CROWELL AND MUNDAY PLAY HERE FRIDAY

EXCELLENT GAME EXPECTED WITH TEAM THAT DEFEATED WILDCATS 6-0 AT MUNDAY EARLY IN SEASON

A good game and a crowd is expected to attend the football game that is to be played between the Crowell Wildcats and the Munday Moguls at the local ball park here Friday afternoon, Nov. 21, at 3:30 o'clock.

Early this season Munday handed Crowell its first defeat by winning 6 to 0 in a game at Munday. In the game played here last season between the two teams, a scoreless tie resulted and in the return game at Munday, Crowell lost by one touch-down. The Wildcats are out for revenge in the game Friday and expect to win in spite of sickness suffered by several members of the local squad.

J. M. Crowell, end, has been ill this week and may not be able to enter the contest. George Fox, half-back, and Hoot Gibson, guard, will be unable to enter the game as the result of leg injuries suffered in the Vernon game. William Ricks and Dan Hines Clark are recovering from injuries and will likely be ready to enter the game.

Munday is reputed as having one of the best backfield men in this section of the state in Paul Pruitt, unusually speedy quarterback. He is captain of the Munday team and is playing his fourth year for Munday High School. Grady Graves, coach of the Wildcats, states that Pruitt is as good a backfield man as his team has met this season, not excepting the backfield ace on Vernon's team.

With Guy Todd of Crowell in the game also, football fans may expect to see two of the flashiest backfield men in this part of the state match their skill in both ball carrying and ability in directing their teams plays, since both are quarterbacks.

Todd has scored a total of 140 points this season, while the Crowell team has scored 295 points to opponents 32.

It is hoped that a good crowd will turn out for the game and in spite of the fact that this contest promises to be one of the best of the season, the price of admission will be only twenty cents and thirty-five cents.

The athletic fund of the high school is in need of financial aid and football fans not only have the opportunity of enjoying a good game but at the same time can in a small way aid in providing funds for this cause by attending the game Friday.

Thalia Wins Second Big Ten Ball Game

The Thalia town team won its second victory in two starts in the Big Ten basketball league by defeating Davidson, Okla., 26 to 11 in a game at Davidson last Thursday night.

In a basketball program at the Thalia gymnasium last Friday night, the Thalia senior boys defeated the Five-in-One senior boys 33 to 2. In four games played by these teams, Thalia has won three and Five-in-One one.

The Five-in-One girls defeated the Thalia girls 16 to 14 during the same program and the Thalia boys second team defeated the Five-in-One second team 9 to 7.

At Odell Tuesday afternoon Thalia High School boys defeated the Odell boys 31 to 14. The Odell second team defeated the Thalia second stringers 8 to 7.

ATTEND SHRINE CEREMONIAL

Those known by The News to have attended the fall Shrine ceremonial at Wichita Falls this week from Crowell are: W. A. Dunn, B. W. Self, Geo. Hinds, Sam Russell, J. W. Bell, J. E. Atcheson, Grady Magee, George Self, George Allison, W. B. Johnson, Que Miller, T. N. Bell, Sam Seales, E. Swaim, T. P. Reeder, and Groer Phillips, A. B. Wisdom and T. M. Haney attended from Thalia.

Alfalfa on John Matus Farm Makes Good Yield

Three years ago, John Matus of the Thalia community put in six acres of alfalfa and has had splendid results from his experiment. With-out the aid of irrigation he secured over five hundred bales the first year, around six hundred the second year and this year he has secured 418 bales in spite of the dry weather.

The alfalfa is on rather sandy land. The land was broken early three years ago and seeded to oats which were harvested and the land was disced and seeded to alfalfa in October.

The average yield for the three year period has been around three tons per acre.

Demonstration of Meat Canning to Be Held at Callaway Farm Mon.

On Monday, Nov. 24, three will be a meat canning demonstration at the home of Claude Callaway in the Foard City community. The demonstration will be conducted by Miss Zetta McInnis, home industry specialist from the extension department of A. and M. College.

The ways of preparing different varieties of beef and chicken for canning will be demonstrated.

Each home demonstration club is asked to send two representatives to the demonstration, according to Miss Dosca Hale, home demonstration agent. Each representative should bring a notebook and pencil and get all the information possible to carry to the club members. Miss Hale stated.

The demonstration will last most of the day so each club member will need to bring lunch along.

FARMERS ASKED TO MAKE EARLY TERRACE PLANS

LARGE TERRACING PROGRAM IN PROSPECT; COUNTY AGENT RENNELS ASKS FARMERS TO ARRANGE PLANS NOW

As has been the case for the past few years Foard County will again have a large terracing program and for that reason Fred Rennels, county agent, is requesting all those who are planning to have this work done to make their plans for it as early as possible.

He pointed out that many who cannot run terraces at the present time can at least have the terrace lines marked off. While in the midst of the terracing season, the services of the county agent are in such demand that many are delayed in getting their terracing work started and this can be avoided to some extent by making arrangements with Mr. Rennels now.

"Good News" at Rialto Friday and Saturday

"Good News," a Metro-Goldwyn-talkie, featuring Bessie Love, Cliff Edwards, Gus Shy and Lola Lane, will be shown at the Rialto Friday and Saturday. This late release will be shown instead of "In Gay Madrid" as was announced last week. The other features, a comedy and a cartoon novelty will also be shown Friday and Saturday.

"Those Three French Girls," with Fifi Dorsay, will be shown Monday and Tuesday and "The Unholy Three" Lon Chaney's last picture will be shown next Wednesday at midnight, Thursday, Friday and Saturday.

P. E. RANDOLPH DIED AT HOME HERE MONDAY

FUNERAL SERVICES FOR FOARD COUNTY RESIDENT SINCE 1910 HELD AT THE BAPTIST CHURCH WEDNESDAY

P. E. Randolph, 52, died Monday afternoon at his home in Crowell at about three o'clock following ill health for the past few years and serious illness for the greater part of the past year. His condition became dangerous last Tuesday.

Mr. Randolph, who was known over Foard County as Pink Randolph, had been a resident of Foard County since 1910, coming here at that time from Ellis County. Upon his arrival here he settled on Dr. J. M. Hill's farm, four miles south of Crowell, and lived there a few years, on Nov. 26, 1911, he married Mrs. Florence Galleher in Crowell.

