell.

Mrs. Fay Beideman was leader on the lesson on Thesalonians. Mrs. W. H. Bell resigned from the office of president and in the following election Mrs. Elmo Sparks was elected to that place. Mrs. Hubert Brown was also elected vice-president, and Mrs. Allen Sanders as substitute teacher.

Our next meeting will be a silver tea with Mesdames Hughston and Swain and Miss Dine Mitchell as hostesses.

During the social hour refreshments were served to 17 members and two guests, Mrs. Ab Dunn and Mrs. Loney Burks.—Reporter.

THALIA BAPTIST W. M. S.

The Thalia Baptist W. M. S. met Monday, February 24. The devotional was led by Mrs. Capps, after which a mission program was rendered, and enjoyed by all present.

On Tuesday, February 25, the Workers Conference at Odell was attended by the following members of the church and W. M. S.: C. J. Fox and wife, S. A. Neill and wife, Mesdames W. S. Tarver, E. V. Cato, W. A. Reed, Capps, T. M. Haney, Cap Wheeler, Cap Adkins. All enjoyed the day very much.

On March 3, the W. M. S. met with Mrs. W. A. Reed as devotional leader and Mrs. Cap Adkins as Bible leader for the afternoon. In addition to our Bible lesson, a short program was rendered in connection with our program which will be rendered Wednesday observing our week of prayer.—Reporter.

SWASTIKA CLUB

Mrs. Pete Bell was hostess at the meeting of the Swastika Club last Thursday. Games of bridge were played at three tables by members and guests. The guests were Mrs. Sydney Miller, Miss Lottie Russell, Mrs. William Bell and Mrs. Jimmy Doolen.

Mrs. Lawrence Kinsey won high score with Mrs. M. O'Connell winning second. Each were presented with nice gifts. Following the games delightful refreshments were served.—Reporter.

WORLEY-BURLESON

Shelby Worley and Miss Edna Burleson of Rochester, Texas, were married Wednesday night by Rev. E. J. Osborn at the Methodist parsonage. They were accompanied at the marriage by M. R. Wyatt of this city.

Margaret Boys Defeat Medicine Mound Thurs.

The Margaret senior boys defeated Medicine Mound at the local gymnasium Thursday night by the score of 37 to 30 in a basketball game. The game was a very fast one and was interesting from the start to finish.

Margaret was in the lead for most of the game but were closely followed by Medicine Mound throughout the game. Walter Hysinger of Margaret was the outstanding star of the game.

Medicine Mound won the championship of Hardeman County for Class B schools. The Margaret boys have made an excellent record during the year, winning a majority of the games that they played.

Every third person uses the telephone at least once a day. This includes the people who use it all day.

Mrs. Bailey Makes Butter Pay Grocery Bills and Expenses

"The cow and chicken route is the only safe one for farmers to take," Mrs. J. F. Bailey stated at the News office Saturday while securing another supply of printed butter wrappers.

"Four jersey cows pay all of our grocery bills and also keep up a lot of other odds and ends as well as furnishing all the milk and butter that we use ourselves and we average using three pounds of butter or over each week," she said.

Mrs. Bailey stated that she had sold over 250 pounds of butter since the second week in December. The butter is churned from cream that is separated by a cream separator. Before the cream separator was secured, Mrs. Bailey said that she was getting about 12 pounds of butter per week and after she got it, this amount was increased to 30 pounds per week.

"I have found that a nice wrapper goes a long way in helping to make the butter business a success. I am proud to have my name showing up in nicely printed letters on the wrapper of every pound of butter that I have so carefully prepared and it also gives the purchaser confidence in my product to have the statement, 'Every Pound Guaranteed,' on the wrappers. I find that the wrapper does almost as much to sell the butter as the butter itself and I don't see why anyone will put a poor wrapper on a real good pound of butter," Mrs. Bailey said.

Plenty of home grown feed is essential to poultry and dairy success, according to Mrs. Bailey. "We still have large stacks of hegar feed left and it is certainly a relief not to have to buy our feed. We have about eighty Rhode Island hens and the feed they secure from these stacks sure must be perfect for they couldn't lay much better, as we receive 60 and 70 eggs every day and the chickens are about the fattest things you ever saw," Mrs. Bailey said.

The Balyie family, lived on the M. L. Hughston farm, located about five miles east of Crowell.

Planning to Raise Chickens? Then Look At the Poultry Ads

Better facilities are offered the people of Foard County to get started in the poultry industry, or to increase their present poultry interests, this year than ever before. One has but to look over the ads in this paper, both in display spaces and the classified column, to find excellent poultry bargains.

One also has the opportunity of choosing from a wide variety of breeds of chickens, some of these being Buff Leghorns, Anconas, Rhode Island Reds, Light Brahmans, Buff Orpingtons, Brown Leghorns, all kinds of White Leghorns, and Barred Rocks.

Why not get into the poultry business if you are not already in it? Foard County is an ideal poultry country. Adapted climate, freedom from disease, ideal conditions for raising our own feed are factors which should make Foard a leading poultry county. While these are natural conditions, hatcheries are in convenient locations and there is a splendid local supply of setting eggs and chicks. Just read the ads, and then get into the poultry business.

DISTRIBUTION MAJOR ITEM IN THE COST TOTAL

Sixty percent of the total capital investment in the electric industry is in the equipment necessary to deliver current from the power house to the customer's door. Cost of operating and maintaining the lines, meter reading, collecting, bookkeeping and other items of operating cost chargeable to distribution are additional to capital investment charge.

R. B. Edwards Co. Improving Its Store

Within a short time the interior improvements of the R. B. Edwards Co. dry goods store will be completed and the store will have a more convenient arrangement. The upstairs deck for the ready-to-wear and millinery department is being removed and from now on these departments will be located on the ground floor.

The location of the office is to be changed and other arrangements are being made. For a short time the millinery and ready-to-wear departments of the store will be located in the Ringgold building while the other goods of the store will still be sold from the original location.

Wind is the great enemy of vegetation in Iceland.

An Italian priest put the fatal question to a bridegroom and the groom shouted "No." He accused the father of withholding her dowry.

LADIES

SPLINTERS

Published in the interest of the people of Crowell and vicinity by the Cicero Smith Lumber Co. R. J. ROBERTS, Manager.

NOT APPLESAUCE

If Methuselah had ever used BPS Paints he would have had something to brag about, but he didn't and we can't imagine anyone bragging that long about anything else.

Business is good with us because we are up and coming to meet the needs of our customers. A. B. Wisdom was a glass cloth customer this week. Glass cloth is very beneficial in getting baby chicks started off right.

You can have a garden and a good one too if you use Gator Hide mulch paper. Mulch paper keeps the ground moist and keeps the weeds from growing. Come in and let us tell you about mulch paper and its many uses.

It's a pleasure to serve you. Call on us and you will be pleased 100 per cent.

CICERO SMITH LUMBER CO.