For thirteen years they lived on D. J. Brookerson's place, one mile south of Crowell and for the past two years they lived on a farm, about three miles east of Crowell. They moved to their home in Crowell early in October of this year.

Mr. Randolph was born in Lawrence County, Alabama, on February 7, 1878. He moved to Texas in 1900, settling in Ellis County and in 1910 he moved to Foard County. In 1927 he became ill with the flu and had since been in bad health. For the greater part of the past six months he had been confined to his bed.

He is survived by one son, A. Q. Randolph, 18, who was not located following the death, and one stepson, Arlie Galleher, who lives in El Paso. He is also survived by three brothers and two sisters, none of whom live in Foard County.

Funeral services were held Wednesday afternoon at three o'clock at the Baptist Church with Rev. Woodie W. Smith officiating and with Duke Wallace in charge of the music.

Pal bearers were: Floyd McGregor, Cullen Randolph, Henry Randolph, Huey Simmons, all of Knox County, and Beauford Randolph of Foard City, all cousins of the deceased.

Flower girls were: Misses Marie Randolph, Maye Randolph, Mildred Donaldson and Virgie Donaldson. Interment was made in the Crowell Cemetery.

Mrs. Woodie W. Smith and Duke Wallace formed a duet at the church services in singing one of Mr. Randolph's favorite songs, "Death is Only a Dream."

Mr. Randolph was converted to Christianity last April during a visit to his home by Rev. and Mrs. Smith. In May he was received as a candidate for baptism in the Baptist Church, however, his condition prevented this event from taking place.

Mr. Randolph was a friend to every one and all who knew him regarded him as a sincere friend. His faith in Christianity was shown a short time before his death when he stated that he knew that his condition was beyond the aid of doctors, at which time he expressed appreciation for what they had done for him, and that he would gladly leave his fate in the hands of the Lord.

Crowell and Megargel to Play Thanksgiving Game Here Next Week

One of the features for Thanksgiving Day in Crowell next Thursday will be the football game to be played between the Crowell Wildcats and Megargel High School.

Megargel has one of the strongest football teams in their Class B conference and a good game should be expected. This game will end the football season and will offer fans their last opportunity to see the Crowell Wildcats in action.

Among the high school stars who graduate this year and who will be playing their last game for Crowell High School are: Captain Recie Womack, Guy Todd, Ralph Burrow, Ragsdale Lanier, Crews Cooper, John Todd. Local football fans should turn out in large numbers to pay tribute to these boys who have done so much for Crowell High School football.

Wichita Falls' Leading Citizen Is Laid to Rest

Joseph A. Kemp, capitalist and philanthropist of Wichita Falls, died Sunday in a hospital at Austin. Mr. Kemp was one of the most widely known men in the entire Southwest and his passing is a distinct loss to this section. Few men, anywhere, have done so much for their city and section as Mr. Kemp. He was personally known by a number of Crowell and Foard County people.

All activity in Wichita Falls came to a standstill Wednesday afternoon when thousands of people there paid tribute to the memory of their leading citizen. Following private services at the family residence the body was taken to the Memorial Auditorium where final services were held with Dr. N. E. Grafton, pastor of Floral Heights Presbyterian Church of Wichita Falls, officiating.

Returns from Sister's Funeral, Cullman, Ala.

Mack Cates returned Saturday from Cullman, Ala., where he attended the funeral of his sister, Mrs. Josephine Howell, who died November 10, and whose funeral services were held on the following day, Tuesday.

Mr. Cates left here upon receiving word that his sister was seriously ill, however, she died before he reached her. She was 64 years of age and had been ill for only a short time. She is survived by four daughters and two sons. The two sons, Hubert and Lewis, are well known to a number of Foard County people, having lived here for a while. T. J. Cates of this city is also a brother to the deceased.

C.H.S. Boys Win First Basketball Game of Year Over Five-in-One

Without any previous practice Crowell High School's basketball team won its first game of the season Tuesday night over the Five-in-One High School by the score of 31 to 13 in a game at the new Five-in-One gymnasium.

Late arrangements were made for the contest and Coach Grady Graves banded together a group of the high school basketball stars of last season and a few other prospects for this year's team and made the trip to the new Wilbarger County school.

The Wildcats were somewhat slow in starting but when once their machine started clicking, they were not to be stopped and the first quarter ended with Crowell leading 10 to 0. The half ended 20 to 2.

For the only time during the game, Five-in-One outplayed Crowell in the third quarter and scored 8 points to Crowell's 3 making this period end 23 to 11 in favor of Crowell. Two Crowell substitutions were made at the half, but were replaced in the last quarter, and Five-in-One was held to only one field goal in this period while the Wildcats chalked up 8 points and the game ended 31 to 13.

All of Crowell's first team were football boys and right in the midst of the football season it was surprising to see the wonderful basketball form shown by the Wildcats. The boys showed the same style of teamwork that gave them second place in the district contest last season.

Bill Middleton ran wild in the first half while his playing was sensational throughout the game, the victory came as a result of the combined star playing of all members of the team.

Carzine was the outstanding player for Five-in-One.

The Line-Up	
CROWELL	FIVE-IN-ONE
Middleton	Abston
Lanier	F
Burrow	F
G. Todd	C
J. Todd	G
	G
	Cobb
	G

Substitutions: Crowell—D. Todd for Lanier; Carter for Burrow; Lanier for D. Todd; Burrow for Carter.

Five-in-One—Carzine for Whitten; Whitten for Abston; Abston for Presley.

The Five-in-One school has an unusually fine gymnasium.

SMALL RAIN

Rain at Crowell, amounting to three-fourths of an inch, has fallen during the past week. Most of the rain came last Saturday and a small amount came Wednesday. Small rains have fallen over the entire county during the week.

REV. OSBORN RETURNED TO LOCAL CHURCH

OTHER FOARD COUNTY METHODIST PASTORS REMAIN THE SAME; REV. R. A. STEWART PRESIDING ELDER

Members of the Methodist Church and his many friends here were delighted to learn of the action taken at the Methodist Conference of the Northwest Texas Conference in returning Rev. B. J. Osborn as pastor of the local Methodist Church.

Rev. R. A. Stewart, former Crowell pastor, was appointed presiding elder of the Vernon district. Rev. J. O. Haymes, the presiding elder for the past three years, goes to the first church at Lubbock as pastor.

Rev. A. O. Hood was returned as the Margaret-Thalia pastor as was R. O. Browder for Truscott and Foard City.

Rev. W. R. McCarter, recent Crowell pastor, remains at Rails, and Rev. J. W. Mayhew, the pastor here just before Rev. McCarter, goes from Munday to Estelline.

FARM BOARD CATTLE MEN VISIT FOARD

REPRESENTATIVES OF NATIONAL FINANCE CREDIT CORPORATION CONFER WITH FOARD FARMERS AND STOCKMEN

A. A. Wright and George W. Barnes of Fort Worth, representatives of National Finance Credit Corporation, the Farm Board's cattle marketing organization, made a visit to Foard County Monday. While here Mr. Barnes spoke to a number of interested stockmen and farmers in the office of the county agent, Fred Rennels.

Mr. Barnes explained the set-up of the cattle financing organization. He stated that any good substantial farmer or stock man, who can make a fair financial statement can secure money with which to purchase feeder cattle and sheep. If a farmer has plenty of feed and has a little experience in feeding, in some instances they will advance one hundred per cent of the loan. Barnes stressed the importance of good quality cattle. He also told of the importance of "creep" feeding calves while they are on the range with their dams, stating that two or three pounds of grain sorghum, oats or other good feed, where the calves can have access to it, would be one of the best possible ways of making money on feed and insures an early development of the calf and a top price.

Mr. Wright and Mr. Barnes looked over the county to quite an extent. They were well pleased with conditions and took occasion to mention the fact that this county should develop into an exceptionally good feeding place.

FIELD EDITOR HERE

Miss Peggy Morris of Dallas, Woman's field editor for "Farm and Ranch," was a visitor here Monday. While here she was taken to various points in Foard County by Miss Dosca Hale, home demonstration agent, for the purpose of gathering material for publication in Farm and Ranch.

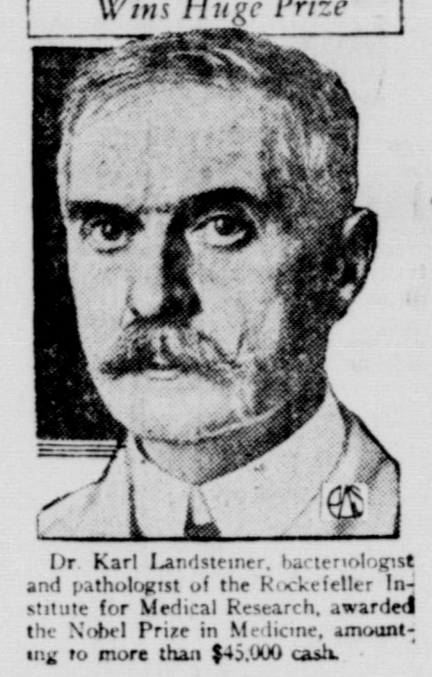

T. B. Richmond returned Thursday from a business trip to Dallas.

W. B. Jones Believes in Terracing Land Early

W. B. Jones of the Beaver community has been running terrace lines on his farm this week. Mr. Jones thinks that by getting his terraces up early and getting his land prepared on time, he will get the advantage of any early rains that may come.

The Jones farm has been partly terraced for a number of years and Mr. Jones is sure that it has paid him well. He has grown both wheat and row crops on his terraced and both yielded more on terraced land than on the land that was not terraced.

Dr. Karl Landsteiner, bacteriologist and pathologist of the Rockefeller Institute for Medical Research, awarded the Nobel Prize in Medicine, amounting to more than \$45,000 cash.

Guy Crews Breaks Jinx to Win First in Guessing Contest

At last it has happened and the writer's choice has actually won first in the contest on predicting football scores. Guy Crews won the contest last week and is the only one whom this column has picked to win that has actually done so in the two seasons that the contest has existed. William Cates won second; Billy Banister of Thalia, winner of the previous week; third, Fred Kimsley, fourth, and Oscar Boman, fifth.

Crews wins the box of "Super-X" ammunition, offered by Lanier Hardware Company, and Fred Kimsley of Kimsley Grocery wins the can of pork and beans offered by Hied Haney of Haney-Razor Grocery to the winner of fourth place, Haney's position in the previous contest.

In being the only person to predict a victory for S. M. U. over the Navy, Crews scored a clean-cut victory. He was also one of two to predict Texas to beat T. C. U. He was wrong in only one case in predicting A. and M. to beat Rice. The S. M. U.-Navy game was the only one in which Cates missed guessing the winner.

Crews not only won first place but also guessed the actual score of the Texas-T. C. U. contest, 7 to 0. No other actual scores were guessed. The actual scores of the games and Crews' predictions, with the winning teams and actual scores coming first follow: Texas-T. C. U., 7-0; S. M. U.-Navy, 20-7; 13-6; Rice-A. & M., 7-0, 0-20; Baylor-Arkansas, 22-7, 26-0; Yale-Princeton, 10-7, 19-7. The T. C. U. loss last week was the first suffered by that team in two years.

As a result of his victory Crews will guess again this week. Thus far no guesser has yet won twice in succession and now that one jinx has been broken it is likely that this one will be also. Those guessing this week are: Guy Crews, 1; Fred Rennels, 2; Robert Oswald of Texas Tech, 3; George D. Self, 4, and (Continued on Page Four)

PRESENTING

THE NEW CHEVROLET SIX

Today the Chevrolet Motor Company presents the Bigger and Better Chevrolet Six, a new model of the six-cylinder car which has enjoyed such wide popularity.

In both the chassis and body of this new six-cylinder Chevrolet you will find expressed, as never before, Chevrolet's well-known policy of progress through constant improvement.

For—without departing from the basic features which have won the enthusiastic approval of over 2,000,000 buyers—Chevrolet has produced a six-cylinder car which represents an entirely new standard of quality, value and refinement in the low-price field.

Your first impression of the new Chevrolet will be one of striking fleetness, grace and beauty. The car is longer, lower and modernly smart. The radiator has been deepened and its appearance enhanced by a curving tie-bar and chrome-plated parabolic headlamps. The long

hood lines sweep back unbroken to blend gracefully into the new Fisher bodies. And never was Fisher's fine craftsmanship more evident than in the bodies of the new Chevrolet Six!

Not only are the smart, graceful, new bodies roomier and more comfortable, but as you study them you will discover many gratifying new features and pleasing refinements—many examples of that painstaking attention to detail which is the basis of true quality.

Mechanically, too, the new Chevrolet Six is a better automobile. The wheelbase is longer. The frame is stronger. The steering is easier. The clutch is more durable. There is a smoother, quieter, easier shifting transmission. In fact, wherever finer materials and more advanced design could add to Chevrolet quality or increase Chevrolet's traditional economy of ownership—improvement has been made. See the new Chevrolet Six—and you will agree that here is the Great American Value!

» » AT NEW LOW PRICES « «

Chevrolet has long been one of the lowest priced cars in the world. Yet due to the savings of volume production and increased manufacturing efficiency, the Bigger and

Better Chevrolet is offered at new low prices. Come in today. See and drive the new Chevrolet Six. Learn the new economy of owning a modern, fine quality, six-cylinder automobile.

Stomach Trouble and Headaches Are Banished When New Medicine is Put to Test

"Konjola did wonders for me," said Mrs. Avey Keswski, Box 205 A, Route No. 1, Galveston. "For several years I suffered dreadfully with stomach trouble. I had a severe and sickening headache almost constantly. Gas accumulated in my stomach after every meal and I had the cramping pains of indigestion. My nerves were so weak that I could not

MRS. AVERY KESWSKI

rest or sleep well at night. "I am now on my fourth bottle of Konjola and I feel better than I have in five years. Pains and headaches have been banished and I have not had an attack of indigestion since I began taking Konjola. My nerves have quieted and I enjoy sound, restful sleep at night. My entire system has taken on new life and I will always praise Konjola for the good it did me."

Taken regularly after meals over a six or eight week period, this master medicine for ailments of the stomach, liver, kidneys and bowels, and rheumatism, neuritis and nervousness has done as much for thousands as it did for Mrs. Keswski.

Konjola is sold in Crowell, Texas, at Ferguson Bros. drug store, and by all the best druggists in all towns throughout this entire section.

A special grading, Connecticut native fancy, has been established by the state department of agriculture for turkeys approved by inspectors.

THANKSGIVING

Once more the people of the United States have been called upon by their President to observe the last Thursday in November as a day on which to give thanks for the manifold blessings which we have been vouchsafed.

Thanksgiving is one of the few days which is celebrated as a holiday in every part of the United States. Of New England origin, dating back to the days of the Plymouth Colony, more than 300 years ago, its appropriateness has appealed to all America.

For we of this country have been more abundantly blessed than have been the people of any other nation in the world. We may grumble at "hard times" and point to inequalities as between man and man, and think we are pretty badly off, but we must remember that by comparison with any other part of the world we are exceedingly well off, that the inequalities which divide our people into the successful and unsuccessful are far less marked than the inequalities which exist elsewhere between the upper and the lower classes.

The Pilgrim Fathers gave thanks to God on Thanksgiving Day for material blessings with which their physical condition had been ameliorated. We are all too prone today to take all the credit for material progress to ourselves. Few today rely upon Divine Providence to take care of them in spite of the express promise:

"Seek ye first the Kingdom of God and His righteousness and all these things shall be added unto you."

Our faith is less simple than that of our forebears. We do not look for direct and instantaneous answer to prayer. But down deep in our hearts we, as a people, still believe that somehow, if each does his individual best to live up to the spirit of religion, he will not suffer for lack of food and shelter and the normal comforts of life.

"I have been young, and now I am old; yet have I not seen the righteous forsaken, nor his seed begging bread."

This particular Thanksgiving Day of 1930 seems to us to be one upon which the religious origin of the occasion should be kept in mind. We have been through a hard year. We are still not "out of the woods" so far as material prosperity is concerned. But we have lost nothing which counts if we have not lost the faith in ourselves, in our neighbors, in our Nation and its ultimate high destiny, which all of our history justifies. So long as we hold to that faith and continue to believe that something higher than human power is still guiding us, we have every cause to be thankful.

WILL DO MORE GOOD

The best "Buy at Home" editorials ever written, are the advertisements of live merchants in their own home papers, and as long as business men of the small cities and towns continue

to patronize their own paper they will not have to worry seriously about the competition of catalog houses. It's when the merchants stop advertising that the catalog houses get in their effective work.

A good example as to how the plan of the mail order houses works, is to be seen in the activities at the first of each year. New catalogs are scattered over the country and mid-winter sales are conducted to get what cash may have been left over from Christmas. Usually the mail order houses beat the merchants to the January Clearance sales. Then again in April the catalog houses stage a spring sale, this being a mid-season time when the merchants are not advertising heavily. Again in July the merchants are advertising light in most places and again the mail order fellows get in their work. During the fall most catalog houses go easy on advertising. The local merchants are going after holiday business with a vengeance at that time of the year and the mail order houses know that it would be a waste of money to try and combat that kind of competition. However, as soon as the Christmas drive is over, the catalog house again comes out in the open, because it knows the merchant intends to rest from advertising for awhile.

If merchants could only learn to advertise steadily, even though they have to cut down the size of their space some times and if they would constantly keep their names before the people of their community, they would give the mail order house real competition and would do more good than all the "Buy at Home" editorials that might be written.—The N. E. A. Bulletin.

KEEP UP THE GOOD WORK

The Red Cross is making its annual appeal for funds. In a few days the Christmas Seals of the Association for the Prevention of Tuberculosis will be offered everywhere.

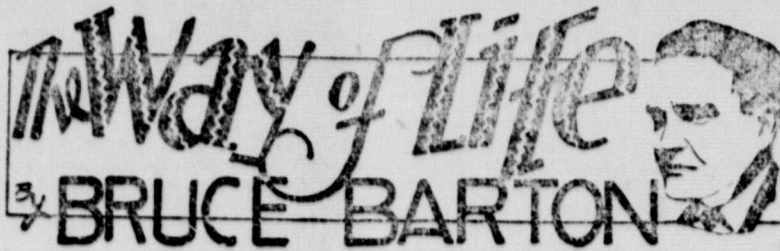

These are two noble causes, to which everybody ought to contribute. The work of the Red Cross is continuous. Wherever there is life to be saved, homeless to be sheltered, victims of catastrophe to be re clothed, fed and started out anew in life, the Red Cross is the first agency in the field and the one which does the most good. By virtue of his office, the President of the United States, whoever he may be, is also president of the Red Cross. It is, in effect, an unofficial arm of the Federal government.

The recent drought gave the Red Cross an opportunity for service. So did the Mississippi flood a couple of years ago, the hurricane disaster in Florida, Porto Rico and Santo Domingo. And hundreds of minor disasters, constantly occurring, keep this organization busy. It has no money except what the public gives.

The work of the Tuberculosis organization is of almost equal importance. Tuberculosis is diminishing, but only because of the constant watchfulness and educational work of the devoted men and women who are giving their lives to that work. Buying Christmas seals for a cent apiece is an easy and practical way for everybody to help.

HE DIDN'T

"George Washington never told a lie for the following good reasons: "He had no income-tax blank to fill out. "He was elected president without making campaign speeches.

GOOD MORNING DOCTOR

NE day when I was working at my first job and was—needless to say—hard up, I developed a severe pain.

A stranger in New York, I had read in the newspapers the name of a diagnostician who was internationally famous. I went to his office, which was in his beautiful home, at eight o'clock in the morning. The waiting room was already full. There was a rich man who tugged impatiently at his watch. There was a haughty woman. And there were also half a dozen shabbily dressed folk, including a poor mother with a very sick baby.

Without favoritism, each was ushered into the consultation room in the order of his arrival.

Presently my turn came. I said to the doctor: "I can not afford to consult you, but my health is my entire business capital. Therefore, I feel that I simply must come to headquarters."

He gave me a careful examination, wrote a prescription, and told me that I would be all right again in few days.

I pulled out my pocket book, which contained two weeks' salary.

"How much are you earning?" he asked. I told him \$25 a week.

"Well, if you'll promise not to tell anybody," he answered, "I'll charge you five dollars."

In the intervening years I have become the father of three children, and my salary has been raised a couple of times. I have had occasion to employ several physicians and three different surgeons. Some of the bills have amounted to hundreds of dollars. But I have never received a bill that seemed to me unreasonable or even adequate, considering the importance of the service rendered.

I have known several doctors who married rich wives, and some who made money in real estate or the stock market. I have met a number who gained modest fortunes from their practice, but none who became really rich.

And the amount of free work by even the biggest men in the profession has always been a marvel to me.

As an advertising man and a former sales manager, I feel that the health business is still too much an old-fashioned one.

I should like to see dozens of big clinics in every city, each with its group of specialists. I should like to see them use newspaper advertising, and draw most of their revenues from the healthy rather than from the seriously ill. I believe that if we Americans paid twice as much to good doctors every year it would be the best money we could possibly spend.

Some developments of this sort will come in the next generation. They are beginning already. Meanwhile, I feel a great sense of gratitude to the doctors. If my experience is typical, they are a swell group of men.

"When Martha found a strange hair on his shoulders, she always figured it came from his wig. "The Anti-Saloon League never asked him where he stood."

Then he has had plenty of soap-box political and patriotic orators lying for him every since he died.

Guy Crews Wins

Marion Crowell, 5. Their predictions follow:

	1	2	3	4	5
T. C. U.	7	13	13	14	13
Baylor	6	7	0	0	7
S. M. U.	20	26	13	21	20
Rice	6	7	6	6	0
Notre Dame	20	14	14	6	21
Northwestern	13	7	7	0	14
Harvard	7	13	21	6	7
Yale	0	7	7	0	7
Oklahoma	14	14	20	21	13
O. A. & M.	7	7	6	7	7

With the exception of the 7-7 tie predicted for the Harvard-Yale game, all winners have been predicted alike this week.

Only two games are played in the Southwestern Conference this week and the most important of these two is the T. C. U.-Baylor contest that is to be played at Fort Worth. T. C. U. must win this game and the one one on the following week with S. M. U. if it is to remain as conference champion, however, this column predicts Texas to win the championship this year and is going to be different from everybody else by predicting Baylor to come out on the heavy end of the score in the T. C. U. game.

S. M. U. should defeat Rice at Houston by two or three touchdowns. The outstanding game of the nation will be the Notre-Dame contest with Northwestern, as both of these teams are undefeated and each has made a very impressive record this season. It is hard to tell about the Harvard-Yale game, but Harvard should win and Oklahoma should win over the Oklahoma Aggies.

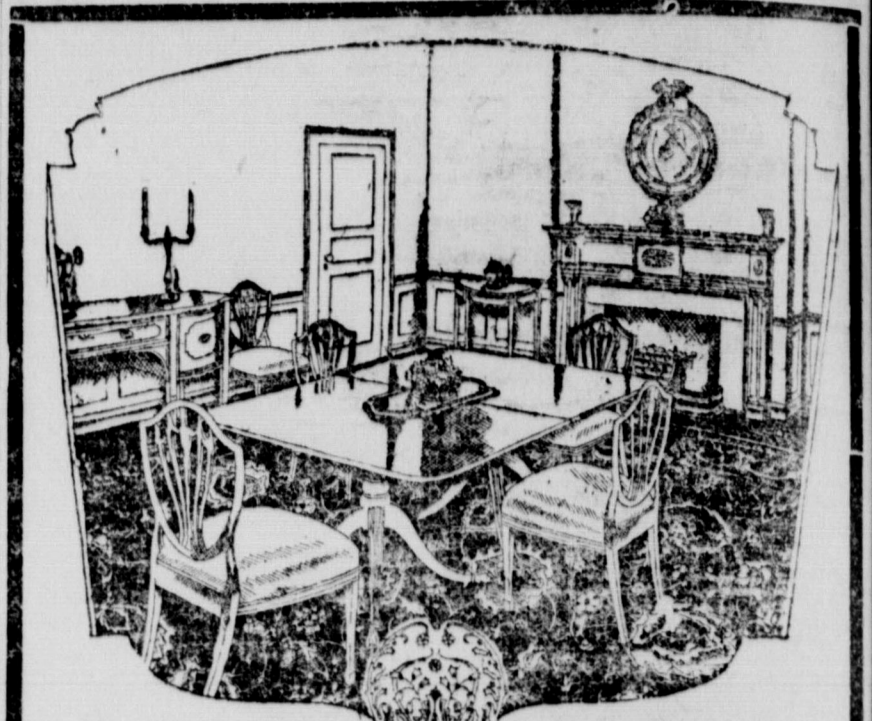

This column picks Guy Crews to win again this week.

Dr. Kincaid Principal Speaker at Luncheon of Rotary Club Wed.

Dr. R. L. Kincaid was the principal speaker at the luncheon of the Rotary Club Wednesday. I. T. Graves made a short talk relative to Rev. Woodie W. Smith and his vocation. He had a number of interesting facts to state regarding each.

Dr. Kincaid gave an interesting discussion as to what he thought was the real cause of the national depression. In starting his talk he stated that of course the people here knew that the main cause of the local depression was several dry years, but that few seemed to know the principal reason for the depression over the country as a whole.

An aftermath of the war: over production; under-consumption and other reasons that have been given as the cause of the general depression were dismissed by the speaker, who stated that the real fault was in distribution.

"Overproduction might produce extravagance and waste, but it should not produce starvation and want," Dr. Kincaid said. "There is over-production in comparison with consumption and this should be overcome by increasing the standard of living, instead of decreasing it. I believe that if the people as a whole were to be rationed as U. S. soldiers are that consumption of meat and other products would increase to such an extent that it would be but a short while until the surplus of food products would be taken up."

In answering his own question as to why the surplus was not distributed the speaker stated that it was because of money. He stated that the dollar has never been standardized as had the yard stick. He stated

Texas Citrus Fruit Shipments Low in Oct.

Austin, Texas, Nov. 20—Fruit and vegetable shipments from Texas during October amounted to 22 per cent less than during the corresponding season in 1929, according to the Bureau of Business Research at the University of Texas. Practically all the decline in total shipments was caused by decreased movement of citrus fruits, which was generally anticipated in view of damage done to trees by unusually low temperatures last spring. Shipments for October totaled 540 cars, a decrease of 22 per cent from the 696 cars shipped during October last year.

NOTICE TO CONTRACTORS

Bids will be received by the commissioners court of Foard County, Texas, at the court house in Crowell, Texas, to be opened and considered at 10 a. m. CHURCHES

NOTICE

We announced a few weeks ago that no items would be accepted for publication in the church column later than Tuesday, when it was possible for such items to be submitted earlier. We again wish to state that we must adhere to that rule and feel that we are not asking too much in requiring this co-operation.

We are anxious to co-operate with the churches to the fullest extent and will gladly furnish our space for church items as long as they are submitted to us on time. We are very sorry that a few have been late in turning in their copy, which could not be published as a result.

Christian Science

Sunday, 11 a. m. Subject for Sunday, November 23, 1930, "Soul and Body."

Sunday School at 9:30. Wednesday evening service at 8:00. The public is cordially invited.

Christian Church

We had good services both morning and evening last Sunday, as well as Gospel Team services at Foard City, Margaret and Vivian. With fairer weather and added emphasis upon individual participation, we are again getting back into our old stride. With the new year at hand, may we be able to exceed any past performance and make 1931 the greatest year we have ever spent in the service of our Master and His church. To make 1931 great we must begin our preparation of thinking, studying, resolving, planning and action now.

The following brethren attended a Pension Fund meeting last week at Wichita Falls and report a profitable and interesting trip. Bro. Long gave a report of the meeting last Sunday evening and gave added information about the Pension Fund. It is hoped that our congregation may take definite action regarding the Pension Fund in the near future.

Another beautiful picture has been hung in the church by the men's class. This picture, "Christ on the Mount of Olives," will be explained next Sunday morning at the teaching service and so will the picture, "The Boy Jesus," which was not explained last Sunday according to announcement.

Rev. A. R. Caudle, who served this church as pastor during 1926, will preach for us next Sunday evening. We all remember Bro. Caudle's energetic and faithful service while with us. Let's all attend and give him a good hearing. His messages are always well prepared, instructive and interesting.

Brother and Sister Clark will visit in Crowell Wednesday and Thursday of next week and Bro. Clark will preach for us at the Wednesday evening service. They are very happy to have this opportunity to visit us they say and of course we are indeed glad to have them visit us. Let's all help advertise their coming, and attend the service on Wednesday evening.

Mrs. Kincaid reports that the Christmas program is all ready planned and that active preparation will soon begin. It is hoped that everyone will stand ready to give every possible assistance to make this program a success, that is, make it portray the true spirit of Christ. It would be fine if you would just see or phone Mrs. Kincaid and offer your assistance.

You are invited, if you do not attend elsewhere, to attend the Christian church. We are carrying on our work entirely with home forces, but we feel our services are interesting and at least we guarantee you a friendly and cordial welcome.

Baptist Church News

Pastor's Study, Crowell, Texas. Last Sunday was an unusual day in that special echoes were given from our great convention at Amarillo. This was, no doubt, one of the most constructive and harmonious conventions Texas Baptists have ever witnessed. It was an epoch long to be remembered by all Baptists.

The reports revealed the fact that nearly thirty thousand people have been baptized into the fellowship of the churches in Texas this year. And that there are over five hundred thousand white Baptists in Texas now, besides those of other races. Over thirty thousand dollars more were given during the year to missions and benevolences than was given the previous year, notwithstanding the fact of the financial depression over the state. Convention goes to Waco next year.

Next Sunday should be a great day for us. The pastor will bring his third message at the morning hour on the theme: "Heavenly Comforts for Earthly Pilgrims." The evening theme will be Hell and what it will mean to those who go there.

Sunday School at 9:45; preaching at 11 and 7; B. Y. P. U. at 6. We hope to have special music by our ladies quartet at the evening hour. Come and welcome.

WOODIE W. SMITH, Pastor.

At the Methodist Church. Sunday School, 9:45 a. m. Preaching, 11 a. m. and 7 p. m. League, 6 p. m. Song service, 6:45 p. m. Woman's Missionary Society, Monday 3 p. m.

The preacher who has been appointed pastor for another year will preach. Come and give him a full house to begin the new conference year. We are expecting great things this year. Last year was a peculiarly hard year in many respects. The material prospects are hopeful. Let us pledge ourselves to give our best to the Church this year. The Lord

bless us. And show himself mighty to save. Meet us at the Methodist church next Sunday morning for a great service.

WINNERS ANNOUNCED IN HIGH SCHOOL POPULARITY CONTEST

Students are still wondering what it's all about and teachers are "sworn" to secrecy as to the outcome of the surprise popularity contest held in C. H. S. Friday afternoon.

Upon entering their classrooms directly after noon Friday students were told to get pencil and paper. Their first thought was that a "pop" test was being given, but on further investigation found that they were to vote on C. H. S. favorites.

It took only a very short time to vote; then the votes were counted by several faculty members.

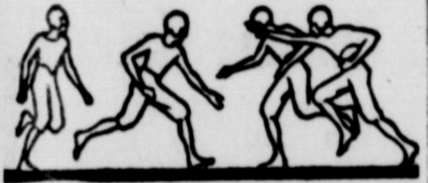

This contest came as a complete surprise to the students, hence no discussions beforehand were made, and it is thought that this was one of the fairest contests ever held in C. H. S.

The complete majorities shown in the election proved that C. H. S. students do think in a similar way about each other.

It might be mentioned that Guy Todd received a most overwhelming majority as best athlete, and justly so.

The results in the contest are as follows:

1. Most popular boy—Ragsdale Lanier.
2. Most popular girl—Dessa Housouer.
3. Best sport, girl—Alyne Lanier.
4. Best sport, boy—John Todd.
5. Best student, girl—Mary Frances Self.
6. Best student, boy—Leslie Thomas.
7. Best athlete, boy—Guy Todd.
8. Prettiest girl—Evelyn Sloan.
9. Most handsome boy—Harold Hinds.
10. Most valuable C. H. S. student—Ida Pearl Harris.

Faculty Entertains at Assembly Monday

The teachers entertained the assembly Monday morning with a program. The skit, "The Doctor and the Patient," was presented by Henry Black, Dr. Meningitis; Winnie Self, his secretary; Louise Ball, Iva Paine, and her daughter, Pleuricy, left to your imagination.

The ball game for Friday was cleverly announced by Walker Todd and Coach Graves. The program was enjoyed very much as laughs were heard often.

National Book Week Is Observed in C. H. S.

Much interest is being taken in C. H. S. this week in books. The English department has had two special days for the study of books and interesting posters have been made. The first day's study consisted of older classics, while the second day was devoted to the study of modern fiction, drama, etc.

Many classics, both old and new, were given to the library by students.

The grade school has as its slogan, "Buy a New Book This Week," and "Ask Santa Claus for a Book Christmas." Interesting posters have been made by these students, and every effort is being made to stimulate interest in good reading.

GRAMMAR SCHOOL ASSEMBLY

Mrs. King's room gave a very interesting program in the Grade School assembly program. They gave a skit called "Folly Put the Kettle On," a very clever story about "Thanksgiving Turkeys." Two short readings were given by members of the class.

Generally speaking Senior girls are Are what? Generally speaking.

Students of Grammar School Win Federation Book Poster Contest

Two book-week posters submitted by pupils from the low seventh grade, which were made under the supervision of Miss Frances Hill, were awarded first and third places in the book-week poster contest, sponsored by the Foard County Federation recently.

These posters were selected and ranked from a large number submitted by schools of the county.

Geraldine Carter made the poster which was given first place, and F. L. Rennels made the one which was given third place.

POOR SLIMES THINK—

1. Traffic jam is good to eat.
2. S. O. S. means "Sophs or Seniors."
3. The "cow catcher" is the pound man.
4. The cemetery was made for Freshman boys.
5. A football coach has four wheels.
6. Pig iron is made for pig feed.
7. Gooseberries are goose eggs.

OLD FOLKS SAY DR. CALDWELL WAS RIGHT

The basis of treating sickness has not changed since Dr. Caldwell left Medical College in 1875, nor since he placed on the market the laxative prescription he had used in his practice.

He treated constipation, biliousness, headaches, mental depression, indigestion, sour stomach and other indispositions entirely by means of simple vegetable laxatives, herbs and roots. These are still the basis of Dr. Caldwell's Syrup Pepsin, a combination of senna and other mild herbs, with pepsin.

The simpler the remedy for constipation, the safer for the child and for you. And as you can get results in a mild and safe way by using Dr. Caldwell's Syrup Pepsin, why take chances with strong drugs?

A bottle will last several months, and all can use it. It is pleasant to the taste, gentle in action, and free from narcotics. Elderly people find it ideal. All drug stores have the generous bottles. Write "Syrup Pepsin," Dept. BB, Monticello, Illinois, for free trial bottle.

BUG DUST

A recent check of the football players proved that not one of the players had smoked a cigarette during the season.

The students are wider awake and have more pep at the 8th period than any other period during the day.

The teachers have decided to assign longer lessons for Monday as it is the wish of the pupils.

Mr. Graves has decided to dismiss school at noon on Fridays so that all students may witness the football games.

P. T. A. Observes Book Week at Meeting Tues.

The Parent-Teacher Association met in the high school auditorium Tuesday afternoon at 4 o'clock. The program was given before the business session. Mrs. L. A. Beverly was leader for the afternoon and had prepared a splendid program in observance of Book Week. There were on display, a number of attractive posters, most of which were made by the pupils of the school. Miss Winnie Self, who teaches English in the high school, made a talk on the books taught in her department and had a demonstration of her work in book review given by four of her pupils. Florence Bell, Jo Roark, Josephine Griffith and Harold Hinds, gave splendid reviews of different types of books which they have studied. This was very much enjoyed and appreciated. Miss Ball, teacher of history, gave a splendid talk on "The Use of Home and School Library." Mrs. T. B. Klepper discussed the subject, "Home Aid in Reading." Mrs. Clint White "The Library Habit" and Mrs. R. R. Magee read a poem entitled "A Reading Mother." It was urged that each person who could do so would give a book to our school library during this month. At the close of this program, the business session was attended to. It was voted to buy necessary equipment for the schools, both for high school and ward school, and the sum of \$78.00 was the amount given for that purpose.

The second grade, Miss White's room, won the pot plant in the primary department for having the most mothers present. Miss Crayer's room, now being taught by Mrs. Sidney Miller, in the intermediate department and the Sophomore class in high school.

The teachers and mothers of the third grade served pumpkin pie and each person was given a pretty chrysanthemum.

Mrs. R. L. Kincaid, who has been active in our local organization for years, has been selected to the office of second vice president of the 13th P. T. A. district. This is an honor to Mrs. Kincaid and also to our P. T. A. and one of which we are proud.—Publicity Chairman.

The program was concluded by a march by Geraldine Carter. It was a thoroughly enjoyable program and was heard by a number of patrons.

ADELPHIAN CLUB

The Romantic Period in music was the subject of an interesting program for members of the Adelpkian Club at the meeting held Wednesday, November 12, at the home of Miss Frankie Kirkpatrick. Miss Frances Hill was leader of the program. The Romantic Period was in the nineteenth century and is represented in the works of the great masters of that time, namely, Schumann, Schubert, Chopin, Litz and Mendelssohn.

Mrs. T. S. Haney gave a brief history of the Romantic Period. Three selections by Schubert were given: Vocal solo—Erlking, Mrs. J. F. Doelen; piano solo—Hark, Hark the Lark, Mrs. E. W. Brown; duet—Serenade, Mrs. W. A. Dunn and Miss Lottie Woods.

Refreshments of pressed chicken, paprika crackers, olives, potato chips, hot tea and date tarte were served to club members.—Reporter.

M. E. Missionary Society

The Woman's Missionary Society met at the church Thursday, Nov. 13, in an all day session combining "Week of prayer" program and Mis-

sion study. The morning session was opened with song and a very helpful devotional, with "Prayer" as the theme, was given by Mrs. B. J. Osborn.

Responsive reading was given by Mesdames B. F. Hinds and Osborn. "Beautiful Garden of Prayer" was sung after which several prayers were offered by different members.

The needs of the "Wolff Settlement" in Pampa, Fla., were presented in a playlet given by Mesdames S. S. Bell, Paul Shirley, R. R. Magee, H. Clark, C. R. Fergeson and W. B. Johnson. "Sweet Hour of Prayer" was sung after which the work and needs of "The Eliza Bowman School" in Cienfuegos, Cuba, were presented by Mrs. T. L. Hughton. We were glad to have Mrs. Leonard of Memphis, Tenn., as a guest.

After a bountiful lunch and a pleasant social hour the afternoon session opened with a beautiful devotional conducted by Miss Cornelia Beidleman representing the Young People's Missionary society. Mrs. J. R. Beverly then took charge and conducted the Mission Study Class. Those taking special part on this program were Mrs. Sam Crews telling of the "Platt Amendment." Mrs. W. B. Johnson, "The Sugar Industry of Cuba," Mrs. B. F. Hinds, "Our Church Work in Cuba." Mrs. George Self presented attractive posters relative to Cuba. We were dismissed with prayer and felt we had spent a very

profitable day. Monday afternoon, Nov. 17, the Society met at the Church and Mrs. J. R. Beverly conducted an interesting and instructive lesson on Haiti. Mrs. H. Clark and Mrs. J. A. Johnson assisted in this program and Mrs. George Self presented attractive and instructive posters on Haiti. The devotional readings were taken from the Gospel of Matthew and Luke. We were then dismissed with prayer.—Pub. Supt.

Mrs. Crews' Music Pupils in Recital Wednesday Morning

An interesting program was given at the High School auditorium Wednesday morning when Mrs. S. T. Crews' music pupils gave a recital. Before the recital commenced, Mrs. Crews called on J. M. Hill Jr. for a reading.

The first number on the program was a piano solo, "Valse," by Mary Elizabeth Hughton, followed by a duet, "Military March," by Mary Elizabeth and Mrs. Crews. The Primary Harmonica class, composed of Reed Sanders, Frances Henry Johnson, Joyce White, Margaret Long, Jimmie Williams, Joe Mark Magee, Billie Newton Klepper, Joe Wallace Beverly and Ted Crosnoe played three numbers, the scale, "Taps" and "Old Black Joe." George Thomas Burrell is a member of this class but was unable to be present.

Lois Evelyn Norris was next with a piano solo, "Melody in F." Dorothy Pauline McKown played "Memories," "March Ambition" was played by Sam Crews Jr. on the cornet, Winnie Thomson B-Flat clarinet, F. L. Rennels E-Flat clarinet, Fred Allan Beverly, Camille Graves, Mary Elizabeth Hughton on the chromonica. These constitute a beginners' band. A piano solo, "Wooden Shoe Dance," by Florene Miller was next. "Springtime in the Rockies" was given by the following chromonica pupils, Fred Allan Beverly, Sam Crews Jr., Camille Graves and Mary Elizabeth Hughton. The junior harmonica class played "Way Down Upon the Swanee River." It is composed of George Cook. Jack McAnear, Frank Hofus and Louise Eubanks. "Aloha" was played by the entire harmonica classes with the ex-

Too Much ACID

MANY people, two hours after eating, suffer indigestion as they call it. It is usually excess acid. Correct it with an alkali. The best way, the quick, harmless and efficient way, is Phillips Milk of Magnesia. It has remained for 50 years the standard with physicians. One spoonful in water neutralizes many times its volume in stomach acids, and at once. The symptoms disappear in five minutes.

You will never use crude methods when you know this better method. And you will never suffer from excess acid when you prove out this easy relief.

Get genuine Phillips Milk of Magnesia, the kind that physicians have prescribed for over 50 years in correcting excess acids. 25c and 50c a bottle—any drugstore.

"Milk of Magnesia" has been the U. S. Registered Trade Mark of The Charles H. Phillips Chemical Company and its predecessor Charles H. Phillips since 1875.
